Mission Update July 2013

Heb 13:8 *Jesus Christ the same yesterday, and to day, and for ever*

REPORT FROM KARACHI CITY:

Dear and beloved Believers in Christ JESUS,

Christian love and greetings in the most precious and mighty Wonderful Name of Lord Jesus Christ!

It is great privilege to me that I am updating you about what our Lord Jesus is doing across this Islamic country of Pakistan through the message of hour. All praise and glory belong to Him and only Him. Amen

Acts 1:08 *But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.*

Brother Branham said:

“Back in the Old Testament, we find out that God veiled Himself from unbelievers. God has a very odd way of dealing with people. He hides Himself from the unbeliever and reveals Himself to the believer. God does that. Jesus thanked the Father, that, “He had hid these things from the wise and prudent, and would reveal It to babes such as would learn.”

Report from Lahore City:

Pastor Akram Roshan called me and told me the work of Holy Spirit in the city of Lahore Punjab province. He said we were greatly amazed when we heard phone calls from Evangelist Tariq who is well educated and famous preacher among his people in Lahore city, he was trinity believer and belong to Full Gospel Assembly denomination. Pastor Akram said we told him about water baptism in the name of Lord Jesus Christ but he didn't agree then we gave him books of Brother Branham. Which we are receiving from Voice of God recordings Pakistan, after few weeks

he came to me at 10:00 pm and told me please baptize me in the name of Lord Jesus Christ, because I had water baptism according to the trinity but when I read the book of Brother Branham *"The Godhead Explained"* I got the truth about water baptism in the Name of Lord Jesus Christ. Please baptize me now but I told him the time is bit late now I will baptize you tomorrow but he insisted. Then we went into water tank but there was no water in the tank. Then I told him I will baptize you tomorrow but he said I have service tomorrow in our church where I will share the Word of God and how can I speak the truth until I did not have true baptism? Then I took him to river and baptized him in the Name of Lord Jesus Christ at midnight. After some days he visited our church and shared his testimony he said I read the *"The life story"* book. He said the angel of God came to Brother Branham and told him about his supernatural ministry and the pillar of fire upon him, when God vindicated he was prophet so how can I reject him? He said Brother Branham is the prophet of this age so I accept him openly. Praise and glory to the Lord of hosts! What we couldn't change but the message of the hour has power to change lives. We thank and appreciate God for the prophet of this last age with the message of hour for full restoration of the Bride of Christ.

Report from Mardan (Khyber Pakhtoun Khawa):

When any one pass from your church they must read so I am very overwhelmed by this bravery and I want to know about your faith.

Pastor Samuel invited him in Sunday service with his family they came to church on

service and heard the message of the hour. After service he met them and gave them books of Brother Branham which he had received from Voice of God recordings and told them this is my faith. Glory to be God!
