Excerpt:

The great river Euphrates was what? Mystery Babylon, papal Rome. Four demons bound in the river Euphrates: Fascism, Nazism, Communism, Capitalism all winding up in Catholicism where it came from to begin with.....

But that Voice spoke and said, "Loose these four powers." Those four angels produced the Second Woe – that's what I'm getting at. The Voice said, "Loose the four angels," because it's to bring the Second Woe. Four major players produced that second war. (**Page 53**)

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THE LOOSING OF THE FOUR ANGELS WHO ARE BOUND IN THE GREAT RIVER EUPHRATES - PT. 1

BRO. VIN A. DAYAL

[Song #592 - Songs That Live -Ed.]

Good Morning to My Bride.

Oh Father, we thank You. What grace is this, dear God! We worship You, Lord to realize that Your Light has called us out of darkness. You have separated the darkness from our very own lives by the Light of Your promised Word. Oh God, You've caused us to be raised up into another sphere, where dear God, we can see the great joy that we have looked forward to, this light breaking between mortal and immortality, between a dying world of corruption and a bright new shining Day. Oh God, this great conjunction, this great Secret unfolding, this Rapturing grace that is being revealed.

Oh Father, surely You said in Your Word, the one shall be taken and the other one remain, two shall be in the field; two shall be in the bed. And they cried, "Where, Lord?" You said, "Where the Carcass is, there will the Eagles be gathered together." Oh God, how we thank You for this great gathering time, when those Seven Mysterious Voices, (hallelujah,) of that great Mighty Angel, Who cried with a loud Voice, as when a lion roareth, when that Book was opened dear God, (hallelujah,) and that Word opened up a great mystery of Your Coming, oh God and began to catch us away, take us up oh God into a faith we have never known. Like Enoch we could walk with You, Lord, we could separate from this world and we could come into union with You. Oh Father, how we love that. It's become so

much more real as we live in this Light, as we walk in this Light, as we worship in this Light; oh God, as we come to become Light just as You are Light, Lord. Hallelujah.

Oh God, how we thank You and praise You this morning. Hallelujah. I pray dear God, it will be the breaking of a new day for all those dear God, who might have walked in darkness, who might still be drifting, who might be looking oh God, for that Morning Star to come and brighten up their lives, oh God. You said, "I will give you the Morning Star." Lord, let that Morning Star shine that Light. Let that Light speak that peace. Let the fear and doubt and confusion be removed from the hearts and minds of Your children and let peace come into their souls and anchor them, dear God. Isn't that what You promised, Lord? Isn't this the Hour for it to happen?

Oh God, it's later than we think Father, and Lord we look to You for Your continuing grace and Divine Leadership, oh God, and a heart to walk in Your provision that You have made for us, knowing there's only one way provided by You for everything. We don't want a perversion, Lord. We don't want our own way but dear God, we want to come in submission to Your will, under Your Headship to work Lord, in harmony with You. And that is why we pray this morning, let Your Light brighten up our lives and let Your Word bring us into a closer walk with You. May You grant it to every heart that is hungering and desiring that, oh God! Lord Jesus, may Your great Holy Spirit speak Truth.

May You drive away the darkness, like it was with Jacob that time. At daybreak he got a hold of One, oh God, Who could change him from a Jacob into an Israel; Who could have given him Power to face the things he ran from all his life. Oh God, he saw You face to face in that place called Peniel. Let here be a Peniel for many today, oh God and their darkness would be removed. They would walk out on new ground. They will become

an overcomer. You will take all their cowardness away, oh God. You'll give faith, Lord. You'll make them fearless. Perfect Love casteth out all fear. I pray oh God, that You'll make everyone perfect in Love, as You shed abroad Your Love in our hearts, by Your Holy Spirit. Open up Your Truth, dear God and show to us, Your Divine counsel and reveal Your will that we might know how to live and how to serve You in this Hour.

Bless all that's gathered in Your Presence today. May You supply every need, oh God. And I pray oh God, that there would not be one, throughout this entire building oh God, who might be lacking something in need, dear God. May You have compassion! May You look down upon them oh God, and may You encourage them to believe even oh God, upon the Word You have spoken to us in this Day by a vindicated Prophet, oh God, that we could tie our souls to It. It'll become our hope and stay, the very anchor of soul. God have Your way today and get honor and glory in this service.

Bless each and everyone. We love You, appreciate You. We commit ourselves unto You now awaiting Your Divine direction and leadership. Help me oh God, and may You give me grace that Your Word might come forth to feed and nourish up the people with Words of faith today, Lord that they might be perfected and made ready for Your Coming. In the Name of Jesus Christ, we pray and we ask these mercies and blessings, amen. Amen.

Amen. Praise His wonderful Name. I would like to greet you all in the precious, lovely Name of our Lord Jesus Christ. I certainly appreciate all of you out in the house of God today and I trust God richly bless you for your coming and you would leave encouraged and strengthened and know in your heart, He would increase your faith.

I would like to invite your attention to the Book of Revelation. We'd like to read out of there, take couple of verses. Revelation chapter 8 and then a portion of

chapter 9 as well. Praise His mighty Name. Is everyone feel alright by God's grace? Amen. Revelation chapter 8, verse 13, this little portion injected here, between the Fourth Trumpet and the Fifth Trumpet. Verse 13 says:

13 And I beheld, and heard an angel...

The correct translation is an Eagle. Where there is 'angel' it's 'an Eagle'.

...flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, (three woes) to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!

And verse 13, chapter 9. Maybe I could take from verse 12:

12 One woe is past; and, behold, there come two woes more hereafter.

13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,

14 Saying to the sixth angel [who] had the trumpet, Loose the four angels [who] are bound in the great river Euphrates.

Notice where that Voice came from. It came from the four horns of the golden altar which is before God. That was important because the Holy Spirit put it inside of there.

14 Saying to the sixth angel [who] had the trumpet, Loose the four angels...

They specify four.

[who] are bound in the great river Euphrates.

15 And the four angels were loosed, [who] were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.

That is what they were being loosed for – to kill.

16 And the number of the army of the horsemen were two hundred thousand thousand...

That's two hundred million.

...and I heard the number of them.

He couldn't number it, so he heard the number of them, spoken to him, telling him how much it was.

17 And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths issued fire and smoke and brimstone.

18 By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

19 For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.

20 And the rest of the men [who] were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood...

And all this is necessary so the Spirit puts it in. Notice the condition of the people here. People didn't repent; who were unrepentant of the works of their hands.

...that they should not worship devils...

A lot of devil worship in this time.

...and idols...

A lot of idolatry as well.

...of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:

21 *Neither repented they of their murders...*

Not just they didn't have worship and idolatry and unrepentance but they committed murders.

nor of their sorceries, nor of their fornication, [and] nor of their thefts.

Let us pray.

Almighty God, realizing Father that this great mysterious Book of Revelation, Lord has been sealed up all these two thousand years until You came in this Day according to Your promised Word by the mouth of a vindicated Prophet, who brought forth the hidden Truths that were sealed in the Word that this Word might be made plain. We realize Father, the Prophet warned us, so many people that preach everywhere out of the Bible, but fail to realize how Satan has kept them away from Genesis and Revelation because it reveals his origin. It exposes him for what he is and shows his deceit and the plan that he has and how he's going to come to his awful destruction. No wonder today a Message like this is so hated Lord, that has come and exposed and has uncovered the scheme of the enemy.

Dear God, as we endeavour to look in this prophetic Word we realize that it is going to take a prophetic anointing to reveal these things, dear God. We see in Your Word that this is an Eagle Age and there's an Eagle anointing that is to be poured out upon Your people and give them faith for the Rapture to fly away from this world; take them up into the great heavenlies.

We look to You Father that You would speak to us and You would quicken and make Your Word alive. Let us be able to concentrate and get locked in and not be lazy in our minds and unable to concentrate and look for some little denominational message, or some denominational program, but Lord let us see the great prophetic Hour that we are living in. We realize this is that Day Father, when You said, there's going to be a prophetic Bride with prophetic insight; a Super Church

in the last days. Make us to hunger and make us to thirst after that Divine Truth, this great righteousness that has been revealed, and knowing it becometh unto us to fulfill it. We ask Lord that You would make it clear to us today. It will help us to understand the Hour that we live in, so we truly might be better representatives of Yours, in Jesus' precious Name we pray, amen.

God bless you. You may have your seat. We are kind of little warm, but I trust that the Holy Spirit will be able to cool you off and you feel a little better as we go along. We have a baby dedication here. We are just going to try to do that afterwards, and there is a couple of announcements and so on, and prayer requests too. Let's just try at this time, while we are not too uncomfortable with the heat, be able to just sit and get our attention focused into the Word. Because I want to speak a little bit kind of expanding some of the things from the last time I was here, speaking to you on *Awakened And The Oncoming Judgment*. [1993-0919 - Ed.] I'm still in that little inspiration there, and trusting by God's grace that we can really see the Message made real in our hearts.

You know the Message has been revealed friends. The Message has been given and the Message was loosed in this Day for one purpose – that is to bring a Bride into Rapturing Grace; and bring a Church back to perfection. And what it's going to take to do it is in the Message. And so when we look for God to maybe do something outside the Message or we don't know what the Message has promised us or made available to us, we can live in a realm where we can be hoping something happen or looking for something to happen or don't know what is happening, and fail to realize that the problem is not on God's part, the problem is on our part.

You know, it was like that in the Bible, when the Holy Spirit was loosed in the first Age. Jesus had come. He had opened up the whole Scriptures. The Bible says He

opened the Word. He opened their understanding. He loosed the Holy Spirit. And there were people in that Age who had come out of the system, who had known about what happened in that Age but the way they knew it, it never brought them into a place where their life was filled with that Spirit. So their Christianity just remained on the moral level; just trying to live a good life and these things and involved in religious services and different things, trying to win people to the Lord and everything else.

But where Apollos was living was not where Peter was living. Where Apollos was living was not where Paul was living. And Paul was living in the fullness of what the Message had made available to him in that Day. Is that alright? You could understand that? [Congregation says, "Amen." -Ed.] Where the Corinthian church was living, was not where the Ephesian church was living. The difference was they didn't need another Message. One had obeyed the Message and could be raised up far above all principalities and power, where they were positionally placed. Another one was there trapped in that realm of churchianity: holding men's person in admiration, getting drunk at the communion table, living in fornication; confused with gifts and all kinds of different things. And where one could have been established and could truly reflect what was made available, one was struggling there and had to be constantly rebuked to come out of their condition.

And so it is the Message that has been loosed to us, a Message that was bound up in the Bible, a Message that was shut up in the Book; a Message that could not be loosed until this Day. What is a seal? It means something is bound up on the inside. What is the first thing that happens? The Seal must break, then the mystery under that Seal could be revealed, then the Messenger on the Earth catches the revelation. A man struck something in his Day. A man struck a channel of God. A man moved into the anointing of the

Scriptures. A man began to recognize the program of God. A man's life began to become governed by the promised Word for the Age. A man began to teach God's thoughts and the Word began to operate through a man. Is that right? Then deliverance begins for the Elect in that Age. Is that God's program? Is that the Bible? [Congregation says, "Amen." –Ed.]

Before the world could be saved in the days of Joseph, he had to catch those dreams, to reveal the Secret in the Mind of God. Is that right? When he spoke, it caused a religious disturbance. Before the world could be saved in the days of Noah, he had to catch that revelation. Is that right? Exactly. Before when the children of Israel could be delivered, even though it was promised in the Bible, Moses had to meet that Light to bring the Word to reality. Is that right? That is the Old Testament. We haven't got to the New Testament yet, to show it's God's program from the beginning.

It will do us so much good and become so easy if we could accept the principles of the Bible; that we can work with the Word, the way we ought to work with It. Not try to take It and bring It into our own little world and our own idea, but bring our life and throw it under the Word and let the Word take our life, let the Word bring us under the Headship of the Word, (amen!) where what we do is governed by the Word. It's influenced from the Word, then the influence comes from God, then it will never fail. Because heavens and earth will pass away, but that Word will never pass away. Is that right? [Congregation says, "Amen." –Ed.] Exactly.

And so it is the Seal, what has been loosed and made available, sometimes the lack of revelation, makes people look for things to happen, makes them get despondent like if God is not keeping His Word, makes them want to blame God; makes them want to believe that "I'm waiting so long on God and God won't move." Lack of revelation makes people do that. When people get revelation, they realize that they have to catch up

with God, where God is at. You realize, God is already ahead of you and then you need to leave a lot of things you're holding on to, lay aside every weight and sin, so that you can move on and get in step with God's Word.

And so we've seen the hand of God that had to shake many people in this Hour, and chastise many people, and root up a lot of things out of many people's lives, and break down a lot of things many people built up, desiring and asking God to bless, and they found that God wasn't relating to their human feelings or their human desires, but God was chipping and molding a piece of rock to make it into a masterpiece.

Sometimes people think they don't have the strength to go on. Sometimes people want a shortcut. Sometimes they even want to contemplate suicide. Sometimes they even want to give up, and God just beats them on their head; beat the foolishness out of them. Exactly. Look at the Prophet. He tried to put a gun and blow his brains out. He tried to get to electrocute himself. Did God let him do it? [Congregation says, "No." -Ed.] God was not relating to his weakness and his murmurings and his complaining. Look at Moses when he was making all his excuse. Did God cater to him?

Read the Bible, friends. The thing is, we have a lot of desires and a lot of thoughts that need filtering by the Word. We need that the Mind of Christ comes into you. Let this Mind that was in Christ. Let the Word come into you, that even those things that are hard and you want to bypass it, because the Word in you can be anointed, you can say, "Not my will but Thy will be done," and humble yourself to the Word. Amen.

And so we realize, what is happening, what is needed in this Hour, people need to get aside and get before God and catch the reality of what was spoken in this Hour. And then when they see it, then they will know in their own life when they judge themselves in the Light of the revealed Word whether they have come under the

influence of the Word and whether the Word has become effective in their lives. And if a person fails to do that, they will always bluff themselves. They will always live in a 'hope so' world.

But when you want something from God, you don't plead and beg and carry on like some little spoilt child. You say, "Father, give me the strength that You can give this to me because I know I may cry and feel I need it right now and feel I can't even go on without it, but You would not be unreasonable to Your little boy. Because if You are going to give this to me, You want to see me responsible, You want to see me loyal, You want to see me not easily influenced, You want to see me not easily carried away; You want to see what my affection is set upon."

The thing is, many of us are afraid to be that frank with God. Many of us are embarrassed and ashamed to get before God and bring ourselves in the Light of the Word, and that is the place God is waiting for us. Because until we come there, God is going to leave you in your 'church playing'. He's going to leave you in your religion talking about God and talking about the Prophet and talking about the Age and talking about the Seals and talking about the Cloud and wearing your 'Jesus' badge on your chest. He's going to leave you right there because God is not interested in that. God is interested in bringing sons and daughters back into His Own image. Hallelujah. God is interested in showing forth His victory. The thing is not between you and God, it is between God and Satan. Amen. Hallelujah. He's going to meet the devil's challenge. He's going to prove to the devil (amen,) that He can restore those people and bring them back in a certain place. Hallelujah.

And that is where it starts, friends. And that is why that kind of Christianity is called for people with backbone. That kind of Christianity is called for rugged faith. That kind of Christianity is a million miles from

church joining. That kind of Christianity calls for dedication and consecration. That Christianity calls for people who know if they don't really love God's Word and they don't love the Truth and they are not willing to accept the Truth with responsibility and be willing to die and recognize that God's plan for their life is better than anything they could plan for their own self, then they could never be honest before God. But when they come before God and they say, "Father, I know Your plan for my life is far better. I know I think as if I'm seeing something but I know I'm not seeing anything with all this faith." Because Paul said, "When you think you stand, take heed lest you fall." [1st Corinthians 10:12 -Ed.] If you think you know something, you don't know anything unless you ought to know it. Amen. There's deeper depths and higher heights. Amen. Yes, sir!

And when God could find a people like that, when God could find a people that is surrendered to His will, bound in the chains of His Word, brother, you don't have to pray and wonder and argue and scratch your head, whether this Word is true or not, you'll be seeing It living every day. You'll see, "Great is Thy faithfulness. Morning by morning new mercies I see. There's no variableness or shadow of turning." You'll see the realities of God. When you want to join a church, get in a little group, get in a little clique, get in some little influence, get in some kind of little religion and then start to take the Message and make your own idol out of it, forget it. Amen. God is going to leave you in that folly.

God didn't take a Prophet and take him through all what He took him through and train him to do what he did around the world just to show He is powerful, friends. They misunderstood the reason why God was doing that. God doesn't do signs for show. God was fulfilling the Scriptures. God was vindicating and proving that, this is the Message that was promised since the Garden of Eden. This is the Message that

brought the full redemption to go back to Eden. Amen. God was proving in this Day beyond a shadow of a doubt the time has come; the Hour has arrived. Amen. He'll judge this world. Amen. Glory. He's going to glorify His Name in a people. [Blank spot on tape -Ed.]

I want to take for a little title this morning, **“THE LOOSING OF THE FOUR ANGELS WHO ARE BOUND IN THE GREAT RIVER EUPHRATES.”** I want to look at that because if you notice something—maybe you could open back your Bible and check something here. This Book of Revelation is a very mysterious Book and except we don't have the grace of God, we'll never understand it. And if we never understand the Message, we'll never understand this Book. And if we say we understand the Message and don't understand this Book, then we've got to go back to the Message again, because we didn't understand the Message. Because that Message is to reveal this Book. There was an Angel that revealed to John, this Book of Revelation. How many knows that? [Congregation says, “Amen.” -Ed.] Revelation chapter 9, verse 1 and 2, look at this:

¹ And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

² And he...

Notice that is not an ordinary star like a meteorite now, because it's a he. A key is given to him. He didn't have it all the time. It was given, and it was given in a certain season. Under that Fifth Trumpet is when it was given.

² And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

And look at Revelation 10:1 and 2, here now.

¹ And I saw another mighty angel come down from heaven...

Because that Revelation 9:1 and 2, that star, as we look at verse 11 and 12, in Revelation 9, it says:

¹¹ And they had a king over them, [who] is the angel of the bottomless pit...

So that fallen star was a king. He was an angel as well. In Revelation 10, here it says:

¹ And I saw another mighty angel come down from heaven...

This One didn't fall from Heaven now. This One came down from Heaven.

...clothed with a cloud: and a rainbow...

Watch His apparel. Amen. Do you see what He's clothed with? Majesty and Glory. He's a King, too. We're going to see that.

...[and] upon his head, and his face was as [though] it were the sun, his feet as pillars of fire:

² And he had in his hand a little book open: and he set his right foot upon the sea, and his left foot on the earth,

He wasn't just trying to catch His balance or looking for a place to land. That was a deliberate act. He is actually doing that because it symbolizes possession. Footprints speak of possession. He's taking it under control. Now watch!

³ And cried with a loud voice, as when a lion roareth: and when he had cried, seven thunders uttered their voices.

Now watch this One. This One, He cried as when a lion roareth and a lion is a king that roareth, because this One is a King. And I want you to notice, Revelation 10 here we see the Book is open. Revelation 9, the pit is open. There are two openings here. And between those two openings is where we read of, under that Sixth Trumpet. That Sixth Trumpet is placed between that pit being opened and between that Book being

opened. Because right after it describes what is under that Sixth Trumpet, that Mighty Angel is coming to open those Seven Seals, in reality form, to bring forth the revelation. And that Word that has been opened to us is a key as well. Because faith is that key; faith, revelation. In the days of the Voice of the Seventh Angel, when he shall begin to sound, the mystery shall be finished, as He hath declared to His servants the prophets. See?

Now what is it? It means to say that God is getting ready to reveal His Word, not reform. Remember when that Seventh Angel comes, it's a time of revelation. Surely the Lord God will do nothing, as He reveals His Word to His servants the prophets. Is that right? Do you understand me? [Congregation says, "Amen." -Ed.] Okay, you should unless you all now start to fellowship here.

Now watch! So, it's a time of revealing. And that revelation is to do what? To give faith! Because it is the Truth being restored to give faith. Why do we need that faith? It's the Coming of the Lord. This here is the Coming of the Lord. It's the Hour of His Coming being revealed. We see what foreruns His Coming. We see when His Coming is taking place. We see the condition of the society. We see the condition of the world. We see the condition of religion. We see the condition of politics. What did that Angel tell us it was? It was rotten to the core. He said, "Religion is rotten to the core. Politics is rotten to the core." Is that right? "Education is rotten to the core. The morals is rotten to the core." Because he's showing us here, it's devil worship. It's idolatry. It's murders and thefts and fornication and sorceries. It's a people that refused to repent.

But how did they get like that? Because a Voice had spoken under that Trumpet saying, "Loose those four angels that was bound in the great river Euphrates." When that Voice spoke from the altar, it revealed which

angels that were supposed to be loosed. It revealed where they were bound, and it revealed what they were supposed to be loosed for. Did you read it that way in the Bible? [Congregation says, "Amen." –Ed.] He said, "Loose those four angels that were bound in the great river Euphrates, to slay one-third part of the men."

Not one Jew would have gotten killed and slaughtered if that didn't happen back there, if that Voice didn't speak. And the reason—they lived, they had peace and had all their wealth and had all their business in all the nations of the world where they were scattered into, in all those professions, until that Voice spoke. And when that Voice spoke and said, "Loose those angels now," then spirits began to move on the Earth. One man began to catch Fascism. One man began to catch Nazism. One man began to catch communism. Where was it coming from? Where was it coming from? Where were they bound? They were bound in the great river Euphrates.

Now the great river Euphrates is a geographical place. That's a location you can find on a map. It started in the Garden of Eden. It's the only river that shows in Genesis and ends up in Revelation. It comes down through the Bible. And I want you to notice something. If it's the physical river God is talking about, then how are those demons bound under the waters in the river? If they are bound, then maybe you can take a scuba suit and get down inside of there and maybe see them, if they are down inside of there. How could natural, physical water bind them that they bound them for all these years and they couldn't let loose? It is a symbol. Amen? It's a symbol.

But we see something happening. When that happens, we see the condition of the society begins to change, that the only thing to save the world, that Angel had to come down with that open Book to deliver His people out of that situation. He could only deliver them by the Word. Because in that Book, It's going to reveal

that river. In that Book, It's going to reveal those angels. In that Book, It's going to reveal that fallen star – in that Book. Do you believe that? [Congregation says, "Amen." – Ed.] Exactly right. It's going to be a time of revealing. It's going to be a time of revelation that's going to come.

But notice, all of that is happening in the unseen realm. John is seeing that in the unseen realm. He's seeing that Voice from the four horns of the golden altar. One time John heard a Voice saying, in the midst of the four living creatures, "Hurt not the Oil and the Wine." One time he heard a Voice saying, "It is finished," after the Seventh Angel had poured out his vial. Every time that Voice speaks, it is Almighty God speaking. And this Voice is speaking from Heaven, so it has to be God. It has to be Supreme Authority Who commissions that Angel to loose them. And He commissions that Angel to loose these people, that the angel that was loosed can kill men on the Earth.

What are we seeing? We've come to another place again in the Bible where we are seeing how God uses angels to accomplish His will. God told Satan, "Satan, you do to Job so and so and so. Take his health, take his property, take his children, but don't take his life." Is that right? [Congregation says, "Amen." –Ed.] It says, "Slay one-third part of men," and that's it. Their boundary was established. We see in the Bible, when Ahab was going up to the battle and Zedekiah and them were prophesying, "Go up, the Lord is with You; the Lord bless you," and so on, Micaiah saw a vision, and in his vision he saw God having a council in Heaven. He saw it in the unseen realm, so he could read exactly what he was seeing in the visible realm.

And I want to say that, you can never read what you see in the visible realm, until you see what is in the unseen realm. Until you know its spiritual representation you can never understand it. You'll be guessing at it. That is why they're talking about, sixty-six on toothpaste and electricity bill and all kinds of

nonsense. See? And a computer is the Beast and all kind of foolishness that you hear people with all kinds of ideas in denominations. Because they don't know it's spiritual representation in the unseen realm.

When Nebuchadnezzar saw that image of the head of gold, the chest of silver, the thighs of brass and all these things, when Daniel saw them, he saw four beasts. Is that right? A lion, a bear, a leopard, (see?) and then a beast, a very strange beast, a composite beast. He was seeing the spirit behind the nation. One was seeing the outward glory of the nation, identified by what type of metal it was, showing that the first one was most glorious. And it began to decrease in glory: from gold it come to silver, from silver it come to brass, from brass it come to iron, from iron it come to iron and clay. It deteriorated. But when Daniel saw it, he saw the spirit behind that nation as wild beasts devouring. He saw the influence that was upon Alexander the Great. He saw the influence that was upon Darius, the Mede and them. He saw the influence that was upon Nebuchadnezzar. When Jeremiah saw Nebuchadnezzar, he said, "The lion has left the thicket. He's on the hunt already." Watch and see.

A prophetic vision takes you beyond the outward realm to see the nature of the spirit that's influencing the thing that you are dealing with. And that is why so many people are guessing today and wandering in circles because they don't have an insight. All they have is an external something. They're only relating on an external world, not realizing that it happens in the unseen realm first. The Priest had come out of the sanctuary but who knew it on the Earth? The Lamb was going to break the Seals but who knew it on the Earth? Because they didn't know it, because they didn't know the time, because they didn't know Seven Church Ages where it was going to run out, they couldn't see that man standing there speaking those things was an act of God to fulfill the Bible. They felt it was just

another preaching because around there were many different churches and what he preaches on and everybody was preaching on the Book of Revelation and everybody was preaching this and everybody was preaching that, and it was just another Voice in the midst of voices. And it was going to take spiritual revealed Truth to recognize this Day is this Scripture being fulfilled. Amen?

Now that is why I want you, the Assembly here, to understand, this is an Hour, the Bride is walking in the spirit realm. This is an Hour where the church all these years sitting under this Message, what She has must be baked into a reality; must come into a ripened faith. Where the revelation that God was imparting to Her, was breaking the influence of the world around Her life, amen, and causing Her to focus, to know She is the expressed attribute of God in flesh, She's part of the Word for this Age; She's the very mystery. And how real sons of God who were called, had to fight church people all these years. To stay true to their identity, to stay true to their commission, to stay true to the Word they must break the voice barriers; all those critics and these things who try to take that away from them and make them a Trinidadian and make them somebody just trying to show off or love themselves or something. Yet they know in their heart that's the revealed Word of God. Amen! Yet they know in their heart that is the Word of God being manifested. Amen.

Because Satan will shake you away from that. But do you know what He said? "The gates of hell!" You can get all the rest of the devils in the world and bring them and combine them, it still can't shake a believer from it. The gates of hell shall not prevail against it. Amen. Do you know why? "In that day you will know I in you and you in Me. You shall know as you were known." Amen. God was going to give faith. It was to give faith. Why do you need faith? Because look what those demons have done to the people of this world.

Look how those demons have made the people devil worshipers instead of God worshipers; had a form of godliness but denying the power, without natural affection, trucebreakers, incontinent, despisers of those that do good, seducing spirits to make men depart from the faith; believe doctrines of devils. Is that what they were doing there?

What day was it? What day was it? It was going to come to believers, people who had been called by God and brought into a place where they heard God's Voice, to become alive in God's presence, and God's Word is being established in their heart. And God has set them in their course, and they know their objective in life and they know they have the help of the Holy Spirit because God has given them a channel of communication; God has opened up a revelation to show them what part of the Word they are, to keep their faith anointed. Is that right?

Friends, let me tell you, it was in the Hour of judgment that they had to fight to possess their inheritance. It was in the Hour of judgment, when God was judging the Canaanites, when Rahab had come under the Token. It was in that very hour coming in there, God said, "You can put your foot upon the necks of the kings." It was in that very hour. It was in that very Hour, when Caleb said, "Give me, my mountain." Is that right? It was an hour of spiritual conflict, because Joshua is the Book of redemption. Joshua is after the Jordan is opened and brought them over into the inheritance. It's the end of the journey. Amen. It's when the same God that was with Moses came down among the people that could stop the Sun by the Spoken Word, showing that there were going to be paradoxes among the people. It was in that hour.

And in that hour there was judgment everywhere because Joshua was that destroying angel. But redemption, grace and mercy was being revealed to those who believed that Word. And Rahab, a harlot

came in there and Achan, a believer in the Message for all these years dropped down dead right there while they were screening the church. Exactly. He sat down there and had self-will. He came over Jordan and still had self-will. The Word said, "Don't touch anything here. Leave it alone." It's a straight walk. He wanted that and he put it inside the tent and kept it – private revelation, personal leadership; without headship.

You see when you bring it back to the Bible, when you bring it back to your type, to your Age. When you bring it back to the portion of the Word that was given by inspiration, to give you instruction, establish you in righteousness, reveal to you the will of God; bring you in harmony with God. Not just drop down in the Bible and pull all kinds of loose things and concoct your own idea, but bring you to the Word, to instruct you and show you, there's only one way provided by God for everything. Any other way is a perversion; it's death.

That's when the Seven Seals opened; nothing is going to be blessed outside the perfect will of God, to go back in God's Presence. It might be blessed in the permissive will, but where is it going to end up? In the lake of fire! Nothing that is perverted goes back to Eden. In the end it will pass away. Is that right? Only what was in His original thinking. The Seven Seals opened and showed, millions will be disappointed. That is what the Seven Seals revealed. Because when the Seven Seals revealed, it showed unless you don't come through that straight line of the Word down through that Bible, it can't go back there. Except it didn't originate in God it can't go back there. That's what the Seven Seals opened up.

And the Prophet says, "I thank God, something kept me from joining those organizations." He said, "It wasn't my own wisdom; it was the wisdom of God that kept me away." Hallelujah. And he preached, *Paul, A Prisoner* [1963-0717 -Ed.], "I want to be a prisoner to the chains of the Word; have no will of my own. That is what the revelation does to you. When the revelation

strikes your heart, it brings your mind and your spirit, it brings your soul in that attitude. That is why, you're not relating, on just vocal. It's beyond that level. You're looking to see the life speak the Message out.

And from the time you see—that is why John could say, “He that heareth, that is of God.” [St. John 8:47 –Ed.] That is why John and them could say that. That man would have sounded presumptuous in that day if he wasn't seeing it through their glasses. But the thing was, they were trying to say, except it originates in there, it has no life. There's always those of like precious faith. Faith connects with faith, Life connects with Life, Seed connects with Seed. And unless a person doesn't want to dig deep into a place to know that that is reality, that passes through the Bible and comes out here, that taste is perverted. That taste is something with a worldly flavor. That taste is for an allowance of the things that Word condemns.

Don't get quiet on me now. I'm not trying to hurt you. I'm trying to establish you in Truth. I'm trying to let you know when you see the boundaries of the Truth, when you see the system by which it's established, you can walk into perfect love, you can walk into perfect peace, you can walk into perfect faith; you can have perfect joy. Amen. But try to fight out of that system, you'll be fooling yourself and come in a perversion. Any time the devil brings pressure on you, you'll fall apart.

That is why people who know the Word, love the Word, because the Word is Christ Himself being revealed. Then you realize why He can be victorious against the devil. You don't just say, “Well, He overcame the devil.” No! Now you realize why He can. And when He gives you the same life, how you can also. Now you're understanding the principles by which He fought the devil; by which He fought him. And why He could say, “Satan has no place in Me.” Now you understand why He could say those things. Because we see...

Remember, He had a human spirit just like you and me. Remember, He was tempted just like you and me. Well He showed us how to do it. He showed us how to pull down every stronghold and bring every thought into captivity. He showed us how to filter every desire by the Word. Amen. He showed us how to deny yourself and lay yourself down and keep it subject to the Word. Because that is what He was teaching them, His Own followers. He said, "Look, except you don't come under this trial, you can't go in. Except you don't carry My Cross and follow Me daily, you can't go in." He said, "If you hate father and mother, you can't go in. Except you put your hand on the plough and if you look back, you still can't go in." Is that right?

He taught all those things. And He was teaching to that group there, because He was showing them, there's a way they were going to come in. Because He wasn't trying to build some little thing that the storm comes and blows away. He said, "The wise man," (and He was that wise Man,) "built His house upon the Rock and when the storm comes, it wouldn't shake it down." Is that right? He said, he digged deep and was established upon the Rock. He said, "Upon this Rock I'll build My Church," (amen!) "and the gates of hell shall not prevail against it."

You may say, "But look, there are people in here doing this and doing that and the other." Yeah, they're right in here, but they are not following me; they are not obeying what I'm saying. Moses had them too. Jesus had them; Paul had them. I guarantee you, the ones who take this Word and follow in the footsteps, they're walking victorious. Because you're not looking at anything that's wiggling and straying and deviating and wandering, you know it has to be something Unseen that person is following. How could you walk straight? How could you put your foot in the Bloody footprints? Maybe you're enduring because you're seeing Him Who is invisible. Maybe it's somebody invisible you're seeing.

Maybe it's King Theophany. He's supposed to be here. Maybe It's the Pillar of Fire. Maybe It's the same One Who brought the Word to reality to Moses. Maybe It's the same Dove. Amen! Maybe it's the Compass that only points to the North Star. Amen!

Oh my, you feel it; you know it is the Word. That is the thing about Truth, friends. You see Truth sells itself. You don't have to butter it up and change it up and different things. Truth brings faith; faith takes you to the Power of God, amen. Faith is the victory that overcomes this world. Only the children of God can live by the Word. They can't live by anything else. Oh my! I just love it. I can't do without it. Amen.

You know, I just sit and admire how Bro. Branham said, "I'm fifty-six years old, and I've come back for a new burst of faith." I always loved that, and I used to admire that. I realize that's the truth. If you keep walking in the Word, it would be the same way. The older you get the stronger it becomes in your heart. The more you lay aside, the more real it becomes, amen; it's more your God becomes visible to you. It not that you enjoy yourself when you are young and now you're old you can't enjoy yourself; you're learning how to enjoy yourself better. You're getting more refined in your enjoyment. Hallelujah! Thank You, Jesus. Amen. Yes sir! Glory. You can teach people how to be happy. You can teach people how to rejoice. *"Oh deeper yet I pray, and higher every day, and wiser, blessed Lord, in Thy precious Holy Word. Even though it costs hard trials, take me deeper still."* [Song #81 - Songs That Live -Ed.] Amen. Yes sir. I tell you there's a reality.

Do you know why? God wants you to be able to identify it. Nobody has a lease on God. God wants people to identify with it. If you pay the price, God will identify with you. Wherever you go, whatever you say, whatever you do, God stands right there with you. You desire to please the Father—I wanted to preach this morning on Fatherhood and Sonship but I just felt

directed to go this way instead, because there's something that God wants to bring us all into – into that reality. Amen.

But look, let's focus on this a little bit. This Age, this generation, this portion of Scripture here, something happened in the unseen realm, something that was going to influence the Earth. It was coming from God. We began to get an insight into the program of God here, into the plan for the Age. We began to get to see the diary of events. What does Ecclesiastes 3 say? There's a time for what? A time and a season to every purpose of God under the Sun! There's a time to die. There's a time for war. There's a time to kill. Is that right? God said, "It's time for one-third part of the men to die; to be killed." It's a time to kill them.

They were prepared for the hour, for the day, for the month, for the year; had a definite, precise time in the economy of God. And the Voice spoke knowing that itinerary, knowing on His big calendar, He said, "Okay, it's time now." He spoke to the Angel with the Sixth Trumpet, He said, "Loose them now. Let war come into the Earth. Let the Trumpet – political disturbance, begin to break in the nations. The First Woe is past, behold the Second Woe cometh. Let men start to get ambitious, let men get ideologies, let men formulate things that supplant their own future."

And while they were doing it, here was a little Kentuckian Prophet, little Baptist preacher who is a Prophet. He sat down there and he said, "I was going to Sunday School one morning and I fell in a trance." He said, "I fell in a trance and I saw seven visions." He said, "The war didn't even start yet and I saw Mussolini, Hitler and all of them coming to a strange mysterious end. I saw the Americans taking a beating." They didn't go into war yet. He said, "I saw the Nazis kicking them." Amen! Glory! He saw it. He said, "Not until recently— Americans tried to cover it up all these years, until they bring out the film recently and showed it." He said, "I

told it to them.” Even before they invented the movie camera, it was already shown on another screen. Glory! He said, “They tried to hide it. They didn’t want to bring it out.”

You say, “What are you getting at?” I’m getting at something. What do you think all this with Israel signing with the PLO and all them, what do you think is happening? [Bro. Vin refers to the Peace Accord signed between Israel and the Palestinian Liberation Organization in the U.S.A. on 13th September 1993 –Ed.] Nothing happens in the physical realm before it happens in the spiritual realm. All that is under the Six Trumpets to rush them back in their homeland. Now look what they’re doing in the homeland. It was to anoint them; disturbance, political disturbance: fight, fight, fight, war, weapons; slaughtering weapons. What for? To take land, take territory, recapture Jerusalem, fight here in the Sinai Desert; take the Suez Canal. Then politics now: “Give it up.” This one is shuttling it back and forth. This Secretary of State, this one flying here, trying to make peace: Camp David, this here, “Give up this.” See? Trumpet! Trumpet – political disturbance breaking in the political realm. What is happening? Spirits loose! Why is the whole world on the Middle East? Why is it such a hot spot on the globe? Because the end of the human race will come there.

The battle that started in Heaven dropped down in the realm of human beings when they take the first human being, Eve, and Satan won the victory over her, and opened a door to himself into the human race. Is that right? And the *War Which Was In Heaven, Now Is In The Human Mind, And Will Be In Armageddon* [1989-0521], *The Three Battlegrounds* [1989-0514], after the war was cast, it had so much time to be fought in the realm of Heaven.

Then it’s going to be dropped down so much time in the realm of human beings. Satan is going to get all he can get, and there will be a people he cannot get. And

when he's tried every deceiving tactic, when he's used every false doctrine, and he's used every guile like a serpent with all his craftiness, this Bride will prove she's not like the other bride. Satan is going to realize there's a people who knows who they are, and what they stand for, and that they can do the greater works. He'll be powerless before them. She'll be an invincible army; not even death could hurt Her. She has the Mind of Christ.

Do you see what I'm talking about; why I'm saying stay with this Word? I'm not talking Abel Country and Third Exodus Assembly and all the nonsense people try to take and make something; I'm not talking that at all. That is for some person who wants church membership. And it's good enough to like your church, like your Pastor and everything, take your position in the Assembly, that is good. Don't make a denomination out of that – God forbid. Because when you get locked in right here, you could only see Longdenville. Things are happening all around the world and you can't even see it. Things are happening in the unseen realm and you can't even see it. When you break into the realm of the Word here, you get in the world of perfect faith where Jesus recognized His position in that Word.

I read those Scriptures there, I'm not a devil worshipper. I know I'm not in idolatry. I had a few idols some years ago, but when that Angel of the Lord brought the proclamation Message of deliverance, I cut down every grove. Amen! Now I'm looking for the Sword of the Lord and of Gideon, (Amen! Hallelujah!) because I put a burnt sacrifice there to bring God and man as one. You know about *The Super Sign In The Harvest Time*. Sure. And I'm not in any theft, sorcery, fornication – that is not my Scripture. You'll find me in Revelation 10:8-11 – “Eat the Book; thou must prophesy again. Thou must rebuke those things.” Amen. Those who can't repent, preach against them who repented not in the days of the longsuffering of God, while the Ark was being prepared, when hell is

being created on the Earth now – in that time. A ministry of testimony to the lost after the doors are closed.

One angel fell from Heaven: “How art thou fallen from Heaven, O Lucifer, son of the morning!” Look at the man here. The battleground was finished in Heaven; it dropped down on the Earth into the realm of human beings. Under that Sixth Trumpet, oh, he’s getting ready now. He has his whole horde organized. He’s waiting for that moment. He longs for the liberty. He felt, “Now I could conquer, if I could get these men to ride with me.” But he couldn’t loose them, and he desired for them to be given under his command. He wanted those four big generals there. He wanted those four anointings there. Sure. He wanted those isms to start on the Earth. See? There was Nazism, Fascism, Communism, and Capitalism. That is the one that remained a secret. Do you know why? Because out of Revelation 13 it’s going to come. Which is the one that is policing the whole world today? And all four are controlled by Catholicism. Because that one who is policing the whole world today is speaking with the voice of the dragon. Watch that false prophet, speaking swelling words, flying across the world, Revelation 16:13. See? Glory! Thank You, Jesus!

But watch, when the enemy comes like a flood, God raises a standard against it. It’s the Hour for the manifestation of the sons of God. Watch and see what I’m talking about. Watch that big Zedekiah with his whole bunch of false prophets, and watch the Seventh Seal vision to reveal the prophet Elijah’s words is coming to pass. Amen! When? Between that Second Woe and that Third Woe. Watch what’s happening on the Earth: hell, hell. Because you see, Satan...

When we were on ‘the unseen world’, I was showing you Satan will be bound for a thousand years. In other words, peace cannot come on the Earth until Satan is bound for a thousand years, because he has to do with

trouble on the Earth. And war can't come after the Millennium except Satan is loosed. Is that right? But why do we have a thousand years? It's a sentence. And when he's being loosed, he's being loosed for a purpose. Amen. Why? Because God is getting ready to annihilate the whole thing now! Fire will fall from Heaven and consume them.

So what does it show us? God has them reserved in everlasting chains of darkness unto judgment of the great day. Now it sounds like it means they are there to be judged at the white throne. Sure it means that too. But haven't we found, right under this study that God sent Nebuchadnezzar, and used him to chastise; sent the king of Assyria, and used them to chastise; but they are all reserved unto judgment. But yet He looses them to bring about the conditions He desires on the Earth and yet after they serve God's purpose, God turns around and judges them as well. Exactly. So it's not happening by chance, it's happening by permission. And why is it happening by permission? Because it's unfolding God's purpose. And what is God's purpose? He's making Himself known to His people.

Does God use war as His judgment? What is the Book of Joshua about? What is the Book of Daniel about? Amen. What is Ezekiel 9 about? What is all those things in the Book of Kings and Chronicles about? Wars are judgment on the Earth, it's chastisement. God said, "Utterly destroy; slay everything, and let not your eyes spare pity. Even the oxen and the asses, everything, slay them." When God sent Saul on a campaign and he spared Agag and a few other things, what did God do? Separate from him! Exactly. Because he was not carrying out the Divine commandment that was revealed by that prophet. He was to execute God's justice upon that unbelieving nation, because God had told Moses, "I will wipe out Amalek from under Heaven because they came against Israel." Is that right? And how much more when they

come against spiritual Israel, the Bride – the Israel of God?

You see, I want you to catch, friends, we are living in an Hour, it's not a general God we're talking about. We are talking about how far we have advanced in the Message of the Hour and in what way God is revealing Himself in this Hour as pertaining to the Bible. Moses' message looked wonderful, when he came forth preaching and doing signs, and his rod turned to a snake and ate up the other two snakes; and throw it up, you know, and his hand turned to leprosy and so on. That was fine when they saw the sign in the hand and all these things, but then Moses' message reached to a place where the doomed couldn't go any further.

Look at Abraham, when he's getting ready for a change of body, look where that message reached. What happened when Elohim came? He discerned Sarah's thoughts. Is that right? When He's calling Abraham out of the Ur of Chaldees, Abraham didn't say, "You are the Judge of all the Earth." The God of Glory appeared to him. In Genesis 17, Abraham didn't say, "The Judge of all the Earth." He called Him El Shaddai: "Nurse from Me." Is that right? It's in the Bible.

But in that hour of the message, when he was fixing to be changed, the Bible says, "And the sins of Sodom had become grievous in the sight of God." And they didn't know it was Investigation Judgment because Angels, Supernatural Angels was on the scene; and God had come down veiled in flesh, moving about the Earth. Is that right? Surely we can read the Book, now, because It's open. That shouldn't be confusing. And Abraham knew at that stage—He said, "Shall I hide these things from Abraham which I'm about to do?" Could Abraham have prayed for Lot, to deliver Lot if he didn't have that revelation? What inspired Abraham's prayer? When he understood what hour, and how God was going to reveal Himself! Amen?

Look at Jesus' Message: young Rabbi going out healing the sick, became popular; rebuking the organizations, lose His popularity, lose His crowd, everything. Then He comes right down and they were trying to pull for a sign. They were so entertainment-conscious now. Everybody's mind was blown. It was a little act, it was a performance; it was a program. Herod had Him right in his hands and he wasn't interested in salvation; he wasn't interested in Him opening the Scriptures; he wasn't interested in Him opening his understanding; he wasn't interested in knowing unto what end he was born, for what cause he came into the world; he wanted Him to, "Okay, do a miracle, let me see." That's where his taste was. Do you understand?

And look where Jesus' thoughts were. Look where Jesus' thoughts were. He knew He was coming down to the place, He was going to lead captivity captive. He was going to take the keys and open up the prison doors and bring out those who belonged to Him, who believed Him all these years; who died not having received the promise. That's where Jesus' thoughts were: "Who for the joy that was set before Him, endured the Cross; despised the shame." Oh, it was a lot of shame. Oh, it was hard! But do you know why? He was born to fulfill all righteousness, so shame could not paralyze His faith.

Some people, they want to progress with God, but they are afraid of shame. Shame is greater than their faith. Shame silences their faith, instead of their faith bring shame under its feet. Shame leads them another course, to take a shortcut or try to hope you come up and get good works for the Bride or something, or hope God doesn't judge you for your unconfessed sin and your wrong – shame. Why do people's minds get there? Do you know why? Because that's where the battle is being fought. That is where the enemy employs the weapons of his warfare. He knows how to get your mind in knots. He knows how to make you see things the

wrong way and you can't relate to anything with confidence. He knows how to bring fear in your heart. He knows how to give you little schemes and devise mischief and blind you, and make you think nobody's seeing this and nobody's seeing that, just to find out that—The devil knows all those things.

The Bible says, "Don't be ignorant of his devices. Pull down those strongholds and gird the loins of your mind with Truth!" Amen. Because how else are you going to walk forth in victory, how else are you going to resist the devil and possess the enemy at every gate? No matter what gate he comes at, brother, you can take the fight to him because you've been trained for the contest. It's a test of strength. The contest is on. How many are being pulled in the fires? How many, they are losing their foothold, and they're skating going straight in the fire; and Satan is pulling at them and they can't stop. How many this morning, right where you stand, you feel you are losing your foothold, amen, sovereign grace could drop down. Amen. Glory! Brother, a new burst of faith could come to you to realize the battle isn't lost yet. [Blank spot on tape -Ed.] ...the war, amen, where you're going to fight to the end, by God's grace. Amen. Hallelujah.

Oh my! Let me just try to move on from there. Maybe it's some people who are holding me there, I don't know. [Bro. Vin chuckles -Ed.] You see, when you feel the Spirit you want to drive it down, because that is the time people can get deliverance; that's the time the Word can cut their soul free from those influences. Not just to pour out a lot of information here, but to find the place where the Spirit could cut you loose; where It could fan the flame back in your heart, amen. And you'll rededicate your life and you'll stop your foolishness and you'll cast away your own reasonings and you'll say, "Lord, I'll be more fervent than ever. I'll be more dedicated now. Help me, (amen,) to drive this devil back." Amen. "Deliver my barley plot." Amen.

Hallelujah. Say, “Let me get back anointed with Your desire (amen) and bring a clean fresh drink for You.” Glory! “Not give You this old, stagnated life and this old, stagnated water in this skin, but bring something cool and fresh from the water which is from the well by the gate; amen, to bring that reality.”

Now watch! So that Voice spoke from the four horns on the golden altar. What was happening? God was fixing, ready now to bring on the Second Woe. The First Trumpet produced a Woe. That Woe was global political disturbance. We know the Bible has prophesied the whole world will be gathered to Armageddon. We know it is going to come under a United Nations head, like Jehoshaphat and Ahab, kings of the Earth, was deceived by the church, Zedekiah. They were anointed by the evil spirit from the bottomless pit, because the words of a vindicated prophet was fixing to come to pass.

We know that! It’s in the Bible. So we know it’s going to end up. It’s already been foreshown, already revealed what God will be doing among the Elect in that Hour when that is coming to pass. Already revealed how that Catholic Church, that Jezebel, is behind the scenes manipulating things, making herself seen and known when she feels like it, when it’s convenient to her; but all the time remaining hidden and operating her puppets on stage, because she controls the wealth, and this world is built on money. Brother, you know what it’s going to head up into – it’s going to come to money. It’s going to come to money now. Watch the focus come to money. It’s going to be economics. They’re getting their two last actors on stage in the great money proposition. Amen. The two with the money in their pockets are going to come for the big play-off. Oh, it’s coming. It’s coming. See? But one is predicted to trap the other one. Amen. And do you know why? They don’t know that stage.

Let me tell you: the reason the Jews, in the time of Jesus when they were scattered, the northern tribes, which is the ten nations in 2nd Kings 18, that was taken by the Assyrians, then they had never come back until this last time here. Even when Jesus was on the Earth, they were scattered into all nations. Then the remnant that had remained in the land, and then the two tribes that were there when Jesus came, then Titus scattered them into all the Earth as well, because they rejected the Feast of the Passover; they rejected the Atonement. Is that right? I know it's getting hot, but are you still with me? [Congregation says, "Amen." -Ed.]

Now watch. And they rejected that; and that judgment, they said, "Let His Blood be upon us." That is why that Voice spoke from the altar. It spoke from the horns of the altar that was sprinkled with the Blood, because the crimes that had been committed were committed against that altar, so the Voice of judgment comes upon them from that place where the crimes were committed against. That is a principle with God we found too – that the punishment always fits the crime. When the woman commits adultery, her belly is going to swell and her thigh is going to rot. When Eve committed adultery back there, "In pain and sorrow you shall conceive." Is that right? God said, "An eye for an eye, a tooth for a tooth." See?

Like I was talking to a young man on Friday, you know, he's sick and he's under the chastisement of God. He's not a believer but he wants to be a believer now. I was talking to him, I said, "It's very easy sometimes when you are getting licks to know what is happening." I said, "Your problem is your heart." They just had to put a pacemaker inside his heart; underwent heart surgery. For the last fifteen years whenever I walked in, I met him on his back. I said, "How is it whenever I meet you I meet you on your back on a bed looking up? Whenever our paths cross in life, I and you, this is the way we relate." The last time he had a sickness in his

private organs, and I prayed for him and he got well. And then this time the mother called me back again, and when I came back, it was his heart.

I said, "Notice the places you're getting in trouble are places to do with life." And then I told him, I said, "Look!" See? I told him, I said, "You know, what's going to happen is in the Bible. There was a man who died with diseased feet, because he didn't walk in the way he ought to walk. See? There was a next one who couldn't humble himself to the Word, and was exalting his own thoughts, and he died with leprosy in his head. Another one who had no desire for God and only wanted to worship idols, his intestines fell out." So I told him, "You know, because the head speaks of the thoughts, the feet speak of the walk; the inwards speak of the desires and these things." I said, "So you check yours. See where your judgment is coming and where you are being beaten." Because if God is going to punish you, He's going to let you know what you're getting licks for. He's the right Parent. Is that right?

You see, it's strange. This should be simple and straightforward, but people, you know, their minds get so much in church, and so much group and spirit and influence of the vision of men's person that to come into a relationship with God, it seems like the principles of how God relates to them, they can't recognize it. But friends, that is why when you find the channel, you serve God every day. Amen. You walk in victory every day. Why? It is something beyond the realm of flesh. Your Christianity is beyond the realms of flesh.

And look, those crimes were committed against that altar, so the Voice spoke from the altar. When He was on the Throne, the Voice spoke from the Throne where He was to be worshiped. And they were cutting off those Christians, sixty-eight million they were killing; they were selling them for a measure of wheat for a penny, and three measures of barley for a penny; giving them creeds and dogmas instead of the Word. And God

wanted that true worship, so what did He say? “Hurt not the Oil and the Wine.” He wants to be worshiped. He’s the sovereign God; He will have His people to worship Him. And He put a boundary on that devil right there and controlled his movements and established his boundaries. Just like the Moon controls the tide, God set a boundary for everything; set the stars in their courses, everything.

Then watch, that Voice spoke there because these people that he was going to kill, this one-third part of men—And you know, it’s strange that many people in trying to study this Book on that prophecy, they don’t know what to make out of it. But you see, the secret to this Book is Leviticus 23. That is the key. Because those Trumpets, it pertains to Israel. It’s Jews God is dealing with. But we’re seeing Israel now, still being chastised. God is hardening these men’s hearts. How were their hearts hardened? By their ideologies!

Nazism hardened Hitler’s heart, and he started about “The Aryan race is the only race on the Earth.” He wanted to commit genocide and exterminate every Jew, and had a systematic plan called ‘The Final Solution’. We had the privilege to go to Auschwitz to one of the death camps and tour it and see the things inside of there, how those things were built and constructed by engineers; how they had scientists to invent the gas with all the knowledge of chemistry and everything else; how doctors started to study medicine and used them for guinea pigs and torture and different things. Do you know why? Because they said, “Let His Blood be upon us.” Get it! Get it!

They had rejected the Lamb with seven horns and seven eyes that Elijah had revealed to them. And get it now: the same way the Jews were blinded to reject Elijah’s Message so the Gospel could come to Gentiles, now Gentiles are being blinded the same way. And they reject the original Atonement, then that Voice will speak again from that Throne to bring a Third Woe, amen,

because they have committed a crime in this Age. What were they indicted for? Crucifying Jesus Christ a second time! Why was the pit opened? To bring those demons upon them! What for? To drive them, like the church went to the Roman power! Is that right? “We have no king but Caesar.” And the church and the state came together right there. Amen? Is it making sense to you? [Congregation says, “Amen.” -Ed.] Look what is moving, friends.

The Book has been opened to uncover to us, to give us an insight into the diary of events on God’s great calendar, God’s great map rolled out across there from Genesis to Revelation to show what is going to happen when Naomi goes back; what is going to happen when Joseph’s brothers return. See? What is going to happen? There is going to be something for a Gentile Woman, like Ruth and Asenath. Is that right? She’s coming to full redemption. She’s coming to union. She was dismissed to the palace. There is going to be a little Gentile Lady in that Hour who will come into an experience.

And God had to harden the heart of Hitler like He hardened Pharaoh’s heart. Pharaoh turned down that prophet who God made God to him. Pharaoh didn’t realize that prophet was vindicated by God and sent. I tell you, the Word is so real not a fool could err. When you look into the plan of God, you look into the counsel of God, friends, you see the Age, you see the setting and you see the time that we are living in. When you see these things moving in the Earth here, the Prophet said the Elect is on their toes watching for the prophesied promises to be made manifested. The modern events are being made clear through the eyes of the vindicated prophecies that we know the time we are living in. We can recognize our Day and our Message. We know exactly the great drama, the great thing that is unfolding. We can get in the Spirit of the Composer and see what junction we’re at and hear exactly what the

drums are rattling out right now. You heard it this morning? You heard the season the drums came in? They're drumming out to the great finish. Watch. That's where many of you get trapped – it's like humor, isn't it?

You know all these years, 1982, *Shalom* [1964-0112 – Ed.], sit down and study, piece by piece by piece. [Study in the book of *Shalom* Pts. 1, 2 & 3 - 1982 –Ed.] *Feast Of The Trumpets* [1964-0719m –Ed.], the things that are still there to put together, that a mighty Angel came from Heaven and gave skill and understanding to consider the matter and understand that vision. Exactly! You see, I could say these things because I know where they're coming from. I don't worry with anybody with that. Let them sit down and think what they want. I'm not here to fight anybody and prove anything. God has already spoken. God has already spoken. [Congregation says, "Amen." –Ed.] See, that is God's provided way to help – believe on him whom God has sent. Follow them whose faith is, Jesus Christ the same yesterday, today and forever; the unchangeable God, the identified Christ from all generations now being identified in the Bride Age, in Bride form, in the Bride coming – that same One. See?

Now watch. It comes from the unseen first, friends. It was a spirit that was loosed to harden those men's hearts. Look at Mussolini – shot a man for coming too early to pick him up. [Bro Vin chuckles –Ed.] Look at Stalin, it says they uncovered recently the millions he murdered inside of Russia – Josef Stalin. You know Bro. Branham—when Congressman Upshaw got healed, he wrote a letter to Josef Stalin, and the Prophet signed it. And he told Josef Stalin, "If you come out from behind the Iron Curtain on this side, I'll show you myself that there's a Prophet in this land; and I've been prayed for and I was healed after being in a wheelchair for sixty-six years." I was reading that just yesterday.

The Prophet signed it. Bro. Branham said, "I signed it." He said, "Congressman Upshaw made me sign it

and he sent it.” He said, “He had a sense of humor. He sent it to Stalin. They believe in no God; their god is science.” He said, “Come to this side, there’s a Prophet in this land here, (Glory! Amen!) and I’ll testify. You’ll see me for yourself. I’ve been healed. He told me, ‘Rise and be healed, in the Name of Jesus Christ.’” Oh my! Glory! I tell you, it’s truly wonderful. Amen.

You know, I called Bro. Byskal yesterday to greet him for his birthday, (yesterday was his birthday,) and he wasn’t there. He was up in Alaska, in there hunting. So Sis. Ruth, she was talking to me, she said, “Oh my, when we saw the signing with the PLO, Ed and myself, we so wanted to—We said, ‘Oh gosh, we need to have Bro. Vin to sit down and talk with him, to tell us what the Lord is showing you, what is happening with this thing here.’” I started to preach there on the phone. [Congregation laughs –Ed.] I said, “Look, read there in Joshua chapter 6, from the time Rahab came out under the token and was sealed away, the next thing Joshua said was, “Cursed be Jericho.”

You know, Jericho and Gaza, the first two places when Joshua had the commission and went forth, the first place they took was Jericho. Gaza was the first place Judah took when they went forth to possess their inheritance in the Book of Judges chapter 2. Because many of tribes didn’t have their inheritance yet! It was casting the lots, they divided the inheritance, and then they went to fight to possess what was theirs. And if you go back, Gaza, Ashkelon, Ekron and Ashdod was four of the main cities; it was the dwelling place of the Philistines. That’s who the PLO is, because Palestine comes from the word ‘the Philistines’. See? When Joshua put that curse, he said, “Cursed be the man who tries to build this place.”

Friends, let me tell you, we are sitting here and watching the Word unfold, moving in this great prophetic Hour; seeing the Holy Spirit opening His Word and ministering an entrance, that hearts and lives could

be brought into the place of readiness, that you can understand why there is an urgency in the Message.

Notice, when the lost Truth was found what happened? It was the first time they, instead of judging themselves by their good works and different things, and what they do and maybe their self-estimation, they could have judged themselves in God's eyes by seeing from God's Word how far advanced the Hour was, and where the prophetic Voice was in that Bride. Is that right? Exactly. And she was the wife of the keeper of the wardrobes, the royal wardrobes. She wasn't keeping everybody's wardrobes, who had short dress and mini-skirt and woman pants – what they call 'woman pants' today – and all kinds of nonsense. Brother, her husband kept the real wardrobe (Hallelujah! Amen.), garments that glisten as white as the Sun; robes of immortality, garments of praise. I see some of you with a long face and you tell me your Husband is keeper of the wardrobes, and you have a garment of praise on? You mean your Husband didn't check you out coming into His courts? Didn't He say come into His courts with praise? Did He say enter His gates with thanksgiving?

Look at Esther before she went into the presence of the king, what did she put on? The royal apparel. Is that right? Didn't she get that from that wardrobe? Even when the keeper said, "Well, do you want anything else? Do you want to do your own thing? I mean, I don't have Scripture for this, no Scripture for that; do what you want to do."

She said, "No. Whatever you say, I'll do."

Hallelujah! Amen! She was no Vashti. Amen. Hadassah – joy, star. Amen. Oh I tell you, you watch those little things of the Bible, friends. Every life, every move, every characteristic, every attitude, it's right there in this Book. Oh, I feel Him here this morning. I can't move. Oh, I stand up here, it's pouring out; the reality to be in His Presence. To be in His Presence is

to be under the Word; the greatest privilege, the greatest joy.

He wanted certain angels loose. Notice, these now, wasn't coming from the bottomless pit. They had come from the bottomless pit already. Do you get it? Under the Fifth Trumpet they had come from the bottomless pit; here they are being loosed from the Euphrates River. Uh huh! See? Here they are being loosed from the Euphrates River. Under that Fifth Trumpet there, that key was given and he loosed them. But now, everything was in array. They had those four anointings. And let me give you a little quote here.

You see in 1933, (for some of the people who don't understand) that was between World War I and World War II. World War I was from 1914-1918. And that time on the Earth they began to break into poison gas and germ warfare and bacteria warfare and these things. And they would use that like, you know, they'd use germ warfare to bring sickness upon a nation; and use bacteria warfare to destroy their crops. All their wheat crops failed and the potato crops failed, and it threw the nation into chaos and threw the economy into disarray. Because when you are fighting an enemy you have to know their strength. That is why Titus and they cut off the trade routes and they laid a siege because they knew the way to cripple the nation was to starve them; was to break the economy. And when they were going to weaken them then they had men trained to take the skilled men in labor, in industry, in medicine, in arts, in sciences, and they left the ordinary peasants and so on in the land, because they don't want to have an extra bunch of people to feed.

What do you think have the whole judiciary in problems today? They have so much criminals inside the jail there, it's causing taxpayers around the world, in every nation, too much money to support these people in prison. Because the more the prison is overrun, then you have to feed them, you have to clothe

them, they have to have health; they have to have housing. See? That is money. Then they can't even fix roads for people who are living outside; they can't get light; they're cutting off their water. Do you think they could cut off that water inside there? You see, when there are families starving and on the breadline, they are getting their meal inside of there. When people are getting laid off here and there's no food to feed everyone, there is food inside of there to give them three meals a day.

Then they have to get—the bigger the population gets inside there is more problems you have, because now with all the different classes of people you get a society in there. You have trained minds, you have criminal minds, you have educated minds, you have all different kinds of minds (see?); all different classification and background of prisoners. Then you have to get a judiciary system, a judicial system to deal with those cases. You have to have enough magistrates, enough courthouses and enough money to run all those cases now. It's full of problems.

Until they have experiments going on in the States: they have a kind of scientific bracelet there they want to start to put on the prisoners who have like small crimes, and just let them back out. Because prisons are bulging over, they're bursting open, can't keep – too many prisoners, that they want to start to loose all the small ones and then they are going to monitor their activities by a signal with these bracelets. And then they have to report every day to a certain place to keep them in check. Because the economy in the world is going and because of the disruption of the society on the outside, then they have to shift all the things that are falling apart. So when they start to loose back out all those things, do you know what they are going to get?

Look at this man who recently here, who, (we were talking about it,) the pathologist. And because the realm it reached now, he says, "I am not going to

examine any criminal's body and go in that blood, and cut them open and these things, if they have AIDS and I could get infected." He said, "Up the price – thirty thousand a month." And then they say, "Well, if the man doesn't come back, then his evidence is what is needed to put those criminals in place." Right there when the police headquarters was burnt down, so much of records was destroyed as well, but they have people inside of there and no evidence outside to judge them on. You think they have one or two problems? They have so many problems on their own hands, trying to sort out the society and God knows everything is going to fall apart and is already rotten to the core because He's going to get rid of it with the atomic bomb. But by His Message He's come down to call a people out.

Now quickly, watch some of the things that we are looking at here. That Scripture might look like a little Scripture, but you see this Book of Revelation, every Scripture inside of here is so important, every Word, because of the symbol, the Holy Spirit said exactly what He wanted to say. And there is history, there is prophecy, there is everything inside of there; sociology everything inside of there, because it deals with a certain class of people, it deals with one-third of a certain population of a people, (see?) because they had about eighteen million Jews on the earth at the time of World War II, between 1939 and 1945. And when Hitler came with that 'Final Solution' to exterminate those Jews, they killed six million.

And God inspired the Allies in the invasion. They could have lost the war; it's God that helped them win that war. You read the history. When Hitler was getting ready to bomb London, and the Prophet said they had the big four: Churchill and Stalin and Roosevelt and they came together, and they had this big meeting because they realized the only way to stop Hitler they'd have to have an allied invasion. And then they wanted them to come at Normandy; and when they came in

there, so many people died. And they realized they had to risk it in order to stop Hitler because he was going to conquer the world. But the thing was, the prophecy said Germany was not going to be a world power; Rome is going to rule the world. So Hitler and his ambition, it was not decreed in the diary of events, and his boundary had to be established: they were only to slay one-third part of the men.

That Voice – get what I’m saying – that Voice that spoke from that altar at the time of the sounding of the Trumpet, speaking to the Angel who had that Trumpet, commissioned him to loose certain spirits bound in a certain place for a certain purpose. And those spirits were reserved; they had to remain bound and could not be loosed, because the last time they were loosed was when the Jews rejected the Atonement. The Prophet said it was bound by Christian principles, but it was that same pagan spirit because pagan Rome became papal Rome. And when it became papal Rome they couldn’t go around killing people just like that because now they were professing Christianity. So they were bound by Christian principle, but the spirit was there; it could not work.

Satan desired to have those people loosed, those demons loosed. You see how he had a prince of Persia, and he had a prince of Greece, and a prince of Trinidad, prince of America. Sure. And while that was happening on the Earth, Satan knew, “If I could only get them loosed.” And God was going to give him his desire at a certain time. Because remember, those demons were not smoking demons and drinking demons, those demons are powerful demons. Mussolini wasn’t a smoking demon, though maybe he did smoke too. But his real strength was in warfare, Fascism. See? Hitler, his real strength: warfare, the ambition. They were devils incarnate.

Young boy like Hitler going there; Adolf going to school, mamma dry his tears, polish up his shoes and

give him his lunch kit and send him out to a kindergarten. See? At a certain age he's going to catch an inspiration. He's going to have certain experiences growing up in life that's going to bring hate and different things to him. Just like the Prophet, little boy William packing the water to his father's moonshine still, but he was going to have certain experiences to mold him for this immoral Age, and at a certain age he'll catch an inspiration. The Prophet said, "Little Jezebel, there was a little Jezebel there in class, always liked to dress up, always liked to paint up, always liked to do her little schemes, always liked to manipulate boys and everything else and by the time she became a woman she could manipulate kings." She just knows how to twiddle them around her thumb; just know how to wink the eyelid and drunken them with wine; know how to deck herself and put herself in a certain place because her gates are the gates of hell. Amen.

Now watch. The Word is sweet, isn't it? [Bro. Vin chuckles -Ed.] Now watch something. So during that time what was happening? God was seeing that that Feast of Trumpets was for what? Notice when were they scattered? After the Feast of the Passover! When were they supposed to go back to their homeland? Under the Feast of the Trumpets! It was typed out in the Bible with Naomi, with Joseph and his brothers. All these things were already typed out in the Bible. It was given in Seals and symbols and everything else. And the demons that scattered them, God was going to let them loose again to drive them back, because those demons are going to come against those Jewish people.

But look now, it was coming in another form, and they didn't know that spirit. They knew it as the Roman spirit, Titus and they, because for years Jerusalem was under Roman rule in the time of Jesus. But then when they're meeting Hitler and Eichmann and they, they don't know that Roman spirit. And now today they're meeting it in the form of the papacy, they don't know

that spirit either. Because now it's not big legions of armies and swords and the Roman thing anymore; it's now a religious power. Some of their main places are in Jerusalem; they own most of the historical sites in Israel. See? Watch.

When that pope went there in 1963, the Moon blacked out. Now this one is getting ready to go again. It's all set for the visit; he is coming, see, because that is a deliberate act. In other words, "We are now going to open you up and have diplomatic relations with you." In other words, "We who've ruled the world for the last two thousand years will give you some recognition. We'll give you some recognition. And we are going to forgive you, and we're going to try to work together with you to build a better world. And we're going to let you know you can play a great part in the rebuilding of this New World Order. And we're going to get all the Arabs and they who are so full of animosity against you to calm down and you'll have no fear for your security anymore." He will come in and take the kingdom by flatteries.

But watch the thing now. Catch it! But just after that Sixth Trumpet, before he preached the Seventh Trumpet, it's the only Trumpet that has all these things happening in it. Every Trumpet is two or three verses, four verses; this one is thirty-three because inside of it, after the Sixth Trumpet it goes on into a Mighty Angel coming down; it goes on into two prophets rising up, before it comes to the Seventh Trumpet in Revelation 11:15-19, with the kingdom of the world becoming the Kingdom of our Lord and His Christ. It goes on and on and on. So all these things that are happening here, friends, where we are under this Trumpet here and something is happening on the earth, and we're seeing certain conditions...

You know, I want to get at something here. I've always tried to figure out, I say it has to be somewhere in the Bible, seeing, you know, the drug culture and the

drug trade today, it's controlling the world; it's breaking the economy of nations. It's become so highly powerful that law enforcement and all the security can't even deal with it. It's global. And I felt it has to be somewhere in the Bible. And in studying this, when I struck the word 'sorcery, sorceries', I looked up the word '*sorceries*'. Sorceries is mentioned twice in the Book of Revelation. In the Greek it's a word called *pharmakeia*. Does that sound like an English word you know? Pharmacy – that's where the English word comes from. And hear what it means: *witchcraft* is one; *the use or the administering of drugs; poisoning*. Because sorcery, when you open it up it goes into magical arts, and it's found with idolatry and fornication.

So watch something! The Spirit, (as I was saying here,) is saying something in the Age here, and these things are coming out of this river Euphrates. Now Euphrates has its origin in Genesis. Amen? [Congregation says, "Amen." -Ed.] Now in that region was the first place fornication took place in the human race, was by the river Euphrates. The first murder took place by the river Euphrates. The first place death took place was by the river Euphrates. The first place idolatry took place was by the river Euphrates. The first place the blood of Abel cried out in vengeance against his brother Cain who had a spirit of idolatry and fornication and demon worship (right?), was right there. Satanic religion had its origin in Babylon, and Babylon was built on the river Euphrates. And Babylon was known for its gardens because it became the famous garden after the Garden of Eden, the one the Lord planted, where Satan patterned the New Jerusalem by building it on that river. Because there's a river clear as crystal flowing from the Throne of God in that Heavenly Jerusalem. Is that right?

Friends, let me tell you, do you see what we are up against and the spiritual forces, why Paul says, "We wrestle not against flesh and blood, but spiritual

wickedness in high places, principalities and powers? He didn't just say devils, you know, he categorized them: governments, law enforcement agencies, lawyers, doctors; rulers of this world of darkness. Look at Paul, he cast out a demon out of a girl who they were trying to make some money of, who was demon possessed. But do you know what that did? Those men who were making money off of that demon, who had a demon on they themselves that that demon used to call upon for help. When the trouble came, those demons began to scream and call upon the demons in the magistrates for help. The demons in the magistrates and they began to beat Paul and falsely imprisoned them. Is that right? They thought they were tackling with something out there.

I'm playing those tapes for you before every service [Tapes of Bro. Branham's Healing Lines -Ed], so that some of you can begin to break in to realize this is not a flesh and blood affair, this is not a flesh realm; for you to understand the realm of spirit. The messages have been preached for about four or five months there, just on the unseen world and all these things, to show you how it is influencing this realm; to show you the things that's happening. To show you, sometimes you get in a certain place, and brother, sometimes you can't understand, this person was coming around so good; all of a sudden they turn, they get full of animosity towards you and resentful, and you can't understand what's going on. You can't understand, when you thought they would stand for you, they take sides with somebody else against you, and it's like they are under the control of some force. And you don't know what's going on, and you are kind of confused. And you have no insight how demons conspire to trap your mind, to lure you, to seduce you, to control; to influence you. Do you know why? Some of us only see the church, the Pastor, the brother, so and so happening, this over here; the Message, that group, this group, overseas. God forbid!

But to see the realm, what is happening, that you can walk and carry out God's Word; and know how to conduct yourself; and know how to fulfill the Word that you are called to fulfill; and know how to fight this warfare, and engage in this warfare and overcome in this warfare; and deliver those who are trapped and have become victims because of this warfare.

That word *'pharmakeia'* it specially includes *tampering with your own or another's health by means of drugs, potions or intoxications.* Watch where we're getting into now. It brings us up in the realm of the chemical revolution: perfume, alcohol, cosmetics. Do you think that's a small thing? Those are billion-dollar industries. The Prophet says, "Do you think those politicians are going to take the advertisement of the whiskey and the cigarette and all those things off the radio? That's where the revenue is coming." That's where it is coming.

When it started to come out, this big drug lord here, what did they do? They helped finance this political party when they were campaigning to get them elected. Do you understand what I'm talking about? Well it's that power again. But I wanted to show you, you are not in that group. You are in the group eating the Book; you are in the group to whom that Angel came down and said, "Come out of her, My people. Her sins have come to Heaven, and I'll judge them." They've been seduced into devil worship, into the doctrine of devils.

Listen! That word *pharmakeia*, sorceries: God was painting a picture. He was identifying the social condition, the influence that covered the people under that Trumpet, that generation after the pit was opened and before the Seals were opened. When the Seals were opened and the lost Truths were found – the Book – what did It reveal? That was the generation of wrath: Rickys, monsters, cats, Beatles – bastard children doomed to their destruction, (is that right?) when the Seals opened. And Josiah wept; rent his clothes. God

said, "I'll take you out; you wouldn't see this thing. Come out of her My people." There was a little remnant He brought into the Word. Watch. How they weren't worshipping any demons. She wasn't in any sorceries. How they were saying what was already said by the Prophet and what was already said in the Word. She had THUS SAITH THE LORD.

Listen! *It is often connected with magical arts, and incantations, invocation of spiritual agencies. They put it under influences, promotive of things of impurity both bodily and spiritually.* Look at the cosmetics. Women— Just let me read something for you.

The Flashing Red Light [1963-0623e, para. 46-51 -Ed.], the Prophet says: *I can remember when I was a little boy in school, and turned and look at the little children today, the little girls coming on. And I can look, think of women when I was a young man, and look at the girls today. I remember there'd be one popular girl, (and that's not been over twenty-five years ago)--one popular girl, a pretty girl, and pretty near every boy wanted to go with this girl, because she was the queen of ... the group. Maybe in a whole city there'd be two or three of those women. Now, the whole thing's become pretty, all of them. That's to fulfill the Scripture and a red light flashing that the time is at hand.*

They've invented such stuff as lipstick and makeup, that a woman that isn't so fair, she can still make herself pretty by ... all the face, lips and ... the things that they do to make themselves pretty.

Max Factor runs day and night, and there's more spent on cosmetics in America in a year ... to make the women pretty, than there is spent at the grocery store.

This is statistics, friends. Now watch! Those spirits came out of the pit. When he went down in that bottomless pit, into the first realm where the lost dead were, what did he see on their face? Max Factor! Is that right? It came from the pit. The Bible says in Revelation 18, that this Euphrates River, this city, this Babylon,

this place of Satanic religion, because all of those sorceries and devil worship had to do with sensual living. And they worship a snake, which gives a woman more sensation than any man could give her because it goes back to the first adultery in the Garden of Eden, near the Euphrates River; this Age of pornography and all these things.

And people don't know they are becoming demon possessed. The darkness that came out is covering them and has deformed them into a hideous condition. They look in the glass [mirror -Ed.] and they have the latest haircut, latest designer clothing; smelling really good with the best chemicals that they invent in a laboratory, (see?) advertise and blow their mind with it and everything else, and then they come out there – the 'total man', handsome and think everybody should run after you, or think that you have power to sway everybody you talk to. And your ego is so inflated and you exalt yourself up there. What are you reflecting, Above? That can't come from there. That's demon possession. You say it isn't demon possession? Try to get away from it, all you who are under it. Every time you turn a new page and every time you make a vow, you can't keep it. The only way is repentance, humility, confession to receive deliverance. Watch!

Max Factor runs day and night, and there is more spent on cosmetics in America ... to make the women pretty...

That is part of the chemical revolution: cigarettes, whiskey. That's how they made most of their money; how they used the fourth dimension to seduce them. He said, "Look at Hollywood, stripped these women of all their virtues." They advertise: "The spirit of Trinidad – Vat 19." [Brand of local alcohol -Ed.] See? These things: "Make a hit with Broadway," [brand of cigarettes -Ed.] – to destruction. See?

Now watch: chemical Age, chemical warfare. And they con the people, and they make it fashionable; and

the people are in sorcery and don't know it. They are in devil worship and don't know it. Because when you meet Jesus, Moses, Elijah, Bro. Branham, nobody would be smoking cigarettes; so you're not reflecting anything that came from There. When you are perverted, nothing is coming from there. When Hezekiah and them began to tell them about the vision, it sure was no hallucination that came from LSD or drugs or chemicals, nothing, that they blew their minds with. When they're talking about 'speed' and all these different things, it's a different speed they're talking about – speed of light. See? Now watch!

Now, I'm saying nothing against that. I'm just showing you that it is a flash of red light that the time is at hand. For Jesus said Himself, "As it was in the days of Noah, so shall it be in the coming of the Son of man."

When that prophet Noah came and caught the Word friend, to call out the Elect in that Age, what did he meet? The Earth ruined; the Earth filled with violence. Is that right? The women pretty; scientists with their inventions, the work of their hands; Cain's religion flooded the Earth, their idolatry, devil worship. When was the Son of Man revealed? Right at the end of that Sixth Trumpet; Revelation 10:1-7, the revealing of the Son of Man, God in human flesh like in the days of Sodom: "Shall I hide these things from Abraham?" Coming out with these secret things. Watch! In the days of Noah, in the days of Sodom exactly the same thing; the end of all flesh is come, Armageddon, the Third Woe. Notice!

...when people begin to multiply ... the daughters of men was fair. And the sons of God looked upon them and took them wives. Now, that's not my own saying; I'm reading it out of the Bible, where Jesus said for us to go back to Genesis and compare these days together: the multiplication of people, and the beauty of women.

Now that's a great sign. Now, the warning, Jehovah's warning...

He said the very first word presents us absolutely a flashing red light when man began to multiply upon the face of the Earth. [Para. 40 -Ed.] Now, watch the murders now, see how those things—The great river Euphrates was what? Mystery Babylon, papal Rome. Four demons bound in the river Euphrates: Fascism, Nazism, Communism, Capitalism all winding up in Catholicism where it came from to begin with. Watch. Then the next thing was what? Two hundred million horsemen, supernatural devils, “Unseen to the eye,” he said, “but we can see what they are doing.” What are they doing? He said, “Look how Lucifer is trying to build a better kingdom than Michael.” Look how those spirits is where? Is in those men in that ecumenical move. Because twenty years after the war it’s about—now it’s past that. Now it’s about—in 1964 he was saying twenty. Okay, 1945 to 1993, that is forty-eight years after that second war, where is that spirit? Where are those demons?

Watch how he said it will all wind up in Communism, the first three. He never said Capitalism. He said Fascism and Nazism will come in Communism. Capitalism is what broke the communist power with all its images of prosperity and freedom from the West. It’s what Rome used. It’s what made America the global police today: fly in the Gulf, do what you want; fly into Somalia, do what you want; fly into Panama, do what you want. Why? That is the only big superpower there is today – Revelation 13. Watch. Changing character, not a nice, little, meek lamb anymore. And you want to know why it showed Capitalism there? Because it showed four nations in those visions: Italy, Germany, Russia, and the last four visions was America.

He said Roosevelt was the rascal of all the presidents; he took the world to war. He said, “Germany never picked on us, it’s we who picked on them.” He said Roosevelt took America to England’s tea party. That was the fallout with England and many... He said, “He’s

the rascal.” He said, “Could you imagine this man...” Bro. Branham, (I have the quote there but I don’t the time to read it) he said, “Can you imagine this man,” on *Indictment* [1963-0707m -Ed.] “stood up and said, when they were trying to bomb Rome there in that war, in that Second World War,” he said, “think of it, they are trying to bomb the head of all Christianity.” Bro. Branham said, “Could you imagine that as a statement for a protestant president to make?”

Bro. Branham, the Spirit in the Prophet didn’t like the man at all. The Holy Spirit revealed that that man, he was the rascal. He was the one that they used to start to open the door. Under his time, when it came, women were given the right to vote and all these things started to come in, see; took the world to war. It would take four of them. But that Voice spoke and said, “Loose these four powers.” Those four angels produced the Second Woe – that’s what I’m getting at. The Voice said, “Loose the four angels,” because it’s to bring the Second Woe. Four major players produced that second war.

But watch! Right out of there comes a Prophet with the Message. When? As World War II finished and as Jews were going back in their homeland, rushed them back in the homeland, what happened? The Angel of the Lord appeared in Green’s Mill, Indiana, and said, “Time to go around the world.” Friends, let me tell you, God was directly on time. That is why I know, when I see people trying to find an easy life, and this excuse, and trying to kill the effect of the Word, and trying to go along with their own little plans and different things, I know something is wrong and that’s a contrary spirit. Do you know why? Because when I watch this Message and trace that Spirit through, and I see what the Prophet was saying in the 1960’s, it makes me think what he’d be saying in the 1990’s. Would he deny this Message? And when I see the desperation he was in and the way he was living and acting, and I see people here, I know they are not under that inspiration though

they say they are in the Message and though they say they are following. That might be so, but they don't have the inspiration of that Prophet.

And where you see a heart that is hungering and know there's a reality, all the success you try to get in the world, try it and see, it's going to lead you into deeper sin, it's going to harden your spirit, it's going to take the joy out of your life; you're going to lose every spiritual thing you had. Do you know why? Because the Bride is not in Sodom. Israel was taken out of Egypt, to be put away into Goshen there, brother, under the Blood – separated. God is not in that, friend. This Message came to call out; call out: "Come out of her, My people." The one shall be taken, the other shall remain. He dropped like a thief in the night. And that is what has been happening. And that is why the people they are coming along and they are failing to see, look how far these things have come.

Look at the revival of occult sciences in this Age. When did that start? "What the world needs now is peace and love." See? After they saw Nagasaki and Hiroshima, the atomic bomb, man never had a weapon like that in his hands, until maybe in the antediluvian days. And when they saw two cities got levelled, they were so fearful that those weapons will ever be used again. And what they have now is far superior to that. They know they have planes to fly over and drop that bomb. They have intercontinental missiles, they are already set in position targeted to the very place they will destroy. They have them right there in the position, only waiting for the button. See?

Look at what happened in the Baltic States. The Soviet Union broke up, and do you know what happened when it broke up? Because watch the prophecy. It says, "Everything will end up in Communism, but watch Russia, the king of the North." You know what it is but, "Watch Russia, the king of the north." And when the Soviet Union broke up, every one

of those people end up with nuclear missiles, all independent states, because they had them planted in all that region. So when they say, “Boy, the world is becoming nicer,” and everything else, they bring it into a more detrimental position. Because now a lot of these people are broken, have no money; economy in chaos. They want to sell to the Iraqis and the Arabs who have the oil; they want to sell parts over here and this is stuff here for money, because they want to be independent; they want to have their own show.

A revival of occult sciences. If you go in America—we don’t see it so much here. It’s still kind of undercover here, but if you go to America, it’s advertised: “Call up your psychic.” Beautiful—if you go to see a witch now, you don’t have to go to a cave in the night like Saul, you know. You walk in an office, a receptionist puts you in a waiting room, she punches in the computer, she pulls up your file and she tells you the doctor will see you just now. You see ‘palm reader, psychic, mental faith healer’, all different things on the door as credentials. They even have a brochure of people with recent testimonies who she told whom to date and get married to, and they found happiness in their lives; who she told what lottery ticket to buy, and they won some money; who she told to enter a beauty contest and she’s going to win a trip. And they don’t preach repentance, they don’t preach the Second Coming, they don’t preach baptism – it doesn’t have any of these things.

And if you go in there and you meet one nice, good-looking, shapely lady in a business suit. I never went to one; I’ve seen it advertised. [Bro. Vin and congregation laugh. –Ed.] I saw that advertised. On prime time they have the advertisement going on. When you’re in the States you see it. Remember, I have to stay in a hotel so you can’t help it. And you see; all over. You’re passing down the road, driving in some of those places with big signs out, of advertisements. And you have

people testifying with emotion of how their life has been changed by coming in contact with these people.

The police is employing them now to help them find criminals and everything else, find missing bodies and clues and everything else. Sure. We have Haribrance [Sean Lalsingh Haribrance –Ed.] here, oh Trinidad has got a little fame that they have one too; has worldwide recognition. Think of it. Where did it come from? A revival of the pagan empire. Out of Babylon is every evil sorcery, every witchcraft, the cage of every hateful and unclean bird. Every form of drug, every form of illicit sex life, everything, flood the Earth with it. Where did it come from? Look back in Rome, in the Roman orgies and all these things – Babylon. That unclean spirit is loose; it bring a revival of the whole empire, brought back devil worship.

The Prophet said in *The God Of This Evil Age* [1965-0801m –Ed.]; go and read *The God Of This Evil Age* and tell me if he didn't preach denomination is idolatry and devil worship. Then I missed the Message. Go back and see what he preached on – "The God of this evil Age has blinded the minds of the people, that they are worshipping the devil thinking it's God they are worshipping." What does it say here? Is that right? Look at Jim Bakker, Jimmy Swaggart and all these perverts here, living with half of the women in their congregation. We have some of that in the Message too; can't talk about them and that too much; because that river runs throughout this whole Earth. It winds through every nation, and the Protestants are its tributaries that came out of the mother river.

But in the midst of there, there's another River, friends, (hallelujah!) *that flows from deep within; there is a Fountain to cleanse your soul from sin. Come to these Waters, there is a vast supply; come to this River that never shall run dry.* [Song #366 - Songs That Live –Ed.] That's what I'm talking about. It will wash you clean, loose you from your sin, amen; make a new creature out

of you. You could dip seven times in this River. Amen. Glory be to God! Amen! It will open up and bring you into your inheritance, into a double portion of the Holy Spirit, like it did for Elisha, like it did for Joshua and them. Amen. Glory be to God.

The work of their hands, it talks about. Look at their inventions. Their inventions, they fill the world with it and they glorify themselves above the Word of God, because this is man's day, the day of their inventions. Their inventions in peace time is killing more than their inventions of war time. And all their knowledge and all their sciences, they devised things to destroy the Planet. They destroy a whole nation and wipe it off without sending an army there and they rejoice; and they have power to do those things. Cain's children and they with a club, now look at the harvest. Look at the harvest. Cain and his false religion, look at the world council of churches. Look at the mystery Babylon. Are you catching the Scripture? [Congregation says, "Amen." -Ed.] Read it in there.

Look at the same spirit that was loosed upon those dictators. By those dictators—Catholic wealth, Catholic vote put Hitler and all them into power; Mussolini – put them into power. They became the political arm of the Vatican that they could accomplish their political goals and ambitions through them. Look at the same Rome today now that destroyed six million, going back now and saying, "We'll give you recognition. We want to work in harmony with you. We are the two major religions of the Earth – you in Jerusalem and we in the Vatican here" – Ahab and Jezebel coming together again. That thing is like coming into union with a pagan. What for? Political reasons; to secure their kingdom, the money.

See, I want to bring you some of those things, so when I strike that stock market, the crash of that stock market, when the money is going to fail; when the money system is going to change – the destruction of

the present day money system. It's going to come to money, friends. It's going to head up into money. And that's the spirit that's going to lead the world down to destruction, because people are going to trust in uncertain riches. This is the Age it is more uncertain than any other Age, and this is the Age men pursue it more than anything else.

But Paul says, "Don't trust in uncertain riches." Gehazi went after uncertain riches; he ended up in leprosy. Balaam went after riches; ended up trying to curse God's people. Watch the spirit, friends. He went in self-will even though he knew what the Word was. Let me tell you, friends, you watch the Word. Achan went after riches; look where he ended up. Judas went after riches; look where he ended up. All those people were around the revealed Word in their day. Is that right?

Oh, I tell you, friends. Murders, all the abortions. Last year, do you know what they called last year? The year of fratricide. Last year was known as the year of fratricide – brother killing brother: nobody is loving there. Everybody put up an arm against each other. Look where it started. Homicide – you talk about homicide! Every day there's a murder. Murder has become like the common crime now. Long ago murder, if you had a man who murdered somebody, nearly everybody was leaving Moruga [countryside in Trinidad –Ed.] to come up in town to see the case. "Who will kill a man?" Is that right? Watch it in the Bible, where it comes. Watch it under that Trumpet there. When? Just before the Seals opened. I'm trying to show you what happened between the pit being opened and between the Seals being opened. The pit is opened for a purpose, and the Seals is opened for a purpose. Penal judgment upon bastards, (see, I wanted to preach on fatherhood and sonship,) but remedial judgment for sons.

This Word, Revelation 10, what was that Message? “Be zealous therefore and, [Congregation says, “Repent.” – Ed.] – same Message. That Laodicea Age that become so covered with gross darkness was the one that put Christ on the outside of the church. Is that right? That darkness was identified in the Moon when that papal spirit, that Euphrates River, went toward the Jewish people, the ancient seat of the Church. You see, it may not mean anything in your mind, but if you understand spiritual things, powers connect. That’s why Bro. Branham could say, “That spirit is calling upon that spirit for help.” He said, “Wait a minute. Hold on right there.” He said, “I’m seeing a long black streak there. That demon doesn’t want to leave, but it has to leave.” This lady doesn’t know the demon on her is calling the next demon for help, you know. They don’t know that in this flesh realm here, because they are not even conscious of what demon possession is. They are not being taught in the Word to know what it is. All they know is joining church.

But look, “thefts,” do you think it’s just one or two little—somebody stole somebody’s sneakers today? I mean, there is petty theft there. I was reading recently here where they were stealing these industrial secrets. This man used to work with Volkswagen then he went over to General Motors. A whole line of General Motors – cause we’re talking about a billion-dollar industry now – started to come out there with certain parts and certain things manufactured that they had when this man who had access to some of their plans and different things, stole the secrets and then defected to another company.

Look at all these wars that took place in the 1980’s there, all this corporate warfare. You see, do you know why we don’t understand it and we hardly get into it? Because they have us so controlled we are only studying [thinking about –Ed.] our bread and butter. That is what we’re studying. The salary could hardly meet ends, so

they lock you in right there, (that's your whole world,) and then up here they're shifting you around the board like this. And your mind can't even get up from there, because you don't have enough faith to get up from there to know the fowls of the air and the birds of the field neither sow nor gather in barns, but God feeds every one of them.

So to get in the realm of revelation in the spirit world, how could we get there when by one simple strategy and one simple move, they lock you up in the flesh realm for the rest of your life? And the frustration heaped upon you, you live all your life and you don't own a house, you don't own a car; you're frustrated, you're vex, you're grumpy; you can't rejoice, you know. You're feeling, "Why is life so hard?" You're complaining, you're murmuring; everything. That's the same thing they did in the wilderness. They lock you in right there. And God wants to show you that is not the world, so don't live there! Amen! Jesus is a Rock in a weary land, amen; is a place you can come into where everything is already provided for you.

Oh my, let me close. I'm sorry I kept you so late. I'll have to pick it up another time. But it was getting so good I just didn't want to go over it like a sermon so I just tried to stop and break down and get to it. But to show you, between that Sixth and Seventh Trumpets is the days between His priesthood and Kingship; between Him leaving the Father's Throne and taking His Own Throne is when the Seventh Seal Book is being opened. It's being opened between the Feast of the Trumpets rushing the Jews back in their homeland and the Jews recognizing their Messiah under the Day of Atonement. And during that time when He's being revealed as the Son of Man, He's what? The Supreme Judge. It's the Lord's Day. It's the Day of His wrath, when His wrath is to going to begin to be revealed in the Earth, because a prophet there is always a sign of coming judgment, like Noah, like Abraham and they in that day.

He said, "As it was in the days of Noah, so it shall be in that day; as it was in the days of Sodom," when they had the perversion, they had the fornication, they had the demon worship, they had the idolatry, they had the murders, they had the thefts. Those spirits had come and covered those places. But watch something: God had opened the Word to Abraham to bring him into a new body. God opened the Word to Noah to go above in the Ark and come back in the new heaven and new earth. Is that right? Oh my, I tell you.

When those four angels were loosed—Now they are still loosed, now, but watch. Because remember, it goes all the way to the Seventh Vision, and the Seventh Vision was what? Total annihilation! He turned their cities into ashes! That Fifth Vision – women started to cut their hair; came to a state of complete undress; immorality, moral problem of the Age. Sixth Vision is the rise of the Catholic Church, that Euphrates River coming to take over the whole world; leads this nation to its destruction. That Seventh Vision was judgment.

I tell you, I don't know why Bill Clinton has the same birthday with me. Do you know that? [Bro. Vin chuckles -Ed.]

Brother, you watch. It's a great time. We live in a wonderful day, friends. Just any day now my Lord is coming. Friends, realize this walk here. Israel possessed their inheritance in an hour of judgment under intense conflict. This Bride, what we're coming into, what we're talking about, what we're looking at, what we're studying from God's Word, that God is opening to us, may it bring a refreshing in your life, and a rededication. And some of you who say you've been in the Message all these years, you sit down here and don't even understand half of what I'm saying, shame on you. It shows you have all the books and the tapes and you never take time to read it.

Sorceries: it said by her sorceries she deceived all, A-L-L nations, by her pharmakeia, destroying one's health

and administering it to others, that those things take them into sensual pleasures to bring fornication and murders, thefts and everything else, giving them the passion for their crimes. It produced that Second Woe. But God is seeing no flesh will be saved except He shorten those days. And when the Son of Man was revealed, as the lightning from the east to the west, so shall the Coming of the Son of Man be; and where the Carcass is there will the Eagles be gathered. When? Between amateur tribulation and Great Tribulation! That is Matthew 24. And Matthew 24 is between the Seals right there; between the Feast of Trumpets and the Day of Atonement in Matthew 24. Check and see if that is when the Son of Man is being revealed. Check and see if that when the Eagles are feeding upon the Lamb that was slain, the Bloody Word. What for? For a flight. Look back and see if Asenath wasn't dismissed to the palace. See if Ruth didn't come into full redemption.

It's right before us, friends. It's not made up. It's God's revealed Truth. By His grace He lets us sit in services like these, sit under the influence of the Holy Spirit; look into the Word. We will never know what grace this is until we get to the Other Side because we don't even have an idea how much deception is in this world; how many things that people are calling the Holy Spirit and it's not the Holy Spirit; how much disappointment come into people's lives and different things; how many people don't know exactly where they are going; don't even have confidence in what they are doing.

But when you can walk sanely and intelligently in the Word, when you can put your foot upon the solid Rock of His Word, when you know that Word will not pass away, it is God's revealed Truth promised for this Hour and you're in step with the Holy Spirit, it brings such assurance on the inside here, friends. Even though it doesn't have enough food on the table – you can do with

an extra spoonful of rice, an extra piece of meat in your plate, yet there's a contentment in your heart. You could lift your hand and praise God. Amen. Hallelujah! And you could say, "I have Meat that others don't know of. My Meat is to do His will and finish His work." Amen.

Let's just sing that. Let the musicians come, *Just any day now*. And let the parents who have this little baby, Blossom Lily, a lily that comes from the muck and the mire and blossoms out into His great Presence. Amen. It realize that this sun that was pulling, it was coming up all the time. Amen. Bro. Alvin Joseph and his wife, and we'll just get ready now.

And I wanted to pray for one or two people who I know had a special need. I told them, I said wait until Sunday morning. I don't really want to turn it—I don't feel led, I should say, to turn it over into a big service at the end here, but the thing is, don't wait for formalities and programs. That is not God's order. God's order is when the Word speaks to your heart, when you recognize, friends, what is required in your life, right as you're hearing the Word there in your seat, you should be praying in your heart and asking for your deliverance right there, that even before the next word comes forth, God could answer your prayer.

That is the way to do it, friends. Don't get trained to people coming and laying hands and all these kinds of things. That is good if your faith is weak and you're honest and you say, "I need a help of faith." Never even try to play you have it if you don't have it. Be honest to come and say, "I want hands laid on me." That will help you to come from the automobile Age into the astronaut Age. But if you try to bypass that then you'll get problems too. You see but the thing is, ask God to teach you His ways, to train you, to strengthen you, that God could do and bring to pass these things in your life. Praise His wonderful Name. *Just any day now*.

[Song #170 - Songs That Live -Ed.]

Just any day now...

Oh, believe it as you sing it.

...is coming,

He'll be returning, amen, for you and me,

Oh yes!

O, I've been watching and I've been waiting,

Just any day now, His face I'll see.

Oh, sing it again.

Just any day now, my Lord is...

Oh doesn't that give you a great joy in your heart. He'll be returning! You'll be like the little girl, the Ranch Boss' Son is coming for you. Don't you hear the wagon wheels coming in the distance?

...I've been waiting,

Just any day now, His face I'll see.

Oh, sing it again. Get your garment on. Like Rebekah, veil your head as you go to Him. Amen.

He'll be returning for you and me,

O, I've been watching and I've been waiting,

Just any day now, His face I'll see.

Amen. *Touching Jesus is all that matters.* I just want to have prayer with one or two people here who really need a touch from the Lord, and they can come forward. You in your heart who feel that you need to come, can come. You who believe can receive it where you sit. May God bless you and honor your great faith by His grace. You young boys and you young girls, I know for many of you much of this sometimes is difficult for you to understand; some of you God Supernaturally can give it to you as you open your heart and you sit there in your seat believing Him; but I want you to know this is the Truth; that if the Lord carries twenty years, no matter how long you may live – I don't know what those things are, He holds those things in His hands – you know that these things are the Truth. Know that this Message that God sent by His Prophet is the Truth. And if you hold these things in your heart and you serve God

and you believe Him, God will make these things real in your life. Amen. *Touching Jesus is all that matters.*

[Song #13 - Songs That Live -Ed.]

Touching Jesus...

Oh, is all that matters.

...is all that matters,

And your life will never be the same.

...will never...

There is only one way.

...only one way...

Oh, just touch Him.

Just believe when you call on His Name.

Once more, Touching Jesus is all that matters.

Touching Jesus is all that matters,

And your life, oh will never, never, never be the same, friends. That's God's promise. It's a serious time; it's a time you want to know you are certain of God. You don't want to be playing church now.

There is only...

Only, only one way.

...one way...

Oh, just to touch Him. Just believe; just believe Him. Without faith it is impossible to please God.

...call on His Name.

Amen. Let's just bow our heads and close our eyes.

Gracious God, You are God, You Who was made flesh You revealed Yourself in the Person of the Lord Jesus Christ; became the propitiation for our sins, opened up that Fountain that we could be cleansed from all unrighteousness; we can come to a full and total deliverance. I pray, dear God, seeing my brother making his confession the other night and seeing how You have shown love and grace. You reconciled him back to Yourself. You turned him around, dear God, and You brought him back to Your house. Lord knowing, dear God, the awareness he's come to of his mistakes and his failures, now looking for real rededication, living for You, never having to turn back,

never have to go back anymore, Lord; now to walk on in faith under Your influence, under Your leadership, oh God.

How I pray Lord, that Your great Holy Spirit will so endue him with such strength, it will drive away every darkness from round about him. May You bring him out into a full, complete deliverance. Grant it, oh God, as he comes to humble himself before You, Lord, looking unto You, the Author and the Finisher of His faith; looking to live, dear God, as Moses told the people, "Look and live." And You said as Moses lifted up that Brass Serpent in the wilderness so the Son of Man must be lifted up, that whosoever believeth in Him shall not perish but will have Eternal Life.

God, let him take his rightful place in his home. May he be endued with Your Divine revelation to rule his house well! May his wife stand at his side! May they be in such harmony, oh God! May You break every influence on their life and their children, and may they together as a family, oh God, establish that altar again. Lord, may You cause them to spring back up, as it were, as a tree pushing back out its leaves and bringing forth fruit again, ripened fruit that by which You'll be glorified, Father. Grant it, Father. May he receive it today! May he be able to walk away with the assurance and the confidence that You've heard our prayer that we prayed, and believe we have received, in the precious and almighty Name of Jesus Christ, amen.

Almighty God, we know how this dear sister has suffered. Lord, and this disease has brought such disorder and discomfort to her life interrupting her health, bringing discouragement to her spirit many times. So many other ways Satan has tried to hinder her, but she's been persistent, Lord. She has risen up, Lord, regardless and tried to show her faithfulness by being obedient to Your Word and to carry It out in the way as best as she knows. But Lord, seeing dear God, that how she needs a touch from You to break the power

of this devil that has afflicted her, Lord, in her intestines, giving her problems with the bowels. May this prayer of faith be zeroed to that devil! I rebuke it in the Name of Jesus Christ. May the Power of the Holy Spirit, that great Quickening Power raise her up Lord and make her well, and she'll go forth and live normally and enjoy good health and prosperity. You said above all things we should prosper in health. May she receive this blessing now, I pray, in the Name of Jesus Christ, for Your honor and for Your glory, amen.

Almighty God, this precious brother has been coming these past months or years, and sitting here under Your Word, with such a desire in his heart to hear It; with such a joy he receives, always with a smile on his face and such earnest attention sitting in his seat, and such a pleasant attitude, Lord. He's a believer. He's looking unto You this morning that You would be gracious to him. He's approached Your great Presence. He responded to the call to prayer. He recognized Lord, he has a need. And we know You are the Giver of every good and perfect gift. You are the Supplier of every need.

Touch him, dear Lord. May Your Holy Spirit quicken him! May You help him and deliver him! May You strengthen him, Lord, and may You give him good health and strength! May peace be in his heart! May his faith be strong to know that You do not lie, Your Word is true. "If you abide in Me and My Word abide in you," You said, "ask what you will." "When you stand praying whatsoever you ask the Father in My Name, if you believed you have received it, then you shall have it." May he go with that peace and that confidence in his heart, that You have heard and You have given him his desire, in the Name of Jesus Christ, amen.
