Mission Update October 2011

Mar 16:15 "and he said unto them, Go ye into all the world, and preach the gospel to every creature." (Bro. Branham said) I believe that every Christian is obligated to be a Missionary I believe that every Christian is obligated, not so much that you have to go over into the old country and preach or something but if you can't go, you can help send somebody else. The laity of today will use their money to sponsor Zoos and Parks and refuse to sponsor Missionaries to take the Gospel to the world. There are hungry Missionaries out there preaching the Gospel without shoes on their feet. No denomination will back them because they stand for the Word of God... Real true Missionaries with signs following them have to depend on some little wash woman to save a few pennies for their support. There it is!

[The End time Messenger]

Dear and beloved believers in Christ Jesus, Christian greetings in the matchless and mighty name of Lord Jesus Christ

In the beginning of this October, I was due to leave for Chani Goth Rahim Yar Khan, on 2nd October 2011 after Sunday service I took an intercity bus for Chani Goth after 14 hours traveling I reached Chani Goth early in the morning, Brother Patras Punu came to pick me up from bus stop because it was my time to this place. Then we traveled half an hour by motor bike and reached his home, after the breakfast we went to preach another place we traveled 100k/m by rented a motor bike from the same village. In Hindu community I shared the word of God among them I told them Jesus story, Moses and Elijah's story we stayed a night with them in the open fields with animals, there was no electricity no toilet I wore clothes without iron but showed the love of God with them I told them Jesus Loves you He sends me for you receive your salvation you will be free from your trillions gods, I told them Jesus loves poor and Prophet of the this age also loves poor he went to poor and preached the Gospel in South Africa and around the globe. I shared with them about the life of Brother Branham and then told them about the ministry of Brother Branham that how mightily God used him for His glory. Thanks and praise to Lord Jesus Christ five Hindus accepted Lord Jesus Christ as their Savior I baptized them in the name of Lord Jesus Christ.

Next day we came back Patras punu's house and saw his effected house and his six children and his wife they are very poor and living on rented place. I gave Pastor Patras Punu and his family used clothes, shoes and some money as support rebuild the broken wall of his house. He was very thankful to God for this kind help. He requested me for motor bike because he wants to reach more and more Hindu people with the message of the hour. He told me I travel by bicycle and can't reach more people. WE ARE PRAYING AND LOOKING FORWARD TO GET A MOTOR BIKE FOR PASTOR PATRAS PUNU to help him for the outreach among Hindu community around his
