For there is none like unto Him today, this great Redeemer, this great One that the prophets and the sages spoke of down through the Bible. This One Who came and laid down His Life for us, Who shed His Blood that He might sanctify a people that He might come back and live in them and dwell in them; that they might come into such holy union that they become one in the last days. What a great story it is. What a great reality, what a great hope and a great expectation it gives to us, a great purpose; a great cause it has given us to live for.

Lord, with gratitude and with thanksgiving, Father, we bow in Your great, mighty Presence today, just realizing, oh God, how privileged we are to walk in Light like this. Light, dear God, that Adam walked in with You, Father. This great Light that You began to reveal to the apostles and to the prophets. Lord God, It caused them to look beyond the temporal into the Eternal, to begin to see the things that You have prepared for them that love You. As Paul said, "Eyes have not seen, nor ears have heard, neither has it entered into the hearts of men the things that God has prepared for them that love Him. But it has been revealed unto us by the Holy Spirit, the Spirit of God that searcheth the deep Things of God."

And here Lord, we live in a world of corruption; death on every hand. Such darkness fills the land. We are so grateful that You said it shall be Light at Evening Time, the path to Glory you surely will find. It is the Light today, buried in the precious Name of Jesus, that young and old could repent of all their sins and the Holy Ghost

will surely enter in. You said, "In that Day, you will know as I was in the Father and the Father in Me, so I in You and You in Me."

We are so privileged, dear God, to have this Light, Lord, among us, that is leading us and guiding us to that promised Land, that Place that You have prepared for us. This great, spiritual journey, Lord, from the baptism of the Holy Spirit into that theophany, where this mortal will put on immortality. This great thing that was shown in shadows and types down through the Bible, this great thing, dear God, that people hold in their hearts, Lord; died in faith, seeing it afar off.

We think of Abraham and Isaac and Jacob, how they were buried in that cave knowing that there was a Resurrection coming. We think of Job. Lord, we think of Enoch and Elijah who were translated. As You would show them, You unfolded these great realities. We think of that great rehearsal on Mount Transfiguration, Lord, that which is for this Day.

How we pray that this Light would shine and so illuminate us today. Oh God, it is the promise that You gave to Abraham about the dust coming to the stars, to eat and feed upon this Bread and to drink this Wine, dear God, that Lord, we can enter into such a fellowship with You, that You can take us into such a walk with You like Enoch had, Father; it could bring us into such a Rapturing Grace.

Oh God, may You grant it today, that we will feel our atoms changing, dear God, as Your Quickening Power, Your great, transforming Power begins to move in our hearts causing faith to be anointed, dear God, that we can look to the Unseen and break into that realm, dear God, where we know that the angels of God are here with us, all those theophanies are here with us, oh God, that Jesus is here in our midst. Hallelujah! This great Hour of the Rapture. May You grant it, Father.

We know it is not long again, Father. It seems that something in our hearts makes us count the years as

months, and the months as days. As the songwriter says, *"Any day now, it won't be long; soon we'll be leaving here."* Oh God, make it that much more real to us, Father, that this hope, dear God, can become such a reality within us.

Bless all that are gathered in. It is so good to gather in with the redeemed: *"When the redeemed are gathering in, washed like snow, and free from all sin; How we will shout and how we will sing, when the redeemed are gathering in."* When we feel the chariots swinging low, Father; (hallelujah!) oh God, Heaven is sounding sweeter and sweeter all the time. Lift us up, Lord, into that higher place.

Bless each and every one. Give strength to overcome in this evil Age. Heal the sick and the afflicted, oh God, the earnest of the Resurrection, Lord, knowing that we are in this very Hour of the Resurrection when this mortal will put on immortality.

Let Your great Holy Spirit just minister to us, Father, in every way and in everything that we have need of today. Let our hearts be filled with Your praise. Let our mouths, oh God, be filled with thanksgiving, Father. And may Your Presence be more real to us than it has ever been.

Break every fetter, loose every chain; open every prison door. Lift the oppression and send it so far away, dear God. May Your Church move into such a Rapturing Grace. We thank You and we praise You.

We thank You, Lord, for Your blessings that You are blessing Your people. We thank You, dear God, for the Spirit that we feel in our midst. We thank You, dear God, for what You are doing among us, Father, and how gracious You have been to us. May it bring a greater sincerity, oh God, in our hearts that we can walk with greater humility, oh God. Grant it, Lord.

Remember the saints out in Tobago today. Be with them, dear God. Father, let Thy great, Divine Presence be among them richly and may the revelation of Your

Word become so real. Even those in Grenada making preparations, oh God, to come, Father, may You be with them and may You undertake for them in every way.

Lead and direct us in all that is to be said and done. May it bring glory and praise to Your mighty Name, we pray and we ask it in the Name of Jesus Christ, amen. Amen. Blessed be His wonderful Name.

God richly bless you. We are certainly happy to be in His house and are glad to honor His Resurrection today. It reminds us that He is not dead, He is alive. And we too are alive from the dead. Because He lives, we live also. He has quickened us and raised us up into New Life.

I would like to open up in Ephesians, this great Seventh Seal Mystery of Ephesians, these Things that flew pass in an Unknown Language. These Things that were sealed up there in the Book are being revealed in the last days. We thank God for it. Amen.

Ephesians Chapter 2. We certainly appreciate all the honor that is being given unto the Lord.

Amen. Ephesians 2, verse 19:

*<sup>19</sup> Now therefore ye are no more strangers and [sojourners or] foreigners, but fellowcitizens with the saints, and of the household of God;*

*<sup>20</sup> And are built upon the foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone;*

*<sup>21</sup> In whom all the building fitly framed together groweth unto an holy temple in the Lord:*

*<sup>22</sup> In whom ye also are builded together for an habitation of God through the Spirit.*

So he is speaking about a foundation that has been laid. He is speaking of us being fellow citizens; no more strangers. He is speaking of this great foundation of the apostles and prophets, Jesus Christ Himself, Who is the Chief Cornerstone, and the building being fitly framed,

and how it is growing into a holy temple, and in Whom also you are built together for an habitation of God through the Spirit.

Great things there, some mighty things – just to think about it. And Chapter 3, verse 8, just to try to save some time with the reading. I have some other things that I would like to use up my time on.

*<sup>8</sup> Unto me, who am less than the least of all saints, is this grace given, that I should preach among the Gentiles the unsearchable riches of Christ;*

*<sup>9</sup> And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ:*

*<sup>10</sup> To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God,*

And that is a strange thing there. The English couldn't really give the full picture of what that is saying. But what he speaks of and terms 'the manifold wisdom of God', if they ask you, what do you think he is talking about, 'this manifold wisdom of God', in your mind, you may think, "Well, God is a wise person and He is all wise and maybe He had something in His Mind." But he is talking about the Church. This Church, in verse 6, he tells you that: how the Gentiles and Jews should be of the same Body. And in his mind he has a figure (the Church is like a prism, like a pyramid) and how it breaks up into seven colors is what he is speaking of – the manifold wisdom of God.

*<sup>11</sup> According to the eternal purpose which he purposed in Christ Jesus our Lord:*

Christ is this great Mystery. It was in Christ He wrought all things.

*<sup>12</sup> In whom we have boldness and access with confidence by the faith of him.*

*13 Wherefore I desire that ye faint not at my tribulations for you, which is your glory.*

*14 For this cause I bow my knees unto the Father of our Lord Jesus Christ,*

*15 Of whom the whole family in heaven and earth is named,*

That is what this Book is. You see, here it is being called a family. Just now it was a building. In his mind he is speaking of a figure of a pyramid, like a prism that breaks up into seven rainbow colors, the Divine wisdom—which is the expression of this great Divine wisdom, a sevenfold Mystery, a sevenfold plan of Redemption that God had. Now it is a family. In other places he called it a Body that Christ is the Head over. He is using all these things. Like Adam and Eve, it is a marriage. Then it is a glorious Church without spot and without wrinkle; this great Book of Ephesians.

*16 That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man;*

*17 That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love,*

Notice, there is something that He is unfolding here.

*16 That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man;*

*17 That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love,*

All these things are supposed to come out of this Mystery. This is the fellowship of the Mystery. When God brings you into a fellowship of this great Mystery that He had in the back of His Mind, there is no way you would live a powerless life because there is no prevailing power as the revelation. If you are part of that Body, He is revealing to you your position in this Heavenly place; what part of the Body you are. And that

is Perfect Faith. See? That Christ will dwell in your heart by faith; that you will be strengthened with might and power in the inner man. That's why Seven Thunders, this great Mystery, it gives faith even to be changed.

That ye will be rooted and grounded in love (think of it) because you groweth into a holy temple. You grow up where He is the Chief Cornerstone, He is the Headstone. In Ephesians 4 he talks about growing up in Christ, into the stature of a perfect man, unto the stature of the measure of the fullness of Christ. It is certain thoughts he is bringing here. He is associating this revelation with power in the life when it is revealed to you.

*<sup>18</sup> [That ye] May be able to comprehend with all saints what is the breadth, and length, and depth, and height;*

And here he gives a four-sided figure equal on all sides, the fellowship of this Mystery, that you will know the height, the depth, the length, and the breadth. There are only two geometrical figures that are equal on all sides: a square and a pyramid. But he is talking about something that breaks up into seven colors, a certain kind of building. The only kind of building that has a chief cornerstone; the only kind of building... There is no architectural building that exists today that could fit into what he described as this habitation: how you grow up, how you are built on the foundation, how there is a Chief Cornerstone... Ordinary buildings don't have a chief cornerstone. He is describing a pyramid. He is describing a hidden Mystery in God.

That is why when seven angels came to unfold this Mystery, they came in the form of a pyramid. That's why when the Seven Seals opened, it unfolded the Mystery of a pyramid. That's why it takes us into a Rapturing Faith because Enoch back there had that Mystery. Amen. So there is something here. It is not just an ordinary reading. That's why I want you to... I'm trying to take my time for you to grasp it, what he is saying. He is not playing with words here.

Ephesians, remember they didn't understand it. Remember this was one of the prison epistles before he died. These were the things that he had seen in the Third Heaven. That's why when the Prophet went 'beyond the curtain of time,' he came back and went to the Book of Ephesians and preached *Adoption* out of the first three chapters, showing us our standing in Christ.

Adoption is Ephesians 1, 2 and 3 because the other three are just speaking of exhortations and different things. But the first three show us what God has made us in Christ; what is the Eternal thought concerning us. Amen. And that Eternal thought is Revelation 21 and 22, Heavenly Jerusalem, the Lamb's Wife, the Body. And Ephesians is the Body, Colossians is the Head. You know that. We went through that over and over for many, many years.

Verse 19:

*19 And to know the love of Christ, which passeth knowledge...*

A lot of people want to know knowledge. But he said, "To know the love of Christ that passeth all knowledge." Knowledge puffeth up, but love edifies. Amen. Love beareth all things. When knowledge passes away, charity will never fail.

*...that ye might be filled with all the fullness of God.*

Is that what it says in your Bible too? You grow up to be a habitation of God, a temple of God. You are built upon the foundation. That foundation revelation, a wise master builder laid it. That prophetic Capstone ministry brought back the Capstone revelation to cap the pyramid of your life, that you could leap over a wall and jump over a troop – the wall between natural and Supernatural, temporal and Eternal, amen; the troop of death. To do what? He said, "When those Angels come, will it be a Mystery opened up that we will leap over walls and jump over a troop? Could it be that these vile,

old, marred bodies will be changed? Do the Thunders mean that, my brethren?" Oh my, I tell you.

That you might know the height, and the length, and the depth, and the breadth. What was Paul getting in his mind? What was he speaking of? He had seen Jesus revealing Himself with His angels in flaming fire, the Lord Himself, descending. In one place he said, "Jesus with His angels in flaming fire," and in a next place he said, "The Lord Himself." Because all seven is He Himself. And when He came, He came in the form of a pyramid. He was seeing that Mystery.

See, we go back again. As I tell you over and over, how could you read the Bible with revelation and say Paul didn't see these Things? He sealed it up for the last days. My!

Let's pray.

Father, Lord, You know my heart. I am tired in my mind and my body, little strained, oh God, but not wanting to get under tension and pressure, but just to relax that Your Holy Spirit, Lord, can just lead me in the place where You want to lead me. That Lord, the things that You have dealt with me, Lord, in a way that I don't even fully understand as yet, but even believing this morning while speaking, Lord, Your Holy Spirit can even make it more real to me to give me the direction and the leadership.

We are living in such a tremendous time. How we desire to walk in a clear revelation of Your will, Lord, where there will be no uncertainty, no double-mindedness, but we would be tied to our Absolute, a Kingdom that cannot be removed, oh God, in this great shaking time.

Father, we just pray and ask that You would grant us grace today to get a little deeper fellowship of this great Mystery that the apostle and prophet is speaking here on. You showed Moses things on the mountain. You took him up in the Third Heaven and he came back and

wrote the New Testament here, a prophet just like Moses meeting that Pillar of Fire; this great saint Paul.

Dear God, You sent another Prophet like that, in the Third Exodus, Bro. Branham. The world did not recognize him, Father, but how You used him to lighten up our lives and to make the way clear for us, that we might know how to go in this Hour. In this dark troublesome Hour that we live in, Lord, when the world is again falling apart, we so want to walk in the bloody footprints that he has left and so want to be led by the great Guide, that Seventh Dove, oh God, Who is leading the Eagles.

And believing, oh God, that we are on that Seventh Mountain, Lord, right on the continental divide where time runs out and Eternity steps in, that last mountain before we go into the other Country, Lord, may You help us dear God that we can know how to journey in this zero hour, this great countdown time, Lord, when we know that the Bride is fixing to take a flight.

We have been trying to work here in the Assembly, Lord, by spiritual laws and these great chemicals of the Word that You have opened up to us. Lord God, let it bring a great effect in our hearts and lives, and may the atmosphere just grow stronger within our souls we pray, bringing a Rapturing Grace and a great fellowship, a great love and unity among the people. Grant it, Lord, we ask in Jesus' Name, amen.

God bless you. You may have your seats. Amen. I just don't know how to go and what to do. I have a little printer at home that kind of helps me print some quotes when I need it. And I had to be up last night trying to write. It is not functioning and I had to get back to the old way. I was trying to look up books and write things. And then I just finally gave up and I decided to walk with some of the books. So it might become plenty, and it is so difficult here now.

It all started after—I think it was Bro. Hollis who sent it for me. Bro. Hollis Marcano, he sent a little article

with my son David for me about the great pyramid. And it was something I guess he had picked from the newspapers. And I never came across it because I don't buy that *Newsday* papers, and it was in the *Newsday*. And they are getting ready for the Millennium celebrations and it had an article there on the pyramid; the Great Pyramid in Egypt. And I guess he brought that for me because of the inspiration and what is happening.

You know, God just knows how to work. I remember when I was preaching the—I preached on *The Foundation Of A Foolish Man* [1999-0124 -Ed.], it was Joel who picked up an article off the Internet and passed it on to me. And I was in the midst of studying certain things. And when he gave it to me, it was like a little confirmation. And then these things happen. And you know, that is the way I try to walk.

As I always tell people, I see too many people getting so programmed with the computer in preaching, that it is very easy to see computer preachers today, because everything is lined up like *Cruden's Concordance*. But you know, when you follow the Holy Spirit, It kind of goes a little different way to that. Sometimes you have to pick up the cigarette pack. Sometimes you have to see the picture on the wall: Christ, the Hoffman's Head. Sometimes you have to turn the Cloud to get the revelation. And if you go on the computer, you wouldn't find the cigarette pack to pick it up. And you know, God just knows how to lead you.

I mean, I am not against the computer. I think it is a great tool. But I think, basically it is just put into print for us and gives us quick access to it. That is about what it does for us. After that, I think it is very limited because the greatest thing that we have is the human mind, and then the greatest thing beyond the human mind is the Mind of God. And when we come up into the Age of the Mind, the great Capstone, the Intelligence, and God put this great Mind that was in Christ in us,

(the Bride has the Mind of Christ and She knows what He wants done with the Word,) then that brings us into another place by the grace of God.

You know, something is happening, it is moving in the tabernacle, and you try to stay under the influence of the Holy Spirit. To see from May, June, July, and we are in August, and it is just something that is just not stopping.

When we started at the beginning of the year with *The Vision And The Commitment* [1999-0103 -Ed.], and I went to Genesis 11 to preach there and showed how united under one headship and by one language... And that's this very same inspiration because I was showing you there how Nimrod, what he tried to build in Babylon was just a perversion of the New Jerusalem. And that was a man trying to go into Heaven by science and technology. And they built the city on the river and so on, so the river could flow through the city just like the New Jerusalem, because Satan knew the mysteries of God. And so in the last days, we are here and all these hidden things in the Bible are being made plain to us. And we are just watching these things.

I want to speak a little bit this morning on “**ENOCH'S SIGN IN EGYPT**”. And I have a little subject I would like to maybe look at: “***Unseen Being Made Visible As Dove Leads Eagle.***” Amen.

I just felt that was in my heart. I wanted to say that because in 1973 when the Holy Spirit stopped me in Santa Cruz, I was looking to find the secret of life: who I was and why I came here on the earth. And at that time my mind was in such a mess. I couldn't relate to my natural family. They were all like strangers to me. I just knew them from maybe the natural standpoint like I knew the neighbor, like I knew other people.

One of the reasons was I didn't grow up at home. I grew up from place to place, lived by maybe four or five different people from the tender age of a little child to maybe about sixteen or seventeen years. Then finally I

became so flusterated that I wanted to go back home because I was like a person without a family. And then I went back home for a couple of years.

Then the men landed on the moon. And when they landed on the moon, they said, "They were looking up at the earth." And then that started my worries again, started my troubles all over because if they were standing on the moon looking up at the earth in space... Then I tried to put myself in their shoes.

My friend, Bro. Samuel Johnson, he is out in Tobago this morning preaching, we used to sit down under the tree and I used to tell him, I said, "Now, just imagine now; come with me." I didn't even know those things were in the Message. Like when Bro. Branham said, "Come let us go back way before the foundation of the world, before there was an atom." I told him, I said, "Come, we are going to come off the earth and we are going to go on the moon. So right now, here is the moon, and that moon up there is the earth." And then we tried to translate everything, all our village where we were, the street corner, and we transported it to the moon.

Well, when the picture changed around, it sort of boggled the mind because I started to get questions: "Why wasn't all the water falling off? Three-fourths of the earth is water, what is making the water cling on to this ball in space? And if the earth is moving, then why would people leave one part of the earth and just cross a little body of water and go to another place, spend six months, come back with a big, black hat, a red suit, white shoes, big belt buckle and all kinds of chains and bangle, with a new accent, and think that they have become a great person." I couldn't understand that, you know, these freshwater Yankees. [Someone who goes to the United States for a short trip and comes back with an American dialect -Ed.]

You know, I started to think. And this was the way it was happening to me. I said, "Well, if they got on another planet, what would it be?" Because here they didn't even leave the planet, they had just left one part

of the planet to a next. But because the world is so small, they think, you know, well, what is happening...

And I began to think of the astronauts, when they looked back there, they were thinking that they had wives, they were thinking that they had families, they had a street where they lived; they had a town where they lived. And they were looking at this great planet and then they knew the population of the planet and they knew what was happening on the earth and everything else. And they were on another planet looking at it. They might have felt like an angel looking at man from another world. Do you understand what I am saying?

Have you ever looked at yourself in a mirror and seen your image in the mirror looking back at yourself standing there? You see, strange things happen to you, I think, when you are searching.

Well, you see, that is why religion was never for me. Because God gave me that kind of mind, I couldn't relate to religion, I couldn't relate to a church program. And I remembered I wanted to know Who God was, so badly, I said, "If there is a God, let Him talk to me like He talked to Moses." And finally it got so strong inside of me, I left home, I left friends, I left everybody after trying to carry them with me to see this thing like Columbus on a ship; to find this land.

And that was exactly my experience in 1973 hearing that tape. And the Prophet was saying, "Sail on! Sail on!" He was talking about Columbus, a man of vision, on a message, *Looking To The Unseen* [1958-1003 -Ed.]. And Something inside of me was telling me, "That man is a Prophet. That man is talking to God." I didn't understand 'prophet' and all these things yet. My cousin was telling me that he was a Prophet but then now, Something else was telling me it. You know, like Moses' mother, and then God telling Moses.

So when that was happening now, I said, "But that's me. I'm in the ship. I'm journeying somewhere. I am

looking for something.” You see, I wanted to find God, but God wasn’t lost; I was lost. The Prophet said, “It is God seeking man, not man seeking God.” It was He drawing the lily from the...like the sun drawing the lily up from the muck and the mire. But the lily only has a little lily mind, but the sun is a great, big, powerful being in a heavenly place who can transform that seed, pull it out of the muck and mire and bring it to express something that the seed didn’t even know it had inside of it – quickening power and transforming power.

And so you know, thank God for a Prophet who spoke in these days, and not just spoke, but God gave him specific words and specific things to say to remove amnesia.

You see, people can preach to you for six hours and they may not even touch for two minutes the thing that is to free you or the thing that is to bring you into faith. They may try to move you into a movement. They may try to get you to accept them; that they are right. They may try to maybe make you feel that you don’t have it. They may try to get you to join an organization. They may preach for a lot of purposes and the preaching may have different emphasis and push you in different places. And if you are not looking for religion or looking for some great man or something, if you are looking to find that God Who you come from, then you will want, (even if it is two minutes,) something to tell you about that self.

I don’t want to hear about the Seventh Day Adventist, how much statistics they have, how many members they have or how many hospitals they built. I’m not looking for that. I am not looking for work in a hospital. I’m not looking to be impressed with a great organization or how many degrees this man has.

That’s why it didn’t bother me if the Prophet said, ‘ain’t’ and ‘tote’ and ‘fetch’ and ‘carry’. The man was saying certain things to take amnesia from my mind

and let me see God in a way that can begin to give me purpose and reason for my existence.

God gave the man specific things to open up channels, that where Satan with his science and civilization held our minds trapped, earthbound, and cultured us into a certain style of living, a certain way of living, to keep us earthbound and materialistic minded and shut us up from the Unseen World, this man came and began to speak to things to open up dimensions, to reveal theophanies, to reveal demonology, to reveal ministry of angels, to reveal the Supernatural, (amen!) to reveal how to know yourself, who you are and your position; to know what the secret in the back of God's Mind was, how to fellowship with God, to know how to find your Age in the Bible and your channel and your season and your promise!

And then we see why man could subdue kingdoms, wrought righteousness, obtain promises, shut the mouth of lions. Why man had fellowship with God, why man could be translated; why man could have hope of resurrection, then we began to see and understand that!

When he began to speak, something happened to me in 1973. With that kind of thing I came in the Message. It was already three months, and I said, "No, no, no, no." Three months old in the Message, I could spot that false thing right away because I didn't come to a man and a man didn't bring me in the Message. Something spoke on the inside. And that is when more of my troubles started now: "You just come in the Message. Who do you think you are? You came off the streets. You used to smoke dope [marijuana -Ed.]. We have to teach." And so the denominational teachers who weren't born again wanted to teach me.

You see, God didn't call me to follow man. And right away, from early I knew the original. The original was that Prophet. That was the mystery. He was the mystery – God in a man. A man that He brought from Thought back to Word, that you know who Abraham was like,

you know who Noah was like, you know how Enoch walked, you know the access Abel had, you know how Elijah could divide the sacrifice and bring the fire and shut the heaven. You know how Moses could go into the Pillar of Fire and come back out with the tent vision, save the people in an hour of darkness and death; put them under the token. Then you begin to see the Mystery: how Christ, God and man, Emmanuel, Super Sign, how He lived, how He operated. Like John, how he could preach in woodsman terminologies because his environment was alive. See? That was the Mystery.

Something in my heart, from a young boy... I don't know why I'm saying all of this. Please forgive me. You see, something is happening; I don't even know. Yesterday this Thing just took me away. And He took me away until this morning. And then I'm coming up to church, I'm tired, I'm late. And then like every wrong thing on the road almost wanted to make me come in here about 12 o'clock. And I'm trying to get up to church. And you know, I am trying to keep calm and I'm trying to keep praying.

I had to just shut off some of the things when it was getting close to daybreak to try to get some sleep if I have to be any good here in the pulpit here this morning. And then I realized, look, I just have to come and just depend upon Him and just let Him lead me and guide me. And that's why I knew the secret of all of this, I had a starting place; somewhere. So that's why I am talking. It is my starting place because you see, I am part of that Mystery too. And that is how it is happening.

Look at the church today. It started from some planks of wood and gazette paper. It started under a house with a steel drum for a pulpit. See? It started there. Sis. Arlene [Sis. Arlene Weston -Ed.] sang the song [#782 - Songs That Live -Ed.]; Fran Street, and then we went to Simpson Brown Terrace, then we went to Barataria; then we came to Abel Country. Then from here—now we are talking about looking to the Unseen. So we are not going to any

more physical place again, it is to Glory now. We are not talking about any more jump, as we jumped.

We say, it is shadow and substance. Now the shadows are finished, the substance is here now. Something is happening, changing the order from the temporal to the Eternal. Amen. This order of Melchizedek, ascending up now into this higher order, this great thing that is happening; two orders of life. See?

And here something—when that happened yesterday, it is something more on what is happening. And you see, I know when these things are breaking like this... Sometimes we try to still look at Nehemiah building the wall, but this thing here is taking me to some places there that, brother... I was kind of catching that Friday night, trying to tell you, “Be humble, be humble, be humble.” I was saying the right thing. I was saying the right thing.

Because Saturday morning, I just got up and went and sat down, and I picked up the paper. I didn't look at it. David handed it to me. He said, “Bro. Hollis said to hold on to this.” And some of it I knew before, what I'm going to speak. And some of it I never really took time to read into it. It is like, you know, when you try to not just acquire knowledge, but you try to follow God. So even though you have things there, you know, it is not—maybe it is not the time for that, just leave that alone. And then like yesterday, the Holy Spirit said, “Go into it now.” And you begin to go into it and then things start to open.

Because like these things here that I read in Ephesians, I refer to those things many times when I'm preaching to you – how Paul was speaking about those seven colors and that pyramid. And it is something that he had in his mind that he was speaking of – those four equal sides, and the height and the depth, the length and the breadth. Because you see, he saw some things in Heaven that he could not say. It wasn't time yet.

Like Jesus told them, “It is not time for you to know.” When they said, “When will Thou restore the kingdom to Israel?” (after His Resurrection) He said, “It is not for you to know the time and the seasons.” It was shut up. But at a certain time in His mediatorial ministry He came to John on the Isles of Patmos – AD 95. Paul had already gone off the earth. But before Paul went, because he was the prophet messenger, he had to put the Word in place because God had to start the pattern right. The Word had to come to the messenger of the Age. That’s why it was John who took Paul’s writings and put them together.

The first thing Paul wrote was Thessalonians. Now think of it. You have to start with the Seventh Seal, a threefold Mystery. Revelation 10, the opening of the Seventh Seal, is what opens the Book. It starts with Thessalonians but Romans is put first. Because it is not being put in the chronological order of the writing, it is being put in the progression of the revelation. Because Romans begins with sin coming into all men because of one man. And because of one man, all died. But that one man was a figure of Him Who was to come. That first Adam was a figure of the second Adam.

Bear the heat with me this morning a little bit. I’m just talking. I might not even get into my message or where I want to go. But I’m just—as I said, I just want to see what is happening. I don’t want to make it painful for you but I want to find out something. And the only way, the best way that I know is that He has to lead me into it. And if He is leading me, I have to follow Him.

This is what I am saying: *Unseen Being Made Visible*. With the breaking of this revelation in this season, those things that He told me in *Looking To The Unseen* years ago when I started to journey, unseen things are becoming—the invisible vision is being made visible.

See, Abraham believed God for twenty-five years for a promise. He was seeing it by faith. As far as he was concerned, he had the baby. That is why he believed in

hope against hope. That's why he staggered not through unbelief. That's why he was strong in faith, giving praise and glory to God. But the time came when men with the eye saw him holding the baby that he was speaking about and preparing for, and looking for, and standing and staying focused until it came to pass.

Noah saw the rain, that's why he built the ark. He didn't build the ark without looking for the rain. He saw the rain, that's why he built the ark. That is why scoffers and mockers couldn't paralyze his faith. That's why one man could face the world: he saw the thing.

You see, that's why you can't impersonate people. When somebody is standing for something, they have seen something. When somebody stays for twenty-five years holding on to something and is not changing their Doctrine and is staying right there and preaching right there, day and night, they have seen something; something burns in their heart. You are walking more and more into it all the time.

And you know what happened there in 1979 in Sword Mountain. You know what happened there in 1981 in Dove Cove: *I just want the Dove to lead this Eagle, Home.* After two years He came back around and He said, "Write the last part now: *I just love that Dove, for...*" [#569 - Songs That Live -Ed.]

[Blank spot on tape -Ed.]

Well, I used to tell them, "That Angel, that Man Who walked out of the Ball of Fire was Jesus. That was the God of the Bible." People used to get stumbled with the thought where He was saying, "I am sent from the Presence of Almighty God," so they used to feel that it was a lesser being. I said that in 1980 coming back from Sword Mountain. Something happened. I started to preach, *God Is Light! See?*

Then God began to unfold and unfold and unfold. Then down came—after that down came *On The Wings Of A Snow White Dove.* [1965-1128E -Ed.] Well, people thought it was a little healing message and a little

testimony of a dove in the mountain there. And then the Holy Spirit gave you the courage to say, "That wasn't any little bird, that was God!" Just like He took the form of a Dove to John and John saw a Dove coming upon Jesus. And to John it wasn't any natural bird.

Because this man, when he began to unfold this thing, he started in Genesis with the first dove and ended up in Revelation with Dove leading Eagle all the way back, and brought that thing down through the Bible to tie that. That's a Prophet. That's not a theologian. See?

And so, you are looking. And that's why I believe that this is right. You see, that's why I believe that... It is not an organization. It is not gathered around a man. It is not a personality cult. It is not trying to be popular with people. It is not trying to compromise to attract attention and go after money or fame or something. And that's why I believe it is right – it has the character of the Message; it glorifies the Message. That is what the man said. In different places they say it.

Australia, Europe, different places, they say, "When you preach, you glorify the Message. We get more faith and we know It is right. We preach It out of the Old Testament." And to preach it out of the Old Testament, well then that proves there was a Message. There was something they saw and they looked for until it is being made real in this Hour.

That's why I know something is moving and is beginning to happen. And you hold it. You see, many of you are feeling it; it is blessing your heart; it is giving you a faith. You are feeling a joy in your soul. You are happy. You come to church, there is an anticipation. Yet if your understanding is not fruitful that will leave you after a while. Because what gives that power and keeps that alive is you knowing why that is happening, because God does not send the anointing just for so.

On a message called *God being Misunderstood* [1961-0723E-Ed.], he said, "When God does something, you must

know what is the reason and the purpose why He is doing it, otherwise you will miss the boat completely.” And in *Why Cry? Speak!* [1963-0714M -Ed.] he said, “And when God sends His anointing, it is for a definite purpose. God doesn’t do things for play.”

That’s why when the revelation of the Word comes, when these things come from the Bible and you begin to see it, you say, “My goodness! Lord, is this what is happening?” Then now, you have to have faith. If it is revealed to you, you can have a confession. If it is not, you kind of wonder, you can get caught up in the influence of people: “What do you think it is? What do you think it is?”

He said, “When you look, what do you see?”

You say, “I see some nice messages being preached.” Or you say, “I like that Jerusalem thing, you know. I went down to some store the other day and I got a Jerusalem card and I sent it to my friend.” Well, that might mean something too, I don’t know. But the thing is, we are not talking about just looking for anything named Jerusalem.

Because as I was telling you Friday, just to keep you in remembrance, what we are speaking of is the Bride. He said, “Come, I’ll show you the Bride, the Lamb’s Wife. And he showed me that City.” There was no more showing of Her after that. These were the Attributes that were in God in the back part of His Mind. This was the feminish spirit that was in Adam that had to be taken out. This was the one that He longed for when He showed his loneliness with Adam in the Garden. He said, “It is not good that man should be alone.” This was the thing that He said, “Now He’ll dwell with them for Eternity.” This is the consummation. This is the achievement. This is His goal achieved. This is Paradise regained. This is the expression of what He had in His heart. And when that is breaking to you and you are realizing...

Hear what Paul was saying here. He said:

*19 Now therefore ye are no more strangers  
and [sojourners] foreigners...*

Have you ever felt like a foreigner? You come around the Message, but you feel like a foreigner. You can't understand the language. You don't know who they are talking about: "One minute they are trying to make the Prophet, God, one minute they are trying to make him something else. One minute they are on the man, one minute they are trying to make themselves part of the Bride." And you can't relate and you feel like a foreigner, you feel like a stranger.

Then one day something happens to you and your mind isn't muddled up anymore. You look through the binoculars and you are not seeing three, you are seeing one. You start to get focused. All the time you were thinking it was Eli talking; next thing you start to realize it is God calling you. Amen! Now you get focused. Now you are hearing the still, small Voice. You are no longer getting moved and running just because the earth quaked or the wind rushed or the fire, you know, burned or something. You are listening to the Voice. Your understanding is fruitful. You are following something now. Now it is not fanaticism. Now there is a sanity, there is a confidence in what you do and how you are doing it.

And he was telling them, he said:

*20 And [you] are built upon the  
foundation...*

When we were in Ezra, we took the laying of the foundation and how they laid the foundation. And they started to build and then they got resistance and opposition, so they ceased building. But then God raised up Haggai and Zechariah and they began to preach, and they began to prosper; they began to get new inspiration. And Zerubbabel began to rise because Zechariah said, "Tell Zerubbabel, the mountain shall become a plain before him and don't despise the day of small things. You might be a little boy now coming out

and I might be an old priest.” Amen. God told me to let you know, God give me a name, ‘my God remembers.’ Hallelujah!

Brother, he was Zechariah, the son of Iddo, the seer. God in the appointed time remembering His promise; and they got strength and moved under the inspiration: “Not by might, not by power, but by My Spirit, saith the Lord.” He said, “And tell him, he will bring the headstone. This will be finished. Tell him I see a Man with a measuring line in His hand. Tell him I see the city foursquare. Tell him I see that God would be a wall of fire around the city. Tell him I see they will come from afar off and say, ‘You are a Jew, show me your God. I want to worship Him with you because you all have the Truth.’” Amen.

And they rose up and they began to build. And they completed the thing. And do you know what happened? They kept the Feast of Tabernacles. Oh brother, think of it, a Mystery of the restoration hour.

Friends, let me tell you, the Bible is not a play book. It is the Thoughts of God. When you see millions, billions of people in so-called Christianity trying to figure out the Bible, when you see hundreds and thousands of reformers that split up the people into thousands of denominations, you know it is not a play book. Yet a man stood there and seven angels, a blast that shook the earth, came in the form of a pyramid, raised him up in the air and said, “Go back East, I’ll meet you over there,” and opened the Seven Seals of the Bible (amen!) and tied the Thing together – brought it back to one Lord, one faith, one baptism.

He took the man ‘beyond the curtain of time,’ put him back into that new body. And he came back and began to testify about immortality, that celestial body, a house in Heaven, the Father’s House. He began to show us how we are being prepared here for our existence There; how God is making preparation for us to be birthed There, and at Evening Time how we are getting ready to

change coats and how we are going to enter into that celestial robe because he saw it. He came back here; he had the Message and he had the Roadmap and the Guide to guide us through the Roadmap to get over in the other Country and be clothed with this immortality. He knew the teaching to link us to the theophany.

Are you looking to go in the Rapture? Are you looking to put on immortality? What do you think that is? If you have to go down to the shop to get something, you have to know where the shop is; you have to know the thing that you are going for. You are going to buy a certain product, you have to know the expiry date; if it is the thing for a past age or if the thing has good value. You have to know. You don't just say, "Well, I just went and did something." No. And if those are the natural things, how much more spiritual things.

You are going to buy a shirt and you don't care to look whether it is small, medium or large. You just say, "Well, I have money in my pocket, man, and I want to buy it." You would be stupid. It shows that you have money but you have no responsibility. You don't even know how to spend money. You are wasting money. Do you understand what I mean?

So when God gives you something, you know there is a value, there is a meaning behind it. Amen. Now get—fan if you want to fan because it is just Satan trying to make the place hot and uncomfortable; make it a little hot for me up here. But watch something. I want to keep my mind here. So as you go through you watch and see, it is something that has to open to us.

He said, "They will pick you up one of these days. Angels will pick you up." They already came among us. Do you know they are among us? He said, "What makes you scream and shout? You are bumping into them." He said, "The Angel of the Lord is here fixing things. The Sealing Angel is moving through the churches marking the people who sigh and cry."

These are not ordinary things. He is not down in Babylon somewhere. He has called His people out. He is bringing them back. He talks about building into Resurrection Faith, building into oneness, building into a real sincerity, building into a unity and a harmony (amen) until the thing is so fitly joined and framed together until you know that you are a fellow citizen. You are not a stranger. You know, "Brother, if I am a stranger, I'm a stranger to this world, but to the things of God, I'm not a stranger anymore. I have been birthed. Amen. I have found my place and taken my position. I'm growing up. Amen. I have been trained by the Holy Spirit!" Amen. He laid it out in the Word what is happening to us.

You don't fuss and argue and get depressed and frustrated when a little circumstance comes in your life anymore. You might have done that long time. Now you are saying, "Lord, what are You trying to show me? Let me pray about this." Amen. Then you say, "Satan, I rebuke you. Get away from here." Then you begin to sing and change the atmosphere and worship God. Amen. You get things in the way where you keep it under your control! Why? He teaches you, He trains you. You could recognize the Devil by his tricks. You are not ignorant of his devices anymore. And the Word has become so real, It has become mighty to the pulling down of strongholds. Amen! That is not a Scripture to you – you are pulling down strongholds every day; yours and other people's own. Hallelujah!

Satan is trying to put fear on some poor brother and sister, making them feel that they are going to Hell or not make the Rapture, and God anoints you with the revelation, you drive the fear away from them. Brother, you give them consolation. You take their experience and you show them that it is God! Amen. Brother, you speak that Word and It creates an atmosphere around them.

Look what happened here on Wednesday night. I came in there, took the Word and began to speak It, amen, and It created an atmosphere around the people. Amen. Glory be to God. Brother, fifty, sixty, seventy percent, some are not understanding, but there is a Supernatural Presence because the Logos is speaking. Amen. That Pillar of Fire is creating an atmosphere and they know something is happening. Why? Because we are not time beings.

Brother, these are confessions and announcements and teaching. These are not just some little ideas or repetition. These are people who know they have passed from death to Life. This is the kind that... You and all heard me say, "I can't backslide. I saw my name in the Book already. Amen. Under no circumstance, I could be lost." Like the brother said, "If they put me in Hell, I will outlive Hell because Hell is not Eternal and I am Eternal." Amen. Glory be the God in the Highest.  
[Congregation rejoices -Ed.]

Oh, thank You, Jesus. Amen! That's it. You rejoice. That's it. That's it. You see, God got blessed. You make the Holy Spirit feel nice. Amen. The Devil is feeling bad because you are rejoicing under the Word. But tell the Devil, "Boo!" Amen. "He is a liar. Boo! Satan." Amen. Brother, let him begin to disintegrate. Glory! Oh my!

You see, Enoch walked with God, friends. And in that walk, he was building something. What he was building was unfolding the mystery of his walk. He was seeing prophetic things. Jude 1:14 and 15 tells you, "Enoch, the seventh from Adam." See? Brother, he prophesied saying, "Behold, the Lord cometh with ten thousands of saints to execute judgment." He saw the Supreme Judge coming back with the Vials of the wrath of God. He saw them riding on white horses, coming. Jude saw that way back there before the flood. Enoch saw it. Amen. He wrote the second Bible.

You know that there are three Bibles. God wrote the first Bible in the heavens. Amen. That first Bible, the

Zodiac, starts with Virgo and ends with Leo. Nobody understood what it was. Today people are so confused. But those Egyptians had a Sphinx that they had there in Egypt next to the pyramids. And man couldn't understand what this Sphinx was doing there. And you remember in the Book of Esther when that *Supernova* [1987-0219 -Ed.] broke, how the Holy Spirit showed that it is a mystery of a body of a lion's body with a woman's head. It looked strange. Why would somebody build something like that and so big and so massive?

Because before they had the written Bible they knew that to divide the Word in the heavens that uttereth speech, that showeth knowledge day by day and night by night, they knew you had to start with Virgo and end up with Leo. If you don't start with the virgin and end up with Leo, you can't get it. If you start in the middle somewhere, you would go around in circles; you wouldn't understand His Coming, how He is coming, what He is coming to do.

Just like those Jews reading the natural Bible: the acceptable year of the Lord and the Day of vengeance, the two Comings right there, it blows their mind. Just like they can't even understand Elijah today: "He will turn the hearts of the fathers to the children, and the children back to the fathers." It blows their minds when those two comings come together right there.

And so they had the virgin and the lion together. It is still a mystery (see?) to many. But in the Book of Esther, it shows where Leo and Virgo unites. That is at the end of the story. He is in that New Jerusalem. The King and the Queen, here they are together. And so it is a great thing.

And so, when you look and see how they built those things back there, they had a revelation. Then Enoch built the pyramid. That was the second Bible. And the capstone was never put on it.

Let's just settle down for some teaching here now. Let's turn to a Scripture: Hebrews 10—11 rather; sorry.

I had Timmy [Bro. Timothy Dayal –Ed.] writing down this for me in the car coming, while we were traveling. I'm trying to read his handwriting here. Hebrews 11.

Last night when these things started to open, I just wished I could make time stand still. I was just watching that clock that kept ticking away, ticking away. And I was saying, "Oh God, look—now I have the flour and the raisins and the butter out and the eggs and I haven't even started to beat this thing up yet or melt this thing to put it in the oven." [Bro. Vin chuckles –Ed.]

Hebrews 11, verse 10; speaking about Abraham. Now I'm going further to unfold my thought with Paul and this pyramid that Paul was speaking of here. Hebrews 11, verse 10; he was speaking about Abraham.

*<sup>10</sup> For he looked for a city which hath foundations, whose builder and maker is God.*

Now do you realize if you journey on this earth leaving Trinidad, get a travel agent and find out how many cities out of the thousands of cities on the earth, and try to journey and give yourself a space of a year, and you get an airline to fly you from place to place, you will never find a city on this earth whose Builder and Maker is God; you will never even find a physical building that God made? Do you realize that?

I say that so you could realize, a man was looking for something here. And he was looking in earthly realms for It. He was going from city to city. This man was called out of Babylon. Babylon was the perversion of the City that he was looking for. Have you ever been in the impersonation of Christianity and just realize, that isn't it? And then you started to look for real Christianity. Is that right? Well, that was Abraham. He was coming out of Babylon looking for the real thing. He knew that wasn't the real thing.

Now, remember Abraham's father, Terah, talked with Shem, and Abraham talked with Shem. Remember, Shem lived on the other side of the flood. Remember,

Terah talked with Noah. Remember Noah lived three hundred years after the flood. Remember that. So it is not like Abraham was just a man picked up the other day. [Abraham cannot be viewed as a man without an ancestral lineage -Ed.]

Abraham talked with Shem. Abraham was about fifty years or so when Shem would have died. Abraham's father talked with Shem and Noah who built the ark, who knew the civilization before the flood. That is why Abraham knew Noah's prophecy and told Eliezer, "Put your hand on my thigh and swear that you would not take any daughters of the Canaanites." They were watching one another.

That is why Wesley looked at what Luther started. The Pentecostals looked at what Wesley and Luther started. Then the Prophet looked at what Luther, Wesley and the Pentecostals started and knew what his Message will have to be. Then we looked at him and saw where he stopped on verse 7 and never went beyond the seventh verse of Revelation 10! That is why the Holy Spirit makes you find all those female types that are only after the one-man Scripture in the Bible to open up the Mystery from 1965 to 1999. That is why this is not a make-belief thing. This is the same Holy Ghost that was in Jesus, (let me go quite there) and the same One that came back in the Prophet, *This* is that same One. That is why He goes to the Word all the time.

Remember, sons of God have to come into manifestation. That is not for the Millennium, they will be here before they go. Messiahettes are here before they go. Remember, you have to be a little one before you grow up to be the mature one. Remember you have to be a little baby human being to become a big man human being. And remember, the adult life is only the development of what started as a baby. In other words, if you don't have the potential for it, you will never know it. It is not a sudden thing that comes upon you like a man. From a little boy you are growing up to be a man; you are seeing man before you.

God put a man before us, Bro. Branham, a man, Word-man, I'm talking about; the stature of a Perfect Man. When we were babies, we saw a man and then we read a Spoken Word book. From 1963 to 1965—from 1959 to 1965, you are reading a man who is talking to fish, who is talking to the storm, who is creating squirrels. You are seeing a man! Amen.

Don't you desire to rise up there? Is it not there you want to live? Do you want to stay in a little singing program down here? Do you want to make a little practice session the Rapture? Do you want to make your long dress that you are ready to go in the Rapture? "When I become a man, I put away childish things. I speak like a man and think as a man." [1<sup>st</sup> Corinthians 13:11 – Ed.]

You want to walk in a place where you know. And anybody who denies somebody knowing or doesn't like somebody to know, you don't like what God has promised, because God promised, "You shall know as you were known. You will know it is I in you." If He doesn't do that and He just does miracles and signs and clean up hospitals and raise up people from the cemeteries and doesn't make you know who you are, He missed His program. You can't fellowship with Him. You don't know Him, you can't talk to Him, you can't feast on the Mystery, on the breast and the right shoulder with Him.

*...he looked for a city which hath foundations, whose builder and maker is God.*

He had met Melchizedek. He had eaten that bread and wine. He was told about dust coming to the stars. What were they catching? Catch my thought. What were they catching? What was God fellowshiping with Abraham about? Anytime Life comes to dying man, He talks to you about resurrection. If you are His, you are not in your state where you ought to be. And His whole purpose is to make you what you ought to be. And His

whole Mystery is that He laid down His life and became you that you can become Him. So anything that He has to talk to you about is what He has made for you.

So when Melchizedek met Abraham, He had to give him bread and wine. That was the Mystery of the incarnation. That was the mystery of the atoning work. That was elements of sacrifice. That was righteousness and peace. That was God and man in union because man becomes righteous like God again. The middle wall is gone and peace is union. They come back into oneness!

That's why Abraham, after that... Genesis 15 – justification, Genesis 16 – sanctification; Genesis 17 – received part of Him. Genesis 18, the Mystery is revealed, the Son of Man. Genesis 20 – came back young; Abimelech tried to take Sarah. Genesis 21 – the promised son. In other words, after that, he got a hold of something that temporarily opened up the door to immortality. He was evidence that a man can come back into youth. The process can reverse from old age to youth while you are in the body. Do you get that? [Congregation says, "Amen." –Ed.]

Bread and Wine are always connected to Resurrection. You do show the Lord's death till He comes. [1<sup>st</sup> Corinthians 11:26 –Ed.] And when He comes, you will have a body like His Own glorious body. These vile bodies will be changed.

Then, if they held that in their hearts... And what did he say? "Bury me there where I buried Sarah. Don't carry me anywhere else." And Isaac said, "What? My father was so specific to bury my mother there." And he wanted to be buried there too. He said, "Look, bury me and Rebecca there." Then Leah was buried there. Then Jacob down in Egypt, he said, "Don't leave my bones here. Carry me out and bury me where my father and my grandfather were buried."

Then Joseph looking at them... You see, they looked at one another. They didn't look at man in organization.

They didn't look at man on the radio. You don't look at man over here, you look at where the candlestick is lit. Because one Fire lit the first one, which was God's Fire, and then that Fire lit all the rest. You have to know where your inspiration is coming from. You have to know what socket you are plugged into. Are you getting me?

You see, that is why so many people get misled in this Message. That is why people came to dead-ends and detours and ended up in mirages like those ducks who lost their way. Some of them ended up in England and every year they are only turning and hopping around. One little, small kind of dead meeting, no real swarming, because they are going nowhere. It is a bunch of lost ducks just hopping around making some noise because they don't even know where they are going. They are staying right there; they are not going a place.

But those real ducks in Louisiana, brother, when they start to swarm, they are flying. They are flying South. Amen. Hallelujah! They are flying somewhere. But some old gander led a whole set – some disintegrated into some mirage, gone after some old shadow when the substance is here. You want substance water, not shadow water; substance water to be able to fly into. You don't want to get bust up in some shadow, some little figure of the thing. You want the reality of the thing. Oh my! Hallelujah!

So Jacob, Joseph all of them went and were buried there. Why? They knew Resurrection was coming. They were watching that. They were catching that Mystery because their fellowship with this God Who called them out of Babylon was opening up to them this coming Redeemer. Because the very first prophecy in the entire Bible was: "And the woman's Seed shall bruise the Serpent's head." [Genesis 3:15 -Ed.] It was made after the fall. And out of that prophecy, everything that God gave was only unfolding to make that prophecy plainer so it

could be better grasped and understood by those to whom the promise was given. Do you get that?

You see, because that woman's Seed bruising the Serpent's head, the woman received the Seed when the Angel came to Mary; the woman's Seed bruising the Serpent's head was when Christ died on the Cross. So there's a history of thirty-three years from Bethlehem to Calvary where He lived out the entire Old Testament from Genesis to Malachi. He came in the volume of the Book. He took the law and the Psalms and the prophets, all things, and proved that He was the fulfillment of the Word.

Well, at the end of this Age the Prophet came and opened Seven Church Ages and showed from Paul to this day. Then there is something that was lived out by Mystery again that nobody knows from 1965 to 1999 that has to be opened too. Only the people who are fulfilling the Word could open those things. There is no way to get into it. You have to be part of the Mystery – that is the key. Faith is the key in you! Predestinated: the Word predestinated to the Word written for the Hour, a portion of Word allotted that the Elect is being brought into; that same fellowship. Are you understanding me? [Congregation says, "Amen." –Ed.]

I hope I am making myself plain to you. I hope the heat doesn't make some of you—singe your mind and make you lose your concentration. I'm very concerned that I want you to grasp what I am saying because we are believing that the Holy Spirit wants to move our souls, and we have to travel on the beast to go to the Unseen Bridegroom.

The beast that Eliezer brought is what you have to water, it is what has to pack you. Are you getting me? Beast is power. He brought a Word of Power and Rebekah, what she watered with her praise, with her prayer, is what took her to see the Unseen Bridegroom. He was in a next Dimension. We will meet where? In the

air. Then He'll take you to the Father's House, to the Supper.

So it is something happening. You can't travel any—you can't get there any other way. What is going to get you There, the Messenger brought. That is why you can't leave the Messenger out. You have to work with what he brought. You can't go looking for things. You can't try to think up things in your mind and fabricate things. Out of those seven rockets had to come more rockets. Because remember, every revelation has to fit into this revelation and bring this revelation to light to know you have the right revelation. And it must start in Genesis and it must end in Revelation.

So once you don't get away from that, the Devil is bound in a knot; has no way to jump. And then you can stand with Perfect Faith because you know what you are talking about. And I have to go there to let you know that you could have confidence in what you are hearing, because what you are hearing is not a makeup thing, it is the Word being revealed in Its season as it was promised: "The world will not see Me, but you will see Me. I'll come to you, I'll manifest Myself to you. I'll lead you and guide you into all Truth." That's the promise!

When you are there, you recognize, "Oh God, You have come to us." Buy of Me, what? Eyesalve that your eyes will see. See what? The Mystery; what Light never shone on, to show you how to prepare for Rapturing Faith; open something to you. And It becomes precious in your heart: "Thy Word have I hid in my heart that I will not sin against Thee." In other words, "I will only believe Thee. I will trust Thee; I will take Thee at Thy Word."

Verse 13, Hebrews 11. Watch how this goes on.

*<sup>13</sup> These all died in faith, not having received the promises...*

Died how? In faith. What is dying in faith? Revelation. What was the revelation in? The promises. What were the promises? It was unfolding the one promise of that

coming Redeemer Who was going to take them back to the Garden of Eden, back to the Tree of Life; Who was going to take them from death back to Life.

Man fell from Life to death. He came to do what? Made a little lower than the angels, took on the Seed of Abraham to destroy him who had the power of death that He might bring many sons back unto glory. "I am the Way, I am the Truth, I am the Life to come back to the Father." [St. John 14:6 -Ed.] That's the Mystery.

The same way man fell, the Church fell. The second Eve came out of the second Adam. Nicolaitans came and conquered the Church, the same way the Serpent conquered Eve; planted a seed of death. Is that right? The same way God said the Woman shall have a Seed in the Evening Time, the Son of Man shall be revealed in the appointed time, made of a woman, the Pentecostal Age, made under the law, the reformation Age, God sent His son (see?) to take us out from under the law, under denomination where we were shut up from the faith.

But when the Seed comes we are no longer under the organization, we are no longer under the law. We come into the promises, we come into the faith, we come into the revealing of the Son of Man. What for? To take us back There. We received the earnest. The Evening Message loosed the Holy Spirit; it brings you a New Birth to bring you from the Pentecostal Age into the Bride Age. Quickening Power, it is the rising of the Son, raises you up. And then all these years, Transforming Power is changing you. You are growing up into Christ that this body could materialize around you at the Last Trump. That is what we are talking about.

It happened in the natural; it happens in the spiritual to the Church. Abraham was changed, we are going to be changed. Enoch went up, we are going to go up. Then if now is the time, shouldn't we be getting something of how to slip out from time into Eternity? Shouldn't that door of immortality begin to open to see it? Isn't that

new and living Way suppose to lead right into the Holiest, into the very Presence of God where a dead rod brought forth leaves, blossomed and budded and bore fruit, a type of resurrection? Shouldn't it lead right in there? Think of it.

Then wouldn't this be personal revelation coming to you, that you know you are going? Because "Blessed and holy is he who has part in the First Resurrection: on such the second death has no power." [Revelation 20:6 – Ed.] To know that you have already passed from death unto Life. You could never die anymore.

Do you know that only the Bride has Eternal Life in Her now; only She can know the Word by what is happening? How are you knowing? By what is happening in your life or by what happened from 1946 to 1965? How are you knowing It? Are you concentrating on trying to learn what has happened or are you part of what is happening? Is it teaching or is it the Holy Ghost? It has to be the Holy Ghost. It can't be the chemistry. It can't be the mechanics. It can't be explanations and theories. It has to be the Spirit revealing Himself in the Word Itself! That gives Life.

It is always the baptism of the Holy Ghost because that's the Easter Seal, that's the Easter Message, that's the Great Seal. That's the Resurrection Seal. It can't be an education. It can't be information. No sir. It's a Power that moves in you, a Power that changes you, a Power that strengthens you, a Power that anoints you. It gives you unction to read the Word, to pray to get into God's Presence, to testify, to give a man a reason of the hope that is inside of you. Hallelujah! It gives you power to dance and have victory and shout and sing. Amen!

You can't have That and then have some little, cold, old, weak handshake. You hold a person's hand and you say—when you shake that hand, brother, it is like a love transfusion. Brother, they feel love flowing through you. You say, "Is that right?" He used to hold their hand and feel criticism, feel demon power, feel all

kinds of sicknesses: diabetes, tumors; all kinds of different things. And then he would hold someone's hand and say, "Here is a Christian." Hallelujah! It is a vibration because your heart is your control tower!

That is why putting on and *The Many Painted Faces of Jezebel* [1999-0425 -Ed.], all that is a mask in this Hour. True blue, genuine people – transparent gold. The City is what? Transparent gold. This earth does not know transparent gold. There is nothing like transparent gold, what they mine out of the ground. Amen. That is the kind He says, "Buy of Me gold tried in the fire." That is transparent gold. That is that gold.

You see, united by the language. I always used to feel badly when I went to Africa, Central America—well, I could kind of break in a little bit among the Spanish people. But do you know what happened? From the time you go in among people who have two languages and they start to talk in their native tongue, they shut you out; you don't even know what is going on. Sometimes you just used to only hear people talking: "Rah, rah, rah." And you want to know, "What is happening? What are they talking about? Somebody say what are they talking about?" They would not explain what they are talking about. You see, you start to feel funny. Why? Something is going on and you are right there and you are not aware of what is happening. And the reason that they are talking there is because that is to keep you out too. [Congregation laughs -Ed.]

That's why you don't want to be a stranger or a foreigner. You don't want to listen to a Baptist language or listen to a Catholic language. You say, "Well, he hasn't talked about the candle yet. He hasn't even said anything about Mary yet." See? "He hasn't even talked about Peter at the pearly gate or nothing at all. I'm not enjoying that service."

A man says, "Do you know how long I am looking to talk about the mourning ground? He hasn't talked anything about the mourning ground or bands [Spiritual

Baptist traditions –Ed.] or nothing at all. Like, there is only one language he talks.”

In this City, there is only one Language Here. That is the Word that the Holy Spirit speaks through. Amen. To know that you are born by the Seed of the Age.

Isn't it strange how little babies there, brother, born in a certain family, and you bring that baby in Trinidad, it could start to talk English? If you put it in Venezuela, it starts to talk Spanish. Brother, whatever he is born into, that is what he starts to talk. It would be really strange if he comes out talking something that nobody else knows. They would say, “You are not born from here.” See?

That is why when Jesus came with that Birth, He said, “Why can't you understand My speech or My Doctrine? My Doctrine comes from Above.” That is where It came from. Amen.

So watch.

*13 These all died in faith, not having received the promises, but having seen them afar off...*

They saw it. Job saw the Resurrection. Is that right? Moses saw the death on the Cross with the Passover lamb. He saw the coming of the Holy Spirit with the smitten rock. All these things, they saw it.

*...and were persuaded of them, and embraced them, and confessed that they were strangers and pilgrims on the earth.*

*14 For they that say such things declare plainly that they seek a country.*

Now catch this. Watch. It started what? Revelation of a promise made them start to move from one realm into a next realm. They started to see something coming, something that God promised, something that was going to come to pass that was related to them; they had need of it.

All these people who died in faith were people who were needing redemption. They didn't want to die. They

didn't want to live and go in the grave. They didn't just want to live and get sick all their life. They didn't want to live and be in a barren condition and not be able to have children or anything at all. They didn't want to live running from tigers and running from lions and running from dogs. They didn't want to live, brother, with storm blowing down their houses.

They knew God didn't make the world like that. That was an interruption. They knew there was an Eden! They met that One because the One Who was giving the revelation didn't come from their world, He came from another World.

So let me ask you, these revelations that we get about the Seven Seals, those Seven Seals coming there, where did It come from? It is seven angels from another World that brought that. Nobody on this side of that Dimension knew that. Do you understand that? Nobody from the North Pole to the South Pole on this side of that Dimension knew any of these Things in the Bible. But whatever Intelligence on that side of the dimension, they knew those things. Even his own life, he didn't know. His father and mother, and wife and children couldn't tell him. And that Angel came and started to show him his misunderstood life in the Bible.

Doesn't that put your mind to think in a certain realm? Friends, I trust that you are looking for these promises. I trust that you are hungry for that reality. I trust that Something met you in life's journey already that turned you around and stirred your soul to something in this Word, and that you are able to read the handwriting on the wall and know that the time-clock is striking the Hour when these things are to be. I trust that there is some representation in you this morning to know that there has to be a reality. Church cannot be a program otherwise we are all dead.

God is talking about taking people out of this dimension and into another Dimension. And the only people you know who traveled that way is what you read

in the Book. You don't know any physical person to go and sit down with, for them to tell you how they did it. So whatever did it for the people that you read in the Book, you have to meet that same One. And since only Eternal Life could do that, Eternal would be still alive today.

So if Eternal is still alive today, you can come in contact with Eternal. And if Eternal puts you here, you are part of Eternal, Eternal will not put you here in time and abandon you. He'll come to you in your Age, in your season (amen!) and begin to give you your call. And when you start to get that call, something begins to make you look up and lift up your head because your Redemption draweth nigh!

That is why I was talking about 1972 because 1972 something happened that I started to live for something else. That became my life, that became my standard. That became the scale that weighed me and what I weigh everything by. That became the thing that I am tied to beyond wife, children, house, land, car, people, anything; mother, father, brother, sister – that Thing there. Because That had nothing to do with this [terrestrial body -Ed.]. That contacted the real me on the inside. I am not some excess human baggage on planet earth that they have to try to find a place to dump or something like an animal just looking for food and shelter from the weather or something.

This is something that realizes, brother, man lived somewhere. We saw it in this day – a man who walked with God, a man who was linked with the Eternal, a man who opened the Mystery in the Book that could never be opened before and began to show to us how to come and link in It the same way. And God put the stamp, the Pillar of Fire, the Cloud way up in the sky that baffled the world that science couldn't even explain how it got there. God made their own instruments testify and record the thing.

And by His grace, He came in that Bow [Rainbow -Ed.] and Cloud and Pillar of Fire to me also. How is it that it wasn't some zigzag something or some strange thing? Why is one a Bow, why is one a Pillar and why is one a Cloud? And why is He speaking out of the Word like that? To me, He is telling me, "Son, you are Mine. I honor you because you honor My Prophet. When man tried to politicize you, control you, dominate you, seduce you, lead you astray, you withstood that thing for My Name's sake."

Look in every Church Age and see that He said, "You have not fainted, you have labored, you have kept my Name. And I..." He said, "You hate what I hate too. Those who say they are apostles, you found them liars; who conquered the laity, you hate that too." Amen. He said, "You hold fast the form of sound words. Hold what you have there."

Read it. In every Age He watches His people, what they stand for, how they act with the Word, what value they put on It; in every Age. He said, "I have not found your works perfect. Strengthen the things that remain that are ready to die." In another place, "You have little strength." Is that right? He said, "You are blind, wretched, naked and you don't know it," in a next Age. Do you think those are the walls of denomination that He is talking too? It is people; people.

He told that Prophet, He said, "Look, I'll give you a name like the great men in the earth. Like David, I'll take you from the sheepecote and give you a great name." He said, "I, the Lord, have planted and watered it." He said, "They say that your church will become a garage but I'll make these things that people from around the world will come to this place."

And when they said, "You are going to backslide, you would fall apart, I'm giving you six months in the Message," and different things, brother, it has gone around the world in every continent; no politics, no backup and no support from people. God wanted it

done, so God did it. There was no ambition to do it either.

That is what I'm saying. There is a reality – God. There is a reality in the Word. There is a reality – the Presence of God that comes behind the Word. And do you know why I didn't try to do that? Because I know that God has a few sheep and somehow I know, when the time comes, I have to put them in His hands. And I want to make sure I don't stumble any one of these little ones. That's why I live on a cross. That's why the dearest of friends I could separate from immediately to keep this Thing straight because somehow Whatever turns me inside there, is telling me, "You can't turn from that."

And when I look and see how He dealt with me who was a scum, some muck off the streets that nobody had any regard for, the Almighty God looked down and He saw that piece of filth on the side of the street and said, "I'll show the power of My Blood. I'll cleanse that. I'll take that out of the house of Babylon and I will bring that vessel all the way back to Bethlehem. I'll take that gift out of Babylon and I'll make it follow the star and come to the Word made flesh! I'll take that shepherd who only knows a stinking stable and I'll make him adore Emmanuel inside of there. I'll make him find the Messiah."

So in the end, what? Does man become something? No. God becomes glorified. "Consider your calling brethren: the weak things, the base things, the things that are naught of this world is what God has chosen that He might confound the wise and bring to nothing the wisdom of the mighty." [1<sup>st</sup> Corinthians 1:26-27 -Ed.] Exactly right. They died in faith seeing the promises afar off.

Verse 14. Look at this.

*<sup>14</sup> For they that say such things declare plainly that they seek a country.*

*<sup>15</sup> And truly, if they had been mindful of that country from whence they came out,*

*they might have had opportunity to have returned.*

*<sup>16</sup> But now they desire a better country, that is, an heavenly: wherefore God is not ashamed to be called their God...*

This is not talking about man being ashamed, you know. God is not ashamed to be called their God. Do you know why? Without faith, it is impossible to please God. And when a man receives faith, works is faith expressed. And when a man gets a revelation of God and he has put the value upon what he received and is willing to separate from anything that is dear to him to follow God, God says, "I'll be your God. I will dwell in you and walk in you saith the Almighty. I will be your God and you shall be My people. Separate from the unclean thing and I will be your God." And those people separated from their country; had no desire to go back to their country. Brother, regardless of what they offered them, how cozy it was, they journeyed by faith looking for these things.

And get this next part now.

*...for he hath prepared for them a city.*

Abraham... And look at Chapter 13, verse 14.

*<sup>14</sup> For here have we no continuing city, but we seek one to come.*

Now this is Hebrews, and Paul now puts himself in there looking for the same City. Now I want to bring it to a place where we can start to see what I am trying to build up for you, where Paul writes about that City, what It is.

Now Paul puts himself in verse 14 and says, "We now; we. They desired, they left, they died in faith; they did these things. God was not ashamed to be called their God. God prepared for them a City." He says, "But now we; we." Because that same Jehovah of the Old is Jesus of the New. That same Pillar of Fire that came to Moses, he saw Jesus in that form.

He said, "Who art Thou, Jehovah?"

He said, "I AM Jesus."

And he knew the same thing was coming. The shadow had gone and the Substance had come. Now it was no more little figures like the temple and the priesthood and these things now. It was a reality now. And now he puts himself in it. He said, "Here we have no continuing city. So even this Jerusalem that you are holding on to, even that now," he said, "we don't have any continuing city here. Let's go beyond this camp." He was talking about it in the verses before. "Because here we don't have any continuing city. Let's go beyond this camp because here we have no continuing city, but *we* seek one to come."

I will have to skip some things here but just let me make a few statements and bridge it for you on the tape. In Galatians 4, when he began to open it up he said, "Hagar represents Jerusalem from below;" the bondwoman in Abraham's house. She didn't get changed. She and her son got blessings. She and her son were provided for. She and her son only had physical contact with Abraham, knowing him after the flesh. Like Branham, knowing him after the flesh. But they had no City prepared for them. Am I saying something there? Could you catch that?

So many in this day had human contact with the Prophet and want to maintain and keep that human contact. They want to get all the pictures, they want to get all the pillows, they want to get all the shoes. They want to get close to the family. They want to go to Jeffersonville regularly. They want to sit down in the chair. They want to lie down in the bed. They want all the fleshly association and they want to maintain that. Hagar had all that; she and Ishmael – flesh contact, physical contact; sex contact. She never went on to any change.

Sarah represented Heavenly Jerusalem, the married Wife, the freewoman, the mother of us all who brought forth the son by the operation of the Holy Spirit. When

her body was dead, Transforming Power changed her back young. And the son that she gave birth to was a promised son spoken by God, brought to pass by God after they were proven to be dead in their own body and couldn't do it through human ability. She received *dunamis*.

Isaac represents the what? New Birth, children of the promise; not children of the flesh. You have the New Birth, you are from the married Wife, Heavenly Jerusalem. There is no way to get the citizenship, there is no way to begin to grow up into the habitation without the New Birth! There is no way to come from the temporal to the Eternal, from the order of Aaron to the order of Melchizedek without the baptism of the Holy Spirit. That is the circumcision on the eighth day that put to death, the flesh, the male organ.

Circumcision was done on what? The male organ that the first birth comes by. That brought perverted life, shut up man in five senses and made him under the bondage of the elements where he can't please God, where he is born of flesh – what brings death; what makes him the dust of the earth. Is that right? But it was on the eighth day showing something on the eighth day is going to come to put to death the old nature, separate the man from the old creation, cut him loose and make him a New Creation after the order of spiritual things to take him into a new body; take him up where he can receive the revelation of the Mysteries because he couldn't get it plain outside circumcision with the 'H' being breathed in.

That's why, unless you don't desire that Holy Spirit that will bring a Birth that will cut you loose from the old creation, because in Adam we all die, and the Holy Spirit puts you into Christ – by one Spirit we are all baptized into Christ, into one Body. Then you come into New Life. Because the Holy Ghost came on the eighth day. Jesus rose on the eighth day; loosed Him from the

grip of Satan and let Him go. Raised Him up to a New Life, in the Sunday, the eighth day.

There are only seven days in a week. 'Seven' speaks of old creation but 'eight' speaks of New Creation. And Jesus is the beginning of that New Creation. He came by the baptism of the Holy Spirit. The Holy Ghost created the Blood Cell. He came without sex. Can you catch those things?

Who says we are not going to be changed? Who says we are not going to come out of this pesthouse? Who says we are not going to burst through this thing here? Dissolve means to untie.

Your first birth by sex ties you to the creation; you walk after the course of this world, after the prince of the power of the air. You are trapped in this world, you are part of this world – your flesh body that the first birth... Your father and mother couldn't bring your soul, they could only bring your flesh. They brought their flesh. Father's sperm and mother's egg, they brought their own flesh, shut you up here; tied you.

But the baptism of the Holy Ghost looses you, It unties you and brings you to the Word you should have been tied to first if you had come by the Spoken Word. The Spoken Word would have tied you to God first. But then by sex, it tied you to the creation instead of the Creator, so you come loving the world and the things of the world. But all that passed away. But Jesus, Melchizedek, came to get you, untie you from the temporal, tie you to the Eternal, an Absolute, a Kingdom that cannot be removed!

Aren't you glad for the Holy Ghost? [Congregation says, "Amen." –Ed.] That is what He is doing here. He is untying people. He is cutting them loose. He is bringing Circumcision. He is cutting away the flesh. He is destroying the body of sin. He is raising them up into a New Creation in the eighth day, in the Eternal Church Age at the end of the Seven Seals.

Seven Thunders are not in the Church Age but outside the Church Age. After denominational Ages are run out, then this Mighty Angel comes and opens the Book. And the Thunders utter their Voices in the conjunction between the Church Age and the Millennium when Son of Man is being revealed between Son of God and Son of David; when the Super Sign, God and man become one. Glory! My! I know that's Him.

Where to go from here, Lord? What should I do, Papa?

Revelation 21. I am not going to try to carry you through this but by the grace of God, I just want to put enough so you could see it. Because to tell you the honest truth, I realize that my time has gone and I haven't even got off the starting blocks because I haven't opened one of these [Bro. Vin refers to study material -Ed.] yet. I haven't even gotten to Enoch and the pyramid. I am just working from Paul here – height and depth and length and breadth, and this manifold wisdom of God, and this building fitly framed into a Cornerstone.

Remember your foundation is what? Faith, the revelation of the Word for your day. Paul laid the foundation on a dispensational level. On a local level here your pastor is laying that foundation in you too – the principles of the Doctrine of Christ, the apostles' and prophets' Doctrine that you can begin to grow up into the Head.

Remember Faith is a revelation of the Headstone. Did you catch that? Your New Birth is a revelation of the Headstone, your adoption. Here you are a Thought, quickened; There you are Word. And that is how flesh becomes Word – you grow up. You are transformed from the caterpillar to the butterfly. You are changed into the species that you are supposed to be.

Verse 1:

*<sup>1</sup> And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.*

I am trusting Him, I'm believing Him. You pray for me. I'm looking to Him to give me a mouth and give me some Heavenly wisdom and just give me five minutes to say all that I want to say in the five minutes after I read these couple Scriptures and tie it together for you. And I know He can do that.

*<sup>2</sup> And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.*

Remember Revelation 21 and 22 is the end of the Book. That closes the Book. Remember, that is this Message. I'll show you that. This Message closes the Bible. If you want a quote on that, *He That Is In You* [1963-1110E-Ed.]. I think it is page 6. Years ago I used to read it.

The Seven Seals sealed up the New Testament because all the revelations have been revealed in the sounding. Now that written epistle is to be made a manifested epistle, and the manifested epistle will confirm back that revelation because he planted for a Church. He saw it in vision, but She will be here to bring the Resurrection. She will come to perfection. A perfect Church will stand here, a glorious Church who is Bone of His Bone, Life of His Life, Spirit of His Spirit because She must be in perfection to bring that Resurrection. A people here in the last days, as they near the Headstone, will be the Super Church. They will be here.

He planted for it. He spoke it out, a Mystery in eleven hundred and twenty-six tapes. But from 1966 to 1999 there is a mystery of a people in the earth – seed laying in Trinidad's dirt, Holland's dirt, Germany's dirt, Africa's dirt, India's dirt, Chinese dirt, Japan's dirt, Chile's dirt, Venezuela's dirt, Eskimo dirt; wherever it is around the world. And the Holy Spirit is quickening them and bringing them to life – the Word predestinated to the Word written for the Hour. And people are coming with the half of the Chinese ticket inside of them to dovetail with the Bible and prove that they are the

promise standing here with a declaration and a confession that they are part of the Mystery, they are one of those seeds; they are one! They hold that Mystery of Rapturing Faith in their heart. They are a Pyramid.

Remember when I started the beginning of the year and I said that we are going to do what? Build a pyramid in the Caribbean here. Man, I talked all kinds of things that I didn't know what I was saying sometimes. I was getting happy saying it, only to find out that it was Him saying it. Who thought that I would be coming all there? Who could think of it? Which human mind could think of that?

*<sup>2</sup> And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.*

Verse 9:

*<sup>9</sup> And there came unto me one of the seven angels which had the seven vials full of the seven last plagues, and talked with me, saying, Come hither, I will shew thee the bride, the Lamb's wife.*

Oh, He got happy because this is when we are going to go back to Eden with Him. This is the one that He got married to in Chapter 19 and had the Marriage Supper. "Blessed are they who are called" – Chapter 19. Now here He starts to show you Her.

*<sup>10</sup> And he carried me away in the spirit to a great and high mountain, and shewed me that great city, the holy Jerusalem, descending out of heaven from God,*

*<sup>11</sup> Having the glory of God: and her light was like unto a stone most precious, even like a jasper stone, clear as crystal;*

You see a brother and a sister and your physical eyes could only see the way that they comb their hair, could only see the way that they are dressed; could only see their clothes, how it is designed. You could only see that

because that eye was only made to contact physical things. But inside of you there is an eye of faith, and that eye of faith will pass the clothes and see that soul in that brother and sister who is that real brother and sister, the real them. And you can see that soul there with the character of God, gold tried in the fire, who came through the Refiner's Fire, and they haven't backslid down through these years. They just got mellowed and ripened. And when you meet them, you sit in their presence, you see the grace of God flowing through them. When you hear them talk about Jesus Christ, you know they are in a relationship with Him, you know that they love Him and gave their life for Him. Then you are seeing what the Bible is talking about here.

Remember Nebuchadnezzar, he had a dream, he saw the outward part of the city: the gold and silver and pearl – the image of the man. Remember when Daniel saw the vision, he saw lion and leopard and bear. He saw the spirit, the inside of the thing; the nature of the thing.

So here we are not looking at the outside, we are looking at the inside because that is what She is. She is part of Him. This is the Attribute of God, the expression of God; God in Bride form. This is the Bride in the Bride Age in the Bride Coming.

*<sup>12</sup> And had a wall great and high, and had twelve gates, and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel:*

*<sup>13</sup> On the east three gates; on the north three gates; on the south three gates; and on the west three gates.*

He is seeing this thing equal on all sides. It is four-sided.

*14 And the wall of the city had twelve foundations, and in them the names of the twelve apostles of the Lamb.*

*15 And he that talked with me had a golden reed to measure the city, and the gates thereof, and the wall thereof.*

*16 And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal.*

He wants to tell us, this is not an ordinary City. As I said, there are only two geometrical figures...and that's a cube or a pyramid. The reason it is a pyramid is because the other Old Testament Scriptures tell you that those kings of the earth, when they are coming to bring their glory into the City, they will be seeing the Throne on the top of Mount Zion where the King is in the Throne, and the Light is there. And if it is a square and the walls are up like that, straight, you can't see it in the distance. And since the City is not on the wall but the wall is around the City (are you getting me?) then it can't be a square figure! It is a pyramid. Amen.

I am getting close to where I can chop off the rest. I think I can. Okay. I think I can. Alright. Quickly here. Jesus help me.

ENOCH'S SIGN IN EGYPT – the pyramid today. Enoch built the pyramid. Enoch built the pyramid, the great pyramid. There are many pyramids in Egypt but all are tombs of pharaohs except one. All have writings and hieroglyphics and things on the walls inside except one. When they broke open into that one many years ago and looked, thinking it had some great treasure, because in a few others, there were different treasures and mummies and different things that they found trying to put together the ancient civilization, explorers and different ones, then they hoped that they would find something. And to their surprise, no writing was on the

sides, nothing, and no hieroglyphics, no mummies; nothing. It baffled them.

Why was this thing made like that and sealed up with nothing in it? For a thousand years, nobody couldn't even figure it out. They dated it back between four thousand—forty-five hundred years to five thousand years which puts it before the flood. So even the flood didn't destroy it. The pyramid and the sphinx, God let it outlive the antediluvian destruction of the world as a memorial.

I am going to try to save time reading. Some of the things, if I can't read it, I will just quote to you.

Easter Seal, *The True Easter Seal* [1961-0402, para.118 -Ed.], 1961, he said, "God used it as a memorial back there." From way back there, five thousand years almost, in Enoch's time, Enoch built it. This man, the Bible tells us, the seventh from Adam, walked with God and was not. Enoch talked with Adam.

You say, "Bro. Vin, what are you getting at?" Friends, this Bible—these people that I am talking about are not dead. These people, you will be spending longer time with them than you ever spent time with anybody else in your life if you are a believer. Because you have Eternity to spend with these people. And most of the people that you know, they have temporal life. But these people here have Eternal Life. And you were together with these people in the Mind of God. These people are not dead.

Enoch never died! Adam died and rose! Jesus took them out! So here we are in this Hour. And when Enoch talked with Adam, he knew things. Remember Abel – we had the Message recently: *Access* [1999-0721 *The Secret Of The Access Which Abel Found* -Ed.]. Abel caught the first Mystery of how to go back to God. He saw the four cherubim, foursquare, Pillar of Fire hanging there. The word there means '*tabernacle*.'

When God set up the tabernacle, He set it up with the lion, the ox, the man and the eagle in the wilderness,

the same way, reflecting what was in Heaven. Abel knew this lamb, this Mystery, is the way to get back in there: "I got the telephone number. I could call, I could talk to the One inside of there who is shut up and everybody comes to think that He is not home because the door is locked up, the window is locked up. He is sealed up inside of there but I got the number; I could call Him inside of there. This is the way." He caught it.

Cain couldn't catch that. Cain brought his fulfillment into building a city here on earth. They didn't want to settle down here on earth in that kind of fallen condition. They knew that that was not the real thing. They knew they came from a higher self. God made man in His image and likeness. God didn't make Adam by sex, God created Adam. God didn't make him a baby. God created a man in His image and likeness, a little one like Himself, and God gave him dominion over the earth.

You listened to Adam talk about dimensions and angels and demonology and theophanies. If you want to know how it sounds, just listen to the Prophet because God brought that back. That is the revealing of the Son of Man, the last Adam. God brought it back to show to us what it is. A man that could talk with God, a man that God could come to and talk to lip to ear, a man that God could reveal His secrets to, a man that was translated 'beyond the curtain of time'; picked up in a constellation of angels off the ground. A man who could stay in one place and see around the world through another dimension and tell people things in their past, their present and their future.

We saw that in this day! It was promised. What did it do? Make us a cult? Some hocus pocus? It made us hate this world. It made us confess that we are pilgrims and strangers. Brother, it revived our faith that there is a real City that God has prepared for us; a continuing City. Why? Because we met the One Who was Eternal.

Let me tell you, you cannot look for Jerusalem this morning if you never met Melchizedek. He had a meeting with Melchizedek first to look for Jerusalem. If you are talking about Jerusalem, singing about Jerusalem, you are expecting to go to Jerusalem, you have to meet Melchizedek first. It is He, the King of the City, Who is the way to the City. He is the Mystery of the City and the kind of Civilization that you are going to. He comes in the form of the body, the kind of body that you are going into. Amen?

And that is what He did under that *Fifth Seal* [1963-0322 -Ed.]; pulled it back, *Things That Are To Be* [1965-1205 -Ed.], *Who Is This Melchisedec?*[1965-0221E-Ed.] *Future Home* [1964-0802 The Future Home Of The Heavenly Bridegroom And The Earthly Bride -Ed.] all these things. *The Fifth Seal*, opened it up to you and told you, "Heaven is not the place your mother used to tell you about – that you are going to sit on a cloud and play a harp. No sir. You are going to work and do things." It is a Kingdom, it is a Civilization we are going back in; in an Eden of Perfection.

What a Message! The Mystery of *The Rapture* [1965-1204 -Ed.], a Threefold Mystery, Seven Thunders opened it up. What? To give you Rapturing Faith to go into Things that are to be, to go to *Communion* [1965-1212 -Ed.], give you leadership; modern events – know the modern events that are being made clear. Go to Leadership of Eternal Life, go into Communion in the Wedding Supper! He was speaking the way and making it clear for you to let you see the Road that you are traveling on.

Can somebody in their right mind say those Things are not opened in the Bible? Could somebody convince you that somebody has to come up and preach something and reveal things that are not revealed? You see, these things blow all those theories away because it proves the Things are here! Because how are you finding it? It is here.

Watch now. I can take two Scriptures. I'll take two Scriptures. One is in Job 38, the oldest Book in the

Bible, even before Genesis as far as compilation. The things Genesis reveal antedates Job, but Job was the first one that they had, the oldest Book. Job is a Mystery, forty-two chapters – six sevens; a perfect man who lost everything but got a hold of the Mystery of the Easter Seal, the Resurrection Seal. A man who came through the three stages of man's revelation trying to find God: Eliphaz, Zophar and Bildad – human merit and human wisdom and human tradition.

But then at the end of those three spirits of man, Elihu, one like God, began to speak, an eagle coming after the man, and began to lay the thing in the middle; took the Calvinists and the Armenians and brought it to the Ephesians. He took what Job was doing and he took what those fellows were doing and brought it together; brought it to God.

And then after him, Chapters 38 to 42, the Whirlwind comes down after Elihu moves off the scene. God Himself said, "Gird your loins like a man and let Me talk to you." What happened? It brought full restoration. He said, "I have heard, but now I see; now I see." Why? When the Whirlwind came, the Thunders uttered their Voices. Hallelujah! And He took Job way back before the foundation of the world, brought him down to the present and then took him all the way into a full restoration of all things.

What did I tell you? Job 38. Job 38. Esther, then Job. Amen. Do you love Him? Do you love His Word? [Congregation says, "Amen." –Ed.] Wonderful. I just think that it is marvelous. We beat the heat today. Amen. Even the heat couldn't defeat us. We defeated the heat.

Job 38 – God coming down to Him.

*<sup>1</sup> Then the LORD answered Job out of the whirlwind...*

Look at Revelation 10:1 speaking to Revelation 10:8-11 here, His Church – Job, a man who was crying out and groaning to go back to his beginnings. We read in Chapters 29 and 30 where Job was saying...and he was

thinking of the days of his glory and power and when he stood there. He said, "They came from afar off to hear five minutes of my counsel. They sat there; my voice was like the dew falling. The lamp was in my tent, I used to reveal the secret things of God." How he flourished. And now he was looking at himself, what he used to be, like man looking back at what he was after he fell. But a Mystery was going to open of the Easter Seal to show him, he'll come back there, and a visitation to open the Mystery to bring him into that full restoration.

*2 Who is this that darkeneth counsel by words without knowledge?*

*3 Gird up now thy loins like a man; for I will demand of thee, and answer thou me.*

Do you see how God doesn't mess around [waste time – Ed.] with people? "I listened to you all arguing, arguing, arguing; chatter chatter, chatter. Come aside here now and gird up your loins like a man and let two men talk – God Who made man, and man in God's image and likeness. Let's talk together now. I and your father Adam used to be together in the Garden." Glory!

*4 Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding.*

*5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it?*

Watch. There is a Man with that Line measuring that City foursquare. In Zechariah there was a Man measuring when they were restoring that city – Zechariah 2: 1 to 3. Now watch God now.

*5 Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it?*

*6 Whereupon are the foundations thereof fastened? or who laid [its] corner stone...*

*7 When the morning stars sang together, and all the sons of God shouted for joy?*

They were shouting because they saw the capping of the Pyramid; is what they saw. Now catch this. Jesus! Help me, Lord. God is having a conversation with Job and God is comparing the earth to a building.

Have you ever seen Ellis [Bro. Ellis Joseph -Ed.] and they lay out a building? No big set of tools; it is all there. No big set of gravel and cement and all those things – that has it's time when it is going to come. He gets the location and he starts to know where the house is going to go. And he begins to measure it out.

He said, "I laid the foundations. I had My measuring line. I established boundaries for seas, boundaries for firmament, boundaries for rivers; boundaries for different lives. I put different kingdoms, each one in their allotted environment. I gave botany life its realm. I gave animal life its realm. I gave marine life its realm. I gave everything their own—the birds their realm. Then inside of there I gave migratory birds their course. I gave ants their colonies."

Brother, He laid it out so... "I gave birds who are wet birds, who are night birds, who are daytime birds, who are migratory birds; (I laid it all out) who are birds that pollinate trees by seeds and different things. Even down to the minutest of the species in all the species, each one too has their own environment. And I gave bird bird's flesh to fly and I gave fish fish's flesh to swim. And then I came and gave man dominion."

And then today scientists find out that life exists about nine miles up and below it in the ocean. That is where all life exists – in the habitat of man.

So God was asking Job now, He said "So, do you want to talk? Let us talk." There is no... He said, "Where were you when I laid the foundations?" God is describing just like Paul, a figure. There is no other form of building that has four foundation stones and a capstone or a head cornerstone except a pyramid. That head cornerstone, it is only the pyramid, that geometrical figure, that architectural structure that has that.

When Paul was describing here in Ephesians a building fitly framed together, a habitation of God, the only form of building that conforms to that kind of description, there is no church building or anything except a geometrical figure in the form of a pyramid that fits that description. What is it?

Now catch this now. This is very simple. In the end when the City ends up, it is a Pyramid City. When the Angels come to reveal the City, to raise the City up in the Rapture to those theophanies to go back to that Faith Civilization... This Message is the call to the Marriage, the Marriage Supper, the Future Home, the things that are to be; all these things. This is Melchizedek coming with the Bread and the Wine: the Word and the Spirit. Then why would This be revealed to us in the form of a pyramid – Seven Church Ages, Seven Seals, the Future Home?

When Jesus showed it on Mount Transfiguration, He was rehearsing the Second Coming. Jesus glorified; Peter, James and John – 144,000, Israel; Moses – resurrected saints and Elijah – translated saints; and all the nations down at the bottom. Why would God put it again on a mountain in the form of a pyramid? Why would Enoch build that pyramid, then after the flood, even a thousand years after the flood, nobody couldn't even figure it out? And not until this late last century people began to realize that in that pyramid, it was certain knowledge and wisdom so far beyond what the human race knows today that is sealed up in it.

And a Prophet came and told us, "Enoch built that pyramid." It was the Word, the same Bible that we have here. That same Bible in the heavens, Enoch built it and put it there before—when justification was coming in. Justification was the earth being baptized with water in the days of Noah. That God was destroying Canaanite civilization and leaving a memorial, a symbol of what the real Civilization is that will come back one day. And Enoch didn't put the headstone because the builders

rejected the cornerstone. Enoch knew they were going to reject that Messiah. They saw all these things being revealed to them when he was building this.

Now Paul began to open up that this Church, this Mystery, this City is a people. He said, "Sarah was a type. She is the mother of us all, and we are citizens. And we are built up into this Headstone, fitly framed together. We are becoming a habitation for God! Know you not that you are the temple of God?" Then he said, "We have come to Mount Zion, the City of the living God, Heavenly Jerusalem." And he began to open these things: a City that will continue on forever!

Now the pyramid is the thing today that is a symbol, the only thing that they have from the antediluvian days, way before Noah's time, that is on the earth today!

Now watch. Jacob saw a ladder with man at the bottom and God at the top and a way that man was going to go up into Heaven. Nimrod tried to build something at Babel, patterning that New Jerusalem because Satan knew the Mysteries of God! That is why he wanted to be like God. And that's why he only impersonates. And that is why Satan has his own Adam, he has his own Eve and he has his own Eden.

Remember my message years ago on the Vials: *Satan's Adam And Satan's Eve In Satan's Eden* [1992-0531 & 1992-0712 -Ed.] He has that beast – Satan in the flesh; he has that false church – that is his bride; and he has his Eden that he will be enthroned over. That is why the Prophet preached *The God Of This Evil Age* [1965-0801M -Ed.], *Satan's Eden* [1965-0829 -Ed.], *And Knoweth It Not* [1965-0815 -Ed.]. He was sealing up the Vials just like Enoch sealed up Things in his pyramid. Things are sealed up. Paul sealed up Things in the Bible and the Prophet sealed up Things in the Message and Daniel sealed up Things. Are we getting somewhere?

Now catch this. Now Daniel saw something. Job saw the Resurrection. He had the greatest vision. When no man knew, "Shall a man live after he dies?" Job caught

it. He got into a place, he got a hold of the Easter Seal, the return of the Spring Son: "Though the skin worms destroy this flesh, yet in my body I'll see God again. I'll go back to dust, I'll go back to gases and I'll come back tangible."

Abraham caught a Mystery of Resurrection – he'll come from the dust to the stars; Bread and Wine. Daniel had those Thunders – he saw that Angel coming, he saw that opened Book; he saw those names being delivered from out of the Book. He saw the Resurrection – the righteous will shine like stars! Is that right? He saw time will be no more – time, times and half a time; that's it. Just like we saw time shall be no more when that Angel comes with the Book to deliver the names too.

Daniel and John, both of them saw the Thunders. Both of them... Daniel saw the Kingdom, the Rock cut without hands, destroying all the kingdoms and growing up in this earth; a Faith Civilization coming back. Is that right? John saw the Kingdom that cannot be removed coming back too. John heard the Thunders too. Are we getting somewhere?

Enoch built that pyramid that sealed up the Mystery of Christ, sealed up the Mystery of the Bride, sealed up the Mystery of the City, the Kingdom: Adam, Eve and Eden; sealed it up! Christ is that stature of a Perfect Man and that is the same Bride in Bride form through Seven Church Ages and that is the Kingdom that was shown on Mount Transfiguration. Could the angels come in any other form? When the angels came in the form of a pyramid, they were even testifying back of that pyramid, because that pyramid was put there by revelation. Okay. We are doing okay.

On a message called *Law Or Grace* [1954-1006 -Ed.] way back in 1954... Watch how these things came from 1954. He had gone to South Africa and he had those meetings. And he went through Europe; he went over into Egypt. Do you remember when he was going to Israel? He wanted to go to Israel afterwards and the Holy

Spirit stopped him there in Cairo, Egypt and turned him around: "Don't go. Change your ticket." He went and saw the sphinx. He went and saw the pyramids. He went and he walked around in those places.

He said, "I went where Paul... [Blank spot on tape -Ed.] ...nailed the thesis. I went where John was in Westminster Abbey." He said, "I put on his robe and prayed for King George. I went in Azusa Street." See? He started to pray in those places. Here he was now, walking by Enoch's pyramid, and listen to what he said here:

[para. 19-20 -Ed.]

*And that pyramid, the big pyramid [Law Or Grace, page 3] setting there, geographically, is so perfect in the centre of the earth; no matter where the sun is, there is never a shadow around it.*

But when that pyramid stands, all shadows will fade out because that will be the substance, that will be the fulfillment, that will be the reality. There is coming a race, there is coming a race that Adam... There is coming a race! Watch.

*Engineering, we got a lot of...long ways to come, to compare with them. And, to think, that's been more than right on five thousand years [ago], they had that.*

*So, in there, they find the Bible...*

Get it. I'm finishing up. I know it is hot. And you strangers, I'm sorry to hold you in this way, but you see, here we don't have a program.

He said: *...they find the Bible, just the same as this Bible here, written in there, just by measurements and so forth, measures out the Gospel and the Scripture, just like we have It here. Enoch put it in there, years and years before the antediluvian flood.*

In that pyramid, it solved the mystery of how to square a circle. A circle is eternity, 360 degrees. Now I'm talking about things here that people who have a degree hardly even know about, but God help me. But the Bible said, "The four corners of the earth." And it baffled

people. They say, "Ah, that thing is false. The earth doesn't have four corners."

God told Job, "I laid the foundations." God is talking about a pyramid because it is only the pyramid that has four foundations and four foundation stones. Do you see how God is describing? Because the word foundation is distinct from cornerstone; what God is revealing there to Job. You see? He is purposely opening something there to him. When you hear about cornerstone and foundation stone and headstone, it is only one kind of building, a pyramid-shaped building where the building grows fitly until it is honed into a stone that is the very shape of the thing that it grew up into.

You know—I remember seeing this sometime ago, maybe about two years ago when I was showing you about communication networks and what they were going to do in the world. Up in the sky, it is the prince of the power of the air. Those big satellites control all the information and when things have to pass through, it is in the form of a big pyramid where those satellites are set in a triangle in the heavens. That's the access. That's access. That's communication.

It is always a mystery because that pyramid, the ancient Hebrew... Bro. Branham talked about the Lamsa Bible; they put the Pillar of Fire in a kind of a three-cornered shape showing that the three are One because they know that God is one Person in three offices. Because God reveals Himself in a trinity of offices. He comes three times: to redeem His Bride, to claim His Bride; to reign with His Bride. He is manifested in three offices: Father, Son and Holy Ghost. He comes in three son's Name (see?): Son of Man, Son of God and Son of David. Eagle, Lamb and Lion; Prophet, Priest and King; the Lord Who is, the Lord Who was, and the Lord Who is to come. A foursquare City, a Pyramid; it is a Mystery – God revealing Himself.

And when they built that pyramid, it is so fixed geographically in the center of the earth that they don't know how to build one of that today, and they can't because... And I have something here that will make you marvel – to think of how it is impossible to explain how they built that outside of atomic power and lasers and these things. There is no human way evident anybody could think up. And that's why we know the flood was an atomic explosion that shifted the earth off its axis. That's why part of the earth is frozen at the poles. In the British ice fields there are those animals with grass in their mouths because the temperatures changed instantly like that when the explosion went off and they froze instantly while they were even feeding there.

And he said, "This time they are going to push it back into the sun and it is going to burn up." The first time, in Noah's day, they pushed it away from the sun and rain came and God put a bow and said, "I wouldn't destroy it by water anymore; next time it will be by fire." This time they are going to push it back into the sun and burn everything, and the righteous will walk out on the ashes of the wicked. This world will pass away. But before this world passes away...

As I was telling you Wednesday night, if you are part of this world, you will pass away with it. This world came by the fall through sex; believing the lie. The way to come out, God sent the Truth to bring us back into a higher order by a New Birth to take us out. That is what this Rapture is. He is preparing you right now. He is opening something to you to give you a hope to live for. They saw it afar off; you are seeing it so near. You are in the midst of it where it is happening.

So Enoch put it in there. Another quote, *The Ark* [1955-0522 para. 152-153 -Ed.] page 22, 1955, he said:

*Father, God, I pray that, today, as the door is still open, the people are coming from the east and west, north and south, gathering in. Great signs are*

*happening. In the skies, fearful sights; the atomics of the air has been split; the hydrogen is being burnt out. Saucers are flying; missiles that cannot be understood, some sort of intelligence, they think, from somewhere else (They don't know, and science can't find out.), mysteriously slipping down on the scene, with lightning speed. O God, we're near the end.*

*And the great pyramid that Enoch built, the last chamber is gone through, ready for the King's chamber now, the Coming of the Lord, right in the top, for the keystone. All the calendar of astronomy points right straight, the stars are declaring it. As they did at the first time, when the wise men looked up and saw the stars, they said, "There, the great King is coming." Now the stars are pointing again.*

That pyramid has knowledge to tell you how—that is how they worked out how far the sun is from the earth. That is how they tell you how big the earth is, how heavy the earth is; all these things. Because that is what God was asking Job here. He said, "When I was laying the foundations of this thing, when I was setting the boundaries, when I was drawing My line, when I was doing these things..."

All that knowledge of that there was sealed up in that pyramid and man couldn't decipher it because man was still coming out of the agricultural civilization, coming up into the industrial civilization. And now they are coming into the information civilization, the information Age, and now they are coming closer to deciphering these things. Look where science has taken man. But when they come to the information Age, that's when the destruction comes.

But Enoch, by revelation, with a mind and an intelligence far beyond what they could get from the tree of knowledge of good and evil, caught a Mystery of a Kingdom where things continue, where the King continues. Because on Mount Transfiguration there, Jesus was glorified. Here was the King in a glorified

body. Here was Moses and Elijah, a type of the subjects, glorified in theophanies there with Him. They appeared alive talking with Him. They were still what they were before; still continuing the same Life in another Land.

And that Mystery was being opened, waiting for the last days when the Rapture comes that God would take these things and begin to show you and me that we will not be caught in deception of this mystery Nimrod, this mystery Babylon trying to link earth and space with a space program and go into Heaven by technology and science without repentance; failing to come God's provided way to go into Heaven.

Now they are trying to have babies without sex – women, planting embryos in them. Now they are building a space station because they want to live in the heavens. Now they sent up John Glenn to reverse the aging process so they could restore man back to youth. They are trying to find it. They are trying to unlock it. They are trying to get a hold of the Thunders; is what they are trying to get a hold of. They would have to meet Melchizedek. And they are working in the wrong channel. Hallelujah!

But Melchizedek Who has that Mystery came to you and you have heard from your theophany! A Prophet drew a Pyramid and began to explain it to you – your strange life where you bypassed the Word, where you came as a Gene, where you are being formed back in the Word-image, how you are going to come back to the Word-body; how you are going to go into the New City, a Pyramid City. He began to open up the Mystery of the Church Age, how He built the Church Age like a pyramid: how Paul laid the foundation, Irenaeus and Martin built on that foundation; how Malachi 4 brought the Headstone, the same Spirit. The same Zerubbabel who laid the foundation will bring the Headstone with shoutings of grace. How it is a Message of grace connected with shouting and dancing (hallelujah!) when the Thing is to be completed in the Rapture Age; when

it is happening in the seventh from the second Adam, like Enoch, the seventh from the first Adam when the Thing is happening again just before the Tribulation period when all nature takes a tumble!

I am not talking about some make up things here. We see what we are talking about. And here right among us these past few months, something Heavenly began to come down. We don't even understand what we are saying but we see when we watch the thing, we know it is making us feel different and for that we are happy. And we are only yielding and submitting. And we are praying and we see the Holy Spirit coming down and marking people and touching people and raising people and freeing people.

We see some drifting away into darkness. Some want to go back in sin, some want to go back in the world, but we see the Holy Spirit moving the people up into a place! We see the Word unfolding and making this Thing clear to us – we know how to journey, how to travel, how to maintain our atmosphere, how to maintain our focus, how to stay shut in and locked in; how to stay fortified in this Hour.

I'll close here. Let the musicians come. I have a betrothal so I still have to...

Oh my! But let me read this article that he sent for me; what started this. Where is Bro. Hollis? Is he here this morning? Thank you, brother. Amen. Something moved when he said, "Give me that." The Prophet said, "That man brought a picture for me." He said, "When I looked, I saw my wife and my daughter there beyond the curtain of time." He said, "Another man gave me a picture with Christ in the beatitudes and the Holy Spirit spoke to me and He gave me a message out of it. The brother sent an article for me here; look what came out of it.

Remember Enoch caught a hold of a Mystery that was connected to that pyramid that he left this world; he changed dimensions. He went up the King's highway.

He went up into something that took him into Glory. Nimrod tried to build it but Abraham came out of that. Abraham knew that was not it. God called Abraham out of that perversion, that big denomination, that mystery Nimrod, that Nicolaitan that conquered the people down there and then forced them into a false religion. To walk with God by faith, you come into the Holy Ghost. Let God do for you, the seed of Abraham—the same way He dealt with Abraham: “Come out of Babylon; Come out of her, My people,” open up these things to every one of them.

Are you a Christian this morning and you don't have a revelation of life after death? You don't know if you are going. You don't know if you turned Heavenly already. You don't know if you are linked up with your theophany. That's a Christian in this Age who is only a fundamental Christian, who does not have the Holy Spirit. Because Jesus said, “Except you be born of water and Spirit, you can't see the Kingdom of God.” [St. John 3:5 -Ed.] It is in another dimension. “You can't even enter It,” He said. He was talking to a priest after the Aaronic order. He was after the order of Melchizedek, the One Who continued forever.

I told you, Paul in the Book of Hebrews only spoke of two things that continue on forever: the King and the City; Melchisedec and Heavenly Jerusalem, Mount Zion, a continuing City. He said, “Way back down through the Old Testament they looked for It because the promise was given in the Garden of Eden we are going back in one day.”

Here at Evening Time, the woman's Seed has come again. Do you realize that? Brother, that Pentecostal Age, the shuck, no messenger there. Down comes the Holy Ghost to do what? Overshadow. And out of the shuck, the little grain was being formed and the Church was going to bring forth the Word made flesh. First four thousand years produced what? The Word made flesh. The Jewish Church gave birth to the Word. The second

two thousand years produced what? The Word made flesh to bring forth a Bride. The seven thousandth year it is what? That Bridegroom and that Bride back in that Eden.

Under the Old Testament prophets, the Hebrew church got birth pains as those men were revealing part of the Mystery; the Mystery in part. Under the New Testament, they were revealing the Mystery in part bringing on birth pains until the full Word came into existence. It is so wonderful.

When I saw this article—an article called, *Egypt's Pyramids Spruced Up For The Millennium*, it says: ... *Most countries are building monuments for the millennium but in Egypt we can boast existing monuments older than two millennia [two thousand years, older than that]. ... The great pyramid of Cheops, the largest of the three main pyramids, was reopened this month, along with three tombs and the temple of the sphinx...*

Isn't that wonderful? It was sealed back up and they began to reopen back up this group; which was in June. This was an article from June 23<sup>rd</sup>. Think of that. Look at what began to open up – Enoch's Mystery.

They said: *We chose the Giza...*

That's the place where it is, near Cairo.

*We chose the Giza plateau as the main venue because it is the most powerful symbol of time.*

It is not a symbol of time. They think—they called it a symbol of time because it has outlived every civilization they know. They say, "This pyramid is the most powerful symbol of time." It is a symbol of Eternity. It is a symbol of God. The circle as I told you, the pyramid mystery reveals mathematically how to square the circle. Paul caught a mystery of a building that he types to the Church. God talked to Job about a building that He types the earth to. Are you getting that?

The earth is an attribute, a redeemable attribute of God that comes through water baptism, sanctification,

fire baptism and a New Heaven and a New Earth with a New City in the New Heaven and the New Earth, a type of what He does with the believer. Jesus Christ when He came, that's the image of the Word, that's the image of God.

It says: *...it is the most powerful symbol of [all] time. And there is a ninth century Arab adage that says, "Man fears time but time fears the pyramids."*

It says that man fears time. Man sees that they are getting old and starts to age and death coming, and man fears time. Every man is trying to roll back their age. Every man doesn't like to check their years. Women don't like to see how old they are. Man fears time. Everybody is trying to buy every product that could kind of keep them looking young. It says, "Man fears time but time fears the pyramids." One is temporal and one is a symbol of something of Eternal, something man bypassed.

*On New Year's eve a helicopter will place a sheaf of gold on [the] top of the great pyramid...*

On New Year's eve, they want to cap the pyramid that Enoch built with a gold cap. And since they can't climb up there and get up there, they want to get a helicopter and bring it down from the sky. Something that was built five thousand years ago, they are going to put a mystery to it – that Zechariah saw the Headstone come with shoutings of grace.

Now catch this part here if you think that is something now. They have never found the headstone of that pyramid. There are many things that I could go on but I don't have the time. Isaiah spoke of a prophecy in Isaiah 19, verses 19 to 21 about the pyramid in Egypt, how it is going to be a witness and a sign in the Day of the Lord, which Day we are living in.

Shadow and substance; shadow and substance – pyramid in Egypt with the cap; Jerusalem, Mount Zion, City foursquare. The hidden wisdom of God, the secret that was in the back part of God's Mind that angels,

nobody knew, the manifold wisdom of God, the Eternal purpose; that Book of Ephesians, the Mystery of the Body, the Bride in the Bride Age when this Bride reveals the Mystery of what each Age revealed in part, it is all gathered up, and a greater than Sarah, a greater than Esther, a greater than Ruth, a greater than Rahab is here; the real Bride. No more Ages after this Age; no more brides after this Bride. She is the fullness. She is the Second Fold. She is Voice of the Archangel. She is Jesus in Bride form Himself in the Bride Age in the Bride Coming.

*We are celebrating the third millennium at the great pyramid just as it happened [back] in ancient Egypt 5,000 years ago. We have evidence to show that these gold caps, called pyramidions...*

That is what they called the capstone – pyramidion because it was like a little pyramid coming into the bigger pyramid.

*...existed and were placed on pyramid tips. They said: Recent excavations near the great pyramid had unearthed engraved limestone blocks depicting workmen dragging a gold-capped stone. In another scene a group of people are dancing. The Egyptian man who is in charge of these things here, he said: I interpret this as the celebration marking the end of the construction. They must have been pretty happy to finish it.*

The completion of the pyramid. You didn't get it. God was telling Job that the morning stars were singing and shouting when they saw the Pyramid being completed, being capped; when God's work was coming to its climax in the Headstone Age when the one with the prophetic capstone ministry was going to utter those Thunders that Daniel sealed up that is going to reveal the Mystery of the Kingdom, going to reveal the end of time, going to reveal Resurrection, going to reveal all these things; the Faith Civilization.

Daniel had the Thunders and sealed it up. John had the Thunders and sealed it up! And the pyramid and

these things would remain a mystery. And then when a man came back, he started to see Pyramid in vision: "Draw it so. Put the cap here. Put it for the Seven Church Ages." Then when He came with the Seven Seals: "I'll put It in the sky twenty-seven miles high in the form of a pyramid and then you will relate that teaching back to these angels." And these angels, those Thunders, he said, "Could this be the Mystery of the Thunders that brings back the Headstone, that will open up a Mystery and bring a Power back in the Church that we will be changed?"

Enoch was translated. He left something for the ones who are going to be translated that he was typing out. Paul, laying the foundation stone, said, "I am a wise master builder." Not even Peter could lay it. He was chosen, went in the Third Heaven and came back, saw the City, saw the King, saw those things and divided shadow from substance in Hebrews and preached it and laid it there. And he talked about continuing King, continuing City and showed us how we are going to come there. And he began to describe in Ephesians this Body, this City, this Lamb's Wife; caught the manifold wisdom of God in the form of a Pyramid with seven colors, a City foursquare, a Mystery equal on all sides – the height, the depth, the length and the breadth of the love of God that passeth all knowledge, which is Christ Himself, where it will be filled with all the fullness of God; become the habitation for the Spirit of God.

And a Prophet told us, "When you are formed in that Image, this body will materialize around it." He showed you seven steps back to your theophany. Because God started, that great Fountain Who was El, Elah, Elohim, the Diamond that throws out the seven colors, came into a body shaped like a Man Who was Melchizedek and began to speak.

Do you know what we come like? We stumbled onto something. We found a cheque of a billion dollars with our names written on it. We stumbled on something

here in this season. And the Spirit says, "Stay right there; preach right there. Don't move from there, I'll visit you. Stay in the channel; keep the channel open, I'll communicate with you through these things. I'll give you these chemicals, you will work by spiritual laws; I'll start to change the atmosphere around you. I'll start to move and do things among you. I'll start to open up things. I'll start to take you all into a certain realm because I must do that to fulfill My Word."

And when these things are happening, they start to open back that pyramid. They are getting ready to come and recap this pyramid. They want to bring this pyramid city foursquare, this Mystery of the Bride, this Lamb's Wife, this Heavenly Jerusalem... They began to catch something.

He said, "They measured it out." He said, "Do you know where we are now? We are right on the seventh step," he said, "where the comer, who comes up the seven steps..." In the Pyramid there are seven steps when you are coming up to the King's chamber and there is a guard who meets the person. He said, "That is where we are now."

He said, "We have already lived out all the measurements." He said, "Next, it is the coming of the King." And here he was standing now and he saw the Pyramid coming in vision; seven angels. And the Holy Spirit opened the Bible in Romans 9:30 and 33, a stumbling Stone, a Rock of offense, but a tried Son, a precious Cornerstone; a strong foundation. A Message of grace coming back to the Church, the Headstone, one of the prophetic Capstone ministries to bring back the Thunders; show us how to put on immortality in this Hour. And he saw it happening. He saw it happening.

He said, "Rapturing Faith will bring you into a change." The Guide – that is why I'm saying: *Unseen Being Made Visible As Dove Leads Eagle*. I'm looking out there with my telescope. I'm saying, "Land Ahoy. I'm seeing the signs upon the waters in the sea. I'm seeing

the birds fly. I look out in the distance and I am seeing something vague. But the old ship is still holding together and the Chief Pilot is capping every wave, cresting every wave. And we have sailed some treacherous waters and we are coming down life's solemn main, but Jesus is in the boat." Hallelujah! We are heading in to this great, Divine promise, this great, Divine blessing, friends. Let me tell you, it is not psychology, it is a reality here. Amen.

And when that Headstone came he said, "There is a Man here, the Chief Designer, the One Who knows now how to put the Church in Rapturing condition." When he preached *Leadership* that same One Who Moses followed and was still living fourteen hundred years after, who Elijah followed and was still living, who were the symbols of that New City, those resurrected and translated saints, he began to open up and say, "Now that One has come to lead you in this Age into that theophany and the great Hereafter." And he began to tell us about *Things That Are To Be*: "Get ready to change coats."

Look where we are at, friends. Brothers and sisters, look where we are. We have something to live for this morning. We have something that the old people who are getting older, we have something to give us hope that we are going to come back young. This old, tired and weary body that seems like it wants to cave in and break up under pressure, brother, we have a Quickening Power here that could mend it and keep us going until He changes it completely!

Backslider, lukewarm, there is something here to give you the strength you always desired but never had and never came into. You can come into it this morning. You can surrender yourself to Him.

Stranger, visitor, who have been fed denominational dogmas and creeds and man's ideas for years, sitting down, warming the bench in some cold denomination who is only talking about money and some church

program and blinding the people with just a social gospel, God is gathering His Elect in the last days. Jesus said, "The whole world will be deceived, but the Elect will not be deceived." The Bible said, "The whole world will worship the Beast but the real believer will worship the Lamb." And He is the Word for the Hour; not an organization. God never started one. And that is why this morning, with the grace of God...

Do you think in denomination people could sit down in a hot building like this? Do you think they could sit and go through what these went through? They have nothing to give them the stamina, stimulate the interest. They don't even carry inside of them the hope inside of there. Do you think bobbed hair, painted face women...? All their paint would be washed off with perspiration and sweat in a hot building like this already. They would be vex they are not going to look nice when the service is done. Amen.

Brother, here we see for five thousand years, they now begin to unearth something with men with the headstone coming. They begin to unearth people rejoicing and dancing as they see the pyramid getting ready to come to be capped; (cap the pyramid) the pyramid about to be capped. Think of it.

I don't know what you think, friends, but something Supernatural just moved me yesterday. I was so determined all three, four o'clock this morning. As I said, as sleepy and tired as I was, starting from about twelve; to about eleven the day before... And then I had to write. I was writing. I was changing one pen to a next pen and writing; as tired as I was, looking for my glasses and trying to change glasses too. My eyes began to get so tired, they burned.

But I said, "No. I'm a scientist in a laboratory. I'm like Salk [Jonas Salk -Ed.] working for the vaccine. I am like Thomas Edison. I am like Michelangelo, I'm picking on that sculpt; I'm sculpting. Amen! I have a vision. I know I am looking for a promise. I have a little church there

that loves this Word, that is birthed by this Word, that hungers and thirsts for this Word. And I believe it is one of the greatest hours that we have traveled under this Message. We have come into a place and things are breaking.

And brother, I don't fully know as I said, as I confessed to you, what is happening, but I just want to follow. I just want to follow where He will lead me. I just want to follow the way that He will go. I trust that before we leave today, Sis. Arlene you will sing, *There is a message coming forth, I pray You'll let the Dove lead.* [#703 - Songs that Live -Ed.]

Let's stand to our feet. That Headstone came, friends. Those Thunders were revealed. I couldn't get to open up any one of these books here this morning but I trust that it all comes together and will come together. I know it will. You love the Truth, it must come together for you. His Word can't return unto Him void, It will accomplish the purpose.

He said, "In the last days, the true Bride will near the Headstone. She is coming, She is coming, and as She nears the Headstone, She will be the Super Race, She will be the Super Church, She will be in His very Own Image in order to be united with Him." Then the things that we have been hearing, the things that we have been speaking, the things that the Holy Spirit has been giving to us, can we catch, can we see? Can we grasp in a little measure what these things are?

I hope Trevor [Bro. Trevor Beckles -Ed.] and Beverly [Sis. Beverly Campbell -Ed.] that you all don't feel too badly, but I forget it all day yesterday and I forget it this morning. I'm so locked in the message, I forget the betrothal. Then I glimpsed them and I remembered it. Then here I was again, I forgot it again. And then I knew; I said, "Well, when I come to service, it will have to be at the end of the service and I don't know how long they would have to wait." Because when you have this inside of you, you can't lock that off, you can't suppress it.

As the Prophet said, "About thirty pages..." I left so much out this morning. Over and over he said, "How he measured that out, where we are at." He said, "And just on that seventh step, the same spirit like John has to come back." He was tying the pyramid with the Bible, tying it with Leo, the lion, that Lion coming with a roar and Seven Thunders uttering their Voices, opening the Mystery of the Coming, those constellations.

Remember my messages on *Behold I Come Quickly* [1996-05-Ed.]: Perseus, the breaker [a constellation -Ed.], Hyakutake [comet -Ed.]; all these things. I have followed these things. That is how He made me up. I can't help it. It is Tibet I wanted to go. I wanted to levitate. I wanted to change dimensions. I wanted to know where I was before the foundation of the world.

"The American dollar," the Prophet said, "Look at it." Here is a Prophet from America and God has the American dollar right there – one side is an eagle, one side is a pyramid, the seventh from the Second Adam, the Eagle Prophet in the Eagle Age, the eagle anointing to unseal the Mystery that was sealed up in Enoch's pyramid.

And he caught it and he said, "Now, why did they call that one the Great Seal?" In other words, I, the eagle, am not the Great Seal, the Pyramid; He – that's the Great Seal. I am here to introduce that One. My Message is that Headstone, that all-seeing Eye that comes down; He Who sees way back when God wasn't even God, He Who sees all the way to Eternity." He said, "I'm here to introduce that One; to wind up the New Testament and introduce the substance, like John wound up the Old Testament and introduced the substance."

And when the substance comes, time shall be no more. When the substance comes on the Jewish side, "Time and times and half of time." Time shall be no more. Why? It is Eternity. When He comes, it is Eternity. When those Thunders uttered their voices, it is Eternity, to leap over a wall and jump over a troop, to change

dimensions, go back to Eternity; go back to the Great Circle.

Did you hear how... I am trying to remember: *Lion King* [the movie -Ed.] in the Circle of Life [song from the movie *Lion King* -Ed.], Simba, you know who your papa is.

Oh thank You, Jesus. Let's lift our hands to Him. Praise Him, friends. He is the Lion of Judah. He is the Lamb of God. He is the Rock of Ages. He is the Great Shepherd. He is the Mighty Conqueror. Hallelujah. Hallelujah. He is the great Headstone of the City foursquare. He is the great Melchizedek. He is the One Who met Abraham and showed him Resurrection, met Job and showed him Resurrection; met Enoch and showed him translation.

He is the same One, (hallelujah!) that same Jesus that broke the law of gravitation and moved into a glorified body. He was that same One. Hallelujah. He is the One that took His Prophet 'beyond the curtain of time', put him into that theophany. He deals in the Eternal, He dwells in the Eternal and He has come to you and me.

Father, we thank You. I am tired, oh God. My mind cannot even hardly hold together to think, but I'm grateful because of your goodness, Lord. Lord, You show mercy on someone who doesn't deserve mercy. You show kindness, Lord, to one who doesn't deserve kindness.

We who were not a people, Lord, You have made Your people. We are no longer sojourners and foreigners. If we are that, that is of this cosmos. But we are citizens of the household of faith. God, this great foundation revelation that has been laid in our souls and has been built up down through these years, now the great Headstone, the Capstone, the dynamics that shall be the refilling of the Holy Spirit where, Lord, we will be filled with all the fullness of God. That this fullness is going to come upon those who have received the

earnest, and this mortal will put on immortality; this corruption will put on incorruption.

We just feel that we are camping in a place like Abraham where he had gotten bread and wine. Your Prophet said, "Right there the City is going to come down, the very same place that Melchizedek met him and gave him bread and wine." And so dear God, we believe that the very place that we are camping in, the very place that these Supernatural meetings are taking place in, oh God, in this very season, something is going to happen, Father, Lord, that is going to move us into a sphere that we will never, ever be the same again.

Oh God, how I pray that, Lord, You will take a hold of every son and every daughter, every brother and every sister, every predestinated one, Father. Whether it be a stranger or visitor or whoever it might be, dear God, You know Your Attributes, everyone that was in You, Father. Lord God, You decreed and designated the time and the season that they will be expressed and come into a flesh body and be upon the face of this earth; when You will come to them and quicken them to the Word to recognize that they are part of You, Father. They will hear from that theophany, they will wake up, Lord, and the Message will sound like music in their ear.

Like that eagle in that barnyard, oh God, Father, they will respond to that scream, Father. They will know, "That's the thing that I longed for. That's the thing that I am looking for. That's the thing, oh God, I wonder where could it be, where could I find it and look how the grace of God led me into it".

Father, I pray today that the Holy Spirit, oh God, will move, dear God, in the midst of Your children, Father. And, dear God, You will break fetters, You will break chains, You will shine Light deep down, You will deliver Your Attributes from the darkness that has gripped them, oh God, from the deformity that has gripped their minds, Father, holding them in an alienated condition. You will lose them, You will untie them, Father. Oh God,

You can cut them with Your sharp Knife and circumcise them and cut them away from the old creation, tie them by the baptism of the Holy Spirit into a New Creation; raise them up, Lord God, Lord, into a Heavenly place, Father. May You grant it, Jesus. Oh God, may You grant it.

Let Your Holy Spirit that we feel pressing to come in, oh God, Father, moving all through us and around us, oh God, Lord, like that great Pillar of Fire that is going to come to pick us up one day, oh God, we feel Its magnetized Power drawing us. Oh God, we feel the pull. We feel the pull, oh God. Hallelujah.

Lord, we hear that Voice speaking, oh God, from that Dimension calling us, oh God. Father, we are saying, "Speak, Lord, Thy servant heareth. Here am I, Lord. Like Isaiah, here am I, Lord. Oh God, be it unto me according to Thy Word."

Oh precious Jesus, bless Your children, Father. May You bless them. May You make these things real that they can see, Lord, this great symbol, nothing like it to compare upon the face of the earth, the Bible, that the one that was raptured back there before the tribulation period, built it. Now they want to cap it, Father. The reason that it couldn't be capped all these years, that Stone was going to be rejected. But You were going to come to pick up that pyramid one day.

Then those, for them to get that stone and put it, they are trying to use some technology, something that they have got a hold of, Father, a power that could enable them to bring the completion to a work that stood there as a memorial.

Now that these things are being made known, the cover is taken off the Book, the Pyramid has been opened up like You showed in Junior Jackson's dream and that Mystery that Light never shone on, is made plain; has been revealed down through these years to us. And here in this never ending circle, the Prophet

said, "It just keeps on speaking, revealing Truth every time; more of it," Father. We thank You, Jesus.

We don't believe it is coincidence. It is just at the time when we are speaking of these things. It cannot be because we are that people on the face of the earth. Others around the world testify, Father, of the things that Your Holy Spirit has witnessed. Just like we were speaking here on Friday about Russia and Chile and the Philippines and Europe and different places, Father, Bread that they have eaten of, the Second-fold Mystery that passed in an Unknown Language.

Oh God, may it tender up our hearts. Make us more humble, Lord; more sincere. Help our insincerity. Bring us to a new consecration. How this should lead us into a deeper consecration. Consecrate us, oh God. Take away everything that is negative from us. We think of Your Prophet under that Seventh Seal, he said, "The Kingdom of God is coming from negative to positive." Oh God, look where It has reached to today, Father. Look where It has reached today.

As we get ready to change over, I pray, oh God, that You will dismiss those who will have to leave now. May You take them in peace and safety. As they go, dear God, let these things stay in their hearts and be with them. I feel sorry as a man, oh God, to hold many of them here this long and knowing many having respects, they will not want to get up and leave and go, but they will not disturb anything, Father.

Lord, we understand that some people fill up after ten minutes but oh God, because You gave these things and it is so timely and in relation to our experience, and it didn't come by planning to study this topic or this subject, but it is just You Who moved our brother, something he had since June 23<sup>rd</sup>, but You saw this was the time right here when we came to Melchizedek, the two orders of life, the temporal and the Eternal. Oh God, You chose it that it would open up further into these things, Father.

Dear God, go with them. As we have this little betrothal and dedication, may Your Holy Spirit be present and linger back, Lord, knowing that these have been patient, they have shown respects waiting for their turn to come to be ministered to in their personal things, Lord. Then under this great, prophetic Capstone inspiration, under the sounding of these seven voices unfolding this Mystery, may You bless them, Father.

May the desires in the hearts of Your children even now – those who see a closer walk, those who want to walk there like Enoch did, Father; those who want to have a testimony that they please You; those, dear God, who could be a faithful and true witness like Elijah; those like Abraham, oh God, who confess that they are a pilgrim and stranger and that here they have no continuing city, but seek one to come, may You give to them, Father, the things that they are desiring even now. With You nothing is impossible. Even now while we are in Your Presence, do it for them I pray, in the Name of Jesus Christ I ask it, Father, amen and amen.

God bless you. You may have your seat. Those who have to leave, it was nice having you. We have a little dedication and betrothal. I'll have the betrothal first – our precious...
