*Accounted Worthy To Escape The Snare*

TRINIDAD

FRIDAY 20<sup>TH</sup> SEPTEMBER 1996

**Bro. Vin A. Dayal**

Hallelujah. Let us bow our heads for prayer.

Father, we are so grateful for this marvelous Light, to know that You have called us out of darkness, that we can walk in this marvelous Light and show forth Your praises. Truly dear God, this Light has transformed us. You have shown that we are a chosen generation, a royal priesthood, a peculiar people, Lord; a holy nation.

What a great identification You have given unto us, and Lord God, what a faith You have brought in our hearts when we see what these things mean in Your Word, when we see the expression of Your great elective Love, Father, when we realize, oh God, Your great predestinated mystery, that You said we have not chosen You but You have chosen us and predestinated us unto the Adoption of children by Jesus Christ.

Oh God, how we thank You for this, Father, to know, dear God, in this great Hour, Lord, when this Light is shining, penetrating deep down on the inside, this Light that You have commanded to shine out of darkness, have shone into our hearts, oh God, that we can know as we were known, Father. All the amnesia can move back and, Lord, we can behold the Glory of the Lord as in a mirror. We can be changed into that Glory and now we can see face to face, Lord; we can know as we were known. You said, "In that Day you will know as I was in the Father and the Father in Me, so I in you and you in Me." What a great thing this is for us, Lord.

And Lord, I pray tonight that as Your Holy Spirit will take the Word, Lord, You will shine it, Lord, deep down into our hearts again, and Father, it could get all in the corners and the crevices, Lord; Lord, there will not be one place dark inside of us, Father. Oh God, we truly shall be, in every sense of the Word, children of Light. You said, "You are the Light of this world. A city on a hill, cannot be hid." And I pray, dear God, Father, that these things would become such living realities unto us that we truly can show forth Your praises; we can display Your Glory in this Hour.

Bless all that is gathered in Your great Presence here tonight. Lord, may You bless each and everyone. And Lord God, I pray, that those who might be on their way, may You hasten them, dear God. And may tonight You give us that grace that we could just sit under the atmosphere of the Holy Spirit. Give to us the concentration that we need, that we could get away, dear God, from the carnal mind and get into the channel of the spiritual mind, where dear God, the Spirit of Truth can lead us and guide us into all Truth, and You can make Your Word plain as You promised You will do in this Hour. When we have reason to see, oh God, You will make these things plain, Father, that dear God, we might know how to walk, we might know how to live, we might know how to carry out Your Word in this Hour. Grant these things, we pray. We give You thanks in advance for what You will do, for we pray and believe in Jesus' precious Name, amen and amen.

God richly bless you tonight. Amen. I don't know why the Devil does that with me. Every time I leave my glasses inside. I left it there. I thought I put it in my pocket and walked out here. Maybe I got my pocket picked. You have to pray with your eye open these days. I tell you, anything could happen. Amen. So, praise the Lord.

[Someone brings the glasses and Bro. Vin says, "No, the next one; the one in the brown case." -Ed.]

So, we certainly thank God for that. Amen? So, I am really happy to be here in the house of God with you again tonight. [Bro. Vin receives his glasses –Ed.] Amen. Praise His wonderful Name. When you get to my age, you just use these eyes so much and you just need some little extra help, but thank God, we are going to have a New Body, we will not even need glasses.

Let us turn in the Bible to the Book of St. Luke, Chapter 21, that we would like to take for a Scripture reading tonight. You know, time slips away in this place so quickly, you just have to try to capitalize on the time the best you could and I am certainly trying to go slow and then I see like I need to go fast too, and we just need Him.

We have some announcements here. *Bro. Clark* [Bro. Desmond Clark –Ed.] *gives thanks to the Lord for sparing his and two sisters' lives after a vehicular accident on Sunday morning. His arm was broken.*

We certainly were sorry when we heard that, and we thank God for that grace. He is here tonight. We are certainly glad that God spared his life, (amen,) especially for these two sisters.

And also, the funeral was postponed to Monday at 2p.m. That was Bro. Allert's mother. So, there is a slight postponement there.

Let's turn to Luke 21. We are going to just have to pick up from about verse 20. This is Jesus, when He was speaking here, at the end of His ministry.

*20 And when ye shall see Jerusalem compassed with armies, then know that [its] desolation thereof is nigh.*

*21 Then let them [who] are in Judea flee to the mountains; and let them [who] are in the midst of it depart out; and let not them that are in the countries enter [into it].*

*22 For these [are] the days of vengeance, that all things which are written may be fulfilled.*

*23 But woe unto them that are with child, and to them that give suck, in those days! for there shall be great distress in the land, and wrath upon this people.*

And know that, that repeats in the last days. That is Ezekiel 9, He was talking about right there. That repeats in the last days, when you see great distress come to the land and great wrath upon the people.

*24 And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down [by] the Gentiles, until the times of the Gentiles be fulfilled.*

Jesus was speaking about Jerusalem that was going to be destroyed. The sanctuary would be destroyed with a flood and the great judgment of how it was going to come upon the nation for rejecting the Message, and what was going to happen there; how they were going to be led away captive into all nations. And let us continue on:

*25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;*

*26 Men's hearts failing them for fear...*

And look, that is one of the End Time signs right here – heart attacks. This is the heart attack Age. Amen. He said, “Notice how the Holy Spirit identified men because the heart attacks are more in men than women.”

*... and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.*

*27 And then shall they see the Son of man coming in a cloud with power and great glory.*

*28 And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.*

*29 And he [spoke] to them a parable;  
Behold the fig tree, and all the trees;*

The 'fig tree' is the Gentile nations—'Israel', rather, and all the 'trees' are 'Gentile nations'. And here, He was speaking a parable.

*30 When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand.*

Watch these signs He was putting here: signs in the moon, signs in the sun, signs in the stars, in the earth, in the sea, in the waves, heart attack Age; Israel back in their homeland, after they were scattered into all nations; rejecting the Messenger in the First Coming. Then look, they are going to come back into their homeland, then you know the time is nigh at hand.

*31 So [also] ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand.*

When you see the Son of Man come in a Cloud, lift up your heads; look up; all these things.

*32 Verily I say unto you, This generation shall not pass away, till all be fulfilled.*

*33 Heaven and earth shall pass away: but my words shall not pass away.*

*34 And take heed to yourselves...*

This is where we want to get now.

*... lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares.*

*35 For [like] a snare shall it come on all them that dwell on the face of the whole earth.*

*36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape [that's the Rapture right there] all these things that shall come to pass, and to stand before the Son of man.*

So look, He says, “It is encompassed” from verse 20, just at the end of His ministry at His First Coming, seeing judgment coming upon Jerusalem, warning them about it; how the nation was going to be broken up; scattered into the earth for rejecting the Message. He dropped over in the last days with the signs in the air and on earth, and everywhere. And then the sign of Israel back in their homeland; the sign of the Son of Man coming in a Cloud, and “When you see these things coming to pass, know the Kingdom of God is at hand; know your Redemption draweth nigh.”

And that Day is going to come upon you unawares. Watch the word there, ‘unawares’. It means there, ‘suddenly’; ‘unforeseen’; ‘unexpected’. It is going to come upon you unexpectedly and it is going to be like a snare. That word ‘snare’ is—I was looking it up today. The word used, it is a snare that you use for trapping birds and animals. Because animals and birds are ensnared and they are caught suddenly. They don’t walk into a trap. They walk into it unawares and they are taken. The trap swings shut and they are caught inside of it and there is no way they can come out.

And so, Jesus is saying, this Day that is coming, is going to be like a snare. It will be upon the face of the whole earth. He said, “And you better be careful. Even though you see the Son of Man come in a Cloud, even though you see Israel back in the homeland, even though you are seeing the heart attack Age, even though you are seeing all these things, you know that that Day will come like a snare – unforeseen. You better be alert and watchful.”

And let’s take with that, Revelation Chapter 3. We’ll work back with Daniel because we’re dealing with **“DANIEL AND REVELATION”**, taking the same subject. And I took that because I just wanted to get where Jesus spoke of it, in prophecy, and then here when He gave the Book of Revelation to John, He was still speaking of it: a particular Day, a Day of deception,

a Day when the whole world will be deceived, a Day when, if it were possible, even the Elect would be deceived, but in the Evening Time, it shall be Light. The Word is going to come to show us how to walk, what to look for; to recognize the Devil at every one of his tricks. He uncovered his scheme to us; we will be able to be accounted worthy to escape that snare.

Verse 10, Revelation 3:

*<sup>10</sup> Because thou hast kept the word of my patience, I will also...*

See? Prophecy: “*I will also.*”

*... keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.*

He is talking about a global temptation now. Not temptation for one individual, temptation for the whole world, amen; when the world will fall in that temptation. They will be snared in that temptation.

*<sup>11</sup> Behold, I come quickly...*

And watch it, it comes right in the Hour of His Coming; right in the Hour of His Coming.

*<sup>11</sup> Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.*

May the Lord bless the reading of His Word! You may have your seats. I’m taking for my subject again... This is **PART 2** of DANIEL AND REVELATION, but I’m taking for a little subject here, “**Accounted Worthy To Escape The Snare.**”

He said, “That you may be accounted worthy to escape this Day that shall come like a snare and ensnare the whole world.” He said, “But see that you be accounted worthy. Pray; watch therefore and pray always that you may be accounted worthy to escape all these things” – this snare that He was speaking of, that is going to ensnare the whole world.

And I want to go right in and not take too much time with preliminaries. You know, we were speaking about

DANIEL AND REVELATION and we took it last night, and we gave out the tract. I want you to get familiar with it. I want you to... I'm not taking the Book in the sense of chapter by chapter, it's going to take too long, but I'm trying to take out certain things and as we go along, you know, maybe in the future, we'll be able to bring messages to cover the different points to make it plain for you. And you have the tract there, so it kind of puts it together there for you as well.

But something struck my heart, you know, just in this season when God has been dealing with me with some of these things, observing it, looking at it and then they brought these two books out: *Daniel* [1961-0730M to 1961-0806 - The Seventy Weeks Of Daniel -Ed.] and *Demonology*. [1953-0608A & 1953-0609A -Ed.] And I was making mention to the church here, I said, "Notice how the food that was stored up in the storehouse for when the time of famine came, and Joseph opened the storehouse and began to bring the stored-up food out and began to distribute it." And right here in this very season, they have reprinted *Daniel*, and they have reprinted *Demonology* and they are redistributing it again.

I believe that that is perfect. I believe that that is timely, because I believe that that is the leading of the Holy Spirit. Amen. I believe they stored all these things in the storehouse and just like Joseph in the Bible had to open the storehouse and give out the corn in season; the spiritual Food in season. And just as that came out, I went and began to reprint these tracts myself, and redistributed them to you, that we can refocus our attention because I believe that this is the Hour when we need to be under the prophetic utterance of the Bible, because of the rapidity in which the Word is being fulfilled.

And it is really something here because I struck this quote today. It is a quote that I had long forgotten, but I remembered it was the main quote that I used when I preached that message that God really blessed and it

became a little popular around the world, *The Traps Of The Mighty Hunter*. [1989-0614 -Ed.]

And here in this message, *Testimony* [1963-1128M -Ed.], Bro. Branham preached this after the Seven Seals were opened, in Shreveport. And you know that great Shreveport series, where just the day before, he had preached, *The World Is Again Falling Apart* [1963-1127 -Ed.] and he was looking there under the Sixth Seal and he was seeing the world system that was coming apart and the New World Order that was coming. And as a Prophet, he was seeing how we have received a Kingdom that cannot be removed, and what God was doing because he was that Eagle under the Fourth Seal. It had opened up. He had seen that prophetic vision. He was warning the church. He had seen them going into the World Council of Churches. They were going to take the mark of the Beast and they were unaware of it.

But here was a Prophet with the Spirit of prophecy upon him, the one who was sent to reveal the Book of Revelation. Remember the Book was sealed up, the last will and testimony of Jesus Christ, sealed up for Seven Church Ages with Seven Seals. And then he said... The Ages had run out. But because the Book had to be made known to get a Bride ready so that She will escape the snare...

Because it spoke of the End Time. The entire Book is this generation going on right now. From Revelation 3:14 to Revelation 19, is this very generation that we are living in. The entire Book is happening on the face of the earth. And here it is, the world knows nothing about it. And yet even believers, as we said last night, they don't read the Book of Revelation, yet it is given only for a prophetic class of people. And that Book is now opened in this generation and that means if it was to be read by anybody, this is the one to read it, because that's the entire Bible in the Book of Revelation.

The first three chapters of Revelation that deals with the Church Ages, contain every doctrine in the entire

Bible. Think of that. You just take your *Church Ages* book [An Exposition Of The Seven Church Ages -Ed.] and see. That's the first three chapters. And every doctrine in the Bible from the Serpent's seed all the way to the end, is right in that Book right there. Because out of the Ages come the Seals, out of the Seals come the Trumpets, out of the Trumpets come the Vials, and if any man has the Church Ages by revelation, the Book is opened. Not the history of the Church Ages; the Church Ages by revelation, if it's opened up.

Because that's His future works. That's how He revealed Himself in every Age in a particular way. In the last Age and the beginning of the creation of God: the Faithful and True Witness, the Amen, God of Finality, God of Unfailing Promise; the very beginning of the New Creation; when He comes to the continuing of the creation in these last days, the very Faithful and True Witness, brother, Who swore by Himself when there was no other one to swear by, Who is bringing to pass every promise in that unconditional Covenant in this Hour. So it's right there in the Bible; you just can't miss it. And that's why it is such a great thing under this Message to live in this prophetic Hour.

And listen to this. We are going to do some reading here tonight and we are going to try to polish up some of these things. As we said, it is not so much trying to bring new material to you as we are trying to re-emphasize and re-wave some of these things to reawaken the church to the Coming of the Lord Jesus Christ.

He had preached the message before, *The World Is Again Falling Apart*, the morning before; the next night he came and preached, *Testimony* [1963-1128M - paras. 20-23 - Ed.], and on this he said:

... *Like I was trying to say last night...*

Just like me, I was trying to say that last night myself.

... *coming to a place it's falling apart, politically, socially, economically.*

*You say, "Economics? More money."*

Listen to the Prophet now. He said, "Last night I was preaching about the world falling apart socially, economically, politically." And then he knew, as he questioned the people, because it was Laodiceans he was speaking too.

He said: *You say, "Economics? More money."*

He said: *Yes, but where's it coming from? We're borrowed on taxes that'll be paid forty years from today.*

Could you imagine that? They were in so much debt, America's debt now is in the trillions, you know. Not millions, not billions, trillions.

I read a little cartoon a couple of days ago in the newspapers. It really made me smile. You know, these two fellows were standing and they were talking, and one was telling the other one, he said, "You know, we are always hearing about there is no money. The banks have no money, this one has no money, you know, this one..." He said, "Then where has the money gone." Everybody is saying they are short. Everybody is saying they are in debt. Everybody is saying they don't have any money. He said "Where has the money gone?" I think that maybe the person who wrote that may not even know the Scripture, but the thought struck them, "How is it that everybody is talking about debt, debt, debt and they are owing this and they are owing that, and then where has the money gone? Who has the money then?" Amen.

And here it is, they were borrowing money on taxes that would be paid forty years... That was in 1963. Now the debt has gone up into the trillions, so it is more than forty years now. They must be into about a hundred years already that their debt is, because they have borrowed so much. See?

And he said: *We're borrowed on taxes that'll be paid forty years from today.*

And you, catch this. How did she come into debt? By spending money that you haven't earned yet. What is

she introducing to all the nations? The same thing. How was she trapped? That was how she was trapped. That was how America was trapped. And the whole world is tied on to the U.S. dollar, so when it falls, the whole system is going to fall. And it is coming, friends – global financial collapse. We speak of it here many times.

*She's broke. She's bankrupt, the nation: not this nation, but all of them. And there's no way ever getting it back.*

Here was a Prophet talking now. This was not an economist now; this was a Prophet. He was looking at the Bible. He was looking at the Seals being opened.

*And it's a trap set exactly to swing this nation into something.*

That whole thing was a trap. Why did Ahab get married to Jezebel? His kingdom was falling apart. He needed her wealth to secure his kingdom. Is that right? Now, watch here.

He said: ... *it's a trap set...*

Then who borrowed from them? They are the ones who invest in our country. So, what do we really have? I'm being realistic. Don't you see what is happening to people?

*And all of you are wise on that. Well, who's got the wealth of the world? Who holds it? [Someone says, "Rome." –Ed.] Sure, it does [he said]. Rome holds it. And whenever we do, when we get broke, instead of these big merchants tobacco, whiskey, and so forth, like have to get the money; what we'll have to do, either change the currency or borrow the money. And when they do, it's their birthright sold right back, exactly, just as perfect, and just what the Scripture says about it.*

Just what What said about it? *TIME* magazine? Just what the Scripture said about it. Do you mean the Scripture said that the whole thing was going to be a trap by money? Where does the Scripture say that? I can't take it tonight. I'll have to take weeks, but I could take you from Genesis to Revelation and show you what

the Scripture said about that. We went through it here many times, (see?) when Maktesh, when the whole stock market collapses, when money fails, when the people become property of the State; when they destroy the present-day money system. Sure, it is all through the Bible. What do you think the Third Seal was all about? You see, that is how you understand the Third Seal. The Third Seal was capturing the wealth of the world. See? Look.

*... so forth, like have to get the money; what we'll have to do, either change the currency or borrow the money. And when they do, it's the birthright sold right back, exactly, just as perfect, and just what the Scripture says about it.*

*He said: I'd like to get a place sometime, the Lord willing, when a tent comes on the scene. And I believe that's soon now, soon I'm going worldwide. I got a worldwide meetings coming now. And I'd like to get a place where I could set down for about six weeks, and just take those things and go through them (You see?), back and forth, through the Scripture.*

Here he was, the Seals had opened to him that same year. Here he was about six months after the Seals had opened. Oh, he was caught up in the midst of Angels; the Sword came into his hand. He stood there, spoke for seven days just by inspiration. The Power of Infallibility was upon him. Here he was, oh, he just couldn't take it. He had to just go out somewhere. It was too powerful. See? He never had an experience like that. He said, "It was beyond miracles; it was beyond all those great times I had," where, as he said, "sixteen truckloads of wheelchairs, thirty thousand saved at one time, all these twenty-five thousand healed in one prayer." He said, "This was beyond that."

And while he was there walking now in the Volume of the Book, (amen,) he said, "Oh, my!" The things he saw. He would come night after night in the service, he said, "I just have to hit the high spots so the Ministers could

make sense out of it.” He said, “If I go to stay on that Seal, it will take me about three months just to open that up.” He said, “So I’m just going to hit the high places and make sure I don’t throw too much out to confuse you.” See? He was seeing so much.

And here he was, he said “I’d like to take six weeks. I’d like to set down. I’d like to go back and forth through the Scriptures and show you how the whole thing is tied up in the money, how the nation is sold out, how the mark of the Beast is going to rise up; how he’s going to come out of America. The image will speak with the voice of the Dragon; will force those...”

Doesn’t she have that spirit right now? She dictates to everybody. Saddam Hussein [President of Iraq -Ed.] who is thousands of miles away, misbehaved, (see?) they moved in there. They said, “Fly, but fly inside of here. Anything outside of here, we’ll bomb you out.” If something happened over in Africa, they would fly over there too. If something happened in Latin America, they would fly over there; wherever it is. And then the places where they don’t want to go, where it doesn’t suit their purposes, like Bosnia and those places, then they leave it alone.

Yet the world is mass-brainwashed. Propaganda machines are controlling the minds of the people. The god of this world is blinding them with the electronic media, culturing them into a certain way to see what he wants them to see; have them drunk on sports twenty-four hours a day. So many channels have them drunk on movies. So many channels a day, have them running from ball game to ball game, to fast food places, to this over here, just frolicking everywhere; drunken them with the wine in that cup; put them to sleep, even the church world. Amen.

That is why you can’t get away from the Voice of this Message, friends. You have to keep that to keep your conscience pricked. You need to be desperate, shake

yourself, pinch your conscience; it's passing through you. Amen. He was trying to shake them.

He said: *I'd like to ... take those things and [just] go through them ... back and forth, through the Scripture.*

*And it's astounding to see the hour that we're living in. [He said:] It frightens me. It frightens me, not because... In my heart, the joy bells are ringing, knowing that the coming of the Lord is so close at hand. But what frightens me, is to know that so many is unprepared for the hour that we are facing. That's the bad part.*

He said, "I see what is happening in the nations." He said, "I see what is going on in the world. I see what the organizations are in too." He said, "I stood with men there, David duPlessis and all of them, they went with the Pope, they go with the up and ups; they are trying to go here. They don't see what is happening to them. Look at Demos Shakarian and all of them." He was seeing it. These were the people who opened all the doors for him to preach, then they forsook him. Is that right?

But brother, he had angelic visitations. Hallelujah! He was taken up into a realm in the Word where he knew the very thoughts that Lucifer had since he was in Heaven. He took the Bible and unfolded it. Hallelujah! He walked with that revelation in his heart. It wasn't just a thought to preach, like theology; he lived under the effects of it. Amen! He stood there with boldness against that system.

And he said, "What frightens me, is that the people are unprepared." He had a Message for preparation. He had a Message that it was lamp-trimming time. He had a Message revealing that the Coming of the Lord was already taking place. He had a Message that revealed that *that* thing was the mark of the Beast. He had a Message to show them that all Christianity was lost, because Christianity was made up of Catholics and Protestants, and the Catholics were the whore and the

Protestants were the harlots. So, everything was condemned.

But he had a Message that was calling out a people, brought them through the waters of separation, amen; brought them through a thinking man's filter, gave them a holy man's taste, washed them from the organizational filth and dressed them with the beautiful Gown of the promised Word, and made them ready for the Coming, and they were not understanding. They were not understanding.

Friends, what do you think he would say if he was here thirty years after, tonight, standing here with the same revelation he had, seeing what was under those Seals when they broke; seeing that Light standing there in that room every day? The same One Who came in the cave in the form of a man and referred to him many Scriptures about himself, now that same One was showing him the entire Bible and uncovering every Mystery, every nation, every church, every 'ism', everything in the earth, every spirit, was being uncovered right there to him.

The Word became Seed in his mouth. He began to speak that Word, (see?) like God in the beginning, "Let there be." He knew a Bride would come forth under that Word. He knew that was Seed being planted because they were planting seed for the World Council of Churches out there. They were planting seed for the thing that was going to come and fight against the true Elect, and he was planting Seed to catch that Elect, (amen,) to give Her faith to know those systems and get Her ready to go out. Amen.

So, he was looking and he said, "When I see this world falling apart, when I see what is happening in this nation; when I see the trap has been set and they are being caught in the trap..." Like I preached there on that message after he caught the eagle, he set a trap for the bear and he caught the bear because he couldn't have the balance of world power unless he had those two

superpowers. So those were the two big ‘toes’. For the body to have that balance of world power, you must have those two superpowers there. And he broke both of them economically and took them under his control. Amen.

And so, that great thing that we are looking at, look what it is, friends. Look how this is going to come out here. Just watch, this hour of temptation is going to come upon all the world to try them that dwell on the earth. When is it coming? How is it coming? What form is it coming in? How far advanced is it, when it started to come to where it is now? What are the identifications? How can we recognize it? Are we seeing it? Do we have spiritual discernment to judge and recognize the Scripture being fulfilled?

If you see yourself fulfilling Scripture, you will see others fulfilling Scripture. There is no way you could be fulfilling Scripture in a Body Ministry and can’t see the other members not fulfilling Scripture, because it is not a one-man Scripture. It means what you are fulfilling, somebody else is fulfilling part of the same thing. Then they are of like precious faith. Life connects with Life. Is that right? It is not a one-man Scripture, it is a Body Ministry now; a little group of the true Seed. Amen.

And if you are seeing yourself fulfilling Scripture, then you will see those who are not fulfilling this Scripture, they have to be fulfilling some Scripture. Is that right too? Then why don’t we see? Because we are not really seeing ourselves fulfilling Scriptures, many of us. But when you see yourself fulfilling Scripture, you’ll see it, friends. Why? Because that spirit goes different to you. That spirit goes against you. Amen. Sure. Watch.

*“I will keep thee [in] the hour of temptation...”*

Pages 313 and 314, *Seven Church Ages* book. [An Exposition Of The Seven Church Ages - Philadelphian Church Age, Cpt.8 -Ed.]

*“I will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.” This verse is not a declaration that the true*

*church will go into and through the tribulation. If it meant that it would have said that. But it said, "I will keep thee from the hour of temptation." This temptation is exactly like the temptation in Eden.*

What was the temptation in Eden? The lust of the eyes, the lust of the flesh, and the pride of life. The world," John said, "consists of these three things." Everything in the world – the world and the things that are in it. If you love the world and you love the things that are in it. The world today, this 'kosmos', this science civilization, started with Cain when he came out of the Presence of God. The things that are in it, are all the seeds of God that were original, (because Satan cannot create,) that they have perverted with their wisdom from the 'Tree' of knowledge.

That is why in the new civilization that's coming, we would not wear these kinds of clothes, we would not have the kind of transportation that we have, we would not eat the kind of food that we eat; we would not have the kind of communication system that we have. Because this one is of the Devil, amen; not that kind of Kingdom we are going to. He said, "But if you love the world and the things that are in the world..."

That is why, when I brought that message recently for you, on *Thirst* [1996-0618 - Perverted Thirst -Ed.] and the world and the things that are in it, showing you, he has to pervert your thirst for you to crave after the kind of world he is giving you. There is a success that people are supposed to thirst for but he gave them one kind. Our brother preached on it the other night. See? There are certain ambitions you are supposed to have, but Satan perverted that and gave you something else. There is a way you are supposed to dress, but Satan perverted that and gave you another way. There is an education from God, but Satan perverted that and gave you another kind of education. There is a power that comes from God, but Satan can't give you that power,

so he gives you another kind of power. He perverts everything.

And so, watch this. That temptation is like, what? Exactly like the temptation in the Garden of Eden. Now catch this thought. We are going to try to narrow it down here. I would not be able to stay long on it because I'm just passing through there.

Eve was tempted. She was waiting for, what? An oncoming promise. God told them they were going to have the Spoken Word. They were going to bring forth and multiply. They were waiting for a promise. In their waiting time, it was a testing time when they were going to be tried in the Word, and she had to prove whether she was going to hold her virtue sacred. Is that right? Testing before the promise gate.

Then the Second Adam had a Bride too. And what did she do? She did the same thing that the first Eve did. Eve lost her own in Eden; she lost her own, where? In Nicaea Rome. Think closely. Then this Last Day Bride is going to be put to the same test if She has to go back to Eden. He said, "Watch the three temptations. Every Minister, every church, every individual – three temptations. Every man has to go through those three temptations. Every person has to go through those three temptations. See?"

Now listen! Jesus came and He was tempted on those three points too, because those three points cover all points. "Tempted in *all* points." There are degrees and measures at different stages. See? The lust of the flesh, the lust of the eyes; the pride of life. Watch. This hour of temptation is, what?

*This temptation is exactly like the temptation in [the Garden of] Eden. It will be a very inviting proposition held up in direct opposition to God's commanded Word, and yet from the standpoint of human reasoning it will be so very right, so enlightening and life-giving as to fool the world.*

*Only the very elect will not be fooled.*

It will come like a snare upon the whole world to try them. Let me tell you right now, the whole world is being tried right now. That's why every organization goes into the World Council of Churches; taking them by the nations, taking them by the regions, taking them by the organizations; taking them in every form right now.

Because the only way to stay out of it, you have to come into the Message. Don't you understand that? This is what says, "Come out of her My people! Come out of Babylon! It's fallen, it's fallen. Her sins have come up into Heaven. Strong is the Lord Who judgeth her." That was the Third Angel's Message – judgment is upon the man who worships the Beast, who has the mark, who has the number; who is part of the image. That was the Third Angel's Message – to flee that. So then, when they go into that, it means, what? They have rejected the call.

If we get a chance, before this weekend is over, to strike that Third Angel's Message, you will see the torment. It is the most severest of the three angels' messages, because the first two angels' messages are gathered up into the Third Angel's Message, and that one talks about fire, and brimstone, and hell. That is why when this Prophet came, he went back and took up hell and said, "You will be annihilated." He said, "You have no eternal—there is not an eternal Hell. You will have to have Eternal Life if you are going to be in eternal Hell." And he let them know, God is going to put them out of existence. He will destroy them to the ending point. Think of it, friends. Because they never had redeemable life!

That is why under this Message, you are finding out what kind of life you have. Do you have Life that came from God? That Life that came from God will go back to God. It is Eternal to begin with. It is redeemable. God is not complete without you. The Holy Ghost has to keep coming after you. The Quickening Power, He hunts out the predestinated first. Why? That is His Own Life. They

have to fulfill the Word for their Age. That is the Word predestinated to the Word written for the Hour. He has to get them first.

That is why we are here. That's why we see these things and we are seeing it is doomed; we are seeing its judgment. That is why we shun that thing like the plague. That is why we stand as witnesses pleading with all men, amen, like Abraham standing there, standing in the gap; like those angels, trying to get Lot to get out of that place quickly. Why? Because we are seeing the Hour, friends.

Remember in the investigation judgment, when that came down and He began to move through Sodom, He began to move through those organizations, He began to see what was happening, *the one* was taken and the other left. The one was taken. "Where, Lord?" Where the Carcass is. He took them out of blasphemous names. He had to do that because He knew that system was judged. Why? She corrupted the whole earth. Amen. Glory.

So he said: *This temptation is exactly like the temptation in [the Garden of] Eden. It will be a very inviting proposition held up in direct opposition to God's commanded Word, and yet from the standpoint of human reasoning it will be so very right, so enlightening and [so] life-giving as to fool the world.*

*Only the very elect will not be fooled. The temptation will come as follows.*

My goodness, aren't you thankful for a Prophet? May God help me tonight to show you how accurate the interpretation is; how direct the prophecy is. When the whole world is wondering whether it is a computer and beast and tattoo and all kinds of foolishness, here was a Prophet who saw that in the Scriptures and began to tell us how it is going to come, what form it is going to come in, how it is going to work, how she will control the wealth, how she captured it, how there is a plan to do that, how she will destroy the money system; how

she will trap the Jews. He explained it all. Nobody has to wonder about the interpretation; you only have to see the fulfillment coming in now. Amen! It is already revealed. Amen! He saw it in vision and saw it in the Word! He spoke it! Amen. Why? That we could have Light to walk in, friends. Because like a snare it is going to come upon the whole world. Think of it.

He said: *The temptation will come as follows.*

This snare that Jesus was talking about! Look at the Son of Man in the corporal body speaking it unto the Son of Man in human flesh, revealing it Himself.

*The ecumenical move that has started on what seems such a beautiful and blessed principle (fulfilling Christ's prayer that we all might be one)...*

How did the Nicolaitane spirit move in the first Age and gain power? A desire for, fellowship. How did they get trapped at Nicaea Rome? A desire for, fellowship. How did he trap them in these last days? A desire for, fellowship. See? "That we all may be one." Why was he rejected? He was against that kind of fellowship. He preached fellowship through the Blood – like with like, hallelujah; same diet; same nature. Birds of a feather flock together – that kind of fellowship is what he preached. Amen. "A crow and a dove," he said, "can't fellowship together. Their diet is different; their natures are different." While a crow would say, "Hey, try a piece of this intestine of this mule here," the dove would say, "Oh gosh, I want to faint. I want to get out of here." Amen. See? He can't hang around that stuff.

You see, some people get mixed-up with the world and they have more friends in the world than they have in the house of God. They can't get along with believers, but boy, they could get along with unbelievers. I'll be afraid of that person like a plague myself. It shows that something is wrong with that spirit inside of there. It is either they are a hypocrite pretending with the person... And no believer could pretend that long! Exactly right. See?

David took care of sheep, brother. Saul was looking for a bunch of straying asses. Sure. But David was taking care of sheep. Watch what your nature is hooking up with. Watch what you are influenced with, friends. The Bible says, "Don't be unequally yoked." Watch what you are yoked up with. You see, when the Word comes out of the Word, a lot of people realize that they are not really in the Word, you know. And that is why this kind of preaching makes people uncomfortable, but give me the old-time religion. Hallelujah! Glory be to God in the highest! It is not mean, it is just straight.

*The temptation will come as follows. The ecumenical move that has started on what seems such a beautiful and blessed principle (fulfilling Christ's prayer that we all might be one)...*

And how many know who started that? You are Message believers, come on. Pope John XXIII. After World War II, the world was shook up by war: Woe, Woe – birth pains in the earth. Fifth Trumpet, Sixth Trumpet, rocked the earth, shook it; poisoned gas; atomic bombs. See? And brother, when they saw in seconds like that, Nagasaki and Hiroshima, two hundred thousand people; a whole city was leveled. Radiation up till this day; children are coming forth deformed and everything else. See? It shook them. They were horrified when they saw that kind of power unleashed.

And just like the whole world was horrified, look at that same spirit that was let loose through the dictators who did that, now loose in the ecclesiastical realm, took off their battle fatigues, moved the tanks, came out with their crosses, came out with their gowns, and said, "That we all may be one. My separated brethren, let us try to make this world a better place. We have seen too much bloodshed." And the world went to it like flies to honey, (sure!) because they wanted that feeling.

Then watch how it started to come out there during that era: “What the world needs now is love and give peace a chance,” and oh, it was just coming on, coming on, in songs, in the drug culture with the ‘hippie’ [a young person who rejects established society –Ed.] people (amen) with their ‘flower’ this and ‘flower’ people, and oh, and they want to smoke marijuana and get high, and “Oh, let us just get away and go back to nature” and everything else. See? And a spirit came upon the Age.

And while a Prophet stood there, he said, “This is the deceiving time. Watch Jannes and Jambres.” Because while that false prophet was saying that, here was a true Prophet, an Angel had come to him from Heaven, an Angel read the Bible to him, an Angel sent him out with two signs like the prophet Moses: “Go and show it among the elders. Go and show it to Pharaoh.” Amen! Glory! And he was watching it and he knew where they fit in the Bible and he knew where he fit in the Bible, and he knew what spirit was anointing them and what Spirit was anointing him.

And He walked among them. He wasn’t obnoxious. He knew how to carry himself. He prayed for kings, though he was born in a little, old, log cabin with one window. Is that right? Though he had a nail, brother, hooked up inside of his little trouser, when he pulled that nail, he jumped straight naked into the little pond. He was so poor. Though he would chew up those meat skins and suck that candy and hide it in his pocket, yet God took him in the presence of kings. They called for him to pray for them. Amen! Hallelujah! He knew how to carry about himself. He was trained by an Angel, and that is the kind of training we have received in this Hour, friends. That’s the One that God sent to train us so we’ll know how to carry about ourselves.

That’s why you see people handle this Message, they go and they do all kinds of things; they cause more confusion and then they say it is God. No, sir! He knew when to speak and when to keep silent. And he knew

when he spoke, he spoke with authority. Amen. No man dare resist him by the wisdom in which he spoke. Oh my! See? Why? He was walking in the Word.

Now watch something here. Oh my, it is such a deceiving Hour, friends.

He said: [That ecumenical council move will become] *so strong politically that she bears pressure upon the government to cause all to join...*

And while I'm saying this, I don't know if you know it, but right now, they are having a big ecumenical meeting going on right now, for the last two days. A Catholic priest is preaching one night, a Seventh-Day Adventist, Mr. Dottin's [Pastor Dr. Clive Dottin -Ed.] preaching the next night, another person's preaching another night; a Presbyterian man will preach the next night. And they are having it right now while we are having this. And do you know what they are preaching on? The Beatitudes. One preached: Blessed are the merciful. One preached: Blessed are the peacemakers. And here I am talking about Hell. Amen. Here I am uncovering the Devil. Amen. I am talking about Daniel and Demonology. Amen. I am talking about that very ecumenical move there.

While you are sitting here in the Presence of God, they are sitting under that very thing and being anointed with another spirit. The tare churches are maturing fast under corrupt teachers, but the Elect are being ripened, (amen,) as she lays in the Presence of the Son, because the Spirit and the Bride will say the same thing that the Spirit said to the Prophet. And what the Spirit said through the Prophet was already said in the Word. She under Her Messenger will become the final Voice to the final Age. Oh my!

A lot of people like you left home, went through the rain too, because it is a great thing for them that is happening: national unity and the churches. Oh, it is a great uniting time. But while all that uniting is going on, he said, "Let me show you another uniting here - the

Bride is uniting with the Word!" Oh thank You, Jesus! We are not playing church, friends. We are talking reality here tonight. Amen.

[They are going to get] *so strong politically that she bears pressure upon the government to cause all to join with her either directly or through adherence to principles enacted into law...*

You say, "How could that be?" Just go back in 1<sup>st</sup> Kings 22 and you'll know how that could be. Watch Zedekiah and see what he did to Ahab and Jehoshaphat. "Go on up; the Lord is with you!" It was a demon from the pit of hell in his mouth! Is that right? Between the Second Woe and the Third Woe, in the days after Elijah's prophecy. See.

If you know the Bible, if you know where it fits, if you know the Hour, if you know the stage of the ministry, you will understand what is happening around you. You can read the handwriting on the wall. It was at the beginning of the Gentile dispensation; it is at the end of the Gentile dispensation. It came in and will go out the same way. Amen? That is why it is so important for us to know what we are looking for: how it's coming; see it coming. Though it is looking a little disguised, we know what it is. Amen.

*... she [puts] pressure upon the government to cause all to join with her either directly or through adherence to principles enacted into law...*

So, that's where it is going to come. We were looking at it last night, how this man is going to think about changing laws. It will be given into his hands.

*... so that no people will be recognized as actual churches [we spoke of it last night,] unless under direct or indirect domination of this council. Little groups will lose [their] charters, privileges, etc., until they lose all property and spiritual rights with the people.*

"For example," he goes on, he said, "unless you belong to a local ministerial association, you can't even go and pray in the hospital for people."

*... it is now almost mandatory to be recognized as acceptable to the trinitarian ecumenical group. [He said:] As this pressure increases, and it will, it will be harder to resist, for to resist is to lose privilege. And so many will be tempted to go along, for they will feel it is better to serve God publicly in the framework of this organization than not to serve God at all publicly.*

See? Why? Because the real Church will have to go underground and people will not be able to handle underground prayer. "It is too much tension. I am not going out there. God is going to deal with me here!" Uh huh! Um, hmm! See? Watch.

*But they err. [They err.] To believe the devil's lie is to serve Satan even though you may want to call him Jehovah. But the elect will not be deceived.*

*Furthermore, the elect will not only be kept, but as this move becomes the "IMAGE ERECTED TO THE BEAST," the saints will be gone in the Rapture.*

Catch that thought. This is very important because it shows the time.

*... as this move becomes the "IMAGE ERECTED TO THE BEAST,"...*

It has to become the 'image unto the Beast' before it could speak with the voice of the Dragon, because when it has that authority, it is going to be given to them by law. They will be exercising legal authority according to the constitution, and amendments made in the law.

Because we are living in a time, everything now is security. The economy has become global, (I want to show you that tonight,) the media has become global; the peace-keeping forces, security, has become global. There was never an Age like that, but it all has taken on global proportions and we in our generation have witnessed that with our eyes. So, the Gulf War there, CNN hooked up the whole world. The O.J. Simpson trial [Famous footballer who was accused of murdering his wife and her friend -Ed.] they put it right in the bedrooms of the people. See?

Watch, friends. Why? Because the transportation system has become global. The media has become global. The economy has become global. Peace-keeping security forces have become global. Even Trinidad here, we send them into Haiti. A whole big army goes over there to help keep peace in Haiti. Barbados sent some, Jamaica sent some; different places sent some. The U.S. and France and Britain and they get together and they go into different places.

What is that? The systems are being put into place. They are experiments to work certain things out. Why? Because the people who are engineering this behind the scenes, it has to be that way. So, then when you are talking about security within a nation, then the laws will have to make it secure. That's why we have gun court, drug court; all these bills are being passed now. Everything is coming in.

Why? "Oh, we're going to make it secure. We are going to end crime. We are going to do this." That starts off as a little slogan, but that is a spirit. It sounds just local and something good for election, to manipulate people and to catch votes and play on fears, but then notice, around the world, everybody is saying that same thing because it is a spirit anointing a time. See? It's a spirit anointing the time. And when that is happening and you see it move like that on the earth, you want to be very careful with what you are looking at.

My brothers, my sisters, you young people, you out in school, let me tell you, you just watch and see, everything you have to do, look how many forms you have to fill out for everything now. You just watch and see how there is no... The forms, it got so meticulous. Those forms, brother, every bit of information they have on you. Those forms are designed to bring everything out; more information than they even need for what they are doing. See? You go through it every day. You go through it every day. See? You don't realize sometimes, what is happening.

*Seven Church Ages* here again. Listen quickly. I'm trying to hit some of these places to give you a picture of what he saw was coming and how it is going to come. Then when I'm finished with that, it means that we all know. Because we all know this! We all believe this! But the thing is now, where is that now taking place. That is my next step but I have to show you what he said is coming. And I want to point out some things to you tonight and then you tell me when you look at it, if that looks like it fits the bill.

Now remember, that fourth kingdom is devouring the whole earth. It is on the earth right now. Because you can't get ready and you can't have a defense against something you are not seeing. And why people are going to sleep, is because the Devil has already blinded them from what they are supposed to see to keep them awake.

Listen. Page 376 to 377.

*Now remember, it was Imperial Pagan Rome that fell by the sword. But she was healed of her death stroke when she joined to the nominal Christian church of Rome and incorporated paganism and Christianity...*

Like last night, I wanted to go into something and then from the time I started to go into it, I felt like coming back almost. People, I realize sometimes, how little they are aware of what is happening in the world, because when you are dealing with Rome and how these things are coming in... Like we hear about United Europe, it means nothing to you if you don't know history that Europe was united before.

And when the Roman Empire was wounded to death, it was because their control of all their European States that they held intact as one State, broke up and went into separate identities. And what made them powerful, was because they began to work now, through the church within somebody else's country, with the people who had allegiance to the religion. But as far as government, it was no longer under jurisdiction of the Roman power, because now it had its own identity.

It's like how we were all under England, but then after, the money started to change up, we got our own flag, we have our own money, we have our own different things, and we are walking around and we took off our short pants and our tall socks and we came out of the colonialism business. See? But the thing is, they had some strongholds still within here because the educational system was ingrained in us. See? The judiciary system was ingrained in us. All these things that are part of our lives and how we exercise government, and how we do business and everything, is what we grew up with by what structure they had. So, even though we claim Independence and every year that comes, we celebrate on the 31<sup>st</sup> [August -Ed.] and we fly the flag and our army goes out and does different things and we feel independent, it still has a lot of control.

Well so it was in Europe. See? And then they went on like that for about four hundred and something years. And when Europe started to come back together, everybody got scared. Do you know why? Because together they are the biggest market that exists. See? And so, the whole world got shook up with a United Europe. They got shook up with a United Germany much more a United Europe, because Germany, under Hitler, wanted to take over the whole world. See?

You see, we are from the new generation, so we don't know much history. We grew up on *Kid Colt* and *Rawhide Kid* and *Batman* and *Superman* and *X-men* and *Spiderman* and all these different things. Right? *Llyron* and all these kinds of junk; *Phantom* and these things. [Fictional superheroes -Ed.] So, we don't know history. You better know history because if you don't know history, (history repeats itself,) you will never recognize prophecy being fulfilled.

Elijah comes back. A Pergamos Age comes back to marry church and State again to bring back another Thyatirean Age where that woman, Jezebel, is going to kill everything and have all power in her hand. And

Israel's history repeats itself back again, and now we have seven thousand who didn't bow down their knees to that Jezebel under this Seal, that are going in the Rapture again.

You have to know history. It's happening again. When we say "Another Ephesians," history has come back. And that is why people, because they don't know what was... But there is nothing new under the sun. What is, has been, and that is what unveils it to you. The Prophet said, "Watch the type; you are going to know the antitype." He said, "That is how these things come out."

Watch when Elijah came, what he met; what he did. Watch when Moses came, watch what withstood him. When he comes back, we are going to know if that is Moses again; watch the same thing rise up again. If that is Elijah, watch the same thing, the same power, rise up again. If that's the Son of Man, watch the same thing come back again. That's how you know it. See?

These have to be building blocks in your spiritual life. When these are not building blocks in your spiritual life, you 'fellowship by Bro. Vin', and, "We believe this and that church over there believes that," and this one believes that over there, and you are just settled down with that. But when you are in the Word, when you go beyond that church nonsense, and you get in the Word, and you get in the Holy Ghost, and you get into Christ, then it is a different thing altogether. Then you are walking in the Scriptures. You are part of the Word for your Age. Glory!

So he said: ... *Rome is not going it alone.*

"That Roman empire," he said... Listen here: ... [that Roman empire that has] *incorporated paganism and Christianity, and thereby became the Holy Roman Empire which was to endure until Jesus came and destroy her.*

Is that right? She is to exist until He comes. We saw it last night.

*But Rome is not going it alone. Her daughters are right with her and she will take over absolute authority by the World Council of Churches.*

*This may seem far fetched to some but actually it is very plain for all to see because right now the churches are controlling politics...*

He said, "That is very plain for all to see." Do you see that, or do you see politicians controlling politics? How do you see the system? What do you understand about the system? See, that is where it comes to knowing the Word and that is why we are trying to throw some light in some of these places because you realize, a lot of people have old concepts. And that is why they bump into these things every day and things that are supposed to put them on the alert, they are more drugged than anything else.

He said: *... and at the opportune time will manifest exactly how great is that control.*

As I said last night, if we saw from the Word that he is going to control all politics, he is going to control all religion, he is going to control all economics, and as soon as the Bride is taken out and he misses that Bride, Satan comes down and sets down the mark, and if that is going to happen when She goes, that he sets that in place, then where are the systems coming in for that? You don't put those systems overnight and those systems around the world can't go on in private and nobody knows. They can't shut down all that information. Think of it. Open your thinking. I am trying to pause a little bit for you to think of what I'm saying.

Then it means to say, those systems... Could a man put a system to control trade in every nation just like that?

Do you think he gets a fax saying, "Alright, change up your government"?

And he says, "Okay, government dismantle. I just got a fax from the Pope."

And they say, “Oh yes, yes, yes. We are going to do that.”

Do you think it is that way? Then all what is happening over all these years, that is being done so veiled, being done at a certain time; they are choosing the Summit... In the White House, Clinton’s wife, recently here, was talking with Roosevelt’s wife. Do you get that? Roosevelt’s wife died many years ago. Roosevelt was the President in the time of the Depression. Nancy Reagan [wife of former U.S. President Ronald Reagan -Ed.] had Jeane Dixon [American self-proclaimed psychic and astrologer -Ed.] in the White House and they were watching the stars to know what to do. Barbara Bush [wife of former U.S. President George H. W. Bush -Ed.] used to have the same woman telling her whether Bush should go on a certain Summit.

Isn’t that the Bible? Whom did Nebuchadnezzar have? Was it not soothsayers, and magicians and everybody around them? Whom did Pharaoh have? Was it not the same thing? Then if that type comes back, if the Moses type comes back and the Joseph type comes back, then the power, the seat of authority, wouldn’t they have it there too? And if they are trying to figure out that and figure out that and they are trying to be in contact with spirits and have seances and contact the dead...

Because they can, you know. Now, come on now, we are in the Message, man. They can’t contact saints that are in Christ because a great gulf is fixed, but they can deal with those people down there. They could still get there. There are genuine mediums. Read *Demonology*, (it has come back out,) you will see how the two come together: *Daniel* and *Demonology*. Because Daniel deals with, what? Kings and kingdoms. It belongs to Satan. He is the god of this evil Age.

You say, “I want one of the new ones with the nice cover. I will put it up on the shelf where I put the last one for the last twenty years too.” Right? Or you can

say, "It's time for me to understand what is inside of here!" Amen. See? Get the contents in your heart, friends. If you didn't get the one with the old cover inside of here, do you think you will get the one with the new cover inside of here? Do you think that new cover makes it anything? But that is God's grace when it is more in season; when it is more in season. See?

*This ecumenical move will end up with Rome at the head, even though the people did not envision it that way.*

Why don't they envision it that way? Could somebody say? False teaching! False concepts blind them. They can't see it that way. They have another way. To them it is going to come. And that is why we need the Word, because the Word only has one way. And that's why we needed a Prophet to unseal the Word, and he found it in the Bible and traced it and brought it out. And he showed why it is going to deceive the whole world but the Elect will not be deceived because he came to the Elect. It was the Angel who had one of those Seven Vials who told John, "You don't wonder. Let the whole world wonder about the Beast. I will tell you who it is. I will tell you the power that carries her." He said, "I will tell you about it."

Who told us that those demons that came out of the Euphrates River, was a Roman spirit that was loosed through the dictators; it was bound? Who told us those things? Who else in the world knows that, besides the people who are doing it and us? We know what they do. And how are we so sure that the information is correct? It unveils the Mystery of the Word. Babylon is built on the Euphrates River. It is a mystery Euphrates with a mystery Babylon. She always works from behind the scenes like Jezebel in the Bible; that is why she is put in the Bible.

Do you know why God put this Book of Daniel in the Bible? So believers who live in the End Time will understand the day they are living in. Do you know why

Daniel got more vision on the fourth beast and the little horn and how he is going to control politics, how he is going to control religion, how he is going to change times and laws, how he is going cause craft to prosper; how he is going to divide the land for gain? Do you know why God put all of that in the Bible? Because people will be in the last days, when they start to divide the land for gain, when he starts to cause business to prosper, when he starts to set in the new trade laws and these things, when he begins to build the regional blocs, when he begins to destroy by peace in the ecumenical move, there will be a people who will see it and know, "That is the Scripture." That is why the Book is given to us. Because everything he does and every form he comes in, it might look fragmented. That's why they couldn't envision it.

It's like you are walking in a big car manufacturing plant: over here they are making doors, over here they are making trunk covers, over here they are making shafts, over here they are making pistons, over here they are making rubber for the tires, over here they are making upholstery for the seats, over here they are making steering wheels, over here they are making windshields, and it all looks fragmented. And then, all of a sudden, when the assembling time comes, 'the uniting time and sign', when the 'seals' come and you see all the powers start to unite, you start to see like it's a whole motor car. All of a sudden, every piece starts to come together under a uniting time and then you actually realize that was so from the drawing board. Does that make sense to you?

The windshield man is only talking windshield things, the steering man is only talking steering things, and the steering man and windshield man is arguing whose product is better, and everybody is standing up confused like if it is not the same thing. But the man who owns the assembly plant, the man who all of them are working for, he says, "It's time to give up your

windshield. It's not yours. You are making that for this car here."

You see, the young are different; they understand that. It is very simple for them. They could see it. A little illustration like this and they could see it. Whether they call it a Chase Manhattan Bank, they call it a AMOCO; you call it over here Petrotrin [oil companies -Ed.], they call it over here ISPAT [steel company -Ed.], you can call it a lot of different things, it makes no difference. When it comes together, it is Satan's Eden. Do you understand what we are saying? Amen.

He said, "They can't envision it." That is what the Seals did for us. The Seals brought the open vision. The Seals brought eyesalve. The Seals gathered the... What was the Seventh Angel's ministry to do? Gather the scattered Word together and tie it together. Any man who has those Seven Thunders have to make all the Word of God compare. And that is what this Message, the uttering of the Seven Thunders was to do – bring it all together and show you five 'I wills'. Look it here – one objective, one goal, one purpose, since from Heaven, and look at the great success in bringing it to pass.

But thank God, He didn't leave us without that Prophet; He didn't leave us without the opening of the Seven Seals. Otherwise, we would sit down there, brother, when we hear some man from the States come down and tell us about that big computer, 'the beast', and the tattoo that people are getting in their head, we would have shouted and said, "Revelation, boy!" You see? We would have all been deceived down there with that nonsense. The thing would have been happening right in front of our eyes and we wouldn't see anything. But when you go back and see Jezebel, you see Jezebel today. When you go back and see Nimrod, you see the next part of Jezebel that you didn't see – why he is calling himself 'he' before he becomes 'she' because 'he' finally becomes 'she'. See? It isn't confusing. He is a master of diversion.

Sometimes you watch a man playing football, he hits a man a 'dummy' here, he 'beats' [evading players with the ball - Ed.] two here, brother, he does a 'bicycle', he flips... You say, "That man has skills." Then when you see Satan, what do you say? You find that look so powerful. When you see he starts to juggle the economy, create havoc in the stock market, (see?) throw countries into bankruptcy, intimidate governments to get them jumping and moving, then you start to see what is happening.

He said: *This is so because in Revelation 17:3-6 it states that the whore...*

Hear how he was explaining this, okay?

*... Mystery Babylon is seated on the beast. She is controlling the last, or forth empire. This Roman church is doing that. With the world church system under her Rome will be controlling, and this image (church system) will be obedient to Rome because Rome controls the gold of the world.*

It is very easy to see how she did it. When she begins to invent all these superstitions, when she begins to preach a doctrine that puts fear in people and then instead of coming up with the solution to calm the fear, she says, "You are going to burn in Hell! But you can get them out with a little fee." See? Oh my! See? She plays on, what? The human make-up of people; their desire for security and peace.

God comes by the Word and shows you yourself a certain way in the Word to calm that. That's why you could be poor and yet you are rich; having nothing and yet possessing all things, when you get that kind. The other kind, you will say, I don't feel I can leave yet. I still haven't paid off for the car yet. Give me six months again; I'll be ready." See? When you have the kind that Rome has, that is how it is. When you have the kind that God has: Abraham went out by faith not even knowing where he was going; (hallelujah!) hanging on

to the Word and the faithfulness of God Who could bring it to pass; knowing that God is faithful.

*Thus all the people have to belong to the world church system or be at the mercy of the elements or they cannot buy or sell without the mark of the beast in their hand or [in their] head. This mark in the head means that they will have to take the doctrine of the world church system which is trinitarianism, etc., and the mark in the hand which means to do the will of the world church. With this great power the church systems will persecute the true bride. This image will try to keep the bride from preaching and teaching, etc. Her ministers will be forbidden to give comfort and truth to the people who need it. But before the antichrist (in person)...*

Get it again now. We found out just now, before the ecumenical move becomes the image of the Beast, as it is about to become the image of the Beast, the Bride goes. Here we find another time when the Bride goes here.

*... before the antichrist (in person) takes over this complete world system of the churches the true church will be taken away...*

As I told you, right now the Pope, they are pumping him up with medicines and all kinds of different things to make an appearance; falling apart. Getting ready for Satan's superman. Isn't the Bride getting ready for the Third Pull too; God in the flesh? Sure. Don't you realize the people who are going to manifest the Spoken Word and put on immortality are walking around the earth right now? Don't you realize, the man who is going to be the Devil incarnate, is on the earth too? Don't you realize when the fullness of the Godhead bodily was in Jesus, right there He had come to the season, when He broke the Bread, the Bible said, "And Satan entered into Judas," and the Devil became incarnate? Is that right? The Son of God and the son of perdition, side by side?

That's why we need revelation. It makes us realize, if we are here, they are there. If we are that advanced, they

are that advanced. Remember, while one was planting seed to produce the World Council of Churches, one was planting seed to get a Bride for the Rapture. The planters were in the field together. He explained it. Think of it. The same Son ripens them both. Is that right?

In the beginning of this year, we started to go, 'Jubilee'; it sounded sweet and nice. Then later in the year when that comet struck, the Holy Spirit took that comet and started to put it in the Bible and showed you, God still describes time by signs: what those things mean, where it passed; what the Message brings. Day unto day it uttereth speech; night unto night it showeth knowledge. Then here, where are we? That was moving them quickly into safety.

Does this sound like a contradiction here? That is what He was doing in Heaven; this is what He is doing on earth. How do you hear the Word? How do you follow it? What does it mean to you? See? Why? You are watching it coming in, friends. *The Lord Shut Them In*. [1996-0512 - The Lord Shut Him In -Ed.], all those messages came down through there. See? It's happening. You know it's happening. When you get in the atmosphere like this, where the Holy Spirit gets in the Word, throwing light on those things here, flipping on lights, exposing those things, uncovering those things.

Then if that is there, then where the Bride ought to be! Then look, He has already moved ahead and showed the Bride where She ought to be. Since last year when He came in there, *The Law And Duty Of A Kinsman*. [1995-0521 -Ed.] See? *Predestinated To Obtain An Inheritance*, placing you; all these things. Sure! What kind of Hour is it? Don't let it slip away, friends. Take earnest heed to the things that you have seen and heard lest at any time you let it slip. Retain God in your knowledge. Stay under the prophetic utterance of the Word, because God always works in continuity to what He has done.

*But before the antichrist (in person) takes over this complete world system of churches the true church will be taken away from the world to be with the Lord. God will catch away his bride for the great Marriage Supper of the Lamb.*

Glory. Oh my! Thank you, I will need that tonight. Amen. Now I want to kind of... I want to get these quotes out first because my reason for that, was to show you the concepts of the Prophet when the Seals broke, where he placed these things. Then I wanted to show you the Scriptures that his prophecy, his revelation was direct on the Bible. And then I want to show you what is happening on the earth, to show you, the same God is still here watching those things.

Back there in 1963, we were watching the man by San Fernando roundabout. See? Now we are watching the man in Laventille. He is going to Port-of-Spain, the same man, but he traveled that much distance. He has covered that much territory. Because back there in 1963, the Berlin Wall was still up. They didn't control the oil of the Arabs yet. They needed to control that oil before they went in anywhere. So, what do you have to do? You have to create an invasion. How are you going to create an invasion? Use technology. Don't you know that is what started the invasion – satellite photographs?

Like Bro. Elias [Barjun -Ed.] who is in Honduras now, he used to go up in the Pentagon as an interpreter for the big generals and they. He was telling me, he said, "They could read the number on a license plate off the ground from that satellite. They have what you call GPS. They could pinpoint anybody, anywhere in the world within eight inches, any part of the planet." See? You have all these big farms in Europe. Every cow, everything, is there.

Why do you think they are going to open up prisons and bring people out just now; put a little bracelet on them? They are already experimenting with that in

certain states already. They say, “Okay, he is not so bad. He only stole motorcars. Send him back out. This one is a petty thief. He breaks in and enters in. Half of the time it is a couple of little rings, wristwatches; send him back out.” See? And they have that there, and they keep track of you everywhere you go; to monitor you.

Why do you think the world’s oceans is empty of fish? Because with that technology, they are overfishing the ocean. You don’t have to wait to catch fish anymore, you know. They spot where all the fishes are. They know the runs of the fishes in the water, every ocean, everywhere. See?

The type of world... What we are talking about is, people are being brought under control. Watch and see how this is going to come out here. This is on *The First Seal* here. [1963-0318 -Ed.] And did you notice something? On that *First Seal* is where he put most... You watch, out of all *Seven Seals*, he deals with the money situation mostly in *The First Seal*. Why is it on the First Seal? Do you know why it is on the First Seal? Deception; coming in like flatteries. White horse rider – it looks innocent, peaceable; take the kingdom by flattery. That’s why it is there.

And that is what is happening right here. That is why I say, people don’t see the white horse is still riding. And when the Prophet placed that white horse... Oh sure, he was talking about back in the first Age, but when he ended up the Seal, I guarantee you, he had over nine or ten pages on the First Seal dealing with taking the whole kingdom here today and controlling the money, and he must have had about two paragraphs or three paragraphs on the Nicolaitane spirit back in the first Age.

But you know when people come out of reading the book, do you know what they get? “Oh, all this isn’t really—it is like fillers,” but the thing he was talking about, was when they deceived the church back there. No, no, no. He just showed you what they did back

there, and how they moved so you can understand how they are thinking here today, and how it was so deceiving back there in infancy, he said, “Think about it in maturity here.” Are you getting me?

I trust it shakes in certain places there and jolts your mind to wake you up to realize, “My goodness, am I interpreting it right? Have I been reading these things right? Have I been looking at these things with discernment, or have I just been like a little school boy, you know, and made one or two notes and references here and I learnt Geography and I learnt History, or has this anointed my eyes? Is this the eyesalve that anoints my eyes to see in this Age? That is what it has been, friends.

Listen. Page 46 here, 163 in the Seals book [The Revelation Of The Seven Seals - The First Seal -Ed.] He is talking about Satan’s superman. Paul called him ‘the man of sin’, ‘that wicked one’; ‘son of perdition’. Daniel called him ‘a little horn’. Is that right? John called him ‘the Beast’. Malachi 4 called him ‘Satan’s superman’. It’s the same person.

Being prophets, the Holy Spirit made them look at that man because that is where it is coming – a man is going to rise up. The same way we had to look for a man to rise up in this Age too: “Behold, I send you Elijah, the Prophet.” We had to look for a man who had a mouth that could even create squirrels, who could utter those seven Voices. They are looking for a man who will be given a mouth too. [Blank spot on tape -Ed.] ... watch in-between the Sixth and Seventh Vials and the Sixth and Seventh Trumpet, two prophets: one is false and one is true; Tree of Life and ‘Tree’ of the knowledge of good and evil. Satan’s superman and God’s superman, they were right there side by side. God was veiled in one.

Now look. [1963-0318 - para. 306 -Ed.]

*Incarnate... He become a man and then they crowned him. ... how Daniel said he will take over the church kingdom.*

We are honing in here now, okay?

*Would you like to read it? ... We got time to do that, haven't we? ... Let's go back to Daniel... Turn back to the Book of Daniel, and we'll read just a moment...*

Now just before I continue to read in that Seals book here, let's turn in Daniel 2. I want to pick up some Scriptures in Daniel here quickly. I'm going to pick them out for you and just read a couple of verses, but as I said, as we go along in the days to come, you'll get more messages to cover different points to elaborate on things, but tonight is not that kind of channel.

I'm talking about "*Accounted Worthy To Escape The Snare*" and I was trying to show you how the snare is coming, what form it's going to come in, how the World Council of Churches has been invented, has been given a role, has been designed for the Beast to work through to fulfill the Beast purposes. Because he knows he cannot come out as the Beast, so he brought the World Council of Churches, the Protestant churches, so he can work through them.

Listen to this. Daniel 7, verse 23, the first one we are going to take there. We read that one last night. We know we are in the fourth kingdom. We know we are in the time of the fourth beast. We are living in that time. Verse 23. This is where Daniel was being given the interpretation by Gabriel of the vision he had seen and he explained different parts to Daniel. I just want to get to verse 23.

*<sup>23</sup> Thus he said, The fourth beast shall be the fourth kingdom upon the earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces.*

Is that what it says there? Okay. My! Look at that, how terrible that is. Daniel 8:24, another place where you see the little horn again. We will take from verse 23. Daniel had seen a little horn coming out of one of the four horns of the he-goat, which was Alexander the Great's kingdom which had fallen and it was divided

into four, and so, it was going to be absorbed into the Roman power. And here, Daniel is being given the understanding. Verse 23:

*23 And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.*

*24 And his power shall be mighty, but not by his own power...*

The powers will be satanic power, demonic power. It will be Satan incarnate himself.

*... and he shall destroy wonderfully...*

Now we are learning something about him. This Beast is going to devour the earth but then watch this king, who is the king of that kingdom, who all the ten kings will give their strength and power to. Look here.

*... he shall destroy wonderfully, and shall prosper, and [continue], and shall destroy the mighty and the holy people.*

Before he even comes to the mighty and holy people to destroy them, he shall be destroying wonderfully. By the time he gets to the mighty people, do you know how he is going to destroy them? How is he going to destroy the holy people? Come on now, don't be afraid; you are not going to say the wrong thing. Do you mean you are in the Message all these years and you are afraid you say the wrong thing? Are you not sure of your revelation? If you can't share your revelation with your own brother, do you think you can stand against the people outside in the world and say it? Let him that teaches communicate with those who are taught.

The Covenant! He will get their money tied up. The very groundwork is laid for this already. I preached for you recently, right here when they elected this new Prime Minister, Benjamin Netanyahu [Prime Minister of Israel - Ed.], and showed that was the foundation being laid for the fifth coming of the Spirit of Elijah. Because Elijah is

going to come there, and when Elijah comes there the fifth time...

He has already come the fourth time here. We already have an Ahab and Jezebel that has united here on the Gentile's side. It is going to unite over there on the Jewish side too. Then Elijah will shut the heavens for three and a half years, turn the hearts of the children back to the fathers, repair the altar for the evening sacrifice, call fire out of heaven and all these things. Is that prophesied in Revelation 11? Exactly right.

History is going to repeat itself back there – Rome and the Jews to make a covenant. A 'covenant' is a 'marriage'. Like Elijah saw Ahab and Jezebel was married in that hour, and saw then, she began to rise because the church and the State were married. And what had caused the marriage? Money. Ahab needed to secure his kingdom. Jezebel came and bewitched the whole nation.

Well, look what is happening here. Before he destroys them, he shall destroy wonderfully and shall prosper. He has been destroying all these years and prospering, until the last thing left for him to destroy is to get the Jews money tied up. Because he has the whole World Council of Churches, all the Protestants, all of Laodicea, he has their money tied up already.

America, where for freedom of religion they ran for, when it started, the beast came out of the earth; two horns – civil and ecclesiastical powers. Is that right? Thirteen stars; thirteen stripes! They have the Statue of Liberty, a woman standing there, a symbol of the nation – a woman's nation. Is that right? Exactly. Revelation 13, that's where she is in the Bible, in prophecy! The Holy Spirit put the mathematics correctly to identify where she is and through her it is going to come. She speaks with the voice of the Dragon, and she is already destroyed and he is prospering the most in there.

How did Poland fall? How did the communist world get shattered? Holy alliance – the Pope and Reagan. How

many know that? And when *TIME* magazine gauged it after, they let it out, do you know what they said? The Catholic bishops had more information than the CIA. [Central Intelligence Agency –Ed.] They said big, big Chief of Staff and different ones inside there were sitting down with Catholic bishops every day and were instructing them and going about things and informing them and orchestrating every move that was to be made to bring the downfall of the communist empire. Do you see what we are talking about?

After she destroyed wonderfully, the same Europe that Hitler tried to take, (think of it!) under the Woe, when those spirits from the Euphrates River were loosed through those dictators and failed because the allied nations stopped it; it was not time yet; it wasn't to come that way, then they took the battle fatigues off and then they came, "Holy brethren." The ecumenical move started to conquer. And then, the ecclesiastical Rome took down the whole system where Hitler and all of them with their armies couldn't take it. Think of it. You read the history of the wars. You follow the Message of the Prophet. The Prophet had quoted from *The Decline of World War I and World War II*, the volume. General Allenby flew in there. See?

Look. Verse 25:

*<sup>25</sup> And through his policy also...*

After he destroys wonderfully, all these things:

*<sup>25</sup> And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many...*

Through his policy he shall cause 'craft': 'manufacturing', 'businesses', to prosper. What kind of policy is that? Economic policy. Do you mean, this king of fierce countenance who is destroying, who will even destroy the holy people? How is he going to destroy the holy people? Economics. Is that right? Covenant for the money.

Look. He is not going to go in there and make Catholics out of them. No, no, no, no. He is going to bring peace. He is going to offer peace in their region. He is going to get the troubled parties together. He will be the peacemaker. He will start to bring stability and inject money into the economy and bring services to the people that are needed. He is not going to go and say, "Say hail Mary." No, no, no. And finally, after he does all of that there, to the blind ones, he is going to set himself up and want worship, because he will have everything so much, he just can't pull back. Because it is Satan, Lucifer, who wanted worship to begin with.

And at that time Moses and Elijah are going to rise up there and burst that thing. They will expose that whole thing. But do you know something? It will be Gentiles, so much of Gentiles and then so much of Serpent's seed inside of that place too, their hearts will be so hardened, they will rejoice when they kill those prophets. All they will get is 144,000 of them. All they are going to have is 144,000.

If this Elijah could only get a few out, and he had Spoken Word and all these different things... He did all the miracles that they are going to do there too. This is like two different forms but it is the same power; same Spoken Word. He created squirrels. They shut the heavens, they turned water to blood and different things. They did the kind to identify them. See? It's the same Spoken Word. And if they doubted that here, do you think they will do anything different there? The Bible said they will send gifts, they will make merry when they kill them. See?

What condition is this generation in? See? Think of it. Think of it, and evaluate it the way you evaluate people. See it the way God sees it. And the things that you get impressed with, you realize that is a blindness. Those are dark spots in your mind; you can't see what is here.

Watch. Daniel 11, verse 39. So, we find out the first thing he is going to do is destroy wonderfully, through his policy, he will cause craft to prosper; he will destroy the mighty people. Now watch another thing he is going to do here. This one is one that I am dealing with a lot, that is going to come out in these services. Verse 39. Let's take from verse 38 or verse 37 so you can get an idea that it is the same person.

*37 Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.*

*38 But in his estate shall he honour the God of [fortresses]...*

Do you know who that was in the old days? Do you know what he was called, the God of forces? Do you know what he was called? Kronos. Do you know who Kronos was? Nimrod. That's who he was.

*... in his estate shall he honour the God of [fortresses or the God of] forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.*

*39 Thus shall he do in the [strongest fortresses] with a [foreign] god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.*

He shall do what? Divide the land for gain. Now watch. Let me start to formulate it for you a little bit. He is going to cause craft to prosper. He is going to control the world trade and economics, because you can't buy or sell except you have his mark. Nobody, rich or poor, great or small, bond or free, nobody on the planet could do that. There is no other government, there is no political sovereignty outside that which is symbolized in the horns and the head of that beast. There are only 'ten

toes', ten kings. When he is ruling, these ten give their strength and power to him.

You say, "But I thought we have over a hundred and something nations?" Yeah, but when he divides the land, when he is bringing in new trade zones, when he is setting up the system in order to control these things, it is going to be these ten kings that will be over the whole earth, but they all will give their strength and power to him and he is the absolute ruler, because he will have it for forty-two months. God allowed him to have it for forty-two months. It is given to him the Bible says. He is going to rule the whole world for three and a half years. The thing to break him will be when the Prince of princes come.

So watch. He will have to give something to these kings in order to get their support. He will have to deal with their troubled economy. He will have to deal with the unrest in their nations. How? Because the iron is in every one of those kingdoms. He has more control in their nations than they themselves because these kings are kings voted in, and need his people's vote to keep them in power. They need his money in their economies to keep them looking good and doing something in their nations. Are you getting it now? Are you getting the picture? The iron is in every one.

Like I showed you last night with the Caribbean right here, everyone is under European power. All who claimed... Because we had British Guiana, French Guiana, Dutch Guiana – one Guiana divided up into three. Isn't that right? Then they came and said, "Okay, feel good about it. You are named Guyana. Go ahead."

Where did Burnham [Forbes Burnham - 1<sup>st</sup> Prime Minister of Guyana -Ed.] take them and carry them? See? He sold the whole lumber industry almost, for nine million dollars. The same man who bought it, the next week the man sold it for sixty million dollars. He carried them into ignorance. He showed them they are not ready to manage anything. So they are backward making straw...

When we go to Guyana and we come back, what are we coming back with? Straw bag, this here, all kinds of coconut things for your wall. Why? Held them right there; no industry; nothing.

So then now, they come in and they pass the laws here, they could ship out gold; they could do different things. After they pumped all the cyanide in the river, now they are exporting gold left and right out; mining it and taking it out. And if you go in there, a lot of maxi-taxis crowd the road and a lot of cheap fast-food places come up as restaurants and that is the city, and they made progress. Because they have an old outdated politician who was on the communist system, communist ideology, trying to detoxify him now, put on a suit on him, take away all the communist trappings, Jagan [Cheddi Jagan - regarded as the 'father of the nation' -Ed.] I'm talking about, and trying to bring him out to look like a diplomat in the Western society.

Don't you see what is happening in the region? These are the leaders. They are bankrupt for leadership. We have some of the blindest people in power, and we have so many people here running to vote in the last election too. So much revelation they had. I wonder when they sit down and hear the Word like this, where did their spirituality go; where did their big revelation go, and the Squeeze hasn't come yet? See? They say, "I am doing my civil duty." All you are saying is maybe like you aren't Born Again and, "I have new citizenship." See?

I don't want to hurt. Let me move from that. You see, I'm born free. I am not tied to any of this. I am not tied here, but I am tied *here* – chains of the Word. That's where I am tied. I have no man shoo, shoo, shooing in my ears. I have no man telling me I should do this or I should do that; maybe I should do that; I shouldn't do this. I never had that around me.

Are they not all ministering spirits, sent forth to minister unto them who are the heirs? I want to hear Gabriel's voice. I want to hear Michael's voice. I want

skill and understanding. Amen! I want Him to say, “Gabriel, show the man the vision.” Amen! “Show the man what these things are! Show the man these things over here!” That is what I want? Do you know why? When that Cloud came back, Headship came back, and when Headship came back, I don’t think there is a greater headship to lead me around than that Headship.

I see Him teaching me everything. He teaches me everything. He teaches me economics, teaches me science, teaches me astronomy, teaches me business, teaches me construction; teaches me everything. Every time He comes, He comes with the Bible. He says, “Look, this here. Look, this here. Do this. Do this. Do this. Do this.” I still have some good education. “They didn’t give me any education in the world, but You came and You gave me a different education.”

Like I was saying the other day, someone said, “Oh, you don’t have any subjects.”

I said, “But I am not sounding ‘duncy’ though.”

See? Economists are trying to explain this. They are trying to explain this. If they knew this thing, if they knew this, they are not going to get half the trouble they get today. The environmentalists are trying to understand. If they knew that, they would not get into half of those troubles. See? God has to be real. You don’t have to get an impersonator; God has to be real.

Daniel 11:21. Quickly! I’m going to cut that off right there, and just give you a couple of quotations. Daniel 11:21:

*21 And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries.*

Why? Because he was given a mouth to speak and to flatter. He will be so ecumenical. He will be such a good ‘mixer’. He will have a place for everybody. He will be a good compromiser. He will be a person, you know, that

can kind of see through everybody's glasses, a little bit, and make everybody feel happy. See? He will come in and before they know it, what he was giving them like help, was actually putting them in chains; was actually bringing them under control to be manipulated.

So they stand up there, "Yes, you know, we are not seeing any snare." They used the region because they had feared communism. And then because Cuba was so big and that was the door and they couldn't move there, and the Russians were already inside, then they needed other little islands here because there were all these dictatorships down in Latin America.

You know about Pinochet [Augusto Pinochet - former President of Chile -Ed.] and in Guatemala, all these countries, where there are so many mass graves and everything. It is coming out now all over. See? Dictatorships all through Latin America. Why? Their history and their background were that these indigenous people were tribal people. Mayans and Aztecs were sacrificing human beings, building empires. Then the Spanish conquistadors came in there to conquer them too, with their big European superpower influence. So it always had this big chieftain struggle. So, though these generations passed, then all these big dictatorships rose up.

Look, Africa is the same thing – always coup and this and that. Why? Tribal business. You could put suits on people to turn them civilized and everything else, but back there was warfare, constant warfare. Look at the Hutus and the Tutsis, (see?) people are massacring people left and right. Look at Liberia, what is happening in those places. Did you think it was the news? See? Why? And those things, when you see it move on the earth, you realize how they exploit these things. It's control.

And so they take some of these little ones here and they have a base in Chaguaramas and they want to keep their influence, and they kind of work in Barbados for a

while. Why? They are fighting communism. They don't want them to control here because this is the back door. If you can't cross the Atlantic and if you have to come all the way down to the Caribbean, then they could set themselves right around them in a strategic position. That's why they had the Bay of Pigs in 1962, where the Prophet talked about where John Kennedy [Former President of the U.S.A. -Ed.] always wanted to blow Cuba off the map. See?

The Prophet stood there, but then he looked at the world and said, "No, not one atomic bomb could fall while this Bride is still here." Elijah had to turn the hearts of the children back before God burns the earth with fire. Elohim had to come and turn His back and call Sarah out and get them ready before that Gentile world could burn with fire. He was watching the Bible. He was watching those things where they were placed. Those winds were held! "Hold those winds until we Seal the servants of our God." The Sealing Angel had to move first to Seal them up before that could happen. He was watching the Word, friends.

That's why when you watch the Word, when you watch what is happening around you, as I say, you are not just coming to church. You are not just trying to, you know, have a little influence here or something. No! God has come and shone Light. God has opened the Word. God was showing the Hour. God has shown the position of the nations, the condition of the church, the moral condition of the world, the financial condition of the world where it was going to end up, where the spiritual Bride is being called out; what She needs to see in order not to be trapped into that system. All these things have been uncovered to us. Why? It is a Message of preparation. That's why we need It.

Quickly. Okay. Just let me break some of that now, just to give you a little idea of what we read last night and what we read here tonight.

The fourth beast shall devour the whole earth. I'm closing up for tonight. "*Accounted Worthy To Escape The Snare.*" Watch the snare. We find that he's going to do what? Devour the whole earth. How is he doing it? One of the things is dividing the land for gain, destroying by peace, destroying wonderfully, and finally, one of the last things to bring complete destruction to put him in the driver's seat fully, is to destroy the Jewish people. Is that right? Okay.

Let me finish up a quote here that I was reading, page 314, *Seven Church Ages*. [An Exposition Of The Seven Church Ages - Philadelphian Church Age, Cpt.8 -Ed.]

*... Furthermore, [he says what?] ... as this move becomes "THE IMAGE ERECTED TO THE BEAST," the saints will be gone in the rapture. And this little delightful, winsome movement that started out in fellowship at Ephesus will become the monster of Satan...*

In other words, that little white horse rider that started there riding, looked so innocent, they thought it was cupid drawing back his bow to shoot people with love and everything else. Look where it is today! It is becoming a monster of Satan. Why? From a white horse to a red horse – he got a little violent after a while. Then he got the crown because now he started to exercise power and authority. He has a crown. See?

And then after that, he wanted money. He started to use shrewd things now to get the money because being in the seat and having the sword, he needed some money. He didn't just want military power, he wanted some financial power because he realized that with financial power, you could do a lot more, and it could be easier when you have the military power to use threats and everything else. You could blackmail, you could extort, you could do everything when you have that.

It's like a man who has a gun and he wants some money. Isn't that the world today? Because he has the

gun, he feels he could walk in anywhere, daylight or nighttime, because he knows the intimidation the gun carries. It is a slaughtering weapon. If a man walks in with a pillow [Bro. Vin and congregation laugh -Ed.] and says, "I will hit you with this pillow on your head; give me the money," (you see?) they are going to have him running in no time. But let him walk in with a gun and say, "Hand it over," brother, they would hand over everything so fast, trembling, crying, begging for their lives: "Take it but don't kill me, please, please." See? Because he knows the power of the gun; because he knows the power of that weapon.

And when you get the sword, then the next thing, you could take the wealth of the world. And they actually plundered, looted, invaded, devoured, while they controlled all of Europe. But then the barbarians, the Turks and them, when the war started... Because if you read a little history on the Roman Empire, do you know what they did? They had many small cities. Each one was like a province. They had many provinces and each one had a governor ruling over it.

Now catch it. When the revival of the empire came back, you had ten kings. They had all the regions under their control and then they had the Pope over everything. So, these were like the big generals—he is like the king with the triple crown sitting down there and all these are subjects. Like Nebuchadnezzar had in Babylon when he had conquered the whole world, and they had the image there and everybody had to bow down to that image. Isn't that right? Because they knew religion has a binding influence.

When you have an empire like Ahasuerus had... Because Ahasuerus only came in afterwards. He had a hundred and twenty-seven provinces from India to Ethiopia. When you have all those different languages and different cultures, you need one binding influence to get everybody.

Why do you think they are calling for national unity? Because we are in a society with many different ethnic groups, so you want a binding influence; you want something. If it was one race of people, you don't need that. See? You watch and see how things are.

*... For the church system of the Roman Catholic and the Protestant in coming together will control the whole wealth of the world system and force the whole earth into its religious trap...*

Forcing them into a trap. America was trapped, we started off with, now he is forcing the whole earth into a trap.

*... or will kill them, by refusing them the privilege of buying and...* [Congregation says, "Selling." -Ed.]

How is he forcing them into the religious trap? Through economic pressure! He is forcing them into the religious trap through economic pressure. In other words, "Keep your religion but join the World Council because here you are going to be able to buy or sell. You want to stay a Baptist, stay a Baptist, but come in here and come under this headship, otherwise stay there as a Baptist and be a starving Baptist." It's exactly what it is. He is forcing them into the religious trap.

*... by refusing them the privilege...*

We are fine-tuning here, the concept of how these things are coming to enable the people to recognize the modern events and see that the thing is here. The reason that is necessary, it is all around people and they are dozing, and when you talk things, it is like they are unconscious. "Daniel? What did Daniel say? What did the Book of Daniel say? Revelation? What does It say about it there? Do you know how long I haven't read that Book? What did the Prophet say about that? Do you think that is really so? Should I leave my job? Should I stay in my job? What do you think I should do? They want to give me a promotion. What do you think I should do?" And yet people ask all these kinds of foolish questions.

Do you have the Holy Ghost? First, you find out if you have the Holy Ghost. Do you want to stay or do you want to leave? How important is it to you? What does it mean to you? What kind of strength do you have to resist? Is it controlling you or are you controlling it? What is your ambition?

Then after you answer all of that, you will get your own questions answered. Do you understand what I'm saying? You will know why you are there, and you will know what you want, and you will know why you are playing the game, and you will know how far you want to get in, and you will know how contended you are, and nobody will have to tell you for you to say, "Well, he told me so" and "He told me to do that." No, no, no. Your own conscience, and your own heart, and your own desire will tell you what you want, and it will show how much you believe the Word of God. See?

*... This will be accomplished simply, for the harlot's daughters are all but gone back to her. In the meantime, Rome has acquired nearly all the supplies of gold. The Jews...*

Now, they don't have to have all of the gold, okay? That's why you read articles about this one buying up gold, this one buying up gold; so many people have gold. But they have all that they need to have *control* of all. Do you get that? If I have gold and you have gold, you have ten percent and I have ninety percent of the gold, but with my ninety percent, I make the laws too, to govern the use of gold and how you are handling gold. You have ten percent of the gold, but you don't make laws. You can't change times and you can't pass laws. You have gold but you don't have the World Council behind you. I have gold and I have the World Council behind me. Do you understand what I'm saying? It's control.

Now remember the iron and clay wouldn't mix. It will be partly strong and partly weak. That is why the power is *given* power for forty-two months. And the same one

who gives them their strength, God put in their hearts to burn the harlot and eat her flesh. Do you see where we are coming from? So, it is circumstances that's causing the unity.

Have you ever seen two people in the same situation and the situation makes them unite? Do you think Ahab and Jehoshaphat really, really wanted to unite? Circumstances made them unite. Sometimes you have a need of people and people have a need of you, so you all are playing the same game. Sure! So each one is using each other until the convenient time, and nobody is honest enough to talk the truth. This is seen in everyday life. Well multiply it: you get one man doing that, you get two people doing that, you get a family doing that; you get ten people doing that. Then multiply it by a thousand, you get a nation doing it. Multiply it by a hundred, you get a world doing it. It is the same thing. It's the same thing. Why? Covetousness, personal ambition; all these things.

Do you think the Pope will say, "I feel we have enough control; we don't want to take over the world anymore. We've changed our minds. What will I do with all this power?" Do you think Satan can think like that? Do you think America thinks like, "Let me leave them in Europe and let the Caribbean people go their own way, and let us see to ourselves; for years we have been fighting war; I am tired; let me lay down my arms and just relax"? Do you think they can think that way? No. They are beasts on the earth. They have a certain nature. A predator is a predator. A hyena is a hyena. Exactly. A crocodile is a crocodile. That's what they are.

Catch this last part here. We will close up with this.

*In the meantime, Rome has acquired nearly all the supplies of gold. The Jews have the bonds and all the paper. At the right time, the harlot will destroy the present day money system by calling in all the paper, and demanding gold.*

Now, you see when you don't understand the monetary system in the world, you could have some of the wildest imaginations with that. When you understand how things are taking place, how businesses are being run, why certain types of things will put up and allow people to be permissive and carry on and carry on and carry on and carry on...

As they say, the longest rope has an end. Give them enough cord, they will hang themselves. But this is factual rope; this is financial rope. When man gets a financial rope, he finally hangs himself and that's exactly what it is. When all these economies come to a certain place, you either get them in debt and make them indebted to you... Have you ever seen people give people something, but when the time comes and they call for that, they are in trouble? And they say, "I thought you were giving me this."

That's why with me and people I say... If some brother wants to do something for the church, I say, "Look, let him give the trustees that and let the trustees take care of that." See? There is no sister who comes in church with a bag and brings it here or a brother wants to come and give the church something. No, no. I don't think God's thing is that way. It is different. Sometimes people do things, and in the end, when you realize, you were actually like becoming a bond-servant. You were actually coming into a place to be controlled. You didn't realize, that had all that implications inside of it. And that destroys a lot of people. That destroys a lot of friendships. That destroys a lot of different things. And it is the same thing here.

It said: *The Jews have the bonds and all the paper. At the right time, the harlot will destroy the present day money system by calling in the paper, and demanding gold. With no gold, the system falls. The Jews will be trapped and come into the alliance, and the harlot church will take over the whole world.*

It is a whole deceptive game. Everybody is using the other one until it could take control over the other one. Rome wants to control Russia and them; Russia and them want to go along just waiting for the right time where they could bump Rome off. America wants to go along just waiting until it is convenient for them that they could take over the Vatican and all the gold and all the different things inside of there.

Because they know they got robbed. You see? And everybody is going along with a hidden motive. And that's why it is iron and clay. The unity is only for convenience because each one has their own ambitions. America realizes that they are the biggest nation, but America is really a Third World nation. A Third World nation is people in debt. All the resources of America, all that America has, all the wealth of America can't pay their debt. Do you understand what I'm saying?

You see a man has a house, a car, land, suit of clothes, different things; goat, sheep. You say, "Oh God, that man is wealthy." When you add up all of that, what it is worth, let us say it is worth ten thousand dollars, but the man is owing ten million dollars. Do you understand what is going on? That is America. That is factual, friends.

Now I can cut this off here, if you want me to. I'm not going to keep you long. I know the time is up. I need to close. No, I mean that. If you are going to keep your thoughts right there and you come back here tomorrow night and we'll speak right inside of there, but I'm finished. I'm finished. I got the Scriptures that I wanted. It is just I wanted now to give you some of the modern events here which I have here. I'm going to read a couple of them for you. Okay? Is that alright? Okay. Just a little bit and we will close. Because this is what all that is for. My whole thought behind this is we believe that already. I'm not trying to convince you that what the Prophet said is right. That is not my point. I'm not trying to get

you to believe what he said. You believe that. We all believe that.

But that's like a man telling me, "Rain is going to fall, and when rain is going to fall, you better make sure you get in your house from the time you see those clouds set up there." And we are talking that all the time and we hear thunder and lightning flashing and we say, "I didn't know we had Independence parade today. Who is doing that fireworks? Is that Colonial Life or Maritim? [financial institution who sponsors fireworks activities -Ed.] Which one sponsored it this year?" And you didn't realize, that is the thing he was talking about: "Get in your house." And that's what I'm seeing.

As I said, the Book of Daniel was given to us for, what? To understand what is going on in the last days. The Book of Revelation was given to us for, what? To understand the last days. Do you know why the world is going to be deceived? All what they are doing is in these two Books, but these two Books are in symbols and it takes a prophet to receive it and reveal it.

And that is the part that they threw away – the key, and he is the key. And they threw away the key and they can't get in. So, they don't know what is happening. So, then they stay and they are guessing and they are hoping that they are right, but it is like the four blind men with the elephant. One held on to the tail and tried to describe it. The next one held on to the hoof and tried to describe it. The next one held on to the ears and tried to describe the elephant. See? Because they are all blind.

Since the tearing down of the Berlin Wall, which has divided the world for almost forty years... Think of it. When they tore down that Wall, Europe got the chance to be reunited. Places like Czechoslovakia behind the Iron Curtain where the Lord had me to go there and preach the Gospel in different places into the Soviet Union, all those Catholic Jesuits they put them out. From the time the Wall was torn down, they were back

in there like a swarm, right back into governmental positions.

Because you know, when Poland fell, one of the first things they did, they made the Catholic church the legal religion in the country. They were the ones who used the man in the trade union and put him inside. See? And then, we were there; we drove from the East to the West all through the country going to Auschwitz to the prison camps, the death camps where they kept the Jews and them, and they had buildings going up within a few months of the Wall being torn down. At one time, they had Catholic churches being built everywhere throughout the whole place right after that – 1989, November.

Then in 1990, do you know what happened in 1990? The Gulf War. And for the first time since World War II for fifty years, do you know what happened? The whole world was united together to go against one tyrant. That thing united the whole world and they had never seen that in years because the world was divided into two blocs.

And from the time that happened, the European commission that they had there began to speak of a united Europe – single market; single currency. Is that right? And they began to bring it to a single State. And then, now, all Europeans have one passport. It doesn't have a German passport and this passport anymore, you know. It's an European community passport – you could go anywhere in Europe that you want. Even with England and France, you know, they built what they call the Chunnel. Did you know that? An underground train, under the sea, all the way. Why? The whole region is united.

Remember the time when we were preaching back there, Margaret Thatcher [Former Prime Minister of the United Kingdom -Ed.], the Iron Lady, threw up one big set of fuss that she wasn't going to put the pound inside the 'thing' there, and then she had to come and humble herself

because she realized she was just an ignorant woman, who was just a puppet in a place there. And when the time came, they dropped her like a hot potato. She was out of power before she even knew it. The pound was inside and now everything was coming together, because Europe, the Roman Empire had united all of Europe. That is what made the Roman Empire powerful. That is why they had the inquisition and all these things. See?

And then, when the Empire was broken up, do you know what happened? All these countries became separate States. So the Germans had a German government, this one had this government, this one, France, had their own thing, England had their own business; everybody had their own thing but yet when it was broken up, the Catholic influence was in it still, because the Roman Catholic power, ecclesiastical Rome, began to rise and they kept working all of them.

Just like America, when they fled for freedom of religion, on the first boat, the Mayflower that left and landed in Plymouth Rock and they stepped off there, they said Jesuit priests were stepping off there on the first voyage. Bro. Branham on the message *The Restoration Of The Bride Tree* [1962-0422 -Ed.], he said, "Look at that Jezebel, how she wormed her way into the Cabinet." He said, "Now they control the judiciary, they control the legislation, they control the treasury, they control the schools, they control everything, everything, and now she is behind the throne." Exactly. Watch. To fulfill the vision!

So after four hundred years, you know, Luther went in with reformation; it went over to England. Germany was strengthened. England was strengthened, it started to spread through there and their message was exposing Rome for over four hundred years. But then after World War II what happened? The ecumenical move began to bring them back. And people... As Bro. Branham said, "That Lutheran stood up there and

began to, you know, stand up and talk so highly of the Catholic system.” He said, “Martin Luther must have rolled in his grave.” Then he talked about those people in England that they can’t even stand in the ranks of John Wesley. Is that right?

And then, after World War II when they had that Wall up, it was still there for a certain time. And hear what the Prophet said on the message *The End-Time Seed Sign* [1962-0319 para. 63 -Ed.] In 1962 the Wall was up. The Wall came down in 1989. You listen to this, hear what he says here in 1962:

*There’s been a national teaching rain, communism sowed amongst the people, every nation.*

*There’s been a Roman revival. Do you know what happens? If they give ... the eastern part of Berlin back, that puts communism just, or I mean the Roman empire, just exactly in the old circle it was in the time of Jesus. Certainly it does, perfectly.*

Here was a Prophet in 1962, he said, “If they give that thing back, do you know what that is going to do? Bring the Roman power right back in where it was in the time of Jesus. In the time of Jesus, Rome ruled the world, the whole world. Read Luke 2, Caesar Augustus made a taxation to the whole world. And Bro. Branham was seeing that thing [the Berlin Wall -Ed.] was going to come down one day. When it comes down, look what it will do. It is going to bring the Roman empire right back where it was. What happened in the time of the Roman empire? The church gave their power to the State. “We have no king but Caesar.” Exactly right. They were destroyed because the Son of Man’s Message—the church gave its power to the State to destroy the Message of the Son of Man.

So watch now, since the Berlin Wall has come down. And listen to this closely because we’re finishing up here with these little news clippings I’m giving you. Because I’m saying, look at what has happened in these last ten years, what we have witnessed. We have witnessed, the

media has become global. What does that mean? A global media means a global economy. Let me explain it to you, if I can, a little bit.

I got this thought earlier. A man invents a razor blade in Trinidad. Let us say he is the first man to invent the razor blade. He said, "But we could shave with this thing. This is really something else." So what does he do? He goes with a box on High Street and sells a few people a razor blade; demonstrates it; gets some shaving cream. Well, he is in touch with two people.

If all men have hair on their faces and if there are three billion men on the planet who shave, and he is only in touch with fifteen people on his little island, for him to get to another market, he has to take a boat, but he isn't working for enough money. He hasn't sold enough razor blades yet to reach America, and by the time he reaches there, he has to have enough razor blades to sell to pay for the ticket, otherwise it makes no sense to make the trip. Do you understand what I'm saying?

But if he could stay right here in Trinidad and send that razor blade around the world, and everybody around the world sees that razor blade, and sees a man shaving on television, he could sell the razor blade to people he is not even seeing. He could attract a market so big and attract investors and everything to support that, and before you know it, he is a multi-millionaire. What made him that? Technology that could put his thing in the reach of people around the world regardless of distance, regardless of time, regardless of laws and everything else; just beam it right there.

A man sits down there in Africa and says, "What? I am shaving with this bottle on my face." The man says, "I sharpened this cutlass trying to shave. You see me, I give up shaving." See? He says, "I will carry this 'thing.'" [Beard, moustache -Ed.] And then he sees a man shaving there, clean as ever. You know how advertisements come [Bro. Vin demonstrates shaving motion with sound -Ed.] with the speed of the

blade and everything else. Wow! He wants that! And it says, “Call this number so and so and so, or write for this. Get your free sample” or something.

So when the media went global, every product went global. A man’s market, if he could have only gone in the San Fernando market, now he could reach every market on the planet. If Trinidad has five markets: one in San Fernando, one in Port-of-Spain, one in Arima, one in Debe, and there are, let’s say, five hundred right in Miami, with that right there, he could be in contact with five hundred plus the five here. Do you understand what I’m saying? That is the potential of the thing. So, that made it global.

Then, that doesn’t just advertise products, that sends information for war, that sends information for business, that sends information for medicine; that sends information for everything; every form. Right? It sends information. So then, look what it does now. It brings the people under one influence. It has the potential to bring everybody under one influence.

And friends, that is why sometimes, when you look at some of these things... At first, without technology, that’s why we came up with a lot of interpretation of the Reformers. Because they lived in an Age where all of this was not invented, so they couldn’t see how all of that was going to happen, so they came out with some strange kind of theories.

But here we are in the Age and we saw a man could stay in Canada, right there, and tell somebody in St. Claire Medical Complex, there, “Bypass this artery here. Do this here. Use this type of drip. Is it okay?”

“Yes.”

Bap, bap! [Bro. Vin makes a noise of typing and sending an email -Ed.] And then sends an email or something and it’s over after. Or a video conference, he sits down with the doctors in the room before they go in for the operation. And then he shows them all his charts and everything and he displays it to them – video conference. He’s quite

there and they are quite here and then they go and do the operation. Then they have the equipment, he's right there and he is with them and he says, "No." And they have a little earphone inside of their ear as they are cutting. He says, "No, no, no. You are going right. Take it this way, left. Yeah. Two inches to the right. Yeah, do this. Do that."

That is here now. We have it in Trinidad now. You see Royal Bank with this... When I saw that, I say a lot of people who aren't sick, they want to go and get that, for when they get sick. [Bro. Vin chuckles. -Ed.] You know how people are. They aren't getting sick, you know. They aren't trusting God for health, you know. "Let me get that, so when I get sick, I will get 10% off." Because they feel prestigious, but they are calling sickness on themselves. Why? Fear of all these killer diseases.

All these stories about this man who couldn't get to the phone on time, and they couldn't get the flight out on time, and there's so much protocol, they couldn't get him on the plane, and nobody had the stretcher, and they needed oxygen and you know, BWEE [local airline -Ed.] didn't want that and... And they say, "What? When I have this, I don't have to go through all of that." They send my files to the doctor up there, and he gets back the files down here." See? Sounds good.

And they use people's fears and they give them a form of security that is not security. They culture them into accepting these things. And all is becoming so united, so global and everything else, that you can't imagine.

I'm going to close. I will pick it up tomorrow. I'm going to take you an hour there, easy if I... But remember, tomorrow I'm going straight to show you the dividing of the land for gain, and show you the trade zones that are coming right now, the markets and how they are setting the markets.

Do you know how they are setting the markets? They are using industrialized nations with other small nations that are providing manpower and raw materials

and they are using one of those nations who is high in technology that can use their technology, and that's why they put this station here in Matura [location in Trinidad -Ed.], and they are launching the next one to cover all of Latin America.

Because in that zone, you need the technology because you need to have your market where everybody is in touch; you need to have your flights and your shipping routes because the transport system is global. You can't have a global market and don't have a global transport system. You can't have a global economy and don't have a global media. Do you understand what I'm saying? One facilitates the other.

And I'm going to show you how it is coming; how it is here, and then you'll understand a little better, Genesis 10 and 11 after Nimrod conquered everything, how he united the communication and why it was so important; why we are in the information revolution right now; why it is changing the world. Because it is bringing in the things that have the potential to unite everything.

And on that Fourth Seal is, what? That Fourth Seal is uniting powers. When you read *The Fourth Seal* [1963-0321 -Ed.] and he said, "Religion, politics and demon power," and 'religion' in your mind, your thought is very small; 'demon power', your thought again is very small sometimes; 'politics', it is your concept of politics.

When the Prophet preached *The Uniting Time And Sign* [1963-0818 -Ed.]: Western world is uniting, Eastern world is uniting, churches are uniting; all the little clouds are coming together for the big storm, (see?) showing you, it is happening in the spiritual and it is happening in the natural. While that uniting is going on, another one is going on here.

And so, as I said, all the fragmented pieces that looked confusing and they couldn't envision it, started to slide together. Now, in Asia, you have your main technological power – Japan. In Europe, you have your main one – Germany. In the Northern hemisphere and

Western hemisphere, you have America. And so you have the three big giants in each zone and then they have the other powers around them.

And then, all the other small nations who are on loan and debt and everything else... It is like this man lent this fellow money for years, he lent this one money for years, he lent this one money for years; he realized they can't pay back. He comes in and he joins up with another big businessman, and joins up with another big businessman. He says, "So, what are we going to do? I have four fellows indebted to me here. I would make them... When you are building your house, I will bring them over. They will push a barrow and do so and so, for so many years."

I give you this in very juvenile terms. That is the role. And in doing that, it is going to define the Caribbean's role. Grenada has the nutmeg. The world is suffering for nutmeg. If the world doesn't get nutmeg, the world will fall apart. Is that right? Barbados has rum, Mount Gay - Eclipse; cock fighting. See? They have nothing. So you get to realize what is happening, friends.

Where is the destination in what is coming? With all of them put together, the CARICOM market is about six or seven million people: 1.3 million is in Trinidad, a couple hundred thousand in Guyana, a couple hundred thousand in Grenada, a couple hundred thousand in Barbados - market, boy, to survive. The next market down here has over two hundred and something million people. And when we start to go into 'markets', you'll understand the power of markets.

FIFA employs two hundred million people in football and the revenue is \$250 billion a year. And Havelange [João Havelange - President of FIFA -Ed.] and Jack Warner [Vice-President of FIFA -Ed.] and some of these people, that is why they are bigger than Prime Ministers and them.

When Rome... Do you wonder how Rome gets into Korea and those places, with their Buddhists and Confucius down there? Do you know what they do?

They get in through football. They get in through football. “So we are going to bring the World Cup.” They get North and South Korea, they get Japan and them to humble themselves and dictate to them policy and what to do. Because when they are done with that Olympics and the World Cup, and that is being broadcasted to close to about three or four billion people and putting South Korea in view of the world, and bringing people and diplomats from all over the world to their shores, and generating finance in their economy, and all their little markets that they have and what they are doing, will get worldwide after that. So Rome doesn't have to use religion for there, and they don't have to kind of go in and start to say, “We are trying to put...” No! Just bring the World Cup.

When you hear ‘football’, you think of it so small. Two hundred million people... The whole of CARICOM, as I said, has about six or seven million people. With all their resources put together, brother, they can't even generate a few million a year much more \$250 billion a year. And that is just football – some fellows in short pants running around kicking a ball with all kinds of different skills – one little sport. You see?

As I said, look what the empire has become. The arenas became the World Cup; became the Olympics; became Boxing, the gladiators and them fighting there. Tyson [Mike Tyson - renowned boxer -Ed.], since he came out of jail a couple of years ago, do you know how many millions he made? Over ninety million already the man has worked for. And when they checked all the fights, he didn't spend more than half an hour in the ring yet. Are you understanding that kind of economics? A man hasn't worked for half an hour and made over ninety million dollars?

What you have in your mind as sports or something, that is a market. They are gladiators. When you hear a player getting a contract for so and so, and if they are paying him that to run down and play two matches, and

he's playing for forty-five minutes and they put him on the bench and put in another man and different things, and they are paying him that amount of money, with house and car and everything else, the perks, how much money are the people who are doing it making? Are you understanding?

Corporates are making more money than whole regions. Executive walks off a plane and could put a whole nation under. When you go into the drug market, underground markets are controlling nations. Like in Columbia when Bush and all of those people went down there to have the Summit in Columbia, Bolivia and different ones, they talked about how many helicopters, how many ships, how many armies and different things. They said you thought it was a war that they were up against. What was it? A couple of drug families. All that security was in case the Cali cartel, the other cartel, the other cartel, a few of them, kind of came together and made some trouble. All of that was for their protection. And you see the power of it.

Then you understand, friends, when we sit down here in this little dot and we are walking around and moving around and thinking that something is happening, we need to really wake up into the real world. And may as a believer, you see the value of the Word coming to us in this Hour, because there is no way anybody on a human level is going to be able to face what is coming. You can't deal with it. It's going to take the grace of God.

"Because you have kept the Word of My patience, I will keep you. When the snare comes, I will keep you in the Hour of temptation. All that they use to try to break you, I'm going to counteract it. I'll send ravens with food for you. I'll make sure your clothes don't go threadbare. When they come to arrest you, I'll move you through like Elisha; you will walk right past them like that. I'll smite them blind. So don't you study [think about -Ed.] security. In that hour, it will be so real that there are more with you than there are with them. Then you'll understand why

all those things were in the Bible.” See? Even when they want to throw some of you in jail for your taxes, He said, “I’ll provide money; they wouldn’t know where it came from,” like the same way Hattie Wright could get a million dollars on her lap; like the fish that came up with the money in its mouth (do you understand what I am saying?) that they will not be able to do to you what they have in mind for you.

Because you have been identified with the Lord Jesus Christ, He is not going to send His Wife through the judgment. She is already judged in Him. He took the judgment for Her and that’s why She cannot suffer that kind of persecution. He is going to take Her off before.

Let’s stand to our feet. You have been a really good audience. Tomorrow, remember we want to pray for the sick. I’ve been up here trying to stay in the Presence of the Lord and just wait before Him and I’m trusting even the brothers, the other Minister brothers, would really have it in their hearts for the people; have a burden in their hearts for the people, when we come tomorrow, even the ones who might be suffering, the ones who might be looking to see God really bring that kind of deliverance.

You know, today is a great day. We always celebrate ‘this’. And the Prophet longed to see that vision. All those years he longed to see that vision, and it broke to him on the 20<sup>th</sup> of September. He saw that enemy that plagued him all of his life, stripped of its power. As the faith dropped into his heart when the vision struck him, and then when he went up on the mountain, the Voice said, “Your enemy is dead.” Do you see, friends?

I trust that the vision that you long to see could bring strength, take away your fears, to break the power of the enemy in your life, the thing that hinders you down through these years in the Message, that God can move your soul into a place to see that vision that you can know...

Like the Prophet, the first thing that happened when the vision struck him, he said, "Me, an old man, God healed me? I'll ride this trail once more." He was looking for that second ride. "I have got to bring a Message. I wish I could get six weeks, get the people and take these things through the Scriptures because the ministry is going worldwide. But if I have to take a little time home, quickly, and go through it with the people and go through these things, they will understand what is happening." I trust you understand. I trust you understand.

It's a great time, friends. Sometimes we come here and the time just goes, but we are not wasting time. The things we are talking, the things that are there is to wake you up, to give you insight that you never had, to make you see things from the angle you need to see it, so it can become real to you; for you to understand that what seems so mysterious and hidden and veiled outside there, is an evil spirit coming through these channels, all legal and everything else, with the State backing and everything else, oh, financial backing, powerful, everything else, but with one intent.

While that group is riding, coming to block this little group out, (see?) to close her down, he says, "But look, when the enemy comes in like a flood, He will raise a standard." There is another group riding, friends, riding tonight, riding on this Word, the pure, white Word, riding in to make us see the Day; make us see the time.

And I trust that when you see it, in your heart you will realize it is not time to play around; it is time to be a serious Christian, "Full of joy," the Prophet said. He said, "The joy bells are ringing, but what I'm so afraid of, I see so many people unaware. I see so many people unprepared for what is coming."

I'm trying, by the grace of God, to help prepare you, for you to see, the very things you bump into everyday... That's why, when you hear me scream out with certain things, you may think I'm irritable, you may think I am

resentful; you may think I am being hard or something. No, no, no. I see where you stay in things long enough and don't realize what it is, it gets ahold of you, friends, and you can't turn loose anymore. See? Brothers who can't even control their wives, can't control their homes, different things. What are you going to control? The Devil? Do you understand what I'm saying? See? That is why it's something to realize, to bring us to a place of reality; of conviction.

Let's bow our heads for prayer.

Our gracious Father, You see it necessary for us to review, to re-examine these things in the light of the modern events that are increasing with great rapidity. Lord, it is when we get into these things, we realize how we have, maybe, not focused enough attention upon it as we ought to; how maybe, we take things for granted, Lord God, believing that many people, Lord, are aware, their eyes are anointed and they are seeing clear, and they are walking abreast in union with the Holy Spirit, under the influence of the revelation revealed by a Prophet. Then Father, we realize that we see people, Lord, being entangled in the affairs of this life. We see people, dear God, wasting time; not redeeming the time.

Here that Angel is standing with his hand raised up saying, "Time shall be no longer." Paul said, "Redeem the time because the days are evil." Gentile's days are numbered with horrors encumbered. Israel is back in their homeland, dear God, for all these years. You rushed them back after the wars. 'Operation Moses' came in years after. 'Operation Solomon' brought them out of Ethiopia, brought them out of Russia; brought them out of different places. Something upon the Jewish people to get them back in their homeland.

Oh God, some came in even in the midst of the Gulf War with scud missiles and everything falling on that nation, yet they were coming from Russia, knowing Lord God, that the nation was being bombed everywhere, but yet people came off those planes and went out in places

that seemed so insecure still, because of something moving upon them. Like the Prophet talked about the birds in the wall before the earthquake struck, they just moved, dear God, there by an instinct. We realize, dear God, the Scripture is being fulfilled.

Now everything we are hearing is 'trade' and 'new trade zones' and 'trading blocs' and all these strange names: Lomé IV and MERCOSUR and NAFTA and GATT all these different things, Lord, and the Asian blocs and the United Europe and all these different things that they are talking about. It seems so unscriptural. It seems like these names are not in the Bible. The untrained mind is quickly brought under this diversion, blinded by the smokescreens, because Lord, they lack spiritual discernment to know these things by spirit.

But we pray, Father, just as that Angel cried out, "Come and buy of Me eyesalve that you will see," like Elisha cried, "Oh God, open the boy's eyes," for if we cannot see the things in the natural realm, how could we even begin to think of understanding things in the spirit realm, when the Prophet said, "We can see these things. All the world can see that, but the great happening is in the spiritual realm."

Lord, I pray Father, like You showed Daniel those beasts coming out from the waters, like You showed John that beast coming out of the water, Lord, all the world's power and dominion is consummated into that one kingdom. One man is wielding that power and influence to control all religion, politics, all commerce and trade. Here we see the very foundation being laid for these things as he destroys and he takes the kingdoms by flatteries and divides the land for gain as he works through the image.

Almighty God, may Father, through the Word that has been ministered, the Holy Spirit brings it back to remembrance. May through the Divine operation of Your Holy Spirit in the lives of Your children, may You lead them to the right books. Lord God, You had our

Bro. Joseph to open up the storehouse where the Prophet stored up the Food, bringing it out, Lord, in this season, *Daniel* and *Demonology*, oh God, in this great Hour when these things are being fulfilled; when hell is coming here, Father. *Demonology in the religious realm, in the spiritual realm* – demon powers are uniting together, uniting religion and politics together. *Daniel* – kings and kingdoms

Oh God, and here the Sealing Angel is sealing up the Church with the revelation of the Word, putting Your mark in their foreheads, Lord – a Seal of ownership; a finished work; a security. Oh God, putting Your mark in their hands, Lord, hallelujah – greater work than these shall they do with this revelation. It is going to give them faith for Rapturing Grace, give them faith to operate the Word; to take the Word and hand It there. Wait until those Seven Thunders utter its Voices! When that Name in that Seven Thunders is revealed, is written in their foreheads, watch them take the Word and hand It there. It will slice and cut. Hallelujah!

Almighty God, may You break the shackles. Take the chains off of us, Lord; off our minds. The same angel, oh God, who spoke, the very Spirit that anointed him, that cherub, that fourth living creature like an eagle, Lord, may it anoint these Eagles here tonight. Hallelujah! They are getting ready for a flight. Oh God, make these things so real, Father.

We are looking forward, when we come tomorrow night, that these demon powers will scatter. Lord God, the sick will be healed; people under oppression will go free. May faith be built up in their hearts as they see the Hour. May they move that much closer to You. May they come under conviction and come to a real re-commitment, a real re-consecration. Like Daniel, the revelation sent him to praying and seeking God, confessing his sins and down came that ministering Spirit – Gabriel. Hallelujah! So he said the Holy Ghost will come to the Church to reveal these deep, secret

things to get the Church ready to go out. Hallelujah. Oh God, make it real, Father.

Keep us under the effects. Take us from this place safely to our homes. Watch over us. Protect us. Give us rest tomorrow. Provide transportation for them that need it.

Lord God, let us come, Lord God, not so much to preach the Word now, Lord, but God to see the sick move up into a realm, Father. Remembering Lord, tomorrow we are going to commemorate, Lord, over thirty-one years, Lord, when You came down in the form of a Dove, that Seventh Dove. The Prophet longed to see It, only to find out it was the very God he had followed, the very Dove Who had led him to a faith he had never known, the very Pillar of Fire. Hallelujah!

May that Dove that I met in Dove Cove, Who came down in the service that night, Lord, in Tucson, Arizona, gave that song, Lord, to us, (hallelujah!) that Dove that has opened up these things down through the Bible, these hidden, secret things that were sealed up in the Message, when that Second Cycle came back around, You gave a mouth and You gave wisdom, You gave utterance, Lord, to say back what was said by revelation, to tie the Word together, to release an Anointing, to bring a faith in the hearts of Your children, to pull the scattered churches together and give them some Supernatural strength. May we experience it, Lord, a re-baptism of it tomorrow. Oh God, touch Your people once again with Your precious Holy hands. Grant it, Lord.

As we go, go with us, Father. Bless each and everyone. We commit them into Your hands and we thank You for this grace tonight, in the lovely and precious Name of Jesus Christ.

Let's lift our hands and praise Him and give Him thanks. Hallelujah. Glory and praise be unto Your Name, Lord. We love You. We praise You, dear God. We give honor and glory to You, Lord. Hallelujah!

Hallelujah! Hallelujah! Thank You, Lord. Thank You, Lord.

John saw symbols, Lord, but we are seeing the reality of those symbols. We are looking at the manifestation of those symbols, Lord. Oh God, what it ought to do to us, Father. He cried, "Even so, come Lord Jesus," just seeing the symbols, but here the symbols are being interpreted, oh God, how much more we should cry, "Even so, come Lord Jesus." Hallelujah. Thank You, Lord. Thank You, Jesus.

*Jesus, there is something about that Name. King and kingdoms will all pass away, but there is something about that Name.* God bless you, tonight. May His peace be with you. May His Love abide in your hearts. Cherish these moments, friends. One of these days we'll not be able to sit down and even talk about it. We are tired, I know. It's long, but it's rich. It's deep. It's exciting. It's real. It's present tense. What it ought to do to us. I read where the Prophet said, "I want to sit down and take six weeks; get the people out." I am taking three nights, four nights. He wanted six weeks.

[#64 - Songs That Live -Ed.]

Oh Jesus.

*Jesus, Jesus,*

Let Him write that Name on your foreheads tonight.

*Jesus,*

*There's just something...*

Hallelujah!

*... about that Name.*

*Master, Saviour...*

Oh, hallelujah!

*... Jesus,*

*Oh, like the fragrance...*

Every kingdom will pass away, but think about it, you are receiving a Kingdom that shall never be removed.
