***Excerpt:***

I believe the Bride is ascending into a higher order. This great Quickening Power that is here among the believers that has quickened us, is raising us up into a position. Not any position; the believer's position in Christ. What is it called in the Bible? Heavenly places. Raising us up, a spiritual resurrection into a position, into a sonship, (hallelujah!) where the Bride knows She is Eternal just as God is Eternal, hallelujah; where she will live in that position. Oh, how great it is to see ourselves positionally placed in Christ in this Hour. Amen. [Page 7]

Are we living so close to the Unseen World where we are conscious of the Unseen World; where we are conscious of the Presence of the Lord? Do you realize in this Hour, we have to walk a little closer? It's not something that's going to just drop on you like that. The revelation is being put into your heart now. The Mind of Christ is coming into the Bride, so She knows what He wants done with the Word. Amen! And She is laying in that Word day and night because She knows that is the only way it's going to be revealed to Her. Amen. [Pages 34]

# **ASCENDING INTO A HIGHER ORDER**

HONDURAS  
FRIDAY 14<sup>TH</sup> MAY, 1993

**BRO. VIN A. DAYAL**

We're certainly happy to be here tonight. I believe there is a wonderful atmosphere that we feel. It's always good to be together with those of like precious faith. I didn't know when the Lord would send me back here. And I know, that He knows, that I have a special love for His people here. I have many precious memories of many precious times that we were able to spend together. And it seems like this trip was just arranged suddenly and I just feel I was transported here. Amen.

I believe that He has given me a Word in season. I don't believe it's anything new. I trust it will bring a great conformation in the hearts of the believers for the very things that they desire, the very things that they are pulling on from God; the very things that they are being encouraged to walk into, in this Hour. Because I believe in the Bride, we are becoming homesick for Heaven. Amen. John says, "Even so, come Lord Jesus." Amen.

And I am looking forward that these next few services that we would have together, God will do something special for you that will cause you to love Him more and want to consecrate your life more; something that will cause you to want to draw closer to Him; to stimulate that desire in your heart that you will have a holy man's taste and a holy woman's taste. What is that? The Prophet of God said, "To see the Word for this Hour be confirmed in your life." Do you desire that tonight? Amen. I believe He will give it unto us.

I bring you greetings tonight from all the saints back in Trinidad. They heard about you. They heard you on

tape. They enjoy your singing and your worship. I am just looking forward that God would give me the opportunity to be able to have some of you over to visit our country, to be with us. Amen. This is an invitation tonight. Amen. Praise His wonderful Name.

How many would have a special request upon their heart tonight? Amen. Just believe, have faith, as we approach the Lord in prayer. Let us bow our heads and close our eyes.

Our gracious Heavenly Father, in humility and deepness of sincerity, we draw nigh unto You now, Lord, and we look unto You, our God and our Father, Who has called us in this Hour and Who has given us this great hope and in Whose Presence we are gathered here tonight.

Lord, we come confessing our shortcomings. We come confessing our sins and our mistakes. We pray that Your precious Blood will blot out our transgressions, Lord. And we pray that the great Holy Spirit would move now upon every heart, those who are believing You, Lord; those who are standing in the need of prayer tonight. I pray that You would minister unto each and everyone, from the greatest to the least, that there will not be one standing in our midst but that You will meet every need that they would have. Oh precious Jesus, may You grant it tonight.

Lord, we are looking unto You, that You would bless our gathering together, Your Word will come forth in Power; Your Presence will be made real in every heart. There would be a great deliverance moved in our midst. Hearts and lives would be drawn closer to You, Lord. Your Love would be shed abroad in every heart. Oh God, may You grant it tonight.

We commit ourselves unto You and we thank You in advance for what You will do. Lord, You know how we love You and appreciate You. And as we stand here tonight we have one desire – to truly represent You; to reflect You, this great marvelous Light, into the hearts

of these children of Light that they can keep walking into this great promise of the Resurrection. We believe that this is the Hour, this mortal will put on immortality. We will leap over a troop, the troop of death and we will jump over a wall; the wall from natural to Supernatural. You promised that, Father. May You bring it to pass in our lives. We thank You in Jesus' precious Name, amen and amen.

I would like to invite your attention tonight to the Book of Genesis, chapter 5. Beginning from tonight, I would like to take a little series in these four services. So where we maybe don't cover tonight, we will be picking it up over the next few days. And I trust that on Sunday night, if the Lord would just allow us to complete these services, it would be a great glorious capping off for each and every one of us. May He cap off the pyramids of our lives with the great Capstone of Divine Love. May we strive to love the Lord with all our hearts, with all our minds, with all our soul and with all our strength and to love each other as He loved us! Amen.

In Genesis chapter 5, in verse 5. Maybe we could read verses 1 to 5:

*<sup>1</sup> This is the book of the generations of Adam. In the day that God created man, in the likeness of God made he him;*

*<sup>2</sup> Male and female created he them; and blessed them, and called their name Adam, in the day when they were created.*

*<sup>3</sup> And Adam lived an hundred and thirty years, and begat a son in his own likeness, and after his image; and called his name Seth:*

*<sup>4</sup> And the days of Adam after he had begotten Seth were eight hundred years: and he begat sons and daughters:*

*<sup>5</sup> And all the days that Adam lived were nine hundred and thirty years: and he died.*

God had told him, “In the day you eat, you shall surely die.” And if you notice at the end of verse 8, speaking about Seth, it says, “*and he died.*” At the end of verse 11, speaking about Enos, “*and he died.*” At the end of verse 14, speaking about Cainan, it says, “*and he died.*” At the end of verse 17, speaking about Mahalaleel, it says, “*and he died.*” At the end of verse 20, speaking about Jared, it says, “*and he died.*” Amen. Six times it’s written: *and he died* – from Adam. And remember, Abel, whose name is not recorded, he died also. So that was seven of them who died. Amen. But the picture changes in verse 21.

*<sup>21</sup> And Enoch lived sixty and five years, and begat Methuselah:*

*<sup>22</sup> And Enoch walked with God after he begat Methuselah three hundred years, and begat sons and daughters:*

*<sup>23</sup> And all the days of Enoch were three hundred sixty and five years:*

*<sup>24</sup> And Enoch walked with God: and he was not; for God took him.*

Isn’t that a wonderful change in the record? Amen. Six times it says, “*and he died.*” But Enoch the seventh from Adam, it says, “*and he was not.*”

Amen. Let’s turn to Hebrews 11, verse 5. Hebrews 11 verse 5.

*<sup>5</sup> By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.*

May the Lord add His blessing to the reading of His Word! You may have your seat. Paul explains to us what it means when it says, “Enoch was not; for God took him.” Paul tells us, he was translated. He was not found. They looked for him. They sent out a search party. Amen! That Pillar of Fire, that Pillar of Cloud,

that Whirlwind that Enoch used to be talking to, whirled over him one day and picked him up. Hallelujah!

But before he was translated, we are told that he had a son after he was sixty-five years. It didn't say he walked with God in the first sixty-five years. It says *after* he had this son, then he walked with God. He called that son, Methuselah. Do you know what 'Methuselah' means? *When he is dead, the flood will be sent.* Amen! What a revelation! Enoch was a prophet. He read that Bible in the heavens, (hallelujah!) from Virgo to Leo. There were twelve signs – a great plan of Redemption showing the First Coming and the Second Coming. Hallelujah!

In the Book of Jude, it tells us that Enoch prophesied that the Lord will come with ten thousand of His saints to execute judgment. He had such prophetic revelation. He saw way into the Second Coming. Hallelujah! He saw the Lord coming in an Hour of judgment to execute judgment, (hallelujah!) even before God destroyed the earth the first time, when He destroyed it by water. Because the second time, He will destroy it by fire. Amen.

And we find out in that day, even before Noah came on the scene, even before God told Noah, "Build the ark," Enoch had a revelation of the flood. He knew the flood was going to come. Hallelujah! You see, Enoch talked to Adam. Adam was still alive. Adam hadn't died yet (amen) and Enoch could have talked with Adam and seen the man who was made in the image and likeness of God, who use to fellowship with God and he didn't even need blood to stand in God's Presence. It was only after Adam fell that he needed a sacrifice. Amen. But before he fell, he talked with God, amen; he fellowshiped with God.

When God created the heavens and the earth, He was called Elohim. But when He created Adam, He was called 'Jehovah', which means, *I have made a little one like Myself* – He Who exists with His family. Hallelujah!

Adam was an amateur God. You see like fellowships with like. Amen. An ant could have no fellowship with an elephant. Amen.

You see, 'fellowship', you have to have two people on equal basis. Amen. If you have a rocket scientist and he is trying to fellowship with a man who is maybe involved with gardening, they wouldn't have much in common. Amen. So we find that God was a God over Heaven and earth and Adam was a little God like God (hallelujah!) and they would come down and fellowship.

Look, in the beginning, God brought the animals. After God had created the animals—Adam was not yet created because Adam was the last creation. Amen. Then God brought the animals before Adam, to see what he would call them. And whatsoever Adam called them, that was their names thereof. Hallelujah! Look at God: God wanted to see if this man He created was really a reflection of Himself. Hallelujah! And Adam was exactly that. Amen. Glory! And to think that Enoch could have had fellowship with Adam. He wasn't getting it secondhand, he was getting it directly from the man who was there in Eden before the fall. Hallelujah!

And Adam and Seth and Enoch, it is believed that they were the ones who gave the names to the constellations in the heavens. God revealed it to them because they were prophets and those heavenly bodies are like a great cosmic clock. Because it was given for signs and for seasons! Because God had a plan written in the stars. The heavens declare the glory of God. Day unto day it uttereth speech, night unto night it showeth knowledge. [Psalms 19:1-2 -Ed.] Hallelujah! Even in the Book of Job, Job was naming the constellations. He talked about Orion and the Pleiades. Amen. Hallelujah.

So here was Enoch, it was an evil Age and he was a prophet and God was going to do something in this man's life. He was the one who built the pyramid. What a revelation! He could look straight into the New Jerusalem (hallelujah!) that was yet unexpressed. It

just existed in the thoughts of God. But a prophet with a gift of knowledge, could be taken up into that sphere and get the thoughts of God and then build a pyramid on the earth to reflect that Pyramid City, a Pyramid Bride; a Pyramid God, (hallelujah,) the second Bible. Hallelujah! Enoch was bringing forth the mystery of the plan of God. Hallelujah. And in that hour, he got a son and he called (by inspiration,) he called him Methuselah – when he is dead, the flood will come. Methuselah was the oldest man in the Bible. Amen.

And the Bible tells us in 1<sup>st</sup> Peter chapter 3, verses 18- 20, about those who had crossed the line of mercy, they were disobedient in the days of the longsuffering of God, when the ark was being prepared. Because when Enoch died, if you check it in your Bible, Enoch died the same year Noah entered the ark. [The translator Bro. Elias Barjun says, “Methuselah, you mean.” –Ed.] Yeah! Methuselah died the same year that Noah entered the ark. Hallelujah! Noah had a sign when the finish was going to come. When the door was going to be shut and a ministry of testimony will go out to the lost – who refused to come in, in the days of the longsuffering of God. Hallelujah.

My title tonight is, **“ASCENDING INTO A HIGHER ORDER”**. I believe the Bride is ascending into a higher order. This great Quickening Power that is here among the believers that has quickened us, is raising us up into a position. Not any position; the believer’s position in Christ. What is it called in the Bible? Heavenly places. Raising us up, a spiritual resurrection into a position, into a sonship, (hallelujah!) where the Bride knows She is Eternal just as God is Eternal, hallelujah; where she will live in that position. Oh, how great it is to see ourselves positionally placed in Christ in this Hour. Amen.

So, look at Enoch a little bit because he is a type of us. And God in Enoch’s life was unfolding His mystery in shadow and type of an Age that was coming, of a

people who would be on the earth in that Age; who would go into Heaven without dying. From Adam till this Day, man had to die to go into Heaven. Amen! But in this Age—There was an Age in the Bible where man would not have to die to go to Heaven. In every Age from the beginning, man had to die to go to hell. But there was an Age coming where man wouldn't have to die to go to hell. Hell was going to come here. Amen. Hallelujah!

So it's a great Age. If we don't fully understand or grasp what is happening in this Hour, we will not be able to walk in the consciousness of what is taking place. We will fail to have the discernment of God, fulfilling the things He spoke for this Hour. Without that discernment, Satan could carry you into all kinds of imaginary things. Amen. But if we know the plan of God, if we could recognize the plan of God, if we could be led by the Spirit of God into the fulfillment of that plan, what a faith it would bring into our hearts when we see the very God, Who spoke these things in the Bible for this Day, bringing it to pass in the lives of the Elect, just as He promised He would do it.

What a consolation! What a peace it's going to bring, (amen,) that will encourage a believer to recognize that He is faithful, He is true to His Word and He has chosen you and in your very life, His Word that is a prophecy, is becoming history. There is no greater joy. Nothing could bring greater faith. Amen. Nothing could give greater rest – a rest that cannot be disturbed; a peace that cannot be interrupted. Hallelujah. It is because you know where you stand. Amen.

And Enoch with this great revelation, he was laying out this mystery in his great pyramid that he was building, in the name that he named his son – when he is dead, the flood will be sent. And they knew that Enoch was a prophet. They knew that God took him away. And they knew that his life represented something, so they watched for his words to come to

pass. Could you imagine what it was for Noah when God came and called him and revealed to him that a flood was going to be sent? He will realize that God was confirming His Word because Enoch spoke that. They knew it was going to happen one day.

And when God told Noah, "Build the ark," more revelation of the Hour was unfolding. And could you imagine what it was for Noah when the ark was completed and he was saying, "If my vision is correct in this season, there must be some animals to come in the ark"? And he was watching the numerology because certain kinds of animals had to be in a certain number. Certain kinds of birds had to be in a certain number. Some were by twos, some were by sevens. Hallelujah! And he began to see that part of the vision coming to pass. The animals couldn't come until the ark was built.

Then he is saying, "The next thing to happen is, Methuselah is going to die." Hallelujah! When he is dead, the flood will be sent. And when he saw Methuselah die, he said, "Any day now, God will shut the door." Hallelujah! Every Scripture was tying together. They didn't just walk in the ark wondering, friend. They walked into that ark with expectations, with faith! They recognized how the Word had unfolded. Everything that was spoken was coming to pass exactly. Their faith was high. Glory! Amen. They knew the hour had arrived.

And so, we realize that where we are in this present Hour, God is unfolding a mystery that Enoch, who was translated, was a sign that there was going to be people in the last days, who will go into Heaven. A secret will be opened to them, to be loosed from the chains of the law of gravitation that holds man earthbound.

Now there is a law of gravitation that is holding man down. We can't come out of it, except something happens to our body. The Prophet said, "God didn't just change back Abraham and Sarah and made them

young because if they had come back young and a change didn't take place in the body, they would have been barren still." Amen. Because when they were young, they were barren and they became old and they were still barren. So if He had only given them back youth and He didn't do a change in their bodies, then they couldn't produce the promised son. Hallelujah!

And so we realize, he says, "If we have to be caught up to meet the Lord in the air, if we only come back young... Many of us were young before and when we were young, we were still earthbound." Amen. "So something has to happen to these bodies." And Enoch, when Enoch broke that law of gravitation, then he was able to change dimensions. Amen. Before he received something to overrule the law of gravitation, he couldn't change dimensions.

Because in the beginning before the fall, there was a different type of civilization. It wasn't this type of civilization. This is a man-made civilization. This is a science civilization. That civilization was a faith civilization. Man was on a higher level. He was a Super Race to what he is today. He was an amateur God, in the image and likeness of God. He had dominion over the earth. But man fell to a lower level. Amen. Today man is not a Super Race. It's a dying race. It's a perverted race. It's a fallen race. Amen. But in the beginning God didn't make him a fallen race. He was a Super Race. Amen.

You see, man in his spiritual and physical makeup, was made for two worlds. The Bible tells us that by faith, the worlds, (plural,) were framed by the Word of God. God made worlds seen and unseen. Amen. The things that are seen are temporal but the things that are unseen are Eternal. Amen.

And so, we find out that man in the beginning, before he came into flesh in Genesis 1, he was a spirit man. He could contact the spirit world. Then God was bringing him to contact the physical world, so God gave

him a physical body – a body constructed with the senses that is required for physical contact. Amen. When God made him a spirit man, he was constructed with the senses for spirit contact.

You don't contact God with your five senses. Those five senses are to contact this physical world, this physical creation; this visible world. But the invisible world, which is more real than this physical world—because this physical world is only a shadow. It's only a negative. That Unseen World is the positive. Hallelujah. That is the Eternal. This physical is the temporal. Hallelujah!

So man, in his makeup, he was constructed for two worlds. So Adam in the beginning, he could contact this physical world after he received his physical body. Amen. But when he fell, he was trapped into the physical world and he was shut out from the spiritual world. Amen. Adam was to lead the animals. He had a kingdom. Amen. He had dominion over the animals.

Now give me your undivided attention because we want to go deep in this. I want to show you this Rapture we're talking about. We need to understand what we're looking for. Amen. We need to understand how God is going to bring us to change dimensions. You cannot even change dimensions unless you change this body. You cannot change this body unless you change your nature. So there are a few changes that are needed to be made. And you cannot even change that nature unless you change your atmosphere. Amen.

So we realize then, many people are looking to change dimensions and they don't even know how the change of body is going to come. They are looking to change their body and they're not even certain whether their nature is changed. Some are struggling with the old nature and they don't even realize, they need to change their atmosphere. Amen. So you see, many people are looking for things but if they don't have the right conception of what they are looking for, they're going to

sit there with imaginations. Amen. Imagination cannot change you. You need faith to be changed. Hallelujah! And faith is Divine revelation. Hallelujah! So pray for revelation.

So here was Adam, a man in God's image and likeness, a Super Race – a race that was in the image of God that had dominion. And man fell from that higher order and he fell from Life to death. He fell from health to sickness. He fell from youth to old age. He fell from immortality to mortality. He fell from incorruption to corruption. He fell from faith to reasoning. Amen.

The Prophet said, "This Exodus is bringing us out of sickness into health, out of unbelief into faith, out of denominationalism into the Bride, hallelujah; out of this dimension into another dimension." What is it doing? It's sent to bring us back to that higher order. What is that order? The order of Melchisedec. Hallelujah. Not Melchisedec Casco [a person - Bro. Vin's pronunciation of the name -Ed.], Melchisedec God. Hallelujah! The order of Melchisedec.

Many people thought it was a priesthood. Some thought it was a myth. Some thought it was a man who was living back in Abraham's time from the ancient city of Jerusalem. But when Paul began to reveal this Man, he says, "He had no beginning of days nor ending of life; no father or mother." Paul met a Man (hallelujah!) and when he met this Man, this Man was the Priest of the Most High God, even when the Aaronic priesthood wasn't even in existence. This Man gave Abraham bread and wine, which when Jesus came, He gave them bread and wine. Hallelujah! This Man was both Priest and King. Hallelujah! Like Jesus, He was both Priest and King.

In the Book of Hebrews, It says, "He came out of the tribe of Judah." [Hebrews 7:14-17 -Ed.] The priesthood use to be out of Levi. Judah had nothing spoken of priesthood. The kingship was promised to Judah. But the great High Priest came out of Judah. He was both...

He was a Royal Priesthood. Priest and King (hallelujah,) the Word Himself being made flesh. Hallelujah!

So this Melchisedec, Who was the Word before He became flesh, and Abraham, when God revealed Himself in that manner to Abraham, what was the purpose? So Abraham could see the image that God made man in before he became flesh. Because when God made man in Genesis, God hadn't become flesh yet. He was a Theophany and He made a man in His image. Hallelujah! Glory!

So notice something: God was interested in revealing Himself to man to keep the hope alive within the sons of God, that one day we will come back to where we fell from; we will come back to be the kind of man that God made in the beginning. And when Abraham saw Melchisedec, he saw this Man in a body that couldn't dissolve; that continues on forever and ever. And Abraham looked at himself and his tabernacle, his earthly house of this tabernacle was dissolving. Because here, we have no continuing tabernacle. Here, we have no continuing city.

But Abraham began to get a glimpse of a kind of Man that can't age, has no yesterday or tomorrow. He saw a body that doesn't feel tired. Hallelujah. Glory. A body that can't sin. He saw a theophany. Amen. And when Abraham saw that Theophany, the King Theophany, (hallelujah!) Who came from a Kingdom, he realized that there is a civilization in the Unseen World (hallelujah) in another dimension, like television. Hallelujah! Glory! And Abraham from that moment, he began to look, he began to seek for that City. [Bro. Vin knocks the pulpit twice - Ed.] Hallelujah! He began to look for that celestial City. He was looking for his 'mansion'. He wanted one like Melchisedec had. Hallelujah. Because in this one, he groaned. We do earnestly groan to be clothed upon with that house made without hands, Eternal in the Heaven. Hallelujah.

Now they were prophets: Abraham, Enoch and the mysteries of God that were lost from back in the Garden of Eden, He began to unfold to them down through the Age, to keep the hope alive. Because man was trapped in this dimension when he fell from that higher order; when he fell from Life to death.

You see, Adam was not to be bound in these three dimensions. He was given the body to contact these three dimensions. Because as a spirit man, before he came into flesh, Adam could walk all through the Garden but he couldn't pick a fruit and eat. Amen. He couldn't contact this physical Garden. So God put him into flesh, hallelujah, so he could eat and drink. Because in that kind of body he had before he became flesh, he couldn't eat and drink. And he was intended to be a triune being! Do you get that? Man is a triune being!

That is why even beyond the curtain of time, they still long to come back to the earth. They say, "We're going to go back and we're going to pick up our bodies and we're going to eat and drink again." Hallelujah! They say, "Here, we don't eat and drink." Hallelujah! You see, they are not complete unless they get their bodies because God didn't intend man to float around like a little spirit or something.

So Adam, when he came into flesh, he was able to contact this dimension now, hallelujah, yet not be bound in it. The law of gravitation could hold the animals. The animals couldn't change dimension but Adam could change dimension. Adam could contact God. Adam could fellowship with God. Adam could have communion with God because God wasn't coming in a body, God came down in a Theophany in Eden (hallelujah!) but Adam and God fellowshiped.

Adam didn't even need clothes because there was a glory. He had a Supernatural Robe, (hallelujah) one far above fig leaves; one far above sheepskin. Hallelujah. The sheepskin was only a type of the Robe that would

come back. And the fig leaf was only a cheap impersonation to the real Robe that Adam had. Hallelujah!

So notice something: when man fell he was now trapped in this realm. He was like trapped in a dimensional prison and the chains of the law of gravity held him earthbound. Amen. It held him earthbound. Now watch something: while he was trapped in this realm, something began to happen to him. He began to age because he was now subject to time. He began to get tired. He began to experience hunger and pain. But before he fell, he couldn't get tired. The timeline wasn't broken yet. The lifeline wasn't broken. The continuity wasn't broken.

But when he fell, it was broken and he was trapped in this realm. And this man who was in the image of God, lost his Robe. He realized he was naked: lost his dominion, lost his kingship, lost his sonship because he fell out of his position. And the 'authority' goes with the 'position.' That is why we are being raised back up through the baptism of the Holy Spirit and being brought into heavenly places: back to our true position, back to our sonship; back to dominion. Hallelujah! We are being raised up. It's time to ascend in a higher order. It's time to come back to the order of the Word, come back to the real Life of God, the real Presence of God; the real fellowship with God. Amen. Hallelujah.

Do you see what the opening of the Seven Seals meant? It's not to argue and debate. It's not to run around and cause strife and division. It's a key of faith put into the hands of the sons of God, to unlock the door back to immortality. Because when man fell, he was shut out from the realm of immortal beings and he became a time creature.

He descended into a lower order, into the realm of animals, the realm of the five senses, after he had dropped from the reality to the negative and he was now in the realm of perversion. Amen. He was trapped in

that dimensional prison. He was confined just like the animals, (amen!) locked into the temporal realm and he walked by sight and not by faith, looking to the things that are seen and not the Unseen. Amen. Hallelujah. And he began to bring all his sons in that realm because he couldn't bring them the way he was brought (hallelujah!) and he saw everyone die.

But It says, "But Enoch was not." Hallelujah! God was giving testimony that there was going to come an Age, there was going to come a time, there was going to be a people, He would release the key to, the key of faith, to open up the door again to come back from mortal to immortality, to come from wisdom back to faith, to come from fear back to Love, (hallelujah!) to come from darkness back to light, to come from time back to eternity, to come from a science civilization back to a faith civilization; to come from the negative back to the positive. Amen. Hallelujah.

So notice something: we are trapped here but the Hour has come, the Message has been delivered and we are told that Rapturing faith lies in this Message. Amen. On the message, *Countdown* in Jeffersonville, Bro. Branham says, "What is God's achievement? To leave the earth." Amen. [1962-0909m, para. 129 -Ed.] And on the message *Key To The Door*, he says, "That's the way every great achievement is made." Amen. "When man and woman have that key in their hand, it's a key that can open up a way." [1962-1007, para. 47 -Ed.] He says, "But to achieve natural things, you have to work in natural laws and to achieve spiritual things, you have to work by spiritual laws." [1962-0909m, para. 53 Ed.]

Now, think deeply. If we have to leave the earth, that is God's achievement today. And if we have been given a Message sent to take the Bride out from the earth... On the message, *Sirs Is This The Time* [Is This The Sign Of The End, Sir -Ed.], when he saw the vision of the Angels, he says, "Is that the Message that I looked for? Is it that second climax? Is it those Seven Thunders? Is it going

to be a mystery that will be opened up, that will bring a power back into the Church, that these vile, old, marred bodies will be changed, that we will leap over a wall and jump over a troop? Could it be my brethren? Seriously think.” [1962-1230e, para. 46 –Ed.] He was asking us if this is what was coming. Because that was promised and we have the Message and in the Message, lies the secret to bring a man to become the Word again, to put on immortality. He said, “These Seven Thunders will give us faith to be changed.” Amen. So it’s something that’s going to change us, so we can change dimensions.

How are we going to go to the Wedding Supper, if we don’t leave this dimension? Because the Wedding Supper is an event that is ordained to take place in another dimension, not in this dimension. Any event in this dimension, you have to get natural transportation.

When people go to the United States to some meetings, they go in the airport, they get that form of transportation that can transport them to that land, that they could go to that great meeting. But to go to this Meeting, you can’t take the forms of transportation that this science civilization has invented. We have to get another form of transportation.

And God has revealed in the Bible that there is a form of transportation not yet discovered by science. It’s called in scientific terms ‘the final frontier of transportation’, amen, in the great astronaut Age, when man is trying to go into another world, amen; when they are trying to use science and technology to go into Heaven. They want to build a house in Heaven. They say, “It is too far to go to Mars. It’ll be much easier if we leave from the moon, so we are going to build a house in the heavens; a space station and we are going to launch from there.”

Don’t you realize what is happening? After man fell from that Supernatural realm into a lower order, this natural realm, he realized he couldn’t step back into that dimension because when that glory left him,

something happened to his body. And when he got trapped in the chains of the law of gravitation, he became bound in this dimensional prison and age started to set in. He began to lose his youth (amen) and he couldn't do things as he could have done before. So what—He became so desperate, he began to work in science. He began to use his understanding. He began to lean on his own understanding. He began to work in science and education and he began to rearrange the molecules.

In Genesis 3, man fell. In Genesis 4, Cain went out of the Presence of God and he began to work in science. He began to build cities. He began to invent. He began to set up industries; had an industrial revolution, a chemical revolution and man destroyed the earth. And then God said He would destroy man who destroyed the earth. Amen.

Now watch something: so while he was working in the realm of science, he began to pervert the original all around him. Amen. "I'm hoping to find a way out." He wanted to come out of the condition he trapped himself in. Don't you see man today trying to build a house in the heaven? They're trying to just live on health foods. They're exercising in this Age more than any other Age. They're running day and night. They're 'pumping iron' [Lifting weights during exercises -Ed.], doing all kind of exercises; taking all kinds of health foods because they are trying to lengthen their life. Amen. They're building all their Disney Worlds and all their amusement parks, trying to find happiness. Amen.

They are performing plastic surgery to take the wrinkles out of their face. They have all kinds of aerobics and callisthenics to restore youth. Amen. And they cannot do it. They even have biological children. Why? They're trying to make women have babies without a sexual relationship. Amen. Because in the beginning, women were intended to have children without sex. Amen.

There is something down in man trying to use his wisdom from the Tree of knowledge, to find a way back out of this environment (amen) and he cannot seem to find it. They're even trying to bring back the earth like an Eden. They want to invent 'green cars'. [Environmentally friendly vehicles -Ed.] They're trying to clean up the atmosphere so we could breathe healthier air. They want to ban smoking on the airlines so you'll enjoy a better flight. Amen. They are trying to stop the earth from being ruined. All kinds of environmental plans, they have.

Look at man, it's something inside of him. He wants an Eden. He wants that dominion. He wants that youth. He wants a house in the heavens. Hallelujah! But he is trapped inside of here. He wants to go into another world and he is trying now, through—in this space Age, space exploration, hoping to find somewhere. Amen. They cannot do it.

The Prophet was saying on a message called, *God's Provided Way* [1961-0516m, para. 27-29 -Ed.], he said: *...what if today, that science could perfect something that could set a little gadget out on the end of a man's farm, and [you] turn it on, and rain [will fall, and you'll] bring the rain down out of the skies, [and you] shut it off and [you] make the sun shine down, whichever [way] you [wanted]? [Wouldn't] that be an achievement?*

That's what the Prophet says. See? Science wants to invent something like that, especially with all these hot summers and the earth not yielding like it should and with the weather patterns changing. Science can't find it yet. But we saw one, who got ahold of a Key and he said, "Sun, shine out for four days. Storm, go back where you came from." Amen. He didn't need some gadget produced by science. He found a Key. He was linked up with Something – a Voice from the Unseen World that said, "I am Jehovah Who created the Heaven and the earth." Oh my!

Do you realize? This Message is not to make church members. This Message is bringing sons and daughters of God back to their sonship. That is the Hour we are living in. Amen.

He said: *What if [that man could take a] man [who's] dying with cancer, [and you know, say] come back and be well again? [You know if they invented something] like the Salk vaccine...*

He said: *...say for instance, what if science [could find] ... a little medicine that they could put in a spoon, and [you] could pour it in an old man's mouth, or an old woman ninety years old, and watch it... [watch] ...the patient for about one minute, and see them return back to a young man and woman, [amen] that [they] would never die?*

He said: *... [The] Nations would scream ... the whistles would blow. [They would say,] "Death was over: No more old age, no more death, we've conquered it." He said: ... Men are trying to find that through the resource of ... literature, or culture, education [and] science.*

But when he went beyond the curtain of time, the Angel told him, "Do you know this woman here? She was ninety years old." Hallelujah! He said, "She'll never be old again." Science is trying to find that. But a Prophet found it in the Word and he revealed it to us. Hallelujah!

Now, watch something. So he said: *What makes them look for that? [What makes them look for it?] Is because that is existing somewhere. That's the reason they hunger for it. [Like] David said, "When deep calleth to the deep..." [He said:] Before there can be a deep calling, there [must] be a deep to respond to that call.*

Amen. And he told the story: This little boy was in school and every time his mother gave him a pencil, he would eat the eraser from the pencil. Every time he came home in the evening, "Where's your eraser?"

"I ate it, mommy."

One day they found the boy... The crave was so strong, he was hungering so much, his hunger became so intense that no little eraser from a pencil could satisfy him anymore. Amen! They found him eating the pedal of the bicycle. Hallelujah! I hope you are eating the pedal of the bicycle tonight. Amen. Some people only want to sit and eat a little eraser now and then – read one little tract or a little Spoken Word. They look at the Seven Seals and the Church Ages book – that is a big pedal. Amen. But if there is a deep calling, (hallelujah!) you will eat until you get satisfied.

When they examined the boy, his body was craving for sulphur. Is your body craving for faith and virtue and knowledge? Does that soul inside of you, have a crave for love and peace and joy; to walk in the Power of the Spirit; to live in victory? Then you have to crave the Word. Amen. In this Hour, God is not preaching to people's minds, that you're going to sit there and figure it out. He is preaching to a crave (hallelujah!); not people who want knowledge to debate and argue. Not at all! He said, "Don't you feel that crave? Amen. It's Evening Time. Don't you feel that travail on the inside, that perfection, that theophany calling you to a perfect place?" Hallelujah!

There is a crave, friend. Amen. There is a Vitamin that is going to grow that soul into the image of that theophany (hallelujah) until you and that theophany becomes one. Rapturing faith is lying in this Message. As you take in the Vitamins, it will take you to the Father's house. It will take you to that theophany. Hallelujah! Glory! Amen.

So man has been trying to find that through science. And the Prophet said on a message called, *Image Of The Beast* [1954-0515, para. 158-57 -Ed.], he said: *Science has taken man forward, [listen to this] more forward, greater things with his mind... (and that's the only thing he has, is the tree of knowledge)--farther than the ministers [has taken] him with his spirit, which is unlimited.*

On a message called, *Have Faith In God* [1954-0900, para. 13 -Ed.], he said: *What's the matter with us, the Christians? We've laid down on our job. ... Science has taken men farther with his five senses than ministers has taken him with his soul, his spirit, which is super over his science.*

What is the achievement of this Day? He said, "To leave the earth." He says, "They're trying to go to the moon. Today they're trying to go to mars but we are going to the Marriage Supper. We are going to the theophany." Amen. "We are going back to a faith civilization." He said, "And science is taking man farther."

They are trying to come back young; remove the wrinkles off their face; exercise and extend their life. Amen. They have all the different formulas of diet – laying aside every weight (hallelujah) because they want to go in another body. They are trying to build a house in the heavens. They are trying to bring forth children without having sex. Amen. They are trying to preserve the earth from being destroyed. Amen.

Look where science has taken them. They have man walking in space with a backpack, (amen,) astronaut power; floating in space out there. Amen. And he said, "Ministers, they have held the people so earthbound; chained them down in a lower order, in a realm of speculation, in a realm of imagination; in a realm of unbelief. But this is the Hour the angels have come. King Theophany Jesus is here amongst us now." What for? He has come to take us to the mansions in the Father's house. Hallelujah! Glory be to God in the highest.

What is happening? We are getting ready to change dimensions. The Message came for preparation. The Pillar of Fire, the Heavenly Astronaut, a uniting time, has come down to unite with a people; to open up a mystery hidden in His Word – the hidden secrets of Redemption. There is no higher order to reveal His

Word than by prophets. Amen. A prophet is a higher order than a theologian. And a prophet with a prophetic message could raise us up where a theologian with a denominational concept, cannot raise us up. Hallelujah. Glory! What an Hour that it is!

So when man fell, when he dropped down from that spiritual realm into the natural realm, he began to try to find a way out. But he couldn't escape this dimensional prison until one day, the Word was made flesh. Here came a Man walking on the water. Here came a Man, Who could speak to the storm. Here came a Man, when He carried them on the mountain in Luke chapter 9, also in Matthew 17, where He was talking and communicating with Moses and Elijah; where He passed on into immortality. He hadn't even died yet but He showed that the power to transform Him, was on the inside of Him (hallelujah) and He passed on into an immortal state.

And Peter, in 2<sup>nd</sup> Peter, before Peter died, Peter was trying to warn the Church. He said, "We have not followed cunningly devised fables. We were eyewitnesses of His Majesty. We were with Him on the holy mount, (amen) when He made known His Coming, His Parousia and His Dunamis, His Power; His Coming and His Power." Peter said He was revealing that.

The Prophet opened up the mystery. He said, "Here is Jesus glorified. Here is Moses – the resurrected saints." He said, "Moses is mentioned first: Moses *and* Elijah; not Elijah and Moses. Because the dead will rise first." That was where they got ahold of the secret of the order of His Coming. Amen. He said, "Many of you standing here, will not see death until you see the Kingdom come in power."

He was rehearsing His Coming; when His kingdom will come into Power at His Second Coming. Elijah represented the translated saints. Peter, James and John were the 144,000. He said, "The mountain was a type of the Pyramid City. Below the mountain, all the

multitudes of people who waited for them to come down, represented the nations on the earth. So here was a whole picture of the Coming and Peter said, "The Voice spoke from the excellent Glory." Hallelujah!

What was God doing? He was rehearsing the Coming. We are in that Coming now. We have come from the rehearsal to the reality. We're not in the rehearsal now. We are in the reality now. Hallelujah! This is the Hour when all these things are going to be made real to the elected. Amen.

So man was trying in desperation and every discovery they made in science, it only produced more death. From the very beginning, God had given the promise of Full Redemption. He said, "The Seed of the woman is going to come – the Way, the Truth and the Life." He was the Way, the Truth and the Life. "No man could come to My Father except through Me." Is that right?

In Hebrews chapter 2, Paul said, "God made man in His image, (quoting Psalms 8,) gave him dominion; crowned him with glory and honor." Then he said, "Man fell and we see, not all things are under his feet." But he said, "But He was made lower than the angels, took on Him the seed of Abraham, (hallelujah!) came to destroy him who has the power of death, that is, the devil, and bring these sons back unto glory." Hallelujah! And this is that Hour when the glory that we shall put on, amen, that full glorified body in the Resurrection. We do groan within ourselves that this mortality might be swallowed up of Life.

So, God was giving the promise when Adam fell. The Seed promised the woman, was going to come. The Robe that man lost, God gave him a temporal robe through the death of a lamb, telling him, when the real Lamb comes and die, the Robe will come back – the baptism of the Holy Spirit, (hallelujah) the right to the Tree of Life. Man tried to stretch forth his hand and take from the Tree of Life but the four cherubims were guarding the way to the Tree of Life.

But in this Day we saw the Tree of Life, Jesus Himself, come down in Revelation 10, with the Fruit of Eternal Life in His hand – a Book opened and we saw a Voice telling man, “Go and take. Stretch forth your hand now and take of the Book and eat It, (hallelujah!) and live forever (amen!) because I am the Bread of Life Who has come down from Heaven. If a man eats of Me, he will never die.” And in Revelation 10, we see Him coming down from Heaven, another Mighty Angel, the Bread of Life Himself, hallelujah; the Tree of Life that was in the Garden Of Eden, coming back with the Fruit. What is the Fruit? On *Anointed Ones In The End Time* [1965-0725m, para. 59 -Ed.], the Prophet said, “The Fruit is the teaching for the season, (amen!) the true Word.”

Catch this! What caused man to fall from that higher order into the lower order? They listened to a perversion of the original Word. How is God bringing man back to the higher order? By the original Word being restored. Amen! That is why those mysteries had to be revealed. These Divinely revealed mystery Truths contained in the Seven Seals, will literally turn your heart back; will give you faith to be changed, that this mortal will put on immortality. Because that’s the Vitamin in the Fruit from the Tree of Life. Rapturing faith is lying in the Fruit. Hallelujah. Stretch forth your hand.

Now the cherubim is not guarding the Tree. The cherubim is pushing man back to the Tree. Hallelujah. Bringing you back to the Tree because this Word has come back. What for? For us to go back to Eden, back to the faith civilization. Is that right? Amen. Glory.

So God had promised that the dominion was going to come back as well. The Robe will come back, the right to the Tree of Life will come back; the dominion will come back. It has all come back in the form of this Message. I trust the Message means that to you. This Message is your Bridegroom. The revealed Word is your Mate. This capstone revelation is revealing one Person – Jesus Christ. Amen. He is the Principal Theme of the

entire Bible. And this is the Message that has opened up the whole Secret of the Bible. Amen! Hallelujah. Glory!

So God had promised that He was going to come back. And God began to give types and shadows. And one of the first ones that God gave was Enoch, (hallelujah) showing there was an Age that was going to come, that man wouldn't have to die. A man will leave this world and go to a next world, that man can't see with the eye. He will go right into that next dimension. Somehow, he will be loosed from the chains of gravitation. He will be freed from this dimensional prison. He will leave time and go back to eternity without seeing death. Amen!

Then God took Abraham and Sarah and God turned them back young. And God was saying, "I am going to wipe away your old age one of these days. Do you know at what time it's going to be? When the Son of Man is being revealed in a Day like Sodom and I will give you your last sign before the change, so you will know when you're getting ready to put on immortality."

Watch it! In Enoch, He showed the seventh from Adam, amen, which would make him the eighth. Eight speaks of an eternal Church Age; (amen!) the Rapture Age. It's the same revelation but He was unfolding more of it. In Abraham and Sarah, He'll wipe away their old age.

Then in Elijah and Jesus and also Enoch, He showed that there was a law man will break into – a law of ascension that will cause man to be lifted off the earth, (amen!) where he'll no longer be trapped. Amen. In all these types and shadows, God was showing that one day would come where we wouldn't have to die. We'll leave this body—we'll leave this earth, rather. We'll change this body. We'll change dimensions.

Paul began to preach it. He said, "We shall not all sleep." He said, "We who are alive and remain unto the Coming." Jesus was speaking it: "He that believeth in

Me will never die.” Those are the Raptured saints. “And though he were dead, yet shall he live.” Those are the Resurrected saints. Hallelujah! So they were speaking it because they saw it in type, being unfolded down through the Old Testament. Amen.

Could we go on a little further? Turn with me quickly to 2<sup>nd</sup> Kings, let’s read some more Scripture. Just a little while longer! Verse 1; chapter 2, verse 1:

*<sup>1</sup> And it came to pass, when the LORD would take up Elijah into heaven by a whirlwind, that Elijah went with Elisha from Gilgal.*

Did you catch that? Do you realize how that is written there? “When the Lord will take Elijah up into Heaven by a Whirlwind.” That was the time he left Gilgal and he began to move towards a meeting place to unite with the Supernatural, a rendezvous. Amen. Hallelujah! Now what are we catching here? Enoch knew he was going up and he knew that judgment would come after he left because by revelation, he named his son Methuselah. Elijah now, was getting ready to be taken off the earth. Enoch was a type of the Bride.

Abraham and Sarah were a type of the Bride. Abraham and Sarah knew they were getting—next twenty-eight days they were going to be changed back young: “I will return according to the time of life.” A year before that, in Genesis 17, God said, “According to this time next year, Sarah will have a son.” Then in Genesis 18 when Elohim came, He said, “Next twenty-eight days.” So from a year, it come down to twenty-eight days. The expectation was getting greater when their youth will be restored. Do you think we will know when we’re coming into that season? Enoch knew when he was going. Abraham and Sarah knew when they were going to be changed. Elijah knew when he was going. Amen.

Now watch. Enoch was walking with God. The Prophet said, “That little sister might be walking over to the Pastor’s house and she’ll come up missing. Those mystic lights, those UFO’s, they will drop down and pick you up one of these days.” Hallelujah. You won’t fly off into Heaven somewhere. It’s just another dimension faster than this one. Hallelujah.

Now watch here. So Elijah is a type of the Bride too, who will be translated. Enoch was the first Rapture in the Bible. Elijah was the second Rapture – a further unfolding of the mystery of the Rapture because it was all speaking of the great Rapture, when there will be some people who will not die. They will pass right on into immortality and leave this dimension. Amen.

Let’s drop down to verse 9, to save a little time. Between there Elijah told Elisha, “Stay at Bethel; stay at Jericho.” But he said, “No, no, no, no, no.” Amen. He wanted something. To find out what he wanted and why he wanted it – don’t turn to it, but it’s in 1<sup>st</sup> Kings 19. That is where Elijah had waved the mantle over him and he had a taste of the Supernatural. He felt the power of the blessings. Amen. So look! Before Elijah is taken away, verse 9:

*<sup>9</sup> And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I [am] taken away from thee.*

Notice that Elijah knew he was going. He said, “Before I am taken away from you.” Amen. He knew it was time to leave.

*...And Elisha said, I pray thee, let a double portion of thy spirit be upon me.*

*<sup>10</sup> And he said, Thou hast asked a hard thing: nevertheless, if [you] see me when I am taken from thee, it shall be so unto thee; but if not, it shall not be so.*

*<sup>11</sup> And it came to pass, as they still went on, and talked, that, behold, there appeared*

*a chariot of fire, and horses of fire, and [separated] them both asunder; and Elijah went up by a whirlwind into heaven.*

That word 'whirlwind', in the original Hebrew, it's the same word as 'Pillar of Fire'. Amen. So what was it that came to take him away? It knew exactly where he was going to be. And while they 'walked and talked' – normal everyday activity. You see people today talking about the Rapture...

There were some people in Seoul, South Korea and they were all gathered in a church waiting to be translated; fasting and praying. And the day came and they never left the benches. They were deceived. They didn't know what they were looking for. They know there is going to be a Rapture, they know it's promised in the Bible, they know this is the Age for it but that is about all they know and they can't move into it and receive the Rapturing faith.

Look at the Millerites [Followers of the teachings of William Miller -Ed.], in 1844, they all gathered on a mountain with their wings, getting ready to be taken off; same Seventh Day Adventists. And then a sect of the Seventh Day Adventists, look at them in Texas here recently, talking about the Seven Seals and the Coming of the Lord and all these things. They know it's promised in the Bible. They know it's for this Age but they can't recognize it. They can't see the unfolding of it, so they can't move into it. And they're sitting there with their imagination. And they want to fight everybody and 'shoot up' the place with a false concept that is not according to the Bible. Amen. Hallelujah.

But look at the Bride, brother, She is putting on the Robe. She has already changed atmosphere, already changed nature; feeding on the Vitamins; being formed into the Word image; will change this body; will change dimensions. She's already in the cycle. It's in the process of fulfillment! And She is living an everyday life – 'while they walk and talk.' Hallelujah!

Enoch was walking with God, talking with God, worshipping God and he was not. The Pillar of Fire took him away. Here is Elijah walking with God, talking with God, walking with Elisha, telling him about the Rapture. Like you're walking with your family. You know you're going to go one of these days. On your job, you're talking to your friends, you're telling them you will go one these days. Because the Rapture is a revelation only for the Bride! "And the Holy Spirit, the Pillar of Fire has come down to quicken and make alive those people who are foreordained of God to go into the Rapture." [1965-0410, para. 15 -Ed.] That's a quote. Amen. Glory!

So watch and see the Hour. Watch the reality of how it's coming to pass and watch the way the Prophet expressed it: A little girl walking going down to the house and one of those mystic lights comes and picks her up. [1965-0822m, para. 68 -Ed.] Amen. Her normal everyday activity. Not trying to be strange, not trying to be odd to be a believer, not trying to separate themselves and feel they have something special but in love, in sweetness; with faith and power; with reality. Amen. Glory. And watch. It goes on to say:

*<sup>12</sup> And Elisha saw it, and he cried, My father, my father, the chariot of Israel, and [its] horsemen thereof. And he saw him no more...*

He slipped past the curtain. He had slipped past the curtain. He went beyond the optic nerve. He was taken out of his sight. Hallelujah. This same Elijah will come back in like manner as he was taken, to preach for three and a half years. Amen. Glory!

Brother, you watch and see, it's coming into an Hour friends, it's not playing church. It's a reality amongst God's people. We are coming back into that higher order. We are sitting under a Message that has revealed the hidden secrets of God. And He is revealing those secrets, not to flirts. He is whispering these secrets

in the ears of His Bride, Whom He has close to His bosom. Hallelujah! It's a love affair with Jesus and His Bride. It's a tremendous time.

Let's turn to Acts chapter 1. Luke 24 and Acts 1. Because Luke wrote the Book of Luke and he also wrote the Book of Acts. Verse 50, chapter 24. [Luke 24:50 -Ed.]

*50 And he led them out as far as to Bethany, and he lifted up his hands, and blessed them.*

Notice Elijah had left Gilgal and went to the Jordan. Notice Jesus had met them on a mountain in Galilee. He left Galilee and He went out to Bethany and when He reached that spot:

*51 And it came to pass, while he blessed them, he was parted from them, and carried up into heaven.*

Because He was the antitype of Elijah. Is that right? Sure! Watch, it's written the same way. While they talked, while He was blessing them, (amen,) that Whirlwind of Fire, that Cloud, that Amber Cloud, that Pillar of Fire came whirling down and picked Him up.

Let's see! Acts chapter 1. That's the third Rapture there. Verse 9:

*9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight.*

He slipped past the curtain. He was in a realm of time. He was in three dimensions. He was talking with them. He ate honeycomb and broiled fish with them. They touched Him, they handled Him and then He left this dimension and He went into another dimension and they remained bound by the law of gravitation. But something had happened to Jesus' body in the Resurrection. Hallelujah! He had put on immortality and He moved right into that other dimension. Gravitation couldn't hold Him any longer. Hallelujah.

That word 'Cloud' is the same word used for a 'Pillar of Cloud' in the Old Testament. It's the same word

where it says, “We will be caught up in the Cloud to meet Him.” That Pillar of Fire, that Whirlwind, that Cloud, it’s the same word. You take your Hebrew Lexicon and your Greek Lexicon and check it and see. It’s the same word. Amen. It’s always from that Unseen realm, friends.

I trust tonight and in these next few services, God will change the atmosphere around you. He’ll begin to pour the Vitamins into your heart and begin to anoint your faith and begin to—you’ll begin to see yourself ascending into a higher order. You will be a different kind of father when you go home. You will be a different kind of mother when you go home. You’ll be a different kind of young man, a different kind of young woman; a different Minister, a different Deacon, a different Trustee – the same person but in a higher realm with a greater faith. Hallelujah. Glory!

Let’s turn to Revelation chapter 3—11, rather. What about Jesus? Did Jesus know He was going? He said, “I must go otherwise the Comforter cannot come.” Do you realize Jesus knew He had to be taken away? He said, “Go and tarry in Jerusalem.” Catch my thought here. Enoch knew he was going. Elijah knew he was going. Jesus knew He was going. Do you know you’re going? Are you walking with that faith? Is that revelation in your heart? Are you raised up into that realm? Hallelujah! Do you have that testimony that you please God before your translation?

Revelation 11. Look at Moses and Elijah after their ministry has ended. Verse 7:

*<sup>7</sup> And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.*

*<sup>8</sup> And their dead bodies shall [be] in the street of the great city, which spiritually is*

*called Sodom and Egypt, where also our Lord was crucified.*

*<sup>9</sup> And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves.*

*<sup>10</sup> And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.*

This is in the time of that world state, when the Beast is ruling over Protestants and Catholics, amen; when he is controlling all trade and commerce. And these two prophets came. They were prophesied in the Bible they were going to come. It said how long they were going to preach. It said how they would die. But the nations would be so blinded, they would not even recognize that that is the fulfillment of the Scriptures. Amen. And watch something, verse 11:

*<sup>11</sup> And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.*

*<sup>12</sup> And they heard a great voice from heaven saying unto them, Come up [here]. And they ascended up to heaven in a cloud; and their enemies beheld them.*

That word 'Cloud' is the same word, the same word that Jesus was 'taken up in a Cloud'; the same word like that Whirlwind, that Pillar of Fire. It's always there to lift them off the earth. Amen. Glory! Something is happening.

Moses and Elijah, when they come, being prophets, they will see where their ministry is in the Bible. They will see what they will have to do. Just like Jesus, He knew He was going to die. He said, "My hour is come. The Son of Man will be entreated evil. He will die. As

Jonah was in the belly of the whale, so the Son of Man will be in the earth but He will rise on the third day.” Amen. Jesus knew it. The same way, Moses and Elijah will see their position in the Bible, will know how they will die, will know they will be raised up and they’ll know they will ascend.

So Enoch knew he was going. Elijah knew he was going. Jesus knew He was going. Moses and Elijah will know they will be going too. They all knew when they were going to connect with that Cloud, that Whirlwind, that Pillar of Fire, to take them away. And we are told, “Those same mystic lights will pick you up and take you out as well.”

Now watch friends, what we’re saying: they knew where they fit in the Scriptures. They knew their Hour. They knew the place where it was going to happen. Jesus knew He had to die in Jerusalem. They will know they have to die in Jerusalem too. The city where our Lord was killed. Their bodies will stay there. And the same way Jesus steadfastly set His face towards Jerusalem and He went up to Jerusalem to die in the appointed place, at the appointed time because He knew where He fit in the Bible, they are going to know it the same way. And they’ll know where their ascension will take place. Jesus knew where His was going to take place. Elijah knew where his was going to take place. Hallelujah.

Are we living so close to the Unseen World where we are conscious of the Unseen World; where we are conscious of the Presence of the Lord? Do you realize in this Hour, we have to walk a little closer? It’s not something that’s going to just drop on you like that. The revelation is being put into your heart now. The Mind of Christ is coming into the Bride, so She knows what He wants done with the Word. Amen! And She is laying in that Word day and night because She knows that is the only way it’s going to be revealed to Her. Amen.

And so we realize all these laws, that if we have to go in the Rapture, then we must have a law of resurrection. We cannot go in the Rapture, if a law of resurrection doesn't go into motion to bring up the sleeping saints. Then there must be a law of transfiguration, a law of transformation, to change your body. Then there must be a law of ascension. It's not just going in the Rapture. They didn't just go, friend. They were freed from this dimensional prison. They were linked up with the Supernatural. They were in close contact with the Unseen World. They had a revelation of the time and the season. They were in the rhythm of the Word. They knew every junction; the change of beat. They were in the Spirit of the Composer.

How did the Prophet know to go to Arizona to meet the Angels? He was given a sign: "When they begin to make this road through your yard." It was the same time the vision came. Amen. And the dreams and all these things, showed where he was going to be. How did Jesus know to go into Jerusalem at that time, that He wouldn't go to Bethesda or Galilee? How did Elijah know to leave Gilgal at that time? Do you see what we're talking about? Amen.

All these laws, we realize, are evident and are at work, in operation, in this great Rapture mystery. Amen. Because they will be travelling at the speed of thought, moving through the walls. All these things that are miraculous in this world, it's only laws of a higher order. Amen.

Amen. I'm going to stop. I know it's hot. We're going to pick it up tomorrow. But just let me make this last comment. The law of faith is a higher order than the law of unbelief. The law of Love, is a higher order than the law of fear. The law of Light, is a higher order than the law of darkness. Amen. The law of justification is a higher order than the law of condemnation. The law of immortality is a higher order than the law of mortality.

We must ascend into a higher order now. Because in that order of Melchisedec, they can't sin there, they can't get tired there; they can't die there. Amen. And that is what we bypassed and dropped into this realm. And since Eden, man is trapped here. But what is the Rapture? It's going to free us from this prison. Hallelujah. We'll come back to the earth. This is our home but we'll not be trapped here.

Even when the New Heavens and the New Earth are coming and that Holy Fire is going to cleanse the atmospheres (amen) and bring on the New Heaven and New Earth, where will the Bride be? We'll just leave this dimension and go back to that heavenly dimension and then we'll come back down on the earth, when it becomes a New Earth. Amen.

So this whole mystery of the Rapture, is being freed from these three dimensions where we are bound, where we age, where we die, where we get hungry; where we have sickness and pain. Amen. But the Word, faith has found its bedding ground. The Word directly from the mouth of God, the very thoughts from the Mind of God, coming directly through a Prophet who was the mouthpiece of God, who had no thoughts of his own, who was a eunuch to the Word, (hallelujah!) the thoughts of God, dropped right into our hearts to begin to pick us back up. Amen.

Look at this law of resurrection, it's a higher order than the law of death. Lazarus had his health interrupted. What is sickness? An interruption of health. Amen. He was well, he was doing his work but he became sick. He began to descend into a lower order – from health to sickness. And he began to descend and descend and then he dropped into a realm of death. And he went lower than that – he descended into a realm of corruption. Amen.

But then Jesus came – the Resurrection and the Life; He Who was that Theophany after the order of Melchisedec, that higher order from which man had

fallen. And Jesus possessed the laws of the faith of that civilization. And He brought into effect a law of Resurrection. And when He called Lazarus, He raised him from corruption, and then He raised him from death, and then He raised him from sickness, and then He restored him to life and health. And He brought him right back up into the order that he was in.

And when that law of resurrection was withdrawn, the law of death stepped back in. And Lazarus died a second time and went into corruption a second time. But as long as that law of resurrection was in effect, it was a greater law than the law of sickness, than the law of death; than the law of corruption. Hallelujah! Glory!

What happens when a man walks into a church with unbelief? The Bible says, "The law of the Spirit of Life in Christ Jesus, has made us free from the law of sin and death." Is that right? Because the law of the Spirit of Life is a higher order than the law of sin and death. Amen! It's a law of spiritual resurrection.

If the same Spirit that raised Christ from the dead dwells in you, It will quicken your mortal body. The law of the Spirit of Life, bringing a law of spiritual resurrection. It's raising you up from condemnation, from doubt, from fear. It's liberating your soul from the bondage of the law of sin, where you could walk by faith and not by sight; where you could begin to live in victory and not be entangled in the affairs of this life. You delight yourself after the law in the inward man. Hallelujah. You're no longer being brought into captivity.

What happened to the Galatian Church? They were walking in the law of liberty. But what happened? Some men preached a perversion of the Truth. They perverted the original Gospel and they brought them back under the law of observing holy days, of unbelief, of trying to justify themselves by their works – a law of fear and doubt; a law of condemnation.

And what did Paul do? He began to speak the Truth again and it lifted them back up. He said, "Stand fast in the liberty in which Christ has made you free and don't be entangled again in the yoke of bondage." What was it? He raise them back up into a higher law – a law of faith. Hallelujah! Oh, thank You Jesus.

The law of ascension is a higher order than the law of gravitation. Because Jesus, Enoch, Elijah, they got ahold of that law and they broke the law of gravitation and they left this dimension and they went into another world. Amen. Glory.

Let us stand to our feet. All of these laws are being revealed to us in this Message – the law of that faith civilization that we are going back to, where we walk by faith and not by sight. This revelation of the Rapture, my friends, this place we are walking into, this relationship that we are being established in, this Light that is brightening up our lives, lighting up our pathway, bringing us into that perfect Day, where we shall know as we were known, walk in that Light. Live in that law! Ascend into that higher order.

You watch over the next few days and you will see that God in this Hour, is moving His people into a realm that the world knows nothing about. Amen. We are getting ready to leave here, friends. You sit in these churches, you sit under the ministry of these Pastors, you hold that Word in your heart and you will not be disappointed.

But if you have been kind of walking halfway, not listening closely, then ask the Lord and maybe you will realize what those Ministers have been speaking to you, trying to get your soul into a place in this Hour where you will put on that immortality. It's all around us but we must know how to move into it, how to link up with that Unseen World; how to link up with that theophany, that perfection, that is pulling upon us, causing us to crave and become homesick to go where Jesus is. He is

going to come and take us away that “Where I am, there you may be also.”

Let us pray.

Almighty God, in this hot building, Lord, where it has become so sticky, Your people have been patient. They have shown great character and love for the Truth, that they sat attentively, listening to the Word. I pray You would make It real. Lord, I had to cut the message short but I pray that it will become clear to them. That they will enter into that realm Lord, they who are not walking there. And they who are walking there, that they will become so established, that their faith would be so anointed, that such a Rapturing grace would sweep over the people.

Oh, may the Love of God lift them up. Love lifted me. Grant it tonight, Father. Lift us up on higher ground. Bring us into the higher order. Let us live by those higher laws, the law of perfect faith. Grant it tonight, Lord. Bless Your people. May these Words be hidden down in their hearts and may the Holy Spirit brood upon It and create a perfect faith that they will have faith to be translated, a testimony that pleases You, even before they are translated. Would You do that, Father? Oh God, may You grant it. We ask it in the Name of Jesus Christ, for Your honor and for Your glory, amen, amen.

God bless you tonight and God be with you as I turn the service back to the Pastor.
