Pastor Shamoob Yaqoob,

Pak Tabernacle,

Pakistan.

After dinner we went to convention place there was also mixed people get to gathered for the Word of God. I shared the message titled “The Rapture”. At the end of the meeting we distributed the books of Brother Branham. It was really wonderful experience in this missionary trip with new and old message believers. It was very blessed time with God’s people but I felt extremely people are so much hungry and thirsty for the message of the Hour. Because our message can’t restore people but we need to spread the Message of prophet of Malachi 4, who is restoring all things by the grace of Lord Jesus Christ. We just need and it is our vision to take the Message of restoration every part of Pakistan. Amen and Amen! We are expecting great revival by the audio messages of Brother Branham because this is first time in history of message in Pakistan that people will listen Brother Branham’s voice with Urdu translation. It is feast time for us when we received the Urdu MP3 in our office form Voice of God recordings Jeffersonville.
