**Jehovah's Masterpiece Unveiled But Yet Veiled
Pt. 2**

18th July, 1985

TRINIDAD

Bro. Vin A. Dayal

Excerpt:

Now watch something. When God comes in the Evening Time, identifies His Presence among the people, shows forth Himself in the Scriptures, shows He is the same God, He is the very same Son of Man being revealed, same ministry, same first pull, same second pull, same Third Pull, same healing, same Message being preached, same coming down to the judgment, same destruction comes upon the church world that rejects the Message. See? The same church that followed the Son of Man is to follow in the last days. The same Book of Acts they wrote, this one will write also. Why? It's just history repeating itself. It's just God the second time around, (that's all it is,) being identified in the Scriptures. You see? God coming and showing Himself alive among His people.

And here God is placing His elected Seed on the earth, laying them out there, Seeds in this Day who are going to come up and identify themselves that they are the Word. ***[Page 42]***

Jehovah's Masterpiece Unveiled But Yet Veiled Pt. 2

18th July, 1985

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

JEHOVAH'S MASTERPIECE UNVEILED BUT YET VEILED PT. 2

TRINIDAD

THURSDAY 18TH JULY, 1985

BRO. VIN A. DAYAL

Amen. Let's bow our heads, let's close our eyes as we stand in respect to God's Presence. We have a request here. Bro. Ivan Lashley requests prayer for the restoration of a passport belonging to someone else which he lost today. If there is any other request, just hold them in your heart tonight. Have faith and believe God. All things are possible to them that believe.

Heavenly Father, Lord as we are gathered in Your Divine Presence tonight, Lord remembering Your promise said that where two or three are gathered together in Your Name there You are in the midst; and if two shall agree as on touching anything it shall be done. Heavenly Father, it gives us great confidence that we can come Lord, knowing that we have such unfailing Words of promise; promises that You have made unto Your children, Lord.

And Lord God, here we stand tonight with a situation, Lord, God, that we have need of You, Father, knowing Lord, our brother on his job and having the responsibility of taking care of all these things in the travel agency, and Lord then having lost, Lord, one of the people's passports. But Lord he has come in Your house tonight, Father, making his request known unto You with joy, believing, oh God, that You are able to supply our need according to Your riches.

Lord, as we stand here I remember one time in the Bible, Father, Lord, when Saul and that other Israelite, Lord, had lost those asses, Lord, they went astray and they couldn't find them, but Lord then they came across Your prophet Samuel, Lord, and Lord, God he was able to tell them where to find those asses, Father. Lord

God, we know that was not just yesterday but Lord even today with Your Prophet, Father. Many times the people would lose their belongings and he would tell them where to find it.

Lord, God, how thankful we are that it was not the Prophet's own ability; it was You Who were the One revealing these things, Lord. He has gone, Father, but You, the omniscient God, is here amongst us tonight, and unto You we turn our attention, Lord; unto You we bring our petition tonight, Father; and Lord there are more than two gathered here tonight in Your Name believing, oh God, agreeing together Father, Lord in the Name of Jesus Christ knowing whatsoever we ask You, You would grant it unto us.

Almighty God, I pray that Your grace and Your mercy, Lord God, would be extended unto our brother, Lord, and through Divine leadership of the Holy Spirit, Lord God, You would bring it back around Lord that he would find that passport, Lord. It would be restored in his possession, knowing dear God he believes You, that's why he has come making his request known tonight that the church of the Living God being gathered together could pray the prayer of faith knowing that You will hear and answer according to Your promise.

Almighty God, Father I pray tonight that everyone that is standing here, those that are holding their request in their hearts believing You Lord, Lord Jesus You know what their needs are tonight. Father, I am praying that You would meet every one according to Your riches.

And Lord, God, most of all may You speak to our hearts tonight. We come Lord to receive of You. As we sang that song, "*Cause me to come to Thy River, oh Lord,*" that River clear as crystal proceeding out of the Throne. [Song #403 - Songs That Live -Ed.] You said, "If any man is athirst let him come and drink and out of his innermost being will flow rivers of Living Water." Lord, we come tonight with faith; faith to drink, Lord. And

Father, I pray as that Water would flow, Lord, it will flow deep down into our souls and then out of our innermost beings Lord, will continue to flow rivers of Living Water also.

Bless each and every one, Father. May You fill every heart to overflowing. Pour out Your Holy Spirit without measure tonight, Lord. Get honor and glory in this service. Heal the sick and the afflicted, oh God. Deliver the captive, Lord. Open the blind eyes. Oh God, give strength to the weary, Lord. Lift us up, oh God, in a higher realm tonight, Father. We are looking unto You, the Author and the Finisher of our faith, asking these things in the Name of Jesus Christ, Father for Your honor and for Your glory, for the assistance of Thy people, in Jesus' Name we pray, amen.

Let's turn our Bibles. I want to pick back up those Scriptures from Sunday – Exodus. While you find it, Exodus 24, we have a note of praise here: *Sis. Belle Smythe would like to thank the Lord for delivering her from vomiting and diarrhea after prayer was offered on Tuesday night.*

Amen. Blessed be His holy Name. The Bible says, “When you pray, believe you have received what you asked for and you shall have it.” We know that there is no other way but to believe God; praise Him and thank Him for it that He would bring it to pass.

Exodus 24 reading from verse 12:

¹² And the LORD said unto Moses, Come up to me into the mount, and be there: and I will give thee tables of stone, and a law, and commandments which I have written; that thou mayest teach them.

¹³ And Moses rose up, and his [servant] Joshua: and Moses went up into the mount of God.

¹⁴ And he said unto the elders, Tarry ye here for us, until we come again unto you: and, behold, Aaron and Hur are with you: if

any man have any matters to do, let him come unto them.

¹⁵ And Moses went up into the mount, and a cloud covered the mount.

¹⁶ And the glory of the LORD abode upon mount Sinai, and the cloud covered it six days: and the seventh day he called unto Moses out of the midst of the cloud.

¹⁷ And the sight of the glory of the LORD was like devouring fire on the top of the mount in the eyes of the children of Israel.

¹⁸ And Moses went into the midst of the cloud, and gat him up into the mount: and Moses was in the mount forty days and forty nights.

Amen. Exodus 34, reading from verse 1:

¹ And the LORD said unto Moses, Hew thee two tables of stone like unto the first: and I will write upon these tables the words that were in the first tables, which thou brakest.

Because remember, Moses went up, he got them, came back and found the people in all kinds of idolatry and revelry and he was so angry he threw them down and broke them. And here was God calling him up the second time. And verse 2:

² And be ready in the morning, and come up in the morning unto mount Sinai, and present thyself there to me in the top of the mount.

³ And no man shall come up with thee, neither let any man be seen throughout all the mount; neither let the flocks nor herds feed before that mount.

⁴ And he hewed two tables of stone like unto the first; and Moses rose up early in the morning, and went up unto mount Sinai, as the LORD had commanded him, and took in

his hand the two tables of stone.

⁵ And the LORD descended in the cloud, and stood with him there, and proclaimed the name of the LORD.

Let's continue on from verse 29.

²⁹ And it came to pass, when Moses came down from mount Sinai with the two tables of testimony in Moses' hand, when he came down from the mount, that Moses [knew] not that the skin of his face shone while he talked with him.

³⁰ And when Aaron and all the children of Israel saw Moses, behold, the skin of his face shone; and they were afraid to come nigh him.

³¹ And Moses called unto them; and Aaron and all the rulers of the congregation returned unto him: and Moses talked with them.

³² And afterward all the children of Israel came nigh: and he gave them in commandment all that the LORD had spoken with him in mount Sinai.

³³ And till Moses had done speaking with them, he put a vail on his face.

³⁴ But when Moses went in before the LORD to speak with him, he took the vail off, until he came out. And he came out, and spake unto the children of Israel that which he was commanded.

³⁵ And the children of Israel saw the face of Moses, that the skin of Moses' face shone: and Moses put the vail upon his face again, until he went in to speak with him.

Let's turn to 2nd Corinthians 3, reading from verse 2. This is Paul writing here. Verse 2, 2nd Corinthians 3:

² Ye are our epistle written in our hearts, known and read of all men:

³ Forasmuch as ye are manifestly declared to be the epistle of Christ ministered by us, written not with ink, but with the Spirit of the living God; not in tables of stone, but in fleshy tables of the heart.

⁴ And such trust have we through Christ to God-ward:

⁵ Not that we are sufficient of ourselves to think any thing as of ourselves; but our sufficiency is of God;

⁶ Who also hath made us able ministers of the new testament; not of the letter, but of the spirit: for the letter killeth, but the spirit giveth life.

⁷ But if the ministration of death, [what Moses had] written and engraven in stones, was glorious, so that the children of Israel could not stedfastly behold the face of Moses for the glory of his countenance; which glory was to be done away:

⁸ How shall not the ministration of the spirit be rather glorious?

⁹ For if the ministration of condemnation be glory, much more doth the ministration of righteousness exceed in glory.

¹⁰ For even that which was made glorious had no glory in this respect, by reason of the glory that excelleth.

¹¹ For if that which is done away was glorious, much more that which remaineth is glorious.

¹² Seeing then that we have such hope, we use great plainness of speech:

¹³ And not as Moses, which put a vail over his face, that the children of Israel could not stedfastly look to the end of that which is abolished:

¹⁴ But their minds were blinded: for until

this day remaineth the same veil untaken away in the reading of the old testament; which veil is done away in Christ.

¹⁵ But even unto this day, when Moses is read, the veil is upon their heart.

When they read about that very thing there that we just read in Exodus!

¹⁶ Nevertheless when it shall turn to the Lord, the veil shall be taken away.

¹⁷ Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty.

¹⁸ But we all...

They in the first Age who were reading Moses!

...with [unveiled] face beholding as in a [mirror] the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord.

May the Lord add His blessings to the reading of His Word! You may have your seat. Blessed be His wonderful Name. We want to welcome everyone in the house of God tonight, and I want to greet you all in the precious Name of Jesus Christ. I just want to continue from Sunday morning. See, we're trying to cut down on the time. We stopped kind of early and we didn't finish the message. I was just kind of opening up a little part of it. But here tonight by the grace of God we want to pick up a little more and go right in, into the Word. And we were speaking about **"JEHOVAH'S MASTERPIECE UNVEILED BUT YET VEILED"**. Maybe we can just take this as the second part tonight as we continue by the grace of God. Amen?

We're also glad to welcome our brother from Guyana here with us. Many of you remember when the request came for him to be prayed for when he was in the accident and these things, he wasn't serving the Lord. This is Him standing here, amen, Bro. Eddie's uncle and he is here with us tonight. We really appreciate him in our midst. Amen? God bless you. You can have your

seat. Amen.

So we are really glad to have him. He will be here with us for few days and we're hoping by the grace of God to go to Guyana and have a few services. I believe next weekend, should the Lord tarry and everything is worked out, that we can have it Friday night, Saturday night, Sunday morning and Sunday night. I believe the brothers across there have a combined meeting. I'm just trusting by the grace of God that God will really richly bless us.

It's over a year and some more we haven't been into Guyana and the brothers requested that we come and it just couldn't seem that things could have worked out and it just seems that back in this season it is just made possible because you know, since Bro. Warden had gone on to be with the Lord and Bro. Mc Cloggan was no longer a pastor in the other church there, and Bro. Aubrey, (many of you know him) is the Pastor for where Bro. Mc Cloggan was. And then Bro. Eddie, who has been here time and time again with us, is the Pastor in Dove Square where Bro. Warden was the Pastor. And Bro. Samuels is still there up in Triumph in Guyana.

So these three churches will be coming together plus we asked that they invite some of the other brothers and Ministers from the other assemblies who we know and have met in time past, that we could all get together for the next few days that will be coming up. I would just want you to remember it in prayer. God has always dealt with us in a special way in Guyana and we believe that we were led by the Lord to go there.

And way back, I think it was in 1981, when the Holy Spirit had us to meet the brothers there for the first time and began to preach and then they came over and we had services here, and we went over and had services there, and they came over here and so it has been. And it's just for over a year or more we just haven't been together with them. So by the grace of God we're just trusting that the Lord would do something wonderful

for us.

At this time it's very difficult for them over there. The type of political situation and economic situation that exists there is much harder than what it is over here. And we just know that there are many faithful ones over there that are really holding on to the Word. When things are like that, all the people have there is the Word to hold on to. Amen. You find that when those kinds of conditions come upon a nation that you know the devil has fought the work of God over there in a real hard way, because many of the people, though they had that type of situation yet it just seemed that the churches just couldn't get a hold and be really established as they should be.

And many of them who were existing as churches at one time have just withered away, and works have fallen apart, and then there are others that have dwindled away and just come down to a little minority group. But in the midst of it all there are a few faithful ones holding on for dear life, and we just want to do our part in what we can do to be an encouragement unto them.

Because sometimes we sit down here and we hear the Word like this night after night after night after night, and you know, as I said on Sunday, "Many of you are like the man on the sea." Many of those people are like the poet. You know the Prophet told the story about the poet. He said that this poet, he wrote about the sea: the seaside and sea gulls and the sea breeze, and the sand on the shore, and all the rocks and the waves. My! He had never been to the sea, but he was just inspired and he longed that one day he could really get to go on the sea.

Finally it became possible and one day he made his way to the ocean. And as he came closer and closer to it, before he even began to see the water with his eyes, he was already smelling the fresh sea breeze and seeing all the seagulls flying and he became so excited and he began to hasten down to the shore. You know, here was

an old sailor. He had lived on the sea for over seventy-five years. Amen. He spent his entire life out there in the salt.

And he was coming off the sea and when he saw this man hastening, he said, "My good man, why are you in such a hurry?"

He said, "All my life I just longed to see the sea. I longed to see the ocean, and the waves, and all these things. I wrote about it. I dreamt about it. I talked about it. But I have the opportunity to come and visit and see the place today."

And he said the 'old salt' [sailor -Ed.] watched him and he said, "Well, I have been there seventy-five years. I don't see anything exciting about it."

And the Prophet said, "It became such a common thing to him. It had no meaning to him at all."

And that is the way the Word is. Many people, they grow up in church; they've come to church in the Message all these years and maybe they could tell you they have never missed a service, and they could tell you all the different churches they fellowshiped in. They could tell you all the different years they come through, and they could tell you years of experience of every church that they had been to, and all the different things; and it might give them a reputation of being around the Message so long and being exposed to so much. He said but after here we're in 1985 and the Coming of the Lord is at hand and the generation is about passed away and when they should be excited more than ever, when they should be pressing more than ever, it becomes such a common thing to them.

And here there are some who spend their lives in denomination, and out in the world, and out in the night clubs, (amen,) and they longed for deliverance, and they cried that they could come in the Presence of the Real Word (amen,) where God could be made real and personalized unto them. And they get a chance to come close to it, and from the time they begin to get into

the atmosphere, (amen,) it excites them so much just to hear about it, (amen,) they can't wait for the doors to open. Amen. It's different to them because in their hearts there is a longing (amen); it's a desperation inside there. It's something that they just can't seem to get enough. They just can't seem to be satisfied. Amen. The more they hear, the more they want to hear about it. And that is the way it is for those.

And I have been looking and watching and seeing many new ones coming in and you can see the Word excites them and the Word opened up their mind. They have been in denomination all these years and were made a slave in some church and they were made to believe they were saved, and they were made to believe they were going into Heaven, and they were walking with the Lord. And then when they realized that all those things were just a religion, manmade religion, clothed with fig leaves, and they got a chance to hear the Word and they see the reality of it, and they see the Hour and the Day that they are living in, it excites them. Amen.

And I look at them and I watch them and I know in my heart that God has raised up a people. Like a new crop it's coming out (amen,) for the last great kill; that God is going to take a hold of this people that is hungry and thirsting, (amen,) crying out to see a real revival break forth, amen; to see the Power of God move. Amen. They are not just satisfied with coming to service and sitting down there and saying, "Yeah, I heard the Message." Amen. You see they come in here they only want to hear what they're doing wrong: "Tell me. What I'm doing wrong, tell me. I'm going to stop it right away." They just want to find out what to do.

And here sometimes you have to preach against them. You have to blast the sin. You have to expose them. You have to talk to them. You have to carry them in the office. You have to warn them. You have to try to scare them. You have to try to shake them. It doesn't

do them anything. Amen. And then you know something is happening because here is this little one coming in there and they only want to hear I'm doing this wrong. "My, I want to stop that. What else?" They're asking you. Amen. They're asking the questions. Amen.

I tell you, if there is any encouragement I have had for the past few months, is seeing people like that by the grace of God; seeing them coming with a hungering and a thirsting. Amen. They want to get a hold of something real, want to line up in this Hour that we're living in because they are convinced. You know, and the Prophet said, "If you care for Him, He cares for you."

If you care about His Word, if you care for the Message enough knowing things of value came with great price, knowing what it caused to bring this Message and deliver It unto us, knowing the pains and the persecutions, and being forsaken, and the sacrifices, and the sweat, and the tears, and the rejection, and all that it took the Prophet to bring this Message that we could have it today. Amen. The days when he was up in the mountain without bread or water, amen; the time when he was challenged by four hundred ministers conspiring to break his influence, amen; the time when the devil sent all kinds of people to infiltrate and break the power of the move and had people pulling for money and all kinds of different things (see?) and he was carrying a Message.

All he knew an Angel met him in a cave. All he knew it was something for the Hour and the Scriptures. He wasn't interested in organization. He was interested in carrying the Message. Amen. And he said, "Like the little dove he was carrying the Message." And while he was carrying the Message all the enemies began to turn their guns upon him. Amen.

Like the little story it had in World War II when the Americans were pinned down. And all those Americans were pinned down there and the Germans had them

surrounded and they were going to run out of ammunition, and the only help they could get is if they could get a message back to base. And the Germans were closing in upon them and they weren't going to last much longer. And one of those soldiers there had a little homing pigeon. And he took the pigeon out and he wrote a little message and strapped it on to the pigeon's feet and he loosed the pigeon and the pigeon began to fly.

And while that dove began to fly there, here were those Germans, quickly they realized what they were doing. They were trying to send a message back home. They were trying to call for assistance, trying to get some help. And they forgot the Americans and they turned all their ammunitions upon the little dove. He said, "And as they began to shoot," amen, brother, "the dove began to make height. But they had the anti-aircraft guns (amen) and then they were able to get the dove zeroed in, and next thing you know a bullet struck the foot (amen,) and the dove began to come back down a little bit (amen,) flying with pain and one leg almost shot off but yet it was determined to fly with the Message.

He said, "A little longer again here another bullet got it on the wing and broke one wing (amen,) but the dove was going anyhow, losing blood, dripping, feathers just coming off." Amen. But that dove knew that if he completed his mission, brother, it was going to bring deliverance to those there who depended upon him. He looked there and knew if he didn't complete that journey, (amen,) if he didn't take all those persecutions, if he didn't take all those rejections, if he didn't take all those attacks of the enemy, if he didn't face up to all those oppositions, brother, all of them would have died there, pinned down; destroyed by the enemy. But he was determined to go with the message. He had an objective. He had a goal. He was perseverant in spite of everything, because he knew they depended upon

him. He said, "But finally he was dead (amen,) but it dropped in the camp; the message got home." Amen. Hallelujah. The message got home.

That's exactly when the Prophet said... He typed that back with himself. He said, "That is exactly what it was to bring this Message." Amen. But finally the Message got home. All that they tried to do to him. Two hundred million supernatural devils loosed in the ecclesiastical realm to stop the Message and he, with revelation, looking back in the Scriptures with Micaiah and them saw what he was up against. He saw religion and politics and everything coming to close down the very Message that he was carrying. Amen. But he was determined. Amen. He had a vision. Amen. He had something inside of him that was pushing him on. He said, "That Dove led me to a faith I have never known." Something inside of him was making him go on, go on; press the battle.

He said one time he was sitting down there and he wondered, "Oh God, I'm going to be fifty years old, amen; I haven't done anything for Jesus yet." Oh, may we get that kind of spirit on us tonight (amen,) that what's going to start to obsess you is what to do for the Lord; not all what you want the Lord to do for you, amen; what you have done for the Lord, what you have done with the little He has entrusted you with; what you have been faithful to the least He has put in your hands and called you out of darkness and given unto you.

And while he was there lying on the bedpost, over a million souls were already in Glory waiting there. Amen. A healing ministry that had started a revival around the world, (amen,) a great healing revival that saw ministry of many others rise to the forefront to face this great scientific Age and all the skeptics and the infidels who were trying to say the days of miracles are over and all these things are finished. Amen. And then while he was sitting down there on his bed, a Voice said, "Won't you like to see beyond the curtain of time?" And

here he was tired and weary but he must go along. He said, "Oh God, that would do me some good." Amen.

Maybe tonight you walked in here all weary and tired and worn out saying, "Oh God, if You could only drop down here or pass my theophany over me, (amen,) give me a charge Lord, (amen,) give me a little handful, an extra handful, it will do me some good tonight, Lord. It will lift me up and put a spring in my step, amen, if You give me another touch, Lord, a brand new touch. Lord, I need a brand new touch. My strength from yesterday is gone. Amen. If I could only break through enough to get that tonight, (amen,) it will do me some good."

All of a sudden you find yourself like a spiritual astronaut. He had already launched off the launching pad. Amen. He was crossing the great divide. He was dropping down in another land. Amen. And as he dropped down in that land he said, "This life here is like a shadow of a shadow of a shadow of a shadow. Here was like a little stream, next thing it becomes like a little river, next thing it becomes a sea; next thing it becomes an ocean and before he knew it he was in a celestial body." Amen. I've always wondered about that. I thought we would have gone over there and then a big, whole body, we would have stepped into it like that. But he said here is like a shadow of a shadow of a shadow of a shadow. It's like a stream. Amen. And then from the stream it goes to a river, from a river it goes to a sea, and from a sea it goes to the ocean and before you know it you're in a celestial body.

And while he was going there it was just some fleeting seconds, a fraction of a second, (amen,) and he was just changing this dimension to that dimension. When he reached there, he was in the body. The body was on him already. Amen. Hallelujah. See, the body was on him already. And he looked there and here was a great welcoming committee. Amen. No doubt they have been told to expect him. Amen. They came running from all sides. Millions came screaming, "Our precious

brother.”

I tell you, sometimes you think a million dollars is going to help you. You think a brand new car is going to help you. You think a brand new set of clothes is going to help you. But a look past the curtain of time is all you need tonight. Hallelujah! That is all you need tonight – a look past (amen) that you could see the heavenly vision! Amen. You could break into realms that your senses know nothing about. Amen.

And from the time he was caught up there and he saw those people saying that, brother, they are the Word over there. They have no time of foolish talking over there. They were talking the Word. Amen. Hallelujah. “Brother, we are resting on that Message. If you hadn’t gone, we wouldn’t have been here.” They were full of appreciation that somebody went, that somebody paid the price, that somebody was willing to sanctify himself for their sakes; that somebody was willing to become a prisoner that God could have an instrument to thresh His wheat in the last days (amen,) in the great threshing floor, in the gathering time, that God could have people, (amen,) ready to finish this great commission.

And while he was there, and he saw those things and he was coming back over now, (it was time to come back over) and the Holy Spirit kept speaking to him saying, “Go back and press the battle. Go back and press the battle. Press the battle.” Amen. “You’re almost nearing the end of the road. Go back and press the battle.” Amen! So if you could only get something like that to make you press the battle (amen,) to know we’re almost at the end of the road. Amen!

And when we see what it took, we see how God dealt with him to bring this Message to us (amen!) with this great revelation being unveiled from the Scriptures identifying the Word, vindicated by the Holy Spirit, by science, in the heavens, by the Scriptures; Supernaturally, amen; God proving that these things are the infallible Truth of the Word of God promised for

this Age. Not some man's imagination, not somebody's theory, not a bunch of scientists in the laboratory, each has a different opinion and making their opinion sound authoritative without it being proven; not anything like that. God coming down (amen,) and showing it, vindicated it, bearing witness and proving it is nothing but the Truth. He made science (amen,) who tried to disprove God, prove God, (amen,) and say it's nothing but the Truth. He said, "Mr. Branham, that camera will not take psychology. The light struck the lens. It stands as the only Supernatural Being ever photographed. Amen.

Why? Because God knows in this Age a lot of scoffers and mockers were going to arise. You watch them. They take the Bible and they say, "Moses crossed the Red Sea on some reeds that were there." They said Jesus, when they gave Him the cup to drink, it was really some mandrakes (amen,) that He drank and it put Him to sleep like in a coma. He really didn't die, amen, and then He rose up afterward. You know, and they try to explain it in all kinds of Eastern philosophy.

What is it? It is scoffers and mockers trying to discredit the Word of God. Amen. But as the Prophet said, "If they only read their Bible, they would have noticed that it was vinegar and He spit it back out. He didn't drink it. He spit it back out!" They used to give them that to kind of ease the pain. But He was willing to bear every bit of pain for you tonight. Amen.

When I think the Hour is here and the Squeeze and the persecution is going to come and many will have to bear pain, amen; you will know He bore all that pain already on the Cross. Every pain you have to go through He took it all there already. Amen! It will not matter to you whether you die, whether they pull out your fingernail one by one, whether they pull out your tongue, amen; whatever they do to you. Amen. It will not matter to you (amen,) because you will know He bore all that pain on the Cross already. Amen! He

refused to take anything to quench it. Amen.

If you notice, they said he went through on reeds in the Red Sea. He said, "If that is so, how is it then when the Egyptians tried to follow after they were drowned?" Amen! He said, "It is just man with his foolishness trying to discredit the Word of God, trying to make it say something else." And God knows in this Day they will be so shrewd, they will come with all their different explanations. They will bring up all their fabulous photography, how they do things and they'll do double exposure pictures and do all kinds of different things to give it certain effects to make you see all kinds of things that are not there and put it there in a picture. You see? See. He said but this, He is going to do it in such a way He is going to take their own instruments and confound them, because what man calls great, God will call foolish, amen; because the weakness of God is greater than the strength of man. Amen!

And that is exactly what He was doing to make them do those things so you in this Age will not wonder. He will make them give the vindication. He will make them give their testimony that that is nothing but the Truth. Amen. This great Age of the mind, the mind Age, when the devil is bringing up all kinds of reasons and all kinds of different things to blow people's mind, amen; put them on all kind of trips and these things; kind of confuse them, amen; this great intellectual Age here. See!

And then we see that this is where the Bride is also to have the Mind of Christ. Let the Mind that was in Christ be in you. Amen. You could see all the drugs and different things are just to blow the mind, to give them 'a head'; to put them in another plane. [Drug induced high -Ed.] Amen! You look there and you see all the kinds of games they have. Little toys – children don't have any little kinds of toys like horses and dogs any more. It's all kinds of big video games and different things; computerized games. See? Why? It's the mind

Age that we are into. See! And this is the great time.

But here it is... You see science in the natural realm is only showing the realm that God has reached. See, as they come from the horse and buggy Age... When they started in transportation, it was just about seventy-five years ago and they had horse and buggy. And then from there they came to the motorcar, amen; a greater horsepower but now they fit it up in an engine. See! They bottled up a few horses inside of there. And then they came and they moved from that straight into the air – from the automobile to the aeroplane Age. And it is a greater form of transportation. And then from the aeroplane Age, they moved into the astronaut Age. See! Where they are going, the aeroplane can't even go; it's a greater power, and showing that in the evolution of science coming in a higher realm, a higher realm, a higher realm all the time.

And look where God had been coming with His Church, lifting up the Church. It just shows that something is fixing to happen. It just shows that we in this Age are getting ready for a great move and the Holy Spirit is trying to get the people pressurized, trying to get them ready, trying to get them focused in. The Holy Spirit is trying to get all the old flues of the world, all kinds of worldly thinking out of their mind that the Mind of Christ can come in there, that they can look outside and see and understand what time we are living in.

You watch this Age of population explosion and all these things, and see that, you know, they tried to cut down the population explosion and they used contraceptives. They say people are multiplying too quickly. And through contraceptives, they brought in a spirit of free love and sex and immorality. Amen. It backfired upon them! See. Because you see in man's wisdom, they are trying to think well if the people are multiplying too quickly, then they'll begin to run into famine, because nature is providing the food too slowly.

It is growing too slowly. So they say, "We are going to try to cut down the population explosion."

See, like Pharaoh did back there. Pharaoh said, "Well instead of"—He didn't have contraception and things back there maybe, so what he did, he passed the sword and he killed out all the males of the children of Israel. But in this Day they are killing them out before they can even be conceived. See! And then inside of there, he said they moved in there with those contraceptives and it backfired. It brought a spirit of free love and sex and immorality went on the rampage. Then this one can be in their illicit affair (amen,) and take birth control, and then have no children for any embarrassment. Then this one could go to parties and rather 'mine' [take care of -Ed.] a dog or a cat, though they have a nature to mother something.

But this is the Age Jesus said in Luke, "They will cry to the rocks and mountains, (amen,) 'Fall upon us.'" See! They will say, "Blessed are the paps that never nursed," the breasts that never nursed. He said, "That is this Age when the Lord is coming." See!

So then with all the population explosion, they use contraceptives. When that backfired, they tried hybridization. They said, "We are going to speed up the process of nature. Let the food grow faster so we will produce the food faster to feed the people who are multiplying so quickly." That also backfired. It brought a weaker race of people. Amen.

Right now in Puerto Rico they have little girls, seven, eight years already developed like big women of twenty-five years, because of all the different things they inject in the cattle and put in the feed. Amen. All the chemicals and hormones and different things there in the meat that they are eating, it is actually bringing a reaction in their own body. Then people are taking them and putting them in prostitution while they are small; all kinds of different things. See.

Why? Man is taking off of the tree of the knowledge

of good and evil and trying to create a better place through their wisdom, but they are only bringing their own destruction. See! It is heading up to a place. See! And then it's a scientific Age just like the Age of Noah. The Bible said they were multiplying so quickly that is why God had to destroy the world. Why? Their own inventions. See, God's way of destroying it was through their own inventions. See! Then when they did that, with all their hybrid food they've bred a weaker race of people. See! He said, "Man can't even take a little hot sun. They fall down and they faint, die of sun-stroke; all kinds of different things." When heat waves pass in America, hundreds die in the summer time, just with the heat wave alone.

You wait until one of those bombs go off there and it drives the earth right back in the presence of the sun. In the days of Noah, he said what caused the flood was when the atomic explosion went off, it drove the earth away, off its pole there, its axis, and then what happened, it flooded the earth. See! And God destroyed the earth by water. See, because Noah was preaching it, it was going to happen. You see, he was prophesying it. You see, and God could have stopped it but you see they rejected the prophet's message and God allowed them to destroy their own selves with their own inventions.

Because the more they were bringing up all these inventions they were going into more sin and becoming more, what they were calling 'more civilized' and they were becoming more mechanically-minded, more material-minded and getting away from the things of God, (you see,) and putting that back and then lifting up and exalting their own self above the Word of God. They see God like an idiot, and people who talk about God, like foolish. They aren't scientifically minded, they are a bunch of idiots! You see! So they begin to kind of see God's people as 'dotish' [stupid -Ed.] people (see?) and ridicule them and laugh at them, and when they invent their little business, they glorify themselves. It is in

every newspaper. It is in every magazine. It is in on every television station, on every radio. So that was more being publicized and the people was more being filled up with man's achievements than the Word of God.

So then when that began to replace the Word of God in lives of the people, they began to get more social. See? They begin to live in a natural plane because they were rejecting the Word that was going to keep them conscious that they are spirit beings in a flesh body. Not a body with a spirit in it, (see,) but spirit beings in a flesh body.

And then when they get down in that realm now, they begin to bring out all their different things to make the woman more beautiful. See! All those great devils there begin to anoint people and call them big, fashion designers; gave them big, sophisticated names. "Come in Janelle's workshop and know how to better your standard. Get your wardrobe for your work days. Get your evening gowns for the cocktail parties." Amen! "Get your fashionable sportswear. Amen! Get your outfit for the carnival season." And teach you how to make up yourself in five minutes. Amen! And they think it's more sophisticated, but it is demon power; it is devils!

And when you go after that you go after devils! And when you're saying with your knowledge in your mind here and your carnal, worldly taste here, you're saying, "Well that has no effect on me," and you are getting conformed to it, a devil is upon you already and you don't even know it! Give you a little time you will drift into worse than that. Amen. See! If you lie with the dogs you'll pick up their fleas, I tell you. Amen. And if a lot of your friends are dogs and hogs, you're in trouble. You better get friends who are sheep (amen!) because the hog will go back in the wallow and the dog will go back in their vomit (amen!) and you with the fleas will be uncomfortable among the sheep. See!

Those who are under the Token and those who are outside the Token: one is in Heaven and one is in hell! It's a great gulf fixed between them. Amen! They are looking up there in torment, all those worldly devils tormenting their minds and they are seeing you in Abraham's bosom, perfect faith, a world of perfect faith, in an atmosphere of perfect love! You are a mystic to them! You are in Abraham's bosom and they can't come where you are because they don't have anything to quicken. They can't be changed and translated. There is a reprobate down inside of there. They try to tell you, "Well, I go to church too." They try to tell you, "Well, I read my Bible every night. I'll have you to know I burn a candle every night." Nonsense! You can burn a pack of candles every night, it's nothing. Hallelujah. See! What does burning a candle have to do with God? God wants to live in people. God wants to make you the burning candle, the Fire of the Holy Ghost inside of you! Amen! God wants to live inside of you. See!

And with all their science, their population explosion, hybridization, birth control, everything began to backfire. With all their technology and science they pulled out all the minerals out of the earth, build a nice, big superb car; nice big skyscraper; do all kinds of different things and say, "Look at our great achievements." And one earthquake comes and the whole place falls in and they can't stop it. Why? They pulled out all the minerals that God put there to hold the earth together. They begin to rearrange the chemicals and all the elements that God put in the earth.

God put the uranium in a certain place. He put the oil in a certain place. He put the petroleum in a certain place. Everything He put it for a certain place. Down through the Cape of Good Hope, they brought it and has it there, put it in their base, make themselves a greater superpower than the other nations; trying to go and explore out of space everything, and then all the

weather is changing up. All kinds of radioactivity being loosed in the place, breeding all kinds of germs; all kinds of diseases coming on. And then they are trying quickly now to go and find something to stop it, to stop the plague. There's no way to stop it. They fail to realize their own science is backfiring on them all the time. See!

But in the midst of it all, as it comes and it all heaps up to a place where this time he said, "The bomb is going to drive it back to the sun and it will burn with fire this time." The first one drove it off its axis and made it flood. This time, the bomb in this Age, will push it back in the sun and it will burn it. You see in the Bible in the Fourth Vial, there is an Angel pouring His vial upon the sun and man cursed God and blasphemed when it begins to scorch them with the heat. You watch and see. They don't know what is coming.

I was reading there about the nuclear winter and they said that when that bomb goes off, it will cause a hundred and seventy-five thousand tons of dust in the atmosphere and that will blackout the sun for five months. The sun won't shine for five months. You would only have one percent of sunlight and that would cause a nuclear winter, and that will kill all the plant life. See! It will break down the food chain, starve out the animals; all these things. And by the time that clears up, it will destroy the ozone layer in the atmosphere and then all the ultraviolet rays of the sun will burn them on the earth to cinders. The Bible said the righteous will walk out on the ashes of the wicked. And there are two sure bombs: one in America and one in the Vatican according to the Word of God. You see! And they already have it built and put down there already. And they already have the infidels and the maniacs to press the button too. You see!

And when we see all these things heading up we know what is taking place, what is happening in the midst of that. And here we have been trying to show, look at

demon powers invading the bodies of the people and taking them over. How are you knowing it? Oh, it comes out in their attitudes. It comes out in their outlook. But what is it? It is a reflection of a devil. It's not them reflecting that. They sure are not reflecting that when they decide to walk holy, holy, holy unto the Lord. They are walking straight with the Word. They could say 'amen' to every Word. They think in the Spirit. They have a holy man's taste. They aren't lusting after the world and the things of the world. No, sir! They aren't a serpent. They are not feeding off the dust of the earth! They have spiritual Food in due season that they are feeding upon. Amen!

But the serpent's meat was the dust of the earth. Everything you see with your natural eyes is the dust of the earth in another form. Nice big motorcars, skyscrapers, nice clothes, whatever it is, it is the dust of the earth out there! Oh my! The serpent's meat, it is just in another form to attract the eye to hold you in that physical realm.

But Elijah entered that secret place before the judgment struck. He had hidden food. Amen! Food that Angels brought this time! Hallelujah. See! And see demon powers had invaded the people and taken them over. Many did not know their way back there. That key to the bottomless pit opened up hell and brought out all those weird demons; started the peace and love movement, the hippie movement. All the drug addicts began to rise on the scene; the great big Age. Amen. Hollywood and television (amen,) began to spread its wings and take over the whole world. Amen!

America in no time, brother, outdid Paris in sending all the filthy fashions, because in Los Angeles, the city of angels, all those demon powers were coming out with all those revelations: how to dress the woman, how to make them more enticing, how to make them more appealing, how to open up those gates to send millions as an ox to the slaughter; (amen!) to make woman God

upon the earth. I tell you, woman is really god in this Age. There's a woman who will be God too – the Bride. She'll be God veiled. That is the real God, God in the Bride of Jesus Christ! Jesus in Bride form, God in Bride form also in this Age! The devil can't outdo God. He is only a perverter. Amen. Hallelujah! See. It is all heading up.

And when you see the devil deforming people, (amen,) sow all those creepers: education, science and civilization, more modern age... And you better watch yourself, you, who are in that natural plane of the things of this world. You have your job and these things, you go to school and these things, but praise God, may God help you to keep your mind sane, amen; to teach so much of it that is true and teach it with a spiritual background too. Amen! Because let me tell you, they are creepers of the devil, (amen!) and he gave you a hand load of creepers. You have a bunch of seeds. Amen.

It shows if it's not the Bible then you have the wrong bag of seeds. So you go and you are sowing, you are sowing those seeds and they fall into little fertile minds – little creepers inside of there: false values, false standard, amen; a spirit there that will make the world look attractive and nice, amen; will make somebody want to be some great, big person out in the world; some worldly ambition. Those things are hormones to develop your worldly ambitions. Hallelujah! Yes. You see all your worldly ambition getting out of proportion. You even can't control it after a while. You can't even set—your priorities begin to change. Your values begin to change. Your standard begins to change. Why? Why? You are more feeling at home as part of the environment of the world! All those creepers sown inside of there until afterwards they start to fight you in your mind about the Word of God. Amen!

But brother, if you get the Mind of Christ (amen!) you will spit the world out. From the time it wants to begin to disagree with the Word of God, you spit it out. Amen.

See! You will not get your spirit hybrid, but the devil wants to hybridize your spirit. Amen. Don't you see how he made a generation of perverts through hybrid food?

You see people don't realize the realm of the devil really. "Well that is just Satan" and "that is just some little thought, bad thought," and that kind of thing. But Satan with all his science, he made man get broad in their hips and narrow in their shoulders and he made women broad in their shoulders and narrow in their hips. Amen! Hybrid food deformed them! Amen. See! And when you see that you realize look how he deformed the people, making them a weaker race of people through all their science and their cultures. See?

And you see, the trick of it all, he kind of publicize it. He has this special magazine of the month that the elites read and where the elite fashions go on. Then he has the real organizers of the places you go for social entertainment that is controlled again by more devils, big demon powers. See! Then you have all the cultural shows for the ethnic groups. Amen. There is only one group – it's the Blood-washed group. Amen! That is what God is interested in. See!

And he has all those little, different things out there to kind of hold them in that realm; keep them earthbound. They don't realize it. They were born and found the society like that. It already has a certain shape and they are squeezed into the shape of the very society so they just become a product of the very environment and don't even know it; so they come alienated from God to begin with! So that society has a shape that when you see a preacher maybe standing up by the road and preaching and maybe talking about sin, you find he looks so weird like in the caveman's Age. He doesn't look modern. He does not even look social. He looks like some wild man. You see? Why? It has deranged your mind.

Well it is being done to the majority of the people and

they call it education and they call it a higher level of living. They are told that lie. So because they are told that lie and they are a 'sucker' [a gullible or easily deceived person -Ed.] for that kind of lie, and because the devil pulled that wool over their eyes, then the things of God seems old-fashioned and outdated. Amen! But it's the subtle way that the devil has done it. He has deformed them!

See, so much for the deformed. Let us talk about transformed a little bit now. Amen. Hallelujah! He said, "I wanted to touch that 'deformed' first because you see I've been speaking about transformed for the last two services and I saw a lot of minds getting battles." You see! They can't deny the Word but in their mind they are still getting battles. They have a right to get mind battles because they never subjected their minds to Christ and the Word, so they will get their mind battles.

But just to let you know, if that is deformed and hell is on the earth, where is Heaven? If the devil is in flesh, where is God? If people are deformed, who is transformed? Oh, everybody could agree that they are deformed. Everybody could agree its demons they are reflecting. Everybody could agree that that is the fifth dimension overflowing there. But from the time he said, "God is here now, veiled," oh my, watch they are getting a fight. So he was saying, "That is God there?" Yes! That is God there. Hallelujah! It's God in the people! Amen! See!

Don't be foolish, be wise. Amen! Let the Oil of the Holy Spirit (amen,) brother, God, pass through your mind and loosen up those bolts and those nuts inside of there (amen!) that the mechanism of your mind can move with ease and function (amen!) in harmony with the Word! Amen! See!

But you see the subtlety of how the thing was done and how he trapped the people, how he deformed them; how he put them there. And while all that is going on,

do you think God's hand is tied somewhere in a corner, blindfolded, trying to unloose Himself before the devil fully takes over, He's trying to escape and maybe save the day? My Father worketh hitherto and I work also. Hallelujah! The Word of God is not bound! Hallelujah! The only reason demon powers could be loosed is because God wants some competition. Hallelujah! Oh my! Glory!

Brother, when that Seventh Seal is pulled back and Michael draws that Sword and descends from Heaven, He comes for battle! It better have an army there in array! It better have a competition! He wants to display His glory. Hallelujah! When the devil has that bunch of sexy maniacs in the street half-dressed, half-naked, walking, twisting, have the whole world watching there, God wants to dress a daughter of God, holy women of old, and put her out there also! Amen. Hallelujah. Let her walk Godly in the street, long hair, a Nazarite, (hallelujah!) brother, washed, (hallelujah) walking out there! Not Lot's wife, Abraham's wife (glory!) walking there in step!

But of course many of our sisters, they get so much into that brainwash, they don't realize what God is expecting of them, so they get kind of pulled into that current until they get a revelation in their soul. When they get a revelation, they will see how much more greater and more glorious God is. And may tonight God take this Word and pass It through their thinking (amen,) and blow the worldliness out of there. May It drop down in their heart and dig the world out until It digs a ditch so deep, It could pour in the Holy Spirit right in afterwards!

May they not just walk through these doors and come and sit down here to hear a little sermon tonight, but may the Fire of God (amen,) scorch them, shake them (amen,) and get the world out of them! Hallelujah. May the sons of God, not look out there to some old pervert that they took and they blow up to be some little pop

star, some little rock star; some little pervert you don't even know what their nightlife is. You don't even know what they do in the back. They get the media and some promoter to put them on a billboard and blow them up and fill up the people's minds with it. See!

Just like a lie, if you keep telling a person a lie all the time, they will eventually believe it is the truth. And when they keep impressing upon the mind the images of these people, the images of these people and they have all these devils writing all these great articles praising them; lifting them so high, applauding them, throwing all their flowers to them, make them a little god, right away you find you start to like the taste. Because the writer who is writing it, has a way to write it to woo you into it. So you don't even know the person but you begin to like the person because the way the writer is writing about them, playing on your mind! But if you have your thinking filtered, you'll spit that out! You know all that is of the devil. Amen! See.

They take all kinds of perverts: "Oh Michael Jackson, he is so religious. Oh, he is a Jehovah Witness. Oh, he doesn't take drugs and so on. No. You know, he is a gift of God." They are a bunch of devils! "Oh Madonna is a Catholic you know. She is just loves the Lord." See. It doesn't cost them anything to write that. If they write that that way they'll sell more records. Amen. They are in the money business. And then all those who like to eat all out there; their mouth is so wide they want to eat all out there. They have no filter! See.

I watch some of these young brothers inside here, you come in here, oh, with your little—you wouldn't dress properly. You get a little money or a little work or something, you go and buy some little punk shirt, some little punk suit and come in here. Brother, we don't want punks inside of here. We'll blast those punks out of here. Amen! Amen. You leave that out in the world! Amen! We don't want any Elvis Presley and Ricky Nelson in here. They are devils from hell! Hallelujah.

When we look across the congregation, we want to see Davids winding up a sling. We want to see Samson saying, "Once more, Lord." We want to see the three Hebrew boys saying, "I will not bow down." Hallelujah! We want to see Miriam dancing, beating the tambourine. Glory to God. We want to see Ruth at Boaz's feet. That is what we want to see inside of here! Amen! Those are our stars. We want to exalt those stars. Hallelujah! We don't want any old, fashion nonsense; no worldly business creeping inside of here! Amen.

Do you want to go on cloud nine? We are talking about the real Cloud. Come up in that Cloud, a Supernatural Cloud on the mountain top. Amen! Come up into the Mind Age! Come on a real trip. Amen. Not that old perversion business. Amen. The devil makes you one sissy afterwards. He deforms a woman and makes her one mannish woman or something. We don't want that. God made a man to be a man. He made a woman to be a woman. Amen! The devil tries to get in there and improves and ends up perverting the whole thing. Hallelujah!

We want rugged men with rugged faith: God-called, God-trained men who will take the Sword, (amen,) chop through the Philistines and bring a clean fresh drink for the King. That's what we want – mighty Gentiles in the end time. Amen. See. The devil is just spraying people with all this poison spray; spraying them over, spraying them over. They don't realize it's the devil spraying them over and corrupting their minds from the simplicity that is in Christ. Amen.

But here this God, look they get people back to old-fashioned simplicity, amen; come back to old-fashioned Holy Ghost power. Amen! God is looking for a people, brother, that God could dwell in them and walk in them; shake this generation. God wants sons of God, amen; not any little punk, any little fashion star or something. God doesn't want that. That is fallen stars. Amen. We

want stars set on their course. Not any wandering stars but set in their course, recognizing their position on the Word; reflecting the Light of the Morning Star! Amen! Hallelujah. We've already seen the Real, True Star, the Fairest of ten thousand, the Bright and Morning Star. Amen. See.

I don't know why people want perversion. That is a man who wants to eat an artificial apple when he has a real apple to eat. See. And your mind is so corrupted, you even think it is tasting better too. You find it looks bigger than the real apple so you run after it, and you are so ashamed to let it go now, when you bite it, you say, "It is tasting better. It has a crunch in it; it is fresh." See. No, it is the devil deceiving you. Amen. When God is full of the real? Amen! You want Power, real Holy Ghost Power. You want sanctification, real Godly sanctification; pass you through the fire. Oh, it might scorch you a little bit, you may feel that your flesh may want to kick up a little bit, but I guarantee you, (amen,) eternal guarantee, for all eternity; not one year, for all eternity, you will be a better person. Amen! See.

See, many people could agree with people being deformed in the world, but when you begin to talk about who God has transformed, how God has transformed these people back into His own image, as 2nd Corinthians 3:18 says, "And we all with unveiled face." See, the veil is rent and we could behold the glory of the Lord (see,) because on Calvary when that veil was rent, it revealed the Real Mercy Seat. The veil was rent because God wanted to reveal something.

And here it says, "We all with unveiled face." Unveiled; you see, it is unveiled. That veil that was upon us, just like it was upon those people back there, (see,) it was a tradition. All of us were old Anglicans, old Methodists and old Baptists, old Catholics from out in the world. Amen. Oh, we came through all the systems, but you see that was a veil of tradition, a religious veil upon us. But then the fire of the Word of

God came and rent that veil (amen,) to bring God into plain view. And you realize God is not a Roman Catholic. God is not a Baptist. God is not a Methodist. Amen. God is Jesus Christ, the same yesterday, today and forever (amen,) as great as He ever was! See.

So when it begins to reveal to you now, look God is present. God is not something you read about in a book some two thousand years ago. God is not something back in Genesis back there when He created. God created squirrels here, amen! God is here tonight to create a new heart and a new spirit inside of you and pour His Holy Spirit inside of you also! God is here to make you a new creature: old things passed away, all things become new! See?

God doesn't want to put you in form and ritual; keep you veiled away from the Glory of God. Because those people who sit down in center court, in the second court there, they never used to see anything. All they used to see was a big badger's skin just like the Greeks. But Peter and they were beyond that skin because they had a revelation: "Thou art the Christ, the Son of the Living God." Amen! It's which side of the veil you are on!

Now here we are in an Hour how it is we could see behind the veils of those people also and we see demons incarnate from the bottomless pit loosed in the ecclesiastical realm. Amen. It's all gathering the people to go to Armageddon. It's to bring on a Squeeze on the Bride and these things. We see it all heaping up. Religion, politics and demon powers coming together in Satan's Eden. Satan himself getting ready to be incarnated in the man of sin; be enthroned as God and worshipped as God because that is the way he has done it through religious denomination; the people ignorantly worshipping those creeds, some dogma, some man's idea instead of the Word of God.

That's how they're worshipping the devil! They are not saying, "Oh Satan, we love you." They are worshipping a creed that is not in the Bible! They can't even find the

word 'trinity' in the Bible yet all of them are Trinitarians. They talk about three persons in one God (amen,) when the Bible says it's one God was made manifest in the flesh, seen of angels, preached unto the Gentiles; received up into Glory. Amen. God was manifested in the flesh! The Word, which was God, was made flesh and dwelt among us! Jesus said, "I and My Father are one." Not three, not two; one! Amen. There are three in Heaven: the Father, the Word and the Spirit. These three *are* one. And there are three on earth: the water, the Blood, and the Spirit – and these three agree in one. The Father, the Son, and the Holy Spirit up there, these three *are* one. See? But the devil has veiled them, a traditional veil, and made them heathens, pagans. They don't realize they are pagans.

You ask them, "Are you a Christian?"

"Oh, I'm a Christian."

Sure. But they are pagans. They are the kind of Christians the devil makes; not the kind God makes. Amen. God doesn't have two molds of a Christian. God has one mold, and that is like Jesus Christ. Every Christian is Christ in you. Amen. If Christ is not in you, you are none of His. You're not a Christian. See.

So when we look we actually see those people, he has them veiled from the Truth. He has them in heathenism. But that is the way he has dealt – through subtlety. See? Oh, he played on the religious taste in people. He played on that. Deep down in their heart that they know there is a God; they know there is a Creator somewhere. He played on it! And he gave them enough religion to keep them religious and enough of the world to keep them unconverted, because he can't control the new nature. He can't control God in you. No! But he can control if you have the old nature, so he keeps you attached to unbelief.

He will keep you never wanting to make a total separation; always holding that one foot in the world and one in the church. And that is the make-believer!

And that is where he is trying to trap many of your spirits. Amen. Oh, you come out of the world and you're justified and God coming with the seraphim (amen,) the burners coming (hallelujah,) to make you confess your sin, (hallelujah,) to purge your iniquity and your unbelief, but you wouldn't say, "I am the man with unclean lips." Oh no! "It's my brother. It's my sister." Amen. But it's not my brother, it is not my sister but it's me, oh Lord, standing in the need of prayer! It's me! Hallelujah! See? This is where it is. See.

Satan has deformed them, but God is transforming some into His Own image, bringing them back. Amen. And the very way you see devils in people you will see God in people also! And the very way you will see the devil being manifested in the people you will see God being manifested in His people also. There's no doubt about it. God will never be outdone by the antichrist. The only thing to outdo Him is the Holy Ghost, and the Holy Ghost has come to face the challenge of the Hour. He is the Messenger of the Hour. He has come to face the challenge. He has gone to the front already. Amen. We are only like David coming behind after we've heard the sound in the mulberry tree. Amen. See.

You hear the Holy Spirit showing, "Look at this generation how it has unfolded right down to this very Hour." And here it is, hell is on the earth. Amen. And if hell is here we see how hell could be created because people have crossed the line. Amen. Devils have taken them over. Why? They have rejected the Truth. Oh, the Truth has come. The Truth has shone. Arise and shine, thy Light has come and the glory is risen upon thee.

That Light came. In the Evening Time it shall be Light. And that Light came as the brightest Light since creation. And what is the Light? The Word made manifest, the promise for the Hour. And God manifested the promise of the Hour. Amen. Every one of them in the Bible that spoke of this Day, God

manifested it. God vindicated it around the world. Not in a corner, not under a bushel; around the world publicly to show that Jesus Christ, God is here amongst us! Amen.

And as we look and we see all these things taking place, God amongst us (amen,) being revealed, being identified in His promised Word, the Light coming down to the people, shining, then we see many are rejecting the Light. And that is the condemnation. This is the condemnation – Light is come.

Many people don't realize, oh you walk in a meeting like this and you sit under the Power of the Holy Spirit and you're holding on to some little, denominational creed: "Oh well, my denomination. Oh well, my this." Amen. And then the Word of God is showing you, "Look the Bible said, look the Bible said, look the Bible said; look the Bible said!" But you've been so sprayed over and watered down with denominationalism all the years that you're so beaten with that old, denominational three-cornered stick (amen,) you can't rise. You can't rise and face what is going on. Oh, you always want to cringe back in some corner holding on to some little creed.

As the Prophet said you could imagine some man you're telling him the sun is shining. Big twelve o'clock in the day the sun is hot, in its full strength and he runs down in a basement, closes himself in and say, "There is no sunshine out there. I refuse to believe it." He said, "He is a spiritual delinquent. He's crazy." Amen! And you see in this Day God came on the scene according to Malachi 4:5, Revelation 10:7, St. Luke 17:30, Genesis 18, Revelation 10 (amen,) Revelation 18:4, Hebrews 4:12, John 14:10, St. Mark 11:23, amen; John 15:7. Hallelujah! God came on the scene. Amos 3:7, all those Scriptures are manifesting it, showing it around the world, made science photograph it, made denomination bow down to it, made atheist confess it, (hallelujah! Amen!) and then some man will go and say, "Oh, they

believe in a Prophet. That is a man. I refuse to believe that.” You are spiritually crazy. You’ll go in a basement and say, “The sun is not shining,” and it is twelve o’clock in the day! Hallelujah! See.

The Light came, but rejection of the Light, this is the condemnation. Light is come and men choose darkness rather than Light. God doesn’t send a man to hell because he drinks and smokes and steals and lies. No! You are born in sin, you’re shaped in iniquity and come into the world speaking lies. You are born with a hog nature and you are going to love the world. He that is born of flesh is flesh and can’t please God. You walk in the vanity of your mind. You’re dead in sin and trespasses! Amen.

But then when the Quickening Power comes, (amen,) then you who were dead, He quickens and raises up in heavenly places. Old things are passed away, all things become new. Any man in Christ becomes a new creation; has a different taste. The love of the world is not inside of you anymore. It’s the love of the Father in you saying, “I must be about my Father’s business!” Hallelujah! “All that thou sayest I will do!” Amen. Watch you line up with it now. Why? Because the Word of God is coming inside of there. See?

So you look back and you see many rejecting the Word, rejecting the Word. Why? Because they are holding on to that creed. They are not going out in the world. They’re still in denomination, but the world will come in the denomination. Amen! Hallelujah! See?

So when you find that begins to happen, here it is, as they reject that Word, God blots their names out; goes along alive in their body. A woman who lives in worldly pleasure – all her worldly fashion, her worldly hairstyles, her worldly high-heeled shoes, amen, all her worldly Max Factor – is dead the Bible said! That means eternal separation. Demon power has separated her. If she was in politics, then political power would have separated her. But since she is in worldly pleasure

demon power separated her. Hallelujah. If she was in denomination, then religious power would have separated her from the Presence of God, because it is religion, politics and demon power that makes up Satan's kingdom. See?

But watch here among the Bride. See? So, she is dead while she is alive. Then watch people go along (see,) dead and all the symptoms of the world begin to come out and push out in them. Amen. Then what is happening? You know that they have become vessels of dishonor. Amen. See, channels of the devil. Oh, those demon powers are loosed, but they are harmless if they don't have a channel to operate through. But since they were loosed and they were loosed for a purpose then they have to get channels.

Then God in His great economy, in His sovereignty, all belongs to Him. He is God of the living and of the dead. That shows God's ownership. Not relationship, ownership. God owns everybody. Amen. The devil belongs to God too. That is God's devil so when God says, "Satan, your time is up. I am going to burn you with fire now," nobody can get vex. Hallelujah! He served God's purpose. God owns everything!

Don't let some little, denominational thing in your mind let you know the devil is some big, powerful thing out there. No, sir! Where did he come from? Where did he come from? Amen. He's only here for God's purpose; only to show God's glory and power. Because how could God be a Saviour if there wasn't a man lost? How could God be a Healer if there wasn't a sick man? Amen! How could God be a Provider if somebody wasn't in need? Hallelujah. See? That is why God made the woman to fall. Amen. That is why the woman was not—I'm saying it for the strangers here. See, a lot of them are still staring, you see!

Now you see back there in the Bible, a lot of these people they fail to realize that the woman was not made in the original creation. That is why today the whole

world is corrupted by a woman. You watch all those women naked in the streets today, the Bible says they are the gates of hell! See. You watch and see. See in this Day what is going to happen. It's all heaping up. And God didn't make her in the beginning in the original creation; she was made after. God put Adam to sleep and took a part of him out.

The animals were already created and Adam was already created and Adam was walking about the Garden having dominion over all the animals. And God said he was kind of lonely because when the evening sun was setting in the evening time, Adam saw the male lion and the female lion lie down together; Adam saw the male ram and the female ewe lie down together. Amen. See. Adam saw the male eagle and the female eagle, they went up in their nest together. Amen. And here Adam himself, eagle, lamb, and lion, brother, he wanted companionship. Amen. See?

But Adam's bride was in him unexpressed. Eve was in Adam unexpressed so God put Adam to sleep to take a bride out. And if anybody has any spiritual insight, they will see right away the Bride of Christ could never come... God didn't take some other material to make Eve. He took part of Adam to make Eve. He took part of the bridegroom to make the bride! And the Bride has to be part of the Word because Christ is the Word. God can't take a denomination to make the Bride. No, sir! He has to take part of the Word to make the Bride, because Eve was bone of Adam's bone and flesh of Adam's flesh. Amen. Christ's Bride would be faith of His faith, virtue of His virtue, Life of His Life, works of His works, Spirit of His Spirit – all that He is! Amen.

And when God made Eve... Watch! He made the male more beautiful in all the creations: the male horse more beautiful than the female; male lion more beautiful than the female; male peacock more beautiful than the female. Watch and see in nature the male is more beautiful. But when it comes to a man and

woman He made the woman more beautiful. And the female dog can't commit adultery and the female lioness can't commit adultery. They have a season to mate. The male and the female only get together to produce young ones. But with a woman, it's not so. It's whenever she feels like. Amen. She has no season. Amen.

Why did God do that? Because she could either be a virtuous woman or she could be a prostitute. Is that correct? That is why the Bible says Adam did not sin, but Eve being in the transgression was deceived. You can't deceive the original creation of God! Eve was a byproduct and that is why she could be deceived. That is why the Church today has failed. It took the Male to redeem them. When God was going to redeem the fallen creation, it was not a woman He sent. He sent a Man – Christ. The Man came (amen,) and died! It was always a male lamb. See? The woman is the Church in the Bible. See, the Church is a woman and the Church is what failed. But the Word, Christ, the Male, our Headship is what is going to save us. Amen.

So rejection of the Word, (rejection of the Word,) is rejection of Christ making way for devils to incarnate in the people. And when that comes in and you see all those demon powers begin to show their colors in the people, you see the deformity. Oh, it doesn't look like deformity. No, sir! It looks polished. It looks like the elite of the world. But if you compare it with God's Word, it's deformity. Amen. See.

But when you look and you see those things, then you know what God is doing, because hell is here. And if hell is here—because all these people are demon possessed. Satan has invaded them and taken them over. Amen. All those fowls of the air began to eat their soul, feed upon their soul. In Armageddon they will feed upon their flesh but it is feeding upon their soul right now. Churches, fallen angels get into it after the Messenger left. Spiritual death took it over. It goes into

worldliness. It holds the ignorant in foodless pastures. Learning replaced revelation. Reasoning replaced faith and program replaced spontaneous praise in the Holy Ghost. See? A lukewarm bunch of people who is just formal and powerless. The only weapon they have is argument. Amen.

What is that? It's a picture of death! And a corpse no matter how beautiful and decked and bejeweled it is, it's still a corpse! They could build a taller steeple, could get a new set of plush pews, get great pipe organs, it's still dead because the Spirit of the Living God has already left. See? Dead! Dead Methodist, dead Baptist, dead Catholic, dead Pentecostal, dead Jehovah Witness, dead Seventh Day Adventist. Dead; creed and form and tradition. See.

But where is the Quickening Power? Amen. Looking to find the predestinated, God's seeds who had representation, who are to manifest God's promise for this Age, who are to stand and bring judgment upon those people, children of darkness. But where are the children of Light?

Oh, we talk about the children of darkness very long tonight. Where are the children of Light, those who are going and raise up (see,) with His Own Life in them? In Him was Life and His Life was the Light of men. And He said, "You are the Light of the world." So for you to be the Light of the world you have to have His Life in you. Amen. Then God is identified by His Own characteristics. That is how you identify God's life. He is the same yesterday, and today and forever – Hebrews 13:8. Is that correct?

Then what He was yesterday in His Bride, He will be the same today in His Bride. What He was in the Wheat Age, He will be back here in the Wheat Age. What He was in Alpha, He'll be back here in Omega. The kind of Christians He made there in the Book of Acts is the same kind of Christians He will make in the continuation of the Book of Acts! God never promised

a denomination. He didn't plan to build one. God doesn't have any. "Upon this Rock I will build *My Church* and the gates of hell will not prevail against it." How will you know it? The gates of hell cannot prevail against it. Because why? They are built upon the Rock of the revelation of who He is, that they are part of Him; the Word in their Age being revealed unto them; His life in them (see?) and He being identified that He is in them. See? Showing His people, not just going along with the crowd. No, sir! See?

And here in the Coming of the Lord at the end of the Bible, at the end of the New Testament, there was a people to come forth. Amen. God bringing forth a crop in the last days, a people just like in the beginning who were justified, sanctified, and filled with the Holy Ghost; the same kind. He is bringing them the same way too. Amen. He is bringing them the very same way. He's going to justify them, He's going to sanctify them; He's going to fill them with the Holy Ghost.

Now watch something. When God comes in the Evening Time, identifies His Presence among the people, shows forth Himself in the Scriptures, shows He is the same God, He is the very same Son of Man being revealed, same ministry, same first pull, same second pull, same Third Pull, same healing, same Message being preached, same coming down to the judgment, same destruction comes upon the church world that rejects the Message. See? The same church that followed the Son of Man is to follow in the last days. The same Book of Acts they wrote, this one will write also. Why? It's just history repeating itself. It's just God the second time around, (that's all it is,) being identified in the Scriptures. You see? God coming and showing Himself alive among His people.

And here God is placing His elected Seed on the earth, laying them out there, Seeds in this Day who are going to come up and identify themselves that they are the Word. Just like Moses (amen,) Moses was born for

a purpose. Amen. It was spoken of by a prophet, Abraham, telling his sons and them, "God will bring you out with a mighty hand in the last days in the fourth generation." Moses being born in the season according to a promise (amen,) by inspiration when his father and his mother were moved to pray and the child was born and they could recognize it was an answer to prayer. Amen.

Then the boy was growing up and recognizing he had a call of God. Then the boy was coming to meet the Pillar of Fire and God was speaking to him and confirming his strange life, showing him he was right there spoken of to be born at that time, amen; revealing he was going to be born for a purpose. Oh, the boy had known it before. He was being taught it by his mother; taught it by his father. But what? It was only producing an intellectual understanding of it. He went forth with human ability (amen,) and ended up being a flop. He had to run for his life.

Oh, like many of us. We are coming along with a great intellectual understanding of the Message, but it never produced the purpose God raised it up for. It produced all kinds of dead Egyptians, produced all kinds of blunders; produced all kinds of things falling apart until we learn that, that is not the way God is going to do it. It's not our ability He's going to use. He's going to get a surrendered life! He's going to get people who are willing to surrender. Amen.

Oh, you're going to try this and try that. You're going to pray and feel you're so full of power and it's going to do something. It isn't going to work. You're going to think with all your zeal you'll burn up the country. It isn't going to work either. Amen. You're going to think you're going to try to influence everybody that you have the right thing. It still isn't going to work. But when God gets you beaten down, emptied out, weak on the backside of the desert, watch God Himself come down in sovereign grace. Watch God Himself come down and

begin to call you, (amen,) begin to do something for you that you did not even ask for, amen; you did not know anything about. Amen. God remembered His Own promise!

“I tell you, God has remembered His promise,” (amen,) that Prophet said by inspiration way back there and spoke those things. Amen. Like he, himself said, when he was under healing, he said, “You know under all those years of healing I was looking because that Voice spoke on the river saying, ‘Your Message.’” He said, “I was looking for a Message. I know the healing will hit the mark. I was watching for a Message.” Amen. He said, “Then that vision came with those Angels.”

Well, all these years we have been trying to set the Church in order, trying to come up on preaching, (amen,) trying to carry on the work but we know that there was a Voice Who spoke and said, “I will ride this trail one more time.” We’ve been looking for that time. We know all those services hit the mark. We know they hit the spot. Amen. But there was to be a return of dynamic power that shall be the refilling of the Holy Ghost when He comes and identifies Himself present among the people, when He calls you, “Come up hither;” when He says, “Come up into the Cloud now. Now I could get ready to send you out.” Amen. “It would be I going in you. As the Father sent Me, so send I you.” How did He send Him? The Father Who sent Him went in Him! Amen. And as the Father sent Him so He is going to send you. How is He going to send you? “Lo, I am with you always. I will be with you and in you even unto the end of the world. I will dwell in you and walk in you, saith the Almighty.” Do you see what it is?

Oh, for that time when the revelation is bolted down in your heart! Your mind doesn’t bother with your heart anymore because what is in your heart has become Spirit and Life. When he says, “Shut your mouth,” reason has to hold its peace, imagination has to keep quiet, because it’s faith thundering out; perfect faith

thundering out of your heart. Amen. You don't wonder about your mind. "Brother, I am getting a fight in my mind. Brother, this, pray for me. Oh, brother, you know I am thinking all these thoughts. Oh, brother, this; I can't help myself." Amen.

Shake yourself! Amen. You are always going to have the mind battles. Make sure you have something down on the inside – the Wheel in the middle of the Wheel inside of there. Amen. Make sure on the inside of the inside, (amen,) brother, is being quickened and something is inside of there. Amen. See, a revelation, a Rock, a White Rock, planted, cemented down inside your soul, amen; I shall not be moved. See. He sets you upon a rock. That Rock is inside of you. "I will write My laws in their hearts and minds."

Notice that in Jeremiah, way back in the Old Testament, Jeremiah 31:33, Ezekiel 11, God was speaking there in the Old Testament telling them about the time that was going to come. They had the Word written in stone behind badger's skins; had it laying there and the Glory of God would hang behind that. And by faith they had to believe God was behind there. Oh by faith, by revelation, otherwise they couldn't walk away justified. They were going to walk away condemned; lived that whole year with their head down; lived that whole year defeated; lived a whole year unstable. Amen.

But for them to walk away and say, "Praise God," the shout would go up. Why? Jehovah had forgiven them. They heard the bells of the priest ringing "Holy, holy." They know he did not drop down dead inside of there. They see him coming back out. Amen. The blood had been sprinkled. Amen. The priest told them, "God has forgiven you. God accepted your sacrifice." Oh, they go away home happy. But if they did not have that revelation that God was behind that badger's skin, they would have been in a lot of trouble. Amen.

And that is where we have got to come. We have got

to know God is veiled in His Bride. Amen. The Spirit and the Bride are saying, "Come," the final Voice to the final Age. It's God in His Bride.

Now watch Moses before his exodus now quickly as we strike the message here. Moses in the first exodus being called out by God, and taken up in the mountain. What for? It was adoption time. The time had come for Moses to be God to the people. John 10:34 and 35, John's Gospel, Jesus was telling them, "I and My Father are one." They got troubled. They began to pick up stones to stone Him.

He said, "For what are you stoning Me? I have done many good works. Which ones are you stoning Me for?"

They said, "Because You blasphemed and that Thou being a man make Yourself God."

They were watching the Word in flesh but did not know it was the Word in flesh. Amen. The veil was upon them. And while here was the Word being in flesh walking there among them, but they were seeing Him eating and drinking and travelling like everybody else so that was stumbling them. They were still in the humanistic realm. The Father wasn't dealing with them. The Father was dealing with Peter. You see? Revelation did not strike their heart; didn't take them up into the realm of revelation.

There are three realms: the humanistic realm, the realm of revelation and the realm of visions. If you are in the humanistic realm here then, "Thou art Jeremiah. Thou art John the Baptist. Thou art Moses. Thou art one of the prophets." That's no good. Amen. That's no good. But if you are in the realm of revelation, then you could say, "Thou art the Christ." Amen. The revelation is just as good as the vision because the vision must be according to the Word. God did not promise the vision to Eve, He promised the Word. And as long as the vision is contrary to the Word, then the vision has to be put aside too. See?

So watch something. So here Moses, the time had

come God was going to take him up and really make him God to the people just like God is going to do with this Bride in the last days. Amen. The promise in the last days is that God Himself will be on the earth in His Own Bride, because Eve was the feminish part of Adam being revealed in another body, showing what the Bride of Christ would be. It will be Christ in another body, in His mystical body being revealed.

What is Eve? Eve is the mystery of the feminish spirit that was unexpressed in the corporal body being revealed in another body. Because Eve couldn't be revealed in Adam. Eve had to be taken out and put in another body to be revealed, showing the Bride of Christ had to be taken out of Christ and put in another body, in me and you, in order to be revealed; in order to be expressed. And when Jesus came He had to take the Scriptures and identify Himself in the Scriptures to prove that that Life was the Life of that Word that spoke of the Messiah coming.

You see the Word already spoke of the Bride coming and the Word already specified what the Bride will be, how She will act, what She will do, what She will be identified by when She comes. So we just can't 'ups' [suddenly -Ed.] and make a claim on the Bride. We have to come and take the Scripture that speaks of the Bride and prove we are the matching piece. See, Moses had to do what the Scriptures say Moses was going to do to prove he was the mighty hand, to prove he was the deliverer, to prove he was the one that God sent. So watch.

So the time came he was going to be made God to the people now – God in Moses, because Christ in every Age was unfolding Himself. It was Christ in Adam. It was Christ in Joseph. It was Christ in Abraham. All of them were revealing Christ (see?) in part, in part, in part, until all is gathered up in Jesus, because He took the Law and the Psalms and the prophets and all things concerning Himself. He said a Greater than Solomon is

here. A Greater than Jonah is here. Amen. Why? He was Greater. They were only a shadow of Him. He was the Reality of the shadow. He was the Real Son of David. Amen.

He said, "As Jonah was in the belly of the whale so the Son of Man will be in the earth." He will come back out. Amen. As Joseph was sold for almost thirty pieces of silver; as he was placed in the prison and all these things; one died and one was lost – the butler and the baker, so the thieves on the Cross, (amen,) one died and one was lost. He was ascended unto the right hand of God and all these things. See. It was all in type there.

So here when Jesus came He was the Full Word. Amen. So all of them were revealing Christ in part. Moses was Christ in part. So here Moses was revealing part of the mystery. See? And God told Moses to come up now in the mountain now, Moses. Something is going to happen now. We have reached the junction where something is going to happen. Amen. It was no longer all the time Moses following the Pillar of Fire; Pillar of Fire led him through the Red Sea, justified him; Pillar of Fire brought him and sanctified him through the wilderness, and all these things. Now here the Pillar of Fire, he's going to go into the Pillar of Fire now. Amen. Now the Pillar of Fire was going to be veiled in flesh to talk to the people. Amen.

So he said now in type Moses was coming from the Presence of God. Now watch, all of this was on the mountain top now. Moses was taken on the mountain top and then he was changed. When he came back out, the people saw he was changed. Jesus in St. Matthew 17, in Mark 9 also, Luke 9 also, he was taken up on the mountain top, Mount Transfiguration and Matthew, Peter, James and John they saw Him. He was changed. He was transfigured. The Greek word there is *metamorphosis*. He went through a change. It's the same word in 2nd Corinthians 3:18. You are changed into another image.

And they saw Jesus went through something. His raiment became white. His countenance began to shine, amen, and then a great Cloud came on the mountain just like with Moses. And the Bible said they were all taken up in the Cloud in the Book of Mark somewhere there. Mark recorded it. He said they were all taken up in the Cloud inside of there and then the Voice spoke and said, "This is My beloved Son. Hear ye Him." [Mark 9:7 -Ed.] My! See.

God bringing a Son to a place where He could say this is His Son. God in two feet; God walking again on the earth. See, that is what God's sons are like. See, God's son is not just somebody that walks up and says, "Oh, I love Jesus" and "Thank You, Jesus." No! As many of them that received Him, gave He power to become the sons of God. Beloved, what manner of children we ought to be for now we are the sons of God. And we know when He appears we shall be like Him. Amen. See?

And here Moses now, Paul reading there, is teaching there to that early church trying to tell them, "Look the other Moses came; the Greater than Moses came. The Greater than Moses called you out. The Greater than Moses was revealing the Glory of God and we, that veil was taken off of us. When we come to Christ, that veil is taken off and then we understood what Moses was pointing to; then we understand the greater covenant.

Moses brought a substitute covenant. He brought His Word written in stones, but when Christ came His Own was to be written in your hearts. Moses put his stone behind badger's skins, but when Christ came that Word was going to go behind human skins. He will write His laws in your hearts and minds - Hebrews 10 and Hebrews 8 also. I will remember your sins and iniquity no more. I will be your God and you shall be My children. You will be written epistles read of all men.

The epistles could be written here in Revelation 10:8-11 and you will be the manifested epistle. You will be

the written epistle of Revelation 10:8-11 made manifest on the outside of the Bible. Amen. That Word written there will be transferred by the Spirit as a revelation and written in your heart, the fleshly table of your heart. Even though they tear up this Bible to say that that Word won't come to pass, you will be the walking, living manifestation; you will be the interpretation of that Word on the outside of the Bible. You will bear record that God is not guilty of a breach of promise, that God cannot lie; that God has kept His Word. You will be a witness with a testimony that God, the great Witness Himself, the Holy Spirit in you giving out the testimony of Jesus for the Age you are living in. That is what he is talking about – the written epistle.

Oh, many a man struggled over Malachi 4. This one says it's passed, this one says it's John; this one says it's a group of people. Amen. But when that epistle was written by the Spirit in a fleshly table of a man's heart, he walked out with the Bible (amen,) and all that confusion came to naught. Here was the living manifestation of the Scripture on the outside of the Bible showing forth the characteristics, God vindicated by Fire, to show it was the Word of God being made manifest. God brings it to pass.

And Paul tells them, he says, look that glory is going to pass away. All Israel used to gather around that tabernacle because that tabernacle had three courts: the outer court, the holy place and the most holy place. And all Israel would gather on the East, the West, the North and the South. And behind the badger's skin they know, "Oh my! We are not seeing it with the eye. It is veiled to us. But we believe it by faith because the Word of God, He is behind that veil there." Amen! And those Israelites come in there with faith. They did not gather around there staring and gazing. They say, "Our God is veiled behind that skin."

Somebody might have gotten a fight and said, "Reuben, do you think that God is behind that badger's

skin? It's only badger would be behind badger's skin, boy."

I could hear Dan, the eagle say, "Shut your mouth." Amen. He said, "God is behind there, (amen,) the Pillar of Fire." He said, "I believe it. That settles it for me." Amen. "Watch and see." He said, "There is no condemnation in my heart. I am receiving it. Something is happening. I am being delivered." Amen. My guilt is leaving me." Amen. "I am going through an experience. I know it is God behind there."

By faith Israel, not the Egyptians, not the Chaldeans, not the Romans, not the Medes and the Persians. They never used to gather around that tabernacle. The children of Israel used to gather around that tabernacle. Amen. And they, as ridiculous as it might seem to the more philosophical and educated heathen nations, they know their God was behind that badger's skin.

You get trouble when somebody tells you, "You all believe that God is in those people there?"

"Yes, we believe it with all our hearts."

"I find that is rather ridiculous." Amen. "You mean, how could we be in a modern Age, civilized people like us in this great Age of advancement and this great Age of learning, how could you believe that God—do you mean God Who created the heavens and the earth is in those people?"

"I believe it anyhow. Yes, sir."

"Why do you believe?"

"Because God promised it will be so. We are at the stage of the journey where it is going to happen now. And the Quickening Power is here, (amen,) brother, quickening minds to realize it, that they are not coming to a service. They are not coming in Barataria. We are in heavenly places in Christ Jesus. We are under Quickening Power. We are caught up in the Spirit of revelation. John is in the Spirit on the Lord's Day! Amen. We're caught up into a place where the Holy Spirit, brother, has already taken us out of the carnal

mind. That is enmity with God. We are into a spiritual mind (amen,) where the Mind of Christ is showing us it's God in His people."

Amen. See. And Paul is telling them, he said, "Look that would be done away." He told those Jews he said, "Come from that tabernacle. Look the Lord pitched a Greater Tabernacle that man did not pitch. Amen. Look this is the One that was up in Heaven. Moses only saw the symbol." Do you get it? Moses only saw in Heaven in symbol. He represented it on earth in a type, a shadow of the good things to come: a better covenant with better promises, a better mercy seat, better Blood, better Sacrifice, better offerings. Amen. Hallelujah! Glory to God in the highest. Amen! See.

It was right there and they lived in that time and they did such great things. Moses under the blood of bulls and goats would have visions. Hallelujah. Brother, he created flies. He opened the Red Sea and we say, "Oh my, Moses was a great man. Lord, I wish You could have made me great like Moses." Let me tell you, He that is least in the kingdom is greater than Moses. Hallelujah! You are in a greater covenant. Amen. The Blood of Jesus...

Let me tell you, Moses' sins were only covered. Moses killed an Egyptian and God just covered the sin. The Prophet said, "You see, the blood of bulls and goats could only cover sin. It couldn't remit it, amen; had to wait until that Perfect Sacrifice came, the Lamb with seven horns and seven eyes." Hallelujah! And the Spirit of Elijah was going to introduce the Lamb with seven horns and seven eyes. He was going to reveal that mystery (amen,) to the people and show them the Real Lamb.

And in that Lamb there was a Name, a Name that was going to bring redemption. Hallelujah! A Name that held the mystery of redemption. And he was going to give them part of that Name, write it in their hearts, in their minds! Hallelujah. They were going to stand there

and speak in the revelation of that Name. Hallelujah! They are not speaking like they are outside of that Name. They are speaking that Name because that Name is in them. Hallelujah! The Name is in them and they are in the Name! Hallelujah. They have the Life behind the Name to show this is no bogus hollering. They are presenting their Token with their prayer. Amen.

And that is so hard for people to believe. Oh, they could believe the devil's part, but the God part, may we take it in tonight. Amen. People are deformed, but there are people transformed also, amen; being taken up into that mystery. Amen. See. That Cloud on the mountain, what was that Cloud on the mountain? See, a Cloud came on the mountain. The Lord descended in the Cloud. I wonder if it's the same Cloud that came down on this mountain. I believe it's the same Cloud. Amen. Hallelujah. The Lord descended on the mountain again. Hallelujah.

And here it is, he said, "Those Seven Angels took me up into that pyramid of themselves; took me up into that great mysterious circle of a Cloud and light." Amen. "The mystery is only known to those Angels." [The Seventh Seal, 1963-0324e, para. 578-1 {405} -Ed.] Amen. And then he came back East. Hallelujah. Came back deity. Deity speaking! The Word on the lips of a spirit-filled man came back there as God to the people. He had the Word in Him to be given out now, (amen,) to call the people out to get them ready for the promise.

And it was not any law he was bringing out, no little word of condemnation and when he goes it was going to pass away. It's a Word that is going to bring us back to Eden; bringing us back to the full Stature of a Perfect Man. It is going to bring us back to full dominion on the earth. That is the Word he was bringing, because that mystery, that Cloud that light never shone upon, that great Capstone, that Cloud was a Headstone, It was a Pillar of Fire, It was a Cloud, It became a Dove

afterwards, It was a Rainbow; It was the Word – all Seven Mysteries of God, (amen,) being taken up into It.

Here it is, He was going to come back out now and unveil God to the people. Why could He do it? Because God was veiled. Amen. God was in Him. The Father was in Him. Elohim came walking. Amen. See. “This is My beloved Son (hear ye Him,) in Whom I am well pleased. He is the Written Epistle. Forget your interpretation. Watch Him. You’ll see the living, moving manifested Word. You’ll see the Word in motion.” Amen. You don’t have to try and figure it out. You don’t have to try to scratch your head and bite your fingernails. Watch the Word walking going, (hallelujah!) the living, manifested Word. Amen. Why? Because that soul in Him, this is only a written record of the soul inside of Him.

Can’t you realize Revelation 10:8-11 is only a written record of the soul in people? The names of the Bride are written in the Book. This is the Book of Life. It’s not another book. It’s the same Book. That is why Moses could have found himself in the Bible. John could have come and read himself out of the Bible. Jesus took the Scripture and identified Himself in the Bible. They tried to tell Jesus He was a man from Nazareth. He opened the Scripture and said, “This day is this Scripture fulfilled.” They tried to tell John, “Who art thou? Art thou so and so?” He did not say, “I am Zacharias’ son.” He said, “I am the voice of one crying in the wilderness.” Oh, praise God! Think about it.

Then where are we standing? Are we some Methodist or Baptist or Pentecostal? We are the Word of God manifested for this Hour standing up on the outside of the Bible. Amen. Your soul inside of you is that very Word you are reading about! Some people are reading, and they are reading, reading and they say, “Oh God, reveal that to me, Lord. Reveal that to me. I can’t catch that Scripture. I can’t understand the Scripture, Lord. It doesn’t make sense. Lord, where does that fit in?”

It's inside of you. Amen. Just set still, stay in His Presence; it will come. The interpretation that you are looking for, it is going to come out of you. See?

Moses went up in the mountain. We're closing. He came back out veiled with the Glory of God. Jesus went up in the mountain and came back out veiled with the Glory of God. In the third exodus here is the Prophet. In this Age he goes up into the mountain. Listen to it. *Standing In The Gap* [1963-0623m, para. 93-97 -Ed.] page 23. He was telling it here on *Standing In The Gap*, because *Standing In The Gap* is how he was like Moses – how he tried to run away like Moses, amen; how he was called to be a Prophet in this Age like Moses; how he had to stand between the living and the dead like Moses.

So he said: *One night...*

He was talking about a brother's dream.

One night the Lord woke him up, one morning. We was setting, he and I, look like in Jerusalem at the Lord's Communion Table, and I was talking. He couldn't understand it. And Brother Roy, setting present, looking at me right now, and he saw it. And he called me up in--out in Arizona... Or sent me a letter and I called him back.

See, he had gone to Arizona, January 1963 to meet the Angels. December 1962, December the 30th, he had preached *Sirs, Is This The Time*: "Could it be my brethren? Seriously think." He had communion. The next night, *The Contest*: "Oh God, open to us the Rock beneath the rock that we might see Jesus and His program." [1962-1231, para. 39 -Ed.] Then he went in his station wagon and he drove out in the West going to Arizona, forty miles East Flagstaff where he saw the cactus in the visions and all these things, knowing it's there the Angels were going to come out in the desert like how It met Moses in the desert; how It met Paul in the desert. Amen. See.

And then he says that while he was out there this brother had this dream, and the brother called him up.

He was out there waiting on the Angels and the brother called him up. And before the Angels came he went up in the mountain to get the King's Sword and the Voice said, "You have the King's Sword now," about nine days before the Angels came. Amen. Then the Angels came afterwards and took him up into that Cloud. He was on the mountain top and then later on, years after he preached *What Is The Attraction On The Mountain* top [1965-0725e -Ed.], Sunset Mountain. Right on Sunset Peak he was and the Cloud came on Sunset Peak in the evening time where the Evening Light was going to come forth veiled in flesh – the Word to be manifest, the same Son of Man to be revealed. Amen.

And the brother had this dream so he called him up and he said: *...I saw that big Pillar of Light come in and get you and take you away from the Lord's table, and you went westward.* [He was out in the West.] *'Cause he was setting on the east side watching me go west, and this Light come in and take me out.*

Said it was one morning like it was a vision. Got up in the bed about three or four o'clock in the morning, something like that, and saw this happen. And said he screamed, look like for days, "Brother Bill, come back." And [Brother] Roy and I have been real brothers. We live together, and hunt together, and we're just brothers. ...he screamed for me till he was hoarse in his throat, "Come back. Bring him back. Bring him back." Crying. [See?] Here come that Pillar of Fire coming back, or a Cloud come back, and He set me at the head of the table, and I'd been changed. It was a mystery ...

The Cloud came and took him away, then brought him back. He was changed.

It was a mystery to Brother Roy, me being changed to look different.

That was just before I come back for the Seven Seals. When I come back for the Seven Seals... One morning he got ahold of Billy, and he wanted to talk to me.

Now he came back for the Seven Seals now. This is

March now. He was under prayer because the Seals began to open on March the 18th. He preached on March the 17th, *God Hiding Himself In Simplicity* [1963-0317m -Ed.] and *The Breach*. [1963-0317e -Ed.] So here he is praying now waiting for the Seals the second time now.

When I come back for the Seven Seals... One morning he got ahold of Billy, and he wanted to talk to me. And I was busy, under prayer for the Seven Seals, and then he told me... It happened again and [it] repeated again.

Now we know out in the West he had been up in the mountain. He went up in the Cloud. The brother did not know he was way back in the East, thousands of miles in Jeffersonville. That was going on in Tucson. Amen. When he came back, he had the dream repeated a second time.

And he said: *...he saw this big Light, or a Cloud upon a mountain. He asked me not long ago, "Was there something about a cloud being on a mountain?" And I said... "In the Bible."*

He said, "I said, 'In the Bible.'"

And I said, "Yes, when Peter, James, and John was took up, and the cloud overshadowed the Lord Jesus. ...and God spoke, said, "This is My beloved Son." I preached on that here, not long ago, a little message, the tape brethren might understand, "Hear Ye Him." I suppose, maybe you have it on tape. I'm sure.

And he said that he went up the mountain. And when he did, I was standing there. And a Voice came from the Cloud (Wasn't it, Brother Roy?) and said something on this order: "This is My servant.

Now hear what the Voice is saying out of the Cloud on the mountain.

...I've called him to be a prophet to the age, to lead the people just as Moses did. And he's been given the authority. He can speak into existence." Something like that like Moses did, like speaking in the flies. [And he said:] And we know about the squirrels and so forth, and

things that's already took place. Little Hattie Wright back there, I suppose [you all] know what taken place at her house. And He told him that I had done what Moses had done.

Okay. Here now in 1965 two years after, the 15th of August, *And Knoweth It Not*, he is telling about the three dreams of "I'll ride this trail one more time." [1965-0815, para. 36 -Ed.] And he says now, page 36:

About that time Roy Roberson come... [the same Brother who had that dream some years ago, three years ago. He came] in, [and] said, "Brother Branham, you remember back there before you left the church the first time? ...I seen you setting like, in Palestine. We was all the board and everything, and setting like the Lord's supper table, and then you talked, and ... you wasn't sure what you were talking about." Said, "A white cloud come down and got you, packed you away."

How many remembers ... the dream of Brother Roy?

Now here he is referring back to what I just read. One was in 1965 and one was in 1963. He is referring back.

And [he] said, "The white cloud packed you away." And said, "Then you [were] gone, and I walked through the streets screaming and crying." When I came out here and that little old arm crippled up like...?... He dropped the rake and started crying when he seen me come up out there. I hadn't seen him, so he was telling me the dream. ... And he was raking... and said, "And you went away, so I walked the streets everywhere trying to find you; I couldn't find you nowhere. I was screaming, 'Oh, Brother Branham, don't leave.'" Said, "A white cloud come in and got you and packed you away from us towards the west."

He said: *That was before the pyramid or anything.*

That was the pyramid of those Seven Angels. See, that was before the pyramid or anything, because he had the dream. He [Bro. Roy] had the dream when he [Bro. Branham] was out in the West before the Angels came. He was trying to ring him up.

He said, "It packed you towards the west. And I cried and walked the streets, and after while I went and set at the table. I happened to look up there at the head of the table." Said, "I could just see that much of you was snow white."

You see, he was changed.

... "You were standing there and said you spoke with authority. There wasn't no guessing to it." Said, "Every man understood exactly what you ... [said]."

He said: *Oh, my brother, sister; now, everyone of you conscious I know what that means. ...Just watch. Stay close to Christ. Let me warn you now, as a minister of the Gospel... Don't take any foolishness. Don't imagine anything. Stay right there until this inside of the inside is anchored to the Word, that you're right in Christ; 'cause that's the only thing that's going to... 'Cause we're in the most deceiving age that we ever lived in. It would deceive the very elected if it was possible, because they have anointing. They can do anything like the rest of them.*

Clean your lives up; pay your debts; owe no man. Jesus said, "Now... Now, I don't mean things like your house rent and stuff. You got to do it. Get all your things off your hands. Get everything right. Make ready. Get ready. Remember in the Name of the Lord, something's fixing to happen.

He was looking for it – that ride, that last ride, that Chief Authority from the West; that ministry of the Masterpiece when those adopted sons would come forth, a Super Church, a Super Race in the last days writing another Book of Acts. He was looking for it.

Now listen to this now on *The Unveiling Of God*. Look how I am putting this now. Why was he changed? He was up on the mountain. Just like Moses, just like Jesus on the Mountain there was a Cloud on the mountain and he went in there. Now I want to just leave this thought with you. Was that just for Moses, Jesus and the Prophet, or did He put it for us too? We have to come up this mountain. Amen. And when we come

up that mountain, that very Cloud is that Person. The Lord descended in that Cloud. Every revelation Moses got and wrote all about the tabernacle, the sanctuary, everything, was what he got in the Cloud. He didn't get anything on the ground. He got it up in the Cloud. All those Seven Mysteries under those Seven Seals that were sealed up that no reformer could have preached until the denominational Ages ran out, he got that up in the Cloud. He was taken up there. See.

Notice here now. Page 21, *The Unveiling Of God*. [1964-0614m, para. 129-131 -Ed.]

... Moses coming from the Presence of God with the Word of God for that age... Now, watch, we're now ... Moses is coming from the Presence of God; he has been into the Word. [He has been into the Word.] The Word's been wrote, and he in the Presence of God with the Word, he had the Word for that age. There's a Word for each age. And Moses coming forth, his face shined so.

[Amen. Notice that.] *...his face shined so. See? The Word was in him, ready to be manifested, give out to the people.*

The true Word, God had wrote It and It was with Moses. Notice It was with Moses and was ready to be manifested. He was the Word to them; he was the living Word hid, veiled himself; Moses had to put a veil over his own face. Why? He was that Word. ... Until that Word was made known, Moses had to veil himself. ... Do you see It? Wherever the Word is, It's veiled.

Moses had the Word. Now remember, after the Word was made manifest, Moses was Moses again. See? But while that Word was in him to be give out, he was God.

And they tried to stone Jesus: "You are making Yourself God."

He said, "Why should that bother you? Doesn't the law say they who the Word of the God comes to are Gods?"

And the man said, "Mr. Branham, those people are trying to make you a God."

He said, "That isn't too far from the Scriptures, because we are in that Age! We are in that time." See?

For he wasn't Moses no more; he had the Word of the Lord for that age. Nothing could touch him till that was over, [he] had that Word with him. So therefore, when he come, the people turned their heads; they couldn't understand. He'd been changed; he was a different fellow. He come with that Word. And he put a veil, the Bible said, over his face, for he had the Word.

Now here when he was there on the mountain he was changed too. Okay. Now watch now. I want to bring it to the believer now. You would be changed also. Do you mean to say this ministry we come preaching in the church and we are coming along and we are doing the little work of the Lord and you know and trying to preach the Gospel, and keeping the Message straight and run along and all the little religious part that we could have done, and just give out the books and the tapes and have the services and run this and run that, and faithfully coming along and God is trying us, and one day we reach a place and we'll be changed? The glory I am talking about, the revelation on the inside, the life on the inside. The flesh will change with the Last Trump, but that inside will change and when that changes, God's way of dealing with the people will change too. It will come to the very place until God will judge this generation. Listen. Listen to it. Listen to it.

[Bro. Vin reads from *The Mighty God Unveiled Before Us* - 1964-0629, para. 17-20 -Ed.]

... Moses with the natural law (as Paul in II Corinthians here...

Just keep quiet for the next two minutes. We are closing. Last two minutes. We are closing with this.

... had to veil his face with the natural, how much more will the spiritual be glorious and veiled to the unbeliever before it's made manifest to them.

Oh, we are looking for manifestation. There will be no manifestation. It's to the Bride. Wait until those

Seven Thunders utter its voice to the little group. It will create a billion ton of flies, shut the heavens. It will start the Rapturing faith to the going away. It will be used. But before it is to be manifested it must be veiled. When it is veiled now, then it is ready to be manifested. The Word can't speak unless it becomes in the image and the image can't speak unless it is smitten. And it had to come in the image all these years.

How much more would they call... Moses was an oddball. How much more will they call you, who's broke through the veil, has went into the Pillar of Fire, and's come out with the blessings? And now you are veiled.

Not him! How much more will they call you, *you* who have broken through the veil? When those Seven Mysteries, those Seven Thunders begin to utter its voices to the little group, those Seven Thunders reveal how God is veiled in flesh. Those Seven Vials reveal how Satan is incarnated in flesh; how hell is here and God is here; Satan is here veiled and God is here veiled; souls in prison now and souls in Heaven now. See.

And when those Seven Mysteries are being revealed to you, a revelation comes into you. You know He that is inside of you. You know it's the Person in you. Amen. See? Because God calls the Bride up also into the Cloud. And what was the great Secret in the back-part of God's Mind is now being put in the heart of the Bride. Where? While She is in that Cloud it's being put in Her. Where was the Word being put in Moses? Whilst he was up there. What brought that threefold Secret in the back-part of God's Mind? It's those Seven Angels brought it. No light ever shone upon it. And we are being taken up into that mystery. Oh, it was being revealed in part, in part coming along down through the Ages, but then those Full Mysteries are in you now. You become that Word. The Person of Christ is in you now. You who broke through that veil have gone into the Pillar of Fire. What is the Pillar of Fire? The Word.

I know in many minds, well if you don't have the Holy

Spirit that is, you will be looking for a ball of fire to step in. But he said, "Don't you know all the glory that is in God is in His Word?" Don't you know when that Word is revealed to you, God is unveiled to you? Because if that Word is not revealed to you, you are going to be a heathen. You will worship some tradition. You will be holding to some past Age and you wouldn't be able to identify the present tense Word. Because what makes you identify the present tense Word is the revelation of that Word being revealed to you. You broke through that veil where the glories never fail and now you are living in the Presence of the King. Oh my! Get ready to sing it.

And now you are veiled. The people can't see it. They can't understand it.

He said, "Now you are veiled, they can't see it; they can't understand it."

If the natural be glorious, how much more will the supernatural. If the natural, which had an end to it, was to be glorious, how much more this which has no end to it will be glorious.

But still it's veiled. It's veiled not to the believer, but to the unbeliever; he cannot see it. God always veils Himself from the unbeliever. Traditions hide it. Like they did then, they do it today. That was a spiritual veil that we have now, where the natural veil was there. Vindicated by the prophet with the written Word, a prophet, one who comes with the written Word to make It plain: they knowed the Word was there, but they didn't know what It meant; and Moses made It plain.

See, the Prophet made these promises plain to us. They say it was past, but he made it plain.

... And before It was made plain, It was veiled. And so is It today, veiled to the people until It's revealed and made plain to the people ... the mighty God, veiled in human flesh...

It is veiled until it is unveiled and made plain to you. When you had reason to see what those Seven

Thunders uttered, He was going to make it plain – when you had reason to see it. And when He made it plain to you, it will unveil it is God inside of you. It's God in the pulpit. It's God in the pew. It's God by the door. It is God. Let us see God. Where, in His Word? We've seen Him in His Word for the past nine years. Let us see God in His people now.

... What does that speak to us...

Notice. Moses had to enter [into] this Pillar of Fire alone; no one could go with him. ... What does that speak to us? That you don't come into this by joining a Pentecostal group. See? He never revealed It to a group; He revealed It to an individual. And that's the way it is today.

I can't carry you in there. You can't carry me in there. I know when God calls me I am going and come back out with the Glory. You say, "From where did he learn those things? He didn't go to any Bible school. See? Where did he get those things from?" God. That same God on that mountain! Not to be sacrilegious, but that God, who descended in the Cloud in Exodus that we read about, that is the God that is here tonight in the Third Exodus. Amen. Notice.

Moses veiled, he was the living Word to the people. And today, the people that are veiled are the same thing; they are written epistles, read of all men, not a new epistle, but the epistle that's been written made manifested.

Do you mean somebody will come with a testimony; somebody will have a revelation of that Word being interpreted? To some people in the Message that would not just be a thought, that would be their life? To some people in the Message that wouldn't just be a Scripture there after the Prophet they are wondering about, they will step in that Word and show from Genesis to Revelation what that Word is; how it is in every shadow and parable of the Bride all down through the Bible that is standing right there, is gathered up there? To some

people it would be that?

To some people it is like, "Well I leave those deep things alone. I'll stay with the simple Message." To some people it is like that. To some people it is like, "Well, that isn't for us, that is for the Jews." To some people, "Well that sounds good, you know, but I didn't see where the Prophet said it. To some people, they say, "Well, how you could say he has the unknown language and the New Name and all those things? Who does he feel he is?" See? But to others, they have heard from their theophany. They know they are the living manifestation of that Word. It is written specifically for them; nobody else.

... [And] when [Moses] came out with the Word, the people saw that he was changed. Something had happened to him. When he came out...

And the brother saw in the dream the Prophet was changed. And when He came out, Peter, James and John saw Jesus was changed.

When he come out with the vindicated Word [for] that hour, the commandments, he was a changed person. And so will you be when you come from behind that human veil...

You would be changed. If somebody is trying to make you a Trinidadian you will say, "No." If somebody is trying to make you just another person in the Message and you will say, "No." It's He inside of me saying that! Some might want to stone you. They might not pick up the literal stone, but they might stone you from their pulpits. They might stone you in their little cliques. They might get together and stone you for saying that. I expect to get stone, but it's still the Truth. See?

You drop from behind that human veil there ... the traditional veil, and everybody will know something happened to you.

You want to come in little pious tonight, but if you drop from behind that veil everybody will know something happened to you. You'll dress right. Your

dress will go down below those knees. You'll wipe that paint off your face. No half way, no worldly hair style; no little bobbed hair. No. No. You'll walk like a son of God, a daughter of God. Amen. People will know something happened to you. You have been changed. Why? You've been into the Pillar of Fire. You've been into the world where Transforming Power is changing you.

... you'll be in full view of the people then, that they can see that something has happened to you. The veiled Word to the unbeliever, but in full view of the believer: Jesus Christ, the same yesterday, today, and forever.

... now, it's God in men (See?), the fullness of God in the Godhead bodily in His entire Church, manifesting Himself, fulfilling His Word.

Amen? I'll stop there with that. So what it is – God in His people! Oh, we say it. We keep saying it for the past few seasons. Let us see God in His people. Let us see God in His people. But He is always veiled. You have to see Him by revelation. Amen. Let's stand to our feet. Amen. Blessed be His Name.

I want some to have faith tonight – those who had believed the true report. Amen. Does somebody know what number that song is? *"I've crossed the riven veil where the glories never fail. Now I'm living in the Presence of the King."* Number 271. Amen. Praise God. Amen. Number 271 in your *Melodies Of Praise*. Let's sing it.

That is what the song is all about – those who have entered in. This is where it comes different. To some people their Christianity is they go to church, try to be a good member and hope they go in the Rapture. To another person it's a revelation. Something happened in their life. God is bringing them to adoption. God is taking them up into His glory, putting His mystery inside of them; send them back out with the Mind of Christ. They don't speak their thoughts. They speak the Word. The Word is veiled inside of them. They are

a written epistle manifested. To God they are the interpretation.

On *Seed Of Discrepancy* [1965-0118 -Ed.] page 5 and 10 he said, "Don't you know that every born again Christian is the interpretation of the Word for their Age?" Do you see what it is? While that Word was in Moses, he was God to the people. Who was speaking? God. What is happening here? It's God. How come we know it? It had to be revealed. Flesh and blood can't reveal it. I am saying that and throwing it out, and you in your heart seeing if that Word that was behind badger's skins, it's going to come behind human skins. It was promised – a greater tabernacle today, a greater covenant today.

[Song #106 - Songs That Live -Ed.]

I've believe the true report.

I've believed the true report,

Hallelujah to the Lamb!

I have passed the outer court,

O glory be to God!

I am all on Jesus' side,

That is the Word now.

On the altar sanctified,

To the world and sin I've died,

Hallelujah to the Lamb!

Amen. Oh, sing it tonight.

Hallelujah! Hallelujah!

I have passed the riven veil,

Here the glories never fail,

Hallelujah! Hallelujah!

I am living in the Presence of the King.

As I have told it to you, the Presence of the King.

I'm a King and Priest to God,

Hallelujah to the Lamb!

By the cleansing of the Blood.

His Word!

O glory be to God!

By the Spirit's pow'r and light,

*I am living day and night,
In the holiest place so bright,
Hallelujah to the Lamb!*

*Hallelujah! Hallelujah
I have passed the riven veil,
Where the glories never fail,
Hallelujah! Hallelujah!
I am living in the Presence of the King.*

*I have passed the outer veil,
Hallelujah to the Lamb!
Which did once God's light conceal,
O glory be to God!
But the Blood has brought me in
To God's holiness so clean,
Where there's death to self and sin,
Hallelujah to the Lamb!*

Oh, everyone now.

Hallelujah! Hallelujah!

*I have passed the riven veil,
Where the glories never fail;*

*Break through that veil tonight. Enter into His
Presence. Let His Word be veiled in you.*

...Hallelujah!

I am living in the Presence of the King.

*I'm within the holiest pale, tonight
Oh, it's what we have come to now – adoption time.*

*I have passed the inner veil,
O glory be to God!*

*I am sanctified to God
By the power of the Blood,
Now the Lord is my abode
Hallelujah to the Lamb!*

*Hallelujah! Hallelujah
I have passed the riven veil*

*Where the glories never fail,
Hallelujah! Hallelujah!
I am living in the Presence of the King.*

*I'm a King and Priest to God, tonight.
Hallelujah to the Lamb!
By the cleansing of the Blood,
O glory be to God!
By the Spirit's pow'r and light,
I am living day and night,
In the holiest place so bright,
Hallelujah to the Lamb!
Oh, everyone now.
Hallelujah! Hallelujah!
I have passed the riven vail,
Where the glories never fail,
Hallelujah! Hallelujah!
I am living in the Presence of the King.*
