Mission update  
January 2012

Dear and beloved Believers in Jesus Christ Warmest Christian greetings in the most precious and matchless name of our Lord Jesus Christ

Pak Tabernacle is very thankful to Lord Jesus Christ for His constant love, tender mercies and amazing Grace in the last year and praise and glory to Him for 2012. He has done the greatest work beyond our thoughts and imaginations. Hallelujah! We are looking forward His mighty hand to move around us in the year 2012 as we reach more and more people with End time Message of Restoration of the Bride of Christ.

## MIDNIGHT SERVICE:

We had a midnight service on 31st Dec. 2011 and we finished 2011 With Prayers and also Started 2012 with Prayers and in the name of our Lord Jesus Christ because Bible tells us **Col.3: 17** And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.

I shared the Word of God from **Matthew: 24** I told many prophecies about End Time and preached About the Brother Branham's prophecies for this last age. I shared that God is fulfilling all the prophecies as he vindicated Brother Branham's ministry with mighty wonders and signs when he was alive on the face of the earth.

## NEW YEAR SERVICE:

We have a Sunday morning service and there were many new people came to this service. I preached on New Year Sunday morning Service About "Church Order". I actually study this book of Brother Branham much time and greatly blessed personally and I really want to translate

this one into Urdu, because we don't have this book into Urdu. This is the great need at this present, most of the message churches here in Pakistan are also acting and behaving like the denominational ways. They don't have any Church order. I shared to the believers about all the Offices of Church which Brother Branham mentioned in his book and I said that we should Follow This Order of Church and it is totally according to the Word of God. I further told and accepted that we were going wrong directions because we have appointed young Elders whom we dedicated many years ago. That time we had not this End

Time Messages of Bro. Branham. So now we thanks to God for this End time Message of restoration which we have accepted and going into right direction which have total harmony with the Word of God We are restoring by this Message of the hour and setting our Church according to the Word of God. We have removed wrong Offices from our church Pak Tabernacle on this New Year 2012 by the Grace of God and praise and glory to God that all the saints are happy and accepted it with happy heart.

## THANKS GIVING MEETING:

Before the meeting his wife and he told me some requests for Prayer, he specially requested for his sister Parveen who was ill since last six year and because of that illness she was not able to walk.
