FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

Vision, vision; we need vision. Where there is no Seventh-Seal Vision, the people perish; they fall into the ditch. Because if the blind follow the blind, they fall into the ditch. [Matthew 15:14 –Ed.] Why? Because the blind has no vision. Nothing is opened to the blind. The blind has no Light; they can't see the Light to walk in. But you need the Light. The Light shines on the Word. The Word becomes a Lamp to your feet and a Light to your pathway. [Psalms 119:105 –Ed.] You know where you are walking. You could face things with confidence. You're not double-minded and indecisive. Because why? The Word is lined up to us. [Page 6- to 61]

Once the Message gets connected in any church, you see the faith in them starts to rise. Why? They're seeing; they start to see, and seeing is power. If you're not seeing, you're feeling; you have to use emotion. When you see, you are seeing Scripture, line upon line. You're seeing It lined up. Other than that, you're feeling, you're hoping, you're wondering, "Could it be?" You're uncertain. But when you see, you could say, "That's a dog. This is an ant. This is an elephant. This is a rhinoceros. This is a wolf. This is a donkey." You're seeing clearly! [Page 62]

[Signs Of The Times #429 - Songs That Live –Ed.]

...have come and gone

Since I first heard it told,

How my Jesus would come to earth again,

If back then it seemed so real,

Then I just can't help but feel

How much closer His coming is today. [Hallelujah.]

CHORUS

Signs of the times are everywhere, ...

Oh, and there's a brand new feeling... Enter into it.

...new feeling [can you feel it?] in the air,

Rise up, eagles.

Keep your eyes upon the Eastern skies,

Lift up your head, your redemption draweth nigh.

Wars and strife...

Wars and strife on every hand,

And violence...

We see it every day.

Still some people...

They doubt that He would come again,

But He said, "I'll come like a thief in the night."

But the Word...

How many know the Word of God is true?

He redeemed His chosen...

That Sealing Angel moving through, marking them in their forehead; them that sigh and cry.

...will descend.

And He's already descended (amen) with a Shout.

Signs of the times...

We see the End of Time Seal; the Son of man came in the Cloud with power and great glory. Hallelujah!

Oh, there's a brand new feeling...

I can feel it in my soul; that's the only thing you can feel it with.

Upon the Eastern skies...

...the Eastern skies,

Lift up your head,

Oh, your redemption...

Oh, let's sing that first verse, again.

Years of time have come and gone...

It's fifty years since the going of that End-time sign seed; a vindicated Prophet, the ministry of the Son of man showing the last sign before the change of the body. Hallelujah!

...to earth again,

Many of us were young boys when it struck our hearts.

It seemed so real... It's more real to me, today!

...can't help but feel

How much closer...

How much closer, church?

...His coming is today.

Oh, lift your hands and sing. Signs of the time...

Signs of the times are everywhere,

He said, "Signs in the churches, signs in the heavens, signs in the earth; signs in the Body." Hallelujah!

...brand new feeling...

Scriptural signs, identifying a people at this Last-day

move of God. Amen.

*...your eyes upon the Eastern skies,
Lift up your head!
...your head,
Your redemption draweth nigh.*

Oh, wars and strife on every hand,

Hallelujah! All kinds of wars in the earth: drug wars, industrial wars, economic wars, political wars, corporate wars. Hallelujah! Violence fills the land.

...He would come again,

Oh, but the Word of God is true. That's the only true Thing, today – the Word of God.

He redeemed you...

...you chosen few,

Don't lose hope now. Abraham was sitting at the tent door with hope, with expectation for visitation. Glory be to God!

Signs of the time...

He said, "I'll return according to the time of life." Hallelujah!

...everywhere,

Oh, and there's a brand new feeling...

...new feeling in the air,

Keep your eyes upon the Eastern skies,

Lift up your head,

Your redemption draweth nigh.

As we bow our hearts, what precious words are in that song, alerting the inside man, stirring him back to remembrance of those Things that Voice of God spoke in these last days, when that Evening Message went out to get that Bride at Evening Time, to call and seal that Bride away, because this great One had descended like a thief in the night.

When the Thief comes, He comes to steal, to kill and to destroy; [John 10:10 -Ed.] stealing His Bride away like Romeo stole Juliet. He said, "I'll kill Jezebel's children

with death,” the last plague before they went out in the Exodus; that elected Church that was put under the Token. “And then I’ll destroy them that destroy the earth” [Revelation 11:18 –Ed.] Keep these Things in remembrance, as we go to pray.

Of all these great Things He has done, how He came back around in that Unknown Language that flew passed that second Fold Mystery of that Seventh Seal. When She has reason to see, It’ll come to Her. “The world will not see Me, but you will see Me. [John 14:19 –Ed.] I’ll come to you. I’ll manifest Myself to you.” [John 14:21 –Ed.] Jesus said, “I have many Things to tell you right now but you cannot bear it.” [John 16:12 –Ed.]

He said, “Obey the ABCs. The time will come when the algebra will come; it’ll come back around. You need a little more maturity, you need the Holy Ghost for that part. Water baptism and things,” he said, “you don’t even need the Holy Spirit or revelation for that. You could just read that all through the Scripture. But these Things, you’ll need Divine revelation, you’ll need that Inside Teacher. You’ll need that visitation.” Like when Gabriel came to Daniel, He said, “I come to give you skill and understanding.” [Daniel 9:22 –Ed.]

He said, “That’s how the Holy Spirit will come to the Church in these last days, to reveal these deep, secret Things to get Her ready to go out; to give Her faith for Rapturing Grace.” It will be a secret – the sudden, secret catching away: the one shall be taken and the other remain; two shall be in the bed; two shall be in the field. [Luke 17:34-36 –Ed.]

How you want to enter into that place to diligently search your life, search your house. And those missing things that you’ll need to find back before the Bridegroom comes to take you out...at midnight, there was a cry, “Behold, the Bridegroom cometh!” [Matthew 25:6 –Ed.] There was one who knew the time. There was one who was given a Voice to announce the coming of the Bridegroom. It brought an awakening. All were

awakened, but those with the Oil made the difference; those who had the Oil. They that were ready went in with the Bridegroom; the Door was shut [Matthew 25:10 – Ed.] Others were good people, a good group; they were right there together with that one who had the Oil, but they failed to catch that opened Door.

Beloved Jesus, we stand soberly in Your Divine Presence, approaching You sanely, intelligently and right in the Word. You said, “Blessed is the man whom God chooses and causes to approach unto Him.” [Psalm 65:4 –Ed.] We come by that new and living way, through Your precious Blood, entering into the Holiest, coming before the great Throne of grace where the Blood-sprinkled Mercy Seat sprinkled with those seven drops of Blood is, and that Blood has a Voice that speaks pardon and deliverance.

Oh God, soon and very soon, that Blood would be removed. It waits for those last few names, for them to be quickened and awakened and sealed into the Body. They might already be among the Elect, just waiting to move from the Book of Life into the Lamb’s section, where they could live under the mystery of who they are after they receive the New Birth. Outside of that, they’ll never catch that faith, Lord.

But today, as we stand soberly, reverently and in the fear of God, we look to You, praying for Divine revelation, oh God, knowing that the just shall live by faith when that Word is revealed and quickened and those Laws are written in our hearts and minds. You said, “This is a new Covenant I’ll make with you.” No man will have to say, “Know the Lord,” we’ll all know the Lord.

And that Quickening Power, that great Mama Eagle, She’s looking for those names in the Book, flying, searching diligently, to quicken those few names, that they could be brought to life, because the Rapture is a revelation only for the Bride, those that were foreknown, those that were predestinated, those in whom Your

Name would be glorified and be admired; those redeemable attributes.

Lord, today, we pray that through the sounding of Your Word, the Trumpet giving a certain sound, the Word going forth, the Spirit in the Bride reiterating vigorously, saying back that which has already been said. This time Lord, You're giving it a way to move quickly into the ends of the earth, through the opening up of that fourth dimension. It can quickly sound across the face of the earth, going faster than the planes, faster, Lord, God, than any form of transportation that man has right now!

Speaking right here, people could hear that in Russia, in Africa, in India, down in Australia, in New Zealand, way up in the Scandinavian countries; over into China and these places. Send Your Word, Father. You said, "The Word that proceedeth forth from Your mouth will not return unto You void." Direct It, as You directed that sperm in the midst of millions of eggs to find that one that it is ordained to unite with and become a living organism; so You know how to guide Your Word.

Jesus, may You have Your blessed way, today. Sanctify us as a people in Your Presence, today. Sprinkle Your Blood, remove all defilement from among us. Draw us nearer, nearer, blessed Lord.

*Jesus, keep me near the cross,
there's a precious fountain,
free today to all, a healing stream,
flows from Calvary's mountain.*

Oh God, let it flow out of Your Word, Father; this bleeding Word, this Bloody Word and wash a Church that She might become a glorious Church that has no spot or wrinkle. May You grant it.

We thank You, Lord, for Your great grace and being able to stand here again, once more in the midst of this church, in this place which You have given, to stand and proclaim Your Word, Father, of Truth. Bless all

that is within the hearing of the voice, both here and in the region, through the internet; wherever, Lord, people are in attendance. May the Spirit speak expressly.

These are the days, dear God, when we are told that the Voice of God would be in the Bride. We believe that, Father, and so we pray that You, the Spirit, would speak and we would know it is You, Father, because You would say back the same Things. The Spirit of God will never deviate from that original Word, that Word that You vindicated, that You spoke through Your Prophet. May You grant it.

Bless all Your people. Take into consideration all the needs that they would have, the things that they hold in their hearts, the things, oh God, as believers in this Hour. Search their lives. They're looking to walk a little closer, looking to enter in a little deeper, looking to identify the places, oh God, where they need to cultivate and the places they need to see, Lord, come into maturity and come into a greater measure in their lives.

We all desire that, Father, to see You have the pre-eminence and the oversight and the leading, and we will not be satisfied until we see the same harmony that existed between the Father and the Son now existing between the Bridegroom and the Bride. For You said it will be this, and She will know it is You in Her fulfilling Your own Word that You left for *this* time, that Christ in the *True Church* will be the continuation of the Book of Acts.

May the Angel of God direct us in everything that is to be said and done today. Only You know the needs of the people. We just stand here, Lord, as a channel, with a gift to yield, to make ourselves available that You might speak, Lord. This is the Hour when the Word from the Head must come down into the Body, that the Bride will have the Mind of Christ; know what You want done with the Word, because this is the sign that the Rapture is at hand.

We don't just want to come here and fumble around

and play around and just enjoy standing here, Father, but we want Your will, Lord. We want You to have the pre-eminence, that You can do things that we the believers will know, it takes You to do those things. You know everything about us.

May Your Word bring faith, substance faith, a living, quickened, overcoming faith; faith that will make us look away from this world and look away to Jesus Christ; will tie our souls to Your unfailing Words of promise, that these deep treacherous waters that are before us, we'll not be shaken in mind and troubled in spirit but, oh God, we'll be certain of God, certain of Your faithfulness! May You grant it, Lord. We ask it for Your glory, in the Name of Jesus Christ. Amen and amen.

Praise His mighty Name. Praise our God. Amen? Glad to be in His House, today. I'm happy and just so happy to be home. Amen. [Congregation applauds -Ed.] Praise the Lord.

It seems like I had too much... two days too much, in Africa, because after I preached the Sunday, the Monday I was like homesick. But I guess you had to linger around and wait because God wanted to speak to me in *that* location. Amen.

So, we certainly had a great time. It's always a great time when you get with believers. If it's two under the tree, outside; if it's ten somewhere, in a little corner; if it's way, in another country, "Lo, I'm with you always. I will never leave you nor forsake you."

This great uniting time, this invisible union of the Bride and Christ, it's something great when you feel Him in your heart, when you walk in this Word, in this Hour and you know that He walks in you. "I will be your God. You shall be My people. [Exodus 6:7 -Ed.] I will dwell in you and I will walk in you, saith the Almighty. In that day you shall know as I was in the Father and the Father in Me, so I in you and you in Me." [John 14:20 -Ed.]

It's a great thing when you know you've come to this

knowing. It's not like a boastful thing; it's a faithful God keeping His promise. It's the God Who can make the masterpiece (hallelujah!) because that's the expected end of every son and daughter of God – to be like Jesus.

*On earth I long to be like Him;
All through life's journey,
From earth to glory,
I only ask to be like Him.*

A lot of people ask for a lot of things: want a house, want lands, want a job, want money, want fame, want popularity; I ask to be like Jesus – to be like Jesus. Amen. Because this is why we are here. This is the testing ground. This is the Age that He must display His full, complete redemption, that He kept His promise, that He will show forth His victory and the reason of His death. This is that Day. Praise His wonderful Name.

I hear we have a couple here from Newfoundland, Canada, in the service today. In St. Lucia? Oh, praise the Lord. God bless them there, that are gathered in St. Lucia. Praise His wonderful Name.

I'd like to invite your attention quickly, as we go into the Scripture. I'd like to invite your attention to Jeremiah 27. I would like to speak this morning, a little message, a kind of an introductory message. Coming back...

I preached one message here in the church, actually standing here at the desk. I know you've had video messages from Africa, from Seattle, from Miami and... But I preached one, which is *The Judgment Of The Great Whore* [2016-1023 -Ed.] that Sunday before I left, and the others you've heard.

I was on the West Coast, as you know, at the time of the election. And speaking by inspiration and then going to Miami and speaking it there, which that was from the West Coast to the East Coast, and speaking these Things in the United States, reiterating what the Prophet said about that nation in prophecy, because it's a thing that people have not paid much attention to.

People know the quotation but they don't have the revelation. See, anybody could say, "America is Revelation 13," but that is just like saying, you know, "In the beginning was the Word and the Word was with God." You know, that's like a memory verse. But when you understand that that nation, the reason it's put in prophecy, the reason it's put between the Trumpets and the Vials, the reason it's put there, the reason that that Third Angel's Message went out...

See, that's why he's called the Third Angel, because that's the Gospel coming from East to West, and the last three that came from Germany to the United States: Luther, Wesley and the Prophet. And he's called the Third Angel, though he's the Seventh Angel Messenger in the full, complete Church Age.

You see, all these Things are revelations. And God has shown these Things down through these years, and it has been great to know these Things in this Hour, to see that whole Message come together.

Jeremiah 27, quickly; get you off your feet.

¹ In the beginning of the reign of Jehoiakim the son of Josiah king of Judah came this word unto Jeremiah from the LORD, saying,

This is a great thing. The man knew when that Word came to him. He had a visitation.

And we all do these things. If God gives you a Scripture in the Bible, He talks to you somewhere, you take your highlighter and you highlight It; you write a date next to It or something; you write a little note. Why? It's a place that something... God gave you for your soul; not your body, for your soul; something about His plan and your place in the plan.

And so, this Word that came unto Jeremiah, from the Lord:

² Thus saith the LORD to me; Make thee bonds and yokes, and put them upon thy neck,

This Word was for him, to make yokes and put it on his neck. Then God was going to make him with this now, a sign, a sign to a people.

Now, if you remember the message on the red heifer, you will know what *yoke* is. A yoke gives the person who... When they put that yoke on the ox and the ox is going to pull great loads now, that yoke gives the person who is driving that animal, full and complete control. He could direct that animal anywhere he wants it to go. So, watch this here:

...Make thee bonds and yokes, and put them upon thy neck,

³ And send them to the king of Edom, and to the king of Moab, and to the king of the Ammonites,

Now, how many know that these three people are relatives to Israel? Ammon was Lot's son. Moab... Ammon and Moab, they also came from Lot. And the king of Edom... Edom came from Esau. He was Esau, so... Esau's descendants.

...and to the king of Tyrus, and to the king of Zidon,

And anybody who reads the Bible, like Ezekiel 27 and these places, Tyre and Zidon were the great people who were positioned—geo-strategically positioned on the earth. They were situated by the great waters. They were the great trading nations, seafaring nations that brought great wealth. And so, like when Solomon was building the temple, Hiram the king of Tyre gave him so much substance to go into the temple. So, these were trading partners.

It gives you the region here and It identifies the names. See, that's why when you read the Bible, knowing a little geography helps you; and a little history in the Bible, it helps you. It's more than a name. It tells you what was happening. It was something regional because all these nations were in one region.

And Jeremiah now was being told, "Make these

yokes; put them on your neck.”

³ And send them to the king of Edom, and to the king of Moab, and to the king of the Ammonites, and to the king of Tyrus, and to the king of Zidon, by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah;

Do you see? So these nations, they had interaction and relation with one another; that's why they were coming to Jerusalem. They were like trading nations.

We are CARICOM. We have relations with Grenada, and St. Vincent, and Dominica, and St. Kitts and... Why? We're in one region. Do you understand that? We are... In the dividing of the world today, they call us CARICOM.

We're part of the Organization of American States, so this is why the American influence: Our cable TV and these things that they have that americanize and bring people into American culture and get them under the American influence, so they look up to America and they become subservient to America. All of this is strategic because this is how they shape a culture in a people. Do you understand what I'm saying?

This is why the ambassadors are here in our countries, especially when they have relations. This is why when, you know, anything political gets out of hand, you know, the army can come down, and the air force and airplanes and these things, because we're right next to Venezuela, who is left [leftist -Ed.] and the great man of the region has gone.

Dr. Eric Williams [first Prime Minister of Trinidad & Tobago 1962-1981 -Ed.] wrote *From Columbus To Castro*. How many know that? See, he's a father of the nation and some of you don't even know what he wrote. See? Castro...

We have the church in Grenada today. It was in 1982 when President Reagan sent in the troops when Maurice Bishop was moving the nation away from the United States, when Eric Gairy had all kinds of skeletons and

bones and witchcraft inside his closet. Did you forget these things? [Congregation says, “No.” –Ed.] No, no, no. This is the region. This is the region. That is the *spice island*.

We have songs: *New Things Are Being Declared* [#1255, Songs That Live –Ed.] came out of there; *My Faith Is Zeroed To The Change* [#953, Songs That Live –Ed.]; *He Lifts Me Up* [#1146, Songs That Live –Ed.], we heard it, we sang it this morning. All that came from there. Hallelujah! *Let There Be Light*, 1998 [22nd May –Ed.], going out in the islands; the first place outside of Trinidad and Tobago that we went to, in the campaign.

If you don't know your own history, could you know world history? [Bro. Vin laughs –Ed.] You might just know it by information; you have to know it in relation to you. So, when you know yours, where you're located, you know the history in relation to you.

⁴ *And [he commanded] them to say unto their masters, Thus saith the LORD of hosts, the God of Israel; Thus shall ye say unto your masters;*

This was Jeremiah speaking.

⁵ *I have made the earth, the man and the beast...*

God was speaking as the One and only Creator of the Universe. When He said that, no other human being, no other god that they worshipped, whether it was Muhammad, or Ram, or Krishna, or Confucius or whatever, none can say they created the Heaven and the earth. But this God, He said, “I...”

You see, you have to understand that, what was happening there, because in this Day, when He came down with the Title Deed and put one foot on land and one foot on the sea, He lifted His hand to Heaven and He swore by Him that created the Heaven and the earth, and the sea and all that therein are. Well, that is a shadow of this; that is the same thing.

⁵ *I have made the earth, the man and the beast that are upon the ground, by my great*

power and by my outstretched arm, and have given it unto whom it seemed meet unto me.

“I have given it unto whom it seemed meet unto Me.”

Now, when you read Scripture, you remember that: God gives this to whom He wants to give. And that is not like a rash thing; God has a purpose and a plan, and there are people who feature in God’s plan. Babylon had a time in God’s plan; the Medes and the Persians had a time in God’s plan; Greece had a time in God’s plan; and America has a time in God’s plan, the fifth Beast. God knows how to give it to man, to bring about His purposes.

And every place that God had given to man, God had witnesses there. There were Daniel and them there (is that right?), in the time of Babylon and the Medes and the Persians. During the time of Greece, God had witnesses there. In the days of the Roman kingdom, God had Paul, and Peter, and Jesus, and the apostles and them there.

In the days of the United States here, they’re having the 45th election for the 45th president; God had a Voice there. Not just reading a quotation; preaching the Mystery, reminding the church, keeping the church focused.

I have made the earth, the man and the beast that are upon the ground, by my great power and by my outstretched arm, and have given it [to] whom it seemed meet unto me.

⁶ And now have I given [and now have I given] all these lands...

Moab’s land, Edom’s land, Tyrus’ land, Zidon’s land, Ammonites’ land, Israel’s land, Judah’s land: “I have given it.”—all these lands,

...into the hand of Nebuchadnezzar the king of Babylon, my servant; and the beasts of the field have I given him also to serve him.

What? This is the sovereignty of God. This is God in His sovereign, creative power, speaking these Words in an Hour of great crisis when invasion and war were imminent.

And all these regional, foreign—ministers of foreign affairs and national security had made their way to Jerusalem for a summit, so they could help sort out the problems the region would face, and what to do. And the think tank came together to kind of figure out, “What are we going to do in this international crisis that is going to affect all of us?” Are you getting the picture? That is the picture.

7 And all nations shall serve him, and his son, and his son's son,

After He said, “I gave him all these lands and I gave all the beasts to serve him,”

And all nations shall serve him, and his son, and his son's son, until the very time of his land come:

What do we learn by that? That God already knows which nation is coming in after them, and God already determined and allotted how much time this kingdom will have: he, his son and his son's son. Do you understand?

And Daniel 5 tells you when the time was up. The handwriting came on the wall and said, “MENE, MENE, TEKEL, UPHARSIN: You're weighed in the balances and found wanting. I have given the kingdom to the Medes and Persians.” to fulfil this Word here. Do you understand? “I am God and I change not.” *Jesus Christ is the same yesterday, and today and forever* [Hebrews 13:8 -Ed.] That which was is now, and that which shall be hath already been; there's nothing new under the sun. [Ecclesiastes 1:9 -Ed.]

So that same thing...can you believe that is happening in this Hour? [Congregation says, “Amen.” -Ed.] The next question I would ask you, but I don't want to get too personal with you as yet. I would have asked you,

“Does that govern your thinking?” [Congregation says, “Yes.” – Ed.] You say, “Yes!” That’s acknowledgement of a Truth that you would not say is wrong, but that is not, many times, a revelation of something governing the way you think and your life. Because in this Hour, your behaviour—many people’s behaviour show they’re not governed by these Things, because they’re making a lot of plans, and they’re looking for a lot of things and getting out of the will of God; because they know this as just a statement but not something governing their lives, and they set their priorities and live with the expectation. Because if these things are happening there, what is happening among the Bride, in the spiritual realm?

If this is the politics of the Hour, and the economics, what is happening in the spiritual realm? Because Jeremiah was in the spiritual realm. He was the Voice speaking, having this revelation because the Word of God came to him. And the Word of God told him how long this kingdom will last. Are you catching that? That was Jeremiah’s revelation that God came and gave to him.

So, he was telling the people now, who were being influenced by false teaching and false prophecy, “Build houses down there, you are not coming out now.” [Jeremiah 29:28 –Ed.] And when man was trying to bless what God cursed, he said, “Don’t listen to those false prophets and these things; listen to the Word.” Are you getting this? This is the spiritual realm.

In other words, this Word is not coming to the kings. They do not know all of this about the king of Babylon. They were just seeing an army coming in the region, but Jeremiah knew this was a new dispensation coming in; this was the beginning of the Gentile Dispensation. Do you get this?

This now, he knows... Nebuchadnezzar coming now, “If I get this, I could bring in this world order that my ancestor, Nimrod, had way back there.” That as Nimrod

ruled the world, Nebuchadnezzar ruled the world; as Nimrod forced everything to come to Babylon, Nebuchadnezzar could force everything to come to Babylon. Do you understand? Do you understand?
[Congregation says, "Yes." –Ed.]

...and then many nations and great kings...

Like Cyrus and Darius and Alexander the Great,
...shall serve themselves of him.

⁸ And it shall come to pass, that the nation and kingdom which will not serve the same Nebuchadnezzar the king of Babylon, and that will not put their neck under the yoke...

In other words, come under the control of the policies.
...of the king of Babylon, that nation will I punish,

This is God talking to nations. God talks to an individual person, God talks to a family, God talks to a church and God also talks to a nation; so God is talking to you on a national level.

[And] the nation and kingdom which will not serve the same Nebuchadnezzar the king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the LORD, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand.

That is your Fourth Seal, right there. How many know that is your Fourth Seal? "They are given power to kill one-fourth part of the earth with sword, with famine, with pestilence, with the beasts of the earth." We know that's in the Bible, right? [Congregation says, "Amen." –Ed.] And who's doing it today? The king of Babylon, Mystery Babylon. Watch. That Fourth Beast is going forth, devouring the earth, breaking up in pieces.

⁹ Therefore hearken not you to your prophets, nor to your diviners, nor to your dreamers, nor to your enchanter, nor to

your sorcerers, which speak unto you, saying, You shall not serve the king of Babylon:

All these were voices contradicting the Word of the vindicated prophet who said, “The Word of the Lord came to me, concerning this.” But people love their nation; people want a following; people are moved by emotion and they want to console people: “God is a good God. God loves everybody. God is not going to let you go through all that. You are a Jew; you’re an Israelite. You’re an American.” Do you understand?

Jeremiah knew that they were going out of their land. He had a message of coming judgment, but the people did not like that message. The politicians were coming together... Watch this. Watch the picture. The politicians were coming together to find political solution to the crisis.

In the spiritual realm, the religious realm, all kinds of lying spirits were coming up and influencing people. People were getting dreams. The internet is full of it. Everybody on the internet has a dream, has a Scripture, has an interpretation, has a prophecy. Every woman who gets up, she has a word from the Lord; she’s making her little video on the internet.

God said,

⁹ Therefore hearken not you to your prophets, nor to your diviners, nor to your dreamers, ...

Many of you go on the internet and hearken to the dreamers, and hearken to the prophets and hearken to the diviners, and you’re getting wild gourds from a tree and then you want to bring it in the Message pot! You’re hearkening to things that sound good, educated guesses of educated men and well-worked-out explanations. The first thing you have to do is to know if that is a channel for God to speak and bring a Word through for this Hour! And if you can’t identify that, then what is the reason for spending all your time on

that? If after a Prophet taught you, what follows the one-man Scripture? What is the final Voice?

Now, I know I'm stepping on toes here, this morning; educated toes, spiritual toes, but it matters nothing; I'm on the Bible! Because you see, the thing with me, when I'm coming, I'm coming Scripturally and with the Message with these Things.

See, all these men were not reading Jeremiah, so they didn't have a clue what the plan was for the Hour, but they had an interpretation because one is a politician. He knows political parties; he studied that. The other one studied economics. He studied banking and the banking industry, so he has an interpretation of what happens financially. Are you getting it? [Congregation answers, "Amen." -Ed.] I'm sure you could see it.

Now, don't get mixed up whether it is me or Him, you know. [Bro. Vin chuckles -Ed.] How you do know the difference? When He speaks, He'll speak according to the Word!

Listen. These dreamers and enchanters... Look at how God categorized them: prophets, diviners, dreamers, enchanters, sorcerers;

...which speak unto you, ...

You say, "I'm not in contact with any of them."

When you're reading articles, who are they? When you're drawing a concept of people's thinking, who are they? When you're getting influenced by what they are saying because it appeals to your educated mind, who are they? They have no continuity to Jeremiah. And the Word is saying,

*...hearken not you to your prophets, your diviners, your dreamers, your enchanters, your sorcerers, which speak unto you, ...
You shall not serve the king of Babylon.*

See? May the Lord bless the reading of His Word. You may have your seats; just keep your Bibles open. I had you on your feet a little long, so I'm going to... Because, you see, I'm commenting on Things here that are

important for me to make the comments. If I keep you standing, you'll be standing a little too... extra, long. You'll start to think of your foot hurting you and miss what I'm saying. [Congregation laughs -Ed.]

So, what we are seeing here, this is... Watch man's thinking. Here, we are seeing a revival of demon power, because the prophets were false prophets; that is why God said, "Don't hearken to them." They were men divining, men dreaming; enchanters, sorcerers. It's uncertain sounds, in other words, trying to kill the effect of God's prophet, Jeremiah. Because Jeremiah, It starts off, the Word of the Lord came to him, "Thus Saith The Lord, I am God Who created all of this." Catch the setting. Catch the setting. This was...

I'm speaking on "**THE FINAL EVENTS THAT ARE USHERING IN A NEW WORLD ORDER**". Because I want to show... And my little subject, *The Modern Events Which We Are Witnessing, Makes Clear The Vindicated Prophecy Of Malachi 4:5 And Revelation 10:7*, and we're going to look and see, Mystery Babylon's methods of destruction of the USA: how Mystery Babylon has destroyed that system that was once the great land of freedom, where the protestants got their refuge from Catholicism; where the land is a type of Israel, and the people fled persecution to set themselves up, and God led them straight to that refuge and it became the mightiest nation in the earth. But then it went and united itself with that Jezebel.

It united itself with that Jezebel because the destiny of her in the Bible, she is parallel to Israel. Her kings, her prophets, the land, the economy, everything is parallel. Her history is parallel; until God came down to the true Prophet and said, He said, "The history of Israel in the days of Ahab is taking place in this nation," 1960.

Now, if God said that there, then that was that part of the history where she was coming into union, in the marriage, and she came in and wormed her way into the

White House. And the Prophet knew that in the continuity of the Seven Visions, this is the sixth one rising on the scene, here. He knew this is the sixth one rising on the scene here, because that woman was going to come to the White House and she was going to control this nation. It had to make the setting of the Age match because Elijah is in the land. Elijah is in the land.

And so, when we look at this reading here, I want you to catch and understand how this nation, she is in the Bible, and we are given the key to understand this nation – her past, her present and her future. Do you get what I'm saying?

When you see believers want to flock to this nation to live and... you know they don't have a clue of the Word. They know what the Word says but they don't have the conviction to be influenced by what the Word says because something there pulls them and that pull is stronger than the pull of the Word.

You see, this is the place where... You see, intellectual business is a strange thing. This is the place where people in their minds, they agree with the Word, but in their souls, they don't have the conviction to walk in that Word; so they say, "Yes, amen! That is true, brother! Yes, brother! Amen, brother!" But they don't have the conviction to walk in that Word.

They're glorifying their own selves by saying, "I know that. I read that already. You're not telling me anything that I didn't read." And they sit down there with a kind of false spiritual pride and not realizing that isn't worth one cent to God because God is looking at: not he that heareth but he that doeth. "My sayings are like unto to him that heareth and doesn't do." It is a foolish man building his house on the sand; when the storm comes, that whole thing is going down. But the wise man who hears and does, he digs deep and finds the rock and builds on it. Do you know why? Because he knows the storm is coming. He knows the storm is coming.

So, this is the reality. That oncoming storm was

coming on that nation, the armies of the king of Babylon, and that nation was about to be destroyed and then burnt. So, these are the final events I'm talking about when I say, 'THE FINAL EVENTS THAT ARE USHERING IN THE NEW WORLD ORDER.'

The New World Order was when the image was set up in Babylon and the persecution – they had to force the world to bow because Nebuchadnezzar had what was now, the 'head of gold'. God said, "You're like a great tree and all the birds and the beasts come for refuge under your branches to eat your fruit," and so on.

And here in Babylon, as we just read there, God said, "Anything that doesn't submit to you will find themselves in problems because I have given to you. They'll be looking for Me to provide for them outside of that economy but I want My people in there also." Because Daniel and they were in there, but not of there. And because they were in there, God could give a witness in the midst of all those false gods, of the one True and Living God, and made the highest king himself say, "Truly, Daniel's God is God." [Daniel 2:47 –Ed.]

God works in mysterious ways, His wonders to perform. God has strange ways to do things. Aren't you glad that God could select you in this Age to be part of His Economy? Aren't you glad that God can show that you were like nothing, but He can give you something to stand for Him and He could glorify His Name in you? Aren't you willing to go through a little hardship, a little difficulty sometimes, but you have the consolation that God is with you; you are walking in the will of God, you are walking in the plan of God? This is how to look at it, how to see it. That's right. You have God.

God says, "You have Me, you lack nothing. Seek first the Kingdom of God and His righteousness and all other things shall be added." [Matthew 6:33 –Ed.] I've never seen the righteous forsaken neither His seed begging for bread, but I'd rather be a doormat in the House of God than to dwell in the tents with the wicked! [Psalms 35:25

and 84:10 -Ed.] You must have a conviction.

You see, you are not your clothes! That natural mirror lies. That natural mirror tells you that you're looking good because that natural mirror keeps you believing that you are the body. That natural mirror never shows you your soul, not one day, but this Mirror here shows you the real you. [Bro Vin refers to the Bible as the Mirror. -Ed.]

This Mirror...you may walk in here with old clothes, dragging a slipper, and yet, feel a little complex because everybody is dressed up around you, but when you look in that Mirror, It says, "You are My son! You are My daughter! I'll stand with you! I'll recognize your faith! I see your conviction; I see your principles; I stand with you!" Amen. That's right. God sees that. That's what God sees, and God has chosen you for this. That is why, find consolation in the revelation. Find peace in the Presence of God. Hallelujah! Know it is impossible for God to lie.

God has chosen you. That is the greatest thing there is because, if you have a million dollars, you could get it today and walk out of here, and a bandit puts a bullet in your head, (do you understand what I'm saying?) and then you die without the real Riches. You went trusting in uncertain riches. Live consciously. What you have need of, my God shall supply all your needs. [Philippians 4:19-Ed.]

It's your problem if you can't identify your needs from your lusts. Know your needs and approach God with your need and watch God meet that need. But you're lusting for this, and you're lusting for this, and you're lusting for this and you have no interest in the will of God for your life; then, it's best that you ask Satan. It's better that you ask Satan. Do you understand what I'm saying? But the thing is, when you're walking with God, God says, "I'll will take care of you."

Jacob said, "The Angel of God Who redeemed me from all evil, Who has fed me and clothed me, (hallelujah!)

Who has protected me.” [Genesis 48:15-16 –Ed.] Not only protected him; God changed his name and gave him a new walk. And not protected him from Esau, he overcame Esau...overcame Esau. He overcame himself first!

It’s because he didn’t overcome himself that he had a lot of schemes still. He put his wife and his children, the one he liked least; then put the other one he liked a little more – politics with the family. Do you understand?

But when he overcame himself, he reached a stage where he knew, “Esau is not the enemy, and it’s my fear, my doubt, my lack of trust in God.” He began to look back at his father Isaac and his grandfather Abraham. And when he began to look back at them, he started to realize, “Yes, my grandfather and they had real faith, and this is the same God. And God came down to walk with me, and I met this God at Bethel. God dropped down a supernatural revelation and vision to me.” That’s right. “I poured oil on the rock and made a covenant with God.” See? Don’t take God lightly, don’t take...

Talk to Him, put your life in His hands; mean it when you’re doing it. And if you find that you’re doing it but you’re little worried whether it’s going to be accepted, say, “Lord, I really want to serve You. What You see that I lack, Lord, You give to me, because I know I’m asking as a needy person. I can’t say I have but You said You will supply. Lord, You said You will supply. Lord, I don’t have confidence that I could keep this Word, (that’s right) but Lord, You could keep me and You could put Your Life in me and make me live this Word.” That’s right.

You see, sometimes people go through so many things and get around so many problems in their mind; just say, “Lord, I can’t do it.” That is what He wants to hear you say because really and truly, you can’t do it. You could only do it through Christ: I can do all things

through Christ Who strengtheneth me! [Philippians 4:13 – Ed.] But you see, God watches you. You don't receive because you don't ask, and He says, "You don't ask because you don't believe." Do you see?

So watch. So, these final events, I'm showing you how—what events ushered in the New World Order in the Bible; how the Gentile Dispensation came in. And I'm showing you here, out of Jeremiah 27, a vindicated prophet with the Word of God in an Hour when the king of Babylon was about to take that great nation. The people of that nation were the people who were in Egypt, in bondage. Are you catching that? Because that's Abraham's seed: "Your seed shall sojourn in a strange land. They shall be afflicted with much evil and I'll bring them out in the fourth generation," and they came back in that land. [Genesis 15:13-16 –Ed.]

But then, God had to root them up because of their idolatry, and their sin and their unfaithfulness to God. They forgot their history. They forgot that God Who came. They didn't go back far enough; they were just living in their own generation. They didn't see where their father, and their grandfather, and their great grandfather came from; otherwise, they would have seen that they were back there with Abraham and them, in that land!

And that is the problem today, when you can't see that the Word called you 'children whose hearts are being turned back to the faith of their fathers'. And God opened the Church Ages, showed the genealogy to show you that you were back there in the Alpha. That's right! You were represented in there because that is the Corn of Wheat that went in the ground that produced more corns of wheat, in multiplied form, in the last days!

Because why? You were considered in the redemption just like they were considered; just like Jesus told them, "Don't rejoice that the devils are subject to you; rejoice your name is written." [Luke 10:20 –Ed.] The same way God came in this Day and showed

us, “Your name is written.”

See, these are the important revelations; not, “I got a dream and this and that.” People are only talking about all kinds of sensations, all kinds of different things. One of the greatest things is when God could show you your life in the Bible. Then, you have something that you know you came from God. You have Something that brings a faith in you, to understand... That is why He said, “Make your election and your calling sure.” Not make your job sure, and make this sure, and make that sure, and make this woman sure; make your election and your calling sure. [2nd Peter 1:10 –Ed.]

When that is settled in your heart, you’ll come into a position where you can be led by God. You will know God already has a plan for your life and you’ll want to find out His will and His plan concerning you. And then He will start to teach you that you are a lively stone building up the spiritual House, and you were previously marked out by a design. That’s why you can’t add one cubit to your stature. [Matthew 6:27 –Ed.] He designed you the way you are for a certain role and function in the Body. And that’s why He sent the Message to you; that’s why It crossed path with you. You know all of that was the working of the Almighty God.

Those He foreknew, He predestinated; those He predestinated, it’s them He called; those He called, He justified; those He justified, He also glorified! [Romans 8:29-30 –Ed.] He’s the Author and the Finisher. [Hebrews 12:2 –Ed.] You are His workmanship created unto good works in Christ Jesus. [Ephesians 2:10 –Ed.]

You’re not just here; a brother brought you to church and you sit around, and then you like the church because you see a sister in the church, and you’re in the church because you see a brother in the church and, you know, you kind of like up here and, you know, maybe you kind of like the grounds and you like to hang around and, you know... No, no, no. Go beyond that.

Go beyond that. Go beyond that. Get your soul flying.
Get your eagle soul flying.

[Bro. Vin sings #866 Where Eagles Dare - Songs That Live -Ed.]

You are being born in an eagle Age,

By the eagle Prophet's Message

To manifest the Living Word for your Day.

How many know we've been quickened, changed and lifted up? Cease hopping on that ground, oh, you moping eagle! Amen! That's a moping eagle, but this one was flying. So, fly where only eagles dare! That is that eagle anointing on your soul; that that soul is an eagle! Amen! And you're born in this prophetic Age, when the Book of Revelation and Daniel and these Things are opened, and you see the End-time prophecies, and you see the Things spoken for the Bride, spoken for Israel, spoken for the United States, spoken for Russia, spoken for the Vatican, spoken for all these nations in the earth; for Iran and all of them, and Turkey and them. All of them are in the Bible and all of them have specific roles.

You can't take the Vatican's prophecies, no matter how much you try. You can't take Russia's prophecies, no matter how much they try; neither could they take the Bride's prophecies, no matter how much they try. You have to know your life is fixed for certain things.

"I have made the earth. I have made all the beasts. I have made every land. I have given it." This is God talking. This is a prophet unveiling God working in the nations, in that Hour. It's not just Scripture. Put yourself back in the drama; see Jeremiah; see the Word that came to him.

Why would God bring that kind of Word to this man? Jeremiah 1:4-10: "*Before you were formed in your mother's womb, I knew thee, I sanctified thee and ordained thee.*" God went back to the man's pre-existence, showed him his earthly journey and showed him his Eternal destination; anointed him... "*And this day I have set you over the nations, to root up and plant,*

break down and build. Don't say I'm a child. I'll make them wood and make your Word fire. Go forth; you are My Voice in this Hour, when the king of Babylon is deceiving the whole world!"

And William Branham, a man with a Seventh-Grade education, walked out of the hills of Kentucky, and walked into the Bible and found these pictures, and stood up there and became an anointed Prophet to a generation!

Oh, my! I tell you, this is the most exciting Day to live in! Brother, when you can sit and see the Word of God open, and the Quickening Power moving, and your faith gets anointed and you know you are part of the Drama. This is not, "Boy, I came up. Boy, I'm going through a thing. Boy, I don't know. Brother, I have problems." No, no, no! You're flying above that! Hallelujah! Glory! You're flying above those things!

Oh, my! This is what the Word does! Faith comes by hearing and hearing by the Word. [Romans 10:17 -Ed.] This Spirit of wisdom and revelation in the knowledge of Jesus Christ, coming down to anoint a people in the last days, to make them the final Voice by virtue of the indwelling of the Holy Ghost inside of them, making them co-workers with the Angel of God, to finish the great commission and the plan of redemption! Of course. Oh my!

Like the harder I work in this Hour, it's the younger I feel; it's the more healthy I feel. It's the more quickened I become. That's right. That's right. There's something when you get yourself occupied with the things of God. That's why he said, "Hearing, recognizing and acting; watch the miracle, watch the Supernatural work." But you sit down, and you wonder and you debate, and you this and you that and you have this view of what that brother said, and what this one said. Oh, my! Brother, think.

So here, watch man's thinking. That Word of the prophet went forth. And that prophet seeing that white

horse; Babylon was the white horse that went forth there with the poison cup, drunkening the nations, making them mad – Jeremiah 50; It tells you.

Like Nimrod—Ham, Shem and Japheth came out of the Ark, three of them, but Ham had Cush and Cush had Nimrod. And then Nimrod began to change that one revelation of a monotheistic God to a polytheistic God. Watch that Serpent in the beginning there, in the Garden, “Yea, hath God said? You shall *not*...” Watch how that Word...

The first thing for the devil to do his work, he has to pervert the Word. Then he comes to the church, because the next thing he wants to do, he wants to be like God, so he has to get the church. So, he comes to the church to find a way into that church, like he went to Eve; like he went to the second Eve; both of them fell. “As the Serpent beguiled Eve,” Paul said, “so did these come.” He said, “I espoused you as a chaste virgin, but now you got seduced; you received something that is not the Word.” [2nd Corinthians 11:2-3 –Ed.] Do you understand? Understand.

So here, God was telling them... Jeremiah was saying, “Hearken not to your prophets.” What do you think people said? “Ah, Jeremiah feels he alone has the Word.” This is always the problem. This is always the problem. He said, “Nor your diviners, nor your dreamers, nor your enchanters or your sorcerers.”

That man there in a nice suit, you wouldn't think that he's a sorcerer. That woman standing up there, she looks so quiet until that demon arises in her. And then, brother, you see another spirit takes over that woman and every move becomes sinful and deceptive, and seductive. Because—that's why God called them, ‘the great whore and harlots’ – churches. He said, “Jezebel, that prophetess who seduces My servants by making them eat things sacrificed unto idols.” [Revelation 2:20 –Ed.] She's mixing pagan teaching with Christian terminology and giving it to the church.

They have the big statue of Mary and the baby, Jesus. They have the big statue of Jesus laying there on Mary's lap at the crucifixion. You can't find it in the Bible in that way but that is how they have it, and they put it up like that. She's seducing; she is seducing. She's making herself... They want to make this woman God; our sister. Do you understand? Even she had to be corrected. She said, "Your father and I..." when Joseph was not the father. After she testified that she was conceived by the Holy Ghost, now she said, "Your father and I..."

Jesus said, "I must be about My Father's business."
[Luke 2:48-49 -Ed.]

So, that revival of demon power was Satan's move to kill the effect of the true Message. Are you catching that? Under Jeremiah, there were Ezekiel, and Daniel, and Haggai and Zechariah; all these fellows, you know. All of them went into Babylon through the captivity, but Jeremiah was the placed prophet that the Word of God came to, who was prophesying on that nation and what they were going to do, and showed how long they were going to reign, and showed where they fit in God's plan and showed that all of this that was happening there was the will of God.

Now catch this. The nations were not examining themselves to see if they had favor with God or not. They didn't realize God had a cup and their cup of iniquity was full. They didn't see the importance of the messengers, men that God was sending.

In Jeremiah, He said, "I sent prophets rising early to warn you [Jeremiah 7:25 -Ed.] but you're still making cakes to Ashtoreth, the queen of heaven." [Jeremiah 7:18 -Ed.] He said, "The father and they planted their sour grapes and the children's teeth edged." [Jeremiah 31:29 -Ed.]

They were not paying attention to the prophets because those men came out of the wilderness with a Word and went back in. They were listening to the media; they were listening to the school of the prophets,

the religious people; they were listening to the great politicians and their ideologies. So, these people were not looking to see, “We are sinning.”

The newspaper, every day is showing you more slain, more blood, more deaths. Nobody is seeing the land being drenched with blood and defiling the land, and nobody is going back to the Bible to see the Laws of God.

And the Catholic priests, they have to have a procession and they have to have all the different religious things they are doing, but they are not dealing with that. They are just on pomp and ceremony. And then the people now who have the Word today, they don't consider them as anything. As far as they are concerned, “They're following a false prophet who died. They don't have any Bible schools. They don't have any degrees. They are not qualified to preach to anybody.”

Because ‘qualified to preach’ means to go to a Bible school and get a certificate; not meeting the Pillar of Fire. When you put Bible qualifications on all of those priests, none of them could stand. When you bring them to the Bible, none of them is teaching according to the Bible. Do you get what I'm saying?

Now, I'm trying to break down the picture for you a little bit because, you see, sometimes... And my effort in that is for you to not just read a statement; that is happening and I'm going to show you this whole 2016 Election is a game of shadows. Under Mr. Trump, what? I'll show you the nonsense that is in the blindness that is related to Mr. Trump from the Bible. That is what I'm talking about—the final events that's bringing this.

You see, people underestimate the power of the media. You don't spend day and night with the media, and the media's seed is getting through your ear because you have an itching ear and it gets down into your heart, and the concepts of men that are anointed by the devil, and they don't have a clue to what Age they're in, what Messenger came, what Message, what

position the Bride is in, what is God's plan for this Hour; prognosticating and trying to foretell what is going to happen and all these different things. How could you put up a picture without the puzzle? How could you put up the puzzle without the picture on the box? They don't have the box and they don't have the picture.

I'm showing you it is God Who said, "Unto the fourth generation," there. He said, "This nation is going to rule; then they shall be served of others."

Didn't God allot a time for Ephesus, AD 53 to 170? Didn't He allot a time for Smyrna? Didn't He allot a time for Pergamos? Didn't He allot a time for the Dark Ages, Thyatira? Of course. Watch the Bible; watch the principles in the Bible.

That is not just for the church; that is for kingdoms too. That is for kingdoms too. And Jeremiah had just opened here, a Mystery of – *God rules in the affairs of man, and God setting up kings and taking down kings; and God gives the kingdom to whom He sees fit.* That's right.

Remember, Satan can't change the plan of God. Remember, he's just given access to things to work according to God's plan and God's will. God gives every man, individually, the space and time and opportunity, but God determines the things for you.

And every man, in their life, will know, "Okay, I have what I came for. I got the three I needed, I don't need eight; I'm breaking a law." Every circumstance will uncover what is in a man or a woman. Here is the testing ground. This is life. This is what earth is about.

See, people don't go there with these things; they go with what they see right before them. No. The whole plan is redemption, and all things work together for good. [Romans 8:28 -Ed.] And the devil and all his angels are necessary for the achievement of the plan of redemption.

And God, as a Judge also, His... because the Kinsman Redeemer is also the Kinsman Avenger. He's

also Saviour, Redeemer and Judge. And His judgment is as Divine as His salvation. The Seals are redemption; the Vials are judgment. The whole Bible is judgment. From Genesis to Revelation is judgment.

When God came down and killed that first lamb; that was judgment. What did that lamb do to die? Those people's sin was being put on that lamb; who sinned. In the middle of the Bible, we see the Lamb on the cross, bearing our judgment. At the end of the Bible, we see this One now, saying, "Now, the Day of vengeance is come, I am going to repay." He said, "You don't take it into your hands, vengeance is Mine; I will repay. [Romans 12:19 -Ed.] I have a time appointed for judgment."

And between Son of man and Son of God, He appeared in a Cloud, a White Wig, (is that right?) the Supreme Judge, in the Lord's Day. And now, all judgment is committed to the Son of man, and He's going to bring this whole earth to judgment. And He had an investigation, He had an indictment, He had a trial, He had a verdict, He had an imprisonment and He had an execution; the sentence.

These are very, very important revelations of how you live your life, and how you understand the Age, that you don't be influenced by things that appeal to the mind. And if these things are not revelations, you'll hear them, they'll stay with you for two weeks, and then, afterwards, they're gone, and then you get your mind bombarded now, by something else; and that is why people don't go too far with God. Because all during that time, if you don't have clear vision, you're just going around in circles, you're wasting time, time is passing you by, you're getting old; your life is going because you have forgotten what you are called for.

You are *the* called according to God's purpose. [Romans 8:28 -Ed] Keep God's purpose why He called you before you, day and night. You are a vessel of honor, sanctified, fit for the Master's use; prepared unto every good work. [2nd Timothy 2:21 -Ed] God has things to accomplish in your

life. You are His workmanship created unto good works. [Ephesians 2:10 -Ed.] But if you don't fellowship with God to know what He wants to do, how He wants to use you, you'll never be thinking of making yourself available to Him; you'll only be thinking of what you could get from Him. And then you're going to find yourself always faithless. You'll never have expectation for the promises. You're in church, you're around church people, and say, "That was Word this morning!" See?

The thing is, don't miss. You were born into this Age. You have been elected, called, anointed and placed. You are God's chosen people, and God wants to work in and through you, and you have to hold this place; you have to hold this place. And God has taken every one of us from what we were and has given us more than we have need of. That's right. So, God does not owe you and God didn't keep back anything from you. If God had left you where you were, some of you would have still had one pair of shoes, not even stockings; push-toe slippers.

God has blessed you. God has given you increase. God has put you under the Word and sent down the rain upon you, because you are God's garden, and the seed God planted in your earth (hallelujah!) is to bring forth Christ in this Hour, that the world can look at you and see you and know that Jesus is not dead; Jesus is alive.

God doesn't just want a Light passing by and a Voice in the Light saying, "I am Jehovah!" No. Well, that wouldn't do anything for you. Would you go and tell everybody... You'll take a camera and take out the picture and then you'll show everybody, would that do something for them?

God wants to write His Laws in you, to make you a manifested epistle read of all men. God wants somebody who knows what you were and sees what God has made you and see your life; and get around you and

feel the anointing in the Presence of Jesus Christ in your life; watch your faith in trial and testing; see the grace where you walk with God and the confession of your faith and you're mastering all circumstances. Hallelujah! And through it all, you've learnt to trust in Jesus! Amen. You're standing there, overcoming in the midst of trial, showing that inside of you, there's a greater...there's a greater... He that is greater than your flesh. There's One that lives in you (glory!), that when you meet others, you could lift them out of there, lift them up; strengthen them with the faith He has put inside of you, so you could stand and face this Hour and overcome this Hour.

Jeremiah was in the time of the restoration of the Book of the lost Truths. It was in Jeremiah's time, and he said, "I have eaten the Words." Jeremiah 15:16. He said, "I've found the Words and I have eaten them!" And here, in that Day...

Now, catch the thought. In the Day when the king of Babylon was conquering the world, was that the time when that fourth Beast was devouring the whole earth, breaking up in pieces, reshaping the world, dividing the land for gain? Yes, breaking up in pieces, dividing the land for gain, reshaping the earth, bringing out a new Age – an Age of globalization, a new kind of system. That's right.

Your father never knew what an iPhone was. Your father knew the old phone, to dial up. Your grandfather, back there, maybe he never drove a motor car; he lived taking taxis, because he was under maybe a little Presbyterian message or a Spiritual Baptist, or something, back there. God brought you in the Astronaut Age. God brought you under the Astronaut Message. God raised you up into a place. That's right.

But they labored like Luther and Wesley and them. They were necessary. They labored so we could be here today. If there was no stalk, there couldn't be any tassel. If there was no tassel, there could be no husk.

If there was no husk, there could be no grain. But we're not in the Age of the stalk, tassel and the husk; we're in the Age of the grain. And we look back at them and they lived out their Age and are gone, but here we are and God is winding up this great thing with a group of people in the last days.

You have to catch the picture. You have to catch where you are. You have to catch your time and your season. You have to sit down for a while and the Word has to be preached to you and be rightly divided and established in your heart, and bring the vision clear, so you can know: recognize your Day, and your Message, and your part of the Message, and your position in the Body, and your gift and your equipment God put in you, and your role and function to make that Body fitly joined and compacted together by what you supply. You have to come to that place.

So, here was a revival of demon powers, uncertain sounds killing the Voice, and Jeremiah said, "Hearken not to that! It's taking you away from the real Voice! This is given to the king of Babylon! This is God's plan!" You read the fourth Seal, you read Revelation 13; it is given. Power is given to overcome the saints. Power is given to speak great things. Power is given that no man could buy or sell except you have the Mark. Power is given to drunken the kings of the earth and the inhabitants of the earth, and to control all trade and all commerce. Power is given unto them!

You live in a system—we live in Trinidad and Tobago; we have political leaders, we have religious leaders in this nation. They tell us that is our Archbishop. They tell us that's our Prime Minister. They tell us that's our President. They teach you in school, who these key people are. They are all in the ecumenical move. None of them knows their Day, none of them knows their prophecies, none of them knows their promises; they are in darkness.

Every nation, every nation: gross darkness on the

earth and upon the peoples, but rise and shine, thy Light is come. [Isaiah 60:1 -Ed.] Scripture...Scripture! Every government is of the devil. That's why God is... This is the gathering time; God is separating wheat from tares. This is a very important part of human history.

In the days of Noah, they had it. In the days of Egypt, they had it. God separated Israel in Goshen and put them under the blood, and everything outside of that died and was in the plagues. In the days of Noah, God opened up a Mystery to Noah: *The Ark, The Rain And The Dove*; put them in, to take them above the judgment and brought them back. Everything else outside of that died.

In the time of Babylon there, the marking Angel – the sealing Angel went forth sealing them that sighed and cried, and then the slaughtering angels were let loose on everything. In the time of Jesus, it was the same! The Holy Ghost sealed them out, then Titus came and obliterated the thing!

Watch the continuity of the Bible! Watch the continuity of the Bible; see where we are, see the Day; be convinced of the Day, be convinced of the time. When you're uncertain about the time and the season, when you're not thoroughly convinced, then you say, "Yes, it sounds good, you know," but then somebody talks you into this, talks you into that.

When you know where it is, you become like a tree planted by the rivers of water. You take your position; you understand. You know where you are walking. You are confident that you are walking in the will of God. You're confident that you are living in the Light of the Hour. And when that Word is coming forth and that Scripture is being opened, you're conscious that that's not an uncertain sound; that's a certain sound. If the trumpet gives an uncertain sound, who shall prepare. [1st Corinthians 14:8 -Ed.]

But if the Word is pointing out to you the time and the season, and the prophecies and the things that are

happening, and then the part of the Bride, the part of Rome, the part of Israel, the part of Russia, the part of the United States, the part of the World Council of Churches, the condition of the foolish virgins – all of that the Word points out because all of that is in the Bible, in the End-time scene.

And the Prophet was a sign, a junction-time sign, because they didn't have one for two thousand years; they've had reformers. And then he came and did the sign of a Prophet. The Prophet knows the secrets of the heart (that's right), where the Word comes to him, and the Word is quick and sharp and discerns the thoughts and the intents of the heart. [Hebrews 4:12 -Ed] And this wasn't just a prophet; this was the Son of man being revealed in a son of man. This was Christ, Himself, coming down in this Day as He promised in Luke 17:30. Do you understand?

That's why a church like this, that God has raised up (think of it); we were outside there, in 1972, drifting around in darkness, searching, hungering and thirsting; brother, willing to turn over every stone. We knew there had to be a Reality. We couldn't sleep. We were just going around the country from place to place; sleeping under a shop, sleeping in a school, sleeping in... opened some people's place and slept. We slept on just a piece of wood; when we got up in the morning, broke off a piece of fence bush to brush our teeth, not because we were just going about like vagabonds; of course, we were [Congregation laughs -Ed.], but we were looking for Something. We were searching for Something; we were searching for a Reality, because we knew the Hour had come, like a woman in birth pains, we had to break into Something! Something was about to happen! A spiritual Thing was taking place. God was giving birth to His children in that Hour.

Brother, when we came in the Message, we realized that all around the island, there were little Message churches and people had similar experiences;

everybody was looking for Something. And then the next thing we heard was the Voice of a Prophet in the land on those big tapes, and we were sitting down there around those things. Something was going on!

And out of all of that, God raised this thing up, and it has influenced the world on every continent, and brought the Truth, and brought the trueness of what the Message is; turned the Message to the right angle and showed it in the Bible and made it plain, until the very time and season and the promise, and the shadows and the types and experiences of the believers are all lined up to break the power and influence of church attendance, and routine and ritual of church service, and put sons and daughters into the realm of faith, to walk with God! [Congregation rejoices -Ed.]

Then God came down and gave hymnology that we could begin to sing and praise God! *He lifts me up* (amen!); *like Jonah in the belly of the fish, I'm getting down to pray!* Not worry and bawl; getting down to pray, finding the Word in your darkest trial and ascending again. [Congregation rejoices -Ed.] That's right! Not playing church; not warming the bench!

God is calling young men, young women, giving them this Substance in their lives. Brother, look at us. When we didn't have that Substance, we looked to our father and mother; they couldn't give It to us. They had some traditional Anglican or some Catholic tradition, or something. They were burning a candle. They didn't know what to do. Yet, they had the Bible in their house and couldn't even read It. That's right. We didn't have anybody to guide us. But God, He said, "I will not leave you *comfortless*." [John 14:18 -Ed.] "I will not leave you *orphans*," the word means.

We had no spiritual parent but God had a Voice on twelve hundred tapes, (hallelujah!) and It was foreordained to come to the predestinated. Until, under that Voice, we have become the final Voice. Sitting under It, we have become the final Voice! And you say

God didn't make a paradox? God made a paradox. God made a paradox in this Hour! Glory! [Congregation rejoices – Ed.]

A people in this Laodicean Age, rich with all the glitter; you could get the best education that you want, as far as the world goes (see?) what they call the best education. You could drive the best car, live in the best house, eat what they call the best food, but God has raised a people far above that; far above that. Hallelujah!

God has raised a people in this Hour and began to identify them; taught us the Bible and taught us things about ourselves, and the mystery behind our lives that (brother) has not been sounded. Outside of Paul and Bro. Branham, it has not been sounded; that we can walk knowing, "That's me! Mama, Mama, that's me!" Knowing as you were known; seeing face to face in a Day like this.

That is where Jeremiah was walking. When God came to him, God broke the seals on the Book of his life: "I knew you before you were formed in your mother's womb." That is exactly what God did for us. Any man that really goes out in this Hour, must go out that way. You don't know your name, you're not going to do anything out there. That's right. You have to see your name; you have to be anointed. Glory!

That's why God gave us men like that, here! There are men in this church, who know their name! There are men in this church, who are fearless! There are men in this church, who stand for the Word! There are men in this church, who could recognize the Voice of God! Hallelujah! They have no confusion of mind about these Things!

Do you know why? Faith comes by hearing that Word! Faith comes by hearing that Word. [Romans 10:17 – Ed.] And those faith muscles become strong and then your fear begins to leave you; your uncertainty begins to leave you; your doubt and your confusion begin to

leave you, and you are seeing clearly. Glory! You're seeing as clear as clear can be. My!

Jeremiah was walking among those politicians; soothsayers. He said, "Soothsayer, do you know your name?"

"My name is Papa Neezer". [A local witch doctor -Ed.]

"That is not your name! What is the Mystery of God? Does God talk to you? Let me hear a word, and before you talk, your word better match with what Moses said and what Elijah and they said. What is your continuity? What kind of man God made back in the beginning?"

That is how they knew it. That is how they knew it. Jeremiah knew Moses was God's Voice in his Age. He knew Elijah was God's Voice in his Age. He knew Joseph was God's Voice in his Age. Jeremiah knew he was God's Voice in that Age.

Bro. Branham knew he was God's Voice in this Age. He knew that before he was formed in his mother's womb, when that Angel showed him his birth in the constellations, when God created the Heaven and the earth, it was written there. When God created the earth, the seven-peak mountain range in Lima, Montana was there; and then his name is inside the Bible. Do you understand?

That is why they went out. And Jeremiah there, he was watching all those leaders come in. Now, catch the thought here. All these political leaders, all these ministers of national affairs, all those things, they landed in a crisis. They were the government in power, in their nation.

So, they came here now, because they felt that they had the national responsibility and the regional responsibility for the safety of the people, because war was coming into the region. They were worried. "They might destroy our temple; they might do so. They might make us Babylonians. They might take over our country. They're going to rule us now. Our independence is going; now we're going under

Babylonian law.”

All of this they were thinking was coming, so they were looking for peace in the multitude of counsel. [Proverbs 24:6 -Ed.] So, they all came to the summit. And while they were preparing to come to the summit to work it out in their minds, they didn't even know it was because the cup of their iniquity was full. They didn't have that concept of God.

So, they're in Parliament; they sit down and they do this; they talk this; they talked that; they talked this. They play some political gimmick with people and so on; they are going along. They are not watching the nation. They are not spiritual. They are not spiritual, so they can't really make any decision. When they say, "The voice of the people is the voice of God," it sounds good for a politician and the ignorant masses, but you know God's Voice is God's Word and only God's sheep hear that Voice. Even Jesus knew, "These are not following Me for the Word; these are following Me for bread and fish." That's right. That's how the Word is. The Word teaches you everything.

See, the Word is not, "Well, Bro. Branham said this and this." And everybody is saying that to hide their ignorance, by quoting the Prophet. And when it comes down to *personally* confront them, they can't speak on their own. And then, when you get into the quotation, they don't even know beyond the line that they memorized. And you realize, "Look, it's a fig leaf. It's a fig leaf." See? Because faith is recognizing your position. That is not faith. See, quotation is not faith.

Now watch. In that Day, while the king of Babylon was moving, the Book was opened. The Truths came back to Jeremiah because the king of Babylon was going to take that nation. That was why Josiah rent his garment and began to weep. And in those days, the prophetic ministry was in a married woman named Huldah, and her husband was the keeper of the royal wardrobe. [2nd Kings 22:14 Ed.] And in that Wardrobe, there

are celestial bodies, there are glorified bodies, there are robes for the soul... (that's right); in that Hour.

When the Seals opened, was Bro. Branham able to see what was, what is and what will be? Didn't he say, "This thing started there in the first Age as sayings, became deeds, then became doctrines at Nicaea?" It was crowned! It went forth conquering and to conquer, and a crown was given unto it; then a sword to take peace from the earth. [Revelation 6:2-4 -Ed.] And then he went back in the Old Testament and said, "Watch how Jezebel, when church and state united, used the sword to kill out the believers and the true prophets." So, we're getting a picture of what she did in the land.

He said, "But then came an Elijah at the evening time to repair the altar, and call the people out of the Jezebel system and turn their hearts back to the faith of the fathers." He was showing us in the Word. Why? Because the Book was opened.

He saw white horse, red horse, black horse and pale horse. He saw in his time, the Eagle anointing on him; that the nations were uniting. He said, "Uniting time and sign: nations uniting, businesses uniting, armies uniting," he said, "but I'll show you another uniting – God and man uniting; Christ and the Bride uniting for the Rapture." He was showing us.

So, it's the same way here. Jeremiah was seeing this same thing, because, in that Hour of Jeremiah's preaching, Babylon was about to become the head of gold, and the world was about to change into an Age where Babylon conquered all nations and they set up the image.

Now, catch this. '*Set up the image*' is Revelation 13: the Beast from the earth, Daniel chapter 3. I'm not in Revelation now; I'm in Daniel chapter 3, the shadow for that. And the fourth Seal, he'll kill with sword, famine, pestilence; the beasts. Ezekiel 14:14-21, what does He say there? By "*My four severe judgments.*" We've gone through this, many times.

So, what am I doing? I'm showing you all those Things were back there when Jeremiah was preaching. Let me ask you something. Did the Things about the king and the kingdoms and what was to happen, did it come to a soothsayer or a magician, or did it come to Daniel? [Congregation replies, "Daniel." -Ed.] Did Daniel, Shadrach, Meshach and Abednego know—were they taught by Jeremiah? Watch the continuity of the Bible. Watch the continuity of the Bible. Was that in the time when they were setting up the image after Babylon had conquered the world? [Congregation replies, "Yes." -Ed.] Was Judah burnt and destroyed? [Congregation replies, "Amen." -Ed.]

That's where I'm getting to. I want to show you the final events that are bringing this one-world government and one-world economy – the final events, and prove to you that we are in the final events. And this election, I'm going to show you that no man came into anything. Rome has worked to do this, if you understand the Seals, brothers and sisters. From since 2nd Corinthians 11, when Satan transformed his angels as ministers of righteousness and came in the Alpha Bride and deceived the Church, like he did in the garden of Eden when the Serpent deceived Eve; same thing – one is the world, one is the Church; one is the wife of the first Adam, one is the Bride of the second Adam. Watch the continuity in the Bible.

And then when we come to this Age here now and these Things are happening; that, from there, Rome works; that's why your Church Age is given to you. It started off as sayings, it became deeds, it became a doctrine, it became a system, it became the most powerful thing on the earth, in this Hour – Papal Rome, ruling over kings and merchants and princes.

Papal Rome was the Beast, the wounded Beast rising up. As pagan Rome, she suffered; she couldn't rule and control by armies anymore, but as papal Rome, she became the goddess of the present Age, controlling

commerce and trade, deceiving the nations by her sorceries, courting the kings of the earth and drunkening them, until they give their strength and power to her! She has her key angels bound with treatises and concordats and these things: the angels bound in the river Euphrates. The Bible gives us everything there...everything there.

Jeremiah is the shadow and all that I'm saying there is happening in Jeremiah, because Jeremiah gave the full picture of this Hour. Do you remember my series on Jeremiah? [Congregation replies, "Amen." -Ed.] And then I went into the Book of Ezekiel and started with *Ezekiel's Seventh Seal Vision* [2012-0502 -Ed.], from chapter 1. Chapters 2 and 3, Ezekiel ate the Book; took the Book and ate It. Ezekiel 9: The sealing and the loosing of the slaughtering angels (of course), proving those Things back and forth.

But this message here is to keep you in the channel. This message is to keep you in the channel, so that we don't go hearkening to the voices, because unconsciously, you don't realize that you are hearkening to the voices. You're picking up opinions and ideas of men who don't have a clue that there was Prophet in the land and the Seven Seals Book is opened, and you're getting drowned in data that you can't put together, neither could the men put it together, and every time they prophesy something, it's wrong.

When you get watered down like that, do you know what's going on with you, after a while? You lose sense of reality and illusion, because all of these are prognosticators, educated guesses, well-worked-out explanations.

Listen, watch Scripture here. I'm going to show you... You see, I... Look how long all of this passed and I wouldn't go into these things. When I was getting ready to leave, I preached that one message and I spent about three and a half hours to four hours, and I just read three Scriptures: Isaiah 47, Nahum 3, and Revelation

18. I just read three Scriptures and commented on Them. It was outside that I did some preaching, back into the Things.

But, you see, that is the thing. I don't push for these things. But when that Spirit comes and starts to stir, starts to stir, stir, there's an Anointing that comes that takes up those Scriptures and starts to put that picture together, and gives sense to that picture and shows the reality and then, we have a Scriptural foundation; and then, we have the Urim and Thummim to see out of the twenty thousand interpretations that are on the internet of what this is, and what this is, and what this means, and what it means when the financial crash is going to take place, and when this is going to happen, and when this is going to happen over here; and whether it's the Pope or the Rothschilds, or the great bankers of Britain, or... all kinds of things!

After a while you start to chase that cougar, it turns into a bear; from that bear, you see a rhinoceros; next thing, it's a dragon; next thing... You don't know what to do in the end; you get confused! [Bro. Vin laughs -Ed.] Revelation doesn't come there.

Revelation... Anytime God is revealing, He goes to the Bible, and if there's something out there, something will confirm that. You don't take that and make a picture and then can't find that picture in the Bible. No, no, no. And when you find it, it must have continuity. God always works in continuity to what He's done.

So, we have to know what God did from 1909 to 1965. Then now, from 1966 to 2016, we have to have continuity to that from the Bible...from the Bible! Because everything he did, he went to the Bible.

We are in the days of Noah, again. We are in the time of Sodom. We are in the time of the exodus. We're in the time of the ministry of the Son of man. He placed everything in Scriptural context and then God came down and manifested it, to prove that this was with certainty. That's why the certainty of those Things that

are most surely believed among us. See?

Otherwise, you'll lean on your own understanding and your thinking becomes defiled. Remember, your mind is your womb, and remember when you are flirting with a lot of different men who have seed out there, after a while you'll bring a mongoloid child – eyes like a Chinese, feet like a Hindu, speaking like a Buddhist. You make some kind of baby there, you can't even realize what kind of baby you made there. You have to be careful. When Mary conceived, it was the Scripture. The Angel went straight to the Bible.

...*hearken not*... I stopped on that verse there and went through all of that. [Jeremiah 27:9 –Ed.] ...*hearken not*. It was a time of the revival of demon power and... Because all these men that Jeremiah was speaking of, are who the leaders went to! All those leaders, they went to them for counsel, like Saul going to the witch for counsel, like Reagan used to have the witch inside of there and all the stones in his pocket, and Nancy Reagan getting... Clinton and they, channelling, calling up Roosevelt, the rascal of them all!

You say, "He can't call them up." He can't call them up? Go back and read the Message. Read *Demonology*, [Demonology, Religious Realm 1953-0609M –Ed.]; find out if he called them up. Find out if they are not under the Blood of Jesus Christ, you could call them up. Go to Deuteronomy 18; it's called 'necromancy': talking to the dead! Go to 1st Samuel 28; you're going to find that is so. See? Now watch—because people want to know the future. Go look in Bible!

But these people want to rule and have power, go on TV, have photo shoots. Look at Mr. Obama, a media-made man. You heard me saying that when I started off in the church talking about that, first thing. I know I used to have my resistance inside of here; everybody wanted a black President. But it doesn't hurt me; it's my people. [Bro. Vin and the congregation laugh –Ed.] It's my people; a parent has to be patient with children. I

wouldn't kill them for that, but I hope they learn to believe. I hope they understand the basis on which you believe.

I hope they begin to look back and see the power and influence of the media and how spin doctors and editors and control media and buyout media and whore media are selling themselves for money, to back up political voices. We're full of that in Trinidad. All our newspapers are like that, in Trinidad! We don't have one good newspaper in Trinidad! [Congregation says, "Amen." -Ed.] That's right; that's right.

But watch here. Jeremiah, Ezekiel, Daniel, Huldah, all of them are inside of there; God had a people. Just like in the time of Elijah, there was Micaiah, the widow of Zarephath, the Shunammite woman, Elisha, all of them inside of there; God always had them. In the time of Jesus, you had Paul, you had Peter, you had Philip, Mary and Martha, Lazarus and them; all of them inside of there! Do you think that in this Day, it wouldn't have them? Watch the continuity of the Bible! All those Things patterns this Hour. The Book is written for this Hour!

We proved that especially this year, starting in January. And I preached that message in South America, in Africa, in different parts of the world; wherever I went, I preached that message. I preached it about three times in Africa, too. Because that shows the whole Book is open, and the whole Book is written for now, and all Scripture is being fulfilled in the Hour of the Coming of the Lord. And that's God's grace; that's the Evening Light: the opening of the Bible! The Day when we can prove all things and hold fast to that which is good; in the Day when we could try every spirit and see what spirit we're dealing with; that's a great thing!

That's why when you try all those different spirits there, like I'm talking about here that Jeremiah pointed out, we realize... Because all those leaders were seeking counsel from these men - false anointed ones, in the

time of that international crisis when that dominant, industrialized power, military power, Babylon, targeted that region. That was the last region and he was coming. The lion had left the thicket and he was coming for all of them.

And the Voice of the Prophet told them, “Cool it. All of you, forget this; all that you all came to discuss here.” God told Jeremiah, “Go down by the United Nations’ building with the...” [Bro. Vin chuckles –Ed.] I’m bringing it present tense for you. And they said, “Look at this crazy man. What is he doing down here? We came... We have more important business to see about; the safety of the region, all the ministers of national security and ministers of foreign affairs, and what we’re going to do.” And they were seeking counsel.

This one said, “Well, I have my prognosticator here.” The next one brought his soothsayer. The next one knew he was going up there to meet different ones and said, “I have my diviner, in case they ask us hard questions and we come up into things, and they pressure us to get away from what we’re asking in this meeting.” So, everybody came with their little anointed one—their “buck”. [A little man-spirit who is kept and used by people in order to gain monetary success –Ed.]

Have you ever seen those politicians? They always have seals, they have guards; they have different things. They always have to pray, get anointed—some Baptist woman with all kinds of things, anointing them. And you’re coming to lead me? You’re joking. Are you crazy? [Congregation laughs –Ed.] Some puja [Hindu prayer ritual –Ed.] for somebody else, and brings up a spirit to anoint this one; and they have all those different things. I have the Word. [Congregation rejoices –Ed.] Look at what you have. You’re playing carnival; I have the Word. I have the living God and the living Word! You’re in superstition.

Watch where a man is getting his... Watch the socket he’s plugged into. Watch where he’s getting his current from. Here, God’s people should never ever... When you

understand the political realm—because all of them in that political realm, economic realm and religious realm, all those spirits are subject to the spirit in the Vatican. That is the big spirit there that controls all of them. Because all of them, today, are gathered under this one. Watch the Bible! Because the Beast that carries that woman is Satan.

Do you mean the Book is opened and we're walking around: "Look at this one. Look at this one here"? And, "We're not sure, and we're not this yet, boy. I don't know." Could you imagine Paul and Peter and them like that? Those men had the Holy Ghost. Stephen had the Holy Ghost. Those men had the Love of God.

When they were stoning Stephen, he was praying for them. When they were piercing Jesus and killing Him, He was praying for them. They were not afraid. They were not bawling, "Oh God!" you know. They didn't try to compromise and work out a deal. If they had to seal their testimony in death, they sealed their testimony in death. God showed Peter by which death he will glorify God.

They know if this earthly tabernacle be dissolved, Angels would carry them into the bosom of Branham and you are gathered to your people. Hallelujah! Why? God had opened all those Mysteries under the fifth Seal, for us.

See? This is what we're talking about: the Thing, governing and influencing your life; not just quoting It. The reason God gave us these Things is to fortify us, so we wouldn't be afraid; not even of death. [Congregation says, "Amen." -Ed.] Because the work that is left for us is in a hostile environment, in an evil Age when all demons...all hell is against this Truth but: *Upon this Rock, I shall build My Church, and the gates of hell shall not prevail against it!* [Matthew 16:18 -Ed.]

Watch conviction; God doesn't make a believer without conviction. No, no, no! There's no such thing in the Bible. Your revelation... There's no prevailing

power as that revelation. That gives you conviction. By that, you overcome. That's a conquering faith. "The Word is mighty to the pulling down of strongholds." [2nd Corinthians 10:4 -Ed.] That's right.

This is the Hour for the Church to rise in Her glory, in Her colors. This is the Quickening Power moving in the Church, moving in the hearts of believers. You see, sometimes people get tied up with language, you know. "The Spirit is moving in the Church," and they think it's something moving in the building, somewhere over the people, you know. No, the Spirit is moving in the hearts of the believers, where the revelation is being made real; moving in the hearts of sons and daughters of God, bringing them to a deep conviction where they are sold out. And when they're sold out, there's nothing to bother them anymore, because that means they can be filled with God! Because where they don't empty out, God can't fill, but if they could empty out, God could fill! That only means more of the Holy Ghost in your life!

These leaders were seeking counsel. That's why Jeremiah was telling the people that they had the people unsettled. They thought they were helping the people by blessing them. It was lying spirits in the mouths of these people. God said through his prophet, "Do not hearken to them."

Do you think some man from the World Council of Churches and we can sit down around a table? Two can't walk together except they first be agreed. [Amos 3:3 -Ed.] Fellowship is two of the same kind. You have to know these Things! This is not playing up with people. This is: "We're coming to the place where we... If you believe you are the true Church, then that means you'll be going through the deepest waters you have gone through in the last two thousand years," he said. Go on the message, *An Absolute* [1963-1201M para. 30 -Ed.] He said, "That's why I'm preaching this—The Absolute." Amen. Your Compass is pointing to the North Star. The Holy Ghost in you is the Compass and the North Star is

the Word; that doesn't change, that doesn't move, that can't be altered! And every move you make...

What gives you confidence? It's that your faith is, "That is the Word of God and God keeps His Word. God will never abandon His program, otherwise, He's defeating His Own purpose." That's your conviction. See? This is the Hour you have to know, "I'm called, I'm chosen, I'm filled, I walk with God, Christ lives in me; the life that I live in this flesh is not I that live but Christ liveth in me." [Galatians 2:20 -Ed.] These things must be made real.

If you haven't gone there, you haven't gone far enough. You have just come to that seat where you are sitting down there. You've reached as far as the church; now you have to step in into the Word and see yourself in the picture. Do you get what I'm saying? [Congregation replies, "Amen" -Ed.] And see yourself in the picture! Let me move on from this place, but I wanted to make those points. See?

So that whole social, economic and political think tank came down for that summit, a regional summit at Jerusalem. All those ambassadors, all those ministers of foreign affairs and national security, they attended that summit to work out a plan, because war was coming. The most dominant military power in the world at that time was coming – Nebuchadnezzar, king of Babylon; he had conquered the world and they were the last. And the big nations had already fallen and these little kingdoms there couldn't stand, so they tried to find solidarity in unity. But it was war and fear driving this unity, because really, they were enemies and couldn't trust one another. The Ammonites were always raiding the Moabites, you know, way back there when they were going through and Moab—Balak got Balaam to curse them. Remember the Bible. They knew their history!

So, watch in the Old Testament shadow here. We are looking at the unfolding of the final events that caused Babylon to gain absolute control of that nation. Let this

sink in.

The Babylonian power was coming to take control of that nation which had left Egypt and came into that land for freedom of religion. They had great kings like David and Solomon and these things. Finally, they had men like Ahab on one side and on the other side, they had men like Jehoiakim and Zedekiah and them. Are you getting the point? [Congregation replies, "Yes" -Ed.] Are you getting the point?

America fled persecution; they came in that land for freedom of religion. They had great kings like Washington and Lincoln and them, and then finally they got Ahab, they got Zedekiah; they got all these different people. They got an Athaliah and a Jezebel controlling both sides. And then the Catholic church was going to have full, complete control of the USA because Revelation 13 showed those two Beasts.

Let me read one or two things quickly from the Prophet and just nail that down here for you. A message called *Conference* [1960-1125 -Ed.]. Listen (1960):

Let me show you how close we are to that judgment conference. Did you notice in the other conference I want to speak of just a second, just briefly touch it. [The Prophet said.] They had a conference here the other day. I don't know whether you [knew] it or not. Some people we who are in touch with God, [Some people, we who are in touch with God.] I think we ought to enlighten our people to what's going on.

He said, "They had a conference the other day." He was talking about the United Nations: Khrushchev leading five nations and Eisenhower leading five; and Bro. Branham caught it, and hear him now.

He said, *...we who are in touch with God, I think we ought to enlighten our people to what's going on.*

[Now,] *you remember that conference they had the other day where Khrushchev jerked off his shoe and slammed it against...* [He said,] *Did you catch that, what that was?* [Did you catch that what that was?] *See?*

Remember, they were five eastern communistic nations represented there, and five western free nations represented there.

Look at how the Prophet went into it. A conference was happening at the time, right there; the United Nations building was in New York. Here was the Prophet; he was in the land like Jeremiah. He saw them in that conference and he caught something when Khrushchev took the shoe off his foot and started to beat the desk. The Prophet said, "Did you catch that?" Because he was seeing Daniel; because Khrushchev means *clay*, Eisenhower means *iron*; and the five nations... the two big toes, the two superpowers.

And hear the Prophet now, how he was bringing this out. He said, "Did you catch that, what that was? Remember, they were five eastern communistic nations represented there, and five western free nations represented there." Then he went on to explain inside of there, about Eisenhower and Khrushchev, and explained the meaning of the iron and the clay and so on.

We're at the end time, brother, sister. Can't you see where we are?

Listen THUS SAITH THE LORD. Repent. [He said,] I predict three curtains. In the Name of the Lord, there's one called the Iron Curtain, which will be Russia. Watch Red China. That'll be the Bamboo Curtain. They're horrible, but watch that Purple Curtain that's rising in the United States and over the world...

The election had just taken place, and he said, "Watch that rising." John Kennedy had won the election; he was the President-elect, just like Trump is the President-elect, right here. And Bro. Branham watching that, He watched the United Nations, he watched the elections, because this is the 25th of the eleventh; 25th of the eleventh, November; and he's speaking this message, *Conference*. And so, he was bringing it to the church because he was watching the

events in the earth.

He said: *Watch that Purple Curtain that's rising in the United States and over the world, the Roman Empire, the cruelest of all of them.*

Remember in the Name of the Lord. Get away from it. Come away from anything that's attached to it. Flee to the Rock. The coming of the Lord is at hand. We need a conference. [He said,] I need a conference to talk these things over with God. The church is at the end of her road.

It's fifty years after. When he saw that, he said, "I need a conference to talk these things over with God." Because, not until Daniel... You could identify every Age until that time, there were two men leading the two superpowers – the two big toes. Ten nations were gathered there. Ten letters in Eisenhower, ten in Khrushchev; and they were gathered there. And Khrushchev, to get their attention, took the shoe; not his hat, not his fist; he went for the shoe. And the Prophet said, "Did you catch what that meant? Did you see what happened there?" And then he showed we are in the last... in the ten... where the last kingdom is those ten toes where the iron is in all. But the iron and the clay can't mix because it's partly strong and partly weak.

You see, the legs of iron were total, where they used armies and overcame; but papal Rome is using deception, and she is seducing the industrialized powers and using them to achieve her political ambitions, because they gave their strength and their power to the Beast, because she controls the wealth of the world.

Now, watch this now. Understand these Things, okay. *Testimony* [1963-1128M -Ed.], and I want to play it back. I played these some years ago, but in my heart, I want to play these back, this series in Shreveport, where he preached, *The World Is Again Falling Apart* [1963-1127 -Ed.], all the way, because I could see he had an

inspiration at that time. And here in *Testimony*, he had preached *The World Is Again Falling Apart*, the day before. He said,

...now I'm saying this, it's going to be a personal testimony to the glory of God, that it might be that you would understand in the coming nights, of what I want to say, if the Lord willing.

In *Testimony* there—*The World Is Again Falling Apart* rather, he had the fifth experience of the Spoken Word that spoke the tumor out. Then he was coming on *Testimony* now, the next night, to give the testimony, because he had said this is going to be used when the Squeeze comes. And he was watching now, where we are in the Word, and he was bringing this to the church.

And here, he said, *...if the Lord willing. You'll understand. Like I was trying to say last night, the world coming to a place it's falling apart, politically, socially, economically.*

So, when a Prophet already said, “The United States could never rise up. If you put an Abraham Lincoln and a George Washington in every city, it can't come back,” and you have a man, a businessman, gets up and says, (you know) “I'm going to make America great again,” and then he works up people and these things... Ahhh, God forbid.

Let me tell you, right now the cosmetologists are profiling him. And just like they did Mr. Obama, Mr. Clinton, Mr. Bush and Mr. Reagan, they took all these people and the media profiled them just like they did Pope Francis.

You always hear me say thirty thousand people never were accounted for under his watch down there, when the military junta, and Pinochet and all of them were down in there. [Augusto Pinochet assumed power in Chile following a US-backed coup d'état 11/09/1973 -Ed.]

When he came in there, oh, he took the name 'Francis'. [Bro. Vin clasps his hands piously -Ed.] They showed you him driving his little, small car in Rome and going

around and washing people's feet and... Don't let the media seduce you. They call that media sexploitation, media manipulation. Why? Video and audio, when it gets down here, [Bro. Vin points to the heart -Ed.] it controls you, it influences you, it plants images and concepts in you.

If you don't have the thinking man's Filter, you're going to swallow things you're not supposed to swallow. It doesn't get filtered out, that's why it's dangerous. You better have the thinking man's Filter. That's why, when some people talk, it makes me wonder whether they have the thinking man's Filter, because they'd be saying things sometimes that doesn't line up with the Bible, and right away you say, "How did that get through their filter?" Then you start to realize now, they're hearing me preaching this way and they have that.

I think I have continuity. I think my whole ministry has been continuity – the unchanging God in the unchanging continuity of His Word. I think that all I preach is continuity and prove it by the Bible, confronted with the same Life moving on!

Watch. *We're borrowed on taxes...*

He said, *...world [is again] falling apart, politically, socially, economically.*

You say, "Economics? More money!"

...but where is it coming from? We're borrowed on taxes that will be paid forty years from today.

Back there, it must have been a billion or so—two billion. Now, it's eighteen trillion and going. [Bro. Vin laughs -Ed.] That is, if you stack thousand-dollar bills, that's gone past Mars.

Come on, people. Get real, man. Understand the Bible. You are not a 'David du Plessis' or a 'Demos Shakarian': "Oh, Bro. Branham, I tell you, Rome is going to get converted." Don't get carried away with these kinds of things. Let's listen. The Voice of God is in our midst. That same Trumpet is being blown in the midst of this locust invasion!

We're borrowed on taxes that will be paid forty years from today. She is broke. She is bankrupt, [the] nation; not this nation, but all of them. And there is no way [of] ever getting it back. [Get it now] And it's a trap set [it's a trap set!] exactly to swing this nation into something. And all of you are wise on that.

You see, when he spoke like that, you just could read the words, but I know what he's saying. He knew the nation in prophecy. He knew the nation in prophecy. He knew Daniel didn't see this nation. He knew John saw this nation, but this nation was discovered just at the time of the Inquisition [a former Roman Catholic tribunal for the discovery and punishment of heresy -Ed.] and those things. So now, the people had a refuge, and when they came there, a history in the Bible started to unfold. It was Israel again, fleeing Egypt under Pharaoh's persecution, to come into a land that God gave them. And they drove out the nations, and they took the nations, and they became great, and then they became prosperous and then the whole world brought their glory into Jerusalem.

And then, they began to go down when that Ahab and Jezebel got married, all the way until Nebuchadnezzar and the king of Assyria and they rooted up the ten tribes and rooted up Judah out of their land. We went through Amos; you know those things. [The Book of Amos Series - March 06 to April 22, 2016 -Ed.]

So, watch. Watch here. You see, this is the part of the Word where few can come up here, you know. This is the part where it's hard to preach. You have to have eagle vision. You have to see the whole Bible to preach this part. So, that's why the grace that's given with these Things, and down through these years, that Word stayed that same way. Watch.

It's a trap... exactly to swing this nation into something.

Because this nation is going to speak with the voice of the Dragon. This nation is going to become the

vehicle for the first one. This nation is going to become all the evil of the first Beast, to force the whole world to worship the first Beast. So, he was watching. That's the prophecy, but he was watching the progression of the Symphony, as the prophecy was mounting up and mounting up to come to its fulfilment.

See, that is not intellectual business, here. You have to follow the last fifty years to understand who Reagan was. And if you go back there, in 1984, you'll hear me preaching on Reagan; then you'll hear me preaching on Bush, in the Gulf Wars; then you'll hear me preaching on Clinton and them; then you'll hear me preaching on Obama. And now, you're hearing me preaching on Trump, and you're hearing me preaching on Pope John the XXIII, and Pope Paul the VI, and then Pope John Paul I, and John Paul II, and then Benedict XVI and then Pope Francis.

What made me watch it down through these years? What made me study those things? What made me study the wars in Iraq and Libya and then go in the Bible: *Predators And Their Prey?* [A five-part series preached in 2003 March and April -Ed.]

See, sometimes some people, when you live in your own little world, it's like: "What is he going there for? What is he saying this for?" No, no. If that Voice gets silent, these Things are not being spoken in the earth. And that's why churches are running into all kinds of things.

Way back there, when they had the first Gulf war, the brothers in New York, big bishop up there, they said, "Oh, they're coming down for the oil!"

I said, "What kind of crazy business is this, 'they're coming down for the oil?'" See, they didn't know the Trumpets. They didn't know the Trumpets.

See, there are certain Things you'll have to open to make you understand certain Things. Trumpets is political disturbance. If you don't know that, how are you going to understand the second Seal? The second

Seal is war. That is political disturbance, and that war follows the Church. After a Mystery comes and the messenger catches it and sounds the Trumpet, seals away a people, then the plague comes and the war comes after. Watch the war follow those churches.

When you don't know the pattern, you can't follow it; but it's not given to everybody to follow it. You don't have ten people trying to interpret that. No, no, no. God has His Word. You get the portion for you for your part and you have to take your part. And we as a church that God has put in a region and put these kinds of resources... And I used to say, "Draw a little circle two thousand miles around and understand." You see, but in those days, people couldn't see that far, and then they couldn't see that this was happening here, because we were colonized, and I came off the street.

Everybody had their spin. I am watching a Prophet. The Prophet talked about all of this. All what I'm saying is quotations of the Prophet, you know. The Prophet talked about all of this. That is why when people say, "Just play the tape", I agree with that. That's good for some, but everybody is not called just to play the tape. Everybody has to know what they are called for, as long as we say what the tape says.

But you see, when you play the tape, you don't know these Things, though it's on the tape. That is right. And if we don't know what is happening presently, we don't know what happened in the past and what's going to happen in the future, then could we have faith? Could we recognize what is happening? Could we know if it's time to get in the refuge? Could we know how close it is? Could we know that the lion that is stalking the thing is about to make the pounce?

Vision, vision; we need vision. Where there is no Seventh-Seal Vision, the people perish; they fall into the ditch. Because if the blind follow the blind, they fall into the ditch. [Matthew 15:14 -Ed.] Why? Because the blind has no vision. Nothing is opened to the blind. The blind

has no Light; they can't see the Light to walk in. But you need the Light. The Light shines on the Word. The Word becomes a Lamp to your feet and a Light to your pathway. [Psalms 119:105 -Ed.] You know where you are walking. You could face things with confidence. You're not double-minded and indecisive. Because why? The Word is lined up to us.

I hope I'm not coming over in the wrong way, but I'm emphasizing something here, this morning. I came back to preach, you know. You wouldn't believe how I came back to preach from Africa, and these weeks that I wasn't around the church. You wouldn't believe how I came back to preach. Because this Thing now, this same Spirit started to stir in me, again. You could tell this morning, if you are conscious. I don't have to think when That comes in and starts to move like that. I see the whole Bible coming down through the Old Testament. That is right. Because It's inside of me; I've lived in That World for years! It's forty-three years that I'm in the Message and I didn't waste time. Day and night, I live in That.

Especially this recent time, I feel like the Holy Spirit pushed me into the Word. You see, those Things are not strange, you know. Everybody's called for different things. Now, if you are not called for that, that's strange to you, you know. For me, I just feel It just comes upon me and I start to see Things. And then sometimes, I leave things there for years and go back, and I go back right to the place now... like in the past few years, the thing that happened, it set the thing now, so I could go further.

And that's where, what we are moving into in this Hour, as a church, we have to be unified strong. We have to be unified strong. And when we go out there in these places and you sit with the ministers, you talk and you share things, and people's eyes are being enlightened; it's not wasting time. God wants that Light in certain regions, in certain places. They have access

to everything on the website, in books, on tapes; in everything to connect the Message together.

Once the Message gets connected in any church, you see the faith in them starts to rise. Why? They're seeing; they start to see, and seeing is power. If you're not seeing, you're feeling; you have to use emotion. When you see, you are seeing Scripture, line upon line. You're seeing It lined up. Other than that, you're feeling, you're hoping, you're wondering, "Could it be?" You're uncertain. But when you see, you could say, "That's a dog. This is an ant. This is an elephant. This is a rhinoceros. This is a wolf. This is a donkey." You're seeing clearly!

And when you watch the nations, all of them have their place in prophecy; not only the Bride. See, the problem with people, people think they know Bride's prophecy. You can't really know and understand the Bride's prophecy if you can't understand the prophecy of the nations around you, because that is in relation to you.

Jesus had to have Pilate there to order His death. The church, Sadducee and Pharisee, had to come together to do that at a certain time. Paul and they had to go out and they couldn't preach in the Name of Jesus Christ without persecution, and they had to wonder, "Should we go underground, or should we take the persecution; go on and trust God?" And the Angel came down, opening prison doors, doing different kinds of things; refilling them with the Holy Ghost. Why? To show, "You don't have to go underground and hide; go on with the Word," because Titus was coming to destroy everything.

So, men were catching faith and the Spirit was right there with them, moving with them, directing their every move. We came through that in the *Book Of Acts* series, right here recently. [Preached during June and July 2016 -Ed.]

See, these Things, now it comes back up here before us. Do you know why? The whole world is over this election. And a lot of Message believers: "Hillary didn't

make it.” [Congregation laughs as Bro. Vin imitates disappointment – Ed.] You have been listening to me down through these years; I never talked Hillary; I always talked the Catholic Church, because Hillary is not drunk with the blood of the saints and the martyrs. Hillary has no doctrine. Hillary hasn’t drunken the kings of the earth. [Hillary Clinton - former First Lady of the US –Ed.]

You see, people get... That is when you don’t know the Bible. That is when you’re just reading quotations. And yet, the Prophet said, “It’s not a woman; it’s a church.” But, you see, this is how people want the prophecy to come to pass.

I always say, the confidence that it’s coming to pass is when you see yourself fulfilling your part. Because if they’re doing their part and you can’t see your part, you’re not really seeing their part; because the way to see their part, you must see your part first. When you see your part, then your eyes are open; otherwise, your eyes are still closed, so you’re not really seeing. When you see your part, then you could see other people’s part.

That’s why all these prognosticators and hearkening to the voice of all the soothsayers and all these different people there, as I said, it’s a waste of time; time to drop that business. They don’t even know what they are talking about. These are unconverted men trying to learn the Mystery of God.

You have to know the Seals and the Trumpets to understand This, and that’s what those men don’t know, because Trumpets is war, and war is for economics. And the same one who rode the first horse, the white horse, the religious deception, is the one who’s killing. It’s one rider on four horses. It’s a plan. You can’t mix the two.

Sure, you could get some data to tell you, “Well, this and that and this is happening, but these people are interpreting. They’re coming with conclusions. They’re laying out things for you. By the time you know it,

you're filled up with all kinds of junk.

That's like people, you wouldn't go to eat a good meal. You'd go by Kentucky [Kentucky Fried Chicken –Ed.], you'd go by some 'doubles man' [a street food vendor –Ed.]. Next thing, you eat some barbeque with dust inside the barbeque by the roadside; and then you are arguing about health and different things. [Congregation laughs –Ed.]

You say, "Shut your mouth, man! You don't know what a good plate of food is, yet. You eat a bunch of junk and you're talking about health."

That's like eating... then you want to talk about the Word, and the Mystery, and the prophecy and these Things, and what you're talking is what is brought by unconverted people on the internet, just surmising, speculating. Prophecy is not speculation. The testimony of Jesus is the Spirit of prophecy.

This is the Day of false anointed ones. They were the false anointed ones that rose up behind Jeremiah, to contradict Jeremiah's Word. Hananiah was chief [of contradictors –Ed.] and God killed him and took him off the earth, because he was trying to bless what God cursed; just like Zedekiah, the same way, trying to bless when Elijah cursed the thing. See? Always for favoritism, to get popular with the people, to win public admiration and these things; to feel you are nice because you are blessing.

No real minister just goes to play some Santa Claus and bless people and... No, no, they will talk the Truth. They will speak the Truth in love because they know God's people want to hear Truth. God's people don't want to be played with and be manipulated. [Congregation says, "Amen." –Ed.]

Sometimes you see the church in a great need and you're going to try to tell them, "Oh, we are eagles. We made it already. Don't bother, you'll make it." See? They're making you 'make it' and they haven't even 'made it' themselves. Because, if you have discernment, you look over this congregation here, you'll know how

many people you see need to make it; really need to wake up. Oh, my!

I'm finishing up with these quotations. Because this here, he shows how the Roman Catholic system will come into full, complete control in the United States of America. And I wanted to show you how, when that king of Babylon came, he had full, complete control. It was he, who was setting up the kings. He had already broken the nation, transferred the wealth of the nation, and he was involved in the politics, setting up the people – Jehoiakim, then he rebelled. They killed him. Then Zedekiah came; he rebelled, then they killed him. That's right.

Do you think Rome, since they started...? This thing didn't start the other day, friends. [Bro. Vin chuckles -Ed.] That Beast that came back to power in Revelation 13, from 312 to 606 [A.D.]; 312 at the Nicene Council, Constantine [a Roman Emperor -Ed.], when they joined church and state together. Pergamos means *married*; Thyatira means *dominant female*. "That woman Jezebel," God called it in the fourth Age, because the Book of Revelation is a Book of symbols; It is Mysteries of prophecy in symbol form.

And that's why your Church Age book, you have to be acquainted with it; otherwise, you don't have a clear concept of anything. And instead of taking time to study that, you're running all through the internet; people talking all kinds of nonsense, and if at the end that doesn't match with Elijah, who are you going to believe? Do you think the Prophet was outdated? Prophets have foreknowledge. Prophecy is foreknowledge. You cannot prophesy without foreknowledge. [Bro. Vin laughs -Ed.] I mean, think. Prophecy is things to come.

So we're borrowed on taxes. [He said this nation is broke.] She is bankrupt, the nation; not this nation, but all of them. And there is no way of ever getting it back. ...it's a trap set...

It's a trap set. Who set the trap? To trap who? Who works the finance? Who controls the wealth? Who has the balances in their hands? Who made the ephah great and the shekel small...and the ephah small and the shekel great? Who creates demand? Who brings these things? Who manipulates the stock markets? Who creates demands for goods? The merchant with false balances and divers weights. We've gone through this.

How does the borrower become slave to the lender? It's a trap, the debt trap; lend them what they can't pay back! In 2nd Kings 3, the widow came to the man of God; the creditor was taking the children! Showing you the effects of the thing on the spiritual side, and how in the days after Elijah's anointed and robed Ministry could catch the Word and teach the people how to work with the Oil, how to get the empty vessels to come out of the debt trap; to live debt-free, to make a sin-free church, a sin-free house! Showed it both sides.

This is the Hour you have to work with the Holy Ghost. The Holy Ghost is the Power that delivers, that heals, that saves. The Holy Ghost is the Angel of God. We know Who It is, now. He has come down; He identified...He made Himself known. He leads the Church, this morning. He speaks through the Bride – the Spirit and the Bride. We're not wondering. Do you think [for the past] fifty years that God was asleep? [Congregation says, "No!" –Ed.]

Then he said: *Who has got the wealth of the world? [Rome.] Rome holds it. And whenever we do, when we get broke, instead of these big merchants, tobacco, whiskey, and so forth, like... Have to get the money; what we'll have to do, either change the currency or borrow the money.*

Well, they haven't changed the currency, so what do they do? Borrow it. Subprime mortgage...

How did subprime mortgage crisis come for us, in the spirit realm? There was an earthquake in Fort de

France, Martinique. We were in Dominica when it struck—by an event in the earth. The Spirit dropped over, said, “Call home.” I came and started to preach: *Because Thou Hast Kept The Word Of My Patience* [2007-1130 -Ed.]; then, *I Will Keep You In The Hour Of Temptation* [2007-1202 -Ed.] Then, the *alligator-like man* was coming. [1962-1230M Absolute para. 7 -Ed.] We went through these things. It wasn’t somebody who think up a thought. Now, we’re in the midst of these things. We see it.

When we went to Chile... not Chile; Peru. I remember my experience. I asked Bro. Elias, I asked, “What is this saying?”

He said, “This is saying that it’s a meeting. All the heads of the world governments are in Lima.”

I said, “Come on, man.” Because I was sharing with him what was in my heart to preach.

He said, “No.”

I said, “Serious? That’s what I’ve come to preach.”

And you know the story: I stood up against Juan Saenz for about two hours. I said, “No. Well, then I’m not preaching.” I said, “If he’s not interpreting for me, I’m not preaching.” They had Lino [Lino Tirado, Interpreter - Ed.] who they brought down; paid his ticket. I said, “Let me talk to Lino.” I said, “Lino, you can’t interpret for me.” I said, “You don’t know the Word that good and you don’t understand my style.” I said, “This brother here, has been interpreting for me for the last twenty-four years.” I wasn’t going to struggle with Lino.

Do you know what happened? That day, Juan Saenz went—when they went to the stadium, a defiant security guard said, “You all can’t come in here. You all only rented from seven o’clock.” So, that meant the meeting was supposed to start at seven and they couldn’t get into the stadium; and they had all of their equipment to set up. By nine-thirty, they were now trying to finish up, and he was the host of the meeting.

Ten ministers in Lima came together, and they invited me and they had this whole thing for the

meeting. Bro. J.B.G. [João Baptista Gomez –Ed.] who has gone on, he was the one who arranged it. He said, “You all have to hear this brother. You all have to listen to these Things.” And I was preaching that in the church at that time and decided that I will go there and preach it.

Do you know what happened? Timmy told him, [Bro. Timothy Dayal –Ed.] he said... They were sweating, their clothes...they had to set up...problems. Timmy took his jacket and gave it to him, “You wear this. I’ll shoot you from here up.” Because he had on jeans and he had on sneakers and so on. He said, “I’ll shoot you from your waist up. You’ll look good on the video.” [Bro. Vin laughs –Ed.] And that’s why he shot him from the waist up.

Lino led songs and that was it, and the meeting went forth. And that was the beginning, from that time to the present time with our fellowship there with those brothers, after that time there.

So, what I’m trying to tell you, this is not... Watch the progression. You all know these things, but sometimes when we come back around in a season, you all forget those experiences. You might remember the Scripture, “Yes, he talked on that Scripture,” and so on, but the experience with it; how we went into those Things. At that junction of time, God opened up those Truths, that we are certain of these Things.

So, here Bro. Branham said, he said, “*When they do, [when they borrow the money], it’s the birthright sold right back...*”

I’m talking about Rome, and I’m saying how this man is going to come in and change America. Who’s giving him power? If you could believe that, it shows you don’t even have a clue who the Catholic Church is. You don’t know this is the one that killed sixty-eight million people; this is the one that had the Inquisition; this is that system that...every king on the earth goes to the Vatican and bows.

What kind of childish thinking, you know, to realize... He’s going to come and change something? They are

employed. They are given a script and they have the media to profile them according to their script. This is theatre, people! This is to lay a little introductory message. I'm coming back with Trump's disguise and Hillary's paint; that's where I'm coming, you know. [Bro. Vin laughs -Ed.] Disguised for deception, you know.

This is here to show you the final events, and I can't even get to read my Scripture here, (because my time's up today) to show you how the king of Babylon, they took the... There was a transfer of wealth, a transfer of key human resources; all these things took place first.

The city was not yet burnt. After they got everybody that they needed on this side of Babylon and this only had little, poor people; all the systems were no good, they said, "Okay, burn this thing down. Start with the temple. Start with the king's palace, then all the houses of the great men in Jerusalem; then all the walls, break them down."

Read it in the Bible. I can't get to It to show you that it was a systematic destruction of the whole thing. Why? It was a new system coming in and they were restructuring the earth.

All these wars were not just wars, people. These war plans and these nations, they had that on the drawing board maybe about twenty years ago. They know... It is called The Heartland Theory: You have to take here, you have to take this; you have to take this in order to control the earth. Whoever has these key places, has these geostrategic positions on the earth where resources are concerned, where trade and commerce is concerned; then you can control the world. You don't just come and control the world's trade and commerce like that; you need contractors.

He said, "Can you see what Lucifer is doing? He is building a more beautiful kingdom than Michael's." He asked the question, "But can you see it?" You see the quotation, but look in the world, can you see it in the world? [Congregation says, "Amen." -Ed.] He said, "He's

working in these men. Those fallen angels are in those men.”

Every day, when they watch the blueprint of the New World Order, it’s coming in, you know. It’s like an architect and the engineer and they watch and say, “Okay, the material for this part is coming in tomorrow; this and that and this. We’re going to move these men out and bring in... When this part is being done, we only want certain people on this job site here.” It’s a kingdom. Understand the Bible.

That is why when you can’t see that and you see the world through some kind of cross-eyed, dim-eyed, cataract-filled eye picture, you can’t see anything with high definition, nothing with distinction. Then you see, “Well, we are a little thing up in Abel Country, in the Scriptures.” Like the brother said, “A little thing in Cocoyea, in the Scriptures.” [Bro. Vin laughs -Ed.]

Well, I jumped on him and I said, “What! A little thing in the Scriptures? Brother, this is the Word of God going out here.” But when he looked around: it’s small; we’re in a house and that can’t be the real thing.

They were in John Mark’s house and the building shook. They were in the jail and the building shook. The Holy Ghost was in the belly of the fish with Jonah! God is with His people wherever they are. David said, “If I go in hell, God is there with me!” [Psalms 139:8 -Ed.]

You see, people misunderstand and fail to correctly evaluate the reality of the things, you know. So, that’s why you say, “We are just go along like this and maybe the world is like that.” [Bro. Vin imitates someone walking -Ed.] Hey, there are seven billion people on the earth and they’re all made drunk by Rome; if you believe the Bible. And there are all the kings of the earth and they all have to look to the Vatican, because that is the reason why it is given... “I have given all this to them.” Do you understand? It’s a thing of God.

God has to bind the tares to burn them. He has to get them organized. He has to make them a system.

He's not burning a city; he's burning the world, the earth, to bring the Millennium! When that fire is finished, it's bringing the Millennium! Armageddon is to clean off the earth – World War III!

We have to get out of here. We have to have more than faith for healing, but faith for healing will show that's an earnest of the resurrection, that's an earnest of Rapturing Faith. So when, in your mind, you want to settle down just for church attendance, hear a service, listen to a couple of songs, go through the program on each service day and then go out and call it, 'the Christian life; we're in the Bride', that is a delusion, you know. That is a total delusion.

This is service while we're here, fellowshiping. The Christianity starts when you step out that door, because all you're doing in here is listening and taking some notes. The little battle you may get here is Satan trying to put you to sleep and get you tired and say, "Why doesn't he finish quickly, because I want to go home. My belly's getting hungry," or something like that. [Bro. Vin and congregation laugh. -Ed.] Do you understand?

Is that your battle? Is that a battle? [Congregation says, "No!" -Ed.] When you see army jeeps pull up here, are you going to bawl and scream? Who would you be calling, me? I'm trying to load your hard drive right now; your soul with something that wherever you are and whatever you face, you would have what it takes to master your circumstance.

These final events are like a countdown, you know. This is a countdown. And all this thing they are playing up there, "Make America great again," and all these people backing that wagon and blowing that trumpet, there is nothing great again. After the sixth vision, it's the Seventh. [Bro. Vin laughs -Ed.] They came in continuity; the visions were given in a sequence.

Now, the kings of the earth... there is a division; some became the kings of the East. To do what? Prepare the

way for them; the drying up of the river Euphrates. That's in Daniel 5. Genesis 45—at the last Trump; six have sounded—the Bride is to be dismissed by the Groom and He makes Himself known under the last Trump, to His brothers.

Jeremiah 45, God said, "I will destroy this whole land here; everything." Jeremiah's prophecy: It was going to be burnt with fire. Troops following troops were going to be on that soil. They were going to set up a siege and break it completely. That's right. Isaiah 45: Cyrus opened the two-leaved gates. [Isaiah 45:1 -Ed.] Those were the kings of the East, people. Cyrus came through because the river Euphrates was dried up. Do you get what I'm saying?

Forty-five that is four and five – nine. Forty-five is five nines; nine fives. Five is grace; nine is judgment. Nine is the number of judgment; five is grace. Grace for the Bride and judgment for the world. Understand.

This is a day... Hear Bro. Branham. He said:

I believe that's soon now, soon I'm going worldwide. I got a worldwide meetings coming now. I'd like to get a place where I could set down for about six weeks, and just take those things and go through them, ... back and forth, through the Scripture.

I'd like to get a place where I could set down about six weeks, and just take those things and go through them, ... back through the Scripture to show how the trap's set for this nation; show how the harlot's going to come in, in the money situation; show how it's going to break the nation; show how they're going to bring this nation now, subservient to the other Beast; show how this one is going to force the earth to worship the first Beast. He said, "I'd like to take the Scriptures and go through this."

When the thing happened in New York there, in the United Nations, he said, "Did you catch what that meant?" He said, "You who are in touch with the Lord, make these things known to the people; let them know

what is going on now.” He said, “I would like to take about six weeks, here.”

I'd like to get a place where I could set down for about six weeks, just take those things and go through them, ... back and forth, through the Scripture.

It's astounding to see the hour that we're living in! It frightens me. It frightens me... In my heart, the joy bells are ringing, knowing that the Coming of the Lord is so close at hand. But, what frightens me, is to know that so many is unprepared for the hour that we are facing. That's the bad part.

What was the Africa trip? What was all that... the places we were going there? Going through these Things in the Scriptures, trying to teach the people these Things in the Bible because so many are unprepared; so many don't know. They're looking at the Thing, staring It in the face and can't see It in the Bible; they don't know what It is. So, when all these... bunch of voices come, it's carrying some this way, it's carrying some that way, carrying some this way, and then they're all confused.

Condemnation By Representation [1960-1113 -Ed.], he said... He was talking about the seven visions, here. He said:

Then when these women help elect the wrong person, then I seen a great woman rise up in the United States, well-dressed and beautiful, but cruel in [her] heart. She will either guide or lead this nation to ruination. (I've got in parenthesis "perhaps, Catholic Church.")

Now, look what happened ... Franklin [Delano] Roosevelt, took America to England's tea party. That's right.

'Tea party' means that they carried them in an English thing that the... It was really England's problem with Germany, but the American President, who was Roosevelt at that time, got involved and carried the nation into war. He said:

Germany never picked on us; we picked on them,

threw the whole world into a war, that caused a world war. The Germans built the [Siegfried Line. And] any veteran [there] knows what she took there at the [Siegfried] Line.

Women, given the right to vote,

I'm saying 'Siegfried' but he said, 'Maginot.' It was a mistake he was making, because 'Maginot' was the French; he used to mix up the two, many times, but he corrected all these things in the Church Age Book. It's 'Siegfried'. 'Siegfried' is German; 'Maginot' is French, if you know the two words.

...given the right to vote, elected President-elect Kennedy—by the woman's vote, the wrong man, which will finally be to full control of the Catholic church, in the United States; then the bomb comes that explodes her.

It will be to the full control of the Catholic church, in the United States. Jezebel is going to come and take control of that nation and guide it to its destruction.

These are Things where I want to get to in the Scriptures but I feel embarrassed to ask you; I just came back. But you see, these kinds of Things, you need straight days; you need straight days. But, you know, when the church gets soft sometimes and kind of relaxed, you know they are not ready for that kind of thing, you know, "It have too much of service and..." you know.

But, you see, these Things, if you are a believer and you understand the Hour, and you understand what is happening in the world, then you want to really get awakened and quickened under the Word.

[So, it] will finally be to the full control of the Catholic church in the United States; then the bomb comes...

Full control of the Catholic church in the United States; it's a trap set to swing this nation into something. Watch all what I'm reading. In other words, the prophecy he's seeing, all of that is locked up in Revelation 13, you know. Because they are the two Beasts, and the second one was made for the first one,

and all the wickedness of the first Beast will be found in this one. It will be a repeat performance of all diabolical cunning and cruelty. Everything that we are talking about: a trap set, repeat performance of all diabolical cunning and cruelty, it will be to the full control of the Vatican, as she worms her way.

In other words, it's taking it by deceit. It is not a war against America. No! That power is saying, "Watch communism, watch communism," but the Purple Curtain was rising in the nation, coming in. And this was the one that was killing them in the first place; they had to flee Europe to come there for freedom of religion. Then the people came back and voted the same thing in and rejected the vindicated Prophet who was exposing it! Understand the Bible! You'll know why that nation has to be destroyed!

Remember, that wasn't Bro. Branham; that was the Ministry of Jesus Christ reincarnated in the Church in the last days, according to Luke 17:30 and Genesis 18! Remember, the last President who is still sitting, is a homosexual; brought all of this in. They called him... Newsweek had him as: THE FIRST GAY PRESIDENT – Newsweek cover. Come on, man. This is the man who went and made these things in the nation and talking about their legacy; cocaine addicts.

People don't want the Truth in this Day, you know. As a matter of fact, they don't even have spiritual discernment. They are a generation cultured by television. And television is acting; they make you up before you go on the TV, and everything goes in the edit room to present it just right, so it could have the right appeal and the right effect on the people who are going to see it. Understand that this is the world; it's not real!

Watch that nation, "We are going there for democracy; we are going there for freedom; we are going..." It was all lies. They killed over... millions of people. And then they threatened everybody, "You'll be taken to the International Criminal Court. This one

here; sanctions on this nation.” And look at what they are doing.

Understand! Who has that power? Who could put them? Who is able to make war with them? Revelation 18 is called the stronghold, the habitation of devils, the hold of every foul and unclean spirit; it’s a prison house, a surveillance society.

Look at all the things that came out through WikiLeaks. The same people who are setting up themselves as though they are so virtuous, in this election, it shows how low and... Brother, they got worse than Trinidad politics. They got vile and... real gutter things. Yet, they go up there, pull that American flag there, and stand up there and talking a certain way.

We’re living in the same nation, you and I. What you’re seeing, does it affect you? Are you sedated? Have you been tranquilized? Have you been put to sleep? [Congregation says, “No.” –Ed.] What was to awaken the Bride? Seven Thunders. Sport channels and movie channels don’t wake you up, you know; they put you to sleep. Seven Thunders wake you up.

I don’t know how to express it; it’s a serious Hour. It’s an Hour to know where you are standing. Have your lamp trimmed and filled with Oil. Make sure that you are robed in the Wedding Garment. Make sure you have the Wedding Band and the Marriage Certificate. Make sure your bedding ground is not defiled. Make sure only your Husband’s Seed, the Spoken Word, the original Seed is what you have been sown with. What a time.

[He said,] ...*seven things predicted, and five of them has already happened. So you can judge yourself how far away we are.*

That was quite back in ’63, he was calling five—back in 1960.

If them five things ..., these other two things are bound to happen. It’s just got to happen. [The sixth one happened.]

Look at the prophecy the Lord give me in ’33,

He said in *The Revelation Of Jesus Christ* series, 1960 [1960-1204M -Ed.], just after the election, after Kennedy was voted in. He preached this in December, while the President was still elect, like Trump is, right now.

...how it would happen, "They'd permit [the woman] to vote. In voting, they'd elect the wrong person." Seven things was give and five of them has already happened. The next thing was a great woman, a church, a power or something, would take over this United States, to rule. Then I seen it just like ashes, laying, where it come to the end. It was the end time.

America with this President Roosevelt will be the rascal of all of them." That's right. He was.

You've heard me preach on *The Four Angels Bound In The River Euphrates* [1993-0310 -Ed.]: Fascism, Nazism, Communism and Capitalism – Mussolini, Hitler, Stalin and Roosevelt; agents of the Vatican, bound by concordance and treaties. *Seven Trumpets*, 1988 [The Revelation Of The Seven Trumpets -Ed.], the Holy Spirit came down; opened those Things up twenty-eight years ago. This church wasn't built yet; we were still in Barataria. Think of it.

Could I read a couple Scriptures? [Congregation says, "Amen." -Ed.] I just want to read. I just want to read; I'm just reading this now. I read the quotations, and those quotations were to show you how the Catholic church is going to come down... That was his prophecy from the visions and then the Scripture.

He saw the United States in the visions and he saw the United States in prophecy, in Revelation 13; and he was the Prophet in the United States. And he was the one opening the Mystery: the United States parallels Israel. And they had an Ahab on the throne, and he was Elijah, and God said, "That history is repeating, right now." And he was speaking with this awareness, this knowledge, this understanding; looking at the Scripture and showing the End. And that is exactly... That trail is what we've preached down through these

years, to show these Things.

And this is 2nd Kings 24; I'm just reading. This is a shadow of the final events. This is the final events; it's here. I could close with this for today. 2nd Kings 24, verse 7: An Old Testament shadow of the final events that unfolded in bringing Babylon to gain absolute control as a world power.

This is just the same with Jeremiah, you know; this is Jeremiah 39. The reason I'm not reading Jeremiah 39, this has more details. This actually shows you the political side, which I'm saying, Mr. Trump coming there is theatre. We might disagree again, but you see, you go by feeling; I go by the Bible. You see, I'm already conscious that the history of Israel is repeating; that's my law for the United States. And that started how they became a nation: with Israel in Egypt, Israel came through for freedom of worship; Israel all the way until the time of Elijah. So, it's the same with the United States: how they fled Europe, how they came there; 1776 the nation was born. How she came along: thirteen colonies, thirteen stars, thirteen stripes; she came along. We have that history of the United States of America.

And we have the whole thing, the USA in prophecy; her destiny is in Revelation 13. The Mystery of the USA, it's a parallel to Israel. Then we have the birth and the youth of the nation. They fought for freedom of religion. 1776, July 4th, thirteen colonies she started with. Then they had the American Civil War – April 12th, 1861 to May 9th, 1865.

The Catholic Church... You read Charles Chiniquy's *Fifty Years In The Church Of Rome*; Bro. Branham talked about it. He said, "It's not Father Chiniquy; it's Brother Chiniquy." [1963-0717 A Prisoner, para.125 -Ed.] He was the advisor to Abraham Lincoln.

Abraham Lincoln told him, he said, "I know the Catholic Church is behind this." He was counselling Abraham Lincoln about the ways and methods of the

Catholic Church. He was in that system for fifty years; then, the assassination of Abraham Lincoln. He was killed because he was going to free the slaves. Then the evil workings of papal Rome who was determined to gain control over the USA... Hold the Scripture; I'm just putting this in to show you it's about the USA. And I'm giving you some history on the USA because Daniel didn't see this Beast. This Beast came out of the earth. Daniel saw the first four beasts.

Revelation 13:1-8, gives you the four beasts there, in Rome; how they were absorbed into the Roman power: a beast with a body like a leopard, feet like a bear, head like a lion; and this was Rome, like a composite beast, because the Bible describes that one differently to the first three before it; and the fifth one was the United States.

This one, how it started, which I just showed you, she's in Revelation 13 – the birth of the nation, how the nation came; she's a parallel to Israel.

The USA received the Pentecostal blessing – 1906, Azusa Street, the Holy Ghost fell in America. England had rejected It, Russia had rejected It, but then It came and fell in America. Read *Is Your Life Worthy Of The Gospel* [1963-0630E -Ed.]; all these things here, he explained that. And here, you see how they had the Pentecostal revival. Because It came from Luther, in Germany; came through—crossed the English Channel, into Wesley, then... the Philadelphian Age; then It crossed over into the United States.

On the West Coast It started, Azusa Street, California; the Pentecostal blessing. And they called themselves Pentecostals, in the West Coast, because it was like something that happened in the East, when the Holy Ghost fell on the day of Pentecost.

Howbeit, that could not be the restoration, because the Prophet Messenger had not yet come, who was going to bring the Former Rain, the Teaching Rain. That was the shuck. Luther was the stalk, Wesley was the tassel;

that was the shuck. Then 1909, the Prophet was born; the Pillar of Fire appeared over the crib. See, you must know the Message.

Then two wars: World War I, 1914 to 1918 and 1939 to 1945. 1929 – the year of the great depression, the crash of the stock market. 1919, after World War I, that Spanish flu killed over fifty million, the war killed about forty million. The Spanish flu, the plague that followed the war, the Trumpet; the Vial that followed that, temporary judgment, killed over fifty million. Then the stock market crashed; the whole world was affected.

Then 1933, the seven visions of prophecy came and he began to prophesy: the rise of Hitler, the shameful death of Mussolini, the mysterious death of Hitler, the election of a playboy President in the United States, the rise of the Catholic church, all these things; the destruction, the death coming. All of that was spoken back there.

We know the seven visions of prophecy. Where I'm going to take you to just now and show you, when we read those last two Scriptures and close, is: you will see how the king of Babylon transferred the wealth, broke up the nation, downsized the nation and then the nation was completely burnt; like he saw in the vision, as far as the eye could see, debris. So it's no great America, no rise, no...

I'll show you how this man comes in, even though he tries to defy the people who put him in power... [Congregation laughs -Ed.] I'll show you that is what they do. The men that the Babylon power put in power, they thought now, "Hey, I'm sitting down here. I'm the boss, man. I could call the shots." Call the shots? The king of Babylon took him and put his eyes out, killed his two sons in front of him and moved on. Do you know the Bible? Read the Bible. [2nd Kings 25:7 -Ed.] 4:20:49

You see, when you don't... Now, we know it's a history repeating, so you look at the continuity – You look at what followed the union of Ahab and Jezebel, you look

at what followed the coming of Elijah, you look at what is to follow until the destruction of Jezebel; then you'll understand. Otherwise, you have to listen to the news, and this one carries you this way and that one carries you this way, this one carries you that way and then your mind is full of garbage. But watch the Word; watch the line.

The Book shows you from Ahab marrying Jezebel, 1st Kings 16. 2nd Kings 9, It shows you Jehu destroyed Jezebel. 1st Kings 16, that is 1960, she came to the White House – Ahab and Jezebel. 2nd Kings 9, that's the destruction of Jezebel, Revelation 18, the prophecy. She's married here, she's destroyed there. It's all in the Bible.

She is called 'That Woman Jezebel' in the Thyatira Age. Why did God go in the Old Testament, picked up a woman and placed her in the Thyatira Age? Because that woman, the Catholic church, is a Mystery to be revealed by Elijah.

What is Revelation 17? One of the angels with one of the Seven Vials saying, "Come, I will show you the judgment of the great whore." Who is this angel? That is the same one in Revelation 21:9 saying, "Come, I will show you the Lamb's Wife." That is the same one they bowed down to worship! Go on the *Fifth Seal* [1963-0322 -Ed.], Bro. Branham said, "That's Elijah." You see?

If you listen to my message when I preached on *Third Angel's Message* [2016-1104 -Ed.], down there, I showed you that he is the third angel, and I read where he said that he is the third angel. He said, "This is the flying of that very angel's Message." And the reason he's called that, it's because the third angel's Message is direct to the two Beasts.

This is the Holy Spirit. [Congregation says, "Amen." -Ed.] It takes Him to put it together. It's there in the words of the Prophet but people can't make sense with it. People hear 'Third Angel's Message', and they think it's a new doctrine.

There are only Seven Church Age Messengers who came from the Seven Church Ages. We're at the end of the Seventh Age, fifty years after the Seventh Messenger has gone. Israel is back in their homeland; they only have three and a half years; they have two prophets. Where are you going to fit in those last three? That means they are already gone.

Who revealed the Mark of the Beast and the Image? Who preached...? Go and listen to Billy Graham, Oral Roberts, A. A. Allen, Tommy Osborn; see if all of them preached anything. It had to be a Prophet. Do you know why? It was one with one of the Vials. He said in Revelation 22, "Don't worship me"... 21, rather, "I'm of thy fellowservants and of thy brethren, the prophets; worship God." Did they bow down to worship him and he preached *Bruised Serpent*? [Congregation answers, "Yes." -Ed.] [1961-0611 -Ed.] Of course; of course.

I've preached that since I was a little boy. I've preached these Things since I was a little boy. When God carried me in the cane field, He even showed me it applied to Len Hap; killed that thing in the water. That is the thing in... "That is the church, that is it there; the sun is shining," showing you what it was. That is why we are here today. Do you think we got here by magic? [Congregation says, "No." -Ed.] It's by the leadership of God that we are here; by the working of the Holy Spirit.

How is it that we could stay here and look back at our history? I told Bro. Neville [Bro. Neville Roderick (dec.) -Ed.], "Come. Come go with me for Life." walking out Simpson Brown Terrace that evening; stopped the car. It had seats for three: two in the back, he and Sammy in the back [Bro. Samuel Johnson -Ed.]; I was in the front. That's right.

Later on, Bro. Simon came. [Bro. John Simon -Ed.] They tried to get him involved with New York City, but something inside of him, the alarm went off. He said, "No, I'm staying here." That's right. He lived to see where that went.

Friends, these things are not made up. This is an old man, sixty-five years, talking to you, who has gone around the world a few times, about three times already, talking to you. This has been tested and tried in different languages, different continents; everywhere. This never leaves the Bible. This is the Bible and Message. This gives sense to the Message.

America got their new birth, so to speak – Azusa Street. It was born in 1776, like a little youth growing up. Ecclesiastical and civil powers – two horns of the American buffalo; like a lamb, innocent – symbol of religion; but then it spoke with the voice of the Dragon.

The great miracles, technological miracles, brought down fire from heaven. We saw that all through the Gulf War and these places. They're guiding the fire, going down a street, going into a building, go down a chimney; and the whole world was sitting and watching it on CNN and BBC. The Prophet said, "What is it?" He said, "The atomic fire, the atomic bomb." Read it – *Mark Of The Beast* [1954-0513 -Ed.]

Then they had the greatest healing revival, America, 1946 to 1955. In 1957, they turned down Jesus Christ. In 1963, they crucified the Word. They put Christ outside the church: "There they crucified Him," *Indictment* [1963-0707M -Ed.] So when you watch and see...

Then they married. When she married into that paganism, the nation that they ran from, when they voted that thing back into the White House; put it on the seat of power and authority, then what happened? That was the sickness of America. The nation began to go down, and down, and down. You don't reject Jesus Christ and go on. *Evil Counsellors Behind The White House Throne* [2016-1106 -Ed.]

In 1964, he threw the rock up, "Judgment will start in the earth." In 1965, prophecy on California: Millions will die. Three hundred miles wide, fifteen hundred miles long, will slide forty miles deep into that fault yonder. It would be worse than the last days of Pompeii.

[1964-0429E Choosing A Bride - Para. 231 -Ed.] Then in 1964, back there, preview of the Bride: Miss USA church was a witch, dancing to rock and roll music, going down into hell. Follow the Message.

Now, then the Seventh Vision; six being fulfilled; Seventh – death. From the birth to the death of the nation; a whole Mystery just like what we’re going to read here and close. I’m going to read kind of quickly, so follow.

This is 2nd Kings 24; we’ll come in about verse 7.

7 And the king of Egypt came not again any more out of his land:

How many remember *Cyber Warfare And The Fall Of Egypt?* [2011-0227 -Ed.] “Mubarak has to go!” – Hillary Clinton, a beautiful, wicked woman, guiding the nation, too. She didn’t get on the throne to lead, but as Secretary of State, she called a lot of shots and brought down a lot of people. That’s right.

...king of Egypt came not again any more out of his land: for the king of Babylon had taken ... the river of Egypt [which is the Nile] unto...

...from the river of Egypt unto the river Euphrates...

Nile is in Egypt and Euphrates is in Iraq.

...all that pertained to the king of Egypt.

King of Egypt had control there and then the king of Babylon came and took control of that territory.

Who brought the fall of Egypt in this Day? Who put a million people in the square and brought international pressure? Not a shot was fired but they brought down Tunisia; they brought down what they call the ‘Arab Spring’. That was when I preached the message: “And Libya shall fall at his steps, the king of Mystery Babylon.”

8 Jehoiachin was eighteen years old when he began to reign,

Now, this was after the death of Uzziah—not Uzziah;

Josiah, rather. Just before Josiah died, the Book of the lost Truths was restored. Do you understand? The Seven Seals were opened, in other words, and came back, and then that was the beginning of the end; the End-of-Time Seal had started.

...and he reigned in Jerusalem three months. And his mother's name was Nehushta, the daughter of Elnathan of Jerusalem.

⁹ And he did that which was evil in the sight of the LORD, according to all that his father had done.

¹⁰ At that time the servants of Nebuchadnezzar king of Babylon came up against Jerusalem,

Not Nebuchadnezzar yet; the servants. He had servants, you know. The kings of the earth are the servants: President, Secretary of State...

...came up against Jerusalem, and the city was besieged.

Even in the natural realm, they want to divide Jerusalem too. Those two kings are working to divide that city, to put Rome in control of Jerusalem.

¹¹ And Nebuchadnezzar king of Babylon came against the city, and his servants did besiege it.

¹² And Jehoiachin the king of Judah went out to the king of Babylon, he, and his mother, and his servants, and his princes, and his officers: and the king of Babylon took him in the eighth year of his reign.

¹³ And he carried out thence all the treasures of the house of the LORD, and the treasures of the king's house, and cut in pieces all the vessels of gold which Solomon king of Israel had made in the temple of the LORD, as the Lord had said.

¹⁴ And he carried away all Jerusalem,

and all the princes, and all the mighty men of valour, even ten thousand captives, and all the craftsmen and smiths: none remained, save the poorest sort of the people of the land.

Back there, it was a physical... First exodus, from a natural land to a natural land; second exodus, from a spiritual condition to a spiritual condition. If he's carrying them away today, where is he carrying them; in the Vatican? Is it planeloads of people they're carrying to the Vatican and dropping there? No. They're bringing them under a new rule. They're bringing them under a new ideology.

The Bible says what? He went out to the king of Babylon; Jehoiachin. He, and his mother, and all the people and the aides around them, they went out to the king of Babylon and the king of Babylon began to take everything.

Verse 13:

¹³ And he carried out thence all the treasures of the house of the LORD, and the treasures of the king's house, and cut in pieces all the vessels of gold which Solomon king of Israel had made in the temple of the Lord, as the LORD had said.

¹⁴ And he carried away all Jerusalem, and all the princes, and all the mighty men of valour,

Who is in charge of the CIA? [Central Intelligence Agency - Ed.] Who is in charge of the FBI? [Federal Bureau Of Investigation -Ed.] Who is in charge of all these people? Catholics...Catholics. Who is head in the Senate? Catholics.

Sometimes when you see a man on a throne, you think he is the power. No, it's the handler around him. He's just the figurehead to make speeches and so on. The people around him, who are directly from the Vatican to be a watchdog for him, to make sure, 'there

are no wrong moves around here'. It's a game of shadows.

Wait until I get into some things coming up here to show you what God calls 'a repeat performance of all diabolical cunning and cruelty'.

14 And he carried away all Jerusalem, and all the princes, ... and all the craftsmen and smiths:

Watch the people It's describing.

...none remained, save the poorest sort of the people of the land.

15 And he carried away...

Watch, he carried away; he carried away.

...Jehoiachin to Babylon, and the king's mother, and the king's wives, and his officers, and the mighty of the land, those carried he into captivity from Jerusalem to Babylon.

Just like Nicolaitanism who conquer people, just like a dictator conquers a nation, they're captives. Churches, denominations are houses of hell; are prison houses – captives! Ideology – captive!

Are we not captives, too? We are captives, too. We are prisoners to the Word, bound in chains! We are love slaves, captured by Love! Jesus captured us! He captured our hearts and souls! His wish is our command; no retaliation! We have no mind of our own; He puts His Mind in us, now! He walks with our feet, speaking through our lips, thinking with our minds. We are total prisoners! He wants all pre-eminence! Understand.

If you are captive to nothing you *think* you are. If you are captive to the Word, people will see the Word living through you. There'll be none of you! Whoever conquers you will be living through you. So don't feel that you are not captive. This is the Age where there are two heads. Everything comes under two heads in this Hour – Satan marrying the World Council of

Churches and Christ marrying the Bride!

17 And the king of Babylon made Mattaniah his father's brother king in his stead, and [he] changed his name to Zedekiah.

What kind of politics is this? What kind of politics is this? Watch. First, a transfer of wealth from the nation and now a setting up of leadership that is obedient to the king of Babylon is being put into office. But I'm going to show you something here.

18 [And] Zedekiah was twenty and one years old when he began to reign,

The king of Babylon changed this man's name (see?) and from thenceforth, he's called Zedekiah; not Mattaniah.

...and he reigned...

Christ changed our name too, you know. He changed Abram to Abraham. He changed Jacob to Israel. Is that right? [Congregation says, "Amen." -Ed.] He changed Saul to Paul. He gives you a new name. He said, "I no longer call you church; I call you Bride," when He started to reveal certain Things.

...and he reigned eleven years in Jerusalem. And his mother's name was Hamutal, the daughter of Jeremiah of Libnah.

19 And he did that which was evil in the sight of the LORD, according to all that Jehoiakim had done.

20 For through the anger of the LORD it came to pass in Jerusalem and Judah, until he had cast them out [of] his presence, that Zedekiah rebelled against the king of Babylon.

Watch a man thinking he had power, though he was put there to serve the purpose of the king of Babylon who already had control of the nation.

Now catch this. The point I'm bringing here, the king

of Babylon transferred all the wealth and all the key human resources. He had control of the nation although he was not in the nation, physically. He was setting up people to rule the nation as a tributary for him. This is the picture. That is why I told you, "It's theatre."

Watch a man who was put into the seat of power by the king of Babylon, and the king of Babylon had already broken down the systems of power in the nation, transferred most of the wealth to Babylon and had control of the nation. And now the king of Babylon is ruling through political puppets obedient to the Vatican, though the nation was not yet burnt.

Notice, the nation is not burnt yet, you know. The Seventh Vision; the nation has not been burnt yet, you know. Understand. Because Jeremiah prophesied the burning of the nation. When Ezekiel took that censer of fire and threw it like that, that whole thing was to be burnt, like when the rock was thrown up.

2nd Kings 25:

¹ And it came to pass in the ninth year of his reign, ...

Now, this man rebelled, see? Watch here. He was put into power by the king of Babylon but he rebelled against the king. Because, you know, sometimes you put a man in power and he starts to feel that the power is his. He didn't realize that Nebuchadnezzar and they were fighting that war for years. Babylon started quite on the river Euphrates, back in Nimrod's time. He didn't understand that. [Bro. Vin laughs -Ed.] He didn't understand, in the plan of God, Jeremiah told them that God had given you to the king of Babylon, but he wasn't believing Jeremiah.

That was the man who put Jeremiah in prison, Zedekiah, because he didn't like the prophecy against him. This man was getting help at one time from the king of Egypt, and the king of Babylon drove the king of Egypt away. And then this man realized, he doesn't

have—the alliance that he tried to form, it didn't work, because God said, "I'll punish you if you don't submit. Put the yoke on your neck." Understand.

Who was saying that? God's prophet. How did it start? "And the Word of the Lord came to me, Jeremiah, and God said, 'Make a yoke and give it to all those nations.'" We're not playing with the Word here; we're watching the Word as It is – naked, raw Word. We're watching the principle that is a type of America.

...[and] in the tenth month, in the tenth day of the month, that Nebuchadnezzar king of Babylon came, he, and all his host, against Jerusalem, and pitched against it; and they built forts against it round about.

² And the city was besieged unto the eleventh year of king Zedekiah.

³ And on the ninth day of the fourth month the famine prevailed in the city,

What did God say through Jeremiah, quite in 27? Sword, famine, pestilence. What did God say under the Fourth Seal? The same thing, in this Day. Hell following death; what was that? Protestants and Catholics and they are uniting, following Lucifer. What is Revelation 19? They that are called and chosen and faithful, following Christ. Heaven following Life; hell following death. Michael and Lucifer coming on the battleground, again. The battleground is here, first. [Bro. Vin points to his head -Ed.] First, here; wisdom versus faith; the greatest battle ever fought.

...and there was no bread for the people of the land.

The musicians could come for me, because this is just seven more verses as we go out.

⁴ And the city was broken up, and all the men of war fled by night...

All the men of war, the Joint Chiefs of Staff, all the special elite forces, all of them; they had already evaluated, "We're finished here because we're hungry;

we're starving. The king of Babylon came, took up strategic positions; there's no way to come out of this. This is a done deal. We followed a king here who we thought had power. We realized that the prophet Jeremiah, who brought the Word for the nation, was correct. We went and listened to politicians instead of the prophet." Do you understand? Are you understanding? "Hearken not unto them!" [Jeremiah 27:17 -Ed.] See?

...[and they] fled by night, by the way of the gate between two walls, which is by the king's garden: (now the Chaldees were against the city round about:) and the king went the way toward the plain.

Now, this is a dramatic piece I'm reading here, you know. Catch the picture. It's nighttime; they're trying to run for cover but the Babylonian forces... It's a siege! They knew they were going to try to make a move, so they set a parameter. They locked down the whole city. Nobody could get out. No help from outside could come in.

So, they realized now, "Let us make a daring dash, an escape." But the king of Babylon came with a vengeance. Do you know why? They put this man in power. You don't defy the nation that conquered the world.

Presidents and Prime Ministers and kings and queens look big to citizens of nations. When they go to the Vatican, they have to wear black, you know; and humble themselves, you know; and kiss the ring, you know. They feel a power in the nation; when they go there, they see almost two thousand...three thousand years—well, about two thousand and five years of history and things that you don't find anywhere else in the world, inside of there. And they realize that they only have power if they're given power, because all of these nations are so tied up in all kinds of deals, but they don't even know who they are dealing with.

The World Bank is not called the Bank of the Roman Catholic Church. The IMF is not called the system of the Catholic Church. [The International Monetary Fund: an organization, accountable to 189 member countries fostering global monetary cooperation. –Ed.] They are all different things; they're not called that. Shell is not called the oil field of the Catholic Church; it isn't called that. [Shell Oil Company: one the largest oil companies in the world –Ed.] But it is what it is; they own it. When they reach there, they realize who really has the power in the world.

And so, this man decided to make a dash.

⁴ And the city was broken up, and all the men of war fled by night by the way of the gate between two walls, which is by the king's garden: (now the Chaldees were against the city round about:) and the king went the way toward the plain.

Could you see them? Like Gaddafi [Muammar Mohammed Abu Minyar Gaddafi, a Libyan revolutionary, politician –Ed.], when he started to move with the people – family, their convoy of cars, military men, men with rocket launchers moving, guarding. All of a sudden, NATO, [North Atlantic Treaty Organization –Ed.] those planes in the sky started to come. Brother, they were getting coordinates from the ground and they started to blow up those things. When they came down there, they chose their place, while they were trying to run in the desert, going with the convoy; they burst up that road there, brought all those... killed out all the main... from the air. When they came they stripped him naked, sodomized him, abused him; dragged...

He was a king in a nation, trying to help his people; trying to unite the African nations that have been colonized and used and abused and everything by these industrialized nations; trying to stand for them, to help strengthen them.

And these nations were saying. "What? What you actually think you're doing by trying to be kind, you're

putting us out of business and you're cutting us off from a lot of money. And this money finances our war machine and finances this over here, and finances this here and our economy. This is what you're trying to do. Are you trying to rule us?" When he realized: who is able to make war with the Beast? [Revelation 13:4 -Ed.]

This is modern day, now. This is modern day now but I gave you a thing with a man fleeing. When they realized, they had already broken up the city; they broke up Libya. Same thing they did in Iraq; killed over a million people.

In this Day, when you have laser-guided bombs, you have all kinds of bunker-buster bombs... When they found Saddam Hussein, a man who walked about reviving Iraq; Nebuchadnezzar bringing back Babylon, natural Babylon and all these things; and they found him down, like in a little latrine hole [outhouse -Ed.] or something, way down. Could you imagine a big king down inside of there? When the marines and they put that gun on them and they got him outside of there, and they brought him and you see how they treated that man.

When they opened those places, you talk about gold; you talk about the artifacts. In the first few days of the war (I preached on those things back there for you all), all of those things were missing because Rome went in; they wanted all of that.

Just like the Jews can't get back the Menorah, and they are pretending that they don't have it, and yet, right in Italy, in Rome, the big city, the Arch of Titus, where Titus had put up that big monument (it's still there), they showed you the Romans coming in victoriously with the big, gold Menorah, about ten feet or more...fourteen feet (how much it is) that used to be in Tabernacle; coming with it, celebrating their victory when they burnt Jerusalem. And so, the Jews saw that and they know that it's inside the Vatican.

What kind of place is this? It's called the place of

divination; that is what the word 'Vatican' means: *the place of divination*. From there, they bewitched the whole world, all the nations with their sorceries, through the media houses. It looks nice, all those pretty women they send out there to read the news, and talk about the news and sit down there, and in that edit room in the back, where they are making all those things and when they are targeting nations, so they bring out those documentaries to stir up hate in the people and to show you how they are living lavish lives and different things; "Go after them, man!"

What kind of world... You have to live in the real world, you know. The reason people don't see that world, it's because the media gives them an education that gives them misdirection; they're looking in all the wrong places for the reality and they can't see the reality. And sometimes, preaching like this sounds... How would they word it? There's a word called... sedition? They feel like you are against things; no, but that's the world.

If you have a sealed Book, what do you read in your sealed Book? What does the red horse mean? Take peace from the earth. What is the Fourth Seal? Power given to kill one-fourth part of the earth. See? People say, "The Seals, the Seals," but watch what it is. Famine: a measure of wheat for a penny and a measure of barley – control all food, natural and then spiritual, too.

They are the ones who took away the Bible at first and gave the people prayer books, you know. "You're not going to eat this; you're going to eat this. You're going to eat: Mary is the mother of God; not, 'In the beginning was the Word and the Word was with God.' No, you're going to eat this." When you eat that, you can't have any faith, so you are easily controlled. You are worshipping Baal and Ashtoreth.

Earth...this is what earth is all about; this dimension, but you have been selected. You have been selected by

God in this generation, that *your Light* is come and the Glory of the Lord is risen upon you. Isaiah said, “And when the enemy comes in like a flood, God will raise the eagle standard,” of which you are and greater is He that is inside you.

And when they think they’re going to starve you, he said, “Watch the same God multiply the bread and fish, again. Watch the same...” Because this is to give you a faith to raise you up into a supernatural economy. Hallelujah! He brought water for two and a half million people, sheep, goats, camels, asses, everything, out of a rock, a *dry* rock in the desert. He raised up a Brass Serpent and healing was among them.

If He could do that with a natural rock, what about the real Rock of revelation? If He could do that to a Brass Serpent, what about the revelation of the Son of man lifted up? Hallelujah! What about the Angel of God in the midst, sent to bring us into the place He has prepared for us? If that first Exodus was a shadow and the second Exodus was in part, how much more the Third Exodus, which is the fullness of redemption, here? Not just a new birth like they had and went in the grave but a new body: *We shall not all sleep.* [1st Corinthians 15:51] What about this for us?

When they went down in the Dark Ages under persecution and died, he said, “Not this group, this time. When the Squeeze comes, watch the Third Pull, the Spoken Word. It will start the Rapturing Faith.” When it got dark, he said, “Fear not, there’s a Man here that can turn on the Light.”

The little sister was all nervous and gloomy; those are the churches today. As it’s getting dark, they are getting nervous. But in the story, the Chief Engineer, the One Who designed the Church, He was right there and the little brother, he mightn’t have seen much but he said, “Little sister, dear, don’t scream, honey.” He said, “I’m touching Him; He’s right here. The Angel of God, the Chief Engineer; He could turn on the Light at any time.”

Amen! He said, “That’s the One that’s here Who knows what it takes to put the Church in rapturing condition.”

Oh, as that elevator began to descend and this world is descending into hell; hell is opening her mouth and pulling this whole earth in. Think, friends, it’s being created on the earth.

There are men who are touching the Chief Engineer, the Chief Engineer Who met these men and commissioned them, and anointed them, and sent them out and made them co-workers with Him; the Chief Engineer Whom they are getting their Light from, Who turned on the Light in them. In Him is Life and His Life is the Light of men. [John 1:4 -Ed.] The Lamb is in the City (hallelujah!) and the Lamb is the Light of the City. A City on a hill cannot be hid, in this Hour. [Matthew 5:14 -Ed.]

⁶ So they took the king, and brought him up...

No, verse 5:

⁵ And the army of the Chaldees pursued after the king, and overtook him in the plains of Jericho: and all his army were scattered from him.

Did you think that he ran just like that? No. Military strategy; he had them around him. He had certain ones to guard him and protect him.

Have you ever seen how they guard those Presidents? Bomb scare or something like that, they’ll push him in the big car quickly. Men throw men in the line of fire to take a bullet if anything is coming. They’re guarding him! You talk about...those are deacons. Yes.

It’s nice to want to be a guard and stay around the President, but that’s a place where you have to put your life; and that is where the most trusted men, they have them there.

And when the time came, look how—this was soldiers against soldiers and they were outnumbered; they scattered them.

⁶ [And] so they took the king, and brought

him up to the king of Babylon to Riblah; and they gave judgment upon him.

This is Zedekiah, who the king of Babylon put in power, who thought he had personal power, whose head got big. Do you understand? Maybe all the people didn't see the king of Babylon put him in power, but he knew who put him in power, so he kind of figured that he was going to build a power base around himself.

Nebuchadnezzar said, "What?" He said, "We're going now; come on. This nonsense must stop right now. See this little nitwit sitting down there? I elevated him to that place and look what he wants to do." When they brought him now, he's there before Nebuchadnezzar and all those officers, and they set up a tribunal. From the time he saw the tribunal...

In other words, they read him his rights, they read him what he did; they read him such and such. He knew execution was coming, you know, because he knew this man's history. He was the king of Babylon. He didn't become king of Babylon just by popular vote, you know; he conquered the world.

Rome didn't just come like that, you know. They killed over sixty-eight million. They control the banks and they control all the things, you know, through blackmail, through extortion! That is the lion with iron teeth – Babylon.

So, they set out...

...[they] brought him [before] the king of Babylon ...and they gave judgment upon him.

⁷ And they slew the sons of Zedekiah before his eyes,

They said, "We're going to make a precedent with this man here—We'll set a precedent with this man." They brought his sons, and they killed the sons, then they took his two eyes out. They said, "The last thing you see is this, and this is for betrayal. This is for betrayal."

...[and they] put out the eyes of Zedekiah,

and bound him with fetters of brass, and carried him to Babylon.

⁸ And in the fifth month, on the seventh day of the month, which is the nineteenth year of king Nebuchadnezzar king of Babylon, came Nebuzaradan, captain of the guard, a servant of the king of Babylon, unto Jerusalem:

⁹ And he burnt the house of the LORD, and the king's house, and all the houses of Jerusalem, and every great man's house burnt he with fire.

Do you see the progression? Do you see the carrying away first of the main resource to give them control over the nation, carrying away the wealth (watch the systematic thing), then, they put this man in power while they have control? And this man tried to rebel, and look at the fate this man received for betrayal. Then they burnt systematically: first, the temple, then the king's palace, then the Minister of National Security's house, then the Minister of Foreign Affairs' house, then the Joint Chiefs of Staff's house.

You know, like you go through Maraval and Federation Park [The names of places of the upper echelons -Ed.] and you take them down, systematically and you take down the twin towers, everything, and you bring it down now, level, like the Beetham. [A slum area in Trinidad -Ed.]

Ezekiel 17 tells you how they control a hedge: how they grow it, and they trim it and determine what size it's going to be.

...and all the houses of Jerusalem, and every great man's house burnt he with fire.

The nation now is finished; the nation now is finished – the Seventh Vision. The power of Babylon had risen and took control of the nation, took the wealth of the nation; took control of the nation. Yet in there, the human mind could be very strange.

Men could have ambition because they are not

conscious of the real world. They are not conscious that they are given an assignment in there. He could have all kinds of aspirations; you are nothing. You are a pawn but you're thinking that you are a knight and a king, but you are a pawn.

Do you think... If Trump has four billion dollars, do you think that's some money to the Vatican? Come on, man! America is owing eighteen trillion dollars, to whom? And that is just one person owing that—one nation.

You see, we have to get out of this childish...the little childish mind. See the real world in the Bible. That is why when you can't envision this world, you just live your Christianity in a little world, like you are in the eggshell still; you are not even in the nest yet. You have to come out and realize what kind of world we are in.

What do you think Trinidad is, in relation to the United States? 1.3, or let us say 4 million in Trinidad and Tobago. The United States is about how much...350 million? What do you think? They have gold, they have oil, they have... The kind of riches they have—forests. The amount of things they have in that country as resources: diamonds; all kinds of different things. If they could take that nation and do like this, what... [Bro. Vin makes a tight fist with his hand -Ed.]

If Trinidad has any power, it's not the government, you know; it's not the army, it's not the coast guard. We don't even have an air force. If they could put a man on the moon, do you think to control a little nation is something? If they have the biggest arsenal of nuclear weapons and things, and they have scientists who made this; we made the steel pan. [Bro. Vin laughs -Ed.]

If Trinidad has any power, it's the Bride; it's the Bride of Jesus Christ. And when She really comes to know who She is, when She really begins to take that place, when She really gets serious and submits to that Word and the Holy Ghost could come in a greater way, it will have Something here so Supernatural, so Divine. It will

have Something that could even change us and take us out of here; Something that could bring us in harmony and relationship and unity with a Supernatural dimension where there's more with us; where there's more with us. This is the place.

¹⁰ And all the army of the Chaldees, that were with the captain of the guard, broke down the walls of Jerusalem round about.

¹¹ [And] the rest of the people that were left in the city, and the fugitives that fell away to the king of Babylon, with the remnant of the multitude, did Nebuzaradan the captain of the guard carry away.

When people realize what real power is... They started to realize that the king of Babylon had power that those puppets... After Josiah died, they hardly had anybody...

Look at the kings of Israel, from Ahab and them down to his sons and them, down to the end – nothing. Do you think there is something that could rise up? Do you think Mr. Trump could do something? Do you think there is Scripture for that?

Watch and see in the Word, where it is. The history of the nation has been opened by a Prophet. The repeating of that in the Bible gave us the key. We even saw the people, who are—how they are getting into power, they are being put into power. And we are seeing that those who felt that they were ambitious, the Bible even put Scripture, in the end, to show how the king of Babylon dealt with anybody that tried to cross their plans after they took the nation and put them in power, showing that he was the power, that they had full control in that nation.

Like Rome, Mystery Babylon today has full control in the United States of America, according to the visions of prophecy and the teaching of the Prophet. He said, “She’s going to have full control in this nation.”

That is my little introduction to what is coming, to lay

some of the background for these things, to show you that we are in a time that these things are coming back around to sensitize you. This is to sensitize...

This is not to drive you into any kind of wild business, you know; this is to take introspection. This is to look deep into your heart with sincerity. Only you could do that for yourself. I can't force you to do that but I can preach the Word. I can show you, I can try to convince you of the time and the season and the workings. I can bring the Truth to tear away the veil of lies that the media put around people to hold them in ignorance by misdirecting them. I can show you the line: the Word comes from the mouth of the Prophet and he prophesied what was coming on the nation.

And other men were blessing; other men had different ideologies and the leaders were seeking the counsel of soothsayers and this one and that one who could give them an idea, because they had no concept that the God of Heaven Who created the universe, already had a plan for each one: who was going to conquer and when, how long their term was going to last, and who would overcome them in the end.

That's why the Book of Daniel could show you from the first, Nebuchadnezzar, right down to this Day of the ten toes with Eisenhower and Khrushchev, and now we've come down to Trump and Putin. Watch the history where we've come down to. Do you get what I'm saying?

Watch the Word. Watch the Word. Hearken not; hearken not. Make sure that if you are hearkening, it is to the Voice of the Prophet. All of those intellectual voices were Satan's way to kill the effect of the true Voice. Read *Voice Of God In The Last Days* [1963-0120M - para. 26 -Ed.]; he said: Until the Voice of God becomes a foreign thing. Because the people know CNN's voice, BBC's voice, FOX's voice, this one's voice, that one's voice, and they don't know the Voice of God. They can't remember what God said. They can't remember what

the Seals opened. They are not able to see the time they are living in. Wake up and recognize the Day.

We are a simple, little people here. Some of these Things are too deep for most of you, but they have to be spoken, because those who get it can help others who are close to them and break it down. But these Things, these sayings, are faithful and true. As far as I preach here this morning, there is no fabrication, no guessing and misdirection; it has no explanation.

How am I getting this? He said, "That history, Israel is a type." David and Solomon and all of them were a type of Washington, Lincoln and all of them. Ahab was a type of Kennedy. Elijah back there was a type of this Elijah here. Even the country, the geography, the land is the same. Even that one turning the hearts of the children back to the Faith of the fathers at the time of the evening sacrifice; this one came at Evening-time, the Evening-Messenger, Elijah, to turn the hearts back the same way. This one preached against Jezebel's system and called seven thousand who didn't bow down their knees. He said in the Fourth Seal, he said: "And here, those that are going in the Rapture." God showed him a preview of the Bride, the way She was coming. That's the pattern.

When He gives you the pattern, He gives you the key. When He gives you the key, you could read the Word with understanding; you're not guessing. Because remember, there's nothing new under the sun. [Ecclesiastes 1:9 -Ed.] Anything that is happening here, in this Hour, it's somewhere in the Bible. I could go back but I would take that up on another day.

I can go back and type Seven Seals for you in Genesis, all the way to Nimrod and Abraham with the change of body and these Things. And I can type there were Seven Seals in the middle of the Bible with Nebuchadnezzar the same way, all the way to the kings of the East preparing the way, drying up the river Euphrates; come back there, the destruction of Babylon and all these

Things and prove it.

I was sitting down with a minister from Canada. You know, sometimes people have the... He didn't really say anything but, you know, I could have sensed. You know, sometimes people think, well, I go into things, and I do this and I maybe, say things. So I told the brother, I said, "Paul spoke Things hard to understand, but if you check the Bible sincerely, you'll find it. And you'll find that the only way I'm saying that is because the Prophet gave a key, and if you don't use the key he gave you, you'll never see anything; but he gave a key."

But you see, the thing with the Message, you don't know where to look, because if God isn't leading you in certain lines of Truth, it's not in your mind, so you don't know where to look; you'll read other Things. But some of us are called to speak on those Things, and so the Holy Spirit has to just direct you into the Word: "Look, It's here; look, It's here; look It's here."

That's why He opened Things like Seven Church Ages in Genesis, in the Old Testament; in the New Testament, the order of the Scriptures. That's why He opened the Seals in Genesis, in the middle of the Bible and in Revelation. Why? That gave you the key; that opened the Word; showed you the Trumpets here, showed it over here. Because all these Things started in the Word and came down through the Word.

Then you understand religion, you understand war (military), you understand economics, you understand communication in the world, you understand how the kingdom is built, how this is Satan's Eden, what we call the Eden of Satan. Then you could help people whose minds are trapped in the mind Age, when Satan is bringing in his mind through the fourth dimension. But Christ came down from the Seventh Dimension with the open Book to put His Mind inside of us, that by and through the members of the Bride He can work in union with the Body on the earth. That is what you are called for.

Take His Word in your heart today. Ask God, say, “Lord, write Your Laws in my heart; make these Things real for me. Lord, I want to be a witness. In this dark Hour, I want to be a witness. I don’t want to be a church member; I want to be a witness.” A witness is one who sees, one who experiences, one who knows.

He’ll come to you. “The world won’t see Me; you will see Me. I will come to you! I’ll make it real in your heart!”

Lily of the Valley, let Your sweet aroma fill my life. Don’t you want that; a sweet smelling savor of Christ? Rose of Sharon show me... Hallelujah!

Hallelujah. Oh, let’s worship Him a little bit, here. Shake off the tiredness.

[#198 - Songs That Live –Ed.]

*Lily of the valley,
... sweet aroma fill my life.
... Sharon show me
... in God’s sight.
Fairest of ten thousand,
... a reflection of Your ...*

Give me back that number again. You gave me a wrong number just now. [Bro. Vin asks for the number of the song from the songbook. –Ed.]

*... shine down on me,
Let Your Light shine through me in the night.*

Oh, sing it again. Lily of the Valley... That’s Jesus; sing to Him.

...aroma fill my life.

Oh, thank You, Lord.

Rose of Sharon show me... how to grow...

...in God’s sight.

Isn’t He the fairest of ten thousand? Draw Him close to you; pull Him into your heart, today. Open up yourself. Yield to Him!

Oh, Daystar...
*Daystar shine down on me,
Let Your Light shine through me
in the night.*

CHORUS

Oh, lead me, Lord.
*Lead me Lord, I'll follow
Everywhere...*

... you open up the door.

Oh, let me know Your wisdom!
Show me, Lord, show me!

... I've never seen ... [like You did today.]

Oh Lord, I want to be a witness. [I want to be counted.]

You can take what's wrong
and make it right.

Oh God, You are the Potter; I'm the clay. I submit to You.

Oh, Daystar...
Let Your Light...
...in the night.

Lord, I see a world...
Wounded by the master of deceit.
Oh my! Groping in the darkness,
Haunted by the years of past defeat;
But then I see You standing [unveiled],
Shining with compassion...

...in Your eyes.

Oh, Jesus...
Let Your Light today, Father...
... in the night.

Oh, would you follow Him today, from the depths of your heart, in full obedience?

Everywhere...
... You open up the door

Let me know Your wisdom;
Show me Things... [Mystery Truths]
... *never seen before.*
Lord, I want to be a witness,
Oh, You can take what's wrong...
Daystar...
Let Your Light shine...
...*in the night.*

Oh Lord, I see a world that's dying; not just a nation
but the whole world.

Wounded...
His name was called Death, and Hell followed him.
Groping in the darkness,
Haunted by the years of past defeat.
Oh, but in the midst of that darkness...
Then I see You standing...
Oh, go towards Him, today.
...*in Your eyes.*

He's looking down at you, friends. He's reaching out
His hand to you, today.

Let Your Light, Father; let Your shine, this Light of
your revealed Word, Father. Oh God, let us walk in this
Light, this beautiful Light; let It shine round about us;
let It cleanse us from all sin. If we walk in the Light as
You are in the Light; let It bring us into a fellowship, a
Divine fellowship with You, Lord. Oh, let this great,
Divine wisdom that comes from Above, oh, that we
might know how to go, how to work, how to follow, in
this Hour; we might know clearly what Your will is.

Oh, let Your Light, the Light of this glorious Gospel,
shine into our hearts with the Light of the knowledge of
the glory of God, in the face of Jesus Christ.

Oh, let's just sing one more: *Jesus I love you so, and
I want You to know, what You've done for me is not in
vain.* [#2 - Songs That Live -Ed.]

Friends, you want to know Him; you want to know
Him in a real way. You don't just want to look at the

picture of the Hoffman and say, "That's Jesus." [Hoffman's head of Christ -Ed.] Let Christ, the Mystery of God, be revealed to you from His own Word. Any man claiming to know Christ apart from His Word is barren of life as is a sterile eunuch.

Let's know Him, today. Let's love Him, today. When You love the Word, you love God, because God is that Word. Hallelujah! God and His Word are the same. He was the Word that became flesh so He could die for you; share His Life with us. But he says, "It's not a man you are feeding on; it's the unfailing Body-Word of the Son of man in this Hour."

Oh, I know a Man. Do you know this Man Who is like no other man; this One that goes with the Church, in this Hour; this Man Who walked out of that Pillar of Fire; this One that opened the Bible to the Prophet and showed him his name, broke the seals on the book of his life; caused him to see what God had made him in Christ; this One that lead him and directed him; this One that taught him how to overcome, taught him the tricks of the enemy so he could recognize the devil at all his tricks?

Don't you want to know this Man Who is like no other man? He died to save this world from sin. And I'll dedicate my life to serving Him; He died so I could live. How many want to dedicate their life to serving Him today, in this final Hour?

We've had many years of church but we are in the final Hour, friends. Now, you want to walk a little closer. Now, you want to lay aside things that you have been carrying a long time that only kept you back, so you could come a little closer to Him, today. Lay it aside. Don't put it and let it be something like an obstacle between you and the Lord becoming closer. He wants to come closer but there are things there. If you can move it, He could come in a greater way, in your life.

Just start with the chorus: *Jesus, I love you so.* It's a

love thing, friends. If you don't love Him, you could have knowledge about Him; it wouldn't help too much. But if you love Him...if you love Him, you want to give your life to Him. If you love Him, it's because you know He first loved you; not because He gave you this and gave you that. He became sin that we could become the righteousness of God.

He's expecting us to recognize that He has rights of ownership over us; that we are not our own, we are bought with a price. He paid a debt He did not owe. We owed that debt we could not pay.

Why don't you tonight—this evening here, take it into consideration as we worship Him in this song and bring an end to the service.

You find a place in your heart that you want to know: "Lord, I want to walk a little closer. I want to understand these Things. I want You to be real in my life. I want to have a true, clear vision of the time I'm living in and what is happening around me. I want to take my place in His Kingdom."

I'm sure He'll respond to a prayer like that, today. You'll be asking according to His will, in the line that His Word has spoken to us, showing us this Hour, showing us where we're at and what is left to be fulfilled in God's Bride. That's why you are here. He has called you.

And Jesus, I love You so
...I love You so,
And I want You to know,
What You've done for me is not in vain,
And I will stake my claim,
Stake that claim, today. Stake that claim.
Oh, how I love, I love You so.

I know a Man...

He's been made known to us this Day, the Man Christ Jesus; that Man Who came down in Revelation 10.

And I'll dedicate my life... Do it today.
...to serving Him,

...so I could live.

CHORUS

What You've done for me,

Hallelujah!

...on Your Holy Name.

Oh, think about it.

And when I think of how You took my place,

I marvel...

Let that Love be shed abroad in your heart, today. He wants to do that for you. Recognize what He has done for you and respond in the affirmative to Him. Be honest with yourself in His Presence.

What You've done for me, Lord...

Come to a real recognition of what He has done for you, today. If you really see it, you would wish you had a million lives, to give everyone to Him.

...I love You so.

One more time. And Jesus, I love You so,

And I want You to know...

... on Your Holy Name.

Oh, how I love, I love You so.

Oh, how I love...

Oh, let's really mean that from the bottom of our hearts, because He knows if we don't.

Oh, how I love, I love You so.

As we bow our hearts in His Presence, think of what He's done for us. Faith works by Love. Faith comes by hearing and by hearing the Word, but It works by love; to know He loves you. He gave His Son to be the propitiation of our sins, to remove every obstacle to the fellowship that He desires; tearing the middle wall of partition and bringing us to His restored favor; gave us the breast and the right shoulder of the Lamb: the Love and the Power. This was the Peace Offering, slaying the enmity, bringing us into friendship, into all His

blessings and His restored favor, as though nothing ever happened; old things passed away, all things become new.

With our heads bowed, I'm going to call Bro. Samuel Johnson to come and pray; that God would lead him to pray. And I want to encourage you: this is the Hour you want to be real with God; you want to be true, you want to know He's first in your life. You have to make Him first. Nobody can do that for you; nobody can beat you into submitting to do that. His Love shed abroad in your heart; your faith in His Word; His unfailing Words of promise—watch the type: Ruth said, "Spread your skirt over me."

He said, "It is true, I am thy near kinsman. All that thou requirest of me, that will I do. Fear not, all that thou requirest of me, that will I do."

What a little scene there, to see His Love, that tenderness, that desire to do for us that which only a kinsman who is related, willing and able can do. He wants to do that. We, in our own selves, we, in this condition, we can't get ourselves out. But this is why there's a law of redemption. This is why there's a role and function of the Goel, and He became our Kinsman.

He loved her. He took her to be his wife. He made her debt-free. He raised her up and magnified her to such a glorious position, to be at his side.

This is what He's doing for us in this Hour. Let's see this. This is what it means. All of what is coming on this earth, He's fixing to move His Bride out, in this Hour. Let's recognize it, friends. Receive these Things. These Sayings are faithful and true.

You desire in your heart that God will make this real to you. It might have eluded you down through these years, but the Hour is here; you want to have confidence, you want to see it, you want it real, you want to know the Spirit pulsates within your bosom that you are a witness; a true witness with a true testimony, in this Hour.

May God bless you today and give to you what you are desiring of Him, as you surrender your life, as our brother would lead us in prayer, that we could walk a little closer as we leave this place, today.

[Elder Samuel Johnson prays -Ed.]

Could we lift our hands to the Lord and say, “Thank You, Jesus”? Thank You, Jesus. Thank You, Lord Jesus. Thank You, Lord. Oh, why don’t you turn around and greet each other. God bless you.

Certainly appreciate your patience today and your willingness to extend yourself a little bit, a little extra. Sometimes, you know, like this, you don’t want to break it; and thank you very much for that, by God’s grace.

If anybody needs a special prayer, we have the ministers. If a couple of them could come up to the front, so that if there’s anybody that would like to be prayed for. I see we have a sister here as well—if there are others, by God’s grace. Amen. Praise the Lord.

The song leader comes, amen. Praise His wonderful Name. Thank You, Lord.

Take this opportunity, saints. We know God spoke to your hearts and you are in a little place that you need some strength; this is the time. Fill up, right here, by the grace of God. God bless you and be with you.

Don’t delay; just come up if you have that desire, by God’s grace. Go home strong, go home without any questions in your mind. You’re a little weak in different places, let God, through His servants, release that faith into your heart. Let the prayer of faith... Don’t let it be long and drawn out; just let the prayer of faith go down there. You come believing too, so you know...

Bro. Sammy, you all come and help pray for these, by God’s grace.

[Congregation sings, I’ll Walk Closer: #901- Songs That Live; as the saints are prayed for -Ed.]

Come on quickly, brothers, you come and help here, by God’s grace.

Remember, if two shall agree upon touching

anything... [Matthew 18:19 -Ed.] Come with faith, come with agreement in the Spirit. Agree together upon God's Word, then the prayer of faith, just let it go forth, by God's grace. Expect to receive as you come, by God's grace. This is the time God wants to give it to you more than you desire it. We all need a brand new touch. Let the Spirit of God release it to you.

Brothers, just start to pray short and with faith; you'll get this moving rather than just have the people pile up here. Amen. Come.

Calling me... Hallelujah.

[Bro. Vin and the ministers continue praying for the people. -Ed.]
