FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

We know our God is the true Creator. He loves us. He is the One Who laid down His life for us. And that's why He gave us a Message in this Hour to awaken us, to sensitize us, to anoint our eyes so we can see clearly; to strengthen us in our principles, in our conviction, where you'll say, "I will not do that. I will not do that. My body is the temple of God." Hallelujah!

You have conviction. You have principles. Without conviction and principles, you have nothing! Hallelujah! What do you stand for? What do you believe? Will a little money make you sacrifice your principles? Will some popularity make you a compromising person? What are you standing for? [Page14]

God stands by His people who stands for Him. If you're willing to stand for Him, He'll stand for you. In that day shall Michael stand and deliver the names found written in the Book. [Page 17]

[#158 - Songs That Live -Ed.]

...the joy of my salvation,

And renew a right spirit within me.

Hallelujah!

...spirit within me.

Praise His wonderful Name. We just sang our prayer. Amen. Glory be to God. When God can put something in our hearts to ask for something like that, He's a Creator. He's the only One Who can create. And when we sing "*Create in me a clean heart,*" we are praying according to His Word. He said, "I will take away the stony heart from you and I will give you a new heart, (hallelujah!) I will give you a new spirit and I will put My Spirit within you and I will cause you to walk in My commandments." [Ezekiel 36:26-27 -Ed.]

All that it takes for us to walk in His Word, in union with Him that He can fulfil His will in our lives, He promised to give us these things. Because 'fellowship' is two of the same kind and if God is to have fellowship with us, we must have a nature like Him. Because two cannot walk together except they first be agreed. And in this Hour of the Rapture, just like Enoch, Enoch walked with God. Enoch walked with God and he was not, for God took him. And he had this testimony that he pleased God, before he was translated.

What an Hour we can walk with God, in union with Him; this uniting time when the Head and the Body is being united together. Jesus prayed, "Father, that they may be one as I and You are one." Do you believe that

prayer will be answered? He was God in the flesh. He was the Word. He came down and died to make a sacrifice so man and God—man can be reconciled to God. And He said, “In that day you will know as I was in the Father and the Father in me, so I in you and You in me.” [St. John 17:23 -Ed.] This great oneness that was broken between God and man in the Garden of Eden, was to be re-established in these last days.

Marriage is a union where two becomes one, and what God has joined together, let not man put asunder. And marriage is a mystery of Christ and His Church. And this is the Hour the Marriage of the Lamb is come and His Wife hath made Herself ready. And in Matthew 25, He gave the parable, speaking of this Message: “At midnight there was a cry, (a Voice announcing the coming of the Bridegroom,) ‘Behold, the Bridegroom cometh! Go ye out to meet Him!’”

He was not coming in the system. “Go ye out to meet Him!” There was one (hallelujah) in that midnight Hour who saw the Lord descending from Heaven; saw this Mighty One coming down and he could proclaim, “Behold, the Bridegroom cometh!” And they that had the Oil, they that were ready, went in with the Bridegroom and the door was shut. Many were caught without the Oil; they fell asleep. And when that Voice awakened them, it was then they began to think of the requirement to go in with the Bridegroom. But they that were ready! The Bride hath made Herself ready. The Message is to show us how to prepare. That’s right.

It is a great Hour. It is a wonderful privilege once again to be here in the service for the Lord, to be a blessing to you; something to provoke you to love and good works; to stand at the side of God’s servant, the angel to this church, the one that God set here. Amen. And knowing his burden, I know my role here. Amen. The Bible says, “One sows and one waters.” So, I just came to water a few seeds here today – things that have been taught to you; things that were taught to us by the

Prophet. And I know he is one that believes what the Prophet said. He takes it sincerely. He tries to walk in the way it was given to us. I've noticed this for years. That's right.

And God bless you, when God can give you someone to be a shepherd. Amen. Like Aaron and Hur, lifting up the hands of Moses, may you lift up the hand of the ministry! And like the people rallied around Solomon because they recognized, God so loved them, He gave them a gift like that, and so, it brought them into the Golden Age.

Moses with all those things, couldn't bring them into a Golden Age. Elijah with all the shutting of the heavens and doing all the miracles, never brought them to a Golden Age. Out of millions, he only got seven thousand. Out of two and a half million who Moses brought out, only two of the original group went in. But under Solomon, all the kings of the earth came to see the glory of God in Jerusalem; to see—to hear the wisdom of Solomon. The Queen of the South came from the uttermost part of the earth, and when she came she said, "The half has not yet been told."

This is what God can do with a people, who look at the Scripture, who see what is required of a people to come into that kind of atmosphere and to have the Spirit of humility and submission to believe in them whom God has given to them. Amen.

You don't spend twenty years still trying to figure out if he is a man of God. You come to church a few times, you listen, you look around and you go home and you check it in the Bible and you realize, "There in that church, in that place, the Presence of God is among those people." Hallelujah! And then you come and you look and see, "What can I do (amen) to help this cause?" I don't just want to come and sit down; I want to come and be involved because I believe. Amen.

Praise His wonderful Name. I feel good here. I feel the Holy Spirit is here amongst us. We can't pray

enough. Let's pray one more time. If you have a request, you believe.

Beloved Jesus, with thanksgiving in our hearts we sense Your nearness and, dear God, it lifts the expectation in our hearts. We all desire this. And when we can feel You close to us, we know the One Who is able to supply our every need is right amongst us. Speak right to our hearts Lord; let faith raise on the inside. Bring such an awareness in the hearts of Your people as that Spirit of wisdom and revelation in the knowledge of Jesus Christ comes down upon them, and let the eyes of their understanding be enlightened.

We need that in this Hour. It's a dark Hour. And Lord, how we pray that You will make the Scriptures so simple. Open the Scriptures to us, open our understanding that we might understand the Scriptures and increase the faith of Your children. And may that faith bring them to the Power of God, and may that power produce everything they lack and have need of in their lives! Do it for us, Lord. We believe! We receive, for we ask it in the Name of the Lord Jesus Christ. And Father, we thank You because we believe You will grant it. Thank You, Jesus. Amen.

Praise His wonderful Name. Hallelujah. So, I will like to invite your attention quickly to the Book of Revelation chapter 13. Praise the Lord. Revelation chapter 13. This is—some of these things can be deep but God can make it simple. Amen. But this is one of the most important Scriptures in the Book of Revelation and this is something that's very necessary that we understand in this Hour especially coming after the election. [U.S.A. 2016 Presidential Elections –Ed.] Revelation 13, let's read. It speaks about two beasts here.

¹ And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

² And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

The revelation of this beast is locked up in the description here: it was a beast like a leopard, his feet was like a bear; his mouth as a mouth of a lion. Any Bible reader who has read in the Book of Daniel, knows about the four kingdoms. Babylon, that was like a lion. Medes and Persia was like a bear. Greece was like a leopard. And when John was writing this, Rome was the ruling power on the earth, that fourth Beast. And John was seeing this same Beast but it was like a composite beast. Those first three is what made up this fourth one. And so, he said:

³ And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

The world still wonders after that Beast but the Message of the Hour has come to awaken us concerning this Beast.

⁴ And they worshipped the dragon which gave power unto the beast...

Watch the word 'worship'. Only God should be worshipped. So, this is the whole world who wondered after the Beast and is worshipping the Beast. Even as we speak this morning, many churches throughout the length and breadth of this great continent, from Catholics to Pentecostals, are not worshipping God in Spirit and Truth; are not worshipping God in Spirit and Truth because they have rejected the Truth. That's right.

...and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

This Beast has opened his mouth in blasphemy against God. They blaspheme God's Name, the Name of the Lord Jesus Christ. They love titles, they don't like the Name. They sprinkle people in Father, Son and Holy Ghost, but there is no other name given under Heaven whereby a man can be saved other than the Name of the Lord Jesus Christ.

...and his tabernacle, and them that dwell in heaven.

7 And it was given unto him to make war with the saints, and to overcome them...

All of this is given by the permissive will of God to make war with the saints. That's right. One time they killed sixty-eight million in the Dark Ages, burnt the Bibles; gave the people the prayer books. That's right. Watch this system.

...and power was given him over all kindreds, and tongues, and nations.

Whether it's little islands or great nations, first world nations, third world nations, you'll find that power over those nations. They could help Haiti if they want to, in the morning, but they leave it like that because those people have a history. They had revolted against their slave masters, so they keep them like an example. They put their foot on their neck and they keep them there. That's right. Yet all those billions and billions of dollars goes into making bombs and all kinds of different things. That's right.

8 And all that dwell upon the earth shall worship him, whose names [were] not

*written in the book of life of the Lamb slain
from the foundation of the world.*

He's going to control the whole earth and they will worship him; not God. They'll worship him because he deceived the world.

May the Lord bless the reading of His Word! You may have your seat. You keep your Bibles open. Amen. Let's continue to read. Now from verse 1 to verse 8, we see the first beast that came out of the sea. The second beast comes out of the earth but between the beast of the sea and the beast of the earth, two verses are given here. These two verses connect these two beasts. Look how it reads.

⁹ If any man have an ear, let him hear.

¹⁰ He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.

What does this verse means? Why is it put between these two beasts?

¹⁰ He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword...

Because these two powers, when we know their identity very clearly, we will see how they lead people into captivity: political captivity, economic captivity; religious captivity. They hold them in bondage. They kill them with the sword. And so, the Lord is saying, "These two beasts who kill with the..." 'Sword' is a military symbol. Like a red horse going forth with a sword, taking peace from the earth. These two wicked powers: one is Rome, one is the United States of America. This is the prophecy. This is the Book. Heaven and earth will pass away. Watch the history of the Roman church, watch how they destroyed so many in the Dark Ages.

How did this nation become a nation? People were fleeing Catholic persecution in Europe to come here.

Yet this nation today is the voice of that first one. That is the prophecy. And this nation will force the whole earth to worship that Beast. And the Hour that we are living in and what is coming on this nation, is why it is necessary for times like these when these things must be brought to our attention and we can look into God's Word and see what has been spoken. Listen carefully today. We'll try to be brief but we desire to be very explicit so you can see what we are talking about.

So, Jesus is saying here:

...Here is the patience and the faith of the saints.

“Vengeance is Mine, saith the Lord; I will repay.” He has seen what they have done on the earth. He said, “But the time is coming, I will avenge you.” You just be patient; you just wait. You believe He is a righteous God. He will recompense. Hallelujah! In Revelation 18 when He destroys that power, the saints begin to sing in Heaven: “Thou has avenged us of our blood.” That’s right. Because in her was found the blood of the saints and the martyrs of Jesus Christ. And the Bible says, “Strong is the Lord that judgeth her; her sins have come up into Heaven.”

That’s why in this Hour the Message is, “Come out of her My people; be not partakers of her sins! Give to her double what she gave to the people. That’s right. God has brought this woman now under consideration for judgment and He sent a Prophet who said, “Come I will show you the judgment of the great whore,” Revelation 17:1, when he was revealing that system.

But now, we go to the next beast in this chapter. The 13th chapter of Revelation shows us two beasts and the very destiny of this nation, the Prophet said, is found in this chapter. When she started she had thirteen States; thirteen stars, thirteen stripes on their flag. That’s right. And he said, “Here she is found in the very 13th chapter of Revelation.” And he talked about when the Pope had come to this country back in 1964, how he

made thirteen steps. 'Foot' speaks of possession. That's right. Everything they do because this is how they are deceiving this world and we must know these things in this Hour. Because when you see these things coming to pass, look up, your Redemption draweth nigh.

Sometimes, you don't understand everything that is happening because maybe sometimes, you don't read the Word enough. Maybe when you think about life, you think about maybe advancement in the society. You see yourself like you're in a land of opportunity and the car you could have never gotten, you see it's reachable; like you can get this car now. "I could own a good house now."

You know we, poor people, we think this way because we are from this little Third World country. We were colonized by the industrialized nations. So, when we walk in this country and we see how big it is, and we see so many opportunities, and we see, you know, it's like we can advance ourselves here, sometimes we fail to see, that's a trap of the enemy.

You see, seek first the Kingdom of God. God will give you all what you need: to eat, to live, to move, to take care of your children; He will give it to you. These things are not sins in that sense, but when these things begin to blind you and you're laboring and some of the jobs you're getting, they're working you because you are an immigrant, by the time you come to church in the night, you are tired; you can't listen to the Word.

What is exodus? The children of Israel were crying out to God because they were oppressed by Pharaoh and his system; making them labor. The taskmasters were working them, breaking their spirit. They were slaving to make two ends meet. But don't get to that place. Amen. Keep your eyes in the Word of God. Hallelujah. Because the Hour is coming, you wouldn't be able to buy or sell. You don't want to labor for meat

that perisheth. You don't want to trust in uncertain riches.

God is speaking to this church, the U.S.A. church, the American church, the Laodicean church. He said, "You're rich and increased with goods and you say you have need of nothing." He said, "But I say you are poor, you're blind, you're wretched, you're naked." He said, "Do you want to be rich? Come and buy of Me gold tried in the Fire."

So, God's people in this Hour have to be wise. And you need to have that balance because your body is the temple of the God. You are called to serve God, trust God, put God first, live under the leadership of God, knowing He rules in the affairs of man. He can take care of you. He will take care of you. He said, "Consider the birds, they neither toil nor spin—they neither sow nor gather in barns. [Luke 12:24 -Ed.] Consider the lily of the field; they neither toil nor spin, but Solomon in all his glory, was not arrayed like one of these!" [Luke 12:27 - Ed.] Hallelujah!

So, this is a great thing! We trust God. He said, "I feed the birds every day." Don't worry about what you are going to eat and worry about these things. Sufficient is the evil of the day. Don't start to live for tomorrow and you are not overcoming the evils of the day here. Because God put you in the world to be the light of the world and the salt of the earth.

But if you are out there laboring in the 'rat race' [a way of life in which people are caught up in a fiercely competitive struggle for wealth or power -Ed.] and everything and the salt begins to lose its savor; their salt begins to lose the saltiness, then when people meet you, being in contact with you doesn't make them thirsty. Salt creates a thirst. Anything salty you eat, you want to drink something. And Jesus said, "Be salty." So, people who come in contact with you are going to be thirsty for what you have. But if the salt lose the saltiness, if that anointing of the Spirit comes

out of your life, what is going to be your circumstance? Amen.

So, you want to strive knowing, God is faithful. He said, "I have it covered. I have your food, your clothes and your shelter covered." Hallelujah! He said, "You trust Me; let Me lead you. I know how to bring it to you. I know when to bring it to you. I am interested in your faith right now. I am interested in your obedience. I have a plan for your life; don't let the devil make a plan for you."

Don't let some industry, don't let some type of business in the world... Somebody sees you and know that they could use you to advance their own business, and you're submitting yourself and you're giving all your strength to that. God said, "Love the Lord with all your heart, all your mind, all your soul and all your strength, (hallelujah!) and seek first the Kingdom and I will take care of it."

He said, "Remember, I fed two and a half million people in the wilderness. I brought water out of a rock for them and their children and their camels and their cattle." He said, "Remember when there was no hospital there, I was healing them." Hallelujah! "When there was no bakery, I was sending down food from Heaven!" God is saying, "Have I changed? Am I not the same yesterday, today and forever? Don't I take care of My children? Can My children believe in Me?" He said "I am Jehovah-Jireh! I am Jehovah-Rapha! I am Jehovah-Nissi! I will fight your battles!" Hallelujah!

"When the enemy comes to oppress you, one will put a thousand to flight and two will put ten thousand. You wouldn't have to be running in the pharmacy to get things to stabilize your mind and, you know, tranquilizers and all these things." God said, "I have that provided. When you come in the house of God and the Spirit of God begins to move, when you come to worship Me, I will pour out My Spirit. I will give you My Word; I will lift you up into Heavenly places. I will hold

you with a firm hand that nobody can pluck you out of My hand! I will take care of all your needs. Don't worry about the children; I will take care of them because I gave them to you. You are a family serving me. I will try you, I will test you but I will not forsake you; I will be faithful to you. I will supply your needs. Walk with Me in this evil world. I am still the Good Shepherd." Hallelujah!

"I am your Shield. I am your Protection!" Glory be to God. "You don't have to spend all your money on burglar proof and camera and all these things to save you. Lo, I am with you always." Hallelujah! He that keepeth Israel never slumbers nor sleeps. And as the mountains are around Jerusalem, so the Lord is around His people. Amen.

When we get under the oppression and the mind gets weary, and the pressure on the job, and the pressure in the home and our economic situation; we come under the oppression, it is the devil doing that. Hallelujah! It's the devil doing that. But God He—you don't have to be running fanatic everywhere. You can say, "Lord, You promised You will be here. You see what is happening on the job. You gave me this job and if you want to take it away, the Lord giveth and the Lord taketh away; blessed be the Name of the Lord, because You are more than able to give me one better. And if you want me to serve you to be a witness for you and my work here is over and you are sending me to another place to be a witness over there, then Lord, You are my God; I just want to be obedient. Where You lead me I will follow."

This is what this Message is bringing us to live – in God's provided way. There's a way that seems right unto a man but Jesus said, "I am *the* Way." Trust in the Lord with all thine heart and lean not to thine own understanding but in all thy ways acknowledge Him, acknowledge Him, acknowledge Him, acknowledge Him and He shall direct your paths! Because you want God's will for your life! You don't want to trust in your ability.

It is not him that willeth, it is not him that runneth. It is not by your might or by your power; it is by My Spirit saith the Lord. Hallelujah!

God is calling us to walk in a higher realm because these two beasts have changed the world. These two beasts have taken control of the nations, and these two beasts, their objective and their intent is, that the whole world must worship the Beast. They already took the Ten Commandments out of the schools. They brought their legislation for same-sex marriage. These schools are teaching this; the new school books for the children.

For years ago, they brought out the toys: monsters with tails, six heads. They started to bring out the movies and the cartoons and they are putting all these images. And the little 'barbie' doll painting up herself, so the young girls growing up want to be a sex goddess. That's right. And people are taking their children and putting them in day-care because they don't have time to mother their children; they are working.

This is the kind of civilization the Beast is creating. This is what Pharaoh had in Egypt. This is what Nebuchadnezzar had in Babylon. They began to bring the king's meat for Daniel and them but they refused the king's meat (hallelujah!) because they knew this was to weaken them, this was to hybridize them; this was to make them compromise with their values. Understand!

Satan is very deceptive through radio—through television and the Internet: what you're seeing and what you're hearing. Through the electronic media, all the filth of the enemy is pouring in, (that's right) and it is a blast gripping the minds of little children, of young people. Things that you didn't know when you were forty and fifty growing up, those ten year old children are doing that already. They know all of this already.

Because this is the society! That's why it's called Satan's Eden! It's an Eden of death! It is not the Tree of Life in the midst of this garden. It is the 'Tree' of knowledge of good and evil. They live by Lucifer's

wisdom. That is why we are separated from it. God's Word has called us to a total separation from all unbelief. God's Word calls us to go beyond the camp, that evil camp where they worship the Beast. Hallelujah!

We know our God is the true Creator. He loves us. He is the One Who laid down His life for us. And that's why He gave us a Message in this Hour to awaken us, to sensitize us, to anoint our eyes so we can see clearly; to strengthen us in our principles, in our conviction, where you'll say, "I will not do that. I will not do that. My body is the temple of God." Hallelujah!

You have conviction. You have principles. Without conviction and principles, you have nothing! Hallelujah! What do you stand for? What do you believe? Will a little money make you sacrifice your principles? Will some popularity make you a compromising person? What are you standing for?

He wants to give you the lust of the eyes, the lust of the flesh; the pride of life. That's right. He wants to make you into a species to worship him through religion, through entertainment; through the educational system. He wants to break down your values, take away your conviction; make you feel that you are some kind of fanatic just trying to obey the Bible. That is the very same thing he did to Eve in the Garden of Eden. That's right!

But God said, "In this Hour, I will have a people. I will have a church that will stand for the Word. I will be among them; I will live in them. I will walk in them. I will be their God; they shall be My people!" Oh my! And that is why we are thankful for this.

You watch them on radio and T.V, you see all those Pentecostal Ministers, all kind of schemes on the people; no Word. They don't preach against sin. That's right. They are only preaching about money, driving their private jet, fooling the people: "God will give you a Mercedes Benz. He will give you a washing machine,

God will give you a big job. This time next year, you'll have a big house." It is lies, lies, lies!

God didn't put you on earth for that. Seek first the Kingdom – the Word of God made Spirit and Life in you, that you are a written epistle read of all men. When they take the Bible and they look at your life through the Bible, they will see whether you're real or you're false, whether you're pretending; whether it is just an image or whether you have conviction. Hallelujah! Be real from the inside! Tell the devil he is a liar. Push him back. Take your stand for Christ and His Word!

If you think this world is so nice, you think this world is so wonderful, read your Age: Revelation 3 verse 20, Christ is put out of the church and the man of sin is being exalted. And the whole world who refused to worship Christ, is going after the Beast.

Because he is in the Vatican, he told them, "Put same-sex marriage into legislation."

And when they ask him, "So what do you think about homosexuality?"

"I am not here to judge," he said. "We have a lot of good people. Athletes, we're going to use them as sports ambassadors. We have a lot of people who pack stadiums; 200,000 people. Rock singers, we're going to use them; they could bring a crowd. They will bring them to Catholicism. We are going to use them and put them out there."

Look how different God's Own is: you have to be justified, sanctified, get filled with the Holy Ghost, be sealed into Christ, then God is sending you to make another one like yourself. That's right.

That is not a role model out there, that is the way of the world. That is how they are deceiving the masses. They sing a little Gospel song, say, "I love Jesus and Jesus is my life," and you say—you watch that voice in that music and say, "Oh my, that is good." What kind of life are they are living? What is their conviction? After they walk out of the recording studio, then you

find out that was only a marketing decision for them to increase their wealth; to pull more Christians in their direction.

Have discernment. Wake up; recognize the Hour. Be able to tell the difference between right and wrong, between good and evil; between God and Satan!

Watch here. [Bro. Vin points to his Bible –Ed.] The first beast, they're leading to captivity; they're going into captivity. He's going to shut up the devil for a thousand years then loose him and then throw him in hell with all his angels and put them out of existence. That's right. Revelation 19, when Christ came down, a Sword was coming out of His mouth and He was smiting the Beast and the kings of the earth with the Sword, with the Word. That's right! Hallelujah! The same Word, like Elijah, could shut the heavens, call for fire and burn up those fifty prophets. That's right.

This same way God can do these things by a Spoken Word. The same way Moses called for fleas and frogs; spoke, "Every firstborn of Egypt will die." By the Word! That was God's Word in the mouth of a prophet bringing deliverance for the Elect who will worship the Lamb; put them under the shed blood of a slain lamb because it was speaking of Christ, the Lamb, Who died for us. But all who wanted to worship Ra, the sun god, and worship the Nile, He brought plagues on them; filled the land with plagues and showed that, that is no god.

All these things were shadows and types of this last Day. When this kingdom—these two beasts have conspired to deceive the whole world, to deceive the nations; to control them. And if they don't worship them, they can't buy, they can't sell. And then, if that doesn't weaken them enough to bow to the image, then those who don't bow to the image, he will kill them, the Bible says.

You say, "That can't come"? That was in Genesis under Nimrod in the beginning of the Bible, king of Babylon. That was under Nebuchadnezzar in the

middle of the Bible in the Old Testament when Shadrach, Meshach and Abednego was forced to bow but they kept themselves undefiled.

They lived in Babylon but they proved they were not of Babylon. Daniel would open that window three times a day, look to Jerusalem and begin to pray, and when they threw him in the lion's den, the Angel of God was there. When they threw the Hebrew boys in the fiery furnace, the Angel of God was there – the fourth Man in the fire. They said, “We threw in three. How is it there are four?”

God stands by His people who stands for Him. If you're willing to stand for Him, He'll stand for you. In that day shall Michael stand and deliver the names found written in the Book. That's why you want to know if your name is in there, to see the characteristic of a true believer and what we are called unto in this Hour, when there is another Babylon, mystery Babylon, the mother of *all*, not some, *all* abominations.

It is she who has a twenty-four hour pornography channel. It is she who has twenty-four hour sports, twenty-four hour fashion shows. That's right. She has drunken the nations. She is capturing their minds. She's got them looking into that tube and being hypnotized. Satan is called the prince of the power of the air because your cell phone, iPad, Internet, camera, everything, he can use that. God can use it for good too. Just like you, when God gets in your life, He uses you for good; when Satan gets in your life, he uses you for evil. Of course!

That is why we stand before the two Trees: the 'Tree' of knowledge of good and evil, Satan, or the Tree of Life, Jesus Christ. It is either—It is only two ways: Life and death; Truth and error. That's right. God or Satan! And this great battle is being fought in the mind. The mind is the battleground. And Satan is bringing everything. Amen. But Christ is bringing His Word also, even now this morning into your thinking, to lift

your thinking up on another level to recognize the devil at his tricks, trying to exploit and manipulate God's people.

That is coming from the Beast. It is a world designed to hold man here in the five senses. "Do you want fashion? I'll give you fashion. Do you want joy? I'll give you joy." He can only give things to the old nature. [Bro. Vin indicates the body -Ed.] That's why he can only control people without the New Birth.

Because to get the New Birth, you have to come through justification, sanctification and the Holy Spirit, and then you're sealed in Christ; you can't come out. Amen. By one Spirit we are all baptized into Christ. And if Satan has to get at you, he will have to come through the same process. But he doesn't have the same Life like you. But those outside of Christ, he can make havoc with their minds.

Know this for a fact: it is a spirit of obsession. The darkness from beneath has come up. Hell has been opened but Heaven has been opened too and Christ has come down with the revealed Word. Hallelujah! Glory. It's only two heads; two kingdoms. But God... It is a great struggle. And if your name is in this Book, which I believe many of you, your name is in Here and it's a contest for you. And because you only have the first birth, he can manipulate you; you're leaning towards him. But something in you wants to go towards Christ.

Everything that you see on this earth: the nice motorcar, the nice house, all the nice buildings, all the fancy clothes, it came from the dust of the earth. It is material from the earth. They take leather from the cow, from the animals, animal skins and they make shoes. They take the cotton and all the different fibers and they make clothes. That's right.

Through automation in the industrial Age, they produce washing machines, dryers. Long ago the woman beat the clothes on the rock by the river, throw it over a branch of the tree, (that's right) but there's

automation in the industrialized Age. Long ago they had the old iron on the coal pot [a cooking device using charcoal -Ed.] with the coals. You go and break a... You put the iron and you heat the iron to iron the clothes. Today you just spray it and you iron.

You break the branch off the tree and you put it in the Klim [an empty milk tin -Ed.] pan or whatever it is on four stones and you're making your tea. But now, you push your trolley in the supermarket and you are getting a box off the shelf; the same tea you used to break a branch in your yard and throw it in your Klim pan. That's right. I know those days. I grew up like that! I saw my mother take the condensed milk tin, pour some hot water and shake it up to make sure everything came out.

But Satan through the technical evolution took the—put nice shoes, nice clothes. These are still things from the earth, and people get hypnotized. That is a perversion. He is taking things from God's creation because he cannot create, and he is using these things to influence you: "I'm giving you a better life. Don't you look nice in the mirror?" And you admire yourself. That is right. It's just a synthetic world. That is not reality. No, sir! That is a deception.

The Beast: these two beasts changed the world. They brought civilization to such a level, so you don't think about God anymore. When you think about God, it is because you kind of grew up in church or you know you need some help and they come in the church. But when they are on their work and the foreman or the boss in the office is passing around, oh, you want to keep busy because you want to keep that job.

And then you come in God's house and you are like this [Bro. Vin imitates a tired person -Ed.] because like there is no boss. You haven't realized... You've gotten so accustomed to responding and pretending for other people, you've forgotten about the reality, that God

knows our every thoughts; God knows everything about us.

And God wants to clean us up so that He can come in, in the fullness (hallelujah!) in this Hour, that your life, your revelation, your conviction, can influence somebody more than some pornographic thing. You can come in and you can tell somebody, "Possess your vessel in sanctification and honor." You can tell some young lady who wants to expose herself, you say, "Sister, don't be caught in this ignorance. Your body is not for that. You're just influenced by the fourth dimension. Your body is a temple."

God doesn't dwell in tabernacles made with hands. Think of yourself as a temple of God. Get your thoughts aligned with God's thoughts and watch the same Holy Ghost that came upon Mary and Martha and them in the upper room and had them prophesying in the Spirit, worshipping God, that same Spirit will come upon His daughters today. Did He say it in the Bible? "I will pour out My Spirit upon My sons and upon My daughters. The young men will see visions, the old men will dream dreams and My handmaidens will prophesy." [Joel 2:28 Ed.] That's right.

Be not conformed to this world but be transformed by the renewing of your mind. [Romans 12:2 -Ed.] Get the eyesalve of the Word, so your eyes can become anointed. Recognize the tricks of the enemy to manipulate your thinking, to exploit you, to seduce you, to entice you and lead you away from the Word of God! Know this for a surety – the only thing Satan cannot battle is the Word of God. That's why God gave us the Word. That is why God gave us the Word. As long as you stay behind the Word, you can overcome.

But remember, the devil studies you. He isn't studying those out there; he has them already. He sees you going to church. He sees you testifying on the job. He is getting reports, "Yes, they have a church down there in Miami called Eagle's Temple."

He says, “Eagle’s Temple? Well, I going to make them buzzards. I’m going to make them ‘corbeaux’ temple.”
[A vulture –Ed.]

And when he makes an invasion, who is going to stand? You want to say, “I want to stand. I am going to stand because I am an Eagle. And here is Eagle’s Temple and we will be Eagles and we refuse to compromise because we are not hawks, we are not chickens, we are not corbeaux, (amen) we are Eagles and Eagles are born to fly; eagles are born to fly.” And God will give us a true revival here.

We don’t want to be people just when they’re playing the music and we get in the rhythm and we are jumping around. And when we get the Word, we get like this.
[Bro. Vin imitates stiffness –Ed.] When we get the Word, we get like... No! Open your heart and let the Word come in! Hallelujah! Because faith comes by hearing and hearing by the Word. That is right! Your dancing might come by the music; you might become a good dancer but do you have good faith? When sickness comes, when battles come, when temptation and trials come, (that’s right!) you want to have faith, substance faith! Hallelujah! Glory.

These two beasts we are talking about this morning, that first Beast... I’m breaking down things to show you how they are worshipping the Beast. That Beast is Satan (that’s right) working through the false vine. And the same way there is a false church, God has a true church. And that is the Spirit of God working through the members, a living organism.

This is the right place to put this there, Psalms 133. And this is a word of advice: Psalms 133, “How good and pleasant it is for brethren to dwell together in unity! It is like the ointment that was poured upon Aaron’s head, ran down his beard, even to the hem of the garment.” Are you catching this? What was David doing? Describing the unity – how blessed it is. The unity is

like the ointment that is poured on the Head and runs down the Body.

Today you go in churches and you are seeing five or six different spirits in the church. Deacons have their own spirit, trustees have their own spirit; the song leader has his own spirit. Everybody feels they are an independent leader in the house of God.

We have to know Bible principle. Let me show you in the Word. The unity is like ointment; it's poured on the Head first. Then that same ointment runs down the beard, runs down the neck, down the chest; runs down because in God's Church, there is One Spirit. One Body, one Church, one Spirit! The same Spirit on the Head is the same Spirit on the chest, same Spirit on the hand, same Spirit on the foot – the unity of the One God in the one church. Not everybody has their own thing. No, no, no, no, no! Every member is connected to the Head. Christ is the Head and Christ has an earthly angel – the angel of the church.

Now catch this now. Let me give you some more Bible for that. God took the Spirit off of Moses and put It on seventy elders. That's right. The work was too great for Moses alone. But God was bringing the anointing on Moses, on the ones to help Moses. Then God put that same Spirit on Joshua. The same Spirit was on Elijah. God took It off of Elijah and put It on Elisha, not another spirit. If he had to be—for him to be the continuation, God had to get the same Spirit.

Then God took the Spirit off of Jesus and put It on the twelve apostles; put It upon the early church, the Alpha Bride. That's right. *By one Spirit*: Paul taught Ephesians, 1st Corinthians. [1st Corinthians 12:13 and Ephesians 2:18 –Ed.] Then in this last days, the Spirit that was on the Prophet is on the Bride. Revelation 22:17 says, “And the Spirit and the Bride.” What the Spirit said in the Prophet, the same Spirit will say the same thing in the Bride. There is no deviation. Do you want a blessed church? It is not a day of judges where

everybody is doing what is right in their own eyes. Understand that.

Sometimes people come out with little denominational spirits, the way they were doing things in Egypt. And then they come into an assembly and they sit there and they begin to watch this and watch that and they find that shouldn't be so and they find this over here. Wherever they go, they are carrying that complaining spirit, before they get their thinking filtered and get a holy man's taste.

You have to go through a desire of a holy man. You have to come through the Waters of separation. Jesus said "I have made you clean by the Word I have spoken to you." [St. John 15:3 -Ed.] We are washed with the washing of the Water by the Word. "I will sprinkle clean Water upon you" He said, "and cleanse you from your filthiness and from your idols." [Ezekiel 36:25 -Ed.] Let us be a unified church. This is a serious Hour.

I am showing you those two beasts. I am saying, understand! This is just not church anyhow, this is God setting in order a called-out people, getting them ready for the going away of the Church. This is preparation time. That's right. You want to understand what you are in. You want to enter into the burden and vision of the servant that God gave you here because he is ordained of God to take you through. And the men God put around him they have to...

Jesus said, "*I am the vine, you are the branches.*" [St. John 15:5 -Ed.] The true branches were in the Root of the Vine and in time and season, it pushes out a branch, it pushes out a branch, and all those branches are original from the Root. But if it is a citrus tree, an orange, well, you can be a grapefruit branch, you are just grafted in into it, you will bear grapefruit, not orange. If you come from a lime tree, really acidic, you could get grafted in. If you are just sweet and nice like a tangelo or something, you just get grafted in. They are all living off of the life of the true orange tree but

they are bringing forth their own fruit. They have their own objectives and their own motives but they're pulling from the life. No! You have to be reborn under this Word. That's right. Glory!

You can't patch the old garment to the new garment. Elisha had to tear up his own mantle and come into the robe of Elijah. He couldn't say, "I find the sleeve is too long" and alter the sleeve. Or, "It's a little too big; I'm going to take it in at the side." Or, "I don't like the buttons on it; I'm going to put my own buttons." No. He had to come in shape to fit the robe; he couldn't alter the robe to fit himself.

We cannot alter the Message to fit ourselves; we have to come in shape to fit the Message. The Word of God is perfect. It is we who need the alteration. It is we who need the adjustment of things in our lives to line up. And watch and see an assembly that people all around this state of Florida who is looking for a genuine place where the Spirit of God can move, where Eagles gather in a place call Eagle's Temple.

We might put a sign on the building called Eagle's Temple, we might have Eagle Food available in the temple, but if they are not Eagles there, they are not coming to eat that Food. If it's a corbeaux, they want some rotten thing from a past Age. Fresh Food kills corbeaux. That is right. A dove cannot eat what a crow eats. A dove is a clean bird. A dove doesn't have to take a bath; a dove is clean from the inside.

Do you know why they use a dove for carrying messages and not a crow? A dove is loyal to its mate, so the dove always goes back to its mate. And man who observed that characteristic of the dove, like Noah, when he wanted to know what was happening on the earth after the flood, he sent the dove out because he knew that dove was going to come back. When he sent the crow out, the crow never came back. But the dove is loyal. Doves mate for life. That's right.

That is why God represented Himself as a Dove. John the Baptist said, "I saw the Spirit of God coming down in the form of a Dove and it rested upon Jesus" Who was the Lamb of God. The cleanest bird in the heavens and the meekest animal on the earth, the two natures could come together. If it was a goat or a pig, the Dove couldn't come down. But the Dove can only come down on the right nature.

Satan might want to tell you, you are a pig and give you pig things. Prove in this Hour you are a dove. The dove has no gall, that is why he can't eat all those rotten things because it takes the acids and things in the gall to break down that substance. But the dove doesn't have any bitterness. That's right. Hallelujah! The dove is clean from the inside. You want to be a dove! You don't want marriage and divorce; you want to mate for life. Hallelujah!

I feel God wants to blow the Trumpet in Zion, in Miami; sound an alarm in My Holy mountain in Eagle's Temple, saying, "The Hour is come; rise and shine, thy Light is come. Not Luther's light or Wesley's light or Pentecostal light; the Light that brought us to a New Day that you can recognize your Day and recognize your Message (amen!) and know you are an Eagle.

For years you grew up in the barnyard among all kinds of chicken and turkey. That is right. But then one day you walked in here and there is an Eagle minister here, one who is anointed with the same Spirit that was on an Eagle Prophet, (hallelujah!) one who began to scream out a Message, telling you it is a New Day; telling you, "Come into the full promises of God."

Like God told John who was a type of the Eagle, "Come up higher, John. Come up higher." Amen! "Come up where you can see these two beasts on the earth that is deceiving the world, that is imprisoning the people; shutting them up in a cage, (that's right!); forcing them into the mark of the Beast, into a false

worship.” But your hour is come. Your hour is come. Amen.

My time is about up but I just want to read about the next beast and close. Amen. Glory be to God. But I know you understand what I’m saying because you are God’s people. But you see, you’ve come from far places in your life and down there you lost a lot of things. Amen. The mind got all kind of messed up because you came through so many different things. Like when Israel was in Egypt for four hundred years and had a slave mentality, but the hour had come, it was time for the Exodus. God had anointed a prophet and sent him forth, “Go tell Pharaoh, let My people go.” Hallelujah!

God had come down for deliverance. And so, in this Day in the Third Exodus, God has come down to deliver His people because these lead into captivity; these kill with the sword. But God is... This is that Hour of deliverance. Amen. And God is washing His people. He brought them through the water of the Red Sea. He brought them through the wilderness. After He brought them out of Egypt, He was taking Egypt out of them. You could come out of Egypt but Egypt is still in you and so, God has to take Egypt out because His plan for you is not to go back like a dog to its vomit but it’s to take you to a New Land.

In Egypt, they were in bondage under the taskmasters but in Canaan, Joshua said, “Come, put your foot on the necks of these kings, (hallelujah!) for thus shall the Lord do against all whom you fight.” No matter what devil you are fighting: you might be fighting cancer, you might be fighting lust, you might be fighting ambition, you might be fighting a spirit of anger and disobedience; no matter what you are fighting against this morning; you might be fighting against lying and hypocrisy, (amen,) but God says, “All these enemies will be under your feet. Diabetes – under your feet. Sin – under your feet. Hallelujah!

Do you know why? Because this Mighty Angel came down from Heaven and He put one foot on the land and one on the sea where the two beasts came from. A beast came out of the land and a beast came out of the sea and He put them under His feet and He has the open Book and Seven Thunders began to utter their Voices, "Come out of her My people." And He began to open a mystery to show you, your name is in that Book.

He came for His people. He is telling Pharaoh, He is telling Mr. Trump, He is telling Pope Francis, "Let My people go! I will come back for My people in this Hour." To take us out of unbelief into faith, to take us from ignorance into wisdom, to take us out of darkness into Light, to take us out of weakness into strength, (hallelujah!) to take us out of pride into humility; take us out of irreverence into respect (hallelujah!) and make us a Blood-washed people clothed in the white robe of the Holy Spirit; a real church that is making ready; the Bride dressed in white.

You know, you can go in any wedding and you look around in the wedding, thousands of guests, you can smell the food in the reception area, and you're looking around, but it is very quickly you will see who the bride is because she will be the only woman dressed like that in that whole wedding. From a child to the oldest one can say, "That's the bride there."

And in this Hour people can look at you among all the churches and know, "That's the Bride. They are in union. They are holding to the Word of the Bridegroom. They are getting ready to leave this world and go with the Bridegroom." You want to be that kind of church.

When people come in among you, they see a church in order, they see a church under the Anointing, they see the deacons at the door, (that's right,) they see the Spirit of God in the worship, they hear the Word coming forth, (amen); they see the love and respect for one another in the Assembly. Hallelujah! And you know

you have a people that God can say, “That I may dwell amongst them. This is My people.”

We don’t want confusion. We don’t want politics. We don’t want ambition. No, no, no! We want to come through the washing of the Water of the Word. We want to recognize, “God has lit a lamp and put it on a lampstand.” Hallelujah!

So, let’s read quickly and close from verses 11-18.

11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

The Beast before, got his power and authority from the dragon. Now this beast that is coming out of the earth, this beast here... ‘Beast’ represents power. This is a nation. This beast here, Daniel didn’t see this one. In verses 1-8 he saw one like a leopard, feet like a bear, mouth like a lion – a composite beast. But John here is telling us, there is another beast. Daniel saw Babylon, Medes and the Persians, Greece and Rome. Daniel didn’t see the United States of America.

But John is seeing this beast. But this beast wasn’t uncovered in the time of Daniel and John; they didn’t discover it yet. In 1776, when John... John wrote the Book of Revelation from A.D. 95 to 97. And so, when we look there and realize that God now, is going to bring this beast to be known and this beast from 1776, when they declared their Independence on the 4th of July: thirteen colonies, thirteen stripes; thirteen stars on their flag. That’s right.

And from 1776 to 2016, here she is about to die. She is sick, she is broken, she is full of filth; she has become wicked. She steals and plunders. She became like a mercenary nation. She gave her strength and power to the first Beast; to do the bidding of the first Beast. That’s right. Such an evil nation. That’s right.

I was reading on the Internet where they said after 2010, that great earthquake that struck Port-au-Prince, and nations from all over the world quickly responded,

and we had the two Presidents, past Presidents: Mr. Bush and Mr. Clinton, they came and they walked through the city and they looked around and they—it was a nice opportunity for photos. And they were saying, “Out of the hundreds of millions of dollars in aid, it never came to the people.” And when they began to track the money, it ended up in Clinton’s foundation. A Haitian person wrote the article. That’s right.

Could you imagine, your Presidents? But you see, look what they did in Iraq, look what they did in Libya, look what they did in Afghanistan; look what they did in Syria. I’m trying to show you the nation in the Bible. The media does not show us this nation. FOX News and BBC and CNN take the same woman, give her a facelift, fix her up nice and present her in a certain way.

But God uncovers it in His description. God unmask the thing. Because God is not about covering up, God is about exposing. God is not about deceiving, God is about revealing. God showed the Light. Mind you, it was the greatest nation on the earth at one time and God sent the greatest Light that ever shone and God did such great mighty works through the length and breadth, and the people came together and cast It out and they gave their strength and power to the Vatican. That’s right.

And that is why in the Book of Revelation, God put the two of them together in the same chapter – the one from the beast [sea -Ed.] and the one from the earth and He’s showing them. And when He comes down in Revelation 10, Christ, one foot was on the land and one was on the sea. Because they took over God’s world and they built Satan’s Eden, so Satan could be enthroned as God on the earth.

But Christ has the Title Deed to the earth that He created and footprints mean possession. God told Joshua, “Every place the sole of your feet tread upon, I have given it to you.” [Joshua 1:3 -Ed.] Joshua said, “Come and put your feet on the neck of these kings.” [Joshua

10:24 –Ed.] That same God came down in this Day (that’s right) with the Title Deed to the Heaven and the earth and give it back to the true elected people. He told John, “Take the Book and eat It. Take the Book and eat It!” So, you will know the Age you are living in, you will know God has called you; you will know the Hour has come.

Just three more verses I think or four and we are finished.

12 And he exerciseth all the power [that’s the U.S.A.] of the first beast before him...

That was the Beast from the sea, Rome, the fourth empire, the Beast before him in chapter—what we just read. This one from the earth exerciseth all the power of the first Beast, the one from the sea.

...and causeth the earth and them which dwell [in it] to worship the first beast, whose deadly wound was healed.

This pressure is coming on the earth by this beast that came out of the earth to make them worship the Beast from the sea. It is like a Vatican/Washington alliance here – Jezebel and Ahab. And Elijah the prophet, put judgment upon Jezebel and upon Ahab.

This is what you must understand: you can’t let the devil put you back to sleep spiritually. This awakens you, that the Day we are living in, to get ready to leave. The Bridegroom has come down to make Himself known to His Bride. That’s right. So let’s do everything in this late Hour.

13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,

This was the first Age where people sat in their houses and watched bombs coming and going down the chimney and bombing places. Everything was being televised. You’re quite in America and you see how they were bombing Iraq and bombing Libya and these things. And the people said, “Now we feel safe. Now we feel

safe!” And it was supposed to be this great nation of courage and everything.

14 And [he] deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast...

They deceived the nations. They said, “Here are the satellite photographs. They have all the weapons of mass destruction in the desert out there. We need Congress to give us the okay to go in right away.”

And they said, “Okay, go ahead.”

They killed over a million people. They control all the oil; they set up the big army bases. And they said, “Well, we didn’t find any weapons of mass destruction. But that man was a dictator, he had to be gotten rid of! He’s a dictator, get rid of him.” So, one man killed a million people and took all the oilfields to get rid of a dictator [Bro. Vin. laughs –Ed.] by showing them satellite photographs that was manufactured because there were no weapons there. Who was going to carry him to the International Criminal Court? Because they rule the world! Understand! Understand!

...saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

Watch the policy! Watch the legislation! They are forcing the earth to make an image to the Beast.

15 And he had power [constitutional power, executive power, civil and ecclesiastical powers] to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

This is coming. This is coming soon! They already have the detention camps, they already have the troops in different parts of the United States, they already have

the legislation; it is just to begin the processing of the people. Understand!

16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

False worship on the earth started with Cain. He built the first altar. His father was the Beast before him – the Beast in the beginning. Satan was incarnated in the Serpent. Cain was the son of the wicked one and he slew Abel because his deeds were evil. Slaying Abel was not the evil works; he slew Abel because *his* works were evil. His evil works was, he was introducing a false worship into the earth and God refused to accept it and he... God came to him and said, “Do like your brother; he is worshipping the Lamb. The slain Lamb, the Blood was shed for the remission of his sins.”

It was a type. Animal blood could only cover sin, but it was speaking of the true Lamb of God that would come one day and be slain for Redemption. And Abel was understanding this because Abel was a shepherd, and the Mystery of Redemption is Shepherd and sheep. “I know My sheep. I call them by their name. My sheep knows Me. I laid down My Life for My sheep.” Shepherd not theologians; Shepherd. Not hireling, who runs when the wolf comes, but who lays down their life for the sheep.

Abel had a revelation and he knew the right way to approach God and worship God. And then the baptism of Fire came down upon Abel and his lamb, and that was the Seal of the righteousness of God which is by faith. By faith he offered it – a more excellent sacrifice than Cain. Two worshippers, two altars: one was a man-made thing and one was revealed by God. And

God refused the man-made thing because Cain was the image of the Beast.

In other words, he was like the one before him; he was the image. And when you see the one before him, Satan, you see Cain but he was a little closer to man than the Serpent because he came from Eve—out of Eve’s womb. He was part of the human race. He was a little closer species than the Serpent. But his influence, his false religion, was coming from Satan, the one who told the lie; the one who deceived the church. The first Beast deceived the church with the lie; brought it into ruin. And now the descendant, the one under the influence of the first one, he is setting up this false worship.

Cain was the first human being that was marked and separated from the Presence of God. We are in Genesis and Revelation – the mark of the Beast and the Seal of God. Abel received the Seal; Cain had the mark. Abel was in the Presence, but the image, Cain, he started a persecution against the true worship on the earth.

What is coming? This system is bringing a persecution on the Elect. The false vine is coming with rage against the true vine to eradicate this thing from the earth. And he slew Abel! And not until God raised up Seth, man was not calling on the Name of the Lord because they were... Cain was determined to root that out and establish his false worship on the earth. It’s in Genesis, it is in Revelation. It is in the first Book of the Bible, it is in the last Book of the Bible. It is two vines that came down.

I have to close now; I can’t go into these things now. I threw that little part there; your Pastor will pick that up. Because of the time we are in, be a faithful church. Keep one Spirit in the assembly. God raised your Pastor up here as a man, a shepherd, with a little flock here; a man who lays down his life daily for his sheep. And God has drawn some of you to the place of worship.

As I said, sit and watch, then go in the Bible, you will find the things he is speaking, is so. Then come and be identified and be part of something real. Tear up the old garment. You can't put new wine in old bottles; Jesus taught it. In the Old Testament they had old bottles. The Pharisees, they wanted to take the Message but when the Wine begins to ferment, it expands and it breaks the thing and it throws away all the wine. You have to be flexible, adaptable. Let this Wine of revelation of God's Word, the stimulation to your faith, see that you are elected and called.

Let's stand to our feet. Praise His wonderful Name. Hallelujah! Glory! Glory to God! Thank You, Jesus. "THE TWO BEASTS OF REVELATION 13". You are in the nation of the second beast, the beast on the earth. From this nation, there will be a forcing, a persecution. Have faith. This is the Hour to rise in faith. This is the Hour to get in the Spirit and stay awake. Amen.

As we bow our hearts for prayer. In your heart, pray for understanding; pray that God opens the eyes of your understanding and bring you into that substance faith where the Holy Spirit can come down in a new baptism. This Quickening Power can quicken you and raise you far above the lust of the flesh, the lust of the eyes, the pride of life, where you can come into a full surrender to God and you can be an instrument in His hand to the fulfilling of His will in this Hour.

You are His temple. Let that temple be a clean temple. Like Jesus plaited the rope and drove all those things out of the temple that was not supposed to be in the temple. Don't let the temple of God be something else. Don't let God feel uncomfortable in your life. Ask God for the Spirit of submission to His will, an obedient spirit and watch and see how God will bless you; how God will give you increase.

Beloved Jesus, we thank You Father, for Your great grace today, the unction and the utterance to speak these few words among these precious people Lord, to

know that You have raised them up. And we see the darkness upon the land and the days will become darker and darker but You promised to be amongst us.

Like it was in Egypt, while there was gross darkness on the earth, the children of Israel had light in their dwellings. Their loins were girded; they were eating the bread in haste. Their ears were attentive to the blowing of the trumpet. Lord, their feet were shod. They knew at any time they would hear that trumpet sound and they will go out in the exodus. The plagues were filling up the land, the very land where the prophet was born, where he manifested his ministry and where he died.

Oh, gracious God, but Lord in that hour, as it was coming down to the end, Lord, he knew death was going to pass through the land now. Everything outside of that token would be destroyed. He had instructed the people: "Slay the Lamb, take the blood, take hyssop and apply it on the lintel and the side posts, and when I see the blood, I will pass over you." Oh God, they had from evening time till midnight. Midnight couldn't come and find them not having the blood applied because they would die. The blood had to be displayed. There was first an applying of the blood and then a displaying of the blood; the life of the lamb.

Today Father, it is not the chemistry of the Blood, but the Life of that Blood being displayed through a Blood-washed people; a people who was obedient to the word of the Prophet; a people who was prepared and ready to depart from Egypt. May You grant it, oh God.

May Your Holy Spirit move among Your people, Lord in every house, every family. Oh God, hearing the reports of those in Haiti, the difficulties that still exist, the hardships, Lord, may Your Presence visit, may You bring comfort; may You give strength to endure their time of trial and affliction. May You, the great Creator, the same One Who provided, show Your Divine providence for Your chosen people, Father. We pray Lord that You just continue to move among Your people,

Father and Lord God, there will be a people called-out and made ready because we see the days that are ahead. We will be going through deep waters, great trials and testings. Lord, we want to be able to stand.

Search our hearts today, Father. Where You see things that would hinder us, may the Spirit of God bring conviction in these places. Where there is a sincere cry to be delivered from those places, may the Power of God break those chains that have held many captive that they can walk in liberty, freed, oh God! Your Truth makes free – the Word quick and sharp and powerful, dividing asunder soul and spirit that knows our thoughts and the intents of our hearts.

Strengthen Your people. Bless all the officers, all the helps; every family represented. Let the men rise and take their places. Oh God, let it be a real assembly set in order. Lord God, and Your Holy Spirit working mightily through Your servant, Lord God, as this church goes forward. In the Name of Jesus Christ, we ask these things as we commit these people into Your precious all-sufficient hands, knowing that You are able to keep these things, even until the day of Jesus Christ. We thank You, Father. We bless Your wonderful Name, the Name of Jesus Christ our Lord, amen and amen.

[Congregation gives a hand of appreciation –Ed.]

God bless you. God bless you. Certainly appreciate being here with you over these days. We will be praying for you and continue to stand behind you and this great work.
