## **FOREWORD**

*This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.*

*It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.*

*The original video and audio recording can be accessed through our website [www.thirdexodus.org](http://www.thirdexodus.org)*

*We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.*

**Excerpt:**

There is to be a people to match with the Word. Amen. That's the only way we could know we are the Bride. Jesus proved He was Messiah by saying, "If you don't believe Me that I'm the Messiah, then believe the works that testify who I am." Amen. "Search the Scriptures; in them you think you have Eternal Life and they are they that testify of Me."

So in other words, He was taking His Life and the Old Testament prophecy and proving to them He was the correct matching piece for the promises for that time. So if there are a people to prove they are the Bride, then they would have to be the perfect matching piece to every promise spoken for this Day, to prove that they are the elected Seed that God is speaking about. [Page 5-6]

[#262 - Songs That Live -Ed.]

*...just more of You.*

*Of things I had my fill*

*And yet I hunger still;*

*Empty and bare, Lord, hear my prayer*

*for more of You.*

Amen. Let's bow our heads, let's close our eyes. Let's just dig the ditches deep in our hearts tonight. We know if we come expecting to receive, God will not let us go away empty.

Our Heavenly Father, as we stand in Your Divine Presence tonight, oh God, in spite of the weather Lord, to see Your people, Lord, have come, many knowing there wouldn't even be a place for them to sit. But Father, that wasn't even brought into consideration in their minds, for Lord, God, we know that faith takes no circumstances into consideration, but faith looks unto You, Jehovah-Jireh, (hallelujah) the One Who made the promise, knowing You will perform what You have spoken.

How we appreciate that type of faith in the hearts of the people Lord, especially in this Hour, oh God, when there is so much unbelief. But oh, God, if we could see the royal Seed of Abraham, Father, with royal faith (hallelujah!) praising God in spite of all conditions Lord, strong in faith giving praise and glory unto Your Name, perseverant, moving on to achieve the objective tonight. Hallelujah.

Almighty God, we pray tonight, Father, that Lord, You would so pour out Your richest blessing upon us. We just felt that You are preparing our hearts, Lord, and gathered us here tonight to do the exceedingly abundantly above all we can ask. So God, we come Lord, God, laying aside every weight and the sin that so easily beset us. And Lord, God, we ask, let Thy will be done tonight, Father, and Lord, may You get honor and glory in the service.

Bless each and every one that is gathered, especially the strangers, tonight. Oh God, we pray You just have Your way in their lives tonight, Father. And Lord, when we leave this service, oh God, may we say like those that came from Emmaus... Hallelujah. They were no longer sad; they were no longer gloomy but oh God, their hearts were burning within them. They would say, "It's the Lord indeed! He is risen!" Hallelujah. "How He made Himself known unto us in the breaking of the Bread." Hallelujah.

Have Your way amongst us and get honor and glory, for we ask it in Jesus' precious Name. Amen.

Could we turn our Bibles tonight? I would like to read in 1<sup>st</sup> John, chapter 5. Also, you could find Luke 24 and John, chapter 5 also. So, that is 1<sup>st</sup> John, chapter 5 and St. John, chapter 5. How many have come expecting God to do something tonight? Amen.

I just can't get out of it. You know, God did something so tremendous for me today, and I know I had to come and preach. All the time in the room there I have just been trying to write out some of the things that God was giving me and I was just about finished writing it out. So, I trust that it really blesses each and every one that came looking unto Him.

Let's read from John, chapter 5 first, verses 39-40.

*39 Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.*

*40 And ye will not come to me, that ye might [receive] life.*

Let's read a little further.

*41 I receive not honour from men.*

*42 But I know you, that ye have not the love of God in you.*

*43 I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive.*

Also St. Luke 24, verse 27:

*27 And beginning at Moses...*

You all know the discourse here between Jesus and the men on the road to Emmaus after the resurrection.

*27 And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself.*

Continuing on verse 44:

*44 And he said unto them, These are the words which I spake unto you, while I was yet with you, that all things must be fulfilled, which were written in the law of Moses, and in the prophets, and in the psalms, concerning me.*

*45 Then opened he their understanding, that they might understand the scriptures,*

1<sup>st</sup> John chapter 5, verse 9:

*9 If we receive the witness of men, the witness of God is greater: for this is the witness of God which he hath testified of his Son.*

*10 He that believeth on the Son of God hath the witness in himself: he that believeth not God hath made him a liar; because he believeth not the record that God gave of his Son.*

*11 And this is the record, that God hath given to us eternal life, and this life is in his Son.*

*12 He that hath the Son hath life; and he that hath not the Son of God hath not life.*

*13 These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God.*

*14 And this is the confidence that we have in him, that, if we ask any thing according to his will, [His already expressed desire] he heareth us:*

*15 And if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him.*

Continuing on verse 20:

*20 And we know that the Son of God is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Son Jesus Christ. This is the true God, and eternal life.*

*21 Little children, keep yourselves from idols.*

Let's bow our heads and close our eyes.

Our Heavenly Father, oh God, may we receive that kind of understanding tonight that we may know Him that is true and we may know that we are in Him that is true, Father, and that Truth is in us. Make it plain unto us.

Take the fears and doubts out and may our faith be so inspired that, Lord God, it would give us a complete deliverance, a total victory over the lust of the flesh, the pride of life and the lust of the eyes. Grant it, Father. We ask it in the precious Name of Jesus Christ, amen.

You may have your seat. Amen. We want to welcome everyone in the house of God tonight, all the strangers and the visitors, especially our sister and her family here from Venezuela, and we have a few more of the saints coming in tomorrow night. So we really welcome

them in the precious Name of Jesus Christ. Sis. Zida Santilles is here with us to spend a few days. It is the first time she has been to Trinidad. Maybe she would just like to stand so the people can see who she is. Amen. [Congregation claps -Ed.] We're really glad to have her tonight. Amen.

You know, normally tonight is tape service and I was hoping that I wouldn't have to preach. The Lord has been just giving us so many things here these last few days and sometimes you have it piled up there and you know, when you go to service it's so much to say in one service and then after a while when you come out of what you're in and you go into something else and you begin to occupy your mind with other thoughts in the Word, then you find to speak the things that are a blessing to your heart now, it doesn't seem to have the freshness that you would like it to have. So, I just thought I'm going to preach tonight.

I've been preaching about the Bride Coming of Christ. Bro. Branham said there is to be a Bride Coming of Christ. But tonight, I want to inject a little message in here. Tomorrow I'm going to continue because I think it's kind of hard to preach the Bride Coming of Christ and many of the saints in Barataria are not here tonight. So I'll wait until... Maybe I'll go back there tomorrow when we'll have the real preaching service and most of the saints are out where they could all continue in what is happening.

But seeing that we're on the theme of Jehovah's Masterpiece (it's the same thing we're preaching about,) I just wanted to maybe use for a little title tonight, **"JEHOVAH'S MASTERPIECE IDENTIFIED"**. Amen. And for a subject I want to call it ***"The Perfect Matching Piece To The Promises Of God For This Age"***. Amen.

There is to be a people to match with the Word. Amen. That's the only way we could know we are the Bride. Jesus proved He was Messiah by saying, "If you

don't believe Me that I'm the Messiah, then believe the works that testify who I am." Amen. "Search the Scriptures; in them you think you have Eternal Life and they are they that testify of Me."

So in other words, He was taking His Life and the Old Testament prophecy and proving to them He was the correct matching piece for the promises for that time. So if there are a people to prove they are the Bride, then they would have to be the perfect matching piece to every promise spoken for this Day, to prove that they are the elected Seed that God is speaking about.

So, I just want to put that thought there, JEHOVAH'S MASTERPIECE IDENTIFIED and for a subject, *The Perfect Matching Piece To The Promises Of God For This Age*.

And if we are the Seed, the true Seed, the elected Seed, then we would be matching with the Word and receive our inheritance, because the Seed is not heir with the shuck. The reason the shuck would not be heir is because they cannot match the promises. They might claim the baptism of the Holy Spirit but their lives, their token, wouldn't match the Scriptural identification of what the Bride ought to be for this Hour. Amen.

And, you know, it's been so good of the Lord to just be making His Word so plain unto us because there is so much happening. And, you know, Sunday there I was preaching about *The Bride Coming Of Christ* [1983-1218, Pt. 2 -Ed.] and I was just going right into the Word there and to see how much is right there in *The Masterpiece*. [1964-0705 -Ed.]

So, I trust you have been kind of holding on to the theme that we've been trying to impress your heart with, to let you see what we're speaking about is the Bride of Jesus Christ, which was promised in the Bible to be here in the last days; a people whom God will be able to vindicate every written promise in the Bible (amen) through their lives.

And we find out that Bro. Branham in 1965, when he preached *It's The Rising Of The Sun* [1965-0418m -Ed.], he said that Malachi 4:5 was the first one to prove that he was a wheat. And it makes you think about that, because what does it mean 'the first one that proved to be a wheat'?

Now we find out in every Age there was a Word allotted for the Age and the Seed in that Age had to manifest the Word for that Age to prove that they were Seed for that Age. Now in this Day that we are living in, there are over nine hundred and sixty-nine denominations professing Christianity, and then about the same amount of interpretations in the Message also professing to be the Bride in the Message. So then, that would run into thousands.

And then when we think of that, there is one set of promises for this Day. And it's not by everybody who put up their hand and say, "I'm a Christian," or "I go to church," or "I burn a candle," or "I was baptized." It's not that God was talking about. So then these people who have a claim that they are Christian, their claim would have to be proven by God and vindicated by God to prove that the claim that they are making of being a Christian is correct.

He met about four hundred people in the wilderness who would be destroyed; another one rose up, claiming to be somebody, just like in this Day. There were many people that claimed to be Elijah in his Day. Up till today, there are still men claiming to be Elijah, the prophet. Then there are a set of people who are claiming that none of these claims are true, that John was the Elijah and there is no other Elijah to come after John.

Well, all of those were interpretations. But then we find out in this Day God came down and vindicated only one man's claim because this man had the scriptural identification to match in the Bible, what Elijah was. And seeing he had the Spirit of Elijah, then he will have to do the same things that Elijah did. So then, the only

reason God could have vindicated that man's claim is because he was properly identified by the Scriptures.

So, it's not just to have a claim of being a Christian tonight because you won't be able to have the right kind of faith just by going to church, because faith doesn't come by going to church, faith comes by hearing the Word. And then, if anybody could hear the Word who has the sense of hearing, it cannot be that, what God is speaking about, but it's those who could understand and know what their place is in Christ, (amen); who could receive the revelation of the Word for the Day that they are living in, to recognize their position in the Body of Christ. So then, we find out then, if that is so, then before we could rightly have the right type of faith, we must be properly identified by the Scriptures.

And that is why Jesus could have had faith to say, "Destroy this temple; in three days I will raise it up." He didn't say in three years or three weeks because He saw in the Scripture that certain things which represented Messiah, which identified the Messiah, like the Feast of the Firstfruits was three days after the Feast of the Passover; like Jonah in the belly of the whale was three days and three nights; like the Holy One Who would not see corruption, which sets in seventy-two hours.

And He, knowing that that pertained to Messiah, believing: "If I am Messiah, then I must be able to do it in three days"; not three weeks or three months or three years but according to the Scriptures. And He just couldn't claim to be Messiah though He understood something about Messiah.

Now, understanding something about Messiah is not being Messiah. All the priests could preach Messiah was God. All the priests could preach, "Messiah when He comes on the earth, will have the same as a prophet." They could prove Messiah was to come and restore the Kingdom. The Scriptures taught them such about Messiah. But though they knew that about Messiah, that didn't make them the Messiah.

Now today, a lot of people could know things about the Bride but that doesn't make them the Bride. They could know the Bride will not be in the organization; the Bride will be called out by Eliezer; the Bride would go in the Marriage Supper; She wouldn't go through the Tribulation. That doesn't make you the Bride. Amen.

But Jesus, seeing that the identification that Messiah was going to have, He saw it in His Life. He saw His Life matching the Scripture. And when He saw that, it properly identified Him to be the Messiah. So, everything that the Scripture said Messiah was going to do—because He was already properly identified, and because His faith was anointed when He saw Himself properly identified. Because there is no way that you're going to have inspired, anointed faith if you don't see yourself properly identified. You must have it because that is what anoints your faith.

How could somebody see that their life is matching the Scripture that shows what the Bride is going to be and then doesn't have faith? It's impossible! But when you see people know things about the Bride and don't have anointed faith, they are like the Jews who know about the Messiah but was not the Messiah. But when you see your life is matching the Scripture, that is the channel through which faith becomes anointed, and you're going to find yourself behaving like the Bride, talking like the Bride. When a situation comes, before you could even think, you're acting like the Bride already.

He didn't say, "Well, the Bride is supposed to do this, I'll do this," you know. Amen. Do you think when the Bride sees the Squeeze coming, She's going to start to run in a corner and hide? She'll say, "Praise God. For this cause came I unto this Hour, to bear witness of the Truth." Amen. She will say, "Unto this end I was born. This is the Hour that he said, 'When the Squeeze comes, watch the Third Pull then.' I'm fixing to rise into my climax! Soon the sleeping saints will be coming up."

Because after He was publicly crucified, then He cried with a loud Voice and the sleeping saints came up! They arose. And when He came out of the grave, then they came with Him.

So, then it means to say now, here it is that the same way that the Bride—He was identified and properly identified by the Scriptures, it anointed His faith because that was the channel, because the whole Life was predestinated.

When God spoke and said, “Let there be corn,” and the Spoken Word was the first seed materialized and became a corn seed; and then corn was to reproduce itself in three months. See? And then He spoke it and caused it to grow, not in maybe cold countries, or to grow maybe in its own type of environment. Then God already had all of these seeds created and the seed fell in the type of environment ordained for it to fall into so it could reproduce itself according to the law of life that governs it.

When He said, “Apple,” and that had to fall into a cold climate, His Spoken Word became an apple seed, and that was to reproduce itself in a cold climate, so it fell into that. Amen. Because remember, His Spoken Word were many years afterwards, but it's laying there to come forth in the season and time He decreed it to come forth in. It was the same way.

When God was thinking about you and He spoke, that there will be an Age in the last days at the end of the Church Ages, a little space of time, and there will be a people inside of that time. And in that time, the days will be like Noah, and it will begin to be like Sodom, and it will be a scientific Age, and there will be a lot of unbelief and that is the spiritual, climatic conditions to bring forth that type of seed. God spoke it. When the time comes and that Age comes, then that seed has to be laying there to be quickened and brought forth to identify itself in the environment that God ordained it to come forth in.

So God, just like any great farmer, He spoke His Word for a certain time, a certain season for It to come forth in that time and in that season. Amen. So here then we find out that we are living in an Hour here (as we were taking Sunday morning) where the Age that we're living in has been identified because of the Scriptures that have been manifested.

Now anybody could say today is Wednesday. But if today was Thursday, we would have been in Barataria. If today was Sunday, we would have been in Barataria. But because tonight is Wednesday and on Wednesday we have to be here in Cocoyea for service, then it means to say just being here is a proof to us that it is Wednesday.

If you were coming to service and you were suffering with amnesia and someone told you that when you reach to the service, it might not have anybody because today is Tuesday, then you might have doubt. But when you see people gathered for service, your faith will be anointed and it would be confirmed to you it's really Wednesday, because Wednesday is the allotted day to meet here and gather here.

Now it is the same thing with God. God put a Word for every Age and when that Word is being manifested, It identifies what Age it is.

How could we prove that this is not a Lutheran Age? If somebody said, "This is a Lutheran Age. What are you all saying? You all are the stalk." We could prove by the Scriptures: Luke 17:30, Malachi 4:5, Revelation 10, shall be manifested and vindicated in the life of an individual that that is Grain by going back to the Bible and finding out what the original Grain was like, and show where that fit and matched perfectly the Scripture that identified the first and original Grain.

Because Jesus, the Son of Man revealed, was the original Corn of Wheat. He said, "I am the Corn of Wheat. Except a Corn of Wheat falls in the ground and dies, It abides alone." And there is no other corn of

wheat seen of the Son of Man; He wasn't manifested at any other time through Seven Ages except in these last days to prove that is when that Seed reproduces back itself.

Because the promise was given, "When the world comes back like Sodom, then the Son of Man will be revealed again. So between that Son of Man and that world coming like Sodom where the Son of Man will be revealed again, there was to be no revealing of any Son of Man promise. This will be the first time you'll see a Seed like that Seed. How many are understanding me at all? Alright.

So when that came forth, it was the proof to us that we're in a Wheat Age because these Scriptures being manifested, identifies to us what Day we are living in. Now when we know what Day we are living in, then we see the standard that God requires. Because in the days when they wanted to hold on to a tradition, God broke the corn on the Sabbath and all these things. And here the Word was being manifested before their eyes, that every one of them became sinners because they failed to be identified and manifest the Word for that Age. The Holy Spirit left them in their organization but He moved all the believers who were manifesting the Word for the Age.

So, whenever the Truth was vindicated, the people who were holding on to something before that promise was manifested and failed to move on and be identified with the promised Word that was being manifested, became sinners. Though they might keep on living a good life, though they might keep on being more sincere in the church, they are still sinners because they have disbelieved the vindicated Word of God, and sin is to disbelieve. Amen.

So, then it means to say, from the time those Scriptures were manifested and identified and proven by God, it was *that*, by Him vindicating It publicly. And the messenger in whose life it was being done, was

identifying it from the Scriptures showing it was a promise given; now it is a manifested promise. Then God's standard for the Age was revealed. Then it means to say, to live below that standard, is to be out of God's economy. It's to show you are not part of the elected Body of believers for that Age.

That is why when Wesley came with sanctification, and the Lutherans who were only justified or had known about justification, professing it but never achieved it and remained back there, they became sinners. The life left them and went with those in the Methodist Age.

Then when the elected Methodists went into Glory and they wanted to hold on to sanctification and you have some people believing in the baptism of the Holy Ghost, then the Life left them and went with the people who were believing in the baptism of the Holy Ghost, the restoration of the gifts. And the Methodists became sinners because they were professing a Word for a past Age and they didn't move on with the present tense Truth. Do you see?

So here in this Day when the Word has been manifested and identified, properly identified in the Scriptures and proven to be the manifestation of these promises, then it tells us what Day we're living in. Then we are seeing God's standard and then to miss that mark is sin. Then the proof of us proving that we are believers, we proving we are part of the Word, is for those same promises to be operating in our lives, to show the literal same Life is in us, because that is what the Life is doing for this Age. That is what the Life is producing for this time.

If we were all in one climate, like the Age, and you plant a grain of corn in Trinidad, one in Barbados, one in Grenada, one in different places, all are going to bear corn. The island won't change it. Do you understand that? So then the Word of God predestinated for this Age, regardless of where you came from, what country

you came from, it will have to produce that Word because the Life of that Word, that is what It's producing for this time, and whether that Life is in you as a believer. Is that simple? [Congregation says, "Amen." –Ed.] That is very simple.

So then it means to say then, here... What is the Word in this Age then? We find out in this Age that the firstfruit of this Age, what the Life was producing, was the very manifestation of certain promises like St. Mark 11:23, John 14:12; all these things are promised in the Bible; greater works than these – the Spoken Word. It was producing these promises to prove that the Word image is here again. This is the Age where the original thing is reproduced back and what followed the original order is following it again.

And we find out, (as we said Sunday,) that's the reason the Rapture couldn't take place in Luther's Age, because he never produced a Wheat; he produced a stalk. A stalk is not a wheat. The life of the wheat is in the stalk, but the stalk is not the image of the grain. And the original image of the Son of Man, the image of the Word, all Seven Spirits standing there, that was not in Luther. That formed image wasn't in Luther. It wasn't in Wesley. It wasn't in the Pentecostals.

So the Rapture couldn't take place; it couldn't be the last Age. Because until that image came back, then you know you're in the last Age. And when that Image came forth and the Scriptures that must follow that image to prove it is the image... Well, after God made man in His image, He gave him dominion over the earth. Is that correct? So, then when we saw those things were being manifested, it was the proof and the identification that that Age was here.

Then it gives you joy when you are a believer in this Age and it puts fear in your heart when you're in this Age. In one way it's nice to say it's the greatest Age you're living in, and you have a lot of joy to be in this

Age. In another way, it is a lot of fear to be in this Age too.

Because a Lutheran who made it on justification, you could live that same life today and don't make it. A Methodist who was sanctified alone and made it, you could be sanctified today and be lost because what you will bring forth will be identified in a past Age; it wouldn't be identified in this Age at all.

And the purpose that you are predestinated, is to light up the Age and show forth the works of God for your Age. God is revealed through His works, because the works He speaks about is the manifestation of His promised Word for that Age. And if you're living any other thing but the Word for this Age, you might be in church, you might be a good person, but you will not be revealing God for your Age. You'll not be showing forth God's Word, His purpose for your Age. So, then you wouldn't be a Christian. That is strong, right? Strong. Amen.

So, let me read a little bit inside the Word for you because there are some tremendous things; I trust I could get to it. Amen. Now from *The Masterpiece* [1964-0705, paras. 79-176 -Ed.], I'm taking some of these things here. Page 17.

He said: *The perfect image of the God-Man, God En morphé had changed from Supernatural to the vision. And the vision was projected into the Image. And the Image was smitten so that the Supernatural could taste the feeling of death, God's perfect Masterpiece. He could not do it in Moses. He could not do it in the prophets. Isaiah who was sawed with saws till he was sawed to pieces... He could not do it in the prophets that were stoned. He could not do it, because He couldn't feel it. They was just a portion of Him. But in this perfect Masterpiece He was the Fullness of the Godhead bodily.*

Now we all know that Jesus Christ was all the Word. Moses and all of them were part of the Word.

*He could not only project Moses, He could project His entire being into this Person and taste death for the whole human race. God's perfect Masterpiece, God, so inspired by seeing It, He become the Redeemer of all ages to speak for those in the backgrounds who had been before and now.*

*All promises was met in Him. He was the Perfection of the perfection. All types was fulfilled in Him: our Kinsman Redeemer in Ruth and Boaz; our Law-giver from Mount Sinai; our Prophet from the wilderness, as He come from the mountain, as He come from the wilderness, as He come from eternity and become man, the perfect Image.*

*... And now, in order for this to speak (He is the Word.)-and for the Word to speak He must come into the Image.*

I was preaching back there before we went away and I was telling you that no inspiration could come for the Third Pull until you're formed in the Word image. You could read about the Third Pull ministry all the years, you could know it was promised all the years, you could know that it must come to pass if it's identified in the Bride, but real inspiration to operate those promises, to live in that place, couldn't come except you're formed in the Word Image, because what He strikes is His Word Image.

*[So] in order ... for the Word to speak He must come into the Image. And then for the Image to speak, it's got to be smitten. He comes into the Image.*

*... As I said the other day, Jehovah of the Old Testament is Jesus of the New.*

So listen here now; we're coming down to the message.

*... Like many of you men, women my age, we used to have around the country a lot of Chinese laundries. When the Chinese first started in, they come from the west coast, moving eastward, coming over from the eastern country, moving this way. And as they did, they were people who were not acquainted with our language and*

*our ways, but they were fine laundryman. And they couldn't write the ticket so you could get your right laundry back. But the Chinaman, he got himself a bunch of [these] cards with nothing on it at all. So when you come for your laundry, he would take this card and tear it in a certain way and hand you one piece, and he kept the other piece. And now, it's a little better than what we have now, because when you come back to claim what was your own, those two pieces must dovetail. [Amen.] You couldn't impersonate it if you had to. There's no way of doing it.*

Do you know what I'm getting at? The Third Pull cannot be impersonated. Why? Because it is a ministry of Jehovah's Masterpiece. And Jehovah's Masterpiece is the formed image of Christ, the Word. And you cannot become the Word, you cannot grow into the formed image, except you were a thought.

Because dominion could only come after you become the image. Because God made man in His Own image and His Own likeness and gave him dominion. He didn't give them dominion and then make them in His image. He made them in His image first. Adam didn't bypass the Word image. Adam came from thought to the Word image. Amen? And that is what made Him God over the earth.

But we came from thought to flesh and we bypassed the Word. And there's no way we could come back to that dominion except we come from flesh back to the Word. But there's no way we could come back to the Word, be formed in the Word image except there is the potential in you, the Transforming Power within you, to transform you back into the image that you bypassed. There is no way to do it.

Now we'll strike here into the true baptism of the Holy Ghost. Because remember, if you have the baptism of the Holy Spirit, it doesn't mean to say you're born again. Now some smart person will say now, "How do you mean to be born again and the baptism of the Holy

Ghost is the same thing, and you could be baptized with the Holy Ghost and not be born again?"

Because in one, there is no representation by predestination and in the other, there is representation by predestination. The same Rain fell on the Wheat and fell on the thistle. The same Rain falls on the just and the unjust. Amen? So it means to say, if there's not a Word Seed in you, when the Rain falls upon you, you can't produce the Word; you can't grow up into the image of the Word.

But to claim the promises for your Age, and by the manifestation of the first One, the first Elect in this Age who proved to be Elect in this Age, he had to manifest the promises for this Age, which are the Wheat promises. He had to become the formed image of Christ before the Pentecostals could start to impersonate him.

Not until he was the Word, he was impersonated. But when he became the Word, they couldn't impersonate him anymore because he was operating other promises to identify the Wheat Age: the Third Pull, the Spoken Word – the dominion itself! But healing and these other things, the gifts, they impersonated that. Do you understand what I'm saying?

That would be in every Age. But their Age identified it for the Age—for the Ages, rather. That Age had such a manifestation, such a measure of the manifestation of gifts to identify the restoration of the gifts back in the church. But in every Age there were supposed to be gifts. That doesn't leave the church.

But the real promise for this Age was not the gifts; it was the Life of the gifts, the formed image of the Word. And the first and second pulls were gifts that they impersonated but in the Third Pull, he was formed back into the Word image and the Word was standing there; the Wheat now was there.

Because before the Wheat was formed, it was in the shuck; and the shuck was the Pentecostals, the restoration of the gifts; and they protected the Message

in the first and second pulls. But when the Life was formed, the shuck had to pull back because it was a new Age now. The Grain was here. And when the Grain was here, to prove he was Grain, to prove he was in the same image that went down, reproduced again, he had to operate the promises to identify that, which was St. Mark 11:23, the Spoken Word, the dominion that Adam had, to prove that we're in the last Age. Amen.

So then it means to say then... Then here it is, we are coming to a time where there can be no more... In other words, we are coming into a time and now is... I'm saying 'now is' because I'm preaching Jehovah's Masterpiece is being unveiled. So the Hour of no more impersonation is here. Why? One will be the perfect matching piece to the promise (hallelujah!) and the other one will claim the baptism of the Holy Ghost, and came and identify with the true promise! Amen. That is good. Not because I said it but because that is the Word.

*...because when you come back to claim what was your own, those two pieces must dovetail. You couldn't impersonate it if you had to. There's no way of doing it.*

Because the Third Pull will not be impersonated because it's the ministry of Jehovah's Masterpiece. The ministry of the Masterpiece is the Third Pull; not the sign post is the Masterpiece ministry. No! The commission, the Third Pull itself is the ministry of the Masterpiece. That is why we never had any real ministry yet. Amen. We're coming in for our ministry. Amen. See?

*There's no way of doing it. You could make copies of letters, but you can't impersonate that tear. It's got to fit exactly with the other piece. Therefore, your dirty clothes that you brought in, you could redeem them by this ticket, because it matched the ticket that was turned in.*

*... But when Jesus came on the scene, He was the fulfillment ... of everything God had promised. He was*

*the perfect, identical image of the promise.* [He was the perfect, identical image of the promise.]

Keep in mind what I'm speaking about – the promise for the Wheat Age. And you have to be in the formed image of Christ. Why? Because it has been proven to us that we're in a Wheat Age when the same image, the original image that God made man in, is here again. And to miss that is to miss the mark in this Age. You might look successful reviving a past Age, but as far as God is concerned, you're missing the mark for your Age. That's why when people try to revive Azusa Street... You have to hit the promise for the Age.

Now, if you don't know what Age you're in, you'll behave like them of a past Age. There are people, they joined the Methodist movement. In the Wheat Age, they're trying to go back and live in the tassel. There is no Life in there. Some people joined a Pentecostal church. They're trying to go and live back in the shuck where there is... We're in a Wheat Age; the Life has already left the shuck. So in there, it could only be an intellectual gathering.

But all true Life, all true Elect, all those with representation, when the Holy Spirit comes to them, He could only point them to the Wheat itself, nothing else. He could only point them to the Word for this Hour to prove it is the Holy Ghost, because He knows what He has lived out and identified already, and He knows what He's yet to live out, and He knows why He's calling them! He knows what He predestinated them for, because "Those I foreknew, I predestinated; those I predestinated, I called!" Amen!

The Elect can't be deceived. It's impossible! She's the Mystery! She's the Word! Will She be the Mystery and doesn't know the Mystery? Somebody who's not the Mystery might try to learn the Mystery. But She's not learning it; She's revealing it. Amen. Now watch.

Now when Jesus came, He said, "Search the Scriptures." What do you think the Scriptures are

written in the Bible for? The Scripture was written in the Bible to foreshow the promise. It was written there to be a matching piece for the Messiah.

So when Jesus came, they took the Scriptures and they made schools out of it, they made cliques out of it, they made seminaries; they educated preachers. But the Scripture wasn't for that. The Scripture was to point to them and to show them there was going to be a promised Messiah coming, how He was going to identify Him, what He's going to do, what He has to vindicate, how He will come and be able to have faith by seeing His Life matching what's written there of Him.

So, what do you think the Scripture was written for, for this Day? It's written to identify a people. So when Jesus came, He said, "Search the Scriptures. You think you have Eternal Life in Them." So if you have Eternal Life in the written Word, wouldn't you have Eternal Life in the manifested Word? You hold on to it as a form of security and that can't do anything. That is only promising you that the real, manifested thing will come. That is only to tell you the manifested thing will come, and the Eternal Life will be in the manifested thing! See?

[So] *He was the perfect, identical image of the promise.*

So the promises that are allotted for this Day, there has to be a people who will become the perfect, identical image of that promise.

Do you know the Mystery and the joys of seeing that after eighteen years, you're matching your piece to the other piece, and see it was the hand of God tearing your life in the predestinated shape, and you had nothing to do with it at all, and then your predestinated life is matching the Scripture like that, and that other people are trying to be a Christian, trying to live a good life, hoping they make it; trying to do and not to do, and you are just living and fulfilling Scriptures, matching the promise? Do you know what that is; your life that you're living out, opened up Scriptures? You'll walk through

a wall one of these days; a big, solid, brick wall, you'll walk right through it one of these days.

*...all promises of the Old Testament was met in Jesus Christ. It couldn't be met in Moses. It couldn't be met in any of the prophets, but it was met in the Masterpiece. It matched all that It said It was going to be. So will the Church have to be a match to everything God has promised.*

You will have to match Sarah. You will have to match Ruth. You will have to match Rebekah. You will have to match Esther. You will have to match Samson. Because He had to match Jonah, He had to match Solomon, He had to match Joseph, He had to match Isaac; He had to match all of them. He took the Law and the Psalms and the prophets and all things concerning Himself.

And He was doing this on the road to Emmaus; He was matching it for them. Amen. And when He matched it, He preached, *A Greater Than Solomon*. When He matched Jonah, He preached, *A Greater Than Jonah*.

What about when you match Esther, wouldn't you preach, *A Greater Than Esther*? When you match Ruth, you'll preach, *A Greater Than Ruth*? When you match Sarah, you'll preach, *A Greater Than Sarah*?

No wonder people don't understand where these things are coming from. You can't open anything if you don't match it. When you match it, it goes 'click' and the door unlocks and out jumps revelation; out jumps stimulation. Match Samson; all these things. Match the Gentile warriors. See? When you match it, it opens up. See?

And look how he took all those promises on the baptism of the Holy Spirit. Why? Why was he opening it up? Because he was matching it in the Bride.

*It must be that piece that's smitten off of It. So if the original is the Word, so will the subjects that's been taken from It be the Word to match Its side.*

Did you get that? Let me shift a little bit; there is something here I want to get. Amen. Now watch something.

Jesus Christ is the Principal Theme of the entire Bible. How many know that? And God's great Mystery which was hid in Christ had been prefigured down all through the Ages, because you know Christ is the entire Bible. He took the Law, He took the Psalms, He took the prophets; He took everything concerning Himself. He showed them that He was the One in the prophets; every true prophet was a type of Him. He was the One in the kings; every true king was a type of Him. He was the One in the priests; every true priest was a type of Him. Amen.

He was the One in the bridegroom like Adam; he was a type of Him. Amen. When the bride was taken from his side, a Bride was taken from His side too. He was everything. He was showing them that He was all these Scriptures – all things concerning Himself.

Now watch. Now Adam, the first Masterpiece, He was the whole Word of God. Amen. Both the Old Testament and the New Testament were in Adam. How many believe that? Some people don't believe that. Amen. If Jesus is the entire Bible, both Old Testament and New Testament, because the Old Testament is the Bridegroom; the New Testament is the Bride, and all was in Christ.

So then the whole Word was Adam. The Full Word born into manifestation again and vindicated by the Spirit of God in its full strength would be the revealing of the Seventh Seal. So you say, "Was Adam the Seventh Seal?" Well then, if we are not in a Wheat Age, then we're in no Seventh Seal. If that is not the Seventh Seal, then we're not in any Seventh Seal.

If that wasn't a resurrection, the Son of Man revealed, Revelation 10:1-7, that wasn't the Seventh Seal, then we don't have any Seventh Seal, because Adam was the whole Word. It didn't produce anything more than what

Adam was. It only showed that what Adam was, is reproduced again! That is the Mystery of Redemption – the same thing coming back in its original condition!

My! I couldn't get out of the bed God put me in today. I sat there and the Spirit took me for a walk (amen) and brother, I began to walk down a road with the Holy Spirit. Amen. And He began to unveil, unveil, unveil so many great and mighty things. I sat there amazed. I said, "My God!" Amen. I was just writing, writing fast; I was just seeing the visions flashing. I didn't see any vision out there. My subconscious and my conscious are not close together. Not that kind of vision; vision of His Word – revelation was just unfolding. Amen. Now watch.

Then if Adam was the whole Word, both Old Testament and New Testament right there, (see?) then God took out of Adam's side, a bride. Is that correct? And she was part of him – bone of his bone and flesh of his flesh. And she represented the Church that was going to come out of Christ, because it was a prefigure. It was a shadow of the Mystery that was in the heart of God.

So Eve represented the New Testament because the New Testament is His Blood for Seven Ages that He brought on His Church, His mystical Body. And the two halves, Adam and Eve, made one whole; the Old Testament and the New Testament, the Bridegroom and the Bride, the Redeemer and the Redeemed, Boaz and Ruth standing right there in Adam and Eve. And they together had dominion over the whole earth, which was their domain.

Now watch. Did you see that? Now Adam reflected the Son of Man, the Word, when he stood there. When he stood in Eden there, he reflected the Son of Man, the Word, because that was the Full Word image standing there. And when God took Eve out of Adam and formed her, she reflected the Seven Church Ages because every Age was represented in Eve.

Eve's eyes were Malachi 4. Who believes that? Eve's lips were the Pentecostals. Eve's thighs were Wesley. Amen. She was the body Word (amen), bone of his bone and flesh of his flesh standing there before the Fall with dominion over the earth. Amen. So Adam stood there reflecting the Son of Man; Eve stood there reflecting the Seven Church Ages (amen), the Son of God. And together they had dominion over the earth, the creation, the Kingdom, reflecting the Son of David.

Now watch. God had a great threefold Mystery. Let me make it plain for you. What was this threefold Mystery? To have the preeminence in Christ, to have preeminence in the Bride, and to restore the fallen Kingdom. Amen?

When the Son of Man was revealed, Jesus Christ on the earth, they had preeminence in Christ – Son of Man. Is that correct? When He has preeminence in the Church, that is the Son of God. And when He stood before the Kingdom, it was the Son of David: Prophet, Priest and King.

So Adam, standing there... Now that's under the Seventh Seal. That's the great Secret God had in the back-part of His Mind that He didn't talk. Before the Fall was projected in the Garden of Eden, there was the Mystery of the Seventh Seal. Redemption was to bring that back. And all what God has been working for six thousand years was to get that back!

What a joy it is to see the Wheat in the Wheat Age, to see the Son of Man waved; to see a Bride come marching "*Onward Christian Soldiers*"! What of that Word in the last days with the same image? And can see the Son of Man identifying the breaking of a New Day and the kingdom falling apart when He should be King of kings and Lord of lords, right before your eyes in this Age. I'll prove to you His New Name was revealed in Seven Thunders. Oh my!

Do you know what God is doing for you? God loves you all so much. He loves the Word and He loves all the

believers. But do you see you all in this church? He loves you so much (hallelujah, amen) that God speaks Things to you. And many of you, though you're sitting here and you're believing, you are believing halfway. So, God has come back around and double and triple-prove it back in your hearts to remove your complexes.

Forget you're from Trinidad. Forget you're from Cocoyea and Barataria. Forget that! You're a Gene of God! Amen. Hallelujah! God coming down to you to reveal His Word, properly identifying It, bringing all the Word together, calling out your part and proving to you over and over that it is He, Himself. Amen. God's great threefold Mystery revealed and expressed before the Fall. Do you get what I'm saying?

God's great, threefold Mystery revealed and expressed before the Fall was the great Secret of the Seventh Seal, the Mystery of Redemption that God worked for six thousand years to achieve. Because it took God four thousand years from Adam to Jesus to rebuild back Adam. And He spoke to the storm, the winds obeyed Him; cursed the tree, (amen); stood there as God and did it again, and they called Him the Second Adam. Amen. For four thousand years Jehovah was rebuilding the Masterpiece. Amen. God having preeminence in Christ, revealing the Son of Man and manifesting 'the Name of My God'. Do you understand what I'm saying? Oh my!

Jesus came in three Son's Names because He had a threefold purpose, and the three Son's Names revealed the threefold purpose, and it is really a threefold revelation of one Name. It is really a threefold purpose of one purpose. Amen. That's what it is because the whole thing is Redemption. Amen. For four thousand years Jehovah rebuilt the Masterpiece, God having the preeminence in Christ, revealing the Son of Man and manifesting 'the Name of My God' because He came in His Father's Name. Amen.

Then for the next two thousand years, Jehovah was building the Bride – God having the preeminence in a many-membered Body revealing *the* Son of God, manifesting ‘the Name of the City of My God’ – the New Jerusalem. Amen.

And God is restoring the fallen Kingdom as the Millennium, Eden restored, after six thousand years of Satan’s Eden, amen, bringing us back to the Seventh Day that man never lived yet, because God was called out of His rest; because a day with God is as a thousand years and the oldest man was Methuselah, 969 years old. But in the Millennium, we’ll live the whole Day with Him, amen, a thousand years of peace. That Day (amen), we’ll live in that Day and have dominion over the earth. Amen. And God is restoring Eden after six thousand years, revealing the Son of David; manifesting ‘My New Name’. Amen.

Now watch. So the Name of My God, the Name of the City of My God and My New Name were to be revealed where? In the Seven Thunders. Amen. But the Prophet now, preaching under the Seals, and the Angel came into the room and pulled the whole Bible apart and he began to say, “I can spend three months and not touch one Seal yet.” Oh my. He said the visions were flashing the whole day. He said, “I woke up early in the morning, and not until late tonight, (amen,) I just finally got ready to come to the pulpit.” Amen. He said, “But I could only touch the highlights because the time we have, it wouldn’t even suffice.”

What was it? And then he quoted the last part of the promise of Revelation 3:12 and said, “Jesus received a New Name and it will be revealed in the Seven Thunders.” And people ran with this, they ran with that, they ran with all kinds of funny [strange -Ed.] names; all kinds of different revelations they’re getting when the promise is a threefold promise: the Name of My God, the Name of the City of My God, and My New Name.

Now watch something. I want to show you how that great Name was to be revealed in the Seven Thunders. And the Seven Thunders is the Message of the Seventh Seal. Is that correct? Amen. And then the Seventh Seal reveals the Full Mystery of Redemption. Everything runs down to the Seventh Seal. Everything that was back in the beginning is reproduced back under the Seventh Seal: a perfect Man, a perfect Bride, a perfect Kingdom. Everything comes back under the Seventh Seal. It ends the struggling nature, it ends all of this. It ushers in the Millennium; everything!

Jesus came in three Son's Names. Amen. Now watch. So here Bro. Branham came and showed us, there are not three Names but it's a threefold revelation of the same Name. And the threefold revelation of the same Name, reveals the threefold purpose of Genesis to Revelation, because Jesus Christ is the Principal Theme of the entire Bible. He's the Thing which was, which is, and which is to come. Amen?

Now watch. I'm taking my time for you. Now under the Seventh Seal, the Mystery of Redemption, It revealed to us that what was lost is redeemed back. That is why It is the last Seal. Everything runs out there. Amen. That is why in this Age the Message of the Seventh Seal was to gather the Bride together because She had come back to Wheat. The Lord of the Harvest had come to gather back everything together. That's why the Seven Thunders is to gather up the Bride together. Amen.

Now watch. Now God's original program that fell in the beginning is reproduced back in the Harvest Time. Everything in Genesis is reproduced back in Revelation. Genesis is 'gene' - seed. Amen? Revelation is the Harvest. Everything is in sevens: Seven Church Ages, Seven Seals, Seven Trumpets, Seven Vials. Why? It's the consummation of all things. It's the completion of everything. Amen.

And God in the Bible, Bro. Branham says, "He had a hidden Secret and a hidden Mystery and none of the Angels, nobody knew what it was." And they didn't know how it unfolded itself down through the Ages, but he said, "I'll tell you what – it happened the way it happened, because God had to express His attributes."

He said, "He could have left Adam and Eve there and remain a Father, be a Provider, and provide a nice Garden for them and all these things, but He also was a Saviour; He also was a Redeemer. So He had to allow it to fall, in order to give Himself a purpose (amen), so He could come now and redeem it back, and in redeeming it back, show forth His great Self. Amen.

Now watch. So we find that Adam being the Word, the Full Word, He represented Christ, and God was showing in Adam that Jesus Christ when He came, both Groom and Bride are going to be in one. He was going to be the Full Word. He was going to be the central Theme of the Bible. And the Bride, being part of the Bridegroom, was going to be part of the Mystery. She was going to be part of the Word. Amen. And She was going to come in Seven Ages, and each Age was going to have part of the Word.

But in the last days, when we come back to the beginning, when we come back to the Eternal Church Age, then we'll see in the last Bride what part each Bride was, being reflected out of one Bride. The completion of His Redemption is going to be sealed inside of Her.

So watch something. So under the Seventh Seal, (as I told you on Sunday,) it's called the Easter Seal, and the Easter Seal is the Resurrection. Under the Resurrection, the Son of Man comes back to the Son of Man. The Alpha Bride comes back to the Alpha Bride. The sleeping saints that slept, will be raised back up just like it was back in the end time. Amen. It's always the same thing happening.

Now notice. So if the Bride is part of the Mystery, part of the Word, then She would have to match the

promises for Her Day to prove that She is the perfect matching piece; to prove that the Inheritance, what She has come back to claim, She's going to receive It.

Now if you're getting a revelation tonight and you don't realize that the revelation you're getting tonight is because you have to come back and receive something that is going to be given back... There are no more Ages and there is no more Elect for it to be given to, for the Gentiles, so for it to be given back, it has to be given back to you. And it wasn't given back before your Age because no one before your Age could have proved to be in the Age to receive that Inheritance. So your revelation is to bring you to God to receive something – to receive back everything they had in the beginning.

Now, if your revelation is not pushing you to come back to God for these things when the time is running out, then you don't have a revelation, you know. I should begin with – then you don't have inspired faith. You don't even have the quality of faith you need for this Age (amen) because if you're a believer in this Age, then the faith that moves in you, which is the believer for this Age, would be the faith for these things. And in this Age you have to have more faith than they had in any other Age; you have to have Rapturing Faith.

Now you're not supposed to be suffering with an inferiority complex because of that. You're supposed to be glad because of that. In other words, if you never believed that you'd possess those things as a believer in this Age, that is what you possess, because God doesn't contradict Himself. God is not going to give these promises in this Age and then put believers Who can't anoint those things. God is not going to put these promises in this Age and then don't put the matching piece inside the believer to match that. God is going to put the very matching piece in the believer to match the promise, because when they come and they receive it, that is what they have to present. Amen?

So watch something. So then it means to say... He said now... Amen. Now listen here. So the Church has to match everything that God promised.

So he said: *Therefore, the Chinaman... Where the law condemns you and said you were dirty, and you were guilty, and could put you in the prison; but when He came, He was the Matchpiece for it that could take you out, and bring you back too, to be the complete ticket: the redemption that God had promised back in the garden of Eden: "Thy Seed shall bruise the serpent's head, but His heel shall bruise its head."*

Now there's something I want to drop in there just now. I wanted to show you, 'the Name of My God, the Name of the City of My God and My New Name'; Son of God, Son of Man, Son of David, and also the Adamic covenant.

Now Bro. Branham before the Seven Seals opened, he said, "Jesus came in four Son's Names." But then after the Seals, he said, "He came in three Son's Names." Now I'll tell you why.

You see through Abraham, as a Son of Abraham, He heired Palestine, because Abraham was given Palestine. Through Son of Man, man was given the earth as an inheritance; He heired the earth. Now if He heired the earth, He must heir Palestine (do you understand what I'm saying?) because Palestine is part of the earth. And you find out even when God made the promise to Abraham, the same promise that God made to Abraham, is the same promise He made to Adam and Eve.

Because after God chose out Noah... After Abel died, He appointed another seed – Seth. Is that correct? And it continued through Seth because when Seth was born and grown up, then men began to call the Name of the Lord again. Then through Seth came Noah, (well, you know right down through Noah,) and then God chose Noah who was perfect in his genes. And Noah had three

sons: Shem, Ham and Japheth, and God, through Noah, cursed Ham and Canaan. Is that correct?

But he said, "God will dwell in the tents of Shem." And through Shem, came Abraham. And God chose Abraham who was a direct descendant all the way back to the very promise that God made to Adam and Eve (you see?) because Abraham in the Abrahamic Age, that same promise was included in the very promise because every part of it, God made to Adam back there.

And then David heired the throne, so He became Son of David. He's going to be King to rule the earth because Adam was king of the earth. Adam was God of the earth. He had a kingdom which was the earth and it was from sea to sea, from to shore to shore. And then as Son of God, He became Heir of all things because God is all things. He's the Possessor of Heaven and Earth.

So Jesus was coming in three Son's Names. The Names of Son of Man, Son of God and Son of David, was the Name of My God, the Name of the City of My God and My New Name, and also in the Adamic covenant, the Davidic covenant and the New Covenant, because the New Covenant is His Church for Seven Ages. Amen?

Now watch. I'm trying to show you that back there in the Garden of Eden before the Fall, all of that was reflected right there, because when Eve came out of the side of Adam, that was the New Covenant. How many know that? Because when Christ died on the Cross and He shed His Blood, water and the Spirit, wasn't that the New Testament, giving birth to the Bride? And Eve represented that Bride when God put Adam to sleep; was taken out of His side.

And all of that took place before the Fall. That is what there was originally, and it was not manifested. We didn't see one like Adam, (not until the Son of Man was revealed in the Evening Time,) for Seven Ages, showing that the original Masterpiece has come back. We didn't see one like the real Bride, not until this Age, who is

bone of His bone and flesh of His flesh. She's the Bride in the Bible. She's the complete thing standing here again in His very Own image, and the two of them are going back to Eden, which is the Millennium that is being ushered in now.

So watch something. This is the great Secret that God had in the back-part of His Mind that had to unfold under the Seventh Seal. And here in this Day when the Son of Man is being revealed to you, it wasn't just to show there's a Prophet, it was to show you back where we were again.

And when you see the promise of the Bride... That is why the promise, the next fold of the Mystery, has to be the Bride, because there's nothing between Adam and Eve. There was nothing between Jesus Christ and the Alpha Bride. There could be nothing between the Son of Man revealed in this Day and the Super Church.

How perfect is His Word and His promise! And if He revealed it that perfectly to us too, to show us that the promises that we are coming to that are actually taking place amongst us, we could never be deceived. Because when She matches the Piece, the Matching Piece, then it proves She's the Heir of the promises.

And he that believeth on the Son of God, hath the witness in himself: "As many as were ordained to Eternal Life believed." The Eternal Life has to be in you to believe. And you don't believe with your body and your spirit; you believe with your soul, and that soul is God's Gene, which is the very Word.

Do you understand what I'm saying? Like many people don't understand what I'm saying. How many understand what I'm saying? I hope you understand what you're saying when you put your hand up to say that you understand what I'm saying, you know. Amen. Now watch. Now we're closing out. Now notice.

*Now, we find this perfect Masterpiece that God had completed. Now, we notice that He was all that it was promised to be. He's all the promises, all of the*

*prophecies, everything that God had made a promise of...*

Jesus was everything that every prophet, every priest and every king represented – Jesus was that. Then the Bride will have to be every promise of every queen, every bride, everything that's in the Bible. Every prophetess, everything in the Bible, She has to be the matching piece of that in its fullness.

And then like Moses and all of them were part of the Word, Luther and all of them were part of the Word, but in the last days there is to come a real Bride for the two to be joined together. And His life matched exactly the life of Moses. His life matched exactly David's life. Let's see if He was the Matching Piece. We know He was. Amen.

He said: ... *On and on we could go. [Page 21.] Because He was simply the match of David. He was a match of Moses. He was the match of Elijah. He was the match of Joseph. Everything that was portrayed or foretold by in the Old Testament, matched right into that. What is it? Showing a perfect Redeemer that we could put our old, dirty clothes into the laundry and go claim it again. It's been washed in the Blood of the Lamb. We can claim what's our own. And everything that He died for, we can claim it.*

*Though He was the perfect Word portrayed, It pleased God, the great Sculptor, to smite Him, and to do it this way.*

He said: ... *Now we could go on and on ... but I believe you have the pictures what I mean now--God building back His masterpiece.*

*But let us not forget that in the beginning when He smote the side of Adam, He took something from his side. Now, the smiting of Christ was for a cause, that He might take from Him, one to be His family, the Bride, He might take Him a Bride. So when His Masterpiece was perfected, then He had to smite It to take from Him, not*

*another piece, not another creation, but of the same creation.*

Amen.

*... Now, for nearly two thousand years God has been again making Him a Masterpiece, because He struck [at him] to get a piece off of him (part of him), a rib to make a wife for him. And now, that perfect Masterpiece that He struck at Calvary, He got a piece off of Him. It's just the New Testament; that's all. He fulfilled the Old Testament. Now, it's the New Testament, another piece to be fulfilled. See, the New and Old is husband and wife ... and it taken ... the Old to [foreshadow] the New. Christ come the Masterpiece to fulfill that. Now His Bride will fulfill everything that's in the New Testament. Another Masterpiece is in making.*

Amen. Now watch. Now what that is—all that is, it's just Adam and Eve coming back again. Amen.

*He said: The great masterpiece of a family [page 34], the Second Adam and the Second Eve now ready for the garden, the millennium ... back on the earth.*

What is the Seventh Seal? What's the great threefold Mystery that God had in the back-part of His Mind? What is the great Name to be revealed in the Seven Thunders? How does that Name of Jesus Christ Who is the central Theme of all the Bible, how did He fulfill that great Mystery?

Could you see tonight, that Son of Man was Adam? Could you see the bride, Eve, was Son of God? Could you see back in the Millennium, He's Son of David? Wasn't that the great threefold Mystery in the back-part and the Seventh Seal? Wasn't the Name to be revealed in the Seven Thunders, the Name of the Lord Jesus Christ, that He came in three Son's Names which is the Name of My God, the Name of the City of My God and My New Name? And now the Masterpiece.

*... The husband and wife cannot be truly a family unless they're one. They have to be. ... And now, the masterpiece family has come again: Christ and His*

*Bride, ready to come. The Second Adam, Second Eve, ready now to return back to their home. The whole picture's been redemption, from where it was, bringing it back ... just exactly, bringing it back again.*

What about Abel, when Abel caught the first revelation there? It was a lamb – Calvary. Angels couldn't sing that song. Amen! What Abel caught, no Angel could have caught that. What about his rejoicing outside the Garden by the Eastern Gate? Amen. When he walked up there before Jehovah and placed his lamb there and was rejoicing, singing and praising God because the blood was making a way back to Him. No angel was understanding what Abel was doing, but Jehovah was beside Himself. Fire was coming down upon the sacrifice (amen, hallelujah) because Abel was catching the revelation right there.

Let me tell you something: if the Old Testament is the Husband (right?) and the Wife was in the Husband, then the New Testament was hidden in the Old Testament.

That is why when Jesus came and revealed Himself as Son of Man on the road to Emmaus, He never took Sarah, He never took Rebekah; He never took Ruth. Amen. He never took that. That was the Bride part in Him that Paul was catching, and he said, "I will make known to you my knowledge in the Mystery of Christ, how the Church was the hidden Secret in God now being revealed to His Apostles and prophets, to show forth how He was going to bring forth a Church." [Ephesians 3:4-6 -Ed.] Amen.

And then Peter and they said, "He taught things hard to understand." Amen. "He taught things hard to understand." Because He was seeing the Seventh Seal! He was seeing his Redemption all the way back to the Garden of Eden. Paul taught about that One dwelling in light and immortality that no man could approach, the only true Potentate, King of kings and Lord of lords, Who's the Son of David back in the

Millennium. And when John saw Him, He had a Name that no man knew: King of kings and Lord of lords, and Paul already preached that! And the Seven Thunders revealed that Name. Amen.

Oh my! Oh my. Brother, this Word is so strong. It's so strong. Amen. I trust that you realize that God is proving to you back and forth. And do you know why... I'll tell you why your Seed grows and comes into the Word image. As I always tell you, it's the same revelation; God giving more on the same thing. The same Holy Spirit Who revealed that first part is revealing more and more and more and more, because the Bride is becoming the Word. Amen. She's standing there (amen) in this Hour to unveil Herself by the Word, to show that She's the Bride; She's the Mystery.

Oh, I hope I get the Bride Coming of Christ tomorrow and finish it there for you, to show that when the Head is waved, the Body must follow the Head; to show you those three resurrections under the Seventh Seal and then you will see and know (amen) that God's promise is sure; it's positive.

God is forerunning His Own promise by revelation. Do you understand what I'm saying? God through the revelation in the revealing of the Word is forerunning His Own promise of the Spoken Word. That's how the order is going to come anyhow. After the opening of the Word, it's the Spoken Word to preach to the lost. Amen.

You're walking right into the dynamics tonight and didn't even know it. Amen. You're getting in place for a measure of the Spoken Word and you'd better realize it. Amen. Hallelujah. It's sure to all the Seed.

Under the Seventh Seal, a great Mystery of Redemption revealed through the law of reproduction – God's original program that fell in the beginning, reproduced again and unveiled under the Seventh Seal as God's great, hidden Mystery that God had in the back-part of His Mind (amen?) prefigured in Adam, the

Bridegroom King; Eve, the Bride Queen, the Super Church, and Eden, the restored Kingdom – the Millennium. And under the Seventh Seal, Adam is restored again and revealed as the Son of Man.

That's why there had to be a revealing of the Son of Man under the Seventh Seal. There had to be a Full Word born into manifestation again under the Seventh Seal. That's why the Seventh Seal cannot reveal anything else but Christ. He is the Seventh Seal. He is Prophet, Priest and King. He is Eagle, Lamb and Lion. He's Son of Man, Son of God, Son of David – He Who was, He Who is; He Who is to come. He is everything, the Almighty, under the Seventh Seal.

That is why there was never anything in-between. It was Alpha and Omega; nothing in between! All the promises are allotted for the last Age to show the Redemption (amen), that the original thing has come back again. And all the way through, He's working to achieve it back. Amen. Hallelujah. Amen.

And the Shout, Voice and Trump are Adam, Eve and Eden restored. Yes, that is what it is. And he who has those Seven Thunders, they better compare with all the Word. Oh my! Hallelujah! It better compare with *all* the Word! I don't see anything hard about that. Amen.

The Bride will have to be the perfect matching piece to all the promises for this Age. Could we stand to our feet? She can't be anything else. Amen. It's bound to come to a place when Jehovah will identify His Masterpiece. If He identified the first One, the Bridegroom Masterpiece by the Word, He will have to identify the Bride Masterpiece by the same Word. Amen.

Think about it tonight. The Third Pull cannot be impersonated because it's the ministry of Jehovah's Masterpiece, the formed image of the Word. And you can't be the Word unless you were a thought.

I had all those things, I could have given you the quotes: *Invisible Union* [1965-1125 -Ed.], *Who Is This*

*Melchisedec* [1965-0221e -Ed.], how he bypassed the Word image, *Christ Is The Mystery Of God Revealed* [1963-0728 -Ed.], *The Mighty God Unveiled Before Us*. [1964-0629 -Ed.] It's talking about the two halves of the Old Testament—the Chinese ticket rather, was the Old Testament prophecy and His Character. Amen? And the promises for this Age and the Character of the Bride are the two halves of the ticket. Amen.

So when you speak about the Life, it's the Life that blends with the Word. There's no other life. That's the true Life, and that's the true Word. Amen. So all the Genes of God (amen) that have been formed back in the Word image, are the only ones who the Holy Spirit could operate these promises through (amen?) to prove and to show that there are no more Ages. Everything is winding up in this Bride.

That is why (as I told you on Sunday,) the judgment follows the Rapture. Because the only thing after, is the Kingdom to be restored. And under the Sixth Seal, the earth is purified for the Millennium – the Kingdom restored. Why? Bride and Groom have come back. Amen. And if She's been unveiled by the Word, if She's been identified by the Word (amen) and She looks in the Scriptures like Jesus looked in the Scripture and had a perfect faith, how ought not the Bride to look at...

It's just the feminish part of Jesus looking at the feminish part of the Word now. If the Male part looked at the Male part of the Word and had perfect faith, wouldn't the Female look at the Female part of the Word and have perfect faith because She's faith of His faith, virtue of His virtue, knowledge of His knowledge, temperance of His temperance; patience of His patience?

If before He went forth to manifest any promise, He had to have a revelation first that it is written of Him that He must do that, then wouldn't She have a revelation that it is written of Her to do that? If He could

not be deceived (that He was not the Messiah) because He knew how to prove and identify He is the Messiah, wouldn't She be able to prove and identify She is the Messiahette? Messiahette is female; Messiah is male.

And if the Bride is part of the Seventh Seal back in Eden before the Fall, the threefold Mystery, wouldn't the Bride be part of the Seventh Seal back here in Revelation in the threefold Mystery revealed when it's restored? And if the Eden was part of the Mystery, wouldn't the Millennium be part of the Mystery back here? And if Adam, the Full Word, was part of the Mystery, wouldn't the Son of Man revealed, the Full Word, be part of the Mystery here again?

Then what are we looking for? Are we looking for something outside of the promise? Do we see what the promise is? Do we see what the Seventh Seal unveiled? Do you see what the Holy Spirit is leading your soul to bring you into where He can produce these things through your life? Do you see what your life has to light up and vindicate and prove? Then wouldn't you anoint those things? If that is a revealed Word, wouldn't the Holy Spirit lead you to anoint the revealed Word, the part that you are; recognize what part you are as Bride?

Oh my! How plain that is tonight. I trust God make it plain for you tonight. I got beside myself today when I saw the great threefold Mystery of the Seventh Seal, when God showed me that I'm preaching the Truth. Do you know what happened today? God showed me I'm preaching the Truth.

I remember the day when we were sitting on the plane in Kennedy Airport, Bro. Wrenson and myself. The plane stopped. They couldn't close the door. Something—some mechanism went bad and we had to wait there all those hours and we got to fellowshiping. And I was telling him, I said, "God spoke to my heart and God showed me these things and He said that is the Truth."

And I came back home, I believe it was the 9<sup>th</sup> of July, and by faith, I went forth and preached something. I never heard anybody preach it, but I had to preach it because I believed it was the Word, not seeing one-tenth of all what would unfold afterwards. But God never changed it. He just added more and more and more, and more to it, until the whole thing is so fitted together that it cannot be broken – faith to step out in the Word.

The Unknown Language, God put faith to believe it's the Bride; it's the Voice of the Archangel; it's the Mystery between the Gentile Prophet and the Jewish prophets. So, I preached it and He added more and more and more to it. And then today when God came back and showed the great threefold Mystery, what it was right there, proved it back by the Message, three Son's Names tied into it. It had to be revealed in the Seven Thunders which is the Message of the Seventh Seal.

The Bride is part of the Mystery. The Bride is bone of His bone, flesh of His flesh, faith of His faith, virtue of His virtue, knowledge of His knowledge. She would have to be the matching piece to all the promises of the New Testament. And there were seven rewards at the end of Seven Ages, and She would have to come forth to match all seven. Seven Spirits were in Seven Ages; seven messengers were in Seven Ages. Oh my! Think about it.

Here She stands on the outside showing it was already preached in the Message by the Messenger. And the Holy Spirit bringing back the very words to remembrance, leading us to find it and proving to you that it's nothing but the Truth. Amen. How that should anchor your soul tonight!

Henceforth we are no more children tossed to and fro by every wind of doctrine, but grown up into the Head, Jesus Christ, becoming the formed image until... Because She has to become that in order to be united with Him, to come unto a perfect man; unto the Stature

of the measure of the fullness of Christ to be the Wheat-seed Bride, the literal spoken Seed-Word Bride, the very creation of God. He was the creation of God; She's the continuation of the creation of God. Here She stands. He was the Head; She's the Body that follows the Head.

What do they want? Something outside of the Bible? Let me give you one quote before I close. Amen.

[1963-0728, para. 20 -Ed.] ... *that's why people [page 20, Christ Is The Mystery of God Revealed] has added those and got ... their jigsaw puzzle all mixed up. ...They can't make it right "same yesterday, today, and forever." But if the thing's put together right, there's the entire picture of the fall and regeneration, the whole picture of creation, and God's whole plan revealed right in Jesus Christ.*

And you'll say, "Bro. Vin, you're making up that part with the... You know, it sounds good but did the Prophet say it (amen) about the three Son's Names?" Amen. Let me read it for you. It's right in *Christ Is The Mystery of God Revealed*, you know. Amen.

*... But what He wanted to do, He loved Fatherhood, for He was a Father. And the only way that He could express it was to become a Son of man. That's the reason Jesus kept saying, "The Son of man."*

God had a threefold purpose. First God wanted to reveal Himself in Christ. Amen.

*...[He] wanted to reveal Himself to the people. He couldn't do it as a great Jehovah God Who covered all space, time, and eternity. He could not. He's too great to ever be revealed to people, because it would be too mysterious. How could that great Being that never did begin, that after you went beyond the cycle of a hundreds of billions and trillions and trillions of years of light space, and on out into the infinite, into the eternity, and a great Creature that was all that, and still is...*

*But what He wanted to do, He loved Fatherhood, for He was a Father. And the only way that He could express it was to become a Son of man. That's the reason*

*Jesus kept saying, "The Son of man." See, they didn't know what He was talking about, many of them. But now you get it? He wanted to express [Himself]. That was ... one of His great threefold purposes, was to express Himself, identify Himself with human beings, to reveal [Himself] in Christ [as Son of Man].*

Amen? And Son of Man... He comes in three Son's Names. Firstly as Son of Man, and the firstfold Mystery of His threefold purpose was Son of Man. Page 63. Amen.

*Notice, redeeming back with Him, going home, back to Eternal Life in a human body, eating, drinking, living forever... What is it? His Bride going back with Him, redeemed back to the original Adam and Eve again. For it's... left behind. They look back at the cross and see the death that's been paid. And now by faith we are resurrected with Him, setting in heavenly places right now, looking back to what redeemed us, waiting for the Husband to come to march on home with Him.*

*Threefold purpose of God manifested in Adam and Eve, and every prophet, and down through the ages, and He that is to come: He that was, He which is, and He which is to come, the whole manifestation, the revelation of the Word of God: Adam and Eve going back home again redeemed: God making Himself known.*

*There He will sit upon the Throne of David. Is that right? And shall ... rule all nations with a rod of iron.*

His third fold – restoring the Kingdom as Son of David, ruling the nations with a rod of iron. Then His firstfold purpose of His threefold Mystery that He had in the back-part of His Mind, why the Seventh Seal had to be silent and wasn't given away he said, because the first fold was Son of Man; the third fold was the Son of David. And the first fold was Christ, the Bridegroom, Who portrayed Adam. The third fold is the Millennium that portrayed the restored Eden.

Wouldn't the second fold be Son of God that portrayed Eve? Wasn't that the three Son's Names He

came in? Isn't that, He which was, which is and which is to come? Isn't that the threefold Mystery of the Seventh Seal? Doesn't the Seven Thunders reveal the threefold Mystery of the Seventh Seal, how Jesus comes in those three Son's Names? Wasn't His Name to be revealed in the Seven Thunders? It's not made up. It's all the Word. Amen.

May that encourage your heart tonight! May it give you great faith! Come out tomorrow night early. Pray more than ever.

Why is this being done? Because God says He's unveiling His Masterpiece. How many believe the Masterpiece is being unveiled now by the Word? We sat and we preached these things for years, but not this way. We preached it revealing, He preached it proving it back now. The same One Who's revealing it by the Word is proving it back by the Word that the revelation is correct. Amen.

So when He's unveiled, there's only one thing left – a ministry of the Masterpiece. It'll be over then. But while you sit and He is unveiled before your wide, wondering eyes, anew, illuminated, edified and purified by His Spirit, is being made ready for the Coming of the Lord Jesus Christ.

Do you see where we're at? The Masterpiece has been built on the fourth foundation, then to be unveiled; then for a ministry of the Masterpiece. And when we come to the Masterpiece, the entirety of the Seed, the entirety of the Life, the Harvest Time, the Resurrection, the Son of Man being revealed, the Seventh Seal, Revelation 10, is finished.

You say, "But Bro. Branham said that if you know everything, then you know you haven't got it because you can't know everything." I don't know what is going to happen in the Millennium. I can't explain how Gog and Magog and all these people are back before the White Throne Judgment. I don't know how the Great Judgment will take place in the last days. I can't

explain all these things. But the things that pertain to the last fold of the ministry of Jesus Christ to be fulfilled in the Bride in the Coming of the Lord in the Resurrection, I know that these things, we have to know these things. And I know that those things are being made plain.

May you tonight sit until the full rays strike you and bake what you have into reality because it's by this same revelation, the Grain that is formed is becoming ripe, as She recognizes Her position in the Word and have a ripened, perfect faith to know that you are the perfect matching piece to all the promises.

The Seed that came through the original channel would not be heir with the seed that came through the wrong channel. And the seed that came through the wrong channel, they can't be heir because they don't have the matching piece. It's a perverted promise. But the Seed that comes through the right channel, they will be heir because they will match the promise.

Watch the messages as they come: *Following God's Original Order Of His Word For This Age* [1983-1211 - Ed.], *The Bride Coming Of Christ*, opened up to us this channel that inspiration could come. The Holy Spirit can push upon us because God sees the need of confirming these Scriptures to us now. When does God see the need to confirm the Scriptures? When the image has come back. Greater works than these shall you do. Let's bow our heads and close our eyes.

Our Heavenly Father, what can we say tonight, Lord? All we can do is say, "Thank You, Jesus." We sat at Your feet and we saw the infallible Word of God, Lord just light up and come to life. In Them the people think that they have Eternal Life.

But one part testified of the Bridegroom and the other part testified of the Bride. And the Bridegroom took all these things and identified Himself in Itself. Now the Bride will take all these things and identify Herself in Itself – the two halves becoming one whole being united

together again, ready for the Coming, the corporal Coming of Jesus Christ.

For Lord when we see the Bride Coming of Christ, the person of the Holy Ghost in Bride form, we know that the Alpha has become the Omega. And Lord, when we see the revelation becoming so plain, we see it identified in the Scriptures and proven to be the Truth.

Heavenly Father, if that part of the Bridegroom gave You perfect faith when You came as the Bridegroom, Lord then we know this part of the Bride will give the Bride perfect faith when You come as the Bride.

I pray dear God tonight that in the simplicity of these things, the great Holy Spirit would quicken and teach further on these things Father, that great Inside Teacher on the inside of every believer, every elected Seed of God, that their faith could be ripened out and what they have could be baked into reality, for this is the Hour that they must show others that Jesus Christ is the same yesterday, and today, and forever.

If there be any strangers, may they see tonight that the Bride cannot be part of a denomination, for Eve was part of Adam, showing that the Bride will be part of Christ and Christ was the Word, then She will have to be part of the Word. And Lord, as the Bride has been through Seven Church Ages and there's a part of the Word in every Age, the same as there is a part of the Word for this Age, then the Bride will have to match the part of the Word for this Age to prove that She's the Bride, to prove that it is Jesus Christ here again in Bride form, now being revealed.

Father, I pray tonight that these things, as we keep them shut up in our hearts and watered with faith by the Holy Spirit, that it will produce itself and identify itself and reveal You as You promised that You will be revealed this way in this Hour.

May we continue to meditate upon these things, that it will bathe down in our hearts and tender up in our spirits and, oh God, it would become a pulsation, the

motivation of our faith, that the life that we live now in this flesh we would live by the faith of the Son of God. Grant it, Father.

I pray that You would give revelation unto each and every one for it is said that what we need is life-giving and prevailing revelation by which we can become the Living Word made manifest. Let it be in the heart of every believer.

Bring us back tomorrow night with great expectation in our hearts. Keep us under prayer. That is the only way it can become real unto us, Father. That is the only way it can become a reality unto us. That is the only way it can be watered down until it tenders up on the inside and becomes Spirit and Life in our own lives. For You said that when we feed upon the Word by becoming partakers of the Word, we become the Living Word.

Take us safely to our homes now. Watch over us and protect us and bring us back tomorrow should You tarry and allow us life. And Lord God, may You grant us another great time in Your Divine Presence that we could see the Church of the Living God lifting itself in the Power of God, recognizing Her position, and we could see more apostolic times flow out than what we have seen until it comes into that Third Pull, that perfection, that is holding back the Rapture Father, that we could see a Rapturing Faith starting off to the going away of the Church. Grant it, Lord. We ask it in the precious Name of Jesus Christ Who made the promise, for Your honor and for Your glory, amen.

“God’s rich in mercy, God’s rich in mercy.”

[#442 - Songs That Live -Ed.]

*God’s rich in mercy, God’s rich in mercy,  
Sent us His Son,  
We were undone,  
God’s rich in mercy;  
God’s rich in grace, God’s rich in love,  
Sent us the Best from Heaven above,  
Saying to all men today;*

*God's rich in mercy, God's rich in mercy.  
Oh, let's lift our hands and sing it unto Him.  
God's rich in mercy, God's rich in mercy,  
Sent us His Son,  
We were undone,  
God's rich in mercy;  
God's rich in grace, God's rich in love,  
Sent us the Best from Heaven above,  
Saying to all men today,  
God's rich in mercy, God's rich in mercy*

If you see His mercy and His grace, sing it one more time, everyone, unto Him. Give Him thanks from a really, grateful heart tonight. He made you part of His Word. Now He shows you and identifies it to you in the Bible to give you a perfect faith.

*We were undone,  
God's rich in mercy,  
God's rich in grace, God's rich in love,  
Sent us the Best from Heaven above,  
Saying to all men today,  
God's rich in mercy, God's rich in mercy.*

Let's sing, "The Original Life."

[#582 - Songs That Live -Ed.]

*The Original Life, the Original Seed,  
The Original Word, is what I believe  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.  
Oh, one more time.*

*The Original Life, the Original Seed,  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.*

*God's attributes were manifested  
to His Bride in this last Day*

*We have caught the revelation  
by the last Prophet's Message;  
And we know who we are  
and what we are raised up for,  
Praise the Lord, for the Original Life.*

*The Original Life...  
Oh, do you see it in yourself tonight?  
...the Original Seed,  
Oh, the Original Word...  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.*

*Our eyes of understanding...  
Our eyes of understanding...  
Is it opened up tonight?  
And sweet victory is ours  
who were chained down in the past;  
True Jubilee has sounded...  
Do you hear it?  
...and we have responded to our God  
Who's the Original Life.*

*The Original Life, the Original Seed,  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.*

*We are the Word made flesh today,  
That is the Bride in the Bride Age.  
This is what the Scripture say,  
And our names are seen within,  
Redeemed and perfect without sin;  
Yes, we are anointed and inspired,  
By our God the Original Life*

*The Original Life, the Original Seed,  
Yes, amen.  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.*

*Oh, we are called unto adoption...  
Back into the Word image again to have dominion.  
...full authority and power,  
Sleeping saints will wake and join us  
for translation in this Hour;  
Gentiles' days soon be over,  
Oh, glory, hallelujah!  
To our God, Who's the Original Life.  
Oh, do you have it tonight? Zoe!  
The Original Life, the Original Seed,  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.*

*The Original Life, the Original Seed,  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life...*

Oh, do you believe He is unveiled tonight? Oh, one more time. Know that the Seventh Seal is unveiled; now the Bride is being revealed too.

*...the Original Seed,  
The Original Word, is what I believe,  
The Son of Man is revealed,  
The Seventh Seal is unveiled,  
The Original Life, the Original Seed.*

Hallelujah! Oh, hallelujah! Hallelujah, Lord! Thank You, Jesus! Blessed be Your Name, Father. How we

thank You Lord, to behold the Glory of the Lord as in a mirror, and Lord, see we are being changed from glory unto glory unto glory, as the righteousness of God is being revealed from faith unto faith unto faith; oh God, we becoming You and You're becoming us! Hallelujah! Oh thank You, Jesus!

Father, what a faith it ought to give us tonight! Hallelujah! May that revelation Lord, oh God, become Spirit and Life in every life tonight, Father. May it give overcoming power to keep the devil away. Hallelujah! Oh, blessed be Your Name, Father, that we can recognize our position Lord, know what part of the Bridegroom we are, seeing that we are the Bride; to know that greater is He in us than he that is in the world. Hallelujah! Blessed be Your Name tonight. Thank You, Jesus. Oh, Hallelujah. Amen, amen, amen. Hallelujah!

How many love His Word tonight? Amen. You may have your seat. As the ushers dismiss you quietly, let's just sing, "*Lord, I need You right now.*" Amen. I believe we all need Him in our hearts a little more. And when we see His Word so plain, we see the Hour we are living in and we see what we have to become, oh that ought to make us press in inside of there until it can be a reality. Not just say you believe it because you see it in the Word, but you see it in your life now. You see it in the Word; now look in your life and see if you see it in your life. Oh my.

[#50 - Songs That Live -Ed.]

*Lord, I need You right now,*

*Oh, Lord...*

If you want to leave, you can leave quietly. If you want to stay back in His Presence, you may remain and worship Him.

I want all of my life...

*I want all of my life...*

After we see it so plainly in the Word tonight, oh, we want Him to have the preeminence.

*Oh Lord, I need You right now.*

Oh, let's sing that again, "Lord, I need You right now." Is that the desire of your heart? More of the Holy Spirit; more of You, Lord.

*...I need You right...*

Right now as I'm sitting in my seat, centering my heart upon Him, oh, hoping for Him to come down.

*...I need You right now,*

Oh, that He may fill your heart tonight.

I want all of my life...

*I want all of my life in Your keeping somehow,*

*Oh Lord, I need You right now.*

[#688 - Songs That Live -Ed.]

*For I was born to be*

Thy dwelling place

*...Thy dwelling place*

A home for the Presence of the Lord;

A living tabernacle for the Living God tonight.

*...for the Presence of the Lord;*

So let my life now be...

*So let my life now be...*

Oh, separated unto Thee;

*...separated unto Thee;*

*That I might be what I was born to be.*

[#313 - Songs That Live -Ed.]

*Learning to lean, I'm learning to lean,*

Oh, I'm learning to lean now.

*I'm learning to lean on Jesus*

Oh, gaining more power.

*Gaining more power,*

*Than I'd ever dreamed*

I'm learning to lean tonight

*...to lean on Jesus.*

Oh, one more time, "Learning to lean."
