

Signs of the Supernatural

Both of the following remarkable occurrences took place in the recent ministry of William Marrion Branham. Men like Gordon Lindsay, T. L. Osborne, Ern Baxter and a host of equally familiar names have attested to the fact that the supernatural manifestations which occurred under his ministry have known no parallel since the days of our Lord Jesus Christ.

These signs simply bear witness to the fact that God has fulfilled the promise of Malachi 4:5,6 and sent a prophet to herald the second coming of the Lord. In June of 1933 before about four thousand awe-struck witnesses when William Branham was baptizing in the Ohio River, a strange light descended and hung over his head and a voice spoke to him and said, "As John the Baptist was sent to forerun the First coming of the Lord, so are you sent to forerun His second coming."

Just as in the days of Noah and Lot (Luke 17:26-30) and according to Amos 3:7, God has revealed the secrets of His coming to His own vindicated Prophet. Captured on cassette tapes, books and films are hundreds of

miracles, discerning of the heart and healings, but above all, a message of vital importance to those yearning for the coming of the Lord Jesus Christ.

1950-PILLAR OF FIRE PHOTOGRAPHED

In Houston, Texas, in January of 1950, an amazing photograph was taken by the Douglas Studios. In the photograph, there appeared a light above the head of Brother Branham in a halo-like form. The negative was taken to George J. Lacy, Examiner of Questioned Documents, in order to determine whether or

not the light could have been the result of improper exposure, developing or retouching. This investigation served to completely authenticate the fact that the unusual brightness was definitely caused by a light striking the negative. Mr. Lacy was quoted assaying, "Rev. Branham, you will die like all other mortals, but as long as there is a Christian civilization, your picture will live on."

1963-SIGN IN THE SKY

Shortly before the sunset of February 28th, 1963, a strikingly beautiful and mysterious cloud swept northward across Arizona. The April 19th, 1963, issue of Science Magazine and the May 17th. 1963

issue of the Life Magazine both carried the picture (Science Magazine on it's front page) and an inquiring report about the strange phenomena. The reason for the interest was that the massive cloud hung in a blue sky at a high altitude in which no moisture exists to form a cloud. No feasible explanation was ever offered by scientific enquiries into it, but unknown to the world, was that on December 22, 1962, two months before the cloud appeared. Brother Branham had received a vision. He related this vision to his congregation in Jeffersonville. On February 28, 1963, Brother Branham was hunting in the mountains surrounding Tucson, Arizona, when the events seen in his vision suddenly came to pass. Seven tiny dots appeared in the sky above him, as these dots materialized, a pyramid of seven angels stood before him. It was at this time he received his commission and the mystery of the seven seals were revealed to him, and it was as these angels left Brother Branham's presence that they formed the strange cloud.

In Bible Days, there were men of God who were Prophets and Seers. But in all the Sacred Records, none of these had a greater ministry than that of William Branham, a Prophet and Seer of God, whose photograph appears on the front cover of this issue of Full Gospel Men's Voice. Branham has been used by God, in the Name of Jesus, to raise the dead!

FULL GOSPEL MEN'S VOICE Feb. 1961

The story of the life of William Branham is so out of this world and beyond the ordinary that were there not available a host of infallible proofs which document and attest its authenticity, one might well be excused for considering it far-fetched and incredible. But the facts are so generally known, and of such a nature that they can be so easily verified by any sincere investigator, that they must stand as God's witness to His willingness and purpose to reveal Himself again to men as he once did in the days of the prophets and the apostles. The story of this prophet's life—for he is a prophet, though we infrequently use the term — indeed witnesses to the fact that Bible days are here again.
