THOU MUST PROPHECY AGAIN UNTO THE WIND

20th July, 1986

HARARE, ZIMBABWE

Excerpt:

•
The second time he prophesied, it wasn't to the ones out there; it was to the ones called out by the Son of Man Message who were set in order and waiting for the breath; for Him to bring down that Love – a huge Portion of Heaven that awaits you on the Seventh Step, on the Seventh Peak; when Christ is formed in you, (hallelujah!) to cap off the pyramids of your lives – put the great Capstone, Jesus Christ; His great, magnificent, holy blessings to rest upon you. Amen. (***Page 40***)

Thou Must Prophecy Again Unto The Wind

FOREWORD

This is a sermon preached by Pastor Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THOU MUST PROPHECY AGAIN UNTO THE WIND

I, The Lord, Have Spoken It And Performed It

SUNDAY 20TH JULY, 1986 - AM
HARARE, ZIMBABWE

BRO. VIN A. DAYAL

*I just want the Dove
To lead this eagle,
I just want...
I just want the Dove
To lead this eagle home;
For I know that Dove is here, this morning.
For I know the Dove is here,
Oh, He has come...
He has come to lead God's eagles;
And I know...
And I know He will guide me,
And keep me in His Word.*

Oh, let us just lift our hands and sing, I just want to follow... if that's your desire.

*I just want to follow... Just worship Him.
The way You will lead me,
I just want to follow... Oh that's our desire.
The way that You will go;
For I know ...
Oh, You would lead me
In the footprints...
In the footprints that You have left,
And I know...
And I know You will guide me
And keep me in this path.*

Oh, one more time... I just want to follow
I just want to follow... Oh, sing unto the Holy Spirit

*The way You will lead me,
I... Oh, I just want to follow
The way that You will go;
The way that You will go;
For I know... Oh, You will lead me
Amen, in the footprints...
In the footprints that You have left,
And I know...
And I know You will guide me
And keep...
Keep me in this path.*

Oh, hallelujah! Hallelujah! Blessed be His Name. Thank you, Jesus. Amen. Praise His wonderful Name. Aren't you happy this morning? We don't have to look to man for leadership because the Dove is here; that Seventh Dove. Amen. When the Prophet saw that Dove out in the mountain, he said, "Now what is that Dove doing here in the wilderness?" Amen. There was something special about It. He said, "For forty two years, I've been looking for that Dove." Hallelujah, amen!

The next day, he went up into the Canyon, walking around there. The Holy Spirit led him a different way and told him, "Lift up your hands and pray." He began to pray. He said, "What is that over your chest, written on that rock?" It was engraved in the stone, *eagle*. He looked up, he saw the Eagle Rock. Hallelujah! He said, "That's my next message: The Dove leading the Eagle; I'll ride this trail one more time." Hallelujah. Glory be to God.

A few months after, out in Shreveport Louisiana, after preaching his Thanksgiving Services; on the last night, he was preaching *On The Wings Of A Snow White Dove*. [1965-1128E -Ed.] And while he was giving his testimony at the end of the service, he said, "That is the Dove that has led me into a faith that I have never known." And that same Dove is here, this morning. Glory be to God.

I remember it was in 1979, we went to Arizona and we had an experience. Then in 1981, we went back to that same place. They call it Dove's Cove; the place where the Dove appeared to the Prophet. The Prophet said... [Blank spot -Ed.] came in the form of a Pillar of Cloud; came in the form of an Angel with swept back wings; (hallelujah!) came in a form of a Man, two-hundred pounds; walked out of the ball of the Pillar of Fire; came as Michael with the drawn Sword; came as Melchizedek, the Lord Jesus Christ, the same yesterday and today and forever; came in the form of a Dove, a snow-white Dove. And after 1981, December, we went back home to Trinidad.

And one day, sitting down there, thinking about what had happened—because after going to that place, we had preached that night in the church, Tabernáculo Emanuel, where Brother Isaac Noriega is the Pastor. And there was such a Presence came down, the people couldn't leave the service. And after we went back to Trinidad, the Holy Spirit came and brought inspiration to write that song. Amen. Hallelujah! Glory be to God! I cannot even sing, much more to write a song, but the Holy Spirit said, "Pick up your pen and write that song." Amen!

So I feel good this morning, walking into this building, sitting down here, and just to come to the pulpit, the Holy Spirit put it in the brother's heart to sing, *Dove Leading The Eagle* [Song #569, Songs that Live - Ed.] Hallelujah! Because when the Dove goes before us, He will lead us into a perfect Faith. Hallelujah. So we can have a perfect Faith in the perfect God who made a perfect Promise in His perfect Word. Hallelujah!

May that Dove fly into your heart this morning and coo, "I believe!" If you are sick, may it 'coo' into your heart, "By My stripes you are healed." Hallelujah! If you need the baptism of the Holy Ghost, may that Dove settle down upon you this morning. May the nature of the Lamb be inside of you, that the Dove could come

upon you because this is the Hour God promised: The Dynamics shall be the refilling of the Holy Ghost. He will cap off the pyramids of our lives. Amen.

There is to be a perfect Love among the Bride in this Hour. Hallelujah! There is a Promise of the Capstone of Love, Divine Love, because a huge Portion of Heaven is awaiting you. Glory to God, amen. Maybe this is the time that *that* huge Portion that God promised... Who is that Portion? He told the Prophet, "I am your Portion; (glory to God, amen) the Third Pull." Amen. That's the Portion I want. Amen! Praise His Name.

God promised us that Portion: It will make and bring to pass a tremendous victory in the Love Divine. It will give you power to bind the Mamba in a knot. Glory to God, amen! When that Mamba wants to move in the churches, the ministers will bind that Mamba from biting the people. Do you know what the Prophet said it was? Unbelief. Amen. Glory!

It didn't hinder God these past twenty years, but it hindered those who had unbelief. But glory to God; God is giving us a Portion of the huge Portion, (hallelujah) that we could bind that Mamba in a knot; blue smoke begins to come out. Hallelujah! And the Voice spoke from Heaven, "What you, the Bride, binds on earth is bound in Heaven. What you loose on earth, is loosed in Heaven." Amen. Let there be a real loosing here, this morning.

When they brought Lazarus out of the grave; when the Voice of the Resurrection spoke (hallelujah!) – What is the Voice of the Resurrection? The Mystery between the Shout and the Trump. Hallelujah! The Gentile Prophet; he brought the Shout. The two Jewish prophets will have the last Trumpet; but between the Gentile Prophet and the Jewish prophets, there's a Mystery. Hallelujah!

The Gentile Prophet left in 1965 and the two Jewish prophets are yet to come. And from 1965 to 1986, there's a Mystery between the Gentile Prophet and the

Jewish prophets; the same Voice that called Lazarus from the grave; (hallelujah!) a resurrection out of dark denominationalism (hallelujah!); a resurrection out of dark denominationalism. What did Jesus say? “Loose him and let him go!” Oh hallelujah! May He turn you loose.

One time in the Bible, Jesus was coming down to the end of His Ministry; He was getting ready to ride into Jerusalem. Glory to God! Amen. The King was coming into the city (hallelujah), and there was a little donkey; Zechariah saw him in a vision and spoke about him. Hallelujah! Little insignificant donkey but he was written in the Bible. His name was in the Bible. Hallelujah! He was going to be part of the fulfilment of a prophetic promise that was connected to the Son of Man in that Hour.

And when the time came, that little donkey was bound. Hallelujah! So Jesus sent two of His disciples. They were sent. Hallelujah! They were sent to loose that donkey, (hallelujah!) for the King of Glory to ride. Amen, glory! And He gave to them, instructions, “If any man asks you, what you are doing, say, ‘the Lord has need of him.’” Hallelujah! The Lord has need of him.

You in here this morning, the Lord may have need of you but you may be bound. You could be loosed this morning and let every man hold their peace when God is loosing you. Amen, hallelujah! Oh my!

I just get happy when I come here. Amen. I am feeling at home already. So I bring you love and greetings from all the saints in Trinidad. I wish we could have moved the whole church over, (amen) but they sent their love and their greetings. And we are happy to be here to serve our Lord Jesus Christ and to rejoice with you. As our brother said, “Those who God has set free...” Amen. Who the Son of Man has set free is free indeed; these under the Seventh Seal. Elijah’s Second Pull in 1950 and 1951 discerned those honest in heart. He came back with the Third Pull in 1965,

(amen) but they didn't let him preach but the Message got here. Amen.

And then the honest in heart – you know Bro. Branham says, he said, “God pulled back that Seal and showed Elijah that there were some who would go in the Rapture.” Amen! So I know you are some who were under that Seal that God revealed to Elijah. That is why there is a Rapturing Faith that begins to break forth into your hearts, because you have seen your name in the Lamb's Book of Life. And we just came here to encourage you in that Faith, that present Truth that you are already established in. We just came to put you in remembrance of those Things and stir up your minds, and let God just do what He wants after that. Amen.

So I just want to invite your attention to the Book of Ezekiel – Ezekiel 36, also 37 and Revelation 10. Amen. I would like to preach this morning: **“THOU MUST PROPHECY AGAIN UNTO THE WIND”**. Ezekiel 36, verse 24:

24 For I will take you from among the heathen, and gather you out of all countries, and will bring you into your own land.

25 Then will I sprinkle clean water upon you, and ye shall be clean: from all your filthiness, and from all your idols, will I cleanse you.

26 A new heart ... will I give you, and a new spirit will I put within you:

Notice that personal pronoun ‘I’ (amen) unconditionally, “I will put it in you.”

... and I will take away the stony heart out of your flesh, and I will give you an heart of flesh.

27 And I will put my spirit within you, and cause you to walk in my statutes, and ye shall keep my ordinances, and do them.

Amen. “Nobody will have to beg you to serve God. Nobody will have to plead with you to live right. I will put My Spirit within you. And I will cause you to walk in My statutes and do them.” No wonder the Prophet said, “God wants to give It to you more than you want It.” Amen. That’s a promise! That isn’t a commandment; that’s a promise. So every real believer will live this Word. Hallelujah!

28 And ye shall dwell in the land that I gave to your fathers;

The Ephesians at the end of the Ages. Hallelujah! He will open up the Jordan – those Seven Seals, and bring you back into the Ephesians. You could dwell in your own Inheritance. And in Ephesians, in Canaan Land, every devil was under their feet. Hallelujah!

... and ye shall be my people, and I will be your God.

Amen! My people! No wonder He said, “Come out of her *My* people.” My genes that were in My loins; My expressed attributes. Amen. In the beginning when the great Elohim Who had no origin; (hallelujah!) Who had no father or mother, the great Jehovah; we were back there.

Ezekiel 37, verse 1:

1 The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones,

2 And caused me to pass by them round about: and, behold, there were ... many in the open valley; and, lo, they were very dry.

I tell you, we’re on the Seventh Peak. We’re not down in the valley. Amen. We were dry down there at one time; but we’re on the summit of the Seventh Peak. Okay verse 3.

3 And he said unto me, Son of man, can these bones live? And I answered, O Lord GOD, thou knowest.

4 Again he said unto me, Prophecy upon these bones, and say unto them,

Don't just prophesy anything. Don't just go and wait for a dream. He will give you the Word that you should speak. He wouldn't leave you to put your own ideas and think: "Is this right?" Or, "Is that right?" He said, "Say this. Is that what the Prophet says? Say exactly what this is."

... say unto them, O ye dry bones, hear the Word of the Lord.

5 Thus saith the Lord GOD unto these bones; Behold, I will cause breath to enter into you, and ye shall live:

6 And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD.

7 So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking...

A religious disturbance, (hallelujah!) a noise and a shaking.

... and the bones came together, bone to his bone.

Notice not just any bone; one to its bone. Hallelujah! No back bone could be a foot bone. No foot bone could be a neck bone. Hallelujah! The body must be fitly joined and compacted together. Then watch every joint supplieth for the more effectual working of the Body. Hallelujah! Glory!

8 And when I beheld, lo, the sinews and the flesh came up upon them, and the skin covered them above: but there was no breath in them.

Notice that. The Voice spoke from Heaven to the Prophet on the earth, "Go and prophesy" – a fourfold prophecy (amen) with a promise of: sinews, flesh, skin and breath. And He delivered the full Message that he was told to prophesy. But after the Prophet delivered

the full Message at the end of his prophecy, It wasn't completely fulfilled; part was prophecy and part became history. Amen. There was an unfulfilled part, (hallelujah!) but every Word must come to pass. Amen! But you see that part was for another season, that's why it didn't come together, right there and then.

But watch something. The Voice that spoke from Heaven, the One Who told him to prophecy, the One Who gave him the Message to speak, knew that He didn't bring to pass everything, right there. So look at verse 9.

9 Then said he unto me, Prophecy unto the wind,

In other words, pick up the unfulfilled part and recycle It (hallelujah!) because that part must also be fulfilled before the Promise could be fully complete. Amen.

He didn't give him a new Message, but he focused him to the unfulfilled part (hallelujah!), and told him to pick up that part. "You don't necessarily have to preach over, all that have been preached but to put the emphasis on the unfulfilled part." Because God was interested at that time, to manifest that portion that was spoken but not yet fulfilled. Amen! Glory!

*...Prophecy unto the wind, ... and say...
Thus saith the Lord GOD; Come from the
four winds, O breath, and breathe upon
these slain, that they may live.*

*10 So I prophesied as he commanded me,
and ... breath came into them,*

When did the Breath come? When did the Dynamics come? Under the recycling of the unfulfilled part. Hallelujah!

*... and they lived, and stood up upon their
feet, an exceeding great army.*

When did they become an invincible Army, marching the Victors' march? Hallelujah!

11 Then he said unto me, Son of man, these bones are the whole house of Israel: behold, they say, Our bones are dried, and our hope is lost: we are cut off for our parts.

12 Therefore prophecy and say unto them, Thus saith the Lord GOD; Behold, O my people, I will open your graves, and cause you to come up out of your graves, and bring you into the land of Israel.

Out of and into – Redemption has two parts – out of and into, and your full Redemption is in the Resurrection. Amen. Glory!

13 And ye shall know that I am the LORD, when I have opened your graves,

When you could say, “Oh death, where’s your sting?” And, “Oh grave where’s your victory?” Amen.

... O my people, and brought you up out of your graves,

14 And shall put my spirit in you, and ye shall live, and I shall place you in your own land: then shall ye know ... I the LORD have spoken it, and performed it,

He spoke it and He performed it, but look at how He performed it. He didn’t perform everything He spoke, the first time when the Prophet spoke it. In the performance of those Things told us from the Lord – that was Him. This safety curtain has to be raised and lowered five minutes before each performance. The actors are on the stage – God, en morphe. Hallelujah! There shall be a performance of those Things. Let us see God in His people. Amen!

Let us bow our heads for a word of prayer. Amen.

Father, we thank You for the Quickening Power that is in the building this morning. Oh God, truly it is the Resurrection, truly it is the Son-day; You said, “Because I live, you shall live also.” Hallelujah! And Lord, we see that Quickening Power that has called these out of dark denominationalism, quickening them Lord, from death

unto Life. Oh God, raising them up Lord, into this Mystery of the Seventh Seal, when Quickening Power is catching them away, making them a Super Church, a Super Race; that they could stand upon the face of the earth and finish this great Commission, Lord.

Lord, we thank, You. May You bless our gathering today. May You pour out Your Holy Spirit into every heart. May You loose them that are bound. May You heal those that are sick and afflicted. Oh God, may Quickening Power move into the hearts of the people, Lord, and transform them and change them, oh God. Lord, we are tired of being stirred but not being changed. We want a change, Lord. Let there be a real Transforming Power this morning, that the old leaves will drop off and new ones will come on; we will walk out this place different.

Bless everyone that is gathered here and get honor and glory in this service. Let no man be seen but may Jesus Christ, the Mighty Conqueror, Who is unconquered by traditions, be in plain view in the midst of His people. We give You honor and glory, and we commit ourselves and this service and all that is to be said and done into Your hands. May it bring praise and glory to Your Name. May it be for the assistance of Your people. We thank You for it, in Jesus' precious Name. Amen.

God bless you. You may have your seats. Well, we want to go right into the message because I have Trinidad's time here, and if we're going to preach with Trinidad's time, then we're going to be here quite a long time. But you see, I just feel so good and I always enjoy being here.

I wasn't waiting for the interpreter, amen. [Bro. Vin laughs -Ed.]

You know back home in Trinidad, it's about a quarter to five in the morning, because we are six hours here, ahead of them. So they are not yet gathered in service this morning. Many are still in their homes but they

had pledged that they will be praying for us. They will get up four o'clock in the morning, when it is ten o'clock over here and they will be praying for us.

I feel your prayer with their prayer and the grace of God, in the sincerity of our hearts; that God is here with us this morning, to meet every need that we have because He is determined to bring to pass what He has spoken.

You know, God doesn't ask us to be perseverant, before He is first perseverant. He first is perseverant, then asks us to be perseverant. Because the Prophet said that this Bible is the expression of the one goal and the one purpose that God had, and all the acts in the lives of believers were only expressing what that one goal was.

And we find out, back in the beginning of the Bible, in Genesis, in the eternal Church Age, before time stepped in, before the false anointed ones: the Nicolaitans, the white horse rider, (amen) the devil incarnate in the Serpent's flesh, came preaching another gospel (amen) to spray the Bride with unbelief to infiltrate the Church. Before that time, there was no death; the lifeline wasn't broken. The continuity wasn't broken. Hallelujah!

You see, there was no time (amen); it was Eternity. And Adam and Eve, they were veiled with a holy Veil, (hallelujah!) and they were naked and didn't know it. They were in the Presence of Perfect Love. They walked in the Shekinah Glory. Hallelujah! They lived in the Presence of God. They were what we will call, 'Beyond the Veil'. They were shut away in a Presence, in a Power, in Omnipotence. Hallelujah! They were gods on the earth; no man dare join themselves to them. Hallelujah! The harmony existed between the head and the body, between the groom and the bride; the two were one. She was bone of his bones; flesh of his flesh; life of his life; works of his works. Hallelujah! She reflected

him back in the eternal Church Age, before the Seals opened.

Now we have one after the Seals opened again (hallelujah!) because the First Seal opened with the white horse rider. Amen! Hallelujah. And that's where that antichrist spirit, that fallen angel, Lucifer, drops down there, (amen) veils himself and comes to steal, to kill and to destroy. Amen. He comes with wisdom, not faith; with wisdom but we want faith. Hallelujah! Where faith is preached, the children live. Where wisdom is preached they die. There are two atmospheres: wisdom and faith. But we want a faith atmosphere where we could see Hebrews 13:8; where all things are possible. Hallelujah! He must be all that He was then, right now. Hallelujah. Glory.

And back there, God's great purpose was being reflected because Adam represented God. Is that correct? Amen. You see Adam was the Word in flesh, amen. He was made in the image of God. Adam was prophet, priest and king – eagle, lamb and lion – Son of Man, Son of God, Son of David. Amen. Hallelujah! Adam was the whole Word of God. He represented both Old and New Testaments right there because the New Testament, the bride, was in Adam unexpressed.

Eve was going to be revealed in another season. The feminine part was unexpressed in Adam's flesh. Adam, in flesh, represented Christ in the corporal Body. Hallelujah, amen! And Adam walked and patrolled in Eden, (hallelujah!) from shore to shore, from sea to sea, from boundary to boundary. He was god. He was a king. He had a kingdom. He had dominion over the animals.

And Adam in Eden represented the threefold Mystery of the Kingship. Amen. King of Righteousness: Elohim before He came in flesh. Amen. Then you see Adam standing there, representing Melchizedek in the Word-form, (amen) King of Peace: Melchizedek, the Word, before He became flesh. Then when Adam went into

flesh, he represented Jesus, the King of Kings, (amen) standing there on the earth.

Then Adam was a prophet. He named all the animals. Amen. Remember God made all the animals before Adam was created. Is that correct? And God said, "Let there be tigers, antelopes, zebras." Then God called them at the setting of the sun in the evening time of the sixth day. And Adam, at the setting of the sun, in the evening time of the sixth day, represented Son of Man. Amen. He began to name the animals. Amen.

Maybe as the deer came walking, Adam set those eagle eyes upon him, he said, "Your name is deer." Hallelujah. He tells him where he is, where he lives.

Maybe, then the monkey came, he said, "Your name is monkey. You're full of tricks. You live in trees. That's "THUS SAITH THE LORD." Hallelujah.

Maybe the fox came up there, real sly, like Jesus called Herod a fox. Amen. And Adam watched that fox, watched that bushy tail, watched how he walked; and the fox might have tried to play he's a raccoon or something but Adam watched him, he said, "You're not a raccoon; you're a fox. You live in holes. You're very sly. That's THUS SAITH THE LORD."

Maybe when the Serpent came walking; Adam watched him, he said, "Now here's the wisest beast of all the field. You're Serpent. You could even talk." Hallelujah!

He was a prophet and Adam was a priest. He offered spiritual sacrifices unto God, the fruits of his lips giving praise. And Adam as king in his kingdom, represented the Son of David (amen) in the Millennium that is going to come; in the restored Eden. Adam as priest, represented the Son of God: Melchisedec, (amen) priest of the Most High God. Adam was a prophet. He represented the Son of Man, so in Adam was the threefold Mystery.

No doubt, when Adam walked in Eden, he would look at the lion and see the unexpressed mystery of his life

in that lion. He saw a compatibility between himself and the lion. When Adam looked at the great golden eagle, Adam saw a compatibility between himself and the eagle. Hallelujah! See? When Adam looked at the lamb, he saw a mystery of himself as lamb. Amen.

And here in Eden, God's three-fold Secret – Son of Man, Son of God, Son of David; (amen) the Lord Who was, Who is and Who is to come; Prophet, Priest and King; Eagle, Lamb and Lion were in the eternal Church Age before the fall, all locked up in Adam. Adam was the walking Bible.

And then the time came; God put Adam to sleep. Amen. And God began to unfold the Mystery of Calvary, that Adam alone would not be the Mystery. There is part of the Mystery in that flesh that had to be expressed and it had to be taken out because while Eve was in Adam, she couldn't be revealed; she had to be taken out just like when the Bride was in the corporal Body.

The Bride couldn't be revealed when Jesus walked the earth; though when He died She died; when He was buried She was buried; when He rose She rose. Amen. But there's a Mystery to unfold in Seven Ages and the unexpressed part in the corporal Body had to be taken out and be revealed in another Body; in the Mystical Body (hallelujah!) – Jesus in human flesh, not the corporal Body; in human flesh. Hallelujah!

Now watch. So, Adam sleeping, reflected the cross, coming from the Old Testament to the New. Because the New Testament is in His Blood; a better covenant, when He shed His Blood; when the Lamb was slain. And then out of there, just like when Christ died on the cross – water, blood and spirit reflected the Bride being born. Amen. And God began to form that Bride back in Eden. It began to unfold what was in God's Mind, now to be expressed after Calvary, (hallelujah!) after He puts Adam to sleep.

So then, God began to build the feet first from the rib that He took, He began to build the feet; began to build the thighs, came right up to the chest, came up to the neck, put in the lips inside there; speaking in tongues and all these things. Amen. Then God set in the two eyes, two eagle eyes – telescopic and microscopic; prophetic vision, a seeing Age. Hallelujah!

Then from there, God moved into the Intelligence; silencio – silence; no moving faculties, (hallelujah!) the Mind of Christ coming in. She knows what He wants done in the Word – pre-eminences, when the Headship comes down. Hallelujah!

And then Jehovah, at the end of the New Testament, after the Bride is moulded from the feet right up to the head, reflecting all seven Ages; then the complete Bride (amen) that has all Ages reflected in Her; all seven Mysteries becoming one Mystery; the Bride-form of Adam; (hallelujah!) the unexpressed Mystery that could not be revealed in the corporal Body that was taken out and put into another Body and unfolded down Seven Ages; each Age producing part of the Mystery, but now, all is gathered up into the revealing of the Son of Man in Bride-form.

And Eve begins walking towards Adam, and Adam looks at her. Hallelujah! Don't you realize we're at the end of the Seventh Age? All seven Mysteries, each Age produced a part, but now at the end of the Age, it's all gathered up in Bride-form and He, Jehovah, will present Her unto Christ faultless, without spot, without wrinkle. Hallelujah!

And when Adam looked at her; the same inspiration that named every animal, he said, "She is woman. She is bone of my bone, flesh of my flesh, faith of my faith, virtue of my virtue, knowledge of my knowledge, life of my life, works of my works." She is... [Blank spot -Ed.] ... what God is doing. He was working to bring that back.

And at the end of the eternal Church Age, after those Seven Seals are opened, there's going to be a man in

that Age – men and women, who would come to the full stature of Jesus Christ, to reveal what they were back there before the fall; to prove that God has achieved His plan of Redemption. They will manifest that full Redemption on the earth before they go to the Marriage Supper, so God, under the Sixth Seal, could renovate the earth and bring the restored Eden back. Because Adam and Eve would have been back already, because for the first four thousand years, He brought back Adam – the second Adam.

Every prophet held part of the mystery of the God-Prophet. Every priest, every true priest, held part of the mystery of the God-Priest. Every true king of Judah, held part of the mystery of the Lion of Judah, King of kings. The mystery couldn't be revealed in one prophet. It couldn't be revealed in one priest. It couldn't be revealed in one king, but in each Age, they revealed part of the mystery. But at the end of the Old Testament, it was all gathered up in the corporal Body and Jesus walked out of the pages of the Bible. The Word was walking in Galilee – Prophet, Priest; King. He came in three Sons' names, walking. The full mystery of what Adam was, was being revealed. Hallelujah!

Then for two thousand years, God, after Calvary, had been bringing back the Bride part. Amen. That is why, when Jesus was here, He never identified Himself in the women of the Bible. Amen. He said, "A greater than Solomon is here; a greater than Jonah is here; a greater than Moses; a greater than Elijah." He didn't preach about Ruth and Esther and Sarah and Rebecca, but they held part of the mystery of the feminine spirit that was unexpressed in that Body. And when that feminine spirit is taken out of the corporal Body and put into the Mystical Body, then when She comes at the end of the New Testament... [Blank spot on tape -Ed.]

A greater than Ruth is here. Hallelujah! Because the Old Testament and the New Testament are husband and wife. Hallelujah! And the Lamb's Book of Life is the

New Testament: those whom the Blood was shed for; those whom He chose in Himself and predestinated unto the Adoption.

And there were Seven Mysteries; seven portions of those names were to be manifested in each Age. And there is to be a little group of the true Seed in the eternal Church Age, who is going to reveal what each Age produced in part. That's what makes Her the Super Church, the Super Race. And this is the Hour, when the Super Sign is in the Super Church, in the Super Age. Hallelujah!

Now I said all of that, to show you how God is perseverant. I was just trying to establish perseverance. Six thousand years but God was determined He was going to bring it back. And under the Seventh Seal, when they pulled the Seventh Seal back, Revelation 10, the Seventh Seal, when the Book is opened in reality form—in Revelation 5, the Book was opened in symbol form but in Revelation 10 – in the days of the Seventh angel, who comes at the end of the Seventh Age, when they come into the Eye Age: prophetic, seeing, when the Light comes—because there are eyes in the Body; eyes that are there to see what the Light is shining on.

And when the Light shined on the White Rock that Light never shined on—and Revelation 10 was the mysterious White Rock that Light never shined on. And those Seven Thunders held the Mystery that God had in the back part of His Mind that Angels never knew. Hallelujah!

And Bro. Branham on, *Christ Is The Mystery Of God Revealed* [1963-0728 -Ed.], about four months after the Seventh Seal had opened, he said, “Today I will tell you the great Secret that God had in the back-part of His Mind that Angels, nobody ever knew.” Glory! “I will show you,” he says, “how it unfolded down to this present time.”

So from the eternal Church Age to 1963, was locked up (amen) in *Christ Is The Mystery Of God Revealed*.

And from 1963 until the Millennium was also put in there because in there, he shows us the Bride part and he shows us the restored Eden. No wonder he says, "Come back to this tape." Hallelujah!

So when the Light shines on the White Rock – in the Bible; the Rock only represented the Bible in the brother's dream. In *Standing In The Gap* [1963-0623M – Ed.] he says that. And in *Sirs, Is This The Time?* [Is This Sign Of The End, Sir? 62-1230E –Ed.], he said, "I read all men's writings – Dr. Smith, Dr. Larkin, Dr. Scofield – they talked about the Vials. They talked about the Trumpets. They talked about the Plagues. They talked about the Seals but they didn't speak about the Seven Thunders," he said, "but that was put there for a purpose." Amen.

And now the Light, mysterious Circle of Light had come to shine on the mysterious White Rock. The same Pillar of Fire that came to Moses who wrote the Old Testament; that came to Paul who wrote the New Testament, had come back to reveal the entire Bible at the end of the Seven Ages, after denominational Ages had run out. Amen.

Then He opened the Book and showed how He did it, and how each messenger was catching the Mystery of Redemption, not fully revealed, because they would not live long enough to be in the Day of Redemption. They will only see Him with the girdle around his waist and they will fall asleep. They will see Him in the time when He is Son of God. But in the conjunction, when He's put out of the church (hallelujah!) and He comes out of the Sanctuary with the girdle around the paps, with a white wig (hallelujah! Amen!), to reveal Himself as Son of Man between Son of God and Son of David, as Judge between Priest and King; (hallelujah!) when He, comes walking to Abraham, the Judge of all the earth and said, "Shall I hide these Things?" Hallelujah! Amen. "Shall I hide these Things?" Seal not up these Things because the time is at hand. Amen! These sayings are faithful

and true. This is the Message that will literally turn the hearts of the children back to the fathers. Amen!

So what was happening? God, in this Day was showing His Mystery. And after the Seven Seals were opened, under that first part of It, we saw the Son of Man being revealed. The Word that we by-passed when we came from thought to flesh, had come back to Word; (hallelujah!) produced Hebrews 13:8; everything except the corporal Body because that was the Promise. Everything except the corporal Body because it is the Mystical Body being revealed—showing the Bride in the Bride Age; the Bride Coming of Christ; Jesus in Bride-form. Hallelujah! Amen.

In that first-fold, when that mighty Angel thundered with those seven Voices to reveal the Mystery in the Book, (amen) we saw the revealing of the Son of Man; the Headship being identified amongst us. Hallelujah!

Then under the Seventh Trumpet is the restored Eden. The Prophet said, “This world is falling apart,” he said, “but I say to you, ‘Shalom!’” The Millennium is being ushered in. We are at the last junction before the Millennium – the great JVHU in the skies – Jehovah-shalom. Hallelujah!

Then, if Adam is here and the restored Eden is being ushered in, there is to be an Eve part. Amen! If the Shout revealed the Headship and the Trump revealed the Eden.... Oh! I know you see what I’m talking about now. Amen!

Then for twenty years, there’s been a Mystery: transforming Power transforming the seeds, bringing them back into the Image that they by-passed, (amen!) bringing them back to the Word Image. Then when that Image is formed, when Michael Angelo... (Hallelujah!) Michael Angelo is only the Archangel Michael. He made a masterpiece – piece of the Master. Amen! Hallelujah.

Then when She stands, She takes the Bride-part of the Word: the Word Herself, takes the Word Itself. Hallelujah! When all the theologians come with their

well-worked-out explanations and their educated guesses, holding the people in foodless pastures; (hallelujah!) shepherds would find the Messiah; (hallelujah!) ignorant herdsmen, but hastening with the greatest Message, “Messiah is on the earth, now!” Amen. Hallelujah! The Seventh Seal brings Him back to earth. Then watch God’s gifts find their places and reveal the Mystery of Messiah on the earth. Amen. Hallelujah.

So God was working with that in mind. And under the Seventh Seal, in the eternal Church Age, the called out ones who were called out of Laodicea and brought over into the Ephesians at the end of the Ages; into the eternal Church Age, into the Bride Age, (hallelujah) who are taken up into the Mystery of the Seventh Seal, where they’re worshipping the living Christ, moving in and out amongst them (hallelujah! Glory!); they’re not looking back to the theology of the Message but are walking in the Light. Hallelujah! Amen!

When that Seventh Seal began to break forth... what we began to see when that Seventh Seal broke forth: we saw what was in Eden that reflected the full Mystery of God, in the eternal Church Age before the fall, begin to come back. Amen. The Name of My God, the Name of the City of My God and My New Name. Hallelujah! One name, not three, one. Amen! It was a promise of the Seventh Seal. Amen. See? And that is exactly what we are caught up into. And as the inspiration strikes our hearts, then we have a testimony, “I have seen the Lord.” Amen. You heard from your theophany. Hallelujah!

Your theophany is here in the service giving you a charge; it’s like going through a battery saying, “Press on lily! Press on!” Hallelujah! Nothing could hold you back. Rise and shine, your Light has come and the Glory of the Lord is risen upon you. And it shall be seen now, in this Hour, as He unveils the Bride and brings her to a ministry. It will be seen with the eye.

Hallelujah! The theologians in the Message will see it with the eye.

You see, all these twenty years, we've been in the Third Pull. The First Pull contacted the flesh. The Second Pull went to the spirit and the Third Pull went to the soul. In the First and Second Pulls: oh, they could look around, see a man walk from being in a wheelchair; see somebody do something else. It looked great in their eyes, but when he went to the opening of the Word, (amen) then you had to have a New Birth to follow Him in there. Amen.

We are no longer walking by sight. God went from the realm that was seen, to the Unseen. And man in the Message who isn't born again is only controlled by the five senses, because faith is the sixth sense. Oh, in this Age of Education, many schooled themselves into the Message. In this Computer Age, this Mind Age, many were programmed with all the information in the Message. Amen. Brother, they could bring out all the data (amen) but there is no Power with it. Amen. So what is happening?

Then we noticed, after they walked around there wondering what was happening—and for years, you hear them in the Message, “I know God is doing something. I know something's fixing to happen.” But no expectation, no desperation, because they're just making a statement but they couldn't find the Word; what God was doing. They didn't see the Rock beneath the rock. They didn't see Jesus and His program. Bro. Branham said, “Lord open the Rock beneath the rock that we might see Jesus and His program.” And on *Christ Is The Mystery Of God Revealed*, He revealed what It was – the program of God.

And we saw that since Eden, God has not changed His mind about His Word. If that threefold purpose is not manifested, then God is working with real perseverance until He brings to pass every jot of it. So right now, this morning, we're caught up into the

inspiration of God, still working to achieve that threefold purpose. And if you are part of the Bride, coming after the Headship, then you must show the identification of the Bride part, to show you are faith of His faith, Life of His Life, works of His works, bone of His bone, flesh of His flesh.

And with that understanding that God is not going to let one jot or one tittle of His Word fail, for the next few moments, we just want to focus right into the Word. For this little text: **“THOU MUST PROPHECY AGAIN UNTO THE WIND”**. And for a subject: **“I, The Lord, Have Spoken It And Performed It”**. God said there will be a Super Church. He will bring it to pass. God said She will be an invincible Army. God said Satan will be powerless before Her. God said She will write another Book of Acts. God said the Bride Tree will live again; the Pyramid shall stand again; the House of God will live again. God said those things, then God will perform it.

But the reason many seem to be out of step still and cannot get into the rhythm, and they think the Ministers are being hard upon them, and they think that people are making demands on their lives and they want to have their own way still; it's because they haven't seen yet how... *how* God is performing it.

Every Jew had known the Promise, “A virgin shall conceive and bring forth a Son; His Name shall be called Immanuel.” [Isaiah 7:14 -Ed.] But when that Angel came with that prophetic Message to the elected Virgin and began to preach that Message, she got under the inspiration of that Word and she asked this question, “How shall these things be?”

So when the Devil comes and brings mind battles and people come with interpretations, saying a lot of different things, you'll have the tie post; your soul will be anchored. You will not be tossed to and fro. You will know how God is doing it. You will look in your own life and see if in your life, how God is doing, what God is

doing, is being identified inside of you. Then you know, by revelation, that you're part of it.

And if the whole world calls you a devil, you are sprayed up with the repellent; it will have no effect on you. You don't get confused and say, "The brother called me a devil. They threw me out the church. Well maybe, I'm a Serpent seed." If you see your name in the Book, no devil could pull it out of you (amen) because you could prove by experience, by revelation, you have the characteristics to identify that that Word is being interpreted in your life. You are the perfect matching piece to the promises. It cannot be impersonated.

The Chinese Laundryman – Jehovah; (hallelujah!) He tore the Ticket: His Word and your life. And that soul in you is the Word predestinated to the Word written in the Bible, between the Gentile Prophet and the Jewish prophets. Hallelujah! Glory! God... Oh my! Could we say, "Thank You Jesus"? Could we say, "Praise the Lord"?

God is breaking the spirit of fear. God is breaking the spirit of bondage. He is loosing many of you: "Be loosed this morning, in the Name of Jesus Christ! Go and sin no more! Go and disbelieve no more!" Hallelujah! "I, the Lord have spoken it and performed it."

When God says anything, He will bring it to pass because it's impossible for God to lie. Jesus said, "Heaven and earth will pass away." Do you believe that? But not one jot or one tittle of His Word shall in any wise fail. Amen. In Isaiah He said, "My Word wouldn't return unto Me void. What I spoke through Malachi 4 will not return." Hallelujah! "Though people don't want to believe It, I will raise up stones (hallelujah!); "lively stones to believe that God promised a second Ride; that God promised that there will be a real Bride with real Power in the last days. It will not return unto Him void.

He swore by two immutable things. He said He would do it. Did God say He would do it? Did God say He would do it? Did God say He would do it? And it's His

sworn Oath that He will do it. Amen. God said, "I will cause you to walk in My statutes." If you're not walking in them, you're resisting God this morning. Amen! God said, "I will write My laws in your heart." If It is not in your heart this morning, then your heart is somewhere else. Amen!

Look at Abraham. When God promised Abraham he was going to have a son, the Bible said, "Abraham staggered not through unbelief." Strong in faith, revelation made him praise God; giving praise and glory. If you have a revelation; it's Wine inside of there. When it begins to ferment, watch those feeble hands be lifted up. Watch those lips begin praising God. Amen. See! And Abraham didn't stagger. He believed that God will, what? *Perform* what He had spoken: "*I, the Lord, have spoken it and performed it.*"

But watch how He performs it, so then we could have an understanding, that every step we are taking is not wrong; it's a right step. To the person in the humanistic realm, it may look like things are going wrong, but to the person in the realm of revelation, they know the Dove is leading the Eagle (hallelujah!) because God is determined to bring to pass what He has spoken.

If God has called you, if God has made a promise to you, if you see your name in the Book; then God has not ceased to work with you. You are predestinated unto that Promise. God's gift will find its place, always finds its place, because He's the Author and Finisher of your faith. Be confident in this one thing, that He will perform it in the Day of the Lord Jesus Christ; that God Who began the work will, what? *Perform it.* Amen.

Look at Mary, under the inspiration of the prophetic promise being interpreted in her life; she ran up in the hill country and she began to testify. Inspiration came upon Elisabeth. She said, "Blessed is she that believed, for there shall be a performance." Hallelujah! And when the performance of the prophetic promise was coming to pass in the life of the elected Virgin; in the eyes of the

church world, it looked like adultery (amen!) because they didn't know how God was going to bring to pass what He said. They knew the Promise but they didn't know *how* He was going to bring it to pass. But *how* was only being revealed in the lives of those who are the interpretation. That is the one-hundredth percent of the Word between the false-anointed ones and the true shepherds.

Seed Of Discrepancy [1965-0118 -Ed.], Bro. Branham said, "Every true born-again son and daughter of God are the interpretation of the Word for their Age." Do you want to understand Revelation 10:8-11? Look at your brother and your sister; look at me. Do you want to understand Revelation 10:1-7? Look back at Bro. Branham. Hallelujah! Do you want to understand Revelation 11? Then you must not go in the Rapture, you have stay back for the tribulation period to see Moses and Elijah.

So you're not in the time of the Gentile Prophet. And you're not expecting and you don't want to be in the time of the Jewish prophets. Then if you're living between that time and you want to see the interpretation of the Word that is allotted for this Hour, It has to be in flesh. Because remember, it is not the Actor that is changing; it is only the mask that is changing. Hallelujah! It is the same Actor acting many parts: acts out the Shout in the Prophet; acts out the Voice in the Bride.

When the scene changed from Prophet to Bride, the Mystery changed from Shout to Voice. Hallelujah! Oh, look at mysteries all over the place; miracles, paradoxes. Hallelujah! And people say, "If God be with us where are all the miracles?" Look at them here - miracles, paradoxes. *It took a miracle to put the stars in place. It took a miracle to hang this world in space. But when He saved my soul, cleansed and made me whole; [that took a paradox] of love and grace.* [Song #87 - Songs That Live - Ed.] Hallelujah! Amen. Glory be to God. Amen.

Quickly! So notice – God, speaking something, then God performing what He had spoken. Just like God in this Day, through the eyes of the Prophet, looked at the threefold Secret that He had in His Mind and that He expressed in His Word through the lives and acts of believers. Then He comes back around in the last days, speaks It out as the revelation for this Hour, this great Seventh Seal Mystery; Christ, being revealed. Amen. And here we see what He has spoken, how it is coming to pass.

Why did the denominations with all their great teachers, with all their fine learned men, miss the Prophet? They could have read the Bible; they had enough education to do that, and they said, “We know thou art a man sent from God.”

He said, “We’, the system, like Nicodemus.” But why weren’t they identified with It? You see, how it was coming to pass, it was baffling them; they couldn’t put it together. And every time, Jesus was doing something, He said, “Look at Solomon, he had a gift of discernment. The Queen of the south...” Amen. He said, “A greater than Solomon is here.”

Look, He took Jonah, “A greater than Jonah.” It was Scriptural. It was in the Bible. They read It. But how was It coming to pass? The One in Whose life the interpretation was being made, was making it plain. When He spoke, He was speaking about Himself because He was the Word in a written form, being manifested on the outside of the Bible. This is only a record of Eternal Life. Where is the Eternal Life and where is the Eternal Life veiled that this record speaks of? Do you see what I am speaking of? Amen!

Look also in the Book of Joel. It is promised; Joel 2, God said, “I will pour out My Holy Spirit.” All those Jews knew that. They believed Joel was the prophet. They looked for it to happen but they had the interpretation wrong because they couldn’t see Elijah. And when

Elijah revealed the Son of Man, they called Him Beelzebub. Amen.

And when the Son of Man revealed that He was the Principal Theme; He took the law and the Psalms and the prophets and all things and preached to them a Message of prophecy, identifying Himself in It; and that was the key to open up the way to bring Joel 2. Because though they had believed in a prophet, mighty in word and deed, and though they had come out of organization and they had followed the Prophet and though they could tell all the historical events, how He was killed by the Scribes and the Pharisees and all these different things, but they never understood the Mystery behind the history. But He revealed the Mystery behind the history and then their eyes were opened. Then they went and tarried and the Holy Ghost was outpoured upon them.

And while the Fire was burning the bread with leaven, in the upper room; the natural priest had natural bread burning with natural fire. Hallelujah! They had missed the whole thing. Amen, Hallelujah! I wonder if today, that many of those people who came out of organization, who followed the Prophet, who believe he was mighty in word and in deed, who could tell all the events, all that he did; I wonder if they're going around sad and gloomy, and they don't know *how* His promise of Dynamics, is going to come on His Bride to ride this Trail again.

There must be a voice in a five-fold ministry around the world to reveal the Mystery behind the history (for the last twenty years) that the Bride have lived out, to open up a channel for inspiration to bring a real revival; (hallelujah!) real deliverance and get a church ready to march the victors' march; mighty Gentile warriors anointed with the King's desire to bring a clean flesh drink. Amen.

So they didn't know how He was performing what He had spoken. God speaks His Word of promise and then He interprets what He has spoken. And when this

revelation begins to unfold, then we can see how He is performing it. Amen. And as that unfolds, it shows us, it pleases God to do it that way. That is how He is opening the eyes of some and blinding others. He has not changed His Mind. He fulfils everything that He has spoken.

And here we see Ezekiel 37. Now after Ezekiel 37 is Ezekiel 38 and 39, and Ezekiel 38 and 39 is Armageddon – the invasion of Israel. And Ezekiel 40, after Armageddon, is the Millennium, but before Armageddon and the Millennium is a prophecy of Son of Man. Hallelujah! A prophecy – a prophetic Message going forth to bring full Redemption, full Restoration, to bring a Resurrection; to bring Dynamics into a Body. Hallelujah! And God, speaking that before Armageddon and the Millennium in the Ministry of Son of Man – not Son of God (amen) or Son of David; Son of Man, (hallelujah!) and Son of Man before Armageddon and the Millennium is in Bride-form. Hallelujah! Praise God. Amen.

And here we see, God speaking that and showing a type in the Book of Ezekiel, because natural Israel is a type of spiritual Israel; as Paul calls us the *Israel* of God – *prince with power*; not the Jacobs; the *Israel* at the daybreak when the Morning Star came out, when the mighty Angel dropped down, when they wrestled, (hallelujah!) when God takes away the spirit of fear and bondage and makes them an Israel; (hallelujah!) those Israels we're talking about. Amen.

And we see God, in a type, speaking here about the Restoration and Redemption of Israel in the last days. And that was a type for us also. And our full Redemption, we know, is in the Resurrection and now is the Day of Redemption. When you see Him coming with power and great glory, in a Cloud, look up, for your Redemption draweth nigh. When you see Him in Revelation 10, coming down with the Title Deed of Redemption, to gather His redeemed subjects whose

names are in the Book, your Redemption draweth nigh. It's present-tense Redemption taking place, (amen!) because you are living out this last Mystery. You are that Mystery. Amen.

So here, we see, that that Resurrection has already started because the Judge is here with the white wig. He has come to judge the quick and the dead. He has the Book opened. In Revelation 1, John saw Him just like Daniel saw Him. Hallelujah! And He opened this section because Revelation 20, at the second Resurrection, He opens the Book of Life, (amen) but that is not the Bride's section. The Bride is in the Lamb's section. It's one Book but two sections.

And if the Book of Life is being opened at the second Resurrection, when the Ancient of Days – One like the Son of Man comes with a white wig; then before the first Resurrection the Ancient of Days comes with a white wig and He opens the Lamb section. And Seven Thunders are not connected to the Book of Life; they're connected to the Lamb's section, to those seven Mysteries of the Bride in every Age to bring up the dead – not all the dead, the dead in Christ who were part of the Word for their Age; who produced part of the Mystery of Jesus Christ in their Age under the Messenger. Hallelujah!

So Israel, here in the Bible, God was showing how they were going to be brought out from all nations. Those nations were the graveyards that God was going to take them out of. And under the Feast of the Trumpets – the feast that came between the Feast of Pentecost (amen) and the Feast of the Atonement (amen) was the Feast of the Trumpets; woe, woe – political disturbance; World War I and World War II, (amen) to rush the Jews from all nations back to Palestine, under the Feast of the Trumpets. Amen.

The Trumpets to Israel was political disturbance that gathered them back together. The people who were blinded and scattered were now being gathered again.

They were being brought from all nations into the only provided place. And under our Feast of the Trumpets, Pg. 42, *Feast Of The Trumpets* [1964-0719M -Ed.], Bro. Branham says, “Now, that one over there (the one with Israel) is not to be confused with this one, with the Bride.”

You say, “Do we have a Feast of the Trumpets?”

Yes! Seven Gospel Trumpets gather the Bride from all denominations back to the only provided Place, back to the land of our fathers – Paul and Irenaeus and Martin and Columba, back to the apostolic Age; back to the Ephesians at the end of the Ages. Hallelujah!

And our denominations were the graves that we were in, and there was a resurrection out of dark denominationalism (hallelujah! Jesus! Amen!); a resurrection out of dark denominationalism. And Israel had a resurrection out of the graveyards of the nations: political nations, United Nations, League of Nations; (hallelujah!) and brought them back to the land of their fathers under the Feast of the Trumpets. And now, they’ve come back there and they’re waiting for the Son of Man to be revealed, under the Seven Trumpets to Israel. But Joseph has to put His wife in the Palace, before Joseph could show His nail scars to His brothers and them. Hallelujah.

The Feast of the Atonement, where they’re going to weep and mourn; not re-kill the Sacrifice but weep and mourn for the... [Audio jumped ahead -Ed.]

We’re going to strike the message right now. We’re just building it into a place, but I want you to see first, that we must see how God is performing it because I want you to know, it is happening. It is not something that is to happen, it is going on; we are part of it. It is not going on outside of us; we are the interpretation. Amen.

And that brings a Perfect Faith, when we can recognize Him performing, in our lives, what He has spoken. That brings true identification. Amen. And you

must have true identification for the Life to come back in you, for your works will show what Age you live in. You could be in 1986, but obeying a past hour. You could say you believe the Message, but have a past Anointing. It's what your expectations are; what the deep in you is calling for. God could only satisfy the deep that you're calling for. I'm just trying to identify what your deep is and what it should be. Amen.

So look at spiritual Israel. She was born out of a resurrection, out of dark denominationalism; our Feast of the Trumpets sounding under our Sixth Seal. Amen. Now that isn't strange. Bro. Branham said, on *Recognizing Your Day And It's Message* [1964-0726M - Ed.]. He said, "Our Sixth Seal opened. The Seven Seals were opened under the Sixth Seal."

Now we know there is a Sixth Seal that we say is for the Jews. The spirit of Moses and Elijah is going to come. The moon is going to be blacked out. Stars are going to fall from heaven. The sun will turn to darkness. Michael is going to stand and deliver the names in the Book. The Jews will come from Mt. Sinai to Mt. Zion. They will have the Father's Name written in their foreheads. Amen. They will come out of Jewish traditions (amen) to come and believe the full Atonement. Amen. They're going to cross over from the moon into the sun because the woman had a crown with twelve stars. She was standing on the moon and she was clothed with the sun.

Now we've had all those things. In 1963, when the earth went between the moon and the sun, it blocked out the sunlight - Christ was put out the church; it threw the moon into darkness. The stars began to fall from heaven - a falling away from the Faith, from the Word that Malachi 4 brought. He said, "Fallen angels, falling stars." What kind of stars? Lutheran stars, Methodist stars, fallen angels; Lucifer building his World Council of Churches where Satan will be incarnate and worshipped as God.

And during that time, Revelation 10:1 – Michael, the great Prince (hallelujah!)—because Daniel saw the same vision that John saw. Daniel heard the Thunders and that Angel had the Thunders; that Angel had the Book; that Angel delivered the names. Hallelujah! Glory to God! Amen. Then John saw the same vision. And that Angel is all through this service this morning, delivering those names. He’s anointing me to preach Revelation 10:8-11, to call the names of those who are still in the graves and say, “Lazarus, come forth!” Hallelujah!

Bro. Braham said, “If Jesus had said “Come forth!” every dead would have come forth.” If the Prophet had said, “Come forth,” every Baptist would be in this Message. Every Methodist would have been in this Message. Every Pentecostal would have been in this Message. But he said, “Come out of her *My* people!” *My* genes. Hallelujah! Amen.

When God was bringing out Israel, He didn’t call all the British; He called out the Jews that were in Britain. Glory! Amen. When God was calling them from Russia, He brought out the Jews who were in Russia. Hallelujah! Glory! He was calling them out of the nations as He called you out of denominations. Amen. Glory! Amen. Thank You, Jesus! Amen. What is He bringing them for? A promise of the Dynamics – the Holy Spirit.

Now watch something. At the end of that Age, when the Son of Man was being revealed, (amen) God took that Prophet in the valley of the Laodicean Age. Oh, thank You, Jesus! He took him among those nine hundred and sixty nine graves of denominations, and in those graves the bones were real dry. He was only seeing little fish. Hallelujah! Amen! Something was wrong. It didn’t look right but there were some others. The Voice said, “Son of Man, can these bones live? Oh, Son of Man, could you make a Super Church with this? Could you make a Super Race with this? Oh, Son of Man, could there be a second Ride? Oh, Son of Man,

could these ever come to a place to write another Book of Acts?"

Hallelujah! Glory! Amen. Thank You, Jesus! My, my, my! Hallelujah! Oh, give Him a hand clap. Give Jesus a hand clap this morning. He is here amongst us. Hallelujah! We feel His Presence. We feel His Power of revelation. We feel that Quickening Power moving amongst us. Oh my! We feel those vibrations from Heaven. Brother, I could feel every one of your theophanies inside of here now. I can feel the great Pillar of Fire circling this camp. If you are sick, have faith; you can receive your healing. If you need deliverance, repent of your sins and receive it. Hallelujah! My! Oh my!

And that Prophet, in Laodicea, in the valley of dry bones, was among all those organizational graves. The bones were scattered. The neck bones were in some churches. The back bones were over in some other churches. The feet bones were in some church. The ankle bone was in some other church. The toe bone was somewhere else, but a Voice was going to come forth, a Message was going to be spoken that would bring a gathering; will bring bone to its bone. Hallelujah! Some bones were in the wrong body but God was going to pull those bones out and bring them to the right body. Bone was going to come to its bone. Hallelujah.

And under the inspiration of the prophecy of the Son of Man, before Armageddon, before the Millennium; when Son of Man is being revealed in Bride form, when the Voice speaks from Heaven, in the time of Restoration, in the time of full Redemption, when God is going to rebuild the Church like it was in the beginning; that was the restoration of Israel. That was the coming back of the people; that God was going to come amongst them. Do you know that? It was the same Body.

Israel, as a nation was going to come back and God, like He was in olden times—oh, they had everything: their own money, their own government, their own religion, all those things. But the difference between Israel and the other nations, was God (amen), the King Who was in the camp. Outside of God, they had to turn their backs and run from their enemies. God made the difference.

And in the last days, we see them gathered by the Feast of the Trumpets; waiting for the Feast of the Atonement. And between the first day and the tenth day in that period of time... In 1946, the six-point Star of David flew over Palestine – the oldest ensign. And the Prophet, on the Third Peak, had the First Pull to go around the world.

In 1965, after twenty years, he was two-thirds of the Seventh Peak. And from 1966 to 1986; another twenty years, there has been a people who recognize their position, as the Prophet recognized his position on the summit of the Seventh Peak.

1906 to 1946 was one generation; forty years. 1946 to 1986 another forty years. Bro. Branham from 1946 to 1965, December; he had twenty years. And from 1966 to 1986, there had to be another twenty years. Hallelujah! And here is the Bride, standing in this Hour, (amen) She has recognized what is taking place – darkness on the earth; the sun refused to shine. It can't work in those organizations anymore, can't work among the lukewarm anymore, because the death angel has packed them out. They're in lukewarmness. They are in formality; a powerless bunch of people full of argument and strife. God is not there. That's confusion; that's Babylon in the Message. Hallelujah.

Let's see under the Message a prophecy of the Son of Man; what was spoken and how God performed it. Hallelujah! Let us get in step, into the rhythm of God performing what He has spoken. It's the Lord's doing; it's marvelous in my eyes. Hallelujah!

So look at it under the inspiration of the prophecy of the Son of Man. And what was that prophecy? Revelation 10:1 to 7; Son of Man prophecy. Amen. The first fold of the Seventh Seal – the Lord descended from Heaven, ‘en morphe’ with a Shout. Seven Thunders uttered their Voices – the revelation in the Seven Seals; Evening Light (hallelujah!) coming to prophesy, to call the Bride out, to call those bones out; bring a resurrection out of dark denominationalism. When? In the Son-day, a resurrection – the cold, stiff, dead Body was shaken back to life in the Sunday; Son of Man being revealed, Quickening Power among the people; Power of revelation quickening them from death to Life. Amen.

And what happened? It formed a Body under the prophecy of the Son of Man. He prophesied the full Message. God didn’t reveal part first and part after; God revealed all at that time, but all wasn’t fulfilled at that time. And God saw the need to say, “*Thou must prophesy again unto the wind.*” Hallelujah! Thou must prophesy again because I’m not a God of history. Hallelujah. That portion must be fulfilled. “My Word will not returned unto Me void.” Amen.

And we know that Bro. Braham who had the Ministry of the Son of Man... We saw the First Pull – healing; Second Pull – discernment. St. Matthew 21 – Spoken Word. St. Matthew 24 – opening of the Word. St. Matthew 28 – preaching to the lost (amen) but he stopped after the opening of the Word, and the Bride has to pick up the Ministry and finish it unto the preaching to the lost and the Resurrection.

And from 1966 to 1986, the Bride is finishing the Ministry of Son of Man. There was part of the Message left for the Bride; an unfulfilled part. It was already spoken on: *Souls That Are In Prison Now*. He said, “One of these days, this will be fulfilled. It may not be now but it will come to pass. The Bride will take that part.” Hallelujah! Glory be to God. Amen. Thank You, Jesus.

So then the Voice had to speak from Heaven again. “Pick up that unfulfilled part.” Part in *The Feast Of The Trumpets*; part in *Souls That Are In Prison Now* [1963-1110M -Ed.]; part over in the *Anointed Ones* [1965-0725M -Ed.]; part over here in *The Fourth Seal* [1963-0321 -Ed.], part in *Christ Is The Mystery of God Revealed* – “Pick it up, and recycle it.” The Spirit and the Bride will be saying the same thing He said through the Prophet. Revelation 22:16: “*I, Jesus had sent my Angels to testify these things in the churches.*” Revelation 22:17: *...the spirit and the Bride say, Come.*

Revelation 10:1 to 7, Jesus sent His Angel. Revelation 10:1, Jesus, sent His angel – Revelation 10:7, to testify these Things – Revelation 10: 3 and 4, in the churches. “Behold, I, Jesus, send you, Elijah. I, Revelation 10:1, send you – Revelation 10:8-11, Elijah – Revelation 10:7, and he, Revelation 10:7, shall turn your heart back to the faith of the fathers with his Message – Revelation 10:3 and 4.” It’s the Scriptures. It’s the Message of the Hour.

There was an unfulfilled part and many, today, don’t realize how God is performing what He has spoken through the Son of Man. He fulfilled one part, left the other part unfulfilled; comes back around, picks it up and recycles it; then He brings the Dynamics. There shall be a performance and He is performing what He has spoken. And we are seeing how, and it’s the Lord’s doing and it’s marvelous in our eyes.

Like Samson, you see the bone came to its bone. Under that prophecy, there was a noise and a shaking. Those denominations couldn’t take the noise, neither could they take the shaking. Everything that has to be shaken would be shaken off but the Bride will be shaken into place. Amen. Bro. Branham said, “That’s the mightiest shaking he ever had.” Hallelujah! It was a noise like a thunder and a shaking. Amen! Glory to God, amen. Oh my!

And bone began to come to its bone: and the toe bone was connected to the ankle bone, and the ankle bone was connected to the knee bone, and the knee bone was connected to the thigh bone, and the thigh bone was connected to the back bone, and the back bone was connected to the neck bone. Hallelujah! A body was being formed.

Ephesians 4 speaks about a body. 1st Corinthians 12 speaks about a body. Colossians 2 speaks about a body; (hallelujah!) how the body is being fitly joined and compacted; how each joint is supplying according to the measure of every part. But that wasn't going to be all. God wasn't going to just gather a people and bring them together like a little group under the Son of Man prophecy; He had to put in the systems into the Body. Because what if some virus attacks that Body? What if some disease wants to take a hold of that Body? Amen. Because in your natural body, you have the respiratory system. You have the urinary system. You have your digestive system. Amen. You have your circulatory system. You have a lot of systems. That makes the body a useful body. It can now serve God's purpose that He is forming the Body for.

Look at Israel. Firstly, they were a whole group of people gathered back in their homeland, disorganized. But then they began to have their own nation, their own money, their own navy; their own government. They were being set in order. Hallelujah! The defense systems in their armies and these things, (hallelujah!) their navy; they have their own currency. They became a useful nation. They began to get in stride. They began to look in the direction of the purpose God began to raise them up for. Amen.

See what is happening—but they are there today. They have their own identity because He said He will put skin on them. The skin is your identity. All men bleed red. All men come from one blood but some are black skinned; some are white skinned, some are red

skinned, some are yellow skinned, some are brown skinned; and the skin is their identity. And now, they're a nation in the United Nations. They're recognized as a nation on their own.

And after God called us out and brought us together under our Sixth Seal – under our Feast of the Trumpets; when that Angel came with the opened Book and began to deliver the names, bringing us out of denominational graves, bring us beyond the Pentecostal traditions to go beyond the Camp, to be identified with the real Atonement; (hallelujah!) then what is happening? In all that time, we saw the sun being blacked out, the moon being blacked out; the stars falling. Oh, it's a shaking time. Hell is on the earth. The death angel has come. Many are dying; run for your life! Amen. Oh, it's a time of desperation. Jezebel is coming to close us down. Hallelujah!

You see? And in that time, revelation—the Bride is called together; God put ministries, gifts: song-leaders, deacons, trustees. You can go around the world and find churches, established; bodies formed under the prophecy of the Son of Man. And we even have our skin, our covering; our identity. They say, "They are Branhamites." Amen! They know us. We can't hide. They identify what we believe. Amen.

You see. And the Bride is there, formed, but the Body is laying there with no real manifestation of Power yet; the kind that we had when the Eyes were here – "Let there be a squirrel! Jesus Christ gives you your life, little fishy! Storm, go back to where you came from!"

You know, Samson had great power when he had the eyes, but long after the eyes went, the Prophet, the Seer was taken away, a new crop grew out of the Head. A new crop – not out of the feet, not out of the thighs, not out of the lips, out of the Head – the Intelligence, the Headstone, Capstone revelation, Headstone Bride. Amen! But we began to see the possibility of the Power

to come back. We began to cry for a 'once more, Lord'; for that Power to come back in the Church. Amen!

And here we see how God formed that Body under the prophecy of the Son of Man. Bone came to bone; flesh and sinew was put upon it. God covered it with skin but there was no breath. Amen. The first prophecy was to the dry bones in the valley. But the second prophecy wasn't to the dry bones in the valley, the second prophecy was to the Body that was formed under the Son of Man prophecy. Hallelujah! Oh my!

The second time he prophesied, it wasn't to the ones out there; it was to the ones called out by the Son of Man Message who were set in order and waiting for the breath; for Him to bring down that Love – a huge Portion of Heaven that awaits you on the Seventh Step, on the Seventh Peak; when Christ is formed in you, (hallelujah!) to cap off the pyramids of your lives – put the great Capstone, Jesus Christ; His great, magnificent, holy blessings to rest upon you. Amen.

The second prophecy was to a formed Body; the body that was formed under the first prophecy. The second prophecy brought the breath into the formed Body. Amen! Oh my! Do you see why there is a bunch of dead churches in the Message? People are afraid. The Voice is speaking from Heaven but there is no crystal to pick up what the Voice is saying to send them back to the Son of Man prophecy and pick up the unfulfilled part and recycle it: And seal not up these things because the time is at hand; and these sayings are faithful and true. Hallelujah!

God was watching over His Word to bring It to pass completely; what was spoken in the first prophecy. The Voice spoke from Heaven again to the Son of Man in Bride-form (amen! Hallelujah) to recycle the unfulfilled part. Amen. Because that Promise of 'the Breath' remained a prophecy in the Son of Man's Message. It was unfulfilled. It was for another season. Amen, Hallelujah.

So we see a lot of church life today, a lot of religious life, nice reformed life but we want to see Token Life – literal Life of Jesus Christ, Hebrews 13:8 that proves It is the matching piece. Then we can get back our laundry; they will blend together. Then we could claim our belongings. We could say, “Lord Jesus, upon the basis of this Word that You revealed to me, that this belongs to me; as a seed of Abraham, I possess this gate in the Name of Jesus Christ,” and walk away. Hallelujah!

When the devil wants to move in your homes, you put your hand on your children, you say, “Satan, take your filthy hands off of God’s property.” Amen. Why? You stand there with Token Life; a Life that blends back into the prophecy to show you are the matching piece. Amen.

So the Evening Message (Okay, it’s 12:30, we’re closing.) was to loose the Holy Ghost back into the Church. Amen. The Secret to bring the Breath back into the Body was in the Evening Message, and the fourth Message was the Message of Life. Hallelujah! And that fourth Message was to loose the Dynamics. And every church, where every Minister stands in that place, by the grace of God, by revelation with that fourth Message, He will loose the Holy Ghost in that Church. All these Bridal prophecies will become history. There will be real witnesses with the true testimony, (amen!) who could tell Mr. Skeptic and Mr. Unbelief and Mr. Impatient, that God is not guilty. He has brought to pass what He has spoken. I am a witness. I am a testimony (hallelujah!) that God kept His Word. Glory be to God. Amen.

So notice. Israel was rushed from all nations back into Palestine by the sound of the Trumpets. And they were gathered together while God is rushing the Bride from all denominations – over nine hundred and sixty-nine different graves – begins to put flesh and sinews upon them; set them in order. All the little deacon

boards and trustee boards and song-leaders and put all the systems right inside because He has a purpose for that Body.

Notice. That Body lived and became an exceedingly great Army when the Breath came into It, under the second prophecy. It didn't happen under the first prophecy. You show me those people, who knew who they were, in 1965, when the Prophet went off the scene. They were all confused. They didn't know what was happening. There were bones still missing.

There was a lot of replacing of bones over the years because back in denomination, some denominational bishop who didn't know what an ankle bone was, put it in the elbow. Amen. Brother, they had the neck bone, maybe down by the hip bone and the body just couldn't function properly. You say, "But why is nothing happening in this church? Why isn't something taking place? Why are these bones still stiff and can't move? Amen!

You know, back in denomination, they made someone a preacher because he could talk loudly. So he comes over into the Message talking loudly but saying nothing. Amen! Then to find out after a few years, he was fishing in the desert when he should be in Galilee. He had the cow on the house, when it should be out in the pasture. Oh, he's a nice brother, but just in the wrong place. Oh my! When he found his place, he might have been a good trustee, and that's where God wanted him all the time.

Some thought they were singers. Amen. My! Then they ended up in the wrong place. Amen. And then they find like, what is supposed to work, isn't working. Amen. Because that joint couldn't supply what the Body needed; it couldn't nourish; it couldn't minister the nourishment where God wanted it. Hallelujah! But then when all the bones get in place and all the systems come in, (hallelujah!) when we're all covered over with skin, (amen) then inspiration comes and reveals what

part to pick up; what part to recycle. Hallelujah! He said, "Son of Man prophesy *this*." He specified *It*. Hallelujah! *That* will bring the Power. *That* will bring the Super Church. *That* will make the Bride rise to Her feet. *That* will make Her march the victors' march. *That* will make Her go up into the sky, proudly displaying the Blood of Jesus on the chest; the Message of the Hour. Glory to God! Amen! Amen, hallelujah.

Notice: Psalms 150, It said:

*⁶ Let everything that hath breath praise
the LORD.*

How are we going to know who has Breath? They that are praising the Lord! Hallelujah! When John saw his name in the Book; when the Lamb pulled the Seal and a noise like a thunder went forth, John began to shout because he saw his name under the Seal. He saw he was part of the Mystery. What about you under the Seventh Seal, who sees you are part of the Mystery, part of the threefold Mystery; the part between the Gentile Prophet and the Jewish prophets? Hallelujah! That brings the Breath; (hallelujah!) brings the Breath. Amen, Hallelujah.

Notice. After God formed Adam in Eden from the dust of the earth; what did He do? He breathed into him Seven Breaths. Hallelujah! Where was Adam's body? Adam was in a theophany. He was in the Word Image there. Where was his body? It was in the elements of the earth. Where is Bro. Branham's body? Where is Paul's body? Where is Irenaeus' body? Hallelujah! The Voice of the Archangel – the Voice of the Resurrection will call, and those elements in Eden, when God with the Voice of the Archangel calls for those sixteen elements; bone comes to bone.

In the Garden of Eden, in the eternal Church Age; bone was coming to bone. Then God begins to put sinew and flesh. Hallelujah! Then Adam spiritual, stepped into Adam natural, (hallelujah, glory to God!)

and he went forth and displayed his authority as an amateur god; a minor god under God.

I don't have time to read it, but in *Blasphemous Names* [1962-1104M -Ed.] Bro. Braham was talking about Eternal Life; how those Jehovah Witnesses had it mixed up. But when God breathed into Adam, it was Eternal Life, and Adam became an amateur god – Super Sign. Hallelujah! The Word was in flesh walking in Eden with dominion, (hallelujah) with St. Mark 11:23 – “*If you say to this mountain!*” Adam could have said, “Tree, move from here. Go over here.” Bone had come to bone and the Breath was breathed into that Body and he lived and he went forth, (hallelujah!) a Super-man with the Super Life of Almighty God.

After the resurrection of the Head, Jesus; after His resurrection, the Headship—and before the Body was truly identified with Him in works, in signs, in Life; He opened their understanding to the Scriptures. He had already opened the Scriptures, but now He is opening their understanding to the Scriptures that were opened. St. Luke 24 verse 32, He opened the Scriptures. St. Luke 24:45, He opened their understanding. Revelation 10:1-7; He opened the Scriptures. Revelation 10:8-11; He opened their understanding to the Scriptures that we see our part.

And after that happened, what took place? He breathed upon them, “Receive you, the Holy Ghost.” Set them under expectation and a few days after, Dynamics poured out; they wrote a Book of Acts. Hallelujah! Every bone was in place: By one Spirit, they were all baptized into one Body. Every system was in place. They were walking; a Super Church in Perfect Love, saw visions, had angelic visitations, raised the dead, all kinds of healings; they had translations, and Alpha shall become Omega. Hallelujah!

And in the last days, He is building back that same Body. Hallelujah! And He is prophesying unto the wind. Hallelujah! “Thou four winds” (the lion, the ox,

the man, the eagle), “come into His Body, formed under the prophecy of the Son of Man.” Amen.

Christ Is The Mystery Of God Revealed – 1963, *Restoration Of The Bride Tree* also – 1962, April; Bro. Branham was preaching *Restoration Of The Bride Tree*. On pages 75 and 76 – he had come to the end of his message, he said, “There are four stages of that Tree coming back.” And the inspiration was capping off the message about the Pyramid to live again, about the Bride Tree to bloom again, about the House of God to live again, and while he was there, just like me, he preached late. He had preached too long but he says, “Oh, I wish I had time to go into Ezekiel and pick up those dry bones.”

A year after, Seven Seals had opened up and he had come to *Christ Is The Mystery of God Revealed*. And here he was on *Christ Is The Mystery of God Revealed*, page 86. He was preaching again about the Head and Body becoming one in Life, in signs and in wonders; a Body being united and he had preached long again. The clock was going to strike two; (oh my! Hallelujah) he turned to the people again, he said, “Oh I wish I had time to go back to Ezekiel again.”

It was something. It was laying in Ezekiel; (hallelujah!) about how there was going to be a second fold prophecy of the Son of Man Message. Not a new message, but recycling the unfulfilled part; (amen) under that part of the Word, under the second fold of the Seventh Seal Message because he was the Messenger of the Seventh Seal. The Seventh Angel was the Messenger of the Seventh Seal – Page 39 *Feast of the Trumpets*. Amen.

That Seventh Seal was a threefold Mystery. And the first fold: Revelation 10:1 to 7, the opening of the Seven Seals Book. Seven Thunders uttered their voices revealing things that were, are and are to come. Things that were – all seven church Ages. Things that are – Son of Man being Revealed, (amen) the Shout, the

opening of the Book between Son of God and Son of David. And Things that are to come – the Voice of the Archangel and the Trump of God. Hallelujah!

And the Holy Ghost, when He comes, will bring back Things to remembrance, all that He said in the Shout; He will teach us all Things, all that threefold Secret, and show us Things to come. So we could come... [Audio jumped -Ed.] ... prophecy. And Jesus, after His resurrection, appealed to them – prophecy. Hallelujah! The part of the Word that the soul in them is; because that Mystery of prophecy in the Book to come after the Gentile prophet, was our name being written and revealed all through the Bible in shadows and types; showing us what our life and ministry will be between the going of the Gentile Prophet and the coming of the Jewish prophets.

And when that Mind comes into us, we will know as we were known. In that Day, you will not see through a glass darkly; you shall see face to face. In that Day – what day? This Day – “In the Bride Age, you will know that I’m in the Father and the Father in Me; and I in you and you in Me.” Hallelujah! “And My people shall never be ashamed; they will never be embarrassed.”

After Malachi 4 prophesied the first time, then the Bride must prophesy a second time. Then watch when the Breath comes into that Body; watch a Super Church, a Super Race. Amen.

We have to cut it right there. I’m sorry I kept you so long. I could have gone on a little bit but I just want to stop. Amen.

But what are we looking at? We have seen how God – *“I the Lord have spoken and have performed it.”* And how He is performing it and seeing how He performs it; then we could get into step with Him. Then we could come under the influence; under the inspiration of what He is working to achieve; then we could follow the leadership of Eternal Life, the unchanging continuity of

God in His Word and recognize that we are confronted with the Life moving on. Amen!

And here in this Hour, 1986, (amen) July, in the Harvest Time, (glory!) Jehovah gathering His grain, (hallelujah!) and there's a joy of the harvest. And He reserved the Former and Latter Rain for the appointed week. Hallelujah! They will fall together because there will be a real Bride. We have had churches, churches; brides, brides; but there's got to come one with Dynamics and Mechanics, with Former and Latter Rain together; (hallelujah!) a Super Church, a Super Race, that will wind up this Commission. God specified what was to be spoken in the first fold and God specified what is to be spoken in the second fold.

Could we recognize, it was under the second fold that the Life came into the formed Body? It wasn't out there in the valley of dry bones; it was to the formed body. The first prophecy was to the valley of dry bones. Under the second fold – the recycling; the Spirit and the Bride saying exactly what It said in the Prophet, in the season where it was supposed to be; watch Life strike the people. Watch men and women; their amnesia leaves them. They recognize their position. Watch bulldog faith take their stand and challenge the devil. Amen, hallelujah! No more cowards – anointed and commissioned. Hallelujah! Glory to God.

Let us all stand to our feet. Oh, let us lift our hands and praise Him. How great is our God, this morning. Hallelujah, hallelujah Lord! Glory, glory, glory, glory! Oh God, You promised there's going to be Breath come into the Body, that we shall live and be an exceedingly great Army; a mighty marching Army that could march the victors' march; coming from all nations, marching 'onward Christian soldiers'. Marching, oh God, going up into the skies to have communion with Melchisedec after the battle is over; after the victory is won; battle-scarred veterans coming from all over.

I pray today, Father, oh hallelujah! Lord, I say to these four winds, "Come thou four winds (hallelujah!), from the east, the west, the north and the south, come into this Body. Oh, breathe on these that are slain that they may live today. Let the Fire of the Holy Ghost fall upon them. Oh Hallelujah! Breathe on them Holy Ghost; breathe on them, Lord. Hallelujah! Hallelujah! Hallelujah! Hallelujah! Hallelujah!

Oh God, I thank You. Thank You for Your Presence. Thank You for Your Power and Your inspiration. Thank You for the love. Hallelujah! Oh God, let the revelation become real into the hearts of Your people, for You are the Lord Who spoke It. You are the One performing it. Father, we believe. May we not stagger through unbelief, but may we be fully persuaded of all that is spoken. May we have this confidence; You Who began the work will perform it, Lord. Your Word will not return unto You void. We thank You, Jesus. Glory, glory, glory.

Remember me, this evening when I come back. I'm depending upon You, Lord. Rest my body, quicken me. Take me into Your inspiration, Father, give me a mouth filled with Your wisdom, Lord. Let the Word strike the hearts of Your people. Father, I pray that a real revival will break forth in this place. Oh my God, we thank You. Glory, glory, glory.
