## **FOREWORD**

*This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.*

*It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.*

*The original video and audio recording can be accessed through our website [www.thirdexodus.org](http://www.thirdexodus.org)*

*We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.*

Excerpt:

In those days after Elijah, God was soon to fulfill the Word of His prophet. While all that false anointing was going on, the kings of the earth were being deceived and Ahab was disguising himself under his military campaign. It was at that time, while Ahab was disguising himself, God opened up a Seventh Seal vision and Micaiah began to see, words spoken by Elijah the prophet, (Feasts of the Trumpets), the bottomless pit is to be opened. That angel has the key. False anointed ones – watch those lying spirits come out of their mouths. Souls in prison – watch those demons veiled in human flesh; hell came on the earth into flesh.

Watch that Fourth Seal: religion – Zedekiah and they; politics – Ahab and Jehoshaphat. Is that right? Demon powers were coming out of hell, being united in an ecumenical move, and Micaiah was seeing that it was time for Elijah's word concerning the prophecy to come to pass. It was time for Jehu to be anointed. It was time for Jehoram to be killed. It was time for the house of Ahab to be destroyed. It was time for Jezebel. [Pages 57-58]

[#592 - Songs That Live -Ed.]

*Then He says, "Peace, Peace,  
Peace unto My lovely Bride,  
Shalom, Shalom!" for a new day  
has been broken;*

*From this sick and dying world,  
To God's Life and immortality  
All we can hear from His Throne  
Is "Good Morning!*

*Good Morning, to My Bride."*

Let us pray.

We have a written request: *Bro. Cedric Agard is requesting prayer for his father, Calvin Agard, who is hospitalized with a stroke, and is bedridden.*

We want to remember this request. If you have a special request upon your heart today, I just want to remind you that it might make you sensitive, that we are gathered in His Divine Presence according to a promise: "If two shall agree as upon touching anything, it shall be done."

Let us look to Him today and believe. He wants to do these things for us. He promised to do it. He has made a way possible for us and made it accessible that we could approach His great mighty Presence, make our requests known with joy that we might find grace to help us in times of need. With God all things are possible.

Our gracious Lord Jesus, we stand in Your great, August Presence today. Father, we are thankful to be

redeemed by the precious Blood of the Lamb, to have the blessed Seal of the Holy Spirit in our lives, knowing that You have come and You have quickened us to recognize our Day and our Message. You have raised us up, dear God, into Heavenly Places, the believer's position in Christ. You have caused us to understand what You have made us in Christ.

Dear God, we think of Israel in Canaan, Father, a type of the believer in Christ in Heavenly Places, where You told them that every place that the soles of their feet would tread upon, that You have given unto them. Gracious God, how we also remember that all those enemies that were against them, all those enemies that they had to engage in warfare for the possession of their inheritance, You took them and You put them under their feet and You said, "Thus shall the Lord do to all the enemies against whom you fight, and hereby you shall know that the Living God is among you, oh, when you see the ark in the midst of Jordan."

All of these things, Father, in a natural way You had depicted it that we will clearly understand what the Blood of Jesus Christ means to us when we stand in the midst of circumstances, when we are faced with opposing forces. But dear God, when we can be sensitive that the great Captain of the Lord, the Intelligence, has come down among us to lead and guide us into the possession of these things, that when we can come into agreement and unite with You, Father, it is unlimited what You can do for us.

So, we pray today, dear God, that every heart that is in need, everyone that is looking unto You with expectations, everyone that is persuaded and believe in their hearts Your unfailing Words of promise, Father God, we stand here today confessing, dear God, with our mouths—believing with our hearts and confessing with our mouths, Lord, in Your Divine Presence, knowing, oh God, that You have given all these things unto us in Christ.

Today in the Name of Jesus Christ, I pray, even as the Church of the Living God here, and that which is unseen to us, Lord, united across the seas, Lord, across the face of this earth, knowing that these tapes go out into the region, and around the world, dear God, Father, where Your children will stand believing, as we look to You, dear God, in this great invisible union of the Bride, almighty God, we pray that You will send forth Your Holy Spirit, Father, Lord God, in the midst of Your children, wherever there are believing hearts, confessing these things, dear God, looking unto You and expecting to receive what they have need of as they stand, dear God, Father, knowing that if two shall agree as upon touching anything, it shall be done.

We agree today Father, that these things were finished on Calvary. We agree, oh God, that Lord, You were delivered for our offences and raised again for our justification. We agree that You sent back the Holy Spirit, dear God, as a confirmation, dear God, to our faith, Father, and that these things, Father, were accepted by You. And today You said, "If we abide in Your Word and Your Word abides in us, we can ask what we will." I pray that faith will be inspired to every heart, as they look to their circumstances, as they look to their needs, and they ask in the Name of Jesus Christ, believing that they have received what they've asked for, knowing that they shall have it, Father.

Oh God, may You energize and quicken that faith, dear God, and may as that Seed of promise finds a place to grow in the bedding ground of faith, may It produce in the lives of these who stand here in need and these, who would hear these things, Father, and believe and exercise their faith, dear God, that they will find that You are faithful and that You will bring these things to pass in their lives. Father, we thank You for that.

As we look to You now, may You lead and direct us today to speak Your Word. How we desire to be led by the Spirit. And how, dear God, I have testified that You spoke these things to my heart and how, Lord God, I say these things in sincerity. And coming here in this sacred desk today, Lord, looking unto You Who have led me down through these years, Father, and Lord, Jesus, asking for grace today.

I'm feeling a little tired and strained in my mind, Lord, from all the preaching and all the meetings, going by day after day, but asking, dear God, that even as I yield and submit to You here, Lord, that You will sanctify me for Your service; Your Word will come forth through me, directed, oh God, Father, into the places where It will bring illumination, where It will edify, where It will establish Your children in the Truths that You have revealed and spoken by Your vindicated Prophet and servant, Bro. Branham, oh God, whom we believe have fulfilled Malachi 4 and 5 because You have vindicated it, dear God, Lord, knowing that in this Hour, the Spirit and the Bride, Father, are going forth, dear God. Lord Jesus, You are witnessing back these same things because there were many who have come in afterwards and they can recognize that these sayings are faithful and true.

May You get honor and glory. And may You confirm the Word in every heart, dear God. And may Jesus Christ, Lord, the God Who said, "I have sent My Angel to testify these things in the churches, and the Spirit and the Bride say, 'Come,' and seal not up these things because the time is at hand," Lord, that You will witness these things in a very profound way; in a way that there will be no uncertainty in the hearts of Your children. Will You do that, Father?

God, we look to You, asking these things that Your Church might be strengthened in these shaking times, in these challenging times, in this dark Hour, Lord, of such uncertainty, that they will be tied to the Absolute

of Your Word, and go forward in faith, in the Name of Jesus Christ. Let all these things be made manifest for Your honor and glory we ask, in Jesus' precious Name, amen.

Amen. Praise His wonderful Name. I would like to invite your attention this morning to 1<sup>st</sup> Kings 22, a favorite Scripture of mine; preached on it so many times down through the years. We believe it was a great opening many years ago.

I trust that you all feel fine this morning and God is blessing you and have been blessing you. As you walk in light, you'll find that you have entered into a fellowship. The Blood has cleansed you and taken away your condemnation; removed all the guilt and these things from around you and you feel encouraged. Because if God said this is the greatest Age, if the greatest things He has left back and has opened up through the opening of the Seven Seals, and we are the ones to receive these things, then surely we will have to witness what God's Word says.

We can't come and say, "Well, I feel down and I feel this way and I'm not sure." God said, "This is the greatest Age. This is the greatest Hour. The prophets and they desired to see this Day because there was never a light that shone so bright." This is the Hour when the Church will show forth His victory because She is the reason of His death. Then we have to say what He said. Amen? Any other thing would be a negative confession and it will prove that we are false witnesses. But if these things are true and we are raised up to witness these things, then our confession has to be "Yea" and "Amen." Praise His mighty Name.

I want to speak a little message here this morning. I would like to call it, "**DISGUISED FOR DECEPTION**". "DISGUISED FOR DECEPTION". And I have a little subject, "**Ahab's Disguise And Jezebel's Paint.**" It sounds a little strange, but I'm a strange person. Amen. Really and truly I'm speaking about the two

beasts of Revelation 13. That is what I'm speaking about. Amen.

You know, I found myself in fellowship, for the last few days that I've been speaking of these things. I was trying to hold it in my heart, but it was coming out in fellowship with a couple of brothers. I was telling them that God spoke certain things to me when I came back from New Zealand and I was holding back because I was preaching certain things right now from Daniel, but I'm putting this in because I am going to need it in what I'm speaking right now on Daniel. So, I thought, I will do that this morning and on Wednesday, I will pick up Daniel again, and when I strike certain Scriptures, these things, you having them, it will help you.

So, I would like to read from about verse 29. You know the background of this story. Maybe I'll help recap it after I read and get you seated. But I'm sure that most of you in the Assembly will be acquainted with it because this is Micaiah's Seventh Seal vision that I preached many years ago, over and over, out of this great Scripture here. Amen.

1<sup>st</sup> Kings 22, verse 29. And this was after Micaiah gave his prophecy and so on, and you know how he was slapped down and everything else and they put him in prison. Zedekiah and they had their great convention and they were just trying to bless a man that God cursed. Here now we are seeing the kings of the earth: Ahab and Jehoshaphat.

Verse 29 says:

*<sup>29</sup> So the king of Israel and Jehoshaphat the king of Judah went up to Ramoth-gilead.*

They were going forth to war; into battle.

*<sup>30</sup> And the king of Israel said unto Jehoshaphat, I will disguise myself, and enter into the battle; but put thou on thy*

*robes. And the king of Israel disguised himself, and went into the battle.*

Remember, it was he who was going up into the battle. He kind of influenced Jehoshaphat to come and join with him. If it wasn't for the king of Israel, Jehoshaphat was not going to fight any battle. I don't think that Britain was going to invade Iraq in any case. I think about how the United States put pressure, got them influenced, got them all worked up, and they became an accomplice, and they went forth and they gave their support and these things.

So, if you notice here It says:

*And that king of Israel...*

He was the one who was really pumping up the thing here. He said:

*...I will disguise myself, and enter into the battle...*

That is what the Holy Spirit spoke to my heart when I came back. I will tell you about it in a little while.

*...but put thou on thy robes. And the king of Israel disguised himself, and went into the battle.*

When a man disguises himself, he is concealing his true identity. He is going to be in a place disguised and nobody will know that he is there, yet he is there. He wants to be there unseen. You can disguise a lot of things. You can disguise your motive. You can disguise your appearance. You can disguise your intentions, you know.

In cricket, a man disguises certain balls too. The man can't even read the ball. They call it 'googly' and 'chinaman'. The man doesn't know on which side it is going to spin; it's disguised. So a disguise is for deception.

The reason you are disguised is, you want to deceive people who might be looking at you. If they see you doing certain things, they will know who you are and what you're doing, and that will identify who you really

are. You are not disguising for yourself; you are disguising to fool those who you don't want to know things about you because you already know what you want to do. If they had known, you wouldn't have need for a disguise. But when you have need for a disguise...

This was a disguise going into war. This was a man disguising himself as he was about to enter into his military campaign.

*<sup>31</sup> But the king of Syria commanded his thirty and two captains that had rule over the chariots, saying, Fight neither with small nor great, save only with the king of Israel.*

Sometimes you think that you are disguising yourself and you are planning things, covert operations, but not everybody is a fool, and not everybody knows that you are going to try a disguise. "So just in the event that they try to disguise, then don't waste your time looking all over the place. We've come into this battle to fight against one man. We have one target." Amen.

*<sup>32</sup> And it came to pass, when the captains of the chariots saw Jehoshaphat, that they said, Surely it is the king of Israel. And they turned aside to fight against him...*

He had a disguise too because they couldn't tell the difference and so, his disguise was quickly uncovered. They knew right away what was happening – that *that* was Jehoshaphat.

*...And they turned aside to fight against him: and Jehoshaphat cried out.*

*<sup>33</sup> And it came to pass, when the captains of the chariots perceived that it was not the king of Israel, that they turned back from pursuing him.*

34 *And a certain man drew a bow at a venture...*

A bow in the old days was the way you used to launch air missiles. That was the kind of technology that they had back there. They launched it on a string on a piece of wood. Pshoo! It leaves but it was going to a target; traveling through the air, going to a target.

These days when they launch them, they call them 'Tomahawk Cruise Missiles' and 'Intercontinental Ballistic Missiles'. They could launch it from one continent to the next continent, but it is going in there; smart bombs and so on. MOAB. When they were having a campaign called 'Shock and Awe' bombing, they had 'MOAB', which means '*Mother Of All Bombs*'. But Moab is hybrid. You know that. Moab was always against the Truth.

And so, you see how a man drew a bow at a venture. It's a missile being launched here.

*...and smote the king of Israel...*

This is the same man who disguised himself. You see the thing is, people don't realize there is an appointed time to die. Whether you are disguised so that you might live and conceal yourself or not, when your time comes to die, you are going to die. If you have to die in your pajamas, you are going to die in your pajamas. If you have to die in your suit, you are going to die in your suit. If you have to die on your job, you will die on your job. If you have to die in your home, you will die in your home, because God fixes the time, place and manner for man's death.

A time to be born and a time to die, even for nations, for churches; everything. That is why each Church Age died. You know that. A plague fell upon them and a new Age had to be born. This world is dead already. You know that. It is rotting right now and that is why we are looking for a new world, a New Heaven and a New Earth.

There was a time that Ahab was born. There was a time when the United States became a nation. There was a time when there was no nation named 'the United States'. The nation was born, and then the time is going to come, it is going to die too. That's right.

How many know a Prophet saw the death of it? That's right. The same way Elijah saw Ahab's death, Malachi 4 saw the death of the United States of America. That's right. The same way Elijah saw Jezebel's death, Malachi 4 saw the death of the Vatican. That's right. It is there in the Bible in Revelation 18 – in one hour.

*34 And a certain man drew a bow at a venture, and smote the king of Israel between the joints of the harness:*

To hook up all of his armor together; all of his defense systems. That missile that went through the air, penetrated the man's defense systems. How many know, right now they're spending billions of dollars with their space programs, and all of their spy satellites, and all their 'star wars' and their safety net and their homeland security and all of these things, and yet the bomb is still coming. We see them disguising and we see them putting on all of their defenses while they are disguising themselves, but the bomb is coming anyhow. That's right. You are a Bible believer; you have to believe that.

*...wherefore he said unto the driver of his chariot, Turn thine hand, and carry me out of the host; for I am wounded.*

*35 And the battle increased that day: and the king was stayed up in his chariot against the Syrians...*

He tried to prop up himself for a little while. Blood was flowing, mortally wounded, wouldn't live to see the sunrise the next day, but he was trying to hold up himself and stay up on his chariot.

Right now they are looking like they are strong as they watch their dollar rising and they are talking about the economy, like it might have a turn and things are going to get better. Let me tell you, they are wounded. Their system is going to fall. That's thus saith a Prophet. The Hour is here for these things. If the Bride has to go, we'll have to see these things. Now watch.

*...and died at even...*

Which is at evening time. What time are we living in? Evening Time.

*...and the blood ran out of the wound into the midst of the chariot.*

*<sup>36</sup> And there went a proclamation throughout the host about the going down of the sun, saying, Every man to his city, and every man to his own country.*

*<sup>37</sup> So the king died, and was brought to Samaria: and they buried the king in Samaria.*

And somebody might have said, "I thought Elijah was a prophet. When the man died, there was not a dog around the man." The blood had dripped out in the chariot. The man was in the cemetery, but the blood was still in the chariot and dogs were going to come and lick that blood. God still had the blood in the chariot, but the man died and was buried. You have to watch closely at the words of the prophet in the Book. You have to know how to watch and what to look for.

*<sup>38</sup> And one washed the chariot in the pool of Samaria; and the dogs licked up his blood; and they washed his armour according unto the word of the Lord which he spake*

Because Elijah in the chapter before, 1<sup>st</sup> Kings 21, said, "The dogs shall lick Ahab's blood." Is that right?

May the Lord bless the reading of His Word! You may have your seats.

You know we are in the hot season, but just like in the States, when winter is coming people put on winter clothes. Do you know that? They start the winter sale, and everybody is buying their winter clothing, and when it gets cold, nobody will find themselves, saying, "Boy, it is cold." They know that is a season, that is a phase of the year that they are going through. Is that right? When spring comes on, they hang up all the winter clothes and then they start to move in spring.

So, if it is a little hot right now, you know it is Trinidad. If you were born and grew up in Trinidad, you know this time of the year is normally hotter than other times. Do you know what? You don't complain. You don't get uncomfortable. You just say, "Well, I must sweat it out a little, by the grace of God." It doesn't kill anybody. And you know, if we were born for here, we are adapted to here. Amen. Praise God. Hell is going to be hotter than this anyhow and we wouldn't be there. Thank God for that.

"DISGUISED FOR DECEPTION". *"Ahab's Disguise And Jezebel's Paint."* I want to read some more Scriptures to get both Scriptures into focus, and so I want you to turn over to 2<sup>nd</sup> Kings 9. I'll pick some places and read because this is another powerful Scripture. One shows the death of Ahab, and this one is showing the death of the house of Ahab and the death of Jezebel.

How many know that John Kennedy was shot in his chariot? That's right. If you know history and you know the Bible, you'll understand how these things happen. How many know that John Kennedy was the first Catholic President? An American, but the Jezebel system was behind him. How many know when that happened, Elijah was in the land? And when that took place, God sent Elijah to the Book of Revelation, and

said, "Now is the time to open the Book." And he started with the Seven Church Ages.

At the end of November, John Kennedy was elected in 1960. In December 1960, Bro. Branham went into Revelation chapters 1 to 3 by commission from the God Who wrote the Bible because he was the Messenger sent to reveal the whole Book. That Book was the Book that was sealed in symbols and those things could not be interpreted. And here, by a vision, he started to interpret these things. He drew it out on the wall; which was like the seven lampstands. You know that. He saw the vision of the Supreme Judge, the ancient judges, to start to set the Book in order and these things.

Here it was, he saw Israel's history began to repeat itself in the United States of America when that took place. The Holy Spirit said, "The history of Israel is now beginning to repeat itself in the days of Elijah." Here was Elijah in the land, here was Ahab on the throne; here was the Jezebel system rising up. That was the fulfilling of a vision that he saw since 1933.

Twenty-seven years before he had been speaking that – that one day, these people were going to sell their birthright. The Catholic Church was going to rise up in America. He had been preaching that for twenty-seven years and here he saw it, and the Holy Spirit said, "Go there now." Because Ahab and Jezebel, a Vatican/Washington alliance represents in the Bible, the union of religion and politics. It was even showing how the Catholic Church is going to work through the system of the United States of America to achieve its global ambitions. Amen?

So these are things... We are living in a prophetic time. We have received prophetic revelation by a Prophet; Eagles in the last days. When that Mighty Angel came down to Daniel, there were two prophets (is that right?) who was going to unseal the Mystery of

the Seventy Weeks to them; the Mystery of the Seven Feasts to them.

Israel was blinded from the Feast of the Passover and they don't even know, the Feast of Trumpets have brought them back. They don't even know which feast they are in. Is that right? But when those two prophets come, they will open up the whole Mystery of those Seven Feasts to Israel under the Seventh Trumpet.

The same way, in the Seventh Age under the Seventh Seal, the Seventh Angel revealed the whole Mystery of the Bible, the Mystery of the Seven Seals in the last days. What for? Because that same Angel that Daniel saw come down, John saw him come down too for the elected Gentiles.

What followed the Message Angel? The Sealing Angel. After you have heard the Word of Truth, you were sealed with the Spirit of promise. That Angel opened the Word to the Prophet. The Prophet sounded the Word; It was to gather the Bride, and then the Holy Spirit, the same One, comes behind to Seal the people up and get them ready to go out.

That's the time that we are living in, friends. It's a great time. It's a great, prophetic time. It's a time when the Bible said, "If it were possible, even the Elect would have been deceived." But it is no longer possible. Why? Because the devil and all that he did couldn't stop his own scheme, that he blinded people for all these years through mis-information, dis-information through denomination, through religion, through the media and everything else. He couldn't stop a Prophet with the Angel of God at his side. Amen! Glory be to God. My!

Seven Thunders thundered out and he said, "That's the reason he is howling – his scheme has been uncovered. We have the answer to the devil's question." Amen. A theologian couldn't do that, but God had a Prophet standing there. Amen. The Seals

were ripped off of the Book, and with Eagle's vision, he looked in the Bible, amen, because the entire Secret of God that was sealed up in the Bible was to be revealed in the days of the voice of the sounding of the Seventh Angel in order to get a Church gathered together and prepare Her and show Her how to enter into Rapturing Faith.

That's why we are being gathered together from all walks of life. Some of you used to be Baptists, Hindus, Methodists, Jehovah's Witnesses, Seventh Day Adventists, Catholics; you name it. You came from the world, Rastafarian and everything else, but God called you from all walks of life and brought you through (amen!) one way – through the Blood, (amen), a new and living way, (glory be to God!); brought you into this great place, (amen), the only provided place of worship. He rushed you out from all denominations back to His promised Word (amen!) and opened up this Mystery and began to reveal to you who you were; how you were in Christ since before the foundation of the world.

Do you believe that? Do you believe that you were in Christ before the foundation of the world? He began to tell you that you were Eternal when you thought you were a time creature. He said, "There's Eternal Life inside of you." Amen! "You are a son and daughter of God." Is that right? He let you know how to know yourself. Is that right?

There is a crave inside of you. There is a hunger inside of you, amen, a holy thirst that you are born with to seek God. Amen. You tried to fill that up with all kinds of things in the world, with parties and politics, and religion, and pleasure, and everything else, and it couldn't satisfy you. But one day He led you to the fountain. Hallelujah! *O, happy day, o happy day, when Jesus washed my sins away. He taught me how to watch and pray, and live rejoicing every day.* [#174 - Songs That Live -Ed.] Amen.

That was your turning around. Something struck you and you repented. ‘Repentance’ means, what? ‘*To turn around*’. Glory be to God in the highest! What a great thing! Never the same again. From the moment I met Jesus, this Mighty Angel, Revelation 10:1, I wouldn’t be the same again. Never the same. After I saw the Seventh Angel, after I saw the revealing of the Son of Man, after I heard the Thunders, never the same again. Amen! Glory be to God! What a great thing, friends! What a great thing! My! My! My!

Where did I get caught away? Amen. Let me just read. What happened there? I was saying something and I felt a surge. My! Glory! Okay. 2<sup>nd</sup> Kings 9:1, now look at this powerful reading. Let us go into it now.

These are in the days after Elijah. First, you see Micaiah with a Seventh Seal vision. Here we see in the time of Elisha, so you know that Elijah is out of the land. In our text that we read (amen) was when the Spirit of Elijah was in the land. Elijah and Elisha represented Christ and the Church. How many know that? The Holy Spirit working through the Church. Jesus was the Elijah: crossed the Jordan, caught up into Heaven, ascended into Heaven; sent back the Holy Spirit on the Church. Is that right? And by and through the members of the Bride, He was fulfilling His Word, and the Bride had the same Spirit on them that Elisha had. Is that right?

Is that happening in this Hour? Amen. Yes, sir! It is happening in the last days, just like it was back there in Kings. Just like it was in the apostolic Age in the Alpha, so it is in the Omega, in a day when Ahab and Jezebel, religion and politics, are in a union again.

What a great time! What a great time! What beautiful pictures the Bible gives you! It’s not just beautiful pictures; it’s bank drafts. How many know it’s bank drafts? You could cash them in. Amen! You could buy things. It gives you power when you know

what it is. Glory. Because in that picture, you are in that picture. You are in that picture. Glory!

[2<sup>nd</sup> Kings 9:1 -Ed.]

*<sup>1</sup> And Elisha the prophet called one of the children of the prophets...*

Looks like it's a bunch of Eagles here to me, under that Elijah Eagle. That Elijah, it's like he called some Eagles, from what we read right here.

*...and said unto him, Gird up thy loins, and take this box of oil in thine hand, and go to Ramoth-gilead.*

In the New Testament, you see Paul saying, "I've sent Timothy," a young man. "I've sent him out to you." Over here you see Elisha sending a young prophet with a box of oil. "Go to St. Kitts. Go out to Grenada. Go out to Tobago." Amen! "Go with this box of Oil." Amen! "There are people to be anointed." My! Same things; administration in the work of God.

*<sup>2</sup> And when thou comest thither, look out there Jehu the son of Jehoshaphat the son of Nimshi, and go in...*

Do you think that God knows what men were born to do and fulfill, even before the men who are born to do it, even know that they have to do that? Was Elisha ploughing? He didn't know he was going to fulfill: "Instead of Elijah." God told Elijah, "Go and anoint Elisha, the son of Shaphat. You will find him by Abelmeholah (is that right?) and anoint him in thy stead." Is that right?

Then over here, we find also, that Jehu was going to be anointed for something but he didn't even know that he was going to be anointed for that. But God already had designs and God was sending the anointing that he needed to do the work that he was called for. That anointing was coming out of the Word that God had spoken to Elijah, but it was channeled down through the ministry of Elisha, the Bride here. And out of the Bride went a young man. Is that right?

I like continuity. How many know that God is a God of continuity? That's right. When you watch those patterns in the Bible, you don't get lost at all. You stay right in the channel. The Word becomes clear. You're going up the highway and all the road signs are there. You watch the roadmap. You're traveling at the speed and you know that you're right on time; you're right in the place where you ought to be. Amen! That's how it is here in the Word; same thing. Watch this now.

*<sup>4</sup> So the young man, even the young man  
the prophet...*

[Bro. Vin repeats -Ed.]

*<sup>4</sup> So the young man, even the young man  
the prophet...*

Young people! Young people there in a prophetic administration. Young people getting instructions and young people, who can obey and go out (amen), take a charge; young men with faith (amen) to take the same Oil that was given to them, Anointing Oil. Hallelujah!

*<sup>5</sup> And when he came, behold, the  
captains of the host were sitting...*

What was that? A military summit. That's a military summit. Not foot soldiers; captains. The captains of the armies were in a sit-in.

*...and he said, I have an errand to thee,  
O captain. And Jehu said, Unto which of all  
us?*

"You didn't call any name. Can't you see a bunch of captains here? What's the matter with you, young man?"

See, it was a bunch of captains and the captains of the host were sitting – military summit. He was going to get his anointing in a summit. He, who was going to unleash the weapons of mass destruction to destroy the house of Ahab and Jezebel, was getting that anointing in a military summit. Amen! In his arsenal, in his quiver, he had those Intercontinental Ballistic

Missiles that he could draw that bow and put it right through a man's heart. Glory!

This enemy was a kind of enemy within. He was not a foreigner who was out of the country, so to speak; he was in the country. But watch something. His influence was against what was in the country that he was in. Do you get what I'm saying? I'm talking...

You're not getting what I'm saying, but I know what I'm talking about. I know what I'm saying. You see, I'm talking in a picture. You are not seeing the picture and you're saying, "Oh, what do you mean?" because your mind is here in the text. The text is a shadow; I'm looking at the reality. I'm talking from the reality. You see? Because I'll show you something in this text after a while. Watch the scene.

In other words, the hour had come for him to be anointed. All the days of Elijah's ministry, after he was revealed, before Elijah went off the scene, no anointing came for him. All the days of Elisha's ministry, from chapter 2 or from 1<sup>st</sup> Kings 19, all the way to 2<sup>nd</sup> Kings 10, Elisha was in the land: healing the pot, opening the Jordan, came back with the Spirit, healing the bitter water, healing the leper and all these things, but no anointing for this man as yet. It seemed like he was held back. His anointing for destruction was held back. He had to wait until Jehoram got his wounds. He could only be anointed after Jehoram got his wounds. Jehoram had his wounds and was trying to be healed and recover from his wounds. And watch the timing.

Now catch this. What am I bringing out here? The Spirit in the land, in the days after prophet, knew the time and the season. He knew the time and the season for the things that the prophet spoke. Because Elijah said: The dogs will eat Jezebel in the portion of Jezreel right where she killed Naboth. Do you get what I'm saying? This was retribution from Heaven.

God was executing His judgment because it already went out of the mouth of a prophet.

Those who had followed the prophet, knew that prophecy was laying there in the prophet's words for all that time. That was a slaughtering angel. That man, being anointed through the revelation of this message, he was going to get an anointing.

Through the revelation of this Message, Russia will be a tool in the hand of God. There is Russia inside of America. How many know that? This is what I'm talking about. The Prophet said, "It's honeycombed with communists inside of there from way back" – the enemy within.

He said, "It is not the bird-peck in the apple that destroys the apple; it is the worm in the apple." Did you get that? It's the things down in your life (also on an individual level) that you keep there that are not of God, is going to undermine you and destabilize you and rot you from the inside, and when the trial comes, you break under pressure. Because before you could get the cut hair, and the painted face, and the high-heeled shoes, and the tight dress, and all of those things, before you could submit yourself, you first had a desire for that inside of you.

I'm not supposed to be so pastoral this morning. This text doesn't allow me to be too pastoral this morning, otherwise, I will take six weeks before I can even preach it. So I have to kind of skip over some of those things; just keep moving.

So, in this military summit, here was the anointing coming. Verse 6:

*<sup>6</sup> And he arose, and went into the house; and he poured the oil on his head, and said unto him, Thus saith the LORD God of Israel, I have anointed thee king over the people of the LORD, even over Israel.*

*<sup>7</sup> And thou shalt smite the house of Ahab thy master, that I may avenge the blood of my servants the prophets...*

Sixty-eight million of them in the Dark Ages alone; then how many more in the Inquisition. Amen. Think of it.

*...and the blood of all the servants of the LORD, at the hand of Jezebel.*

God was focusing on two people here: Ahab and Jezebel – Ahab’s house and that Jezebel system behind that house. Because you know that Ahab had married Jezebel and Jezebel was a pagan, and she brought idolatry into the nation of Israel and corrupted the nation. Is that right?

How many know in the New Testament, the Holy Spirit called the Roman Catholic Church, “That woman Jezebel,” showing that that’s the Jezebel of the New Testament. Is that right? And in the New Testament, were we promised an Elijah? “Elijah truly shall come and,” do what? “Restore all things.” Did Jesus say that? That’s right. The restitution was to be, when? In the last days. Is that right? In the last days, Elijah has come. “Before I burn the earth with fire, I’ll send Elijah,” the Seventh Angel. Is that right? Good! Lovely!

Sometimes you think I’m laboring here with you but He is making me labor because of many who get the tapes out there, who are looking at a taped service. For their understanding, maybe I have to break it down.

Verse 8:

*<sup>8</sup> For the whole house of Ahab shall perish...*

This was while he was pouring the oil, he was speaking, “THUS SAITH THE LORD. Why are you being anointed? To cut off the house of Ahab; to destroy Jezebel! This Anointing is not sending you against China. This Anointing is not sending you against the Caribbean. This Anointing is sending you against

Washington and the Vatican. This Anointing is sending you there. These are your targets. Take them out.” Prophecy in the Bible. Why? Their hands are dirty, wicked; they are filled with blood. They destroyed God’s people, many of them. They corrupted the world. They were shrewd manipulators; schemers.

*<sup>8</sup> For the whole house of Ahab shall perish: and I will cut off from Ahab him that pisseth against the wall, and him that is shut up and left in Israel:*

*<sup>9</sup> And I will make the house of Ahab like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah:*

What was the judgment? God said, “I’ll make the house of Ahab like the house of Jeroboam and the house of Baasha.” How did God deal with the house of Baasha? 1<sup>st</sup> Kings 14 tells you, God fed them to the beasts of the field and the fowls of the air. Revelation 19 tells you that God will feed these systems to the beasts of the fields and the fowls of the air in the supper of the great God; Supper Time; Evening Time. Is that right? They who live by the sword, will die by the sword. A sharp Sword came out of His mouth and He slew the nations. Amen. Glory. My.

*<sup>10</sup> And the dogs shall eat Jezebel in the portion of Jezreel...*

Watch this young man. Watch that young prophet. He was so taught in the Word under the ministry of Elijah. He was so taught in the Word. He went out there with that horn of oil and he was specifying, brother, so precisely. He said, “Now in the portion of Jezreel, Jezebel is to be destroyed.” He was even giving the location. It showed how closely that little group had understood the words of Elijah. Do you get that?

How closely do we understand the words of our Elijah in the spirit form of the ministry in the last days

when there is a spirit Ahab, and a spirit Jezebel, and a spirit Elijah, and a spirit Elisha in the last days? That's the natural form, a natural man, but it is symbolic of church and State – Ahab and Jezebel.

Natural Elijah was symbolic of the anointing coming back on Elijah in the last days. What did Elijah do? Turn the hearts of the children back to the faith of the fathers – 1<sup>st</sup> Kings 18. How did he turn the hearts back? By repairing the altar and bringing back the original sacrifice, rightly divided, and God vindicated it by fire. How did this Elijah in the spirit form turn it back? By restoring the original sacrifice, the original Word, rightly dividing the Word of Truth. Is that right? And the Pillar of Fire came down and vindicated it to turn the hearts of the children back to the faith of the fathers. And there was a great Rain that followed that. Is that right? A Cloud with Thunders and Lightnings and Voices. Hallelujah! And the Former and Latter Rain came to bring restoration. Is that right? Oh my! Think.

We are in the year 2004. Jezebel is still alive and the house of Ahab is still in the military campaigns. Summits are taking place everywhere in a changing world, and the words of the Prophet Elijah, in the time and the season, are being closely understood. It is being made so plain among the believers. Amen! And Jehoram, in the house of Ahab, had been wounded. Think of it. Phew! My!

I'm trying to set my text here. I'm still reading my Scripture. I'm trying to lay it down so you can see it nice and pictorial. Are you seeing that picture in the reading?

*... And he opened the door, and fled.*

Drop down to verse 14.

*<sup>14</sup> So Jehu the son of Jehoshaphat the son of Nimshi conspired against Joram. (Now Joram had kept Ramoth-gilead, he*

*and all Israel, because of Hazael king of Syria.*

*<sup>15</sup> But king Joram was returned to be healed in Jezreel of the wounds, which the Syrians had given him...*

The Muslims. They kind of wounded him up a little bit.

*...when he fought with Hazael, king of Syria.) And Jehu said, If it be your minds, then let none go forth nor escape out of the city to go to tell it in Jezreel.*

So here was king Jehoram, king of Israel, Ahab's son, who suffered some national wounds, some economic wounds, some military wounds. World Trade Center – economics; Pentagon – military. Do you get what I'm saying? This was not happening in the days when Elijah, the prophet, was in the land; this was happening after. It was happening after. So watch. How beautiful!

Drop down to verse 22.

*<sup>22</sup> And it came to pass, when Joram saw Jehu, that he said, Is it peace, Jehu? And he answered, What peace...*

Now first, you see how this man way back in 1<sup>st</sup> Kings 19, God had told Elijah, "Anoint Jehu." Now, you're seeing, this man was anointed after Jehoram had gotten his wounds and was trying to be healed. Then you see from the time he got anointed, he started a conspiracy. Do you get what I'm saying? He started to plan a way how to do this thing. So, if the house of Ahab had secrets, he had secrets too. Then to show that that anointing and that conspiracy in carrying out that commission, it was because he always had a desire for certain things too. But you see, God anoints the desire in you. Do you get what I'm saying?

If you are an Elect of God, you are ordained to have the right desire. If you are non-elect, you will have, maybe, your own desire or a wrong desire, but when

the Rain falls on the just and the unjust, whatever desire you have, is what comes out. Do you get what I'm saying?

Like Abraham, he had a desire for a son from since he was a young boy, but then God, knowing he desired it, God came and told him, "I'll give you a son. I'll make a nation." That desire grew now, from just desire to revelation, because he started to realize now, "It is not just I'm desiring that now; God is revealing that it is His will to do that." David had desired to build God a house, but God came and said, "I will build you a house." Is that right?

So, you desire the right things from God. If you desire the wrong things, when the Rain falls, you'll become false anointed. That is why a lot of people say, "God told me." The Prophet said, "A woman had a desire to preach." Is that right? He said, "I have no doubt that God told you to preach. That is not contrary to the Bible." He said, "Just like Balaam, God give him over to," what? "His heart's desire." God gave Israel over to, what? Their heart's desire, because they wanted God's permissive will more than God's perfect will. So God gives you your heart's desire. That's the Bible, friends.

A thinking man's filter, a holy man's taste – the right kind of desire. Desire what God desires for you. Desire what God desires for you. You could never desire anything as nice as what God desires for you. What you desire will always bring heartache and pain and grief and loss, but what God desires is Eternal. Amen!

Quickly, I want to get through my Scriptures so I could speak on this.

Verse 22:

*<sup>22</sup> And it came to pass, when Joram saw Jehu...*

He was now making his move. And Joram, watch him here.

*...Is it peace Jehu?*

You know that is the talk today: "Peace, peace, peace. We are all trying to work together. This is the Age of globalization; we have to unite to do things." But hear him.

*... What peace, so long as the whoredoms of thy mother Jezebel and her witchcrafts are so many?*

They started to find out about all her unscrupulous things that she had covered up. Just like the U.S. went in there and they found out all what Saddam Hussein used to do with all those files when they took the nation. And just like he had those monitoring and listening devices, and they were monitoring emails, and they were monitoring this, and they were monitoring that, and they were monitoring this, and in the surveillance society, they knew all what people wanted to do. Is that right?

So you are monitoring people, and people are monitoring you. You are trying to cleverly disguise yourself, but there are others who know that you like disguise, and when they see how the disguise works effectively for you, they say, "I will take a page from your book because I want to enjoy some of that success too." And then when you get accustomed that you are the only disguiser there is, everybody is disguising now, and then you start to wake up to the reality that you yourself can't tell who is who because you have no monopoly on the idea. Do you get what I'm saying? Listen to me closely, okay?

*... What peace, so long as the whoredoms of thy mother Jezebel and her witchcrafts are so many?*

Who! That didn't sound like a friendly man. He sounded like he was riled, and there was a kind of arrogance there. There was a kind of tone, in that, like, "What is he talking about? Look at what you all went in there and did? Plundered the whole place.

You all went against the United Nations; went in there and fooled the whole world. You ‘sexed-up’ the reports [exaggerate or embellish –Ed.], the intelligence reports; torturing people in the back there in Abu Ghraib prison and saying that you all went in there in ‘Operation Iraqi Freedom’. Was that Iraqi freedom? That was Iraqi torture. That was Iraqi enslavement.” Do you get what I am saying?

So, this man, he could see that he was riled. He realized now, “Look at what is going on.” Do you see what is going on? All of the time you’re talking about democracy, democracy, democracy; freedom; fairness. You all were dealing with the big one like that over here and then the next little one [Jean-Bertrand Aristide - Former President of Haiti –Ed.] over here, three o’clock in the morning, hustled the man on a plane, dropped him in some African country; put in a next interim government and when the people start to question, ‘What is going on?’ the man said, ‘I was kidnapped. I was kidnapped and moved out of office.’”

The champions of democracy moved him out of office and then hear what is happening afterwards. What is happening afterwards is, they said, “We are expecting you [other Caribbean governments –Ed.] to deal with the interim government. End of story. Do you think we came here to play softball? Do you think it’s a picnic we came for? You all don’t understand what is going on.” Not you I’m talking about; you know. They said, “You all do not understand what is going on.” They say, “We have an agenda. We’re behind schedule, so we have to rough things up a little bit here. We don’t have time for any nice, softy business here. If we have to move a Prime Minister out, we’ll move him out. If we can’t shoot him, we’ll kidnap him.”

Whoo, brother! Who is able to make war with the Beast? They said, “No International Criminal Court for us. No American will be tried inside of there. Deal with the rest of the world, not us. We are going to

have our own court in that Abu Ghraib prison. We'll be the judge, jury and executioner there."

While all of this was going on, look at them. I could imagine when Jehu sits down and is watching all of these pictures and is seeing all of the exposure. He said, "Look at the whoredoms. Look at the schemes. Look what this thing turned out to be." And he started to conspire. Oh, Jesus. What a place to be!

Verse 23:

*23 And Joram turned his hands, and fled, and said to Ahaziah, There is treachery, O Ahaziah.*

*24 And Jehu drew a bow with his full strength...*

The two chariots were parked up side-by-side here, you know. That was point blank range. He said, "Peace! Salutations!" And they didn't see Bidkar behind handing [giving -Ed.] Jehu the bow loaded. They already conspired. And he was talking. He said, "Peace?" with a quiver in the voice because he saw that hand movement. From the time Jehu brought the bow to the front like this [Bro. Vin demonstrates -Ed.], he said, "Treachery!" He said, "Get out of here fast. Mash it. Get those horses going." And even the horse like they conspired against him because Jehu had time to draw the bow. At that range, he only had to do so [Bro. Vin demonstrates a short pull -Ed.] and kill him, but he pulled the bow like that. [Pulled the bow all the way -Ed.] That was vengeance. That was vengeance because that was going right through and through.

*...and smote Jehoram between his arms, and the arrow went out at his heart...*

Watch the father and the son. Watch the house of Ahab. Watch the execution. A man drawing a bow; a man loosing a missile. It was guided; he couldn't get away from it.

You say, "Brother, does all of that mean that?" A little lamb Jehovah picked up in the Garden of Eden

and cut the throat and the blood started to flow. Was that Jesus on the Cross? Abel's little lamb coming up to offer it, was that Christ on the Cross? The Prophet stood up and turned his back because Elohim's back was to the tent. When Elohim's back was turned, was that the Son of Man being revealed in the last days?

I'm showing you another shadow. This is a shadow too. Sometimes a shadow looks so little and obscure but it is exactly, precisely fixed because the Mysteries of the Thunders and the Seals were hidden in the Bible, sealed up in shadows and types – the great Secret that was in the back-part of God's Mind, the prophecies, as they began to unfold in the last days.

That is why I'm trying to bring it down so you can see the reality of it. I know it will be easier for some of you because I've already preached on it by foresight and about two percent could grasp what I'm saying. Because all the things happened, it is hindsight now, and it is still fresh in your mind and you are still reading the newspapers, so it should be easy. Because with hindsight, you don't need revelation; you just need literacy. But with foresight, it has not happening as yet or it is happening, so you need revelation.

Don't feel too good if you understand it now. I mean, it is a blessing still. But when you can catch it when it is breaking, you have to have faith. This is Eagle, friend. This is the difference between Eagle and hawk. Right here is the dividing line between Eagle and hawk; Bride and church. Right here is the dividing line; the Anointing to fly up into the vision of the Word.

Verse 25. Verse 24:

*...the arrow went out at his heart, and  
he sunk down in his chariot.*

Watch again. Watch again. Do you see it again? 1<sup>st</sup> Kings 22, do you see it again? It is one picture. It is one picture – God destroying house of Ahab.

*25 Then said Jehu to Bidkar his captain...*

Catch this.

*...Take up, and cast him in the portion of  
the field of Naboth the Jezreelite...*

Why? Why in that field? That was the man whose blood they shed. That was the conspiracy of him and Jezebel to kill and take that possession. So this was Divine retribution. So, it must be carried out... The punishment must fit the crime. This was the justice of God now.

This was the sentence that was revealed in the trial, when the Prophet stood there and had them under trial and judged them and found them guilty.

Now this was the sentence being carried out by the executioner. Do you get what I'm saying? This was the sentence being carried out by the executioner because judgment had already been determined and pronounced, and the manner and the time and the place of the judgment had already been decreed in the counsel of God. Now, here it was in the season. And what was the season? After the wounds of Jehoram! While he was being healed, he was hit.

Oh, when the church was understanding closely time and season to know, this part of the prophet's Word is here, this part of the prophet's Word is over here, this part of the prophet's word is for America, this part of the prophet's Word is for the Vatican, this part of the prophet's Word is for Sodom, this part of the prophet's Word is for the days of Noah; this part of the prophet's Word is for the Elect, when these things are being revealed.

*...for remember how that, when I and  
thou rode together after Ahab his father,  
the LORD laid this burden upon him;*

Catch this. These two captains... Jehu was a captain, but now he became king. Bidkar is captain now, but both of them used to be close to Ahab, and they were there that day when Elijah walked out. He

came down with his military generals and Elijah walked out and saw Bidkar and saw Jehu.

You see, It doesn't tell you that in 1<sup>st</sup> Kings, but in 2<sup>nd</sup> Kings here Jehu and Bidkar are saying, "Remember that day when we were down there by Naboth's field?" In other words, they knew the corrupt politics; how the Vatican/Washington alliance worked behind the scenes and manipulated the public and blinded them and killed Naboth, and covered up the crime. But these same people who were there, were the ones now, that God was using to bring the judgment high up in the same government.

You don't know how far these things can go. In other words, when John Kennedy was going to be in politics back there, he was a Catholic man, high up, that he could be nominated to run for the Presidential election. Do you get what I'm saying? But their first loyalty is to, what? The church. All of these Knights of Columbus, all these Illuminati, all these Freemasons, all of these big, high people in all these secret brotherhoods, in all their shadow governments, in all their different things, because they see what politicians have done to their nation. So now, they govern from behind the scenes.

I'll get to it just now. I'll tell you how these things operate. Because there were fifteen nations making up the United Europe and now they have put ten more, making it twenty-five. I wonder what that has done to all those theologians who are looking for ten nations and ten kings? It doesn't change the Bible, friends. You have to know that there are governments behind governments and who the real government is; not who stands as a figurehead, ruling the nation. That is a nice face that appeals to the public sometimes. That is a man's speech and ideas being given to him; he is just a mouthpiece to say what is there. He is just a figurehead.

We are in diabolical times, evil times. We are in the days of deception. That is why I'm preaching, "DISGUISED FOR DECEPTION". Everything is not what it seems. The world has been cultured to look at images, saying "Image is everything." What the image appears to be is not what it really is many times, friends. That's why you need, what? Discernment to see behind the mask; to see behind the mask. What did God tell Samuel? "God doesn't look on," what? [Congregation responds "The outward appearance." -Ed.] "The outward appearance." God doesn't look on the outward appearance. But the world has made it, "Image is the thing!" And they put out an image, but it is only a disguise.

I hope that you are not disguised this morning. I hope you are not trying to look like a Christian and pray like a Christian, but in your heart, you are not a real Christian. You are more loyal to something else because your taste is for something else and that's why you could compromise. That's why you could halt between two opinions. That's why you are trying to live a drunk-sober life; a black-white life. You are trying to serve two masters. You are trying to live between two desires. You are already deceived and don't even know it. You are on dangerous ground this morning.

We are still on Ahab; I want to get to Jezebel's paint! We are still on Ahab; I want to get to Jezebel's paint. He said:

*... remember [Bidkar] how that, when I  
and thou rode together after Ahab his  
father, the LORD laid this burden upon him;*

What was the burden? What was the burden that the Lord laid on him? When Elijah walked out and said, "You didn't just steal; you killed. Then the dogs will lick your blood too, right here." That was the burden.

Jehu and Bidkar said, “Remember we rode after him. We were his military escorts and we were there and we heard that man speak and we wanted to know, ‘Who is this man; so bold?’ But there was an awe about this man. We had to stand back because we had heard stories that this was the man who had shut the heavens. This was the man who the fire came down, and showed up all those false religions that day on Mount Carmel. This was the man who called down fire and burnt up the troops when they tried to get him to come. This was the man, when people came and were playing FBI and ducked in the meeting and all kinds of things and they were not FBI. This is the man, we heard the story of Al Farrar in the shooting gallery, when he went down on his knees and said, ‘I want to receive the Holy Ghost, Bro. Branham,’ and he received it in the shooting gallery.” They said, “That was the man.” Oh my!

I read it for you here already, when Congressman Upshaw got healed in the meeting and he stood up on the steps of the White House and proclaimed, “William Branham is a Prophet to this generation.” And he wrote letters to Stalin [Joseph Stalin - Former Soviet politician -Ed.], to Churchill [Winston Churchill - Former Prime Minister of Britain -Ed.], to King George and all of them, and he sent them out because this man had met all these diplomats and leaders around the world.

Then those up in Finland, where the dead was raised on the Russian border, and the Communist soldiers... And then the great German man, who was managing the Prophet’s meetings at the time in Europe, he said, “Bro. Branham, all in Russia and all of those places, among the soldiers, among the soldiers in the barracks, on the army bases, they know of the Power of God and how the Angel used you to raise the dead.” They knew that there was such a man, friends.

Even to Stalin sitting down there in the Kremlin, Congressman Upshaw wrote it and sent it, and gave the testimony and the pictures and all of these things, of a Prophet, a Pillar of Fire hanging there. It was never photographed since that time. It was the only Supernatural Being ever photographed and scientifically examined in every way and declared to be authentic. It is not psychology. Look it there.

Oh my! Thank You, Jesus! What are we talking about? You sit here in this place, this morning; you are hearing the Word. Oh, I tell you, it is something else, right? It is something else. To sit under that, it is something else. It is not normal. I'm trying to read a Scripture. I'm still trying to read a Scripture here. The Word!

Verse 26, quickly. How is this time going? We are doing fine.

*26 Surely I have seen yesterday the blood of Naboth, and the blood of his sons, saith the LORD;*

Hear Jehu! He said:

*26 Surely I have seen yesterday...*

It was like yesterday. He said, "Bidkar, it's like yesterday."

*...the blood of Naboth, and the blood of his sons, saith the LORD; and I will requite thee in this plat, saith the LORD.*

"I will requite thee. I'll give you your retribution, I'll give you your reward in that same plot that you came to steal and kill." Learn something about judgment. We went through this many times. Did Eve eat an apple and get toothache for the rest of her life? Whatever kind of eating it was, when the judgment came, it said, "In sorrow you shall bring forth children." Is that right? And she had a sign every month since that time, of blood. Is that right?

Oh, brother, I tell you. If you watch this Word, you will understand what kind of Book the Bible is. It

seems like we are reading the newspaper, doesn't it? That is one kind of News. But this News was written in advance. Many thousands of years ago this News was written. This News was written in advance. Today's news was past news that they were looking down and seeing these things and speaking it. That's right, friends. The Bible tells you tomorrow's news before it happens.

He said:

*...Now therefore take and cast him into the plat of ground, according to the Word of the LORD.*

*<sup>30</sup> And when Jehu was come to Jezreel...*

Watch it – first. United States, first. Watch the order. Do you know why? When you go to Revelation 19, it is still the Beast. Do you get what I'm saying? But watch over here – first. "Before Jesus comes," he said. Five happened, the sixth was happening; He'll send the seventh." That is the bomb. Watch. Here we are talking about moving out from the earthly. And we have seen in the last three years, since September 11<sup>th</sup> 2001, how many laws have been passed, and then God, to confirm the Word that was spoken... I'm saying it like that. Yet people can't see it.

A woman wrote me from Norway at that time, last year, April. She was shaken up. Because that was in April; they went to war in February, the end of February into March. In April, they had not taken anything significantly as yet and I was preaching these things and she got shaken up. She wrote me back after the meetings and said, "We had a lovely meeting when you came. It was so nice, but how could you say those things. My mommy doesn't believe it that way." I went to pick up my pen, but there was too much of power in my pen at that time. I said, "No." I said, "Let me leave it. That is a little sister. Poor thing, she has not been taught better than that." I stayed a little far.

A few months passed and then when the thing started to come out: “Misinformation; deceived the people; no weapons of mass destruction.” They had to come back and admit, when all these things started to come out. I haven’t yet said, “What are you saying now? What are you and your mommy saying now?” But it would have been too insolent, so I still buttoned my lips. I said, “Lord, help her to see, poor thing.” If Ministers can’t see it, what am I dealing with a little sister like that for? At least you get to realize that there is a need for teaching, so you try to teach, not beat. Amen.

So watch. Watch here now. So when Jehu went to Jezreel, he was going for Jezebel now.

*...Jezebel heard of it; and she painted her face...*

Ahab got killed, when? When he disguised himself; under disguise. Watch Jezebel getting killed under her paint too. What is paint? Cosmetic. What does paint do? Cover a surface and give it a different appearance; hide the real and project the painted. You may not have on mascara this morning that you’ve bought in the store, but anybody who has one intention and projects something else, has a painted face. Do you get what I am saying? They have a painted face!

I’ll go into that just now. Oh gosh, I’m saying that there. Help me, Jesus. I don’t like this to happen to me in a service, you know. Sometimes this kind of pushes me to call for a service after lunch, Part 2, while you are in it, you know, because I don’t like the stretch out; come back next week and pick it up. By the time you are trying to recap and get the people to remember what you were saying, you know, the service is finished and you’re still in the same place. Now catch this.

*...she painted her face, and tired her head...*

I don’t know if I am saying that word right. In English, it sounds like ‘tired’ but I don’t know if it’s

‘tee-raid’ or... I don’t know. But it means, ‘to cut’. She was cutting it. She was cutting it; painting and cutting.

*...and looked out at a window.*

And I want you to take a note of ‘window’. Noah is looking out of a window too, in this same Hour.

*<sup>31</sup> And as Jehu entered in at the gate, she said, Had Zimri peace, who slew his master?*

You see, you wouldn’t know how to read that unless you know who Zimri was. Zimri, back in the Book of Kings, was a captain who killed—assassinated the king and made himself king. The man only ruled for three days and somebody killed him afterwards.

So Jehu was the captain and he killed the king, Jehoram, and he was going about as if he was the king. He took control of the nation. So this is telling you, it was in a state of, maybe, civil war, so to speak, because Jezebel was not releasing power easily at all. But Jehu, the military, was controlling the army. So it was only those who were loyal to the house of Ahab and they would put up some little resistance because this man, he and Bidkar were rallying the whole army. And the army was the slaughtering angels. They had the weapons. They were in control of the arsenal.

When the time comes, those who are controlling the nukes, and according to whose side you are on, that is it, you know. You can’t strike back, you know. Man will put a gun to your head and say, “Leave that button alone. You are not going to alert anybody here. We are taking over this plant.” You say, “Where did that man come from?” He is a plant [spy -Ed.] in the plant. He has other loyalties.

Sometimes, I wonder how my tape ends up, as soon as I’m finished preaching, in another place. And in another church where they are against me and try to destroy me, how quickly it ends up there. Don’t forget that I have a gooseneck hoe. Anything that looks like

weeds in my field, I'm weeding it out; rooting it up and throwing it in the fire. Any branch in my tree that doesn't come from the root and is bringing forth a different fruit and trying to live off the life of my vine, I'm going to chop it down and cast it into the fire according to St. John 15. That's right.

Jesus said, "If you don't abide in the Vine and you bring forth a different fruit, cut it down." The Prophet said, "If you are a Baptist trying to bring forth a Baptist life, but you are living off of the life of this, you're bringing forth tangelo and grapefruit in an orange tree, you are in bad business." That is a false witness to the Truth. That's right. God sent me here. God put me here. That is right, friends.

You are hearing a Word like this! Something has to be wrong with your head. Your head needs fixing. And the only reason your head needs fixing, is because your heart is not fixed as yet. When your heart is fixed, your problem is over. Because as a man thinks in his heart, so is he.

So when Jehu was coming to Jezebel, she looked and she said, "Had Zimri peace?" In other words, "Oh, you are coming here. I will deal with you. Do you see how I had Elijah running and skipping? My spy satellite picked him up crying under a juniper tree, almost with a nervous breakdown. I understand that he is hiding in some cave, up in Mount Carmel. So do you see how I had Elijah running, and do you remember what happened to Zimri? Did Zimri have peace? Zimri killed the king. Did he have peace? He didn't last three days." In other words, that was what she was telling him. That was what she was telling him. But she was telling the wrong man; he was anointed for her destruction. Whoo!

Watch! Watch this kind of anointing that was on this communist here. He didn't have any robe, you know. He was anointed, but he didn't have any robe. Hazael was anointed and he didn't have any robe.

They didn't have any double portion of the Spirit of Elijah. They were just anointed; not with the Spirit of Elijah; they got an anointing from the Message.

He said, "The Spirit of Elijah doth rest on thee." He said, "I don't doubt that you are anointed, and I don't doubt that you are anointed but your fruits will show what kind of anointing you are anointed with." And that is an anointing without a robe. You have not come in any shape to fit the robe Elijah was wearing."

In this Hour, to be Bride, you have to have the Robe and the Spirit of Elijah. And that means, to have the Robe, you have to be in the shape to fit that Robe because you can't alter that Robe. But these were men operating in another realm of the same economy, where they were getting anointed too, because remember, anointed ones in the End Time. All kinds of anointed ones: false christs, false teachers. They are anointed, but they are false.

Buzzards could fly, but Eagles see what the Prophet saw. Eagles see what the Prophet saw! My! Buzzards have gall, bitterness. They just can't stay with grain alone; they have to take a dead dog once in a while. They like their food when it's rotten. They get trouble when things are too fresh. They only smell it when it is rotting. I don't want to be a little too rough here. I'm trying to put on some rubber gloves. My! I'm just saying: "Stay in line."

*<sup>32</sup> And he lifted up his face to the window, and said, Who is on my side? who? And there looked out to him two or three eunuchs.*

*<sup>33</sup> And he said, Throw her down. So they threw her down...*

Those eunuchs: "Yes, Jezebel."

"Bring my nightie." [Sleep-wear -Ed]

"Yes, Jezebel."

"Where did you put my paint?"

"It's in the closet."

“Did you fix my spa? I’m ready for my bath.”

They were eunuchs around her. But when this man came in there and they saw a real man who pulls a bow at full strength and they are right in range, and he said, “Who is on my side?” brother, they knew that wasn’t Ahab.

They said, “I.”

He said, “Throw her down!”

They saw the anger in that man’s face. Brother, they picked her up and threw her down through the window. This man was on a big military horse. Watch something here. Watch something here.

*...and some of her blood was sprinkled  
on the wall, and on the horses: and he  
trode her under foot.*

He took the horse and he trampled her with the horse! Whew! That man drew a bow at full strength for this one here, right through the heart. They threw that woman through the window of that high story building, and when she dropped there, then he took the horse trampled her under foot. Whew! Whooh! Catch this now.

*<sup>34</sup> And when he was come in, he did eat  
and drink...*

Why did the Bible say that? God wanted to show that this man could kill so ruthlessly and then sit down and eat food right after. How many remember when God told Jehu, He said, “You did what I asked you to do, but not with a perfect heart, and I’ll bring judgment on you for the blood of Jezreel”?

Do you see how they said, “We are going up there; it’s shock and awe”? And after they bombed and they mashed up the city, mashed up things, with big, big, big bombs, leveled it flat, then you took the people and you tortured them, and humiliated them, and broke them and made them curse their religion and sodomized them and everything inside of the prison,

and then photographed it! And that was your 'Operation Iraqi Freedom'.

He said, "Those demons that were in Hitler and Eichmann and they, which were the demons back in Pagan Rome in the time of the Dark Ages and the Inquisition, of torture and killings and these things, had been let loose by those dictators, and now they have been let loose over here in the ecclesiastical realm, and that is what you're going to face when the Squeeze comes.

That's why he said, "But He will not let you go through that. He will not let you go through that." That is if you put on the beautiful gown of the promised Word. That is if you are dressed. Like the little girl, she broke the sound barrier of all the criticisms and she was preparing the dress, and she sat there, holding the promise of the ranch boss' son in her heart. And then she heard the buckboard coming, (amen! Hallelujah!) while they were arguing: "It cannot be her. She can't be bride. Look at her; she is nothing."

Oh, She is nothing, is She? But She had a promise, and She is anointed, and She has made Herself ready. And She saw the cloud of dust, the Angels coming; She knows He is on the road, brother! From the earthly to the heavenly, when all of these things are happening that Daniel said would happen in the land. But the judgment for that fourth beast is also foretold! And you're sitting in a place where in shadow and in symbol: shadow and type in the Old Testament; symbol in Daniel and Revelation and present tense in this Hour on the earth!

He is uncovering it and making it plain in the little stories in the Bible so the little children could understand that is the news; those are the things happening in the world. That's why we are different to the Anglican, Baptist, Methodist, and Jehovah's Witnesses. That's why we don't compromise our faith

because these things have been opened to let us see who we are, what we are, what God has made us, and to get ready to leave this world, friends; where this whole world has rejected Jesus Christ, put Him on the outside of the church in this generation: Revelation 3:20, 2<sup>nd</sup> Thessalonians 2 – the falling away from the faith; the apostasy in the last days.

Not just deception. Apostasy is willful rejection of revealed Truth. And they rejected the vindicated Word, the Leadership of Eternal Life. Religious, rich and increased with goods like the rich, young ruler. Religious, but rejected the revealing of the Son of Man. They crossed the line between mercy and judgment and the day of their execution is at hand. But the Bride is going to go. But before She goes, She sees it being foretold. It is being revealed in the very season when the Holy Spirit is revealing Himself to Her. Do you understand now? I hope you do.

If you don't understand foresight and by hindsight, there's nothing to understand inside of you. God have mercy. It was foretold. When they were going into the war, preached all through, *Predators And Their Prey, Planned Genocide* [2003 -Ed.], all of these things, bringing it right down to you. While that was happening, watch the Supernovae, many of them are exploding, bright! And Esther had to go in and she was dressed in the royal apparel.

*The Power Invested In The Marriage Covenant* [2004-0522 -Ed.], like I preached yesterday, raised up Ruth at Harvest Time (amen) when Naomi is back in the homeland; coming in through those stages to become one with Boaz. A Gentile like Asenath, a Gentile like Ruth, to be dismissed; a Secret before Boaz redeems Elimelech's inheritance. Before Joseph reveals Himself to His brothers, He dismisses the Wife, the Rapture, they who are counted worthy to escape, so He could go back to the Jews, friends.

Israel had their fifty-sixth birthday here, recently. Think of it. Eight sevens, just like we had a Prophet on the earth for fifty-six years too. Think of it. Oh, thank You, Jesus. Whew! What an Hour, friends! Let your thinking be filtered.

*34 And when he was come in, he did eat and drink, and said, Go, see now this cursed woman, and bury her: for she is a king's daughter.*

Maybe as he had eaten that food there, he said, "Let me show a little mercy as she is dead. I think I will give her a burial."

*35 And they went to bury her: but they found no more of her...*

He turned the city into ashes. Revelation 18:4 – fire; atomic fire. He said, "No ordinary fire could destroy that place in one hour. That is atomic fire" – Revelation 18. Watch!

*35 And they went to bury her: but they found no more of her than the skull, and the feet, and the palms of her hands.*

The dogs ate her flesh, but the dogs didn't eat her head, the dogs didn't eat her hands, and the dogs didn't eat her feet. Even the dogs said, "That woman's feet, the way she walked; that woman's dirty hands, full of witchcraft; that woman's head with those evil thoughts?" The head speaks of the thoughts. The feet speak of the walk. The hands speak of your works. The dogs refused that because the dogs know, you are what you eat. [Congregation laughs -Ed.] Even the dogs said, "I don't want to be that evil." You love the Word, right? Oh my! Did it make you forget the heat a little bit?

*36 Wherefore they came again, and told him. And he said...*

When they came and told him, he said:

*...This is the word of the LORD, which he spake by his servant Elijah the Tishbite,*

*saying, In the portion of Jezreel shall dogs eat the flesh of Jezebel:*

Don't doubt friends, that some of these learned men have a tape or two; read a book or two. Hear what he said: "I don't say it in the church, in the service, but in my home, many of those congressmen and those big senators come into my home for advice and for counsel." Do you know why? They knew that he was a seer. Because night after night throughout the length and breadth of the United States... When he went into Mexico, it was the General of the Army who invited him.

And when the priest, the Catholic priests came and said, "You know, these Protestants are going to confuse these people. They are ignorant."

The General turned back and said, "If you've had them for five hundred years, why are they ignorant?"

When he went to Germany and had the meeting there, it was with Generals. He had it on a big military base, where he had the meeting.

When he went into Finland, it was soldiers on the Finland/Russian border who saw the dead raised. When he stood up like that and said, "Two years ago, in the United States of America, God showed me that I'd be standing here." He said, "If this boy doesn't raise in two minutes time, run me out of Finland; I'm a false prophet." In the face of all those soldiers, God had it fixed that he was going to be there too.

He went down all through the Scandinavian countries, all down into Europe, all in the United States of America, up into Canada, down into Mexico, up to King George in England, down to Nehru [Jawaharlal Nehru - the first Prime Minister of India -Ed.] in India, over into South Africa it went. Think of it, friends. They knew of it. They knew there was such a man and some of them were wondering: "Why did the church world shut that thing down? They don't talk about this man anymore and they have all these con artists, robbing

and stealing people's money, when there was such a man there."

Even in the FBI, Captain Al Farrar was converted. The policemen came into his meetings, night after night, when he talked to them about the Angel and they would give their hearts to Christ in the meetings. He said, "Captain Al Farrar went out there and helped me in my meetings, giving out prayer cards and so on; ushering the people." God had people to know that the Spirit of Elijah was there, friends. It is still known.

We came in after; we weren't even around and we know how true he is, how much more the people who were there and witnessed. And George J. Lacy and those people who examined that... And man came with more updated cameras and tried to find a fault to say, "They didn't have the right camera to put it to the right test." It still stands today. If they come up and say, "That is uninspired; that is wrong," if the uninspired could raise up tens of thousands of churches around the world, what would the inspired do? If the uninspired took me out from under the hog plum tree, going to Tibet, transcendental meditation and all these kinds of different kinds of things, and standing here opening that Word like that, tell me what the inspired will do? You see? Do you see where we are standing, friends?

He said, "There was the same Elijah saying, "In the portion of Jezreel," the same place Ahab and Jezebel had connived. It started in their thoughts, to work their scheme, both under disguise.

Quickly, just a few statements and I'll close for you because my watch is saying about eight minutes to one. It is very hot; very hot.

We have Bro. Jeremiah. [Bro. Jeremiah Mkanganwi - Pastor from Zimbabwe -Ed.] He has called me. They want to come. They are supposed to have some meetings in South Carolina on the 11<sup>th</sup> and 12<sup>th</sup> or somewhere there. They want to pass in here afterwards, which would be

the weekend of the 19<sup>th</sup>. So we are looking forward for a great time.

I tell you, that brother, how God has truly given grace with the Word. You know that. When they were back there in 1986, I even played the tapes in services in past years too, of some of the preaching. He is a brother, when he stands to speak, you know that he has gone into the Word. The Word comes alive when he speaks. Oh my!

You are sure that you could take a couple more minutes, right? [Congregation says, "Amen." -Ed.] Praise God. Thanks for that. Amen. Thanks for that. When the Word gets this large, right in your mouth here, you know you have to be very careful.

Disguised! Hear what the Word 'disguise' means: *'to modify the manner or appearance of, (to modify the manner or appearance of) in order to prevent recognition; to conceal or obscure by dissemblance...*

You have resemblance and you have dissemblance. Resemblance would mean, it looks like you. Dissemblance means, you modify it, you change it so it doesn't look like you, yet it is you.

*...Or false show; misrepresent; to disguise one's intent...*

You could disguise your speech. You could disguise your mannerism. Like when they took this picture of the man's head cut off, beheaded, while all the murders, people being killed inside, about over thirty-nine... That is what they said - thirty-nine. I'm talking about the number. The other things are on film. It cannot be denied. They say about thirty-nine people so far have been killed in detention who they have, and these are people who are being beaten, tortured, and just died under these things.

So in there, they show you how these things that were taking place, are coming out now to take some of the mask off of, "Our principles, and we are operating according to the Geneva Convention Laws" and you

know all these different things, and “we are not using anything like that.” And then these things came out.

*...the act of disguising; the condition of being disguised; something that serves to disguise as a mask; a costume or pretense.*

You could pretend. Have you ever seen children... This will be a harmless illustration. It wouldn't touch too many people, so it will be a nice one to use. The boy doesn't want to go to school.

You say, “Look at the clock. It's time to get up and go to school.”

He says, “Mommy, my belly. Mommy, my belly.”

As soon as the school hour passes, he is up, around the house, bright as ever. See? You call it faking. Well, he disguised his behavior to appear to be sick when he is not sick; he is pretending. And he could do it so well that he could even fool a doctor, because even though he goes by a doctor, the doctor may say, “I think we have to carry him for further tests. He might have to take a blood test because everything seems normal, but if he is saying he is sick, I can't get anything to register pain and how intense the pain is, so maybe I have to put him under observation to study the pain for a while.” He ends up getting more holidays. [Congregation laughs -Ed.] See? So, that is one kind of disguise.

Then you have this kind of Halloween thing, right? Everybody puts on a kind of mask. Then you have Carnival costumes. People put on costumes on Carnival day and disguise themselves.

Then you have today all these fashion-conscious people. Sometimes a girl is working in a pub and she sees a nice image of a nice executive, nice bag with a long strap, you know, like if they are working in the nice, big Twin Towers [local financial complex -Ed.] or something. And she starts to move like that. And right away when she uses a couple of office jargon, you will think, “Well, maybe this is an executive.” But she

is not an executive. It is just clothes and speech to give an impression. Do you understand what I'm saying?

When you watch a lot of these TV evangelists, you know those men are not called to preach at all. Half of them can't preach, but they watch other people out there influencing people and making money, and they find, "There is nothing to it." So they go out there with their half-baked thing and they can't even stand up, hardly, to preach and they talk two things and then they say, "Take note on the screen here. Take down this account number and you can be a covenant partner and God will bless you, and I guarantee you, I'll pray this prayer of faith for you and your family right now" and this and that, and they talk a few things there.

Then some poor, old granny, whose heart is being broken; her young boy is on drugs. And they know a lot of homes are like that, because you will just have to read the statistics in a certain city to know. So if you go in that city and that is the drug city, and who is on skid row and the Alcoholics Anonymous is being overflowed, then you pick up that news and then you go on the station and you preach one of those sermons designed for those.

If you hear that the unwanted pregnancy thing is so high from the social worker... And you have access to all that information, so you kind of splice it in with one or two Scriptures and you put it out there and then you say, "Okay, the lines are open; send in your call." And you've got a lot of people calling in now, and then you are talking about this prophetic anointing, and when you look there, it's all kinds of false doctrine. You see?

Then, you have people now, who don't have discernment, thinking, "Oh, the power of God is moving there. How can't he see that power of God? That is the power of God." That is no power of God.

That is a con artist playing on old people's behavior. She opens out that little purse and the lady's hand is quivering, and she's writing out that cheque. This is her last thing. Her son is sending that money, you know, to help mommy to get through life a little better, a little more comfortable, but mommy is so hooked on religion, sitting in front of that TV and not even knowing how hypnotic that thing is. And these false anointed ones with their seducing spirits from the bottomless pit, you know, like those big mambas spitting on them while they are watching that program. The next thing, they are paralyzed. It's something else.

Now catch this. *Both Ahab and Jezebel* (I'm talking spiritual now) *know that their identities and their works are described in the prophetic Scriptures.*

Seventh Day Adventists know that Rome is the great whore. Jesuits know that Rome is the great whore. Every man looks and sees himself in the mirror.

When I look in a mirror, I don't see Bro. Glaude. When he looks in a mirror, he doesn't see me. He sees himself. I see me. Do you get what I'm saying? And I know that is me. I don't have to say, "But where am I? Is that me?" Now, if you don't like how you look... There are times that you can come to a place where you don't like your own appearance too, and you say, "That is not me. I have to change my image." And you go through a pressure.

Well, they know who they are because America is clearly identified: "A beast that came out of the earth." There is no nation on Planet Earth to fit that description other than the United States of America. Revelation 13:11-18 – no nation except the United States could fit that. Do you know why? It is the only nation that recently rose up and came and has global influence and is closely tied to the Vatican.

Out of that nation is going to come forth a pressure upon the world that you can't even buy or sell except

you have the mark. And we see that spirit, (the spirit I'm talking about) already at work, putting that pressure, but they have selected certain targets that were necessary and beneficial for them to take first before they target others, but they already know all those who will be targeted.

So first, you want resources, well, you go forth for that. The next thing, churches now that are causing problems, influencing people, have freedom of operation, you have to start to curtail their movements because their message is anti the established, recognized, religious institutions. Then you have to kind of tone them down and find a way to stop that too, because that also, to them, is something that is disrupting for their plans, their agenda and the type of society that they want to bring. That's right. Because remember, the spirit behind that...

There are only two spirits. Everything has a spirit behind it. There are only two trees that man lives by: the Tree of Life and the 'Tree' of the knowledge of good and evil. And in the last days, the Elect is brought back to the Tree of Life. The Tree of Life was shut up, while the world had to live on the 'Tree' of the knowledge of good and evil. But in the last days, the Tree of Life is fully opened up and accessible and we can eat again. That is what is happening. Down through the Ages, we ate sparingly, but now, the whole Tree is opened up; we can go and eat. All of the Fruit is on the Tree now.

So both of these powers know their identity. And that's why you even hear people in the secular world talking about 'the Beast' and 'the antichrist', and 'he is going to rise up in religion', and 'it's the Pope'. It's not only Message people who say that is the antichrist, you know. There are people from all walks of life: Rastas are saying that, Jehovah's Witnesses are saying that; there are all kinds of people saying these things. So many people with learning and understanding...

Because the facts are historical and the prophecies are also written in the Word.

Now, in school we used to learn that there was an Age called the Inquisition. In school we know of the Reformation. In school, we know of the Dark Ages and Catholic persecution; this is history. Just like we know that six million Jews were killed in the Holocaust; this is history. You could go in a library, get a book and read that.

You could go in the museum across there (which I was in Auschwitz) and saw the places that they built, saw the ovens, saw the things, saw video footage of it, when the allied nations came and everything. It is there, documented. I have books inside there with pictures of the thing. So these things are real and they know that many are closely observing them and watching for them to make their move that will confirm what they are doing.

This came to me when I was reading on those twenty-five nations now. I said, "You know, the Bible really says, it's one Beast and ten kings." And people might be waiting for a ten-nation world. How are you going to have a ten-nation world? Explain that to me. That doesn't even make sense. Do you understand what I'm saying? There are over two hundred and something nations, I think, that are in the world today, recognized nations. But yet with all these nations that are zoned, there is a system that governs them.

Just recently they are talking about The Organization of American States, the OAS you hear about. What is that? Then you find now, we have power in our nation and we talk about sovereignty, but then sovereignty is just a political word that people use for wanting to give themselves identification or to sound powerful, to say, "Well, I am not him. Look at me. He and I are different. I'm taller than him. My complexion is different to his. You know, my speech

and my mannerisms are different to his,” for identification purposes.

Then somebody else looks now and says, “Both of you are poor. Both of you are unemployed. Both of you are indebted to the same bank.” So when the bank looks at you now, the bank sees two people who’re owing them. “You all talk your identity otherwise”; the bank is not interested in your identity. That is for you to distinguish yourself from him. But the bank sees two debtors. Do you get what I’m saying? That is another realm.

So here in the world now, many governments are under one head because many nations don’t have armies, and many nations don’t have Air Forces, and many nations are landlocked, so they don’t have any Navy. If there’s a weak nation on the seacoast and somebody takes that weak nation on the seacoast, they are right in your backyard, and you are landlocked. And if you don’t have friendly neighbors, you are in trouble. And if they have an Air Force and you can’t respond to an air attack, then you are in trouble too.

Do you see how we had trouble with Barbados with the international fishing waters? They said, “They are catching our flying fish.” So whose flying fish are they really, and why are we fighting the people over a couple of flying fishes? And a couple of men drifted off with their boats because they have no navigational system on their boats to tell them that they had come over in the waters and there was a whole big furor.

How many got locked up in Venezuela and they’ve held people right here too because of these lines. When they get to the legislation, they say, “Well, we have old legislation that really can’t apply to this modern world, where there are drugs coming in from different places. The drugs are passing through your yard and you don’t have any fence in your yard to block them out, and they are coming in my yard and

causing trouble. And you are really responsible because they are coming in your yard before they come in my yard, and if they couldn't get in your yard, they would never get to me." So then, what is happening, they said it is coming from Columbia, coming up through the Orinoco River, coming to Trinidad.

We have tankers that go out to Europe. We have tankers going out to the States. So they came down here and they said, "Change up your system, otherwise we'll not trade with you all. Anything coming to the United States place there, make sure you have proper security, such and such and such, and change up all your systems."

So they got down there, into all those refineries, all those different places, and they started to change up your laws. Why? And the plane that is coming from New Zealand, before the plane even takes off from Auckland, they say, "Now there will be no loitering in the corridors or around the toilets."

Normally with these long flights, twelve and a half hours, people stand up and take a little walk, stretch their legs, stand up by the toilets; use the toilets. People line up for the toilets and so on, you know, to use it. They said, "We don't want that anymore. Once this plane is coming to the United States of America and you are on that flight, you sit in your seat. You keep your seat belts fastened, even while you are in your seat. Because if two men go by that toilet and hang around there and then they start to talk, we don't know what they are talking outside there."

They create this kind of atmosphere, meaning, "What if the man got through security and he has a shoe bomb?" Like the fellow they had to wrestle down during that last time. You know these things, right?

You see, sometimes you sit down here in church and you don't realize what is going on out there. When you go, you have to take off your belt; take off your shoes. Your computer goes this way. While your

computer is going that way, your shoe is going this way. Then you are coming here, they say, “No, no, no. You beeped; go back through.” When you come back, you beeped again. “Okay, come in this little paddock.” It is like a paddock. They put a thing, so you stand up there. There are about three people inside this little thing here. Then you wait now. One by one: “You go out so. Put up your foot. Put up your next foot here. Turn your back. Turn around here.”

Then when you’re done, they aren’t worried with you now. You’ll go and find your computer, you’ll go and find your shoes, you’ll go and find your wallet; you’ll go and find whatever you want to find. Whatever is yours that is floating around outside there, maybe a belt, you’ll go and find it. Whether your flight is boarding, they have nothing to do with that. If you beep, you’ll stay here.

Brother, they are creating a society. They are putting a pressure. You are reading things. You’re hearing things. It’s in your mind: “There’s an enemy out there. We are in danger at any moment.”

I thank God there’s a Friend here. He sticketh closer than a brother. He will never leave me nor forsake me. He will pick me up one of these days. He is giving me a charge like a battery. Hallelujah. There is more with us than with them. I thank God for that. And the same way that that beep goes off, there is a beep that goes off here too. He gets the signal: “He is here. You can take spirits under your control for the glory of God. He is here.” It is different.

So the Beast, Ahab and Jezebel, they know that if they make certain moves, it will be very clear who they are. There are too many Bibles printed, too many Bible schools, too many students of prophecy out there, and too much of information and access to information, and too many watchers, so they have to disguise themselves. I’m closing.

They have to disguise themselves. They have to employ methods to divert the attention to confuse the observers, because they are determined to carry out their ambitions. And they can't carry it out plainly because people would say, "That's the Beast. Look they did this and that. Look so and so. Look the Bible says this and that. Look It says here in Revelation 17, Revelation 13, Revelation 18; look, the Catholic Church." No, no, no. They can't be caught red-handed and say, "Yes, that is us. You caught us. Forgive us. We wouldn't do it again." Do you think it's that? They are doing it disguised. The Bible says that.

That is why I told you, the names of things have changed. Bro. Branham never used the word 'Internet'. It didn't exist. It existed sure. He called it, "Channel of communication for inspiration." They call it 'the Information Superhighway.' He called it the fourth dimension; they say, 'television', 'radio' and 'the Internet' and these things. See?

So when you're reading the Message, sometimes you feel that it's another thing going on. It is the same thing. That's why the Holy Spirit here has been so gracious to take that, take the Word and say, "No, look it is one and the same thing. Look the thing is around you. Observe it. See it."

*So they are employing methods to divert attention and here was Ahab now, he was going up. Elisha knew the hour. He understood the time when that prophesied anointing spoken by God to Elijah was to be poured out.*

Are you getting that? There is going to be a season. The same way, the Bride is going to catch those Thunders; She will have a Second Cycle. You will see 'Bride' from 'church' in the Message then; you will see the Eagle then. Why? Because the real Bride, the revelation is only for the Father's spiritual Genes. The Rapture is a revelation only for the Bride. There'll be only a little group of the true Seed, who could go in

that Seventh Seal to get their change. The rest can't find it. The rest will never find it; that's why they will have to go through the Tribulation to be purified. But the Bride is washed with the washing of the Water of the Word. She is dressed and clothed and made ready by the Word because She has all Seven Seals. Amen!

It was not until Joram received his wounds (after being attacked and was being healed from those wounds) that the time arrived for Jehu to make his move; to be anointed. In 2<sup>nd</sup> Kings 9, we have Jehu, we have Jehoram and we have Jezebel. Russia – Jehu; Jehoram – United States; Jezebel – the Vatican: three of them. Jehu was anointed for, what? For the destruction of these two. It's a picture.

The first, second and third vision was, what? Jehu. Fascism and Nazism will be swallowed up into, what? Communism. Watch Russia, the king of the North. Is that right? The fourth and fifth vision – the United States; science and technology; immorally dressed women. The sixth vision – The rise of the Catholic Church in the U.S.A. The seventh vision – the bomb; missiles.

2<sup>nd</sup> Kings 9, 1<sup>st</sup> Kings 22 – both Ahab and Jezebel died under disguise. Their death met them under disguise. They were concealing their identity, projecting to the public another face. Two people, who by the mouth of a prophet, a curse went forth, a Vial, a judgment, a word that would determine the death that they would die in the time and season.

Jehu, the appointed destroyer, the tool in God's hand, a sickle, a hammer, to destroy the house of Ahab and Jezebel. And here, we see in this scene, he's being anointed in a military summit, in the days after Jehoram had received his wounds; in the days after the ministry of Elijah, the prophet, when God was finishing up His work by and through Elisha, who was anointed with the Spirit of Elijah and had the robe of Elijah – the Bride.

Don't ever think that is me. There is no more one-man Scripture. Remember that's the Message: "There is no more one-man Scripture." I am one of many voices, of many waters. What's that? Foaming out in judgment. If you look back in the Bible, you'll find Micaiah under Elijah; you will find Elisha under Elijah. Is that right? Helping us to keep that Word of the Prophet alive.

I'm closing. In Kings, it was what? An hour of great religious deception. The bottomless pit had opened and demon spirits were coming out. Those demons were loosed in the ecclesiastical realm and false anointed ones, lying spirits were deceiving everybody. It was at that time. You only have to turn on that TV, turn on that radio, and what is coming through those airwaves are lying spirits coming out of their mouths, demons from the bottomless pit that is opened, while that army is riding!

You see, you have to get this, so when you get to Daniel, you'll see how Revelation 9:1 – a tree, a king, by the river Euphrates; Revelation 10 – a Mighty Angel by the Hiddekel. The Hiddekel and the Euphrates were rivers in Eden, and the two trees were in Eden and the two trees are in Revelation. Revelation 9:1 – the 'Tree' of knowledge; Revelation 10:1 – the Tree of Life. My!

In those days after Elijah, God was soon to fulfill the Word of His prophet. While all that false anointing was going on, the kings of the earth were being deceived and Ahab was disguising himself under his military campaign. It was at that time, while Ahab was disguising himself, God opened up a Seventh Seal vision and Micaiah began to see, words spoken by Elijah the prophet, (Feasts of the Trumpets), the bottomless pit is to be opened. That angel has the key. False anointed ones – watch those lying spirits come out of their mouths. Souls in prison – watch those

demons veiled in human flesh; hell came on the earth into flesh.

Watch that Fourth Seal: religion – Zedekiah and they; politics – Ahab and Jehoshaphat. Is that right? Demon powers were coming out of hell, being united in an ecumenical move, and Micaiah was seeing that it was time for Elijah's word concerning the prophecy to come to pass. It was time for Jehu to be anointed. It was time for Jehoram to be killed. It was time for the house of Ahab to be destroyed. It was time for Jezebel.

In that Hour, they were understanding the time and the season when these things were happening. When Ahab was going forth with his military campaign, and when Micaiah was speaking that Seventh Seal vision which opened to him, we see Ahab and Jezebel operating under very clever disguises. Is that coincidence?

I came back from New Zealand after preaching the messages here, Noah catching the Thunders between the Trumpets and the Vials, to take a people out of the old world, bringing them into the new world; the Ark, the Rain and the Dove – a three-fold Mystery of the Seventh Seal to go into the New World; to leave this world to go into the Other World. Noah lived in two worlds. He saw the science world pass away. Lot saw his world pass away, and Mistress Lot passed away when that world passed away because she refused to leave that world.

Whichever world you're reflecting, it is going to show what your destination is going to be. If you're reflecting a world that could pass away, you will pass away with it. You better reflect a World that can't pass away. Is that right? Just some statements here because I don't have time.

*Ahab and Jezebel experts in disguise; skillful in deception. They knew how to confuse and manipulate people by cleverly concealing their identities.*

She wrote it in Ahab's name, sealed it with the seal and everything. She got the witnesses, got the elders and the nobles and the influential ones, called the National Security Council together there in New York and had the whole thing; showed the satellite photographs, and said, "Look, they are moving these kinds of mobile laboratories. They have all the weapons here. They are doing such and such and such, and this is what it is and this is why we have to go in."

In England, they 'sexed-up' the reports. That is what they called it. That is the word they used. I'm using the word, so you will understand what I'm talking about, and who hears the tapes will know what I'm talking about. They said, "They sexed-up the reports." In other words, they diced it up; made it dicey. And you know, in a meeting where they could get people's emotions to run kind of, "Man, we have to go in there. We are not going to tolerate this kind of thing," you know, to make it look so convincing. Then they put it out in the News there and they kind of disguised it.

Ahab disguised himself as a freedom fighter, "Iraqi," and he stood there with the troops with the 'Star-Spangled Banner' being played and all their flags: 'Iraqi Freedom.' And how they were dropping all the food in the nice little boxes for the children and so on, and they were showing all those pictures first, the propaganda part of it, and it looked so nice.

All of that is just disguise until Abu Ghraib starts to show through the mask to say, "Jezebel, Jezebel, your underclothes is showing. Ahab, your paint is washing off. Your paint is washing off. Change your image. Call a meeting with the media, give out another story; put back on some more paint. You see, they know how to confuse and manipulate people.

*...cleverly concealing their identities, both were destroyed while they were hid behind their deceptive*

*disguises. They were over confident because of how well they hid themselves, thinking that they were protected because no one suspected them because of how successful they were in manipulation of people through the disguise...*

They had a good team of costume designers and cosmetologists.

*...to project a false face, while their true face is hid. It's the very nature and character of these two powers. They thrive on deception. They are hypocritical and pretentious.*

A person who projects one face is a hypocrite. Jesus said, "Outside, the place looks so clean and nice." He talked about "Whited sepulchers but inside is full of dead men's bones." He said, "You appear to be holy and make long, long prayers and you kind of bow and all those kinds of different things, but you are snakes in the grass." In other words, what was He doing? He was showing... Because the word 'Pharisee' means 'actor'. It shows that they were acting. They were projecting one thing. Do you get what I'm saying?

I'm going through quickly. I don't have time to... The time is up. So watch. Both of them, and that Scripture also... How many know that all Scripture is given by inspiration? Both of them are seen disguised, and I showed you that. Ahab's disguise; Jezebel's paint. She taught him because when he couldn't take Naboth's vineyard, she said, "You are the king. I'll show you how to do that," and painted a political face, painted a religious face; painted a military face.

Do you know when they go in the military campaigns, they paint their faces too, so the enemy doesn't detect them? Have you ever seen them put on that kind of paint? They learnt that from the Navajo and the Apache and they, so they don't reflect off the moonlight and different things. They move in the cover of darkness. They blend into the environment –

camouflage. You are there and they don't know that you are there – stealth. So watch.

*Before they were destroyed...*

Here we are seeing them under disguise. Supernatural devils unseen to the eyes, but you can see what they are doing. Hallelujah! Look what Lucifer is doing; he is building his kingdom. Come and buy eyesalve that your eyes will be anointed and you will see. Except you have the Token to examine it, it will pass right through you. But if you can know the disguise, you can tell the real from the false.

*... Ahab disguised himself and went to battle.*

Is that what he said? He was going up into the war, but disguised. “No! I’m not going after anybody’s oil. How could people be so ridiculous? We have to save the world from destruction. It’s a mad man there and he has all these weapons and the world is not safe. We love the children and we love the Iraqi people and we believe in democracy.” It sounds good, doesn’t it? But when you know that she is Revelation 13, how does this one get love, and this? Because this one was built for the first beast, Revelation 13:1-8, to work through it. This is just a vehicle for the first beast.

*Ahab disguised himself and went into battle, disguised as a freedom fighter, going forth to free and oppress people, free the world; free the people of his nation from the threat of a madman with weapons of mass destruction. Think of it. Free the world from a nation that is supporting terrorism, hiding behind this disguise.*

He deceived many to become part of his noble crusade to make the world a safer place. So they fabricated their evidence. They sexed-up their reports and he and his coalition forces went forth to establish democracy. And their make-up artists, their costume designers, their cosmetologists, had to enhance their public image to get the public support for the war.

And the same people who supported the war, are crying out now: “Look what we supported.” See?

What are the cosmetologists? What are the make-up artists? The communication networks. Have you ever noticed when a person is going on TV? If you ever noticed them in the studios, they powder them up, paint them up, fix them up, so they could reflect a face that looks so nice under the camera. When you are in politics and so on, you have advisors around you, who educate you and tell you, “Okay, don’t use that word too often in the speech; once here; drop it off here. And your mannerism, don’t sound like you are arrogant about it. But when you reach this part, lay it down here, kind of break your voice, cry and quiver.”

Like President Reagan [Ronald Reagan - Former President of the U.S.A. -Ed.], when he was campaigning that time, every time he reached a certain place in his speech, he broke down and started to cry. Then they watched... He made the speech in about three places and every time, in the same place, he broke down and cried. They said, “This man is acting. He is from Hollywood.” They said, “This man is acting and putting on a global performance on stage.”

The ex-Opposition Leader right here—the Opposition Leader I should say, he used to be an actor too. Brother, politicians become actors. When election time comes, they stand up there and they quote Scriptures for the people. You have to learn a few Scriptures when you go on the campaign trail, you know. Sure. So they profile them, their ‘ministers’ of information, their PRO’s.

I remember one time they said, “Don’t hold that glass. Every time they photograph you, you have a glass in your hand. They will think that you are an alcoholic.” And they say, “The man is getting bad press! The man is getting bad press!” They say, “Hold a few babies when you go in the crowd. Pick up a few babies, kiss them and hand them over and so on.” In

other words, “Make your image more public friendly. Tone down your speech. Don’t be so arrogant. Speak nicely. Drop a few Scriptures in there in-between, so they will think that you are godly.” It’s an image, friends. It’s an image. This is the Age of image. Cleverly concealing. Then they give them the appropriate image that has public appeal to sway the voters and get support.

I’ll have to stop there for today. I don’t want to keep you back. I have kept you long enough. You have been gracious to me today. I appreciate it. I would want you to be here on Wednesday, so I don’t want to make you feel that I’m filling you up too much today because I want to get back into Daniel now and weave back some of this inside, so you’ll understand what is happening.

Just let me, for some of you who don’t have access to the News, I’ll read what I’ve been talking about in an article that I took off the Internet. This is CNN, so this is not like anti-America. I got this off the American News media. And *The Washington Post* was the one that carried this article, right in Washington itself, near to the White House there. So listen.

Now some of the words here are kind of raw and I’m going to say it, just like the Bible had a little raw part there, where God said, “I’ll cut off,” talking about the male, you know, urinating against the wall and so on.

*U.S. military guards rode Iraqi prisoners like animals and forced them to scrape their food from toilets, according to the testimony reported with the release of the first video images and more pictures of detainees, being beaten and humiliated. The Washington Post showed excerpts of videos and more pictures, from the notorious Abu Ghraib prison near Baghdad, showing savage beatings and of soldiers appearing to delight in the abuses.*

Now I’m reading this to show you, when we get here on Wednesday and we go over in Revelation, you will

see how It described it in Revelation 9; how those demons of persecution and torture, what it did to the Jews, which came from the Roman system that was loosed there upon the Jews, how it is being loosed here now.

Then you know in *The Feast Of The Trumpets* [1964-0719m -Ed.] you remember, if you want to read that when you go home and you have the New Year's greeting that I sent out around the world, it is right inside of there. I put the quote inside of there, on those things. That was New Year's. That was my New Year's greeting. This came out in the last couple of weeks. Watch and see.

You tell me what kind of spirit it is here, operating here in the church. This is not somebody having a back pain, you know. Listen. And these things have been spoken by a Prophet. If he said it, then I'm fearless to say it. Why? Because I am commissioned just to say what has been said. The Spirit and the Bride say exactly what the Spirit said through the Prophet, and what he said was already said in the Word. But this is the final Voice to the final Age. The Bride under Her Messenger becomes the final Voice. Let's get ready for that final call; it is happening right now. Think of it.

*A picture on the front page of the Post, showed a prisoner in an orange jumpsuit, cowering in front of an un-muzzled dog, being held back by a soldier. Another showed a naked prisoner smeared with what appeared to be excrement, being forced to walk in front of a baton wielding guard.*

They were riding some of them. They stripped them naked and started to ride them. They were making some bark like dogs. They were making some deny their religion. They were sodomizing some. They're performing sex acts in front of them. They were fondling them while they're naked inside of there, and

they delighted in it. It's glee after they already mashed up the country and went with everything else.

Now watch something. If somebody walks into your house, in the night, you have ten bandits who come into your house, burst down your door, shoot up half of your family, like the time in Piparo [Village in Trinidad -Ed.], when they hung these people for that crime. And after they burst down your door and shoot up half of your family, then they sodomize your little boy, rape your girl and your mom and they, and then burn down half of the house and walk out. Brother, that will bring such outrage. That will bring such outrage that the people will rise up to say, "Prosecute these people. These people need to be hung; lifetime in prison, nothing less." And they'll call it murder, they'll call it every kind of word and we'll have all kinds of prosecutors to prosecute.

When they call it 'war', instead of doing it with one house and one family, they do it to a whole nation. You move in, you invade, you mash it up, then you start to sodomize, you start to do everything. You take all the wealth out of it. Then you control the rest that you can't take out; it has to stay there because you could only drill it out. But all of the things from the—all of the arts from ancient Babylon and all of the different priceless things, you don't hear about it anymore. And if you go in 2<sup>nd</sup> Kings 24 and 25, you go in Revelation 9, you'll see the spirit there, what it does and how it operates. I went through those things with you already. See? But watch here.

*In another, a U.S. soldier is shown with his right fist braced, as though he is about to strike one of a pile of bound and hooded prisoners on the ground.*

They stripped them naked. Some of them, they put black hoods on them. They had some people with wires, electrical wires, who apparently, the people were being tortured with electric shocks and things.

*A sixth picture shows a prisoner in underwear with cuffs along his hands and one ankle stood on two boxes with his back to the wall. One video put on the Post website...*

I saw the picture. They have the pictures of these things too, you know. You could click on it and see the picture.

*...show naked inmates being dragged across the floor. It said, another showed a U.S. soldier, who slaps the man across his left cheek so hard that the prisoner's knees buckled. The detainees described being ridden like animals by prison guards, sexually fondled by female soldiers...*

They talk about some American female soldiers. Do you know how Bro. Branham used to talk about those filthy American women? Not all, but some, and that is the spirit of the nation, because it's projected on the screen – all those actors and them. They say that some of them were committing sex acts with three or four men right in front there and they were doing it and laughing and going and fondling all of the naked people right there. Think of it. You tell me, what day are we living in, friends?

On the next side, they're passing laws. Boston, Massachusetts, down in San Francisco, in Toronto and all of those places, hundreds and hundreds are piling up for homosexual marriages. UFOs flying, eleven of them photographed by the Mexican Air force; shown on nationwide television for two days. Over here on this side, torture and different things. Right in our own backyard, seventy miles by forty miles here, murders, kidnappings, slayings and everything, day after day after day after day. They can't stem the flow anyhow.

In the midst of all of that, the real Elect is not left without understanding. Is She? There's a Word coming from God. There's a Message that was spoken by a Prophet. There's a Word being brought back and

waved among the people, to see that we were told; we were foretold and forewarned of this Hour. When it happens, we know what kind of spirit is in the Bible, and we know what kind of Hour we have come to.

*Detainees describe being ridden like animals by prison guards, sexually fondled by female soldiers, and forced to retrieve food from the toilets.*

They took their food and threw it down the toilet and said, "Pick it up and eat it." And it was licks [a beating - Ed.] if they didn't want to eat it. And they had to take it up and eat it, while they're naked.

*"They forced us to walk like dogs on our hands and knees. And we had to bark like a dog and if we didn't do that, they started hitting us hard on our face and chest with no mercy. After they took us to our cells, took the mattresses out..."*

All of these things that are being said here, where they said, "They took us," is on the film, you know. They have it filmed. They had the gall to film all of this. And while they were filming it, they're laughing and they are filming themselves jeering and gesticulating and doing all these different obscene things - people who stood at the National Anthem, who are going to defend the world, who are going forth in 'Operation Iraqi Freedom' to establish democracy, to give us a better world to live in, set the standard for us; the most feared people that there are in the world.

Ahab disguised himself and went into his military campaign; Jezebel was painting her face - cleverly concealing themselves. And the media that they used to powder them up and give them one image to the public, because you're cultivated to believe what you see projected to you, that when you start to see the other image, you say, "No, they can't do that! It can't be!" Because they show you all the other things that they do to stage their performance, to win public appeal and public confidence while they carry out their thing, friends.

Do you think that is only politically? Religiously they are killing more, with all those false evangelists on that TV, day and night, seducing their own people and seducing the rest of the world; herding them like sheep by the millions into the fold of Rome; this TBN and all these things here.

*... After that they took us out of our cells, took the mattresses out and dropped water on the floor and they made us to sleep on our stomachs on the floor with bags on our heads and they took pictures of everything.”*

*They were forced to strip naked on their arrival at the prison and remained naked for several days, with some forced to wear women’s underwear. A U.S. army translator having sex with a boy, between fifteen to eighteen was witnessed by one detainee at the prison.*

*Another detainee described how a U.S. Army specialist, (and they called the man’s name) Charles Grainer another U.S. soldier, sodomized another detainee with a fluorescent light. Grainer was also accused of throwing detainees’ meals into the toilets and then saying, “Eat it.”*

*Another detainee said he was kept naked for five days, forced to kneel for four hours with a hood over his head, badly beaten, forced to crawl as he was spat upon and finally sodomized by U.S. soldiers with a night-stick.*

*Another one described how he was forced to stand on a box wearing a blanket and a hood with electrical wires sticking out of his body, in what has become one of the icon photographs of the scandal.*

Showing you how much torture they were under to break them. And these soldiers said, “We were obeying orders.” And they tried to come out now and said, “Oh, it was just a handful, a couple.” If it was a handful, a couple, then all of history had a handful, a couple of them that just did that. That is the way of the army, friends.

The most obscene were some of the women; were some of the women soldiers because you see, these people there... Now this is the Christian nation going against what is the so-called 'heathen' nation. That's Jezebel, friends; that is not a Christian nation. That is a Catholic nation. Catholic is not Christian. Catholic is pagan. "*Impersonation Of Christianity*," [1957-0127a -Ed.] the Prophet said. *Christianity Versus Idolatry* [1961-1217 -Ed.], *Hybrid Religion* [1960-1113 - Condemnation By Representation -Ed.], *Jezebel Religion* [1961-0319 -Ed.], *Why I'm Against Organized Religion*. [1962-1111e -Ed.] Do you see what it is?

*"One soldier came and put electrical wires on my fingers, on my toes and my penis and I had a bag over my head. Others were nude and handcuffed to each other and placed in sexual positions."*

They broke their morals. Do you remember in Kosovo, when they had the Kosovo war going on, and I preached about how they were setting up the camps, when the Catholics were breaking the Muslim power? They took all the women, and the young girls, and they raped them systematically, planting seed in them. And then when their babies grew to a certain stage, then they released them when they couldn't abort the babies anymore. And those husbands could not... Because of their religion and the women being defiled and dehumanized in that way, it broke their manhood and everything. They couldn't go back with those women.

Do you know what it did? 'Ethnic cleansing' they called it. Reshaping the world, friends, and bringing back... The revival of the pagan Roman Empire. Babylon has become the hold of every foul spirit, the cage of every hateful and unclean bird; the habitation of devils.

When the Berlin Wall broke, he said, "Watch the thing has come back full circle. The pagan Roman Empire is revived." We are in the Empire. All the

great chariot races, I tell you it's the Grand Prix. All the great gladiators in the arena are the boxers, and the wrestlers and all the different things that they have there. All of the games that they have them drunk on twenty-four hours a day, E.S.P.N, and all these things here, are to drunken and divert them. They are caught in surfeiting and drunkenness and that Day came and caught them unawares.

You, who are counted worthy to escape those things which are coming upon the earth and appear before the Son of Man, the Message is coming to get you, so that you wouldn't be caught in there; filtering your thinking right now, this morning, giving you a holy man's taste. Wake up! Recognize the Hour. It's nearer than when we first believed.

Let's stand to our feet.

"DISGUISED FOR DECEPTION". *Ahab's Disguise And Jezebel's Paint*. Two people, two systems, in union, that is prophesied to control the world, that is prophesied to be killed, but working under clever concealment of their identity. Putting forth a face that is not their real face, but behind there is a plan to control the whole world and trade and commerce in a pact and make the world a prison planet. The only people who will not be in this prison... Souls that are in prison now, where the world is walking today; all of the End Time signs, the flashing red lights, we see them appearing everywhere.

Young children, you see what is happening in the world today. Between 16 and 22 years, five of these young fellows they held for the kidnapping and murder of the MP's [Member of Parliament -Ed.] son. Between 16 and 22, five of them they have there under investigation right now. Like a fig tree casting forth her untimely figs, they can't even grow into manhood; already deformed into a hideous condition from young. Look at the generation that is coming forth, friends.

You, young people, you young children, open up your heart to a godly influence, today. Shine your light. Be salty when you get out there in school among your friends; when you get out there on the playground. This world is going to pass away soon. More and more as the time advances, all these things that we have been warned about, he said, "I may not live to see it, but you, young ones here, will live to see" what Bro. Branham said "it's nothing but the Truth because I am saying these things, **THUS SAITH THE LORD.**"

He warned us because he had the Word of God. And the Angel of God, Jehovah Angel, was there with him and he was the mouthpiece of that Heavenly Angel speaking to this generation. The grace of God has come to us, friends, so that we will recognize these things; that we will realize that God has been so gracious to us, He considered us in His plan of Redemption.

Think of the millions today that don't know these things. Think about if you and I have to face that kind of treatment because that's the demons that are veiled in flesh, highly organized. But by the grace of God, when the Squeeze comes down, watch the Third Pull then. There will be something here to start the Rapturing Faith to the going away. There must be a people, in condition, that God could trust, friends. There must be a people that God could reflect Himself through.

Don't you want to be one of those children of Light? Don't you want to be one of those Grains of Wheat, a child of God, filled with the Spirit of God?

Signs of the times: let's sing this song and get ready to go out. But while the Spirit is moving here in your midst, I want you, friends, in your heart, as sincere as you can be, you as an individual... I'm not going to have any altar call this morning. You, right where you stand there, (we had an altar call last Wednesday, so I

don't want to have an altar call today) I want you, as you are sitting under the Word, as the influence of the Word is taking a hold of you, as you're meditating upon the Word...

Some of you have been filled up in the service maybe an hour ago because you just couldn't take anymore. Some of you are filled up right now. All of us are filled up, but let us not go back out without saying, "Lord..." Take what you've heard now, under consideration: "Lord, I listened attentively. I see the Minister making some comparisons in the Scripture, making some parallels, bringing back things to our remembrance, applying it to the present things that are happening. Some of the things we've heard at the beginning of this year, last year and the year before, when the World Trade Center and all of these things were leveled, when the Pentagon was bombed, all of these things, we see how the darkness is coming in. Lord, You have a promise: 'Look to the Eastern skies; the King is going to appear. And we who are alive and remain will not prevent them who are asleep. The dead in Christ shall rise first.'

Remember Mount Transfiguration – Moses first, then Elijah. The dead in Christ shall rise first – Moses, the resurrected ones. Elijah, the translated ones – we who are alive and remain will be changed and together we will be caught up to meet the Lord in the air. In your heart, for the next few moments, just say, "Lord, I want to be ready, Jesus. Prepare me. I see my sins. I don't want to hide it. I don't want to be one living under disguise."

They tried to cover up their faces, but the Holy Spirit is saying here, "Show your face. Show whose face this is. Show the real face here. Let them see the glory of God. Let them see the glory in the Word shining out." Amen! God is unveiling while they are trying to conceal. The Mighty Conqueror is standing in plain view among you.

Oh Jesus, together with this church, in these few moments of meditation, taking into deep consideration what we have heard and feeling compelled for consecration, dear God, we, who are gathered here, and all that are confederate with us in the region, and those across the seas, in the foreign lands, Your Elect, Father, Lord, how we ask of You that as we see Your Truth being made plain and things that have been so misunderstood by many, but yet Your great grace and mercy to humble simple people like us, in a little place like this, would come down night after night and day after day to keep us in remembrance of what was spoken by a Prophet, that which You vindicated to be the Truth, revealed out of the Bible through the opening of the Seven Seals, forewarning us, foretelling that this Hour was going to come, and showing us, dear God, when we see these things happening, it is time to leave.

Lord, we ask today, Father, for courage and for strength. We stand, Lord, to lay aside every weight and every sin that so easily beset us. And the things that we have gone too far with, Lord, and allowed to stay with us for so long, knowing, dear God, at this junction, to carry it any further would be a sin. May we take inventory today, Father. And may dear God, all that is not of You, may You bring depth of conviction in our hearts that we will lay aside, and we'll purpose in our hearts that we will live uprightly, we will walk soberly before You and, dear God, we'll take Your Word and mix It with faith, Father, endeavoring to please You and obey You in all things.

Strengthen us where we are weak, dear God. Lord, help us to be bright, shining lights in this dark Hour so that we could give every man a reason of the Hope that is inside of us. May You continue to reveal Your Word more and more to us, Father. Lord, we realize without the Holy Spirit... You said, "When the Holy Spirit, the Spirit of Truth is come, He will comfort us,

He will lead us and guide us into all Truth, He will bring things back to our remembrance, as You are doing; showing us things to come, as You are doing; teaching us all things, as You are doing. Also, He will convict us of sin, reprove the world of righteousness and of judgment, as You are doing, Father.

Dear God, make us to be more sincere. Take away all pretense; all hypocrisy. A make-believer is the worst thing; that's the deceiver. Let us not be that, in any way, Father, but let us be true believers, oh God, even though we have to suffer and be rejected and humiliated for what we believe.

We see in the Bible that the Holy Spirit, in no Age was able, Lord God, to go forth without being rejected. They stoned and killed the prophets. They rejected Your messengers until they put You, Yourself outside of the church, and they spat upon You, Lord, and You said, if they did that to You, how much more will they do to them of the household. If they called the Master of the house Beelzebub, how much more will they call you. Lord, when the world loves us and when we are friendly with the world, something is wrong with our testimony, Father. You said, "The world doesn't hate you because you don't testify of the evil; the world hates Me because I testify of the evil."

Oh God, Lord, may You help us to bear the reproach of the Word in this Hour, that Lord God, we wouldn't want any false friendships, Father. Oh God, we saw Your Prophet, how they humiliated him, how they ridiculed him, how they shut him down; how they crucified his effects. They exalt all kinds of worldly men and women and yet we don't hear anything of Your Prophet. But yet Lord, that Word that he spoke, lives in our hearts today, Father. And yet Lord God, even though it brings persecution, we are willing to bear it, Father, because we know that goes with the Word.

Lord Jesus, help us, Father, to finish the work that You have raised us up for. Give us wisdom and understanding and Lord God, may You keep us in Your Presence. Keep us under Your holy influence, under Your guiding hand, dear God. You said the Bride has “THUS SAITH THE LORD” or keep still. By and through the members of the Bride, You will finish the work that You have left for this time.

Oh Jesus, Lord as Your Prophet said, “We don’t want to be criticizing.” God, he said, “I would rather stand in the pulpit making a mistake every day and being criticized for it, trying to fulfill Your will, than to sit down there just criticizing and not doing anything but criticizing the one that is trying to do it.”

Take away that evil spirit, Lord God, away from this church. Let that not be around any of Your children here, dear God. Break its power. Loose them from the grip of that evil and bring the sweet Spirit Lord, so that we can stand in unity, united under one headship, the unity of the one God in the one church, in one mind and one accord, dear God, that can bring down Your Spirit, the Divine Love among us. May You grant it, Father. In the Name of Jesus Christ, we ask it, amen and amen.

Amen. *Signs of the times.* We have a little baptism, a precious brother from Barbados, Bro. Phillip King. And while they get ready for that, we’ll sing this little song. I invite the song leader to come. Amen. *Signs of the times.* Let’s start with the chorus.

[#429 - Songs That Live -Ed.]

...*new feeling in the air,*

Since this year started, there seems to be a brand new feeling. Amen.

*Keep your eyes upon the Eastern skies,*

Be filled with that expectation of His Coming, friends.

Lift up your head...

...*your head,*

*Your Redemption draweth nigh.*

Oh, years of time has come and gone.  
*Years of time has come and gone,*  
*Since I first heard it told,*  
How my Jesus would come to earth again,  
*...would come to earth again,*  
If back then it seemed so real,  
*...it seemed so real,*  
*Then I just can't help but feel*  
How much closer His Coming is today.  
*...His Coming is today.*

If you are a stranger, a visitor here, and you have never accepted the Lord Jesus Christ, the pool is opened for baptism. Why don't you receive Him today? Would you walk away from His Presence after hearing His Word like this? I remember thirty years ago in a service far smaller than this, listening to a tape recorder, I gave my heart to the Lord Jesus Christ. I've never regretted it; not one day.

What an opportunity you have! Look what we are seeing round about us today. We have deacons at the door. If you desire that today, you want to talk to someone, maybe you need something explained to you, we have literature here. Oh, we are sure glad to try to present this more personally to you that you and your household—if you believe on the Lord Jesus Christ, you and your household shall be saved.
