Dear and beloved Believers in Lord, Christian Greetings in the most precious and matchless name of Lord Jesus Christ our saviour and Lord. We are thankful and appreciated to Lord Jesus Christ for He has chosen us to spread the End Time Message for the restoration of bride of Christ in this Islamic country of Pakistan for His glory and honor.

Bro. Shamoon with old man

An old man met me after Sunday service in our church, I saw him first time in service. He came to me after service and told me that he was searching me since last two weeks because he heard about me and the message of the hour and was very excited to see me. He said I am thankful to God that He led me to your church and I am very much blessed to be in your fellowship and by the ministry of the Word of God. He requested me please visit my home now for prayer so I went with some brothers to his home that is a new area for us. He called his all family and also invited his neighborhood for meeting over there at his place, before the service he told me that his family under demons possession and especially pray for them. When all people get to gather that house we started worship during the worship we felt the presence and anointing of Holy Spirit and after worship I ministered the Word of God from Matthew 6:25-27. After message we prayed for them after prayer they shared their testimony they got freedom from demons and were very happy and requested us that you must visit our family once a week and we want to fellowship with and love to attend the services in Pak Tabernacle Karachi. Honor and glory belongs to Lord Jesus Christ. Amen and amen! We are very happy and appreciated that God opened new door in new area for the End time message or restoration.

of God in the meeting. After the worship service he gave me pulpit to minister the Word of God. I took my text from Exodus 12:12-13 my topic was (The Token) I told the people, this is the one of the best message of Prophet William Branham the prophet of this age. I would love to share with you that I got too much blessing by this message that's why I want to share with you. I shared them Brother Branham

quotes. Brother Branham said, "They were all human beings, but, all God-created, all the handiwork of God, but the difference when the death penalty was passed, the difference between life and death was the token. And so will it be at the coming of the Son of God, when He brings the Bride out of the church, the difference will be the Token.

(THE_TOKEN DALLAS_TX 03-08-64) I finished my message after one hour and twenty minutes. After the ministry an old man came to me and said I heard first time this type of message in my life, it was really very blessed and great sermon. Then a denominational minister came to me and appreciated me for great message and asked can you give me this mes-

sage of William Branham? I said him I have this message in English language but he couldn't read English, I promised him I will try my best to make available this great message into Urdu language as soon as possible and provide him soon because I have translated into Urdu so I need to print it only. Hungry and thirsty people of the Word of God are waiting for the truth and End time message by Brother Branham giving them this truth and fulfilling their spiritual need. We are trying to provide in their own language. We had service on 25th December at Pak Tabernacle Karachi, more than one hundred people came to this meeting some people were standing in the street because there was not enough place inside the church. I shared the message from Isa 7:14 and shared many quotes of Brother Branham. Brother Branham Said, You love each other? Turn around and shake hands with each other, say, "God bless you. Christ be with you." Instead of "Merry Christmas,". We have great burden and vision to reach all nations in Pakistan with the end time message of Prophet William Branham. We are greatly and highly thankful to all saints who are praying for the ministry work and supporting us Pak Tabernacle Karachi in Pakistan. We request to all saints please keep our ministry and work of translation in your personal prayers. We greatly and highly thankful and appreciated your kindness and love.

May God bless you, your ministry and family richly Shalom

Your brother in JESUS,
Brother Shamoon Yaqoob
