Excerpt:

1 This is on a global level today. This is Harvest Time. All the tares are being bundled; all the Wheat is being gathered. Ezekiel's ministry was in a time of great trouble. He was in the midst of the Trumpets – political disturbance; sword, famine, pestilence in the land. The Babylonian power had conquered the nations. An Age of globalization was coming in. A new world order was emerging.

2 It was in that day, in the time of Josiah, that the Book was restored. The Book was missing for a season and then the Book was in the hand of the high priest. When they opened the Book, they saw it was an hour of judgment. The Babylonian power, Hell and Death, was going to take that whole world, and Babylon was going to rule the world and force a worship. But Ezekiel was told to eat that Book to prophesy.

Those things were breaking in the earth. The nation was under a siege and the economy was being broken. The slaughtering angels were getting ready to be let loosed. But while the nation was being broken, and broken under the siege, do you know what happened? God showed Ezekiel a sealing was taking place. The same one who ate the Book, the same one who had to prophesy again, saw the sealing of the righteous in the midst of the sword and the pestilence and those things, and the famine. [Page 34-35]

BRO. VIN A. DAYAL

1 I want to say a pleasant good night to all of you, knowing it's night time where you are; we are still in the afternoon. I trust by the grace of God, we're very thankful to have this blessed opportunity to be gathered together again. We certainly appreciate all those that are working behind the scenes, and the Holy Spirit will anoint each one in their respective places, and it will be a great blessing to each one in every place.

2 I ask you to join with me in prayer now. As we agree together, as we commit this meeting into the hands of the Lord Jesus Christ, that He will supervise everything and order everything in His perfect way. If you have special requests: maybe somebody might be sick, somebody is desiring a closer walk with the Lord, those desiring the baptism of the Holy Spirit; whatever your request is, we are members of the Bride of Jesus Christ, so we can unite our hearts together and we believe that we have received what we ask for and we shall have it. So let's go to prayer.

3 Our gracious, loving Father, we are thankful to be gathered in Your Divine Presence today. Lord, on this very special occasion that You have moved upon

the hearts of Your people to put their efforts together that we can have this time of fellowship, of prayer and study in the Word of God, expecting Your blessings, that, Lord, You know every request upon every heart. And we are convinced that You are interested in our needs because You promised to supply all of our needs according to Your riches in Glory.

4 We pray that You will forgive us for our sins and shortcomings; Lord, Your precious Blood will be applied to every heart that is in attendance, every blessing desired can be received, that there will be nothing to hinder the moving of Your Spirit.

5 May You bless the fathers and the mothers. May You bless the young people. May You bless the Ministers and the believers that are gathered with them. May You do the exceedingly abundantly above all we could ask or even think.

6 Oh, Holy Spirit, move in our hearts today. Let there come such a surge of the current of the Holy Ghost into our lives today, Father. May Your Power and Your Presence be felt. May You lift Your people up on Eagle's wings. May You make the vision of Your Word plain to us, and may You send down a blessing in every place where Your children are gathered. We ask these things with faith, believing we have received what we asked for, and being satisfied that You will keep that promise, Father.

7 May You break the Bread of Life for us today that we might see Jesus and His program; that we might understand the Hour that we are living in, and all the present events that are taking place in the earth relevant to us. We ask for the leadership and direction of Your Holy Spirit. May You anoint both speaker and interpreters and, Lord, may Your people receive a great blessing. We ask it for Your

glory and for the benefit of Your children, in the all mighty Name of Jesus Christ our Lord, amen.

8 We have a little special song. I'll ask David to come and sing the *Urgency Of The Hour* is upon us.

9 [Bro. David Dayal sings #1324 - Songs That Live -Ed.]

10 Praise His wonderful Name. The Bible says, "They that were ready went in with the Bridegroom." [Matthew 25:10 -Ed.] That's a paradox. We'll change in our bodies and we will change dimensions. May God give us an increase in that Rapturing Faith today.

11 I would like to invite your attention to the Book of Jeremiah. Jeremiah 27. It reads on this wise:

1 In the beginning of the reign of Jehoiakim the son of Josiah king of Judah came this word unto Jeremiah from the LORD, saying,

2 Thus saith the LORD to me; Make thee bonds and yokes, and put them upon thy neck,

3 And send them to the king of Edom, and to the king of Moab, and to the king of the Ammonites, and to the king of Tyrus, and to the king of Zidon, by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah;

12 If you are standing somewhere, you may have your seats. We will continue to read while you are seated.

13 So, we are taking this like a study, not like a preaching service or such, so we can pause and comment as we read the Scriptures. Because we know we are living in a Day when the Book that was sealed with Seven Seals has been opened. I'm taking a little title today and calling it, **"GOD'S EAGLE WATCHMEN UNDER THE SEVENTH SEAL"**.

14 God has watchmen today watching over the city, especially gifted men with vision. As the Prophet told us, “The best sighted men in the land were those men that God put as watchmen to watch over His people.” And I believe, as the Scripture says, “Where there is no vision, the people perish.” [Proverbs 29:18 -Ed.] But God has given His watchmen a Seventh Seal vision – a Message that will show the people the time and the season that we are living in and show us how to prepare for this great Hour of departure that is soon to take place. This is a time we are under preparation; preparation for dimensional travel. Amen.

15 We want to speak a little bit about, “***The Final Events That Are Ushering In A New World Order.***” Final events – and I’m sure it’s going to become clearer to you as we will continue to study. Because we are looking at the history of the beginning of the Gentile Dispensation, and seeing how it is now repeating at the end of the Gentile Dispensation.

16 We know the Gentile Dispensation began when Babylon conquered the world. Their last conquest was when they took the kingdom of Judah. All of this history is written in the Books of Kings and Chronicles, and also in Jeremiah and Ezekiel, we can see this history.

17 I’m endeavoring to show to you that *that* same history is repeating right now, that you will be able to see how the world in that day was conquered by the king of Babylon, and how the world today is also given to be conquered by the king of Babylon. Because Babylon is in the beginning of the Bible, it is in the middle of the Bible and it is at the end of the Bible. And Nimrod was the first king of Babylon, and he had conquered the world in that day. He

had united the people. The whole world was united under him, Genesis 10 and 11 tells you.

18 Messages: *The Unity Of The One God In The One Church* [1958-1221e -Ed.], *The Oneness Of Unity – Tower Of Babel* [1958-0128 -Ed.]; in your *Church Ages* book, *The Pergamos Age*, all of these are places and many others where Bro. Branham brings out that in the Book of beginnings, in Genesis; we can see how this was brought about. And wherever you read of Babylon in the Scripture, it came to the time when there was a forced worship upon the people of the earth. Nimrod had conquered Babylon and forced the world into a false worship.

19 You will remember that when they came out of the ark, it was eight people who came out of the ark – Genesis chapter 9. Noah, the prophet, was there and his three sons, and Noah's wife and the three sons' wives – eight people. They offered the burnt sacrifice and God showed the rainbow. And they were in the cleansed earth; the flood had destroyed the antediluvian civilization. And God took eight people above the judgment and brought them into the new world.

20 Very quickly what had happened in Genesis before the flood, began to happen now after the flood. We are told that Ham begat Cush and Cush begat Nimrod. And Cush began to change the concept of God among the people, and Nimrod took that and brought it to such a place where he had the whole world again believing in a polytheistic religion – more than one God. So he changed the Truth into a lie and he went forth conquering and to conquer, deceiving the people with this false teaching.

21 Then we are told he was a mighty hunter. And he raised up an army and he began to go forth into

military conquest – strategic war. War is always strategic. War always has an objective. Nobody is going to go to war to risk their lives for nothing. So when wars are fought, they are fought for strategic positions and for resources, because the conquest in war is to empower the people who have gone to war.

22 When the conqueror makes his conquest, he subjects them to his form of teaching, and his religion, and his way of life. So many times we see these things taking place. And so, the world is being changed. And so, we want to keep this focus. Because after the conquest of Nimrod, he began to unite the world together. And he deified himself, and made himself God and the whole world was forced to come and worship at Babylon. That's Genesis.

23 In the middle of the Bible, we see the king of Babylon, Nebuchadnezzar, he too went forth conquering. His father, just like Nimrod's father, Cush... The father of Nebuchadnezzar was named Nabopolassar. And he conquered, and then Nimrod continued his conquest and brought it to a world power. Then just like Nimrod did, Nebuchadnezzar set up the image and forced the world to worship that image.

24 Watch this mystery of Babylon, from Genesis to Revelation, how it unfolds. Because those two Babylons are a type of Mystery Babylon. Nebuchadnezzar was looking back at the history of Nimrod and saw how Nimrod became the first world leader, united the world and brought in an Age of globalization. Isn't that something? Follow me closely here. Through spreading their false teaching, Babylon was having a revival. That revival of the Babylonian empire. And Nebuchadnezzar, looking at how Nimrod was able to achieve that

purpose and brought the whole world subject to Babylon, he did the same.

25 After he conquered by military warfare and controlled all trade and commerce, (because this is what the wars were for,) then after he spread that Babylonian religion on everybody. Isn't that religious spirit, that antichrist spirit, the First Seal; then going forth in a military conquest after the religious conquest? Also, we see after the military conquest, we see the economic conquest consolidating his power. Because through the wars, he accumulated the wealth of the world.

26 We're talking about Nimrod and Nebuchadnezzar. In Nebuchadnezzar's time, the history of Nimrod's time was repeating itself. And today at the end of the Gentile Dispensation, the history of Nimrod and the history of Nebuchadnezzar are repeating themselves.

27 Now remember, there's nothing new under the sun. That which was, is now, and that which is to be, hath already been. Ecclesiastes 3:15 tells us that. Just like we had the first Exodus, we had a second Exodus, and the first Exodus was a pattern of the second Exodus. One was natural; one was spiritual. The first and second Exodus is a pattern of the Third Exodus. Just like we had the days of Noah before the destruction of the antediluvian civilization, which was a global catastrophe. Not a national thing; a global thing. Because the civilization that was built for two thousand years from Cain to that time when Noah was on the earth, was a civilization from—Cain changed the world from agriculture to science.

28 We read in Genesis 4 how Lamech, Cain's descendant, invented the sword. But by the time of Noah, it was no longer a sword made of iron; it was

atomic weapons that could throw the earth off its axis. Because knowledge had increased. Civilization had evolved to such a place, there were so many different things on the earth. Man could go out into space. Man invented all kinds of weapons, that they destroyed the earth with all their industries and science and these things. And they had so many wars that the earth was filled with violence, and that civilization passed away.

29 So when we come to the last days, that same history is repeating itself because this time... We have had many national wars. We have had two World Wars already. *The second woe is past; and, behold, the third woe cometh quickly.* [Revelation 11:14 -Ed.] And the Third Woe will destroy this civilization. The first one was destroyed by water; this one is to be destroyed by fire.

30 So, as we observe these things, I want you to see, history repeats itself. And we are living at the end of the Age, and now, we see the condition of the world and the people, and we are seeing a move in the earth in this Hour to bring a one-world religion, a one-world government and a one-world economy. That was prophesied in the Book of Revelation. It tells us, every name that is not written in the Book of Life since the foundation of the world, will worship the Beast. It tells us those ten kings will give their strength and their power to the Beast for one hour – a one-world government. It said they will agree and be in one mind.

31 Then Revelation 13, It tells us, “Except you have the mark of the Beast, you cannot buy or sell,” which is speaking about a one-world economy. Because Rome is prophesied to control the wealth of the world. She wouldn’t possess all the wealth in the world, but she’ll control all the wealth in the world.

32 China has wealth, great wealth; Russia has great wealth, but Rome will control the wealth. This Mystery Babylon, this mystery Nimrod, will magnify himself, exalt himself, and show that he is God, and they will persecute those who refuse to worship in that system just like in Nimrod's time and just like in Nebuchadnezzar's time. In the beginning of the Bible, in the middle of the Bible, and in the end of the Bible, we see Babylon, but the greatest of the Babylons is in this Hour.

33 The world has about seven and three-quarter billion people. There are so many different religions, so many different nations and tongues and cultures, yet the Scripture shows, they'll all come together as one. And Jesus spoke of it when He told the parable: "At Harvest Time, bind the tares first." And the Prophet shows to us that that binding of the tares is the Ecumenical move, and the tares are those names that could be blotted out of the Book of Life.

34 So, when we look at the Scriptures, we know that there is a species of people on the earth that are Satan's children, and there's a species that are God's children. The Good Sower sowed the Good Seed, which is the Wheat; the evil sower sowed the lie which produced the tares – children of Light and children of darkness; children of obedience and children of disobedience – two families. The Scripture says, "The Seal of God standeth sure; the Lord knoweth them that are His." [2nd Timothy 2:19 -Ed.] God knows His children. And Satan knows his children because he's the sower of the tares. And that sowing is a teaching – the seed that the sower went forth to sow. And those two vines came all the way down through the Bible.

35 The first two people that started, being born of a woman, Cain and Abel, are connected to worship.

We saw them in their vocations – a tiller of the soil, and a shepherd. And we saw their worship, then we saw their natures manifested. It was because of their religion that the conflict came because God had no respect to Cain's offering but He had respect to Abel's offering.

36 From the beginning, Cain was of the Serpent, his natural characteristics, but the spiritual characteristics were from Lucifer, who was veiled in the Serpent – Lucifer incarnated. As the antichrist spirit, he added to the Word: "You shall not surely die." He changed the Truth into a lie and he deceived Adam's wife, and he planted that seed of discrepancy, and he brought Cain who was the first bastard because he was born from an adulterous act. He was the first false prophet; had the first false altar. He was given Truth, but he refused it because he loved his own way. He was self-willed. He was given over to a reprobate mind because he didn't have the love for the Truth. He went forth to kill his brother who was vindicated by God, because his brother had that true revelation from God.

37 When Abel slew his lamb, that was a Mystery of Calvary. And from that slain lamb, God sent down the Fire upon the worshipper who was identified with the slain lamb. That's Calvary and Pentecost – the believer identified with the slain Lamb, and then the Fire of God, the Seal of God, coming down upon his revelation that he was righteous.

38 Cain, who had rejected vindicated Truth, was the first human being who was marked, the mark of apostasy – willful rejection of the vindicated Word; the departure from the Living God. He refused God's only provided way and he was separated from the Presence of God, and he went forth and began to change the world.

39 Well, look at the End Time we are living in. The Mark of the Beast and the Seal of God in the last days. Those first two human beings, those two vines, are what have filled the earth today. The Ecumenical move is binding the tares whose end is to be burnt with unquenchable fire. Those who are identified with the Lamb, are to come into a full, complete Redemption to come into glorification.

40 So, when we look at the principles of these Truths, we realize that these things run from the first Book to the last Book of the Bible. They began in Genesis and they end in Revelation. When the Book was opened in this Hour, the End Time Messenger pointed out to us how these histories only repeat themselves, to prove what the Scriptures say, that history repeats itself: "There's nothing new under the sun."

41 So with this background, we are looking here in the Book of Jeremiah, and this is the time when the king of Babylon was bringing the world into a New World Order. Now it is very important to understand what is happening there in the Books of Jeremiah and Ezekiel. Because we are seeing the conquest of the king of Babylon, that brought Babylon as the head of gold. And we see that after the kingdom of Judah was conquered by the king of Babylon, who took all the princes and all the skilled men of war, and all the people who manufactured stuff, he took them all to Babylon.

42 After Jeremiah, you have Ezekiel, and after Ezekiel you have Daniel, and that history continues on through those Books. We see Daniel as a captive in Babylon and we see the image being set up. Now that the world had been conquered, the image was set up: a one-world religion, a one-world government, a one-world economy, headed by the

king of Babylon. This was the beginning of the Gentile Dispensation.

43 Bro. Branham preached a simple message, didn't explain too much, but he called it, *The Beginning And Ending Of The Gentile Dispensation*. [1955-0109e -Ed.] And he showed us a pattern – the same way the Gentile Dispensation came in, it is the same way it is going out. It's like the seed coming back to the seed.

44 Here Jeremiah was a prophet in the time when the whole world was undergoing great change and restructuring, as new systems were being put into place by the king of Babylon. The king of Babylon, because he had conquered the world, he had great influence and control over the kings of the earth. Now it's an Age of globalization; all the nations and the kings were united. But that was the plan of God, that there was going to be a 'time of the Gentiles'.

45 We see how the kingdom from the 'head of gold' to the 'toes of iron and clay' were going to unfold. And from over twenty-six hundred years ago, what we are reading in Jeremiah 27, has unfolded down to Revelation 13. Because Revelation 13, we see It says, this Beast, this fourth empire, is going to rule the world. That first beast that came out from the waters that had a body like a leopard, a head like a lion, feet like a bear, which was the three previous kingdoms... Because Daniel 7 shows you Babylon was the lion, then the Medes and Persians were a bear, and Greece was a leopard. But when John saw this fourth beast, it consisted of the first three. Revelation is the Book of symbols. And what we are seeing there, is how those first three kingdoms ended up in the fourth kingdom.

46 Now think of this. Could you find a nation on earth, (on a national level,) that has been in existence ruling for the last two thousand years, or a nation that ruled for one thousand years? The only one you could really find is Rome. Because Babylon was the empire for a few hundred years, and then it fell. Then the Medes and Persians for a couple of hundred years, and then they fell. That is Iran and Iraq and these places – Babylon and Medes and Persia. They are nations that are dominated today in the earth. Then Greece, it didn't last long either. When Alexander, the Great, died at thirty-three years old, the kingdom broke up into four, and Greece is bankrupt and it's like a third world nation today.

47 The fourth empire, Jesus was born under that fourth empire. Caesar Augustus passed the taxation that the whole world must be taxed. Everybody had to go back to their birthplace – Luke chapter 2. And Mary and Joseph had to go to Bethlehem, and she was great with child. She had to go there because of that law that was passed. But that was bringing the prophecy to pass, that out of Bethlehem will come forth a Governor that shall rule the people, speaking of the birth of the Messiah coming from Bethlehem; how David was born in Bethlehem, a type of Christ; how Boaz was born in Bethlehem, and the mystery of redemption with Boaz and Ruth. It was all a Mystery unfolding.

48 So that Roman power, from the birth of Jesus to this present time, there was not going to be another earthly power. There were four earthly empires. And Pagan Rome, Caesar Augustus passed that taxation, and from Caesar Augustus to Pope Francis, we have a succession of Caesars and Popes. The Roman system was coming from a political empire to an ecclesiastical empire; from military,

Pagan Rome, to ecclesiastical, Papal Rome. That is over two thousand years.

49 We have seen from the head of gold, Babylon, to the toes when Khrushchev beat on that desk in the United Nations, identifying what stage we are at – the end of the Gentile Dispensation. The history shows how Pagan Rome became Papal Rome, when the Beast was wounded and revived at Nicaea Rome, and how that Roman church had gone out and got interbred with paganism. And from there to this present time, think of how much wealth she has accumulated for over two thousand years that the Book of Revelation in chapter 17 and chapter 18 shows this ecclesiastical empire, how she has the wealth of the world, and she controls the commerce of the world.

50 So all of this background I'm giving you here from Nimrod to Nebuchadnezzar, to the Roman system in its present state. And here we are seeing the things that are presently happening in the earth. We are even having this type of service because we in this little island, seventy miles by forty miles, are under lockdown. You in the European continent are under lockdown. Believers in Russia and Siberia are under lockdown. Believers in New Zealand and Australia are under lockdown.

51 'Lockdown' is really a prison term. You know Rome is called the cage of every hateful and unclean bird, the habitation of devils, the stronghold; the fortress. She has caged up the whole world and she is breaking economies and taking control of nations. She is forcing her will upon seven and three-quarter billion people.

52 These two beasts of Revelation 13, the Beast that came out of the sea and the beast that came out of the earth. The Beast that came out of the

sea, the fourth Beast, which is a composition of those first three beasts, and then the beast out of the earth is the fifth beast. Daniel had seen four beasts, but John saw five because that fifth beast was the United States of America, a nation that was going to rise up in prophecy for the last days; a nation that would be used by the first Beast so that the first Beast could accomplish his purposes through that beast from the earth.

53 If you take Revelation 13 out of the Bible, you will not understand anything that is happening in the earth right now because these are the two beasts that are deceiving the whole world – the fourth and fifth beasts. They are represented in the Old Testament as Jezebel and Ahab. And when you find Jezebel and Ahab in the Old Testament, you will find Elijah and Elisha. That's right. You will find Elijah coming to turn the hearts of the children back to the faith of the fathers, at the time of the evening sacrifice. You will find that that history in the time of Ahab and Jezebel is repeating in this very Hour.

54 So the point I'm making is that there is nothing new under the sun. I have been back and forth showing you different examples: Babylon in the beginning of the Bible, Babylon in the middle of the Bible; Babylon at the end of the Bible. Babylon at the beginning of the Bible, an Age of globalization came in. Babylon at the middle of the Bible, an Age of globalization came in. Babylon at the end of the Bible, we are now in an Age of globalization again – the uniting of the whole world. These are the prophecies of the Book of Revelation.

55 One world religion. That is why your First Seal is the White Horse. It is shown as going forth to conquer and conquering. How does a religious conquest take place? How did it happen in the Garden of Eden and how did it happen in the First

Church Age? Changing the Truth into a lie. Nicolaitanism – conquering the minds of the people. And that is what the Serpent did – he conquered Adam's bride by conquering her mind. He sowed a perverted concept of God to her.

56 What happened in the first Age? 2nd Corinthians 11: “As the Serpent beguiled Eve, so do these come preaching another gospel, another Jesus, corrupting the minds of the people from the simplicity.” Nicolaitanism – they conquered the laity. Then it went deeper into Balaamism. Then it ended up in the doctrine of Jezebel in the last days.

57 ‘Jezebel’ is ‘*dominant female*’. The Age before that was ‘Pergamos’: it means ‘*married*’; the marriage of church and State – religion and politics. What happened when that took place? The church used the power of the State to kill. Thyatira – the dark Ages, sixty-eight million killed; destroying the Truth to establish the lie. When Ahab married Jezebel, what happened? Church and State. She brought her false religion, she brought her wealth and her money and she killed out all the prophets of God and established her idolatry throughout all the land. They are the two beasts: Ahab and Jezebel.

58 What did Elijah do? Called them out of Jezebel's system, restored the original faith, turned the hearts back to the faith of the fathers – 1st Kings 17 and 18. That's right. All of that was happening before the Translation. Jezebel was bringing a persecution upon the ones going in the Rapture, because Elijah also represented the Translated saints. Moses represented the resurrected saints.

59 So when we look there in the Scriptures, the history of Nimrod, the history in the days of Noah, the history in the Exodus, the history in the time of Nebuchadnezzar and Daniel and they, the Hebrew

boys who refused to bow to the image, all those different histories of the Bible are happening again.

60 Then here in the earth in this Hour, Coronavirus – pestilence in the earth. What does that mean? It has become a global pandemic. In a couple of months, this thing has gone into the nations of the world. Is this in the Bible? What is happening? The world's economy is being broken. For the first time in history, you have where the oil prices have crashed and it came down to below zero. Economies are being devastated. Economic war is being waged on levels and on battlegrounds never seen before.

61 What does Revelation 13, verse 4 say? “Who is able to make war with the Beast?” Political war, industrial war; economic war. What kind of war? Any kind of wars. Who could make war with him? Why could he wage such wars? This system is over two thousand years in existence. The first three empires, put together, didn't reign so long. They have the wealth of the Gentile world and Gentile kingdoms, and they will even tie up what remains of the Jewish wealth.

62 So when we look at the Scripture, at the time, what time is it, sirs? We're seeing all of these religions uniting. In our time, not the Prophet's time, our time, we've seen Muslims, Hindus, all these people praying in the Vatican. We've seen all these Protestants churches going back; all of these great evangelical leaders with fifty thousand people, forty thousand people in their churches, billionaires, broken and controlled by the Vatican. We see nations' economies...

63 Which other nation in the world do you see putting sanctions on nations? Don't you think of that? Do you see Israel putting sanctions on nations? Do you see Japan and Germany putting

sanctions on nations? What is really... Which nation do you see that threatens other nations, and say, "We will bomb you back to the stone Age?" Which nation do we see taking down Presidents and taking down Prime Ministers and putting up the ones they want? And though there is an International Criminal Court and a United Nations, there is no authority that can stop them from doing these things. By what authority are they doing this? Where are the voices that will rise up that can make some meaningful protest and stop them from doing it? What kind of precedent is this? What has the world come to?

64 When we look at these things, are we understanding the stage of the world and how it arrived there? You can find that behavior in Nimrod back there; you can find that behavior in Nebuchadnezzar back there when Babylon was established.

65 Because of not understanding these things by the Scriptures, people are drawn into a perversion of thinking through the electronic media, which the god of this evil Age uses to blind the minds of the people.

66 I want you to notice and observe closely. We are at a stage in the world that most people do not understand what is really happening. But we were given a Message and were told that those Seven Thunders is going to wake up the Bride. This Seventh Seal Book is opened at the time of the Seven Thunders. When those Seven Thunders utter their Voices and the Book is opened, we will see what is happening; how this deception is moving in the earth. So I want you to see and understand that these things that are happening, we must see in the Scripture how the program of God for these last days is coming to pass.

67 Now let's zoom in now on the present events that have us all under this lockdown. What is taking place at this time? What do these things mean? Did this just happen by chance? The most popular name in the world today is 'Coronavirus'. A few months ago nobody knew this name. Isn't that something? Yet today, everybody knows that name. In a couple of months, this invisible enemy has united the world; has united all the Ministries of Health around the world. All these things have happened so quickly. It united governments, it united doctors. It is the news that is on the front page and on the television 24/7.

68 It has created panic and fear in the earth, and the impact of the influence is because it is invisible. Nobody knows what he looks like. They blew up a microscopic image about thousands of times to let you see a form and a shape of what this entity looks like. Airlines around the world have been grounded because of him. New laws are passed because of him. He became more popular than every movie star, every President. People are trying to understand his origin. How could he be so powerful? Yet he has the whole planet in lockdown.

69 Let's make another step here as we take this to another level. Continue to read in Jeremiah 27, there is a portion of it I want to get here for you, because Jeremiah had this vision and God had given him this vision. We're going to read about from verse 5—from verse 4.

70 Now this is a... What was happening here... Maybe I should take my time and just back up a little bit because I want you to understand it. I want to have it on the tape for you.

1 In the beginning of the reign of Jehoiakim the son of Josiah king of Judah came this word unto Jeremiah from the LORD, saying,

2 Thus saith the LORD to me; Make thee bonds and yokes, and put them upon thy neck,

3 And send them to the king of Edom, and to the king of Moab, and to the king of the Ammonites, and to the king of Tyrus, and to the king of Zidon, by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah;

71 Jeremiah had this vision eleven years before the event that was now taking place. The vision had an appointed time to be fulfilled and so the time had arrived when the vision was coming to pass. These kings were coming to Jerusalem unto Zedekiah, and God told Jeremiah in the vision, “When these people come to this conference, make bonds and yokes and put it upon their necks.” Now, this is interesting.

72 Moab and Ammon and Edom – king of Edom, king of Moab; king of the Ammonites. Edom are Esau’s children, Moab are descendants from Lot, and the Ammonites are descendants from Lot also, because Lot’s children were Moab and Ammon that he had by his two daughters. Tyrus and Zidon were great mercantile nations that influenced trade and commerce.

73 Nebuchadnezzar had come up with his army and was setting ready for an invasion when this conference was taking place. And the reason they were gathered together, was because they were trying to get some unity among themselves so they could put up some resistance against the king of Babylon. But the nation, their cup of iniquity was full, and God was using the king of Babylon to bring a chastening upon the nation. So there was a lot of political attention and political disturbance in the

region at that time. And so, God was telling Jeremiah, He said:

4 And command them to say unto their masters, Thus saith the LORD of hosts, the God of Israel; Thus shall ye say unto your masters;

74 Now remember, the beginning and the ending of the Gentile Dispensation, okay? This Scripture here now, hear what God is speaking.

5 I have made the earth, the man and the beast that are upon the ground, by my great power and by my outstretched arm, and have given it unto whom it seemed meet unto me.

6 And now have I given all these lands into the hand of Nebuchadnezzar the king of Babylon, my servant; and the beasts of the field have I given him also to serve him.

7 And all nations shall serve him, and his son, and his son's son, until the very time of his land come: and then many nations and great kings shall serve themselves of him.

8 And shall come to pass, that the nation and kingdom which will not serve the same Nebuchadnezzar the king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the LORD, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand.

75 These things are hard for many people to understand. God is saying, "I have given all these lands. I, who made the earth, made the man, made the beasts, I have given it to the king of Babylon."

7 *And all nations shall serve him, and his son, and his son's son, until the very time of his land come...*

76 Are you catching the Word there? "I have given." The sovereignty of God: "I have given it."

8 *...and [the nations] that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the LORD, with the sword, and with the famine, and with the pestilence...*

77 Now, these are Mysteries under your Seals here. Power is given to the rider on the Red Horse to take peace from the earth. Power is given to the rider on the Black Horse who has the scales in his hands: "A measure of wheat for a penny; a measure of barley." Power is given to the rider on the Pale Horse, to kill with pestilence.

78 Now watch how these three things are connected with the king of Babylon, to whom God has given power to control the world, and God is using the king of Babylon to bring chastening on nations. He said, "Nebuchadnezzar, My servant," because God is the One Who puts up kings and takes down kings. God is the One Who rules in the affairs of nations. Daniel chapter 2 and Daniel chapter 4 teaches us this.

79 Did God weigh Belshazzar and say, "I've found you wanting"? Did God take down Nebuchadnezzar seven years like an ox, like an animal; removed him from the kingdom for seven years and then restored him? So we are seeing God's sovereignty in the nations on the earth that He has given a space of time to rule. Because this was a time when this final war was going to bring in the Age of globalization and the king of Babylon was going to rule: control all religion, control all politics, government; control all trade and commerce. This is

repeating again. God has given it to Rome to rule the world.

80 That's why the Prophet said, "Don't fear Communism." He said, "Fear Romanism. Don't fear the Iron Curtain or the Bamboo Curtain; it's the Purple Curtain to fear." Revelation 13 tells you power is given to the Beast to rule for forty-two months. Power is given them to overcome the saints, to overcome the two prophets, Moses and Elijah, that they'll kill them and have their bodies in the street. All of this is prophesied in the Book of Revelation. Power is given to that rider, a sword, to take peace from the earth. Rome is prophesied to rule the world, and then this One comes to judge and make war when He begins to pour out the Vials of His wrath upon that system. We have come to this climax in the world at this present time.

81 God was telling Jeremiah this. Jeremiah was prophesying (catch this) that the king of Babylon will conquer his nation because of the sins of the people. He was telling them that the king of Babylon will take the wealth of that nation, and he was telling them that this king of Babylon will burn that nation and take it into captivity, and they threw him in prison: "What kind of man are you? What kind of prophet are you, prophesying against your own nation?"

82 That is what they told Bro. Branham. He prophesied that the king of Babylon will capture the wealth of that nation; that that nation will be owned by Rome. He prophesied that that nation will be burnt under that seventh vision. God raised up Communism to destroy it. And that same Jezebel system, that Mystery Babylon, will also be burnt by a communist power. God told them that four severe judgments in that time will be upon that nation: the

sword, the famine, the pestilence, and the beasts of the earth.

83 Let's turn to Revelation 6. Verses 1 and 2 are your First Seal. Verses 3 and 4 are your Second Seal. Verses 5 and 6 are your Third Seal. Your First Seal is religion, the White Horse going forth in a religious conquest. Your Second Seal is dealing with politics, because this is military power. This is political power sending forth military power for conquest. From false religion to human Government, then strategic wars to gain control of resources and markets.

84 Third Seal, verses 5 and 6, it's dealing with the capturing of the wealth of the world. From the bow without an arrow to the sword, now to the balances in the hand, a symbol of commerce.

85 Then verses 7 and 8 now, the Fourth Seal. Now, that's the Age we are in. Because when the First Seal went forth, a Lion went forth to check that religious power. When the Red Horse went forth, an Ox went forth – the Age of martyrdom. When the Black Horse went forth, the wisdom of Man was sent forth. Under this Fourth Seal is the Eagle Age.

86 These four Seals cover Seven Church Ages. The Rapture takes place under the Fourth Seal. This Mystery of the Seventh Seal, Christ, came down in the Day of the Eagle. He came down with the open Book to the Eagle Prophet. In the days of the Seventh Angel, when he shall begin to sound, the Mystery is finished – those Seven Thunders made known to the Prophet.

87 So hear this. [Revelation 6:7-8 -Ed.]:

⁷ And when he had opened the fourth seal, I heard the voice of the fourth beast [the Eagle] say, Come and see.

⁸ *And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death [that's pestilence], and with the beasts of the earth.*

88 So watch. To kill with sword, with hunger, which is famine, with pestilence and with the beasts of the earth. This is in the time of the Fourth Seal, the time of the Eagle Age. At that time, the three powers are united: religion, politics and economics. That White Horse rides until it comes to a one-world religion. That Red Horse rides until it becomes a one-world government. That Third Seal, that Black Horse rides until it becomes a one-world economy.

89 They are called... Watch the Pale Horse.

...and his name that sat on him was Death, and Hell followed with him.

90 Death and Hell are personified here.

... And power was given unto them...

91 Who is 'them'? Death and Hell. Who is Death and Hell? The Beast and the image, Catholics and Protestants. This Fourth Seal is the Hour we are living in, but power is given over to Death and Hell – the Beast and the image:

...over the fourth part of the earth, to kill with sword, and with hunger, and with death [pestilence], and with the beasts of the earth.

92 Pestilence: biological germ warfare, viruses – AIDS, HIV; Ebola, Coronavirus. The beasts of the earth: Swine flu and bird flu and all these different things that has been weaponized to kill. When is this killing taking place? Who was revealing that

they were given power to kill? The Eagle. The Eagle was saying, “Come and see.”

93 Listen to this. *Attitude And Who Is God* [1950-0815 - para. 8 -Ed.], a message of the Prophet, 1950.

94 He said: ... *For we believe, and feel pressed in the Spirit, that great judgments are upon these lands in the last days. Plagues, disease germs already bred up to be scattered throughout the nations. No doctor even know how to take a hold of it. O God, we'll have to believe in Divine healing then. When nations are breeding germs together, to burst them in bombs, and millions die in hours over it.*

95 Another message, *God's Provided Way Of Healing* [1954-0719a - para. 42 -Ed.], he said: *Diseases are germs.*

96 *Let me pass something, here quickly, as our time's a going. Listen, did you know the Bible predicts that in the last days, that they'll be a germ warfare? That diseases will break out upon the people, and will fall on everyone without the baptism of the Holy Spirit? But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was. Why, how much, kind of teachers have we got to be, brethren, to get the church in order to be in that condition? Immune.*

97 Bro. Brahnham knew by revelation and vision of these biological programs, germ warfare, and he was speaking it out giving a warning that that will come. Was he that Eagle Prophet? Was that the one who had an Eagle anointing? Was that the one who knew that in his own nation, those things will be scattered upon the people?

98 Listen. *Adoption #4.* [1960-0522e - para. 88 -Ed.] He said: *You think cancer's something? The Bible said there's coming a time when men will rot right in their*

flesh, and the buzzards will eat off of carcasses before they even die.

99 Zechariah 14:12, Revelation 16:10, Revelation 19:17 and 18. He is talking about things in the Bible.

100 He said: *Cancer's a toothache to what's a coming. But, remember, that horrible thing was forbidden in that day to touch those who had the Seal of God. That's what we're striving for now, to get in and be positionally placed into the Kingdom of God before these horrible plagues strike.*

101 My brothers, my sisters, look and see as we examine what is under the Fourth Seal, what the Eagle is prophesying about this pestilence, showing us those things that are to come upon the earth under that Fourth Seal.

102 Ezekiel. Let's read something in Ezekiel chapter 14, from verse 12. Now, when did Ezekiel prophesy? He prophesied in the same time when the king of Babylon was taking the nation. They saw this great, mighty nation reduced to such a condition. I'll read just now for you Ezekiel's vision. Let's read from Ezekiel 2 first.

103 We're closing up here. I'm giving you the last few Scriptures on Ezekiel. Jeremiah, Ezekiel and Daniel were contemporary; Zephaniah also was contemporary with them. They all lived in the same time. The major prophet was Jeremiah, and he prophesied that the king of Babylon would take his nation, and the people will go into Babylon. They would come under the control of the Babylonian power, and that nation was going to end up being burnt for their sins.

104 When I'm reading this, it's the U.S.A. I'm thinking about, because Bro. Branham prophesied

the same thing: Rome will take the wealth of America. That Jezebel system will control the nation. Sixth vision – that beautiful and wicked woman will bring the nation to its destruction. The Seventh vision – it will be burnt completely. He was hated and rejected for prophesying against his own nation, but he was a Prophet and he had to speak those things.

105 Then Ezekiel, who lived in the time of Jeremiah, chapter 2, verse 8. In Ezekiel 1, he had seen this vision of the Throne that came down and One on the Throne Who had a Scroll in His hand, just like Revelation 10 – same thing.

106 Verse 8:

⁸ But thou, son of man, hear what I say unto thee; Be not thou rebellious like that rebellious house: open thy mouth, and eat that I give thee.

⁹ And when I looked, behold, an hand was sent unto me; and, lo, a roll of a book was therein;

¹⁰ And he spread it before me; and it was written within and without: and there was written therein lamentations, and mourning, and woe.

107 Which was to be poured out upon the nation. Chapter 3, verse 1:

¹ Moreover he said unto me, Son of man, eat that thou findest; eat this roll, and go speak unto the house of Israel.

² So I opened my mouth, and he caused me to eat that roll.

³ And he said unto me, Son of man, cause thy belly to eat, and fill thy bowels with this roll that I give thee. Then did I eat it; and it was in my mouth as honey for sweetness.

108 This Mighty One had come down in that Throne, Ezekiel 1, with a Book in His hand. Ezekiel 2, He told Ezekiel, "Take the Book and eat It; It will be sweet in your mouth like honey."

⁴ And he said unto me, Son of man, go, get thee unto the house of Israel, and speak with my words unto them.

109 Let's drop down to verse 14:

¹⁴ So the spirit lifted me up, and took me away, and I went in bitterness, in the heat of my spirit; but the hand of the LORD was strong upon me.

110 After it was sweet in his mouth for honey, then he went in bitterness, but the hand of the Lord was strong upon him. Isn't that what happened to John? When that Mighty One came down with that Book, John was told to go and take the Book from the hand and eat It. Is that the Seventh Seal Mystery? Is that happening in the Eagle Age under that Fourth Seal? So, when that was happening with Ezekiel here in the shadow, when is it happening? Which was the power conquering in the world in that Hour? Hell and Death; the Beast and the image; the whore and her daughters; Catholic and Protestants. That's right.

111 Who has the wealth of the world? Rome. Who is going to control the wealth in this Hour? Rome. What will that do? Bring in total Catholic control, the king of Babylon, Satan incarnate; the man of sin sitting in the temple to be worshipped as God. Look at the shadow over here how Babylon came into control.

112 We are seeing a picture of Jeremiah and Ezekiel. Are they the Eagles? Is John a type of that Eagle Bride? Is the Seventh Angel that Eagle Prophet? That Eagle Prophet has gone off the scene. From

Jeremiah, it changed to Ezekiel. Here we are seeing Ezekiel who has eaten the Book and the prophecy is going forth. The same things we see under the Fourth Seal, by these four things he will kill one-fourth part of the earth. I am bringing it to you here now as we close.

113 Verse 16:

16 And it came to pass at the end of seven days, that the word of the LORD came unto me, saying,

17 Son of man, I have made thee a watchman unto the house of Israel...

114 What kind of watchman is this who took the Book and ate It? What are they watching? That Pale Horse and that rider, that Beast and that image, how they are devouring the whole earth, breaking it up in pieces, destroying wonderfully, breaking the nations and taking their wealth away until you can't buy or sell except you have the mark. Churches like these will be closed down. The Bride will have to stop preaching all of these things. She is given the Book and She can eat It, but She cannot preach and operate as a legitimate church, what they call a legitimate church today, because for permission to be given to preach, you must come into the World Council of Churches. These are the things we have been warned of.

115 Oh my! I trust it all comes together here for you and you see the picture really clear now. So after eating the Book, God told him:

...I have made thee a watchman unto the house of Israel: therefore hear the word at my mouth, and give them warning from me.

18 When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked

way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand.

116 Brother, look at the Ministry of this Hour. Look at those that are told, “Take that Book and eat It,” that they are God’s watchmen. And God is requiring from them, the blood of the people that they fail to warn.

117 Today, you see, especially in the United States of America, I am yet to hear Ministers in the Message from the United States stand up like Jeremiah and Ezekiel and they, who had to speak against the wickedness in that nation, which is the wickedness of the Beast that was before it, that *that* Jezebel is leading that nation to its destruction. And that persecution is to come out of Revelation 13, from the beast that came from the earth, which is that nation. You don’t hear the Trumpet blowing against those things. Yet, you see the Prophet, knowing the nation was in prophecy, spoke against it constantly. It tells me something is really wrong there.

118 Ezekiel 14. Now watch what is happening in the earth right now. This should be my last Scripture, because here we are seeing the four severe judgments upon the land in the days when the king of Babylon is conquering the world. Notice, I showed you the political side, the thing in the realm of your Second Seal; what is happening in the government of that nation. I am showing you the spiritual Church who has eaten the Book and who is seeing the judgments that are happening.

119 If the Bride has eaten the Book and She is in the land right now, are we seeing pestilence? Are we seeing that nation: two battleships right in the Gulf [Gulf of Paria -Ed.] out there; came down into these waters against Venezuela while the nation has

become the hot zone for the pestilence? Yet, they're going to make war. Look at the wickedness. But it is given unto them! But God is going to bring Divine retribution upon the nation and the Vatican.

120 Remember Revelation 13, those two nations in there, there is a bomb for each one, you know. Revelation 18 shows the bomb for the Vatican. The Seventh vision shows the bomb for the U.S.A. Those are the two nations in Revelation 13; those two powers that constitute the Beast and the image.

121 Now, then, we are supposed to be seeing, by those four things, how they are killing one-fourth part of the earth. That's right. Are you seeing the king of Babylon and his armies? Are you seeing Ezekiel, the watchman who ate the Book, the Fivefold Ministry? Are you seeing Jeremiah had prophesied that that whole thing was going to be controlled by the king of Babylon who will set up the image? And we are seeing how by these four severe judgments, one-fourth part of the world is to be killed by them.

122 Where did they get the power from to do this? God gave it to them. Take a little time tonight or tomorrow and read Revelation 13, you will see, "Power is given; power is given." Read your Second and Fourth Seal – power is given unto them. God is giving this power to them in His permissive will, because God is using them to bring chastisement upon nations. Yet, in the end God destroys them by fire too.

123 Those who live by the sword, will die by the sword. That Scripture is put between the two beasts in Revelation 13, because both of them live by the sword. One killed over sixty-eight million in the Dark Ages, and here in this Day, they are killing one-fourth part of the earth also. They live by the

sword; they will die by the sword. Both are to go out by fire.

124 I want to give you a Scripture here. To save time, I will just pick one or two verses to get what I want.

125 So, when Ezekiel ate that Book, that was the second fold of the Seventh Seal. Ezekiel is prophesying between the Second Woe and the Third Woe. Ezekiel is shadow; John is Substance. The Old Testament is shadow; the New Testament is Substance. Because John represents the Bride who is taken up in the Rapture, who is shown the Mysteries; who is to prophesy.

126 So, verse 12:

12 The word of the LORD came again to me, saying,

13 Son of man, when the land sinneth against me by trespassing grievously, then will I stretch out mine hand upon it, and will break the staff of the bread [upon it], and will send famine upon it, and will cut off man and beast from it:

127 Ezekiel saw the famine come upon the land. God was saying, "I will break the staff of the bread."

128 Verse 15:

15 If I cause noisome beasts to pass through the land, and they spoil it, so that it be desolate, that no man may pass through because of the beasts:

129 Verse 17:

17 Or if I bring a sword upon that land, and say, Sword, go through the land; so that I cut off man and beast from it:

130 Verse 19:

19 Or if I send a pestilence into that land, and pour out my fury upon it in blood, to cut off from it man and beast:

131 Do you notice what God is saying in the days when they ate the Book, when the king of Babylon is conquering the world, when they are getting ready to set up their one-world religion, one-world government, one-world economy; bring that Squeeze upon the Bride, to cause them to bow down to that religious system? They will do just like Daniel and the Hebrew boys, the real believers. But watch verse 21:

21 For thus saith the Lord GOD; How much more when I send my four [severe] judgments upon Jerusalem, the sword, and the famine, and the noisome beast, and the pestilence, to cut off from it man and beast?

132 Is that what we read under the Fourth Seal, in that Eagle Age when Christ came down with that open Book? Ezekiel saw it; he was told, "Take the Book and eat It"? John saw it; he was told, "Take the Book and eat It," when the king of Babylon was taking the whole world; when the king of Mystery Babylon today is taking the whole world? And God said, "I will kill by these four things; I gave them power to do it"? And here in Ezekiel are we seeing also, God is saying, "My four severe judgments: the sword, famine, the beasts, the pestilence"? Are we seeing those things in the earth today?

133 This is on a global level today. This is Harvest Time. All the tares are being bundled; all the Wheat is being gathered. Ezekiel's ministry was in a time of great trouble. He was in the midst of the Trumpets – political disturbance; sword, famine, pestilence in the land. The Babylonian power had

conquered the nations. An Age of globalization was coming in. A new world order was emerging.

134 It was in that day, in the time of Josiah, that the Book was restored. The Book was missing for a season and then the Book was in the hand of the high priest. When they opened the Book, they saw it was an hour of judgment. The Babylonian power, Hell and Death, was going to take that whole world, and Babylon was going to rule the world and force a worship. But Ezekiel was told to eat that Book to prophesy.

135 Those things were breaking in the earth. The nation was under a siege and the economy was being broken. The slaughtering angels were getting ready to be let loosed. But while the nation was being broken, and broken under the siege, do you know what happened? God showed Ezekiel a sealing was taking place. The same one who ate the Book, the same one who had to prophesy again, saw the sealing of the righteous in the midst of the sword and the pestilence and those things, and the famine.

136 Look what this pandemic has caused. It's bringing global famine. Didn't he say, "God will multiply the bread and fish again for the Elect who can't buy or sell? They will go in the strength of a cake for forty days like Elijah who was raptured." Elisha multiplied the bread. Watch, in the hour of that persecution and squeeze when the king of Babylon was strangling that nation, watch how God was working through His elected people and how He took care of those who had stayed true to His Word. So we are seeing that the time came when the sealing was over.

137 What time are we in? Are these germs bred and scattered on the nations? You're hearing all kinds of things in the news, but in the Scripture, it is

these two beasts. Power is given to them to kill with famine, with pestilence, with the sword, with the beasts of the earth, to break the economies, to control the wealth; to bring a Squeeze upon the true believer that you can't buy or sell except you take the mark. You'll have to stop preaching or go in the system to continue to preach.

138 Did it bring fear on Ezekiel and they? Did it bring fear upon Elisha and they? It didn't. When they were hunting down Elisha and Gehazi began to panic, he said, "Relax, there are more with us."

139 He said, "Nobody is with us! It's only you and me!"

140 The one who had the Robe and the Anointing, the one who ate the Book, he was walking in a Supernatural realm. They were linked with Omnipotence and Omniscience. God had reserved them for the Eagle Age. They were going to live out the Mystery in the day when the missing Book was restored. They were kept back for the Hour when the king of Babylon was taking the world. It is in that Hour the prophecy is to go forth – when they are destroying the nations by these four things. God said, "My four severe judgments."

141 So, are you seeing what we are talking about? The final events that bring in a New World Order. This Coronavirus, it is just the catalyst to break the economy of the world; to bring in new laws for the New Order. Here, the money system is being destroyed. Here, they are calling in all the paper and they're talking about a digital currency. We will talk on that a little more in the next session. Rome will call in the paper and destroy the present-day money system. So, all of these things are happening by design. And may God bring the awakening to us.

142 Ezekiel was seeing the king of Babylon. He was seeing the famine in the land increasing. Who was bringing in the famine upon the nation? The king of Babylon and his armies. They cut off all the trade and commerce. Who crashed the oil? Who has all the gold? As I told you, who is threatening the nations, speaking with the voice of the Dragon? Are you seeing? All the things that are happening, I'm trying to show you in the Bible, it was happening at the time when the New World Order, in an Age of globalization, was coming in.

143 Where are you finding it? In the political realm – the king of Babylon. In the economic realm, they're controlling the wealth of the world. In the social realm, it is the pandemic. In the Supernatural realm, Eagle Anointing is on a Bride who has eaten the Book, who is seeing the Sealing coming to an end; who is seeing the pestilence in the land.

144 Are we seeing the pestilence? Are we seeing the famine? Are we seeing the economic situation, that the money system is about to change? Have these things been prophesied by the Prophet of this Age who told us who will control the money, how they will do it by deception; how they will force the religious worship? But did he say there will be a Bride here, that She will be the final Voice under Her Messenger, She who has been given the Seven-sealed Mysteries; She who has eaten the Book? It's all there. At the same time, Ezekiel was seeing what Jeremiah prophesied was coming to pass. That's us, the watchmen; Eagle watchmen seeing the prophecies of the Prophet.

145 Jeremiah said, "God has given the whole thing to the king of Babylon, and the nations that don't submit – famine, pestilence, sword." It is in the Book of Revelation under your Fourth Seal. It is in Revelation 10 under your Seventh Seal where John

ate the Book. The king of Babylon – Revelation 13; his military power – Revelation 13:11-18.

146 All of those things that we are seeing, we found it in the Word, but it is not what the media is saying. What they are saying... That's the rulers of the darkness of this world: misinformation; giving the people—keeping them not informed, but misinformed. And then you have disinformation, that is, they are literally giving you false information, and the world is just being manipulated.

147 My brother, my sister, while all of this is happening outside, we can open back the Book and see what we have been forewarned about and recognize what we are looking at. It shows us positionally where we are. May these things encourage your heart as we meditate on these things because it is a very serious time. When this thing is lifted, we are in another system.

148 For us, the conditions become more painful, because by pain, by distress, by tensions and pressures, we are bringing forth the Man-Child. In Revelation 12, that Dragon wanted to devour the Man-Child. Christ has been formed in the Bride. That's why all of these things are happening to bring on the birth pains that that Spoken Word will be manifested among a people. The Sealing will be over, the doors will be closed, and the Third Pull will go to the eternal lost; a short, powerful demonstration to show forth the victory that a Bride has come back into the image of the Word – God's Masterpiece. We are that close, my brothers. May God write it in our hearts.

149 We have a little song before we close in Russian: *I'm looking away to Jesus*. Look away from this world and look away to Jesus. And to all our

beloved brothers and sisters, wherever you're from. We have Bro. Miguel [Miguel Angel Perez -Ed.] interpreting in Spanish, Jonah [Dayal -Ed.] is doing it in Portuguese; Vitali is doing it in Russian. My! They're telling me that there are over nine hundred connections. That is not people; that is connections. So that is some thousands of people that wants to fellowship; not preaching; just some talking and putting the Scriptures together, this part of the Jigsaw Puzzle, to see the picture, and we are finding those pictures.

150 There is nothing new under the sun. What is to happen in this Hour, prophesied, has already happened. That is why I went back from Genesis with Nimrod and brought it down through the Bible and showed you Mystery Babylon in the Book of Revelation and the modern events.

151 May these things encourage your hearts. We have a few days before we will come back again. By the time we come back, it may be a different scene. Things are happening with such rapidity because something is moving and I am sure you all are sensitive to these things. That is why God put it on His servant's heart, they want a little time of fellowship. And we are just trying to make ourselves available. So, let's look away to Jesus.

[Russian brothers sing #711 - Songs That Live -Ed.]

152 Oh my! That just fills our heart. I will just ask our beloved Bro. Vitali to pray, ask God's blessings upon all those that were connected. Go ahead and pray in Russian, my brother.

[Bro. Vitali prays -Ed.]

153 Amen. Praise God.

154 Well, God bless you all. Shalom. God's peace be on you all until we meet again in Jesus' Name. Amen.

155 [Bro. Miguel holds up a note -Ed.]

156 What is that Miguel? Tell me. I couldn't read it.

157 [Bro. Miguel says, "Neveste, Shalom which means, Shalom to the Bride."
-Ed.]

158 Oh. [Bro. Vin and Bro. Miguel laughs -Ed.] Praise the Lord.
Praise His wonderful Name. So, God bless you.
