Shall we bow our heads and close our eyes for a word of prayer? Our precious Lord Jesus, as we stand here in Your Presence with bowed hearts, Father, we are so thankful for the opportunity to come into Your house on this morrow after the sabbath. Lord, to sit in Your Presence and to have Your great Holy Spirit speak unto our hearts today. We come confessing our sins, our shortcomings, our mistakes, our failures.

We pray that Your precious Blood will blot out all our confessed sins, Father. And may the Life of that Blood, the Holy Spirit, Lord, just brood upon us Lord and as Your prophet says, *'You are brooding upon Your Church again in this hour, to bring back that genuine image,'* Father. Lord, a man in Your image and likeness again, that You could say, *"This is My beloved Bride in whom I am pleased to dwell in, hear ye Her."*

Oh, gracious God, let it be such a real experience of that, this morning. Let it come as such a great realization in our hearts that it will cause us to stand with great courage and faith in these last closing days upon the face of this earth. Lord, may we enter into such great rapturing faith, as Your Word will unfold to us, Lord, with such an impact of revelation, so placing us positionally where we ought to be in this hour.

Grant these things Father. Remember the words of Your prophet, he said, *"How we ought to lay in the presence of the Son until all the greenness is baked out, until all the wetness is dried out, until our faith becomes a ripened faith. A faith that could operate Your Word and make It live, make It manifest to show that You are as great as You ever were."*

Grant these things we pray, as we commit ourselves into Your hands asking for divine leadership and direction in all we'll undertake to say and do. May it bring each and every one of us into a closer walk with You in this hour. For we pray and ask these things in Jesus' Precious Name and for His sake. Amen.

I invite your attention this morning to *the Book of Genesis, chapter 1*. I would like to read. I certainly appreciate everyone gathered in the House of God today and you know we are kind of packed tight and everything else, but we're certainly not thinking about that, we are just glad that we have the opportunity to come, these doors being open, to come and honour His resurrection, come and gather together, because we love His appearing. Amen.

Genesis 1, verse 26, I want to begin reading ... we know *from verse one to twenty five*, God was speaking His Word, expressing His thoughts, laying out His great plan for **His Faith civilization**, and how He built right up, you know, from **botany life** and **marine life** and **bird life** and **animal life** and all these things and here, *Genesis 1:26*.

And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea and over the fowl of the air, and over the cattle and over all the earth, and over every creeping thing that creepeth upon the earth.

So God created man in his own image, in the image of God created he him; male and female created he them.

*And God blessed them, and God said unto them, be fruitful and multiply, and replenish the earth and subdue it: and have dominion over the fish of the sea (**all the marine life**) and over the fowl of the air (**bird life**) and over every living thing that moveth upon the earth.*

And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in which is the fruit of the tree yielding seed; to you it shall be for meat.

And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so.

And God saw everything that he had made, and, behold it was very good. And the evening and the morning were made the sixth day.

I would like to continue on verse 18, chapter 2.

And the Lord God said, It is not good that the man should be alone; I will make him an help meet for him.

And out of the ground the LORD God formed every beast of the field, and every fowl of the air; and brought them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof..

And Adam gave names to every cattle and to the fowl of the air; and to every beast of the field; but for Adam there was not found an help meet for him.

And the LORD God caused a deep sleep to fall upon Adam, and he slept: and he took one of his ribs, and closed up the flesh instead thereof;

And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man.

And Adam said, "This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man.

Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh.

And they were both naked, the man and his wife, and were not ashamed.

May the Lord add His blessing to the reading of His Word. You can have your seats.

We want to go right into the Word because today, being the last day of the services that were planned, I am looking forward, by the grace of God, to really cap off these meetings, and the inspiration that God has given me in my heart to bring unto you on '**The Revelation of the Seven Trumpets**', that we have been speaking of each night.

And, you know, we started off there in *the Book of Leviticus* on the first night and we were focusing upon *the Feast of the Trumpets* to *the Feast of the Tabernacles*, the last three feasts.

And we went from that into *the Book of Genesis*, and we picked up the life of Joseph, also taking *those Seven Feasts in the life of Joseph* and how it compared together with **the Seven Feasts in**

Leviticus, revealing in a **type** what was shown in a **symbol form** in the **Feasts**.

Because we find **the Feast of Trumpets** was *the gathering of the Jews* and Joseph's brothers had been gathered together in a time of economic depression.

We know the story, how Joseph was rejected by his brothers, typing Christ being rejected and all these things. And then *Joseph choosing a bride out of the Gentiles* like **the Feast of Pentecost**. And then the time came when Joseph's brothers were gathered again and here now they were going to come to meet him, but they did not know him yet though they were gathered together. They had come in that time in Egypt to buy corn and these things.

And we find that Joseph already had a Gentile wife. Amen. And we saw that the time was going to come when Joseph's brothers were going to recognize Joseph, and they would weep and mourn and cry. Just like the Jews will do in these last days, because **Genesis is really Revelation in seed form**.

Genesis is the sowing, *Revelation* is the harvest, and the law of reproduction is every seed brings forth after its kind. So what started in *Genesis* goes all the way to *Revelation*. The law of reproduction is just reproducing itself, the life. And God gave His Word in the form of mystery. And we know that in *the Book of Revelation* there are **Seven Church Ages, Seven Seals, Seven Trumpets, and Seven Vials**. So then, **those things** are back in *Genesis*. So we know when **those things** are being revealed in reality form in *the Book of Revelation* it would be in *Genesis*. So if we see it in *Revelation* and we see it in *Genesis*, then we could compare the two together and see if this Seed has come back to Seed, if it's the original life reproduced.

And we have been trying to bring this message on **The Seven Trumpets**, because this was the message that Bro. Branham attempted to preach in **1964**, and the Holy Spirit stopped him. He said it is not profitable to the Church *at this time*. And God told him, "*You preached 'that' supernaturally already under the Sixth Seal*". It's laying there in the Book. And then he told us: "*Right there, Revelation 7 is where all those things took place, all that persecution.*" So we found out then that **those Seven Trumpets** in the Book of Revelation, is also in **Revelation 7**. It covers **Revelation chapters 8 to 11**.

We have been looking at **that** nightly for the past few nights. And we have been comparing **that** with **the Feasts**, because **these Seven Feasts**, that God gave to Israel was really **prophecy**. How **the Feast of the Passover** was *Christ's death*, and **the Feast of Unleavened Bread** also spoke of *His death*. **The Feast of the First Fruits** spoke of *His resurrection*, and **the Feast of Pentecost** spoke of *the Church Ages*. **The Feast of Trumpets** spoke of *the gathering of the Jews again* and **the Feast of the Atonement** speaks of *the time when Israel will recognize the Messiah*. And then we find out **the Feast of Tabernacles** speaks of *the Millennium*.

And we were **typing** those things, because we found out even Ruth coming back – when she was coming, Naomi was coming back in the homeland. Ruth who was a Gentile was coming in the **harvest time**. And we found in the Bible that **harvest time** was a special time because Jesus spoke *of the harvest time being the end of the age*. And He spoke of *the Son of Man* being *the Corn of wheat*. And He speaks that, *in that day when the Son of Man will be revealed again, when the Seed will come back to Seed*, and no age could have said they were living in **the harvest time** until the ministry of the Son of Man was correctly and scripturally identified, proving it is the very same ministry returned in the last days. Then we know that we are not in the stalk or the tassel or the shuck, which are the different stages of the life of the wheat reproducing itself.

But when the same ministry of *the Son of Man* came... In **The First Pull**, the young Rabbi went out with **healing**, and then he began to preach the Word under **The Second Pull** *rebuking the organization, discerning the spirits* and then we found the crowds began to fall back. Then, He came to *the opening of the Word*, **The Third Pull** revealing Himself and the purpose why He came, pulling out the elected Church together. Amen. And we saw *the very same ministry reincarnated in the Bride in the last days*, and *that ministry of the Son of Man ended with the resurrection*. Amen. Because, after He was smitten on the cross, publicly rejected now, crucified, He was rejected in Pilate's judgement hall at the end of His ministry, when the Church and the State came together. When the Church said: "We have no King but Caesar,"

and they came under the headship of the Roman power to reject the Messianic Message.

But after the rejection came the public crucifixion, when He was smitten, and He cried out with a loud voice and there He raised the sleeping saints, preached to the lost, all those things and then ascended into Heaven. And we find out that those very same things are repeated again

And how the prophet identified on *“What shall I do with this Jesus called Christ”* - He shows us the Message has been turned down. He said next is going to come the public crucifixion, when the squeeze comes, watch the Third Pull then. It will go to the lost but it will start the rapturing faith to the going away of the Church. Amen. And we see the World Council of Churches being gathered together, and here we know the hour is going to come when they will close down these places. We wouldn't be able to gather together like this. Amen.

And here was *a great earthquake* when He was smitten there and the sleeping saints arose. And all those things are laying right back here in **type** to happen again. And we see how close we are to that very hour. And we've been taking these things here, **these Seven Feasts**, and we found it over in **the life of Joseph** who was **a perfect type of Christ**. Amen.

It has really been outstanding to see how **the Feast of the Passover** and **the Unleavened Bread** and *Joseph being rejected and being in prison, how the butler was saved and the baker was lost*. Like Jesus on the cross with the two thieves. *How Joseph was exalted after he came out of prison to the right hand of Pharaoh*, where Jesus rose up to the right hand of the Majesty on high. Then, *how Joseph took a Gentile bride in the Feast of Pentecost* and **the Feast of Trumpets**, *Joseph's brothers gathered back together*, and then, **the Feast of the Atonement**. *How Joseph's brothers began to weep when they recognized him*. And then **the Feast of Tabernacles**, *Joseph in the land where they have to blow the trumpets and every knee shall bow when he is there with his Gentile bride, and all his brothers in that land where he had dominion*. Amen.

And we find that so correctly parallels **those Seven Feasts**. And then we went to **the Book of Ruth**, and we find the same thing over in the Book of Ruth unfolding itself in even a greater way,

because Joseph just shows how his bride is being dismissed to the palace. And we found out **now** is **that time**, *between the Feast of Trumpets*, this gathering of Joseph's brothers, *and the Feast of Atonement* where he is making himself known to his brothers, "I am Joseph," See? Then he began to tell them God had a purpose inside of it. Amen. You see that's to save the world and all these things, which will be made known to them under **the Feast of Atonement**. Under **the Sixth Seal**, they would understand the plan of redemption; they would understand how they had to reject the Messiah. It was part of God's plan they were blinded that the Gentiles could come in. Amen.

And then in *the Book of Ruth*, we saw the stages of the Bride. Just like *Joseph* and *his Gentile bride*, here is *Boaz* now, the lord of harvest, and *his Gentile bride*. Amen. In **that same time**, *between Naomi being gathered back together in the homeland and between Naomi receiving her redemption*. And then we find out that *Boaz*, *Ruth* and *Naomi*, (just like *Joseph*, *his wife* and *his brothers*.) lived in *the very same land*, because *Boaz redeemed Elimelech's inheritance*. All speaking about *Christ* and *His Bride*, how they would be in *the Millennium* with *the 144,000*, all laying there in **type** in the Bible.

And then we took *Matthew 24*, and we found right in *Matthew 24* lays *those very same things* again. How Jesus speaking **those Seven Seals** and we found it in *Matthew 24*. And we took *Matthew 24* and we saw how **those First Four Seals**, about *deception*, and *bloodshed*, and *famine* and all these things, and *pestilence* and *death*, in *Matthew 24 verses 4-8*. And then we find in *Matthew 24 verses 9-13* was *the Jews being hated of all nations*, **the Fifth Seal**, *the amateur tribulation of Hitler and Eichman*.

And then we found out, **the Sixth Seal** was *Matthew 24, verses 29-31*, when He will send His *angels* with the sound of *a great trumpet*, and He will gather His *elect* from the four winds of the earth. And we took that there and we saw that right *between the Fifth and the Sixth Seal*, always, in **type** in Joseph's life; in **type** in *the Book of Ruth*; in *Word form* in *Matthew 24*; over in *the book of Revelation*. Always there was **a profound silence**. But **a secret** was taking place, concerning *Joseph and his Gentile bride*. *Boaz and Ruth* – always something with *the Gentiles*. **A secret** while *the Jews* are gathered waiting for redemption, **a secret** with

the **Gentile Bride** pertaining to her being dismissed into the palace; pertaining to full redemption, her coming into oneness. Amen.

And we see *that* being revealed, showing exactly *God's purpose in this hour*, what He is working to achieve in our very own life. And we see these things and we see how always it comes back out so perfectly. And then we took **Revelation chapters 8 to 11**, where **the Seven Trumpets** really are written in **chronological order: First Trumpet, Second Trumpet, Third Trumpet.**

And we found out under **the First Four Trumpets**, how **the creation, Adam's inheritance** that we read here, where he had dominion, which was in **Innocence**. The man and his wife were naked and they did not even know it. **Innocence** – not yet knowledge – **Innocence**; **a Faith Civilization, a type** of the Millennium. **Adam and Eve in Eden** was **a type of Christ** and **His Bride in the Millennium**, where the Lion and the Lamb lay down together.

And that was **God's great secret** in the back part of His mind, **that threefold purpose, that great Seventh Seal** laying right there. And the entire Bible is the expression of one goal and one purpose – to bring back **Adam, Eve and Eden** again, to bring back **Christ** and **His Bride in the restored Eden**. And we find under **the Seventh Trumpet** how the kingdom of this world becomes the kingdom of Our Lord and His Christ. How **Christ** and **His Bride** will be back in **the Millennium** again under **the Seventh Trumpet.**

The same earth that was being destroyed under **the First Four Trumpets** – **the trees, the earth, the grass, the sea and the creatures in the sea, lakes – rivers and the air** were all being destroyed. But we find that **it** was being purified under **the Seventh Trumpet**, and God was destroying them that destroyed the earth. How **the earth is filled with violence** – **Woe! Woe!** And we were taking some of the statistics on Friday night, how 16 million were killed in **World War I**, 20 million wounded. 55 million were killed in **World War II**, four times as devastating just a few years after **World War I** had ceased. Now they are heading into **World War III, the end of all flesh**, when **Armageddon** will wipe off **the earth** to bring back **the Faith civilization**. And we see those things here in the book.

And here the prophet wanted to bring **that message** in '64 and the Holy Spirit said, *'It is not time yet, you preached It supernaturally.'* You didn't preach *the Seven Church Ages* supernaturally; you didn't preach *the Seven Seals* supernaturally. But He said, **"The Seven Trumpets, you preached It supernaturally."**

And we find out **that silence, that great secret** that was taking place on the earth, was **a hidden secret**. *The 'End of Time' Seal*, when It begins will be **a total secret**. *The Rapture will be a revelation only for the Bride*. The Holy Spirit will come down and hunt out those seeds; 'the one' will be taken and 'the other' remain – hunt them out!

And we found that right there in *Matthew 24*, *when shall these things be? When shall be the sign of Thy coming? When shall be the end of the world?* And He was answering three major questions, and He shows *between the Fifth Seal and the Sixth Seal* just like it was in **type** in *the Book of Ruth*. Just like it was in **type** in *the Book of Genesis in the life of Joseph*. Just like it was in **type** in *the Book of Revelation*. Here we see in *Matthew 24*, in **that time so shall the coming of the Son of Man be, injected** right *between the Fifth and Sixth Seal*. And we found out Bro. Branham never explained it on *the Sixth Seal*. He just jumped from **the Fifth Seal to the Sixth Seal**; but on the **"The Anointed Ones of the End Time"** he picks up *the very scripture* and shows, *'the days were cut short - the deception and everything had been deceived.'*

Everyone whose name is not in the Lamb's Book of Life will be deceived. They'll worship the Beast. Amen. But the Holy Spirit is calling the names of the Bride out of **'Blasphemous Names'** into **'The Only Provided Place Where He Placed His Name'**. There they will worship the Father in spirit and truth. There the true worshippers, in The Only Provided Place of Worship have **the oil** and **the wine**. Amen. Only they have the revelation of the Lamb with seven horns and seven eyes. Amen. The sevenfold plan of Redemption being revealed unto them and they're singing, *'Worthy is the Lamb who has redeemed us, and we shall reign as Kings and Priests on the earth'*, under expectation for the Millennium!

And right now those Seven Seals are being opened, to gather the redeemed subjects together, while denomination is being pulled together and formed in the image of the beast to give the power to the beast. Amen. Taking the mark of the beast in *their hand and their forehead*. But the Bride has His New Name, '*the name of my God, the name of the City of my God and My new Name*' written in her forehead. Amen. Hallelujah!

They are worshipping the Beast, and you're worshipping the Lamb. They are in ***Blasphemous Names***, and you're in ***The Place Where He Placed His Name***. Hallelujah. They are *children of darkness*, but you're *children of Light*, in ***the great conjunction***, amen, *between mortal and immortality*, when the pressing, coming of *the great Light* comes. Children of *light and darkness* at the same time. Amen.

You who are born again, because in Him is Life and the Life is the light of men. It is His Life in you. The Token that you have on display in this hour, that makes you children of light. That Eternal Life in you being expressed, making real the Word allotted for this hour, proving that Eternal Life is in you, because you're the interpretation of the Word written for this hour, the expressed attributes of God in a physical body on the earth. Amen.

And that amnesia is moving back, amen. And your hearts are being literally turned back to the faith of the fathers as you feed upon the Word, amen.

In ***Matthew 24***, we saw how He spoke about ***the eagles being gathered together***; not *the lion, ox, man* and these things. ***The eagles in the Eagle age***. Hallelujah. *The rapturing time, prophetic time, when the coming of the Son of man shall be*, where *they* will feed upon ***the carcass, the unfailing Body Word of the Son of Man***.

So we find back and forth in ***the Book of Ruth*** and in ***the book of Revelation, chapter 6***. Then we came to ***Revelation 7*** and in ***Revelation 7*** we found *the Four Angels holding the Four Winds that it would not blow on the earth, the tree and the seas* and these things, which was ***Adam's inheritance***, which was ***Elimelech's inheritance***, being torn up. But there, ***Naomi*** will come back in *the homeland*. They would not tear up *the earth* because ***Naomi*** is coming back for ***redemption***. That is *her everlasting possession*. ***Ruth the Gentile*** is going to come in and

become *heir* with **Boaz**, *joint heirs* over *all things*, **Revelation 7**. Amen.

And we found that in **Revelation 7**, *all Seven Trumpets are happening at the same time, they are sounding at once*. It is not only **the earth** being smitten here and then **the air** being smitten after. No! *It's all happening at the same time*, because *those Four Angels* were there holding up *the Four Winds* so it wouldn't blow from *the four corners of the earth* upon **the tree** and **sea** and all these things.

And we took on Friday night **that is the ecological system**. **That is the environment** that God put man in and man cannot survive outside of **that environment**. Amen.

I don't want to spend too much time on these things because I want to move on. I am just trying to recap a little bit and show how, by the scriptures over these last few nights we have proven what **those Seven Trumpets** are. We have proven *what is happening between the Sixth and Seventh Trumpet*. We have proven *what was behind the silence in heaven when that Seventh Seal is taking place on the earth*, by the scriptures. We have proven that *It is happening in this very last generation*. Bro. Branham says, "*Just around the time Christ comes for His Bride these things will be made plain.*" Amen.

I believe it was laying in the Message and when we have reason to see it, God will let us see it. Amen. And it has become so simple and plain. We sit down here without any education almost. Simple ordinary people like us could sit down here and see the reality of these things. Amen! Right in the Bible already revealed and laying in the Message by the messenger, just to be made plain when we have reason to see it. Amen. And it all speaks of **Redemption**. It all comes back to **God's one goal and God's one purpose**. It cannot deviate from *that*. It must stay with that Word, because, '*any revelation that does not fit into this revelation and brings this revelation to light is the wrong revelation,*' he says. Hallelujah! Amen.

It's going to be made plain. And as *the Book of Revelation* is opened wide before our wondering eyes, we who are edified and purified by its Spirit are made ready for the coming of the Lord. Amen. And it's all on **Redemption** because the book is *a Book of Redemption*.

We see that *the reason* He caused **those Seven Trumpets** to be preached out of **Revelation 7** – in other words, He told His prophet, “Do not preach It out of **Revelation 8 to 11**, you’ve already preached It out of **Revelation 7**, leave it like that.” And Bro. Branham on **page 36**, “**Feast of the Trumpets**,” he said, “Right there between **the 6th and 7th Seal**, (**Revelation 7**), is **Revelation 10**. Christ coming down. Hebrews 4, Hebrews 13:8, John 14:12, Luke 17:30 all these scriptures that are promised, this is to be between **the Sixth and Seventh Seal** and **the Sixth and Seventh Trumpet**.” So when we read **Revelation 7**, we must see **Revelation 10**. We must see *these scriptures* in **Revelation 7**.

We found out **Revelation 7 verse 1** was **1918** when **World War 1** stopped mysteriously on the 11th hour, 11th day, and 11th month, stopped mysteriously. And we found out **verse 4** was *the last half of the seventieth week*, and from **1918 to the last half of the seventieth week**, we are already *seventy years*.

Here we are in **1988**, Amen! See? Here we sit **May 29th, 1988**, this morning and the **144,000** are not yet sealed with the Holy Spirit. **Moses** and **Elijah** have not yet come. And here we’ve seen that *we are getting ready to be dismissed*. Here we see that *we have been feeding upon the Word, Christ the Corn of Wheat, the sheaves thrown to us by the reapers, made into a loaf of bread, which is the Son of Man Himself. The Living Bread that came down from heaven, feeding upon that Word. And coming into oneness with Him at the end of the harvest time, in His very own image, in His very own likeness. We see it! It is happening!*

And in the midst of **this great thing**, oh my, we see **the end of all flesh**. Amen. Because I want to get to **Genesis 6** this morning, but I want to first take here, as we look at the scriptures, **Genesis 1 and 2**, that we read, was **the Faith Civilization, Innocence**. They were veiled with **a Holy veil**, they did not even have need of clothes. But **Genesis 3, verse 7**, they had fallen and they knew that they were naked. Something had happened *between Genesis 2:25 and Genesis 3:7*. Something had happened to remove **the Holy Veil**. Amen.

Here was Adam and Eve, like Christ and His Bride waiting for the oncoming promise of the Spoken Word. God had told them, “**Multiply and replenish the earth**.” Adam was going to get inspiration. As the prophet said, “*It is not that I asked to speak the*

squirrels, it is not that I asked to stop the storm, He told me do it.” He said, *“These things are by the sovereignty of God.”*

And though God gave the promise, multiply and replenish, inspiration was going to come to Adam to speak the Word, but he had to wait for that inspiration. God had a *season* and *time* to give it unto him. But in the testing time... in the waiting time, there was a testing time. And while they were waiting for the oncoming promise of the Spoken Word... like in **“Look away to Jesus”**, **page 6 and 7**, the prophet says, *“I cannot go any further in my ministry. I must stop here now.”* Just like a couple weeks before he had preached, **“Souls in Prison”** and identified **the First Pull**, *the healing*; **the Second Pull**, *rebuking the organizations*; **the Third Pull**- *the Spoken Word, the opening of the Word and the last part was the preaching to the lost.* And he said, *“Look where we’re at, could it be the time here.”* And two weeks after he said, *“I cannot go further into my ministry, because when that last part takes place the door is closed.”* Because after the door swings shut, then **the Third Pull** went to the lost, who was impossible to be saved.

But **the Third Pull** is in *three phases*. *The first part is the Spoken Word*, since 1959 *that* started. Then *the second part was the Opening of the Word*, the revealing of the Mysteries, hidden truths sealed in the Word. And that was calling the names of the Bride, pulling them into the ark, pulling every name in the Book. And when the last one comes in, the doors swing shut. Then *the third part of the Third Pull is the preaching to the lost.* That will go to the lost afterwards, as a witness, as a testimony.

And during that waiting time between the opening of the Word and the preaching to the lost. Bro. Branham saw that, he said, *“I cannot go on further because that part could only come when the door closes.”* He said, *“I must go back in evangelism, end-time evangelism.”* Looking for character, choosing a Bride. Amen.

He was sweating it out like Eleazar. He said, *“We have to stay here until that catches up with this, until the World Council of Churches is formed into the image of the beast”* - When the World Council of Churches formed into the image of the beast and the Bride is formed in the Image of the Word. Then when the image of the beast comes against the Image of the Word, watch the Mt. Zion showdown. It’s going to be a great showdown. Amen.

And the ecclesiastical spirit was loosed among them to gather them together to form them into the image of the beast. But the Holy Spirit was loosed among the Bride by the Evening Message to form the Bride in the Image the Word. Hallelujah! Transforming power, changing her from glory unto glory, forming her in the Word Image that she by-passed, bringing her into speaking conditions. How could It speak except It was in the Image, and how could the Image speak except It is smitten? Amen.

So here we see, he says, *'we have to wait here, friends.'* He says, *'But you know what the Third Pull is and you know what it does. This will be the thing to start the Rapturing faith.'* He gave us a promise of the Spoken Word. He said, *"It will not be used until the council tightens up and brings the pressure down, but It has identified its presence."* It is our full inheritance; it's here. Amen. It's vindicated in this day; It has been proven it is for this day.

And here the prophet placed the Bride in a waiting time, waiting for the oncoming promise of the Spoken Word. But he says, *'what is going to happen after the Seven Seals are opened? And then false anointed ones are going to come, after the Seals are opened.'* Amen.

And what happened? Adam's bride in the waiting time, she was being tested on her *sacred virtues* to see if she will hold that *sacred womanhood, sacred motherhood* and keep the *sacred bedding ground* from being defiled. Amen. If she would know how to conduct herself around preachers. And here coming in that hour, a devil incarnate. Is that correct? The serpent, a false anointed one bringing a contrary revelation to the original Word already given.

He began to explain away the value of God's promised Word for the age that the Bride was supposed to be under expectation for. Amen. She was to be in chains of that Word, a prisoner of that Word. But that devil incarnate came and said, *"Yea, hath God said... you shall not surely die,"* and punched a hole in her filter and she crossed the line. Amen. Hallelujah!

She crossed the line wandering after knowledge. She went beyond the boundaries of God's Word; she was receiving the Word from a channel it was not ordained to come through, because God was going to give it to her through Adam whatever she wanted to know. Amen. Adam was going to receive the inspiration and speak the Word. My! And what happened in that time, we find in

that hour, when that message was preached, she was stripped of her Holy Veil and she was naked.

Genesis 2:25, they were in **Eden** with *the Holy Veil, the Faith Civilization*, dominion over everything. Adam had *the Title Deed to the inheritance*; he had *that Seven Sealed book there with the sevenfold plan of redemption*, amen. (The inheritance in eternal life the revelation of his position as an amateur god, that gave him fellowship with God, and power over the earth). He had **It** there back in the **Garden of Eden**.

Adam and Eve in Eden represented *Christ and His Bride* in the *Millennium*. But in the waiting time while they were waiting there in that eternal Church Age, because *the time line* wasn't broken yet. *The lifeline* wasn't broken, *the continuity* wasn't broken, it was all a peace for evermore.

Bro. Branham said it was like *the Alpha Bride and Jesus*. There was *perfect love*, they were in such an atmosphere that no man dare join himself to the Apostles. Amen.

But as the serpent beguiled Eve, so these came afterwards beguiling the Church, corrupting her mind from the simplicity, (in the mind age). Satan transformed his ministers as angels of light, (evening light), bringing a contrary revelation to the original Word already given.

And Eve didn't disbelieve; she was confused on a promise. Amen. It is what she was confused upon, one promise. And she proved she couldn't hold those virtues sacred, that virtue of *sacred womanhood* and *sacred motherhood*. And she defiled that *sacred bedding ground*. Amen.

And she received a seed in there. And that seed when she received that perverted – one Word broken – brought the difference, because Eve was to bring forth Christ. If she had waited, Adam would receive inspiration; she would bring forth Christ. She would bring forth the very image of God, the Messiah. Hallelujah. But what Eve failed to bring forth, Mary later brought It forth. But Eve doubted.

But receiving *a perversion of the original Message*, she brought forth *worship*, but it was *the wrong kind of worship*. She brought forth *life*, but it was *the wrong kind of life*. Amen. She brought forth *reasoning instead of faith*, and she said, "*I have gotten it from the Lord.*" She said, "*I have gotten a man from the Lord.*"

All was in the person of Cain, because Cain had worship, but God rejected it. Cain had reasoning; Cain had all these things. He had *life*, but it was *perverted life*. And Cain came out of the womb of Eve, because that was the result of Eve receiving a *perversion of the original truth*. Later on he went out of *the presence of God* and was *marked, eternally separated*. Amen.

Now watch. So the preaching of that message stripped the bride of her Holy Veil and it turned from **Innocence** to knowledge. Amen. She was now naked and she knew it and here the prophet says – **Revelation 3:15-17** – says, “*in the last days ... the church will be blind, wretched, naked, miserable and don’t know it.*” **They are naked and don’t know it again, but this time it’s a lust veil**. Amen. They have gone into *an insane mind*, while the Bride has been transformed into *the mind of Christ*. While she comes into *the age of the mind*, and has *the mind for the age*. While she is here, hallelujah, *the great secret in the back part of God’s mind* is put into her heart. The world is gone into *an insane mind*, while the light has come to her. They have gone into *darkness*, into *outer darkness*. Amen.

So here we see in the scripture all these things unfolding there so quickly. And then **Genesis 3**, we see how God had to come and curse those things. And **Genesis 4**, here comes Cain and Abel now, coming forth to worship God.

Both of them in **Genesis 4:1**, showing that religion. Now watch what came out of it – religion, but not the right religion. Amen. And here in **Genesis 4**, Cain came forth; he was a tiller of the ground. Oh my! He tried to approach it by works; he wasn’t an eagle, he couldn’t soar up there and catch that revelation. But Abel was a shepherd and he had sheep and the mystery of redemption is revealed in shepherd and sheep. There was something in him that caused him to see God in his own environment. He studied the life of the sheep. He happened to notice one day, Adam and Eve wearing sheepskin and it was the same kind of covering his sheep had.

Then he began to watch at the eastern gate. There were four Cherubim: the Lion, the Ox, the Man and the Eagle, guarding every way to the tree of life. He began to wonder, ‘*what those Cherubim were doing there. Why are they standing with that flaming sword? Why no man could go to the Tree of life? Why is*

daddy and mummy looking sad like that? Why is the sky so dark? Why are the thorns and thistles coming out of the ground?’ Amen. He was watching the line of the Word; he was following the line of the Spirit. Amen. Hallelujah!

He was watching Cain. He tried to have a discussion with Cain. He said, “*Cain, what do you think?*” He says, “*I think that there is a purpose why daddy and mummy are wearing that lamb skin.*” He said, “*Because the only way they could get that, a lamb had to die.*” He said, “*that’s coming to me, how does that sound?*” Cain says, “*Ah, that cannot be it at all.*” Because Cain thought that if it was a revelation he would get it. But he failed to realize God in simplicity.

Abel said, “*I have a testimony, Cain. I was watching my sheep the other day; you know, I was calling them by name, I gave each of them a name. And I noticed a certain behavioural pattern of my sheep and something struck me and told me, I am those sheep; those sheep are like me. That’s the way they depend on me, like I in myself, if God doesn’t lead me, I’ll get lost.*”

He said, “*A bear moved in the camp today and I was so scared, but something in my heart said, “I will lay down my life for that sheep.” And then I said, “If I am evil and would do that, how much more greater is God than me.” Amen! Hallelujah!*”

Something was striking him, “**Why it had to be shepherds,**” And Cain said, “*Man, you cannot even talk good, you sounding like your sheep, you laughing like your sheep and everything else, you even smelling like your sheep,*” But **the mystery of God** was going to be revealed in **Shepherd and Sheep**; in simplicity, in humble surroundings. Amen.

And Cain who was going to be a great builder in time to come, who was going to be a great architect in time to come, he was catching some revelation to build a little cathedral. Make it pretty and nice, build a nice fine altar, do a little different thing, he was all there. But Abel wanted it by inspiration; he came with his lamb to worship. And he was coming with the lamb and he was bringing it there, bound with some vines. And he was bringing it right up to the place where he was going to sacrifice it. And Cain brought all his first fruits and everything. Oh, what a time it was, such an atmosphere, a Mount Zion showdown. Amen!

But something, you know, Cain looked at Abel and from the time he saw that lamb, in his mind he said, ‘*God could never accept that, too cruel*’; he was not looking at it with spiritual eyes. But Abel was catching *what was in the back part of God’s mind*. How the Lamb of God had to be slain before the foundation of the world; he was seeing *a vision of Calvary*, when he brought that Lamb. And when he slew that Lamb and the Blood was splattered on the rock and the Lamb was bleating, dying, here was Christ speaking in tongues, dying, “*Eli, Eli, lama sabachthani.*” Speaking in tongues, dying. Hallelujah!

By revelation, Abel was catching *the mystery of redemption*, of *the Lamb with the seven horns and seven eyes*, who was going to *redeem everything back*. A shepherd laying there, catching *that mystery*. He brought **Christ smitten, Jehovah’s masterpiece being smitten**, tried to preach to Cain, ‘*that’s the voice of the Archangel, the masterpiece had to be smitten.*’ And Cain couldn’t accept that. It didn’t sound too right to him. His theology had taught him different. Amen.

And here it was after a time God came to Cain and said, “*Look, do like your brother and I will accept it.*” In other words, he said, ‘*otherwise sin lieth at the door.*’ And God was saying, ‘*Look, I am not going to accept this, Cain, you do like your brother.*’ God was bringing a truth there to remove his ignorance, to let him see the Word the way he was supposed to see it. Amen. He said sin layeth at the door. In other words, ‘*next time you do it, you will be doing it wilfully, but I am telling you now, so you wouldn’t find yourself sinning wilfully*’. Amen.

And what happened? Cain couldn’t accept it, and here he came; before the rejection of the Word (*Hebrews 6*) comes the knowledge of the truth. But then *Hebrews 10*, the punishment that follows the rejection. And when Cain came and rejected the truth, the vindicated Word, that vindicated shepherd’s message of ‘*the smitten masterpiece*’... Cain couldn’t accept it and then God separated him for rejecting the blood. Then you cannot be covered by the blood any more that you rejected. Rejection of the Word makes a way for devils to become incarnate, and then now is the *eternal separation from the presence of God*. And Cain went out from the presence of God.

1 John 5:16-17 says, “*the sin unto death,*” *eternal separation.* See, if a man sins the sin unto death, it meant first he had to come to the knowledge of the truth and reject it. Then the *punishment* followed the *rejection* – “*he that sinneth wilfully there remaineth no more sacrifice.*” Then if a man sins the sin unto death, don’t pray for that man. Amen.

And here he went out from *the presence of God.* So here it was what we are looking at right in that time. In **Genesis 4**, here we see Cain going out of *the presence of God.*

We see what had driven away the presence of God from the garden when *that false message* was preached – when Adam’s bride was confused and she came under the influence of that message, *death* began to move in.

Then after *that lie* was preached there and she received it, she brought forth *an intellectual conception of the message* – **Cain**. He couldn’t catch a revelation. His sacrifice was not reflecting *redemption*, it was not reflecting the *Messiah*, wasn’t showing *what God had in the back part of his mind.* His inspiration was in the wrong channel. Amen. Then it began to bring a confrontation, a clash between the natural and the spiritual. And then what happened? - *Eternal separation.*

Turn with me to **Genesis 4:16**

And Cain went out from the presence of the LORD and dwelt in the land of Nod on the East of Eden,

And Cain knew his wife; and she conceived, and bare Enoch; and he builded a city, and called the name of the city, after the name of his son, Enoch. (Enoch means ‘dedicated’)

And Bro. Branham says right here is where *civilization*... now a *new civilization, another kind of civilization, a perversion of the original* was coming in; *from a Faith Civilization in Genesis 1 and 2* where Adam had dominion, *from a Civilization of Innocence and Perfection* when they walked in the sixth sense. Now, *another civilization* is coming in, a *science civilization.* Amen. See, its changing.

Now remember as you read here, *Genesis* is *seed form*, so everything we are going to see... we have seen already. ‘*Worship*’ in *seed form*, true worship and false worship. We see ‘*spiritual*

warfare' in *seed form*. Amen. All these things we see – false anointed ones coming *after* the Truth, the original Word has been given in *seed form* in the waiting time, the testing time.

And unto Enoch was born **Irada**, (that **Irada** means 'city of witness'). And **Irada** begat **Mehujael** and **Mehujael** begat **Methusael** and **Methusael** begat **Lamech**

Mehujael means 'destroyed by God' and **Methusael** means 'man of God'; they were naming these cities, was by an experience no doubt. Maybe the one named 'man of God' - **Methusael** - may have been a religious man, and he was going to maybe have a real big worship or something, maybe build some big noted cathedral in that **city**, that maybe people could be able to worship and they wouldn't have to go great distances, because different **cities** were being built now. See?

Irada was 'city of witness' and **Lamech** means 'powerful'. And the scripture spends some time on **Lamech**. He had to be important. It was just giving the names of the others and it spends some time on **Lamech**.

And **Lamech**, took unto him two wives...

Right away we see **the social life, the home life, the morals**, began to be broken down even more. It began to go into **polygamy**, into **adultery**, being produced by **city life**. See? Look at it:

...And the name of one was **Adah**,

(Which means 'ornament')

...And the name of the other **Zillah**...

(Which means 'shadow'.) And I believe his first wife name must be **Zillah**, *shadow*; because the next wife he got had to be *ornament*. You see he wanted something to brighten up his life a little bit, because of the lust that is living there. The home life became gloomy and dull. Look at his wife there like a little *shadow*, nothing exciting and he wanted to kind of go out and paint the town red and have a good time. Now watch.

...and **Adah** bore **Jabal**: (means 'leading or flowing like a wandering spirit.')

He was the father of such that dwell in tents and of such as have cattle.

Now it didn't say that they were building a *housing development*, it didn't say they were building a *home*; it said that they were

building a **city**. Cain built a **city**. Now, Vancouver is a **city**. In a **city** they have to have their *transport systems, communication systems, defense systems, sewer systems*. They have to have *roads*, they have to have *all kinds of industries*, they have to have so much *power plants*, maybe for *lights* and *electricity* and all these things in a **city**.

Now watch:

And Jabal, he was the father of such as with cattle;

He went into **the pastoral life, the big farms**, supply the entire **city** with beef and cattle and all the prime cuts. And maybe he had a monopoly over all *the restaurants* and all *the fast food outlets*, all *the groceries* with the hamburger patties, sausages and everything. He went into the cattle business, ranching, because they had to eat, city life.

And his brother's name was Jubal and he was the father of all such as handled the harp and organ.

Here they were now beginning to invent **music**. See? Today every **city** has *music*; not just every **city** has *music* alone, it has *all kinds of music*. Had the little corner ones under *jazz*, this over here under *rock and roll*, this over here under *orchestra, the big orchestras*, and these things; even the people running in the street have *walkmans* on their heads. In the motor cars they have *tape deck* right there, in a little tavern they have the *Jukebox* right there, in the homes they have *the big stereo set* right there, constantly. Because why? They need *the music*.

You see, back there in Eden when *the elephant* came with his trumpet and began to blow and all the *canaries* and the different birds and *the nightingales* began to sing, Adam had all *the music* he wanted. Adam had *a great symphony* back in Eden, playing for him. Amen.

When he got up in the morning and all *the music* started and you know, the canary begins to sing, play a little solo and then, maybe a few parakeets will come and have a little quartet; then you hearing the elephant maybe way down in the back with a big trumpet, you know, blowing out. Oh my!

Everything to Adam was an inspiration around him; it was to serve him. He was god over it. He had a kingdom on earth, like

God had one in heaven. Amen. Because he was a god under God. He was god of the earth. God was God over everything else. And here:

And Zillah, she also bore Tubal-Cain, an instructor of every craftsman in brass and iron and the sister of Tubal-Cain was Naamah.

Now watch. It begins to go into **inventions**. They started to build **cities** to begin with, but its coming out now. It didn't say he discovered, it said he was '*the instructor of every craftsman*'. *Great big scientist*, there, he began to discover *the brass*. He maybe began to control *the mines, the brass mines and the mineral mines*, and all the politics of the city. And *the transport systems*, bringing it in and they begin to explore and experiment and build bigger buildings and these things. And where were they getting *brass and iron*? It doesn't grow on trees. **Mining** started; **all the mining operations**. See? It's seed form but *that* was *Adam's inheritance*, that was what God gave Adam to have dominion over. But from the time he fell, *the Title Deed* went back in the hands of God.

But look at *the squatters* how they started to move upon **God's son's inheritance**. They began to plunder **the earth** to build their own **cities** and look at what it was producing.

And Lamech said unto his wives Adah and Zillah, Hear my voice...

Now remember this man's name is '*powerful*', (the '*powerful*' character has a '*powerful*' voice too).

...Ye wives of Lamech hearken unto my speech;
(Not God's voice, hearken unto *my speech*, he said)

For I have slain a man to my hurt (or who wounded me) *and a young man to my hurt*, (who hurt me, a revengeful spirit, a fighter, see? **Crime, violence** begins to come out of **city life**.)

Do you know of one **city** that doesn't have **violence**, doesn't have **warfare** on the earth here? See?

And if Cain shall be avenged sevenfold...

Now this man was quoting Cain, because he knew what had happened to Cain because they had the history coming down. Cain was a big pioneer. When Cain went and built **the first city** he was a pioneer of **civilization**. They were being taught in schools how

the land of Nod came into existence, this great giant of a fellow, Cain, was such a brilliant man. How he was able to build **the first city**, at the dawn of *civilization* and they were being taught that in school. So Cain was a great, celebrated figure, and here now this man, he's saying now –

*... if Cain shall be avenged sevenfold, truly
Lamech seventy and seven fold.*

And Adam knew his wife again...

Now look how the Bible is; it just shows and takes us into a walk as to the development of *civilization*. How *the science civilization* began to come in and all the time there is *a silence* concerning Adam, the son of God, *a silence* concerning him. All of a sudden it comes back into view.

*And Adam knew his wife again and she bore a
son and called his name Seth: for God, said she,
hath appointed me another seed instead of Abel
who Cain slew.*

*And to Seth, to him also there was born a son:
and he called his name Enos: then began men to
call upon the name of the Lord.*

Because every time they build their religion – whether they called it Baptist... Because Cain went away with **false religion**. So when he started to build cities, he had his place for worship, but it was just **blasphemous names** out there.

They had no revelation of *the Name* because *the Name* is in *the Lamb*. Hallelujah! And they rejected that message of redemption that Abel had caught; that message of *the Lamb*. And they went and they built all their great organisations. And here it comes now they began to call upon *the Name of the Lord*. Amen.

And **Chapter 5** deals with the sons of God, how they came right down for 2,000 years. And in **Chapter 6**, I want to go right into that. That is where we are taking our subject from this morning, in closing out here; **Chapter 6**. Now watch.

And it came to pass...

Now this is two thousand years after. This is at the end now of *the science civilization*; destruction is going to come. God is going to send a prophet. There is *a silence* about all how it progressed, and escalated. And how those *cities* now weren't just one that they called *Enoch*. It had filled the earth now. Oh, men

were glorying in themselves now. They had their schools where they were being taught. They had all their great **civilization, science** and all these different things.

It was such an advanced **civilization** and the prophet talked about how they built the pyramid, the sphinxes and all these things that they cannot even build today. See? Now watch, this is where the cup of iniquity was filling now, and God was going to send a prophet with a message of deliverance and judgement. Amen.

*And it came to pass when **men began to multiply on the face of the earth, (the population explosion) and daughters were born to them...***

Sons too, but they emphasised *daughters* to show **more women were being born, more females were being born.** ‘*In the last days there will be seven women to one man*’, the Bible says.

...And the sons of God saw the daughters of men...

The sons of men were with the daughters of men too, but the Bible emphasises **the sons of God**, to show how polluted that even **the sons of God** began to get in the midst of the whole thing too, at that stage, after *two thousand years*. At first, oh they were separated, but by the end of *two thousand years* even **sons of God** were in a fallen condition. Mixed up in **adultery, marriage, divorce**, and different things. **Sons of God** too, all inside of there had mixed up in it.

...That the sons of God saw the daughters of men that they were fair and they took them wives of all which they chose.

And you know the prophet brought that out and he said, “*women.*” In ‘the Emphatic Diaglott’ he said it means, “*women of all whom they chose.*”

...And the Lord said My Spirit shall not always strive with man for that he is also flesh, yet his days shall be a hundred and twenty years...

And from way back when *Adam* was living 930 years (see?), when *Methuselah* lived 969 years, it was coming down, all their **science** and their **civilization** and their **city life** and their **progress**. They had so torn up **the earth**. They had torn down all **the trees** to build their **cities**, pulled out all **the minerals** from the earth for **war** and **industries**, polluted all **the waters** with all their chemical

waste for their space programs and all these things. All their **scientific** living. Now watch what we're coming to in **those Seven Trumpets**. We are in *Genesis*, now, you see. It comes down to 120 years.

*...There were **giants** in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same **became** mighty men, who were of old, men of renown:*

They were not **born** that, they **became** that. How did they become that? Through their great educational programs, the emphasis was on **education** – ‘get your masters, get this diploma, do your further learning’. And in that **civilization** the emphasis was on **education**. See? They became mighty men of old, men of great renown and the prophet said that was **scientists**, those **scientists**.

...And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

*The politics and the rotten politics; the religion and the false religion had so taken over everything that **God's Name** was not even considered any more. Deacons had four and fives wives, preachers doing what they want; drinking, smoking with their turned back collars, with their false religion that Cain had, all those things. *The women were fair* and they had them parading there on every billboard stripped to sell their little products.*

Vacuum cleaners have a half-naked woman; sell a wristwatch, have a half-naked woman, continually, because why? They were fair and women were being glorified and were made into sex symbols in **that civilization** and it brought such loose living. From **Lamech** with two wives who started there in *polygamy*, as we read at the beginning of **civilization**, here *two thousand years* afterwards even **the sons of God** were taking unto them wives just as they wanted. Because the moral fabric of the society was so eroded, was so destroyed that there was no more natural affection. The mystery of Christ and the Church, Adam and Eve, which was reflecting Christ and the Church, was no more being reflected. Everything was **immoral, pornographic** and **lustful**.

And God saw the wickedness of man was great in the earth and that every imagination of the thoughts of his heart was only evil continually.

*And it repented the Lord that He had made man on the earth; and it **grieved** him at His heart.*

Now watch at this right here, God was so **grieved**, just *two thousand years* after He said it is good; just *two days with God*, after He said it is good, very good. After He gave Adam dominion, after it was a **Faith Civilization**. Here *the whole earth* is so **corrupted**.

I wonder if He is **grieved** at *the cities* today, at *the religions* today, at *the politicians* today. I wonder if He is **grieved** when He sees all over the world you know, calling peace, peace, and all kinds of false hopes, false promises and all these things. And people in religion, and the church caught up in politics and all these things. I wonder when He sees it if he is pleased. He is **grieved** at His heart. Today man is only thinking how they feel and nobody thinks how God feels, but here He says in that very hour He was **grieved**.

...And the Lord said I will destroy man whom I have created from the face of the earth;

He is thinking back **when He created man** in **Genesis 1**, which we read 'and God said let us make man'. Here, *two thousand years* afterwards, He is looking at the man to see what he became. 'Look at what he has become, look at, when he was in My image and likeness,' and God's thoughts go back to **the Faith Civilization**.

Both man and beast and creeping things and the fowl of the air...

Animal life, botany life, plant life, bird life that He brooded upon when He was having **His great evolution of creation**.

And it repented me that I have made them.

And **from verse 1 to 7** paints the scene of the age: **science, politics, religion, education, the morals**. **Verse 1 to 6**, doesn't mention anything about *Noah* yet, it doesn't mention anything about *the sons of God* yet. It just paints the picture: **the moral decay**, the condition that it comes to. But **verse 8** says:

But Noah found grace in the eyes of the Lord.

He is **grieved** when He looks at **this generation**. But there is a little prophet up in the hills of Kentucky. Hallelujah. There is a

prophet laying there to bring a message at the end of **this science civilization**, before God destroys all flesh in the earth.

And God's eyes in the midst of it, that one insignificant man. Amen! He would leave his fishing rod on Saturday; he wouldn't even go and see what it caught. He had principle; was something about him growing up there. See? He had such a respect for the things of God in the midst of all the pollution and abominations.

And right here, God *injects Noah and his family.*

These are the generations of Noah.

Noah was a just man and perfect in his generation. And Noah walked with God

Noah means '*rest and comfort.*'

...And Noah begot three sons Shem, Ham and Japheth

God just puts him as part of **the great social order**, unpolluted, uncorrupted in a corrupted world. Watch how that is written there – **the social order**, just as a normal man, it didn't say he was a prophet yet. It didn't just say a just man found grace in the eyes of God but look how it comes here now.

Verse 11, it goes right back to **the creation**.

The earth also was corrupt before God, and (conjunction) the earth was filled with violence...

That earth: the environment, the trees, the lakes, the rivers, the fountains, all those things had become corrupt. Now what does '*corrupt*' mean in the Hebrew. I looked it up. It means '*to decay, to ruin, or to destroy.*' With the advancements in **civilization and science and education** they were destroying **the earth and the whole environment** was destroyed... "*and (conjunction) the earth was filled with violence.*" That now deals with **the inhabitants of the earth**.

We found **two things** under **those Seven Trumpets: the First Four Trumpets** deal with **the environment**, then '*Woe, Woe, Woe to the inhabitants of the earth*', **the Last Three Trumpets**. Amen. **The First Two Woes...** In **the First Woe**, 16 million were killed, and 20 million wounded; then 55 million were killed in **the Second Woe**. What is it? - **Violence!**

Here today, **murders, wars, hijackings**, in **land**, in **sea** and in **air**.

They say, '*a little child looking at television, part of the great invention of science, and maybe from about the age of five, if he*

looks at **television for one year** (*Time Magazine* was telling you) he has seen over **3,000 murders**, over **about 5,000 rapes**, over **about maybe 10,000 robberies**'. He learns all the abominations: how to bribe the police, how to operate some illegal operation, just in the form of entertainment. And what he takes in through the eye-gate fills up the *subconscious mind*. What is he going to grow up to be? See, just looking at it right there.

And Bro. Branham says, '*right there in Tucson, Arizona, 86 % was proven that by watching television they have a mental deficiency*'. He says, '*God told me not to bring that evil thing in my house*'. You see what it was?

It was polluting *him... that... the whole earth* – all this '*Rambo*' and '*Star Wars*', and you know all these great kinds of stuntmen and professional killers and '*First Blood*'.

And all this mis-education, this mind pollution, you know, what they were bringing as heroes. And were replacing the true heroes, making them as a bunch of radicals. **Seth** and **Enoch** and **Methuselah**, all of them, they were making them look like just ordinary people, like nothing, a bunch of idiots; religious fanatics.

And in *their great civilization* they had whom they wanted as heroes. In the *school programs* and in *all the music schools* they might have been taught about *Jubal*, that great man who discovered **the harp**, and that great man who invented **the flute**. And everybody wanted to be a young *Jubal* and maybe **all those instruments** came out marked '*Jubal*' on it, you know, or something like that. And then they teach them all the great symphonies that he wrote and the great things that he does for *the music world* and if it wasn't for him... And then these were their heroes. And then *Cain, the great founder of civilization*, and **the great scientists** when they began to break into *God's laboratory*.

Watch something. *When the cup of iniquity begins to full, God has to get rid of it*. So *science* began to break into *God's laboratory*; **atomic power** was discovered. Oh my, it filled the world. Now that **atomic power** was discovered, **technology's** going to advance with greater rapidity. We are going to improvise in **the communication system**. We are going to improvise in **the transportation system**. We are going to improvise in this new type of system over here. Our **space programs**, we are going to go far advanced. Now the door is open to conquer new worlds. And in

schools maybe it was an incentive, everybody wanted to be a young scientist, everybody wanted to be some great thing, now. You see?

Sin was being glorified and here it was when they began to discover those things, here comes a man with all this knowledge of **atomic power**. And the architects began to design **sphinxes**, they began to build **pyramids**, because now they had something to lift the boulder that high. All those great mathematicians began to come now to even lay a stone that size without even mortar. My!

All the modern water works like what they dug up in Mexico City, back in the sixties there. That is so much more modern. Man began to design these different things, all these gardens, like way up in **the British ice fields** that are covered with ice. **Atlantis**, all these things. My!

It is now they were glorying, you could see all **the transportation systems**, plan a cruise to over there and then this one have, you know, special **tourist programs** over here - was great things going on. And the back of it all they had come to a place, more building construction, more **television stations**. Now you could tap into **satellite**, and you could see so many different programs and instead of two dull channels it has about twenty now. See?

Watch, I am just trying to bring to you a picture, about **what is happening here in this age, from Genesis the seed book of the Bible, for whatever is in Genesis is in Revelation in the harvest time.**

Genesis 6:11-13

The earth also was corrupt before God, and the earth was filled with violence. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.

So we see **the earth** was being **destroyed** and **the inhabitants of the earth** were in **violence, wars** and these things, and **before the end of all the flesh.**

Between the earth being destroyed under The first Four Trumpets and the Wars that filled the earth – (Woe, Woe, and the last Woe... the inhabitants of the earth) – God injects a prophet. Amen, hallelujah! **A prophet with a message of redemption and judgement.**

Haven't we found *that*? **Revelation 10 between the Sixth and Seventh Trumpet. The first Four Trumpets, the earth being destroyed? And the Fifth and Sixth Trumpets, World War I and World War II, the earth filled with violence?** And then God *injects a prophet, who is going to call a people out at the end of this science civilization, who will come back in the Faith Civilization, after the Third Woe, World War III, Armageddon cleans off the Earth.*

And in that hour when *the prophet* came, they had already discovered the **atomic power**. They were already building all their great big achievements of science. And here was the prophet coming with a very unscientific message, because Jesus ... We are going to get to it just now, just let me lay here a little bit.

So here *the educational system* began to get more **demonic**. Because now, the text books in the school have to be re-written because of new discoveries of science, higher learning. The professors now began to teach about **the great big bang**; now they were exalting their own knowledge above the Word of God. Now they thought they had discovered the power that created the universe. **Atomic power**. See?

Like Einstein who split the atom. He studied **the law of light** and these things. The prophet said, *'if he only had the spiritual application he could say' "Let there be a squirrel; little fishy Jesus Christ gives you your life; storm, go back where you came from."* Amen. But there is a spiritual Einstein who found *that* in the Word! While **science** and *their space programs* spending billions of dollars to go to the moon and bring back a little rock, this other scientist...

Great renowned man maybe got 'Nobel Peace Prize' for spending his life time discovering some bone and he says this bone is 120 million years old. And they're teaching the children that in the school, polluting their minds. Then they began to take *prayer* out of the school because they do not believe in God anymore. It

is **‘the Big Bang’** now, so what you praying to God for? Take it out of the school. And everything was on **education** and **science**.

All *their transport systems* became more modern, supersonic jets, no doubt; maybe they had flying saucers, like how they have drawing of those pyramids there showing the type of civilization they had before. Even the fields of entertainment became more sophisticated with the new technology. Instruments – wasn’t the same old fashioned instruments no more; they had all kind of different sounds in one little piece of equipment. You could get what you want inside of there.

Everything moved in a higher level. Because they split the atom they got a hold of unlimited power there. See? And then when that began to happen, what was looking like progress and advancement, watch the social condition – loose living, immorality, no family life, dropouts in school, kids going there because their parents separated, broken homes. Every time you see, *“And they took unto them wives and these things,”* broken homes, producing juvenile delinquency and **the earth begins to be filled with violence**. It began to spread like an epidemic. **The population explosion**.

I just want to give you something, because we were in Mexico City recently, and I want to inject some of these things here to bring it in a greater reality to you to see ***what is happening right now***.

Listen to this. *Time Magazine* had this article on **‘The Population Curse’**, and here it was dealing with Mexico City. They say, *“Overcrowded, polluted, corrupted, Mexico City offers the world a grim lesson,”* and hear what they call it. ***“This is the city builder’s dream turned nightmare.”***

We took ***the first city-builder in civilization, Cain***. Here they say, *‘Mexico City is the city builder’s dream turned nightmare’*. ***Hell on the earth, nightmare! Fifth dimension overflow here, brings an insane age; atomic fodder.***

“This is the city builder’s dream turned nightmare. It is the Super-city, the Megalopolis, infected by a kind of social cancer that is metastasising out of control. Its afflictions, a mixture of over crowding, poverty, pollution and corruption, are a warning to all other great cities. To New York and to Los Angeles as well, that what is happening in Mexico City threatens them too. The statistics of Mexico City’s continuing self-destruction are

appalling. More than 2 million of the city's people have no running water in their homes; more than 3 million residences have no sewage facilities. So tons of waste are left in gutters or vacant lots to become part of the city's water and part of its dust. "If faecal matter were fluorescent," one Mexico newspaper said, "the city would need no lights."

Mexico City produces about 14,000 tons of garbage everyday but processes only eight. Of the rest, about half gets dumped in landfills and half is left to rot in the open. One result – legions of rats. Three million cars and 7,000 diesel buses many of them old and out of repair spew contamination into the air. So do the approximately 130,000 nearby factories that represent more than fifty percent of the Mexican industries. We're talking about Mexico City, not Mexico you know. Mexico City!

The daily total of **chemical air pollution** amounts to **11,000 tons**. Just breathing it is estimated to be equivalent to smoking two packs of cigarettes a day. **The combination of chemical and biological poisons kill 30,000 children every year through respiratory and gastrointestinal diseases. Overall, pollution may account for the deaths of nearly 100,000 people a year.**

You're not talking about what the cars are killing, you're not talking about what are dying in fights; you're talking about breathing **the air**, 100,000 a year.

"These are figures that inspire prophecies of disaster", says one leading environmentalist. "The question is not whether we would be able to live a pleasant life in a few years from now; the question is whether we will be able to survive". Six TV channels compete for the eye and the mind. Sprawling Mexico City is by no means the world's most densely populated place, yet the demand for space inexorably devours the City's natural resources. In the past quarter century, **Mexico has lost nearly 75 % of all its woodland.**

That city was built on a mountain there next to a great big lake called Lake Texicoco, and they had to drain the lake for the expansion of the city, because of **the population explosion**. Now the water is coming from so far, water usage, **fresh water – lakes and rivers** and these things – for a sewer that has to deal with 20 million people. Water to bathe, to wash, for industries to operate by ... because you cannot use **salt water**, it will kill all the plants,

it will destroy all the industries so you have to use **fresh water**. But look at what it says here:

The City now pumps one billion gallons per day from natural wells and loses 20 % through leaking pipes. But that supply is so inadequate that an elaborate system of canals and pipelines is being built. This will theoretically bring in an extra 200 million gallons per day by the end of the century, when the need would have grown still greater to an extra 700 million gallons per day (because of the population explosion it's going to be by that time).

The pumping of so much water out of the sub-soil has caused parts of the city to sink in some places as much as thirty feet, a process worsened by periodic earthquakes.

I am just giving a little idea of city, **one city**, because Cain built **one city** and today it's all over the earth, every country almost. **Cities all over** started with **one** there in **Genesis 4**. By the time we came under **The Seventh Trumpet** it doesn't have any of them. They're wiped off with **atomic power**. By the time Noah came back on the earth it had not one of them. See? Now listen:

Mexico City has another natural peculiarity that makes it unable to support its millions. At seven thousand three hundred and fifty feet it is one of the highest cities in the world. The thin air not only contains 30 % less oxygen than at sea level, but makes auto engines produce nearly twice as much carbon monoxide and hydrocarbon pollution. Then when the city's befouled air rises the mountains trap it in the virtually permanent smog that now blocks the snowy crest from sight. Every once in a while an enterprising reporter tests the air by putting a caged bird in the middle of Zocolo (that is the square down town). The bird customarily collapses and dies within two hours.

Listen and they say, "And if Mexico City seems bad," and they started the article, "**Hell is a city much like London**". They say hell is a city much like London, and you know London, today, has **the green hair, blue hair**; yes, you see **them** in London. **All, the half heads with hair and half heads with no hair** that they call fashion.

But under **those Trumpets** we found out **the bottomless pit** was opened inside of there, and those demons were being loosed. Not just to come upon the earth, but from the dictators it went into

the religious realm. And weak pulpits have all them back in the pit again; exactly.

*Yet though London has swollen ten fold since it has been over taken by still faster growing hells. Not only in **Mexico City**, but **Cairo, Calcutta, Shanghai** and others, (and they give you a little part of Cairo here). They say that, *one third of Cairo's residents live in buildings that are not connected to any sewage system; one third, my! And the systems that exist were designed for only 2 million people, when it overflowed into homes in old Cairo two years ago.**

Now Cairo is a city of 12 million people; one third of the homes is not connected to any sewer system. (Civilization, science civilization). The prevailing winds in Cairo blow north or south. One brings toxic fumes from the lead and zinc smelters in the Shubra El Kheima, just north of the city. When the wind shifts it brings poisons from the steel and cement factories in the south in Helwan. Today it is notable for its myriad of dead trees. The main cause of Cairo's air pollution though is its traffic jams (no wonder the prophet says the inventions of peace kill more than the inventions of war). Carbon monoxide levels in some areas are three to four times what U.S. experts consider dangerous.

*Look at Calcutta now. They say: in Calcutta today there is only one water faucet for each 25-slum dwellings. The last main sewer was built in 1896. About half of Calcutta's houses have no indoor toilets. The city's only garbage incinerator has broken down almost daily for almost forty years and roughly 2,000 tons of garbage and trash litter the streets on any given day. About 70 % of Calcutta's inhabitants live in one-room houses. 600,000 of them have no real homes at all, but live and die on the streets. (A little insight as to what **that life** brings.)*

I just want to give you some of these statistics of **what is happening present tense** to show that under **those Seven Trumpets** **how the earth** is being destroyed. But right there **between the Sixth and Seventh Trumpets**, Redemption is being revealed, **that Title Deed** comes back. And under **the Seventh Trumpet**, an announcement of the Millennium, the Eden being ushered in. **This world is again falling apart, but the Millennium is being ushered in and God sent a prophet in the conjunction.**

Noah came at the end of *the science civilization* and began to preach that *the end of all flesh had come*. He began to preach of *a New Civilization that was coming*, he began to preach of *a way of escape*.

Acid Rain The Silent Plague. I want to put some of these things here, so you will get a little picture. [Ed. Bro. Vin displays pictures and articles from... *Time* and *Newsweek* magazine] *The killer is called acid rain; in North Eastern U.S., Canada and Northern Europe acid rain is reducing lakes, rivers and ponds to eerily crystalline lifeless bodies of water, killing off every thing from indigenous fish stocks to microscopic vegetation.*

In the process acid rain is suspected of spiriting away mineral nutrients from the poor soil upon which the forests thrive. Acid rain's corrosive assault on buildings and water systems cost untold millions of dollars annually. In addition, it is believed to possess a substantial threat to human health, mainly by contaminating public drinking water.

The lakes, the rivers, the seas, watch these things, the environment, the earth was corrupt, it was ruined, it was destroyed. I just want to show you what **city life, science civilization** brings.

"Acid rain may cause leukaemia," says Canadian minister of environment. "Acid rain is one of the most devastating forms of pollution imaginable, an insidious malaria of the biosphere."

And they had a picture here of one of those plants there pouring out all its toxic waste in the air, they say, far away a woman's hair turned green because of it. *The increasingly bitter controversy over acid rain has already become a major issue between the U.S. and Canada for the past year. See? Uncontrolled high sulphur emissions from power plants in the U.S. are largely responsible for the potential devastation of the Canadian forest.*

All the trees – as we say, this is an industry here, you see. When the Bible talked about **trees** it didn't talk about one or two trees in your backyard but **all the great forests**. Millions of acres are being cleared by the minutes of **the earth's forestry** because of over-population, to turn **forests** into places to build homes, tearing out. And with all the inventions of technology just tearing up the land for **the population explosion**.

When the population began to explode like that, and then they tried **birth control**, **sterilization**, **family planning** and they brought it in to clamp down on **the population explosion**, it only opened a door for **free love**, **immorality** and **sex**. Then when it began to bring widespread **famine**, because of **over population**, then they went into **hybridization**, to speed up the process of nature to grow food faster, bring the chickens faster, bring everything at a faster rate. If it takes six months, they bring it in three months. What takes six weeks, they bring it in three weeks. And it backfired and bred **a weaker race of people**, bred **perverts**. Man got narrower in their shoulders and broader in their hips. All kinds of perversions to bring back a Sodom and Gomorrah again. Exactly. Look:

Canadian forest and water waste for acid rain - *Canada is pressing for an immediate fifty-percent cut in the level of high sulphur emissions in the U.S. by 1990. A measure that will cost U.S. utilities and consumers an estimated 2.5 billion to 4 billion a year if they have to cut that and change up the systems in some of these industries.*

Where are they going to get the money from? They're already sold to the Roman Catholic Church. *Acid rain changes the P.H. levels* (P.H. scale is a scientific shorthand for measuring acidity or alkalinity) *of lakes and rivers when it falls directly on them.*

You see what causes ... When all these chemicals (and they manufacture the different products) and industries spew into **the air** it means all those other gases up inside of there coming from other smelters, other industries and the whole atmosphere, ... They say, *'they are living in the end of a great global exhaust pipe. It's like they turned the atmosphere into a garbage truck, because everybody's spewing their waste into it'*.

And when God created **that air** it was just so much, that the animal could breathe it, man could breathe it. They say, that, *'If that formula begins to change, you know what is going to happen? If it changes too much on one side everything will get slow and drowsy and sick, if it changes too much on the next side the whole earth will get paranoid and become a bunch of maniacs'*. You see it's in every city all over.

When God made **the firmament** it was for man to breathe. He could breathe that air and live, then look what is happening to it.

The very same air they're breathing... *'Mexico City's air alone is equivalent to like smoking two packs of cigarettes a day'*.

No wonder the Bible said the heavens will be on fire because man in their laboratories are mixing different chemicals and bringing out explosives and different things. And everybody spews it up there and under the sunlight other chemicals meeting other chemicals and mixing and they cannot even monitor it, they cannot even hold it anymore.

In **the sea** they've already loosed all their toxic waste and these things, killing out **the marine life**. Bro. Branham says, *'all that fall-out that they cannot even trace it any more. One of these days it's going to burn up man in the flesh and all these things'*.

Watch, under **The Trumpets** we see these things coming out. I want to read some of this for you in Canada, because you see they have a lot about Canada here.

It says: *Canadian environment officials project **the loss of 48,000 lakes by the end of the century, if nothing is done to curb acid rain. Already they estimated 2 - 4,000 lakes in Ontario have become so acidified that they can no longer support trout and bass (fishes in the sea, marine life) and some 130 more in Quebec are in the process of being destroyed. In Nova Scotia 9 rivers used as spawning grounds by Atlantic salmon no longer team with fish during the spring. According to a recent Gallup poll, 77% of all Canadians believe that acid rain is the gravest environmental problem their country faces.***

Because, thousand of miles away the winds bring it, it forms into clouds and falls down there as acid rain. It stays there, and up on the mountains after it begins to thaw out, the ice begins to thaw out, it runs down into the rivers and the lakes and gets into **the food chain**. You see?

*In Norway, Tofte river area, 175 of 666 lakes are severely acidified, the suspected cause of emissions from industrial centers in West Germany, Belgium, Netherlands. For its part, West Germany suffered an estimated 800 million in timber lost annually, apparently because of acid rain (all the trees being destroyed, science. **The very environment when God made the trees).***

Look at this here. [Another article – Ed.]**The heat is on.** *World climate is changing, why is the ozone hole growing?* Talking about all the ultra violet rays coming through. Under **that Fourth Vial,**

man is going to be scorched with the sun, the heat of the sun. Man is going to have sores in their body for five months in torment and these things. They have torn up the whole world, bringing destruction upon themselves. *‘God doesn’t destroy anything! (The prophet says), man always destroys himself’*. Exactly, right! Man always destroys himself.

Look at this. [Another article – Ed.] **Toxic wind**, **“Discover Magazine,”** they say here, *a witch’s brew of exotic chemicals is wafting from factories and farms, tainting air and water and fish and fowl, you and me*. All these things, **the lakes, the rivers** – and this is in peacetime. This is not in **the First Woe** or **the Second Woe**; this is in the time of peace, what they consider normal things going on right now. All right!

“National Geographic” says, *in 1980 the U.S. National Academy of Science estimated an annual loss at 50 million acres; the world wild life fund estimated 25 to 50 acres a minute of tropical rain forest trees being cleared*. What for? **Population explosion, science, advancement, civilization**, all coming on. See?

Let’s just continue right here **verse 11, Genesis 6**. I am closing out now. Let’s just bring it to a climax and close here. I think we have seen sufficient here, to show *how the earth was corrupt by the city life*. I just took *the modern city life* and showed you *how the modern environment here, the environment* of this modern time *is being corrupted* also. **Verse 11**.

The earth also was corrupt (the environment)
before God,

And the earth was filled with violence (‘Woe, Woe to the inhabitants of the earth’).... in **that Faith Civilization** had none. See?

And God looked upon the earth and behold it was corrupt for all flesh hath corrupted his way upon the earth.

And **God only has one provided way for everything, but His way for everything is being corrupted; (hybridization, this over here, everything)**. **The way** God said to live with your wife, **the way** God said to live, raise your children. **The way** God said we should eat and what we should eat. **The way** we should worship; **God’s way, His way**, was corrupted on the earth.

And God said unto Noah...

Now watch **this**, the prophet and his ministry, he is receiving his message here... **God**, (Revelation 10:1) said unto **Noah**, (Revelation 10:7,) **that Heavenly Angel** coming to **that earthly angel**. **God and His prophet**, right here, **both of them** coming (when?) **between the earth being destroyed and the violence that filled the earth, before the end of all flesh.**

Revelation 10 is the Seventh Seal, the coming of the Son of Man. God coming to his prophet with a message of redemption and judgment before the end of all flesh. And Jesus in **Matthew 24** is giving a **parable of the Seventh Seal, the coming of the Son of Man...** 'as it was in **the days of Noah**, so shall it be days of **the coming of the Son of Man**'.

The end of all flesh is come before me; for the earth is filled with violence through them; and behold, I will destroy them with the earth.

God will destroy them who destroyed the earth, (Revelation 11:18) under **that Seventh Trumpet** when he is going to destroy all flesh. He'll destroy them who destroyed the earth, to bring back a **New Civilization**. And then He told him how to make the Ark with gopher wood.

Let's turn to **Matthew 24**, get back into **those Seals** again, **Matthew 24 is those Seven Seals**, Jesus answering those questions. Look where Jesus refers to **the days of Noah** showing when **His coming** was going to be, **that ministry of that prophet**. I want to make a very striking point here and I trust that you'll really catch it by the grace of God. May God help us.

Matthew 24, we were reading there. Now **Matthew 24** Jesus was answering those **three questions** – *What shall these things be? When will the temple be destroyed? What shall be the sign of thy coming?* That's **the Seventh Seal, the great secret why heaven was silent. That Seventh Seal**, they wanted to know **when He was going to come and the end of the world**. How **nature** will go into frustrations and convulsions and all these things and be destroyed. And we find out how Jesus told all of them, answering those questions.

And **Matthew 24, verse 4 and 5** was **the First Seal; Matthew 24:6** was **the Second Seal, wars**. **Matthew 24:7** was **the Third Seal, famines**. **Matthew 24:7-8** was **pestilence and the earthquakes**

and the beginning of sorrows. *Pestilence and death were the **Fourth Seal**. Matthew 24:9-13 was the **Fifth Seal**. Matthew 24:29-31 was the **Sixth Seal** and Matthew 24:31 is the **Feast of the Atonement**, when He will send His **angels (Moses and Elijah)** with the sound of **a trumpet**, to gather **the elect** and they are going to mourn for the One that they rejected.*

And then **verse 32**, we want to begin reading,

Now learn a parable of the fig tree: When its branch is yet tender, and putteth forth leaves you know that summer is nigh.

So likewise ye, when you shall see all these things know that it's nigh, even at the doors.

Verily I say unto you, This generation shall not pass till all these things be fulfilled.

Heaven and earth shall pass away but my words shall not pass away.

But of that day...

Here is **the Seventh Seal** now, He is in **the Seventh Seal**

...and hour knoweth no man, no, not the angels of heaven.

But my Father only,

But...

And He begins to speak in **parables**.

As the days of Noah were, so shall also the coming of the son of Man be...

That was **the second question** - *When shall the sign of thy coming be?*

For as in the days that were before the flood...

That destruction –

They were eating, drinking, marrying and giving in marriage until the day that Noah entered into the ark.

And knew not until the flood came and took them all away, so shall the coming of the Son of Man be.

Bro. Branham says here, he says, ‘Now when Jesus was speaking that, here was the fullness of the Godhead bodily, standing on the earth. And He had opened up **those Seals** and He came to **the Seventh Seal**...The day and hour of His coming no man is going to

know **how** He's going to come, or **when** He is going to come. And He began to speak **parables**. And He told them about the days of Noah. After He had finished **that great Sixth Seal** about the sun and moon and stars going to fall from heaven and these things. And **the Son of Man** will come and the **144,000** will be gathered together and **Moses and Elijah** are going to come and gather them and they will mourn for the One that they rejected, **verses 30-31**. Then He begins to speak in **parables**. Learn a **parable of the fig tree**'.

Now Israel was gathered back in their homeland, because of persecution under **the Fifth Seal**, 'when they were hated of all nations for His name's sake'. We found out on Thursday night how **this parable** is really supposed to be **after the Fifth Seal** and **before the Sixth Seal**, because Israel is in the homeland. They are waiting for Moses and Elijah to come. Amen.

And Jesus said in that generation that sees Israel in the homeland, sees the fig tree putting forth its bud, **the days will be like Noah**. Are the days like Noah today? He goes to **Genesis 6** and begins to speak about the days before the flood. **Noah** was a **prophet** and he had a **ministry of three pulls** and **the last pull** was to the lost after the door was closed. Now watch how this comes out.

Now **Matthew 24: 9-13** is the **Fifth Seal**. **Matthew 24:29-31** is the **Sixth Seal**. **Matthew 24:32**, Israel is in the homeland, **the parable of the fig tree and the days of Noah (verse 37-39)** is right between **the Fifth Seal and the Sixth Seal** because **that** happens before the Sixth Seal, before **verses 29 and 31**. **Verses 32-39**, is to be fulfilled before **verses 29 and 31**, because **verses 29 and 31** is when **Moses and Elijah** comes.

But **this time (verses 32-39)** is **happening now**, but the way Jesus spoke **it**, He speaks **it** after He finishes **the Sixth Seal**. He is dealing now, with **that Seventh Seal**, but we find out **verses 15-28**, which is injected here, are between **the Fifth and Sixth Seal**. He was speaking about, 'the days being cut short and about the elect going to be saved and how the end of all flesh is come; except for the elect's sake, He shortened the days, otherwise no flesh would be saved. And about all the false prophets and false christs and all these things and the **coming of the Son of Man**', because He came back right here in **verse 39** and speaks about **the coming of the**

Son of Man again. So *this (verses 32-39) is happening between the Fifth Seal (Matthew 24:9-13) and The Sixth Seal (Matthew 24:29-31).*

And *Matthew 24:9-31* is parallel to *Revelation 7:1-4*, because in *Revelation 7:1-4*, ('the angels holding the winds and the earth and sea and these things'), is contained in both **the Fifth Seal and the Sixth Seal.**

Let's turn to *Revelation 7:1*. You see, I quote the scripture, but some of you may try to figure out what is written in scriptures, so it will be better if you look at it for yourself in the Bible, because you're going to see, *why Jesus told that parable about that Seventh Seal.* How there is going to be **silence, in days like Noah,**.

Let's take from *verse 9, the Fifth Seal* *how they will enter into the ark, God will shut the door, the elect will be sealed in and the rest will be sealed out.* Seal, because *Revelation 6 verses 9-11* is parallel to *Matthew 24 verses 9-13*, which is **the Fifth Seal.** Here is **the Fifth Seal in symbol form, over there (Matthew 24: 9-13) is the Fifth Seal in a written form, in a Word form.**

And when he had opened the fifth seal, I saw under the altar the souls of them that were slain for the word of God, and for the testimony which they held:

And they cried with a loud voice saying, How long O Lord holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?

And white robes were given unto every one of them, and it was said unto them that they should rest yet for a little season until their fellow-servants also and their brethren that should be killed as they were, should be fulfilled

Now *these* were **the Jews** who died under '*the tribulations of Hitler and Eichman*' in **The Wars** during the time of **the Feast of the Trumpets, Woe, Woe**, when violence filled the earth, **that Fifth and Sixth Trumpets.**

After the First Four Trumpets, the environment was being destroyed. Then *verse 12*, this is *after* the Rapture now. *One is before* the rapture- *verse 9-11* is *before* the Rapture that is already

taken place back there. **Verse 12** is to happen, *this is parallel to Matthew 24:29-31*, same thing.

*And I beheld when he had open **the sixth seal**, and lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became like blood.*

*And the stars of heaven fell on the earth (just like **Matthew 24:29**) even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.*

And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men (men of great renown like in Genesis 6) every slave and every free man hid themselves in the dens and in the rocks of the mountains;

And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb;

For the great day of his wrath is come; and who shall be able to stand?

Then lets continue on. He is still speaking about **the Jews**.

***And** after these things I saw four angels standing on the four corners of the earth holding the four winds of the earth, that the wind should not blow on **the earth**, not on **the sea**, nor on **any tree**.*

And... (conjunction), now *this is before the Rapture, **verse 1** is before the Rapture, **verse 2** after the Rapture).*

*And I saw another angel ascending from the east, having the seal of the living God; (He is coming to seal them up now) and he cried with a loud voice to the four angels, to whom it was given to hurt **the earth** and **the sea***

*Saying, Hurt not **the earth**, neither **the sea**, nor **the trees**, till we have sealed the servants of our God in their foreheads.*

Here He is going to seal up 144,000.

And I heard the number of them which were sealed; and there were sealed an hundred and forty and four thousand.

So **Revelation 7:1-4** contains **the Fifth Seal** and **the Sixth Seal**. **The Fifth Seal** is *the Feast of Trumpets*; **the Sixth Seal** is *the Feast of the Atonement*. And *the Feast of Atonement* is when they are going to recognize the Messiah, when Joseph's brothers will know him.

Just like **Naomi** – **Naomi's family** was dead. *Elimelech* and *Mahlon* and *Chilion*, 'those souls under the altar', they were dead. **Naomi** went back in the homeland, which was **the fig tree, the 144,000** back there, *Israel as a nation*. And then they are waiting for redemption. So **verses 1-4, Revelation chapter 7**, is parallel to **Matthew 24**, because **Matthew 24** is speaking of *the same Seals, same thing, persecution of the Jews and then Moses and Elijah coming to the 144,000*. But between **that time** what is happening? – **The coming of the Son of Man**

And it will be like the days of Noah, while the fig tree put forth its bud, and that is happening right now. Amen!

And Jesus said *Genesis 6* will be happening right there in that very hour. And here we come to *Genesis 6* and we see what? – **The earth destroyed, violence filled the earth and before the end of all flesh comes, and before the faith civilization comes back** with Noah and his family, those that believe the prophet's message... Listen to this, **Future Home** pages 63 and 64.

Bro. Branham says, "*I can only teach my types now. Notice Bro. Lee, (talking to Bro. Lee Vayle there) who come out of the new earth with Noah the prophet? Those who went in with him in the ark, that's right, that's who walked out on it, see. Those who went in with Noah by his message were the ones who walked out upon the new earth after its water baptism. The one who goes in with Jesus; now, how do we get into Him? By one spirit and He is the Word you become part of Him. What part of Him are you? The Word that's living at the hour, at this hour, recognising you will walk out with Him in the millennium that's when He will walk out. Notice not a new generation, a transplanting. You say, oh Bro. Branham, notice. If God could raise up Elijah and take him up twenty five hundred years ago to transplant him back in the earth*

again to be a prophet for the Jews, how much more can He do for the Bride, after Noah came out of the ark.

Notice what was said to Noah after he came out of the flood just like it was in Adam before. After he came upon the new earth He said multiply and replenish the earth after the flood. Notice, was to be fruitful, replenish the earth as Adam at first. Notice He says – now you can see exactly here, now listen real close – Adam was to multiply and replenish the earth; is that right?

Noah, after the world was destroyed, was to multiply and replenish the earth. So Noah and his family in *the new earth* was a type of Adam and Eve in *the Garden of Eden*. Genesis 1 and 2, Adam and Eve in *the Faith Civilization*; Genesis 4 and 6 is *two thousand years of science civilization*. At the end of *the science civilization* God sent a prophet before *the Faith Civilization* comes back, before *the New Civilization*, before He brings them back on the earth like Adam and Eve were in *the garden of Eden*.

And under **the Seventh Trumpet**, Adam and Eve comes back on the earth in *another Civilization*, just like it was in the beginning.

Because that prophet Noah comes to pronounce judgement on *the science civilization* and pull a people out who will be transplanted back. He went above the flood and came back in *the science civilization*. Don't you know when you go up in the Rapture you'll be coming right back in *the Millennium* on this same earth but *this civilization* will not be here?

And when Noah came, He said, 'Behold, I send Noah before the great and dreadful day of the Lord lest I come and smite the earth with a flood.' Amen. And Noah went forth preaching that it was the last generation, Noah went forth preaching that '*the end of all flesh is come*'! Judgement is going to strike the earth, amen! And he was pulling out those who were going to come back and be heirs of the earth. The meek who were going to come back in with that prophet and inherit the earth, amen.... come back into *a New Civilization*.

And between **the Sixth and Seventh Trumpets** here comes Revelation 10, God coming to His prophet Revelation 10:7.

God came to Noah and *those Seven Seals* opened up, showing him what? *The end of all flesh is come*, amen, to pull them out

because under **the Seventh Trumpet** the kingdom of this world becomes the kingdom of our Lord and His Christ.

And Jesus puts **His coming, how** He's going to come? He is going to come *between the Second Woe and the Third Woe, between that violence that filled the earth between the Sixth and Seventh Trumpets*, He is going to come. And He is going to come *in the ministry of a prophet* – 'so shall it be when the Son of Man is being revealed.' 'As it was in the days of Noah,' because that prophet came right there at the end of *that science civilization*.

It was a prophet being revealed with a message of Redemption. He is going to take them back to *a New Civilization*, with a message of Judgement upon that very world.

And God cleansed the earth with His tribulations. God Himself came back down there, **the Third Woe**, because *Armageddon is to wipe off the earth, to bring back the Faith Civilization.* And God cleansed **the earth** of *all their science under the Fourth Vision, the immorals under the Fifth Vision, and their false religions under the Sixth Vision. The Seventh Vision was atomic power cleansing off the earth.* And here it was, *and God showed the prophet what was coming.*

And when He spoke those things here, (and we see he saw exactly where he was) because, Jesus giving **the parable of His coming like a thief in the night, that great secret.**

When Noah came the world rejected that message; they were too caught up in all their *science* and these things.

And Bro. Branham came and showed it, he said, there are *Two Edens*, there are *Two Veils; the lust veil and the Holy veil.* See? And here we see in the scriptures right here in *Genesis those Seven Trumpets: how the earth was destroyed under the first Four Trumpets, how it was filled with violence under the Fifth and Sixth Trumpets and how the end of all flesh came before the New Civilization came back under the Seventh Trumpet, to bring back a new beginning.* And *between that time God sent a prophet that pulled out the Elect who came back in the New Civilization.*

So all those things we have taken from **Genesis (in the life of Joseph) to Revelation chapter 8-11, to Revelation 7, to Matthew 24 to the Book of Ruth** over here, *in the Book of Genesis*, this morning, *to Leviticus 23.* Proving by the scriptures *what was in that Seventh Seal, what was behind the silence when those things*

took place, **why the Trumpets were preached supernaturally that *It* would not be given away.** Yet God promised on the **Seventh Seal** – ‘*that just before Jesus comes, the rest of it will be made known*’.

I believe that if *these things* have become so clear and so real to us by the scripture there that we cannot deny it. It is being made plain in **shadows** and **types in the scripture** and **prophecy** tying the whole Bible together, showing us *those things* that it’s nearer than when we first believed. Amen.

In **Genesis 8 and 9**, God told Noah, ‘*Go out into the New Earth now Noah, and I will put the dread and the fear of you upon every beast of the field*’. And God told Noah what to take – certain types of **trees**, **botany life**, carry certain types of **bird life**, carry certain types of **animal life**, *all the life that God created in Genesis*. He had Noah to choose it out, what is for food, what is for different things, take it and preserve it and go and re-populate the earth.

And here the prophet came back out to start over into *a New Civilization after the science civilization was destroyed and wiped off the face of the earth*. What took *two thousand years from the first city* Cain built **until** they were so far advanced in **science** and **civilization** and all these things, when that prophet came with that message. And here as we look and we see these things breaking forth and we see *the Millennium* being ushered in, it’s so close.

We see it’s just... **Naomi’s** turn is coming now, **Joseph’s brothers’** turn is coming now and **the Church** is being taken up, entering into a rapturing grace to be taken off the face of the earth. And we see that when Noah had moved into that, after the ark was finished being built and the ark was the preaching of his message. He had found all the materials and he had to construct it like how he saw it in a vision. Every piece of the material lay in place to build that ark, which was the preaching of the Word. “*Noah being warned of God of things not seen as yet moved with fear and prepared an ark for the saving of his household.*” And the days, ‘*while the longsuffering of God waited while the ark was being prepared*’, while he was sounding *his message* with, *faith* and *works* while the *disobedient* were crossing the *line of mercy*.

And then God moved Noah into the ark and the Bible say, “**And the Lord shut him in.**” And seven days it looked like nothing was happening, but the elect knew that God had come on the scene.

Now the message was going to be vindicated in such a way and the judgement was going to strike. It was going to go out to the lost, but Noah was going to go above the judgments to come right back.

And here when these things unfold down to a place we see how Jesus so perfectly placed His coming as the Son of Man, *between* the earth being destroyed, *between* the Wars, *between* the prophet's coming *and* the New Civilization.

Is that what the Seven Trumpets are? The earth being destroyed, the Wars, the prophet coming, the New Civilization in the Book of Genesis. What is in Genesis is in Revelation. Exactly, where it occurs in the book, 'that prophet came right between the violence and the end of all flesh'. After his message, came the end of all flesh. 'I will send Elijah before I come and burn the earth as an oven. The righteous will walk out on the ashes of the wicked'. Noah and they walked out in that New Civilization; everything was destroyed. What a time it is!

If there is one who is not a real believer here today, may your heart so burn, as we see the realization, *how the earth is being destroyed; science destroying the earth exactly as it was in the days of Noah.*

God sent a prophet exactly as it was in the days of Noah. All these things, 'as it was in the days of Noah, so shall it be', pulling out the minerals of the earth for war and industry. If an earthquake comes, the whole thing falls in, because it's thin, nothing to hold it. They're even destroying this earth, and the same way, there's coming a New Heaven and a New Earth, as we preached last Sunday there's going to come...

Look where we started last Sunday and look where we ended this Sunday. Notice during the week where we have walked and shown where those things have happened and here we come facing the restored Eden again, getting ready to go back in by the grace of Almighty God. Seeing where all these things have been happening and taking place on the face of the earth and the grace of God have come unto us to call us out. May we be true to every word.

Let's all stand to our feet. Let's bow our heads and close our eyes, let our hearts be centered upon Him, thinking of the great grace and mercy that has been given unto us to recognize '*Jesus and His program*'. These great hidden things that were sealed up in His Word, the Light shining to place us positionally. Showing

us these great things happening hidden in His Word. In **“Why it had to shepherds?”** He says, *“What a joy it must have been, when they found the Messiah exactly where He was laying, hidden in His Word from the wisest theologians, but being revealed unto babies such as will learn.”* We are finding Him laying in simplicity, hidden in humility, so real and letting us see that He considered us in His great plan of Redemption.

Our gracious, loving Lord Jesus, as we stand looking into the pages of Your Holy Word speaking of Your great plan, seeing Lord, how You laid those things out in the beginning of the scripture. *At first, a Faith Civilization, then the Science Civilization, then You sent your prophet and then You brought it back to a New Civilization again.* It is so You have worked, Father. Here to stand facing *that great Eden* one more time. *Hell is created on the earth.* Look what *all that civilization and city life* has produced. *You have already pronounced judgement upon it.*

I remember the words of Your prophet, he said, *“Remember that rock that was thrown up in the air, judgement started on the earth.”* He said, *“Lord just keep the Bride in step,”* speaking to his ministers; he said, *“Remember the vision of the preview of the Bride.”* She was being taken out of the way, and Father, we realize that this morning it is so close, and in bringing forth these things that the Bride might just keep walking in step, just keep going upward, Lord.

I pray that the Word that has gone forth, Father, will have such a profound effect upon every life. You would make it so real, You would take the modern events and make it clear by the vindicated prophecies of Malachi 4. That as we look through the eyes of the prophetic scriptures we could recognize Lord the things that are happening in our day and our hearts could be set upon your promises, the things that are to be. O God, we could move as spiritual astronauts into that atmosphere where these unailing realities could become living experiences in our lives.

Father, may You grant it. I pray today that Lord, You will just deal with us in such a way, that as we would come back, when the evening shadows fall for the second part of the service, to close off this great spiritual feast that You have brought us to sit around Your table over these days.

And, Lord how You brake the Bread of Life and You made Yourself known in the breaking of the bread that we could just feast upon this stored up food that You had Your prophet to store up, saying that when the time of famine comes we will have something to eat.

Lord, that the Holy Spirit will come back and say the same things, bring back things to our remembrance and show us things to come, and teach us all things. O, we thank You to see that, *'the Spirit and the Bride would say exactly what the prophet says'*. How His words now becomes alive and becomes so real and all these things that were so mysterious became so simple. Father, may it bring such a faith in our hearts to live for Thee, and to be made ready in this hour. We pray and ask these things in Jesus' Precious Name and for His sake. Amen. God richly bless you.
