

Pak Tabernacle Assembly Pakistan

Mission update

April 2012

Dear and beloved believers in JESUS,
Warmest Christian greetings in the most precious
and matchless name of Lord Jesus Christ

We are greatly and highly thankful and appreciative to Lord Jesus Christ for his grace and mercy upon us here in Pakistan. He is leading us to His elected seeds with this End time message around Pakistan and we are winning the lost souls with the present time revelations of God through His servant and prophet William Branham. Praise and glory to His blessed name!

Denominational people are accepting the end time message of this age, leaving denominations and preparing themselves for the second coming of Christ very soon. It is the great, wonderful and amazing grace of our Lord and Saviour Jesus Christ. We are greatly privileged and blessed people because of Him and Him only. Halleluiah and glory to God.

Seminar on Good Friday:

More than 200 people get together on Good Friday seminar at Pak Tabernacle Karachi; we arranged tents and chairs on rent for the people. As the believers were standing and sitting in the street because there was not enough space in the Church building for them. We are praying and looking forward to God for a bigger and suitable church building for the believers in Karachi.

We had 2 sessions in the seminar and in First session Pastor Munir preached about suffering of Jesus Christ in Garden of Gethsemane and terrible situation He faced there. In the second session I preached about mocking God from Gal 6:7 and given many examples of people who mocked God and their end/destination.

I shared the quotes of Brother Branham. After the message brothers arranged the food for all the people present in seminar and they served food among the congregation. They enjoyed spiritual and physical food at one place, they were very happy and blessed by ministry of the Word of God. Some of them were new comer and heard the message of hour first time. They showed their great interest to know more about Brother Branham and his message. Thanks God for His amazing grace and constant love to His precious bride in Karachi Pakistan.

Ps. Javed Barkat's missionary trip in Lahore city:

On 10th April Brother Javed Barkat from Quetta called me and told me about his meetings in Lahore city, he visited many times Lahore and

preached the message of hour among new people in the city. During this campaign he met to Pastor Akram Roshan, (who was trinity believer) Brother Javed Barkat shared him about Brother Branham's ministry and end time message for while.

Pastor Akram asked many questions and queries related to Brother Branham and his awesome ministry. Brother Javed Barkat answered him humbly and meekly and by the grace of God after many meetings he accepted message and now he is ministering the Word of God with end time message in Lahore city. He has church building on rent and many church members in his fellowship.

We are trying our best to help and support him with any possible support. Now Brother Javed Barkat again visited Lahore city he preached the word of God there,

Pastor Akram Roshan

after service some brothers came to him and asked him questions about new life and baptism in Lord Jesus name. Brother Javed Barkat answered and guide them to Lord Jesus Christ and then three of them baptized in the name of Lord Jesus Christ. Praise and glory to the Lord Jesus Christ.

Pastor Akram and Pastor Javed Barkat invited me for more spiritual growth of the Lahore church many time. I am planning missionary trip to Lahore city and other cities of Pakistan because I have received many invitations from all around the Pakistan, especially from Punjab province.

Please keep me in your personal and social prayers, as I am going to mission field with this two edge sword that God use me for His honour and glory to bring the elected to His kingdom through this message of the hour.

We are greatly and highly thankful, appreciative and admiring all our precious brothers and sisters who are continually praying and supporting us in this Islamic country of Pakistan in these tough circumstances for the propagation of the gospel with end time message. Please keep Pak Tabernacle bigger church building plan in your prayers as we are very much need for the bigger space for the believers in Karachi.

We are faithfully praying for each of you, your family and your precious ministries.

Kind best regards to all the saints in Christ Shalom

Your brother in JESUS,
Pastor Shamoob Yaqoob
