

The Angel Of God Whose I Am And Whom I Serve

**Preached on 21st February 2015P.M
Canoas, Brazil
Bro. Vin. A. Dayal**

FOREWORD

This message entitled, **The Angel Of God Whose I Am And Whom I Serve** has been taken from a recorded sermon and printed by members of the Third Exodus Assembly

This message was preached on 21st February 2015 P.M. in Canoas, Brazil by Bro. Vin. A. Dayal and put into book form solely for the believers of the local Assembly.

Should this book fall into the hands of other believers, please note that it is not meant to promote any special person or doctrine, but only that it might edify the reader and cause him/her to have a greater faith in the message of the hour brought to us by God's prophet, Bro. William Branham.

This book is made available by free-will contributions from members of the Third Exodus Assembly and is distributed free of charge.

Excerpt:

THE ANGEL OF GOD WHOSE I AM AND WHOM I SERVE

The Angel Of God, The Eternal I Am Is God's Gift

Catch it now. He said, Now He's the Gift. I am not the gift. He's the Gift. And...as your brother, that's all I am. But God's gift is the Spirit of God [Who? The Spirit of God] that came down in the form of an Angel.

*The Jehovah-Angel! Hallelujah! Glory! Came down in the form of a Pillar of Fire, came down in the form of a Cloud, God coming down; came down in a Whirlwind, came down in a Star, came down in three Rainbows; God coming down. Oh my! **Pages 25 &***

26

THE ANGEL OF GOD WHOSE I AM AND WHOM I SERVE

The Angel Of God, The Eternal I Am Is God's Gift

CANOAS, BRAZIL
SATURDAY 21ST FEBRUARY, 2015 P.M.
BRO. VIN A. DAYAL

Praise His wonderful Name. Thank You, Lord. Thank You, Jesus. Thank You, Lord. Amen. God bless you tonight. Are you happy in His Presence? Amen. We are so grateful tonight to be in your midst. We have come with great anticipations. We have a God Who loves us; a God Who died for us, Who had put our names on the Lamb's Book of Life before the foundation of the world; a God Who has come down in this Day and gathered us together in the only provided place of worship; in Christ Jesus. The only way to get into that place is through the baptism of the Holy Spirit by a New Birth. You cannot join that. You have to be predestinated to be part of a living organism, chosen in Christ before the foundation of the world. And if you are here tonight and you know that God has called you, isn't that His amazing grace? Isn't that God's Elective Love that has chosen you before you were even born into this world, before you did good or evil that God chose you in Christ and put your name on the Lamb's Book of Life (Hallelujah!) and expressed you here on the earth in this Hour? What a privilege.

We feel very thankful in our hearts to come back to Porto Alegre. I was in the city in 2005 and 2006. I didn't know of this church but in November, Bro. Eduardo and Bro. Marcelo in São Paulo, they showed me a little video clip and I saw you. I saw you worshipping God. I heard the testimony of what God has done for you; of Bro. Samuel coming here and the hearts that were opened to step up to another level. It was a great joy to hear these things. It stimulated my faith. It stimulated my expectation that I wanted to be here.

Then I came and met Bro. Virgílio. [Bro. Vin puts his arm around Pastor Virgílio Lacerda -Ed.] Amen. When I saw, him there was something about him, a nice man; a humble man. I heard his wife,

my sister, sing. We were having lunch today and by the table she was singing about this White Rock and this hidden Manna. I wanted to know if I was understanding it right.

I asked Bro. Tacio, I said, “What is that she is singing?”

He said, “She is singing about the White Rock and the New Name and the hidden Manna, a promise, Revelation 2:17.”

Oh my! I said, “This old sister, something inside of her is calling out for this hidden Manna, this White Rock, this New Name that is given to the overcomers in this Hour!”

What a blessing! Amen. It’s a promise that belongs to us. Glory be to God! Junior Jackson had a dream Bro. Branham was interpreting the writing in the pyramid. He comes right up and when he came here, [Bro. Vin points between Brotherly Kindness and Love on the pyramid –Ed.] it was a white rock. He opened it up. He said, “Light had never shone on that before.” Seven Angels were going to come from Eternity so that Mystery could be opened up (amen!) that the Bible will become a new Book. Hallelujah! The Seals are broken that we can look into the Lamb’s Book of Life and find the Mystery that reveals what this New Name is; (Hallelujah!) those who have a New Birth; those who were seed in the thoughts of God. Only seed can be reborn. Only the Elect could have a New Birth, amen; those who came from the loins of God. That’s a great thing.

So when she came back tonight and I saw her come out I wondered what was she going to sing now and she began to cry out, “Manna, manna!” I said, “My! It has come back around.” We were having lunch today. Now, it’s supper time; evening time. Hallelujah! Oh my! May He break the Bread tonight in a way that only He can break it. He promised. We don’t just want heart burn.

The men on the road to Emmaus, they said, “Did not our hearts burn within us?” But their eyes weren’t opened; just heart burn. But when He broke the bread their eyes became opened and they recognized the resurrected Presence. Hallelujah! Glory be to God. They had walked all day, sixty furlongs, about eight miles from Jerusalem. When that struck them, they ran all the way back with a testimony, “The Lord is risen indeed.” Hallelujah! Glory be to God! May it be something special for all of us!

One thing I’ve learnt about the Lord Jesus – you get what you expect. Amen. May we have expectations! Simeon was in the

temple. He was expecting to see the Lord's Christ. Hallelujah! The Lord's Christ came into the temple – the temple. [Bro. Vin points to his heart. – Ed.] See the Lord's Christ in the temple, tonight. [Bro. Vin again points to his heart.] In that day you will know I in you and you in Me. We see Him in nature. We see Him in His Word. We see Him in His Son but now, we want to see Him in His people. We want to see Him in the temple. Hallelujah! *That* will bring a perfect faith in a perfect God Who made a perfect promise in His perfect Word. God bless you! May He give you the desire of your heart this evening!

We are certainly being blessed being with you. We flew into Porto Alegre and we came and we had the opportunity to spend some time with Bro. Orestes [Bro. Orestes Romero –Ed.] and his family. They took care of us so nicely and then, we went down to Criciúma for the Convention and then we had a great time, then we came back in Pato Branco and Passo Fundo and then we came here. Amen.

We are in great expectations. I was surprised when I came here that so many people knew me and I didn't know them but I was so happy to know them because they have a love for the Word and there was an excitement when they heard we would be here. One thing I have learnt, it's not by might or by power. I don't even know what He will do this evening but one thing I know He is a God of paradoxes. Amen. He could change everything in a moment. He could do something spectacular because that's the kind of Person Jesus is. Amen.

As our faith would rise, so many things become possible. But without that faith rising, there are so many questions we could have. There are so many needs and we will believe God will do it one day but when the faith rises, you know He can do it now. You know He can do it now (Hallelujah!) because faith makes the difference. And I pray tonight that this great Spirit of faith releases from His Word this great revelation, this capstone revelation of redemption and grace that came on the wings of a snow-white Dove; coming in at Evening time. Hallelujah! Glory be to God!

Noah was shut up in the ark with a little elected group. The rains had been poured out; the dynamics was raising the ark up. Amen. Those who had rejected the Word of the prophet, they were being judged but those in the ark, who were sealed in, were

moving into a new world. Hallelujah! And when they came to the top of the mountain, the prophet knew something has to happen here. There was a part of the ark that was sealed all that time but it was time for it to be opened. He opened that window at the top. And when he opened that window at the top, light from the new world began to shine through that window to a people who had been called out, taken out of the old world, sealed in the ark, raised up to that seventh mountain, the last mountain before they go into the new country. Hallelujah!

And in *that* Hour at evening time that dove was flying and it was a 'she'. Go in the Bible. It was a 'she' – the Spirit and the Bride, the Final Voice. She had something in her mouth, "And lo, in her mouth was an olive leaf." [Genesis 8:11 –Ed.] I pray tonight that this great Spirit of faith releases from His Word this great revelation, this capstone revelation of redemption and grace that came on the wings of a snow-white Dove. Amen.

When Noah saw that, faith struck him. He knew that he could step out. Evidence from a new world was coming among them. Hallelujah! Supernatural Light, Light from the New World was shining upon the Eagles in the Ark on the mountain top at Evening time. Hallelujah! Glory be to God! As it was in the days of Noah so it shall be in the day of the Coming of the Son of Man. Hallelujah! Since Adam, nobody had taken a people out; (Amen!) out of the old world into a new world but Noah had a threefold secret of the Ark, the Rain and the Dove. Hallelujah! Glory.

Did you hear that? Oh my! I want to encourage you. We've got a load of prayer requests here but with all this ministering in song and this inspiration in the building, you only have to believe. If you believe with your heart and you confess with your mouth, you shall never be ashamed. You heard the Word last night. You are going to hear It tonight. Hearing, recognizing It's the Truth and then go to acting upon It and watch Jehovah-Jireh, Jehovah-Rapha, (Hallelujah!) He comes behind that whatsoever you have need of, He promised to supply *all* our needs. Did He promise that? Did He promise that? Not some, *all* our needs according to His riches in Glory.

Is He Jehovah-Jireh? Did He create a ram out of nothing for Abraham? Does He deal with Abraham's seed in the same way He dealt with Abraham? Is that the Bible? Is that the Bible? Amen!

Then have faith. If you've sent a request here, you believe. We pray and we ask the Father. He said, "Ask anything in My Name. If you ask for a bread, you wouldn't get a stone." He is interested in giving you exactly what you ask for and He wants you to make it specific, what you have need of.

So if you say, "I want a bread."

He may say, "Sliced loaf, white bread, brown bread, whole wheat?"

Amen. You have to be specific with God. He shall supply all of your needs. You are already blessed with it. We are blessed with all spiritual blessings in Heavenly Places in Christ Jesus but you have to claim it. Put your foot on it and claim it as yours and watch the Holy Spirit make it manifest in your life. Do you believe that these sayings are faithful and true? Amen. Then let us agree together and let us ask in His Name. All power in the universe, in Heaven and earth operates in the Name of the Lord Jesus Christ and you have that Name. If you have the New Birth, you are entitled to these things because His Blood, His death and resurrection made this secure for you. Amen! So believe that you have received what you asked for and you shall have it. Amen.

Almighty God, we are thankful. We've come with great appreciation. We've come in humility and sincerity. We've come knowing that it's impossible for You to lie. We've come knowing that You said cast our cares upon You because You careth for us. And so Father, there are many written requests here tonight. All the people that have written it, Lord, they are standing in this congregation and I have encouraged them to believe You and have rehearsed Your Word before them that You said, "When you stand praying, believe that you have received what you've asked for and you shall have it." And so, dear God, I pray that each one standing in Your Presence, their ear attentive to the prayer that they would join and agree together with Thy servant, as our faith rests upon Your finished work, knowing that You are the God of the Amen, the God of the unfailing Promise. Your promises are yea and amen.

And now Father, in the Name of the Lord Jesus Christ, I pray that everyone that is standing in unity, in agreement, in one mind and one accord, may the Holy Spirit Lord, send down the blessing. And if there is not faith sufficient, then dear God, may You give

that help of faith this evening that Lord God they will take You at Your Word and may the grace of the Almighty God move upon them and quicken them, Lord and give the witness in their heart that You keep Your Word, and they could have the things they asked for, for the glory of God, in the Name of Jesus Christ.

And dear God, we pray You would break the Bread of Life to us, open the Scriptures, open our understanding; make Your Presence so real. Give us understanding to understand Who has come down in this Day, Who has been introduced to us, Who sent the Prophet, Who took him off the scene, Who remains here with the Bride; the Spirit and the Bride. Let these things become so personalized in the hearts of Your believing children. Would You do that for us, Lord?

We ask it with sincerity because we see the necessity. And if we can receive this, certainly it would help us to walk closer to You and live under Your Divine Leadership where You can lead us into all that You have promised for this Hour. May You grant it, Father, for Your honor and for Your glory we ask it in the Name of Jesus Christ, amen.

God bless you! Believe that you have received and you shall have it. I would like to invite your attention tonight. I'd like to take for a little title tonight and call it, "**THE ANGEL OF GOD WHOSE I AM AND WHOM I SERVE.**" And for a little subject, "*The Angel Of God, The Eternal I Am, Is God's Gift,*" God's Gift that has come down to us in this Hour. Amen. Let us find out Who this Gift is, What this Gift is, because the Giver of every good and perfect gift, He doesn't just give a gift. He gives a gift to meet the need in our lives. He Who understands our needs gives us what is necessary to meet those needs. Amen.

Exodus chapter 3, I would like to read. Verse 1. The second Book of the Bible, Exodus. I certainly thank God for all His precious ministers, our beloved Bro. Samuel, who was instrumental for us being here. We certainly appreciate his love and sacrifice. We are inspired by his love for the brethren, amen, that we feel that we could be confederate to come and put our shoulders to the wheel. Bro. Marcelo, Bro. Eduardo, Bro. Julio, these precious servants of God, friends that God gave me in this country. I am so happy because I know these men love the Lord Jesus. They use their gift to edify the Body and how we have been

blessed since we know them and coming to know you, my first time being here, I am already blessed. Exodus chapter 3 verse 1:

¹ *Now Moses kept the flock of Jethro his father in law, the priest of Midian:*

Exodus 1 tells us about the bondage the people of God were in. Exodus 2 tells us about the birth of Moses, his attempt to deliver the people with human intellect at the age of forty years but in Exodus 3, he is eighty years old here. Forty years have passed after we saw him as a baby put in the little ark. Then we saw him as a forty year old man with intellectual knowledge trying to deliver the people. Then in chapter 3, we see his encounter with the supernatural God; the God Who foreordained him for that Hour.

...and he led the flock to the backside of the desert, and came to the mountain of God, even to Horeb.

We had seen the shepherd-prophet with a flock of sheep and he is moving them away from all the confusion. He's going to the backside of the desert. He is leading those sheep for a supernatural encounter. Amen. Sometimes God is leading you. You don't fully understand the leading of God but He knows how to order our footsteps. We see Moses, the earthly man. Now we see the Almighty God.

² *And the angel of the LORD appeared unto him in a flame of fire out of the midst of a bush:*

Isn't it something how God makes a dramatic entrance? Our eyes were on Moses. He is going with his flock of sheep in the backside of the desert. The next thing we see, God's in a bush. He wants to be in man but He will stay in a bush to attract the man He wants to dwell and walk in. He knows how to get our attention.

² *[And He] appeared unto him in a flame of fire out of the midst of a bush: and he looked, and, behold, the bush burned with fire, and the bush was not consumed.*

God of paradox – Fire in the bush but the bush is not being burnt and God is veiled in the Fire.

³ *And Moses said, I will now turn aside, and see this great sight, why the bush is not burnt.*

What are you doing here tonight? You could be any place but Something brought you to this place tonight. Hallelujah! God is attracting the attention of a runaway prophet because the time had come to anoint him and commission him; to lift him up into the realm where he needs to be to fulfil the plan of God for his life. Many a man are around sheep trying to feed them here, trying to feed them here, trying to move them into a next direction but God is coming down for an encounter, a Divine appointment (hallelujah!) of God and His prophet. Moses was an attribute in the thoughts of God, but now God and His manifested attribute meets on Mount Horeb. May He meet with you tonight in a very special way too! Hallelujah!

⁴ *And when the LORD saw that he turned aside to see,*

Catch this! God attracted his attention but Moses saw it and he didn't say, "Aah! I don't have time for that. I am not interested." No. He said, "Let me turn aside." He began to respond to the attraction. What is the attraction tonight on the mountain? Hallelujah! And watch – as he turned aside to see, God called unto him.

⁴ *...the LORD saw that he turned aside to see,
God called unto him out of the midst of the bush,
and said, Moses, Moses.*

He didn't expect to hear his name called. He was trying to investigate how the bush is not being burnt. He had a very investigative mind but as he came close, from the Fire came a Voice; not a woman's voice, not an animal's voice; the voice of a man. Well that was startling enough but then the Voice said, "Moses, Moses," and called him by his name. That shook him! "Something is in that Fire, the voice of a man and It knows my name." Do you think He knows your name tonight? [Congregation says, "Yes." –Ed.] Not only that, He put it in the Lamb's Book of Life too.

And he said, Here am I.

⁵ *And he said, Draw not nigh hither: put off thy shoes from off thy feet, for the place whereon thou standest is holy ground.*

Who was in the flame of Fire? The Angel of the Lord. Verse 2 tells us it was the Angel of the Lord in a flame of Fire but now it

tells us, “When the Lord saw that he turned aside, God called unto him!” So who is the Angel of the Lord? God! God! God called to him! And verse 6:

⁶ Moreover, he said, I am the God of thy father, the God of Abraham, the God of Isaac, and the God of Jacob.

Who is the God of Abraham? Is It the Angel of the Lord? The One Who created the ram for him on the mountain? This Angel is not a created angel. This Angel is the Creator Himself. This Angel said, “I am the God of Abraham, the God of Isaac and the God of Jacob.” The God of Abraham came to Abraham as Melchisedec. The God of Abraham came to Abraham as El Shaddai. The God of Abraham came to Abraham as the Son of Man – turned His back and discerned the heart. The God of Abraham came as Jehovah-Jireh and created a ram on the mountain! And that Angel in a flame of Fire, in the bush, is telling Moses, “I am the God of Abraham, Isaac and Jacob.” *That* God talked to Jacob. Jacob wrestled with *that* God. Did *that* God give Jacob a new name? Did *that* God give Abraham a new name? His name was Abram and God named him Abraham. Her name was Sarai and God named her Sarah. We have to believe the Bible. I am not giving any interpretation. I am reading. Amen. Maybe your theology bypassed that somewhere.

And Moses hid his face; for he was afraid to look upon God.

Who was he afraid to look upon? God. Who was God? The Angel in the flame of Fire in the bush!

⁷ And the LORD said, I have surely seen the affliction of my people which are in Egypt, and have heard their cry by reason of their taskmasters; for I know their sorrows;

Is He the same yesterday, today and forever? Then He sees your affliction. Then He knows your sorrow. Then He hears your cry. He can hear! He can see! He knows! Hallelujah!

⁸ And I am come down to deliver them out of the hand of the Egyptians, and to bring them up out of that land unto a good land and a large, unto a land flowing with milk and honey; unto the place of the

Canaanites, and the Hittites, and the Amorites, and the Perizzites, and the Hivites, and the Jebusites.

We are reading here, the First Exodus which is a pattern for the Second Exodus and the Third Exodus. Is that right? Do we have a prophet with the Pillar of Fire with an Angel in a flame of Fire? You have it on the wall. [Bro. Vin points to the picture of the Prophet with the Pillar of Fire over his head. –Ed.] Let’s find out What it is. Let’s find out Who it is. You have a Pillar of Cloud? [Bro. Vin points to the Cloud. –Ed.] Is *this* different to *that*? Is *this* One God and *that* is another god or is *this* God *that* God? [Bro. Vin compares the supernatural Cloud to the Pillar Fire. –Ed] Let’s find out what the Bible says.

⁹ *Now therefore, behold, the cry of the children of Israel is come unto me: and I have also seen the oppression wherewith the Egyptians oppress them.*

¹⁰ *Come now therefore, and I will send thee unto Pharaoh, that thou mayest bring forth my people the children of Israel out of Egypt.*

What is happening here? The Angel of God in the form of the Pillar of Fire Who came down on the mountain, He has come to His prophet. What is He doing? He is commissioning His prophet. For what? For the deliverance of His people who He is going to send His prophet to!

¹² *And he said, Certainly I will be with thee;*

Did a Pillar of Fire come to the Prophet? Was there a Man in that Pillar of Fire? Did that Man say, “I will be with you and nothing shall stand before you, not even cancer; and you will even know the secrets of the heart of the people because I will reveal it to you; and you will even speak into existence when the time comes because I Who created the ram for Abraham could create squirrels for you?” Hallelujah! Did Moses create flies? Did Moses create frogs? Who commissioned him? Who was doing it through Moses? This Angel Who met him? Who commissioned him? Then Who is *This*? Look!

¹³ *And Moses said unto God,*

Who is Moses talking to? An Angel? A created angel or the Jehovah-Angel?

¹³ *...Behold, when I come unto the children of Israel, and shall say unto them, The God of your*

fathers hath sent me unto you; and they shall say to me, What is his name? what shall I say unto them?

Maybe, you may not believe it but you know Moses believed that was the God of his fathers he was talking to? Because Moses said, “When I go to them and tell them the God of your fathers Abraham, Isaac and Jacob appeared to me, they will ask me His Name. What am I going to say? Tell me Your Name.” Did you know He told Paul? Watch!

¹⁴ *And God said unto Moses, I AM THAT I AM:*

Not I was, not I will be; I AM; Ever-Present, the Eternal – no yesterday; no tomorrow. Hallelujah! The omniscient God, omnipresent God, omnipotent God. I AM that I AM; the creator! Tell them you met the I AM.

and he said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you.

¹⁵ *And God said...*

How could we miss this?

¹⁵ *And God said moreover unto Moses, Thus shalt thou say unto the children of Israel, The LORD God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath sent me unto you: this is my name for ever, and this is my memorial unto all generations.*

Is the God of Abraham, Isaac and Jacob, the Angel of God in a Pillar of Fire? Is He the I AM THAT I AM? Did Jesus say, “I AM the Vine, I AM the Bread of Life, I AM the Living Water, I AM the Light of the world?” Hallelujah! He is the I AM! Before Abraham was I AM! I AM the Bright and Morning Star! I AM the Root and Offspring of David! Hallelujah!

May the Lord bless the reading of His Word! You may have your seats. Exodus 23. It’s a little Bible study tonight. Is that okay? It’s a little Bible study to bring a little understanding; some eyesalve. Exodus 23 verse 20, God is speaking to His prophet who was the reflector of this God; reflecting Light into the congregation because this Angel was with Moses. How does He send them? He goes in them. Exodus 23 verse 20:

²⁰ *Behold, I send an Angel before thee, to keep thee in the way, and to bring thee into the place which I have prepared.*

²¹ *Beware of him, and obey his voice, provoke him not; for he will not pardon your transgressions:*

Who is the One Who could pardon your transgressions? This Angel. Is there an Angel Who has power to pardon transgressions? Didn't they tell Jesus, "You are making Yourself God by trying to forgive people of their sins"?

...for my name is in him.

God's Name is in this Angel.

²² *But if thou shalt indeed obey his voice, and do all that I speak; then I will be an enemy unto thine enemies,*

You know cancer is one of your enemies. You know tuberculosis is another one of your enemies. You know the lust of the flesh and the pride of life are other enemies. You know unbelief is your enemy. Hallelujah! You have enemies in your body. You have enemies in your spirit. You have enemies in your soul. Enemies take up different positions: Cataract gets in your eye, high blood pressure – enemies in your body; nervous strain and tension but God says, "You believe. You obey His voice. He will be an enemy to your enemies." Hallelujah!

...and an adversary unto thine adversaries.

²³ *For mine Angel shall go before thee, and bring thee in unto the Amorites, and the Hittites, and the Perizzites, and the Canaanites, the Hivites, and the Jebusites: and I will cut them off.*

Exodus is a Book of redemption. Does anybody know what exodus mean? The going out. Israel was going out of Egypt because God had come down and anointed a prophet, a foreordained prophet. Did God know where he was? Think of the size of the earth. God knew exactly where he was. Think of when he was born. Did God know where he was? That Light hung over the crib. When his mother put him in the ark of bulrushes and floated him down the Nile, had God prepared Pharaoh's daughter to take him and raise him? God sent him to the very house where the decree to kill the children was. Hallelujah! God was watching over him. Did God know him before he came?

God told Abraham, in Genesis 15 verse 13 to 16, "Your seed will sojourn in a strange land. They will entreat them evil but in the fourth generation I will judge that nation and bring them back

here.” In Genesis 50, Joseph told the last prophecy. Joseph was dying, in the Book of Genesis and Joseph says, “God will surely deliver you! He will visit you and deliver you and you will take my bones out with you!” And Moses went for the bones of Joseph. Read it in the Bible. [Exodus 13:19 –Ed.] And Moses carried it out because God was giving prophecy.

In the fourth generation when the time runs out and they came to the Hour of restoration, God had a prophet who was born a prophet. What does Hebrews 11 say? “By faith, the parents of Moses, when they saw him, (Hallelujah!) they knew he was born a proper child. They didn’t fear the wrath of the king.” That’s right. They said, “Not this child. Not this child!” Why? They knew their deliverance was locked up in that child.

How about Simeon, the old man, sees the baby in Mary’s arms. He blessed the child. He said, “Lord, let Thy servant depart in peace. Mine eyes have seen Thy Salvation.” He never saw Him walk on the water. He never saw Him speak to the storm. He never saw Him called Lazarus from the grave. He never saw Him heal the multitudes. He never saw Him discern the hearts. He’d seen the Messiah in infancy but he could recognize the redemption of Israel is locked up in that child!

Moses’ parents didn’t see him open the Red Sea. They didn’t see him speak flies and frogs and call for hail and turn the water into blood but they had faith. They could see in infancy that *that’s* the child. Hallelujah! Can you recognize the Word in infancy? Do you have that kind of faith? That’s right.

Now look. God is coming down for deliverance. God is coming down in the Hour of restoration and we see how Moses went and tried to deliver the people. They had it all written down: Moses you were born 5 a.m. April 6th. Moses, there was a Light that hung over your crib. Moses, we put our lives in jeopardy to save you and preserve your life. Moses, you were born for the deliverance of the people. There was a prophecy God told Abraham that God will judge Egypt; judge the nation that entreat His people evil and He will bring them out with a mighty hand. That mighty hand was Moses.

God appointed his birth in that Hour for that work; equipped him with the gifts necessary but with intellectual knowledge and his mother teaching him, (the mother church teaching him,) he got

charged up. He was worked up with human energy of the flesh and he tried to deliver the people. He killed a man and buried him in the sand. And the next day two men were fighting and he went to part the fight.

The man said, "What! You want to kill me like you killed the Egyptian yesterday?"

And some Egyptians heard that and said, "Moses, it's he who killed the Egyptian?"

And the news started to get to the courts of Pharaoh and Moses realized he is on a murder charge. And the man who was playing the big deliverer, the man who was playing that he has so much of love for the people, from the time his life got threatened, he took off and left the people. Do you know why? Intellectual knowledge. He was not commissioned. He was not anointed. He had not met the Pillar of Fire so he ran when circumstance came.

That's the problem today. A lot of people go by reading. They read the books, they get convinced and they say, "We are the Bride!" But then they can't lay their life down. They can't make a sacrifice. They are not willing to put their life on the line. As long as it doesn't involve full surrender—do you know what Bro. Branham said? On the message *Paul, A Prisoner Of Christ* [1963-0717 -Ed.] he said, "All the success that Moses had for forty years was one rotten, dead, stinking Egyptian." That's all the success he had. That's all he could point to and when his life got threatened, he switched over into self-preservation mode, and for forty years he left the people in bondage and he had no plans of going back because now he is eighty years. His best years had gone.

He started to work for his father-in-law. He left God's work and started to work for his father-in-law. He had gone back into secular life, minding [taking care of -Ed.] sheep. But God was interested; Moses wasn't but God was. And though Moses was in that condition, God had foreordained Moses to that. And God didn't make any mistake because God knows what it takes to activate the potentials because God had put potentials in Moses. But Moses had not yet discovered those hidden resources; that Divine potential in his life. But when God came down at evening time on the mountain at the setting of the sun, (Hallelujah!) and God began to speak to Moses, and Moses entered into a supernatural Place, and heavenly Words of Light started to shine

on Moses, Moses began to come out of reasoning into faith; come out of fear into love; come out of self-preservation into self-sacrifice. Hallelujah! Moses began to come into a place! He was moving from intellectualism into the realm of revelation and vision. Hallelujah! He was coming into a place. He met Something he could talk to and It could talk back to him.

That was different to reading. That was different to mammy says, “My mammy says this and my mammy said that.” That’s why Bro. Branham, when he met the Angel he said, “I thank God I am not the son of Charles and Ella Branham.” Hallelujah! Because when you meet that Angel, He leads you to discover your hidden resources, your Divine potentials that He put in you, your Divine equipment. He prepared your birth! He pre-planned your life! He chooses the place. He appoints the time for a meeting with your Creator! Hallelujah! Glory! This is an appointed time. This is an appointed place. This is not entertainment. This is an appointed time. Hallelujah!

Watch! On a message called *The Angel Of The Lord* [1951-0502, para. 32-34, 36 –Ed.] here is Bro. Branham. He said,

And I believe tonight, that the same Pillar of Fire that led the children of Israel is here tonight leading the Church spiritual now, delivering them. You can only be delivered by faith.

God went down there and told Moses, “Set yourself. Go down there and tell the people. I’ll harden Pharaoh’s heart, ‘cause he don’t believe.”

And could you imagine, that how a man that rejects Light... When God went down there with Moses, it wasn’t Moses; It was God. [Amen!] And God said, “I will send an Angel before thee to keep thee in the way, and to bring thee to the place that I have prepared.” Is that right? And when the children of Israel seen this Angel, He was a Pillar of Fire. Is that right?

He says, *Amen. I’m just old fashion enough to believe that God is the same yesterday, today, and forever.*

Hear the Prophet. He said, “I am just old fashioned tonight to believe that God Who met Moses in the First Exodus is the same.” A man who met the Pillar of Fire too; a man who heard the Voice from the Fire, “As Moses was given two signs to confirm his commission I give you two signs also.” Hallelujah!

He said, *That the same God, with the same power...*

And Bro. Branham says, *Now, when He appeared back there first, [he's talking about his own life as a little boy] He was a whirlwind in a bush to me when He appeared.*

“At seven years old,” he said, “He was a Whirlwind in a bush.” That was in 1916; he was seven years old. But when he was thirty-seven years, in 1946 when the Angel appeared, It was a Pillar of Fire. A Man stepped out and began to speak to him and anointed him and commissioned him. Hallelujah! But watch how this God, coming as a Whirlwind, coming as a Pillar of Fire, coming as a Star on the river, “As John was sent to forerun the First Coming so you shall forerun the Second Coming.”

Why is this God changing His form? Does He want to confuse Moses? No! He wants to convince Moses because God came to Job in a Whirlwind. Hallelujah! Those wise men followed a Star that was moving from Babylon to Palestine, a two year journey; and this Light is moving and they are following It. That's right. God changes His form. He can't change His nature because, “I am God and I change not.” He cannot change His nature but He *does* change His form. Hallelujah! He was in a Pillar of Fire. Look It's right here. [Bro. Vin points to the three pictures. –Ed.] He is in a Pillar of Fire. He's in a Cloud. He is in the Hoffman head. You have three forms of Jesus there: Hoffman Head, Pillar of Fire and Cloud. You have it in front of you. You put in on the wall. I trust it's more than a picture. I trust we have spiritual discernment. I trust you looked back in the Bible! And Bro. Branham said,

And I come as Moses of old to tell you not to follow me, follow Christ. Believe Him, that He's here to heal all the sick and the needy. Do you believe it?

What am I trying to say to you? That God Who came out in the old days, and led the Church of God out of Egypt, [where they were in bondage] the bondage into freedom, has come down again in the same manner to lead His Church spiritual out of [the] bondage of sin first, by the Holy Spirit, sickness next, and the third step is to go into glory: take this mortal and make it immortality, the transfiguration of the human bodies, to transform them into the perfect image of the Son of God. [Bro. Vin points to the picture of the Stature of a Perfect man. –Ed.]

Hallelujah! On the message, *Angel Of The Lord*. He said, “That same God comes down in the same way.” Just how He

delivered them out of bondage—we are not in a physical bondage; we're in a spiritual bondage. We're born in a body with a sinful nature: the lust of the flesh, the lust of the eyes and the pride of life. When you want to do good, evil is present with you. The power of indwelling sin in this body has you trapped in the pest house! But then God comes down with His Word to bring you out of reasoning into faith; to bring you out of fear into love; to bring you out of flesh into the Word; to bring you out of sickness into health; to bring you out of darkness into Light; to bring you out of death into Life; to bring you out of formality into a real revival! Hallelujah! Deliverance!

On the message, *Moses Commission* [1950-0110, para. 20-21 –Ed.] *And we, without a leader, are helpless. And Christ is our leader. And God was Moses' leader, though He sent an Angel to lead him. "I send My Angel before thee to keep thee in the way, and to bring thee to the place which I have promised." The Angel was to be his leader.*

Listen now, closely.

The Angel performed the miracles. Moses never performed any miracle.

Moses could throw down his rod but it took God to turn it into a snake. Moses could put his hand in his bosom, but it took the Power of God to make it white and leprous – puts it back in his bosom and takes it out and it's clean; it took God to do that. Moses could stretch his rod over the sea but it took God, the Power of God, to open the sea and cause the water to stand up like a wall and defy the laws of gravity. Moses could speak the Word and say, "Let there be flies" but it took God to create it. There is only one Creator, only one, that's God. Satan cannot create. Satan cannot heal. Only Jehovah-Rapha could heal. Only Jehovah-Jireh could create. Hallelujah! Only God could know the secrets of the heart. Satan is not omniscient; he does not know all things. Satan cannot open the Seals. Hallelujah!

Who is this Angel Who was healing? Who is this Angel Who was revealing the secrets of the heart to the people? Who is this Angel Who was teaching the Prophet the Scriptures? On the *First Seal* he was going on the pulpit – after meeting Seven Angels he was going to the pulpit with Scofield's notes, to say that white

horse rider is the Holy Spirit. Read it in your *First Seal*. He said, “Down comes that Holy Spirit, that Angel, and opened It to me!”

Come on now. Aren't you glad this is not to confuse you? It might be a little new to you but so many people have introduced the Prophet. I don't believe I have to convince you Bro. Branham is the Prophet because people introduced you to the books and the pictures and the Prophet. I am here to speak of the other Angel. Bro. Branham was the earthly Angel. I am here to speak to you of the God of Abraham, Isaac and Jacob; the God Who came down to Moses; the God that sent the Prophet. Hallelujah!

What is Malachi 4:5? “Behold, *I* send *you*, Elijah.” Who is ‘I’? Who sent you, Elijah? Elijah didn't come on his own. The Angel met him in the cave. The Angel commissioned him. The Angel confirmed his Word. The same Word the Angel gave him, the Angel confirmed It. Isn't it strange how people get taken up with the earthly Angel because he was visible and they miss the invisible One? And somehow they come to a conclusion because they were not seeing the invisible One, they think he [Bro. Branham – Ed.] stood up here [Bro. Vin indicates behind the pulpit –Ed.] and was discerning people's hearts. Now watch!

The Angel performed the miracles. Moses never performed any miracle. The Angel of God in Moses performed the miracles. You see what I mean? The Angel of the Lord was with him.

Let me tell you. How did Gideon beat the Midianites? How did Joshua conquer Canaan? Did Joshua meet the Angel? Did He say, “I am come as the Captain”? Where did Joshua get the information, “You have to go around once for six days and then seven times on the seventh day” (Did Joshua invent that?) “and nobody shouts until I bid them shout”?

Who confirmed to Gideon, “Make the fleece wet and the ground dry; make the ground wet and the fleece dry”? Who told him, “Go down by the Midianite camp and hear a dream”? Did Gideon produce all these things? No. The Angel of the Lord appeared to him. Did Elijah have an Angel? Is a prophet a mouthpiece of God? Is he a reflector? Then who sent Elijah? Who sent John? Who put the spirit of Elijah on Elisha? Who sent Bro. Branham?

Now, God has always, by all men, through the Scriptures, through all ages, has ordained that Angels should guide the people. There was Moses; there was Daniel,

Did an Angel come to Daniel? Daniel was fasting and praying and didn't get revelation; he got angelic visitation. And when the Angel came, He started to teach Daniel that vision in symbol form. Is the Book of Revelation a Book of symbols? Is the Book of Daniel a Book of symbols? Is that prophecy for the End-time? Did Daniel hear the Thunders and seal up the Book? Did John hear the Thunders and seal up the Book? Are the Thunders to give us faith to be changed? And are the Thunders to bring the revival? Are the Thunders to cause us to understand our position and know what God has made us in Christ? Then we need that Angel Who came to Daniel to teach us the Book of Daniel. Isn't that right? We need that Angel Who gave John the visions on the Isles of Patmos. Could John see a vision for himself? Could you dream a dream for yourself? Then you have to get in contact with the Sender.

Can you see we are talking something here beyond 'church'? Can you already begin to realize we are not talking, "I am in the Message. I have an eagle belt buckle. I have a Malachi 4 bumper sticker on my car. I have the Prophet's picture on my wall?" Can you see we are talking something beyond that? Can you see we are saying that same Spirit that was on *that* Prophet has to come on us?

Now watch this. Was the Spirit taken off of Moses and put on seventy elders in the Bible? Is that correct? Are Elijah and Elisha a type of Christ and the Church? Was the Spirit taken off of Elijah and put on Elisha? Did God take the Spirit off of Jesus and put it on the Alpha Bride? Then God would have to take the Spirit off the Prophet and put it on us. Not just any spirit but the One that taught him these Things; the One that revealed these Things; the One that came to him in that Pillar of Fire. Now watch!

Now, God has always, by all men, through the Scriptures, through all ages, ordained that Angels should guide the people. There was Moses; there was Daniel,

There was Gideon. An Angel came to Abraham. An Angel came to Joshua. An Angel came to Moses. Is that right? Samuel heard a still small voice. Who was talking to Samuel? That wasn't just a normal Voice; that Voice revealed all Eli's problems. An Angel came to Elijah. An Angel was with Elisha. He said, "Lord, open the boy's eyes," and he [the boy -Ed.] saw so many angels.

If they could live there under the Old Testament, which is the blood of bulls and goats, animal sacrifice, that couldn't take away sin, and the animal life couldn't come back on them; and we are living in the New Testament under the Blood of Jesus Christ and the Life of that Blood comes back upon us and, "The works I do shall you do also." The Spirit of Truth will come and teach you all Things like Gabriel came to Daniel and taught him the Things he needed to know; like that Angel came to the Prophet and taught him the Things he needed to know.

Like that Angel showed Moses to camp here for so many days. "Move now, camp over here." When the water was bitter, who told Moses, "Take that tree and put it in the water and get it sweet?" When the people were dying, who told Moses to make a Brass Serpent and then they started to be healed when they looked with faith? Who was telling Moses these things? Do you think Moses invented these things? "My Angel will go before you. He will keep you in the way. He will bring you into the place I have prepared for you." Moses didn't go in the land at that time. He died on the mountain, "Go up in Pisgah and die."

But that Angel came to Joshua. Is that right? And that Angel continued on and taught them how to fight the battle and possess their inheritance. Maybe they had a few artists with nice paintings of Moses, paintings of the tabernacle and the Pillar of Fire hanging over it in the night. Amen. They had a painted picture of the Pillar of Fire but in the days after Moses, Gideon had the live Angel talking to him right there.

Come on now. Faith, faith to rise up; out of reason into faith; out of the humanistic realm into the realm of revelation and vision. If some of you have been walking in the humanistic realm, the Hour has come to lift you up into a higher bracket of faith and bring you to live in a world of perfect faith. Hallelujah! As many that are led by the Spirit of God, they are the sons of God! Did an Angel come to Mary? Did an Angel come to Manoah's wife? Did an Angel come to Sarah?

It's not just for prophets. It's for a housewife. It's for a young virgin. Did an Angel come to take Peter out of prison? Did an Angel tell Philip to leave the revival and go in the desert to meet the eunuch? Did an Angel come on the ship with Paul? Old Testament and New Testament? Did an Angel appear in the last

days? Is that the picture of the Angel? [Bro. Vin points to the picture of Bro. Branham with the Pillar of Fire over his head –Ed.] Is this the picture of the Angel? [Bro. Vin points to the picture of the Cloud –Ed.] Do you see how we can have pictures but the understanding still isn't quickened? Watch. He said,

Someone was speaking to me here not long ago. I'm still on Moses' Commission. He said, "...Brother Branham..." ...Said, "Not after the Holy Ghost is come, no Angels guides the church, or guides individuals. No, sir." Said, "It's the Holy Ghost that guides us."

A theologian is telling him that. Hear Bro. Branham's answer.

That's misunderstanding between [the] Angel and the Holy Ghost. That is error. The Angel's led the Church right on, and still leading the Church. Correctly.

He said, "Did Peter have the Holy Ghost and did an Angel led him? Did Paul have the Holy Ghost and did an Angel led him? Did Philip have the Holy Ghost and did an Angel led him? Did Bro. Branham have the Holy Ghost and an Angel led him? Is that right? Aren't you glad we have the Message in tape and book form? I don't even have to preach tonight but I could just read you the words of the Prophet. Isn't that what we love in this country? It makes us feel secure when a man stands up with the Word of the Prophet and reads it for you. That's what I am doing. And I am finding out many of you don't know what he said.

On a message, *Expectations* [1950-0810, para. 4 –Ed.] he said,

See, when I speak of this One Who has come down from heaven, a gift sent from God, ...I just declare Him here. I'm just His mouthpiece. I do nothing but what He says. And when I can get you to believe Him,

What am I trying to do tonight? To get you to believe Him, the other Angel; because he was trying to get us to believe *that* other Angel.

He'll go anywhere wherever you are and confirm His—the Word of God."

He said, *Seems like when I speak anything else besides the Holy Spirit, I feel like something just kind of tightens down,*

For two thousand years they have never heard about any Angel coming to any man. So Bro. Branham is among those Pentecostals, "*How The Angel Came And Commissioned Me – the*

Angel appeared to me at my birth; Angel talked to me in a tree in the woods; Angel met me in Green Mills, Indiana; Angel spoke down at the river; Angel is with me in the meetings.” And people started to think now, “What kind of spooky thing is this man coming up with? We Pentecostals, we speak in tongues. He is talking about an Angel. He is a Baptist; he doesn’t know the supernatural. We Pentecostals know the supernatural. We have the Holy Ghost.”

So he says, “Whenever I speak anything other than the Holy Ghost, you tighten up on me.” Because he is talking about the Angel.

He says, *...I feel like something just kind of tightens down, that it just a little bit, that it might be a little bit misunderstood.*

On a message called *Obey The Voice Of The Angel* [1950-0713, para. 9-13 –Ed.] he said, *Now Moses never performed one miracle. It was the Angel of God that went before Moses. It was a Pillar of Fire at night, a cloud by day.* He said, *And when you see the picture that we’re going to show you, shortly, if we haven’t.*

This picture with the Pillar of Fire [Bro. Vin points to the photo of the Pillar of Fire. –Ed.] He says, “Moses never performed a miracle. It was the Angel that went. It was a Pillar of Fire by night, a Cloud by day.” Amen. Do you know the Pillar of Fire came by night in Houston, Texas? And do you know the Cloud came by day in Arizona? Now watch!

He said, *I believe...* He said, “When we show the picture, *I believe you’ll feel that it’s the same Pillar of Fire that’s leading the people today, the Angel of God.*

What do you think? He is telling the people, “When we show you the picture with the Pillar of Fire, that is the One that came to Moses, that is the One that came to Paul and that’s the One that came to him – First Exodus, Second Exodus and Third Exodus. Now watch.

...the Angel of God. Which we know the Angel that led Moses was the Angel of the covenant, which was Christ, the Son of God. ...Or, the Logos that came out of God, was the Son of God.

He said, *Now, many people has said, because that I testify of this gift... Now remember, I am not the gift. The One that you’ll see in performance here tonight, which is here—invisibly now, He’s the gift. He’s the One that God sent down. I just speak when He*

speaks through me. I can say nothing unless He says to me first. But He promised me...I would be able to do this,

Remember when he says, THUS SAITH THE LORD, he says, “How could a prophet say, THUS SAITH THE LORD, except the Lord has said *Thus*. Who is that Pillar of Fire? And the Lord spoke to Moses? Who was that Pillar of Fire? The God of Abraham, Isaac and Jacob; Jehovah of the Old Testament. Who was that Pillar of Fire that came to Paul? “I am Jesus Whom you persecute.” Jehovah of the Old Testament is Jesus of the New Testament. Watch.

He said, *But He promised me that I would be able to do this, for the faith of the people, to get them to believe that He sent me to pray for the sick; not to heal the sick,*

He didn't send me to heal the sick because by His stripes you *were healed* two thousand years ago! No gift ever healed anybody. He said, “This sign in the hand, it only detects germ disease – you have cataracts in your eye; you have tuberculosis; you have diabetes.” The next gift discerns the secret of the heart – “You are living with somebody else's wife. You are hiding from your wife, but you are with another woman.” That's right. That shows the vision and reveals the sin in the soul. That moves from the body to the soul. Do you understand?

He said, “What this gift does—gifts are only to stimulate faith.” Because when you see he tells that woman, “Lady, you have had three operations and the doctors did a bad job and now they gave you up to die and that's why you have been here in the meeting. Your neighbor was healed in my meetings and she testified to you that I am going to be in this city and so you came here tonight. You got a prayer card this evening and your number was called tonight. And when you stood there you felt something. Are those things true?” And then he begins to talk to the woman.

Now watch. That doesn't heal anybody but that knowledge, she knows, “No man could know this. He does not know me. We never met in life. That is coming from a supernatural source. My life is recorded somewhere. He has access to the database.” Did you see the film? The woman stands up here. [Bro. Vin indicates near the pulpit. –Ed.] He said, “You are becoming younger before me. Yes, I see you becoming younger. Twenty-five years ago you had an accident. You fell out of the car. Something with your throat; it

has bothered you since.” We are not seeing the Angel. The camera is not getting Him but Bro. Branham is getting a vision of the woman twenty-five years ago. That is stored somewhere and that part of her life is transmitted to him like Jesus with the woman at the well. The Prophet said, “I can tell you when the vision broke.” They were talking about water.

He said, “Woman give me a drink.”

She said, “You, a Jew, ask me, a Samaritan for water to drink? Our people don’t talk together.” They had racial discrimination, had prejudice, so those people didn’t talk.

He said, “If you know who asked you for water, you would have asked Me instead.”

They are by a well. She came for water. Her mind, when she left the city, is to go to the well. She came with a water pot, an empty water pot. Her mind is, ‘the well has water’. So He met her right in the activity that is influencing her thoughts. So she said, “Are you greater than our father Jacob, who dug this well?” And they are talking about water.

The Prophet said, “I will tell you when the vision broke.” He made a hundred and eighty degrees turn. He said, “Go, get your husband.” From water He went straight, “Go, get your husband.” He said, “He was talking to her to contact her spirit. And while they are having conversation, He is watching her under vision. One husband – five years ago; second husband – in the latter part of that year; third husband – in the third year; fourth husband – in the fourth year; fifth husband – last year.

She is looking for love. She is searching for relationship. But she comes for water and she needs redemption and she is a predestinated seed. So He sends the disciples away because He wants a one on one. And when they came back, they saw Him and this woman talking. And they came with the food they went to buy.

They said, “Excuse me, ma’am.”

“I think You should eat now because it is hot, right now. Don’t let Your food get cold.” [To Jesus –Ed.]

He said, “I have Meat that you do not know of. Go ahead.”

He dismissed them. From the time He gets in that tone they know, “Move from here. You are interrupting something supernatural.” Amen. So they backed off. See?

She said, “I perceive You are a prophet. How do You know this about me?” Said, “We know when Messiah comes He will do this.”

He said, “I that speak to you am He.”

Catch this. One meeting, not as long as we are having tonight but a few minutes. The first thing she saw – a Jew. The second thing she saw when her heart got discerned, it lifted her into a next realm. She began to see the Jew now, is a prophet and she quoted the Scripture, “We know when Messiah comes He will do this.”

And when He said, “I am He.”

She said, “Is not *This* the Christ?”

From a Jew, to a prophet, to the Christ, identified among her right there! The first Pull contacted the flesh. The second Pull went to the spirit and revealed her life! Third Pull – redemption, quickening that seed and taking her out; a rainbow trout! Hallelujah! And she brought the whole city, “Come and see. Is not *This* the Christ, the One promised?” Hallelujah! Who was He? The Logos veiled; the Pillar of Fire, God above us came down and veiled in human flesh. God with us, Immanuel. Hallelujah! Do you understand? See.

He said, ...*He sent me to pray for the sick; not to heal the sick,*

Have you ever heard the Prophet say, “If Jesus comes with this suit tonight and stands up here, He cannot heal you. And you can say, ‘Lord, heal me, heal me.’ He will say, ‘I have already done it two thousand years ago. You have to accept it.’” He said, “This gift helps to lift the faith.” That was a sign. But now we have the Voice of the sign. And faith comes by hearing and hearing by the Word and not just telling you what your name is and your telephone number. It’s showing you your Age, your Anointing, your Promise, what part of the Word you are, what you’re born for, what God wants to do in your life to bring you into a perfect faith. Hallelujah!

He said, *Now, He’s the Gift.* Now He’s the Gift.

Moses never performed a miracle. Moses never did a thing. Moses was just the mouthpiece. He said, “Now I am not the gift. He is the Gift. I only say something when He tells me to say it.” Did you ever see him? He said, “Play Only Believe. He loves to hear that.” He said, “You know I’m waiting. He told me He’ll be with me. I do not know if He’ll do anything tonight but just sing

this by the time because if He doesn't come, we'll dismiss the service and go home." And then he says, "He's here. I just felt Him come in. He's here. I take every spirit under my control now for the glory of God."

Don't you want to know that One or you want the Prophet to come back? The One Who sent the Prophet took the Prophet. The One Who gave us the Prophet took back His Prophet. The One Who made us His Bride came as the Head to take the Headship over His Bride; *Uniting Time And Sign, Super Sign, Oneness*. [1962-0211 -Ed.] Hallelujah! He has come to take His Headship that in this day you will know, "As I was in the Father and the Father in Me, so I in you and you in Me and Greater is He that is in you!" Hallelujah! Glory!

He said, ...so ...*friends, as your brother,*

Look at the honesty. One of the great things about the Prophet is, he never tried to impress people. He never tried to give them some impression, he had all this Power. No, no. He knew he could do nothing without Christ. John 15, Jesus says, "Without Me you can do nothing."

Do you think it's the bulb producing that light? It's an unseen power behind that bulb. It comes through the wire, a wire to conduct the unseen power of electricity. Amen. If the electricity goes, you could take down the bulb and examine the bulb and find that it is a good bulb, but the reason it is not lighting is because the electricity is not connected to the building. But if you turn on the switch and the electricity begins to flow, then that bulb lights and darkness is being scattered. But what you're really watching is not how great the bulb is, it's how great the electricity is. Hallelujah! It is the Great Electricity in action. Hallelujah!

Catch it now. He said, *Now He's the Gift*. I am not the gift. *He's the Gift. And...as your brother, that's all I am. But God's gift is the Spirit of God [Who? The Spirit of God] that came down in the form of an Angel.*

The Jehovah-Angel! Hallelujah! Glory! Came down in the form of a Pillar of Fire, came down in the form of a Cloud, God coming down; came down in a Whirlwind, came down in a Star, came down in three Rainbows; God coming down. Oh my!

On the message *In His Presence*, [1962-0909e, para. 92 –Ed.] Bro. Branham is coming to the end of the service *In His Presence*. He said, *I'm recommending Him to every weary person.*

Do you feel so weary? As the song writer says, *I'm so tired and weary but I must go along until the Lord comes and calls me. Some day, there will be peace in the valley for me.* [Song #148, Songs That Live. –Ed.]

He said, *I'm recommending Him*

Tonight you already know the first Angel, the earthly Angel; that man with the bald head, that body you're seeing photographed in that picture. It took a sperm from Charles Branham and an egg from Ella Branham to produce that body. But Charles and Ella Branham couldn't produce that Light at the top there. [Bro. Vin points to the Pillar of Fire above Bro. Branham's head. –Ed.] Charles and Ella Branham couldn't produce the soul but the soul in that body was an attribute of God. Like God told Jeremiah, "Before you were formed in your mother's womb..." "Before you were formed in Ella's womb, I knew thee and sanctified thee and ordained thee to be a prophet, William Branham, and this day I give you two signs to confirm your commission. You will go out and start a healing revival! The signs will attract their attention, but like I told you on the river, there's a Message that's going to come forth, the Voice of the sign! Seven Thunders will make a Bride ready for the Rapture!" Hallelujah!

I'm recommending Him to you that have no hope.

You might be in despair tonight. You might be going through great battles tonight. You might be in a difficult place like Jacob at Peniel, "O my God!" Esau is coming for him. He doesn't know what to do. But in the dark of night—in the dark of night, he bumped into something and almost got electrocuted. He said, "What is this here?" A Man, a Man; not a thing, a Man; and he began to wrestle; and as he began to wrestle. He felt something, a charge. He said, "I'm not letting You go."

The Man said, "The day is dawning. It's daybreak. I must go. Turn Me loose."

He said, "I will not let You go except You bless me."

Hallelujah! He came into a new walk. He came into a new name! He used to dream about angels and here he was. When you dream something and you have a desire for that thing you dream,

you would be looking that one day that dream could become reality. Well Jacob's dream – he wasn't dreaming then, It was the Angel of God. Hallelujah! He said, "I saw God face to face."

How many know 1st Corinthians 13? We'll not see through a glass darkly anymore when That which is perfect; this Headstone, this perfect One, the Author and Finisher of your faith, when He comes down in this Hour—this Mighty One with the open Book with the Seven Thunders; this One Who could reveal to you, your strange and misunderstood life; by walking you through the pages and showing you the Mystery: why you are here on earth, why He called you in this Message, what is His plan for your life. Hallelujah!

And hear the Prophet, *...and God has that Angel ordained tonight, called the Holy Ghost, [What?] ...and God has that Angel...tonight, called the Holy Ghost, that'll take away all your sins.*

When you say the Holy Ghost, what do you mean? A breeze? "I get goose bumps. Oh, the Spirit was upon me tonight when the brother was preaching." What do you think It was? A thing? A breeze? A Man; the Man, Christ Jesus, in the form He was before He became flesh; the One that Paul met!

Oh God, help me. Anyhow I'll stop; leave the rest for tomorrow, no problem. I'm not worried. I just want Him to have His way. Because if you could take a cup and put it in the ocean, the whole Pacific Ocean, it will not bring up more than a cupful. If you take a bucket and you put it in the ocean, it will bring up a bucket. If you put a barrel, it will bring up a barrel. It depends on your capacity to receive revelation. If a cup-full will fill you up, you'll get filled up in the first half hour. If you have a bucket, right now you're overflowing. And if you have a barrel, there's little more for you. [Congregation rejoices. -Ed.]

God has dealt every man a measure. Everybody doesn't have the same measure. It's not a competition. God gave you the measure for the work He called you for. Amen. So you don't have to worry about a thing. If you've got a cupful, God made you a cup and made somebody else a bucket. They have more responsibility. They could be more accountable to God because to whom much is given much is required. You don't want to have much and then you're not doing anything with what God gave to

you. They that knoweth and doeth not shall be beaten with many stripes. With privilege there is responsibility. That's right.

Angel Of The Lord, 1951! [1951-0502, para. 39 –Ed.]

Now, I want you to know that [the] Angel of God is no more to do with me [than] It is to do with you.

Don't think that it's me alone the Angel loves. God is saying, "Behold, I send you." Who is in God's thoughts? Whose need is God understanding? Behold 'I' – who is 'I'? Revelation 10:1 – send 'you'. Who are 'you'? Revelation 10:8 to 11. Who is Elijah? Revelation 10:7. And he will turn your heart back to the faith of the fathers. With what? These Divinely revealed Mystery-Truths contained in the Seven Seals which are the revelations of these Seven Thunders – Revelation 10:3 and 4. Do you understand what I said there? Malachi 4:5 and Revelation 10 are the same Scripture – behold 'I' (Revelation 10:1, Christ) send 'you' (the Bride, the Elect), Elijah the Prophet to forerun the Second Coming; to turn your heart back with a Message. What is his Message? He's not a reformer. He's a prophet. When he begins to sound, the Mystery is finished. What was sealed up in the Book? And John said, "I heard the Seven Thunders and I was about to write It."

He said, "Don't write It! Seal It up! In the days of the Voice of the Seventh Angel!"

Hallelujah! So it has no more to do with me than you. Who sent Elijah to the widow of Zarephath? Did a friend tell Elijah about this woman – a Gentile woman, in the time of famine; economic depression, when Elijah's message was rejected? Luke chapter 4 – there were many widows in the land in that Hour but God sent him to Zarephath; an appointed woman who is going to receive Elijah the prophet, and she will sustain him. She knows how to mix the meal and the oil. He will lead her to discover faith she doesn't know she has. Hallelujah!

He said in *Angel Of The Lord: Now, I want you to know that [the] Angel of God is no more to do with me [than] It is to do with you. That It's an Angel sent down from heaven. And if you don't believe Angels are ministering Spirits sent from the Presence of God, then you don't know the Bible. [Do you hear the Prophet?] And if you don't believe that Angels are ministering Spirits...*

Seven Spirits, Seven ministering Angels, [Bro. Vin points to a portrait of the Cloud –Ed.] Seven Chief Princes, Fountain of the Great Rainbow, Seven Spirits before the Throne that came down in the body shape of a man, the Logos; and in that form He created all things and all things were made by Him. Is that right? John 1, “In the beginning was the Word” – the Logos.

So this is what we’re trying to do here tonight – introduce this One to you. Let me take one more Scripture and close. Acts 27, turn with me quickly. That’s where I got my title from, “**THE ANGEL OF GOD WHOSE I AM.**” I’m just going to leave this with you tonight for you to meditate upon.

Acts 27, verse 18. This is the Alpha Bride; and Elijah has come and turned the hearts of the children back to the faith of the fathers. The palmerworm, the locusts, the caterpillar, the cankerworm ate down the tree, but there is an Hour of restoration, “I will restore” – Joel is giving the prophecy. Elijah truly shall come and restore all *things*. *Things* are mysteries. They ate down the true revelation of water baptism; ate down the revelation of one God and made Him three; ate down the mystery of the true Church and made it a man-made organization.

He said, *Hybrid Religion*, [Condemnation By Representation, 1960-1113 –Ed.] *Jezebel Religion*, [1961-0319 –Ed.] *Why I Am Against Organized Religion*, [1962-1111e –Ed.] *Why We Are Not A Denomination*, [1958-0927 –Ed.] he’s restoring, restoring the Truths. *Things* in the Bible are Mystery Truths. When the Spirit of Truth comes, He will teach you all *things*. The Spirit of God searches the deep *things* of God. Jesus said, “I have many *things* to tell you but you can’t bear it now but when the Spirit of Truth comes, He will bring it back to your remembrance.” That’s right.

So watch here. Acts 27, Paul is speaking his revelation of Jesus Christ as the Angel of God, the Logos, the Holy Ghost. When the Holy Ghost came in the Upper Room, was it in the form of a Pillar of Fire? Did It divide up itself into tongues of Fire? The tongues of Fire went upon them. Everybody was being dealt a measure. And by one Spirit they were baptized into the Body.

But that was the same Pillar of Fire that was above us, then God with us. Then that corporal body, He took it up into Heaven and He returned in the form of the Holy Ghost, the form of the Pillar of

Fire that Paul saw on the road to Damascus. And what did Paul call It? “Who art Thou, Jehovah? Who art Thou, Lord?”

And what did He say? “I am Jesus.”

And Paul says, “What? Jesus was a man from Nazareth.”

Then he began to realize, “Great is the mystery of godliness: God was manifested in the flesh.” [1st Timothy 3:16 –Ed.] He couldn’t die as a Spirit. He had to become man to die. God’s plan was to become man. He’s perfected as God by becoming man; to become Redeemer. This is the purpose of God. It’s a Book of redemption. It’s a plan of redemption. The Lamb was slain before the foundation of the world and the names put in the Lamb’s Book of Life. That’s right.

So watch here. Verse 18. We break right into them on the boat in the storm. For fourteen days, they hadn’t seen the sun or moon or stars; and Luke is writing here.

¹⁸ *And we being exceedingly tossed with a tempest, the next day they lightened the ship;*

¹⁹ *And the third day we cast out with our own hands the tackling of the ship.*

²⁰ *And when neither sun nor stars in many days appeared, and no small tempest lay on us, all hope that we should be saved was then taken away.*

²¹ *But after long abstinence Paul stood forth in the midst of them, and said, Sirs, ye should have hearkened unto me, and not have loosed from Crete, and to have gained this harm and loss.*

²² *And now I exhort you to be of good cheer: for there shall be no loss of any man’s life among you, but of the ship.*

Watch. This is Acts 27. In Acts 9, Paul met Jesus; not as a Man with nail scars in His hand; not a Man like the Hoffman’s Head with a beard. He met Him in the form of that Pillar of Fire. Do you understand that? Watch the three forms. You have it right here. [Bro. Vin points to the photographs on the wall. –Ed.] Now we’re putting it in the Bible. Now we’re telling you what the Prophet taught. He said,

²³ *For there stood by me this night the angel of God, whose I am, and whom I serve,*

Who is Paul serving? The Angel of God? He belongs to the Angel of God, whose I am? Is he bringing some new kind of heresy or is he really understanding who Jesus is?

Let me ask you this now. Who laid the foundation for the church? Peter? Philip? James? John? What does 1st Corinthians 3: 10 and 11 say? “I have laid the foundation that no man can lay.” Do you know why no man can lay it? They know Jesus in this form. [Bro. Vin points to a photo of Bro. Branham. –Ed.] They don’t know him in this form. [Bro. Vin points to a photo of the Pillar of Fire. –Ed.] They know Him in this form. [Bro. Vin points to a photo of Bro. Branham. –Ed.] People in the Message know this form. [Bro. Vin points to a photo of Bro. Branham. –Ed.] They don’t know this form [Bro. Vin points to the Pillar of Fire. –Ed.]

Paul said, “I have laid the foundation which no man can lay.” The mystery that has been hid from all Ages is now being revealed. These holy prophets and apostles—and I have to make all men see the fellowship of this mystery. Who is the one who set the Church in order? Who is the one who set the communion in order? Who is the one who told you the qualifications of a minister and of a deacon? Who is the one who revealed who Melchisedec is? Who is the one who separated Law from grace? Who did it in the New Testament? The one who didn’t hunt and fish with Jesus; the one who didn’t sit in the meetings; the one whose name wasn’t called out in the prayer line.

Listen. Take another look. Do you see how he had the Cloud for three years in the picture; and then one day God says, “You have it, you are preaching about it but you’re looking at it from the wrong angle. Turn it to the right angle”? Then he saw Jesus. We have the Message, we’re reading it, we’re preaching about it, we’re translating it, we’re printing it but until you don’t turn it to the right angle, you’re not really seeing what has been made known to us in this day.

Who did Bro. Branham introduce? He said: *A Greater Than Solomon Is Here, Who Do You Say This Is*, [1964-1227 –Ed.] *There Is A Man Here That Can Turn On The Light*. You say, “That is Bro. Branham.” Go back and read. He said, “The One Who designed the Church; the One Who knows what it takes to put it in rapturing condition.” *It Is The Rising Of The Sun*. [1965-0418m –Ed.] Of course. He said, “This One that came to Abraham; outside

it looks like a man with dust on his clothes.” He drank milk and ate calf, ate cherry pie and pumpkin pie and sucked *red hots*. Was it that man telling the people the secret? Was it that man creating squirrels? How many creators do we have? Watch.

²³ *For there stood by me this night...*

Not to be sacrilegious but there stood by me this night One that I’m recommending to you. I would be so blessed if He told me, “I give all that sit in this meeting with you.” But I can’t say that because He didn’t tell me that. It’s not my ship. I’m just taking a ride on the ship here tonight. The ship might be going through stormy waters, and if it was just us alone on the boat, we would have all been dead men. But there stood by me this night the Angel of God. Who is the Angel of God? The God of Abraham, Isaac and Jacob, Who came to Moses as the Angel in the Pillar of Fire in the First Exodus! Who came in the Second Exodus? The same God came back in the Second Exodus.

Paul did not lay the foundation on a man from Nazareth, but on the God Who became flesh; Who became an Atonement; Who was wounded for our transgressions and bruised for our iniquities; Who conquered death; Who rose into glorification; Who sent back the Holy Ghost. Hallelujah!

²⁴ *Saying, Fear not, Paul; thou must be brought before Caesar: and, lo, God hath given thee all them that sail with thee.*

²⁵ *Wherefore, sirs, be of good cheer: for I believe God, that it shall be even as it was told me.*

“For it shall be even as it was told me!” And Acts, when you continue reading tells you—I have to cut off here. The time is up. I’m putting a pause. I’m going to come right back there.

This One Who appeared on the road to Damascus, the One Who appeared on Mount Horeb; the One Who appeared in Green Mills, Indiana; the One Who was photographed in Houston, Texas and in *Life Magazine* – forty miles, East Flagstaff in Arizona; the Unseen Power, the Electricity that is here tonight giving this energy, making this Word come out of the page so that we can walk in Evening Light. Hallelujah! Supernatural Words of Light coming down upon us, quickening our minds, giving us wisdom of revelation that the eyes of our understanding will be enlightened; that we’ll know Who our God is; Who Jesus is.

I'm closing with this quote. *Christ, Is The Mystery Of God Revealed.* [1963-0728, para. 206, 628-629 –Ed.]

But in the last days, the reason that was such a tremendous thing, that He spoke of it here and showed those Seven Thunders and... 'Life' magazine then packed that Circle of Cloud and Light there that they could not understand, and don't know it yet. But here telling, 'Go there and wait for these mysteries to be revealed,' and here months before it happened; and then it happened, at exactly the way He said it would do.

He said, *Did you notice in that picture? Even that Angel on the right when He was being materialized, coming down, with His wings back and His head setting sideways, there it is right there in the picture, just exactly. Months before it happened, told here that He's going to bring the Body of believers together; to reveal, take up them lost ends.*

...Just think, 'Christ, revealed,' right in us now, right now in us. ...how was He revealed? Because He first loved me. What did He do? ...purchased my salvation. Glory! [Get this now.] That great Angel of the Covenant, that One Who was with Moses in the wilderness, [I read it – Exodus 23, the One Who was with Moses in the wilderness.] that One Who come to Paul on the road to Damascus, [same One!] that same One permitted His picture to be taken with us...

Is this the One that came to Moses? [Bro. Vin points to the Pillar of Fire. –Ed.] Is this the One that came to Paul? Is this the One that came and took His picture with him? Then this same One, did he say It's in *Life Magazine*? When He was coming down He began to materialize and he pointed out the One with the pointed wings?

...the same One that was in the picture in Life magazine the other day...

You mean that One is this same One? [Bro. Vin points to the Pillar of Fire then the Cloud. –Ed.] You mean the Whirlwind that talked to Job is the Pillar of Fire that talked to Moses; is the Man that came and talked to Gideon; is the Man Who made cakes for Elijah and he went in the strength of it for forty days; is the Man Who walked out of the Fire and talked to him; the Man Who used to give him the visions and reveal the life of the people and open the Scripture; the Man Who came to Daniel?

How many gods are there in the Bible? Is Jesus Christ the principal Theme of the entire Bible? Is it the Man that came to Joshua? Is it the Man that came to Abraham and turned His back in flesh and discerned Sarah's heart? Did that Man come in this day and turned His back – the One Who came to Abraham and created a ram on the mountain? What did he say in Hattie Wright's house? He said, "All I know, the same God Who created a ram for Abraham, Who Abraham called Jehovah-Jireh, is the One Who created the squirrel for me." What do you say?

Hear what Hattie said. "That's nothing but the truth, Bro. Branham!"

What happened? The One Who created the ram for Abraham and the One Who created the squirrels came down in the house and said, "Ask what you will."

You mean He could give resurrection? He could speak a storm out of existence? He could speak a tumor standing two thousand miles away? He could beat a telegram that they sent with a prayer request to pray for Bro. Bosworth dying with amoeba in South Africa? And He could come into the car while the Prophet is driving and give him a vision while he's going around the mountain and he sees Bro. Bosworth dying and prays for him? And by the time the telegram comes, a next one comes after, "Oh Bro. Branham, he's healed." He checked it at what time the first telegram came. He said, "The Angel of God beat the telegram by twenty-four hours. He could beat e-mail. Is that right? You could have the fastest processor, He's beating that. Changing dimensions faster than the speed of light; quicker than the Angels came! Come on brothers, get ready. Amen. Hallelujah!

That great Angel of the Covenant, that One Who was with Moses in the wilderness, that One Who come to Paul on the road to Damascus, that same One [Not another – that same One] permitted His picture to be taken with us; the same One that was in the picture in the Life magazine... [Hallelujah!] ...the same Word, by the same God, through the same channels, by the same way, by the same promise! He said, And here He is in here this morning, with us, as we worship Him in the Spirit [and truth.]

What was he preaching? *Christ Is The Mystery Of God Revealed.* That the entire Bible is the expression of one goal and one purpose; that God in Genesis 1 is God in Revelation 22. And

the Bible ends with what? “And the Spirit and the Bride.” Who is the Spirit? God’s gift that came down from Heaven in the form of the Angel of God.

Was the Angel with the alpha Bride? Did the Angel go with Peter? Did the Angel go with Paul? Did the Angel go with Philip? Is this the restoration of the Bride Tree? Is this a branch from the Root coming up to bear the same kind of fruit – nine fruits? The Pastor was preaching last night, Bro. Julio – same fruit, same bark, same leaf, same experience, same Word, same Holy Ghost; same Angel! [Congregation applauds. –Ed.]

Do you know what the trouble in the Church is? They know a Jesus after the flesh. God help me to show you that tomorrow. Everybody—the eleven apostles had known Him in the flesh. The twelfth one knows Him as the God Who became flesh. That One he had seen. That One he had met. He said, “He was seen of Cephas, He was seen of James, He was seen of the eleven apostles, He was seen of five hundred but He was seen of me also.” I gave you my testimony; He was seen of me also. That’s how I know these things. He was seen of me also! He said, “The world will not see Me...” Did He say it? “But you will see Me. I will come to you and make Myself manifest to you. I will bring back the things to remembrance.” What was I doing? Bringing back the things he said to your remembrance; showing you his place and the place of the One Who sent him.

And that’s why people sit down there and there is a supernatural element that is missing. They know the human form and they live in the humanistic realm. But to those whom He is unveiled – *Christ, The Mystery Of God Revealed, Christ Is Revealed In His Own Word*, [1965-0822m –Ed.] *The Unveiling Of God*, [1964-0614m –Ed.] *The Mighty God Unveiled Before Us*, [1964-0629 –Ed.] *Who Do You Say This Is, A Greater Than Solomon Is Here, There Is A Man That Can Turn On The Light, The Masterpiece*, [1964-0705 –Ed.] *The Identified Christ Of All Ages*.

Who is he talking about? He said, “Those seven men of the Church Ages they were earthly men; they can’t touch that Book! They can’t open that Book!” But this One that’s coming down, this One that is coming down with the Book in His hand in the time of the Seventh Angel, in the first and second Pull – God above us. [Bro. Vin points to the Pillar of Fire over Bro. Branham’s head. –

Ed.] When I look *here* I see two angels. What do you see? This is Revelation 10:1, [Bro. Vin points to the Pillar of Fire over the Prophet's head –Ed.] Christ, the Logos, the Pillar of Fire, the Angel of the Covenant, the God of Abraham, Isaac and Jacob, the God in His pre-incarnate glory, the Logos; the One Who created the heavens and the earth.

This one, [Bro. Vin points to Bro. Branham –Ed.] Charles had a sperm and Ella had an egg. They produced this body and he called them his father and his mother. But when this One came and revealed to him that He knew him before he was formed in his mother's womb and He sanctified him and ordained him to be a prophet and showed him his name in Malachi 4:5, Revelation 10:7; showed him his shadows there as Eliezer, the evening messenger going to get the bride; as Moses, the prophet in the Exodus; as Joshua, bringing us in the new land; as the chief reaper introducing Ruth to Boaz; he began to see himself. He knows he is Eliezer; he is not Isaac. He knows he is the chief reaper; he is not Boaz. He knows he is the forerunner like John; he must decrease and this other One must increase.

I don't have to ask you, who do you say this is? [Bro. Vin points to the photo of Bro. Branham. –Ed.] I am not introducing him tonight. You know him. I am asking you, "Who do you say This is?" [Bro. Vin points to the Pillar of Fire over the Prophet's head –Ed.] Is this One [The Pillar of Fire –Ed.] Who was veiled in flesh? [Bro. Vin points to the picture of Jesus. –Ed.] Then this went up into Heaven, sat on the Right Hand of God – Authority and Power, the Atonement and came back in this form [Bro. Vin points to the Cloud –Ed.] in these last days? And this One is that same One. [Bro. Vin refers to the Cloud and the Pillar of Fire. –Ed.] They were in the First Exodus. It became flesh in Jesus; Immanuel, Super Sign, God with us.

On December 24th, 1965 God took the veil, the body that was produced by Charles and Ella Branham and put it in a grave by Branham Tabernacle and they put a little pyramid on top of it. But the man who used to live in there, who Charles and Ella didn't produce left the earthly tabernacle and went into a celestial tabernacle – a house made without hands eternal in the Heavens. He is in that tabernacle tonight as we speak! Amen! The One Who sent Elijah took him back.

Are we by ourselves? “Lo, I am with you always. I will never leave you. I will never forsake you. I will be with you and in you.” And the Spirit and the Bride... What Spirit? The Gift of God that came down in the form of the Angel of God that goes with us in this Hour. Hallelujah! The One that has been unveiled to us, He is Alpha. He is Omega. He is the Beginning. He is the End. He is the Lamb of God. He is the Lion of Judah. He is Eagle, Lamb and Lion. He is Prophet, Priest and King. He is Son of Man, Son of God, Son of David. He is the Rose of Sharon. He is the Lily of the Valley. He is the Root and Offspring of David. He is the Bright and Morning Star. He is the Fairest of ten thousand. He is a Greater than Boaz. He is a Greater than Moses. He is a Greater than Isaac. Hallelujah! Glory be to God in the highest! Oh I just love Him tonight.

The Rapture is at hand my brothers, my sisters. That’s why I came here through my brother, my minister brother and friend, with these other minister brothers and friends. Oh my! We are a little constellation of Eagles. We fly where only eagles dare. We fly so high in a supernatural atmosphere. We don’t walk by sight; we walk by faith. We walk in the Word. We have an open channel of communication that is given to us by inspiration! We see our names in the Book. We live under the Mystery. We recognize our position! We know the Angel of God is with us like He was with Peter and Paul and Philip! He directs our steps. Hallelujah! Glory be to God in the highest!

This is not politics. Politics remain in the barnyard. Politics can’t get up here. This is not church membership. This is not, ‘I, me and my church.’ This is, *The love of Jesus is so wonderful, the love of Jesus...* [Bro. Vin sings. –Ed.] This is the love of God coming down. This is the Holy Ghost. Hallelujah! This is the Quickening Power quickening the Word, making It alive and giving us a supernatural faith.

I want to call my brothers to sing. Get into rapturing mode, Church. The Hour is here. The Hour is here. The Pillar of Fire is moving through Porto Alegre. Can you discern? Can you discern? You discern the sign of the time. You say look what the Pope is doing. The Pope has gone over *here*. Look what is happening in the United States. Look what Obama is doing. Can you see what

the Angel is doing? Can you see what God is doing? Hallelujah! Let's worship Him. Amen.

[Bro. David Dayal and brothers ministers in song, "*Changing Dimensions.*"
-Ed.]

Hallelujah! This is the Hour, friends. The Bride is to be taken out from here. What is the Rapture? Changing dimensions! Before you could change dimensions your body has to be changed. Before your body could be changed, your soul, your nature has to change. Before that soul changes, your atmosphere has to be changed. There is a Word creating an atmosphere around you. We don't walk by sight; we walk by faith. Faith looks to the Unseen. Man walking by sight lives in the humanistic realm. Moses followed the Pillar of Fire. Bro. Branham followed the Pillar of Fire. Moses endured because he saw Him Who was invisible.

Look at Balaam. He couldn't see the Angel. The donkey is seeing the Angel but he can't see the Angel. He is so blinded by ambition and money and position, making a market for his gift; preferring to live under the headship of men to become part of Balak's kingdom. But Moses who could have been the next Pharaoh, esteemed the reproach of Christ greater riches than all the treasures of Egypt; refused to be called the son of Pharaoh's daughter. He refused to become a part of the royal family and be the next Pharaoh of Egypt, the super power in the world. He stepped down because that prophetic vision could see into a next dimension.

Abraham had a vision opened up to him when he met Melchisedec, a Man Who came from the Heavenly Jerusalem and Abraham began to look for a City whose Builder and Maker is God. And Lot who was with him began to go towards Sodom. The glamour and the prosperity of Sodom paralyzed his faith. He was a hawk. He went down into Sodom. His daughters married two men and were still virgins. He and his wife began to climb the social ladder and said, "Look how God is blessing us." But he was already gone when he separated from Abraham because God was with Abraham. From the time he left under Abraham he drifted towards Sodom. He became the mayor of the city. He began to hoard riches. He lost everything in one night; ended up drunk and committed incest with his daughters. He had such an opportunity. He never got any new name. Abraham came into a new name.

Abraham came into a new body. Sarah came into a new body and got a new name. Lot's wife turned to a pillar of salt.

Balaam, look where he ended up. His donkey had more revelation than him. His donkey could see the Angel. Yet he had seven sacrifices just like Moses. Yet Moses could give up being president of Egypt.

God said, "Moses, move back let Me kill these people and give you a new church."

Moses threw himself in the gap. He said, "Kill me first. Take my name out of the Book first." He said, "What? Do You want the nations to say that You brought the people out and You can't take them in?"

He was thinking about God's Name. He was thinking about God's reputation. He was thinking about honoring God. He wasn't lusting after a bigger church. Where are those kinds of men? Yet Balaam, he put up a stand first. Balak sent some men.

They said, "Balak offered you a position. You are going to be the archbishop of all of Moab." He said, "Do you know how Pharaoh raised up Joseph? Balak is going to raise you up." He said, "Just come here and curse these people."

He said, "You go back and tell him I cannot do that."

But Balak—men know men. Do you know what Balak thought? He said, "I sent the wrong men. I sent weak men." He got some stronger men and when they came they began to negotiate. They began to inflate his ego. They began to build him up.

He said, "Stay. Let me go and talk to God."

The Prophet said, "Go and talk to God? Does God change His mind about His Word?" The man started to desire the permissive will of God instead of the original Word. His thinking wasn't filtered. He didn't have a holy man's taste. He had a taste for ambition. He wasn't thirsting for the Living God. He was thirsting for a higher position in the kingdom of men.

Look into your heart. See what thirst is in your soul. Bro. Branham's earthly journey is over. He is gone. He is coming back in the resurrection with all the saints there. Seven messengers from Paul to Bro. Branham, every one went by the way of the grave – none by translation. They all died; all were buried and all

are in Glory. But we who are alive, we shall not all sleep; we who are alive and remain.

Enoch had a testimony; he pleased God before he was translated. Enoch walked with God. Two cannot walk together except they first be agreed. For man to walk with God, he has to have the same nature like God because light cannot fellowship with darkness; and by man's first birth he became darkness; born in sin, shaped in iniquity; came dead in sins and trespasses. But when man gets a New Birth and becomes partakers of the Divine nature, now, Christ is on the inside. Now the Inside Teacher is on the inside. He is not running after a bunch of outside teachers. In that day you will know I in you. No outside teacher can come in you. Christ has to be in you. Christ has to be in you.

Let's recognize this, friends. If you have gone all these years and you do not know that other Angel – He is the One Who brought the healing. He is the One Who brought the discernment. He is the One Who brought the opening of the Word. He is the One Who brought the creation. He is the One Who spoke the tumor out of existence. He is the One Who said, "I am Jehovah Who calmed the sea at Galilee that night. Now you speak this storm out of existence."

That *He* was formed inside of the Prophet. He had His own faith. This faith, virtue, knowledge, temperance... these seven things, this is the man that goes in the Rapture. [Bro. Vin points to a photo of The Stature of a Perfect Man. –Ed.] This is not a white man. This is not a black man. This is not a brown man. This is not your body. Do you see taste, hear, smell and touch inside of here? This is not your human spirit. Do you see reasoning, conscience, memory, affection and imagination inside of there? That is your soul; the attribute of God that has a law of transformation, that when the Quickening Power strikes that seed you are being changed. God's Power to transform; Power of transformation is changing you from glory unto glory until you are formed in the very image.

Let's recognize. Let's search the Scriptures like the people in Berea, that God could say those in Porto Alegre, in Canoas, might be more honorable than others in other places that don't search the Scriptures. God said, "Those in Berea were more noble than those

in Thessalonica. They searched the Scriptures and they found that this was so.”

I trust tonight you realize this is not cunningly devised fables. This is Jehovah of the Old, [Testament –Ed.] Jesus of the New. [Testament –Ed.] This is the One God; the eternal I AM, the Angel of God, the Great Logos; the One Who created the heavens and the earth. That soul in you came from that Pillar of Fire. We’ll get that tomorrow. I’ll show you. A father and mother could produce a body; they can’t produce a soul. The soul comes from the mind of God. God gave you a body to reflect your theophany. He gave you a terrestrial body to reflect the celestial body you bypassed.

Let’s get away from tradition. Let’s get away from politics. Let’s come up a little higher. Come up hither, John. You are an Eagle. Fly where only Eagles dare. Set your wings and come up a little higher. Let us pray.

Almighty God, we thank You for Your people. We thank You for Your ministers. We thank You for believers. Your Presence is here. Lord, it was quickening us tonight; quickening the Word, opening the Scripture, bringing us into remembrance of what Your Prophet taught us, Who he introduced to us; the One that is here with the Church in this Hour, the Holy Spirit; the Lord Himself Who has descended from Heaven in the form of the Mighty Angel. In 1st Thessalonians 4 it says, “The Lord Himself shall descend from Heaven.” But in Revelation 10, it’s in the form of a Mighty Angel clothed in a Cloud with a Rainbow upon His head. Hallelujah! It is Christ, the mystery of God unveiled to us in this Hour. How we are thankful to know You, to walk with You Jesus.

May tonight, Your Holy Spirit keep brooding upon Your children long after the service is dismissed. Go with them to their homes. Wake them up in the morning. Bring them back out in the house of God to honor Your resurrection. And may oh God, You deal with Your people, Father, because surely You have appointed this time for them that Lord, You might give them something more, something more than their yesterday. May You open their heart as You opened the heart of Lydia to attend unto the things that Paul spake. Grant it tonight, Father.

We love You. We love Your ministers. We love Your people. We appreciate You, Father. We appreciate the Church of the

Living God. We commit them into Your mighty hands, for the glory of God, in the Name of Jesus Christ, amen.

God bless you tonight.
