Testimony of Brother Ilyas Masih :

Brother Ilyas Masih is the member of Pak Tabernacle since last five years and attending the fellowship and services every Sunday.

Last Sunday after the service he came to me and requested me that he wants to share his testimony how he got healing from his sickness.

I told him that we will give you time next Sunday.

This Sunday he came to church and I invited him to come and share your testimony. He came to pulpit and shared his testimony, he said I had swelling and pain in my whole body since last four weeks and it made me very upset and worried. He said one night the pain was unbearable and I was very very restless and upset.

In that moment of desperation I prayed for myself and from the bottom of my heart I prayed to God please relief me from this trouble. I didn't know when I slept, that night I dreamed a dream and saw that Brother Shamoan Yaqoob came to me, prayed upon me and said to me that keep on praying and Lord JESUS is more than able to heal you for your sickness. He shared to the believers that after that I have no pain and swellings in my body and I felt very much rest and comfortable and slept very well almost after one and half months. I am greatly thankful and appreciative to Lord JESUS Christ to healing me from this restlessness.

Hallelujah Praise and glory to the Lord Jesus and His blessed name. Amen

Dear and beloved believers in JESUS CHRIST,

Warmest Christian greetings in the most wonderful, precious and matchless name of Lord Jesus Christ

Mark 16: 17-18 And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

We believe and surely trust that **Jesus Christ is same yesterday, today and forever as the Bible tells in Hebrew 13:8**, as He was healing the people when He was on the face of earth. He is still doing same miracles today and will keep on doing forever. I was very sick last month and I had fever and very bad pain in my whole body, so I was taking medicine but I couldn't recover from that. Then God put in my heart the remembrance of that blind man's incident, When Brother Branham said to blind man you must thank and praise to God all the time saying Lord Jesus Christ I am thankful to you for healing, I am sure you will get your healing and the blind man was doing those things prophet said to him to believe and do and one day he got sight by the Grace of God. When I was very sick and having very bad pain that night I was doing and believing the same things that Prophet said to blind man. I was thanking, believing and praising God, saying that Lord Jesus you have healed me, Jesus thank you for healing by the grace of God I got healed the next day. Hallelujah Blessed be His mighty name always.

I received the phone call from Brother Patras Punu last week and he told me about Brother Jagbar who was Hindu. I baptized him last year in the name of Lords Christ in Chani Ghot Rahim Yar Kahn. Brother Punu told me about Brother Jagbar was living in his family as a secret believer and he didn't tell anybody about his new faith but last week he declared and showed himself among his family that he is Christian now and no more Hindu, he said I am no more Hindu now I am Christian a Believer of LORD JESUS CHRIST.

When his family heard this then they were very angry and worried about him and his new faith, his family beaten him and told him that there is no more place for you in this and we don't want to see your stupid face again in our home.

Treasurer Yousaf stands in the street and praying for bigger church building

the Word of God in this Muslim dominated country. We heartily request to all the believers please keep us and the bigger Pak Tabernacle Church building plan in your personal and social prayers. As we are in need of a bigger church building because many of the Believers stand and sit in the street during the services on Sunday. We greatly appreciate your precious and faithful prayers for Believers here in Karachi Pakistan.

We are continually praying for you and your precious ministry. May Lord JESUS Christ richly, abundantly and exceedingly bless you, your family and your precious ministry and reward you for all your kindness and passion for the Bride of Jesus around the globe.
