TVH EVANGELISTS SPEAK AT FULL GOSPEL BUSINESSMEN'S CONVENTION AT DENVER
BROther ROY STEWART GOES TO AMERICAN INDIANS

TVH has taken another step in launching campaigns to reach the unevangelized peoples of the world by co-sponsoring a campaign among the American Indians. While we have been sending missionaries to all parts of the world, we in America have sadly neglected the original inhabitants of America. Roy Stewart has taken his equipment to Tularosa, New Mexico to bring the message of deliverance to the tribes in that area. Our first report is that there has been a fine attendance. We believe that our readers will be pleased that TVH is co-sponsoring this campaign to reach our Indian friends with this message of deliverance. Pictures of the campaign will appear in an early issue of THE VOICE OF HEALING.

Due to unforeseen circumstances Rev. Harvey McAlister will not be going to Central America, as announced last month. Rev. Roy Stewart will go in his stead.

LESTER SUMRALL

We carry in this issue the record of two installments of a stirring account of Lester Sumrall’s building of a great church in Manila through the deliverance ministry. The story speaks for itself. For many years there was a small struggling work in Manila, which had to be almost entirely supported from the U. S. Yet within two years time, through the assistance of the ministries of Clifton Erickson and A. C. Valdez, Jr., a great church seating two thousand was built. The work at the present time is not only self-supporting but actually has sent out missionaries. We are happy to have the advice of Brother Sumrall in perfecting our plans for world evangelization.

THE VOICE OF HEALING POLICY IN WORLD EVANGELIZATION CRUSADES

We might mention again the policy of THE VOICE OF HEALING in connection with the overseas crusades. The plan involves the co-sponsoring of these faith ventures. We mean by that, that we do not send an evangelist to a certain field by appointment nor do we support regular missionaries which would be duplicating the work of existing missionary boards. This is an evangelistic effort. The evangelist gets the vision of the field and the call to go there on his own heart. He must prove that he has a ministry that will get the job done. When that becomes evident then TVH is ready to share responsibility in the project, financially and otherwise. Each evangelist, therefore, is encouraged to lean upon the arm of the Lord for his success. In that way the headship of Christ is maintained. Notwithstanding, since we are all members of one body, the responsibility and burden of world evangelization must be shared by all of us.

At the present time, plans are being developed by several of our evangelists for other missionary “invasions.” W. V. Grant has plans to go to South Africa. Clifton Erickson is preparing for South America, where God has already given him audiences up to 100,000 people. Bro. David Nunn has plans to also go soon to South America. Since all these campaigns are to be on an inter-evangelical basis, we invite leaders of various missionary organizations to correspond with us, so that all groups will be properly represented in each of these ventures.

THE PRAYER CRUSADE

In developing plans for these great crusades, we are not unaware of attacks made by the enemy to hinder this work. But this has been anticipated. We know that by faith and prayer Satan will be completely defeated. In this connection, we might say that God has laid upon our heart the writing of the book, “THE SECRET OF PRAYER THAT MOVES MOUNTAINS” which is now ready for delivery. We anticipate that this book will have a wide circulation. In nineteen chapters we have shown how ordinary men have become extraordinary, through certain secrets that they have learned in praying. We ask that everyone of our vast prayer band will secure a copy of this book, which is shown on the opposite page. A copy of this book will be sent free to all those who send an offering for our World Revival Crusade. We believe this book will be a great inspiration to all who want miracles to happen in their prayer life.

We also request that our prayer band will give special attention in their prayers to these campaigns which we have mentioned in this article.

THE PROPHETIC SIGNIFICANCE
OF THE MEETING OF THE BIG FOUR

By Gordon Lindsay

What is the prophetic significance of the meeting of the Big Four? (At the time of writing, this is about a month away.) We are told that its purpose is to find a way to put an end to the “cold war” and to bring about permanent world peace. For the first time in many years the Russian Bear is speaking peace. But is this change of tone a change of heart or is it a smoke screen, obscuring the sinister intentions of communism?

We believe that this recent development has a most prophetic significance, but instead of being an indication that world peace is at hand, it is only one more indication of the extreme urgency of the need for pressing world evangelism. Only if the Church moves forward with great energy and faith will it fulfill its obligations to the world. We are in a race against time! Which will happen first

- The beginning of atomic warfare.
- The coming of unrestricted atomic war which might depopulate the earth, or a revival which will evangelize the billion souls who have never heard the Gospel?

We want to call attention to the words of Jesus in Matt. 24:14-24 where He speaks of events of the end-time. A few months ago in a prophetic article, we referred to verse 14, where Jesus declared that this Gospel of the kingdom shall be preached as a witness unto all nations, then shall the end come. Let us notice the significance of the verses which follow verse 14:

“And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judaea flee into the mountains: Let him which is on the housetop not come down to take any thing out of his house: Neither let him which is in the field return back to take his clothes.

And woe unto them that are with child, and to them that give suck in those days!

But pray ye that your flight be not in winter, neither on the sabbath day:

For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.

And except those days should be shortened, there should be no flesh saved: but for the elect’s sake those days shall be shortened.

Then if any man shall say unto you, Lo, here is Christ, or there; believe it not.

For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.”

There is not space here to discuss in detail all the events outlined in these verses. Notice, however, that there are seven important things mentioned.

1. The Gospel must be preached to all nations before the end will come.
2. There will be a time of tribulation unprecedented in the history of the world.
3. Destruction is to be on such a scale that except the days be shortened, no flesh shall be saved.
4. Men will flee to the hills and the mountains to escape the horrors of the destruction.
5. False prophets and false Christs will arise.
6. An event will occur called the “abomination of desolation,” which will precipitate this world catastrophe.
7. The great tribulation will begin with events occurring in the province of Judea. (Where the city of Jerusalem is located.)

THE ABOMINATION OF DESOLATION

As mentioned above, this series of events is preceded by what the Bible calls “the abomination of desolation,” which event seems definitely linked with the inauguration of atomic warfare.

It is interesting to note the curious coincidence of the words, “When ye shall therefore see the A-Bomb (B)ination of desolation, then flee... Perhaps this is only a coincidence. Notwithstanding, the evidence points to this event as marking the beginning of atomic warfare.

For further light on the “abomination of desolation,” we may turn to Jesus’ reference to Daniel 9:27. Here the prophet speaks of this mysterious event. The prophecy declares, that it “overspreads” and produces a “desolation.” Is not this an allusion to the atomic bomb? Notice these points:

1. It brings in the great tribulation.
2. It has the power to destroy the population of the world.
3. It overspreads.
4. It produces a desolation.
5. The only safety is flight.

(For many years prophetic scholars have been divided over the so-called historical and futurist interpretation of prophecy. One school sees the fulfillment of prophecy in Daniel and Revelation in past history. The other sees it mainly fulfilled at the end of the age. Both schools undoubtedly are correct. Prophecy has a double fulfillment. This article deals with what is of the most interest to us—the present fulfillment.)

(Continued on page 17)
WE ARE living in the midst of a fear-stricken world. Psychologists tell us that modern man is suffering from fear. One out of every two hospital beds are occupied by mental patients and practically every one of them are there because of fear. One out of every ten people we see on the streets are qualified for the insane asylum. Last year in America there were approximately 50,000 different forms of insanity, and the majority of these cases were brought on by some type of fear.

Doctors have traced malignant diseases such as cancer, tumors, ulcers, and many other such ailments directly to fear. Many are the fears that affect people. Some are afraid of high places, others fear dogs, elevators, darkness, storms, poverty, sickness, and some do not know what they are afraid of; they are just afraid. Any of these fears affect and bring harm to the human body in one way or another.

Fear indeed has a tremendously damaging effect on both the soul and body. When this devil's disciple, called fear, sweeps over our soul we suddenly become aware of all sorts of strange sensations in our body. Medical science tells us that when fear presents itself to the mind, digestion stops, blood from the stomach rushes to the arms and legs, damaging acids are rapidly secreted for extra energy, the heart beats faster, pupils of the eyes dilate and muscles all over the body grow very tense. It is impossible for the human body to function properly when under the influence of fear. Not only does our body suffer from the effects of fear, but our mind is so affected that we cannot think properly. When frightened, our mind becomes frustrated, confused, bewildered, and there are inner conflicts. Is it any wonder that God's Word declares that "fear hath torment." (1 John 4:18.)

I would like to be a little more specific and discuss the fear that causes people to be sick and keeps them from healing. First, just what is fear? Webster says that fear is "to feel painfully uncertain, to doubt." Then to fear is to doubt. Doubt what? In this case it would be to doubt God's Word. If you do not doubt God's Word, then you do not have fear but instead you have faith. Right now you possess one of the two, either fear or faith. The two are opposites; they will not mix, just as darkness and light will not mix. Where faith is there is no fear. Where fear is there is no faith.

The Lord once said, "As your faith is, so be it unto you." It is equally true that as your fears are, so be it unto you. Collier's magazine recently carried an article on the destructive forces of fear which well illustrates this. It seems that a lady who was spending the night in a hotel was awakened by the smell of smoke. Frantically she leaped to her feet and pressed the light switch. The wires had been burned and the lights would not come on. This alarmed her all the more. Almost mad with fright, she rushed to her window, opened it, and plunged five stories down to her death - the thing that she feared came upon her. However, when the rescue squad reached her room, they found that not one thing had been damaged by fire.

There is a famous allegory in a child's old storybook that well points this out. An oriental ruler met the disease called Cholera riding a camel. "Where are you going?" he said to Cholera, "To Baghdad to kill twenty thou-

Denver Has Visitation of Divine Deliverance and Delightful Fellowship

By Jack T. Moore

Since its inception, THE VOICE OF HEALING has had a close spiritual tie with the Full Gospel Business Men's Fellowship. At the Toronto convention this year, our associates decided to be present at the business men's convention at Denver. Several of our evangelists were the night speakers.

A CROSS the vast plains and high mountains and wide oceans they come! The occasion? The 3rd Annual Convention of the Full Gospel Business Men's Fellowship! And that is not all—for just prior to the convention the directors of TVH met for a time of fellowship, preparing for the great task of world evangelism in this generation. Brother Clifton Erickson had been engaged by the Denver Chapter of the Business Men's Fellowship to hold a pre-convention revival that made Denver conscious of a mighty revival stirring.

Monday—June 20, 8:00 a.m. Hundreds are filing around the great tables at the Shirley-Savoy Hotel. The atmosphere seemed charged with the presence of the Lord. Every director and officer of the convention knows that nothing is cut and dried. The Holy Spirit is given the "headship." As breakfast is just about finished, we hear the voice of Clifford Ford, director of the Fellowship, giving a cordial welcome to all visitors and directors. He was followed by the chapter president, Brother Sala, who has proven his worth many times over. He added to what had already been stated. No one felt left out as the Spirit of the Lord blended hearts and souls together, for "God is moving by His Spirit, moving o'er the earth, signs and wonders when God moveth; move, Oh, Lord, in me." Never in all the centuries perhaps has such a wave of revelation and revival swept the earth. Even as we pen these lines our dear Brother Branham, Brother Gardner and Brother Arganbright are across the seas in Switzerland serving in great meetings where also Brother Billy Graham had meetings at the same time.

Evangelist Tommy Hicks of Argentine fame is now venturing with Christ behind the Iron Curtain. This proves that "the righteous is as bold as a lion." May his courage inspire countless others. Jack Coe, another great evangelist, cannot be present for the multitudes that press on him to hear his message night after night in Washington, D.C.

9:30 A.M. Director Jewel W. Rose (the Potato Man) as he is called since he is a large farmer in California, begins his testimony. It seems that the heavens come down. Soon everyone is lifted up by a tidal wave from another world. He is "logic on fire!"

We are reminded of the first New Testament preachers and what made them so mighty under God was just one thing—the Holy Ghost! On the day of Pentecost, they challenged the powers of hell and declared war on the devil, telling all Jerusalem that the High Court of Heaven had reversed their unanimous decision of the crucifixion of Jesus, proving that Christ had been resurrected from the grave; the astounding, and at the same time, the most indisputable fact of human history. Today we walk where apostles trod as we humbly give thanks to God for permitting us to be their successors. Time has not changed God's power or program—only increased it.

About noon the meeting comes to a close with a consecration prayer.

7:30 P.M. Mammoth Gardens. Thousands are gathered. We were a little late and had to do the best we could for seats. Demos Shakarian, President of C.B.M., has charge of platform. This man is a successful business man of Downey, Calif., with so much of the Lord in his life until he is as fragrant as a flower with meekness and humility.

The speaker of the evening, Brother Gardner, an evangelist second to none, poured out his heart to a thirsting audience. This message is on "Mighty Bible Deliverance." The great audience is stirred. Many souls surrender to the Lord. The sick are prayed for and many are touched by the Great Physician.

Tuesday: 8:00 A.M. Crowds have increased until room is at a premium. The testimonies of Spirit-touched laymen move people. Every one either exhorts, prophecies or testifies. The world's largest plow manufacturer, called the "Plow Man," Brother Henry Krause is greatly used of the Lord in prophecy and discerning the mind of the Spirit, helping to guide the services. Time vanishes in the presence of the Lord. "A thousand years is as but yesterday," said David. Again the clock registers 12 noon.

7:30 P.M. Mammoth Gardens. The speaker was Rev. Ev. Boatwright of Brazil fame, having had audiences estimated at 100,000 persons on several missions to South America. The theme of the message was "Power Over Evil Spirits," and at the close many scores came for deliverance. His faith was challenging.

Wednesday: 8:00 A.M. Crowds are overflowing as the spiritual fervor rises higher and higher. Fellowship is everywhere. No one is concerned about forms, (Continued on page 18)
DEFEAT IN CAR LIGHTS REMEDIED IN ANSWER TO PRAYER

A few years ago, while on an evangelistic tour in Eastern Canada, I was traveling in my car from Trenton to Oshawa, Ontario. As I approached the city I stopped at a gas station to get information, and the address of my friend. The attendant, however, was unable to help me. It was now evening, and as I started the car I turned on the lights, but to my dismay I found that they would not stay on. There was a click, and the lights went out. Then they lit up for a moment and went out again. This continued for possibly ten or fifteen minutes. There was no mechanic or anyone on hand who could help me in my predicament. I then began to look to the Lord for help in my trouble.

I started the car again and put on the lights, this time the lights stayed on. However, the same quiet voice repeated again: "Go and see!" So I dropped the tract and hastened outdoors.

I looked and called for Wayne but no response. By now my anxiety for his safety increased. Finally, I stood in front of a small granary, a short distance from the house. As I stood there, my gaze was drawn to a small body, seemingly afloat and upheld by the mighty power of God, in the waters of the creek.

Realizing that I had to act quickly, and being without any assistance, between sobs and tears, I called: "O God, help me!" Then, I ran down the hill and over the dam until I reached the two wooden gates along the west side of the creek and a short piece north of the dam. From here I walked into the creek.

Then I stepped out deeper into the water and as I drew near Wayne, I could see his whole body covered with water and afloat, only his small nose protruding above the surface. I actually thought him dead.

Quickly, I grasped his nearest hand with my left hand. Then, with an upward jerk, I lifted the boy free of the water. As soon as this was accomplished, Wayne began to cry while I carried him into the house.

My husband and I can truly say: "Thank you Lord!" for saving our boy from the waters of the creek. There is nothing too hard for our God and we know that our Heavenly Father watches over His own.

Last June 29, 1954, Wayne accepted Jesus into his heart and life. So we are very grateful indeed to our marvelous Lord Jesus.

HOW GOD SHOWED ME WORLD EVANGELIZATION
MUST BE BY
HEALING AND MIRACLES

This is the second and last of two installments of the
thrilling story told by Lester Sumrall of how God helped
him build the great work in the Philippines through the
ministry of deliverance. We are happy that VOICE OF
HEALING evangelists were able to work with him on this
great faith venture. Brother Sumrall is now giving us the
benefit of his great experience in launching the new
phase of our missionary program.

A FEW months after this, God
did the next miracle. There
was a girl in the City Jail — a poor
little girl who had been a harlot
since she was 12 years old and
now was 17. She was picked up
for vagrancy off the streets after
midnight. After being in jail for
days, an unseen monster, seen
only by her, began to bite her
body on the side of her neck, un-
derneath her arms, and on her
hands. The entire medical profes-
sion of the Philippines became in-
terested. And everybody else in
the nation became interested. The
scientists went into the jail to see
what they could do and they did
everything possible for her. Even a spiritualist group came in
and tried to exorcise this thing that was tormenting her. This
weird story not only hit the front pages of the press in the
Philippines, but the front pages of the newspapers of the world.
After this had gone on for many days, I heard through a radio
broadcast the girl speak and scream for help. I began to weep
for her. I went most of the night walking back and forth in my
living room, praying for this person whom I had never seen, but
who was being tormented by devils in the City Jail, which is called
Bilibid Prison. Finally, the Lord spoke to me and said,
"If you will go and pray for her, I will deliver her." But I was
afraid to go. Everyone's picture was in the newspapers who had
tried to help her. The newsmen were writing all kinds of funny
stories about the ones who went in there, ridiculing them, even
ridiculing the doctors and poking fun at the major who went
out to see her. I was afraid to go. But I couldn't pray in sincerity
any more, for when I did, God would say, "But you can't be sincere.
I told you to go and that I would heal the girl and you refuse
to go." Finally, I promised God I would go. The next day, I
saw the Mayor of Manila and he told me that I could pray for
the girl. After fasting and prayer, I did pray for her and God
delivered her instantly from the powers of the devil. She was
not bitten any more. She later went up before the judge and
gave a clear testimony to the whole world that the Americans
had prayed for her and that she had not been bitten by these
devils since.

The healing of this girl put our picture on the front pages
of the newspapers and magazines of the nation. Our face be-
came familiar to thousands of families. If I had had a building
at that time seating 5,000, no doubt it would have been filled
with people. This miracle gave us the heart of the Mayor of
the City and of many other influential people. For this, we do
sincerely thank God.

All this time we were building Bethel Temple, a beautiful
church made of steel and concrete, within two blocks of the
Congress buildings. It is the heart of downtown Manila, facing
an intersection where six streets meet. Right across the street
is the Red Cross Building. Next to Bethel Temple is the NBI
Building, which is the same as the FBI of our country, called
the National Bureau of Investigation. Directly around the
corner from the NBI building is the Supreme Court of the
nation. God gave us possibly the finest location in the nation
for a place of worship.

Several other miracles took place about this time. One was
that Brother Oral Roberts gave us his film, "Adventure Into
Faith," a projector, screen, the entire equipment, even extra
bulbs if anything happened to the machine. It was the most
complete equipment I had ever seen for showing gospel films.
After the healing of this girl in jail, the superintendent of the
Methodist Church in the Manila area came to my room and
asked me if I would do a film to show this film of Brother Oral
Roberts. Literally thousands of people came out to these meet-
ings in all the different churches and most of them were sinners
and not just Methodists. God began to heal the people. Brother
Candelaria stated on one occasion that 99 per cent of the deaf
people who were being prayed for were being healed. We were
amazed at what God did. It just happens that I had tuberculosis
when I was a boy and that's what God healed me of when I
promised Him I would preach the gospel in Panama City,
Florida. So when I would show the film and give my personal
testimony of the healing of tuberculosis, it seemed like God
specialized in healing people of tuberculosis; it was simply out
of this world to see the number of healings that God performed
by His power.

We were asked to show this film in many amazing places.
There was a millionaire having a birthday dinner and he invited
us to show this film which was the only entertainment provided
at the dinner. All the people there were wealthy. It made a tre-
mendous impression upon them. And at that dinner I met Mr.
Go, who owns the largest Chinese newspaper in the Philippines.
He had a daughter who had not eaten a meal in four months
because of a devil which had gotten into her. He invited me
to come and show this film to all of the workers in his news-
paper plant. Then afterward he asked me to come and pray

REMEMBER: THAT SICKNESS IS A CURSE

(Continued)

SOME ARGUE THAT IF HEALING IS IN THE ATONEMENT, CHRISTIANS WOULD NOT BE SICK.

GOD SAYS, “ACCORDING TO YOUR FAITH BE IT UNTO YOU.”

Everything we have comes through the atonement, but it must be appropriated by faith. Through the atonement, Jesus purchased deliverance from Satanic oppression, the Holy Ghost baptism, and power to go to sleep in Jesus without the horrors of death (Heb. 2:9; Acts 1:8). But who would dare say that one is not a Christian because he doesn’t have faith after conversion (Eph. 1:13)? No one would brand a man a sinner just because he did not have enough faith to overcome the sting of death. James says a Christian may be sick with or without sin (James 5:14, 15). Paul says there are sick Christians, and some die before their time because they do not discern the Lord’s body which was striped for our healing.

Gave gave Joshua a certain amount of ground for his inheritance, telling him he could have all he put his foot upon. We see that he did not take possession of all his inheritance; the heir does not always claim his inheritance.

SOME ARGUE THAT SATAN DID NOT MAKE THEM SICK.

Jesus cast out the spirits with His Word and healed all that were sick. There is a vast difference in devil-oppression and devil-possession. Jesus was oppressed of the Devil for us (Isa. 53:7); the children of Israel were oppressed (Ex. 3:9). Sickness is oppression of Satan.

Get rid of your spiritual pride; discern the spirits and call them by name and you can cast them out with the anointing of the Holy Ghost through the Name of Jesus. Jesus gives you power over ALL the power of the Devil (Luke 10:19). You are the temple of the Holy Ghost; take possession for God!

SOME ARGUE THAT A MERCIFUL GOD SHOULD NOT PERMIT SICKNESS.

GOD SAYS THAT WE HAVE OUR CHOICE (Deut. 28).

If God robbed us of our power to choose between good and evil, we would be machines and no men. Man’s choosing to fall brought on sin and sickness; yet, God provided His Son as a remedy. After man chooses sin and sickness, God is merciful to bring salvation and healing (Isa. 53:5). Mercy is healing; healing is mercy (Matt. 15:22). His mercy endures to all generations (Ps. 138).

After you are saved or healed, you have your choice to accept the enemy back or to resist him (Matt. 12:44; James 4:7). God does not keep you against your will; He only promises to keep what we commit into His hand (II Tim. 1:12). Commit your body and way to Him.
how I was healed in your meetings January 28, 1949. I was afflicted with hernia in my stomach. The rupture was clear around the tube just where it enters the stomach, also another rupture (hernia) had told me that they could do nothing really a sick person for several years. I couldn't reach up in the upper part of the stomach. I was in my stomach. The rupture was clear.

I placed it on my broken back and I was healed completely. Today, I am taking the healing ministry everywhere and the Lord is walking with me every place. I go. Sufferers are healed and blessed.

This photograph was taken in the city of Nairobi and the Lord Jesus did a wonderful job in that campaign. Hundreds came to hear the gospel of Jesus and many, many of them came to Christ for salvation and many were healed. Your brother in Him, E. Kigata P. O. Box 2 Rongai Kenya Colony, East Africa

**Dear Brother Lindsay:**

I am going to give you a testimony which I should have sent in years ago, how I was healed in your meetings January 28, 1949. I was afflicted with hernia in my stomach. The rupture was clear around the tube just where it enters the stomach, also another rupture (hernia) in the upper part of the stomach. I was really a sick person for several years. I couldn't reach up or stoop over without bringing on a sick spell. X-rays showed the hernia. I went into the healing line to have Bro. Freeman pray for me. But Bro. Freeman closed the line or rather stopped praying for them before he reached me. The next day we went to the afternoon meeting and Bro. Gordon Lindsay prayed for the sick that day, I got the healing for my stomach! The doctors had told me that they could do nothing for me, only keep me from having too much pain by giving me seditives. I have been very thankful to you folks and to the Lord for healing me. Even if I didn't get my testimony over to you, I have testified many times to folks here.

August H. Niemann
Los Angeles, California

**Dear Brother Gordon Lindsay:**

I praise the Lord Jesus of Nazareth. You sent a handkerchief to me in 1951. I placed it on my broken back and I was healed completely. Today, I am taking the healing ministry everywhere and the Lord is walking with me every place.
FOR the first time in modern church history, a Crusade is in full operation making a way for Native Preachers to be Missionaries.

In our travels around the world, we have never heard a missionary preach “Missions” to the natives; no doubt this is being, and has been done, but we have never heard it. Actually the Native Preachers make the choice missionaries to the un-reached peoples of the world because of their adaptability to the customs, languages, foods and living conditions of these millions which are so strenuous to the foreigner. (This does not mean that we no longer need foreign missionaries; we must have them, but we must also have NATIVE MISSIONARIES.)

One billion, four hundred million souls were represented at the recent “Asian-African Conference” at BANDUNG, Java, Indonesia. These are the un-evangelized peoples whose governments are exerting every effort to shut out foreign missionary work.

At such a crisis hour when “the harvest of the earth is ripe,” this Crusade for Native Evangelism has been from God to provide a way for our less-privileged native brethren of other lands to launch our full-time missionaries to take the Gospel to the millions yet un-reached.

Here is an opportunity to invest in real pioneer Native Missionary Work and have your own substitute preaching the Gospel to heathen villages even though you may never go yourself. Many individuals, churches, businesses, or groups are fully sponsoring from one to six or eight full-time native missionaries as their substitutes.

Above is shown our African Brother—squatting beside a pile of stolen goods handed in during a recent revival where he has been opening up a new work. Note the daggers in the front which were returned by young gangsters who came to Christ.

The next photo shows some of 69 African converts lining up to be baptized by this brother in one baptismal service.

Happened in many cases but the space on this page does not permit us to tell but a fraction of the details.

Shown above on his motor-cycle is Brother whom we accepted for assistance and introduced to TVH readers some time ago. He has been doing evangelistic work among some 300,000 people from over 40 different tribes who gather to labour in the Gold Mining area which stretches over 80 miles. He deals with a moving population since the men are recruited from their villages for about 18 months, then they go home for a period of rest and return again. Thus it provides one of the most fruitful places for spreading the Gospel to over 10 tribes.

Shown below him is a group of 20 young converts recently baptized. These are from Portuguese East Africa, that dark Catholic-bounded country where so much persecution is being waged against those who accept Christ. These young men were converted in the mines while employed, and most of them will carry the Gospel back to their country. During their work at the mines, they are taught to tithe, half of which is sent to help the persecuted pastors of their home-land.

While they cannot build churches in the mines, they are expecting to have three localities where they can gather for services. The supervisor reports that this brother has steadily five or six, and up to sixteen converts every time he preaches.

I SAW THE BOOK OF ACTS UNDER THE A. A. ALLEN CAMPAIGN

No. 3 — A Typical Altar Call Where Many Were Saved and Filled

BY REV. H. M. HARRISON
Pastor Bible Revival Center
(Assembly of God)

MULTITUDES SAVED AND FILLED

We are now in the last week of the A. A. ALLEN Campaign here in Durham, N. C. Night after night we have seen the book of Acts in action as great numbers were actually BORN AGAIN and filled with the Spirit (see picture No. 3) in the tremendous altar calls.

BLIND EYES SEE

A mother brought her boy who was blind in one eye (see picture No. 1). An eye specialist previously had told the parents that the boy would never see from that eye. This boy, who was 11 years old, had been blind since about two. After Brother Allen prayed for the boy he proved he could read perfectly from the eye that had been blind as he carefully covered the one eye he had been able to read with before. Both parents returned, giving God praise for the great miracle, declaring his sight is perfect!

TUMOR DISAPPEARS

A woman came with a large visible tumor on her shoulder as large as a half-gallon container. Immediately after Brother Allen prayed for her it was evident that the tumor had begun to diminish as a large cavity appeared. A week later she reappeared in the meeting, testifying it was very small now and almost gone. (See picture No. 2.)

POLIO VICTIM REMOVES BRACE

Bound by polio, this young lady (see picture No. 6) removes her brace before the congregation and walks away.

WHEEL CHAIRS EMPTIED

During the preaching one night as the Spirit of the Lord was mightily manifest, Brother Allen pointed to a young man who had lived for 18 years (all his life) in a wheel chair, and said, “In the name of Jesus I command you to get out of that wheel chair and walk.” Instantly the man stepped out of the chair and began walking down the aisle without any assistance and walked upon the platform ramp praising God! The congregation went out of control. This young man had been confined to this chair for 18 years.

For months the healings and miracles under the Nation on the “ALLEN REVIVAL HOUR” and demands and designated offering have been televised so that the multitudes can SEE as well. R. E. Kemery, a top notch TV cameraman and for the Moody Inst. of Science, has recently been away and equipment is being purchased to record and see on your TV sets. Watch the TVH for future schedule, write “Allen Revival Hour,” Box 8.
He had had six operations but said doctors could do him no good. Testifying later, the man, only about four feet tall (see picture 4), said, "When Brother Allen commanded me to walk, something just went all over me and just made me get up and before I hardly knew what was happening I was walking. All I want to do now is JUST WALK! This same man again and again has come into the meetings walking.

DEMON POSSESSED GIRL DELIVERED

A father brought his demon possessed daughter in the meeting. She had had some treatment in the state hospital for the insane. Throughout the service the woman disturbed the service even though she was in the rear invalid section. All knew this was demon possession as she was loudly speaking in four different tones of voice as though four different people were actually talking. A week later she returned looking and acting different and quiet throughout the service. She carried on an intelligent conversation with Brother Allen. The father was rejoicing as this was the first time in so long since she had been able to talk and be free from the demons that continually talked through her.

STRETCHERS EMPTIED

Many got up from stretchers but one case in particular I want to relate. A man 89 years old was brought in by ambulance but the ambulance went away empty. I had previously visited him in the Watts Hospital. Doctors insisted on amputating one of his legs as it was full of blood clots and as black as could be. It was dead. The wife would not permit it but brought him to the campaign instead. Allen had him wheeled up on the ramp as the power of the Lord was mightily present to heal the sick. He was healed instantly and got up and walked off the platform ramp. He has returned to the meeting walking normally. The wife testifies, "The doctors say the circulation in the leg is normal and that he is well and needs no more medicine."

- APPROVES MINISTRY

We highly approve the Allen ministry and say it is exactly what our churches need everywhere. Although we dismissed all services in our church except on Sunday morning, our finances in the church reached a new high which proves that churches do not suffer financially by cooperating in God's program. We are doubling the size of our present worship building so it will seat 1,000. We are looking forward to the time when the Allen party can return.

REPORT OF THE ERICKSON CAMPAIGN IN TALLAHASSEE

The City of Tallahassee and district has been blessed with a Divine visitation during the last few weeks. The Clifton Erickson Revival has been one of the most wonderful revivals that this city has ever witnessed. From the very first night, the power of God has been in evidence. Hundreds of souls have passed from death unto life, and miracles of healing have been attested and confirmed in a remarkable manner. Growth has instantly disappeared. People who have been afflicted for years have suddenly completely gone and I have suffered no more. I am completely healed!

THE CHAIRMAN'S REPORT

By Paul S. Shoemaker, Chairman Pentecostal Fellowship of Tallahassee

On the night of May 13, the Lord opened the windows of Heaven and began pouring out His blessings in a mighty way as the Clifton Erickson Revival Campaign got under way in the large tent cathedral located on the fair grounds. We had been praying and preparing for this meeting for several weeks. Our hearts were thrilled as we heard the reports of Brother Erickson’s campaigns in other places and we were eagerly anticipating a mighty outpouring of God’s power and blessings in the Tallahassee campaign.

As the meeting began to progress, we began to witness the moving of the Holy Ghost in a marvelous way. Souls were being saved and delivered from sinful habits and being filled with the Holy Ghost. Miraculous healings began to take place in our midst and before our very eyes. I had different ones say to me, that they saw more visible miracles take place in Brother Erickson’s campaign than any other meeting they had attended. Night after night, outstanding miracles took place as Brother Erickson prayed for the sick and afflicted. Blinded eyes were opened, deaf ears were made to hear, the crippled were healed and cancers and other marvelous healings took place.

I was greatly impressed by the humility and sincerity that Brother Erickson manifested as he preached the Word of God and ministered to the sick. He certainly put his heart and soul into the services night after night. The entire Erickson Party were so faithful in doing their part to make the campaign a great success. Many are still rejoicing and praising God for the blessings received during this campaign. I would be happy for the opportunity of working with Brother Erickson in another campaign. Many are still rejoicing and praising God for the blessings received during this campaign. I would be happy for the opportunity of working with Brother Erickson in another campaign. May God’s richest blessings be upon the Erickson Revivals wherever they are conducted.

GROWTH VANISHES

I had a growth protruding under my right breast. It began about the size of a man’s thumb tip. I had it about 3 months and it had grown to be about the size of a tea cup. It pained and burned like fire. At times it felt as if I had thorns sticking me in that region.

I attended the Erickson meeting on the second night of the campaign. He said he would pray for everyone in the audience that was afflicted. I raised my hands and began to pray. I put my hand on the growth and it seemed to swell. Then it softened up and disappeared under my hand. I couldn’t believe I had been healed even though I felt the thing go. I praise God for His healing power. All pain is completely gone and I have suffered no more. I am completely healed!

J. E. Benbry Tallahassee, Florida

HEALED OF CANCER

I thank the Lord for what He has done for me. I was lost in sin although I had been a church member for eight years. It was in 1938 when hit by a truck. Doctors said that from the awful bruise I received in the accident, it had turned to cancer. When Bro. Clifton Erickson prayed for me, God’s power went through me, and thank God I am healed. I am so thankful God sent Bro. Erickson to our city.

Mrs. A. E. Spies Tallahassee, Florida

CANCER CURED

I had been sick for a long time with cancer. The doctors gave me dope to deaden the pain. I was in the hospital in Thomasville for many X-rays but the doctors could not help me. I went to the Clifton Erickson Campaign, as I was

PASTOR'S REPORT

By T. C. Burkett, Associate Pastor
Dallas Revival Center

SUNDAY night, June 19, marked the close of a great deliverance campaign with Evangelist Sam Todd and party from Newnan, Georgia. Brother Todd is a man mightily used of God in this great deliverance message. He has a great compassion for this lost, suffering, sin-sick, diseased world and spends his life in prayer and study so that he may be a greater blessing to humanity.

In spite of the adverse weather conditions throughout most of the campaign good crowds gathered each night to hear the anointed messages of Brother Todd. I have never heard greater preaching. Many were saved and a number filled with the spirit.

A number of healings took place. One lady who had been deaf for many years and because of a paralytic stroke was paralyzed in her right arm. After prayer God instantly restored her hearing; the arm was loosed and she went about shouting and praising God.

One night God revealed to Brother Todd that a lady was present in his congregation who was contemplating suicide and that she would be saved and healed of a broken heart if she would come forward and surrender her life to God. This she did and went away rejoicing in Jesus.

The night before the meeting closed a little five-year-old boy had his hearing restored who had been deaf all his life. I watched a mother bring her little girl who was dumb and after Brother Todd prayed for her she could repeat words and went away talking to her mother that Jesus had healed her.

The last night of the meeting the congregation voted, I believe unanimously, to have Brother Todd come back at some later date.

CHILD WHO NEVER TALKED — HEALED

My daughter, Virginia Gonzales, age 9, was declared to be beyond the aid of medical science by three doctors. She had never talked in her life! After Brother Todd prayed for her in the Dallas revival she began to talk and has been talking ever since.

SOUTHERN OREGON STIRRED under the sign-gift ministry of...

Here in the city of Grants Pass, Oregon, with another outpouring of the Spirit, God is doing a tremendous work in all of our hearts and lives. This meeting will soon be in its fourth week of power and glory. Rev. Hall and Congregation have a tabernacle here in Grants Pass which will hold 3,000 people. God is setting people free from disease, sickness, sin, bondages, habits and condemnation into the glorious liberty that God has for His children. Brother Herald has a ministry, given only by God, for which he gives all praise and honor to Christ for the special anointing of the laying on of hands where people are slain by the power of God and arise being made perfectly whole. He has a world vision and is a missionary evangelist at heart. To God goes all the praise for what He has done for us here in Southern Oregon through the ministry of His humble servant, Bob Herald.

A MIRACLE WROUGHT BY GOD'S POWER

I was born with my hips out of place and as a little girl my mother could not get my clothes to hang straight on me. When Brother Bob Herald prayed for me, one night, for a very bad headache, I did not know that right then a miracle was taking place in my body. I did not know that God had straightened my hips until two days later. I also had a very bad case of nerves which made me want to eat all the time.

And now, praise God, after 25 years my hips are straight and I no longer want to eat all the time. I thank God for this miracle.

SUFFERED SEVEN YEARS — HEALED

For about seven years, I had aches in the back of my head, and my leg would become numb. I had difficulty in swallowing my food and also had pyorrhea of the gums.

Brother Bob Herald prayed for me and God's prayer moved on my body and I was instantly healed.

MEETING OF THE BIG FOUR
(Continued from Page 4)

THE BROKEN COVENANT
What we have said thus far is to help us understand the significance of the present move on Russia's part for peace. Russia has kept the world in a turmoil for years. She has one by one gobbled up the nations about her and made them Communist satellites. She has spent billions of dollars for the purpose of inciting world revolution. Now after breaking every solemn promise, she has begun a peace propaganda campaign, and is coming to the Big Four meeting for the purpose of further spreading this propaganda. What will be the outcome? Will the democratic nations be taken in by these honeyed words, and some kind of an atomic agreement be reached?

In her propaganda for world peace, Russia is once more the victim of the atomic bomb. The other nations, of course, are wary that Russia would keep her part of any agreement of this nature. Would it not be that after the United States has destroyed the atomic bomb, Russia by trickery would retain hers, and at an evil moment attack America with an atomic Pearl Harbor? Yet despite this possibility, it is recognized by most leaders, there is a feeling that something must be done to halt the atomic race.

Because of the world's fear of atomic destruction, the trend of events is definitely toward some kind of a world "covenant" or agreement outlawing the use of the atomic bomb. The meeting of the Big Four is the first step in this direction. Vice-President Nixon has said that this meeting of the Big Four is "the world's last hope to avoid catastrophic war." Our government is extremely dubious about Russia keeping any promise, yet they see no alternative but to try and work out some agreement with the Communists for the outlawry of atomic warfare.

The prophecy of Daniel 9:27 speaks of a treaty or "covenant" made by the beast power, when at a later time it breaks. That sooner or later there will be some kind of a world agreement for the outlawry of the atomic bomb seems indicated by prophetic signification of the prophecies. History repeats itself. The world may well remember Adolph Hitler made non-aggression "covenants" or treaties with the nations surrounding Germany. Then when the moment was propitious, he broke his promises and one by one violated his "covenants" on his unsuspecting victims. The communists today have been following the same policy. By the present peace propaganda, they hope to lull the democratic nations into a false sense of security, and then at a time chosen by itself bring devastation and ruin upon those it has deceived.

Matt. 24:15 indicates that a "Pearl Harbor" will be visited upon Jerusalem and the surrounding area. What compelling reason will cause Russia to attack the Near East? The answer is that war machines must run on oil. The greatest oil field in the world is in the Near East. Only a few hundred oil wells are producing in that area, yet they are supplying an equivalent amount of oil of the entire 150,000 oil wells in the U. S. This tremendous need is known. In case of war, Russia will certainly attempt to get control of these oil fields. She will then be in a position to effectively wage war against the non-communist nations.

Prophecy declares that the world at the end-time shall be involved in wars and rumors of wars. It also indicates that these wars will be followed by a deceptive peace. Paul speaks of this in 1 Thes. 5:3:

"For when they shall say, Peace and safety; then sudden destruction cometh upon them, as a woman with child; and they shall not escape."

The Bible tells us that the Christian is not to be in ignorance of these events. They were not to be in darkness that day of overthrown as a thief. They are not to be lelled into false security. America should join in no "covenant" with communism. There is a "covenant" spoken by prophecy as a "covenant" of death. The results of this "covenant" is revealed in Isa. 28:15-18. Though this prophecy specifically refers to Israel, it will also be true of any nation that puts her trust in the promises of Russia.

"Because ye have said, We have made a covenant with death, and with hell are we at agreement, when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves:" Therefore thus saith the Lord God, Behold I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste.

Judgement also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place.

And your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it."

TIME RUNNING OUT FOR THE PREACHING OF THE GOSPEL
This takes us back to verse 14 of Matt. 24, the verse that precedes Jesus' discussion of the Great Tribulation. There He tells us that this Gospel of the kingdom must be preached as a witness unto all nations before the end comes. Therefore, the Church must not further delay in its efforts to accomplish world evangelization. What it does it must do quickly.

We ask the readers of THE VOICE OF HEALING to continue to help us in this great crusade to assist the Church to get the Gospel to a thousand million souls. Again we repeat that no one group can accomplish this great work. It will require the whole Church. We are glad to be able to say that THE VOICE OF HEALING evangelists have, during the past seven years, led the way in mass revivals in foreign lands. Through the ministry of miracles, literally millions of people are hearing and accepting the Gospel. We now ask our readers to join us at revivals in this great crusade to get this message to the multitudes yet untouched. We ask our great prayer band to join us in united power for the success of this "missions" as it is predestined.”

The United prayer by the whole Church will avail against the powers of darkness. Again we ask you to help us by giving regularly to this great cause. We must get the Gospel of the kingdom to all nations before the end will come. There must be revival if there is to be survival. We are all in this together. As sinister events of the prophetic sphere are being unfolded, let us move forward in this great effort that Christ has commissioned us to fulfill. God grant that each of us may someday hear the words of the Master, "Well done thou good and faithful servant."

THE CONQUEST OF FEAR

sand." Later on the ruler met Cholera returning. "You liar," said the ruler, "you killed a hundred thousand." "Oh no," said Cholera, "I killed twenty thousand; it was fear who killed the rest." It is true that just as you can live a victorious, happy and healthy life by faith, you can live a life of defeat, sorrow, and sickness by allowing your fears to dominate you.

I think of a dear lady who allowed fear to dominate her life until she became afflicted with an internal cancer. I invited her husband to bring her out to our services to be prayed for, but he explained that he was unable to do so because of his fear that she could not sit through the services. He loved his wife and felt sorry for her. He told me with a tearful heart, "My wife has always been afraid that she would get cancer and now at last she has it just as she feared." I encouraged this man and gave him a copy of The Voice of Healing magazine. As they read it their faith was built up and they did come out. She was prayed for and believed God for her healing. This lady had received treatment from several points for cancer and her family insisted that she submit to a thorough laboratory examination. This she did and it was confirmed that she was cancer-free. She was prayed for that she had no cancer.

This person was set free from her sickness because she stopped being afraid and began to believe.

Do you possess such fears today? You did not get them from God. "For God hath not given us the spirit of fear; but of power, of love, and of a sound mind." (2 Timothy 1:7.) You can be delivered from that sickness today, friend. Have faith instead of fear. Faith is nothing more than believing God's Word and acting on it. God's Word says, "By

THE VOICE OF HEALING  o  August, 1955  17
His stripes ye are healed,” then you are healed. Believe God's promise, not your fears and you will be delivered this very minute.

HOW GOD SHOWED ME WORLD EVANGELIZATION MUST BE BY HEALING AND MIRACLES

(Continued from Page 8)

for his daughter and God did a miracle that was just as great as the one with Clarita in the City Jail. Instantly that girl was healed and ate a meal while I was still in the house. She had been kept alive by American, Chinese and Philippine doctors by intra-venous feeding, by hypodermics and different things. She was talking and talking of God's mighty

walk if they were healed. He'd pray for them all at one time. Then he'd have them stand one at a time. Sometimes there would be five or ten crutches thrown down at one time as the cripples would stand and he'd demand them to walk if they were healed. He'd pray for all those that were deaf or blind at one time. Everyday we asked for anyone diseased, there would be many of them who would stand — hundreds of them — and then God would sweep over that place with mighty miracle power.

To make a long story short, at the end of that meeting I then knew how to count the people much less get the attendance rangcd from the be-

sionary work.

By the time the revival was over, we had four services on a Sunday morning. At 7:30 a.m., we had the meeting at Alcino, at 8:30 a.m. in Tagalog, and after those two services, we had Sunday school in four or five different languages. We had a Chinese class, English, Tagalog, Ilocano and some other dialects of the Philippines. We did this in order that everybody could hear the Bible discussed in his native tongue. Almost all of the people can understand some English, but in their native tongue, they have a greater appreciation for what God has organized our Sunday school in all of these languages in order that everybody could hear in his native tongue the wonderful things of our God.

That made a total of four meetings we conducted on a Sunday morning. On Sunday evening, we had our Youth Service at 5:30 and then our general evangelistic service which was in two languages, English and Tagalog. I would do the preaching and Brother Candelaria would interpret in Tagalog. That would make six services on a Sunday. Tremendous crowds came and they are still coming today.

This full story has never been in print, but God spoke to my heart before the building was dedicated and said, “Son, if you will leave the Philippine Islands and go and do another work for Me, I will get the glory for this, but if you remain here, people will say, 'Is Brother Sumrall wonderful?' Look at the works he has done. If you leave and I sustain this work by My power and with those who will work with Me, here they will say, 'Look what God has done.'”

And so friends, within one month after we dedicated that magnificent building we had a crowd that looked like a cathedral, with the ceiling 40 feet high on the inside, lighted with floodlights that came out of the ceiling, flooding the walls, we left that beautiful place within thirty days after we completed it. Some people might think that was easy. It was one of the most difficult decisions we ever made, but for Jesus sake, that God could have the glory. This proved to be the right thing to do because when Brother Reb took over, his very first meetings were tremendous. God saved and healed people, and filled them with the Holy Spirit. Recently, Brother Byrd from Atlanta, Georgia, came and God sent a mighty in-filling of the Holy Ghost upon hundreds and hundreds and so the work has been continued, and has become firmly established and is certainly spreading everywhere, because we believe it to be the Apostolic Way of doing missionary work.

This is the first time this has even been told in its completeness like this for the world. I give it to you with tears running down my cheeks in my office in South Bend, Indiana, over my dictaphone.

divisions, and separations. All is centered around one Personality, even Jesus, the Founder and Builder of this vast building called the Church. "Fifty framed together" has meaning here.

Thursday: Again as on other days, the morning service is greatly blessed. Layman on fire began telling of the Lord's doing—how He not only saves, and heals, but also prospers. This is challenging for
everyone is inclined to desire prosperity, and "There is no secret what God can do." Here a man who a few months ago was bound by fetters, astray from the Lord, having trouble making ends meet. He turns from sin and calls on the Name of the Lord, is changed and began anew. He received a new name—sings a new song, even praises the Lord, drinks the new wine of the Spirit, and speaks with New tongues. Truly we are a "new" creation, under the new covenant on our way to a new Jerusalem in a new heaven and a new earth where all things are made new.

In Revelation 21, we find that "he that overcometh shall inherit all things." "I will be his God and he shall be my son." Here we see the crowning act of the ages when the Sonship is fully restored and the eternal Fatherhood of God, established world without end. Nothing more could ever be needed forever, Amen!

- the right side of my nose. After eight months of treatment it got worse and began to smell. I got to avoiding anyone who might see it, it smelled so terrible. Finally, a friend and said, "Go to a Pentecostal Assembly and get that thing healed." After thinking about it a while, I decided to come out of hiding and let the dear Lord heal it. This happened at Bethel Temple.

- The Young folks were having a series of prayer meetings at that time. When they came to the part of unspoken requests, I stood up, raised my hand and said, "A very urgent unspoken request, please." First night, nothing seemingly happened. Second night the same, but the third night as I stood there (no one was within twenty feet of me) I felt some-
ting touch that cancer. It began to turn round and round like a screw being taken out, till it snapped loose from the bone and rested on top of my nose. I then opened my eyes to see what was going on. There lay the cancer on my nose. The leader said, "Did you want to say something, Brother?" I said, "Yes, come, see quickly what the good Lord did while all of you prayed for me." When I said that, the whole group hit the floor and began to cry and thank God with praise and adora-
tion. I draped off the building and ran home to tell the good news. Oh, how I still praise and adore Him for this great miracle.

SO GOES NATIVE EVANGELISM! It would startle the world if we could re-

aries who now look to us for assistance. We cannot fail them. They depend on our
faithfulness and regularity in backing them. Inasmuch as we do it unto the least of

THE ERICKSON REPORT (Continued from Page 14)

no longer able to eat my meals, for I was
so sick. Brother Erickson prayed for me,
and the Lord completely healed me. I
can't thank Jesus enough for His good-
ness to me.

THE TODD REPORT (Continued from Page 15)

14 years standing. My thyroid gland had not been active for 14 years. Due to this
condition I had developed excessive weight. The excess is now leaving, praise

WHAT WOULD HE SAY? (Continued from Page 7)

IF HE should come today,
And find my hands so full
Of future plans, however fair,
In which my Saviour has no share,
What would He say?

IF He should come today,
And find my love so cold,
My faith so very weak and dim,
I had not even looked for Him,
What would He say?

IF He should come today,
And find I had not told
One soul about my Heavenly Friend
Whose blessings all my way attend,
What would He say?

IF He should come today,
Would I be glad—quite glad?
Remembering He had died for all
And none, through me, had heard His
call,
What would He say?

T. L. Osborn's New Book on Faith and Divine Healing!

"For years I have seen the need of a small book containing the cream of divine healing teaching from the Bible, so that sick people could get a quick, clear grasp of the Scriptural facts on which faith for healing must be based.

"To meet this need, we have condensed and carefully outlined these Seven Steps to Receive Healing from Christ, which cover the vital truths necessary to have steadfast faith for healing. They are the steps which have brought faith and deliverance to hundreds of thousands of sufferers around the world.

"If every sick person will get acquainted with these seven steps, I am sure he will be healed."
