FLIGHT TO A WORLD CONFERENCE

by Gordon Lindsay

It was eight o'clock in New York City and the hour of departure for delegates to the World Pentecostal Conference at London — having been set at midnight, June 24 — was drawing nigh. Approximately sixty persons were waiting to have their baggage checked preparatory to being taken to the International Airport at Idlewild, Long Island. The airport personnel informed us that we were 1500 pounds overweight and consequently much baggage had to be left behind. Because of the bus strike, passengers were taken to the airport in taxicabs by drivers who wove their way swiftly through the mad traffic of America's largest city.

Shortly after midnight we strapped ourselves in the chartered four-motored FLYING TIGER. The pilot taxed out to the runway, tested the motors, and after a united prayer we braced ourselves for the anticipated take-off. Then came the anti-climax. The stewardess informed us that due to mechanical difficulties, we would be subject to a "slight delay." By the time we had evacuated the plane, the cowlings had already been taken off and mechanics were giving the motors an overhauling. The "slight delay" turned out to be seven hours. By then some of the passengers were skeptical of the plane's ability to make the flight in safety. Only after a speech by the captain who assured them that all would be well, were we ready to undergo the waiting game. A few minutes after 2 a.m., we were in the air, and on our way toward Gander, Newfoundland.

Because the plane was overloaded, the captain of the FLYING TIGER decided we could not carry enough gas for a non-stop transatlantic crossing, and so plans were made to stop at Iceland. Although this little country near the Arctic Circle was far out of the way, most of the passengers were pleased that they were able to visit this island of the north, which is populated by descendants of the Vikings. On the way to Iceland we were permitted a rare view of the Midnight Sun. Although we were a trifle south of the Arctic Circle, we gained a couple of degrees because of our altitude. Shortly after eleven o'clock the sun was on the horizon. For a half hour the sun skinned the horizon, neither rising nor setting. Then for a brief time it dropped below the horizon, only to disappear again, just before the plane dropped through the clouds to Iceland. Thus there was no night on our trip. At noon we were in Amsterdam, and shortly after, we crossed the English Channel arriving at the Northolt airport of London at about three in the afternoon.

The following evening, the World Pentecostal Convention opened in Westminster Central Hall. There were 700 delegates registered from countries abroad, with the main delegations from America and Sweden. Preaching was to be done mainly in English with a Swedish interpreter on the platform. Interpreters for other nationalities were scattered through the audience. Some sixty flags hanging in the balcony, reflected the cosmopolitan nature of the gathering. The evening service of the first day of the conference consisted of the introducing of leading ministers from various parts of the world.

The following afternoon was marked by the wedding of our former assistant editor, Miss Anna Jeanne Moore to Rev. Don Price, an American evangelist, who has been conducting meetings in Europe during the past year. The wedding ceremony was performed by an English vicar in St. Margaret's Church which adjoins the famous Westminster Abbey. The Arch-bishop of Canterbury kindly granted permission for the use of the church, which ordinarly is used for nuptial ceremonies of English nobility. It was a very convenient location, for St. Margaret's is just across from Westminster Central Hall where the World Convention is being held. Incidentally, these edifices together with the Parliament building, and Westminster Abbey, almost completely surround Parliament Square — perhaps the world's most famous square.

After the wedding, the young couple went out to the center of the square where a photographer took pictures of the newlyweds. These proceedings soon attracted the attention of all those about the square. In a few moments a newspaper photographer who had gotten (Continued on Page 17)

VALDEZ' MOVING STORY:

My Call to the Healing Ministry

For days those doctors nobly fought for the life of my devoted wife. She was given penicillin and sulfa drugs to bring down the raging fever in her body. All attempts to save her began to fail one by one. It was one disappointment after another as she returned from the hospital, we began to make immediate plans to leave our parish and lead God's people into the field to which He had called us.

My First Vision. One night, soon after this, God gave me a marvelous vision.

I was awakened out of my sleep by the sound of voices singing. The song they were singing was in a foreign language, and I refraimed, and was a plea for Jesus to help them. It was not a song of triumph and victory, but a song of sadness and pleading for help.

As I sat upright in my bed listening, a panoramic picture swept before my eyes. I saw that God had given us the church, and was in a desperate need. These people showed the marks of pain and suffering and intense agony. A man walked up to me with his sick eyes. He was about to die of starvation. I understood his death. Her face was distorted and lined with agony. The man said, "Please pray for my wife that God will heal her, for God has seen her." I wept with pity for them and said, "My friend, I wish I could do something for you, but the power for which I had in gone and I can do nothing for you."

The man's countenance dropped, and in great sadness he said, "If you can't help us, then we shall die in this place."

Quickly, I realized that since God had entrusted me, at one time, with the gift of healing, I would be held responsible at the day of judgment for not fulfilling the need that people in the calling which God had given me.

Power Returns. In desperation I cried unto God and said, "Dear God, trust me with this gift just one more time that I might minister to these poor and needy people.

I heard that cry of my heart, and immediately I felt my body surge with healing power and I placed my hand upon this poor, sick woman. She was instantly healed and received from her husband's arms every whit whole.

Immediately there appeared a blind man standing right before me. "Dear God," I looked where he was about to experience another supernatural vision, it seemed I had been ministering to these afflicted people for hours, when I no- ticed that the whole. A New Song as Vision Ends. In this vi- sion, it seemed I had been ministering to God's afflicted people for hours, when I noticed the mournful song that had been sung by this great multitude had faded away, and from the opposite side came a heavenly an- them of joy and gladness. I looked where the sick and afflicted came from and saw the number had diminished to a mere handful.

From the opposite side, I saw these same people, but now, instead of showing the marks of pain and agony, there was joy and happiness written on their faces. They were rejoicing and singing their new song. They sang a new song. Rather then the song in minor refrain, it was a song of triumph, victory, and joy, and their faces were radiating with gladness.

The voice then spoke to me, in the vision, and said, "These afflicted I am sending you to, for my Blood was shed for them. Take this message to the nations and be thou faithful unto death and I will give thee a crown of life."

I Leave My Church. We had already made plans to leave my church, and I shall never forget the day the Lord had for- tified us with His presence. It was a day when the ties which held us to the little church we loved so well, the parting made our hearts to bleed, but we knew God was in it all and wanted to do His will. We went to Lake Charles, Louisiana, and conducted a two weeks' revival. God blessed in a very sweet way during that revival. From there we went to several other places.

My Second Vision. Then one night I was awakened out of a deep sleep by a presence that entered my room. The glory of the Lord begat to charge the atmosphere of that bedroom. The fear of the Lord came upon me and I began to quake.

As I looked up, I saw the ceiling of that dark room begin to fade away, and in the distance appeared a light slowly descend- ing. My eyes followed this glorious light until it had come right into my room, and as it came, I perceived that the dazzling words cannot describe this marvelous heavenly light. Where my room had been completely dark just a few minutes before, it was now light as if the sun had entered. The designs of the wallpaper could be plainly seen and every detail of the room was clearly visible, and nowhere could any shadows be seen.

A Pillow Descends. Following this light, there appeared a pillow coming down from heaven to rest on my bed. It struck my heart and I turned my head from the sight of it. I knew that pillow would be revealed to my eyes a sight that would forever beam upon my heart.

Then I began to feel the pillow rest upon my chest. As I did, I cautiously and slowly turned my head. There lying upon that pillow was the likeness of our younger- est child, my little boy! Yes, this man-child which we had prayed for, God had given us. I then heard a voice saying, "This child which I have given thee, wilt thou give back to me?"

I was stunned for a moment, but I realized God's voice had spoken. I had understood that He had struck my heart and I turned my head from the sight of it. I knew that pillow would be revealed to my eyes a sight that would forever beam upon my heart.

Then I began to feel the pillow rest upon my chest. As I did, I cautiously and slowly turned my head. There lying upon that pillow was the likeness of our youngest child, my little boy! Yes, this man-child which we had prayed for, God had given us.

THE VOICE • August, 1952
That afternoon the mayor of the city came down to see us. The people had seen the power of God and they were believing. Brother Bosworth said, “Brother Branham, if they could all get in here, there would be over 100,000.” The militia was there, and they said that people were streaming in over all the hills.

We couldn’t give out prayer cards; it was impossible. We told the missionaries to get three of each tribe and bring them in. And when we got to the platform, the first ones who came were Mohammedans. Some of them were very staunch Hindus. They had a red dot between their eyes. They had been “blessed at the temple.” They are hard to do anything with. Thousands of them stood in line and their chiefs, many of them were around watching.

One of the first ones that came was a man with a crippled hand. The angel of the Lord spoke and said, “He received that from a fall; he fell and hit a rock and hurt his hand. He has been crippled for a long time, but he’s healed now!” When the interpreter repeated it, he leaped into the air and was perfectly whole.

The next was a Hindu woman. She was told a about what happened with her. The Hindus began to scream. They believe in reincarnation and thought the spirit of some Hindu god had come back to mortals. Brother Baxter had to go to the microphone to stop that. It was a thrilling time.

A young British doctor who was sitting on the platform went and picked the little boy up. I heard Brother Baxter and Brother Bosworth trying to keep the man back. The doctor cried, “Preacher, can I ask you something?” I said, “Yes, sir.” He asked, “Do you straighten everybody’s eyes?” I said, “I didn’t straighten his.” But, the doctor said, “His eyes are now straight. He walked up to the boy who brought him here. The boy was pitifully cross-eyed, but he is well now. Does everyone that is cross-eyed get healed that you pray for?” I replied, “No sir, it is according to the patient’s faith in God.” He looked at the little boy again, and tears rolled down his cheeks. He walked up to the platform and said, “I, too, want to accept Jesus Christ as my personal Savior then.”

Some of the missionaries took him over to them. When I was leaving Johannesburg later, he cried to me, “Brother Branham! Brother Branham!” I turned around to him and he threw his arms around me and cried, “I believe I am going to be a preacher!” I replied, “I believe that God is making one out of you.”

Next coming to the platform was a man they had to lead by a chain. He had a collar on and he walked like a dog on his hands and his feet. No one could do anything for him. God showed me at that moment that he had been that way since a child. His hips were very high. I can’t tell how the poor man looked. You can imagine his condition and appearance with no clothes on. Then a vision came before me that he would be made well. I said to the missionary, “Stand him up.” They stared at me. I said again, “Stand him up.” They began to pull on him and the man stood up! He began to fall, then he stood straight and looked around. People began to jump to their feet and scream.

After the people had seen the mighty workings of God and Brother Baxter and Brother Bosworth preaching the Gospel with such force, it was impossible for them to get by without receiving the breath of Christ. When the altar call was made, it was estimated that 30,000 stood to their feet and accepted Christ at one time. I asked “How many of you are ready to believe that Jesus Christ is the Immortal God? Are you ready to throw down your idols and are you Mohammedans ready to renounce all your superstitions? Which of your priests in the temple could give this man perfect soundness? Which of the idols that some of you pack in your hands, could heal this man? There isn’t any power in them. But Jesus Christ the Son of God, through faith in His Name, has made this man stand here whole today! Now if you’re really sincere and you really mean this from the bottom of your heart, let all the natives break their idols and let the Mohammedans wash the red dot from their eyes. They believed in reincarnation and thought the spirit of some Hindu god had come back to mortals. Brother Baxter had to go to the microphone to stop that. It was a thrilling time.

There were a group of ministers who came to me five or six years ago and said “Brother Branham, you are crazy. You’ll never get that program over.” I replied, “God says do it: that’s all that matters to me. If He said, ‘Do it’ it will be done.” Standing there with the clergyman the other day, he said, “Brother Branham, it was estimated that three million dollars spent on a program without the power of God.” That’s right! Jesus Christ did it. Now it was told take these things to convert the heathen. You and I read and understand, and faith comes by hearing. But a heathen has got to see a proof. I just knew that I wanted to bring an AMAZING GRACE. God has done great and mighty works for us today!

A lady in America once said to me, “Brother Branham, there is hardly any use to come to your meetings. You just throw out a few cards, and perhaps a few in twenty-five.” I said, “I don’t pray for.” There has always been a confusion in the minds of people concerning this. Over in Africa the people understood right away. Just as soon as they saw a few miracles done, there was a rush of people concerning this. Over in Africa the people understood right away. Just as soon as they saw a few miracles done, they all celebrated by opening up champagne, but we celebrated by worshiping God.

On the way back from Africa I began to question, “Lord what must I do? Must I stay longer in a city to get to all the people who want to be preached to?” But Jesus Christ was thinking on this a terrible storm came up. We had traveled all night and it was now morning. I saw everybody acting nervous and I wondered what the trouble was. I asked one of the stewards, what was coming back and forth in the plane, what was the matter. The steward said, “You’re a minister, aren’t you?” I said, “Yes sir, God has told me.” I guess you don’t mind dying, do you?” I said, “Wait a minute.” He then explained, “We will be all right if we can hold out until we can get to a certain place up in Nova Scotia. We got into a storm awhile ago, and we haven’t enough gas to hold up more than twenty minutes longer.” We made it though and we were glad to get back on the ground. They all celebrated by opening up champagne, but we celebrated by worshiping God.

But after I got back home, I kept on praying about God’s will for me in the meetings. I saw Brother Bosworth a little later, and I said, “Brother Bosworth, it was a wonderful time.” He replied, “Brother Branham, it was the greatest in history.” Then he continued, “I want to say something, Brother Branham, you’re a brand new Brother Branham now. You’re ready to start anew.” I said, “Yes, but I am not sure what God’s will is for me, and I am not going out again

By William Branham
I believe it won't be long before the Lord will lead me into another meeting either in South Africa or India, and it will be three times the size of the meeting in Durban. I want to join my voice with St. Paul of old when he was on the ship and said that all would be well. When the hope of those on the ship was gone, Paul came up and said to the people, "Be of good cheer, for there shall be no loss of any man's life among you, but of the ship. For there stood by me this night the angel of God, whose I am and whom I serve, saying, Fear not Paul; thou must be brought before Caesar; and lo, God hath given thee all them that sail with thee. Howbeit we must be cast on a certain island. Wherefore, sirs, be of good cheer, for I believe God that it shall be even as it was told me."

I join my voice with Paul saying, "It shall be as God showed it unto me." Brother, Sister, the old-time Holy Ghost gospel has almost swept around the world. The other day we were talking to a missionary that was returning from Korea and he told me he had buried his wife there. She had died of a fever, and he had buried her beside a river. He told of persecutions. But he, also told of a great revival that had sprung up from somewhere and thousands had received the Holy Ghost. I believe with all my heart we are near the end. Some Assembly of God officials said, "Brother Branham, we'll send you to India, not to represent the Assembly of God, but just to go down there, for the people in that land are hungry to see those things and when they come to Christ it might change the whole situation."

The situation will be changed, I believe, at the Second Coming of Christ. I am convinced, as God's servant, that there are people right here in this building tonight that will never die of old age. They will see Jesus coming. I believe the hours are crowding thou shalt worship the Lord thy God." "Re-

joice all ye people of the earth for the king-
doms of this earth, have become the king-
doms of Our Lord Jesus Christ, and he shall rule and reign on the earth." Now notice there may be a change in the political field within the next year or so. And when it takes place there may be a panic. If politics change and the war situation becomes dif-
f erent, then you will see a panic the like of never before, and people will go crazy with fear. There is going to be a time of trouble such as the world has never known before.

I believe that God is giving this revival to get the people anchored to Christ for the great shock that is coming. If things go on a little longer, we're going to be bombed with the Atomic Bomb just as certain as I'm standing here. It will be one of these two things. We are headed for trouble. Remember this, if you haven't received Christ and been baptized with the Holy Ghost, don't let the sun rise until you receive Him!

There is coming a time when such things as plagues and germ warfare are going to be let loose upon the earth. But the angel

HE WAS DEAD
BUT NOW HE LIVES

By JUUKA ROKKA, Finnish Missionary
Bankok, Thailand

Rev. Lee Nygiap Sew, humble servant of God and pastor of Bankok's largest Presbyterian church, stood faithfully by Rev. Harvey McAlister's side in ministering to the sufferers in the healing meetings. Shortly before the close of the healing mission, this good pastor was mightily used of God in the bringing back to life of one who was dead.

Dae Sia Long, 38-year-old husband and father of four children, was the son of Chinese Christians. At the age of 18 he was baptized, but later he renounced his faith. He was such a drunkard, bringing much suffering upon his loved ones. They all were anxious to go at once and tell the news to the church, but Brother Lee advised him to take some rest and to wait until the next Sunday. He related the story of his experience.

The next morning at 8 o'clock he breathed his last. The doctor almost convinced that amputation was necessary, and the parents were in a dilemma as to what to do. The doctor went out of the room, the sick lad cried: "Dad! don't take off my leg, I would rather die!" But the doctor replied, "The longer we wait, the more we will have to take off." The boy was finally brought back to life.

The boy in running home from school had fallen and skinned his knee. Although there was only a scratch and his trousers were not torn, by evening the knee started to ache. The boy said his prayers and went to sleep.

The leg was quite painful by morning. But he went about his chores, for everybody in his family had to work. Two mornings later his leg was so bad, he couldn't go as far as the barn. By noon he was forced to go to bed. The mother was now alarmed. She bathed the angry infection, applied poultices, and called for the doctor.

Dr. Conklin examined the leg and remarked it was not likely that it could be saved. The boy when he heard this cried out, "Dad! don't take off my leg, I would rather die!" The brother accepted the charge.

The boy was brought back to life of one who was dead. Brother Lee, having great faith, took a piece of paper, wrote his name and description of his need on it and put it among the handkerchiefs being prayed over in behalf of the sick that night. Nevertheless, his condition grew worse.

December 19, 1951, this man was taken to the hospital due to terrible pains in his stomach, but the attending physician refused him admittance because the man was dying. The next morning at 5:00 o'clock he breathed what appeared to be his last breath. His wife, children, mother and brother were at his side. They cried in despair as they witnessed all the evidences of death: chin dropped down, eyes became glassy in appearance and turned upwards, body gradually turned cold and stiff. The man was dead. Preparations were made for the funeral. The body was stripped of its clothes and put in a shroud. His widow sent a messenger in haste for Pastor Lee, who reached the place two hours after the man died. Brother Lee was broken hearted for he knew the man was not ready to meet his maker. He cried unto the Lord, and, praise be to the Lord, the prayers of a righteous man availed much.

After praying, Brother Lee lifted the shroud and put his hand over the dead man's heart and felt a slight movement. He then discovered the pulse was beating. Lee placed his lips to one ear and cried with a loud voice: "God gives you back to life. Confess your sins and He will forgive you." The tongue in the open mouth began to move just a little and tears ran from those upturned eyes, though the body was still cold and stiff. "The tears," said Lee, "told me the sinner's heart was broken and changed."

Earnestly assuring the family the man would live again, Lee left home. After lunch, he returned and found the body had begun to get warm. One hand was able to move a little from the elbow and there were faint sounds coming from the throat. Again Lee left and returned again at six o'clock in the evening. Once more he prayed earnestly for the man's complete recovery. Then said Lee, "Fear not! God has raised you from the dead." At once the man raised his hands toward heaven and cried: "O Lord! have mercy on me and forgive my sins."

His eyes then became normal in appearance and, when he saw Brother Lee, he began to praise God with great joy. Next day he was able to drink and eat some liquid foods, and at this time, he related the story of his experience.

At Brother Lee's request, I went to the church Sunday morning and saw the man raise from death by prayers of Rev. Lee Nygiap Sew, right.

THE VOICE OF HEALING • August, 1952
By Wm. H. Fitch, Pastor

We have just concluded what we consider one of the best, if not the best, revival that we have ever experienced here in Bethel Pentecostal Church. For many months, we were looking forward and praying much for this revival. Evangelist H. E. Hardt of York, Pennsylvania, had been engaged as the speaker and instrument to be used of the Lord. The ministry of Brother Hardt was not entirely new to us. Eight years ago he had conducted meetings in the old church. Each night the attendance was good and the interest mounted higher each succeeding night.

The outstanding feature of the meetings was the rich emphasis placed upon the Word. Brother Hardt told us from the beginning that about half of the folks that were healed in his meetings were healed as he was ministering or as the healing line was forming. This was true of this meeting all the way through. The first Sunday night of the meeting one lady, the first time she had ever attended a full gospel church, experienced a marvelous healing of an incurable ailment. Just as Brother Hardt opened his Bible he stated, "Someone in this middle section is getting healed right now!" The power of God shot through her and she at once stood to her feet declaring that she was healed. As the meeting went on from night to night many would testify that they were healed as the Word was ministered. Time and space would fail to tell of the many, many who were healed. Regularly we are hearing from people that were healed, and they are just returning to tell about it.

A goodly number responded to the altar call to experience salvation. The meeting continued a week longer than originally planned. Even now some time since the close of the meeting, the revival lingers and spiritual tide and interest is constantly mounting.

We take pleasure in recommending Brother Hardt’s ministry of healing from the Word of God. His sound scriptural messages built faith in many people. He leaves a congregation with a sensible confidence in God's Word. Having already pioneered many churches himself, he understands the pastor's position and works accordingly so that the congregation and pastor alike respect him. His main objective is to win souls for Christ.

One outstanding miracle was the healing of Mr. Danforth of Oswego, N. Y. He came into the tent, his feet supported by heavy steel braces and assisted with a cane. He had suffered a fall in which the arches of both feet were broken. As Brother Hardt prayed for him the healing power of God struck him putting every bone in place and healing him completely. He threw down the cane, sat down on the front seat, removed the huge steel braces and walked perfectly. A lady came wearing an hearing aid. As Brother Hardt placed his hand on her ear and prayed, she said something popped and she could hear perfectly immediately. She left her hearing aid and went her way rejoicing. Truly heaven and earth shall pass away; but his WORD endureth forever.

PASTORS REPORT REVIVAL
STIR AFTER HARDT CAMPAIGN
IN NORTHEASTERN CITIES

By L. L. MILES, Pastor
First Assembly of God
Auburn, New York

Though opposed by a strong and well organized element for weeks and months prior to the Hardt Healing Revival and opposed and persecuted during the glorious eighteen days of meetings to the point that city detectives, plainclothesmen; had to be present at all services to keep order, God’s power was manifested in every service to save the sinner and heal the sick and afflicted during and following the faith inspiring ministry of the preached WORD. Scores responded to the call for salvation, including a number of Catholics. Miracles of healing including the opening of deaf ears, healing broken bones, severe internal disorder, heart trouble, high blood pressure and many other ailments and diseases.

MINISTERS COOPERATING IN THE AUBURN AND GENEVA MEETINGS

H. E. HARDT
SEATED IN FRONT ROW CENTER

By Wm. H. Fitch, Pastor

We have just concluded what we consider one of the best, if not the best, revival that we have ever experienced here in Bethel Pentecostal Church. For many months, we were looking forward and praying much for this revival. Evangelist H. E. Hardt of York, Pennsylvania, had been engaged as the speaker and instrument to be used of the Lord. The ministry of Brother Hardt was not entirely new to us. Eight years ago he had conducted meetings in the old church. Each night the attendance was good and the interest mounted higher each succeeding night.

The outstanding feature of the meetings was the rich emphasis placed upon the Word. Brother Hardt told us from the beginning that about half of the folks that were healed in his meetings were healed as he was ministering or as the healing line was forming. This was true of this meeting all the way through. The first Sunday night of the meeting one lady, the first time she had ever attended a full gospel church, experienced a marvelous healing of an incurable ailment. SALVATION, HEALING ACCOMPANY
ALLEN PREACHING IN MISSISSIPPI

By Rev. Herman Sharp, Sponsoring Pastor
(Presbyterian, Greenville, Mississippi, Section, Assemblies of God)

THE ENTIRE Delta area of Mississippi, Arkansas, and Louisiana has been visited by a tremendous outpouring of God's Spirit reminiscent of the great revivals that have gone down as the greatest in church history. Hundreds were saved every night, as they flocked to the prayer tents crying out to God in mighty conviction of soul. Hundreds were healed as the evangelist laid hands upon the sick and suffering and prayed the prayer of faith. Great was the rejoicing of those who were delivered from oppression, tormenting spirits in special prayer lines on "Deliverance Nights". Night after night, like Peter of old, we felt that our nets were breaking, as pentent workers proved insufficient in number and the two prayer tents too small to cope with the hundreds that answered the altar call for salvation. One night the response was so great that instead of sending the penitents to the prayer tents, Brother Allen cleared the entire center section of the main tent to make room for those seeking salvation. Another night after both prayer tents were filled, 300 who could not get into the prayer tents prayed through standing behind the big platform.

Eleven years ago, an accident severed a nerve in my foot. Within about five years, my limb from the hip down became paralyzed. Four operations were performed but it got no better. I took almost all kinds of shots but they did me no good. My limb was stiff and helpless and I had to drag the foot as I could not use it or control it. On May 25, in Greenville, Rev. Allen prayed for me and INSTANTLY, LIFE RETURNED TO MY FOOT so that immediately, I was able to use it again.

(Typical Crowds)

For about seven years I suffered from sugar diabetes. I was placed on a rigid diet and took thirty units of insulin daily. The doctor said that if I ever quit taking the insulin or discontinued the diet I would die.

Ten days ago I had A. A. Allen pray for me. After he prayed for me he told me to go home and eat whatever I wanted to and to take no more insulin. Since that time, I have not had one shot. I have disregarded my strict diet and I eat everything I want. I feel fine. I am completely healed. To God be all praise!

For three years I had a severe hernia which was caused by hard coughing. Although I wore a truss that cost $145.00, it did very little good and I was unable to do any work.

On Jan. 15, I attended the A. A. Allen Healing Revival in St. Petersburg, Florida. Brother Allen prayed for me in the prayer line. As he prayed, I COULD FEEL THE HERNIA MOVING! Next morning it was all gone! The next night I was able to drive my car to the services. To this date, April 30, there has been no sign of the hernia.

These found that Christ still heals today

As the big tent went up in Greenville, many, including leading citizens declared that no man could fill such a large tent in such a small town. However, by the first Sunday night the big tent was packed. As news spread of the miracles of healing that were taking place and hundreds that were being saved, thousands began to drive from distant points to see the miracle working power of God in operation. On the closing night, approximately 2,000 people, unable to find room under the tent, stood around the outside waiting to hear the word and see the power of God.

Many miracles of healing took place during the campaign. People I knew were totally blind received sight instantly. A woman came dragging a paralyzed limb, but God healed her instantly so that she used the limb immediately, climbing the steps to the platform readily, without any assistance. Thousands watched as she demonstrated her ability to use the once helpless limb. Goiters disappeared instantly, while others testified that their goiters were gone within three days. People who were totally deaf heard immediately, after Allen prayed for them. A young man who was a deaf mute from birth was delivered immediately, and was taught to say numerous words before leaving the platform. This young man had a little brother who was also a deaf mute, who was brought in the last night, and was also healed instantly, so that he too could hear and speak.

My Sunday School, which had averaged 100 to 125, had to be taken from the church to the big tent to accommodate the hundreds who desired to attend on the last Sunday. Until this time my record attendance was 125, but that day 657 were present. Immediate action is being taken to enlarge our facilities, as our present church and Sunday School plant can no longer fill the need.

Other Full Gospel pastors, including Assemblies of God, Church of God, Four Square, when they saw what God was doing, were happy to dismiss services and enter whole-hearted into the Revival, and laying aside denominational differences, to labor side by side in the prayer tent, and to stand together in the baptismal pool on the last Sunday as many were baptized.

We have invited A. A. Allen to return, and are looking forward to the time when we again shall see the Allen tent going up in Greenville.

IN NANKIVELL MEETINGS:

God Healed Me...

Of Soreness And Lump

I was saved and healed the first night of the Louise Nankivell meetings in Indianapolis, April 8th, 1951. My sister and I were called out of the audience together that night.

I had been suffering with my left breast—soreness and a lump. Thanks be unto God Jesus saved my soul and took the lump and soreness all away. Yes praise His precious Name, He saved and healed me, and I do thank Him for it.

I was not only saved and healed at that time, but I am so thankful to say that Jesus has kept me saved and healed up to the present day.

Miss Ozeta Briscoe, 308 Swan St., Terre Haute, Ind.

Of A Spinal Injury

Mrs. Pauline Hartley, 514 Hall Ave., Dayton 4, Ohio, found Christ as her Savior the opening night of the meetings at Dayton Memorial Hall.

The following night, May 26th she was prayed for in the healing prayer line. She instantly discarded her neck brace, throwing it on the floor of the platform. Mrs. Hartley had been suffering since 1944 from a spinal injury, and it required a brace to hold her head up. She had been to Mayo's and had had two operations.

Mrs. Hartley left her brace at the Hall. She returned at different times, appearing on the platform without the brace, and telling a marvelous story.

"Can't you see I am happy?" she asks, as she testifies to her marvelous deliverence.

Of A Large Tumor

I was prayed for by Sister Nankivell on Friday, May 30th. I had a tumor for eight years. Doctors could do nothing for me. I have even been in hospitals, and they found they could not operate.

However, on Sunday after Sister Nankivell prayed for me, the tumor broke and went from me, and I feel better than I have in 29 years. I lost three inches around the abdomen in one week, after being prayed for, and am still getting smaller.

Mrs. Ella Gray, R.R. #3, S. Dixie, Troy, Ohio.

Note by Carol Gray:
"The healing touch on mother was wonderful. I actually saw the tumor that fell from her. She feels so much better now, that she goes out and weeds the garden."

Signed, Carol Gray

Of Crippled Leg

My daughter Diana, who is now four years old, was born a cripple. On May 30th, we took her to Sister Nankivell and had her prayed for.

Praise the Lord, today my daughter walks like any other child. She used to drag her left leg, which was about one inch shorter than the right. A few days later it had grown over a half inch.

When the weather was damp or rain came in the air, she used to complain tearfully of the pain in her knee. I have even seen her fall from the ache, but praise Jesus, when it rained yesterday, it didn't bother her.

The Lord surely did touch her leg, and we are praising and thanking Him for the healing touch on her.

WHEN STAMFORD BELIEVED ON GOD

OUTSTANDING MIRACLES
OF HEALING OCCUR AS
PRAYER IS GIVEN

The Lord has just sent Stamford, Texas, the greatest out-pouring of the Spirit in its history; with the greatest crowds, as far as we know. People came for many miles from surrounding states, towns, communities, and churches for deliverance in soul, spirit, and body; and did not go away disappointed. Several churches went together in a united effort.

Under this Big Gospel tent about 3000 made their way to the large prayer room in response to the altar calls. Some remained there seeking usine experiences with God. It is impossible to know the exact number who were saved or filled with the Spirit in this meeting. There were hundreds. About the same number were healed. Hundreds returned to the tent in person testifying they were saved, filled, or healed.

They were healed over the radio, in the audience, at home, while reading the Bible, in the prayer rooms, as well as in the healing line.

They were healed of total blind eyes, total deaf ears, cancer, T. B., tumors, arthritis, club foot, growths, rupture, broken bones, and almost every known disease and affliction—all healed. Braces, crutches, canes, trusses, eyeglasses, tobacco, whiskey, etc., were discarded.

A man so blind he had to ask his wife if the lights were off or on can now sit on his porch and count the telephone wires. A lady with a growth as large as a half-gallon bucket for years, who had to make her dresses very large, now dresses are so small and loose!

One says, “I have heard of such things, but now I have seen them;” another says, “As much happens in one service as in an average revival.” Another says, “This is the greatest thing I have ever seen.” A pastor says, “This is the fairest financial system I have ever seen.” Another says, “My Sunday records are broken.” Another says, “My membership is more than doubled.” Hundreds say, “When will the Grant Revival return to Stamford?”

SUGAR DIABETES CURED

I had sugar diabetes for 10 years. I could not eat sweets. I suffered much in my body. The doctor said I had 40% sugar. I was prayed for in the Grant Revival in Stamford, Texas, on May 24. I discarded my insulin. I now have no pain or trouble.

GROWTH DISAPPEARS

For 4 years or more I had goiter. A doctor treated me in Graham, Texas. Dr. B. B. Griffins in Graham, Texas. Dr. Nell in Stamford had given me a goiter test. A third doctor said I would never have health until I had an operation.

I was healed in the Grant Revival in Stamford. The goiter left instantly. I have none of the old symptoms since. Hurting spells in my side was also healed.

SHOULDER STRAIGHTENED

Eleven years ago I fell while mopping and injured my neck and shoulder, CAUSING MY RIGHT SHOULDER TO DROP THREE OR FOUR INCHES. This same fall caused my neck to crook. For 11 years I suffered terribly. I was listening to the radio broadcast in Stamford, and while Brother Grant prayed over the air, I felt the healing virtue. In a few hours my right shoulder had straightened the same as the other. The next night while in the services I received healing for my stiff neck in the audience.

CLUBFOOT HEALED

My son who is three years old now was born clubfooted. Dr. Carroll of Dallas had treated him since he was one month old. His ankles were stiff and he had to sleep in splints. Since he was prayed for in the Grant Revival in Stamford his ankles have not been stiff and he has discarded his splints and has not worn them since. According to the doctor he would have had to have an operation if the stiffness had not left.

THE VOICE OF HEALING • August, 1952
Unnecessary Discouragement

THE purpose of publishing reports of the great Divine healing campaigns and then to dismiss in an answer to prayer for the sick in the Name of Jesus is primarily to glorify God Who is visiting His people. After that it is with a desire to encourage prayer throughout the Church. It is good and helpful for people everywhere to know that these things are happening today, and that by means of signs following the Word of God, running sometimes into tens of thousands, are being attracted to hear the Word of Life and thereby many are confessing faith in Jesus.

But although all this should be a cause for pure joy we never can tell how some people will react. One of the unexpected and undesired results of the publication of these reports of the great healing campaigns is a reprehensible wave in some local assemblies of complaint against the pastor that there are not happening in their localities. These things are not happening here. In some cases it is the pastor himself who is oppressed by discouragement as he compares his own limited ministry with the spectacular reports published elsewhere.

Now if a preacher takes the line of definite reprieve of the Spirit, and if he goes so far as to actively promulgate unbelief in our local assemblies, while the beginning of the Christian era, then we shall have every sympathy with the lawful complainers. The scriptural command to Quarterly conferences and that with special reference to the manifestation of His gifts, as the context and any good commentary as a spur to so it.

The discouragement of some faithful local pastors and some humble evangelists and missionaries because they are not seeing in their ministries the same results as those of the widely advertised campaigns, is to be sincerely endured. It touched a tragic depth in the too-long fasting of one preacher who rashly vowed that he would not eat until God showed him why "signs" fish. He now regrets it, but he admires his zeal and his devotion even unto death in his sincerity, but it all seems to have been so unnecessary and misguided. Surely the right thing is to go ahead with such faith as we possess, by the grace of God, and then trust Him to confirm His Word.

We use a mistaken measuring rod, and because unnecessarily discouraged over our own ministry, if the measure we use is the apparent success of some outstanding evangelists who stand out in public, it is all to our disadvantage. The measure of each man's faith lies within the grace of God (Rom. 12:3) and the distribution of gifts as "as He will." No amount of fasting will force us beyond the talents entrusted to our care, and enjoyment reading about him in THE VOICE OF HEALING papers.

One night I read about the presence of an angel with Mr. Branham in his services. I little thought that I would see an angel causing rain in the room where I was praying in bed and this time it was about 4:00 Sunday morning. While praying I had a vision of an angel standing by my bed. He was exceedingly white and shining and filled with power which went through me when He spoke and said, "The Lord lifteth thee up, peril be unto thee." The sensation was about the same as when one receives the baptism of the Holy Spirit. I am now teaching the Adult Sunday School class in the local Assembly of God meeting. During the last 8 months God has shown me 4 times by dreams that there is SOON COMING A GREAT SHORTAGE OF FOOD OVER ALL THE EARTH. (See Matthew 24:7)

In one dream there was a hand writing across a loaf of bread. In another I could see the air filled with dust as there was little rain. In two others it was given verbally, "THERE IS SOON COMING A GREAT SHORTAGE OF FOOD OVER ALL THE EARTH." I think this is surely going to come to pass. In 1938 God told me about a great flood to be in the Ohio River and this came to pass in 2 years.

STARTLING INCIDENTS . . .

Suddenly they all thought of the same thing. Had they forgotten their faith in God, and that their minister had always believed in healing through faith? In this desperate hour they turned to the bedside, and then the swelling was going down. The life of Dwight Eisenhower was saved! In the faith of God in the miracles of nature, miracles were wrought.

MAN IN PRAYER SEES VISION OF FAMINE

I believe in the power of prayer and that when we are saved and know God and love Him and trust Him then He has angels who guard, help, guide, and show us things to come. Since 1930 I have been employed as a Chemist for a mining company. During the winter of 1940 and 1941 I worked as night watchman at the plant where I have been employed and moved to another location. While alone each night I spent about 45 minutes in prayer. I didn't work on weekends so could spend this time reading and attending the Assembly of God Church. I was very much interested in the ministry of William Branham and the crusades of Healing papers.

HAVE YOU HAD A STARTLING ANSWER TO PRAYER?

Read the offer Below

1. Send us your account of an outstanding answer to prayer. These shall not necessarily be about healing, but are along lines of startling incidents involving unusual answers to prayer. Historical incidents of Divine providence involving noted characters of history welcomed. Give source of information of such incidents.

2. Articles should not exceed 600 words.
3. Manuscripts cannot be returned.
4. We reserve the right to publish or not to publish.
5. Upon publication, we will give writer a choice of any book we have in stock as a gift. Writer should notify us after publication, of book desired.
Contrary to popular understanding, the Bible says there are MANY antichrists (I Jn. 2:18). These are often confused with THE antichrist. They are evidently forerunners of the man of sin. In this article are some sketches of the rise of satanic phenomena—lying wonders of the devil.

I T IS INTERESTING to note that the Jews, who in their day, rejected Christ and His ministry of healing avowed that they would believe if He would only show them a sign from heaven, or, perform some exploit, such as, for example, the casting of Himself down from the Temple—as the devil had urged Him to do. It is not surprising, when Jerusalem was later surrounded by the armies of Titus, that these same Jews were ready to accept the lying words of false prophets, who prophesied that the city would be saved by Divine intervention. Having failed to believe in the true miracles of Christ, they were ready to believe the false prophets and their supposed miracles. This folly led to the complete destruction of the city, as well as of themselves.

So today, are not those who reject the ministry of healing and the miracles that Jesus promised would follow believers, in danger of being carried away with false delusions in these days when the Great Tribulation is about to come upon the earth? History repeats itself. Man must accept Christ or Antichrist. “I am come in my Father’s name, and ye receive me not: if another shall come in his own name, him ye will receive.” John 5:43.

Is the Antichrist at hand? The fact is that many antichrists are already here, and their awful blasphemies foreshadow the coming of the Tribulation and the Great and Terrible Day of the Lord. Every believer should be alert to these Satanic manifestations, for we are warned that they are of a nature to deceive if it were possible, the very elect. “Little children, it is the last time: and as ye have heard that antichrist shall come, even now are many antichrists; whereby we know that it is the last time.” I John 2:18.

FATHER DIVINE

One of these modern false christs is the negro, Father Divine, who claims to be Almighty God. It is useless to say that the man has only human power—he has a power that is diabolical. Velmer Gardner in his book I SPENT SATURDAY NIGHT IN THE DEVIL’S HOUSE, tells of his visit to Father Divine in the following words:

“My blood ran cold; my heart pounded furiously; cold chills ran down my spine. I was entering the HOUSE OF THE DEVIL.

“It was Saturday night, March 18, 1950. My brother, Rev. Norman Gardner and I arrived at Father Divine’s new Palace Peace, Mission in Pinebrook, New Jersey.

“A number of limousines were lined in front of the building, as we entered at 9:00 o’clock.

“We had the awful realization we were entering the very realm of the Devil’s leading false Christ. Soon we would see this man who claimed to be God.

“The service had been going on for an hour when we arrived. A white woman school teacher was in charge of the meeting this night. It was their annual business meeting.

“I felt satanic power as I had never felt it before in my life. I saw these multitudes actually believing that he was God. I saw them worship him as I have never seen Christians worship their God. They sat until 2 o’clock in the morning waiting for their God to appear. When he did come in, I have never heard anything like it in all my life. They literally thought that the God of all Heaven had walked into the place.”

IS THE ANTICHRIST AT HAND?

by Gordon Lindsay
A sample of the meaningless mouthings of this false god is the following: "The individual is the personification of that which expresses personification. Therefore, he becomes the expression of that which was impersonal, and the personification of God Almighty! God's presence is real and tangible. It has been tangible, and can be retangible. It can and will continue to materialize and re-personify, for the great materializing process is going on. Peace! It's wonderful! I repeat, it is indeed wonderful!"

How does Father Divine secure such a grip upon thousands of people? Is it not the Spirit of antichrist that has taken control of him? However, Father Divine is a poor imitation of the One who has absolute control over the elements, and who has the willingness of people to be duped by him, is an example of how people will believe in Satan's masterpiece when he appears in the scene.

HOLLENBECK'S ANTICHRIST

Some years ago, James C. Hollenbeck in a book, THE SUPER-DECiever ON THE WORLD, Baha, tells how Father Divine is a poor imitation of the One who has absolute control over the elements, and who has the willingness of people to be duped by him, is an example of how people will believe in Satan's masterpiece when he appears in the scene.

"Time had passed very quickly. Before we realized, it was close to eleven o'clock and we had walked about five miles under a very torrid sun. None of us showed any evidence of fatigue, neither were we thirsty. This impressed me greatly, for under ordinary circumstances I should be looking for the need for rest. I sensed the fact that there was something odd about this, I waited for the opportune moment, and then I interrogated him. He, however, reminded me how unusual it was.

"His reply was most direct and right to the point: 'Nothing unusual at all about this. Do not you realize that you are with "ONE" who has absolute control over the elements, and is not bound to any idea of seeming law of man?"

"I then mentioned the fact that it would have been nice to have known this before, and then we would have appreciated it all the more.

"To my statement the secretary replied: 'But the Prince seeks no publicity, and if you want to see won control over the elements, and they will manifest in ways to astound you.'

"How it is, that the 'Greater the Individual' the less desire there is for publicity. In this respect, the Prince was following the usual custom. As the Christ never announced the miracles He had performed, so it would be in perfect keeping that the 'Antichrist' would follow accordingly. How strangely this man follows these same principles. That is why he is able to deceive those who go to see him. Only a genuine counterfeit can fool the public. And in the case of the Prince, the line is drawn so finely that many people find it a most difficult thing to detect the subterfuge."

"I was most anxious to see some of the outstanding manifestations of his unusual power, and I had made up my mind I would be on the job and be wide awake, so that nothing would escape my attention.

"Whether he got my thoughts or not, I do not know. Most likely he did, for within a matter of an hour, while on the journey home, we came upon a large pile of 'brushwood,' small logs from the mountains that had been left there evidently by Arabs to use at another time.

"As we approached this pile of logs, I noticed that the Prince was looking at it with what appeared to be something more than just a casual glance, as might have been the case, were he not intent on doing something special. I followed his every action. Finally he stepped to the side of the path. Without saying a word to anyone, or giving us any previous clue to his intentions, he suddenly raised his right hand, as though he were placing it over the top of this pile of 'brushwood.' No match was struck, no flint was used, and no word was apparently spoken, but in an instant this became a seething furnace. He stepped back into the path again, and nothing was said. We resumed our walking. There was no reference made to it in any way. His mannerism would defy the greatest of thinkers, for the way in which he did this was bewildering. No boasting, no previous statement, just the act itself was evidently what he wanted to stamp in one's mind and leave one to think what he wished. Does this not remind you of what John the Revelator wrote concerning the 'One' who would come in the 'Time of the End,' and would be able to do 'Great Wonders,' even to call down the 'Fire from Heaven'?

TIBETAN SORCERY

A number of years ago Harrison Forman writing for HARPERS MAGAZINE, tells of an experience in Tibet, a land of demon worship. This man, an explorer and scientist, tells of how he saw the Tibetan sorcerers actually materialize demons:

"I SPENT SATURDAY NIGHT IN THE DEVIL'S HOUSE"

"I stirred, looked around me—puzzled. For something I'd never experienced before was undeniably coming into that holy Tibetan forest. Something was beginning to fashion a world out of the air, and if I were allowed to possess me against my will. I tried to shrug the feeling away. And the scientific side of me looked about for some explanation. The only thing I could think of was to sway softly from side to side. The chanting continued to swell. And I began to think of all that Old Sherap had told me of what I should see there. I knew of the King of Hell, and his satellite demons and devils. I watched the spot where the demons were supposed to appear, trying to see something where reason told me there was nothing.

"I do not know what my camera would have seen. I only know what I thought I saw. Yama, King of Hell, was appearing little by little! He did not come in through the trees. He was not a Tibetan, masquerading. One moment he was not there, and the space empty. Then he began to grow before my very eyes!

"All the circle of sorcerers saw it at the same time. Wilder and wilder became their chanting. It was not like a dream. Beyond the Grand Wizard, all around us, I could see their bright faces, and on the faces of the sorcerers, noted their faces deliberately. I made special note of Old Sherap beside me, with his 12 feet of hair coiled like a black snake around his body. But he was just a support for the call. As fervently as any other Nukhwa, I was intoning in the deepest voice I could manage: 'Yamantaka!'"

"It was the glaring bulging eyes I saw first. At the height of an average man from the ground, they stared at us, filled with malevolence. To right and left of the eyes were strange mists, which shifted and began to assume the unison. Some evil flower bursting suddenly into bloom, they became all the 34 arms of Yama, with 34 hands each grasping some implement of destruction.

"The main head grew into being about the eyes. Then appeared other heads, until there were nine, all shrouded in transparent man. Then followed the act itself was evidently what he wanted to stamp in one's mind and leave one to think what he wished. Does this not remind you of what John the Revelator wrote concerning the 'One' who would come in the 'Time of the End,' and would be able to do 'Great Wonders,' even to call down the 'Fire from Heaven'?

These three brief accounts are sufficient to demonstrate the very real forces of hell that are loose in the world today. What does it mean? It means that Satan is preparing to carry on the most diabolical war against humanity in the history of the universe. Of this John the Revelator speaks:

"... Woe to the inhabitants of the earth, and of the sea, for the devil is come down upon you, having great wrath, because he knoweth that he hath but a short time." Rev. 12:12. There is no doubt that we are about to enter into the period spoken of in this prophecy. BUT NOT in the color and form of WHOMSOEVER FAITH IS IN GOD NEED HAVE NO FEAR. FOR GOD IS THEIR DEFENSE. THEN SORCERY SHALL FALL AT THE RIGHT HAND BUT THE DEVIL WILL NOT COME NIGH THEM. THOUGH THE DEVIL WOULD DECEIVE THE ELECT IT WERE POSSIBLE, IT IS NOT POSSIBLE.

GOITER MELTS AWAY AS MANY LOOK ON

A BUT eight years ago, I became afflicted with a goiter that grew until some folk told me it was the largest they had ever seen.

The trouble was advised by Dr. Wallace H. Brown, of Shreveport, Louisiana, to have an operation on the goiter; because, by this time, it was causing smothering spells—and times, I could hardly breathe. However, I decided against the operation, believing the Lord would heal me.

In the back of my mind, I had always felt that either one or the other of two well-known evangelists would have to pray for me if I were to receive a healing. I had heard and admired these evangelists. In the course of time, I was prayed for, in turn by each of these—but to my utter amazement found that I was none the better. By this time, my goiter had become larger than when I was in public, I would cover my neck with a scarf.

In the providence of God, I attended service one Sunday night at Life Tabernacle, here in Shreveport, where Rev. Rudy Cerullo was preaching. After the message, he offered to pray for the sick. The Lord spoke to me, and told me that this was also one of His ministers, and that if I would, in faith, have Brother Cerullo pray for me that night, I would be completely delivered. Immediately, I obeyed. Jumping to my feet, almost before I knew what I was doing, I rushed to the platform. Brother Cerullo laid his hand on my throat and commanded the goiter to leave in the Name of Jesus. When he laid his hand on my throat, I felt the goiter leave. I was completely healed, in the presence of many people, and now, after a year’s time, there is absolutely no trace of the goiter. My many friends who have known me for years are here this morning to verify what I am saying. To God I give all the glory.

EVANG. LOUISE NANKIVELL

DAYTON’S MEMORIAL HALL SHAKEN BY THE LORD

FROM THE opening service on May 25, God’s power was definitely manifest, and God mightily anointed Sister Nankivell as she ministered at Memorial Hall.

The Spirit of the Lord rested upon the opening service, and Sister Nankivell was directed by God to call out and pray for a man who had a strange muscular disease. God touched him, and that night he was walked to his house, perfectly whole, without the use of crutches.

That was the beginning of a great visitation from God. Bed patients were brought from long distances—one case being brought 300 miles.

While we were in this great visitation to Dayton, we saw bed patients arise and walk. One lady threw her crutches away, deaf ears were opened, the lame walked, the blind saw, backside palsy and hernias were saved.

We all rejoiced as night after night we saw the demonstration of God’s power upon the meetings.

The meetings had a far-reaching effect. People came from hundreds of miles. They came from Kansas, Oklahoma, New York, Tennessee, Georgia and especially from hundreds of miles. God blessed them and many testified to being renewed in their faith.

Although some were skeptical when they came, they went home changed when they saw the work of God. Many stinging reports have come to us of healings. One lady who sat through an entire service stood to her feet at the reports. She said, “How can I possibly try to explain this?” When she came into the meeting her sight was so bad that she could only distinguish light from dark but as the meeting progressed, God touched her sitting in her seat and she could see me standing on the platform. Such shouts of praise and victory I am sure never rang out before in Memorial Hall.

As Sister Nankivell ministered in sackcloth in fulfillment of her vow, God anointed her. Almost every night in the preliminary part of the service she would call many of the audience who were strangers to her telling them their ailments, and as she prayed for them God would touch them.

Many notable miracles took place in the prayer line such as the following: One lady threw away her cane as she went shouting. A young lady totally blind came and as Brother Cerullo prayed for me that night, I would be healed. Lord would cover my neck with a scarf.

While praying for the sick in the prayer line at the closing portion of the service, nightly Sister Nankivell was moved to tell many that their ailments were cured, and asking them what they should do for complete deliverance. A number came in the prayer line who were unsaved, and as Sister Nankivell ministered to them and prayed for them they were saved and healed.

One night it was revealed to her by the Spirit that a lady in the prayer line was suffering with a heartache and a great loss. The sick lady confirmed this stating that she had lost a daughter and her heart was heavy. God touched her, and she was healed.

In another instance it was revealed by the Spirit that a man in the prayer line was dabbled in spiritualism and the man in the prayer line confessed that this was so. Another time a man in the prayer line came to her and she told him that God revealed to her that he was careless in telling the truth, which he acknowledged.

In every case, these people were strangers to Sister Nankivell and we rejoice in this great visitation of God’s Spirit.

The ministry of Sister Nankivell will long be remembered here, and I would like to add a word to the faithfulness of the Lord. When we first started this last campaign we asked God to direct us to the person to get for such a meeting. In due time God directed us to get Sister Nankivell. Then it was a great step of faith for our church was only a little over a year old. In faith we prepared for the meeting, and in faith we went to Dayton. When Sister Nankivell came and we are rejoicing in the miracles that have taken place both in the souls and bodies of the people. Great is our God and greatly to be praised He has done wonderful work to the children of men. Again I say, FAITH IS THE VICTORY.

Rev. Irwin W. Phillips

PRAYER IS THE POWER THAT MOVES THE HAND OF GOD

THE miracle which God has wrought on my daughter is too great for me to explain. My heart is so full of joy I find it difficult to speak. I am not affected by any materialism, but this miracle has affected our lives to the profound depths of our hearts.

My daughter was born with a physical defect; one leg was shorter than the other. We took her to all the doctors we could afford, but nothing could be done. The nerves, leaders, bones and muscles were affected. We knew none but God could ever heal her. We never thought that some day God would grant us this great blessing.

We have attended all the services of Brother Osborn’s campaign here in this great bull-fighting ring along with the thousands of others. Last night, after the close of the service, Rev. Frank Bro.

Osborn explained how Jesus Christ has already taken all our infirmities, and desires to make us perfectly whole. We joined in the service, believing God heard us. After the prayer, we were thrilled with the testimonies of so many others. Everyone was healed, and saw miracles of healing. Dying, deaf heard, paralytics walked, and hernias and other sicknesses disappeared. Then the service was dismissed and we walked out.

As we were walking home, my daughter said, “Papa, I feel strange feelings in my leg, like pains. I believe God is healing me.” I said, “Good, daughter; keep praying and God will heal you.” But she insisted that God was healing her. Her faith was great. She kept saying how she was being healed, and when we reached the house, to our indescribable joy she was perfectly healed.

Immediately we began to examine her legs. Every way we could check and measure them, they were both exactly the same. She was able to stand and walk, perfectly well; both legs are exactly the same. We told you about it but, she is so happy she cannot talk. The young lady was weeping all the time her father was talking.)

Many people know us, and know that we tell the truth; you also know the condition my child was born in, and how we have never asked for any help. It was impossible for anyone except God, but with Him all things are possible.

We have always had faith, but this has increased over the last year, and our love for God more than anything else in our lives.

Brief accounts of outstanding healing revivals here and there

PEOPLE OF ALL FAITHS BLESSED UNDER PARROTT MINISTRY IN YAKIMA
by Rev. B. V. Jones

It is most wonderful how God led Brother Parrott to Yakima, Washington, and from the very beginning the glory and power of God manifested themselves. Under the anointed ministry of Brother Parrott and his yieldedness to the Spirit, we sat in awe as we beheld signs and wonders wrought in the Name of the Lord Jesus Christ. If there ever was a present day apostle of God, we feel Brother Parrott is that one.

The gifts of the Spirit were made manifest in his ministry as he would challenge those sitting in the audience that were suffering with afflictions to come forward and receive their healing. When they would come, God would instantly meet their needs.

People of all faiths and denominations were blessed and benefited. There was a great harvest of souls, but we lost count of the number that were saved. There were between seventy and one hundred that were filled and filled with the Holy Ghost.

Any city was well pleased to secure this anointed man of God; he is entirely unfail in his efforts and is sold out one hundred percent for the cause of Christ. We are looking forward to a great building project in Yakima so that we can accommodate the many hundreds of people who come to hear these great giants of faith. Yakima is looking forward to a return of the Parrott Evangelistic Party.

"VERY GRATIFYING RESULTS" SEEN IN HENRY REVIVAL
By KENNETH CARNEY, Pastor Assembly of God Church Susunville, California

We are happy to report very gratifying results in the recent three and one-half weeks revival and healing campaign with Evangelist Wilbur A. Henry. The preaching of the Word was thoroughly appreciated and yielded much of the Holy Ghost. The attendance was good. Many souls responded to the call for salvation.

There were several outstanding healings of the mind as well as the body. Two were instantly healed of the loss of the sense of smell. One woman had been praying previously about her need which was of long standing. She was healed, in that she asked the Lord saying, "Lord, you know I have a need of the sense of smell. It is such a little thing compared to the many others who have much greater needs, but if it is your will that I should be prayed for, give me a sign that will make me know to it." That evening in the course of the service, at the beginning of the healing call Brother Henry was seated in the audience that needed the restoration of the sense of smell or taste. Our Sister went immediately, realizing it was in answer to prayer, and the Lord healed her of the blind eye. A stick of gum was held under the eye and the parents shouted for joy.

Brother Henry was only able to be with us for ten days, but those days have transformed our church, our people, and the lives of many who attended. Some forty-nine adults answered the call for salvation and accepted Christ into their hearts. Many of these have already voiced their desire to associate themselves with our church. So many were prayed for that healing it was not possible to keep count, however, numbers have already testified to being healed of arthritis, neuralgia, ulcers, nerve disorders, lameness, and many other afflictions. Many were delivered of the habit of tobacco. It is still too early to know of all the victories won in these meetings.

Brother Henry's ministry was appreciated beyond words in that it was sincere throughout. As he walked the streets of the city for a longer stand and with his big tent.

Dear Brother Lindsay:

I have just finished reading "Present World Events in the Light of Prophecy" and it has done for me what not many other books have done.

Surely it is God's warning to His own that the days of our labor are short and what we do must be done quickly, as well as a warning to the sinner.

I feel impelled to begin to put them out in numbers, to both classes. To begin, I'd like 5 of them.

Sincerely yours,

The Convention which at the time of writing has just gotten fully underway, bids well to be the greatest of all the World Pentecostal Conventions. There are twice as many delegates attending as were present at the previous World Convention. The editor has had the privilege of meeting with several of the leaders, and we find that anticipations are high for a mighty deluge of the blessing of God. As the leader of Brother David Du Plessis, Secretary of the World Conference, there can be no doubt that he has been raised up for such a time as this. It is beautiful to see the spirit of unity which is coming to exist between the various branches of the Full Gospel movement. Much work yet needs to be done, but we are confident that He Who has begun this good work will also finish it. Next month we hope to have a complete report of the Convention.

THE VOICE OF HEALING • August, 1952

17
of the Lord said, "Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads." (Rev. 7:3). Brother, Sister, the seal of God is the Holy Spirit, Ephes. 4:30 says, "Grieve not the Holy Spirit of God, whereby ye are sealed unto the day of Redemption." Some might class me as a fanatic. God forbid that I should be a deceiver. Brother, this is a message to the whole world. I believe that we are at the end of the road. I believe that Holy Ghost is moving everywhere. Maybe some of you are strangers within our gates. I admit that there are some things done in the name of Pentecost that I don't think are right. The Pentecostals are human and like the rest of us they make mistakes. But they have something else, the road of mercy. It is a universal affair—it is everywhere. The Holy Ghost is moving everywhere. Maybe some of you are strangers within our gates. The Antichrist is the spirit of deception that will be so close to the real thing that it will deceive even the most able. I believe that you can slip into the kingdom of God, do it now. Let Christ save you and seal you. The other day, a Jewish man, one of the greatest teachers who have ever lived in my room—he was a missionary from Africa. He said, "Brother Branham, I want to ask you something. I have had so many degrees. I have had so many rights. And I am a member of a denominational church. I've looked around and I have been wondering. I've been taught so and so at school, but has the school been right? Have our teachers been right? We have read your book, A MAN SENT FROM GOD. Our hearts have burned for God." He fell across a little coffee table there in the room and cried, "O God, has that ever happened in you house, with your son, Jesus Christ? I want the Holy Ghost." Yes, friends, God is calling you for the last time. Accept Christ. Get sealed by the Holy Ghost. Give our own generation something decent and clean, not printed filth and cartoon indecencies," said Mr. W. S. Buckley, headmaster of the Florence Mellyer School, Liverpool. He added, "What we are against is that type of children's paper with constant reference to people being beaten up, in which there is gross and crude representations of sex, either in print or pictures." This may prove to be just another Soviet "scare," but it also seems to establish a basis for Russian aggression against Iran. A careful study of the entire 38th chapter of Ezekiel, revealed that there will definitely be a Russia invasion of Israel. A look at the map of the Middle East shows that such an invasion must begin, with Russian troops crossing the border into Iran, then on across Iraq and into Israel. We must now be very near the fulfillment of Ezekiel 38.

Valdez Story (from p. 3) In just a few days after that, while conducting a series of meetings in Nederland, Texas, Mr. Babson, a noted analyst and statistician, recently said: "I have become quite much convinced that ... a spiritual rebirth of the nations of the world, such as came to Saul of Tarsus, is needed to save this old world of ours." The Bible surely confirms the opinion of Mr. Babson, The "love of many waxing cold," a spiritual "falling away," and a "form of godliness, but denying the power thereof," are all included in the prophecies for the last days. 

**WARS UNTIL THE END** After two years of war in Korea the following figures came to light. One million families have supplied sons for Korea, 109,000 American youths have become casualties, 17,000 youths have been killed in action, 16,000 have been sent on the war, and 16 million tons of U. S. goods have been used in Korea. The apparent stalemate in truce talks in Korea has caused many to ask what has been accomplished by such tremendous expenditure in human lives and money. The student of Bible prophecy sees in the Korean war, the tense situation in Europe and the Middle East, a definite fulfillment of the prophetic forecast of "wars and rumors of wars" until the end shall come (Matthew 24:6). The battle of Armageddon is yet to be fought.

**IRAN IN PROPHECY** The recent bringing to light of an old treaty clause, more or less dormant since 1921, caused Western diplomats to gather in hurried conferences. Soviet Foreign Minister Andrei Vishinsky summoned Iran's Ambassador to the Kremlin and handed him a note stating that since Iran has agreed to accept U. S. military aid, her army is cooperating with the U. S. aggressive plans against the U.S.S.R. Vishinsky pointed out these unfriendly actions are "incompatible with ... the Soviet-Persian treaty of Feb. 10, 1921.

Article 6 of the 1921 treaty reads: "If a third party ... should desire to use Persian territory as a base of operations against Russia, Iran shall have the right to advance her troops into the Persian interior and fight against that third party, in order to prevent her from using Persian territory as a base of operations against Russia." This may prove to be just another Soviet "scare," but it also seems to establish a basis for Russian aggression against Iran. A careful study of the entire 38th chapter of Ezekiel revealed that there will definitely be a Russian invasion of Israel. A look at the map of the Middle East shows that such an invasion must begin, with Russian troops crossing the border into Iran, then on across Iraq and into Israel. We must now be very near the fulfillment of Ezekiel 38.

**SHATTERING OF MORAL STANDARDS** There is cause for serious thought in the recent demands made by headmasters at the National Association of School-Masters in conference at Harrogate, England. "Let us give our own generation something decent and clean, not printed filth and cartoon indecencies," said Mr. W. S. Buckley, headmaster of the Florence Mellyer School, Liverpool. He added, "What we are against is that type of children's paper with constant reference to people being beaten up, in which cruelty is looked upon as strength, and terror as an everyday emotion. We are against gross and crude representations of sex, either in print or pictures." The educational leaders of England are handling young people every day and know their reactions and feelings. They have recognized this menace to the spiritual and mental health of young people as being very serious.

America, and other countries throughout the world, are faced with the same problem. It is the destruction of the breaking of the moral fibre of the present day, indicating the approach of the "man of sin," the antichrist lives on in general. These must be the "last days" spoken of as "perilous times," (II Timothy, Chapter 3)
