The background of the entire page is a spiritual illustration. It features a glowing, open book with a white dove flying above it, set against a golden, hazy landscape with mountains and a dark eagle in the foreground. The overall color palette is warm, dominated by gold, yellow, and orange tones, with a soft, ethereal glow emanating from the book and the dove.

THE BAPTISM WITH THE HOLY GHOST AND FIRE

Bro. Vin A. Dayal

Excerpt:

But the revelation laid in the natural form. So he said now, what he was bringing to us was the same plan of redemption that God redeemed the man with, He redeemed the Earth with. So the things that are not fully brought out in the redemption of man, are locked up in the redemption of the Earth, because it is the same plan because the man is part of the Earth. And when the man fell, the Earth fell! And because the man is redeemed, the Earth has to be redeemed also! And the same way the man comes through water, Blood and Fire, the Holy Spirit, the same way the Earth is going to come, because it's one purpose. The Earth was the man's inheritance. God gave that to Adam! **(Page 20)**

The Baptism With The Holy Ghost And With Fire

Thursday 16th July, 1987

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrison Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THE BAPTISM WITH THE HOLY GHOST AND WITH FIRE

The Feast After The Feast Of Tabernacles

THURSDAY 16TH JULY, 1987

BARATARIA, TRINIDAD

BRO. VIN A. DAYAL

Amen. Let's bow our heads and close our eyes as we go to prayer. We have a couple of requests: *Bro. Keith Sandy is requesting prayer for Mr. Fitzroy Grondell, who was involved in a vehicular accident resulting in him suffering a stroke.*

Also, *Bro. Keith Stephen is requesting a greater outpouring of the Holy Spirit in his life.*

I believe we all want that. That is the Message of the Hour, the baptism of the Holy Spirit. The very song we sing, *On the Wings of a Snow White Dove*, the baptism of the Holy Spirit came down in the form of a Dove and rested upon our Lord Jesus Christ. The Voice spoke from Heaven saying, "This is My beloved Son in whom I am pleased to dwell in."

If you have a special request tonight, just have faith and believe God. The Bible says, "He is a Rewarder of those who diligently seek Him." [Hebrews 11:6 -Ed.] He that cometh unto God must first believe that He is. Not He was or will be. He is – present tense. Then He is a Rewarder of those who diligently seek Him.

Heavenly Father, Lord as we sing that little song tonight, *On the Wings of a Snow White Dove*, how we feel the Presence of that Dove fluttering in amongst us tonight; Lord, that Dove that is leading these Eagles to that beautiful City. As our sister expressed in that song, "*I want to go.*" Lord, hear my voice ringing out tonight, Father, *I want to go.* This world holds nothing for us, but Lord we remember Your promise: "I go to

prepare a place for you that where I am, there ye may be also. And I will come again and receive you unto Myself.” We know that promise of Your Coming is what is being revealed now.

And Lord, here we are seeing one another in the Rapture, caught up under the mystery of this great Seventh Seal, the Holy Spirit coming down and quickening us to recognize the Message of the Hour, to recognize the Scriptures being fulfilled, to recognize, Lord, we are Divine attributes of God expressed here in flesh and we could respond to Your call. Oh God, just to know that across the bridge there is no more sorrow. Across the bridge there is no more pain. The Son will shine. We will never be unhappy again.

Father, we just pray that You would make these eternal things that You promised in Your Word so real unto us, Lord. The darkness hovers over the Earth, Lord, gross darkness upon the people, and the storms of judgment, Lord, coming across a world that has rejected the Gospel. Lord, we lift our eyes tonight and we look to that horizon. The Prophet said, Lord, to see that Light breaking between mortal and immortality, between a dying world of corruption and a bright new shining new Day, breaking forth upon us, that that Light of this glorious Gospel shining into our hearts. How we feel the surge of the Holy Spirit, Lord, coming in upon us.

We thank You, Father. We thank You for Your unfailing Words of promise. We thank You to know that heaven and Earth will pass away, but not one jot or one tittle of Your Word shall in any wise fail. And Lord to know that the very Spirit inside of us is Eternal. We have passed from death unto Life. We can never die anymore. You said, “He that believeth on Me shall never die and though he were dead yet shall he live.” Oh God, as the Holy Spirit beats in our hearts tonight, we look up and we lift up our heads and know our redemption draweth nigh. Not many days from now these vile, old,

marred bodies will be changed; faith taken up into a great Rapturing grace. This great Message is ushering us, Lord, into a Rapturing faith; faith to be changed in a moment, in a twinkle of an eye. What a promise, Lord!

We thank You for these things. Without this hope inside of us, Lord, we would just be a most wretched and miserable people, doomed for destruction, just trying to live off the beggarly elements of this world, and because of that Eternal Spirit, we can spit the world out and refuse what the devil would try to offer us. Oh dear God, that place You are taking us, that Eternal Place, Lord, is real as we are standing here tonight in this service.

Bless us tonight, Father, and let Your Word become so real. Let it become Spirit and Life; that these things Lord, You have put in my heart and You've been dealing with me by Your Holy Spirit this past week and are bringing back those things that You showed me years ago. Lord, I'm standing here needy, depending upon You that Your Spirit would put the right emphasis in the right places. And Lord, this last service before I go overseas, that You would just touch every heart and life tonight that, Lord, it would bring such a deeper sincerity in our hearts to serve You. Every breath that we take, every moment that we live, Lord, we can live it for You.

I lay my hands upon these requests. Lord, may through Your great grace and mercy, Lord, may You just send down Your blessing upon these whom these requests represent tonight, for if You don't touch them, Lord, if You don't respond, they would stay in that miserable condition, Lord, just frustrated, and You are not the author of frustration. You told us to only believe and all things are possible. Let that Dove that we sang about, the great Holy Spirit, minister unto these, Lord.

Most of all minister unto each and every one of us that is gathered here in Your Divine Presence tonight. Lord, I pray that even the strangers, the visitors that are

gathered within our gates tonight, Father, it would be a special time for them. It would be a most unusual service Lord, for them. Lord, it would make them, in their hearts, want to be a Christian. If they are not living for You, Lord, they would want to live for You at the end of this service Lord, to look away from this world and surrender their lives unto the Lord Jesus Christ.

And Lord, we who are Christians, may It give us greater faith, Lord! May It give us greater determination! Lord, may we lift our eyes, as the song says, "*As we climb to that mountain top. After all; we look over in that City.*" [Song #560 - Songs That Live -Ed.] To think, Lord, that Abraham was looking for a City Whose Maker and Builder is God way back there thousands of years ago. He didn't even know what we know, Lord, but something in his heart told him that there was a place. He even met the King of that City and received communion. Then Lord, John saw that City coming down. There was an Angel, there was one who revealed it unto him, Lord. And how we thank You for the Spirit of revelation that that was none other than Your Prophet, for that Angel said he was a Prophet, one of the fellow servants or brethren. Even when John tried to worship him, he would not accept that worship. He said, "Worship God."

And dear Lord, we are seeing these things. We have seen that Prophet spoke these things in our hearts. We hold it dear inside of us tonight. We pray that the Holy Spirit, Lord, would just enrich It Lord, liven It to make It so real to us tonight, It would cause us to live for You in a greater way tonight. Grant it, Father. We commit ourselves and this service into Your hands. We thank You in advance for all that You would do. How we pray and ask and receive all these things in Jesus' precious Name. Could we all say amen? [Congregation says, "Amen." -Ed.] Amen.

God richly bless you. We greet everyone in the precious Name of Jesus Christ tonight. We really

appreciate all of you being here. I would just like to invite your attention to the Book of 2nd Peter chapter 3 and Revelation 21. I want to speak on a little message entitled, **“THE BAPTISM WITH THE HOLY GHOST AND WITH FIRE.” “THE BAPTISM WITH THE HOLY GHOST AND WITH FIRE.”**

I believe it is somewhere in the Bible, Matthew chapter 3, I believe, John says, “There is One standing among you.” He said, “I indeed baptize you with water, but there is One mightier than I, Who baptizeth you with the Holy Ghost and Fire.” And I believe that that same One came down in Revelation 10 again, in these last days. Just as John foreran the First Coming there is one who foreran the Second Coming, who introduced that One amongst us, Who comes with the baptism with the Holy Ghost and with Fire. It’s a must in this Hour. And just to think that the promise is to they that hunger and thirst after righteousness, they shall be filled. God promised it and God is going to give it to all that believe and would receive His promise.

2nd Peter chapter 3. I am taking it in a little roundabout way. You know God has been dealing with me on a little message here the *Future Home* [1964-0802 -Ed.] and I am just kind of in that atmosphere and I just want to preach this little message tonight, to just continue in what I have been preaching. You know when something is really revealed and becomes inspired to you it is just so real. And I really appreciate the songs and the worship and the Spirit that is here. We can talk about Eternal things.

And I believe that when Bro. Branham had preached the message the *Future Home*, that was the message after he was walking off the platform and to Bro. Billy Paul he said, “Billy,” he said, “did you understand what I preached this morning?”

He said, “Yes, dad.”

He said, “Billy, did you really understand?”

And he said the way the Prophet looked at him, he said, "No, dad."

He said, "Not even five people understood what I preached this morning."

And you know, Bro. Branham said it was such a great inspiration to his heart, that I can see it and just believing that I am right, that what God revealed and inspired to my heart, that he was preaching about the baptism of the Holy Ghost when he preached that message the *Future Home*, and that is why I am calling it, "**THE BAPTISM OF THE HOLY GHOST AND WITH FIRE.**" I'll preach it and I just trust that God is going to make it so real, because the same plan of redemption that God redeemed us with, He is going to redeem the Earth with.

And 2nd Peter speaks of the Earth being burnt with fire. It's only a type of the baptism of the Holy Spirit and that baptism was going to bring forth a New Earth. And I believe the true baptism of the Holy Spirit is going to burn out everything that the fall put inside of you and bring you back to a new creature. Old things are passed away and all things become new. I believe that. I believe that is what the Prophet was teaching and I believe that this is the Hour that we are living in. And I believe that this Message is the baptism of the Holy Spirit. This Message is that great Pillar of Fire that has come down, that great Person, that great Baptiser Himself, that wants to baptize you with the Holy Ghost and with Fire tonight, amen; burn the cosmos out of you. Amen. I just trust that God really bless it to your heart the way He has been dealing with me with it.

2nd Peter chapter 3 verse 1:

¹ This second epistle, beloved, I now write unto you; in both which I stir up your pure minds by way of remembrance:

² That ye may be mindful of the words which were spoken before by the holy

prophets, and of the commandment of us the apostles of the Lord and Saviour:

³ Knowing this first, that there shall come in the last days scoffers, walking after their own lusts,

⁴ And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation.

⁵ For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:

⁶ Whereby the world that then was, being overflowed with water, perished:

⁷ But the heavens and the earth, which are now,

Now notice here he is dealing with the world that then was.

...being overflowed with water, perished:

⁷ But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.

⁸ But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.

⁹ The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.

¹⁰ But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the

earth also and the works that are therein shall be burned up.

¹¹ Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy [living] and godliness,

¹² Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?

¹³ Nevertheless we, [look] to his promise...

Amen. Just like he was showing you all that was going to happen, he said:

¹³ Nevertheless we, [look] to his promise, look for new heavens and a new earth, wherein dwelleth righteousness

So notice the world that then was, being overflowed with water, perished. The heavens and Earth, which are now, that are going to be burnt with fire also and then the world that is to come, which are the New Heavens and the New Earth. Three phases of it. Understand that. Three phases of it.

¹⁴ Wherefore, beloved, seeing that ye look for such things...

That is why we are singing these things tonight, because we are looking for such things.

...be diligent that ye may be found of him in peace, without spot, and blameless.

¹⁵ And account that the longsuffering of our Lord is salvation; even as our beloved brother Paul also according to the wisdom given unto him hath written unto you;

¹⁶ As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as

they do also the other scriptures, unto their own destruction.

Revelation 21. You know Revelation 19 is Armageddon. Revelation 20 is the Millennium and Revelation 21 is the New Heavens and the New Earth.

¹ And I saw a new heaven and a new earth...

I heard the voice of the fourth living creature. I saw Satan, a star fall from heaven. I saw a New Heaven and a New Earth. Are you seeing these things? That is why He says, "Come and buy of Me eyesalve that your eyes could be anointed." That same Angel who was there revealing it to John, reveals it unto you also that you can see we are living in the Hour when these things that eyes did not see, ears did not hear, neither has it entered into the hearts of men what God had prepared for them that love Him, it is revealed unto us by His Holy Spirit! Is that what the Bible says?

¹ And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

Same thing Peter was seeing, John saw. Peter said, "We do look for that promise, a New Heaven and the New Earth, after this earth is burned with fire." Amen. The heavens melt and all these things.

² And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.

³ And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.

Could you imagine that? One of these days the Lord Himself will be with us on this earth; walking with Him in the Paradise of God like it was back in the Garden of

Eden when Adam used to come, Adam and Eve, and He was there in the cool of the evening; the lamb and the lion lay down together and the bear is gentle and the wolf will be tame?

⁴ And God shall wipe away all tears from their eyes; and there shall be no more death...

Wouldn't that be wonderful?

...neither sorrow,

How many ever felt sad here? Amen. See, some people are already in the New City; like He wiped away all their sorrows already. Amen. Brother, sometimes it is so hard you have to toil and sweat and labor and the world hates you, and despitefully use you, and speaks all manner of evil against you. Did they do that to you? [Congregation says, "Amen" -Ed.] He said, "If you don't testify against it and the world loves you, something is wrong." If they call the Master of the house Beelzebub, how much more will they call you? Amen. My. Think about it.

...nor crying, neither shall there be any more pain...

How many have ever been sick and in pain, afflicted and say, "Oh God, oh God, take away this pain." In such agony of pain and it is almost like you're dying, sickness in the body. Going in the hospital, sometime ago I remember going and seeing Sis. Jocelyn Suite, the body, this old pest house is bursting away; it was bleeding. The nurse was just waiting for her to die and we walked into the hospital about 3 o'clock that morning and saw her there, and she looked at us and we looked at her, and they are trying to—I told her, I said, "Remember Sis. Jocelyn, all that God promised is true right now." I said, "Think about the things that God has promised." Amen. I know that God was going to take her. I saw her dying and giving way right there. Just think of this because this is true. Amen.

...any more pain: for the former things are passed away.

⁵ And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.

Let us bow our heads.

Father, as we read Them tonight, for many of us, Lord, it may not be as real as it should be. But Lord, this is what the whole plan of redemption is all about. It is not anything strange. That is what it was before this wicked world came about, Lord. Now that we understand this world – civilization, science and these things came by the devil after Cain was cast out of the Presence of God; that seed of the Serpent, that child of the devil, this world that has been formed, Lord, this Satan's Eden that You're fixing to destroy. But before that, Lord, what we read about is what it was like. And that is where we are heading tonight, heading straight back to that Eden.

Oh God, I pray that You will just reveal these things and make it so real in our hearts tonight that it would cause us to live for You with every breath that we have, every ounce of strength that we have, in the Name of Jesus Christ I pray and ask it, amen.

God richly bless you. You may have your seat. Amen. The time is about running out. I don't know. I am trusting the Lord for inspiration, to kind of just preach the message I have been studying. I have never preached this message before in this way. I preached many things around it or so, but some of the things I preached years ago with a partial understanding. And I'm just trusting tonight that seeing that I am not going to be able to come back and pick it up, if I will have to, until about a month or so, then I am just trusting the Lord to put it in your heart. Not to be long and worn out but just to create the real feeling in our hearts that

these things could be real while we are in the Presence of the Holy Spirit. Amen.

So I am just praying that He is going to bless it to your hearts, and if you are a Christian, He is going to give you a great joy tonight that you are a Christian and that you have made your decision to serve Him. And if you are not a Christian, He is going to make your efforts to go after this world and get the things of this world to look so feeble and foolish that you are going to just put all your strength and your energy to want to live for Jesus, to know that this world is going to pass away, because there is another civilization coming. And it would cause you to want to live for Him, to want to serve Him, and He can make this Word so real to you in this service that you will know these things are true that before you could go to a redeemed earth, you must be redeemed here. It's redeemed people going to a redeemed place. And it's the Redeemer Himself has come down to live in the very redeemed that they can march back to Zion. Amen.

To know that you look in this world, this planet in space, this globe that we have here, this mass of Earth, and billions of people in this planet are busy going here and busy going there, and shuffling there and forth. If you go into the big cities, brother, it's all kinds of commotion, and when you go to the small cities it's all kind of commotion. It's wars and strife on every hand, famine and pestilence and sin and crime and destruction, and the world is heading for Armageddon; and wars and rumors of wars, and earthquakes in divers places, and men's heart failing for fear. And every city you go to, every one there is a hospital. Every country you go to there are graves. Every place that you go to there are old people and sick people. Amen! Do you mean to tell me there is really a place, really a City that has no old people, has no sick people; has no graves?

How many feel that is a ‘nancy story’? [Fiction –Ed.] How many know that is truth? Amen. Your mind here may not be able to grasp and understand it but in your heart something tells you, “The God that could make me, the God that could make this Earth, (amen,) the God that made it perfect in the beginning, (amen,) that very God could make that place there. If He said it, I believe it.” Amen.

So where are those streets of gold going to come from? And let me tell you something. You may think that I am foolish, but God revealed to me that I am going to be in that City. I’m not just saying that in my mind. I remember when I had chicken pox and I laid down there locked up in my room, couple years ago, 1984, I think it was. Sometime around June or July, I remember I went to Honduras directly after I was healed of it. I was there and I had never seen it on somebody and it broke out on me. I never had it before.

And I was there in that room. I couldn’t lie on the bed and I was just there on the floor and I was listening to a little tape. And on that tape had a little song singing about when God was forming the Earth, how He made the trees and it was good. He made this and it was good. He made the firmament; He made the stars. He made everything. But there was a small, lonely hill that God, when He was forming the Earth, He formed that little hill. And when God was growing the trees, He was thinking of that tree, that one day He would come and die on a tree on that lonely hill, because the Bible said the Lamb was slain before the foundation of the world in the Mind of God. It was God’s purpose! *It was Love that drew salvation’s plan. It was grace that brought it down to man. The mighty gulf that He did span at Calvary.* [Song #192 - Songs That Live –Ed.] God had it.

It would be dis-complimentary to God’s wisdom if there wasn’t a fall. Do you know that? Because in God, He wanted to be a Saviour. Then how could He be a Saviour if there wasn’t a person who needed salvation?

How could He be a Healer if there wasn't a sick person? How could they really worship Him? How could He be a real Provider, amen, if His children weren't in need for Him to provide something for them? How could He be a Redeemer if there wasn't a man lost, amen, that needed redemption?

So God permitted these things. Amen. And you know just to think of it, that finally time came that God Himself came and died and spoke these promises through His Own lips and gave it unto us. And here somebody might have made us feel that the Bible is some strange Book being written. That same God came in this Day and confirmed this Word before the eyes of this generation. He had science to declare It was authentic. He had medicine to declare It was authentic. Amen. He has eyewitnesses still standing here on the earth that were there! Many of us who weren't even there, who did not see but yet believe. Our hearts and lives have been affected and changed by It! That very God comes to us and teaches us further on these things to prove to us!

I remember hearing that song and the song ended up after he talked of Calvary and how He came and died, and it said, "And then one day in that bright City, when the redeemed goes back into that City." Amen. I remember in my heart like God was just, you know, in sickness there and I was hearing the song and the love of God was being shed abroad in my heart by the Holy Spirit and how sometimes you just want something from the Lord and the Lord just spoke to my heart. I know I have Eternal Life. I know I have passed from death unto Life. I am not the old person I used to be. I know God had changed me. I am not trying to reform myself. The things that I have seen God do down through the years. Amen. The desire inside of me today! Amen. You see? The affections that are inside of me today are set on things Above. The determination within my heart to try to convince every man that there

is a Heaven to gain and a hell to shun. I'm about the Father's business. Amen.

And God just spoke to my heart and just let me know that I'm going to be There. And I'm thankful that I'm going to be There. And I'm sure He revealed to you that you are going to be There. If you know you are saved, if you accepted Calvary, and you have a revelation of Calvary, and your soul has been quickened to the Word and you recognize the Word, you are going to be There. It is impossible for it not to happen. If you have Eternal Life inside of you tonight, (amen!) you are going to be There.

And that is why you are looking forward for these things, because Eternal Life could only really feed and dwell on Eternal things. You don't look at the things that are seen. You look to the Unseen! Don't look to the things that are temporal. You don't walk by sight. You walk by faith, because God has brought you up higher than the natural man in the world, who is born by sex and is just: see, taste, hear, smell, and touch. He has five senses and that is what controls him. But you have another sense, (amen) faith, the super sense that lifts you up that you can believe things that you can't even see. Amen! Hallelujah!

Say, "Well somebody would be really foolish to believe something that he can't see." Amen. Brother, I could stand up right here tonight, if you were blind and you couldn't see me and you would hear my voice, then you would know there is a person here speaking. Amen. You could hear music or something. You could even hear that fan. It is blowing; the breeze is blowing. Many in their seats (amen,) you could sit there and feel the breeze of the fans coming upon you. And by your sense of touch, by feeling, you could know that there is breeze there. You could smell somebody's perfume and by the sense of smell, you could declare them to be there, even though you don't see them. Amen. Seeing is not believing. Amen.

And how thankful we are to know that God has revealed these things unto us. There is a promise and I am looking to it with all my heart and I know it is the Truth. Amen. **The Baptism With The Holy Ghost And With Fire.** And I want to take a little subject, **“The Feast After The Feast Of Tabernacles,”** amen, because I believe that is where it happens. That is where it’s taking place right now.

And just to maybe give you a little testimony as to why I am preaching this tonight here and you know, I am not changed from what I was. It’s just maybe if I give you the testimony it may help you see that the messages that I have preached for the past couple of months are just a further unfolding in this very message. I remember when I came back from British Columbia I told you, you heard me say it quite a few times because I just felt to say it and I kept saying it in the pulpit. I said, “I am in-between here waiting for inspiration. I don’t know where to go and what to do right now. I am kind of watching to see how God is going to lead.” I said, “So I am going to preach little fillers and kind of bring up some of the things I was preaching back in the past.”

And why I was doing that is because in my heart when I came back from British Columbia, I had the inspiration that was within me after preaching in British Columbia in May, because from January to April, God had dealt with me with the Supernova and all these things Supernaturally, and the Book of Esther, and I preached these things and went out and began to preach these things. And then coming back, I went to British Columbia and preached a series of services there in May. And in preaching there I got into a channel and I felt so inspired, and when I came back I felt I should go out again and preach. I just had that feeling inside of me.

Maybe somebody may think it is wrong to think that way, but I just want to be honest and say what is inside

of me, because I follow That. That is my leading I am following. If you are following me, that is what you are following all these years and don't even know. Amen.

So I have been there and That has been coming and telling me. I felt that is what my mind was in and what my spirit was caught up into. I said, "Well since I don't want to go Honduras. I don't feel led to go." And the brothers in Africa called me, and I didn't feel led to go, and I kind of waited in-between there. I didn't know what was going to happen. I said, "It has been in my heart for the longest while to go back and pick up the inspiration on those Seven Vials, seeing God had given me that in 1984." And I felt if God had given me that, then God had a purpose for it and He wanted me in my ministry, to preach some of those things where I go, because it is in the Message and it needs to be brought out because it was not brought out in the Prophet's Message, for people to really recognize it was laying there; that many people still believe he was going to come back and put up a tent and do all these different things.

And those things were right in the Message and except you know, sometimes you read a message and you just get maybe one part, but that is just a piece in a whole jigsaw puzzle. And you heard me over the years, I always say, I said from *Ashamed* [1965-0711 -Ed.] to *Communion* [1965-1212 -Ed.] everything is right inside of there. All that was in Bro. Branham's heart that they said he was going to go in the grave with it, it is right inside of there. He went to Africa to have the meetings in the Third Pull and God stopped him and he came back and then he said, "Now I feel definitely led to preach the Seven Vials." [1965-0725m, para. 7 -Ed.] And God blocked it off and he said, "I am going to preach two this week and two the next week," and you know, how we went through all those things already.

Well, anyhow, I said I will go and kind of pick up that so I started to preach *Realization Of This Insane Age*

[1987 -Ed.] and you remember that I preached about three messages on that, *Realization Of This Insane Age*, showing hell was being created on the earth. How all those demons from the fifth dimension are coming through the fourth dimension in these three dimensions here, being veiled in the people who reject the Message of this Hour! And hell is being created on the earth. And while Satan is changing dimension, here is the Bride, She is getting ready to change dimensions too. Amen.

You see God in the ministry of the Prophet had to try to get the people to turn a corner, to change dispensations first and then get ready to change dimensions. So they couldn't change dispensations, so there was no way they were going to change dimensions and go in the Rapture. So then we find then, here is a people who had come into this Age after the Seven Seals, the Bride Age, the Ephesians, all these things that we call it, the Abrahamic Age, then the Age where Son of Man is being revealed, the Seventh Seal, the Eternal Church Age, all these things, here we begin to recognize the Coming of the Lord has already begun to unfold. Amen. We are meeting one another in the Rapture right now. We sing, *I will see you in the Rapture some sweet day*. [Song #685 - Songs That Live -Ed.] It is happening right now! God bless you, brother you made it, amen. When you see one who has passed from death unto Life, one who is a gene of God, who had been quickened, they have the earnest of the change inside of them right now. The body has already turned heavenly.

You see a man who was an old cuss-bird [Local term for one who curses a lot -Ed.], an old thief, an old luster, an old devil in the world and brother he is a Blood-washed saint preaching the Gospel, walking holy, holy unto the Lord, brother, that is a paradox! You see a woman out in the world who used to cut her hair, paint her face, wear pants, dress naked, vulgar, immoral outside there

going after Hollywood and something happened. She has been changed, been transformed, amen; brother, becomes a saint. Something has happened! The Holy Spirit, He dropped down on the earth to take His Own out. Amen. So, it's happening. It's going on.

So I decided to go back and preach on those things and after those three messages there, I came and preached *I Saw A Star Fall From Heaven* [1987-0510 -Ed.] and when I started that, you know, just preaching a little bit, going back into those things on the Vials, I saw how that Angel came down and loosed those demons. God permitted it just like God permitted Satan to enter the Serpent and deceive Eve. God permitted those demons to be loosed here, because the time had come now to bring hell here, (see?) to bring back an Age like Sodom and all these things, to vindicate the Scriptures. If you had a man come and discerning people's heart and that isn't an Age like Sodom, something is wrong. It must be an Age like Sodom where the fire is fixing to burn it because the wrath of God is waiting to be poured out. Amen.

So then after I preached that, I came and began to preach on *Two Edens* [1987-0514 -Ed.] and I was picking up there again on the Vials, because right there in *Power of Transformation* [1965-1031m -Ed.], *Thirst* [1965-0919 -Ed.], *God's Power To Transform* [1965-0911 -Ed.], *Satan's Eden* [1965-0829 -Ed.], *The God Of This Evil Age* [1965-0801m -Ed.], that is where it is right there, you know. *A Thinking Man's Filter* [1965-0822e -Ed.], all these things. So in there I had been preaching those things and bringing out those messages. And I said it's just little fillers and then I began to preach *The Two Wombs*, another, *The Serpent Bruised Again By The Seed Of The Woman* [1987-0621 -Ed.] and bringing out these messages like that.

Well what happened is that under the inspiration of it, while preaching, I began to be attracted back to the book, *Future Home*. Now about seven years ago or so, I

had a definite experience just like I had on *The Feast Of The Trumpets* [1964-0719m -Ed.], when the inspiration came and I wrote the tracts and all these things. Certain things used to come in certain seasons to go to certain books and it came on *Future Home* and I was seeing a lot of things inside of there.

And the way the Prophet was speaking about the message, I knew it was something. I knew he wasn't just talking about a City, like he started to preach a message about way after the Millennium somewhere down there. So I knew that can't be what he was talking about alone, because here we were pressed and he could have just talked about the Marriage Supper. He could have just talked about the Millennium. He could have just talked about the White Throne Judgment, which were a lot of things. And he didn't talk about the City and described how much gold and how many different things. He was talking about something else.

But the revelation laid in the natural form. So he said now, what he was bringing to us was the same plan of redemption that God redeemed the man with, He redeemed the Earth with. So the things that are not fully brought out in the redemption of man, are locked up in the redemption of the Earth, because it is the same plan because the man is part of the Earth. And when the man fell, the Earth fell! And because the man is redeemed, the Earth has to be redeemed also! And the same way the man comes through water, Blood and Fire, the Holy Spirit, the same way the Earth is going to come, because it's one purpose. The Earth was the man's inheritance. God gave that to Adam!

Now last week I was going to start a little message there and I didn't get to go into it, on the Earth being destroyed and I was going to show you some of the scientific things happening today with the air pollution and these things, how it is destroying the Ozone layer and all these things that are happening on the Earth today; how it is just setting in for the Tribulation Period

and the Judgments and these things that are to come. It is already being set in right there, you see.

And as the Bible said the heaven is going to explode. I always wondered how. I mean, it would catch on fire and depart like a scroll. And then I was reading an article on *National Geographic* and they begin to tell you about the thousands of chemicals that are loosed into the atmosphere through industries and all these different things, and all the acid rain and how it kills out all the trees and all these things that are happening today, and how it is destroying the Ozone layer and all these things through refineries and industries and all these fertilizer plants, all these different things that are happening today, loosing all the poisonous gas and all the carbon dioxide and all these different things; how many gases and these things are already inside the atmosphere there. It is going to burn, the Bible says.

So God knows what He is talking about. See? So when I saw those things I said, "Well I should preach a little bit on it," so I went back to *Future Home*. I remember years ago and in some of the very old messages, maybe 1979 or 1978 there, if there are one or two in the library still, I saw where Bro. Branham wanted to tie in *Future Home* with Revelation chapter 12. He said: *Now...* Maybe I could read it for some of you because you may have the book and may want to go home and study it after you hear the message tonight.

[Bro. Vin reads from *Future Home* back and forth from para. 5-34, beginning on para. 9 -Ed.]

Page 9, he said:

Now, I think in this that not knowing what time that the Lord Jesus might appear, I thought it would be good; it seemed pleasing to the Holy Spirit, that we speak on this [then] maybe come back to it again two or three times, because I won't have quite ample time to get all this out. As where you hit a subject that might be a little

stumbling to someone, you can't carry it all the way out to make it plain.

And I hope that doesn't happen to me tonight, because you're preaching and you're opening something and you can't finish it out and then it stumbles somebody, he says. He said, so you have to come back and keep preaching on it over and over. Like you take *The God Of This Evil Age* [1965-0801m -Ed.] it was one inspiration that went on to *Satan's Eden*, that went on to *Power Of Transformation*, that went on to *Thirst*. He was just continually unfolding it. Like you take *Oneness* [1962-0211 -Ed.], *The Greatest Battle Ever Fought* [1962-0311 -Ed.], *Wisdom Versus Faith* [1962-0401 -Ed.], *The Spoken Word Is The Original Seed* [1962-0318m & e -Ed.], *End Time Sign Seed* [1962-0319 -Ed.], it was one inspiration, but he just poured it out on all those messages there because he couldn't bring it out all in one message.

So he said here: *As ... you [reach] a subject that might be a little stumbling to someone, you can't carry it all the way out to make it plain. Then you come back again to catch the next subject; and then later on ... the Lord willing, when we come into ... the 12th chapter of Revelations, which lays between the coming of the Lord and the ending of the trumpets, and so forth. We'll try to bring that back, to show who's Satan, what he did, where he come from, what's his purpose, and how that his great beauty that was give him caused his fall. His deceit...*

So then also on page 5 he says, *Then soon, maybe, the Lord willing, in October...* [He had preached this in August that would be in the next couple of months.] *...whenever He will provide, I'd like to have a few days, just of constant meeting on the 12th chapter of Revelations to tie in with this here. Oh, I believe it would be great... ..it'd be great to see how He done.*

So I saw that years ago and God had helped me to realize that in *Satan's Eden* on page 25 (I am putting all

this on the tape there so you have time to study it out) he says, Remember I was teaching you about the *Future Home* some time aback and I told you how there was going to be an eighth day festival and different things, and how the New Heaven and the New Earth were going to come and all these things.

And I knew that that was what he was talking about, so I could see exactly where he wanted to go, because the 12th chapter in Revelation picks up Satan way back in Heaven. Go back to Isaiah 14:12 where he said, “I will be like God. I will be like the Most High. I will do these things.” How that caused his fall, how he worked and built Satan’s Eden on the earth, how he comes to be enthroned as God in the last days. That is what—we are in the midst of that right now! All this World Council of Churches and ecumenical services is really the churches coming together. The Bible says the tares are being bundled together, but God is calling His individuals out because the wheat is being gathered also. When the Lord of the Harvest comes, He will take the wheat but the tares will be burnt with fire. And Jesus gave a parable of that, what is going to happen. And thank God we can recognize we are in the Harvest Time and we are being gathered together for the Rapture. Amen.

So what happened, I look at that and I realized, I said, “Then exactly what I have been preaching on the *Vials* and *Power Of Transformation* all these things, here it’s laid in *Future Home* and he never got time to come back really and pick it up as he would have liked.” But when he came back there in 1965, a few months afterwards, he begins to open up all these things for us. So realizing then it is laid in the message and just when the right time comes, the Holy Spirit, He is going to come around to us and really make it known as we have need of it.

And I am trusting tonight I get your undivided attention and everybody gets focused in right here. I know maybe some of the strangers as this point in time

it is difficult for them to understand and follow, but just stay right there and stay listening. Amen. I am going to come to the place where everybody will understand in a little while.

So while that began to happen I was there preaching these messages, and then it opens out in the *Future Home* here and *Things That Are To Be*. [1965-1205 -Ed.] You know studying the Message over the years when it breaks out, and I look and I know exactly where it is going to go, because God gave me a way to read the Message and to follow it, because there is a secret in the way it was preached. You see?

So you find then that in following that out now, I was able to see exactly where it was going and then in coming back around now, at this time to the *Future Home*, I begin to see now what it is he was teaching in reality; all what was in his heart to teach and bring out as best as I can understand it, and the Holy Spirit has given it to me that I want to kind of bring to you to show you, that we are speaking about the baptism of the Holy Spirit because that is what this Message is. This Message is nothing else other than the baptism of the Holy Spirit and the true understanding of it too. On the Day of Pentecost they had a little outpouring, a restoration of the gifts there and many thought they were Spirit-filled because they had a gift, because we find out you can have a gift and don't have the Giver, because gift and calling are without repentance. Amen. So it's really an Age that we are living in where a lot of things are happening.

So here it was after he had preached that great message *Future Home*, somebody came and asked him a question. He made a little illustration. He said: Right in the Tabernacle here, we have people about fifteen hundred miles square coming to the meetings and that was what the measurements of the City were going to be.

So we get into the message now for tonight. So they asked him the question about, “Did Time finish when the Seven Seals opened?” You know a lot of people—because the Bible says: And that Angel puts out his hand and says, ‘Time shall be no more.’ In the days of the Voice of the Seventh Angel when he shall begin to sound the mystery would be finished.” Somebody says, “My, well then when the Seals are opened. Time is finished.” He said, “The Ages are run out. We are in the Eternal Church Age. We are in Eternity now.” And somebody said, “Well praise God. Time is finished.”

So they asked the question, *Questions And Answers* book 3, page 174, 175. [1964-0830m, para. 142-147 –Ed.] So he said: *We got a thousand years after the church has gone home and comes back upon the earth. Then time ceases in the new heavens and new earth.*

Now, the millennium is not the new heavens and new earth.

Now I am going to be touching a lot on the natural side of it, but remember that’s why I give you my title first. I am preaching the baptism of the Holy Ghost. So don’t get carried off on the City all down there. You are the City right here. You are the earth that is to be burnt with Fire right here. Alright.

So he said, *Then time ceases in the new heavens and new earth.*

Now, the millennium is not the new heavens and new earth. There will still be sin after the millennium.

Because we know that. Revelation 20 tells us that – how the battle of Gog and Magog. Satan, after he is loosed out of the prison is going to come and gather all the nations on the Earth. Amen. Because Satan will be bound for a thousand years in the Millennium, but there will be thousands upon thousands of people on the Earth who are not born again. Do you understand what I am saying? Now the Bride would be in a glorified body, but not the rest of the people on the Earth, so they will be able to live for a thousand years.

You say, “So people on the Earth are going to live that long and they don’t have the Holy Ghost?” Yes! Because back in the beginning of the Bible, it tells us Methuselah lived nine hundred and sixty-nine years, Adam lived nine hundred and thirty years. Japheth or Enoch or one of them lived—Japheth rather lived nine hundred and sixty-two years. Then after the flood, it dropped down to about one hundred and twenty or so. Abraham and Isaac and Jacob and all of them lived about that time. And then afterwards, it dropped down to threescore and ten, God told Moses, as man continued to go away and become more and more sinful.

Now it’s like this. Those people on the Earth—take for instance, you have gun powder and you have a whole big barrel of gun powder here, but if you don’t have a match to ignite that, that is harmless as sand, you know. Do you understand what I am saying? So all those people, though they have a sinful nature there, with Satan not around they can’t do evil. But from the time Satan is loosed, brother, he gathers all of them to make war. Showing that they lived through a thousand years, peace right through, but from the time he is loosed, brother, they come to make war against Christ and the Bride.

So as you look at that now, you get to realize then that the way the Earth is today, nobody is going to live—you are not going to even live a hundred and fifty years. The oldest man and oldest woman lives barely over one hundred. The world is dying. The food we eat is not even proper. The air we breathe is not even proper. Brother, they’re hybreeding the races coming down. The body is so weak, interbred and all kinds of diseases and pollution and everything else. There is no way for them to live beyond that.

But God promised that the desert is going to bloom when Jesus comes. The cactus, brother, that is rolled up there like a sharp ‘picker’ [thorn -Ed.] is going to unfold back into a beautiful flower. Amen. The entire

climatic conditions will be changed, because at one time on the Earth there was no winter and spring and autumn and summer. That came after the flood. But before the flood, brother, there was equal heat right around. Rain never even used to fall. Amen! And God is going to bring back that type of condition. Because God let man have his way and destroy the Earth so He would come and destroy them afterwards. Amen.

So look at this. So he says here: *There will still be sin after the millennium. The millennium is a type of Noah going in the ark, and carried over, and brought Ham and them on the other side. And sin even come out of the ark. See?*

But Enoch, the translated one, was a type of the Bride that went up, not the one that was carried over. So sin will still be on the other side of the millennium, but not during the millennium. See? During the millennium is peace. See? But sin will be dealt with the other side of the millennium...

So even in the Millennium it's still not the perfect world, because we are not going to inherit back a world with sinners in it, who the first chance they get, will turn around to make war against us for our inheritance. The Millennium is just the honeymoon. See, we are in the Wedding now, then there is the reception – the Wedding Supper. Then there is the honeymoon but then there is the Home, the Future Home. Do you understand what I am saying? Okay. Like Bro. Joe [Bro. Joe Bernard -Ed.] right now, he is on his honeymoon, right? We just had the wedding, then we had the wedding supper there at the Naparima Bowl [Reception Hall in Trinidad -Ed.] and now they are on the honeymoon, and then they are coming back to the home. Alright. It is like that.

So here it says now: *So sin will still be on the other side of the millennium, but not during the millennium. ... During the millennium is peace. See? But sin will be dealt*

with [on] the other side of the millennium, and then time fades out.

The question was about time: Did time cease? So since we are going to check a thousand years to know when the Millennium is finished, the Millennium is time still, and it was the fall that brought time. Do you understand what I am saying? And God's creation for seven days was seven periods of time. And the evening and the morning were the first day. And the evening and the morning were the second day. And the evening and the morning were the third day. It was a period of time. And then God rested on the seventh day. Alright.

Now watch. And we find out here in 1st Peter [2nd Peter 3:8 -Ed.], a day with the Lord is as a thousand years. I'm just kind of laying this little foundation here. So in the Millennium reign, there would be sin but it would not be able to be manifested, but it would be dealt with on the other side of it.

So he says there: *Now, the next thing left is the translation of the church...*

That's where we are. We've come right back to where we are.

Now, the next thing left is the translation of the church, [then] the return of Moses and Elijah, the millennium reign upon the earth with the Bride and Groom for a thousand years, and then the judgment bar, and then a total annihilation of sin. It'll never be no more... [after] that time.

In that New City, in that Future Home there are no sinners. There is no devil. There is no foul air. Brother, it's just the redeemed. Amen. Aren't you glad there's a time like that? Okay. So we kind of took long to cover that little part there, but let me try and see if I could build it up a little bit.

Then when he came here on the *Future Home*, he was teaching us something, that the Millennium is not, (and this is the point we are bringing out here), is not the New Heavens. Amen. The Millennium is not the New

Heavens. That is not the perfect Kingdom. You have sin that goes through the Millennium and it comes out on the other side. It would be destroyed at the end of the Millennium, then the Earth is going to get the baptism of fire. Now the Earth is not going to get the baptism of fire before the Millennium. It is going to get the baptism of fire to bring on the New Heaven and the New Earth. Amen. Now look.

So he says here, page 30: *Notice, this is still not referred to, this millennium reign, the thousand years is not the new earth. See? The millennium reign is a different reign. That's what we go into, the millennium, but that isn't the new earth, and the new heaven. No, no, that's just a rest place ... a rest period, not at all the new heavens and new earth. For, [you] see, in the millennium we have things that would not go into that.*

All those bunch of sinners who pass on from this realm, they are not going in any New City at all. All Satan and all those demons and these things, they are not going in.

[The Millennium] *It's a type of the old seventh day out of Eden, the seventh day after He made the world. The seventh day He rested in Eden.*

It's a rest period! Because He had six thousand years building the Earth in six days, then God rested the seventh thousand year. Alright, He is coming out of that rest. Then we have had six thousand years of Satan's Eden. As the Prophet said, "Science has not found one thing to prove that there was life on Earth before six thousand years." God made the heaven and the Earth. Period! That is billions of years. That is correct. But when they bring up a bone and they say that bone is so many millions of years old, he said that is contrary. That is man trying to exalt his knowledge above the Word of God. Now watch.

I don't want to spend time, I have one or two quotes I can tell you what it says, about how science said they found out afterwards it wasn't really millions of years

old, and they wouldn't come back and say it, to show that they were wrong. And he says, everything now, they want to rewrite every theory. While they say the galaxy is so and so, some man comes now and says the galaxy is only eleven billion years old. It just shows how man—this is an Age where man really, they are going so insane. They are just lifting themselves above the Word! If they would just stay in the Bible and receive God's wisdom about the thing, it would be very clear to them.

So he says here: ... notice ... [the] millennium is a type of the old seventh day...

[God] comes and [He] gives His [people a] rest period and then burns her off and [cleans] it [up] for His own, puts His Own back on it. And notice, not the perfect world, this millennium is a type of the seventh day.

Then comes the white throne judgment. See, we still have judgment; we're still in time in the millennium. It's a day, one thousand years. It's a time element. ... Don't get that mixed up with the new earth now, 'cause it's not.

Then he says: ...Somebody might say this to me...

He is going to teach now and prove to us where he is placing something beyond seven. You know in everything, seven is completion. If a man says seventh day, compare it back with Eden. There is nothing beyond that. So hear what he says now:

You might say this to me... Somebody might say this to me, that, "Now, Brother Branham, what are you going to do now? You've run out of your complete sevens. What are you going to do now? Now, you're a dispensationalist." [He says,] Which I am, and I believe that God is too. ... "You've run out of dispensation types, for if you are going to put something beyond that seventh day, how [are] you going to get it? Where you going to now?"

He said: All right. I'll call your attention to something. See? ... I ain't out of dispensations yet. I got another Scripture here. And, you remember all of it has to be fulfilled, every bit of it.

He says: *Now you say, "Brother Branham, you're trying to put something way ... beyond that seventh day, that seventh day sabbath." As God made the earth and labored six days and rested the seventh was only a type of ... time; but I just said here we become eternal.*

When the New Heavens and the New Earth is back to Eternity, because in the Millennium we're still checking time. Is everybody understanding that? I am trying—maybe it is the Holy Spirit that has me going slow for a purpose. I am trying to go slow to put it in. I am at the control here, but it is going slow.

So he says now: *Now you say, "Brother Branham, you're trying to put something way over yonder...*

"So where is your type now? You said you're a typologist, so ... you've run out of types now." [He says,] *No, I haven't.*

Because, remember if you are teaching something in the New Testament it must be in the Old Testament. If you are trying to bring up that the New Heaven and the New Earth is after the Millennium, then you better find somewhere in the Old Testament after the seventh day, otherwise you have nothing to base your teaching in the New Testament on. Because how do you know you have that Scripture placed correctly?

So look. So he said: [Leviticus 23] *...There's seven great feast days that was only a type of the seven Church Ages.*

Now listen to this carefully because that is my subject, ***"The Feast After The Feast Of Tabernacles."*** There was the Feast of the Passover, Feast of the Unleavened Bread, Feast of the Firstfruits, Feast of Pentecost, Feast of Trumpets, Feast of Atonement and Feast of Tabernacles – seven Feasts.

He said, [Now those] *seven ... feasts [are] a type of the seven Church Ages. ... And there was seven feast days that represents the seven Church Ages. Keep your numbers running.*

So do you see where we are coming to now?

[He] Say, “Well ... you’ve done run out. [You got ... seven.] You got your seven.” [He said,] All right, let’s take the last feast, which was the feast of tabernacles.

Let’s turn now here as we follow this, Leviticus 23. Oh, I’m just laying out the background here to strike that **Baptism Of The Holy Ghost And Fire**. I want to show you where it comes, and show you why this Message is that Fire, because God’s Word is Fire. God’s Word is Spirit. God seals you by His Word, because the Word and the Holy Ghost are the same thing. In the beginning was the Word, and the Word was with God, and the Word was God. And God is a Spirit. The Word is the Spirit. There is no difference. God in the dispensation of Father, God in the dispensation of Son, God in dispensation of the Holy Spirit. It’s just the same Word all the time.

Leviticus 23:23-25 was the Feast of Trumpets, and 23:27 is Feast of the Atonement. Now we’re here in the last feast which is the Feast of Tabernacles.

And verse 33:

³³ And the LORD spake unto Moses, saying,

³⁴ Speak unto the children of Israel, saying, The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto the LORD.

³⁵ On the first day shall be an holy convocation: ye shall do no servile work therein.

³⁶ Seven days ye shall offer an offering made by fire unto the LORD: on the eighth day shall be an holy convocation unto you; and ye shall offer an offering made by fire unto the LORD: it is a solemn assembly; and ye shall do no servile work therein.

Alright. Now hear. So he said: Now, we got an eighth day. [Seven feasts.] Now, we got an eighth day. [So we’re getting something now coming after the seventh.] Now,

we got an eighth day. Now, there's only seven days, but here we speak of the eighth day, [a] holy [convocation]. Notice, do no work in it. The eighth day, are what? Back to the first day. Why, it speaks of eternity, as she rolls around without a stopping place. ... Do you see it?

Notice, it was also upon this eighth day ... feast day of the tabernacle; notice, after that, after the last feast day, after the last church age, after the last complete seven days upon the earth, after the millennium that this holy convocation comes.

Now what does the seven feasts represent? The seven feasts represent Seven Church Ages. It represents seven days back in Eden when God was creating. Amen. It represents seven thousand years, which is seven days with God. So this eighth day comes after the seventh. So there was going to be something that comes after the seventh day in Eden. There was going to be something that comes after the seventh Church Age. There was going to be something that comes after the seventh thousand year, which is the Millennium, because the Millennium is the seventh thousand year. Alright.

So he said: ...after the last feast day, after the last church age, after the last complete seven days upon the earth, after the millennium that this holy convocation comes.

Remember this is feast of tabernacles: ... gathering places.

We are in the Millennium because Feast of Tabernacles was the last Feast. The seventh thousand year, it represents the Millennium where they build booths. The children of Israel used to keep the natural feast and they build booths, and all of them used to go into it. Why? Isaiah—you could mark down the Scripture. Isaiah 65:22 [Isaiah 65:21 -Ed.] says, “And they shall build houses and they shall inhabit them,” speaking about the Millennium. So they were symbolizing that after the Feast of Trumpets, when

they're gathered back in their homeland, after they come and they recognize the Messiah, then they're going to go into the Millennium, the Tabernacles. Do you understand what I'm saying?

That is what Israel is going to go through. They had that mystery there, but there was going to be a time when they were going to go into an eighth day Feast, because he said, "There is no eight days." They are going to go into something after the Millennium – the eighth day. There are only seven days, which comes back to the first day.

Notice, seven days only has to do with the old creation... Seven days--that's the millennium, the rest day. As God labored six days... [Notice that? It has to do with what? Old creation.] ...the church labors six days and rests the seventh. But you're still in time element. [Still time.] I ain't speaking of the eternal. But you see, there's no such a thing as eight days; you go back to the first day again...

Because a week doesn't have eight days. A week has seven days. But they said keep it on the eighth day, which comes right back to the beginning.

So he said, *Seven days is (watch) ... or I have said, will change to another. Eight days deals with new creation...*

Because eight, the number eight speaks of Eternity because eight brings you back to your first day in time. Man is in time here, living in time on the Earth, seven days a week. Alright. Then when they run out of Saturday, they come right back to Sunday. But watch something. But seven days had to do with the old creation, because he said, eighth day, eight deals with new creation.

It was on the eighth day that [Jesus rose]...

When did Jesus rise? Sunday, not Saturday; Sunday. He didn't rise on the seventh day. He rose back on the first day again, on the eighth day.

He said, *There is your other convocation... the feast of tabernacles, the feast of this, feast of Pentecost. Jesus raised from the dead, for our justification on the eighth day. After the ... seven days, seven Church Ages, Jesus raised from the dead... [The] Eighth day...*

Now here we are, the seventh Church Ages have finished and we're back in a Day after the seventh Church Age. And what is happening again? It's a resurrection again. Out of dark denomination, the cold, stiff, dead Body of Jesus, which is the Bride today, is being raised up again. Alright.

See, you've done passed through time and dropped into eternity again, not keeping of days, and keeping of sabbaths and new moons, and things like that, but [you] have passed; [you have] changed your form, not annihilated ... but passed from death unto Life Eternal. Oh, what the Bible does teach us. Amen.

... Jesus raised on the eighth day. That was a solemn day, a holy day, 'cause ... time had done run out. It passed into eternity. We swung right back...

Because when Jesus rose, He just broke into Eternity. He wasn't bound by time. His body went right through the walls. He was in Heaven and back here on the Earth. The disciples were still in their natural bodies. Is that correct? But Jesus said, "*Handle Me.*" [Luke 24:39 -Ed.] A spirit doesn't have flesh and bone. He didn't have any blood. The Blood was poured into the Earth. Amen. But here was flesh and bone in a glorified body. He could have walked through the doors, the Bible said - St. John 20. Amen. He was in a glorified condition.

When they went and they found the grave clothes, it was wrapped up just like how they had the body. When the Angel came and rolled back the stone, it wasn't to let Jesus out; it was to show them the tomb was empty! Hallelujah! Because He had already been quickened out of the grave clothes. When they doubted that He had risen, they looked and they saw the clothes

wrapped up the same way. Then they realized, "If they stole the body, how could they wrap up the cloth the same way and there is no body in it?" He was quickened right out of it. Hallelujah! Quickened right out of the tomb; walked right through the doors. He was in Eternity. Amen.

Don't you realize that is what it is going to be in the Millennium? Don't you realize that is what it's going to be? We'll be travelling at the speed of thought, at the last Trump when this body changes? Don't you know this body that you're in right now, with sickness tonight: bad heart, bad liver, fibroids; all kinds of different things, old age, gray hair, your teeth falling out, don't you know not many days from now you'll be back in a new body? Something is going to happen to you (hallelujah!) because God promised that. Something is going to happen to some people. They won't need any motorcars. They will be ready for the new civilization! They won't need any airplanes! Hallelujah! They will be travelling at the speed of thought! Amen.

You say, "Is that so?" It happened to Jesus, didn't it? And He promised this mortal shall put on immortality. Amen. You shall not all sleep, but you shall all be changed in a moment, in a twinkle of an eye. [1st Corinthians 15:51-52 -Ed.] He said, "You'll be changed faster than the Angels came." He said, "Before he could bat his eyes, Seven Angels were there." Hallelujah! Glory! Amen. Right now the very Word that's going to change you is inside of you. Hallelujah! And you're craving the vitamins, amen. And the Holy Ghost is pushing upon you, (amen) "Eat more of the Word, eat more of the Word to be formed in that Image." Hallelujah! It's coming. We are walking into it. Oh my!

The world is walking and they are studying [thinking about -Ed.] their old age pension, and they are studying they're going to die just now, and they want to make their will, and then they want to leave a little money for

their coffin and their funeral. But brother you are walking to a change! You are walking to a new body. Amen! Hallelujah! You are walking into a Rapturing grace. Like Enoch, you're walking with God (hallelujah!) and you're having a testimony that you please Him, before you are translated. That's God's program for the Hour. That is what God has on the agenda! Amen! Next attraction coming soon! That is what God has and God is furnishing what the believers need to bring that to pass. Hallelujah! Do you think God will know we need that, and don't furnish what we have need of to manifest it? Brother, God is right on time, right on time, tonight! Amen.

He said: *Eternity's like a ring; you can't find no corner to it; you can't find no stopping place in a perfect circle. You go on and on.*

From seven days it goes back to eight. There is a change from time to Eternity. Are you getting it? From the Millennium, from time, there is a change to Eternity. From the Seven Church Ages, which is time, a time span for the Ages, then it changes into an Eternal Church Age. Amen. Hallelujah. Oh glory! Amen. We're in an Hour here of change. Do you know that? *Changing from glory unto glory*, as Bro. Glaude sings, (amen) changing from glory unto glory until this very outward will be changed in a moment, in a twinkle of an eye. Oh my!

If you have the Holy Spirit, an Eternal Spirit, you will love Eternal things. Let me tell you, the Holy Spirit inside of you is not contented with a temporal mortal body. The Holy Ghost inside of you wants an Eternal body, (amen!) because in Eternity (amen,) God wants an incorruptible body. And the Holy Ghost in you will change your very body. Amen. It's only one Holy Ghost, only one God, only one form of Eternal Life! That God Who made the body in the beginning, that same God, He could change that very body. Because if you have the Holy Ghost, you don't have the second person or the

third person of the trinity. You have the one and only God – He that is in you. Amen! Hallelujah!

So: *Notice, the eighth day Jesus raised for our justification, the eternal King, with the eternal Kingdom.*

Now He was risen. He was Eternal. Amen. Oh my! This body was subject to death. Is that correct? He ate, He drank, He was tired, He got headaches. Is that correct? He cried and He wept. He took death. Amen. I love Him tonight for that. Hallelujah! He did it for me. He was thinking about me on the Cross. He had me on His Mind, (hallelujah!) an old, wretched and vile sinner like me. God on the Cross had me in Barataria [Place in Trinidad –Ed.] on His Mind in the twentieth century! Amen. Hallelujah! He had you on His Mind. Now we have Him on our minds! Hallelujah. Amen! Oh thank You, Jesus! My! Amen! Glory! I know He's here. He loves when His people get in the right atmosphere, amen; when His people (amen) have a praise in their hearts, have a song on their lips, have an amen to His Word. He could drop down amongst them, amen. Hallelujah!

He was Eternal. Then He had to move around now. He was ready to baptize them with the Holy Ghost. John baptized them with water, but He was coming to baptize them with the Holy Ghost and Fire. He was going to make them pass from death unto Life. He told them, "Don't go and preach at all. Go and tarry in the upper room. I will come and meet you." Amen. Hallelujah! So they could pass from death unto Life, so the Eternal King could begin to set up the Eternal Kingdom in the hearts of His children. Amen! Hallelujah! Oh my! Without any wonder that somebody without the Holy Ghost will perish. There is no other life but God's Own Life, because death is perverted life. Amen. Church life is not Life. Moral life is not Life. Educational life is not Life. Social life is not Life. There is only one kind of Life – Eternal Life – Zoe, God's Own Life. Amen! Hallelujah!

Do you feel good tonight? [Congregation says, "Amen." – Ed.] Amen. Receive that Life, amen, more and more and more of it. More of You, Lord, I cry, Lord. Amen. Empty and bare, but Lord, hear my prayer tonight. Amen. Hallelujah.

The Eternal God, wherever they went, He was there with them – the King in His Kingdom, the Messianic Kingdom. And the Messiah Himself was confirming their word with signs and wonders following, showing that that same Eternal Life was inside of them. They were a new generation – Jesus' Genes. Amen. Hallelujah! A chosen generation. My! Amen.

Then what? After fifty days – seven sevens are forty-nine – seven Sabbaths. And after seven Sabbaths on the eighth day, Eternity sets in. There were time creatures (amen) dwelling in time but then Eternity, Heaven came down, and Glory filled their souls. Amen! Hallelujah! On the fiftieth, on the Day of Pentecost the Holy Ghost fell on the eighth day. Amen.

...was seven sabbaths later, exactly after His resurrection.

He rose on the eighth day, seven days after—eight days after rather; seven Sabbaths, on the fiftieth day.

There's your holy convocation, not have anything to do with the literal things; it's beyond that. It's into the Kingdom of God with Eternal Life, with the predestinated that never did start. [Amen.]

He said: *See, eight cannot be counted with the week. See, it cannot be counted, eight days in a week; you can't do it ... because there's only seven days in a week.*

See where we are getting at? It was after the seventh Feast, which is the last feast, Feast of Tabernacles, that was the Millennium. Amen. Feast of the Pentecost – the Church was called in while Israel was there. Is that correct? Israel was blinded. Feast of Trumpets, amen, Israel gathered back. Feast of Atonement – Israel recognized their Atonement. Feast of Tabernacles – Israel is in the Millennium. Amen. God gave them their

Feasts. Amen. But then there is something being revealed – an eighth day feast, amen, a promise—If there was a shadow of it in the Old, there must be a place for it in the New. Are you getting that? Because every Scripture has to be fulfilled! I'm teaching you tonight. Bro. Branham taught it, but Paul must teach it first, because if an angel says anything but what Paul said, let it be accursed.

Let us see if Paul taught that. Turn to 1st Corinthians 15. Leviticus 23:36 we found it. Let's find it in 1st Corinthians 15 now. Let's see if Paul taught it, because Paul taught about the Feast of the Passover. Is that correct? Christ our Passover, Christ our Unleavened Bread. Is that right? Then he said, "Christ our Firstfruits." Amen. Then if Paul taught all those feasts, you mean he would miss that eighth day feast? [Congregation says, "No." -Ed.] Do you think Paul would miss it? No sir, not that Eagle. Amen.

1st Corinthians 15 verse 20. Look at him here. From verse 20 we're going to read and I want you to see how he started with the Feast of the Firstfruits, and he goes right on to the eighth day feast, the Holy Convocation. Notice:

*20 But now is Christ risen from the dead,
and become the firstfruits of them that slept.*
Amen.

*21 For since by man came death, by man
came also the resurrection of the dead.*
He was teaching Leviticus 23. Amen.

*22 For as in Adam all die, even so in Christ
shall all be made alive.*

23 But every man in his own order...
He's showing you God is a God of order.

*...Christ the firstfruits; (amen)
afterward...*

Here is the order – afterwards. Because that Word *order* is a military word he used – *rank and file*. Amen. Coming in order, coming in your rightful place. He said:

...Christ the firstfruits; afterward they that are in Christ's at his coming.

24 Then cometh the end, when he shall have delivered up the kingdom to God, even the Father; when he shall have put down all rule and all authority and power.

25 For he must reign, till he hath put all enemies under his feet.

That's the Millennium. He's going to reign in the Millennium. Amen. Everything is going to be under His feet. He will rule the nations with a rod of iron.

26 The last enemy that shall be destroyed is death.

27 For he hath put all things under his feet. But when he saith all things are put under him, it is manifested that he is excepted, which did put all things under him.

28 And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all.

Amen. So after the Millennium there is a time Christ is going to come now and surrender the Kingdom. Amen. Hallelujah! Then God way back in the beginning when everything was attributes in Elohim, (hallelujah! glory, amen,) in the great Eternal Fountain when there was nothing, not even a star, atom or molecule, nothing, amen, was back there, everything was going to come right back there, the great Eternal, amen, that God may be all in all after the Millennium. Because He shall reign first, Christ, the Firstfruits, then we after. When? At His Coming. That's this Hour here. We are coming forth now. Adam, Eve and Eden in the Kingdom. Is that correct?

And then Paul speaks of a time. So from verse 20 he begins with the Firstfruits. In verse 28 he ends up in the feast after the Millennium. So he has the Feast of the Firstfruits, then the Feast of the Pentecost where

the Church was called. We after that, Christ, Seven Church Ages, the Church coming in, to come in at His Coming. Is that correct? Then the Feast of Trumpets and Atonement for Israel. Amen. It's unwritten but it is there, because he jumped straight to the Millennium. It must come before the Millennium. That's the last half of the seventieth week in there, then the Millennium when Christ shall reign. But he doesn't stop there. He goes to Leviticus 23:36 and he begins to teach something. Do you understand what I'm saying? Alright.

So we're establishing that. What are we establishing? The fact that after the seventh Day, after the Millennium, when time ceases, there is an Eternity. There is a perfect Kingdom. Amen. It was so in the Old Testament – Leviticus 23. Paul taught it (amen) and looked for it also. When John saw the vision, he saw it happened after the Millennium – a New Heaven and a New Earth – after the Millennium was over, after the devil was already destroyed; no more devil. Amen! Aren't you glad? Amen. Glory!

So here he was dividing for us the seventh thousand year, the seventh Day from the New Heaven and the New Earth, and he was showing us the New Heaven and the New Earth comes after the Millennium. Now watch what I'm bringing here now. Then after the seventh Day and the New Earth, comes a baptism of Fire. When is the earth to be burnt? Because that is what we're going to strike here. But I had to lay it out for you first to see there is an Eternity. But what puts you in that Eternity? The baptism of Fire. If that Fire didn't come, it's the same old earth patched up. Amen! Oh, thank You, Jesus.

Look at evil on the world tonight. The world is insane. This world got baptized, got sprinkled with the Blood, but hasn't got the Holy Ghost yet. Hallelujah! There is a church on every corner religious as they could be (is that right?) but they don't have the baptism of Fire. And

brother, if they don't get a baptism of Fire and stay in this condition, could you imagine what's going to happen for the next hundred years? Amen! Could you imagine what it's going to go to if Christ doesn't come and reign? Because He can't come and reign, brother, except He actually binds that Serpent, puts him aside, renovates the earth, and comes there in the Millennium. But that's not the New Heaven and the New Earth yet you know. That's only a honeymoon, only a rest period. Sin isn't dealt with completely away yet. Amen. So then watch.

You talk about a Christian, it's the same plan for the earth and for the man. This is where I am going. I want to get personal. I am fat all now. I am very fat right now. Amen. May God burn some of your hides out tonight here before I go! Amen. Hallelujah! Burn that cosmos out. If right now some of you are only baptized in water like Noah, and some of you only get sprinkled with the blood like in the days of Jesus, and you have no baptism of Fire yet—What happened to the world after it was baptized in the days of Noah? It went right back into sin. So baptism is nothing. You got baptized in water, praise God. The water washed away the filth. Amen. All your different wisdom of man, all your little education or little social status, you went in the water and the flood washed it away! Amen. Then you're coming and you get sprinkled in the Blood. Under the revealed Word the Blood sprinkled you, seven drops of the Blood, amen, a Fountain of Immanuel's veins (amen,) pouring out upon you, but you haven't gotten Fire yet. Amen.

Your mind is only being set in order for holiness. Amen. You're learning that God is God. You're learning that God is holy. You're learning all these things about God. Amen. But you need some Fire to get your little politics out of you burnt out, to get your little funny, [strange -Ed.] air polluted atmosphere out of you. Amen. All those little cranky spirits, all those little funny spirits

in your atmosphere, (hallelujah!) you need that to be purged out with Fire! All those little strange atmospheres, all those little lustful spirits; (amen, hallelujah) all those little Hollywood fashions, you need some Fire upon that. And if the Earth doesn't get that fire, brother, it's going to be in that same condition. You could get polluted back until you come like Sodom again, until you come back like Gomorrah again. You think of what Adam was—Peter said, "The world that then was that destroyed in the flood;" the 'you' that then was before you got baptized. Hallelujah!

Oh, I'm feeling good, amen. Brother, my clothes are too tight for me now, amen. Hallelujah! Then he said, "This present world, the 'you' that is now, (amen,) and the 'you' that is to come, (amen,) the 'you' that you're walking into, the perfect 'you', (hallelujah!) back to your theophany where you know all things!" My!

Oh, I want to prove to you by the Word, by your experience as a Christian, (amen) by the process of redemption that you're coming through, that if you went through it and you're going to be changed in the resurrection and get a new body, (amen) new life, everything; brother, a body that doesn't have any sickness, a body that won't have one earache, toothache, knee-ache, anything; a body that won't have one carnal lustful desire; no law of sin inside of it. Then if God does that for you who are part of it by the plan of redemption, then there *must* be a New Heaven! There *must* be a New Earth! Because a resurrected man in a glorified body who will be perfect proof and a token of what is to come for the Earth, because the man comes through the stages before the Earth. And at the end of that stage, he comes back out new brand. Is that correct?

Jesus went in the water, He said, "Father, sanctify Me for their sakes." He was filled with the Holy Ghost. Amen. He comes with a glorified body. Amen! Every one of His sons and daughters are going to come the

same way. Their very earth, their inheritance is going to come the same way. Amen. Oh my!

I'll leave tomorrow night so don't be frightened about me. [Congregation laughs -Ed.] I'm leaving late tomorrow night so I have a lot of time here to spend if you have a lot of time. Amen. But you see, what I want to show you is that how man polluted the atmosphere and destroyed the heavens, and how man with their industries and inventions, destroyed the Earth. And I want to show you how religion destroyed man's soul, his atmosphere, polluted it, and how science destroyed man's bodies, his earth. Amen! Hallelujah.

But in the resurrection, amen, at the last Trump; and six Trumpets have already sounded, (amen,) and we are gathered for the sounding of the last Trumpet, and at the last Trumpet time shall be no more. Amen! And the Voice of the Archangel is the voice of the resurrection, because Abraham and Sarah got a new body after they met Elohim. And we have seen the last sign. And between Elohim being revealed and a new body there is a baptism of Fire; something warm over you. Amen. All of a sudden you come back to a young man, a young woman. Something happened in your molecules. Amen. Hallelujah! Hybrid food, no matter what it does to you, brother, when that warm thing passes over you, when the Logos broods upon you, (amen,) watch your earth come right back to perfect earth. Amen! Watch where you stand again. My!

I tell you we're in for a time. Amen. The *Future Home*, he was dividing for us, showing us the New Earth comes after the Millennium, after the seventh day; new Eternal Age, new Eternal earth. The New Earth and New Heaven comes after when? The seventh day. And the seventh day, the seventh thousand year, the Millennium was a type of the seventh Age. Amen. And after the seventh Age then we're coming to what? The resurrection. Is that right? The resurrection comes at the end of the seventh Age. But then there is a baptism

of Fire to bring forth—this mortal shall put on immortality; this corruption shall put on incorruption. You mean to say right now you are hopping out to service. Brother, you have pain in your thigh (amen) or arthritis in your bones; you could hardly make it. By faith you're coming along, diabetes all kinds of things; brother, sugar in the blood, amen, brother, all kinds of demons tormenting you, but you're coming anyhow. Hallelujah. But you have a promise. Amen. Hallelujah.

He said, "You're going to begin to see those who went on. You'll begin to see Bro. Noel. Amen. You'll begin to see Bro. Prince. Amen. You'll begin to see all these brothers begin to come up. Amen. And as they begin to come up, what begins to happen? You know that something is fixing to happen. He said, "The world will not see them, but you will see them." Hallelujah! Just like the world can't see Christ right now, but you're seeing Him in the fulfilment of His Word. "The world will not see Me, but you will see Me," He says. Hallelujah! Anointed eyes.

And when they drop down to you and you begin to see them, all of a sudden your arthritis disappears. It goes right back on the devil. Amen. All of a sudden your bones turn and become new bones. Amen. All of a sudden you, brother, all those bald head, those hairs come right back on, Bro. Campbell. Amen. You don't have to be afraid of anything. Amen. Bro. Michael, you don't have to be afraid of anything tonight. Amen. Glory be to God! Hallelujah! All of my old, gray hair comes back black. Amen. All of Sis. Joy's gray hair comes back black. Amen. Brother, all who is big and fat (amen,) they get back down slim and nice, their right size; comes back to eighteen to twenty. Hallelujah! Oh my! What's going to bring it to pass? God's Word! Because you're abiding in God's Word. It's going to happen.

It happened to Abraham and Sarah in a shadow and a type. When? After Elohim was revealed at the end of

the seventh Age they went to a new body. Amen! Hallelujah! Oh my! Abraham came through water like Luther, (amen) came through Blood like Wesley, (amen) and, brother, got the outpouring of the Holy Spirit like the Pentecostals. It was baptism after baptism after baptism. I'm going to show you how when the baptism of Fire comes upon you, it's from faith all the way to charity; a continual exploding, exploding, blowing the flues out, volcanics inside of you; blowing your flues out, everything, amen, pushing you up into a pyramid shape. Then Jesus, Himself, the Capstone, will cap you off. Then your light will not be hid. Such as I have, give I unto you. Amen. Watch a man, watch a son and daughter of God.

He was talking about us; not just the natural city. Amen! The baptism of Fire is from faith all the way to Perfect Love. Baptism after baptism after baptism (amen) exploding, throwing out the world, burning the lust out, burning that out, burning the other out. Let me tell you, that fire that comes upon the earth at the end of the seventh Age to bring on a New Earth will not stop burning until it's a New Earth. And the Holy Ghost, the Earnest of your resurrection inside of you will not stop burning until you have a new body, hallelujah; will not stop burning until, brother, your thoughts have changed, your desires have changed, your thinking has changed. Amen. Glory be to God in the highest! Until your very flesh is changed. Because when faith is quickened, you will change from glory unto glory unto glory unto glory. What is the last change? The outward body at the last Trump. Oh my! Glory! Think of what it is.

Oh, right now I could see earths burning. I could see they are exploding. They are going into convulsions. God throws some of them into hard trials, throw them into convulsions. Amen. They begin to spew out all their lava and all their old lover or lava, whatever you want to call it. Amen. Glory! Thank You, Jesus. Amen.

Until old things are passed away and *all things, all things, all things* become new in Christ. Any man in Christ is what? A new creation. Old things are passed away; *all things* become new.

No wonder I want to go tonight, Lord. Amen. I'll cross that bridge. Amen. We're coming across that bridge. There will be some Fire that hits us on that bridge. He said, "Ephesians is the bridge between denomination and Glory Land," (amen,) *Paradox* 1965. What is happening? We're on the bridge and we're coming over. But there is a baptism on that bridge; seven steps on that bridge to cross over. Glory! Hallelujah. Oh my! I know it's nothing but the truth, the Future Home. Amen.

In 1964 August, he went to John 14, showed the Future Home, Revelation 21. Then that was the literal side of it. Then in 1965 December 5th [Things That Are To Be -Ed.] he checked on the spiritual side. He said, "It's theophanies." He wasn't contradicting himself. It was compound. Amen. A literal City and then there is a celestial body also. Amen! Oh, thank You. One prepared with gold, and pearl, and sardonyx, and rubies, and sapphires, and one with the Word. Amen. Nothing else but the Word. Glory! Amen. My! Brother, it is going to be pretty hot in Norway, I tell you. Amen. Amen. Now watch.

So if there was something promised after the seventh Day after the Millennium in the New Testament, then there had to be a type of it in the Old Testament, because the New Heaven and the New Earth were promised after the Millennium. Then Paul was speaking about a Kingdom after the Millennium. Then Paul and they found it in Leviticus 23:36. After the Feast of Tabernacles it was coming. And Peter having a vision sees that, that is when the baptism of Fire comes after the seventh Day before the New Earth. And God was laying in there a mystery of the baptism of the Holy Ghost coming at the end of the seventh Age when the

Capstone Himself, the Logos Himself, comes back, (glory, amen!) brother, to bring a people all the way right up to a new body; to bring up them from faith to brotherly kindness. Not just live out part of the mystery, but live out the full mystery of redemption. She will be His victory and the reason of His death. Amen!

In this Age some will not fall asleep. Is that what the Bible says? Oh, some people's age will come from flesh back to Word, back to the new body. I believe I'm one of them. I don't believe I'll go in the grave! I believe the hour of my change is come. I believe God is revealing these things, (amen) to help bring on change to others also.

Now, I want to make a jump here. I want to establish something. Whatever that baptism of Fire, which is the third phase in the plan of redemption for the Earth and the same plan is for man, whatever that does to the Earth it is to do for the man. Is that right? Oh my! We already found out in the time it is to happen in type it is happening also, for these things did not come in the Church Age. It comes at the end of the Age. Then let us see what it's going to do for the Earth.

Because remember, God didn't make the lions fighting the lamb; eat up the lamb. God didn't make the wolf and the bear fight. No. It's sin did that. Man fell. God didn't build all these cities. God didn't do that. The Bible only talked about one City that God built – New Jerusalem. Man built Port-of-Spain, man built San Francisco, man built Los Angeles, man built Paris, man built Rome, man built all these things. And all is going to perish, because it came from the Serpent's seed – Genesis 4. We had that on *The Two Edens*. God took six thousand years to build up His Eden. Then sin came and brought this Satan's Eden: science, hybridization, weakened the race, pollute the air, pull out all the elements of the Earth. Amen. All their false religions to pollute the soul and the mind of man. Amen.

Notice. So 1st Corinthians 15 we see Paul was teaching from the Feast of the Firstfruits right on to the eighth day feast, the Holy Convocation after the Feast of Tabernacles, the Millennium. Amen. Then the same chapter, chapter 15, notice; same chapter, chapter 15, Paul drops down and begins to speak about what? The change of the body. Is that right? New Earth? This mortal will put on immortality; how it will change into a new body; it will pass from one condition to another? Now watch. Peter [2nd Peter 3:10 -Ed.] was saying here:

¹⁰ But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away...

Now what does that mean? This is where a lot of the theologians get confused. And it says:

...the earth also and the works that are therein [will all pass away].

¹¹ Seeing then that all these things shall be dissolved, what manner of persons ought ye to be...

You're lusting after a motorcar right now? It doesn't have any motorcar in the Millennium. Could be within five years, could be within four years; it's so close. It doesn't have any motorcar. Let me tell you, you picture a woman in a really old dress, old tattered garment. Everybody gets conscious of her now because it's the same old dress she is wearing over and over and over. It is bursting at the seams, it's moth eaten, it's faded out. And she's living in a house that in the rainy season here, water is under her bed, the galvanize is leaking, cold breeze is coming through the boards. See? Brother, it's stuffy, full of dust, woodlice, all kinds of spiders and lizards and cockroaches infest the place. And then that woman comes and gets a nice, new brand dress and a nice, new house. Won't you feel glad for her?

Do you think that is possible that man in the natural could do that? A man in the natural could say, "That

woman is suffering. Let me buy a bed for her; buy a nice piece of cloth and get it made just to fit you nice how you like it.” And said, “And this old house you’re living in, move into a better apartment.” Alright. And a man could do that. Jesus said, “If you are evil and know how to give your children good gifts, how much more your heavenly Father? You mean you’re in this old body, it’s full of disease, and evil, and pain, and all kinds of different things, teeth falling out, ears going deaf, eyes full of cold, heart fainting, murmuring, (amen,) and this earth you’re living in is full of sin, and disease, and sickness, and hospitals, and graves, do you mean God can’t bring a new body and a New Earth?

That’s exactly what is happening. That’s exactly what is happening. The same way nature in a man will move him to help humanity in that kind of condition, God in a higher level, (amen,) in a higher level is seeing you in this old, sick body with medical bills, this—God never made man to be sick to begin with. God never made man to have one gray hair. God never made man to have one toothache or earache or backache. Amen! God made man for perfect joy, perfect happiness, perfect health! Amen! God never made the Earth to be pulled up, brother, and build all kinds of aeroplanes and the war industry and they build all kinds of bombs and tanks and jets and motorcars and they’re driving ninety miles per hour running down people; want to kill them; bouncing them down. Their inventions of peace are killing more people than their inventions of war, smoking up the place, polluting the air and everything. God doesn’t do that. Man does that.

So when we see the Bible begins with an Eden and, brother, ends there like that, we know it’s true. It has to come. Every seed brings forth after its kind. When you see a man in perfect health in a body, brother, created by the hands of almighty God, amen; man that is reflecting God, perfect health in an environment no pollution, no evil, no sickness, not anything, they could

look at one another and not even know they are naked; such holiness and innocence. Oh my!

What are we talking about? Amen. It's all in the Book and it's coming sure as ever, because let me say this, (amen,) because the Scriptures speak of a New Heaven and a New Earth. It isn't hard to believe that. Is it hard to believe that? [Congregation says, "No." -Ed.] God promised it. Because the resurrection is what? The full redemption. The resurrection is the change of the body, the redemption of the purchased possession, the adoption, the redemption of the body. That is what the resurrection is. Right now you are partly redeemed. Bro. Branham says it's your full redemption. Amen. The same plan of redemption God redeemed the redeemable attributes by—Do you understand how I'm saying that? For only those who were in His thinking are who is being redeemed. Are you tired? [Congregation says, "No." -Ed.] You have a few more minutes? [Congregation says, "Amen." -Ed.] Alright. I am barely scratching here, you know. I want to get a certain place, but I want to put this in too.

See? The same plan. Why is He redeeming the Earth by the same plan? Because man is part of the Earth. Because the Earth was in God's thinking too. Do you know that? Who said, "Let there be an Earth?" God did. And what is a word? A thought expressed. The Earth had to be in God's thinking. So the Earth was an attribute of God. So then when the Earth fell, God had to make a way to bring back the Earth, (amen,) because our body is part of the Earth.

And look at this. In this Hour here under the revealed Word what have we seen? Haven't we seen all the redemptive blessings? Let there be a squirrel? Little fishy, Jesus Christ gives you back your life? Have you received fellowship with God? Haven't God and man come back together? We see a super sign: heaven and earth united together, the Word made flesh? Amen. Haven't we seen the mystery of redemption being

revealed? Aren't we preaching them tonight? Isn't the Seventh Seal Book that was sealed up before the foundation of the world opened and the mysteries are being sounded to the Bride? So God is revealing by His Spirit to them who will be there what they're going into. Amen! Why is God telling you these things? Because some of you are going there! Hallelujah! Amen. My.

You think of it. Look tomorrow night I am leaving to go to Norway, Bro. Tony [Hudson -Ed.] and myself and I have been in communication with the brother there. We already made the arrangements and I don't know him face to face. But on the phone he is speaking there and I speak to him and there is a communication lip to ear. Amen. Hallelujah. And then here I am with you and you're seeing me and you're hearing me preaching to you tonight. Like Paul that night preached long. I hope Eutychus doesn't get up in the window. Amen. Glory.

And here we're getting ready to go overseas and we're fellowshipping around the Word in a heavenly atmosphere, singing about that land, that Eternal City, and the mystery of how it relates to us right now in the spiritual form. The same thing is happening. And here we are caught up in that Spirit. But then tomorrow I'll be gone. You want to look for me but you can't see me. You could go and find the house that I used to live. If you go there, you can't see me at all. I'll only be a memory. I'll be in another land. I'll be among some other people. Amen. If God tarries and gives us life, amen, brings us right back among you again like a resurrection now. Amen. Here you touch me and handle us; we're together again. Amen. Glory be to God! These things happened in the natural, but that is only a shadow of a shadow of a shadow. There is a greater reality, but it speaks of something happening. Amen.

So here we have seen that the redemptive blessings; we have seen the mysteries of redemption. We have seen the Seventh Seal Book of redemption opened up.

And here we are in the verge of the sounding of the last Trumpet, the Trump of God, (amen,) the Seventh Trumpet (amen,) when we shall receive the new body, the adoption, the redemption of the purchased possession. We're on the verge of it! We have already seen the last sign before the new body. Oh my! The Message of the Hour, the Seventh Seal. Amen. Because this Seventh Seal Message of the baptism of the Holy Ghost and Fire is what takes you to the new body.

Don't you know when the Holy Ghost comes and quickens that seed you have the earnest of your resurrection; you're potentially in the resurrection already; your fire starts and it begins to explode, explode, explode, pushing you up to a pyramid; then Christ Himself will be at the top, and His Light, brother, is flooding your whole life, your whole pyramid life? Do you understand what I'm saying? You don't need church light anymore. You don't need man's light anymore; no little light of theology anymore. The Lamb will be the Light of your life. In Him is Life and His Life is the Light of men; and a City on a hill cannot be hid. Because God comes down. The tabernacle of God is with men. God comes to dwell on the earth. The earth after it's pushed up into a Pyramid by its baptism of Fire, God comes at the top, where His Throne of His Kingdom that is established will be seen around the world. Do you understand what I'm saying? Oh my!

Right now she's exploding, she's exploding. All kinds of flues, when the Word comes, brother, and the volcano begins to belch and, brother, fire is spewing out, out of the mouth of the volcano, (amen!) brother, burning up all the thorns, all those little stickers. Do you understand what I'm saying? They're sticking this one, sticking and the Fire begins to burn it up. Amen. Glory! What is happening? It's because God, amen, what He's going to do in the natural, because what that baptism of Fire does to that Earth, the baptism of Fire does to you who comes by water and Blood also. Oh my!

I tell you, he's is speaking of the baptism of the Holy Ghost, because in Pentecost they were saying they had that baptism. And he said when you get that, old things passed away. It's all burned out and gone. You don't have—sin is as dead as midnight. It doesn't exist; a holy man's taste (oh my, amen!) inside of you, a deep calling for unseen reality. You just can't go along with your little church life... [Bro. Vin steps away from the microphone -Ed.] No sir! That baptism of Fire is taking you on to a new body, a resurrection, an Eternal Life with an Eternal God! Amen! The Seventh Seal, the Easter Seal, the Resurrection Seal, the Message of the Hour, Jesus Christ, that Pillar of Fire. He said it's not just a natural fire. It's a holy Fire cleansing the very thing. Our God is a consuming Fire! My! Oh my!

It clears up all your channels of reasoning and imagination and conscience and memory, blowing out those flues. Friends, forgetting things that are passed, blowing it out. And all the while you're pushing up like a pyramid. Brother, a sixty degree angle like that coming up. Amen. Glory! And you are on your twelve foundations of the apostles and prophets' Doctrine. Amen. Glory! Brother, inside of that City can't have any whoremongers. Only whose names are in the Lamb's Book of Life are in that City. My, my, my, my. Amen.

The Holy Fire of God burns up desires in your life, burns up the politics in your life, all those little shrewd Jacob selves, work this out, work that out; set this one here, scheming here, exploit this one over here. Your little politics, burn it out! It will do that for the earth. It will do that for you. Amen. Amen. It will change the earth. Not the earth will go away and then we get a next earth. It's the same earth passing from one condition to another. Oh my! It's not a new heaven. It's burning out all the germs and diseases and devils out of the atmosphere – all those jealous spirits, envy spirits, crabby spirits, contrary spirits. What kind of

atmosphere is that brother in? Amen. Get in an atmosphere of love and power, (amen) the Holy Ghost, the Token. Amen. Come brother, that's God's Presence. Don't be afraid. Amen. Hallelujah! Another atmosphere. Amen! Oh my! My! Isn't God good? [Congregation says, "Amen." -Ed.] My, my, my, my.

It will send many to go and read the *Future Home* now. It was inside of here all the time. It was lying inside of here all the time. A lot of people want to talk natural city and argue about the City and the Millennium and all kinds of different things. He's not talking about that. He is talking about that too, yes, but it's something else. Amen.

You mean a Fire is going to come and say, "Alright Satan, turn this world loose now, (amen,) because I'm ready to set up My perfect Kingdom on Earth." And when that Fire starts it didn't say how long it is going to burn for. Did it say? After the seventh Age it didn't say how long it will burn for. It will burn and by time it's finished burning it will push up like a Pyramid with God on the top. Amen! New heavens, New Earth. Oh thank You, Jesus. Oh my!

But if you don't get that Fire—Look at the Earth tonight without fire. This world was baptized, you know, totally baptized. Look at the world too; the world is baptized too. Satan's Eden is baptized too. You say, "But I got sprinkled with the Blood." Yes, this world got sprinkled with the Blood too. Look at night clubs, look at calypsonians, [one who sings calypso, a genre of music -Ed.] look at un-Godly fashions, look at immorality and vulgarity, look at divorce, (amen) look at sin and yet it is baptized and got sprinkled with Blood, and a church is on almost every corner. But look at the atmosphere. Man could hardly live on it any length of time. They are born with all kinds of diseases and fall out and pollution and radiation and all kinds of things turned loose in the atmosphere. All kinds of diseases and germs loosed; devils.

That is the man without the Holy Ghost right there. That's the man who needs a baptism of Fire. Look how far this world is right now in its condition from what we're seeing: no more sorrows, no more tears, no more pain. The Lamb will be with them. He will wipe out—No more death. "No more pain," the Bible said! Could you imagine this world tonight with no more pain? You wake up and get into an accident in the morning, or invasion, or an earthquake, or something happens, or some disease or you have to get inoculated; some kind of germ going around; or we get the virus, or the little child pick up diarrhoea, or something happen over here, or you get gastro. Then if you could see the Earth is coming to that, wouldn't you have hope for yourself tonight too though you might be in a certain condition, you could walk into the baptism of Fire, and It could cleanse all that tonight.

This Earth will pass from this condition into that condition by the baptism of fire. Then can't you have faith for you tonight? That the devils might be upon you, lustful spirits in your atmosphere, amen, brother, your earth wants to fall in almost with earthquakes; (amen!) your sky is very dark and storm and tornadoes, (amen!) but this Message, the baptism of the Holy Ghost and Fire at the end of the seventh Age in an eighth day, in a Holy Convocation, what is that for? To turn you loose and pass you into another condition.

You could have that tonight on the basis of God's Word being preached to you, and the Presence of the Holy Ghost in this building tonight to confirm it. Amen! I'm preaching to you the Bible and the Message and in your heart you know that's the Truth. Then why can't you go a little further than that and say, "I believe God. I believe God." Amen! Make one step further tonight. Oh my! Amen. We have seen the last sign. If God by His plan of redemption gives us a new body, can't you believe on a New Heaven and a New Earth by the same plan of redemption? Amen? Listen quickly.

Page 10, he said: *Now, we understand here that these two Scriptures... The reason I read II Peter the 3rd chapter and compared it with Revelations 21, they both here are speaking the same subject, but John ... never wrote it out like Peter did. See? We understand that this great home of the Bride is to be here on [the] earth.*

Now you see Peter is seeing the baptism of the Holy Ghost. John is seeing the new man back in Eternity. Do you understand what I'm saying? Oh thank You, Jesus. Don't just see a new Earth; see a new man in perfection. And don't just see an Earth being burnt up; see the baptism of the Holy Ghost to take you there, and see where it happens at the end of the seventh Age, the Millennium, the seventh Church Age, the Feast of the Tabernacles in that eighth day. This is a message I am teaching that ties in that man redeemed by the Blood and will be in that Eternal Church Age at the end of the Seven Seals. Isn't that what it is? Isn't that what the masterpiece and these things are all about? Isn't that what we've been saying? Oh my!

...the Prophet said ... "I saw a new heaven and a new earth." [He said:] It sounds like there comes [an] annihilation.

Bear with me a little more. The Presence of God is right here in this building. And I know we have some here, they have demons in them. They don't want them like Legion, but Legion was willing to come with his demons anyhow. If he could fall in Jesus' Presence, that's enough. The Lord will take care of that. Amen. Sometimes you have your little spirits in you, but you come. He has Fire to burn it out and give you a new atmosphere. Oh my! Just have faith and believe God tonight.

We're going to close out. Let's just get right, get every heart right. Let's understand what the Holy Spirit has been trying to communicate. It might be long for some of the strangers, but just bear it by the grace of God. Tonight could be a change in your life too even right

here; something to take you on closer to God, bring you to a greater realization, give you joy in reality. Not any little thing the world could offer but give you peace that passeth all understanding; give you a hope that you can look beyond this world and see there is a promise in God's Word fixing to come to pass tonight. Amen. This is what it's all about.

Look God sent a prophet before the water. Is that correct? He sent a prophet before the Blood and He sent a Prophet before the Fire. Do you understand? God doesn't change. They can accept a prophet before the water and the Blood but they can't accept a Prophet before the Fire. But He promised one; and He did send one. Amen. He said, "When I say the heavens and Earth pass away it sounds like annihilation."

He said: *Now, John explains the change and ... how it comes about; he doesn't explain it rather, but Peter does.* [Peter explains it.]

But we turn back to II Peter now, to find out Peter explains how this process will come about. Now, if you'd look at what John said, it sounds like, "For the first heavens and first earth was passed away," annihilated."

Now get it. I am going to strike a thought here and close on this thought.

[And] *that sounds very strange...* [He said,] *...that's what struck me...*

This is where the inspiration starts to break to him and he started to explain how he got the message. Right there, that is what struck him. He said the first heaven and the first earth passed away. He said, "Its sounds like an annihilation and then He goes on to recreate a new heaven and a new earth." He said, "No." Listen here.

But it's clear that both of [them] ... were [speaking] of the same thing.

He said: *...these passages one might ... be led ... to believe that the whole planet of this earth will be*

destroyed. ("I make a new heaven and a new earth." See?), that the heavens will be gone and the earth will be gone, completely annihilated. But a close study, and with the help of the Holy Spirit, we can see the truth of this...

And how can that be proven? Just by you again. Just by your life that would prove it. You see, God doesn't change. That is why you can have faith in God. What He did yesterday He can do today! His works are perfect. His thoughts are perfect. He'll never deviate from what He did the first time! That is why you can depend upon Him because if you meet Him next thousand years, He will be the same way; not one iota different. Amen.

It is only the atmospheres around it and the sin that's upon [it] will be destroyed. ...we realize that the heavens means the atmospheres above. ... What does it do?

... Then [all] these thistles, and sickness, and death, and politics, and sinful man, and sinful woman, and evil spirits will all be gone away...

You watch all those Jezebel prostitutes, filthy, man drunk, a gangster walking with a gun down in his waist looking to rob some poor, old lady; brother, all kinds of evil spirits all over the place. The city is filthy, all kinds of men drunk; men selling cigarettes to poison the people. The Surgeon General is saying it is not good for your health. They put it on the box but they are still allowing the people, their own mankind and humanity to partake and destroy themselves with it. See? They are talking peace and making more and more bombs, nuclear bombs and now they want to go and live in space.

He said: *We'll prove that by the Bible. Right here is where we live.*

Now notice, thistles, germs... [We're closing out, you know. Just listen carefully.] ...all sicknesses, and things will be completely taken away. All of this is existence that's in the earth now...

All these things are in the Earth now: sickness, disease, rape, hospitals, robberies, murders, rapes. They are all in the Earth now. We know that. Wars and rumors of wars are right here.

...manmade systems, politics, sin, all kinds of evil spirits that the world is contaminated with [it]...

Not just the Earth and the atmosphere, man too. See, man is deformed. A man dresses up like a woman, wants to take an operation to change his sex. Men want to become women; women want to become men. All kinds of weird things are going on. Priests are marrying a man to a man. Gays want gay rights. All kinds of things. This Earth, you can imagine look what it was in Eden and look what it is now. But look what is promised to come back. Look what you were in God's thinking. Look what you are now. All three stages: the world that was, the present one, and the one that is to come. Oh my!

So he says, [notice] *...and all the heavens above us in here is contaminated with evil spirits. Now, we're going to go deep and long in this.*

All this exists in the heavens, or atmospheres, and the earth which is now; this earth holds those things. But it wasn't made for that purpose.

The Earth wasn't made for that. All the things that are extracted—They pulled out all the iron ore. They make their tall skyscrapers, then they bring all the people to live right in the city. Brother, a little earthquake forms—because they pulled out all the fiber out the Earth to build all their nice motorcars, iron industries and all these things, then an earthquake comes and the whole thing falls in. Then they bring all the people to live close together right there, it breeds all kinds of sins and sicknesses and perversions and everything else.

Then they have to try to speed up the growth of nature because the people are multiplying too fast. Then they use hybridization and they weaken the race

and become a weaker race of people now with the hybrid food rotting them and killing them and throwing them into insanity out in the street there. See, these vagrants are all over the place, all kinds of insanity on that level there. There is insanity on another level, what they teach them in school: "There isn't any God. This whole world banged; it was the Big Bang that started the whole thing." They made atheists out of those communists, all kinds of different things. You see? But it didn't start like that. Amen.

And then man—let me show you. I don't want to pass this here. So when the Earth began to do this now; they begin to build industries and pollute the air. They begin to make hybrid food and destroy man's body. They begin to teach all their things in the science and their educational institutions, and their churches and pollute man's soul. See, make this one a Methodist, make this one a Baptist, make this one a Catholic, make this one a Jehovah Witness, make this one a Hindu, make this one a Muslim, make this one a Baha'i; all kinds of different stupidity, you see.

So they destroyed them in all levels, all forms. Their body with science, hybrid food; their soul with religion; pollute their minds with education all these things. See? And then their science destroyed the Earth, pollute the air, destroyed the very Earth; pollute all the waters. All the fishes are dying in the sea because of what they let off from all their industries killing everything. All their bacteria and things that they loosed into the air. All kinds of germs and diseases, all their fall out testing their weapons, their nuclear bombs and different things to destroy the other race with.

Was that God's plan for us? No, sir! Are we going to continue with that? No, sir! But God is going to change this Earth, change the system, and He will change the human being too. Oh my! I am glad He thought about us. You know when we see these things we can realize He didn't leave us to struggle here. He thought about

us. He made a provision! When He sent the flood in the days of Noah to wash the sin off the world, he [the Earth –Ed.] asked to be baptized. You're stiff necked you don't want to get baptized. He wants to do the same thing. When He went and died on the Cross and they stripped Him naked and they pierced Him with thorns and the spat upon Him and He took the wounds and His Blood, the price to redeem back the Earth, a Life being given to meet God's law of redemption to redeem what was lost and take it back to sprinkle on the Earth, amen, and the Earth, brother, had a hope now because there was One Who laid claim to it: "Give it back. I paid the price. You can't hold it any longer."

Then He comes and brings the Word to sprinkle with the Blood; by the sprinkling of the Blood and preaching the Word to you and then you don't want the Blood to fall on this. What kind of earth is that? Then He comes with the Fire (amen!) to purge it out and they're afraid of the Holy Ghost. They want it to come by a handshake or put your name on a book or something. Oh my, children, (amen,) believe every one of His Words! Take the water, take the Blood, and get ready for the Holy Ghost and Fire! It is only to make you a new creation. That is all it is – to make you a new creation. Amen.

So he says: *All this exists in the heavens, or atmospheres, and the earth which is now; this earth holds those things. But it wasn't made for that purpose. Sin caused it to be like that.*

Amen. Because he went into Peter and how Peter talked about those things in the different stages of it, how God baptized by water, baptized by Fire. I have to cut off a lot here, but I just want to strike one more thing. Okay.

Page 23: *He does the earth that He's going to use in a plan of redemption the same way. It repented and was baptized in water... Jesus come and sanctified it by dripping His Blood upon it and claimed it. And in the new*

earth that's to come, it's to have a holy fire baptism to clean it of every devil, every germ, every sickness...

You say, "Well my soul doesn't have a devil." You may have a devil of sickness in your body. God wants to burn that devil out too, amen; everything. Nothing can hide from that Fire. His Word is Fire. He is a Consuming Fire. He baptizes with the Holy Ghost and Fire. He is a God of Fire. He answers by Fire. Up till today the thing that can cleanse anything, the best thing to purify is by fire. If you're washing with soap, you still have to pass it through a steam process. Fire burns everything out. Amen. See?

"I saw a new heaven and a new earth." [John says.] You become a new person... [He ties it now.] You become a new person ... not just an old one patched up by joining church or trying to turn a new page, but ... a ... brand new unit.

What are you tonight? Trying to turn a page? Trying to live this life? Trying to resist the Holy Ghost? Sit there and resisting that Fire that could start an explosion, the volcanics to erupt, baptism after baptism, won't stop burning until you push up like a pyramid, until God drops down on the top and establishes His Throne and His Kingdom and the Light is seen from all around? Amen. Nobody should be afraid of that. You think about it.

Some of you have problems. The Holy Ghost wants to come in there to burn those negative spirits out, burn those fussing spirits out, burn those spirits that can't submit out to change your atmosphere, to put a better atmosphere in your home, and you resist it. You say, "Well, I baptized with water." And when you hear the Message every day and you are sprinkled with Blood but it went right back into sin. Baptism is not sealing you.

God takes the old man and burns him out... [makes him] a completely brand new unit. Amen.

Right. We are going to strike this here. This is the place we wanted to reach. I have to drop and leave it

out but I know the brothers will pick it up and we'll get it back some other time when I come back, maybe. Amen.

Now, many of you that want to put down this word, the Greek word, "pass away,"...

What did Peter mean? It sounds like it means annihilated. It sounds like it means it was done away with it and a new one is going to come. The word is p-a-r-e-r—I am going to spell it right, Bro. Branham spelt it wrong. I looked it up. He made a mistake in spelling it. It's P-A-R-E-R-C-H-O-M-A-I. It means *to pass away*. That is the word Peter used. He said, "That's the reason I spelt it. I can't pronounce it."

"Heavens and earth will pass away." Now, this word means "passing from one form to another." It does not mean annihilation...

So when Peter was using that word, he wasn't talking about the world being annihilated. Now you see where he was getting the inspiration to see there is a new man because when you get the baptism of Holy Ghost and Fire and you become a new man, a new creation in Christ, you are still the same person. But your thinking changed. Your desire changed. Your walk changed. Your spirit changed. New spirit, new heart, amen; new soul. Your nature changed. See?

...the English word would mean, pass away: it's annihilated. But ... the Greek word here does not mean [that] pass away; it means "from passing from one thing to another." ... [passing] from one condition ... to another...

Then he says: *...notice, Paul used it...* [Get it now. This is what I want to get.]

...Paul used it ... in Titus 3:5. ...[when he says it] means regeneration...

When Paul talks about the man being regenerated, he used the same word for passing away.

...not completely annihilated. ...he's a changed person. ...changed from what he was to what he is, not annihilated.

Jesus used the same word in Matthew 19:28--now, not 28:19 now, 19:28. [When] He said to them, "You've set with me in my Father's Kingdom," regenerated ... changed--when you're changed. He used the same word. ...He used the same word when He said [of] the colt; said, "Loose the colt and let him go."

The colt was tied up, (alright?) and the Master had need of that colt. It was tied. And Jesus told them, "Loose that colt!" In other words, let that tied colt pass from a tied stage to a free stage. Do you understand what I am saying?

What the baptism of Fire does to you it will do to the Earth. What does it do to the Earth? Makes it pass from one condition to the next. It looses it. It regenerates it. It passes from one condition to the other. It changes it. If you are tied, that baptism of Fire will loose you. If you are un-regenerated, it will regenerate you. Amen! If the old nature is there, old, stiff, worldly, carnal, lustful nature that comes by the first birth and you try to polish it up with a lot of message terminologies, when that Fire comes, It will burn that thing out. It won't pack you up with more knowledge or anoint your carnal knowledge, it will burn it out! Amen.

That is why a lot of people don't have the Holy Ghost. They stopped burning a long time ago. That earth when it gets the baptism of Fire in 2nd Peter 3, it doesn't stop until it pushes up a Pyramid and a New Heaven and a New Earth and Jesus Christ comes at the top. When that Fire ceases, every old thing, the former thing is passed away. Has your fire stopped already? You had emotional fire. You had sensation. When you have that Fire, you don't stop until you become a new man, new body, new spirit, new soul, (amen,) new thoughts, brother, and you have to go into a new civilization. You see? He loosed the colt.

...the same thing [he said] at the resurrection of Lazarus...

Death had Lazarus tied like death and sin have many tied tonight; dead in sin. Lazarus was dead there in the grave and when he was raised up, He said, "Loose him and let him go!" He was raised up, but still tied. He came out with all his grave clothes, all his 'mummy' clothes. Jesus said, "Let him pass from that tied condition. Turn him loose." As Bro. Samuels in Guyana says, "So he could lift those hands and praise God now." All his mouth was band up with grave clothes. He couldn't shout, "Hallelujah. Amen." Now he could shout—The Bible said the heavens will pass away with a great noise! Oh my!

Bro. Branham said, "What are you afraid of a little noise for?" Amen. He said, "I don't think it was a little noise like in Tucson, Arizona when the blast shook the Earth." It was a loud noise. He said, "No wonder when the Holy Ghost falls on somebody and begins to burn those devils and those sins and that old nature out, there is a little noise going out. Amen! They are up in the attic and they are measured. Amen. Brother, the sea of forgetfulness had some shouting going on. Amen. It exploded up there. Sometimes you hear our sister here shouting in the service. Amen. Why? She is exploding, amen! All the water is drying up. All the little gases and the old thing is blowing apart, amen! Hallelujah! If you can shout, say hallelujah. Amen. Thank You, Jesus. Oh my!

He said: *What does it mean? The earth will be loosed from the grip of Satan. It'll be loosed. It'll be loosed from politics...*

I want that Fire to sweep down in here tonight as I close this service and begin to loose people (amen) who wants to be loosed. Amen. What is the Holy Ghost and Fire? The Message. The Seventh Seal is the baptism of the Holy Ghost. The Seventh Seal is the Token. The Seventh Seal is the Pillar of Fire. It's Jesus Christ

Himself. The Seventh Seal is the Feast after the Feast of Tabernacles. Amen. There must of necessity be a return of dynamic power. You're working in a measure. It begins to burn a little bit, burn, and while the Headstone is coming down, amen, then one takes a flight through the skies. Amen.

It'll be loosed from politics; it'll be loosed from denominational religious systems to be used for the Kingdom of God, to be establish it here on the earth. But as long as it's in the hands of Satan, politics, Satan the ruler of the earth, he owns it. It belonged to him, but now Christ has redeemed it.

One time I was his property, but not now. One time that little woman [at the well] was his property, but not now (See?); He come to loose the grip of it. He loosed the grip of sin of Satan upon my life, upon your life...

You might have some old, dirty, filthy habit right now tonight. Amen. You prayed and prayed and prayed. Amen. Your praying didn't do you much good. It didn't reached the Throne of God yet. Amen. But, he said, the Fire by the grace of God could come down and burn that thing loose tonight. Amen! You could be loosed from it. Amen. Amen.

He said: *Have you often heard me say in prayer, "Take your hands off of God's property"? Amen. Have faith to claim your own. That's your rights. "Take your hands off of her." "Take your hands off of him." See? Faith will do it.*

Oh, my. Not annihilate it, but just, "Take your hands off of it," to loose it; let it go; pass it away. It changes; the earth will change; politics will change; the religions will change; the denominations will pass away; politics will pass away; the Kingdom of God shall be established.

He said not many days from now the Kingdom of God, what? Shall come in power. It comes from negative to positive. It's being established in the heart. What is going to bring it? How could the Kingdom of God be established without the baptism of Fire? How could the

baptism of Fire come before the seventh Day (amen) to bring a new man, a new body? Amen. See?

Revelations 6:14 ... John said "I saw the heaven and earth depart as a scroll," ... Jesus said, "Heavens and earth shall pass away,"...

All these Scriptures are the same word being used: pass away, pass away, pass away, dissolved. Amen. Dissolved. "Little children," he said, "don't you see the travail in the Evening Time?" This body is doing what? Getting ready to dissolve. Oh my! Your body has already come in a Raptured condition. This body used to speak all kind of lies and gossip and curse and use obscene language. Now it's only "Hallelujah" and "praise God" and "thank You, Jesus," breathing His Name in prayer. Your conversation is in Heaven.

These eyes that was an old 'peeping Tom' watching all kinds of filthy pornography, (amen) all kinds of spirits of lust upon those eyes. Amen. But then what happened? Then the Holy Spirit comes and anoints those eyes you begin to—those eyes are glued to God's Word; those eyes are glued to the Cross of Calvary. Amen!

Those feet that you used to go out in the world there, brother, run behind every little dress there, you run behind every bar room, move to every little beat of worldly music, but something struck that soul. That soul controls that spirit. That Spirit brings that body in subjection to the Word. Amen! Hallelujah.

Those ears, all they want to do is listen to all kinds of old wives fables and listen to radio and sports and you are glued to the radio and all these different things there. But what happened to those ears now? Brother, those ears were made to read God's Word—to hear God's Word. Faith comes by hearing, amen. Hallelujah! You are tuned in to the sound of God's Voice, the Voice of God in the last days. Amen! Hear His Voice. Amen. Why? Your body has turned heavenly. It shows it has come into a Raptured condition. Doesn't matter there

is a law of sin and Satan bombards you and bombards you and bombards you, trying to push you back into sin, but there is a continual explosion of that Fire burning and burning and burning, pushing you up. Amen! Hallelujah! And Christ is coming down to establish His Kingdom inside of you.

You're the same man in stature that you was when God called you: same woman. But you see what He did; it was a regeneration: the old life passed away; the old desires has passed away. [Amen.] Then you was Satan's instrument; now you are redeemed. And that's what the world will be, the same way, redeemed. A new heavens and new earth...

Amen. A new creature, new creation. *I'm a brand new man. Old things are passed away. I've been born again. More than a conqueror; that's who I am!* [Song #694 - Songs That Live -Ed.] Amen. The baptism of Fire to cleanse it. Oh my! I'm going to keep you too long. I'm going to keep you too long.

Notice, if the Earth doesn't receive its baptism of fire to cleanse it from all the filth and pollution and sickness and diseases and the devils, think of what condition it will be in at the rate that it's going in, even though it has been baptized with water and sprinkled with the Blood of Jesus Christ. And think of what the baptism of Fire will do to the earth (amen,) after the seventh Day, the Millennium. The Message, the baptism of the Holy Ghost and Fire does the same thing to the individual after the seventh Church Age, before the new body.

He said, "What will that City look like?" He said, "It's not a cube. It's not a big wall that you can't see the Throne and see God. It is designed that the King, the Light of the City will display Himself in that redeemed earth." It is designed for display; not to seal up. No wonder He said, "No man lights a candle and puts it under a bushel; a city that can't be hid. You are the Light of the world."

Do you see tonight? When you go home, read also page 17 to 21 from *Things That Are To Be*. I don't have time to read it for you. This body, this pest house, this earthly pest house came by sex. This world civilization came by sex. It's all going to be burned with fire to bring forth a new man, a new person. That baptism of Fire is all the way from faith right up to charity, pushing you up into a pyramid shape, (amen) Pyramid life that God Himself, the King of the City, Melchisedec, the Capstone, Jesus Christ, that great Pillar of Fire could come and hover over you, a walking Pyramid in Egypt. Amen. Glory be to God! Hallelujah! Amen. Brother, all the shadows are gone. It's the reality now. The Pyramid like Enoch casts no shadow. Do you know that? No time of the day. Amen. All shadows are swallowed up into the Substance of the shadow. From partial realization with the shadow to perfect realization, amen, it is standing there on the Earth. Amen. Abraham was looking for it. John saw it coming down.

What a day! What a day that we are living in! Aren't you happy tonight? Have you enjoyed the Word? Amen. I know I kept you long. It's about 10 minutes to 10 but nevertheless by the grace of God when we think of Eternal things, when we think of what God is doing now, when we see the time in the type that He is doing it and it's happening, that is what the Message is. This Message is the Token. He said, "We have had the water Age. We had the Blood Age. Now we're in the Token Age." Oh my!

It's so much. On and on we could go. The Future Home, what a place! The baptism of the Holy Ghost, the Feast after the Feast of Tabernacles. What does it do, a Holy Convocation? That baptism of Fire is to loose you (amen) from death's grip. It's to loose you like that colt that was tied. It's to regenerate you. It's to pass you from one condition to the next. It's to burn up all your little spirits. It's to purge out your atmosphere.

It's to change your body and bring a new earth. Amen! Amen. Quickening Power so quickened, even speaking a heavenly language in the Millennium. Do you think we'll be talking this old English in the Millennium? No. If you want to speak in tongues, in the Millennium you'll speak with plenty tongues. Amen. Glory be to God. Get your life right now. Amen. Thank You, Jesus! Amen.

Just think of it. We're leaving tomorrow and we covet your prayers sincerely. Pray for us that the Word would not be bound, but the Word would be loosed, turned loose. Amen. We just want to yield ourselves. It's not by might nor by power, but by His Spirit. We have learned to trust Him and see how He moved in times past and we've seen the effects of those prayers many times in the foreign field by the grace of God. We trust that those prayers will have the same effect.

And you pray from fervent hearts the same way, because we're not out there to play; we're just trying to represent Jesus Christ and be in His service, as the same as we just ask that you continue in His service. And I always go—I told my wife and I told my children, I said, you know, but my children they can't understand so much, but I don't know if this is going to be my last time going, if I may ever come back. But you see, the kind of life I live, I live a faith life ever since God called me and I became His property. I realize I am His property. Then where He sends me I will go; what He says I will do.

Brother, the Earth, this planet belongs to us from sea to sea, from shore to shore. Amen. We want to represent Him and speak a Word in season and just do God's service, because it becometh unto us to fulfil all righteousness. But you at your post of duty here, remain faithful. Amen. You have always proven to have the right type of behavior. You understand these things. You have shown that. I'm speaking in general. I know one or two have some little ideas but may God burn that out tonight and bring us all in one mind and

one accord. And may His love be shed abroad in our hearts. May we be so knitted and may we stand solid. Bro. Branham said, "The Hour is here. Don't be fresh recruits; be trained soldiers." Amen.

And you stand and give all the elders the respect. Bro. Rojas and the Ministers preaching the Word, and the others helping with the deacons and the trustees and the officers in the church, song leaders, musicians, everybody, we're expecting you by the grace of God to be at your post. Come out in the prayer meeting. It's most essential. It's most important. And may God help us that we could bring back a good report for you that it could encourage your heart and something that could let you know that the work is being done and we are nearer home. Then just think about it. Across the bridge there is no more sorrow. Across the bridge there is no more pain. The Bibles will be stacked one of these days. It will all be over. And when we get the call to come up hither and we look around there to look and see that smile on your faces. Amen.

When I heard Bro. Branham preach this message, (this morning about 3 o'clock in the morning I was there listening to it finishing the tape,) and as he began to come to the end of the message, he just began to break down and cry. And he said, "Oh God, how I'm longing for that City." And he began to sing those songs about that City and it had me so caught up and I came and I was telling the song leader, I told him, "Sing *Across the bridge*." He said, "I was praying home and God put that song in my heart to start the service." So I said, "Well we're in the same mind." Amen.

And we were there, we were trying to remember a song to sing and we didn't want—and the Mind of Christ just dropped down there in simplicity and said, "Sis. Leslie Ann, she sings the song." We could not even remember the name. I couldn't remember the name, he couldn't remember the name but we knew there is a song there. Amen. And what an atmosphere coming

out tonight and hearing the Word and feeling here now and knowing He's right here setting in the building. And before we dismiss that we could just worship Him a little bit, sing and then leave. Amen.

We have Sis. Marcia's aunt I believe from New York City. We're glad to have her here tonight that she could be in the service with us. Amen. She heard about a new City. Amen. May she have a real desire in her heart to go to that City one day! You know, many of you see those two little girls come time and time to service here in the years gone by; two little twins there—one little pair of twins I should say, and the mother is here and we're glad to have her, and all the other strangers and visitors in the service tonight.

This is true, friends. This is no fairy tale; this is true. Amen. If you're not a Christian tonight as I said, may this put a desire in your heart to be a Christian! If you're in this old body, this old pest house, you have no hope, you're going straight to the grave, think about it. We shall be changed in a moment, in a twinkle of an eye. Jesus died to make it possible and He has come back in these last days, opened His Word and He's gathering His Elect in this Hour. And that Blood will not lose its power till all the ransomed Church of God be saved to sin no more. Why refuse the water? Why refuse the Blood? Why refuse this Fire tonight? It's only to make you a new creature. Won't you be glad to be a new creature? We shall be changed, changed from this creature realm. Then there will be peace. Amen. The wolf will be tame. The bear will be gentle. Amen. The lion will lay down with the lamb. Just think about it tonight. What a hope we have as Christians tonight!

I want to sing a little song. I'm not going to sing and stand up and sing a special here tonight. Sometimes I think about these things. I always speak to myself. You know, I'm getting ready to go overseas; speaking to the church as a Pastor, I stayed with all these years trying to preach to you from my heart, from the depths of my

soul, consecrating my life to bring you the Word daily, and many times I go with it. I always speak to myself singing, *I'll see you in the Rapture*. And I was thinking tonight, I told Sis. Jean at home. I said, I'll see you in the Rapture, Bro. Weston. I'll see you in the Rapture, Bro. Leon."

There was a brother in Africa who was singing that song and it was so blessed and he just began to call out the names. But I can't sing, but I want you to help me sing that song tonight, "*There is a Land where we'll never grow old; I've heard of a Land.*" You've heard about it tonight. It's not too far. Amen. There is a God right here amongst us tonight Who is the King of that City. And right here are the delegates of that City that's built foursquare. Amen. We are not Trinidadians. We are pilgrims and strangers. Here we have no continuing city, but we seek one to come. When the saints go marching in, I want to be in that number. Amen.

Let's stand to our feet. Let's sing that tonight "*I've heard of a land*" just in worship, in adoration, with joy and thanksgiving knowing that that's what He promised unto us. And may God keep you faithful. May God bless you, give you the desire of your heart and remember to pray for us. Amen. We will be praying for you. And may God work all things for His honor and for His glory until we meet again. I'll call Bro. Alex [Bro. Ronald Alexander -Ed.] to raise that for me.

[Song #32 - Songs That Live -Ed.]

I have heard of a land...

Oh, just get mellow, just yield, just relax to the Holy Spirit.

...on a far away strand.

Oh, the Word had been preached now; just bathe in His Presence. If you have your *Only Believe* book, it's number 182. If there are strangers around, give them a book, help them; 182.

*Built by Jesus on High,
there we never shall die,*

'Tis a land where we'll never grow old.

Oh, everyone singing now.

Never grow old, never grow old,

In a land where we'll never grow old;

Never grow old, never grow old,

In a land where we'll never grow old.

In that beautiful home where

we'll nevermore roam;

We shall be in the sweet by and by;

Oh, won't you sing to Him tonight, "Happy praise to the King." Lift your hands.

Happy praise to the King,

Oh my, through Eternity sing,

'Tis a land where we never shall die.

Never grow old, let the sisters sing it. Oh it's the truth. All the wrinkles will pass away. All the aches and pain will be gone. A new body, a new earth. Oh my! Hallelujah. We only have a few more days here, but when our work is done.

When our work here is done

Then we'll climb the ivory staircase, amen, to receive Your reward, Lord.

And our troubles and trials are o'er;

Oh my, live for Him tonight.

All our sorrows will end,

and our voices will blend,

*With the loved ones who've
gone on before.*

Oh, let's lift our hands and salute Him as we sing, "Never grow old." Our King is here. He's gathering His redeemed subjects.

Never grow old, never grow old,

In a land where we'll never grow old;

Never grow old, never grow old,

In a land where we'll never grow old.

Every head bowed, every eye closed.

Heavenly Father, we have stayed long tonight, Lord. The building has become hot, Lord. Many are tired in their minds and weary in their bodies no doubt, but Lord, we sing the song that the Holy Spirit put in our hearts. Oh God, our souls rejoice. This is Your unfailing Word of promise, Lord. Truly, heaven and Earth will pass away but not one jot or one tittle of Your Word shall in any wise fail. Lord, how we should abide in that Word tonight. As David said, "Thy Word have I hid in my heart that I will not sin against thee."

Father, I thank You for the inspiration and Your Presence that is here giving witness to the Message, making it real, making it personalized, making it so inspired, Lord, to our hearts tonight. I pray dear God that It has done good to Your people. I pray that It touch hearts and touch lives, Lord, and It would cause souls to lift their heads up and look up and cause people to put away their foolishness, Lord, and buckle the armor a little tighter. Those that are not a Christian, cause them Lord I pray to desire so deeply tonight to be a Christian, to serve You Lord in this present evil world that we are living in. We know it will pass away one of these days. What a condition it is in, but Lord we know it must first pass into that Eternal condition.

I pray tonight, Father, I'm getting ready to leave and go overseas and desiring that as You have been with us in a special way tonight, I thank You that You did come. I thank You, Lord, while we're here in the congregation of the saints knowing that this Message, Lord, that we could commit each other into Your great arms for safe keeping, for guidance and direction, and Lord, You'll keep us under the leadership of Your Holy Spirit, and that Lord You would continue to have Your perfect way in our lives. You watch between us until we come again.

Lord, I bring myself, as I have to leave tomorrow night, we pray for travelling mercies. We pray dear God, You would bless our going out and bless our coming in. We pray oh God, You would make us a blessing in the

midst of Your people. We pray dear God that Your Holy Spirit would be there to make the promises real, and to give the Bride courage and strength in this Hour to rise up and take what is Hers. We know the time is at hand, Father

I pray oh God tonight, Lord, for these who remain here at their post of duty, how I thank You for them Lord. Had it not been for them Lord I may not be able to go out and preach Your Word. They have supported in their tithes and their offerings. I never had to beg one day, but they have obeyed Your Word, unselfishly giving, because they know it is fulfilling Your Word. We try to use it always for Your service, for Your honor and for Your glory, for the sake of the Gospel because we know the Hour is at hand. I pray You bless them, Lord. Be with them here in a special way, Father, with their loved ones, that they'll be so close, if anything would rise or come up contrary, they could breathe Your holy Name in prayer and see You move on the scene, dispel all doubts and drive the enemy back.

Lord Jesus, whenever anything would come and they would pray, as they would agree together, may You hear and answer. May no devil be able to stand before their prayer! When unbelievers and strangers would come amongst them, may they feel that Presence of the great Shepherd, the Holy Spirit. May they know that You are here in the midst of Your people, Lord! Let the Word always fall in the needy places for those that come hungry looking to know You, Lord, Whom to know is Life Eternal.

I pray tonight, Lord, for these strangers and visitors. Lord, let this become real to them, Father. Let the Holy Spirit in a special way give witness deep down in their heart and cause them Lord to look away from things that are temporal and things that are seen to Eternal things that are Unseen. Won't You do that for them tonight, Lord?

And Father, I pray as we leave this place and go to our homes tonight, Lord, as we take our children, our families, our wives, our heritage, our brothers and our sisters in our arms and in our hearts, Lord, we would live in such a way that our lives could always be an inspiration, an encouragement that they could look and take hope, Lord, and rise up with strength. And if there is one falling, or one lagging behind, they could look and see someone pressing into the promise and they could receive renewed strength, Lord. Let our lives be like that, Father. Let us leave those footprints in the sands of time. Oh Jesus, grant it tonight.

Lord, we just don't know how to pray, what to ask anymore but Father, You know, and You understand all things, Lord. You know what we can't express. The Holy Spirit groans to make intercession for us. We just pray, oh God, that You will have Your way, and You will work all things out for Your honor and for Your glory. We commit everyone into Your hands now, and we're thanking You Lord, for every promise that You have given unto us, which we know You are not slack concerning Your promise. In the Name of Jesus Christ we thank You for all things, amen and amen. Amen.

Let's sing a song, "*Across the bridge there is no more sorrow.*" Turn around and greet your brother and sister, say, "God bless you, Pilgrim. I'll be praying for you." Amen. Love one another. We're all going to be in that City. We're going to be There together one of these days.

[Song #591 - Songs That Live -Ed.]

Across the bridge,

There'll be no sorrow,

Across the bridge,

There'll be no pain;

The S-O-N will shine. Amen.

The Son will shine

Across the river,

And we'll never be unhappy again.

Amen. God bless you. Pray for us; we'll pray for you.
