

1

AMAZING GRACE F

Amazing grace! how sweet the sound,
That saved a wretch like me!
I once was lost, but now I'm found,
Was blind, but now I see.

'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

When we've been there ten thousand years,
Bright shining as the sun;
We've no less days to sing God's praise
Than when we first begun.

2

JESUS I LOVE YOU SO A

I know a man who's like no other man,
He died to save this world from sin,
And I'll dedicate my life to serving Him,
He died so I could live.

CHORUS

Jesus, I love You so,
And I want You to know,
What You've done for me is not in vain,
And I will stake my claim,
On Your Holy name.
Oh, how I love, I love You so.

When I think of how You took my place,
I marvel at the wonders of Your grace,
Your sacrifice for me I can't replace,
Oh, what a gift You gave to me.

3

HE GIVETH MORE GRACE C

He giveth more grace when the burdens grow greater.
He sendeth more strength when the labours increase.
To added afflictions He addeth His mercies,
To multiplied trials He multiplies peace.

CHORUS

His love has no limit,
His grace has no measure,
His power has no boundary known unto man,
For out of His infinite riches in Jesus,
He giveth and giveth and giveth more grace.

When we have exhausted our store of endurance,
When our strength has failed,
And the day is done.
When we've reached the end of our hoarded resources,
Our Father's full giving has only begun.

4

HE CAME TO ME A

He came to me, He came to me,
When I could not come to where He was
He came to me;
That's why He died on Calvary,
When I could not come to where He was,
He came to me.

5

HE COULD HAVE CALLED A

He could have called ten thousand angels
To destroy the world and set Him free;
He could have called ten thousand angels,
But He died alone for you and me.

6

LIVING BY FAITH D

I care not today what the morrow may bring,
If shadow or sunshine or rain,
The Lord I know ruleth o'er everything,
And all of my worry is vain.

CHORUS

Living by faith, in Jesus above,
Trusting, confiding In His great love;
From all harm safe in His sheltering arm,
I'm living by faith and feel no alarm.

Though tempest may blow and the storm clouds arise,
Obscuring the brightness of life,
I'm never alarmed at the overcast skies,
The Master looks on at the strife.

I know that He safely will carry me through,
No matter what evils betide,
Why should I then care, though the tempest may blow,
If Jesus walks close to my side.

Our Lord will return to this earth some sweet day,
Our troubles will then all be o'er,
The Master so gently will lead us away,
Beyond that blest heavenly shore.

7

HE'S ALIVE G

Hallelujah, Jesus is alive,
Death has lost its victory,
And the grave has been denied;
And Jesus is forever,
He's alive, He's alive.
He's the Alpha and Omega,
The First and Last is He;
The curse of sin is broken,
We have perfect liberty,
The Lamb of God has risen;
He's alive, He's alive,
Hallelujah, Jesus is alive.

8

IN EVERYTHING A

Of all the good things that have come his way,
It is no wonder you can hear Job say,
"The Lord giveth and taketh away,
I'll still give Him thanks;"
But when the table was all turned around,
And Job's world came crashing down;
His faith in God caused Job to say,
"I'll still give Him thanks."

CHORUS

In everything give Him }
thanks, }
Give Him thanks, }2x
In the good times praise His name,
In the bad times do the same,
In everything give the King of Kings, All the thanks.

When trouble comes and there's no one around,
Satan, he tries to tell me that my God let me down;
Through every dark hour the best thing I've found,
It was to give God the thanks.
For He has never, never, never failed me yet,
So why should I start now to worry or fret;
In everything I will never forget,
To give God the thanks.

9

STANDING IN THE GAP D

I'll be standing in the gap for you,
Just remember someone somewhere
Is praying for you,
Calling out your name,
Praying for your strength,

I'll be standing in the gap for you.
10

WE HAVE COME D

We have come into His house
To magnify His name and
worship Him,
We have come into His house
To magnify His name and
worship Him,
We have come into His house
To magnify His name and
worship Christ the Lord,
Worship Him, Christ the Lord.

So forget about yourself,
Concentrate on Him and worship
Him;
So forget about yourself,
Concentrate on Him and worship
Him;
So forget about yourself,
Concentrate on Him and worship
Christ the Lord,
Worship Him, Christ the Lord.

Let us lift up holy hands,
Magnify His Name and worship
Him;
Let us lift up holy hands,
Magnify His Name and worship
Him;
Let us lift up holy hands,
Magnify His Name and worship
Christ the Lord;
Worship Him, Christ the Lord.

11

JESUS I'LL NEVER FORGET F

Jesus, I'll never forget
What You've done for me,
Jesus, I'll never forget
How You set me free,
Jesus, I'll never forget
How you brought me out,

Jesus I'll never forget, no never.
12

IT IS WELL WITH MY SOUL A

When peace like a river
attendeth my way,
When sorrows, like sea billows
roll;
Whatever my lot,
Thou hast taught me to say,
"It is well, it is well with my soul."

CHORUS

It is well with my soul,
It is well, it is well with my soul.

Tho' Satan should buffet,
Tho' trials should come,
Let this blest assurance control:
That Christ hath regarded
My helpless estate,
And hath shed His own blood for
my soul.

My sin, oh, the bliss of this
glorious thought,
My sin not in part, but the whole
Is nailed to the cross,
And I bear it no more;
Praise the Lord, praise the Lord,
O my soul.

And Lord, haste the day
When my faith shall be sight.
The clouds be rolled back as a
scroll.
The trump shall resound,
And the Lord shall descend,
Even so, it is well with my soul.

But Lord, 'tis for Thee,
For Thy coming we wait,
The sky, not the grave, is our
goal;
Oh, the Shout of the Angel!
Oh, the Voice of the Lord!
Blessed hope! Blessed rest of
my soul!

13

TOUCHING JESUS F

Touching Jesus is all that
matters,
And your life will never be the
same.
There is only one way to touch
Him,
Just believe when you call on His

Name.
14

JUST A CLOSER WALK

C

I am weak but Thou art strong,
Jesus keep me from all wrong;
I'll be satisfied as long,
As I walk, let me walk
Close to Thee.

CHORUS

Just a closer walk with Thee,
Grant it, Jesus, is my plea;
Daily walking close to Thee,
Let it be, dear Lord, let it be.

Thru this world of toil and snares,
If I falter, Lord, who cares?
Who with me my burden shares?
None but Thee, dear Lord,
None but Thee.

When my feeble life is o'er,
Time for me will be no more;
Guide me gently, safely o'er
To Thy kingdom shore,
To Thy shore.

15

JESUS LOVES ME C

Jesus loves me! this I know,
For the Bible tells me so;
Little ones to Him belong,
They are weak but He is strong.

CHORUS

Yes, Jesus loves me,
Yes, Jesus loves me,
Yes, Jesus loves me,
The Bible tells me so.

Jesus loves me! He who died,
Heaven's gates to open wide;
He will wash away my sin,
Let His little child come in.

Jesus loves me! loves me still.
Though I'm very weak and ill;

From His shining throne on high,
Comes to watch me where I lie.

16

FAITH OF OUR FATHERS F

Faith of our fathers! living still,
In spite of dungeon, fire and sword;
O how our hearts beat high with joy,
Whene'er we hear that glorious
Word!

CHORUS

Faith of our fathers, holy faith!
We will be true to thee till death!

Our fathers, chained in prisons
dark,
Were still in heart and
conscience
free;
How sweet would be their
children's fate,
If they like them, could die for
thee!

Faith of our fathers! we will love
Both friend and foe in all our
strife;
And preach thee too as love
knows how,
By kindly words and virtuous life!

17

I NEED THEE EVERY HOUR G

I need Thee every hour,
Most gracious Lord;
No tender voice like Thine
Can peace afford.

CHORUS

I need Thee, O I need Thee;
Ev'ry hour I need Thee!
O bless me now, my Saviour,
I come to Thee!

I need Thee every hour,
Stay Thou near by;
Temptations lose their pow'r
When Thou art nigh.

I need Thee every hour,
In joy or pain;
Come quickly and abide,
Or life is vain.

I need Thee every hour,
Most Holy One;

O make me Thine indeed,
Thou blessed Son.

18

GOD LEADS US ALONG C

In shady, green pastures, so rich
and so sweet,
God leads His dear children along;
Where the water's cool flow
bathes the weary one's feet,
God leads His dear children
along.

CHORUS

Some through the waters, some
through the flood,
Some through the fire, but all
through the blood;
Some through great sorrow, but
God gives a song,
In the night season and all the
day long.

Sometimes on the mount where
the sun shines so bright,
God leads His dear children along;
Sometimes in the valley in the
darkest of night,
God leads His dear children
along.

Tho' sorrows befall us, and
Satan oppose,
God leads His dear children along;
Through grace we can conquer,
defeat all our foes,
God leads His dear children
along.

Away from the mire, and away
from the clay,
God leads His dear children along;
Away up in glory, eternity's days,
God leads His dear children
along.

19

AS THE MOUNTAINS Bm

As the mountains are around }
Jerusalem; }
The Lord is all around His people }2x

CHORUS

From this time forth forevermore,
The Lord is all around His
people.

From this time forth it shall
always be,
The Lord is all around His
people.

As Mt. Zion in the midst of }
Jerusalem }
We shall not be moved. }2x

20

HAVE I DONE MY BEST F

I wonder, have I giv'n my best to
Jesus,
Who died upon the cruel tree?
To think of His great sacrifice at
Calvary,
I know my Lord expects the best
from me.

CHORUS

How many are the lost that I
have lifted?
How many are the chained I've
helped to free?
I wonder, have I done my best
for Jesus,
When He has done so much for me?

The hours that I have wasted are
so many,
The hours I've spent for Christ so few.
Because of all my lack of love for
Jesus,
I wonder if His heart is breaking too?

I wonder, have I cared enough
for others,
Or have I let them die alone?
I might have helped a wanderer
to the Saviour;
The seed of precious Life I might
have sown.

No longer will I stay within the valley,
I'll climb to mountain heights above;
The world is dying now for want
of someone
To tell them of the Saviour's
matchless love.

21

REMEMBER ME G

Remember me, Almighty One,
Remember me, Almighty One.
Speak now to me, Almighty One,

Speak now to me, Almighty One.

22

WHEN I SEE THE BLOOD A

Christ our Redeemer died on the
cross,
Died for the sinner, paid all His
due;
Sprinkle your soul with the blood
of the Lamb,
And I will pass, will pass over
you.

CHORUS

When I see the blood,
When I see the blood,
When I see the blood,
I will pass, I will pass over you.

Chiefest of sinners, Jesus will
save;
All He has promised, that will He
do;
Wash in the fountain opened for
sin,
And I will pass, will pass over
you.

Judgement is coming, all will be
there,
Each one receiving justly his
due;
Hide in the saving, sin-cleansing
blood,
And I will pass, will pass over
you.

Oh, great compassion! O
boundless love!
O loving kindness, faithful and
true!
Find peace and shelter under the
blood,
And I will pass, will pass over
you.

23

KNOW YE NOT D

Know ye not, know ye not }
ye are the temple? }3x
Ye are the temple of the Holy
Ghost.

Filled with grace, filled with }
power, filled with glory. }3x

Ye are the temple of the Holy
Ghost.

24

WHAT A FRIEND D

What a friend we have in Jesus,
All our sins and griefs to bear!
What a privilege to carry
Everything to God in prayer!
O what peace we often forfeit,
O what needless pain we bear,
All because we do not carry
Everything to God in prayer!

Have we trials and temptations?
Is there trouble anywhere?
We should never be
discouraged,
Take it to the Lord in prayer.
Can we find a friend so faithful,
Who will all our sorrows share?
Jesus knows our every
weakness,
Take it to the Lord in prayer.

Are we weak and heavy laden,
Cumbered with a load of care?
Precious Saviour, still our refuge,
Take it to the Lord in prayer.
Do thy friends despise, forsake
thee?
Take it to the Lord in prayer;
In His arms He'll take and shield
thee,
Thou wilt find a solace there.

25

LET ME WALK WITH YOU D

I've been on the mountain with
Jesus,
And I've been in this valley so
low;
But never one time has He failed
me,
To Him with my troubles I go.

CHORUS

Let me walk with You Jesus,
Don't ever leave me alone,
For without You I could never,
No never make heaven my
home.

You found me when I was so
lonely,
You found me when I was so
blue,

You found me when no one
would love me,
And no one knew just what to do.

26

CLOSE TO THEE F

Thou, my everlasting portion,
More than friend or life to me,
All along my pilgrim journey,
Saviour, let me walk with Thee.
Close to Thee, close to Thee,
Close to Thee, close to Thee;
All along my pilgrim journey,
Saviour, let me walk with Thee.

Not for ease or worldly pleasure,
Nor for fame my prayer shall be;
Gladly will I toil and suffer,
Only let me walk with Thee.
Close to Thee, close to Thee,
Close to Thee, close to Thee;
Gladly will I toil and suffer,
Only let me walk with Thee.

Lead me through the vale of
shadows,
Bear me o'er life's fitful sea;
Then the gate of life eternal,
May I enter, Lord, with Thee.
Close to Thee, close to Thee,
Close to Thee, close to Thee;
Then the gate of life eternal
May I enter, Lord, with Thee.

27

LORD PLEASE USE ME G

Oh Lord, please use me,
And don't refuse me,
For surely there's a work that I
must do,
Though it makes me ever so humble,
Help my poor heart to crumble,
And though the cost be great,
I'll work for You.

You're the Lily of my Valley,
You're my Bright and Morning Star,
You're the Fairest of Ten
Thousand to my soul,
You're the Beautiful Rose of
Sharon,
You're my all and all in all,

And most of all,
You're my soon coming King.

28

THE OLD RUGGED CROSS
G

On a hill far away stood an old
rugged cross,
The emblem of suffering and
shame,
And I love that old cross where
the dearest and best,
For a world of lost sinners was slain.

CHORUS

So I'll cherish the old rugged
cross,
Till my trophies at last I lay down;
I will cling to the old rugged cross,
And exchange it some day for a
crown.

Oh, that old rugged cross, so
despised by the world,
Has a wondrous attraction for
me;
For the dear Lamb of God left
His glory above,
To bear it to dark Calvary.

In the old rugged cross, stained
with blood so divine,
A wondrous beauty I see.
For 'twas on that old cross
Jesus suffered and died,
To pardon and sanctify me.

To the old rugged cross I will
ever be true,
Its shame and reproach gladly
bear;
Then He'll call me some day to
my home far away,
Where His glory forever I'll
share.

29

I JUST CAME TO PRAISE C

I just came to praise the Lord,
I just came to praise the Lord,

I just came to praise His holy
name,
I just came to praise the Lord.

30

NEAR THE CROSS F

Jesus, keep me near the cross,
There's a precious fountain,
Free to all, a healing stream,
Flows from Calvary's mountain.

CHORUS

In the cross, in the cross,
Be my glory ever,
Till my raptured soul shall find
Rest beyond the river.

Near the cross, a trembling soul,
Love and mercy found me;
There the Bright and Morning
Star
Sheds its beams around me.

Near the cross! O Lamb of God,
Bring its scenes before me;
Help me walk from day to day,
With its shadows over me.

Near the cross I'll watch and
wait,
Hoping, trusting, ever,
Till I reach the golden strand,
Just beyond the river.

31

THE BLOOD JESUS SHED A

The Blood that Jesus shed for me,
Way back on Calvary;
The Blood that gives me strength
from day to day,
It shall never lose its power.

CHORUS

It reaches to the highest mountain,
And it flows to the lowest valley;
The Blood that gives me strength
from day to day,
It shall never lose its power.

It soothes my doubts and calms
my fears,

And it dries all my tears;
The Blood that gives me strength
from day to day,
It shall never lose its power.

32

WHERE NEVER GROW OLD C

I have heard of a land on the far
away strand,
'Tis a beautiful home of the soul;
Built by Jesus on high, there we
never shall die,
'Tis a land where we'll never grow old.

CHORUS

Never grow old, never grow old,
In a land where we'll never grow
old;
Never grow old, never grow old,
In a land where we'll never grow old.

In that beautiful home where
we'll nevermore roam,
We shall be in the sweet by and by;
Happy praise to the King,
through eternity sing,
'Tis a land where we never shall die.

When our work here is done and
the life - crown is won,
And our troubles and trials are o'er,
All our sorrows will end, and our
voices will blend,
With the loved ones who've gone
on before.

33

SURELY GOODNESS C

Surely goodness and mercy
Shall follow me,
All the days,
All the days of my life.
Surely goodness and mercy
Shall follow me all the days,
All the days of my life.
And I shall dwell in the House of
the Lord forever,
And I shall feast at the table
spread for you and me,

Surely goodness and mercy
Shall follow me all the days,
All the days of my life.

34

PASS ME NOT F

Pass me not, O gentle Saviour,
Hear my humble cry;
While on others Thou art calling,
Do not pass me by.

CHORUS

Saviour, Saviour,
Hear my humble cry;
While on others Thou art calling,
Do not pass me by.

Let me at Thy throne of mercy
Find a sweet relief;
Kneeling there in deep contrition,
Help my unbelief.

Trusting only in Thy merit,
Would I seek Thy face;
Heal my wounded, broken spirit,
Save me by Thy grace.

Thou the Spring of all my comfort,
More than life to me,
Whom have I on earth beside Thee?
Whom in heaven but Thee?

35

BLEST THE TIE THAT BINDS F

Blest be the tie that binds,
Our hearts in Christian love;
The fellowship of kindred minds
Is like to that above.

Before our Father's throne,
We pour our ardent prayers;
Our fears, our hopes, our aims
are one,
Our comforts and our cares.

We share our mutual woes,
Our mutual burdens bear;
And often for each other flows
The sympathizing tear.

When we asunder part,
It gives us inward pain;
But we shall still be joined in
heart,
And hope to meet again.

36

JESUS BREAKS FETTER F

I am now on the altar, }3x
Which was made for me.

CHORUS

Jesus breaks every fetter, }3x
For He sets me free!
(I will ever, ever praise Him.)
(I will give God the glory.....)
(I will shout Hallelujah)

I will never doubt my Saviour, }3x
For He cleanses me.

I will rest on His promise, }3x
Which is given to me.

On the other side of Jordan,
In the sweet fields of Eden
Where the Tree of Life is blooming,
There is rest for me.

37

FRIENDSHIP WITH JESUS C

A friend of Jesus, O, what bliss,
That one so vile as I
Should ever have a friend like this
To lead me to the sky.

CHORUS

Friendship with Jesus,
Fellowship divine,
O what blessed, sweet communion,
Jesus is a friend of mine.

A friend when other friendships cease,
A friend when others fail,
A friend who gives me joy and peace,
A friend when foes assail.

A friend when sickness lays me low,
A friend when death draws near,
A friend as thru the vale I go,
A friend to help and cheer.

A friend when life's short race is o'er,
A friend when earth is past,
A friend to meet on Heaven's shore,
A friend when home at last.

38

THE GREAT PHYSICIAN C

The great Physician now is near,
The sympathizing Jesus,
He speaks the drooping heart to
cheer,
Oh, hear the voice of Jesus.

CHORUS

Sweetest note in seraph song,
Sweetest name on mortal tongue;
Sweetest carol ever sung,
Jesus, blessed Jesus.

Your many sins are all forgiven,
Oh, hear the voice of Jesus;
Go on your way in peace to heaven,
And wear a crown with Jesus.

All glory to the dying Lamb!
I now believe in Jesus;
I love the blessed Saviour's name,
I love the name of Jesus.

His name dispels my guilt and fear,
No other name but Jesus;
O how my soul delights to hear
The charming name of Jesus.

39

JESUS PAID IT ALL C

I hear the Saviour say,
"Thy strength indeed is small,
Child of weakness, watch and pray,
Find in Me thine all in all."

CHORUS

Jesus paid it all,
All to Him I owe;
Sin had left a crimson stain;
He washed it white as snow.

Lord, now indeed I find,
Thy power and Thine alone,
Can change the leper's spots,
And melt the heart of stone.

Since nothing good have I
Whereby Thy grace to claim,
I'll wash my garments white,
In the blood of Calv'ry's Lamb.

40

THE HEALER D

On the Cross crucified, in great
sorrow He died;
The Giver of life was He.
Yet my Lord was despised and
rejected of men,
This Jesus of Calvary.

CHORUS

He was wounded for our
transgressions,
He was bruised for our iniquities;
Surely He bore our sorrows,
And by His stripes we are healed.

Price for healing was paid,
As those cruel stripes were made,
Within Pilate's judgement hall,
Now His suffering affords perfect
healing for all,
This wonderful Healer's mine.

Came the leper to Christ, saying
"Surely I know,
That Thou, Lord, can't make me
whole."
When His great faith was seen,
Jesus said, "Yes I will"
And touched him and made him
clean.

He has healed my sick soul,
Made me every whit whole,
And He'll do the same for you.
He's the same yesterday and
today and forever,
This Healer of men today.

41

COME MY BROTHER COME C

Come my brother come;
Come my sister too,
Come run into the storehouse,
A double portion awaits you;
Bring your earthen vessels
Refill them again and again,
All other barns are empty,
Only Joseph's barn has grain.

I just came to love the Lord,
I just came to love the Lord,
I just came to love His holy name,
I just came to praise the Lord.

42

NEARER MY GOD TO THEE E

Nearer my God to Thee,
Nearer to Thee;
Even though it be a cross
That raiseth me;
Still all my song shall be,
Nearer, my God, to Thee,}2x
Nearer, to Thee.

Though like a wanderer,
The sun gone down,
Darkness be over me,
My rest a stone;
Yet in my dreams I'd be
Nearer, my God, to Thee,}2x
Nearer, to Thee.

There let the way appear,
Steps unto heaven;
All that Thou sendest me,
In mercy given;
Angels to beckon me
Nearer, my God, to Thee,}2x
Nearer, to Thee.

Then with my waking thoughts,
Bright with thy praise,
Out of my stony griefs
Bethel I'll raise;
So by my woes to be
Nearer, my God, to Thee,}2x
Nearer, to Thee.

Or if on joyful wing,
Cleaving the sky,
Sun, moon, and stars forgot,
Upward I fly;
Still all my song shall be
Nearer, my God to Thee,}2x
Nearer, to Thee.

43

I AM SO NEEDY LORD E

I am so needy, Lord,
So needy of You,
I am so needy, Lord,

To be more like You;
Shear all my rights away
In this world of sin,
I am so needy, Lord, make me
pure within.

44

ONLY BELIEVE C

Fear not, little flock, from the
cross to the throne,
From death into life He went for
His own;
All power in earth, all power above,
Is given to Him for the flock of His
love.

CHORUS

Only believe, only believe,
All things are possible, only believe;
Only believe, only believe,
All things are possible, only believe.
(Lord, I believe ...)
(Lord, I receive ...)
(Jesus is here)

Fear not, little flock, He goeth ahead,
Your Shepherd selecteth the
path you must tread;
The waters of Marah He'll
sweeten for thee,
He drank all the bitter in
Gethsemane.

Fear not, little flock, whatever
your lot,
He enters all rooms, "the doors
being shut;"
He never forsakes, He never is gone,
So count on His presence in
darkness and dawn.

45

I WILL REJOICE D

I will rejoice and praise }
the name of Jesus; }
To praise You brings }
joy to my soul. }2x
I will rejoice because Your blood
has purchased my salvation,
I will rejoice because Your Spirit
dwells in me,

I will rejoice because my name
has been written down in heaven,
I will rejoice because I'll reign
with You throughout eternity.

46

ROCK OF AGES G

Rock of Ages, cleft for me,
Let me hide myself in Thee;
Let the water and the blood,
From Thy wounded side which
flowed
Be of sin the double cure,
Save from wrath and make me
pure.

Could my tears forever flow,
Could my zeal no languor know,
These for sin could not atone,
Thou must save, and Thou alone.
In my hand no price I bring,
Simply to Thy cross I cling.

While I draw this fleeting breath,
When my eyes shall close in death,
When I rise to worlds unknown,
And behold Thee on Thy throne,
Rock of Ages, cleft for me,
Let me hide myself in Thee.

47

JUST AS I AM C

Just as I am, without one plea,
But that Thy blood was shed for me,
And that Thou bid'st me come to
Thee,
O Lamb of God, I come! I come!

Just as I am, and waiting not
To rid my soul of one dark blot,
To Thee, whose blood can
cleanse each spot,
O Lamb of God, I come! I come!

Just as I am, Thou wilt receive,
Wilt welcome, pardon, cleanse,
relieve;
Because Thy promise I believe,
O Lamb of God, I come! I come!

Just as I am, Thy love unknown
Hath broken every barrier down;
Now to be Thine, yea, Thine alone,
O Lamb of God, I come! I come!

48

ETERNAL REST A

Time's clock is striking the hour,
Jesus will soon descend,
Clothed in the garments of power,
The reign of sin to end.
Then will this anthem be ringing
Like to a mighty flood,
Then 'round the throne we'll be
singing,
Glory and praise to God.

CHORUS

Glory, glory to God!
Thus will the ransomed sing;
Glory, glory to God,
The everlasting King!
Praise Him, alleluia!
To that eternal sphere
We are waiting for our translating;
The time is near.

In those bright mansions
supernal,
Death cannot enter there;
Ages on ages eternal
His likeness we shall bear.
There will the once broken
hearted
Rest in the spirit know;
Sorrow forever departed,
Gladness shall overflow.

Sighing forever is ended,
Foes shall oppress no more;
Voices in worship are blended
To Him whom all adore.
Bathed in the light soft and tender,
Sealed for eternity,
Praise to the Lamb we will
render
Worthy of praise is He.

Beautiful, wonderful story!
Jesus Himself the light;
There in the kingdom of glory

Never shall fall the night.
Now I am singing of heaven,
While here I wage the strife;
Then will the victors be given
Crowns of eternal life.

49

IS YOUR ALL ON THE ALTAR D

You have longed for sweet peace,
And for faith to increase;
And have earnestly, fervently
prayed:
But you cannot have rest,
Or be perfectly blest
Until all on the altar is laid.

CHORUS

Is your all on the altar of sacrifice
laid?
Your heart, does the Spirit control?
You can only be blest
And have peace and sweet rest;
As you yield Him your body and
soul.

Would you walk with the Lord,
In the light of His Word,
And have peace and
contentment always?
You must do His sweet will,
To be free from all ill;
On the altar your all you must lay.

Oh, we never can know
What the Lord will bestow
Of the blessings for which we
have prayed;
Till our body and soul
He doth fully control;
And our all on the altar is laid.

Who can tell all the love
He will send from above,
And how happy our hearts will be
made,
Of the fellowship sweet we shall
share at His feet;
When our all on the altar is laid?

50

LORD I NEED YOU RIGHT F

Lord, I need You right now,
Oh Lord, I need You right now,
I want all of my life in Your
keeping somehow,
Oh Lord, I need You right now.

51

GOD WILL TAKE CARE G

Be not dismayed what e'er
betide;
God will take care of you.
Beneath His wings of love abide,
God will take care of you.

CHORUS

God will take care of you,
Through every day,
O'er all the way,
He will take care of you,
God will take care of you.

Through days of toil when heart
doth fail,
God will take care of you.
When dangers fierce your path
assail,
God will take care of you.

All you may need He will provide.
God will take care of you.
Nothing you ask will be denied,
God will take care of you.

No matter what may be the test,
God will take care of you.
Lean, weary one, upon His
breast,
God will take care of you.

52

VICTORY IS MINE F

Victory is mine,
Victory is mine,
Victory today is mine.
I told Satan, "get thee behind,"
Victory today is mine.

When I rose this morning,
I didn't have any doubt;
I knew that the Lord would bring
me out,
So I got down on my knees,
And said "Lord if you please,"

I got up praising and shouting
the victory.

Joy is mine
Peace is mine

53

DRAW ME NEARER F

I am Thine, O Lord, I have heard
Thy voice,
And it told Thy love to me;
But I long to rise in the arms of
faith,
And be closer drawn to Thee.

CHORUS

Draw me nearer, nearer, blessed
Lord,
To the cross where Thou hast
died;
Draw me nearer, nearer,
blessed Lord,
To Thy precious, bleeding side.

Consecrate me now to Thy
service, Lord,
By the power of grace divine;
Let my soul look up with a
steadfast hope,
And my will be lost in Thine.

Oh, the pure delight of a single hour
That before Thy throne I spend,
When I kneel in prayer and with
Thee, my God,
I commune as friend with friend.

There are depths of love that I
cannot know,
Till I cross the narrow sea,
There are heights of joy that I
may not reach,
Till I rest in peace with Thee.

54

GIVE THANKS F

Give thanks with a grateful heart, }
Give thanks to the Holy One, }
Give thanks for He has given }
Jesus Christ His son. }2x

And now let the weak say I am
strong,
Let the poor say I am rich,

Because of what the Lord has
done for us.

And now let the weak say I am
strong,
Let the poor say I am rich,
Because of what the Lord has
done for us, give thanks.

55

GREATER IS HE F

On the day of Pentecost,
A mighty rushing wind
Flew into the upper room
And baptized all within.

CHORUS

Greater is He that is in me, }3x
Than He that is in the world.

Satan, like a roaring lion,
Roaming to and fro,
Seeking whom he may devour,
The Bible tells me so.

Many souls have been his prey,
To fall in some weak hour,
But God has promised us today,
Overcoming power.

With a power greater than
Any earthly foe,
And I'm so glad I've got it too,
I'm gonna let the whole world know.

56

IT'S ALL OVER ME F

It is all over me and it's keeping
me alive,
Keeping me alive, keeping me
alive.
It is all over me and it's keeping
me alive,
Jesus is keeping me alive.

The Devil doesn't like it but it's
keeping me alive, keeping me
alive,
keeping me alive,
The Devil doesn't like it but it's
keeping me alive,
Jesus is keeping me alive.

It's the Holy Ghost and Fire and
it's keeping me alive, keeping me
alive,
keeping me alive.
It's the Holy Ghost and fire and
it's keeping me alive,
Jesus is keeping me alive.

57

TEACH ME LORD TO WAIT **D**

Teach me, Lord, to wait down on
my knees,
Till in Your own good time You
answer my pleas;
Teach me not to rely on what
others do,
But to wait in prayer for an
answer from You.

CHORUS

They that wait upon the Lord,
shall renew their strength,
They shall mount up with wings
as an eagle,
They shall run and not be weary,
they shall walk and not faint;
Teach me, Lord, teach me, Lord,
to wait.

Teach me, Lord, to wait while
hearts are aflame,
Help me humble my pride and
call on Your Name;
Keep my faith renewed, keep my
eyes on Thee,
Help me be on this earth what
You want me to be.

58

IT'S MY DESIRE **G**

It's my desire to live for Jesus;
It's my desire to live for Him;
Tho' often I've failed Him and
brought Him much shame,
It's my desire to live for Him.

CHORUS

If you could see
Where Jesus brought me from
To where I am today,
Then you would know the reason
why I love Him so.
Now you can take the world's
wealth and riches,
I don't need earth's fame,
It's my desire to live for Him!

It's my desire to help someone
today,
Someone who have failed to see
the way;
I, too, was lost so long,
But I found my way back to God;
It's my desire to live for Him.

59

SWEET HOUR OF PRAYER **C**

Sweet hour of prayer, sweet hour
of prayer,
That calls me from a world of care,
And bids me at my Father's throne,
Make all my wants and wishes
known;
In seasons of distress and grief,
My soul has often found relief,
And oft escaped the tempter's snare,
By thy return, sweet hour of prayer.

Sweet hour of prayer, sweet hour
of prayer,
The joy I feel, the bliss I share,
Of those whose anxious spirits burn
With strong desires for thy return!
With such I hasten to the place
Where God, my Saviour, shows
His face,
And gladly take my station there,
And wait for thee, sweet hour of
prayer.

Sweet hour of prayer, sweet hour
of prayer,
Thy wings shall my petition bear
To Him whose truth and
faithfulness
Engage the waiting soul to bless;
And since He bids me seek His face,
Believe His Word and trust His
grace,
I'll cast on Him my every care,
And wait for thee, sweet hour of
prayer.

60

I LOVE THE THRILL **F**

I love the thrill that I feel }
When I get together with }

God's wonderful people. }2x
What a sight just to see
All the happy faces,
Praising God in Heavenly Places.
What a thrill that I feel
When I get together with
God's wonderful people.

61

CLEANSE ME **F**

Search me, O God, and know
my heart today;
Try me, O Saviour, know my
thoughts, I pray;
See if there be some wicked way
in me;
Cleanse me from every sin, and
set me free.

I praise Thee Lord, for cleansing
me from sin;
Fulfill Thy Word, and make me
pure within;
Fill me with fire, where once I
burned with shame;
Grant my desire to magnify Thy
Name.

Lord, take my life, and make it
wholly Thine;
Fill my poor heart with Thy great
love divine;
Take all my will, my passion, self
and pride;
I now surrender; Lord, in me abide.

O Holy Ghost, revival comes
from Thee;
Send a revival, start the work in me;
Thy Word declares Thou wilt
supply our need;
For blessing now, O Lord, I
humbly plead.

62

POUR OUT YOUR SPIRIT **A**

Pour out Your Spirit in this place,
Pour out Your Spirit in this place
That we might see Your power,
And we might know Your grace.
Pour out Your spirit in this place,

Pour out Your spirit in this place.

Cleanse us, keep us, renew us
by Your blood,
Have Your way within us,
And fill us with Your Love.
Pour out Your Spirit in this place,
Pour out Your spirit in this place.

63

WINGS OF A DOVE **C**

Noah had drifted
On the floods many days,
He searched for land
In various ways;
Troubles he had some,
But not from above,
God gave him His sign
On the wings of a dove.

CHORUS

On the wings of a snow-white
dove,
God sends down His pure sweet
love,
A sign from above,
On the wings of a dove.

Jesus, our Saviour
Came to earth one day;
He was born in a stable,
In a manger of hay;
Though here rejected,
But not from above,
God gave us His sign
On the wings of a dove.

Though I have suffered
In many a way,
I cried for healing
Both night and day;
Faith wasn't forgotten
By the Father above,
He gave me His sign
On the wings of a dove.

64

JESUS, JESUS, JESUS **D**

Jesus, Jesus, Jesus,
There's just something about
that Name.

Master, Saviour, Jesus,
Like the fragrance after the rain.
Jesus, Jesus, Jesus,
Let all heaven and earth proclaim;
Kings and kingdoms will all
pass away,
But there's something about that
Name.

65

WHEN I SURVEY THE CROSS F

When I survey the wondrous cross
On which the Prince of glory died,
My richest gain I count but loss,
And pour contempt on all my pride.

Forbid it, Lord, that I should boast,
Save in the death of Christ, my God;
All the vain things that charm me
most,
I sacrifice them to His blood.

See, from His head, His hands,
His feet,
Sorrow and love flow mingled
down;
Did e'er such love and sorrow meet,
Or thorns compose so rich a crown?

Were the whole realm of nature
mine,
That were a present far too small;
Love so amazing, so divine,
Demands my soul, my life, my all!

66

MAGNIFY THE LORD D

I will bless the Lord at all times,
His praise will continue in my
mouth;
I will make my boast in the Lord,
So let the humble and the
afflicted hear and be glad.

CHORUS

Magnify the Lord with me,
Let us exalt His name together,
O come and magnify the Lord
with me,
Let us exalt His name together.

Taste and see that the Lord is
good,
And blessed is the man who trusts
in Him,
Oh worship the Lord, you His saints,
There is no want to those who
truly worship Him.

67

I SURRENDER ALL C

All to Jesus I surrender,
All to Him I freely give;
I will ever love and trust Him,
In His presence daily live.

CHORUS

I surrender all,
I surrender all,
All to Thee, my blessed Saviour,
I surrender all.

All to Jesus I surrender,
Humbly at His feet I bow,
Worldly pleasures all forsaken,
Take me, Jesus, take me now.

All to Jesus I surrender,
Make me, Saviour, wholly Thine;
Let me feel the Holy Spirit,
Truly know that Thou art mine.

All to Jesus I surrender,
Lord, I give myself to Thee;
Fill me with Thy love and power,
Let Thy blessing fall on me.

All to Jesus I surrender,
Now I feel the sacred flame;
Oh, the joy of full salvation!
Glory, glory to His name!

68

I WILL ENTER HIS GATES C

I will enter His gates with
thanksgiving in my heart,
I will enter His courts with praise;
I will say this is the day that the
Lord hath made,
I will rejoice for He hath made
me glad.

He hath made me glad,
He hath made me glad,
I will rejoice for He hath made
me glad;
He hath made me glad,
He hath made me glad,
I will rejoice for He hath made
me glad.

69

IF THAT ISN'T LOVE G

He left His splendour of heaven,
Knowing His destiny
Was the lonely hill of Golgotha,
There to lay down His life for me.

CHORUS

If that isn't love, the ocean is dry,
There're no stars in the sky,
And the sparrows can't fly,
If that isn't love, then heaven's a
myth;
There's no feeling like this,
If that isn't love.

Even in death He remembered,
The thief hanging by His side,
Then He spoke with love and
compassion,
Then took him to paradise.

70

HE LOOKED BEYOND C

Amazing grace, shall always be
my song of praise.
For it was grace that bought my
liberty.
I do not know just how He came
to love me so;
He looked beyond my faults and
saw my needs.

CHORUS

I shall forever lift my eyes to
Calvary;
To view the Cross where Jesus
died for me,
How marvelous! the grace, that
caught my fallen soul;
He looked beyond my faults and
saw my needs.

It was God's grace that brought
me out of darkness,
And to the light where I can
clearly see,
I'll shout it from the mountains
and the valleys;
He looked beyond my faults and
saw my needs.

71

I REMEMBER CALVARY C

Where He may lead me I will go,
For I have learned to trust Him so,
And I remember 'twas for me,
That He was slain on Calvary.

CHORUS

Jesus shall lead me night and day,
Jesus shall lead me all the way,
He is the truest Friend to me,
For I remember Calvary.

O I delight in His command,
Love to be led by His dear hand;
His divine will is sweet to me,
Hallowed by blood-stained
Calvary.

Onward I go no doubt nor fear,
Happy with Christ my Saviour
near;
Trusting that I some day shall
see,
Jesus my Friend of Calvary.

72

I'VE BEEN REDEEMED F

I've been redeemed }
By the blood of the Lamb. }3x
Safe and sanctified I am
All my sins are under the blood,
I've been redeemed.

If you have love }
And you want more }3x
Shout Hallelujah Praise the Lord!
All my sins are under the blood
I've been redeemed.

And that's not all, }
There's more besides, }3x
I've been to the river and I've
been baptized.

All my sins are under the blood,
I've been redeemed.

You can talk about me }
Any how you please, }3x
I'll talk about you down on my
knees.
All my sins are under the blood
I've been redeemed.

73

I WANT THAT KIND A

When Jacob met the Lord
Upon that lonely night,
And wrestled there alone
Until the morning light;
He won a princely title
To gird him for the right;
I want that kind of blessing.

CHORUS

I want, I want that kind of
blessing,
That saves and keeps, and
satisfies the soul;
I want, I want that full salvation
'Til billows of heaven o'er me roll.

When Israel at last came
Into Canaan's land,
The Lord His riches gave
So full on every hand;
They drove their foes before
them
And dwelt a happy band,
I want that kind of blessing.

This is the day of grace,
The Comforter is here,
We are a chosen race,
Our God is drawing near.
He's waiting to be gracious
The prayer of faith to hear,
And then He'll send the blessing.

74

I LIKE THE OLD TIME WAY F

I like the old time singing,
shouting,
I like the old time way.

I like the old time singing,
shouting, preaching, praying,
I like the old time way.

I will sing of my Redeemer all
along the way,
Amen, amen, amen, amen,
I will sing of my redeemer all
along the way,
For there's joy, joy in my soul.

75

MARCHING ON A

Marching on in the light of God,
Marching on, I am marching on;
Up the path that the Master trod,
Marching, marching on.

CHORUS

A robe of white, a crown of gold,
A harp, a home, a mansion fair,
A victor's palm, a joy untold,
Are mine when I get there.

Marching on thro' the hosts of sin,
Marching on, I am marching on;
Vict'ry's mine, while I've Christ
within,
Marching, marching on.

Marching on while the skeptics
sneer,
Marching on, I am marching on;
Perfect love casteth out all fear,
Marching, marching on.

Marching on with the flag unfurled,
Marching on, I am marching on;
Preaching Christ to the dying world,
Marching, marching on.

76

LORD, LORD, LORD C

Lord, Lord, Lord, }
You've surely been good to me; }3x
You have done what this world
could not do.

You saved my soul when I was }
lost }
You've surely been good to me; }3x
You have done what this world
could not do.

You filled me with the Holy Ghost, }

You've surely been good to me; }3x
You have done what this world
could not do.

You healed my body when }
I was sick, }
You've surely been good to me; }3x
You have done what this world
could not do.

77

MORE ABOUT JESUS D

More about Jesus would I know,
More of His grace to others show;
More of His saving fullness see,
More of His love who died for me.

CHORUS

More, more about Jesus,
More, more about Jesus,
More of His saving fullness see,
More of His love who died for me.

More about Jesus, let me learn,
More of His holy will discern,
Spirit of God my teacher be,
Showing the things of Christ to me.

More about Jesus in His Word,
Holding communion with my Lord,
Hearing His voice in every line,
Making each faithful saying mine.

More about Jesus on His throne,
Riches in glory all His own,
More of His Kingdom's sure
increase,
More of His coming Prince of
Peace.

78

FEELING SO MUCH BETTER D

Feeling so much better talking
about this good old Way,
Feeling so much better talking
about the Lord.
Let's go on, let's go on, talking
about this good old Way,
Let's go on, let's go on, talking
about the Lord.

The devil, he don't like it, talking
about this good old Way,
The devil, he don't like it, talking
about the Lord;
So, let's go on, let's go on,
talking about this good old Way,
Let's go on, let's go on, talking
about the Lord.

79

PRAISE THE LORD F

To God be the glory,
Great things He hath done,
So loved He the world that He
gave us His Son,
Who yielded His Life an
atonement for sin,
And opened the Life Gate that all
may go in.

CHORUS

Praise the Lord, praise the Lord,
Let the earth hear His voice;
Praise the Lord, praise the Lord,
Let the people rejoice;
Oh, come to the Father,
Thro' Jesus the Son,
And give Him the glory,
Great things He hath done.

Oh, perfect redemption,
The purchase of blood,
To every believer the promise of
God;
The vilest offender who truly
believes,
That moment from Jesus a
pardon receives.

Great things He hath taught us,
Great things He hath done,
And great our rejoicing thro'
Jesus the Son,
But purer, and higher, and
greater will be,
Our wonder, our transport when
Jesus we see.

80

I'M A CHILD OF THE KING F

Oh yes, oh yes, I'm a child of the King,
His royal blood
Now flows through my veins,
And I who was wretched and vile,
Now can see;
Praise God, praise God,
I'm a child of the King.

81

DEEPER, DEEPER F

Deeper, deeper in the love of Jesus
Daily let me go;
Higher, higher in the school of wisdom,
More of grace to know.

CHORUS

O deeper yet, I pray,
And higher every day,
And wiser blessed Lord,
In Thy precious Holy Word.

Deeper, deeper! blessed Holy Spirit,
Take me deeper still,
Till my life is wholly lost in Jesus,
And His perfect will.

Deeper, deeper! tho' it cost hard trials,
Deeper let me go!
Rooted in the holy love of Jesus,
Let me fruitful grow.

Deeper, higher! every day in Jesus,
Till all conflict past,
Finds me conqueror and in His own image,
Perfected at last.

82

I ALWAYS WILL LOVE YOU C

I always will love you,
I always will care;
I never will leave you,
I will always be there.

CHORUS

And my love will carry you

Higher than the strongest bird can fly;
Further than the longest river can flow,
My love for you I want you to know.

I always will want you,
I always will be;
I never will fail you,
I am all you need.

83

STAND UP FOR JESUS G

Stand up, stand up for Jesus,
Ye soldiers of the cross,
Lift high His royal banner
It must not suffer loss.
From victory unto victory,
His army shall He lead,
Till every foe is vanquished,
And Christ is Lord indeed.

Stand up, stand up for Jesus,
The trumpet call obey.
Forth to the mighty conflict,
In this His glorious day.
"Ye that are men now serve Him"
Against unnumbered foes,
Let courage rise with danger,
And strength to strength oppose.

Stand up, stand up for Jesus,
Stand in His strength alone;
The arm of flesh will fail you;
Ye dare not trust your own;
Put on the gospel armour,
And watching unto prayer,
Where duty calls or danger,
Be never wanting there.

84

AS WE GATHER

F

As we gather may Your Spirit move amongst us,
As we gather may we glorify Your name;
Knowing well as our hearts begin to worship,
We'll be blessed because we praise Your name;

We'll be blessed because we came.

The steadfast love of the Lord never ceases,
His mercies never come to an end;
They are new every morning,
New every morning;
Great is thy faithfulness, oh Lord,
Great is thy faithfulness.

85

MY JESUS I LOVE THEE C

My Jesus, I love Thee,
I know Thou art mine,
For Thee all the follies of sin I resign;
My gracious Redeemer, my Saviour art Thou;
If ever I loved Thee,
My Jesus, 'tis now.

I love Thee, because Thou has first loved me,
And purchased my pardon on Calvary's tree;
I love Thee for wearing the thorns on Thy brow;
If ever I loved Thee,
My Jesus, 'tis now.

I'll love Thee in life,
I will love Thee in death,
And praise Thee as long as Thou lendest me breath;
And say when the death dew lies cold on my brow,
If ever I loved Thee,
My Jesus, 'tis now.

In mansions of glory and endless delight,
I'll ever adore Thee in heaven so bright;
I'll sing with the glittering crown on my brow,
If ever I loved Thee,
My Jesus, 'tis now.

86

THE HOLY GHOST POWER F

The Holy Ghost power is }
moving just like a magnet; }2x
It's moving here, it's moving there,

It's moving just about everywhere,
The Holy Ghost power is moving just like a magnet.

The message of the hour is }
moving just like a magnet, }2x
It's moving here, it's moving there,
It's moving just about everywhere,
The message of the hour is moving just like a magnet.

87

IT TOOK A MIRACLE F

My Father is omnipotent,
And that you can't deny,
A God of might and miracles,
'Tis written in the sky.

CHORUS

It took a miracle to put the stars in place,
It took a miracle to hang the world in space,
But when He saved my soul,
Cleansed and made me whole,
It took a miracle of love and grace.

Though here His glory has been shown;
We still can't fully see
The wonders of His might, His throne;
'Twill take eternity.

The Bible tells us of His power
And wisdom all way through;
And every little bird and flower
Are testimonies too.

88

I'LL WORSHIP YOU C

When I look into Your holiness,
When I gaze into Your loveliness,
When all things that surround me become shadowed in the light of You.

When I find the joy that reaches Your heart,

And my will becomes enthroned
in Your love
When all things that surround me
become shadowed in the light of
You.

CHORUS

I'll worship You, I'll worship You,
The reason I live is to worship You.

I'll worship You, I'll worship You,
The reason I live is to worship You.

89

BRING YOUR VESSELS D

Are you looking for the fullness
of the blessing of the Lord
In your heart and life today?
Claim the promise of your Father,
come according to His word,
In the blessed old time way.

CHORUS

He will fill your heart today to
overflowing,
As the Lord commandeth you,
"Bring your vessels, not a few;"
He will fill your heart today to
overflowing,
With the Holy Ghost and power.

Bring your empty earthen
vessels, clean thro' Jesus
precious blood,
Come, ye needy one and all;
And in human consecration wait
before the throne of God,
Till the Holy ghost shall fall.

Like the cruse of oil unfailing is
His grace forever more,
And His love unchanging still;
And according to His promise
with the Holy Ghost and power,
He will every vessel fill.

90

GOD'S NOT DEAD F

God's not dead, He is alive.}3x
I feel Him in my hands,
I feel Him in my feet,
I feel Him in my heart,

I feel Him all over me.

91

IN THE MIDST OF IT ALL A

In the midst of it all,
In the midst of it all,
I've found hope
That would never let me fall.
Jesus heard my call
And in me stood tall,
Now in Him I stand complete
In the midst of it all.

92

JACOB'S LADDER D

We are climbing Jacob's ladder,
We are climbing Jacob's ladder,
We are climbing Jacob's ladder,
Soldiers of the Cross.

Rise, shine, give God the glory,
Rise, shine, give God the glory,
Rise, shine, give God the glory,
Soldiers of the cross.

Every rung goes higher and higher,
Every rung goes higher and higher,
Every rung goes higher and higher,
Soldiers of the Cross.

If you love Him, why not serve Him?
If you love Him, why not serve Him?
If you love Him, why not serve Him?
Soldiers of the Cross.

93

ROOM AT THE CROSS G

The cross upon which Jesus died
Is a shelter in which we can hide,
And its grace so free is sufficient
for me,
And deep is its fountain; as wide
as the sea.

CHORUS

There's room at the cross for you,
There's room at the cross for you,
Though millions have come,
there's still room for one,
Yes there's room at the cross for
you.

Though millions have found Him
a friend

And have turned from the sins
they have sinned,
The Saviour still waits to open
the gates,
And welcome a sinner before it's
too late.

The hand of my Saviour is strong
And the love of my Saviour is long,
Through sunshine or rain,
through loss or in gain,
The blood flows from Calv'ry to
cleanse every stain.

94

PRECIOUS LORD F

When my way grows drear
Precious Lord linger near,
When my life is almost gone;
Hear my cry, hear my call,
Hold my hand lest I fall,
Take my hand, precious Lord,
Lead me home.

CHORUS

Precious Lord take my hand,
Lead me on let me stand,
I am tired, I am weak, I am worn.
Through the storm, through the night,
Lead me on to the Light;
Take my hand, precious Lord,
Lead me home.

When my work here is done,
And my life crown is won,
Let me see by the Light Thou
has shown
That fair city so bright,
Where the Lamb is the light,
Take my hand, precious Lord,
Lead me home.

95

HEAR MY CRY OH GOD F

Hear my cry oh God,
Don't turn Your face away from me.
Here's my heart oh God,
May Your love and mercy wash
over me.
Take Your truth and let it be
A river of love that flows through me,
Take these eyes and let them see

The power to heal our land,
Heal our land.

96

WE PLACE YOU C

We place You on the highest place,
For You are the Great High Priest;
We place You high above all else,
And we come to You
And worship at Your feet.

97

WAITING ON THE LORD A

Waiting on the Lord, for the
promise given;
Waiting on the Lord, to send
from Heaven;
Waiting on the Lord, by our faith
receiving;
Waiting in the upper room.

CHORUS

The power! The power!
Gives victory over sin, and purity
within;
The power! The power!
The power they had at
Pentecost.

Waiting on the Lord, giving all to
Jesus;
Waiting on the Lord, till from sin
He frees us;
Waiting on the Lord, for the
heavenly breezes;
Waiting in the upper room.

Waiting on the Lord, longing to
mount higher;
Waiting on the Lord, having great
desire;
Waiting on the Lord, for the
heavenly fire;
Waiting in the upper room.

98

'TIS SO SWEET TO TRUST G

'Tis so sweet to trust in Jesus,
Just to take Him at His word;
Just to rest upon His promise;
Just to know, "Thus saith the Lord."

CHORUS

Jesus, Jesus, how I trust Him!
How I've proved Him o'er and o'er!
Jesus, Jesus, precious Jesus!
O for grace to trust Him more!

O how sweet to trust in Jesus,
Just to trust His cleansing blood;
Just in simple faith to plunge me,
'Neath the healing, cleansing
flood!

Yes, 'tis sweet to trust in Jesus,
Just from sin and self to cease;
Just from Jesus simply taking,
Life and rest, and joy and peace.

I'm so glad I learned to trust Thee,
Precious Jesus, Saviour, Friend;
And I know that Thou art with me,
Wilt be with me to the end.

100

LORD I'M GONNA LOVE YOU C

My soul follows hard after Thee,
Early in the morning will I rise up
and seek Thee,
And because Thou has been my
help,
Under the shadows of Thy wings
I will rejoice.

Lord, gonna love You,

Love You Lord.
Lord, gonna love You,
Love You Lord.

Lord I'm gonna love You
With all that is in my heart,

Lord, I'm gonna follow You,
{follow You}.....
Lord, I'm gonna worship,
{Worship You}.....

IF I CAN HELP SOMEBODY

C

If I can help somebody as I pass
along,
If I can help somebody with a
word or song,
If I can show somebody he is
travelling wrong,
Then my living shall not be in
vain.

CHORUS

Then my living shall not be in
vain,
Then my living shall not be in
vain,
If I can help somebody as I pass
along
Then my living shall not be in
vain.

If I can do my duty as a Christian
ought,
If I can bring back beauty
To a world of wrath,
If I can spread God's message
As the Master taught,
Then my living shall not be in
vain.

102

SWEET HOLY SPIRIT C

Sweet Holy Spirit,
Sweet Heavenly Dove,
Stay right here with us,
Filling us with Your Love;
And for each blessing,
We lift our hands in praise;

Without a doubt we know
That we have been revived
When we shall leave this place.

103

WE ARE FREE C

We are free to praise You,
We are free to praise You,
We are free to praise You, Lord.

We are free to love You
We are free to serve You

104

OH MY LOVING BROTHER F

Oh the judgement day is coming,
What an awful day 'twill be,
Christ forever is my refuge,
Rock of ages cleft for me.

CHORUS

Oh, my loving brother,
When the world's on fire,
Don't you want God's bosom
To be your pillow?
Hide me over in the Rock of ages;
Rock of ages cleft for me.

At the sounding of the trumpet,
At the dawning of the day,
Worldly pleasures with their
treasures
Shall forever pass away.

Poor lost sinners will be crying
For the home they'll never see,
But the ransomed will be singing
Rock of ages, cleft for me.

105

DON'T YOU KNOW IT'S TIME F

Don't you know it's time to praise
the Lord
In the sanctuary of His Holy Spirit?
So set your mind on Him
And let your praise begin,
And the glory of the Lord will fill
this place.
Praise the Lord, {Praise the Lord.}
Praise the Lord, {Praise the Lord.}

He lives within the praises of His
people,
He loves to hear you call upon
His name,
So set your mind on Him
And let your praise begin,
And the glory of the Lord will fill
this place.
Praise the Lord, {Praise the Lord.}
Praise the Lord, {Praise the Lord.}

106

I'VE BELIEVED THE REPORT G

I've believed the true report,
Hallelujah to the Lamb!
I have passed the outer court,
O glory be to God!
I am all on Jesus' side,
On the altar sanctified,
To the world and sin I've died,
Hallelujah to the Lamb!

CHORUS

Hallelujah! Hallelujah!
I have passed the riven veil,
Where the glories never fail,
Hallelujah! Hallelujah!
I am living in the presence of the
King.

I'm a king and priest to God,
Hallelujah to the Lamb!
By the cleansing of the blood,
O glory be to God!
By the Spirit's power and light,
I am living day and night,
In the holiest place so bright,
Hallelujah to the Lamb!

I have passed the outer veil,
Hallelujah to the Lamb!
Which did once God's light conceal,
O glory be to God!
But the blood has brought me in,
To God's holiness so clean,
Where there's death to self and sin,
Hallelujah to the Lamb!

I'm within the holiest pale,
Hallelujah to the Lamb!
I have passed the inner veil,
O glory be to God

I am sanctified to God,
By the power of the blood,
Now the Lord is my abode,
Hallelujah to the Lamb!

107

I CAN, I WILL, I DO BELIEVE F

I can, I will, I do believe;
I can, I will, I do believe;
I can, I will, I do believe;
That Jesus heals me now.

108

OH TO BE LIKE THEE C

O! to be like Thee, blessed
Redeemer,
This is my constant longing and
prayer;
Gladly I'll forfeit all of earth's
treasures,
Jesus, Thy perfect likeness to
wear.

CHORUS

O! to be like Thee, O! to be like
Thee
Blessed Redeemer, pure as
Thou art;
Come in Thy sweetness,
Come in Thy fullness;
Stamp Thine own image deep on
my heart.

O! to be like Thee, full of
compassion,
Loving, forgiving, tender and kind,
Helping the helpless, cheering
the fainting,
Seeking the wandering sinner to
find.

O! to be like Thee, lowly in spirit,
Holy and harmless, patient and
brave;
Meekly enduring cruel
reproaches,
Willing to suffer, others to save.

O! to be like Thee, Lord, I am
coming,
Now to receive the anointing
divine,

All that I am and have I am
bringing,
Lord, from this moment all shall
be Thine.

O! to be like Thee, while I am
pleading,
Pour out Thy Spirit, fill with Thy
love.
Make me a temple meet for Thy
dwelling,
Fit me for life and Heaven above.

109

LET THE DEW OF HEAVEN D

Let the dew of Heaven fall upon
my thirsty soul,
Let the dew of Heaven fall on
me.
Blessed Holy Spirit come and
take complete control,
Let the dew of heaven fall on me.

110

THE COMFORTER HAS COME A

O spread the tidings 'round,
wherever man is found,
Wherever human hearts and
human woes abound;
Let every Christian tongue
Proclaim the joyful sound;
The Comforter has come!

CHORUS

The Comforter has come!}2x
The Holy Ghost from Heaven,
The Father's promise given;
O spread the tidings 'round,
Wherever man is found
The Comforter has come!

The long, long night is past,
The morning breaks at last,
And hushed the dreadful wail
and fury of the blast,
As o'er the golden hills
The day advances fast!
The Comforter has come!

Lo, the great King of Kings,
With healing in His wings,
To every captive soul,
A full deliverance brings;

And thro' the vacant cells,
The song of triumph rings;
The Comforter has come!

O boundless love divine!
How shall this tongue of mine
To wondering mortals tell,
The matchless grace divine;
That I, a child of hell,
Should in His image shine!
The Comforter has come!

111

KEEP ME TRUE C

Keep me true, Lord Jesus, }
Keep me true, }2x
There's a race that I must run,
There are victories to be won,
Give me power every hour to be
true.

I'll Be True

112

TAKE MY LIFE LET IT BE D

Take my life and let it be,
Consecrated, Lord, to Thee.
Take my moments and my days,
Let them flow in ceaseless praise.

Take my hands and let them
move,
At the impulse of Thy love.
Take my feet and they will be,
Swift and beautiful for Thee.

Take my voice and let me sing,
Always only for my King.
Take my lips and let them be,
Filled with messages from Thee.

Take my silver and my gold,
Not a mite will I withhold.
Take my intellect and use,
Every power as Thou shalt choose.

Take my will and make it Thine,
It shall be no longer mine.
Take my heart, it is Thine own,
It shall be Thy royal throne.

Take my love my Lord I pour,
At Thy feet its treasure store.
Take myself and I will be,
Ever, only, all for Thee.

113

HE CAME WALKING D

He came walking on the waters
That almost covered me,
From a distance I could see Him
Walking on my troubled sea;
With outstretched hands He
beckoned me,
He said, "Child, come follow me."
Now I'm walking on the waters
That almost covered me.

114

THE KING OF LOVE

F

The King of love my Shepherd is,
Whose goodness faileth never;
I nothing lack if I am His,
And He is mine forever.

Where streams of living waters
flow.
My ransomed soul He leadeth,
And where the verdant pastures
grow,
With food celestial feedeth.

Perverse and foolish oft I
strayed,
But yet in love He sought me,
And on His shoulder gently laid,
And home rejoicing brought me.

In death's dark vale I'll fear no ill,
With Thee dear Lord beside me;
Thy rod and staff my comfort still,
Thy Cross before to guide me.

And so thro' all the length of
days,
Thy goodness faileth never;
Good Shepherd may I sing Thy
praise,
Within Thy house forever.

115

SALVATION AND GLORY F

Salvation, Honour and Glory; }
And power belongs to our Go}2x

His name is Jesus, }
Oh my Jesus, }

Jesus Christ our Lord. }2x
Alleluia, Alleluia, Alleluia! }2x

116

WE HAVE OVERCOME F

We have overcome,
We have overcome,
By the words of our mouth,
By the Blood of the Lamb,
We have overcome.

117

WORTHY IS THE LAMB C

“Worthy is the Lamb,” the hosts
of heaven sing,
As before the throne they make
His praises ring;
“Worthy is the Lamb,” the book
to open wide,
“Worthy is the Lamb who once
was crucified.”

CHORUS

Oh, this bleeding Lamb, }
Oh, this bleeding Lamb, }
Oh, this dying Lamb, }
He was found worthy, }2x

Worthy is the Lamb who shed
His precious blood
To restore a world to happiness
and God,
“When no eye could pity and no
arm could save,”
Jesus, for our ransom Himself
freely gave.

Worthy is the Lamb, the
bleeding sacrifice,
Who for Adam’s race paid such a
fearful price,
Worthy is the Lamb, the Paschal
Lamb of God.

For the world received
“Redemption thro’ His blood.”

“Worthy is the Lamb,” let men
and angels sing,
“Worthy is the Lamb,” let
hallelujahs ring;
And when life is past, upon the
golden shore,
“Worthy is the Lamb,” we’ll shout
forever more.

118

COUNT YOUR BLESSINGS D

When upon life’s billows you are
tempest tossed,
When you are discouraged,
thinking all is lost,
Count your many blessings,
Name them one by one,
And it will surprise you what the
Lord hath done.

CHORUS

Count your blessings,
Name them one by one;
Count your blessings,
See what God hath done;
Count your blessings,
Name them one by one;
Count your many blessings,
See what God hath done.

Are you ever burdened with a
load of care?
Does the cross seem heavy you
are called to bear?
Count your many blessings,
every doubt will fly,
And you will be singing as the
days go by.

When you look at others with
their lands and gold,
Think that Christ has promised
you His wealth untold;
Count your many blessings,

Money cannot buy
Your reward in Heaven, nor your
home on high.

So, amid the conflict, whether
great or small,
Do not be discouraged, God is
over all;
Count your many blessings,
angels will attend,
Help and comfort give you to
your journey’s end.

119

TRUST AND OBEY

F

When we walk with the Lord
In the Light of His Word,
What a glory He sheds on our way!
While we do His good will,
He abides with us still,
And with all who will trust and obey.

CHORUS

Trust and obey, for there’s no
other way
To be happy in Jesus;
But to trust and obey.

Not a shadow can rise,
Not a cloud in the skies,
But His smile quickly drives it away;
Not a doubt or a fear,
Not a sigh nor a tear,
Can abide while we trust and obey.

Not a burden we bear,
Not a sorrow we share,
But our toil He doth richly repay;
Not a grief nor a loss,
Not a frown or a cross,
But is blest if we trust and obey.

But we never can prove
The delights of His love,
Until all on the altar we lay;
For the favour He shows,
And the joy He bestows,
Are for them who will trust and obey.

Then in fellowship sweet
We will sit at His feet,

Or we’ll walk by His side in the way;
What He says we will do,
Where He sends we will go,
Never fear only trust and obey.

120

FATHER LET THE FIRE FALL F

Father let the Fire fall,
Father let the Fire fall,
Let the Fire fall,
Let the Fire fall,
Let the Pentecostal Fire fall.

121

ONLY TRUST HIM G

Come, every soul by sin oppressed,
There’s mercy with the Lord,
And He will surely give you rest,
By trusting in His Word.

CHORUS

Only trust Him, only trust Him,
Only trust Him now;
He will save you, He will save you
He will save you now.

For Jesus shed His precious blood,
Rich blessings to bestow;
Plunge now into the crimson
flood
That washes white as snow.

Yes, Jesus is the Truth the Way,
That leads you into rest;
Believe in Him without delay,
And you are fully blest.

Come, then and join this holy
band,
And on to glory go,
To dwell in that celestial land,
Where joys immortal flow.

122

I KNOW THAT JESUS F

I know that Jesus is coming in
the morning,
I know that Jesus is coming back
for me,
I know, I know, I know He’s
coming in the morning.

I know, I know, I know He's
coming back for me.

123

SING GLORY HALLELUJAH G

Sing glory hallelujah!
I love my Saviour,
For He is willing,
And He is able
To break the fetters
And chains upon us,
And give us the victory
Everytime we pray.

124

BREAK THOU BREAD OF LIFE C

Break Thou the bread of life,
Dear Lord, to me,
As Thou didst break the loaves
Beside the sea;
Beyond the sacred page,
I seek Thee, Lord;
My spirit pants for Thee,
O Living Word!

Bless Thou the truth, dear Lord,
To me, to me,
As Thou didst bless the bread by
Galilee;
Then shall all bondage cease,
All fetters fall,
And I shall find my peace,
My All in All.

Teach me to live, dear Lord,
Only for Thee,
As Thy disciples lived in Galilee;
Then all my struggles o'er,
Then, victory won,
I shall behold Thee, Lord,
The living One.

125

NO OTHER NAME

C

His name is exalted far above
the earth,

His name is high above the
heavens;
His name is exalted far above
the earth,
Give Honour and Glory and
Praise unto His name.

No other name than the name of
Jesus,
No other name than the name of
the Lord,
No other name than the name of
Jesus,
Is worthy of Honour,
Is worthy of Glory,
Is worthy of Power and of Praise.

126

THE SOLID ROCK D

My hope is built on nothing less
Than Jesus' blood and
righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

CHORUS

On Christ, the solid Rock, I stand;
All other ground is sinking sand,
All other ground is sinking sand.

When darkness seems to hide
His face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the veil.

His oath, His covenant, His blood,
Support me in the whelming flood;
When all around my soul gives way,
He then is all my hope and stay.

When He shall come with
trumpet sound,
Oh, may I then in Him be found;
Dressed in His righteousness alone,
Faultless to stand before the throne.

127

I EXALT THEE F

For Thou, oh Lord, art high
above all the earth,
Thou art exalted high above all
gods;
Thou, oh Lord, art high above all
the earth,
Thou art exalted high above all
gods.

CHORUS

I exalt Thee, I exalt Thee,
I exalt Thee Oh Lord!
I lift my hands to You,
I sing a song for You,
I exalt Thee oh Lord!

128

IT'S DRIPPING WITH BLOOD D

The first one to die for this Holy
Ghost plan,
Was John the Baptist, but he
died like a man;
Then came the Lord Jesus, they
crucified Him,
He taught that the Spirit would
save men from sin.

CHORUS

It's dripping with blood, yes,
It's dripping with blood,
This Holy Ghost Gospel is
dripping with blood,
The blood of disciples who died
for the Truth,
This Holy Ghost Gospel is
dripping with blood.

There was Peter and Paul, and
John the divine,
They gave up their lives so this
Gospel could shine;
They mingled their blood, like the
prophets of old,
So the true Word of God could
honest be told.

Then they stoned Stephen, he
preached against sin,
He made them so angry, they
dashed his head in;
But he died in the Spirit, and
gave up the ghost,
And went to join others, in that
life-giving host.

There're souls under the altar,
crying, "How long?"
For the Lord to punish those
who've done wrong;
But there's going to be more
who'll give their life's blood
For this Holy Ghost Gospel and
its crimson flood.

129

THE FIGHT IS ON A

The fight is on, the trumpet
sound is ringing out,
The cry "To arms" is heard afar
and near;
The Lord of hosts is marching on
to victory,
The triumph of the right will soon
appear.

CHORUS

The fight is on, O Christian soldiers,
And face to face in stern array,
With armour gleaming and colors
streaming,
The right and wrong engage
today;
The fight is on, but be not weary,
Be strong and in His might hold
fast;
If God be for us, His banner o'er us,
We'll sing the victor's song at
last.

The fight is on, arouse ye
soldiers brave and true,
Jehovah leads, and victory will
assure;
Go buckle on the armour God
has given you,
And in His strength unto the end
endure.

The Lord is leading on to certain victory,
The bow of promise spans the eastern sky;
His glorious name in every land shall honoured be,
The morn will break, the dawn of peace is nigh.

130

HE WHO KEEPETH ISRAEL Bm

He who keepeth Israel
Never slumbers nor sleeps,
Slumbers nor sleeps,
Slumbers nor sleeps.
He who keepeth Israel
Never slumbers nor sleeps,
Slumbers nor sleeps.

131

ONWARD SOLDIERS D

Onward, Christian soldiers!
Marching as to war,
With the cross of Jesus
Going on before;
Christ, the royal Master,
Leads against the foe;
Forward into battle,
See, His banners go!

CHORUS

Onward, Christian soldiers!
Marching as to war,
With the cross of Jesus
Going on before.

Like a mighty army
Moves the Church of God;
Brothers, we are treading
Where the saints have trod;
We are not divided,
All one body we,
One in hope and doctrine,
One in charity.

Crowns and thrones may perish,
Kingdoms rise and wane;
But the Church of Jesus
Constant will remain;
Gates of hell can never
'Gainst that Church prevail;

We have Christ's own promise,
Which can never fail.

At the sign of triumph,
Satan's host doth flee;
Oh, then, Christian soldiers,
On to victory!
Hell's foundations quiver
At the shout of praise;
Brothers, lift your voices,
Loud your anthems raise!

Onward, then, ye people!
Join our happy throng;
Blend with ours your voices
In the triumph song;
Glory, laud, and honour,
Unto Christ the King;
This through countless ages
Men and angels sing.

132

GLORY TO HIS NAME F

Down at the cross where my
Saviour died,
Down where for cleansing from
sin I cried;
There to my heart was the blood
applied;
Glory to His name.

CHORUS

Glory to His name!
Glory to His name!
There to my heart was the blood
applied,
Glory to his name!

I am so wondrously saved from
sin,
Jesus so sweetly abides within,
There at the cross where He
took me in;
Glory to His name!

Oh, precious fountain that saves
from sin!
I am so glad I have entered in;
There Jesus saves me and
keeps me clean;
Glory to His name.

Come, to this fountain so rich
and sweet;

Cast thy poor soul at the
Saviour's feet;
Plunge in today, and be made
complete;
Glory to His name.

133

BURN, BURN HOLY SPIRIT C

Burn, burn Holy Spirit,
Burn in me,
Set my heart on fire!
Fill me with the Holy Ghost,
And God's full desire.
Make me like the Christ of old,
Healing and raising the dead;
Give me the power that Jesus
had
Thru the blood that was shed.

134

THERE IS POWER IN BLOOD F

Would you be free from your
burden of sin?
There's power in the blood,
power in the blood;
Would you o'er evil a victory win?
There's wonderful power in the
blood.

CHORUS

There is power, power, wonder-
working power
In the blood of the Lamb,
There is power, power, wonder-
working power,
In the precious blood of the Lamb.

Would you be free from your
passion and pride?
There's power in the blood,
power in the blood;
Come for a cleansing to
Calvary's tide,
There's wonderful power in the
blood.

Would you be whiter, much
whiter than snow?
There's power in the blood,
power in the blood;
Sin's stains are lost in its life-
giving flow,

There's wonderful power in the
blood.

Would you do service for Jesus
your King?
There's power in the blood,
power in the blood;
Would you live daily, His praises
to sing?
There's wonderful power in the
blood.

135

LEAD ME LORD C

Lead me Lord, I will follow,
Lead me Lord, I will go,
You have called me,
I will answer,
Lead me Lord, I will go.

136

THY LOVING KINDNESS C

Thy loving kindness
Is better than life,
Thy loving kindness
Is better than life,
My lips shall praise Thee,
Thus will I bless Thee,
I will lift up my hands
In Thy Name.

I will lift up my hands
In Thy Name,
I will lift up my hands
In Thy Name.
My lips shall praise Thee,
Thus will I bless Thee,
I will lift up my hands
In Thy Name.

137

OVER AND OVER F

Over and over, He moulds me
and makes me,
Into His image He fashions this
clay;
A vessel of honour I am today,
And it's all because Jesus
Didn't throw this clay away.

138

HAVE FAITH IN GOD F

Have faith in God,
Have faith in God,
Have faith in God,
For the answer,
Have faith in God.

139

FAITH IN GOD F

Faith in God can move a mighty
mountain,
Faith can calm the troubled sea;
Faith can make the desert like a
fountain,
Faith can bring the victory.

140

LOVE LIFTED ME G

I was sinking deep in sin,
Far from the peaceful shore,
Very deeply stained within,
Sinking to rise no more;
But the Master of the sea
Heard my despairing cry,
From the waters lifted me,
Now safe am I.

CHORUS

Love lifted me! Love lifted me!
When nothing else could help,
love lifted me.
Love lifted me! Love lifted me!
When nothing else could help,
love lifted me.

All my heart to Him I give,
Ever to Him I'll cling,
In His blessed presence live,
Ever His praises sing.
Love so mighty and so true
Merits my soul's best songs;
Faithful, loving service too,
To Him belongs.

Souls in danger, look above,
Jesus completely saves;
He will lift you by His love

Out of the angry waves.
He's the Master of the sea,
Billows His will obey;
He your Saviour wants to be;
Be saved today.

141

WE BRING THE SACRIFICE D

We bring the sacrifice of praise
Into the house of the Lord,
We bring the sacrifice of praise
Into the house of the Lord,
And we offer up to You
The sacrifices of thanksgiving,
And we offer up to You
The sacrifices of praise.

142

ONE OF THEM G

There are people almost
everywhere,
Whose hearts are all aflame
With the fire that fell at
Pentecost,
Which cleansed and made them
clean;
It is burning now within my heart,
All glory to His name!
I'm so glad that I can say I'm one
of them.

CHORUS

One of them, one of them,
I am glad that I can say I'm one
of them;
One of them, one of them,
I'm so glad that I can say I'm one
of them.

Though these people may not
learned be,
Nor boast of worldly fame,
They have all received their
Pentecost,
Baptized in Jesus' name;
And are telling now, both far and
wide,
His power is yet the same,
I'm so glad that I can say I'm one
of them.

They were gathered in the upper
room,
All praying in His name,
They were baptized with the Holy
Ghost,
And pow'r for service came;
Now what He did for them that day
He'll do for you the same,
I'm so glad that I can say I'm one
of them.

Come, my brother, seek this blessing
That will cleanse your heart from sin,
That will start the joy-bells ringing
And will keep the soul aflame;
It is burning now within my heart,
All glory to His name,
I'm so glad that I can say I'm one
of them.

143

BAPTIZED INTO THE BODY F

Have you been baptized into the
Body?
Baptized with the Holy Ghost;
There is but one way to enter in it,
Just as they did on Pentecost.

CHORUS

Are you in the Church triumphant?
Are you in the Saviour's Bride?
Come and be baptized into the Body,
And forevermore abide.

There is but one Church, Bride
or Body,
And into it we're all baptized;
By the one, true, promised Holy
Spirit;
Though by the world we're all
despised.

Every creed has claimed to be
the Body,
But the "plumb line" proved untrue
All their dreams, for God has so
determined
To bring His Son's true Bride to view.

Many thought that they were in
the Body,
'Till the Holy Ghost had come;
When the Word of God was
opened to them,
They entered in, and yet there's
room.

Those who died before the Holy
Spirit
came upon us from on high,
May, by faith with saints of old
departed,
Arise to meet Him in the sky.

When the Bridegroom comes,
will you be ready;
And your vessel all filled and bright?
You will be among the foolish virgins
If you do not walk in the light.

144

I KNOW WHOM I BELIEVED C

I know not why God's wondrous
grace
To me He hath made known,
Nor why, unworthy, Christ in love
Redeemed me for His own.

CHORUS

But "I know whom I have believed,
And am persuaded that He is able
To keep that which I've committed
Unto Him against that day."

I know not how this saving faith
To me He did impart,
Nor how believing in His Word
Wrought peace within my heart.

I know not how the Spirit moves
Convincing men of sin,
Revealing Jesus through the Word,
Creating faith in Him.

I know not what of good or ill
May be reserved for me,
Of weary ways or golden days,
Before His face I see.

I know not when my Lord may come,
At night or noonday fair,

Nor if I'll walk the vale with Him,
Or "meet Him in the air."

145

HIS NAME IS WONDERFUL C

His Name is Wonderful;
His Name is Wonderful;
His Name is Wonderful, Jesus
my Lord.
He is the Mighty King,
Master of everything,
His Name is Wonderful, Jesus
my Lord.
He's the great Shepherd,
The Rock of all ages,
Almighty God is He.
Bow down before Him,
Love and adore Him,
His Name is Wonderful, Jesus
my Lord.

146

WHEN HE REACHED DOWN A

Once my soul was astray from
the heavenly way,
And was wretched and vile as
could be;
But my Saviour above, gave me
peace, joy and love,
When He reached down His
hand for me, for me.

CHORUS

When He reached down His
hand for me,
When He reached down His
hand for me;
I was lost and undone, without
God or His Son,
When He reached down His
hand for me, for me.
I was nearing despair, when He
came to me there,
And He showed me that I could
be free;
Then He lifted my feet, gave me
glory complete,
When He reached down His
hand for me, for me.

How my heart doth rejoice since
I made Him my choice,
From the tempest to Him now I
flee;

Now I lean on His arm, I'm
secure from all harm,
Since He reached down His
hand for me, for me.

Since the Lord gave me peace,
Heavenly joys never cease;
Lord, I give all my life unto Thee;
Guide my feet, hold my hand,
grant with Thee I may stand,
For You reached down Your
hand for me, for me.

147

LORD I HUNGER C

Lord, I hunger for holiness,
And I thirst for the righteousness
that's Yours;
That my mind would be
cleansed,
And my spirit renewed,
And this temple that You dwell in
would be pure.

148

PEACE IN THE VALLEY C

Well, I'm tired and so weary, but
I must go along;
Till the Lord comes and calls me
away, oh, yes;
Well the morning is bright, and
the Lamb is the Light;
And the night, night is as fair as
the day, oh, yes.

CHORUS

There will be peace in the valley
for me some day;
There will be peace in the valley
for me, oh, Lord, I pray;
There'll be no sadness, no
sorrow, no trouble I'll see;
There will be peace in the valley
for me.

There the flow'rs will be looming,
And the grass will be green;
And the skies will be clear and
serene, oh, yes;
Well the sun ever beams, in this
valley of dreams;
And no clouds there will ever be
seen, oh, yes.

Well, the bear will be gentle, and
the wolf will be tame;
And the Lion shall lay down by
the Lamb, oh, yes;
Well the beast from the wild,
shall be led by a little child;
And I'll be changed, changed
from this creature that I am, oh, yes.

149

ONE THING I DESIRED D

One thing have I desired of the Lord,
That will I seek after;
That I may dwell in the House of
the Lord all the days of my life
To behold the beauty, the beauty }
of the Lord; }
To inquire in His temple, }
The temple of the Lord. }2x

150

HOW GREAT THOU ART G

O Lord my God! When I in
awesome wonder,
Consider all the worlds Thy
hands have made;
I see the stars, I hear the rolling
thunder,
Thy power throughout the
universe displayed.

CHORUS

Then sings my soul, my Saviour
God to Thee;
How great Thou art, how great
Thou art!
Then sings my soul, my Saviour
God to Thee;
How great Thou art, how great
Thou art!

When through the woods and
forest glades I wander
And hear the birds sing sweetly
in the trees;
When I look down from lofty
mountain grandeur

And hear the brook and feel the
gentle breeze.

And when I think that God, His
Son not sparing,
Sent Him to die, I scarce can
take it in;
That on the cross, my burden
gladly bearing,
He bled and died to take away
my sin.

When Christ shall come with
shout of acclamation
And take me home, what joy
shall fill my heart!
Then I shall bow in humble
adoration
And there proclaim, my God,
how great Thou art!

151

THE HAVEN OF REST F

My soul in sad exile
Was out on life's sea,
So burdened with sin and distressed,
Till I heard a sweet voice saying,
"Make Me your choice;"
And I entered the "Haven of Rest!"

CHORUS

I've anchored my soul in the
haven of rest,
I'll sail the wild seas no more;
The tempest may sweep o'er the
wild, stormy deep,
In Jesus I'm safe evermore.

I yielded myself to His tender
embrace,
And faith taking hold of the Word,
My fetters fell off, and I anchored
my soul;
The Haven of Rest is my Lord.

The song of my soul,
Since the Lord made me whole,
Has been the old story, so blest,
Of Jesus, who'll save whosoever
will have
A home in the "Haven of Rest!"

How precious the thought that
we all may recline,
Like John, the beloved and blest,
On Jesus' strong arm,
Where no tempest can harm,
Secure in the "Haven of Rest!"

O come to the Saviour,
He patiently waits,
To save by His power divine;
Come, anchor your soul in the
haven of rest
And say, "My Beloved is mine."

152

HE IS LORD **F**

He is Lord, He is Lord;
He has risen from the dead and
He is Lord,
Every knee shall bow, every
tongue confess,
That Jesus Christ is Lord.

153

SUCH LOVE **F**

That God should love a sinner
such as I,
Should yearn to change my
sorrow into bliss,
Nor rest till He had planned to
bring me nigh,
How wonderful is love like this!

CHORUS

Such love, such wondrous love,
Such love, such wondrous love,
That God should love a sinner
such as I,
How wonderful is love like this!

That Christ should join so freely
in the scheme,
Although it meant His death on
Calvary,
Did ever human tongue find
nobler theme,
Than love divine that ransomed
me?

That for a willful outcast such as I,
The Father planned, the Saviour
bled and died;
Redemption for a worthless
slave to buy,

Who long had law and grace
defied.

And now He takes me to His
heart, a son,
He asks me not to fill a servant's
place;

The "far-off country" wand'rings
all are done,
Wide open are His arms of
grace.

154

I LOVE HIM TOO MUCH **E**

I love Him too much to fail Him now,
I love Him too much to break my
vow,
For I promised the Lord,
That I would make it somehow,
And now I love Him too much,
To fail Him now.

155

BLESSED ASSURANCE **C**

Blessed assurance, Jesus is mine!
Oh, what a foretaste of glory divine
Heir of salvation, purchased of God,
Born of His Spirit, washed in His
Blood.

CHORUS

This is my story, this is my song,
Praising my Saviour all the day long;
This is my story, this is my song,
Praising my Saviour all the day long.

Perfect submission, perfect delight,
Visions of rapture now burst on
my sight;
Angels descending, bring from above
Echoes of mercy, whispers of love.

Perfect submission, all is at rest,
I in my Saviour am happy and blest;
Watching and waiting, looking above,
Filled with His goodness, lost in
His love.

156

HE TOUCHED ME **D**

Shackled by a heavy burden
'Neath a load of guilt and shame,
Then the hand of Jesus touched me,
And now I am no longer the same.

CHORUS

He touched me, Oh He touched me,
And oh, the joy that floods my soul!
Something happened and now I
know,
He touched me and made me whole.

Since I met this blessed Saviour,
Since He cleansed and made me
whole,
I shall never cease to praise Him,
I'll shout it while eternity rolls.

157

MY FAITH LOOKS UP TO THEE **C**

My faith looks up to Thee,
Thou Lamb of Calvary,
Saviour divine,
Now hear me while I pray,
Take all my sin away,
O let me from this day
Be wholly Thine!

May Thy rich grace impart
Strength to my fainting heart,
My zeal inspire;
As Thou hast died for me,
O may my love to Thee,
Pure, warm, and changeless be,
A living fire!

While life's dark maze I tread,
And griefs around me spread,
Be Thou my Guide;
Bid darkness turn to day,
Wipe sorrow's tears away,
Nor let me ever stray
From Thee aside.

158

CREATE IN ME **G**

Create in me a clean heart, }

Oh God, }
And renew a right spirit }
within me; }2x
Cast me not away from Thy
presence, Oh God,
Take not Thy Holy Spirit from me;
Restore unto me the joy of Thy
salvation,
And renew a right spirit within
me.

159

WHY WORRY **G**

Why worry, when you can pray?
Trust the Saviour, He'll show the
way;
Don't be like doubting Thomas,
Rest fully on His promise,
Why worry, worry, worry, worry
When you can pray?

160

THE LOVE OF GOD **C**

The love of God is greater far
Than tongue or pen can ever tell;
It goes beyond the highest star,
And reaches to the lowest hell.
The guilty pair, bowed down with
care,
God gave His Son to win;
His erring child He reconciled,
And pardoned from his sin.

CHORUS

O, love of God, how rich and pure!
How measureless and strong;
It shall forevermore endure,
The saints and angels song.

When hoary times shall pass away,
And earthly thrones and
kingdoms fall;
When men who here refuse to pray,
On rocks and hill and mountains call;
God's love, so sure, shall still
endure,
All measureless and strong;
Redeeming grace to Adam's race,
The saints' and angels' song.

Could we with ink the ocean fill,
And were the skies of parchment made;
Were every stalk on earth a quill,
And every man a scribe by trade;
To write the love of God above
Would drain the ocean dry;
Nor could the scroll contain the whole,
Though stretched from sky to sky.

161

WE ARE THE SONS OF GOD D

We are the sons of God,
We are the sons of God,
We have washed our robes
In the blood of Jesus,
We are the sons of God.

162

THE BREAKING OF THE DAY C

'Tis almost time for the Lord to come,
I hear the people say;
The stars of heaven are growing dim:
It must be the breaking of the day.

CHORUS

O, it must be the breaking }
of the day, }2x
The night is almost gone,
The day is coming on:
O, it must be the breaking of the day.

The signs foretold in the sun and
moon,
In earth and sea and sky,
Aloud proclaim to mortal men,
That the coming of the Master
draweth nigh.

It must be time for the waiting church
To cast her pride away,
With girded loins and burning lamps
To look for the breaking of the
day.

There must be those in the field
of sin,

Far from the fold astray,
Who once were happy in Jesus' love,
And looking for the breaking of
the day.

Go quickly out in the streets and
lanes,
And in the broad highway,
And call the maimed, the halt
and blind,
To be ready for the breaking of
the day.

163

LET'S PRAISE THE LORD D

Let's just praise the Lord, }
Praise the Lord, }
Let's just lift our hands }
towards heaven and praise }
the Lord. }2x

164

BEYOND THE SUNSET C

Beyond the sunset, O blissful
morning,
When with our Saviour heaven is
begun.

Earth's toiling ended, O glorious
dawning;
Beyond the sunset, when day is
done.

Beyond the sunset no clouds will
gather,
No storms will threaten, no fears
annoy.

O day of gladness, O day unending;
Beyond the sunset, eternal joy.

Beyond the sunset, a hand will
guide me

To God, the Father, whom I adore;
His glorious presence, His words
of welcome,
Will be my portion on that fair shore.

Beyond the sunset, O glad reunion,
With our dear loved ones who've
gone before.

In that fair homeland we'll know
no parting.
Beyond the sunset forevermore.

165

MAJESTY F

Majesty, worship His Majesty;
Unto Jesus be all glory, power
and praise,
Majesty, Kingdom authority
Flows from His throne unto His
own,
His anthem raise.

So exalt, lift up on high the name
of Jesus;
Magnify, come glorify Christ
Jesus the King,
Majesty, worship His Majesty,
Jesus who died, now glorified,
King of all Kings.

166

THERE IS A FOUNTAIN A

There is a fountain filled with blood,
Drawn from Immanuel's veins,
And sinners, plunged beneath
that flood,
Lose all their guilty stains.}3x
And sinners, plunged beneath
that flood,
Lose all their guilty stains.

The dying thief rejoiced to see
That fountain in his day;
And there may I, though vile as he,
Wash all my sins away.
Wash all my sins away.
Wash all my sins away.
And there may I, though vile as he,
Wash all my sins away.

Thou dying Lamb, Thy precious
blood
Shall never lose its power,
Till all the ransomed Church of God
Be saved, to sin no more.
Be saved, to sin no more.
Be saved, to sin no more.
Till all the ransomed Church of God

Be saved, to sin no more.

E'er since by faith I saw the stream
Thy flowing wounds supply,
Redeeming love has been my
theme,
And shall be till I die,
And shall be till I die,
And shall be till I die;
Redeeming love has been my
theme,
And shall be till I die.

Then in a nobler, sweeter song,
I'll sing Thy power to save,
When this poor lisping,
stammering tongue
Lies silent in the grave.
Lies silent in the grave.
Lies silent in the grave.
When this poor lisping,
stammering tongue
Lies silent in the grave.

167

DOWN FROM HIS GLORY D

Down from His glory, ever living
story,
My God and Saviour came, and
Jesus was His Name.
Born in a manger, to His own a
stranger,
A Man of sorrows, tears and
agony.

CHORUS

O how I love Him! How I adore Him!
My breath, my sunshine, my all in all!
The great Creator became my
Saviour,
And all God's fullness dwelleth in
Him.

What condescension, bringing us
redemption;
That in the dead of night, not one
faint hope in sight;
God, gracious, tender, laid aside
His splendour,
Stooping to woo, to win to save
my soul.

Without reluctance, flesh and
blood His substance,
He took the form of man,
revealed the hidden plan.
O glorious mystery, Sacrifice of
Calvary,
And now I know Thou wert the
great "I AM."

168

THINK ABOUT HIS LOVE F

Think about His Love,
Think about His Goodness,
Think about His Grace
That has brought us through;
For as high as the Heavens above;
So great is the measure of our
Father's Love;
Great is the measure of our
Father's Love.

169

SPEAK, MY LORD F

Hear the Lord of harvest sweetly
calling,
"Who will go and work for Me
today?
Who will bring to Me the lost and
dying?
Who will point them to the
narrow way?"

CHORUS

Speak, my Lord, speak, my Lord,
Speak, and I'll be quick to
answer Thee;
Speak, my Lord, speak, my Lord,
Speak, and I will answer,
"Lord send me."

When the coal of fire touched the
prophet,
Making him as pure as pure can be,
When the voice of God,
Said "Who'll go for us?"
Then He answered, "Here I am,
send me."

Millions now in sin and shame
are dying;
Listen to their sad and bitter cry;

Hasten, brother, hasten to the
rescue;
Quickly answer, "Master, here
am I."

Soon the time for reaping will be
over;
Soon we'll gather for the harvest
home;
May the Lord of harvest smile
upon us,
May we hear His blessed, "Child,
well done."

170

JUST ANY DAY NOW D

Just any day now, my Lord is
coming,
He'll be returning for you and me,
O, I've been watching and I've
been waiting,
Just any day now, His face I'll see.

171

GREAT IS THY FAITHFULNESS C

"Great is Thy faithfulness," O
God my Father,
There is no shadow of turning
with Thee;
Thou changest not,
Thy compassions, they fail not;
As Thou hast been Thou forever
wilt be.

CHORUS

"Great is Thy faithfulness! Great
is Thy faithfulness!"
Morning by morning new mercies
I see;
All I have needed Thy hand hath
provided;
"Great is Thy faithfulness," Lord,
unto me!

Summer and winter, and
springtime and harvest,
Sun, moon and stars in their
courses above,
Join with all nature in manifold
witness,
To thy great faithfulness, mercy
and love.

Pardon for sin and a peace that
endureth,
Thy own dear presence to cheer
and to guide;
Strength for today and bright
hope for tomorrow,
Blessings all mine, with ten
thousand beside!

172

IT'S A LOVELY, LOVELY NAME F

It's a lovely, lovely name,
The Name of Jesus;
It's a lovely, lovely name,
The Name I love;
It's a lovely, lovely name,
The Name of Jesus;
It's a lovely, lovely, lovely, lovely
name.

173

I SHALL NOT BE MOVED F

Jesus is my Saviour, I shall not
be moved;
In His love and favour, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

CHORUS

I shall not be, I shall not be
moved,}2x
Just like a tree that's planted by
the waters,
I shall not be moved.

In my Christ abiding, I shall not
be moved;
In his love I'm hiding, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

If I trust Him ever, I shall not be
moved;
He will fail me never, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

On His word I'm feeding, I shall
not be moved;
He's the One that's leading, I
shall not be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

Glory Hallelujah, I shall not be
moved;
Anchored in Jehovah, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

In His love abiding, I shall not be
moved;
And in Him confiding, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.
Though all hell assail me, I shall
not be moved;
Jesus will not fail me, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

Though the tempest rages, I
shall not be moved;
On the Rock of Ages, I shall not
be moved;
Just like a tree that's planted by
the waters,
I shall not be moved.

174

HAPPY DAY F

O happy day, that fixed my choice
On Thee, my Saviour and my God!
Well may this glowing heart
rejoice,
And tell its raptures all abroad.

CHORUS

Happy day, happy day,
When Jesus washed my sins
away!
He taught me how to watch and
pray,
And live rejoicing every day.
Happy day, happy day,
When Jesus washed my sins
away!

O happy bond, that seals my
vows
To Him who merits all my love!
Let cheerful anthems fill His
house,
While to that sacred shrine I
move.

'Tis done; the great transaction's
done!
I am my Lord's and He is mine;
He drew me, and I followed on,
Charmed to confess the voice
divine.

175

MINE ,MINE , MINE

F

Mine, mine, mine, Jesus is mine,
Mine, mine, mine, Jesus is mine,
Jesus is my Saviour, day by day,
Mine, mine, mine, Jesus is mine.

176

THE LIFE BOAT

F

We're floating down the stream
of time,
We have not long to stay;
The stormy clouds of darkness
Will turn to brightest day.
Then let us all take courage,
For we're not left alone;
The lifeboat soon is coming
To gather the Jewels home.

CHORUS

Then cheer, my brother, cheer,
Our trials will soon be o'er,
Our loved ones we shall meet,
shall meet,
Upon the golden shore.
We're pilgrims and we're
strangers here,
We're seeking a city to come,
The lifeboat soon is coming,
To gather the Jewels home.

Sometimes the Devil tempts me,
And says it's all in vain
To try to live a Christian life

And walk in Jesus' name;
But then we hear the Master say,
"I'll lend you a helping hand,
And if you'll only trust Me,
I'll guide you to that land."

The lifeboat soon is coming,
By eyes of faith I see
As she sweeps through the waters
To rescue you and me,
And land us safely in the port
With friends we love so dear.
"Get ready," cries the Captain;
"Oh, look, she's almost here."

Oh, now's the time to get on board,
While she is passing by;
But if you stand and wait too long,
You shall forever die;
The fare is paid for one and all,
The Captain bids you come,
And get on board the lifeboat,
She'll carry you safely home.

177

MARVELOUS GRACE

F

Marvelous grace of our loving Lord,
Grace that exceeds our sin and
our guilt.
Yonder on Calvary's mount
outpoured,
There where the Blood of the
Lamb was spilt.

CHORUS

Grace, grace, God's grace,
Grace that will pardon and
cleanse within;
Grace, grace, God's grace,
Grace that is greater than all our
sin.

Sin and despair like the sea
waves cold,
Threaten the soul with infinite loss;
Grace that is greater, yes, grace
untold,
Points to the Refuge, the Mighty
Cross.

Dark is the stain that we cannot
hide,
What can avail to wash it away?
Look! there is flowing a crimson
tide;
Whiter than snow you may be
today.

Marvelous, infinite, matchless grace,
Freely bestowed on all who believe;
You that are longing to see His face,
Will you this moment His grace
receive?

178

SURELY THE PRESENCE **C**

Surely the presence of the Lord
is in this place,
I can feel His mighty power and
His grace;
I can hear the rush of Angels'
wings,
I see glory on each face;
Surely the presence of the Lord
is in this place.

179

THEN JESUS CAME **C**

One sat alone beside the
highway begging,
His eyes were blind, the light he
could not see;
He clutched his rags and
shivered in the shadows,
Then Jesus came and bade his
darkness flee.

CHORUS

When Jesus comes the
tempter's pow'r is broken;
When Jesus comes the tears are
wiped away.
He takes the gloom and fills the
life with glory,
For all is changed when Jesus
comes to stay.

From home and friends the evil
spirits drove him,

Among the tombs he dwelt in
misery;
He cut himself as demon pow'rs
possessed him,
Then Jesus came and set the
captive free.

"Unclean! unclean!" the leper
cried in torment,
The deaf, the dumb, in
helplessness stood near;
The fever raged, disease had
gripped its victim,
Then Jesus came and cast out
every fear.

So men today have found the
Saviour able,
They could not conquer passion,
lust and sin;
Their broken hearts had left them
sad and lonely,
Then Jesus came and dwelt
Himself within.

180

WHEN WE SEE CHRIST **C**

Oft times the day seems long,
our trials hard to bear;
We're tempted to complain, to
murmur and despair;
But Christ will soon appear, to
catch His bride away,
All tears forever over, in God's
eternal day.

CHORUS

It will be worth it all, when we
see Jesus;
Life's trials will seem so small,
when we see Christ;
One glimpse of His dear face, all
sorrow will erase,
So bravely run the race till we
see Christ.

Sometimes the sky looks dark,
with not a ray of light;
We're tossed and driven on, no
human help in sight;

But there is One in heaven, who
knows our deepest care,
Let Jesus solve your problem,
just go to Him in prayer.

Life's day will soon be over, all
storms forever past;
We'll cross the great divide, to
glory safe at last;
We'll share the joys of heaven, a
harp, a home, a crown;
The tempter will be banished,
we'll lay our burden down.

181

COME BY HERE **F**

Come by here Lord, }
Come by here; }3x
Oh Lord, come by here.

Someone's praying Lord
Someone's crying Lord
Someone's calling Lord
Someone's hurting Lord

182

REDEEMED **G**

Redeemed, how I love to proclaim it!
Redeemed by the blood of the Lamb;
Redeemed through His infinite
mercy,
His child, and forever, I am.

CHORUS

Redeemed, redeemed,
Redeemed by the blood of the
Lamb;
Redeemed, redeemed,
His child, and forever, I am.

Redeemed and so happy in Jesus,
No language my rapture can tell;
I know that the light of His presence
With me doth continually dwell.

I think of my blessed Redeemer,

I think of Him all the day long;
I sing, for I cannot be silent;
His love is the theme of my song.

I know I shall see in His beauty
The King in whose law I delight;
Who lovingly guardeth my
footsteps,
And giveth me songs in the
night.

183

YOU ARE THE WORDS **D**

You are the words of the music,
You are the song that I sing,
You are the melody,
You are the harmony,
Praises to You I will sing;
You are the Mighty God,
You are the Lord of Lords,
You are the King of all Kings;
Now I return to You
The song that You gave to me,
You are the song that I sing.

184

I'VE ANCHORED IN JESUS **F**

Upon life's boundless ocean
Where mighty billows roll
I've fixed my hope in Jesus,
Blest anchor of my soul;
When trials fierce assail me
As storms are gath'ring o'er
I rest upon His mercy and trust
Him more.

CHORUS

I've anchored in Jesus,
The storms of life I'll brave;
I've anchored in Jesus,
I fear no wind or wave;
I've anchored in Jesus,
For He hath pow'r to save,
I've anchored in the Rock of Ages.

He keeps my soul from evil
And gives me blessed peace;
His voice has stilled the waters
And bid their tumult cease.
My pilot and deliverer
To Him I all confide,

For always when I need Him
He's at my side.

He is my Friend and Saviour
In Him my anchor's cast,
He drives away my sorrows
And shields me from the blast;
By faith I'm looking upward
Beyond life's troubled sea,
There I behold a haven
Prepared for me.

185

BY HIS WORD **D**

By His Word, I have no fear in me;
By His Word, death cannot
swallow me;
By His Word, I have prosperity;
By His Word, sickness can't
dwell in me;
By His Word, I walk in victory;
By His Word, I've been set free.

By His Name
By His Love

186

GREAT IS THE LORD
G

There is a Name I love to hear,
It falls like music on my ear,
It's the Name of Jesus Christ the
Lord;
He came from the Father in
Heaven above,
He died on the cross just to show
us His love;
Jesus, yes, Jesus is His Name.

CHORUS

Great is the Lord! Great is the Lord!
Great is the Father, great is the Son,
Great is the Holy Ghost, and
these three are One;
Jesus, yes, Jesus is His Name.

He is the dear Saviour of men,
He gave His own life just to free
us from sin,
It's the Name of Jesus Christ the
Lord;

The wonderful Counselor, the
Man from Galilee,
He calmed the angry waters
and He walked on the sea;
Jesus, yes, Jesus is His Name.

187

LET THERE BE JOY **G**

We are Your people O God:
Washed by the blood of the
Lamb,
Clothed in Your righteousness,
And in Your favour we stand.
We love exalting Your name,
Lifting up holy hands,
Praise to our mighty God,
Jehovah the Great I am.

CHORUS

Let there be joy in the house of
the Lord,
Let there be praise to the God of
our salvation,
Let there be singing and shouting,
Dancing and celebration,
Children of Zion rejoice!

188

TURN YOUR EYES ON JESUS **F**

O soul, are you weary and
troubled?
No light in the darkness you see?
There's light for a look at the
Saviour,
And life more abundant and free!

CHORUS

Turn your eyes upon Jesus,
Look full in His wonderful face;
And the things of earth will grow
strangely dim
In the light of His glory and grace.

Through death into life everlasting
He passed, and we follow Him
there;
Over us sin no more hath dominion,
For more than conquerors we are!

His Word shall not fail you, He promised;
Believe Him, and all will be well;
Then go to a world that is dying,
His perfect salvation to tell!

189

KEEP ON THE FIRING LINE F

If you're in the battle for the Lord
and the righteous,
Keep on the firing line.
If you'll win the victory surely you
must fight,
Keep on the firing line.
There are many dangers that we
all must face,
But if you die in fighting there is
no disgrace,
A coward in His service will have
no place,
So keep on the firing line.

You must fight, be brave
Against all evil,
Never run or even lag behind,
If you would win;
For God and the righteous,
Keep on the firing line.

190

HIGHER GROUND F

I'm pressing on the upward way,
New heights I'm gaining every day;
Still praying as I'm onward bound,
"Lord plant my feet on higher
ground."

CHORUS

Lord, lift me up and let me stand,
By faith, on heaven's tableland,
A higher plane than I have found;
Lord, plant my feet on higher ground.

My heart has no desire to stay
Where doubts arise and fears
dismay;
Tho' some may dwell where
these abound,
My prayer, my aim, is higher ground.

I want to scale the utmost height,
And catch a gleam of glory bright;
But still I'll pray till heav'n I've found,
"Lord, lead me on to higher ground."

191

WE'LL WORK TILL JESUS... D

O land of rest, for thee I sigh!
When will the moment come
When I shall lay my armour by,
And dwell in peace at home?

CHORUS

We'll work till Jesus comes,
We'll work till Jesus comes,
We'll work till Jesus comes,
And we'll be gathered home!

To Jesus Christ I fled for rest;
He bade me cease to roam;
And lean for succour on His breast
Till He conduct me home.

I sought at once my Saviour's side,
No more my steps shall roam;
With Him I'll brave death's
chilling tide
And reach my heavenly home.

192

AT CALVARY G

Years I spent in vanity and pride,
Caring not my Lord was crucified,
Knowing not it was for me He
died On Calvary.

CHORUS

Mercy there was great, and
grace was free;
Pardon there was multiplied to me;
There my burdened soul found
liberty, at Calvary.

By God's Word at last my sin I
learned;
Then I trembled at the law I'd
spurned,
Till my guilty soul imploring
turned To Calvary.

Now I've given to Jesus everything,
Now I gladly own Him as my King,
Now my raptured soul can only sing
Of Calvary.

Oh, the love that drew salvation's
plan!
Oh, the grace that brought it
down to man!
Oh, the mighty gulf that God did
span at Calvary.

193

GOT ANY RIVERS G

Got any rivers you think are
uncrossable?
Got any mountains you can't
tunnel through?
God specializes in things thought
impossible.
And He will do what no other
power can do.

194

THE WONDER OF IT ALL C

The wonder of it all,
The wonder of it all,
Just to know that Jesus loves
me,
The wonder of it all,
The wonder of it all,
Just to know that Jesus loves
me.

195

GOD BE WITH YOU Bb

God be with you till we meet again!
By His counsels guide, uphold you,
With His sheep securely fold you;
God be with you till we meet again!

CHORUS

Till we meet ! till we meet!
Till we meet at Jesus feet;
Till we meet! till we meet!
God be with you till we meet again!

God be with you till we meet again!
'Neath His wings securely hide you,
Daily manna still provide you;
God be with you till we meet again!

God be with you till we meet again.
When life's perils thick confound you;
Put His arms unfailing round you;

God be with you till we meet again!

God be with you till we meet again!
Keep love's banner floating o'er you,
Smite death's threat'ning wave
before you;
God be with you till we meet again!

196

SORRY FOR WHAT DONE D

Sorry for what you've done,
Sorry for what you've been,
Remember the way it used to be
And do it all over again,
Putting the past behind,
Soon it will be too late to start,
Jesus can give you life my friend,
But first He must heal your heart.

197

FIRE, FIRE, FIRE F

Fire, Fire, Fire, }
Fire, fall on me }2x
As on the day of Pentecost,
Fire fall on me,
As on the day of Pentecost,
Fire fall on me.

198

LILY OF THE VALLEY D

Lily of the valley,
Let Your sweet aroma fill my life.
Rose of Sharon show me
How to grow in beauty in God's sight.
Fairest of ten thousand,
Make me a reflection of Your light.
Daystar shine down on me,
Let Your light shine thru me in
the night.

CHORUS

Lead me Lord, I'll follow
Everywhere You open up the
door.
Let me know Your wisdom,
Show me things I've never seen
before.
Lord, I want to be a witness,

You can take what's wrong and
make it right.
Daystar shine down on me,
Let Your Light shine thru me in
the night.

Lord I see a world that's dying,
Wounded by the master of
deceit.

Groping in the darkness,
Haunted by the years of past
defeat;
But then I see You standing near
me,
Shining with compassion in Your
eyes.
Jesus shine down on me,
Let Your light shine thru me in
the night.

199

BEHOLD I LIVE **F**

John was in the Spirit
On the Lord's Day,
He heard a voice from Heaven
And this is what It said,
"I'm Alpha and Omega,
The Beginning and the End,
Behold, I live forevermore;
Behold, I live, Behold, I live, }
Behold I live forevermore. }2x
200

SO JUST BE FAITHFUL **D**

In these days of trials so near the
end,
When Christ from Glory doth
now descend,
Men's hearts are failing and filled
with fear,
We know the end time is surely
here.

CHORUS

So just be faithful, believe His
Word;
Stay with the Message that you
have heard;
List' to His prophet, his Message
heed;
Walk in the Light where His star
doth lead.

In every church age a star did
shine,
To help God's people a Truth to
find;
In this last church age a star
shines bright,
So friend receive it, walk in the
Light.

Do not be fearful or filled with
dread,
Your prophet sleepeth, he is not
dead;
The Bride is waiting now for that
Voice,
And in this hope we can now
rejoice.

His Word of promise He gave the
Bride,
From his White Charger the
prophet cried,
"Yet one more time shall I ride
this Trail."
THUS SAITH THE LORD can
never fail.

201

WE REMEMBER THEE **D**

We remember Thee, oh Lord,
We remember Thee,
Every time we break the bread,
{drink this cup}
We remember Thee.
202

ALL THE GLORY **G**

While walking on this earth,
We are nothing in ourselves,
Yet God's chosen to use us
In His mighty hand;
For the Master's plan requires
human instruments;
But they must not ever glorify
themselves.

CHORUS

All the glory must be to the Lord,
Only He is worthy of our praise.
No one on earth should give
glory to himself;
For all the glory must be to the
Lord.

Are we ready to obey Him
When He urges us to go?
Are we willing to be nothing
but servants of the cross?
In the times of trial and hardship,
Or when shining from the top,
Are we willing to lay down our
lives for Him?

203

YOU'RE MY PRAISE **F**

You're my praise,
You're my praise,
You're the song my heart keeps
singing,
You're my praise.
You're the reason why I'm living,
The very breath of life to me,
You're my praise.
You're my praise.

204

JESUS BE THE LORD OF ALL **D**

Jesus, be the Lord of all,
Jesus, be the Lord of all,
Jesus, be the Lord of all,
The Kingdoms of my heart.

Jesus, I surrender all,
Jesus, I surrender all,
Jesus, I surrender all,
The kingdoms of my heart.
205

I'M UNDESERVING **C**

I don't deserve to come to You Lord,
With my troubles and selfish pleas.
I know I have failed You in so
many ways,
But never have You failed
To meet all my needs;
I am the least in Your kingdom,
I know,
But Lord don't forsake me now;
All of Your mercies
I could never afford,
I'm undeserving of Your Love,
But love me, Lord.

CHORUS

For nobody here really knows me,
And no one here understands
my fears,
And when I'm in trouble and I'm
all alone,
Lord, only You can dry my tears.
O, if You should leave me,
Then where could I go
To find rest for my weary soul?
And because I'm so unworthy,
I love You even though
I'm undeserving of Your Love
But love me Lord.

I don't deserve the blood that
You shed,
When You died on the cross in
my stead,
And to think that each drop of
blood that fell from Your brow,
Would reach down a drop a time
To cleanse my soul now;
I don't deserve the place that
You prepared
For my life when this world is o'er,
But take my love forever,
Your presence I adore,
I'm undeserving of Your Love,
But love me Lord.
206

HE BROUGHT ME OUT **C**

My heart was distressed 'neath
Jehovah's dread frown,
And low in the pit where my sins
dragged me down;
I cried to the Lord from the deep
miry clay,
Who tenderly brought me out to
golden day.

CHORUS

He brought me out of the miry clay,
He set my feet on the Rock to stay;
He puts a song in my soul today,
A song of praise, hallelujah!

He placed me upon the strong
Rock by His side,
My steps were established and
here I'll abide;
No danger of falling while here I
remain,
But stand by His grace until the
crown I gain.

He gave me a song, 'twas a new
song of praise,
By day and by night its sweet
notes I will raise;
My heart's overflowing, I'm
happy and free,
I'll praise my Redeemer, who
has rescued me.

I'll sing of His wonderful mercy to
me,
I'll praise Him till all men His
goodness shall see;
I'll sing of salvation at home and
abroad,
Till many shall hear the truth and
trust in God.

207

WON'T IT BE A TIME F

Won't it be a time, }
When we get over yonder! }3x
Oh, Oh, won't it be a time!
Sing and shout, dance about, }
When we get over yonder, }3x
Oh, Oh, won't it be a time!

208

MORE THAN CONQUERORS D

CHORUS

We've been made more than
conquerors,
Overcomers in this life.
We've been made victorious,
Through the blood of Jesus
Christ.

When trouble comes knocking at
your door,
Don't be afraid it's not like before.
Don't you give in,
Don't let it bring you down,
You don't have to worry
anymore;

Jesus said there'll be tribulations,
But He said, "I have overcome."
Brothers and sisters, well now's
the time to stand,
Don't you know the battles all are
won.

Hold on, we're getting stronger
everyday,
There's no reason for you to go
astray,
Don't be leaning to your
understanding,
Lean on Him and we'll all say.....

CHORUS

209

JESUS THE CENTRE D

Jesus, You're the centre of my joy,
All that's good and perfect
comes from You,
You're the heart of my
contentment, Hope for all I do;
Jesus, You're the centre of my joy.

210

UP THE MOUNTAIN F

Up the mountain, }
Down in the valley, }
Jerusalem is my home. }2x
Home, home, home sweet
home. }
Jerusalem is my home. }2x

211

LET THERE BE FELLOWSHIP D

Let there be fellowship, true
fellowship,
In the homes of the people,
In the house of the Lord,
Family and church alike,
May we all be knitted so tight;
That we'll serve one another,
As Ye first served us.

Grant us relationship,
True spiritual relationship,
That we might walk together
In the love of the Lord.
Not just "How do you do?"
But "I really love you so."
That all men will know we are
The disciples of Christ.

BRIDGE

We confess our need of healing,
Lord, so often we've been
dealing
With our strife and many
problems
In our own way;
So we're in a broken up state,
Got to find a way to prostrate,
Help us oh Lord.

BRIDGE

For we love each other,
Don't we?
And we need each other,
Don't we?
And we are a family,
Aren't we
Under our Lord?
So Father, You would want to
free us,
And would want to really see us,
In one accord.

212

TEN THOUSAND YEARS D

Ten thousand years
We'll just be started;
Ten thousand years
We'll have just begun;
When the battle's over,
And the victory's won,
Ten thousand years,
And we've just begun.

213

SOMETHING HOLDING ME F

The trials of this world were
getting closer,
The pull I felt was more than I
could bear,
And I was on the verge of just
giving over:
The strength within myself just
wasn't there.

CHORUS

Something keeps holding me,
Everyday I see,
He's helping me faithfully
To overcome my trials;
He's guiding me constantly,

Giving me victory,
He's a reality;
Something keeps holding me.

Satan laid before me his temptation
Of his desire to steal away my faith,
But I have found in time the
revelation,
The strength I need to keep me
by His grace.

214

THE TOMB NOW IS EMPTY C

The tomb now is empty,
The stone's been rolled away,
And Christ is alive in my heart,
And death which is conquered,
In me, has no part,
For Christ is alive in my heart.

215

LET MY LIFE C

Let my life be a picture of You;
Let my life be a picture of You;
Let it be a letter written by Your
hand
For the world to read, and to see,
and to feel, and to know You live,
Live in me.

216

SHOWERS OF BLESSINGS F

"There shall be showers of
blessing."
This is the promise of love;
There shall be seasons
refreshing,
Sent from the Saviour above.

CHORUS

Showers of blessing,
Showers of blessing we need;
Mercy-drops round us are falling
But for the showers we plead.

"There shall be showers of
blessing,"

Precious reviving again;
Over the hills and the valleys
Sound of abundance of rain.

“There shall be showers of
blessing.”
Send them upon us, O Lord;
Grant to us now a refreshing,
Come, and now honour Thy
Word.

“There shall be showers of blessing.”
Oh, that today they might fall,
Now as to God we’re confessing,
Now as on Jesus we call!

217

COME HOLY SPIRIT D

Come Holy Spirit, I need You,
Come Sweet Spirit, I pray;
Come in Thy strength and Thy
power, O Lord,
Come in Thy own gentle way.

218

HERE WE ARE C

Here we are in Your presence,
Lifting holy hands to You;
Here we are praising Jesus
For the things He’s brought us
through.

219

THE LIGHTHOUSE F

There’s a lighthouse on the hillside,
That overlooks life’s sea;
When I’m tossed it sends out a
light,
That I might see;
And the light that shines in
darkness now,
Will safely lead me o’er;
If it was not for that lighthouse
My ship would sail no more.

CHORUS

I thank God for the Lighthouse,
I owe my life to Him;

For Jesus is the Lighthouse,
And from the rocks of sin
He has shone His Light around me,
That I might clearly see;
If it was not for that Lighthouse
Tell me where would this ship be.

Everybody that lives around us,
Says tear that old lighthouse
down,
The big ships don’t sail this way
anymore,
There’s no use of it standing
round
But then my mind goes back to
that stormy night,
When just in time, I saw the
Light,
Yes, the Light from that old
Lighthouse
That stands up there on the hill.

220

IN HIS PRESENCE C

In His presence there’s fullness
of joy,
At His right hand there’re
pleasures forevermore;
O what fellowship divine,
I am His and He is mine;
In the presence of the Lord
There’s fullness of joy.

221

MY WONDERFUL LORD F

I have found a deep peace that I
never had known,
And a joy this world could not afford,
Since I yielded control of my
body and soul,
To my wonderful, wonderful Lord.

CHORUS

My wonderful Lord, my wonderful
Lord,
By angels and seraphs in
Heaven adored;
I bow at Thy shrine, my Saviour
divine,
My wonderful, wonderful Lord.

I desire that my life shall be
ordered by Thee,
That my will be in perfect accord;
With Thine own sovereign will
Thy desires to fulfill,
My wonderful, wonderful Lord.

All the talents I have, I have laid
at Thy feet,
Thy approval shall be my reward;
Be my store great or small,
I surrender it all,
To my wonderful, wonderful Lord.

Thou art fairer to me than the
fairest of earth,
Thou omnipotent, life-giving Word;
O Thou Ancient of Days,
Thou art worthy all praise,
My wonderful, wonderful Lord!

222

AIN’T GOD GOOD F

Ain’t God good
To give us so many blessings,
Undeserving, that’s what we are;
We ought to thank Him
Love and praise Him,
A little more today,
A whole lot more tomorrow.

223

I’VE RECOGNIZED THE VOICE C

I will turn my back to sin,
Let Your love pull me in,
Knowing wisdom begins with
fear.
Turn my trembling to fervor,
As I learn daily to serve;
For I’ve recognized the voice that
draws me near.

CHORUS

I have recognized the voice,
I have understood the call;
I have seen the beauty of the
One I fear.
It is He who calls my name,

And His mercy I will claim;
I have recognized the voice that
draws me near.

I draw near only thro’ grace,
I can now look on His face,
Holy, holy is the One who meets
me here.
I know only that I must,
Now by faith begin to trust;
For I’ve recognized the voice that
draws me near.

224

OH HOW HE LOVES F

Oh, how He loves you and me,
Oh, how He loves you and me,
He gave His life,
What more could He give?
Oh, how He loves you,
Oh, how He loves me,
Oh, how He loves you and me.

225

GOD IS MOVING D

God is moving, God is moving,
He is moving all over the earth.
Signs and wonders are where
God’s moving;
He is moving all over the earth.

226

**IT’S A NAME ABOVE ALL
C**

It’s a name above all names,
And we will declare it,
We will declare it,
It’s a name above all names,
And we will shout it to a dying
world.

“Who will declare My name?
Who will shout My name
In the middle of the nations,
Who will take the shield of faith,
And the sword of My mouth
And declare My name to a dying
world?”

“He who hath declared Me thus far
Will walk in even greater power,
For the sands of time are running out,
Yet My name will be declared in this final hour.”

“I am Jehovah, I Am that I Am!
And My trumpet shall soon sound out.
I formed the world with just a whisper,
But this generation, this generation,
This generation heard Me shout.”

227

RISE AND BE HEALED F

Rise and be healed
In the name of Jesus;
Let faith arise in your soul!
Rise and be healed
In the name of Jesus,
He will cleanse you and make you whole!

228

LET GO AND LET GOD D

Let go and let God have His wonderful way,
Let go and let God have His way;
Your sorrow will vanish,
Your night turn to day,
Let go and let God have His way.

229

WE ARE A LINK C

CHORUS

We are a link in a strong chain
Reaching round the world,
Reaching round the world.
We are a torch lifted high,
flaming bright,
Shining round the world,
Shining round the world.

We are conquering the mountains,
Taking back the land,
Marching our vessels into war;
We are binding up the wounded,

They will live to fight again;
Advancing from the ocean
Back to the shore.

We must carefully plan our strategy,
Confusing the enemy,
We're doing it all through unity,
unity, unity.

230

WHEN ALL GET TO HEAVEN A

Sing the wondrous love of Jesus,
Sing His mercy and His grace;
In the mansions, bright and blessed,
He'll prepare for us a place.

CHORUS

When we all get to heaven,
What a day of rejoicing that will be!
When we all see Jesus,
We'll sing and shout the victory.

While we walk the pilgrim pathway,
Clouds will overspread the sky;
But when travelling days are over,
Not a shadow, not a sigh.

Let us then be true and faithful,
Trusting, serving, every day;
Just one glimpse of Him in glory
Will the toils of life repay.

Onward to the prize before us!
Soon His beauty we'll behold;
Soon the pearly gates will open,
We shall tread the streets of gold.

231

I WAS ON HIS MIND C

There's no one great amongst us,
We're nothing on our own,
We make mistakes, and often slip,
Just common flesh and bone;
But someday, I'll prove just why I say,
I'm of a special kind,
For while He was on the Cross
I was on His mind.

CHORUS

For, He knew me,
Yet, He loved me,
He whose glory makes the heavens shine.

I am so unworthy of such mercy,
Yet, while He was on the Cross
I was on His mind.

The look of love was on His face,
The thorns were on His head,
Blood was on His scarlet robe,
Stained in crimson red;
Though His eye was on the crowd that day
He looked ahead in time,
And while He was on the cross
I was on His mind.

232

MY TENT NO MORE PITCHED F

My tent is no more pitched
Down there in Egypt's land,
You'll see me no more there,
I live in another land.
Hallelujah, hallelujah, hallelujah,
hallelujah.

233

IT IS THROUGH GRACE F

It is through Grace, through Grace,
Through Grace we serve the Lord;
It is through Grace, through Grace,
Through Grace we serve the Lord.
It is through Grace, it is through Grace
we serve the Lord,
It is through Grace, it is through Grace
we serve the Lord.
(We come from far, from far,
from far to serve the Lord.....)

234

COME MORNING C

God's children so long have
been waiting,
They're longing for heaven's
bright shore
Where troubles are left far
behind us,
And burdens are carried no
more.

CHORUS

Come morning I'll walk by the river,
I'll rest 'neath the evergreen tree;

I'll carry my cross till the midnight,
Come morning there's glory for me.

Sometimes I'm despised and
rejected,
And I question, "Oh Father, how long?"
Then I take one more look at Mt.
Calvary
And it gives me the strength to go on.

235

VICTORY, VICTORY, VICTORY F

Victory, victory, victory,
Victory is mine,
Deep down in my soul,
Jesus made me whole;
Victory, victory, victory,
Victory is mine, Victory is mine.

236

THAT SOUNDS LIKE HOME D

That sounds like home to me,
Like where I want to be;
There'll be no tears
To dim our eyes again;
The hills will echo with the story,
As we sing of His grace and glory;
Where the saints of God will be,
That sounds like home to me.

237

FARTHER ALONG D

Tempted and tried we're oft
made to wonder
Why it should be thus all the day
long,
While there are others living
about us,
Never molested though in the
wrong.

CHORUS

Farther along we'll know all
about it,
Farther along we'll understand
why;

Cheer up, my brother, live in the
sunshine,
We'll understand it all by and by.

When death has come and taken
our loved ones,
It leaves our home so lonely and
drear;
Then do we wonder why others
prosper,
Living so wicked year after year.

Faithful till death said our loving
Master,
A few more days to labour and
wait
Toils of the road will then seem
as nothing,
As we sweep through the
beautiful gate.

When we see Jesus coming in
glory,
When He comes from His home
in the sky;
Then we shall meet Him in that
bright mansion,
We'll understand it all by and by.

238

THE LOVE OF JESUS D

The love of Jesus is so wonderful, }
Oh, wonderful love. }3x
It's so high, you can't get over it,
So low, you can't get under it,
So wide, you can't get around it,
Oh wonderful love.

239

THE GOD OF THIS EVIL AGE D

The God of this evil age,
Has blinded their eyes today,
A people who walk their
own way
Not according to God's Word.
They're denying the things
He's done,
Rejecting His only Son,
And accepting the creeds of
man;
Oh, this is the evening time.

CHORUS

This is the evening time,
It's later than you think;
The Bride is preparing now,
For her Lord to meet.
All things are ready now,
The combine is here.
He that hath an ear to hear,
The evening time is here.

Gross darkness throughout the
land,
And people can't understand,
God's prophet has warned the land
Proclaiming the Word to men;
So if you'll be saved today,
Just follow that way He gave,
That's accepting the Word of God
Oh, this is the evening time.

Seven thunders they don't believe,
How else could the Seals be
revealed
To give the Bride rapturing faith,
Sleeping saints and our Lord to
meet.
If you want to be raptured today,
Follow Ephesians 0:11's way,
It's the anointed Word today,
Oh, this is the evening time.

240

GOD IS ABLE D

God is able, God is able
To deliver from the fire;
He will rescue
Those who serve Him,
When the flames are burning
higher.

241

GOD WILL MAKE THIS TRIAL D

I've just come into a valley,
One like I've never been before,
I keep searching for a way out,
Seems like padlocks are on the
door.
Oh! there must be another sunrise,
Another sunset that I'll see,
God will make this trial a blessing,
Just be patient, you will see.

CHORUS

God will make this trial a blessing,
Though it sends me to my knees;

Though my tears flow like a river
Yet in Him there's sweet relief;
There's no need to get discouraged,
There's no need to talk defeat;
God will make this trial a blessing,
And the whole wide world will see.

I was not the first one to come
into this place,
You see every child of God this
test he must face,
It is here that God will mould you,
And make you what you ought to be.
God will make this trial a blessing,
Just be patient you will see.

I'm standing on the mountain,
Looking back I can see
When I was in my lowest valley,
His strong hand was leading me.
Oh, it's good to see the sunrise,
And to taste sweet victory!
God has made this trial a blessing,
Oh, the love He has for me.

242

YOU ARE WORTHY

G

You are worthy to be praised,
Lord Almighty,
And I worship You,
You are worthy to be praised;
Lord, I love You, and I worship
You,
You are worthy to be praised,
You are worthy, worthy,
Worthy to be praised.

243

JESUS NEVER FAILS F

So many have tested Him
Throughout the course of time,
So many still reach out to Him
With broken hearts and minds,
And every one of them will say,
Without exception that they find:
Jesus never fails.

Even in the days of old
He brought His people through,
Then He came and He showed
His love,

And died for me and you.
Jesus rose again and He proved
That His story has been true,
That Jesus never fails.

CHORUS

Jesus never fails, Jesus never
fails,
You might as well get thee
behind me, Satan,
You cannot prevail
Because Jesus never fails.

Sometimes in my life comes
trouble,
At times so hard to bear;
I know I could not make it
Without my Saviour being there;
It's so encouraging just to know,
However deep we're in despair:
That Jesus never fails.

244

BIND US TOGETHER D

Bind us together Lord, bind us
together
With cords that cannot be
broken,
Bind us together Lord, bind us
together Lord,
Bind us together with love.

There is only one God,
There is only one King,
There is only one body,
That is why I sing.

245

THROUGH IT ALL F

I've had many tears and sorrows,
I've had questions for tomorrow,
Many times I didn't know right
from wrong;
But in every situation,
God gave me blessed consolation,
That my trials only come to make
me strong.

CHORUS

Through it all, through it all,

I've learned to trust in Jesus,
I've learned to trust in God;
Through it all, through it all,
I've learned to depend upon His
Word.

I've been a lot of places,
And I've seen millions of faces,
But there were times I felt so all
alone;
But in my lonely hours,
Those precious lonely hours,
Jesus let me know that I am His
own.

So I thank God for the
mountains,
And I thank Him for the valleys,
And I thank Him for the storms
He brought me through;
For if I never had a problem,
How could I know that my God
would solve them;
How could I know what faith in
God can do.

246

IT'S THE LIFE A

It's the life behind the Name,
That makes the demons tremble;
It's the life behind the Name,
That makes the proud heart
humble;
It was God who devised a plan,
That in all things like a man,
He would live, so He could give,
Give us the life behind the
Name.

247

DO YOU KNOW GRACE

D

I was down as low as one could go,
I had no strength of my own;
Everything I worked for all my life,
Everything I loved was gone;
The lowest valley of my life.
I was flat on my face,
But then the great hand of Jesus
Reached down and picked me up,
Oh yes! I know grace.

CHORUS

Do you know grace,
Amazing grace?
Have you heard how sweet the
sound?
There are many dangers, toils
and snares,
We've already come,
Look where you came from
And where you are,
And I'll ask you, "Do you know
grace?"

When it comes time for Him to
take His Bride,
To that evergreen shore,
And He chooses you and I
To live in that land forever more;
When we've been there ten
thousand years,
And you see me in that place,
Oh! you could ask me this
question again,
I'll say, "Yes! I remember grace."

248

ONLY BY GRACE A

Only by grace can we enter,
Only by grace can we stand,
Not by our human endeavor;
But by the blood of the Lamb.
Into Your presence You called us,
You called us to come;
Into Your presence You draw us,
And now by Your grace we
come.}2x

Lord, if You mark our }
transgression, who would stand? }
Thanks to Your grace we are }
cleansed }
By the blood of the Lamb. }2x

249

ARE YOU WASHED? F

Do you know what it is
Not to have one guilty feeling,
Not to wonder where you're
going when you die;
Not condemned of the past,
Not afraid of what tomorrow
holds in store
And know the reason why?
Yes, that's just how it is
When you go down in the water

'Cause by faith you believe in
what you heard,
It's no impossible dream,
You can start over clean
When you're washed by the
water of the Word.

CHORUS

Are you washed by }
the water, }
Washed by the water }
of the Word? }2x

It's like being born again
With a whole new life to live,
Never having to look back to
what you've been,
'Cause according to the Lord
You've just started your existence,
And where He's concerned there
never was no sin;
For when God looks your way
He no longer sees a sinner
But a saint who's been washed
white as snow;
Not by any thing we've done
But by the blood of God's own Son.
Are you washed by the water of
the Word?

250

IF THAT SAME SPIRIT C

If that same Spirit that raised }
Christ from the dead }
Dwell in you, dwell in you, }2x
It shall quicken your mortal }
body, }
If that Spirit dwell in you. }2x

251

I WAS BORN TO SERVE F

From the dust of the earth,
My God formed this body,
His breath made me a living
soul;
And then the light of His Word
Struck the germ deep inside me,
That is why, that is why I love
Him
so.

CHORUS

For I was made in His likeness,
Created in His image,
For I was born to serve the Lord;
And I can't deny Him,
I will always walk beside Him,
For I was born to serve the Lord.

My hands, they were made to
serve His people,
My eyes, they were made to
read God's Word;
My feet, they were made to walk
in His pathway;
And my body is the temple of the
Lord.

Whom He foreknew, He did
predestinate,
To be conformed into His image,
Whom He foreknew, it's them He
also called.
Whom He called, He did justify;
Whom He justified, He has
glorified,
And I'm waiting for the
translation
to meet my Lord.

252

ALL OVER THE WORLD A

All over the world the Spirit is
moving,
All over the world as the prophet
said it would be;
All over the world there's a
mighty revelation
Of the coming of the Lord as the
waters cover the sea.

Deep down in my heart.....

253

MY TRIBUTE G

How can I say thanks
For the things You have done for me,
Things so undeserved,
Yet You gave to prove Your love
for me;
The voices of a million angels
Could not express my gratitude;
All that I am and ever hope to be
I owe it all to Thee.

CHORUS

But one thing I'm longing to do,
Is to lift up my cup and let You fill
it up with just You!

CHORUS

More of You, more of You,
I've had all, {I cry Lord} but what
I need, just more of You.
Of things I've had my fill
And yet I hunger still;
Empty and bare, Lord, hear my
prayer for more of You.

I have searched all around
In the husks that abound,
But I find no nourishment there;
Now my strength's almost gone
and I feel the pull of despair;
Yet my thirst drives me on,
and I stumble along,
Over ground so barren and dry,
For the spring's just ahead,
Living water! Lord, fill me, I cry.

263

HOLD ON

F

Hold on, (all you got to do is) }
Hold on, }
There is no failure in God. }2x

Just pray, (all you got to do is) }
Just pray, }
He won't fail, He won't fail, }
He won't fail. }2x

Look up, (all you got to do is) }
Look up, }
There is no failure in God. }2x

264

STANDING ON THE PROMISES G

Standing on the promises of
Christ my King,
Through eternal ages let His
praises ring;
Glory in the highest I will shout
and sing,
Standing on the promises of
God.

CHORUS

Standing, standing,
Standing on the promises of God
my Saviour;
Standing, standing,
I'm standing on the promises of
God.

Standing on the promises that
cannot fail,
When the howling storms of
doubt and fear assail.
By the living Word of God I shall
prevail,
Standing on the promises of God.

Standing on the promises I now
can see
Perfect, present cleansing in the
blood for me;
Standing in the liberty where
Christ makes free,
Standing on the promises of God.

Standing on the promises of
Christ the Lord,
Bound to Him eternally by love's
strong cord,
Overcoming daily with the Spirit's
sword,
Standing on the promises of
God.

Standing on the promises I
cannot fall,
Listening every moment to the
Spirit's call,
Resting in my Saviour as my all
in all,
Standing on the promises of
God.

265

MESSAGE OF HIS COMING G

We're looking for His coming, in
the clouds of heaven,
Coming back to earth to catch
away His own;
Then may we all be ready, when
midnight cry is given,
To go and reign with Christ on
His throne.

CHORUS

Gladly may we herald the message
of His blessed appearing,
Soon He's coming in glory, tell to
one and all;
Then awake, ye saints of the
Lord, why slumber when the end
is nearing,
But get ready for the final call.

We're longing for the glory that
awaits the faithful,
Who shall overcome, and every
conflict win;
Press ever bravely onward,
The prize is life eternal
To all who win the fight over sin.

We're praying for the advent of
our blessed Saviour,
Who has promised life to all who
trust His grace;
His coming now is pending, the
message being given,
And soon we'll see our Lord face
to face.

We see the signs appearing of
His blessed coming,
Lo, behold the fig leaves now
becoming green;
The gospel of His kingdom has
gone to every nation;
That we are near the end can be
seen.

266

EMPTY ME

F

Oh Lord, I've heard Your Word
that has called me,
And now I can't turn away;
I'm compelled by the truth that I
hear,
Just to walk with You my Lord,
This is my prayer.

And I know that in myself I am
not worthy Lord,
Of the place that You've
prepared for me;
But I love You, and I really want
to serve You,
So each day of my life
I will live for You.

CHORUS

Empty me, dear Lord,
Of all my self and pride;
Empty me, dear Lord,
Remove secret sins inside;
Empty me, Oh, my loving Lord,
Until I'm just like a little child,
So Your will could be done in my
life.

Sometimes from within,
Lord, how I groan and cry,
How I hunger and I thirst for Thee;
But I would not be satisfied,
Until I be filled with You,
Empty me, so that I can be filled
with You.

CHORUS

Empty me, dear Lord of unbelief
inside,
Lord let me never pretend,
Remove fears and doubts within;
Empty me, oh my loving God,
Until I'm just like a little child,
So Your will could be done in my
life.

267

WHATEVER IT TAKES D

D

There's a voice calling me,
From an old rugged tree,
And it whispers draw closer to
Me,
Leave this world far behind,
There are new heights to climb,
And a new place in Me you will
find.

CHORUS

And whatever it takes,
To draw closer to You Lord,
That's what I'll be willing to do,
And whatever it takes,
For my will to break,
That's what I'll be willing to do.
I'll trade sunshine for rain,
Comfort for pain,
That's what I'll be willing to do;
And whatever it takes,
For my will to break,
That's what I'll be willing to do.

Take the dearest thing to me,
If that's how it must be,
To draw me closer to Thee;
Let the disappointments come,
Lonely days without the sun,
If in sorrow, more like You I'll
become.

Take my houses, take my lands,
Take my dreams and my plans,
For I'm placing my whole life in
Your hands,
And if You'll call me today to a
land far away,
Then I'll go and Your will obey.

268

SO GLAD I'M YOURS LORD C

So glad I'm Yours, Lord,
So glad I'm Yours,
So glad Your mercy
Has followed me;
So glad You've found me
And set me free,
So glad I'm Yours, Lord,
So glad I'm Yours.

269

PSALMS 61 A

Hear my cry, O God,
Attend unto my prayer;
From the end of the earth,
Will I cry unto Thee;
For when my heart is
overwhelmed,
Lord, You lead me to that rock
That is higher than I.

Thou hast been O Lord,
A shelter for me;
And a strong tower from the enemy;
For when my heart is overwhelmed,
Lord, You lead me to that rock,
That is higher than I.

I will sing O Lord,
Praises unto Thee.
For Your joy is my strength,
And Your love it comforts me;
For when my heart is
overwhelmed,
Lord, You lead me to that rock
That is higher than I.

270

HE'LL NEVER LET GO F

Oh there's a hand that covers
the mountain,
And that furnished all the galaxies,
And that same hand that holds
the world in space,
Is the same hand that's holding
me.

CHORUS

And He'll never let go of my hand
Till I stand in heaven's fair land,
Till I'm safe forever more,
On that happy golden shore,
No, He'll never let go of my
hand.

He's been faithful when cold
winds were blowing,
And He's been true when storms
have assailed;
But His holy love that amazes me
Is that He loves me, even when I
fail.

271

THIS IS LIKE HEAVEN D

We find many people who can't
understand
Why we are so happy and free;
We've crossed over Jordan to
Canaan's fair land
And this is like Heaven to me.

CHORUS

Oh, this is like Heaven to me,
(Praise God!)
Yes, this is like Heaven to me;
I've crossed over Jordan to
Canaan's fair land
And this is like Heaven to me.

Oh, when I get happy, I sing and
I shout,
The devil don't believe it, I see:
But I'm filled with the Spirit, there
isn't a doubt,
And that's what's the matter with
me.

272

O PERFECT LOVE C

O perfect love all human thought
transcending,
Lowly we kneel in prayer before
Thy throne,
That theirs may be
The love which knows no ending,
Whom Thou forever more
Dost join in one.

O perfect life be Thou their full
assurance,
Of tender charity and steadfast
faith,
Of patient hope and quiet, brave
endurance,
With childlike trust that fears no
pain nor death.

Grant them the joy which
brightens earthy sorrow,
Grant them the peace which
calms all earthly strife;
And to life's day the glorious
unknown morrow,
That dawns upon eternal love
and life.

273

PSALM 100 F

Make a joyful noise unto the Lord
(The Lord,) all ye lands,
Serve the Lord with gladness,
Come before His presence with
singing;
Know ye that the Lord He is God,
It is He who hath made us

And not we ourselves,
We are His people and the
sheep of His pasture.

CHORUS

Praise God! }
Hallelujah, glory hallelujah! }4x

Enter into His gates with
thanksgiving,
And into His courts with praise,
Be thankful unto Him,
And bless, bless His name;
For the Lord He is good,
His mercy is everlasting,
And His truth, His truth endureth
to all generations.

274

BLESS THE LORD D

Bless the Lord }
Oh my soul! }
And all that is within me }
Bless His Holy name. }2x

He has done great things,
He has done great things,
He has done great things,
Bless His holy name.

I will bless the Lord
With all my soul,
And all that is within me
Bless His holy name.

From the rising of the sun }
Until the going down of the }
same, }
The name of the Lord }
Is to be praised. }2x

275

VICTORY AHEAD C

When the hosts of Israel, led by
God,
Round the walls of Jericho softly
trod;
Trusting in the Lord, they felt the
conqueror's tread,
By faith they saw the victory
ahead.

CHORUS

Victory ahead! Victory ahead,
Through the blood of Jesus,
Victory ahead;
Trusting in the Lord, I hear the
conqueror's tread,
By faith I see the victory ahead.

David, with a shepherd's sling
and five stones,
Met the giant on the field all alone;
Trusting in the Lord, he knew
what God had said,
By faith he saw the victory ahead.

Daniel prayed unto the Lord
thrice
each day,
Then unto the lion's den led the way;
Trusting in the Lord, he did not
fear or dread,
By faith he saw the victory ahead.

Often with the carnal mind I was
tried,
Asking for deliverance off I cried;
Trusting in the Lord, I reckoned I
was dead,
By faith I saw the victory ahead.

When like those who've gone
before to that land,
By death's river cold and dark I
shall stand;
Trusting in the Lord, I will not
fear or dread,
By faith I see the victory ahead.

276

OUR GOD REIGNS G

Our God reigns,
Our God reigns, {praise the Lord}
Our God reigns, our God reigns.

277

BLESSED BE MY ROCK C

Blessed be the name of my Rock,
Who trains my hands for war;
Causes me to walk in His
Overcoming power forevermore;
Blessed be the name of my Rock,
Blessed be the name of my Shield;

Blessed be the Lamb who has
opened the scrolls,
And loosed the Seven Seals.

Proclaim His Word to every land,
Let my people prepare for war;
Wake up the mighty men,
Let all your men become mighty
men of war;

Come, be a people great and strong,
The like of which has never been;
Pick up your sword, pick up your
shield,
Become mighty men;
Let the weak say, 'I am strong,'
Let the faint say, 'I am renewed;'
Blow the trumpet in Zion;
For I am coming soon!

The day of the Lord is at hand,
And His camp is very great,
For strong is the One who
performs His Word,
And by His Word all the earth
shall quake;
My people will become of strength,
With swift feet they shall run,
They shall leap the mountain like
a flame of fire,
Like a chariot in the sun.

The army of the Lord is great,
The army of the Lord of lords;
The faith of their hearts, this shall
be their strength;
And His Word shall be their sword.

278

MICHAEL I'M ON YOUR SIDE C

Michael, I'm on Your side,
Michael, I'm on Your side;
You have come on this earth
To fight for your Bride,
Michael, I'm on Your side.

279

PLEDGE ALLEGIANCE F

I have heard how Christians long
ago
Were brought before a tyrant's
throne;
They were told that he would
spare their lives

If they would renounce the name
of Christ;
But one by one they chose to die,
The Son of God they would not
deny;
Like a great angelic choir sing,
I can almost hear their voices ring.

CHORUS

I pledge allegiance to the Lamb,
With all my strength, with all I am,
I will seek to honour His
command;
I pledge allegiance to the Lamb.

Now the years have come,
And the years have gone,
But the cause of Jesus still goes
on;
Now the time has come to count
the cost,
To reject this world,
To embrace the Cross;
And one by one, let us give our
lives,
For the One who died to give us
life;
Till the Trumpet sounds on that
final day
Let us proudly stand and boldly say.

CHORUS

BRIDGE

To the Lamb of God,
Who bore my pain,
Who took my place,
Who wore my shame,
I will seek to honour His command;
I pledge allegiance to the Lamb.

280

SOMETIMES HALLELUJAH G

Sometimes hallelujah!
Sometimes praise the Lord!
Sometimes gently singing,
Our hearts in one accord.

281

MANIFESTING TIME D

The voice of my Beloved,
Behold He quickly comes,
Sweeping over the mountains,
Over the hills He runs.
I long to hear His voice,

I long to hear Him say,
"Arise my love, my fair one come
away."

CHORUS

It's manifesting time,
The fruits are on the vine,
And the Lovely One
Is coming in plain view;
O, to cap God's chosen Bride,
Redemption draweth nigh;
He's that lovely One,
He's coming in plain view.

The grapes are yours and mine,
Little foxes spoil the vine,
For the vineyard blossoms forth
her harvest time;
Keep your eyes on things above,
Don't look at me or you,
See that lovely One, He's
coming in plain view.

In the cleft of the Rock,
In the secret place so high,
Till the daybreak and the
shadows
flee away,
Oh, in that mountain place,
A sweet smell's coming through;
He's that lovely One -
He's coming in plain view.

282

WHEREVER I AM F

Wherever I am, I'll praise Him,
Whenever I can, I'll praise Him,
For His love surrounds me like
the sea,
I'll praise the Name of Jesus,
Lift up the Name of Jesus,
For the Name of Jesus lifted me.

283

VICTORY IN JESUS F

I heard an old, old story,
How a Saviour came from glory,
How He gave His life on Calvary
To save a wretch like me;
I heard about His groaning,

Of His precious blood's atoning,
Then I repented of my sins
And won the victory.

CHORUS

O victory in Jesus,
My Saviour, forever,
He sought me and bought me
With His redeeming blood;
He loved me ere I knew Him
And all my love is due Him,
He plunged me to victory,
Beneath the cleansing flood.

I heard about His healing,
Of His cleansing power revealing,
How He made the lame to walk
again
And caused the blind to see;
And then I cried, "Dear Jesus,
Come and heal my broken spirit,"
And somehow Jesus came and
brought
To me the victory.

I heard about a mansion
He has built for me in glory,
And I heard about the streets of
gold
Beyond the crystal sea;
About the angels singing,
And the old redemption story,
And some sweet day I'll sing up
there
The song of victory.

284

I AM BLESSED F

I am blessed, I am blessed,
Every day that I live I am
blessed;
When I wake up in the morning,
When I lay my head to rest
I am blessed, I am blessed.

285

HAD IT NOT BEEN F

Just suppose God searched
through heaven,
And couldn't find one worthy to
be The supreme sacrifice that
was needed,

To buy eternal life for you and
me.

CHORUS

Had it not been for a place called
Mt. Calvary,
Had it not been for the old
rugged Cross,
Had it not been for a Man called
Jesus,
Then forever, my soul would be
lost.

I'm so glad He was willing to
drink that bitter cup,
Although He prayed, "Father let it
pass from me,"
I'm so glad He didn't call
Heaven's angels,
To take the nails from His hands
that set me free.

I'm so glad He has promised a
Second Cycle,
And I'm so glad He's now riding
this trail again,
I'm so glad He revealed those
Seven Thunders
To give His Bride the power in
His New Name.

CHORUS

Had it not been for a place called
Mt. Sunset
Had it not been for those Seven
Seals
Had it not been for that Seventh
Angel,
Then forever, our souls would be
lost.

286

I LOVE YOU LORD F

I love You Lord, and I lift my voice,
To worship You, O my soul, rejoice,
Take joy my King in what You hear,
Let it be a sweet, sweet sound
In Your ear.

287

A BRAND NEW TOUCH D

CHORUS

Lord, You know I need a brand
new touch,

My strength from yesterday is
gone;
But if You'll give me, Lord,
another touch,
I'll have the strength to carry on.

I tho't the sun had come to stay,
But all too soon it went away,
And in its place the storm clouds
came,
And with the clouds there came
the rain;
It rained so hard and oh, so long,
But midst the storm I felt a calm;
It was Your touch that brought
me through it all,
Without Your help I'd surely fall.

Yesterday has come and gone,
And now a new day's coming on,
I do not know what it may bring,
My heart may cry instead of sing;
But it matters not what comes
my
way, Lord,
If You'll just touch me new each
day;
Your loving touch drives all my
fears away,
Close by Your side I want to stay.

BRIDGE

Lord, You know how weak I
really am,
Even better than myself;
But with Your help I know I really
can,
Make it thro' the darkest night,
And everything's gonna be all right.

288

INTO MY HEART D

Into my heart, into my heart,
Come into my heart, Lord Jesus
Come in today,
Come in to stay,
Come into my heart, Lord Jesus.

289

THERE'S A DAY COMING F

There's a great day coming, a
great day coming,

There's a great day coming by
and by,
When the saints and the sinners
shall be parted right and left,
Are you ready for that day to come?

CHORUS

Are you ready? Are you ready?
Are you ready for the judgement
day?
Are you ready? Are you ready
for the judgement day?

There's a bright day coming, a
bright day coming,
There's a bright day coming by
and by,
But its brightness shall only
come to them that love the Lord,
Are you ready for that day to come?

There's a sad day coming, a sad
day coming,
There's a sad day coming by and
by,
When the sinner shall hear his
doom,
"Depart, I know ye not,"
Are you ready for that day to
come?

290

GOD IS GOD D

God is God, and He always
will be God;
God is God, and He always
will be God.
He's the God in the fiery furnace,
He's the God in the lion's den;
He's the God of the whole creation,
He's the God in the hearts of men.

291

WEAR A CROWN F

Am I a soldier of the cross,
A follower of the Lamb,

And shall I fear to own His cause,
Or blush to speak His Name?

CHORUS

And when the battle's over, we
shall wear a crown!
Yes, we shall wear a crown! Yes,
we shall wear a crown!
And when the battle's over, we
shall wear a crown
In the new Jerusalem.
Wear a crown, wear a crown,
Wear a bright and shining crown;
And when the battle's over, we
shall wear a crown
In the new Jerusalem.

Must I be carried to the skies
On flowery beds of ease,
While others fought to win the prize,
And sailed through bloody seas?

Are there no foes for me to face?
Must I not stem the flood?
Is this vile world a friend to grace?
To help me on to God?

Sure I must fight if I would reign,
Increase my courage, Lord;
I'll bear the toil, endure the pain,
Supported by Thy Word.

292

I AM ONE OF THE FEW G

I am one of the few, one of the few,
And by faith in God's Word I can
claim it;
Though the way may seem long,
Though the opposition strong,
For the Bride there's a way
provided;
If you plan to go through,
Just to hope would not do,
But you've got to be firmly
decided
To follow the Lord by obeying
His Word,
And believe that "I'm one of the
few."

293

GO TELL THEM I AM F

I would that all be saved
And live an abundant life,

And know what it's like to be so
free,
Free from sin and strife.

CHORUS

Oh, but how, how will they know Me
But by My word?
Oh and how, how will you tell them,
Unless you go and do the things
you've heard?

I would that all be fed
And all be clothed,
And everyone would be so
blessed,
And all would be made whole.

I would that all men would prosper
And walk in My divine health,
But don't you know their soul's
Got to grow first of all,
Or never will they touch my wealth.

Some of you are called to be
missionaries,
Others are called to remain;
Beautiful are all the feet of those
who carry
To the world, My Word and My
Name.

BRIDGE

You've got to lay hands on the
sick And they'll recover,
It's written in my Word
And you know it's true;
You've got to raise up the dead
in Jesus Name,
And I'll be right there walking in
you.
Go tell them I AM, Go tell them I
AM...

294

HE IS ABLE G

He's able, He's able
I know my God is able;
I know my God is able to carry
me through.

295

THE END TIME D

I look and see earth's sorrowing
picture,

The hoarding mobs for selfish gain;
Their toil of hand for ease and
comfort,
Can they not see, their doom is
sealed, it's all in vain.

CHORUS

The end is here, it's now at hand,
The Bride is gathering; the world
is failing;
Israel's awakening; nations are
breaking;
Our prophet taught us, we
believe the end is here.

Sirs, this is the time! our prophet
spoke of,
The Angel came with a Shout,
The mountain shook as His
Voice cried out,
"Time is no more." loud and clear
the Shout went forth.

Have you considered the end-
time Message?
Have you considered Malachi 4?
Revelation 10:7, and St.Luke17
Proclaim this Message now, and
then forevermore.

296

FATHER IN HEAVEN C

Father in heaven how we love
You,
We lift Your name above the earth,
May Your kingdom be
established in our praises
And Your people declare
Your mighty Word.

Blessed be the Lord God Almighty,
Who was and is and is to come.
Blessed be the Lord God Almighty,
Who reigns forever more.

297

IT'S THE ANOINTING F

The Spirit of the Lord is upon me,
For He hath anointed me

To bring good tidings to the meek;
To bind the broken-hearted,
To proclaim liberty to the
captives,
And the opening of the prisons to
them that are bound.

CHORUS

It's the anointing that makes the
difference,
Once you've known It
You'll never be the same;
You can't live without It
Once it rests upon you;
It will teach you how to walk in
Jesus' name.

In My name, you will cast out
demons;
In My name, you will speak with
new tongues;
You shall lay your hand upon the
sick,
And they will recover;
All these signs shall follow you in
My name.

298

HE IS OUR PEACE D

He is our peace who has }
broken down every wall, }
He is our peace, }
He is our peace. }2x

Cast all your cares on Him, }
For He careth for you. }
He is our peace, }
He is our peace. }2x

299

SWEEP OVER MY SOUL F

Sweep over my soul, sweep over
my soul,
Sweet Spirit, sweep over my
soul;
My rest is complete while I sit at
Your feet;
Sweet Spirit, sweep over my
soul.

300

JESUS THE LIGHT D

All ye saints of light proclaim,

Jesus, the light of the world;
Life and mercy in His name,
Jesus, the light of the world.

CHORUS

We'll walk in the light, beautiful
light,
Come where the dewdrops of
mercy are bright;
Shine all around us by day and
by night,
Jesus, the light of the world.

Hear the Saviour's earnest call,
Jesus, the light of the world;
Send the Gospel truth to all,
Jesus, the light of the world.

Why not seek Him then today,
Jesus, the light of the world;
Go with truth the narrow way,
Jesus, the light of the world.

Come, confess Him as your
King,
Jesus, the light of the world;
Then the bells of heaven will
ring,
Jesus, the light of the world.

301

I WORSHIP YOU D

I worship You, oh Mighty God,
There is none like You.
I worship You, oh Prince of
Peace,
That is what I want to do.
I give You praise,
For You are my righteousness,
I worship You, oh Mighty God,
There is none like You.

302

OUR GOD IS SO GOOD D

Our God is so good.}8x
He sent us His prophet,}
Our God is good. }2x

303

TAKE ME, SEPARATE ME F

Lord, how I long to be lost in
Your precious arms,
And feel contentment sweep
over my soul;
To hear You speak peace to the
waters of my troubled mind,
I would rest in the strength there
I find.

CHORUS

Take me, separate me
From the things of this life,
Where I only see heartache and
strife;
Hide me, uphold me on eagles'
wings,
I know You'll never ever let me go.

Down deep in my soul,
There's a calling, a longing for
home,
'Cause I'm so tired of this world
below;
I know that somewhere, beyond
the curtain of time,
Lies a body, a new body that's
mine.

304

HE PAID A DEBT C

He paid a debt He did not owe,
I owed a debt I could not pay,
I needed someone to wash my
sins away;
And now I sing a brand new song,
Amazing Grace!
Christ Jesus paid the debt that I
could never pay.

305

SOMEONE IS PRAYING D

Someone is praying for you,
Someone is praying for you,
So when it seems you're all
alone,
And your heart would break in two,
Remember someone is praying
for you.

306

LORD PREPARE ME E

It is You Lord who came and
saved
The heart and soul of every man;
It is You Lord who knows my
weakness,
Give me strength which I don't
have.

CHORUS

Lord, prepare me to be a
sanctuary,
Pure and holy, tried and true;
With thanksgiving, I'll be a living
sanctuary for You.

Lead me on Lord, from
temptation,
Purify me from within;
Fill my heart with Your Holy Spirit,
Take away all my sins.

307

HIS NAME BE GLORIFIED D

His name be glorified,}2x
His name, His name,
His name be glorified.

Jesus we glorify,}2x
Jesus, Jesus,
Jesus, we glorify.

We've got to tell them }
Jesus saves, }2x
Tell them, tell them,
Tell them Jesus saves.

Stand up, Stand up,
Stand up for Him today.
Spread the gospel,
His name proclaim;
Stand up for Him today.

308

MY JESUS KNOWS C

My Jesus knows just what I need,
O yes, He knows just what I need;
He satisfies, my every need
supplies,
Yes, He knows just what I need.

309

WHERE COULD I GO F

Living below in this old sinful world,
Hardly a comfort can afford;
Striving alone to face
temptations sore,
Where could I go but to the Lord?

CHORUS

Where could I go, O where could
I go,
Seeking a refuge for my soul?
Needing a friend to help me in
the end,
Where could I go but to the Lord?

Neighbors are kind, I love them
every one,
We get along in sweet accord;
But when my soul needs manna
from above,
Where could I go but to the Lord?

Life here is grand with friends I
love so dear,
Comfort I get from God's own
word;
Yet when I face the chilling hand
of death,
Where could I go but to the Lord?

310

NEVER THE SAME AGAIN F

Never the same again,
I won't be the same again,
From the moment I met Jesus
New life for me began,
I won't be the same,
No, never the same again.

311

NOW UNTO THE KING F

Now unto the King Eternal,
Immortal, Invisible,
The only wise God,
Be honour and glory, forever and
ever,
Amen, amen, amen, amen,
amen.

312

WHAT A FELLOWSHIP F

What a fellowship, what a joy
divine,
Leaning on the everlasting arms;
What a blessedness, what a
peace is mine,
Leaning on the everlasting arms.

CHORUS

Leaning, leaning,
Safe and secure from all alarms;
Leaning, leaning,
Leaning on the everlasting arms.

Oh, how sweet to walk in this
pilgrim way,
Leaning on the everlasting arms;
Oh, how bright the path grows
from
day to day
Leaning on the everlasting arms.

What have I to dread,
What have I to fear,
Leaning on the everlasting arms;
I have blessed peace with my
Lord so near,
Leaning on the everlasting arms.

313

LEARNING TO LEAN F

Learning to lean, learning to
lean,
Learning to lean on Jesus,
Gaining more power,
Than I'd ever dreamed,
Learning to lean on Jesus.

314

SOON AND VERY SOON F

Soon and very soon, }
We are going to see the King, }3x
Hallelujah, hallelujah, we are
going to see the King.

No more crying there, }
We are going to see the King, }3x
Hallelujah, hallelujah, we are
going to see the King.

315

BROKEN AND SPILLED F

One day a plain village woman,
Driven by love for her Lord,
Recklessly poured out her
valuable essence
Disregarding the scorn;
And once it was broken and
spilled out,
A fragrance filled all the room,
Like a prisoner released from his
shackles,
Like a spirit set free from the tomb.

CHORUS

Broken and spilled out
Just for love of You Jesus,
My most precious treasure
Lavished on Thee;
Broken and spilled out,
And poured at Thy feet,
In sweet abandon,
Let me be used up
And be wasted on Thee.

Lord, You were God's precious
treasure,
His all and His own perfect Son,
Sent here to show me
The love of the Father,
Just for the love it was done;
And though You were perfect
and holy,
You gave of Yourself willingly;
You spared no expense for my
pardon,
You were used up and wasted
for me.

CHORUS

Broken and spilled out
Just for the love of me Jesus,
God's most precious treasure
Lavished on me;
Broken and spilled out,
Poured out at my feet,
In sweet abandon,
Lord, You were used up
And wasted on me.

316

THIS IS THE DAY C

This is the day, this is the day
That the Lord has made,
That the Lord has made,
We will rejoice, we will rejoice
And be glad in it, and be glad in it.

This is the day that the Lord has
made,
We will rejoice and be glad in it,
This is the day, this is the day
That the Lord has made.

317

WORTHY, WORTHY

F

Worthy, worthy,
Worthy is the Lamb that was slain.
Worthy, worthy,
Worthy is the Lamb that was slain.

Praise Him, praise Him,
Praise the Lamb that was slain.
Praise Him, praise Him,
Praise the Lamb that was slain.

{Love Him.....}
{Serve Him...}

318

HEAVENLY FATHER G

Heavenly Father, I appreciate You,
Heavenly Father, I appreciate You,
I love You, adore You
I bow down before You,
Heavenly Father, I appreciate You.

Holy Spirit, what a comfort You
are,
Holy Spirit, what a comfort You
are,
You lead me, You guide me,
You dwell right inside me,
Holy Spirit, what a comfort You are.

319

DRAW ME DEEPER D

Draw me from fear into
faithfulness,
Lead me along Your way;
Draw me from sin into Your
holiness,
That I might be a living praise.

CHORUS

Draw me deeper, deeper
Into Your Word of truth,
Deeper and deeper
To prove my love for You,
Deeper, deeper to the place
where You are;
Draw me deeper, and deeper,
That I may know Your heart.

Draw me from hate into charity,
From restlessness into Your
peace;
Draw me from anger into
gentleness,
Till every storm in my life shall
cease.

320

YOU ARE MY KING C

My days are filled with laughter,
My heart has known Your peace,
I've travelled far
Still there is more to go;
But in my heart there's a longing,
To look upon Your face,
Where You are, is where I want
to be.

CHORUS

You are my King, You are the
Lamb,
Lion of Judah, Seed of Abraham;
The Holy One, God's only Son;
You are the King of whose I am.

Every road I've travelled down,
You have walked before me
You've made the Light to shine
around me;
And I'm looking for the day,
When I'll bow before You,
And lay my crown at Your feet.

321

I FEEL LIKE TRAVELLING ON D

My heavenly home is bright and fair,
I feel like travelling on,
Nor pain, nor death, can enter there,
I feel like travelling on.

CHORUS

Yes, I feel like travelling on,
I feel like travelling on;
My heavenly home is bright and fair,
I feel like travelling on.

Its glittering towers the sun
outshine,
I feel like travelling on,
That heavenly mansion shall be mine,
I feel like travelling on.

Let others seek a home below,
I feel like travelling on;
Which flames devour, or waves
o'erflow,
I feel like travelling on.

The Lord has been so good to me,
I feel like travelling on;
Until that blessed home I see,
I feel like travelling on.

322**LONGING FOR JESUS A**

Longing, longing for Jesus,
I have a longing in my heart for Him;
Just to be near Him,
To feel His presence,
I have a longing in my heart for Him.

323**LORD, I'M COMING TO THEE D**

Lord, I'm coming now to Thee,
Lay Thy nail-scarred hand on me,
Let Thy healing virtue flow
And I shall be made whole.

324**BLESSINGS IN THE CITY C**

And it shall be if you will listen
To the voice of the Lord,
Faithful to obey all His
commandments,
That He will set you high above
all other nations,
And all of His blessings shall
overtake you.

CHORUS

There will be blessings in the city,
Blessings in the country,
Plenty of children and plenty to
feed them.

There will be plenty sheep and cattle,
Plenty food and bread,
Blessings when you're coming in,
Blessings when you're going out.

Bring all your tithes into the
storehouse,
Store up food, food in the temple,
Put me to the test, saith the Lord,
And I will open all the windows,
The windows of Heaven,
And pour out My blessings to
overflowing.

325**JESUS SIGNED MY PARDON D**

Jesus signed my pardon,
This I surely know,
He took my place on Calvary,
Now I don't have to go;
All my life I give Him,
He gave His for me
When He signed my pardon
There at Calvary.

326**I WILL EXTOL THEE****G**

I will extol Thee, O Lord, O my
King,
And I will praise Your name
forever and ever;
Everyday I will bless You and
praise Your holy name,
Great is the Lord and greatly to
be praised.

327**HE ABIDES G**

I'm rejoicing night and day,
As I walk the pilgrim way,
For the hand of God in all my life
I see,
And the reason of my bliss,
Yes, the secret all is this:
That the Comforter abides with me.

CHORUS

He abides, He abides,
Hallelujah, He abides with me!
I'm rejoicing night and day,
As I walk the narrow way,
For the Comforter abides with me.

Once my heart was full of sin,
Once I had no peace within,
Till I heard how Jesus died upon
the tree;
Then I fell down at His feet,
And there came a peace so
sweet,
Now the Comforter abides with me!

He is with me everywhere,
And He knows my every care,
I'm as happy as a bird and just
as free;
For the Spirit has control,
Jesus satisfies my soul,
Since the Comforter abides with me!

There's no thirsting for the things
of the world, they've taken wings;
Long ago I gave them up, and
instantly
All my night was turned to day,
All my burdens rolled away,
Now the Comforter abides with me!

328**GIVE ME WATER FROM WELL D**

Give me water from the well
That never runs dry,
Give me water from the well
That gives me hope when I die;
Give me water from the well
That never runs dry,
And I will thirst no more.

329**BRING THEM IN F**

Hark! 'tis the Shepherd's voice I
hear,
Out in the desert dark and drear,
Calling the sheep who've gone
astray,
Far from the Shepherd's fold
away.

CHORUS

Bring them in, bring them in,
Bring them in from the fields of sin;
Bring them in, bring them in,
Bring the wand'ring ones to Jesus.

Who'll go and help this Shepherd
kind,
Help Him the wand'ring ones to
find?
Who'll bring the lost ones to the
fold,
Where they'll be sheltered from
the cold?

Out in the desert hear their cry,
Out on the mountains wild and
high;
Hark! 'tis the Master speaks to
thee,
"Go find My sheep where'er they
be."

330**MY JESUS, SWEET JESUS F**

My Jesus, sweet Jesus, what a
wonder You are,
You are brighter than the
morning star,
You are fairer, much fairer than
the lily that grows by the way,
And Your love is more precious
than gold.

331**TO BE LIKE JESUS F**

To be like Jesus, to be like Jesus,
On earth I long to be like Him;
All thru life's journey from earth
to glory,
I only ask to be like Him.

332

BOUND FOR PROMISE LAND D

On Jordan's stormy banks I stand,
And cast a wishful eye
Toward Canaan's fair and happy
land,
Where my possessions lie.

CHORUS

I am bound for the promised land,
I am bound for the promised land;
O who will come and go with me?
I am bound for the promised land.

O'er all those wide extended plains
Shines one eternal day;
There God the Son forever reigns,
And scatters night away.

No chilling winds, nor poisonous
breath,
Can reach that healthful shore;
Sickness and sorrow, pain and
death,
Are feared and felt no more.

When shall I reach that happy place,
And be forever blest!
When shall I see my Father's face,
And in His bosom rest?

333**REDEMPTION COMETH****A**

Redemption cometh, praise the
Lord!
What a wonderful freedom,
Glory to His name!
I'm out of my bondage and into
God's freedom,
By the blood of Jesus, Praise the
Lord!

334**O LORD YOUR TENDERNESS C**

O Lord, Your tenderness, melting
all my bitterness,
O Lord, I receive Your love;
O Lord, Your loveliness,
changing my unworthiness,
O Lord, I receive Your love.}2x

335**SING THE BRIDE A SONG C**

To the world the Bride has never
looked so defeated,
While waiting for the promise of
the rapture, it seems so long;
I know she's struggling through
this world,
Trying to make heaven her home,
So Lord, let me sing Your bride a
song.

CHORUS

Let this song be something about
this message,
Like Christ the Mystery of God
Revealed or the Seven Seals,
Desperation, The Token or
Leadership or The Future Home,
Lord, let me sing Your bride a
song.

Well, I've always wanted to do
something special for Jesus,
But what could I offer Him
That He doesn't already own?
Well I know what I do for Him
Will be for His people,
So, Lord, let me sing Your bride
a song.

336**I SHALL KNOW HIM D**

Standing somewhere in the
shadows you'll find Jesus,
He's the One who always cares
and understands;
Standing somewhere in the
shadows you will find Him,
And you'll know Him by the nail-
prints in His hand.

CHORUS

I shall know Him, I shall know Him,
As redeemed by His side I shall
stand;
I shall know Him, I shall know
Him
By the prints of the nails in His
hands.

337**FILL ME NOW F**

Hover o'er me, Holy Spirit,
Bathe my trembling heart and brow;
Fill me with Thy hallowed
presence,
Come, O come and fill me now.

CHORUS

Fill me now, fill me now,
Jesus, come and fill me now;
Fill me with Thy hallowed
presence,
Come, O come and fill me now.

Thou can't fill me, gracious
Spirit, Though I cannot tell Thee
how;
But I need Thee, greatly need
Thee,
Come, O come and fill me now.

I am weakness, full of weakness,
At Thy sacred feet I bow;
Blest, divine, eternal Spirit,
Fill with pow'r, and fill me now.

Cleanse and comfort, bless and
save me,
Bathe, O bathe my heart and brow;
Thou art comforting and saving,
Thou art sweetly filling now.

338**O GLORY TO GOD A**

O glory to God, He lifted me up,
He lifted me up I know;
He reached down His hand
And lifted me up,
And that's why I love Him so.

339**GONE! STONE BEEN ROLLED D**

Gone! The stone's been rolled back,
Gone! The tomb is empty,
Gone! To sit at the Father's right
hand, {Hallelujah}
Gone! Over death triumphant,
Gone! Sin is defeated,
Gone! To live forever more.

340**TOUCH YOUR PEOPLE F**

We need wisdom, we need power,
And true love for each other,
We have had so many big but
empty worlds,
So we come before Your face,
Asking for Your grace,
Bring Your people to a state of
fruitful life;
Restore Your church again.

CHORUS

Touch Your people once again,
With Your precious Holy hand,
we pray,
Let Your Kingdom shine upon
this earth,
Thru a living glorious church;
Not for temporary needs, but to
restore authority and power,
Let Your mighty rushing wind
blow in,
Touch Your people once again.

Lord You see Your tired servants,
And Your broken wounded soldiers,
Oh, how much we need Your
precious healing hands;
We need the power of the cross,
It's the only source for us,
When we stand up facing final
battle cry;
Restore Your church again.

341**COME AND GO WITH ME D**

Come and go with me to my
Father's house,
To my Father's house, to my
Father's House.
Come and go with me to my
Father's house,
Where there's peace, peace,
peace.

342**WONDERFUL! WONDERFUL! F**

Wonderful! wonderful! Jesus is to
me,
Counselor, Prince of Peace,
Mighty God is He,
Saving me, keeping me from all
sin and shame,
Wonderful is my Redeemer,
praise His name.

WHERE THERE'S A DEEP C

We see the tree in the winter,
The green leaves are turned
brown and red,
The life that was there has gone
back to the ground,
It looks like the tree is dead.
There is a promise of springtime,
That life will be made anew;
It speaks of the resurrection
morning,
It shows that God's Word is true,

CHORUS

Where there's a deep, deep
calling,
There's a deep, deep to respond
Where there's a hope for a city,
There's a land beyond the sun,
Where there's a yearning,
burning, to leave this world we
have known,
There is a King returning, coming
to take us home.

Each one must come to his winter,
And God all His children has
saved,
That though they may lay us
beneath the cold ground,
The life that was there is not
dead,
We have a promise of springtime,
That life would be made anew,
We'll meet at the resurrection
morning,
We'll sail beyond the blue.

God's seed had to die and be
buried,
In Luther it started to sprout,
The work had begun, drawn forth
by the sun,
The message of faith brought it
out,
Then came the stalk by John
Wesley,
The Holy Ghost made the wheat
grow,
Then the chaff and the wheat
separated,
God's seventh angel Word made
it so.

THE OLD ACCOUNT G

There was a time on earth,
When in the book of heaven
An old account was standing for
sins yet unforgiven;
My name was at the top and
many things below,
I went unto the keeper and
settled long ago.

CHORUS

Long ago, (down on my knees)
Long ago (I settled it all)
Yes, the old account was settled
Long ago; (Hallelujah!)
And the record's clear today,
For He washed my sins away,
When the old account was
settled long ago.

The old account was large,
And growing everyday,
For I was always sinning,
And never tried to pay;
But when I looked ahead
And saw such pain and woe,
I said that I would settle,
I settled long ago.

When at the judgement bar,
I stand before my King,
And He the book will open,
He cannot find a thing;
Then will my heart be glad,
While tears of joy will flow
Because I had it settled and
settled long ago.

When in that happy home,
My Saviour's home above,
I'll sing redemption's story,
And praise Him for His love;
I'll not forget that book,
With pages white as snow,
Because I came and settled,
And settled long ago.

Oh sinner, seek the Lord,
Repent of all your sin,
For thus He hath commanded,
If you would enter in;
And then if you should live
A hundred years below,
Up there you'll not regret it,
You settled long ago.

SINCE I'VE BEEN REDEEMED C

I have a song I love to sing,
Since I have been redeemed,
Of my Redeemer, Saviour, King,
Since I have been redeemed.

CHORUS

Since I have been redeemed,
Since I have been redeemed
I will glory in His name;
Since I have been redeemed,
I will glory in my Saviour's name

I have a Christ that satisfies,
Since I have been redeemed,
To do His will my highest prize,
Since I have been redeemed.

I have a witness bright and clear,
Since I have been redeemed,
Dispelling every doubt and fear,
Since I have been redeemed.

I have a home prepared for me,
Since I have been redeemed,
Where I shall dwell eternally,
Since I have been redeemed.

IT SHALL FLOW LIKE A RIVER A

It shall flow like a river, It shall
fall like the rain,
It shall rise as the dew in the
morning o'er the plain;
For the knowledge of the Lord
shall fill all the earth
When the Spirit of the Lord shall
fall.

LET THE BEAUTY OF JESUS A

Let the beauty of Jesus be seen
in me,
All His wonderful passion and
purity;
O Thou Spirit divine, all my
nature refine,
Till the beauty of Jesus be seen
in me.

BATTLE HYMN OF REPUBLIC G

Mine eyes have seen the glory of
the coming of the Lord;
He is trampling out the vintage
where the grapes of wrath are
stored;
He hath loosed the fateful
lightning of His terrible swift
sword;
His truth is marching on.

CHORUS

Glory! glory, hallelujah!
Glory! glory, hallelujah!
Glory! glory, hallelujah!
His Truth is marching on.

I have seen Him in the watchfires
of a hundred circling camps;
They have buided Him an altar
in the evening dews and damps;
I can read His righteous
sentence by the dim and flaring
lamps;
His day is marching on.

He has sounded forth the
trumpet that shall never sound
retreat;
He is sifting out the hearts of
men before His judgement seat;
O, be swift, my soul to answer
Him! be jubilant my feet!
Our God is marching on.

In the beauty of the lilies Christ
was born across the sea,
With a glory in His bosom that
transfigures you and me;
As He died to make men holy, let
us die to make men free;
While God is marching on.

TAKE UP YOUR CROSS F

Take up your cross, and follow
Jesus,
Take up your cross every day;
Don't be ashamed, to say that
you know Him,
Count the cost, take up your cross
And follow Him.

I COULD NEVER OUT LOVE F

There've been times when giving,
And loving brought pain,
And I promised I would never,
Let it happen again;
But I found out, that loving,
Was well worth the risk,
And that even in losing I'll win.

CHORUS

I want to live, the way
He wants me to live;
I want to give,
Until there's just no more to give;
I want to love, love,
Till there's just no more love;
I could never, ever out love my
Lord.

Jesus showed us that only
Through dying we live,
And He gave, when it seemed
There was no more to give,
Jesus loved when loving
Brought heartache and loss;
And He forgave from the old
rugged Cross.

UNTIL YOU KNOW A

Until you know the loving hand
That reaches down to fallen man,
And picks him up above the plane
Where he has trod;
Until you know just how it feels
To know that God is really real,
You know nothing
Until you know the love of God.

MERCY REWROTE MY LIFE F

Mercy rewrote my life,
Mercy rewrote my life,
I could have fallen, my soul cast
down,
But mercy rewrote my life.

NO NEVER ALONE A

I've seen the lightning flashing,
And heard the thunder roll;
I've felt sin's breakers dashing,
Trying to conquer my soul;
I've heard the voice of my Saviour,
Telling me still to fight on;
He promised never to leave me,
Never to leave me alone.

CHORUS

No, never alone! No, never
alone!
He promised never to leave me,
Never to leave me alone;
No, never alone! No, never
alone!
He promised never to leave me,
Never to leave me alone.

The world's fierce winds are
blowing,
Temptations sharp and keen;
I feel a peace in knowing
My Saviour stands between;
He stands to shield me from
danger,
When earthly friends are gone;
He promised never to leave me,
Never to leave me alone.

When in affliction's valley,
I'm treading the road of care;
My Saviour helps me to carry
My cross when heavy to bear;
My feet, entangled with briars,
Ready to cast me down,
My Saviour whispers His
promise,
"I never will leave thee alone."

He died for me on the mountain,
For me they pierced His side;
For me He opened the fountain,
The crimson, cleansing tide;
For me He's waiting in glory,
Seated upon His throne;
He promised never to leave me,
Never to leave me alone.

WE'LL TALK IT OVER C

Tho' shadows deepen and my
heart bleeds,
I will not question the way He leads;
This side of heaven we know in part,
I will not question a broken heart.

CHORUS

We'll talk it over in the by and by,
We'll talk it over, my Lord and I,
I'll ask the reasons, He'll tell me why,
When we talk it over in the by
and by.

I'll trust His leading; He'll never fail,
Thro' darkest tunnels or misty vale;
Obey His bidding and faithful be,
Tho' only one step ahead I see.

I'll hide my heartache behind a
smile,
And wait for reasons till after while;
And 'tho He try me I know I'll find,
That all my burdens are silver lined.

MORE THAN ENOUGH**C**

Jehovah Jireh, my Provider,
You are more than enough for me.
Jehovah Rapha, You're my Healer,
By Your stripes I've been set free.
Jehovah Shammah You are with me,
You supply all my needs;
You are more than enough,
You are more than enough,
You are more than enough for me.
Jehovah Nissi, You are my
victory, You are more than
enough for me.

Jehovah sidkenu, my righteousness,
All You are I now can be.
Jehovah Ra-ah, You're my
shepherd, Shalom, You are my
peace.
You are more than enough, so
much more than enough, You
are more than enough for me.

I AM THE LORD D

I am the Lord that healeth thee,
I am the Lord, your Healer,
I sent my word to heal your
diseases,

I am the Lord your Healer.

HAVE THINE OWN WAY C

Have Thine own way, Lord!
Have Thine own way!
Thou art the Potter;
I am the clay.
Mould me and make me
After Thy will,
While I am waiting,
Yielded and still.

Have Thine own way Lord!
Have Thine own way!
Search me and try me,
Master, today!
Whiter than snow, Lord,
Wash me just now,
As in Thy presence
Humbly I bow.

Have Thine own way, Lord!
Have Thine own way!
Wounded and weary,
Help me I pray!
Power, all power,
Surely is Thine!
Touch me and heal me,
Saviour divine!

Have Thine own way, Lord!
Have Thine own way!
Hold o'er my being absolute
sway!
Fill with Thy Spirit till all shall
see,
Christ only, always,
Living in me!

I WAS GLAD**C**

I was glad when they said unto me,
I was glad when they said unto me,
I was glad when they said unto
me,
Let us go in the house of the
Lord.

So glad,	{ so glad }
So glad,	{ so glad }
So glad,	{ so glad }
So glad.	

HALLELUJAH**F**

Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah, hallelujah,
Hallelujah, hallelujah,

Lord we love You.....

Thank You Jesus.....

JESUS IN ME **D**

William Branham is the prophet
To this seventh age;
He revealed every mystery,
And to God we give our praise.
With the saints he is waiting
For us to understand,
The seven thunders mystery,
The stature of a perfect man.

CHORUS

Jesus in me, Jesus in me,
Seven thunders within this life of mine,
From Paul to William Branham,
From Faith to Perfect love,
These lively stones are reaching
out to God.

There is no one like my Jesus,
No person can compare,
He satisfies me fully,
There's no reason for despair;
And when battles in this life
Get me down all so low,
He fills my lamp with living oil
When in prayer to Him I go.

His grace is all sufficient
For this failing flesh of mine,
Every answer to the Bible,
It has been there all the time;
And even though I fail Him daily,
Perfection dwells within,
Those seven thundering voices
Will bring Jesus back again.

The foundation of the pyramid
Is Faith preached by Paul,
Irenaeus fought for Virtue,
That pyramid grew tall.
Do you see where we are
standing?
Just one more step and then
Those seven thundering voices
Will bring Jesus back again.

361

PRAISE THE LAMB

F

Hallelujah, praise the Lamb!
Hallelujah, praise the Lamb!
My heart sings His praise again,
Hallelujah praise the Lamb!

362

THE OLD FASHIONED MEETING **C**

Oh, how well I remember in the
old-fashioned days,
When some old-fashioned
people had some old-fashioned
ways;
In the old-fashioned meetings, as
they tarried there,
In the old-fashioned manner,
How God answered their prayer.

CHORUS

'Twas an old-fashioned meeting,
in an old-fashioned place,
Where some old-fashioned
people had some old-fashioned
grace:

As an old-fashioned sinner I
began to pray,
And God heard me, and saved
me in the old-fashioned way.

There was singing, such singing
of those old-fashioned airs!
There was power, such power in
those old-fashioned prayers,
An old-fashioned conviction
made the sinner pray,
And the Lord heard and saved
him,
In the old-fashioned way.

Well, they say it is better, "Things
have changed don't you know,"
And the people in general, seem
to think it is so;
And they call me old-fashioned
when I dare to say,
That I like it far better in the
old-fashioned way.

If the Lord never changes, as the
fashions of men,
If He's always the same, why,
He is old-fashioned then!

As an old-fashioned sinner
saved thro' old time grace,
Oh, I'm sure He will take me to
an old-fashioned place.

363

IN HIS PAVILION **F**

In times of trouble and inward
struggle
When it seems the end of the way,
Taking His direction,
I'm longing for perfection,
I only need to feel His hand in mine.

CHORUS

Dear Jesus, I'm in Your pavilion,
There I'll find the strength
I need to carry on,
In the secret of Your presence,
Beholding Your beauty, oh Lord.

In God's Word I'm reading, how
my life is leading,
Onward to that beautiful shore.
I'll greet the saints at heaven's door,
With a love I've never felt before,
What joy is waiting there for me.

CHORUS

But until then, I'll stay
In Your pavilion,
There I'll find the strength
I need to carry on;
In the secret of Your presence,
Beholding Your beauty oh Lord.

364

THEREFORE THE REDEEMED **G**

Therefore the redeemed of }
the Lord shall return, }
And come with singing, unto }
Zion, }
And everlasting joy shall be }
upon their heads; }2x
They shall obtain gladness and
joy,
And sorrow and mourning shall
flee away.

Therefore the redeemed of the
Lord shall return,
And come with singing unto Zion,
And everlasting joy shall be upon
their heads.

365

THE LILY OF THE VALLEY **D**

I've found a friend in Jesus, He's
everything to me.
He's the fairest of ten thousand
to my soul;
The Lily of the Valley, in Him
alone I see
All I need to cleanse and make
me fully whole.
In sorrow He's my comfort, in
trouble He's my stay,
He tells me every care on Him to
roll. Hallelujah!
He's The Lily of the Valley, the
Bright and Morning Star,
He's the fairest of ten thousand
to my soul.

He all my grief has taken, and all
my sorrows borne;
In temptation He's my strong and
mighty tower;
I have all for Him forsaken, and
all my idols torn
From my heart, and now He
keeps me by His power.
Though all the world forsake me,
and Satan tempt me sore,
Through Jesus I shall safely
reach the goal. Hallelujah!
He's the Lily of the Valley, the
Bright and Morning Star,
He's the fairest of ten thousand
to my soul.

He'll never, never leave me, nor
yet forsake me here,
While I live by faith and do His
blessed will;
A wall of fire about me, I've
nothing now to fear;
With His manna He my hungry
soul shall fill.
Then sweeping up to glory, we'll
see His blessed face,

Where rivers of delight shall ever
roll. Hallelujah!
He's the Lily of the Valley, the
Bright and Morning Star,
He's the fairest of ten thousand
to my soul.

366

THERE IS A RIVER F

There was a thirsty woman,
Who was drawing from a well,
Her life was ruined and wasted,
Her soul was bound for hell.
Then she met the Master,
Who told of her great sin,
He said, "If you drink this water,
You'll never thirst again."

CHORUS

There is a river
That flows from deep within.
There is a fountain
That frees the soul from sin.
Come to these waters;
There is a vast supply.
There is a river,
That never shall run dry.

There came a sound from
Heaven
As a rushing, mighty wind,
It filled their hearts with singing,
And gave them peace within.
The prophet gave the promise,
The Spirit will descend,
And from your inner being,
A river with no end.

367

HOSANNA C

Oh, Magnify the Lord! }
For He is worthy }
To be praised. }2x

CHORUS

Hosanna! Blessed be }
the Rock! }
Blessed be the Rock }
of my Salvation. }2x

Glory, glory to His Name, }
He lives and reigns forevermore }2x

Jehovah Jireh is His Name. }
For He provideth all my needs. }2x

368

SOFTLY AND TENDERLY F

Softly and tenderly Jesus is calling,
Calling for you and for me,
See on the portals He's waiting
and watching,
Watching for you and for me.

CHORUS

Come home, come home,
Ye who are weary, come home;
Earnestly, tenderly, Jesus is calling,
Calling, Oh sinner, come home!

Why should we tarry when Jesus
is pleading,
Pleading for you and for me?
Why should we linger and heed
not His mercies,
Mercies for you and for me?

Time is now fleeting, the
moments are passing,
Passing from you and from me;
Shadows are gathering, death's
night is coming,
Coming for you and for me.

Oh! for the wonderful love He
has promised,
Promised for you and for me;
Though we have sinned,
He has mercy and pardon,
Pardon for you and for me.

369

LORD WE LONG F

Into Your court we come,
Deep in our hearts we long to be
Near to the throne of Your glory;
As we draw near to You,
Know that we're here to do Your will,
God, how we long to be near to You.

May our prayers be like incense
Raising up to Your throne,

May our songs be a fragrance
unto You,
May our lives be a pleasing
offering in all that we do,
Oh! God how we long to be }
near to You. }2x

370

NOTHING BUT THE BLOOD F

What can wash away my sin?
Nothing but the blood of Jesus;
What can make me whole
again?
Nothing but the blood of Jesus.

CHORUS

Oh, precious is the flow
That makes me white as snow;
No other fount I know,
Nothing but the blood of Jesus.

For my cleansing this I see,
Nothing but the blood of Jesus;
For my pardon this my plea,
Nothing but the blood of Jesus.

Nothing can for sin atone,
Nothing but the blood of Jesus;
Naught of good that I have done,
Nothing but the blood of Jesus.

This is all my hope and peace,
Nothing but the blood of Jesus;
This is all my righteousness,
Nothing but the blood of Jesus.

Now by this I'll overcome,
Nothing but the blood of Jesus;
Now by this I'll reach my home,
Nothing but the blood of Jesus.

Glory! Glory! Thus I sing,
Nothing but the blood of Jesus;
All my praise for this I bring,
Nothing but the blood of Jesus.

371

A LITTLE MORE OIL
D

A little more oil in my lamp, keep
me burning;
A little more oil in my lamp, I pray.

A little more oil in my lamp, keep
me burning,
Keep me burning 'til the break of
day.

Sing Hosannah! Sing hosannah!
Sing Hosannah to the King of
Kings!
Sing Hosannah! Sing hosannah!
Sing Hosannah to the King.

372

BEULAH LAND

F

I've reached the land of corn and
wine,
And all its riches freely mine:
Here shines undimmed one
blissful day,
For all my night has passed away.

CHORUS

O Beulah land, sweet Beulah land,
As on thy highest mount I stand,
I look away across the sea,
Where mansions are prepared
for me,
And view the shining glory-shore,
My Heaven, my home
forevermore!

My Saviour comes and walks
with me,
And sweet communion here
have we;
He gently leads me by His hand,
For this is Heaven's borderland.

A sweet perfume upon the breeze,
Is borne from ever-vernal trees
And flow'rs, that never-fading
grow,
Where streams of life forever flow.

The zephyrs seem to float to me,
Sweet sounds of Heaven's
melody,
As angels with the white-robed
throng,
Join in the sweet Redemption
song.

373

FAITH IN JEHOVAH D

Faith in the Father, and faith in
the Son,
Faith in the Holy Ghost,
These three are One;
Demons will tremble, and sinners
awake;
Faith in Jehovah makes anything
shake.

374

HE IS ABLE TO DELIVER A

'Tis the grandest theme thro' the
ages rung;
'Tis the grandest theme for a
mortal tongue;
'Tis the grandest theme that the
world ev'r sung,
"Our God is able to deliver thee."

CHORUS

He is able to deliver thee, He is
able to deliver thee;
Tho' by sin oppressed, go to Him
for rest;
"Our God is able to deliver thee."
A-MEN.

'Tis the grandest theme in the
earth or main;
'Tis the grandest theme for a
mortal strain;
'Tis the grandest theme, tell the
world again,
"Our God is able to deliver thee."

'Tis the grandest theme, let the
tidings roll,
To the guilty heart, to the sinful
soul;
Look to God in faith, He will
make thee whole,
"Our God is able to deliver thee."

375

REACH OUT TOUCH THE LORD F

Reach out and touch the Lord
As He goes by,
You'll find He's not too busy
To hear your heart's cry;
He is passing by this moment,
Your needs to supply,
Reach out and touch the Lord

As He goes by.

376

SHUT IN WITH GOD A

Shut in with God in a secret place,
There in the Spirit beholding His
face,
Gaining new power to run in the
race,
I love to be shut in with God.

377

THE GRASS IS GREENER D

Well I watched a hand today
Reach out to a loved one,
And it nearly broke my heart to
say good-bye
When I heard my brother say
that He was leaving,
I've been waiting, oh so long, for
God's chariot to take me home
Where the grass is greener on
the other side,
Where the grass is greener on
the other side.

CHORUS

Where the roses never ever die,
God's river never runs dry,
Children play forever on the hills
of freedom;
No more war, no more pain,
No more parting ever again,
The grass is greener on the
other side,
Where the grass is greener on
the other side.

Oh, this earth with all of its
beauty holds so little,
And if I could leave today, I'll be
satisfied.

Well I hope that you won't think
that I'm ungrateful,
But my heart is set on glory,
And my mind is fixed on glory,
Where the grass is greener on
the other side,
Where the grass is greener on
the other side.

378

TRAVELLING ON THE ROAD F

We are travelling on the right
road,
We are travelling on the right
road,
There is one way to the city of
God
We are travelling on the right road.

379

HE'S BEEN FAITHFUL F

In my moments of fears,
Through many pains, many tears,
There's a God who was faithful
to me;
When my strength was all gone,
When my heart had no song,
Even then God was faithful to me;
Every word He has promised is
true,
What I thought was impossible
I've seen my God do.

CHORUS

He's been faithful, faithful to me.
Looking back, His love and
mercy I see.
Though in my heart, I have
questioned,
Even failed to believe;
Yet He's been faithful, faithful to
me.

When my heart looked away,
The many times I could not pray,
Still my God, He was faithful to me;
The days I've spent so selfishly
Reaching out for what pleased me,
Even then God was faithful to me;
Every time I come back to Him,
He is waiting with open arms,
And I see once again.

380

IT WON'T BE LONG D

It won't be long, soon we'll be
leaving here,

It won't be long, we'll be going
home.

Count the years as months,
Count the months as weeks,
Count the weeks as days,
Any day now, it won't be long,
We'll be going home.

We shall be like Him, }3x
In the twinkling of an eye,
In a moment of time,
We'll be going home.

381

NO OTHER BLOOD D

So many years, so many Lambs
were offered up,
But all the blood that was spilt
Could never fill that bitter cup,
Till one spotless Lamb in the
form of man,
Gave His life on Calvary,
His was the only blood that could
ever set me free.

CHORUS

For His blood was not just blood
Of another spotless lamb,
But His blood was precious blood,
For it was to claim back man.
With His blood, He healed my
body
And set my spirit free,
I'm so glad for His precious
blood
That still flows from Calvary.

No other blood could heal my
broken body,
No other blood could save my
sin-sick soul,
No other blood can conquer
death
And win the victory,
No other blood, than the blood
He shed for me.

382

JEHOVAH HIDE ME F

I am under the Rock,
The Rock is higher than I,
Jehovah hide me,
I am under the Rock.

Go tell my enemy,
I am under the Rock,
Jehovah hide me,
I am under the Rock.

383

OH, THE BLOOD OF JESUS F

Oh, the blood of Jesus,
Oh, the blood of Jesus;
Oh, the blood of Jesus,
That washes white as snow.

384

HE DROPPED THE CHARGES G

I was guilty of all the charges,
doomed in disgrace,
But Jesus with His special love
saved me by His grace;
He pleaded and He pleaded, He
pleaded my case,
Jesus dropped the charges,
Jesus dropped the charges,
Now I'm saved through grace
and faith.

I was guilty for so long,
Lived in sin too long,
But Jesus with His special love,
Reached down with His arm so
strong;
He picked me up and turned me
around,
Gave me a brand new song,
Jesus dropped the charges,
Now to Him I belong.

We may remember and remember,
All of the things we've done,
But Jesus with His special love,
Forgave us of every one;
He put me on the right road,
Lifted my heavy load,
Jesus dropped the charges,
Now I'm free down in my soul.

CHORUS

He dropped the charges,
Jesus dropped the charges,
Although I was wrong,

He dropped the charges,
Jesus dropped the charges,
Showed me right from wrong,
He dropped the charges,
Jesus dropped the charges,
Cast them all away.

At Calvary I heard Him say,
At Calvary I heard Him say,
At Calvary I heard Him say,
Case dismissed, case dismissed,
Saved by grace.

385

ONLY JESUS CAN SATISFY C

This world may try to satisfy that
longing in your soul,
You may search the whole world
o'er
But you'll be just as before,
You'll never find true satisfaction,
Not until you've found the Lord,
For only Jesus can satisfy your
soul.

CHORUS

Only Jesus can satisfy your soul,
And only He can change your life
And make you whole.
He'll give peace you never knew,
Sweet love and joy and heaven too,
For only Jesus can satisfy your soul.

You may have the fame and fortune,
All the wealth you could obtain,
Yet if you have not Christ within,
Your living here would be in vain,
For there'll come a time when
death shall call you,
Riches cannot help you then,
So come to Jesus, for only He
can satisfy.

386

MY HOUSE IS FULL C

There is peace and contentment
in the Father's house today;
Lots of food on His table and no
one is turned away;
There is singing and laughter as
the hours pass by,
But a hush calms the singing as
the Father sadly cries:

CHORUS

My house is full, but my field is
empty;

Who will go and work for me today?
It seems my children all want to
stay around my table,
But no one wants to work in my
field.}2x

Push away from the table, look
out through the window pane;
Just beyond the house of plenty
lies a field of golden grain;
And it's white unto harvest, but
the reapers where are they?
In the house, oh, can't the
children hear the Father sadly
say:

387

NEVER FORSAKEN A

Oh, I know you may be weary,
And at times it can get rough,
You may not have all you want
But you always have enough;
And when it seems you're at the
end,
Just remember what I say,
I've never seen the righteous
forsaken
Nor his seed begging for bread.

Oh, I know it seems so hopeless,
And you don't know what to pray,
You've done all you know you
could
And it seems there's just no way;
And when your darkest hour
would come,
Just remember what I say,
I've never seen the righteous
forsaken
Nor his seed begging for bread.

CHORUS

I've never seen God's people
With a need that He could not
meet,
I know that He cares for His own
And His promises He'll keep.

So just hold on a little longer,
The answer's soon to come,
The endless waiting almost over,
The victory's almost won,
And when again you feel this joy
Just remember what I say;
I've never seen the righteous
forsaken
Nor his seed begging for bread.

388

THOU ART WORTHY A

Thou art worthy, Thou art worthy,
Thou art worthy O Lord.
To receive glory, glory and honour,
Glory and honour and power;
For Thou hast created, hast all
things created,
Thou has created all things,
And for Thy pleasure they are
created
Thou art worthy O Lord.

I JUST CAME SAY TO THANKS C

Lord, I didn't come here
To ask You for anything,
Lord, I just want to say, "Thank
You Lord."
You answered a million prayers,
oh God
That I forgot to thank You for,
Lord, I just want to say, "Thank
You Lord."

CHORUS

For maybe tomorrow
I'll have troubles and sorrows,
And a thousand tears may fall,
But until I face tomorrow's test
I'll have no special favours to ask
Lord, I just want to say, "Thank
You Lord."

You've been so good,
And You've been so kind,
I'm so grateful Lord,
I'm so grateful Father,
You kept us in our right minds.
Many times we didn't know what
to do,
But You always brought us through,
We come today Lord,
We come today Father,
Just to say, "Thank You Lord."

You gave us eyes to see,
When we were bound, You set
us free,
We can't forget Lord,
All of the things that You have
done.
Lord, we travelled by land
And we travelled by air,
I know You kept us Lord,

You kept us from harm, hurt and danger.

390

I'VE BEEN CHANGED G

I've been changed, I've been reborn,
All my life has been rearranged;
What a difference it makes when
the Lord has His way;
All my life, Praise God, has been
changed.

391

WOUNDED SOLDIER D

See all the wounded,
Hear all their desperate cry for
help,
They're seeking for shelter and
for peace.
Our comrades are suffering,
Come let us meet them and their
need
Don't let the wounded soldier die.

CHORUS

Come let us pour the oil,
Come let us bind the hurt,
Let's cover them with the blanket
of His love;
Come let us break the bread,
Come let us give them rest,
Let's minister healing to them;
Don't let another wounded
soldier die.

Obeying their orders,
They fought on the front line for
their King,
Tearing down the enemy's
stronghold;
But, weakened from battle,
Satan crept in to steal their lives;
Don't let the wounded soldiers
die.

392

THE GREAT EMANCIPATOR D

Once my heart and soul were
fettered
By the binding chains of sin,
But the great Emancipator
Set me free to worship Him.

CHORUS

Glory, glory, hallelujah,
Blessed be His holy name!
He's the great emancipator,
That's the song of the redeemed!

Like a lost lamb I was drifting,
O, so helpless and alone,
But the seeking Shepherd found
me,
Led me to my Father's home.

393

HE'LL DO IT AGAIN

A

You may feel down and feel like
God has somehow forgotten
That you are faced with
circumstances you can't get
through;
Right now it seems that there's
no way out and you're going
under,
But, God's proven time and time
again,
He'll take care of you.

CHORUS

And He'll do it again,
He'll do it again,
If you just take a look,
At where you are now,
And where you have been.
For hasn't He always come
through for you,
He's the same now as then.
You may not know how,
You may not know when,
But He'll do it again.

My God knows the pain
You're going through and He
knows how you're hurting,
You see, He knows just how
your heart has been broken in
two.
But He's the God of the stars
and of the sun and of the sea
And He is your Father.
He can calm the storm and find a
way
To take care of you.

BRIDGE

He's still God
And He will not fail you;
He's still God
And He cannot change.
Know that He's God
And He's fighting for you,
Just like Moses,
Just like Daniel,
Just like Shadrack, Meshack,
Abednego.

394

A GLORIOUS CHURCH D

Do you hear them coming brother,
Thronging up the steeps of light,
Clad in glorious, shining garments,
Bloodwashed, garments pure
and white?

CHORUS

'Tis a glorious church without
spot or wrinkle,
Washed in the blood of the
Lamb;
'Tis a glorious church without
spot or wrinkle,
Washed in the blood of the
Lamb.

Do you hear the stirring
anthems,
Filling all the earth and sky,
'Tis a grand victorious army,
Lift its banner up on high!

Never fear the clouds of sorrow,
Never fear the storms of sin,
We shall triumph on the morrow,
Even now our joys begin.

Wave the banner, shout His
praises,
For our victory is nigh;
We shall join our conquering
Saviour,
We shall reign with Him on high.

395

MAKE MY LIFE TO BE G

Make my life to be like a melody,

Ever sounding out the message
of the Cross.
Saviour, let me be like a melody,
Ever sounding out the message
of the Cross.

With Jesus in your heart, no
discord can arise,
He can make the saddest heart
to harmonize.
Saviour, let me be like a melody
Ever sounding out the message
of the Cross.

RISE AGAIN E

Go ahead, drive the nails in
my hand,
Laugh at me, where you stand,
Go ahead, and say it isn't me,
The day will come, when you
will see.

CHORUS

'Cause I'll rise again,
Ain't no power on earth
can tie me down;
Yes, I'll rise again,
Death can't keep me
in the ground.

Go ahead, and mock my name,
My love for you is still the same;
Go ahead, and bury me,
But very soon, I will be free.

Go ahead, and say I'm dead
and gone,
But you will see that you were
wrong;
Go ahead, try to hide the Son,
But all will see, that I'm the One.

HE IS MY EVERYTHING D

He is my everything,
He is my all.
He is my everything,
Both great and small;
He gave Himself for me,
Made everything new;
He is my everything,
None other will do.

Some folks may ask me,
Some folks may say,
Who is this Jesus you talk
about each day?
May I never complain or murmur
Lord;
He is my everything, He is my
all.

JESUS MORE THAN EVER D

He healed the blind man;
Walked on the water,
And He raised up Jairus daughter.
He fed the hungry, cleansed
the leper;
But we need Jesus now more
than ever.

CHORUS

Jesus now more than ever,
We are sailing in stormy
weather;
And all His children should get
together,
For we need Jesus now more
than ever.

He touched the lame man and
he started walking;
He touched the dumb man
and he started talking;
He put their lives all back
together,
But we need Jesus now more
than ever.

In the book of Revelation,
We read about the
persecution;
We are heading in that
direction,
And only Jesus' blood would
give protection.

TRUST IN THE LORD D

Trust in the Lord
With all thine heart;
And lean not to thine own
understanding;
But in all thy ways
Acknowledge Him and
He shall direct thy path.

Trust Him, trust Him,
And thou shall find good
favour,
and good understanding;
Trust Him, trust Him,
And He shall direct thy path.

BECAUSE HE LIVES F

God sent His Son, we called
Him Jesus,
He came to love, heal and forgive,
He bled and died to buy my
pardon,
An empty grave is there to
prove that my Saviour lives.

CHORUS

Because He lives, I can face
tomorrow,
Because He lives, all fears are
gone,
Because I know He holds the
future,
And life is worthwhile living
just because He lives.

And then one day I'll cross
that river,
I'll fight life's final war with Him,
And then as death gives way
to victory,
I'll see the light of glory for I
know He reigns.

And then in our day, God sent
His prophet,
Just as He promised that He
would send
To prepare a bride for this end
time message,
And Christ in me is there to
prove that His word still lives.

I AM THE WAY, THE TRUTH, C

I am the Way, the Truth and the
Life
That's what Jesus said,
I am the Way, the Truth and the
Life
That's what Jesus said.
Without the Way there is no
going,
Without the Truth there is no
knowing,
Without the Life there is no living;
I am the Way, the Truth and the
Life
That's what Jesus said.

HE RESTORETH MY SOUL G

When I'm low in spirit,
I cry, "Lord lift me up, I want to
go higher with thee."
But the Lord knows I can't live
on the mountain,
So He picked out a valley for me.

CHORUS

He leads me beside still waters,
Somewhere in the valley below;
He draws me aside to be
tested and tried,
But in the valley, He restoreth
my soul.

It's dark like a dungeon and
the sun seldom shines,
And I question, "Lord, why
must this be?"
But He tells me there's
strength in my sorrow,
And there's victory in trials for
me.

CAUSE ME TO COME F

Cause me to come to Thy river,}
Oh Lord; }3x
Cause me to come, cause me
to drink, cause me to live.

Cause me to drink at Thy river,}
Oh Lord; }3x
Cause me to come, cause me
to drink, cause me to live.

Cause me to live at Thy river,}
Oh Lord; }3x
Cause me to come, cause me
to drink, cause me to live.

Cause me to live in Thy }
presence, oh Lord; }3x
Cause me to come, cause me
to drink, cause me to live.

A SUPERNATURAL PLACE D

Lazarus heard a voice though
dead in the tomb,
And Samuel heard the same,
though yet a boy;
We read of Moses and Paul
who were changed in their
ways,
They heard the voice of God
from a supernatural place.

CHORUS

Into a supernatural place,
Hearing God's voice, seeing
His face,
Heavenly words of light have
shone on the bride,
Oh, what a reflection of glory
and grace!
What a reflection of glory and
grace.

In the dark of night, God sent
a light,
To quicken us by the rising of
the Son;
Our gloom is passed away,
We are looking at the day
Thru eyes that see a
supernatural place.

GLORIFY HIS NAME G

I came to glorify His Name,
I came to glorify His Name,
I came to glorify the Name of
the Lord,
I came to glorify His Name.

HE'S STILL WORKING ON ME D

He's still working on me
To make me what I ought to be.
It took Him just a week to
make the Moon and the Stars,
the Sun, the Earth and Jupiter
and Mars.
How loving and patient He
must be,
He's still working on me.

HEADING FOR GLORY D

Sometimes I feel lonely on
these shores where I wait,
In this world that You died for
there's so much evil and hate.
But my cross gets so heavy and
my friends, they are so few,
But Your arms are my shelter
and my eyes are on You.

CHORUS

Heading for glory on a ship
coming in,
You know, gone will be our
heartaches we've had now
and then.

Oh, He is coming for His children,
A crown of life they will wear.
Heading for glory on a ship
coming in.

Well you know, soon this battle
on this earth, it shall end.
And we long for that country
where we'll be free from all sin,
Oh, it seems that I can hear
shouting and it's coming, it is
so near,
Well it can't be much longer,
Soon that ship will be here.

IN THE NAME OF JESUS C

In the Name of Jesus, in the
Name of Jesus,
We have the victory,
In the Name of Jesus, in the
Name of Jesus,
Satan will have to flee.
When we come in the Name
of Jesus,
Tell me who can stand before,
In the precious Name of Jesus,
We shall have the victory.

GLORY TO GOD... C

We are never, never weary of
the grand old song;
Glory to God, hallelujah!
We can sing it loud as ever,
With our faith more strong:
Glory to God, hallelujah!

CHORUS

O, the children of the Lord
have a right to shout and sing,
For the way is growing bright
and our souls are on the wing;
We are going by and by to the
palace of a King!
Glory to God, hallelujah!

We are lost amid the rapture
of redeeming love;
Glory to God, hallelujah!
We are rising on its pinions to
the hills above:
Glory to God, hallelujah!

We are going to a palace that
is built of gold;
Glory to God, hallelujah!
Where the King in all His
splendour we shall soon
behold:
Glory to God, hallelujah!

There we'll shout redeeming
mercy in a glad, new song;
Glory to God, hallelujah!
There we'll sing the praise of
Jesus with the blood-washed
throng:
Glory to God, hallelujah!

OH WHAT A JOY F

Oh, what a joy, O what a joy,
O what a joy in my soul,
It's Jesus on the inside
reflecting on the outside,
O what a joy in my soul.

O what a love.....
O what a peace.....

WE ARE WELL ABLE A

'Twas the Lord of host that led
us out of Egypt's land:
And He led us through the
Red Sea by His mighty hand,
Never halting in the
wilderness.
But His command
Gave us assurance we were
able to possess the land.

CHORUS

We are able to go up and take
the country,
And possess the land from
Jordan to the sea;
And the giants tall be there our
way to hinder,
God will surely give the
victory.

When the spies brought back
the message, this is what they
said;
"Against giants and walled
cities, we cannot be led."
But a Caleb and Joshua said,
"They'll be as bread:
We are able to go up and
possess the land-ahead."

When we crossed the river
Jordan, in the land we found;
Wine and oil, and milk and
honey, richest fruits abound;
Sparkling fountains, and the
showers come upon the
ground;
We were able, Hallelujah! let
God's praise resound.

There's no thirsting for old
Egypt, since we're in this way,
And we care not what the
critics or the ten spies say;
For the land abounds in
plenty, and we're here to stay.
Won't you come and join us,
brother, enter in today?

THANK YOU LORD F

Thank you Lord, for saving my
soul,
Thank you Lord, for making me
whole,
Thank you Lord for giving to me
Thy great salvation so rich and
free.

I AM COMING, LORD **D**

I hear Thy welcome voice
That calls me, Lord, to Thee
For cleansing in Thy precious
blood
That flowed on Calvary.

CHORUS

I am coming, Lord!
Coming now to Thee!
Wash me, cleanse me in the
blood
That flowed on Calvary!

Thou' coming weak and vile,
Thou dost my strength assure;
Thou dost my vileness fully
cleanse,
Till spotless all and pure.

'Tis Jesus calls me on
To perfect faith and love,
To perfect hope, and peace,
and trust,
For earth and heaven above.

OLD-TIME POWER **D**

They were in an upper chamber,
They were all with one accord,
When the Holy Ghost descended
As was promised by our Lord.

CHORUS

O Lord, send the power just now,
O Lord, send the power just now;
O Lord, send the power just now
And baptize every one.

Yes, this power from heaven
descended
With the sound of rushing wind;
Tongues of fire came down
upon them,
As the Lord said He would send.

Yes, this "old-time" power was
given
To our fathers who were true;
This is promised to believers,
And we all may have it too.

VICTORY **G**

Hallelujah, what a thought!
Jesus full salvation brought,
Victory, victory,
Let the powers of sin assail,
Heaven's grace can never fail,
Victory, victory.

CHORUS

Victory, {victory,} Yes victory,
{Yes victory,}
Hallelujah! I am free,
Jesus gives me victory,
Glory, glory, Hallelujah!
He is all in all to me.

I am trusting in the Lord,
I am standing on His word,
Victory, victory.
I have peace and joy within,
Since my life is free from sin,
Victory, victory.

Shout your freedom
everywhere,
His eternal peace declare,
Victory, victory.
Let us sing it here below,
In the face of every foe,
Victory, victory.

We will sing it on that shore
When this fleeting life is o'er,
Victory, victory.
Sing it here, ye ransomed
throng,
Start the everlasting song:
Victory, victory.

I AM DETERMINED **D**

I am determined, I've made up
my mind
I'll serve the Lord.
I'll leave this world and its
treasures behind,
I'll serve the Lord.
I'll follow wherever He leadeth;
I'll pasture wherever He
feedeth.
I am determined, I've made up
my mind,
I'll serve the Lord.

BLESSED BE THE NAME **G**

All praise to him who reigns above
In majesty supreme;
Who gave his Son for man to die,
That he might man redeem.

CHORUS

Blessed be the name, blessed
be the name,
Blessed be the name of the Lord;
Blessed be the name, blessed
be the name,
Blessed be the name of the Lord.

(Jesus is the Name...)
(Magnify His Name...)

His name above all names
shall stand,
Exalted more and more,
At God the Father's own right
hand,
Where angel hosts adore.

Redeemer, Saviour, Friend of
man
Once ruined by the fall;
Thou hast devised salvation's
plan,
For Thou hast died for all.

His name shall be the Counselor,
The mighty Prince of Peace,
Of all earth's kingdoms
Conqueror,
Whose reign shall never cease.

THANK YOU LORD **F**

Thank you Lord,
Thank you Lord,
Thank you Lord,
I just want to thank you,
I just want to thank you,
I just want to thank you, Lord.

Praise you Lord,
Praise you Lord,
Praise you Lord,
I just want to praise you,
I just want to praise you,
I just want to praise you, Lord.

WHITER THAN THE SNOW **D**

Blessed be the Fountain of blood,
To a world of sinners revealed;
Blessed be the dear Son of God;
Only by His stripes we are healed.
Though I've wandered far
from His fold,
Bringing to my heart pain and
woe,
Wash me in the blood of the
Lamb,
And I shall be whiter than snow.

CHORUS

Whiter than the snow!
Whiter than the snow!
Wash me in the blood of the
Lamb,
And I shall be whiter than snow.

Father, I have wandered from
Thee,
Often has my heart gone astray;
Crimson do my sins seem to me
Water cannot wash them away.
Jesus, to that Fountain of Thine,
Leaning on Thy promise, I go;
Cleanse me by Thy washing
divine,
And I shall be whiter than snow.

IT'S COMING DOWN, DOWN F

It's coming down, down, down,
It's coming down,
And the Glory of the Lord is
coming down.
When the saints begin to pray,
For the Lord to have His way,
And the Glory of the Lord is
coming down.

IN THE BLOOD OF CHRIST **C**

In the blood of Christ my Lord,
In the blood of Christ my Lord,
In the blood of Christ my Lord,
We have the victory.
We have the victory!
We have the victory!
We have the victory!
In the blood of Christ my Lord.

ARE YOU WASHED IN BLOOD G

Have you been to Jesus for
the cleansing pow'r?
Are you washed in the blood
of the Lamb?
Are you fully trusting in His
grace this hour?
Are you washed in the blood
of the Lamb?

CHORUS

Are you washed in the blood,
In the soul-cleansing blood of
the Lamb?
Are your garments spotless?
Are they white as snow?
Are you washed in the blood
of the Lamb?

Are you walking daily by the
Saviour's side?
Are you washed in the blood
of the Lamb?
Do you rest each moment in
the Crucified?
Are you washed in the blood
of the Lamb?

When the Bridegroom cometh,
will your robes be white,
Pure and white in the blood of
the Lamb?
Will your soul be ready for the
mansions bright
And be washed in the blood of
the Lamb?

Lay aside the garments that
are stained with sin,
And be washed in the blood of
the Lamb.
There's a fountain flowing for
the soul unclean,
Oh, be washed in the blood of
the Lamb.

ANOINTING FALL ON ME C

Anointing, fall on me,
Anointing, fall on me.
Let the power of the Holy Ghost
Fall on me,
Anointing, fall on me.

LEAVE IT THERE G

If the world from you withhold
of its silver and its gold,
And you have to get along
with meagre fare,
Just remember, in His Word,
how He feeds the little bird;
Take your burden to the Lord
and leave it there.

CHORUS

Leave it there, leave it there,
Take your burden to the Lord
and leave it there;
If you trust and never doubt,
He will surely bring you out;
Take your burden to the Lord
and leave it there.

If your body suffers pain and
your health you can't regain,
And your soul is almost
sinking in despair,
Jesus knows the pain you feel,
He can save and He can heal;
Take your burden to the Lord
and leave it there.

When your enemies assail
and your heart begins to fail,
Don't forget that God in
heaven answers prayer;
He will make a way for you
and will lead you safely through;
Take your burden to the Lord
and leave it there.

When your youthful days are
gone and old age is stealing on,
And your body bends beneath
the weight of care;
He will never leave you then,
He'll go with you to the end;
Take your burden to the Lord
and leave it there.

SHINE ON ME F

Shine on me, Lord, shine on me,
Let the Light from the
Lighthouse shine on me;
Shine on me, Lord, shine on me,
Let the Light from the
Lighthouse shine on me.

COME TO THE FEAST G

"All things are ready," come to
the feast!
Come, for the table now is spread;
Ye famishing, ye weary, come,
And thou shall be richly fed.

CHORUS

Hear the invitation,
Come, "whosoever will;"
Praise God for full salvation
For "whosoever will."

"All things are ready," come to
the feast!
Come, for the door is open wide;
A place of honour is reserved
For you at the Master's side.

"All things are ready," come to
the feast!
Come, while He waits to
welcome thee;
Delay not while this day is thine,
Tomorrow may never be.

"All things are ready," come to
the feast!
Leave every care and worldly
strife;
Come, feast upon the love of God,
And drink everlasting life.

THE JOY OF THE LORD C

The joy of the Lord is my strength,
The joy of the Lord is my strength,
The joy of the Lord is my strength,
The joy of the Lord is my strength.

He gives me living water and I
thirst no more,
He gives me living water and I
thirst no more,
He gives me living water and I
thirst no more,
The joy of the Lord is my strength.

The word of the Lord
Is my strength.....

SOMETHING GOOD F

I just feel like something good
is about to happen,
I just feel like something good
is on its way;
He has promised that He'll
open all of heaven,
And brother this could be that
very day,
When God's people humble
themselves and call on Jesus;
And they look to heaven
expecting as they pray,
I just feel like something good
is about to happen;
And brother this could be this
very day.

I have learnt in all that
happens just to praise Him,
For I know He's working all
things for my good,
Every tear I shed is worth the
investment,
For I know He will see me
through,
He said He would;
He had promised eye or ear
could hardly fathom,
All the things He has in store
for those who pray,
I just feel like something good
is about to happen and brother
this could be the very day.

Yes, I've noticed all the bad
news in the papers,
And it seems like things are
getting bleaker every day,
But for the child of God it
makes no difference,
Things are gonna get better any
way,
I have never been thrilled
about tomorrow,
Sunshine always bursting
through the cloud of gray,
I just feel like something good
is about to happen,
And brother this could be the
very day.

SIGNS OF THE TIMES D

Years of time have come and gone
 Since I first heard it told,
 How my Jesus would come to earth again,
 If back then it seemed so real,
 Then I just can't help but feel
 How much closer
 His coming is today.

CHORUS

Signs of the times are everywhere,
 And there's a brand new feeling in the air,
 Keep your eyes upon the Eastern skies,
 Lift up your head,
 Redemption draweth nigh.

Wars and strife on every hand,
 And violence fills our land,
 Still some people doubt
 That He would come again,
 But the word of God is true
 He redeemed you chosen few,
 Don't lose hope,
 Soon Christ Jesus will descend.

I LOVE YOU LORD TODAY F

I love You! I love You! I love You
 Lord today!
 Because You cared for me,
 In such a special way.
 Yes, I'll praise You; I'll lift You up,
 And I'll magnify Your Name!
 That's why my heart is filled with praise.

My heart, my heart,
 My soul belongs to You,
 You paid the price for me,
 Way back on Calvary.
 Yes, I'll praise You; I'll lift You up,
 And I'll magnify Your Name!
 That's why my heart is filled with praise.

UNTIL THEN F

My heart can sing when I pause to remember,
 A heartache here is but a stepping stone
 Along the trail that's winding always upward,
 This troubled world is not my final home.

CHORUS

But until then, my heart will go on singing,
 Until then, with joy I'll carry on.
 Until the day mine eyes behold the city,
 Until the day God calls me home.

The things of earth will dim and lose their value,
 If we recall, they're borrowed for awhile
 And things of earth that cause the heart to tremble
 Remembered there, will only bring a smile.

This weary world with all its toil and struggle,
 May take its toll of misery and strife,
 The soul of man is like a waiting eagle
 When it's released, it's destined for the sky.

THE BLOOD PREVAILS F

The blood prevails,
 The blood of the bleeding Lamb,
 Has power to save,
 Just like the olden days,
 The blood prevails,
 No matter what the devil says,
 Thank God the blood prevails.

Praise God for the cleansing blood,
 Praise God for the cleansing blood,
 Praise God for the cleansing blood,
 That washes white as snow.

I SEE A CRIMSON STREAM F

On Calvary's hill of sorrow
 Where sin's demands were paid,
 And rays of hope for tomorrow
 Across our path were laid.

CHORUS

I see a crimson stream of blood,
 It flows from Calvary,
 Its waves which reach the throne of God,
 Are sweeping over me.

Today no condemnation
 Abides to turn away
 My soul from His salvation,
 He's in my heart to stay.

When gloom and sadness whisper
 You've sinned, no use to pray;
 I look away to Jesus,
 And He tells me to say:

And when we reach the portal
 Where life forever reigns,
 The ransomed hosts grand final
 Will be this glad refrain.

HE IS ALL I NEED A

He is all I need, He is all I need,
 Jesus is all I need.
 He is all I need, He is all I need,
 Jesus is all I need.

I'll take Him now....

I'll worship Him...

HE'S THE LORD OF GLORY F

He's the Lord of glory,
 He is the great I AM,
 The Alpha and Omega,
 The Beginning and the End;
 His name is Wonderful,
 The Prince of Peace is He,
 The Everlasting Father,
 Throughout Eternity.

READY TO LEAVE G

Some folks are building homes down here and planning ahead,
 So busy with their fortunes,
 They forget what Jesus said,
 About the wars and earthquakes,
 And the fig tree budding leaves,
 But there's a group of people getting ready to leave.

CHORUS

Ready to leave in the twinkling of an eye,
 Making investments in the bank up in the sky,
 Happy preparations, not a reason to grieve.
 Are you in that number getting ready to leave?

Sinner, what's the reason for your needless delay?
 While you're hesitating Christ could come just any day.
 Heed the Saviour calling,
 make your way to Calvary,
 And get in that number getting ready to leave.

I KNOW IT WAS THE BLOOD F

I Know it was the blood, I know it was the blood,
 I know it was the blood for me;
 One day when I was lost, He died upon the cross,
 I know it was the blood for me.

JESUS IS ALIVE F

Jesus is alive,
 He has the power over you and I,
 He has the power over death and the grave,
 Jesus is alive.

YESTERDAY, FOREVER G

Oh, how sweet the glorious message,
Simple faith may claim;
Yesterday, today, forever,
Jesus is the same.
Still He loves to save the sinful,
Heal the sick and lame;
Cheer the mourner, still the tempest;
Glory to His name.

CHORUS

Yesterday, today, forever,
Jesus is the same;
All may change, but Jesus never!
Glory to His name.
Glory to His name,
Glory to His name;
All may change, but Jesus never!
Glory to His name.

He who was the friend of sinners,
Seeks thee, lost one, now;
Sinner, come, and at His footstool
penitently bow.

He who said, "I'll not condemn thee,
Go and sin no more;"
Speaks to thee that word of pardon,
As in days of yore.

Of on earth He healed the sufferer
By His mighty hand;
Still our sicknesses and sorrows
Go at His command.
He who gave His healing virtue,
To a woman's touch;
To the faith that claims His fullness,
Still will give as much.

He who pardoned erring Peter,
Never need'st thou fear;
He that came to faithless Thomas,
All thy doubt will clear.
He who let the loved disciple
On His bosom rest,
Bids thee still, with love as tender,
Lean upon His breast.

He who 'mid the raging billows,

Walked upon the sea;
Still can hush our wildest tempest,
As on Galilee.
He who wept and prayed in anguish,
In Gethsemane,
Drinks with us each cup of trembling,
In our agony.

As of old He walked to Emmaus,
With them to abide;
So through all life's way He walketh,
Ever near our side.
Soon again we shall behold Him,
Hasten, Lord, the day!
But 'twill still be "this same Jesus,"
As He went away.

440**THE OLD-TIME RELIGION F**

It's the old-time Holy Spirit,
And the devil won't go near it,
That's the reason people fear it;
But it's good enough for me.

CHORUS

Give me that old-time religion,
Give me that old-time religion,
Give me that old-time religion,
It's good enough for me.

It will make you stop your lying;
It will save you when you're dying,
It will start the devil flying;
And it's good enough for me.

It's so good I want no other,
For it makes me love my brother;
And it brings things from under cover,
And it's good enough for me.

(It was good in the fiery furnace...)
(It was good for Paul and Silas...)
(It was good for Bro. Branham...)

441**BRING BACK HAPPY DAYS C**

Bring back those happy, those happy days,
When the Holy Spirit fell every place,
And the love of God showed on every face,
Bring back those happy days.

GOD RICH IN MERCY D

This world was lost and so undone,
Just look at what sin has done,
Believing the lie Satan told to Eve that day,
Throwing this world in total despair,
East of Eden no longer to bear,
And they can see driven from God,
What sin has done.

CHORUS

God, rich in mercy, God, rich in mercy,
Sent us His Son,
We were undone,
God, rich in mercy.
God, rich in grace, God, rich in love,
Sent us the best from Heaven above,
Saying to all men today,
God's rich in mercy, God's rich in mercy.

A prophet God sent to restore His Word,
As it's recorded in Malachi 4,
Behold! I will send to you Elijah before that day,
What sin destroyed, I will restore,
Proving to men God keeps His word,
Now they can see what I've revealed,
I'm rich in mercy, I'm rich in mercy.

443**SPIRIT OF THE LIVING GOD D**

Spirit of the living God, fall fresh on me;
Spirit of the living God, fall fresh on me;
Break me! Melt me! Mould me! Fill me!
Spirit of the living God, fall fresh on me.

WHO AM I? A

When I think of how He came so far from glory,
Came to dwell amongst the lowly such as I,
To suffer shame and such disgrace,
On Mt. Calvary take my place,
Then I ask myself the question,
Who am I?

CHORUS

Who am I that a king would bleed and die for?
Who am I that He would pray "not my will but thine Lord?"
The answer I may never know,
Why He ever loved me so,
But to an old rugged cross to go,
Who am I?

When I'm reminded of His Word,
'I'll leave thee never,
Just be true, I'll give to you a life forever,'
I wonder what I could have done,
To deserve God's only Son
To fight my battles till they're won,
Who am I?

445**WHO I AM? A**

O glorious victory, that day He set me free,
And made my heart, His very throne;
My life is no longer mine,
I'm a prisoner of love divine;
And now I live to praise His Name.

CHORUS

Who I am Lord? Who I am?
I can see now who I am,
A part of my Saviour, a part of His Word,
It's a revelation, of who I am.

On Calvary He died, to redeem His lost Bride;
The King of kings became my Saviour.
This is God's great mystery,
Of love expressed to me,
That Christ and I might be made one.

IT IS TRULY WONDERFUL A

He pardoned my transgressions,
He sanctified my soul,
He honours my confessions,
Since by His blood I'm whole.

CHORUS

It is truly wonderful what the Lord has done!
It is truly wonderful! it is truly wonderful!
It is truly wonderful what the Lord has done!
Glory to His name.

He keeps me every moment,
By trusting in His grace,
'Tis thro' His blest atonement,
That I may see His face.

He brings me through afflictions,
He leaves me not alone;
He's with me in temptation,
He keeps me for His own.

He prospers and protects me,
His blessings ever flow;
He fills me with His glory,
He makes me white as snow.

He keeps me firm and faithful,
His love I do enjoy,
For this I shall be grateful,
And live in His employ.

There's not a single blessing,
Which we receive on earth,
That does not come from heaven,
The source of our new birth.

LET'S TALK ABOUT JESUS F

Let's talk about Jesus,
The King of kings is He,
The Lord of lords Supreme
Throughout Eternity,
The great I AM, the Way,
The Truth, the Life, the Door;
Let's talk about Jesus
More and more.

HE IS JEHOVAH Em

He is Jehovah, God of creation.
He is Jehovah, Lord God Almighty.
The balm of Gilead, The Rock of ages,
He is Jehovah, the God that healeth thee.

He is the great I AM, The God of Abraham,
Jehovah Shalom, the God of peace, I AM,
The God of Israel, the everlasting One,
He is Jehovah, the God that healeth thee.

CHORUS

Sing hallelujah, sing hallelujah!
Sing hallelujah, sing hallelujah!
He is Jehovah, Lord God Almighty,
He is Jehovah, the God that healeth thee.

He is Jehovah Nissi, our banner,
The great El Shaddai the strength-giver.
The mighty Conqueror, strong in battle,
He is Jehovah the God that healeth thee.

He's your Provider, Jehovah Jireh,
God of salvation, God of Messiah,
The Son He sent to you and testified of Him,
He is Jehovah, the God that healeth thee.

CHORUS

Sing hallelujah, sing hallelujah!
Sing hallelujah, sing hallelujah!
He is Jehovah, Lord God Almighty,
He is Jehovah, the God that healeth thee.....

I LOVE HIM BETTER F

I love Him better everyday,
I love Him better everyday,
Close by His side, I will abide.
I love Him better everyday.

HONEY IN THE ROCK D

O my brother, do you know the Saviour,
Who is wondrous, kind and true?
He's the "Rock of your salvation!"
There's Honey in the Rock for you.

CHORUS

Oh, there's Honey in the Rock, my brother,
There's Honey in the Rock for you;
Leave your sins for the blood to cover,
There's Honey in the Rock for you.

Have you "tasted that the Lord is gracious?"
Do you walk in the way that's new?
Have you drunk from the living Fountain?
There's Honey in the Rock for you.

Do you pray unto God the Father,
"What wilt Thou have me to do?"
Never fear He will surely answer;
There's Honey in the Rock for you.

Then go out through the streets and byways,
Preach the Word to the many or few;
Say to every fallen brother,
There's Honey in the Rock for you.

THIS IS THE JUBILEE Dm

This is the year of jubilee,
When the lame shall walk,
And the blind shall see,
And the Lord will set the captive free,
This is the year of jubilee

Jerusalem, Jerusalem,
Jerusalem, Jerusalem,
Jerusalem, Jerusalem,
Jerusalem, Jerusalem.

Shalom, Shalom!
Shalom, Shalom!
Shalom, Shalom!
Jerusalem, Jerusalem.

WHERE HE LEADS ME D

I can hear my Saviour calling,
I can hear my Saviour calling,
I can hear my Saviour calling,
"Take thy cross, and follow,
follow Me."

CHORUS

Where He leads me I will follow,
Where He leads me I will follow,
Where He leads me I will follow,
I'll go with Him, with Him all the way.

I'll go with Him through the garden,
I'll go with Him through the garden,
I'll go with Him through the garden,
I'll go with Him, with Him all the way.

I'll go with Him through the judgement,
I'll go with Him through the judgement,
I'll go with Him through the judgement,
I'll go with Him, with Him all the way.

He will give me grace and glory,
He will give me grace and glory,
He will give me grace and glory,
And go with me, with me all the way.

I LOVE THE FAMILY OF GOD F

I love the family of God,
So closely knitted into one,
They've taken me into their hearts,
And I'm so glad to be a part of
this great family.

THIS IS THE YEAR Ebm

This is the year, this is the year,
This is the year of jubilee;
So lift your hands and praise the Lord,
We are free, We are free. We are free.

I WON'T CROSS ALONE C

When I come to the river at
ending of day,
When the last winds of sorrow
have blown;
There'll be somebody waiting
to show me the way,
I won't have to cross Jordan alone.

CHORUS

I won't have to cross Jordan alone,
Jesus died all my sins to atone;
When the darkness I see, He'll
be waiting for me,
I won't have to cross Jordan alone.

Ofentimes I'm forsaken, and
weary and sad,
When it seems that my friends
have all gone,
There is one thought that
cheers me and makes my
heart glad,
I won't have to cross Jordan alone.

Though the billows of sorrow
and trouble may sweep,
Christ the Saviour will care for
His own;
Till the end of the journey, my
soul He will keep,
I won't have to cross Jordan alone.

YOU MY DWELLING PLACE C

You are my dwelling place,
The tower of my strength,
And at Your throne of grace I
humbly bow.
My affections I pour out,
My eyes release their tears,
As I behold the beauty of You Lord.
How I long to see Your face,
Yes, I long to see Your face,
You are my dwelling place,
With You my heart will stay.

LIFT HIM HIGHER F

Lift Him higher, lift Jesus higher,
'Til He speaks from eternity,
He said, if I, if I be lifted up
from the earth,
I will draw all men unto me.

THE UNVEILED CHRIST C

Once our blessed Christ of beauty,
Was veiled off from human view;
But through suffering, death
and sorrow,
He has rent the veil in two.

CHORUS

O behold the man of sorrows,
O behold Him in plain view,
Lo! He is the mighty conqueror,
Since He rent the veil in two,
Lo! He is the mighty conqueror,
Since He rent the veil in two,

Yes, He is with God, the Father,
Interceding there for you;
For He is the mighty conqueror,
Since He rent the veil in two.

Holy angels bow before Him,
Men of earth give praises due,
For He is the well beloved,
Since He rent the veil in two.

Throughout time and endless
ages,
Heights and depths of love so
true,
He alone can be the giver,
Since He rent the veil in two.

GOD IS SO GOOD F

God is so good,
God is so good,
God is so good,
He's so good to me.

{He answers prayer....}
{I love Him so.....}

EVERY PROMISE IS MINE F

Every promise in the Book is
mine,
Every chapter, every verse,
every line,
I am trusting in His grace divine,
Every promise in the Book is
mine.

WE ARE FREE F

Through the seven ages of the
church,
Like servants unto man,
Enslaved by vain traditions,
And a world of self-made plans,
Would we ever be made free,
Be granted liberty,
Or be forced to serve the
systems round about us?
But the Bible tells about
A seventh year release,
Where the masters free their
servants
If they choose to be set free,
And at the dawning of the day
They could go in their way
Or take the mark of bondage
ever to be a slave.

BRIDGE

Freedom or bondage,
What would you choose today?
A free man forever,
Or a servant to the grave?
You can have a life anew,
I know God will see you through,
He is calling a bride unto Himself.

CHORUS

And we are free,
From the chains of any man,
We are free,
And freely we can stand
Before the world and its religions,
And boldly testify, that we are
bought with a price.
His blood has our sacrifice,
That makes us free for the
marriage unto Him.
We are free,
Purged and born again,
So rejoice that in our day, the
price for freedom has been paid.
Who the Son has set free
Is free indeed.

Our name is something
different now,
Our life is not our own,
We're united with Jesus Christ,
And Jesus Christ alone,
And there's no man can take
His place,
There's no church we'll have to
face,
Because the voice of God is
speaking now through us.

And we are free

Like the eagles in the sky
We are free,
So spread your wings and fly,
Don't look back, don't turn
around,
To Christ we're Heaven
bound,
Who the Son has set free is
free indeed.

Don't look back, don't turn
around
To Christ we're Heaven
bound,
Who the Son has set free
Is free indeed.
Who the Son has set free
Is free indeed.

I JUST WANT TO BE F**CHORUS**

I just want to be where You are;
Dwelling daily in Your presence.
I don't want to worship from afar;
Draw me near to where You are.

I just want to be where You are;
In Your dwelling place forever.
Take me to the place where
You are;
For I just want to be with You.

I want to be where You are;
Dwelling in Your presence,
Feasting at Your table,
And surrounded by Your glory.
In Your presence,
That's where I always want to be.
I just want to be,
I just want to be with You.

BRIDGE

Oh My God, You are my
strength and my song;
And when I'm in Your
presence, Though I'm weak,
You're always strong.

HALLELUJAH GLORIA A DIOS F

Hallelujah, hallelujah,
hallelujah, Hallelujah,
hallelujah, hallelujah,
Hallelujah, hallelujah,
hallelujah, Hallelujah,
hallelujah, hallelujah,
Gloria a Dios.

SOLDIER **A**

Soldier, standing on the battle line,
Finding comfort in my water and new wine;
And your armour still so shiny and so new,
But you're dirty, worn and tired
From the battles you've been through.

Soldier, keep your eyes straight ahead,
Help the wounded,
Though it hurts you leave the dead.
Keep your weapons and your spirit
At the ready all the time,
Be of courage and conviction
Hit the mark, toe the line.

CHORUS

And tonight when all the lights go out,
You lie down to rest,
Know that I'm proud of you,
I know you've done your best.
Let me give you peace,
Let me hold you for a while,
Yes, you are a mighty warrior,
But don't forget, don't forget,
You're still My child.

Soldier, standing on the battle line,
Finding comfort in my water and new wine,
Know I am with you when the world keeps a-charging in,
And I'll be with you,
I'll see you through to the very end.

Soldier, keep my flag flying high,
Don't let it fall in battle,
Or be stolen in the night,
And above all else dear soldier,
Don't you lose your battle cry,
'Cause My army's fighting with you,
And I am standing by your side.

WE ARE THE ONES **E**

O, who should remember to let God abide,
And to always trust Him and keep Him in the light?
Tell me who should work hard in the vineyard every day?
We that know Him are the ones,
We are the ones.

Tell me who should remember to kneel down and pray
For the ones who have stumbled and fallen by the way?
Who should go to them with kind words to say?
We that know Him are the ones,
We are the ones.

CHORUS

We are the ones,
We are the ones,
We that know Him are the ones,
We are the ones.

Tell me who should stand up together
And work hard in one accord,
Who should ask for strength
And more power from the Lord?
Tell me who should have love in their hearts for every one?
We that know Him are the ones,
We are the ones.

PRAISE THE LORD **D**

Praise the Lord,
He can work through those who praise Him,
Praise the Lord,
For our God inhabits praise.
Praise the Lord,
For the chains that seem to bind you,
Serve only to remind you,
That they'll drop powerless behind you
When you praise Him.

LET DEATH ANGEL PASS **F**

The Lord spoke to Moses,
And told him what to say
To the children of Israel
In Goshen that day
"Slay the lamb, take the blood,
Strike the post of the door,
For I'll pass through Egypt this night,
And smite all the first born."

CHORUS

Let the death angel pass,
God's Bride's safe at last,
In the token He gave
That we should be saved.
Oh hallelujah, and glory to God!
The Blood's been applied the Spirit abides,
Let the death angel pass.

The sweet Holy Spirit,
Is the token today,
And those who are under it,
God said would be saved,
Outside of the token,
The lost would be found,
So if you want your loved ones saved,
You better get them in now.

THERE'S NEVER BEEN A ... **F**

There's never been a day like this day to me.
There's never been a day like this day I see.
There's never been a light that shined so bright.
As this day, this glorious day.

Christ is revealing Himself unto me,
He opened mine eyes and now I can see,
His Word is becoming a reality in this day, this glorious day.

JOEL'S ARMY **A**

Morning stars together sing,
Sons of God now shout for joy,
Arise and shine thy Lord and King
Comes full redemption now to bring.

Have you considered my little Bride?
Oft to deceive her you have tried.
No fairer one from east to west,
Ordained to stand the great word test.

Joel's army comes in view,
Stalwart men and women true;
In perfect steps they are God's best,
Invincible through the great Word test.

The Son of righteousness shall shine,
With healing in His wings He'll rise,
Shake this old world with one more ride;
Then take His Bride into the skies.

The Lion of Judah has prevailed,
Almighty God in flesh was veiled.
He comes forth now to conquer all.
The kingdoms of this world shall fall.

Oh, Bridegroom come, our hearts do pine,
Upon Thy bosom to recline.
My lovely Bride you are My own,
Come sit with Me upon My throne.

GOING INTO ENEMY'S CAMP **F**

I'm going into the enemy's camp,
To take back what he took from me,
I'm going into the enemy's camp,
To declare my victory.
I'll put him }
Under my feet, }
Under my feet, }
Under my feet, }
Under my feet. }2x

THE DAY HE WORE CROWN A

The City was Jerusalem;
The time was long ago;
The people called Him Jesus,
The crime was the love He
showed.
And I'm the one to blame;
I caused all the pain.
He gave Himself the day He
wore my crown.

He brought me love that only
He could give;
I brought Him cause to cry.
And though He taught me how
to live,
I taught Him how to die.
And I'm the one to blame,
I caused all the pain.
He gave Himself the day He
wore my crown.

CHORUS

He could have called His Holy
Father and said,
"Take me away, please, take
me away."
He could have said,
"I'm not guilty and
I'm not gonna stay,
I'm not gonna pay."

But He walked right through
the gate;
And then on up the hill.
And as He fell beneath the
weight
He cried, "Father not my will."
Still I'm the one to blame,
I caused all the pain.
He gave Himself the day He
wore my crown.

THOU ART LORD F

Holy, Holy Thou art Lord,
Thou art worthy to be praised,
Thou art worthy to be
worshipped,
Holy, Holy, Thou art Lord;
Holy, Holy. Thou art Lord.

I'M JUDGING HIM FAITHFUL A**MONOLOGUE**

*And God remembered Abraham
And said, "I shall return
according to the time of life,
And Sarah shall have a
visitation;"*
*And after she judged Him
faithful,
He proved that He could be
trusted,
She received strength to
conceive seed.*

You said in your Father's
house are many mansions,
If it was not so You would
have told me;
So You've gone to prepare a
place for me,
That where You are, there I'm
also going to be.

CHORUS

So I'm judging You faithful! }2x
Faithful who promised.
When You left these shores
two thousand years ago,
(taken up in a cloud),
There stood two angels
saying, "Men and brethren
why stand ye here gazing?
For this same Jesus which is
taken up from you
Shall so return in like manner,"
And I know that's true.

You said whatsoever I stand
praying,
Go away believing;
For what-so-ever you ask the
Father in My Name
He will give it to you, for my
God is forever the same.

BRIDGE

You said no gates will ever
stand before me,
And that old devil will be
powerless before me,
For in Your Name sin will have
no dominion over me,
And I believe, yes, I believe
That's the way, yes, that's the
way it's going to be.

HOLD TO GOD'S HAND F

Time is filled with swift transition,
Naught of earth unmoved can
stand,
Build your hopes on things
eternal,
Hold to God's unchanging hand!

CHORUS

Hold to God's unchanging hand!
Hold to God's unchanging hand!
Build your hopes on things
eternal,
Hold to God's unchanging hand!

Trust in Him who will not leave
you,
Whatsoever years may bring!
If by earthly friends forsaken,
Still more closely to Him cling!

Covet not this world's vain
riches,
That so rapidly decay,
Seek to gain the heavenly
treasures,
They will never pass away!

When your journey is completed,
If to God you have been true,
Fair and bright the home in
glory,
Your enraptured soul will view!

ALL IS WELL F

All is well, all is well,
We have heard the message
Shalom! All is well.
There is a place of perfect rest,
Behind the inner veil.
So rest, little Bride rest,
For all is well.

IN HIS TIME D

In His time, in His time,
He makes all things beautiful
In His time,
Lord, please show me every day,
As You're teaching me Your way,
That You do just what You say,
In Your time.

THIS WORLD IS NOT HOME G

This world is not my home,
I'm just a' passing through.
My treasures are laid up,
Somewhere beyond the blue.
The angels beckon me,
From heaven's open door.
And I can't feel at home,
In this world anymore.

CHORUS

O Lord, You know,
I have no friend like You,
If heaven's not my home,
Then Lord what will I do?
The angels beckon me,
From heaven's open door,
And I can't feel at home
In this world anymore.

They're all expecting me,
And that's one thing I know;
I fixed it up with Jesus,
Many years ago.
I know He'll see me through,
Tho' I am weak and poor,
And I can't feel at home,
In this world anymore.

Just over in the glory land,
We'll live eternally;
The saints on every hand
Are shouting "victory".
The songs of sweetest praise
Drift back from heaven's
shore,
And I can't feel at home
In this world anymore.

LET THE CHURCH F

Let the Church be the Church,
Let the people rejoice,
For we've settled the question,
And we've made our choice.
Let the anthems ring out,
Songs of victory swell,
For the Church triumphant
Is alive and well.

OH LORD HOW WE LOVE... D

We thank You for Your quickening,
The Spirit of Your grace,
we end up in the time span
For the perfection of man,
Wanting to stand prominent
In the rising of the Son.

CHORUS

Oh Lord how we love You, }
Oh Lord how we love You, }
Recognizing our part in the }
Word. }2x

Perceiving you oh Lord,
The revealed Son of Man,
Waving us the fullness
Of your Redemption plan,
And turning the hearts of Your children

To the fathers in past time,
And the hearts of the fathers
revealed to the son.

Oh Lord we see you in Ezra
In the restoration time,
Seeing the word fulfilled,
Line upon each line;
And standing in the seventh watch
Getting riper in the Son,
Soon we'll hear the trumpet
and lo, we will be gone.

FOREVER YOU WILL BE F

All heaven declares the glory
of the risen Lord,
Who can compare with the
beauty of the Lord?

CHORUS

Forever You will be,
The Lamb who died for me,
And I'll gladly bend my knees,
To worship You alone.

I will proclaim the glory of the
risen Lamb,
Who once was slain to
reconcile man to God.

THE HEAVENS DO RULE E

Oh, the depth of the knowledge
And the wisdom of the Lord!
His judgements are unsearchable,
And His ways past finding out;
Who hath directed His Spirit?
And whose counsel did He take?
For by Him and through Him
Are all things on earth made.

CHORUS

And we know that all things
work together for our good,
The footsteps of the righteous
are ordered by the Lord;
Even though things don't work
out
The way we think they should,
Yet we know in all things,
That the heavens surely rule.

Which of us by taking thought
could add to ourselves?
Why do we yet so many times
resist His will?
We've got to realize salvation
is wholly of the Lord;
Just stand still and consider
All the wondrous works of God.

There is nothing that happens
without a real intent,
Our experiences were ordained,
Our trials have been sent
That we might manifest the
purpose
Unto which we have been called,
So in perfect confidence
We can submit to Him our all.

HE SIGNED THE DEED F

He signed the deed with His
atoning blood,
He ever lives to make His
promise sure.
Though all the hosts of hell
march in;
To make a second claim,
They all march out at the
mention of His name.

THANK YOU FOR THE RAIN G

For twenty-three years we
have been looking
For God to send the revival
amongst us;
Wednesday the 3rd of June
we received our inheritance
claim;
Now we know the New Name
And we are not hollering
again, and again, and again
And again.

CHORUS

Thank You Lord for sending }
the rain, (Hallelujah) }2x
We thank you again and again,
And again and again and again,
We thank You.

All false branches must be cut off,
For the tree must be pruned
and cleaned,
For it's the Holy Spirit that is
planting the life within us
Because He knows that we
are the Bride, are the Bride,
are the Bride, are the Bride.

Many families, they were
attached to this Word
But they were under man's
teaching;
When our shepherd waved the
wave-sheaf over them,
Then they realized they are
not shuck, but they are seed,
they are seed, they are seed,
they are seed.

I LOVE HIM C

I love Him, I love Him,
Because He first loved me,
And purchased my salvation
on Calvary's tree.

TURN ON THE LIGHT F

A people that once sat in
darkness saw a marvelous
light,
The light of God's revealed
Word flashed across our hearts
And we have been made whole.
Now we walk in the light as He
is in the light,
Having fellowship one with the
other,
God's blood that cleanses and
His love that conquers.

CHORUS

There's a man here that can
turn on the light,
There's a man here that can
turn on the light,
So If you're in darkness,
cannot find your way,
There's a man here that can
show you the way.

In the beginning was the Word
and the Word was with God,
And the Word was made flesh
and dwelt among us,
The light of God's revealed
Word
Face to face we see now,
Almighty God unveiled before us,
The Lamb that was slain, who
took the Book
And showed us our names.

King Theophany Jesus that is
walking in and amongst us,
God En Morphe for the final
turn at the west.
So when you look, what do
you see now?
It depends on what you're
looking for,
We are a people that have
been set free,
Living epistles that can show
you the door.

PAST THE CURTAIN OF TIME D

There's a curtain that's drawn
between earth and Heaven,
And just beyond lies a
beautiful clime
Where the evils of this life no
longer can touch me;
Lord, let me look past the
curtain of time.

CHORUS

Lord, let me look past the
curtain of sorrows and fear,
Let me view that sunny bright
clime;
It would strengthen my faith
and would banish all fear;
Lord, let me look past the
curtain of time.

I'm helpless, alone, and I want
to see Jesus,
And hear the sweet harbor
bells chime,
Where my friends and dear
loved ones are waiting for me;
Lord, let me look past the
curtain of time.

I'm so homesick and blue, and
I want to see Jesus,
I would like to hear those
sweet harbor bells chime;
It would brighten my path and
would vanish my fear;
Lord, let me look past the
curtain of time.

HE IS HERE HALLELUJAH C

He is here, hallelujah!
He is here, amen!
He is here, holy, holy!
I will bless His name again;
He is here, listen closely,
Hear Him calling out your
name;
He is here, you can touch
Him,
You will never be the same.

A GIFT OF GRACE C

A Gift of Grace was all it took
To redeem me again back to
His own;
I've been redeemed, He saved
my soul,
My Saviour paid the price,
Now I'm no more my own.

CHORUS

So seek on Saints,
Seek till you're filled with power;
Seek on saints
Till His Spirit in you is endowed,
It's been revealed,
This is the final hour;
And soon His Bride, His
Chosen One
Will go on home.

Unmerited the favour that He
granted me
To bring me home today, His
very Own;
'Twas love, 'twas Grace
That stooped so low to
conquer me;
My Sovereign Lord gave
Sovereign Grace
To redeem me.

And now I'm home, His robe's
wrapped around me;
This land is mine, this Promise
is for me.
Amazing grace, amazing love
Christ poured on me,
His Word went with a promise,
One day we shall meet.

I WILL PRAISE THE LORD D

I will praise the Lord,
I will praise the Lord,
No matter what tomorrow
brings,
What it has in store,
I will praise the Lord.

PRAISE YE THE LORD Bb

Praise ye the Lord all ye people!
Praise Him for His goodness,
His majesty and power;
For His merciful kindness is
great towards us,
And His righteousness
endureth forever.

CHORUS

He's the Lord of creation,
He's the Rock of our salvation,
He paid the price for our
redemption,
And He is worthy, (so worthy)
He is our comfort in times of
sorrow,
Our strength to face tomorrow,
Our refuge in times of trouble,
And He alone is worthy to be
praised.

Give thanks unto Him and
serve Him,
For He forgiveth all thy sins,
And healeth all thy diseases,
Who redeemeth you from a
life of destruction,
And crowneth you with loving
kindness and tender mercies.

BRIDGE

We have so much to praise
and thank Him for,
Our lives are testimonies
And so many great things He
has done.
Forget not His love and His
promises,
For He has promised a new
Heaven,
A new Earth and a new Body.
Praise Him, praise Him,
For He alone is worthy to be
praised,
Praise Him, praise Him,
For He alone is worthy to be
praised,
So all you got to do is praise
Him, praise Him.

For He alone is worthy to be
praised,
Praise Him, praise Him.
For He alone is worthy to be
praised,
For He alone is worthy to be
praised.

FILL MY WAY WITH LOVE F

Let me walk, blessed Lord, in
the way Thou hast gone,
Leading straight to the land
above;
Giving cheer everywhere, to
the sad and the lone,
Fill my way every day with
love.

CHORUS

Fill my way every day with love,
As I walk with the heavenly
Dove;
Let me go all the while, with a
song and a smile,
Fill my way every day with
love.

Keep me close to the side of
my Saviour and Guide,
Let me never in darkness
rove;
Keep my path free from wrath,
and my soul satisfied,
Fill my way every day with
love.

Soon the race will be o'er and
I'll travel no more,
But abide in my home above;
Let me sing, blessed king,
All the way to the shore
Fill my way every day with
love.

PEACE! PEACE! F

Peace! peace! wonderful peace,
Coming down from the Father
above;
Sweep over my spirit forever, I
pray,
In the fathomless billows of love.

WELCOME EMMANUEL C

We take this time to say we
love You Jesus,
Take this time to say we love
you Lord;
There's no other name on
earth or in heaven,
Receive us now as we blend
our voices.

We could see what You have
brought us through,
Lord we rededicate our lives to
you;
With open hearts wanting
more of Thee,
We come with a deeper sincerity.

CHORUS

To welcome Emmanuel,
To welcome Emmanuel,
When we learn to trust in Jesus
We learn to love the Lord;
We welcome Emmanuel,
We welcome Emmanuel,
When you feel your heart's
calling, Let Him in,
You'll never be the same.

We were there in the mind of
Christ
When He came and laid down
His life,
He came down to this empty
space
That we could see heaven in a
dying place.

Now we wait in anticipation
For the coming of our full
redemption,
With humble hearts as we wait
in love
To see face to face the Lord of
Lords.

Lord, You've caused our eyes
to see
All the great treasures of Your
majesty,
And though gross darkness is
being ushered in;
We cherish these moments
and our garments are clean.

Blessed is he who keeps his
garments clean,
Blessed is he who has the
ears to hear;
The light's getting brighter as
the day's approaching,
Oh let us be spotless to face
Him there.

494

WE ARE STANDING C

When I walked through the door
I felt His presence
And I know this is the place
Where love abounds;
And this is the temple,
Jehovah God abides,
And we are standing in His
presence
On Holy ground.

CHORUS

We are standing on holy ground
And I know that there are
Angels all around;
Let us praise Jesus now,
For we are standing in His
presence
On Holy ground.

In His presence,
There is joy beyond all measure;
At His feet, peace of mind can
still be found,
So if you have a need,
I know He has the answer,
So reach out and touch Him,
For we are standing on holy
ground.

495

THIS IS HOLY GROUND C

This is holy ground, }
We're standing on holy round, }
For the Lord is here; }
And where He is, is holy. }2x

These are holy hands,
We're lifting up holy hands,
For the Lord is here
And where He is, is holy.

These are holy hands,
We're lifting up holy hands,
For the Lord is here
And where He is, is holy.

ARISE AND POSSESS C#**CHORUS**

Arise, possess your inheritance,
For this is the year of jubilee,
Arise, be not entangled with
the yoke of bondage.
Understand the liberty by
which Christ set you free.

Entangled with heavy chains
of captivity,
Bruised and battered by sin,
Condemned and sentenced to
a life of bondage,
O God, there was no peace
within.
Then a sound was heard,
It was like the abundance of
rain,
Saying "Rejoice, you have
received the atonement,
Accept the pardoning word
which was provided for you,
Because you're not of the
bondwoman,
You're of the free."

Aren't you tired of living
underprivileged?
Saints, don't you, don't you
hear that sound?
Saying freedom to the captives,
Restoration to the blind,
Setting free those who are
bruised.
Saints, empty your vessels,
Let Him fill them with oil,
You are free, you are free, you
are free.
So when the creditor comes to
take away your land,
Show him your account
Settled long ago by Calvary's
Lamb,
And say, "I am free, I am free,
I am free."

Now I can tell the world that
I'm free,
I have heard the trumpet sound
Jubilee; Freedom from all
burdens and sin,
The Comforter has given me
peace within.
And whom the Son has set
free, }
Is free indeed. }3x

GOING HOME F**CHORUS**

I'm going home in the morning,
I'm going home, it won't be long,
I'm going home, it won't be long.

Can't afford to get my line
tangled in these kind of times,
So I'm looking nine times
before I make one step,
Don't want to be caught
In an unconscious state of mind,
For I want to leave this earth
In the twinkling of an eye.

I'm going to slip from time into
eternity,
I'm going to become one with
my Theophany,
Going to live in that mansion
God has prepared for me,
I'm going to leave this pest-
house for eternity.

We're going to be reunited
with our loved ones
Who have gone on before to
another dimension;
Soon we'll see Him face to face,
The One who lives inside our
hearts;
Who saved us by His amazing
grace,
We'll be with Him never to
depart.

Could it be between six or nine?
Whatever the time
I want to be ready to meet my
Bridegroom.

498

THIS THE YEAR OF JUBILEE C

This is the year of Jubilee,
This is the year of Jubilee,
When all the captives are set free
Come ye halt, ye blind, ye lame,
Leap and shout for joy again,
This is the year of Jubilee.....

I'LL FLY AWAY G

Some glad morning when this
life is over,
I'll fly away,
To a home on God's celestial shore
I'll fly away.

CHORUS

I'll fly away, O, glory! I'll fly away
When I die, hallelujah! by and by,
I'll fly away.

When the shadows of this life
have grown,
I'll fly away;
Like a bird from prison bars has
flown,
I'll fly away.

Just a few more weary days
and then,
I'll fly away;
To a land where joys shall
never end,
I'll fly away.

PART OF HIS BRIDE G

He leads me through troubled
waters,
He holds my hands through
darkest sky;
He comforts me when my
heart is laden down with grief,
He's coming back to take me
away as His bride.

CHORUS

For I'm His bride, I'm His only
loved one,
I'm His chosen, His fair one,
His dove;
For I was predestined,
In His grace, I now abide.
What an honour, oh, how
marvelous, what a privilege,
Thank You Jesus, I'm part of
Your bride.

Before the world, He knew me
in glory,
Before the sun, I lived and
reigned with Him;
Now my soul longs to see Him,
On the clouds that He rides,
Coming back to rapture me as
His bride.

WHEN THE REDEEMED F

I am thinking of the rapture in
our blessed home on high,
When the redeemed are gathering in
How we'll raise the heavenly
anthem in that city in the sky,
When the redeemed are
gathering in.

CHORUS

When the redeemed are gathering in,
Washed like the snow, and
free from all sin;
How we will shout and how
we will sing,
When the redeemed are gathering in.

There will be a great
procession over on the streets
of gold,
When the redeemed are gathering
in;
O what music, O what singing,
o'er the city will be rolled,
When the redeemed are gathering
in.

Saints will sing redemption's
story with their voices clear
and strong,
When the redeemed are gathering
in;
Then the angels all will listen,
For they cannot join that song,
When the redeemed are gathering
in.

Then the Saviour will give
orders to prepare the banquet
board,
When the redeemed are gathering
in;
And we'll hear His invitation,
"Come, ye blessed of the
Lord,"
When the redeemed are gathering
in.

HOLY SPIRIT A

Holy Spirit, Thou art welcome
in this place,
Holy Spirit, Thou art welcome
in this place,
Omnipotent Father of mercy
and Grace
Thou art welcome in this
place.

****** WE ARE LIKE SHIPS C****CHORUS**

We are like ships sailing
across life's troubled sea,
But with our compass set on
the North Star
We'll reach the shores of Eternity,
We are like ships sailing
across life's troubled sea,
But with our compass set on
the North Star
We'll reach the shores of Eternity.

Contrary winds of doctrine
blew against us on the way,
But we set our eye on the Captain,
Listened to what He had to say.
Many ships were tossed to
and fro ad were driven off their
course,
But we are thankful to our Captain,
We aren't shipwrecked, we aren't
lost.
He said, "Peace be still." }
To see the glory of the Lord you }
must stand still. }2x

We are sailing through many
rough waters,
Using our paddles skillfully,
Now we are faced with
treacherous conditions,
We need the Master of the sea
To say "Peace be still."
To see your troubles end, you
must stand still;
He'll say, "Peace be still."
To see the glory of the Lord
you must stand still.

Upon the distant shore, there's
a land that's shining bright;
Soon we'll reach that golden shore
And be welcomed by the
Prince of Light.
He'll say, "Peace be still,
My light has led you to do My
perfect will."
He'll say, "Peace be still,"
And when we see Him face to face
We must stand still.

****** THE BRIDGE TO HEAVEN G**

Left the splendour of His throne,
Came down to earth,
Had one purpose in His mind.
Tempted in all points as we are
Yet without sin,
Most worthy High Priest,
He's the Supreme Sacrifice.

CHORUS

He is the bridge from Earth to }
Heaven, }2x
We now live in God's
presence forever.

I'll always look to Calvary
where Redemption price was
paid for me,
There on the cross, crucified
with Him.
There on the cross I was in Him,
There on the cross I paid for my sin,
And His glory, I now boldly enter in.

Lift your eyes to Calvary, see
where He has set you free,
Loosed from the grips of sin
and shame.
Sin has no more dominion
over you,
You're ordained to do just
what you do,
He's that bridge to Heaven for
me and you.

To the splendour of His throne,
His Bride now leaves the Earth,
Quickening power now breaks
the hold of time;
Travelling faster than the
speed of light,
We'll be changed in the
twinkling of an eye,
And that bridge to Heaven will
be no more.

I'M GLAD HE SET ME FREE A

I'm so glad Jesus set me free, }3x
Glory, hallelujah, Jesus set me free.
(I'm so glad Jesus lifted me...)
(I'm on my way to Heaven,
shouting victory...)

ALLELUJAH C

We are the children of God,
Chosen vessels unto Him;
Our angels behold the
Father's face
We are special unto Him.
We should never be ashamed
To testify of our love for Him,
For we are privileged
To be the children of the KING
of KINGS!

CHORUS

Al-le-lu-jah! }
Glory and praise to the }
Saviour; }
Al-le-lu-jah! }
Let's worship our King }
together. }2x

We must dwell in unity
So we're showing our love to Him,
Having a blameless testimony
A life that's holy and free from sin;
We should be an example
To the lost who know not the way:
We're not children of the night
but of the day,
So let us show them the way.

With the joy of the Lord
And the strength of our youth,
Let's be zealous to do God's will;
Fleeing youthful lusts and
pressing to be
Empty vessels that God can
fill.
We should never lean to our
own understanding,
Casting our reasoning down,
So we'll be better able to love
and serve Him.

WE'LL GIVE THE GLORY A

We'll give the glory to Jesus
And tell of His love,
And tell of His love,
We'll give the glory to Jesus,
And tell of His wonderful love.

THIRST Em

As we set our faces towards
Jerusalem,
Knowing that very soon the
squeeze will come,
As the day draws nearer, as
the day draws closer,
There's such a painful desire
to be like our Saviour.

CHORUS

Oh Jesus, my Lord Jesus, }
Only You, only You }
Can quench this thirst }
in my soul. }2x

Many nights I can't sleep,
everyday my soul groans in me,
Waiting for the redemption of
this body;
No matter what the world may
say,
No matter what the world may do,
It's a fact that I can't rest until
I'm perfect.

Before the Masterpiece could
speak it must be smitten
By the determinate counsel of
our God,
What shall I say then, 'Father
take this cup from me?'
But nevertheless not my will
but Thine be done.

Signs of the time quickly
approaching,
We can see the whole
creation is groaning;
But, for this purpose came we
into this world;
To fulfill what is written of us.

MORE THAN EVER BEFORE C

More than ever before,
Lord, I love You,
More than ever before,
Lord, I need You,
More than ever before,
I want to serve You;
I love You now,
More than ever before.

WHAT WILL YOU PRESENT? C

I want to present the life of Christ,
It's my aim today,
For in His image I want to stand
So blameless on that day;
And though this world may
criticize,
It will never understand,
That I can't rest until I be
A perfect man.

CHORUS

What are you going to present
to the Lord
At the end of your journey?
He's not going to be touched
by anything
Save His testimony.
What are you going to present
to the Lord?
I hope it makes you sigh and cry,
Don't be found in that position
Where you would be wondering
why.

Though the world may offer its
pleasure and peace,
And its luxurious life of ease,
But it simply cannot continue on
For man's just like a breeze;
A moment here and a moment
gone,
Like a flower he fades away,
But I just want to stay right on
To that perfect day.

Take rest my soul, in no other
arms
Save Jesus own today
For He has opened my eyes to
see
That judgement is on its way;
And though ten thousand fall
at my side
I will never be tossed aside;
For in the shadow of that
mighty rock is where I'll abide.

Lord take Thy Word, Thy
precious Word,
And anoint it to my soul;
Perfect what is lacking in my faith
And make thy servant whole.

For I just want to hear You say,
"Receive thy crown my beloved son
You have overcome, well done!"

WHEN THE SAINTS GO C

I'm a pilgrim and a stranger
Wand'ring through this world of sin,
On my way to that fair city,
When the Saints go marching in.

CHORUS

When the saints go marching in, }2x
Lord, I want to be in that number
When the saints go marching in.

Oh, I know I'll see my Saviour
If my life is free from sin,
Heaven's doors will open for me
When the Saints go marching in.

When we gather 'round the Throne
And the gates are closed within,
I'll be shouting "Glory, Glory"
When the Saints go marching in.

I'm waiting for the chariot
To swing low and I'll step in,
On the clouds I'll ride to Heaven
When the Saints go marching in.

JESUS WILL TAKE CARE C

Have you ever been so
distressed
When you see your
circumstances look so gloomy,
And the tears begin to cover
your eyes?
Remember Jesus will take
care of you.

CHORUS

He's the Rock of all the ages,
He's the light in the darkest
night,
A comfort when there's no one
left to care;
So you don't look at your
circumstances,
They will only bring you down,
Remember Jesus will take
care of you.

When you feel so weak and
can't go on;
And the devil, he tempts you so
sore;
But if you only call upon Jesus,
He will answer,
For He knows that you're
weak on your own.

MANY WATERS **G**

There are so many people
in the world today
Don't really know what
true love is;
Many have searched the
whole wide world
And still can't seem
to find it.
Love is patient, love is kind,
True love can never be broken;
Love beareth all things,
Love suffers long.
Love is God and God is love,
Who is our King;
But how can you know true love
Without knowing Him?

CHORUS

Many waters cannot }
quench love, }
Neither can the floods }
drown it, }3x
Whosoever God joins
together,
Let no man put asunder.

Therefore shall a man leave
father and mother
And cleave unto his wife,
Then they shall be no more
twain
But they shall be one.
Then he'll love his bride as
Christ the church,
Who giveth Himself for it;
For no man yet hateth his flesh,
But loveth and cherisheth it.
Love is God and God is love,
Who is our King;
So how can you know true love
Without knowing Him?

WE ARE CHILDREN **F**

We are children of the Father,
We are joint-heirs with the Son,
We are people of His Kingdom,
We are family, we are one.

RUN WITH THE MESSAGE **D**

There are people all over the
world,
To whom this Message must
be told;
All those honest in heart,
In this light they have a part.

CHORUS

You've got to run, run, run, run,
Run with the Message of
Malachi 4,
You've got to tell it like you've
never told it before;
Let him that readeth run,
Let him that heareth run,
For this Message is the
coming of the Lord.

Always ready to give a reason,
Be instant in and out of season,
Willing to take this blessed hope
To a lost and dying world.

Seeing we have this ministry,
Let's not faint but earnestly
Seek to build the kingdom of
God,
For the glory of the Lord.

HEAVEN IS SWEETER **F**

Heaven's sounding sweeter all
the time,
Seems like lately I can't get it
off my mind,
Someday I'm going to leave
this world behind.
Heaven's sounding sweeter all
the time.

HIS WORD IS WORKING **D**

His Word is working mightily in me
His Word is working mightily in me
No matter what the
circumstance;
Nor how I feel or see
His Word is working mightily in
me.

CHRIST'S WARRIORS **D**

The King desires a drink of
water,
.....(Christ's Mighty
Gentile Warriors)
Between His rejection and His
Power,
.....(Christ's Mighty
Gentile Warriors),
Noble Mighty men of valour,
.....(Christ's Mighty
Gentile Warriors)
Are cutting through to get a
drink of water.

CHORUS

Mighty Gentile Warriors }
of the end-time, }2x
Valiant Mighty Gentiles of the
end-time
Bringing a clean fresh drink for
the King.

Our foes are filled with fear
and trembling,
.....(Christ's Mighty
Gentile Warriors)
As the Super-Church comes
marching,
.....(Christ's Mighty
Gentile Warriors.)
They have heard how we
overcame
.....(Christ's Mighty
Gentile Warriors)
Theologians and false
anointed ones.

The Bride of Christ is
marching over,
.....(Christ's Mighty
Gentile Warriors)
To the New Jerusalem,
.....(Christ's Mighty
Gentile Warriors)
Led by King Theophany
.....(Christ's Mighty
Gentile Warriors)
To dwell with Him in His Holy
City.

BE STRONG IN THE LORD **D**
CHORUS

Be strong in the Lord,
Be empowered,
Through your union with Him
Draw all your strength,
Put on the armour that God
supplies,
That you, you may be able to
stand.

We're not wrestling with flesh
and blood,
Contending with physical things,
But we're standing in faith,
Against the rulers of this world;
Empowered by His spirit,
In the authority of His name.

Having shod your feet
With the Good News of peace,
Girding your loins with His truth,
The breastplate of righteousness
And the helmet of salvation;
The shield of faith and the
sword of the Spirit.

Now standing complete in His
image,
Refusing to be shaken from
your place,
Praying at all times in the
Spirit of the Lord,
Interceding on behalf of all the
saints.

WE'VE COME THIS **F**

We've come this far by faith,
Leaning on the Lord.
Trusting in His holy Word;
For now we have a perfect faith
Oh, Oh, Oh,
We can't turn back,
We've come this far by faith.

Just remember the good
things He has done,
Things that seemed so
impossible,
We praise Him for the victories
we have won!

ONE LOVE **F****CHORUS**

One love, one love, one love,
one love.

There was a time in the history
of man

When he commanded the creation
And he and his Maker had one
love;

And then the deceiver came,
And man lost the power of the
Name,

For he had broken the bond of
one love;

It then took the blood of a
spotless lamb

To be an atonement for fallen man
It was God's substitute for his
sin and shame;

It was a part of God's great mystery
To redeem you and me again,
Back to }chorus

Then one day the real Lamb came,
He came in the Father's Name
To be a ransom for one love.
When on the cross my Saviour
died,

The power of death He had defied,
To give us the token of one love.
He then changed our destiny,
He could now come and live in
you and me,

Making us creatures now
bound for eternity;
Brothers and sisters can't you
see,

He died to set you and I free
again!

Back to}chorus

The Holy Ghost the Lord did
send,

He fell upon some redeemed
men,

They had the token and one
love.

They baptized in Jesus Name;
And of His doctrine they
weren't ashamed,
For they were believers in one
love.

But then as the ages rolled
away

From this doctrine evil men did
stray;

And the serpent began to ride
this trail again.

Beware of the creeds of
wicked men,
Designed to bring us back to
bondage again;
But we want}chorus

In the end time the Son of
man

came,

He came in His Father's Name

To give us the token of one
love.

Seven Thunders sounded in
our souls,

Our Lord had gathered us
from this wicked world

To be united in one love;

Then we will speak and
command creation again,

Sons and daughters in the
Father's Name,

Having power and wrapped up
in His love;

The trumpet shall sound

And we'll take our flight to the
skies

To be in glory where we'll be

522**WE'LL WALK IN THE LIGHT F**

We'll walk in the Light,

We'll walk in the Light,

We'll walk in the Light,

Walk, in the Light of God.

Walk, walk, walk, in the Light,

Walk, walk, walk, in the Light,

Walk, walk, walk, in the Light,

Walk in the Light of God.

BE IDENTIFIED **G**

What does it profit a man to
follow

The vain traditions of
misguided men,

Who try to establish a

righteousness of their own;

A propitiation for their sins?

BRIDGE

O tell me,

What do you think of the blood
of Jesus

That was shed for you?

Is it sufficient to pardon you
from sin

(Is it sufficient to purge your
conscience from sin,)

(Is it sufficient to give you
dominion over sin,)

Set you free, putting peace
within?

CHORUS

Just be identified with your
sacrifice

To be really justified, look to
the place where Jesus died;

Be identified, really justified,
Look to the place where Jesus
died.

What can a man do to be
justified?

What does it take for an angry
God to be pacified?

If you trust in your power, or
struggle with all your might,

Yet your righteousness is like
filthy rags in God's sight.

What a work of grace that a
man could clearly see

The Lamb with seven horns
and seven eyes,

When darkness covers the
earth and death begins to
strike

In the place where the blood
has not been applied!

BRIDGE

What do you think of the
opening of those Seals,

God's provided way for you?

Is it sufficient? Then, don't
add or take away;

It's God's provided way to
save you in this day.

What a work of power the blood
has done for you and me,

Lifting us from a life of sin,
turning our bodies heavenly.

And when Satan tries to convict
you in the courts of memory,

Hear the Lamb return the
verdict: "Not guilty, not guilty!"

("Not guilty, you are free!")

524**BEULAH LAND** **D**

I'm kind of homesick for a country
To which I've never been before;

No sad good-byes would there
be spoken,

And time wouldn't matter any
more.

CHORUS

Beulah Land, I'm longing for
you!

And someday on thee I'll stand,
There my home shall be eternal,

Beulah Land, sweet Beulah Land.

I'm looking now across that river
To where pain is going to end
inside,

Now just a few more days to
labour;

Then I shall take my heavenly
flight.

**** Proverbs 3:9

HONOUR THE LORD **C**

Honour the Lord

With all thy substance,
And the firstfruits of all thine
increase;

So shall thy barns be filled
with plenty,

And thy presses shall burst
out with new wine.

When you bring it }
In the House of the Lord, }
Bring it, in the House of the Lord, }
And I will pour out my blessings }
upon you. }2x

COME WHAT MAY F

He didn't say that it was going to be easy;
 Every promise my Lord has made
 We've got to fight to claim.
 For as many as He called,
 He gave the power to overcome;
 And every devil that stands
 before us
 Must be on the run!
 So why should I ever think it
 strange
 When fiery trials should come
 my way?
 For He said that if I do suffer
 for His Name,
 With Him I shall reign.

CHORUS

Come what may, with Your
 Word I will stay,
 Come what may, I'll press
 through anyway;
 Come what may, Lord have
 Your way.

I'll consider Him
 Who for the joy that was set
 before Him,
 The cross He endured;
 And that same life now
 dwelleth within me
 Victory I'm assured.
 For He did say, He'll never
 leave me nor forsake me,
 And as a seed of Abraham
 I'll possess the gates of my
 enemies!
 Why should I ever think it strange
 When fiery trials should come
 my way?
 For He said that if I do suffer
 for His Name
 With Him I shall reign.

As I journey along,
 May Lord I ever be,
 courageous and strong;
 For inch by inch I'll possess
 the land

For I'm a journeyman,
 By striving lawfully,
 Knowing Thou savourest
 reverence and humility;
 Let the fullness of that meal
 offering
 Be displayed in me!
 I should never ever think it strange
 When fiery trials should come
 my way,
 For You said that if I do suffer
 for Your Name,
 With You I shall reign.

When I am down on the ground,
 May I press through like a lily
 In spite of the muck all around;
 Rejoicing in the glory wherein
 You have clothed me.
 When I am up in the air
 And the strong winds blow,
 May I ever know that You are
 there;
 But if I be like a wounded dove,
 May I press through with Your
 message of Love.
 For I no longer ever think it strange
 When fiery trials should come
 my way;
 For I know that if I do suffer for
 Your Name
 Lord, with You I shall reign.

IT'S JUBILEE TIME AGAIN F

It's Jubilee time again,
 The outpouring of the Latter rain,
 When you hear the Trumpet,
 Shout and worship Him.

Keep on rejoicing, rejoicing,
 It's Jubilee time again,
 Rejoicing, rejoicing,
 The anointing breaks every chain.

Keep on rejoicing, rejoicing.
 You are pardoned from your
 sin,
 Rejoicing, rejoicing,
 The anointing breaks every chain.

LET THE RAIN COME DOWN C

We are living in these last days,
 In a harassing and a thirsty age.
 God sent Elijah His prophet
 again
 That He might come and bring
 the rain.

CHORUS

Let the rain come down,
 Let the thunder roll,
 Filling me up, let me overflow
 Till I can take no more;
 Filling me up, let me overflow
 Till I can take no more.

When you are a seed of God,
 You've got to be planted in the
 Word to die;
 Your body might decay here in
 the earth,
 But it will spring to life with
 eternal growth.

In these last days we are living
 in,
 We know that the life which
 is in us will spring again,
 As small as a mustard seed,
 saints, it will grow;
 As big and wide with branches
 flowing on the other side!

I want the former and the latter
 rain to reign in you;
 I want the former and the latter
 rain to reign in me;
 I want the former and the latter
 rain to reign in you;
 I want the former and the latter
 rain to reign in me.

I want the rain to come and
 give me Faith,
 I want the rain to come and
 give me Virtue,
 Let the rain come and give me
 Knowledge,
 I want the rain to give me
 Temperance,
 Let the rain come and give me
 Patience,
 I want the rain to give me
 Godliness,

Let the rain come and give me
 Brotherly Kindness,
 And Charity that the Super-
 anointing power could be
 seen in me.

GOD IN SIMPLICITY D

It's God in simplicity,
 Now revealed in humility,
 King of Kings and Lord of
 Lords;
 His name is called the Word of
 God,
 It's God in simplicity.

The Seven Thunder mystery,
 How He formed Himself in me;
 Now I know I'm part of Him;
 Soon He'll come and take me
 home,
 It's God in simplicity.

Christ is the mystery,
 Now revealed in you and me,
 King of Kings and Lord of
 Lords;
 His name is called the Word of
 God;
 Christ is the mystery.

JESUS YOUR NAME D

Jesus Your name is Power.
 Jesus Your name is Might.
 Jesus Your name will break
 every stronghold,
 Jesus Your name is Life.

Jesus Your name is Healing.
 Jesus Your name gives Sight.
 Jesus Your name will free
 every captive,
 Jesus Your name is Life.

Jesus Your name is Holy.
 Jesus Your name is Light.
 Jesus Your name is above
 every other,
 Jesus Your name is Life.

SHE STEPS A LADY D

She steps a lady all clothed in white,
Surrounded by a rainbow-colored light;
The sweetest smile she wears across her face,
As she beholds the One in whom she has found grace.

CHORUS

And what joy now fills her lover's heart!
As He beholds His lovely Bride at last;
And with joy will the angels sing,
What adoration from the Seraphim!

Objections considered, all hollerings will cease,
All other women will have to hold their peace;
He whispered to us in a language unknown,
And now the beauty of His Bride will be shown.

Oh, the mystery that the two have now become one,
And the victory of all ages is finally won;
Flesh of His flesh, bone of His bone, we are the same,
United we stand under that special name.

The Lamb takes His wife by the hand
And leads her unto the promised land,
Humble woman, He has chosen for His own,
Will sit with Him as Queen upon His Throne.

GIVE ME MY MOUNTAIN D

Give me my mountain, Amen,
Give me my mountain, Amen,
Give me my mountain;
The prophet had promised
Give me my mountain, Amen.

HIS MISSING RIB D

It was some thousand years ago
In the beautiful garden of Eden;
When God made man and placed him
Over the earth to have dominion,
But He saw man was alone,
He had no one to share his home.

So God put man into a sleep
And took from his side,
One of his ribs close to his heart
With which He formed his bride.
His missing rib has been restored,
His missing rib is in bride form.

This bride has come all dressed in white,
A veil she has put on.
She's come to stand at the side of him
Whom she was taken from.
His missing rib has been restored,
His missing rib is in bride form.

WE ARE GOING OUT D

A prophet like unto Moses came to us in this day,
Vindicated with signs and wonders,
He came to show us the way;
But now he's left us, gone on to glory,
And God has Joshua on the scene;
So be thou strong and of good courage,
As He was with Moses,
So He'll be with thee.

CHORUS

For we are the children going Out of Egypt's land,
We are the children marching Into the promised land;
We are the children crossing over.
The Ark is going before us,
We are the children going out In this Third Exodus.

Oh children, let's all be ready,
Heed to all that God commands;
Let us obey all His instructions
To enter into the promised land
He is the captain of our salvation,
Defeated all our enemies.
Do not be fearful, just be courageous;
He is the leader as we march to victory.

THE ANCIENT OF DAYS A

I beheld in the courts of Heaven
Where great treason was opposed:
Michael fought the great red Dragon
Who wanted to take control.
Kicked out of Heaven with the third of the stars,
Like lightning they fell to the earth,
They mingled the seed of men,
And by deceit, they gained control,
Until...

CHORUS

The Ancient of days did come,
With experience, maturity and wisdom;
The Ancient of days did come,
Restoring full dominion.
The Ancient of days did come
With experience, maturity and wisdom,
The Ancient of days did come
And we must overcome.

MONOLOGUE

*I beheld this same dragon on the earth was a dreadful beast:
He plundered and devoured, having kings to bow at his feet.
But, I beheld till the Prince of Princes came,
Great Michael, en morphe As the bloody Lamb that was slain,
He brought to us the victory.
He is*

I beheld this beast was wounded
But his deadly wound was healed:
He cast down the truth,
exalted a lie,
Having the whole world to be deceived.
I beheld till a Mighty Angel came
With an open book in His hand,
He gave me skill and wisdom to understand
God's great mystery plan.

MONOLOGUE

*I stood in the ranks of a great army,
They were the saints of the most high God;
We fought the dragon and overcame
By Michael's two-edged sword.*

LAND OF MILK AND HONEY F

There is a land of milk and honey,
There is a land where we won't need money,
There is a land shining with jasper;
There we shall see our blessed Saviour.

CHORUS

And that's the reason,
We shout 'hallelujah!'
Praising the King ,across the river;
That shining river,
Where the saints will gather;
There we shall see our blessed Messiah.

Elijah has come, he has done his work already,
As John has said,
"The bride has made ready;"
And now we are waiting
For the coming of Jesus,
What a blessed day
When the Lamb shall take us.

Our hopes are bright,
Our lamps are burning,
And day by day our hearts are yearning,
This is the evening;
He will come in the morning,
Then we shall wait until that morning.

WELCOME , WELCOME F

Welcome, welcome, welcome,
Holy Ghost we welcome Thee;
Come with power this very hour,
Holy Ghost we welcome Thee.

TIRED UNDERPRIVILEGED D

When I think about what God has done
 Back there on Calvary;
 Even Seven Angels coming in a Cloud
 Bringing back redemption for me
 Opening up the Lamb's book of Life
 And all the hidden mysteries,
 And I know that we have eaten the Book,
 What a people we should be!
 And when I see another corn of wheat
 Coming to a mature stage,
 And this is the day of redemption
 And the price has been paid;
 Yet I see the things You've promised
 Missing in my life,
 Oh how I want to lose my life,
 So your Life could be }
 wrapped up in mine. }2x

CHORUS

For I'm tired living underprivileged
 When I see what God has done;
 I'm tired living as a servant
 When it's time for manifested sons.

Lord, You gave revival and
 And you promised the Third
 Pull too;
 For the greater works we }
 have to do. }2x

There are souls under the altar,
 They are crying out 'how long Lord?'

Sleeping saints, they are anxiously
 Awaiting on the resurrection.
 In my heart there is a cry
 To go back to that place,
 No more darkly in a mirror
 But seeing face to face.
 The whole creation is groaning,
 Waiting on that sweet release;
 The lion wants to lay down
 with the lamb
 For a thousand years of peace;
 And I want to see the One

Who has been with us all the time;
 But still I want to lose my life
 So His Life could be wrapped }
 up in mine. }2x

A new day has dawned
 And I just can't go on this way,
 Just saying that I'm a Christian,
 Walking with my Bible everyday,
 The Prophet said the true
 church would write
 Another Book of Acts,
 And if I don't come back to
 that place
 Then I have missed the mark.
 But between revivals the locks
 have grown,
 There is a possibility;
 The meal has been placed
 upon the sticks
 To be baked into reality,
 Faith to use the power
 Is growing greater all the time.
 So like Samson: Just once
 more Lord,
 Like Esther: If I perish I perish
 Lord,
 Like Jonah: to do Your bidding
 Lord,
 Like Joseph: to be a prisoner;
 For the greater works we }
 have to do. }2x

FLOW THROUGH ME A

Flow through me, Holy Spirit,
 Flow through me;
 Flow through me, Holy Spirit,
 Flow through me;
 As I lift my hands to worship,
 And to magnify Thy Name;
 Flow through me, Holy Spirit,
 Flow through me.

WE ARE GOING OVER F

We are going over Jordan.}3x
 And the ark is going before
 us.}3x
 And the waters now are
 parting.}3x

SHE IS MY BRIDE F

Come, see what I've found
 In the dust of the ground;
 A pearl of great price,
 A jewel for my crown.
 The gentle look in her eyes,
 Motherhood she won't despise,
 Such a jewel is rare to find.
 She's like an Easter flower
 That the Rock of ages did shelter;
 Her beauty, her character are
 undefiled.

CHORUS

And she is my bride,
 She is my virtuous wife;
 She is my bride
 Today and forever.

I've suffered much pain
 Before I could take my claim,
 But she was chosen long ago
 to bear my name.
 We shared years of intimacy,
 She was the great mystery in me;
 She is flesh of my flesh
 And bone of my bone.

MONOLOGUE

I believe, "blessed is the man who can find a virtuous wife," for we live in a time when the daughters of men are fair. But what is beauty without character anyway?.. Just vanity..... so sons of God, turn your eyes away from that wild stare. Look for the virtues of sacred motherhood..... a meek and quiet spirit which is precious in the sight of the Lord And such virtues you can only find in the daughters of God who, like Leah and Rachel, will build the house of Israel, raising sons and daughters of God would worship the Lord and bless His Holy Name When you've found such a woman, then you can truly say

CHORUS

My love will keep her all the way,
 At my side she'll always stay,
 For we're united by my promises;
 I'll keep my word.
 She'll never be alone
 Together we'll share our future home,
 My queen will sit with me upon my throne.

BEHOLD THE LAMB E

About two thousand years ago
 When John was on the earth,
 Sent by God to pave the way
 For the Saviour of this world:
 And as he introduced the Messiah
 To the people there,
 When he saw Jesus coming
 unto Him,
 This is what He said.

CHORUS

"Behold the Lamb
 Who taketh away the sin of
 this world!"
 Behold the Lamb
 Has taken away, has taken
 away my sin.

Israel suffered serpent stings
 When they provoked the Lord,
 God's mercy caused the
 brazen serpent
 To be lifted up;
 And as for healing, it was lifted
 In the wilderness,
 So Jesus Christ was lifted
 So we could look and live.

In the beginning was the Word,
 Then, taking fleshly form,
 Was manifested through
 Jesus Christ
 And lifted on the cross:
 And through the opening of
 those Seven Seals
 We see so plain,
 Just for our redemption, He's
 lifted up again.

SAIL ON **F**

Morning cometh and also the night,
Gross darkness upon the earth;
Many are wandering to and fro
And knowledge has increased.
But make sure your anchor holds my friend,
And keep your eyes upon the North Star
'Cause He promised never to leave us;
He's the author and the finisher.

CHORUS

Sail on, sail on, sail on, sail on,
Land ahoy!
Sail on, sail on, sail on, sail on.

A royal priesthood we are,
A peculiar people,
A holy generation
That comes from every nation.
And the captain of the Lord's host is on our side,
With a flaming sword in His hand
To protect us as we go by.

We've been travelling six thousand years,
Going back to Eden.
Soon it wouldn't be long,
We'll soon see our Promised Land.
Standing fast in the liberty
Wherein Christ has made us free,
Holding our confession to the end;
Lady Liberty.

We're sailing through rugged, jagged seas
With thunders, lightning and blasts;
Pressing through with all our might
To see God's Word come to pass.
If we perish, we perish,
But we're going to see our King,
Laying our lives on the line,
Knowing that we are nothing.

GOD'S EAGLES **F**

I lived in a world of sin and shame
That only caused me grief and pain,
And I tried so hard to be free,
Searching for my true identity,
Didn't know I came from eternity,
Until God came and revealed it to me.

CHORUS

On the wings of a snow-white Dove,
God sent His pure sweet love,
On the wings of a snow-white Dove
To take His eagle home. }2x

I knew somehow I was born to fly
Way up in the sky,
But somehow I couldn't set my wings free;
But since that day I heard His voice
And made Him my heavenly choice,
By His grace I can say I've been set free.

Now behold what manner of love
The Father hath bestowed upon us,
That we might be called the Sons of God!
Wherever He bids us we will go,
Wherever He leads we will follow,
'Cause who the Son has set free is free indeed.

WE ARE HERE TO PRAISE **C**

We are here to praise You,
To lift our hands and sing.
We are here to give You,
The best that we can bring;
Bringing You our love,
Rising from our hearts,
Everything within us cries,
"I love You Lord."

VICTORY AND GLORY **C**

I have heard but now I see,
God's promise to you and me.
All these years through thick and thin,
We have laboured to enter in.
Then God's silence was broken through
And I can see me and you. }2x

CHORUS

Singing Victory,
Victory and Glory for all eternity,
It's the promise of God to us.
Victory and Glory, for all eternity, Hallelujah!
Victory and Glory, for all eternity,
We'll sing it forever,
Victory and glory for all eternity.

The Thunders came, the Seals revealed,
Couldn't understand all, but yet we believed.
Many thought we were off on a limb;
But they didn't know we were worshipping Him.
Wednesday the third of June at }
Cocoyea }
God decided to display Himself. }2x

Now we are climbing higher each day,
Conquering all devils who stand in our way,
This Bride is ready to make her stand
For the kingdom of God is at hand,
For it becometh unto us to }
fulfill }
all righteousness. }2x

This Bride's revival is here to stay,
We must press harder to keep it that way.
Through prayer, obedience and sincerity,
We'll all inherit eternity;
JVHU, I Jesus, is hereto prove }
that this Bride won't fail. }2x

OUR RESTORED FAITH **G**

This Message bought us back to oneness with our God,
With Seven Seals opening up His Holy Word.
Seven Mysteries thundering out and unfolding;
Rapturing Faith for Rapturing Grace now revealing.

CHORUS

The Adoption, full Redemption,
All authority and power
Is restored unto the Bride in this great hour.

I was troubled and confused in Laodicea,
No satisfaction for this deep and inward hunger,
Clouds of darkness hovered o'er me trying to blind me,
The Light broke through, the shadows flew, and now I can see.

I have heard about the inspired declaration,
Made by ambassadors for Christ from South in Trinidad,
The move is on for the chosen ones by election;
The local Bride is gathering in for the adoption.

Seven Voices thundered out in this hour,
Revealing Faith to Brotherly Kindness for the Rapture,
Anointing hearts and lives with overcoming power;
Fear and bondage, skepticism could not linger.

We are quickened by this blessed revelation,
Changing from glory unto glory for Redemption,
Perfect Love uniting hearts for translation,
Perfect Faith conquering death for resurrection.

548

LET GOD HOLD YOUR HAND C#

When you feel that your life is almost gone,
And the burdens they are just too much to bear,
When you think that my God has left you in your most trying hour,
Just remember He'll be there to hold your hand.

CHORUS

So just let God hold your hand,
He never failed and He will not fail,
He'll always be there,
So when you think that you're so alone,
My Jesus, He will help you stand,
So just let go and let God hold your hand.

Every word that He has promised is true,
He has kept me only by His saving grace,
So when the pressures of this world engulf you like a mighty sea,
He'll be there, He will be there to hold your hand.

CHORUS

Take my hand precious Lord,
lead me home.

549

JESUS NAME C

Jesus, name above all names,
Wonderful Saviour,
Glorious Lord,
Immanuel, God is with us,
Blessed Redeemer, Living Word.

550

IMMANUEL, IMMANUEL C

Immanuel, Immanuel
His name is called Immanuel,
He's God with us,
Revealed in us,
His name is called Immanuel.

551

MY LORD DELIVERED ME D

There was a time when I was deep in sin,
No place in my heart
For the Lord to enter in;
Stumbling in darkness,
The way I could not find,
There was a deep in my soul,
I knew I was blind,
Until His light did shine.

CHORUS

My Lord delivered me with His mighty hand,
My Lord delivered me from the sinking sand.
My Lord delivered me, that is why I sing,
My Lord delivered me, I could never stop praising Him.

Now I am a warrior with a battle to fight,
I'm not afraid for the Lord my Captain is in sight,
He'll point the Silver Sword and I'll obey His Word,
But the foolish man, he can't understand,
I'm His thought made flesh by predestination.

So here we are so great with child,
Resting on that Seventh Peak,
Waiting orders from on high
To exercise the Third Pull,
our inheritance;
But the wicked man cannot understand,
There cannot be any impersonation.

Love one another my brothers,
Let's run this race,
Endure to the end,
For we know we'll see His face.
Grow in grace my sisters,
Let's fulfill all righteousness,
For we are flesh of His flesh and bone of His bone
We'll sit with Him in His throne.

552

HOLDING MY PALM G

When I see all Israel in their homeland,
When I see all prodigals come home;
Then, this evil world,
Clothed with darkness in their soul,
Very soon to hear from our Redeemer;
The Word-Bride, we are sealed and ready,
For the holy new Jerusalem;
I am rejoicing and singing,
Shalom!
Holding my palm in my hand.

CHORUS

Holding my palm in my hand, }2x
Where the eagles are gathered
Worshipping the Lamb,
Holding my palm in my hand.

I'm not boasting about much revelation,
I'm not boasting about much inspiration;
But when I look in
And miss Elijah from the scene;
I believe and fear, for I know who is here;
About two hundred pounds
Of olive skinned complexion,
Pouring out His fullness unto man;
Like John, I shout, Hallelujah!
Holding my palm in my hand.

And when I hear God's Holy Word revealing,
All the mysteries of Christ the Son of Man;
I recognize my day and what the Spirit says,
"Come out of Laodicea;"
For the white horse rider will take the hindmost,
So come into the Royal Holy Ghost;
And the Spirit and the Bride say, "Come, come, come,"
Holding my palm in my hand.

And when I feel that hot Shekinah glory,
Drawing me deeper into love's veil;

And I feel those flames of light
Changing my robes to white,
To a place where I could never fail;
For it was by predestination,
He came to dwell in me, His chosen one;
Then let the winds, and the waves, and Satan storm,
I am holding my palm in my hand.

553

WE ARE YOUR PEOPLE D

Oh Lord, we are Your people
Chosen by Your grace;
You took us from the heathen
To be a super race;
And as children of the great King of Kings
We have all reason to shout and sing;
You've given us joy, joy, joy.}2x

If You should mark iniquity,
Which of us could stand?
How could we get through this life
Without Your guiding hand?
So Lord, we ask You, forgive our failures
And deliver us from all temptation;
And make us strong, strong, strong.}2x

We know we're not deserving
Of all Your graciousness;
We know we fail You daily
And sometimes misbehave,
But Lord, we love You, we want to serve You,
Yes Lord, we need You and we believe You
Will help us overcome.}2x

Oh yes, You have redeemed us
By Your precious blood;
Your power brought deliverance
When Satan came in like a flood;
And Lord we see You strong in battle,
Yes Lord, we see You breaking the shackles
And giving us Joy, Joy, Joy.}2x

MORE THAN CONQUERORS D

The hour of shaking is now at hand
 When many builders would realize
 They have built on sinking sand.
 For the stone that the builders refused
 They have rejected, the Revelation of the Son of Man.
 But unto you He's been a treasure,
 And an anchor to your soul,
 All the evils of this world
 We'll overcome.

CHORUS

For more than conquerors we are, }
 Through the power of Jesus' Name }
 Priests and Kings He has made us }
 And forever we shall reign. }2x

Many pressures came from outside and within,
 And temptations did rise to take a look
 Unto the other side;
 But by the grace of God we resisted sin
 And the devils were surprised,
 We knew by the Word of the Lord
 We were tested and tried;
 But unto you who look above
 Through the window of perfect love,
 God has sent to us His sign
 On the wings of a Dove.

As the new ministry becomes reality,
 Now men will see with the eye
 The works of God expressed through His little Bride,
 Every knee must bow, every tongue confess,
 Men's folly be made manifest,
 The foolish man won't be able to stand;
 But unto the wise who understands
 Great exploits are now at hand,
 For Michael's feet are on the sea and on the land.

LO! IN HER MOUTH E

We can see the signs of the times are all around,
 Unclean spirits like frogs coming out of the Dragon's mouth,
 False prophets are lying and the truth they are denying;
 But we have received our message of grace,
 On the wings of a Snow-White dove.

CHORUS

Lo! in her mouth
 Is an olive leaf,
 That speaks about redemption,
 That speaks about His grace.
 Lo! in her mouth
 Is an olive leaf;
 It speaks about eternal life
 And fellowship with God.

Economic and social pressures are everywhere,
 Many have been caught unawares;
 The hour of temptation has come upon everyone,
 But unto us His little Bride, His voice whispers 'Shalom!'

He said, "Fear not my child, all your troubles are over,
 Your enemy has been destroyed.
 Your great enemy has been conquered;"
 Fear none of these things that shall tear this world apart,
 For the Dove is cooing in our hearts
 Who are shut up in the ark.

HE RECONCILED ME G

He reconciled me from the pits of the miry clay,
 He brought me in His arms to stay,
 And I'll praise Him for that day.
 He reconciled me from the pits of the miry clay,
 Whenever Satan comes my way,
 I'll remind Him of that day.

GREATER WORKS C**CHORUS**

Greater works than these shall you do,
 For it's a promise for me and you.
 Greater works than these shall you do,
 For it's a promise for me and you.

For we are partakers, Lord, of Your holiness,
 And we are now clothed in Your righteousness;
 And we are Your children walking in this Evening Light,
 And in Your Bride You'll be glorified.

For the God of Peace shall bruise Satan under our feet,
 The army of the living God, he shall not defeat;
 So let us praise God for this mighty privilege
 To be a part of this apostolic heritage.

For the cup of the iniquity of this world is almost full,
 And here we are upon Mt. Zion awaiting that final pull;
 May God grant us the faith to use that two-edged sword,
 For every day Your elect cries,
 "Just once more Lord."

So brothers and sisters let's keep on abiding in His Word;
 Don't look to the things of this world and get your vision blurred;
 For we've been drawn to that holy place
 Where Our Lord has placed His name;
 Having blessed assurance
 He'll glorify it again.

Greater works than these shall you do,

For it's a promise for me and you.

BRIDGE

Unconditional promise for me and you,
 Unfailing promise for me and you,
 Holy Ghost promise for me and you,
 Seven Thunders promise for me and you,
 Oh, what a mighty promise for me and you.

VESSELS OF HONOUR F

We are troubled on every side
 Yet not distressed,
 Perplexed but not in despair;
 Persecuted but not forsaken,
 Even in trials we are not forgotten.

That's why in all these things,
 We are more than conquerors
 Pressing the upward way;
 And we bear in our bodies
 The dying of our Lord
 everyday, everyday.

CHORUS

'Cause we are vessels of honour }
 Set aside unto the Master's use, }
 And they whom He foreknew, }
 Them He did choose. }2x

Our Lord was tempted on every side,
 Yet without sin,
 That we could reign with Him;
 Proven to be the true Saviour,
 Lord and King and Blessed Redeemer.

Now we are given a sacred trust
 To fulfill His word
 In this hour of destruction.
 Surely goodness and mercy
 Will be with us despite the condition.

GOD'S ELECTIVE LOVE Em

Deep calleth unto deep,
In the night time I scarcely sleep.
Why art thou disquieted in me
my soul?
I've found hope in the Lord of
glory;
He has revealed my life's
mystery,
Shown me that I was in His
thoughts from times of old.

CHORUS

It's the rising of the sun,
When the children of God on
the earth are born;
This Evening Light from above,
It's nothing less than God's
elective love.

I see Mary, she's walking
slowly,
Along the narrow road that's
dusty,
When the child is born your
sorrow will be gone;
"Esther, Esther, touch that
sceptre,
With the King you have found
favour;"
Anything you do, do it in that
name.

Samson's locks are now a
little longer,
Faith muscles are becoming
stronger,
Between the pillars the Lord
will strike His Masterpiece;
Now the Headstone is drawing
nearer,
Dynamics are worked in
greater measure;
Pulsations of faith will soon
create: "Let there be."

Seven Thunders activating the
countdown,
The North Star leads the battle
stars to the showdown,
Two hundred million devils will
be on the run;
Joel's mighty army comes on
display,
The elements will tremble
before them on that day,
For strong is the Lord that
executeth His Word.

Our hearts are burning with
expectation,
For the promised eternal vacation,
Reservations have already
been made;
Next attraction, coming soon,
Bridegroom and Bride leave
for honeymoon,
On the wings of Love she'll take
her flight thru' the skies.

560

AFTER ALL Bb

Trials here are sometimes many,
And oft times my feet grow weary,
Till it seems I almost stumble
and fall.
But the tender hand that leads
me,
Is the hand that keeps me
steady;
Gives me faith, that I can
make it, after all.

CHORUS

After all this life is over,
And our burdens have been
lifted,
And we stand upon the
mountain top so tall;
Looking over in that city,
That our Saviour is preparing,
Gives me faith, that I can
make it, after all.

By myself I cannot make it,
But I know He's there to help
me,
He will hear my cry, if only I will
call.
"Just keep trusting, and
believing,"
Are the words I hear Him
whisper;
Just a few more days to labour
after all.

561

THE LORD IS MY STRENGTH F

The Lord is my strength and }
my song. }2x

He has become my salvation, }2x
The Lord is my strength
And my song.

AS I POSSESS THIS LAND A

As I continue to possess this land,
Lord let me hold fast this
revelation,
All along the way, Lord lead
me all the time;
For You know this path real good,
It is a road You have already trod,
And you overcame every
temptation by Your own Word.

CHORUS

Lord anoint me more and more,
With overcoming inspiration,
Seven powerful thundering
voices
Shattering every strong temptation;
Perfect faith and confidence,
Lord my soul is longing for;
Perfect strength in perfect
weakness, Lord allow.

Lord, I know that this land is
mine,
For You have made me to
understand
Your counsel is immutable,
You cannot lie;
You have restored back all the
Word,
And Your promises are
assured;
Forward in faith to the
objective as I journey along.

Alert and ever watchful, help
me to be,
As I walk this land with Thee,
Ever spotless may this pure
white raiment be;
I've surrendered whole-heartedly,
Looking for the change of
immortality
And I remember how You
came and delivered me.

You are the same Jesus that
calmed the sea,
And You're dwelling now in me,
Make me conscious more and
more of my ability;
Full obedience to Thy Word,
Because of love for what You
did,
Exercising the faith of God
that's locked up in me.

IN THE BEGINNING Em**CHORUS**

In the beginning, before the
beginning,
The great Elohim, had no origin,
He had no father, no mother,
the great Jehovah our God.

He had in His mind before the
foundation,
That He, the Lamb would be
slain
To redeem His creation;
He knew we had fallen from
our lofty heights to sin,
So He had to come in flesh
and die,
To bring us back again to Eden.

He came with a Shout
revealing His redemption,
To call and claim His Bride
From the powers of deception;
So why should we doubt
That His words are in our
mouths,
For He has ordained that we
must prophesy again,
To every nation.

We have crossed back the
chasm to our lofty heights,
By seven thundering voices,
His great evening light;
We'll be translated to His
heavenly domain,
We'll sit with Him as priests
and kings;
We will reign with Him
Forever and ever and ever.

564

GOD CAN DO IT AGAIN F

God can do it again
And again and again;
There's no reason to doubt
God can do it again.
Yesterday and the day before,
He is always the same;
There's no reason to doubt
God can do it again.

KICK HIM DOWN C**CHORUS**

Kick him down, kick him down, }
 Have the devil on the run; }
 A son of God must not be }
 trodden down, }
 So kick that mamba down. }2x

Arise and shine, King
 Theophany has come,
 Let's hold to His unchanging
 hand.

Praise the Lord, praise His
 name and be garrisoned by
 prayer;

Don't let the devil shake your
 confidence

Or in your heart put fear.

Don't you hate your brother,
 That's the root of bitterness;
 We've got to walk in that way
 of holiness, of holiness.

Cover your face, cover your feet
 With reverence and humility,
 Let's go into action with God-
 given ability.

Stand flatfooted in your trials,
 Though they may be
 sometimes mean;
 Always remember to call
 Jesus on the scene.

Remember everyday to have
 the token on display,
 It's an act of love so follow that
 Dove,

That snow-white Dove, that
 snow-white Dove.

Unconquered by tradition, in
 this day we stand,
 Like Joshua and Caleb, we're
 going to take that land;
 But brother it won't be easy,
 It's not a flowery bed of ease,
 Remember that old devil,
 Will bring on that terrible squeeze;
 Don't let him have you blue,
 Wondering what you're gonna do:
 For we're on that Seventh Peak,
 So we'll just speak;
 We'll just speak.

DRY BONE IN THE VALLEY Em

I was a dry bone in the valley,
 When Jesus found me;
 A dry bone in the valley,
 When He put flesh upon me.

CHORUS

Said, "Son of Man, can these dry
 bones live?"
 And I answered, "Oh Lord,
 Thou knowest."

You have given us prophetic eyes,
 So we won't believe Satan's
 lies;

Although the world thinks us
 absurd,
 We'll keep on holding to Your
 Word.

We are the flowers and You
 are life's essence,
 May Oh Lord, You have the
 pre-eminence;
 For that's the reason why You
 made us,
 To achieve Your greatest
 purpose.

Now I stand justified and do
 appreciate
 The out-pouring of Your
 wonderful grace;
 Sanctified from the bondage of
 sin,
 As the Holy Spirit now dwells
 within.

Now I'm no longer a dry bone
 in the valley,
 Since Jesus set me free;
 And now I'm growing in His Grace,
 And some day soon I'll see
 His face.

LET THE BOOK LIVE D

Let the Book live in me dear Lord,
 Show me myself within Thy
 Word,
 Show me myself and show me
 my Saviour,
 And let the Book live in me.

I FEEL LIKE PRAISING HIM D

When I wake up in the morning
 And think of the great things
 God has done for me,
 In my heart there's such rejoicing
 To think that a new day has
 dawned on me;
 For the glorious mysteries in
 God's Word,
 That He has allowed me to share:
 It's only an indication of His
 great love, and how much He
 cares.

CHORUS

I feel like p-r-a-l-s-l-n-g Him
 P-r-a-l-s-e Him
 I feel like p-r-a-l-s-l-n-g Him
 P-r-a-l-s-e Him

Like to Abraham, He came down
 In this day unto me.
 Showing me things that were
 and things that are, and
 things, things that are to be.
 What has been hidden from
 the eyes of the wise and the
 prudent,
 He has revealed unto His own;
 A message of preparation, to
 take us to our eternal home.

When I think that I'm one in a
 million
 Chosen by God to stand in
 this evil day,
 It fills my heart with love for
 the Heavenly Dove who has
 led me
 In God's provided way.
 I, who was dead in sins and
 trespasses, so wretched, so
 wretched and so vile,
 It took His Amazing Grace, to
 lift me to a place that He now
 calls me,
 Calls me His Bride.

When I see all hell extending
 her borders to swallow up
 humanity, I thank the One with
 the keys of death and hell,
 Who has opened the prison
 door for me.
 He has changed my course
 from the regions of the lost,
 that realm of insanity,
 By anointing my eyes with a
 Heavenly vision
 To behold and live eternally.

DOVE LEADING THE EAGLE F

I just want the Dove
 To lead this eagle,
 I just want the Dove
 To lead this eagle home;
 For I know the Dove is here,
 He has come to lead God's
 eagles;
 And I know He will guide me,
 And keep me in His Word.

I just want to follow
 The way You will lead me,
 I just want to follow
 The way that You will go;
 For I know You will lead me
 In the footprints that You have
 left,
 And I know that You will guide
 me
 And keep me in this path.

I just love that Dove,
 For He is my Lord,
 I just love that Dove,
 For He has been my guide;
 He has brought me up seven
 steps
 To a perfect faith I've never
 known;
 Now He'll send me with His
 Word
 As He rides this trail again.

LET'S TAKE TIME D

Let's take time to wait upon
 the Lord,
 Let's take time to listen to His
 voice;
 Unless the Lord builds the
 house,
 We labour in vain,
 Let's take time to wait upon
 the Lord.

OVERCOMING POWER G

The Message came in this last
age to prepare a Bride,
To walk with Him and talk with
Him and in His Word abide.
It's written in the Spoken
Word, and it's laying there,
To bring us into Rapturing
Grace and take us out of here.

CHORUS

Overcoming Power is what we
have today,
Overcoming Power to keep
the devil away;
Overcoming Power till we
become the Word.
That's when we'll leave this
sinful earth
And go and meet the Lord.

We have passed the seventh
age,
The power has to come.
The scientists have gone to
work,
They're sure to get the job
done.
Our sins and weights to lay
aside,
And we'll set everything right;
So when the inspiration falls
we'll just take off in flight.

Our Moses has already gone,
He has prepared the way,
He brought us to the Jordan,
And he was taken away;
But Joshua is preparing now
to sound out His command,
To gather all the saints of God
to enter the Promise Land.

This day will I begin to magnify
thee in the people's sight,
You and I were eye witnesses
at Mc.Allister Street that night;
Also in the Hospital we had
witnesses there;
By inspiration, "In seven days
time,
You'll be walking out of here."

We've planted flags, we've
placed our stones,
We had testimonies there,
They will serve as memorials to
drive away all doubt and fears.

On June the 3rd that's when the
Lord rolled our reproach away,
Beyond a shadow of a doubt,
I, Jesus Christ, is here.

BLESSED ARE YOU Bb

Like a hart pursued by his evil
foe,
He knows well to stay near
that brook
Where the living waters flow;
So panteth my soul after You,
the living Word,
I know well to stay near that
river
where living waters flow.

CHORUS

Blessed are you
Who hunger and thirst after
righteousness,
Blessed are you
For you shall be filled;
Blessed are you
When men persecute you for
My name's sake, you see;
Blessed are you, blessed are
you, blessed are you.

Where there is a deep,
There is a deep to respond;
For unto this end were you born
To be a child of God,
A child of I AM,
Know that the great I AM now
dwelleth in you,
And soon through you, He'll
display
He's just as great today
As He was yesterday.

In the midst of the night,
We saw an amber-coloured
Light,
The Light of yellowish green
Is Jesus on the scene
Come to lead His elected genes;
Beyond the riven veil,
On peaceful waters the ship
now sails,
No more tossed to and fro
By stormy winds that blow,
He has anchored our soul

ANGEL SWEEP BACK WINGS C

The Light has come to show
where we are going,
In bridal step along the way
we are treading.
The revealed Word has shown
us our placing,
A super-race we are in the
perfect rest of God.

CHORUS

Oh, that Angel with the swept-
back wings,
He's the One that means the most.
He took us in the Inner Veil,
To reveal Himself more privately.
Here we are in perfect step,
In the promises of God.
Oh that Angel with the swept
back wings,
He's the One that means the most.

All honour and glory and
praise to His Name,
For He was found worthy to
take the Book,
And show us our names.
Flesh of His flesh and bone of
His bone,
In harmony we stand,
In God's provided place,
In the Seventh Seal of God.

The Seven Spirits in
Revelation,
Is that notable Angel,
Who brought back the keys
To open the Third Pull.
Came back shouting "Grace,
Grace, Grace!
For I, JESUS, am the Word of
God,
That is in your midst right now."

CAN'T YOU SEE WHY D

Can't you see why I'm happy?
I've accepted the Word of the
Lord.
The revealed Word that was
spoken
By the prophet of Malachi: 4.

THE CHALLENGE G

It's a challenge to accept,
It's a faith to rise into,
It's a way I can show the world
That Jesus Christ is true;
It's a life to live, a testimony
blameless,
Living for Christ, standing
every test.

CHORUS

For I've got to prove
I'm one in a million,
I've got to show the power of
the blood;
I've got to prove I'm not like those
from Satan's Eden,
I've got to show that I'm a person
that this world isn't worthy off.

True representative of Christ,
In the field that you've been
placed,
The joy of your life with Him,
Always a glowing on your face;
Living humbly, following the
ways He showed,
A true witness of Christ in this
day.

Who are the ones that's going
to stand,
And keep a testimony clean?
In the midst of an unbelieving
world,
We'll keep looking to the unseen;
To really know that we will
overcome,
And receive His promise to sit
on His throne.

WE'RE TOGETHER AGAIN G

We're together again just
praising the Lord.
We're together again in one
accord.
Something good is going to
happen,
Something good is in store.
We're together again, just
praising the Lord.

GOD'S CHURCH MARCHING A

God's church is led by the
mighty arm
Of the Great Five Star
General,
To execute His redemption
plan,
And to wind up the commission.
She is marching now in view,
She is Michael's chosen few;
The Chief Captain with the
Silver Sword,
He's pointing her to victory
ahead.

CHORUS

God's church is marching,
God's church is marching,
God's church is marching the
victor's march;
God's church is marching,
God's church is marching,
God's church is marching the
victor's march.

God's church has moved into
a sphere,
Where she can have what she
desires,
For the anointing is released
to her
To display authority and power.
To have the blind and deaf
restored,
The sick and dead raised by
the Word,
She's a mighty marching army,
She'll shake the world with her
ministry.

God's church is sounding the
jubilee
And setting the captive free;
She's conquering the enemy
From victory unto victory;
She is strong and courageous
In the revival of the just,
She's made her final turn at
the west,
And she is marching the
victor's march.
God's church is waving the
banner high,
For her victory day is nigh;
She's in position on the
Seventh Peak

For the super power now to
strike.
She'll be a witness to the total
lost
By manifesting the greater works,
And the New Name that she
bears with pride,
Once again, it will be glorified.

God's church is singing the
victor's song,
As the battle rages on,
All things are under her dominion,
She knows the battle is
already won.
Soon she'll march to her home
on high
For communion in the sky,
And those waiting mighty gentile
warriors;
Will rise and join in the victor's
march.

QUICKENED, CHANGED, D

Oh, I'm quickened, changed,
translated
By the power of the Holy
Ghost,
And I'm waiting for the
outward
To be changed and taken off
the earth.
His power now is moving,
It's deep inside of me,
When I look into the mirror,
I know it's Him I see.

ABRAHAM'S BLESSING F

Abraham's blessings }
are mine; }4x

I'm blessed coming in, }
I'm blessed going out, }3x
Abraham's blessings are
mine.

THE DEED THAT CAME D

This is what we have been taught
By the prophet of God today.
All the things that Adam lost
Now are available unto us.
He identified the Cloud that
came,
As the Deed to man again,
The Deed that came.

CHORUS

This is what it's all about,
Let us lift our voices together
and shout,
Hallelujah! to our God
Who has redeemed us by His
blood,
The Deed that came.

This great mystery that was sealed
In our day has been made so real.
'Twas the abstract title deed,
The promise God made to
Abraham's seed.
Seven deaths and seven steps,
That the Christ may be formed
in me,
The Deed that came.

This dominion that Adam lost,
In our day has been displayed;
By a simple, humble man;
One who stood true to God's
great plan.
And from flesh to Word he came,
Spoke a word and squirrels came,
The Deed that came.

SINGING I LOVE YOU LORD C

In moments like these,
I sing out a song,
I sing out a love song to Jesus;
In moments like these I lift up
my hands,
I lift up my hands to you Lord.

Singing, I love You Lord,
Singing, I love You Lord,
Singing, I love You Lord,
I Love You Lord.

Singing, I'll serve You Lord

Singing, I'll praise You Lord

THE ORIGINAL LIFE A

God's attributes were
manifested to His Bride in this
last day,
We have caught the revelation
by the last prophet's message;
And we know who we are and
what we are raised up for,
Praise the Lord for the Original Life.

CHORUS

The Original Life, the Original Seed,
The Original Word is what I
believe,
The Son of Man is revealed;
The Seventh Seal is unveiled,
The Original Life, the Original Seed.

Our eyes of understanding, He
has opened up at last,
And sweet victory is ours who
were chained down in the past;
True Jubilee has sounded and
we have responded to our God,
Who's the Original Life.

We are the word made flesh today
This is what the scripture say
And our names are seen within,
Redeemed and perfect without sin;
Yes we are anointed and inspired
By our God, Who's the Original Life.

We are called unto adoption,
full authority and power,
Sleeping saints will wake and
join us for translation in this hour;
Gentiles' days soon be over,
Glory, Hallelujah!
To our God, who's the Original Life.

IT'S ALL RIGHT F

Church it's all right, (Yes, it's all
right)
Church it's all right, (Yes, it's all
right)
As long as I have my God beside
me,
It's all right,
As long as I have His hand to hold,
As long as He watches over my
soul,
As long as I'm under His control,
Then it's all right.

ARISE AND BE DOING Em

Oh, prisoners of Love, the
Master has need of thee.
Who shall build the Lord's house,
A magnificent sanctuary?
But a people He has chosen
to bear His name,
Yesterday, today and forever,
His awesome power remains
the same.

CHORUS

Arise, and be doing and the
Lord be with thee,
Who shall build the Lord's house,
A magnificent sanctuary?
Arise, and be doing and the
Lord be with thee,
We shall build the Lord's house,
A magnificent sanctuary.

"Come forth My sons with
wisdom and skill,
My anointing is on thee,
Who shall lay any hindrance
when I've ordained the victory?
Take your hammer and My
sword,
Be thou courageous and strong.
Only believe My Word and a
paradox I will perform."

"Take My yoke, My love slave,
For it's easy and My burden's
light,"
Who shall serve the Lord thy God,
With all his soul and strength
and might?
But His people He has taken
from the depths of the miry clay,
Let every lively stone in His
building find its perfect place.

GOD CAN DO ANYTHING F

God can do anything,
anything, anything,
God can do anything for you.
He's the Alpha, the Omega,
The beginning and the end.
God can do anything for you.

CHRIST REVEALED F

The promise of the Lord is
now at hand,
And in the love of God, O
there she stands;
That Super-race the Lord has
spoken to,
"Thus saith the Lord, she's in
plain view."

Our beloved prophet cried to
see our day,
When the beloved Bride of
God will show the way,
Today, here stands the Bride
becoming Christ;
Passing every Bridal test into
perfect rest.

Elisha surely saw Elijah go,
And he got a double part of
grace to know;
So nothing will stand in God's
Bride's way,
For she saw Elijah go along
the way.

The mystery is God in our flesh,
And veiled behind our skins,
that is the test;
Stumbling the world with its
simplicity,
For we now see that we are
the Messiahettes.

The enemy is running on
every hand,
All heaven is amazed, God's
mystery grand;
Those seven thunders saying
"Christ is revealed,"
Now Jesus Christ and Bride
united stand.

I LOVE MY JESUS F

I love my Jesus }
And Jesus loves me }
In Him, I am so happy. }2x

In Him, in Him, }
In Him I am so happy. }2x

THESE DIVINE TRUTHS D

Oh precious Lord, how we
thank Thee
For revealing to us Thy perfect will,
So that we could receive the
faith of God.
Without a shadow of a doubt,
We know that the faith of our
fathers is living still,
For by infallible proofs,
You have displayed that faith
through us.

CHORUS

These divinely revealed mystery }
truths }
Have restored back the faith. }2x
You have made us in Your image
To reflect who You are.
These divinely revealed
mystery truths
Have restored back the faith.

Oh loving Lord You have
made us a promise
To fill us with Your love,
So that we can be united with
the Head-stone.
How we thank Thee
For these Seven Thundering
Voices,
And for revealing to us,
That we are the manifested sons!

Oh adoring Bridegroom, we've
recognized You
As our Headship and Loving Lord,
The Revealed Word that has
been rejected.
How we thank Thee
That we could lift our hearts in
praises;
And for revealing to us,
We are Abraham's faith seed!

WE ARE MARCHING OVER F

We are marching over to }
Jerusalem, }2x
Jerusalem, Jerusalem,
Jerusalem, Jerusalem.

TIRED TRAMPING F

There's a deep and inward hunger
Within my soul.
God has promised in His Word,
He'll make us whole.
Well it's time for it to happen,
That huge portion of heaven;
It will make and bring to pass,
That tremendous victory in the
love divine.

CHORUS

For I'm tired of tramping on
this mountain,
I'm heading down to the Jordan,
Lo, before me I see a vision
breaking,
A Power that would bind that
mamba,
The third pull ministry.

Now's my time for consecration,
I must see a change in me,
I will enter my secret closet,
And close the door behind me.
I'll keep the feast of
Unleavened Bread
With truth and sincerity,
For I'm expecting Jehovah-Jireh,
My Lord, to meet with me.

Lord, keep Thy Holy fire burning
Deep in my soul,
Change me from glory unto glory,
Till Thy image You behold.
Let's keep this Holy convocation,
Till we become a new creation,
For it's the message in you and
me
Will bring to pass that
tremendous victory.

ACROSS THE BRIDGE D

Across the bridge,
There'll be no sorrow,
Across the bridge,
There'll be no pain;
The Son will shine
Across the river,
And we'll never be unhappy
again.

SHALOM C

Oh Lord my God, Thy Word is
a Lamp unto my feet,
Showing us the way, how we
must strive along;
The Seventh Seal has brought
an open vision unto us,
Revealing Christ, the Way, the
Truth, the Door.

CHORUS

Then He says, "Peace, Peace,
Peace unto My lovely Bride,
Shalom, Shalom!" for a new
day has been broken;
From this sick and dying world
To God's life and immortality,
All we can hear from His Throne
Is "Good Morning! Good
Morning! To my Bride."

The dawning of a new day we
can feel over us now,
Seven steps He showed to
God's provided place;
King Theophany Jesus is here
amongst us now,
To show His bride how
Rapturing Grace will be.

Face to face we see now, no
more darkly in a mirror,
Anointed and commissioned
to do His perfect will;
Hear the Voice now calling,
crying, "Peace, Peace,
Peace,"
Enter in now before the doors
are closed.

SOMETHING MORE D

Something more than my
yesterday,
More than I had before;
Something more than wealth
or fame,
He gave me something worth
living for.

SPECIAL MOUNTAIN C

I long to see Jesus,
Just a glimpse of Him cannot
satisfy.
I just want to love Him,
Till all the fears in me
completely subside.

CHORUS

For there's just something
special about that mountain,
Though many valleys to cross
He's more than worth the pain,
There's just something special
about that mountain,
I'm just ready to fight
One more time again.

I long for deeper fellowship
With the One who has chosen
me to bear His name.
I just want to be faithful,
Just to love and serve Him
again and again.

I long for the fullness of Eternal
Life
To share a glory that will never
fade away;
And I long for my precious
new body
Where no sickness or pain
would ever be again.

I long for full dominion,
It's my inheritance, a son of God I
am;
I long to go back to Eden,
It's my future home where I'll
always be.

CHORUS

For there's just something
special about that mountain,
Though many valleys to cross
He's more than worth the pain.
There's just something special
about that mountain,
I'm just ready to fight.
One more time again,
...Give me courage Lord,
...More of Your strength Lord,
...I'm more than able Lord.

SUCH A TIME LIKE THIS G

Such a time like this,
If I perish, I perish Lord, but I
must stand.
Such a time like this,
I'll execute my Lord's command.
Such a time like this,
I'm determined to face my
responsibility.
Such a time like this,
Consecration I need for full
authority.

Oh Esther you were born a star }
to shine in the darkness, }
And for a sign, }
In such a time like this, }2x
Such a time like this, oh
glorious time,
Such a time like this.

Such a time like this,
The Philistines are gathered to
make sport again.
Such a time like this,
A warrior's perfected in travail
and pain,
Such a time like this,
The message must live Lord,
and I must die.
Such a time like this,
Quickly Lord, avenge Your
elect's cry.

Oh Samson, you were born an }
instrument of vengeance }
In My hand for such a time }
like this, }2x
Such a time like this, oh
glorious time,
Such a time like this.

Such a time like this,
Wherever You go Lord, I will go.
Such a time like this,
My love for You will all men
know.
Such a time like this,
I've chosen the harder way
with Your despised few.
Such a time like this,
I cherish the grace I've found
in You.
Oh Ruth, you were born to
reflect
my life, Oh virtuous wife,
In such a time like this.

You were born to reflect, my
life, oh virtuous wife,
In such a time like this.
Such a time like this,
Oh glorious time,
Such a time like this.

Such a time like this,
The world is deceived by the
powers of darkness.
Such a time like this,
Let's be clothed upon with
God's righteousness.
Such a time like this,
The mysteries of God are
made clear to you and me.
Such a time like this,
We have the spirit of
prophecy.

THERE IS NOTHING E

There is no river, He cannot cross;
There is no mountain that's
too tall,
That He cannot move;
There is no sickness, He
cannot heal;
There is nothing, no nothing,
He cannot do for me.

There is no valley, that is too
deep;
There is no chain that's too
strong,
That I cannot be free;
There is no storm He cannot calm;
There is nothing, no nothing,
He cannot do for me.

HE IS MORE THAN ABLE C

He is able, more than able,
To accomplish what concerns
me today.
He is able, more than able
To handle anything that
comes my way.
He is able, more than able
To do much more than I could
ever dream,
He is able, more than able
To make me what He wants
me to be.

LIVING EPISTLES **F**

We are eyewitnesses of His
majesty,
We have seen the Lord
fulfilling His Word;
And we know we are God's
characters in this great symphony,
As we act on the things
That we have seen and we
have heard.

CHORUS

How else can we live, forever
praising Him,
For we are living epistles read
of all men;
You are Almighty God in flesh
again,
That's who we are,
Living epistles read of all men,
You are to me,
Almighty God in flesh again.

We've been made a spectacle
to this world today,
The Life of Jesus being on
display;
Our resurrected Christ.
Awaken Jesus to the scene again,
As He glorifies His Name once
again in His children.

Let's press on daily with the
King's Sword in our hand,
Defeating the enemy on every
hand;
So ride on Thy Majesty to Thy
rightful place
On the throne of our hearts;
Of this kingdom, He rose us
up to be a part.

We know that today the Word
is in the Bride
It's Jesus again on His second
ride;
Let's bring our King, our
rejected King,
A clean fresh drink,
By living worthy of this gospel
We worship Him.

LET US DRAW NEAR **G**

Are we weak and troubled or
in deep despair?
Is the avenger of the soul on
our trail?
Well, the Name of our Lord is
a Mighty tower
That the righteous can run into
and be safe.

CHORUS

Let us draw near with a true heart
In full assurance of faith;
That we find grace and strength to
help In time of need.

It took a perfect sacrifice before
We could ever attain to perfect
faith;
That's why Christ the perfect Lamb,
The atonement came,
And to the Holiest of Holies,
He cleared the way.

CHORUS

So let us draw near having our
hearts
Sprinkled by His blood,
For now we have free access
To the throne of God.

We were not made angels,
we're of mortal kind,
And we daily make mistakes
for we are weak,
But we have not a High Priest
who cannot be touched
With the feelings of our
infirmities.

I DON'T KNOW WHAT I'D DO **C**

I don't know what I'd do,
I don't know what I'd do,
I don't know what I'd do
without the Lord;
When I look around and see,
All that He has done for me,
I don't know what I'd do
without the Lord.

THE NIGHT VISION **Am**

I beheld in the night vision,
O'er the great sea of humanity,
Creeping things, detestable things
Rising and gathering around me
From my soul came a desperate
cry,
'Lord hide me from this hell I see,
I want to live with You eternally!'

CHORUS

I cried, "Hide me Rock of ages,
Separate me from the evils of
this life,
Cover me with Thy robe of purity,
Be Lord of my life."

Then I lifted my eyes towards
Heaven,
Lo, a Mighty Angel came down;
One foot on land and one upon
sea,
And His face shone like the sun;
When He spoke His voice was
like thunder,
And a mystery was made clear;
For the Voice that thundered
judgement
Whispered freedom in my ear.

I considered the voice of the
Angel,
Whose sayings were faithful
and true,
Saying, "I Jesus is the Word of
God
That has come to redeem you;
Through the Angel in the
pulpit,
Cause this man to understand
He would live and reign
eternally."

CHORUS

I cried, "Thank Thee, Rock of
ages,
You've separated me from the
evils of this life,
You have covered me with
Thy robe of purity,
You are Lord of my life."

I was lifted amidst a great
multitude
In the air above the sea,
A new song they sang no man
could learn,
Shouting praise for victory;

Saying, "Worthy is the Lamb,
Who has given us power to
overcome,
We now live and we'll reign
eternally."

I heard a great voice saying,
"Come up hither,
To the great supper of the
Lamb
Prepared by God for those
whom He foreknew
Before the world began,
Saying, "Enter the joys of the
Lord
My beloved Bride,
Come sit with Me,
I just want you at My side."

FILL ME **F**

Dear Lord, I know You called me,
And I'm baptized in Your Name;
Yet there is this promise You
have made,
So Lord, I am asking you
To fulfill Your Word that You
would fill me with the Holy
Ghost.

CHORUS

I'm asking You to fill me with
the Holy Spirit,
Fill me, fill me with Your love;
So Lord, it would not just be a
part,
But a circumcision of my
whole heart,
There'll be no difference in my
standing and my state;
I'm asking You to fill me.

For me to live this Christian life
This old man must die
For Your Spirit to abide;
Lord, I don't want reformation,
But a Holy Ghost transfusion,
For You have said that I must
be born again.

Lord, I see the challenge is rising,
And so many amongst us are
falling,
Shows me Lord, I need
another touch,
If You should come and live in me
I'll be having constant victory
By the faith that overcomes
the world.

THE SWORD OF THE LORD G

Arise thou mighty man of
valour and brave the fight,
Victory is in thy favour go in
this thy might,
The Midianites are running,
It's spiritual Armageddon;
Shout, "the Sword of the Lord
and of Gideon!"
Yes, the Spirit of Gideon is on me,
Yes, the Spirit of the Lord is
anointing me.

Dig deeper in those mysteries,
Let your seven locks grow long;
Oh anointing of Samson,
Let faith muscles become strong;
Lord, lead me to those pillars,
Let me cast those devils down,
Let me hear those Seven
Thunders sound;
For the Spirit of Samson is on me,
Yes, the Spirit of the Lord is
anointing me.

"Speak now my fair lady,
Touch the scepter in my hand;
Make known your desires
It's my pleasure to command."
"Lord, my people, they are
dying, They must have their
liberty;
Let me go and set the captive
free."
For the Spirit of Esther is on me;
Yes, the Spirit of the Lord is
anointing me.

"You have followed me this far,
What can I do for you?"
"Let a double portion of Your
spirit rest upon me too."
"You ask a hard thing but if
you see me go,
The power of the Lord you
shall know."
For the Spirit of Elisha is on me,
Yes, the Spirit of the Lord is
anointing me.
Arise, you moping eagles,
Cease hopping on the ground,
Can't you hear your brother
screaming?

There's virtue in that sound.
Arise and eat, be strengthened,
For this journey you must be
strong,
You were born to set your
eyes on the Sun.
For the Spirit of the Eagle is on me,
Yes, the Spirit of the Lord is
anointing me.

"Arise, thou mighty men of
valour and brave the fight,
Victory is in thy favour go in
this thy might;"
The Midianites are running, it's
spiritual Armageddon,
Shout the Sword of the Lord }
and of Gideon. }8x

CONSIDER HIM F

I have to sing to you
About the One who died for
me,
Even though I've failed,
Yet His Love's still being
expressed to me;
In my time of trial and when
the enemy assails,
I draw back just for a little
while
To consider Him.

CHORUS

Consider Him who for the joy
endured the cross,
Consider Him who died for all
that was lost;
Consider Him who there on
Calvary bore your pain,
I want you just for a little while
To consider Him.

I know that life is rough,
sometimes the trials hard to
bear,
And your daily life is
encumbered with a load of care;
Then there are those times
when you can't seem to bear
the strain,
I want you just for a little while
To consider Him.

SPEAK AND DON'T DOUBT F

Speak and don't doubt,
Just believe in your heart,
Speak and don't doubt,
Till His Word comes to pass,
Whatever thing you desire in your
soul,
You just believe that my Lord,
He will perform.

CHORUS

Joshua spake to the sun,
And he said, "sun stand still."
It's all because he knew who he
was,
Bride, let us speak His Word
Having known who we are;
Revelation 10: 8-11: that's
who we are.

We have arrived at that
junction in His Word,
We have arrived where
something must give way;
The faith of God that is locked
up in our hearts,
We'll speak this very Word;
We'll see His glory pass.

Our prophet spoke and he
believed the Word,
Our prophet spoke and
squirrels did appear;
God's redeemed Church has
reached up to that sphere,
Inside that little room where
the power cannot fail.

Enter in there where the Light
went in that room,
Enter in there where the Angel
said He'll meet you;
You'll come out whole, with
your crutches in your hand,
Leaping and praising God for
there's power in that room.

LET ME BE A SACRIFICE F

Let me be a sacrifice, holy and
acceptable,
Let me be a sacrifice,
consumed in Your praise,
Let me be a sacrifice, holy and
acceptable,
Let me be a sacrifice,
worshipping Your Name.

THAT'S WHY I CALL HIM G

I was taken from His side
When my Lord bled and died,
The earth shook, and all of
nature's pillars cried.
On that sad and mournful day,
The sun went down and hid away,
When by blood, Jehovah-God
purchased His Bride.

CHORUS

That's why I call Him Lord,
Lord Jesus Christ,
Yes, I call Him Lord Jesus Christ.
I'm a new creation,
I'm His flesh, I'm His spirit, I'm
His bones,
And I'll tell the world He's Lord,
And we two are one.

Several times I've let Him down,
But my slide made His love
more strong,
From His side flowed
reconciling love,
Such a Love the world don't
know;
Such a Love it could never show;
It took the Dove to bring it
down from up above.

For a sign, just to show the world,
That my Gene was celestial,
From His side, royal blood did
flow.
Oh, the serpent's head was
crushed well done,
Hallelujah to God's Holy One!
Who by His blood has brought
me back to my God.

JESUS OH JESUS D

Jesus, oh Jesus,
Won't You move among us
here
and free us.
Free us, oh free us
To lay down our lives in love
and worship You.

THE SEVEN NAMES F**CHORUS**

Jehovah Nissi, the Lord our banner;
 Jehovah Rapha, the Lord our healer;
 Jehovah Shalom, the Lord our peace;
 Jehovah Shammah, the Lord is present;
 Jehovah Raah, the Lord our shepherd;
 Jehovah Tsidkenu, the Lord our righteousness;
 Jehovah Shalom, the Lord our peace;
 Jehovah Jireh, He provideth all our needs.

Lord I want to take the time,
 Just to praise Your Holy Name,
 'Cause You've been, been so good to me;
 So from the rising of the sun,
 To the going down of the same,
 Lord Your Name alone is worthy to be praised.

You are the great I AM that I AM,
 The God that was, is, and is to come,
 Prophet, Priest and King,
 Eagle, Lamb and Lion,
 Son of Man, Son of God and Son of David.

You are the Rose of Sharon,
 You're the Lily of the valley,
 You're the Bright and Morning Star,
 That's who You are;
 The Mighty Conqueror that's been unconquered by traditions,
 The Lord God Jehovah is His name.

JESUS I WANT TO PRAISE D

Jesus, I just want to Praise You, }3x
 Praise You for being so good.

Jesus, I just want to serve You ...
 Jesus, I just want to thank You
 Jesus, I just want to love You

SUMMIT ON SEVENTH PEAK D

We have seen the Lord
 In the fulfillment of His Word.
 He promised through the prophet to return,
 To ride this trail again, to reveal His New Name;
 To teach His Bride to prophesy again.

CHORUS

Coming from the east, coming from the west,
 Coming from the north and from the south;
 All the rainbow trouts are gathered by the Shout;
 For adoption on the summit of the Seventh Peak.
 To do the greater works on the summit of the seventh peak

We are on Mount Zion, in the secret place,
 By the Sovereign Grace of our Lord;
 A City on a hill whose glory can't be hid,
 We'll manifest the great and final pull.

A Rainbow-covenanted One,
 In the Joshua Commission Testifies "She has turned at the west,"
 With the authority for her ministry,
 And she shall speak from the Summit of the Seventh Peak.

We sing a brand new song,
 We are the blood-washed throng,
 We've seen our names beneath the Seventh Seal.
 He opened up to us all the mysteries,
 And there's light now on the Summit of the Seventh Peak.
 All things are ready now Father let the fire fall
 Father glorify thy name, you did it once before in the life of Malachi 4
 Now Father glorify your name

HE'S ALIVE AND WELL G

He's alive and well, living in me to tell the world,
 That He is the same;
 He's the same yesterday,
 today and forever,
 Jesus is alive and well.

THE HONEST IN HEART G

The first pull contacted the flesh of man,
 But did not reach the soul;
 The second discerned the honest ones,
 And the third went back for them;
 He's promised a second ride }
 And has returned to prove His }
 Word; }
 He's here with us who are }
 honest in our hearts. }2x

CHORUS

He's going back for the honest in heart,
 Who'll lay down their lives,
 Willingly sacrifice;
 He's going back for the honest in heart,
 Going back for the honest in heart.

By faith, Rahab the harlot
 Perished not with all the rest;
 For she received the spies with peace,
 And she was blessed;
 The token was applied and even }
 though the walls fell down, }
 The spies went back for her, }
 (She was saved) }
 For she was honest in her heart. }2x

On His way to Jerusalem
 He picked up the ones and twos;
 Blind man, Bartimaeus,
 And little Zacchaeus too;
 We've seen Himself repeated }
 In His Bride as she moves on, }
 He's seeking out all the }
 honest in heart. }2x

Our Lord, so rich in mercy,
 Even there upon the cross
 Love burned deep within His heart,
 To reach out for the lost;
 The thief hanging at His side }
 Humbly asked to be }
 And in that hour He reached out }
 for an honest one. }2x

Even, way down in South Africa,
 As we've heard it testified,
 How the Lord, He did work things out,
 For the sake of His little Bride;
 He never forgets His own }
 no matter what the condition, }
 He kept His Word, }
 He reached out for the honest }
 one. }2x

ISAAC'S BRIDE A

The last message has come and gone,
 This Word has swept the face of the whole earth,
 And there are many who have heard it;
 But out of these there shines a Bride,
 The chosen ones, the precious Seed of God,
 She's the Rebecca for her Isaac;
 And one of these days she will be changed,
 She'll slip from time into eternity.

While people laugh at us and mock,
 Our lives are being raptured up with Him,
 We know He has received us;
 And we'll come forth in His image,
 The chosen ones, the elected Seed of God,
 The ones who love and serve Him;
 And one of these days we will be changed,
 We'll slip from time into eternity.

He will return just as He said,
 To take His Bride away to be with Him,
 In His great Millennium;
 His promise is true; He has returned,
 He never breaks or fails to keep His Word;
 Just let us all be ready,
 For one of these days we'll all be changed,
 We'll slip from time into eternity.

COME LET US STAND E

Who are we children,
And what were we born to be?
Not just mortal creatures of time
But reflectors of eternity.
Why were we placed here
Amidst temptation sore?
It's to develop our character,
And prove we're worthy of the
Cross.

CHORUS

Come let us stand together }
on God's Word. }2x

We belong to a body, to a unit
so unique,
Every member is important,
From the head down to the feet.
Everyone is affected
When one goes out of place,
So let's take our places faithfully,
Let's strive to keep the faith.

We've got to recognize
The deposit of the Word,
That God has placed within us
To face this evil world;
The skills that we've been
blessed with,
And the natural ability,
Are like seeds and when planted
Will bring forth abundantly.

BRIDGE

For we were made overcomers
Through Jesus Christ;
And this is the victory,
That overcomes the world -
even our faith.

MORE THAN ANYTHING C

More than anything,
More than anything,
I love You Jesus, more than
anything;
More than worldly wealth,
More than life itself,
I love You Jesus,
More than anything.

SECOND CYCLE F

Love went to the little fish
And gave it back its life;
Also went to Sis. Hattie Wright;
Salvation to her two boys.
It was Love that calmed the
raging bull,
Turned back the wild hornets;
It was Love in the prophet,
The first wave-sheaf offering.

CHORUS

It is Love, Love, Love, here today,
It is Love, Love, Love, here to
stay,
He has caused our blind eyes
to see,
Given us faith and inward beauty,
Love in His Bride riding this
trail again.

Remember He cannot lie
And His Words are not in vain.
He promised through the prophet,
"I'll ride this trail again."
Many, many years have come
and gone,
Saints, what are we waiting on?
The truth's made plain, He's here,
Riding this trail again.

He went to Sis. Merle and
stopped the issue of blood;
In San Fernando Hospital
there He spoke the Word.
Caused Bro. Williams to make
a stand
Against the words of the
physician,
Healed Bro. Wayne and his boy;
Yes, He's here riding this trail
again.

He went to Mon Repos,
And set the captive free,
Through our precious brothers,
He delivered her.
Saints there are many, many,
more to say.
But the time is slipping away.
He's the former and the latter rain,
Yes, He's here riding this trail
again.

TELL ME MORE G

The earth is like a woman
Ravaged by men;
Seeds of corruption
Have been sown throughout
her land;
But the harvest time has come,
The Master's sickle is in His
hand;
To pluck up and destroy
All the evil works of men.

But tell me of a new civilization,
Oh, tell me of my journey back
to Eden;
Oh, tell me of Boaz and
redemption,
Oh, tell me of a virtuous woman,
God's Bride.

Like a woman in travail,
The earth groans under iniquity;
Science has ravished her virtues
To produce lying vanities,
Her birth pains are increasing,
The signs are clear to see;
Earthquakes in divers places,
Volcanoes erupting suddenly;

Oh, tell me of a glorious
resurrection,
Oh, tell me the desert shall
bloom like a rose;
Oh, tell me of the wonderful
Millennium,
Oh tell me of glorious Mt. Zion,
My future home.

Like a woman that's perverted,
Sin has stripped her of her hair;
Man has cut down all her forests;
She's almost naked everywhere;
She's polluted in her rivers,
The land, the air and sea;
She must burn with the holy
fire of God
To restore her purity.

But tell me what's under those
Seven Trumpets,

Oh, tell me of God's three-fold
mystery;
Oh, tell me of the greatest love
story,
Oh, tell me about of a Man
called Jesus,
Who died for me.

Oh, tell me, where will I go
when the fire starts burning?
Oh, tell me about my Theophany;
Oh, tell me of the great
Wedding Supper,
Oh, tell me of my Lord who's
yet a little higher,
My eyes shall see.

Oh, tell me what's under those
Seven Trumpets,
Oh, tell me that the cycle has
returned;
Oh, tell me why it had to be
little Shepherds,
Oh, tell me of the Inside Life
with Jesus
Who died for me.

Oh, tell me that my troubles
are all gone,
Oh, tell me that it's only six
inches long;
Oh, tell me of the Catalina
Mountains,
Oh, tell me the Seventh Dove
has descended,
To lead me home.

LOVELIER BY FAR D

He is fairer than the lily of the
valley,
He is brighter than the
morning star,
He is purer than the snow,
Fresher than the breeze;
Lovelier by far than all of
these.

But He calms the storm,
Covers the raging sea,
He is the high and mighty One
Who reigns throughout
eternity,
Creator of the universe,
Supreme in majesty,
He is and forever shall
be.....

620

I SAW SATAN FALL Eb

CHORUS

I saw Satan fall like lightning,
Coming down from the sky;
How art thou fallen son of the
morning,
Who thought you could exalt
yourself so high?

You were the one who
weakened the nations,
Brought this world in so much
sin;
Praise God your power has
been broken,
When our Lord, our mighty
conqueror entered in,
Freed us from sin;
Now I look unto redemption,
The abstract title deed has come;
Showing me that way unto
perfection,
For this wicked world of sin I'll
overcome.
I'll sit with my Father in His throne
I'll reign with Him one
thousand years,
Where there's no sickness, or
sadness;
Only joy, no more fears, no
more tears.

You were the one upon those
horses;
White and red, black and pale,
Praise God your power has
been broken,
Since those Seven Seals have
been unveiled,
You have failed;
Now I look unto redemption,
The abstract title deed has come
Showing me that way unto
perfection,
For this wicked world of sin I'll
overcome;
I'll sit with my Father in His
throne,
I'll reign with Him one
thousand years,
Where there's no sickness, or
sadness;
Only joy, no more fears,
No more tears.

621

HIS COVENANT HE'LL KEEP G

Why have we been
distressed?
Oh, we've been troubled sore.
What is it that we've done?
Have we transgressed His
law?
Let us search and test our ways:
See where we have wronged,
Let's forsake our own ways,
And He will make us strong.

CHORUS

For He hath cast down,
But he will lift up;
Though He hath broken,
Yet He will bind.
He hath wounded,
But He will heal;
With His people, His covenant
He'll keep.
Let us search and test our ways,
And see where we have
wronged;
Let us lift our hearts in praise,
And worship Him who's our God.

622

JEHOVAH JIREH Em

Jehovah Jireh, my provider,
His grace is sufficient for me,
Jehovah Jireh, my Provider,
His grace is sufficient for me,
My God shall supply all my needs,
According to His riches in glory,
He gave His angels charge
over me,
Jehovah Jireh careth for me,
for me, for me,
Jehovah Jireh careth for me.

623

HE IS MY REASON D

He is my reason for living,
He is the King of all Kings,
Jesus, my only possession,
Jesus, my everything.

624

GOD EN MORPHE G

Jehovah of the Old is Jesus of
the New,
That's the mighty revelation,
That has come to me and you;
How Michael, The Archangel,
is the pillar of Fire too,
He was the Voice in the whirlwind
That spoke Alaska's doom;
He is the Amber Light, the
Pillar of Cloud,
Came down on the wings of a
snow-white Dove;
He's Jesus, The Lord of Lords.

He came back in this day
In the ringed-cloud mystery,
It was seen up in the skies,
And baffled the worldwide;
But to His little Bride He said:
"It's I, you need not fear,
Just go back to the east
And I will meet you over there;"
He is The Angel of God with
the silver-sword,
The One that meant the most
with the swept-back wings;
He's Jesus the King of Kings.

He was seen in Revelation,
The Book of great symbols;
As The mighty Angel that came
down,
Was clothed in a cloud;
But, do you know He has
promised
All the mysteries would be
revealed?
The dying Lamb of Calvary
was the One that broke those
Seals;
He is the Lion that prevailed,
The Lamb that was slain to take
the book from the hand of God;
He's Jesus called The Word of God.

Who is this Melchisedec who's
always changing form,
This mysterious One of the Bible
is hid to us no more;
His name is called the Word of God,
His vesture's dipped in blood;
He raised us as His standard

When the enemy comes like a
flood;
He is the Supreme Judge, the
Angel of God,
The Man that stepped out of
the ball of fire,
The Amber Light, the Great I AM,
The God that came walking in
the days of Sodom;
He's Jesus, He's JVHU.

625

I WANT TO RISE UP D

As I strive daily Lord to see
Your Word perfected,
Help me be so deeply sincere
from within;
For I know this is my time for
consecration,
And I must lay aside my every
weight and sin.

CHORUS

So I can rise up on the wings of
faith
And soar the Heavens wide.
So I can live in heavenly places,
Far beyond the clouds and
skies.
So I can see like the eagles,
The things God sees from up
above,
Just to follow in the way of the
Dove.

Seeing Lord, You've given me
a path to follow,
And You showed me just what
I was called unto,
Lord, prepare me to be always
in Your service,
A true service unto You I want
to do.

626

MAKE ME MORE LIKE THEE F

Make me more like Thee,
Jesus, make me more like Thee,
Give me Your heart that's
filled with love,
And make me more like Thee.

627

FOUNTAIN OPEN E

For I will take you from the nations
And bring you to your own land,
And I'll be sanctified in you,
Before the eyes of man.
A new heart will I give you,
And place My Spirit within,
I'll sprinkle clean water on you,
And save you from your sin.

CHORUS

There is a fountain opened
In the House of David
To you who would believe,
And there are streams of
Grace That's flowing down
from Calvary,
Come, now and receive.

And I will pour upon the house
of My chosen one,
The Spirit of Grace and of
supplication.
And in that day, what a day
that will be,
A fountain shall be opened up,
And you shall be wholly clean.

BRIDGE

There is a fountain filled with
blood,
Drawn from Immanuel's vein;
And tell me what can wash
away my sin;
Nothing but the blood of Jesus.
O precious is the flow
That makes me white as snow.
And there's no other fount I know,
Than the fountain opened
In the House of David.....

(continue singing chorus)

628

NOTHING IS TOO HARD F

Nothing is too hard for the Lord,
Nothing is too hard for the Lord,
Whatever you need, on Jesus
you call
Nothing is too hard for the Lord.

629

THE PEACE OF GOD G

There's a peace to know that
you are saved
And that all your sins are
washed away;
But then there's a peace that
passeth all understanding,
A peace that cannot easily be
disturbed.

CHORUS

For it's good to know you're
justified,
Your sins are under the blood;
It's good to know you cannot
be lost
Under no circumstance,
But when the perils of this life
Befall you everyday;
There's peace with God,
But most of all you need
The peace of God.

The Father comes and shows
you your standing,
And that all you have ever
done wrong
He doesn't remember;
But to face your everyday
trials you need something
That will give you settled peace
And cause worrying to cease.

The Father comes and shows
you your standing
And that your sins were placed
in the sea of forgetfulness;
But sight and time being your
worst enemies,
Breed fear and sometimes
insecurity.

630

HEY LITTLE BRIDE D

Hey little Bride! The Bride-
Groom is coming
To take you out of this world;
The judgement will fall and
consume the unbelievers,
But the Bride and the Groom
will be gone.

631

A SONG OF PRAISE F

I will extol Thee, oh Lord
For Thou hast lifted me up,
And hast not made my foes to
rejoice over me.
Oh Lord my God, I cried unto
Thee,
And Thou hast healed me.
So in my prosperity I said
I shall never be moved.

CHORUS

For Oh Lord,
Thou hast brought up my soul
from the grave:
Thou has kept me alive and from
sin;
That I shall not go down to the pit.
Sing unto the Lord, all ye
precious saints of His,
And give thanks at the
remembrance of His Holiness.

Hear Oh Lord and have mercy
upon me,
Lord be my helper,
Thou has turned for me my
mourning into dancing;
Thou hast put off my sackcloth,
And girded me with gladness;
To the end my glory may sing
praises to Thee.

What profit is there in my blood,
If I go down to the pit?
Shall the dust praise Thee?
Shall it declare Thy truth?
For your anger endureth but a
moment;
In Your favour there is life:
Weeping may endure for a
night but joy cometh in the
morning.

632

IF YOU KNOW THE LORD F

If you know the Lord is leading you,
What you gonna worry about?
If you know the Lord is keeping
you,
Why not sing and shout?
Glory! Hallelujah! Praise His
Name!
Every day is not the same.
If you know the Lord is leading you,
What you gonna worry about?

633

REDEMPTION BY BLOOD F

I felt death's sting, I had
sensed its snares,
Its cruel pain brought bitter tears;
How could I escape when
judgement was sure?
Who could plead my cause?
And when God saw there was no
one
He sent to die His only Son,
For only through blood His wrath
could have been appeased.
His justice was satisfied when
blood flowed from Calvary.

CHORUS

Redemption by blood,
Oh wretched man that I am,
Who shall deliver me
From the body of this death,
And who should set me free,
taking me out of this desert?
But I thank God through Jesus
Christ,
And His death on Calvary,
It brought for me redemption
by blood.

I felt the chains bind my soul
within,
Serving that slave master sin
By reason of my bondage I sighed
And God heard my cry,
Remembering His covenant
A prophet He did truly send
With the Word of truth
To break the strongholds within,
And totally deliver me from the
power of in-dwelling sin.

CHORUS

Redemption by power,
Oh wretched slave I was made,
Who shall deliver me from the
bonds of slavery?
And who shall set me free,
Taking me from my captivity?
But I thank God through Jesus
Christ,
And His death on Calvary,
It brought for me redemption
by power.
Redemption by blood,
redemption by power,
In completeness and joy
Redemption for me.

KING THEOPHANY A

In sixty-three the Angel came
 With the Will and I saw my name,
 Then I knew that I'm a part of
 God's family;
 So like Jacob I must fight
 With the Angel day and night,
 Till those seven rainbow lights
 in me I see.

CHORUS

This mighty Angel that came to
 me,
 Is Almighty God, King Theophany,
 The Pillar of Fire that's now
 perfecting me,
 In that form He came to me all
 the way from Eternity,
 Oh, Hallelujah, I am sure of victory!

Those unclean spirits just like frogs
 That came out of the dragon's
 mouth
 Are deceiving all the kings on
 earth today:
 Religious men have been
 sealed out
 By the doctrine that came out;
 Saying that Jesus Christ our
 Lord is three indeed.

Seven Spirits of our God,
 Seven Voices thundering out,
 The Seven Virtues of our God
 into my soul,
 Supernatural devils are coming on,
 The greatest contest now is on;
 But by the Spirit's Sword I'll
 overcome them all.

This Mighty Angel, He's the One,
 That my heart is centered on,
 He's the One that means the
 most in all my life;
 For He has promised in His
 Word

Speak and in my heart believe,
 Whatsoever I ask,
 He, this Mighty Angel will perform.

RIGHT WHERE I BELONG C

Who am I anyway?
 I'm just a little lump of clay,
 And if my strength is to no avail,
 Yet it doesn't mean that I have
 failed,
 For when I'm weak Lord,
 You're made strong,
 So there is nothing going wrong,
 You've brought me to that place,
 Right where I belong.

CHORUS

Right where I belong,
 Your grace and Your love
 through the years
 Have brought me along,
 Who am I, who am I?
 That You've taken me from the
 pit,
 To heavenly places with You I
 sit,
 You've brought me to that place,
 Right where I belong.

Who am I? Lord consider me,
 I'm just a little lump of vanity,
 Like a flower that blooms and
 fades away,
 Its mortal life withers every day.
 But Lord, You've given me
 eternal life:
 You've even called me Your
 virtuous wife;
 You've brought me to a place,
 Right where I belong.

Who am I? Lord let me die,
 Just let Your Name be glorified,
 At Your service Lord, here I
 stand,
 Your wish, oh Lord is my
 command;
 For You died to set me free,
 And You did it so willingly,
 To bring me to this place,
 Right where I belong.

HE CARETH FOR YOU D

He careth for you,
 He careth for you;
 Through sunshine or shadow,
 He careth for you.

THINGS THAT ARE TO BE F

What is this strange feeling I
 feel in the air?
 I feel that there are
 Theophanies everywhere,
 The Heavenly Host and the
 earthly host uniting,
 There's going to be a rapture
 in the air,
 What an atmosphere!

CHORUS

Things that are to be, }
 What we feel in our hearts, }
 What we see in our midst, }
 Are things that are to be. }2x
 Modern events being made
 clear
 By vindicated prophecy,
 Modern events being made
 clear
 By vindicated prophecy,
 Things that are to be.

The Capstone came shouting
 'Grace, Grace, Grace!'
 To cap off the Pyramid of our
 lives.
 Here we stand in God's image
 and likeness,
 We are flesh of His flesh and
 bone of His bone,
 There's never been a people like
 this.

The Dove of Agape love flew
 into our hearts
 Bringing comfort, peace, joy and
 love;
 This mortal shall put on
 immortality,
 This corruptible shall be
 incorruptible for all eternity.

ALIVE AND WELL D

He's alive and well,
 The stone's been rolled away;
 He's alive and well,
 He's no longer where He laid;
 He's alive and well,
 I can hear the angels say;
 Let all the world rejoice,
 He's alive.

LET GLORY FILL THIS PLACE G

The Most High God dwelleth not
 in temples made of human hands,
 But our hearts He has chosen
 To be His dwelling place,
 A people saved by His grace.

CHORUS

We are Your hands, Your feet,
 With Your body You have built
 this sanctuary.
 Now let Your love and Your peace;
 Let Your presence sanctify
 and make it holy.
 Let Your glory Lord, fill this
 place, }3x
 {Let Your weary find rest in
 this sanctuary, }3x
 You have made.

Beyond human reason, this
 place You have chosen,
 Another wilderness You have
 transformed.
 With Your prisoners of love,
 And Your anointing from above;
 Another paradox You have
 performed.

Your beauty and character we
 have seen in each other,
 As we worked together in one
 accord.
 We've seen Your power on
 display,
 You've answered when we
 prayed,
 Through hard trials You made
 a way.

Let every lively stone in this
 building,
 Shout the praise of God
 (Praise the Lord,)
 Let the door of each heart be
 open
 To welcome in the Lord,
 Let the pillars stand in position,
 And support the house of God.
 Let the priest cry Holy! Holy!
 (Holy, Holy,)
 Let us give thanks to the Lord.

640

THE MOST HOLY ONE C

We are living in a time of
investigation judgement,
The wrath of God has been
revealed from Heaven;
The world is heading for total
destruction,
Soon the righteous shall walk
on the ashes of wicked men.

CHORUS

For they with wicked hands
have crucified
The Most Holy One In a
most cruel way.
They have rejected the greatest
light
That has ever shone since
creation.

Men's hearts are failing, failing
for fear
Seeing that coming
destruction is drawing near,
They have sinned and sinned
away their day of grace;
Loving their religious works
more than the Revealed Word.

Now he that has ears to hear,
Let him hear what the Spirit is
saying;
The Token must be on display
So we won't be a castaway;
For this world has been
indicted and put on trial,
And have become souls in
prison.

641

THE MOVE IS ON C

The move is on my Lord,
The move is on;
The move is on my Lord,
The move is on;
I can hear the rustle in the
mulberry trees,
And I know, I know, I know the
move is on.

Move on brother, move on
sister,
This is the moving day,
Move a little closer,
Where the streams are
flowing;
Move on, brother, move on.

642

LIVE RIGHT G

Blessed is the man whom the
Lord will find
Doing His perfect will, all the
time.
Though mortal strength faileth,
He's not weary yet,
His labours of love, the Lord
will never forget.

CHORUS

We will live right, everyday, }
'Cause Jesus can come now }
just any day. }2x

Blessed are your eyes, for the
things that they see,
Many prophets of old have
inquired diligently;
For no more darkly do we see
but face to face.
Lift your hands and praise the
Lord for amazing grace.

Blessed are your ears, for the
things that they hear;
Many uncertain sounds are
everywhere
For the gospel trumpet
sounded sweet jubilee.
Lift your hands and praise the
Lord Who has set you free.

Gird up your loins, ye mighty
men of war;
Full obedience to God's Word
and victory is sure;
For perfect faith is strong and
knows no defeat.
For the God of this world must
wriggle under our feet.

Punish with vengeance all
iniquity,
By confessing your faults with
sincerity.
You must say "Satan you
have no place in me!
Let the Royal Vesture be now
put on me."

643

THE GREAT EXODUS F#m

The Lord has called a great
Exodus in this evil day,
For He has promised in His
Word that a people
Must be changed and taken
away;
Once again the Token is
required of every man,
As the death angel moves
swiftly throughout the land;
For the plagues of Egypt are
throughout the land,
Gross darkness on the people
they don't understand
We are living in the time of }
mercy and judgement. }2x

The mystery Cloud has shown
the Supreme Judge in our day,
He'll judge and make war with
evil Scientists
Who have despised His way;
They are corrupting and
destroying the earth with
Satan's wisdom,
They've made it a time bomb
activated for sure destruction;
But rejoice you saints who
sigh and cry,
The Cloud has brought our
redemption nigh;
You shall leap over walls }
into a new dimension. }2x

Volcanic lava shall spew forth
from the centre of the earth,
A regeneration to a new
civilization, This earth shall
give birth;
But like Noah, we shall be lifted
above the judgements again,
When fire and hailstones fall
from the skies like rain;
For on the ashes of the wicked
shall the righteous stand,
The meek of the earth shall
inherit the land;

Oh rejoice ye citizens of new }
Jerusalem. }2x

Your tormentors and oppressors
you shall see them no more,
For the Holy Fire of God's wrath
shall make your exodus sure;
No more demons to disrupt
and pollute our atmosphere,
God will purge the earth;
The rivers of water shall be
crystal clear;
Edenic beauty shall cover the
earth again,
No more sickness, no more
sorrows, no more pain;
God and man, heaven and earth }
will be one again. }2x

644

THANKS, THANKS F

Thank You Lord for the
strength you give
To simply carry on
Through those scolds and
tests,
And the worst and best,
I'm never left alone.
You're always right beside me
To hear me when I pray.
Since I first began You've
been my dearest friend,
I give You all the praise.

CHORUS

Thanks, Thanks I give you
thanks,
For all You've done.
I am so blessed,
My soul has found rest,
Oh Lord, I give You thanks.

I give You thanks this moment
And I will continually.
For each day I live Your grace
You give,
I am blessed abundantly,
And I won't forget that moment
When, in my life, You made
such a change.
Since the Spirit came I've not
been the same,
I want to give You praise.

LORD LIFT ME UP **F**

Thy steadfast love oh Lord
Extends unto the heavens,
And Thy faithfulness unto the
clouds.

I feel the cold winds of
judgement blowing,
The Northerner is coming,
The Great White Eagle must
appear anytime now.

CHORUS

To lift me up on the seventh
mountain,
Bear me on Your eagle wings
so strong.
Lord lift me up on the seventh
mountain,
I feel in my heart it's the place
where I belong.

In my heart's a desperation,
An anointed expectation,
That a paradox must be
performed;
For the deep in me is calling,
For that super anointing,
Where divine love and power
just take supreme control.

On my ash heap waiting for
Your divine promise,
Your response to my faith in
Your Word;
Still trusting in You my Saviour
My absolute forever;
That You'll finish the work in
me You have begun.

I'm looking beyond my afflictions
To a perfect restoration,
A new body Thou has
prepared for me;
I'm tired of this dimension,
Of its chaos and confusion,
A new heaven and a new
earth I long to see.

BACK TO EDEN **D**

We're going back to Eden
To claim what was lost,
For the Book has been opened,
Our names It revealed;
There are footprints before us
That show us the way,
There's a Presence goes with us;
So we will not stray.

CHORUS

Oh beautiful Eden!
Sweet home of the blest,
That's prepared for the faithful,
Who hath the Thunders
retained;
We'll sing of His praises,
Our Lord we shall see,
We will live in His glory;
And in His likeness we'll be.

All our signs and our seasons
are mileposted there,
So the demons of reasoning
Would give up in despair;
We have claims of assurance,
The Abstract Title Deed;
It's the land of our Fathers,
And we are true seeds.

We are nearing the end now,
Of our journey back home;
Let's keep pressing onwards,
And let the Thunders roll;
We who once were afar off
Are being drawn nigh,
By the Word full of power
Victory is in sight.

SWEETER AS THE DAYS GO **F**

He gets sweeter as the days
go by,
He gets sweeter as the
moments fly,
His love is richer, fuller,
deeper, sweeter,
He gets sweeter, and sweeter
and sweeter as the days go by.

HE'S COMING SOON **G**

In these, the closing days of
time,
What joy the glorious hope
affords,
That soon - oh, wondrous truth
sublime!
He shall reign, King of kings
and Lord of lords.

CHORUS

He's coming soon, He's coming
soon;
With joy we welcome His
returning;
It may be morn, it may be
night or noon,
We know He's coming soon.

The signs around, in earth and
air,
Or painted on the starlit sky,
God's faithful witnesses declare
That the coming of the Saviour
draweth nigh.

The dead in Christ who 'neath
us lie,
In countless numbers, all shall
rise,
When through the portals of
the sky
He shall come to prepare our
Paradise.

And we who, living, yet remain,
Caught up, shall meet our
faithful Lord;
This hope we cherish not in vain,
But we comfort one another by
this word.

HIS BANNER OVER ME IS ...D

His banner over me is love
His banner over me is love
He brought me in to His
banqueting house and His
banner over me is love
Is love, is love,
His banner over me is love
He brought me in to His
banqueting house and His
banner over me is love.

THE SOUNDS OF HIS... **C**

I can hear the sounds of His
coming everywhere,
In the headlines, resounded
by the score,
It may be another earthquake
or just another war,
But to every child of God it's
something more;
And when I hear the sound of
marching,
Hear the sound of battle cry,
Then I know my Lord is
coming, even now,
It may be nigh.

CHORUS

And I can hear the sounds of
His coming everywhere,
They're getting louder and
louder each day,
And they will crescendo unto
that last and final sound,
When the trumpet shall call
me away.

I can hear the sound of fig
leaves
Rustling in the summer breeze,
As I see the Lord restore
Jerusalem;
And I can hear a sound from
Heaven
As a mighty rushing wind,
As God pours His Spirit out
upon all men;
And when I hear revival sounds
Not just here but everywhere,
Then I know its almost over,
I can feel it in the air.

SOMETHING BEAUTIFUL **D**

Something beautiful,
Something good;
All my confusion
He understood;
All I had to offer Him
Was brokenness and strife,
But He made something
beautiful of my life.

THE MEETING IN THE AIR G

You have heard of little Moses
in the bulrush,
You have heard of fearless
David and his sling;
You have heard the story told
of dreaming Joseph,
And of Jonah and the whale
you often sing.
There are many, many others
through the Bible,
I should like to meet them all, I
do declare!
By and by the Lord will surely
let us meet them
At the meeting in the air.

CHORUS

There is going to be a meeting
in the air,
In the sweet, sweet by and by;
I am going to meet you, meet
you there
In that home beyond the sky;
Such singing you will hear,
never heard by mortal ear,
'Twill be glorious, I do declare!
And God's own Son will be the
leading One
At the meeting in the air.

Many things will there be
missing, in that meeting:
For the mourners bench will
have no place at all;
There will never be a sermon
preached to sinners,
For the sinner had refused to
heed the call.
There will be no mourning
over wayward loved ones,
There will be no lonely nights
of pleading prayer;
All our burdens and our
anguish will be lifted
At the meeting in the air.

There the doubters will be
missing altogether,
All the skeptics will be absent
on that day;
There will be no grumblers
present to disturb us,
And the Achans will be busy
far away.
There the saints will have His
"seal upon their foreheads,"

Dressed in raiment none but
ransomed ones can wear;
All who have the wedding
garments will be present
At the meeting in the air.

653**HOLY GHOST REVIVAL D**

The land is laying barren,
Desolation every where,
The harvest that we longed for,
We looked, but it's not there,
The devil sows his evil seed,
Thwarts the Master's plan,
But tired and so weary,
God's servants work as fast
they can.

CHORUS

Send down the Holy Ghost
revival,
Revive us.
Send the rain from heaven,
Flood our thirsty souls.
We need the Holy Ghost
revival,
Revive us Lord,
Open up the heavens, take
control.

Now the skies seem brass
above us
As we look for the promised
rain.
God's servants sow the seed
of precious truth,
Just to reap a golden grain;
But the Spirit's power is what
we need
To see the harvest come,
So, Lord send the Holy Spirit;
Come and glorify Your Son.

654**SING YA BA HAMBA F**

Sing ya ba hamba yo thina }

hallelujah, hallelujah, hallelujah}2x

SWEET BY AND BY D

There's a land that is fairer
than day,
And by faith we can see it afar;
For the Father waits over the
way,
To prepare us a dwelling place
there.

CHORUS

In the sweet by and by,
We shall meet on that beautiful
shore;
In the sweet by and by,
We shall meet on that
beautiful shore.

We shall sing on that beautiful
shore,
The melodious songs of the
blest,
And our spirits shall sorrow no
more,
Not a sigh for the blessing of
rest.

To our bountiful Father above,
We will offer our tribute of praise,
For the glorious gift of His love,
And the blessings that hallow
our days.

656**I SEE THE LORD C**

I see the Lord,
I see the Lord,
Exalted high upon the worship
Of the people of the Lord.

I see the Lord,
I see the Lord,
Mine eyes have seen the King,
The Lamb who left the throne,
Who reigns forevermore.

The train of His robe
Fills the temple,
A cloud of heavenly
worshipers surrounding His
throne,
We join with them now crying
Holy, Holy, is the Lamb!
The Lamb alone!

OUR LORD'S RETURN F

I am watching for the coming
of the glad millennial day,
When our blessed Lord shall
come and catch His waiting
Bride away;
Oh! my heart is filled with rapture
as I labour, watch and pray,
For our Lord is coming back to
earth again.

CHORUS

Oh! our Lord is coming back to
earth again,
Yes, our Lord is coming back
to earth again,
Satan will be bound a
thousand years, we'll have no
tempter then,
After Jesus shall come back to
earth again.

Jesus' coming back will be the
answer to earth's sorrowing cry,
For the knowledge of the Lord
shall fill the earth and sea and
sky;
God shall take away all sickness
and the sufferer's tears will dry,
When our Saviour shall come
back to earth again.

Yes, the ransomed of the Lord
shall come to Zion then with joy,
And in all His holy mountain
nothing hurts or shall destroy;
Perfect peace shall reign in
every heart, and love without
alloy,
After Jesus shall come back to
earth again.

Then the sin and sorrow, pain
and death of this dark world
shall cease,
In a glorious reign with Jesus
of a thousand years of peace;
All the earth is groaning,
crying for that day of sweet
release,
For our Jesus to come back to
earth again.

WHEN THE ROLL IS CALLED F

When the trumpet of the Lord shall sound,
And time shall be no more,
And the morning breaks eternal, bright and fair;
When the saved of earth shall gather over on the other shore,
And the roll is called up yonder,
I'll be there.

CHORUS

When the roll is called up yonder,
When the roll is called up yonder,
When the roll is called up yonder,
When the roll is called up yonder,
I'll be there.

On that bright and cloudless morning when the dead in Christ shall rise,
And the glory of His resurrection share;
When His chosen ones shall gather to their home beyond the skies,
And the roll is called up yonder,
I'll be there.

Let us labour for the Master from the dawn till setting sun,
Let us talk of all His wondrous love and care;
Then when all of life is over,
And our work on earth is done,
And the roll is called up yonder, I'll be there.

659

PYRAMID MOUNTAIN G

Pyramid mountain
All over the earth,
God's divine nature
In sinful earth;
People who possess the new birth
Will be pyramid mountains
All over the earth.

TELL THEM I'M COMING... C

If I had a song to sing,
If I could tell the world one thing
From my Lord and my King,
What would I tell them?

As the seasons slip away,
I can almost hear him say,
"Won't you touch someone's heart today?
Here's what to tell them."

CHORUS

"Tell them I'm coming soon,
Tell them I'm coming real soon,
Tell them in your song
It won't be very long,
Until I take them home,
Oh won't you tell them?
Tell them I love them
And I'm coming soon!"

All the signs have made it clear,
The time of the Lord is drawing near,
It's His gentle sweet voice that I hear,
"I want you to tell them."

He that hath an ear, Let him hear
What the Spirit is saying,
Loud and clear,
Though many may say,
"I've heard it before!"
Tell them just once more.

PRE-EMINENCE F

Have the pre-eminence }
that You desire }
In my life, in my life }2x
Work with my hands, speak
with my lips,
See with my eyes and walk in
my feet.
Have the pre-eminence that
You desire
In my life, in my life.

I'M GONNA LET GLORY... A

Well I don't know why but I can't be shy
When I get around God's people;
I get so inspired my heart's on fire
I lose all control;
Well the Word of God is a consuming fire
That's beating in my bosom;
And one of these days I'm gonna shout and sing
In the presence of my King.

CHORUS

I'm gonna let the glory roll
When the roll is called in glory,
I'm gonna get beside myself
When I get beside the King,
that day.
I'm gonna have the time of my life
When the time of my life is over,
I'm gonna get carried away
when I get carried away.

I was walking around with a great big frown,
I was bound by condemnation,
Till the Pillar of Fire flashed across my path
And showed me my salvation;
Where there's God there's peace and love
And happiness and gladness,
And I thank Jesus everyday
He took away my sadness.

Now the song I sung, it is nothing I've done
But God that showed me mercy;
And I'll tell the story for the good Lord's glory,
And to magnify His Name,
So now you've heard so let's stay with the Word
And pray for revelation,
And through the power of the Word for the hour
We'll overcome temptation.

BY AND BY, MORNING... F

We are often tossed and driven on the restless sea of time,
Sombre skies and howling tempests oft succeed a bright sunshine;
In that land of perfect day, when the mists have rolled away,
We will understand it better by and by.

CHORUS

By and by when the morning comes,
When all the saints of God are gathered home,
We will tell the story how we overcome,
For we'll understand it better by and by.

We are often destitute of the things that life demands,
Want of food and want of shelter, thirsty hills and barren lands;
But we're trusting in the Lord, and according to His Word,
We will understand it better by and by.

Trials dark on every hand, and we cannot understand,
All the ways that God would lead us to that blessed Promised land;
But He guides us with His eye and we'll follow till we die.
For we'll understand it better by and by.

Temptations, hidden snares often take us unawares,
And our hearts are made to bleed for many a thoughtless word or deed,
And we wonder why the test when we try to do our best,
But we'll understand it better by and by.

OH, I WANT TO SEE HIM F

As I journey through the land,
singing as I go,
Pointing souls to Calvary, to
the crimson flow,
Many arrows pierce my soul
from without, within;
But my Lord leads me on,
through Him I must win.

CHORUS

Oh, I want to see Him, look
upon His face,
There to sing forever of His
saving grace;
On the streets of Glory let me
lift my voice;
Cares all past, home at last,
ever to rejoice.

When in service for my Lord,
dark may be the night,
But I'll cling more close to
Him, He will give me light;
Satan's snares may vex my
soul, turn my thoughts aside;
But my Lord goes ahead,
leads whate'er betide.

When in valleys low I look
toward the mountain height,
And behold my Saviour there,
leading in the fight,
With a tender hand outstretched
toward the valley low;
Guiding me, I can see, as I
onward go.

When before me billows rise
from the mighty deep,
Then my Lord directs my bark,
He doth safely keep,
And He leads me gently on
through this world below;
He's a real Friend to me, O I
love Him so.

JUST OVER IN GLORY LAND G

I've a home prepared where
the saints abide,
Just over in the glory land;
And I long to be by my
Saviour's side,
Just over in the glory land.

CHORUS

Just over in the glory land,
I'll join the happy angel band,
Just over in the glory land;
Just over in the glory land,
There with the mighty host I'll
stand,
Just over in the glory land.

I am on my way to those
mansions fair,
Just over in the glory land;
There to sing God's praise
and His glory share,
Just over in the glory land.

What a joyful thought that my
Lord I'll see,
Just over in the glory land;
And with kindred saved, there
forever be,
Just over in the glory land.

With the blood-washed throng
I will shout and sing,
Just over in the glory land;
Glad hosannas to Christ, the
Lord and King,
Just over in the glory Land.

I DON'T KNOW WHAT D

I don't know what you came for,
But I came to worship the Lord.
I don't know what you came for,
But I came to worship the Lord.
Hallelujah, Hallelujah, I came
to worship the Lord,
Hallelujah, Hallelujah I came
to worship the Lord.

THE DAY OF REDEMPTION D

Nations are breaking, Israel's
awaking,
The signs that the prophets
foretold;
The Gentile days numbered,
with horrors encumbered;
Eternity soon will unfold.

CHORUS

The day of redemption is near,
Men's hearts are failing for fear;
Be filled with the Spirit, your
lamps trimmed and clear,
Look up! your redemption is
near.

The fig tree is growing;
Jerusalem's restoring
Her national life, long dethroned;
Today she is calling, her latter
rain's falling
"Return, O dispersed, to your
own."

Heaven's powers are shaking,
and many are mistaking
God's meaning to be of the sky;
God's Church is the power
that's shaking this hour;
The day of redemption is nigh.

False prophets are lying,
God's Truth they're denying,
That Jesus the Christ is our God;
Though this generation spurns
God's revelation,
We'll walk where the apostles
have trod.

THE FAMILY OF GOD D

I'm so glad I'm a part of the
family of God,
I've been washed in the fountain,
Cleansed by His blood,
Joint heirs with Jesus,
As we travel this road;
For I'm part of the family,
The family of God.

I WANT TO GO F

A burning desire in me
To be more like Thee
Is growing stronger everyday;
I'm burdened in my soul,
Perfection is my goal,
To walk with You in perfect
harmony.

CHORUS

I want to go
where You want me to,
Send me Lord
to do the things You do,
My Lord, I want to go.
I want to feel
Your presence near,
Perfect love
Casting out all fears,
My Lord, I want to feel.

You've taken away my shame,
Given me a part of Your name,
Set Your Holy Seal upon me.
I'm thankful for Your grace,
You've made me a winner in
life's race;
Now I give myself to You
unreservedly.

I'm casting my reasoning down,
Listening for that certain sound,
That still small voice deep in
my soul;
To lead me where I should go,
Perfect will to daily know
That unto You my works be
fulfilled.

Let Your anointing flow,
Keeping my light aglow
Amidst this world of darkness,
sin and shame;
Keep pouring Your latter rain,
Faith to use Your power again
That I may return to You from
whence I came.

CHORUS

I want to go to that place
prepared for me,
Oh, that mansion, my theophany,
My Lord, I want to go.
I want to feel greater realities,
Perfect love throughout eternity,
My Lord, I want to feel

WE'RE MARCHING TO ZION F

Come, we that love the Lord,
And let our joys be known,
Join in a song with sweet
accord,
Join in a song with sweet
accord,
And thus surround the throne,
And thus surround the throne.

CHORUS

We're marching to Zion,
Beautiful, beautiful Zion;
We're marching upward to Zion,
The beautiful city of God.

Let those refuse to sing
Who never knew our God;
But children of the heavenly
King,
But children of the heavenly
King,
May speak their joys abroad,
May speak their joys abroad.

The hill of Zion yields
A thousand sacred sweets
Before we reach the heavenly
fields,
Before we reach the heavenly
fields,
Or walk the golden streets,
Or walk the golden streets.

Then let our songs abound,
And every tear be dry;
We're marching thru
Immanuel's ground,
We're marching thru
Immanuel's ground,
To fairer worlds on high,
To fairer worlds on high.

WE ADORE YOU F

We adore You
Holy Spirit,
You are welcome in this place;
We adore You
Holy Spirit
You are welcome in this place.

I'M GONNA BE GONE F

I'm gonna be gone
In the twinkling of an eye,
I'm gonna be gone
I won't have time to say good-bye.
I'm gonna be gone,
Could be while I'm singing this
song,
I'm gonna be gone,
It won't be long,
I'm gonna be gone.

This old world is not getting
better,
Every day it's getting worse,
So much fighting and confusion
Going on down here on earth,
But I don't let that bother me
Cause I'm not here to stay,
I know my Lord is coming soon
And I'll be called away.

It could be just any morning,
It could be at night or noon,
We don't know just when He's
coming,
But we know He's coming soon.
I can say we've some assurance
This old world is not my home,
One of these days you gonna
look for me,
Praise God I'm gonna be gone!

SWING LOW, SWEET CHARIOT F

I looked over Jordan and what
did I see,
Coming for to carry me home;
A band of angels coming after me,
Coming for to carry me home.

CHORUS

Swing low, sweet chariot,
Coming for to carry me home;
Swing low, sweet chariot,
Coming for to carry me home.

If you get there before I do,
Coming for to carry me home;
Tell all my friends I'm a-coming
too,
Coming for to carry me home.

I'M LOOKING FOR CHANGE D

I've come a long way,
I've had fears and doubts,
But in Your mind Lord,
You knew I couldn't live with
them;
So You chose at this time,
To wave before me
The thing You knew would
make me
Give up myself and my thoughts.
It could never have worked by
my own works,
But of faith that it might be by
grace;
To the end the promise might
be sure to all the seed,
Unto us, of the faith of Abraham.

CHORUS

I'm now looking for the
promise of my new body,
As my earth quakes all my sin
is shaken off;
The Holy Fire from above puts
sin out of existence,
For Holiness cannot dwell }
in sinful earth. }2x

But while I am here living in this
world, I live by the faith of the
Son of God revealed in me;
To believe His word and claim
what's my own,
By promise it was freely given to
me,
And when it seems that there's
no hope, believe in hope,
And consider not the things
which my eyes see;
But look into the Word of God
That shall not pass away,
And its righteousness which is
by faith.

I'm living in the day
When my desert is blossoming
like a rose, I'm living in the day,
When my thorns are unfolding
to leaves again,
True fellowship is being restored
It's the promise of the Lord;
I'm looking now for the
promise of my change,
I'm looking now for the
promise of my new body;
I'm looking now for the
promise of my change.

WHAT A DAY THAT WILL BE F

There is coming a day when
no heartaches shall come,
No more clouds in the sky, no
more tears to dim the eye;
All is peace forevermore on
that happy golden shore,
What a day, glorious day that
will be.

CHORUS

What a day that will be when
my Jesus I shall see,
And I look upon His face, the
One who saved me by His
grace;
When He takes me by the
hand,
and leads me through the
promised Land,
What a day, glorious day that will
be.

There'll be no sorrow there, no
more burdens to bear,
No more sickness, no pain, no
more parting over there;
And forever I will be with the
One who died for me,
What a day, glorious day that will
be.

I AM NOT ASHAMED F

I am not ashamed of the gospel,
The gospel of Jesus Christ.
I am not afraid to be counted,
But I'm willing to give my life.
See, I'm willing to be
All He wants me to be,
Give up the wrong for the right;
I am not ashamed of the gospel
Of Jesus Christ.

I've got to much behind me
To let this world blind me,
To some He's a name
But to me He's my everything.
I am not ashamed of the gospel,
I am not ashamed of the gospel,
of Jesus Christ.

LOOK FOR ME D

When you finally make your
entrance to that city,
Oh, just to walk on that bright
golden avenue;
As you behold all its beauty
and its splendour,
Remember there's just one
request I beg of you.

CHORUS

Look for me,
For I will be there too.
I realize when you arrive,
There'll be so much to view;
After you've been there
Ten thousand years,
A million, maybe two,
Look for me;
For I will be there too.

As you go down your list of
firsts, There's no question,
You'll want to see your loved
ones
waiting there for you;
And when you feel you've
shared your story with the last
one
That wants to hear you tell just
how you've made it through.

I'VE GOT SOMETHING G

I've got something that the
world can't give,
And the world can't take it away;
I've got something that the
world can't give,
And it keeps me day by day,
I've got something worth
talking about,
It makes me sing and it makes
me shout;
I've got something that the
world can't give,
And the world can't take it
away.

THE RAPTURE F

Sometimes it seems like
nothing's going on,
So it might seem to the natural
mind;
But don't you know my friend,
Great things happen in silence;
Have you ever heard the sun rise?
Have you ever seen the flower
grow?
And in this half an hour silence,
There are people becoming
the Word.

CHORUS

Many are changing from }
glory unto glory, }
Hearts are being raptured }
up into glory; }
People walking holy unto }
the Lord, }
It won't be long and we'll }
be gone. }2x

God's great mystery's been
unfolding
In such a silent way,
He hid it from the wise and prudent,
Revealed it to babes;
Why don't you look in and see
God in simplicity?
Christ is unveiled before our
eyes, Can't you see?

Let's search our lives my brothers,
This is a treacherous hour;
Search your lives my sisters,
It's not easy to be left back in
this hour.

COME AND FILL US NOW F

We have come into thy
presence Lord, come and fill
us now.
We have come into thy
presence Lord, come and fill
us now.
With our hearts lifted up,
We open our hearts to you Lord.
With our hearts lifted up,
We glorify your name.

WHEN THEY RING THE BELLS C

There's a land beyond the river,
That we call the sweet forever,
And we only reach that shore
by faith's decree;
One by one we'll gain the portals,
There to dwell with the immortals,
When they ring the golden
bells for you and me.

CHORUS

Don't you hear the bells now
ringing?
Don't you hear the angels
singing?
'Tis the glory hallelujah Jubilee.
In that far-off sweet forever,
Just beyond the shining river,
When they ring the golden
bells for you and me.

We shall know no sin or sorrow,
In the haven of tomorrow,
When our barque shall sail
beyond the silver sea;
We shall only know the blessing
Of our Father's sweet caressing,
When they ring the golden
bells for you and me.

When our days shall know
their number,
When in death we sweetly
slumber,
When the King commands the
spirit to be free;
Nevermore with anguish laden,
We shall reach that lovely aiden,
When they ring the golden
bells for you and me.

HOLD ON MY CHILD D

Hold on my child,
Joy comes in the morning.
Weeping only lasts
For the night.
Hold on my child,
Joy comes in the morning,
The darkest hour
Means dawn is just in sight.

ANGELS STEP ASIDE G

What a celebration on that day,
It can't be very far away;
Heaven's Bridegroom has
descended,
The ransomed bride of God
ascends;
Heaven's bell will sweetly ring,
Choir of angels start to sing,
Pick up your trumpet Gabriel
and blow.

CHORUS

Here comes the bride to be ever
at His side,
Oh, what a spotless bride!
Oh, what a glorious sight!
Here come the chosen ones,
Here come the ransomed ones,
Angels step aside,
For here comes the bride;
Angels step aside,
For here comes the bride.

Some from every nation will be
there,
Wearing spotless robes
So bright and fair.
All of Heaven will behold,
The bride is marching down the
streets of gold,
Getting ready now to go,
The very hour no one seems to
know,
Pick up your trumpet Gabriel
and blow.

Bro. Branham saw them in
preview
But now they are in plain view
All of heaven will behold
The bride is marching down the
streets of gold
Getting ready now to go
The very hour no one seems to
know
Pick up your trumpet Gabriel
and blow

WE GIVE YOU PRAISE C

We give you praise,}2x
Lord now and always;
We give you praise.
We give you praise,}2x
Lord now and always;
We give you praise.

We give you praise,(praise),
Praise (praise), praise
(praise),
We give you praise;
With our hands lifted high,
And our voices to the skies;
We give you praise.

SEE YOU IN THE RAPTURE C

If we never meet again
On this earth, my precious friend;
If to God you have been true,
And we've lived above all sin,
Then for us there'll be a greeting,
For there's going to be a meeting,
I'll see you in the rapture
Some sweet day.

CHORUS

I'll see you in the rapture,
See you in the rapture,
See you at that meeting in the air;
There with our blessed Saviour
We'll live and reign forever,
I'll see you in the rapture
Some sweet day.

To my loved ones let me say
That there'll surely come a day,
When the Lord will come again;
And He'll take his Bride away,
Do get ready now to meet Him,
And with hallelujahs greet Him,
I'll see you in the rapture
Some sweet day.

SHELTERED IN THE ARMS F

I feel the touch of hands so
warm and tender,
They're leading me
Through paths that I must trod;
I'll have no fear for Jesus
walks beside me,
For I'm sheltered in the arms of
God.

CHORUS

So let the storm rage high and
dark clouds rise,
They won't worry me;
For, I'm sheltered safe within
the arms of God.
He walks with me and naught
on earth can harm me
For I'm sheltered in the arms of
God.

Soon I shall hear the call from
Heaven's portals,
"Come home my child, it's the
last step you have trod,"
I will be changed and taken to
God's New Heaven,
For I'm sheltered in the arms of
God.

I WILL PRAISE HIM C

When I saw the cleansing fountain
Open wide for all my sin,
I obeyed the Spirit's wooing
When He said, "Wilt thou be
clean?"

CHORUS

I will praise Him, I will praise Him,
Praise the Lamb for sinners slain,
Give Him glory all ye people,
For His blood can wash away
each stain.

Though the way seemed
straight and narrow,
All I claimed was swept away;
My ambitions plans and wishes,
At my feet in ashes lay.

Then God's fire upon the altar
Of my heart was set aflame;
I shall never cease to praise Him,
Glory! glory to His Name.

Blessed be the name of Jesus!
I'm so glad He took me in;
He's forgiven my transgression,
He has cleansed my heart from
sin.

FOR I WAS BORN TO BE F

For I was born to be
Thy dwelling place,
A home for the presence of
the Lord;
So let my life now be
separated unto Thee;
That I might be what I was born to
be.

WE GET LIFTED UP F

We get lifted up, }3x
When we praise the Lord.

Lord, we lift You up, }3x
And we praise Your name.

Soon He'll come again, }3x
And He'll lift us up.

OUR TREASURES F

Set your eyes on that
mountain top; To adoption let
us rise.
Look not to shallow ground,
Worldly pleasures around;
It's an Eden to despise.
For our journey has almost
come to the end,
We have passed two-thirds of
the way,
Just a few more steps are all
to go,
Then we would be taken away.

CHORUS

Our treasures lie just beyond
that mountain,
All the glories of the Lord there
we shall share.
Our treasures lie just beyond
that mountain,
Have no fear, have no fear,
You will be there.

Jesus said it's a narrow rugged
way,
And few there be that find it,
But broad is the way which
leads to destruction
Where millions travel along,
But though our trials are tough
and afflictions much,
It's not worthy to be compared
With the joys that the faithful
servants of God
Someday shall surely share.

Set your eyes on the White rock
That Light is now shining on,
Turn not your eyes away from
God's message today,
Till you shine with the light of the
Son.
For you've been made by God
to be a reflection of Him,
Let it be settled in your heart
and mind,
That we are a Super Race
ordained of Grace;
And there's where happiness
you will find.
Shoo those buzzards off your
sacrifice
When temptations come your
way,
Believe not the devil's lie,
Though those vultures fly,

Continue to watch and pray.
For there's a path that the eye
of the vulture,
Has never, ever seen,
Where you as an eagle can fly
perfectly justified
For you are a heavenly being.

NEVER BEEN HOMESICK F

There's a light in the window,
The table's spread in
splendour;
Someone's, standing at the
open door,
I can see the crystal river,
So I must be near forever;
Lord, I've never been this
homesick before.

CHORUS

See the bright Light shine,
It's just about home time,
I can see My Father standing
at the door,
This world's been a
wilderness,
I'm ready for deliverance,
Lord, I've never been this
homesick before.

I can see my family gather,
Sweet faces all familiar,
No one's old or feeble
anymore,
This lonesome heart is crying;
'Think I'll spread my wings for
flying,
Lord I've never been this
homesick before.

WE'RE GOING HOME D

We're going home in the
morning,
Going home in the morning.
For the trumpet shall sound
And the dead in Christ shall
rise
For we're going home in the
morning.

Shalom, Shalom! It is
morning.....

Wake up, wake up! It is
morning.....

THANK GOD I AM FREE G

For a long time I travelled
Down a long lonely road,
My heart was so heavy,
In sin I sank low.
Then I heard about Jesus,
What a wonderful hour,
I'm so glad that I found out
He would bring me out,
Thru His saving power.

CHORUS

Thank God I am free, free,
free
from this world of sin.
Washed in the blood of Jesus,
I've been born again.
Hallelujah, I'm saved, saved,
saved
By His wonderful grace.
I'm so glad that I found out
He would bring me out and
show me the way.

Like a bird out of prison
that's taken his flight;
Like the blind man that God
gave back his sight.
Like a poor wretched beggar
That's found fortune and fame,
I'm so glad that I found out,
He would bring me out,
Thru His Holy name.

I'M A NEW CREATION F

Hallelujah! He redeemed me,
I've been born again to win;
I thank God He justified me,
Of His fullness, have we all
received of Him.

I'm a new creation,
I'm a brand new man;
Old things are passed away,
I've been born again,
More than a conqueror;
That's who I am,
I'm a new creation;
I'm a brand new man.

RAPTURING FAITH F

Rapturing Faith
Is the hunger of my soul today.
Rapturing Grace,
To be changed and taken away.

CHORUS

The Trumpet shall sound and
the dead shall rise,
And our Lord will be waiting in
the skies.
Then we who remain, shall be
changed
In the twinkling of an eye.

Right now we are groaning,
The whole creation is moaning,
Waiting on our Lord
To claim what He has restored;
We are His purchased
possession
By His Blood of redemption.
We are a new creation
Through His divine revelation.

I know it is hard,
But saints I know it ain't so
bad,
There're many worse than me
and you,
And they don't even know
what to do.
But it's not so in our case,
For we have Rapturing Grace,
Jesus has gone to prepare a
place,
We are the winners in this race.

Glory, Glory, Glory!
Hallelujah to His name!
Yesterday, today and forever,
Our Jesus is the same.

HE'S EVERYTHING TO ME Eb

He's everything, He's
everything to me;
He's everything, He's
everything to me;
He's my father, my mother, my
sister and my brother,
He's everything to me.

THE BRIDAL CALL D

God has promised a rapture in
this day,
A Bride He's preparing to take
away;
But only His elected ones will go,
And we shall be with our
blessed Saviour forever more.

CHORUS

So we must get our lamps
trimmed and filled with oil,
Don't get your garments
spotted by the things of this
world;
But only watch and pray to the
coming of that day,
When we shall see our
blessed Saviour face to face.

O sinner please harken to His
call,
For this might be the last time
you hear His voice;
For this word you hear shall
be heard no more,
When the bridegroom comes
to take His bride away.

O Christian, don't get tied up
with this world,
Keep your garments snowy
white to the coming of the Lord;
For we don't have much time
again,
For He shall come and He
shall not tarry, tarry no more.

What a glorious day when the
trumpet of the Lord shall sound;
The sleeping saints shall rise
to meet the Lord,
And we who are alive and remain
shall be caught up to meet
them in the air.

JESUS, JESUS, LORD TO ME D

Jesus, Jesus, Lord to me,
Master, Saviour, Prince of
Peace;
Be the ruler of my heart today,
Jesus, Lord to me.

I SHALL NOT DIE BUT LIVE E

Though I be in the midst of trials,
With my possession gone, my
body all in pain;
And the hurtful words the
scoffers whisper
Are enough to break me,
Yet my integrity will I retain.

CHORUS

I shall not die, but live,
Live and declare Thy works oh
God,
Though my trials have been
much,
I'm not given unto death.
And because I must declare
Your name,
I shall not die but live.

Though I be cast into prison,
Fleeing temptation, standing
for my Lord,
Yet the things that God has
shown me
Shall come to pass,
And His glory shall be my reward.

CHORUS

I shall not die but live,
Live and declare Thy works oh
God.
Though my temptations have
been strong,
I'm not given unto death,
And because I must declare
Your name,
I shall not die but live.

Though I be in the midst of trouble,
Hear my cry Lord, save my soul,
For though I'm cast out of Thy
sight, Lord;
Yet raise me up;
For I must declare Your name
to a dying world.

CHORUS

I shall not die, but live,
Live and declare Thy works oh God,
Though my chastening has
been sore,
I'm not given unto death,
And because I must declare
Your name,
I shall not die but live.

SING GLORY TO GOD C

God has called us in these last days by a message
 Revealed to our hearts by His last day prophet
 To quicken the germ of life that laid inside us
 And to resurrect the faith that lay dormant;
 And no longer are we children held in darkness,
 But His bride, looking more to be like Him,
 Waiting to be translated on that great day
 At His blessed glorious coming.

CHORUS

Sing glory to God, hallelujah,
 for His message,
 It has quickened our hearts so we can see
 The fulfillment of God's Word in this hour,
 In the lives of simple you and simple me.

This message was not sent to educate us,
 But for us to recognize who we are
 And to take away every bit of amnesia from our souls
 And to take us back to God where we belong.

Don't you realize, saints, who is here among us?
 It is God Himself veiled in human skin,
 Fulfilling every Word that He has promised,
 And changing us from glory unto glory.

So keep humble, keep sincere, keep obedient
 To the Words He has spoken to your hearts;
 And He shall bring to pass all that He has spoken,
 Making you a living epistle read of all men.

So like Esther, let us submit to Him our head-ship,

And like Ruth mark the spot where He lay;
 And like Mary, let our lives in accord to His will,
 And like Sarah, let our lives bring forth the promise.

701**COME AND DINE A**

Jesus has a table spread where the saints of God are fed,
 He invites His chosen people "Come and dine;"
 With His manna He doth feed and supplies our every need;
 O, 'tis sweet to sup with Jesus all the time!

CHORUS

"Come and dine," the Master calleth,
 "Come and dine,"
 You may feast at Jesus' table all the time;
 He who fed the multitude, turned the water into wine,
 To the hungry calleth now, "Come and dine."

The disciples came to land, thus obeying Christ's command,
 For the Master called to them, "Come and dine;"
 There they found their hearts' desire, bread and fish upon the fire;
 Thus He satisfies the hungry every time.

Soon the Lamb will take His bride to be ever at His side,
 All the host of heaven will assembled be;
 O, 'twill be a glorious sight, all the saints in spotless white;
 And with Jesus they will feast eternally.

IN DEATH THERE'S VICTORY D

Up the hill with the load,
 Jesus walked up Calvary's road.
 No man took His life from Him,
 For you and me He willingly gave.
 In His mind, He held a vision,
 It was of the resurrection,
 Truly He paid death's price;
 Our victory's complete
 In the perfect sacrifice.

CHORUS

In death, in death,
 In death, there's victory.
 Self sacrifice means freedom,
 And this is the way for me.
 For the joy set before,
 There's a cross to endure.
 For real life, this I see,
 That in death there's victory.

Abraham held the promise,
 'In Isaac shall thy seed be called.'
 He died to his own thinking,
 When God told him sacrifice his boy.
 Obedient unto death he was faithful,
 Knowing resurrection was in the end.
 This he said: "The lad and I,
 we'll go worship,
 And come to you again."

By faith Jocebed placed Moses
 In the mouth of death on the river Nile,
 Pharaoh's daughter, finding him,
 To the house of death she took the child,
 There he lived with those who sought his life,
 And to the desert he had to flee,
 Where he died to his own thinking,
 To lead Israel to their victory.

Tell me now, Bride of Christ,
 We're not different, we must pay the price,
 As we lift up our cross,
 Though we suffer and our lives are lost;
 Yet we must die to ourselves and sin,
 Truly become a burnt-offering,
 But it's sure in the end,
 That we will rise again.

LET THE DOVE LEAD F**CHORUS**

There's a Message coming forth,
 Father, I pray, You'll let the Dove lead;
 As we listen now to the message of the Lord
 Father, I pray, Your way we'll follow.

Here I stand in need of You this day and this hour,
 How can I, how can I go on Lord if You don't go before?
 Here I am in this wilderness on my own,
 I'm depending on Your Message Lord, alone to take me home.

As the prophet stood that day being out on his own,
 Realizing that he could not find his way alone,
 He had to give up even though he tried
 To get out of the wilderness, he depended on the Guide.

Lead us on Lord, as we go through this trail;
 To reveal Your Word Lord, You have not failed;
 All those Messages You brought all along:
 'The Real Gift Of God,'
 'Burnt Offering,'
 'On The Wings Of A Snow White Dove,'
 'Revealed 'Supernova,'
 Told us 'Consecrate,'
 'Baptism Of Fire On The Eighth Day,'
 'The Seals and Trumpets,'
 'Capstone Message Of Grace' And The 'Inside Life With Christ,'
 'Being Borne Away On Eagle's wings,'
 'Restoration Revealed In The Four Stages,'
 'The Greatest Battle,'
 'The Vials' and
 'Deliverance Is At Hand.'
 'Still Tied To My Absolute,'
 'My Compass and My North Star,'
 'Making Ready For a Paradox,'
 'Be Not Afraid, Only Believe.'

704

UNDEFILED **G**

It's a world of compromise,
Standards have lowered,
making lives
So devalued till all moral
codes are lost,
But in the midst of all the sin
We have virtues that's within
God wants displayed, no
matter what the cost.

CHORUS

Undefiled - real pure lives,
Walking holy and upright;
Keep that flag flying high
By living clean and undefiled.

And when we walk down the
street,
All the people that we meet
Will see we can't be sold out
cheap,
We're worth much more;
When the temptation's
drawing near
Let's turn and run from the evil
snare,
For our bodies are the temple
of the Lord.

BRIDGE

Seem like our specie's fast
becoming extinct,
Survival in earth's atmosphere
gets harder everyday,
But the same God who saved
our souls
Is more than able to keep us
whole,
And present us before Christ
undefiled.

705

SATAN IS DEFEATED **C**

Satan is defeated,
Praise the Lord, Hallelujah.

Prison doors are open,
Praise the Lord, Hallelujah.

Chains and shackles broken,
Praise the Lord, Hallelujah.

Praise the Lord, we are free,
We have been delivered.

706

JESUS IS ALL I HAVE **D**

From a world, a world of sin
and shame,
Jesus brought me out
And into the light I came;
Showed me truth so I'll not be
deceived,
His word I believe,
Now I live to lift His name.

CHORUS

For Jesus is all,
He's all that I have to live for,
And even though His way
seem hard sometimes
The end's eternal life,
So I live for Jesus Christ,
So I live for Jesus Christ.

I hold close the opportunity
That's been given me
To serve the Lord in my day;
Tell me what could be a
greater privilege than to serve
God in this age,
To walk in His provided way.

We can't live in a world of fantasy,
Of worldly thoughts and dreams,
They will fade away so fast;
But this truth, this word that
sets us free, is the only reality,
It is the only thing that always
shall last.

707

MY GOD DELIVERED ME **D**

My God, my God, delivered me,
Lifted my burden, set me free,
That's the reason why I sing,
Praises to the coming King.

708

JESUS BE THE RULER **D**

Jesus be the ruler of my life,
Let me be what you want me to
be;
Jesus be the ruler of my life
So I can be a reflection of you.

709

BEHOLD THE THIRD WOE **D**

The Kings of the earth and
their armies
Are gathered in the valley of
Meggido,
Where the grapes of God's
wrath would be trampled,
The vats of blood will overflow;
So be not partakers my brothers
In Beltshazzar's drunken feast,
For his subjects are all deformed
Into the image of the Beast;
But stand like Daniel with your
garments undefiled,
Knowing that Christ in you
must be glorified.

CHORUS

For behold the third woe
cometh quickly,
It's an urgent cry,
Apply the token or die.
For behold the third woe
cometh quickly,
It's an urgent cry,
Apply the token or die.

Ecological crisis is filling men's
heart with fear,
With the ozone layer being
destroyed,
Divers earthquakes are
everywhere;
But isn't it written in the scripture
The Heaven shall depart like a
scroll
Thus saith the Lord
It's exactly what the prophets
foretold;
But stand like Micaiah, stay
with the seventh seal vision
You just say what Elijah
already did say.

Now demons in the atmosphere
Are pressing their way into the
hearts of men
Who are marked by God for
their iniquity
In rejecting the prophet whom
God has sent.
The slaughtering angels are ready
To slay the young and the old,
So watch the cares of this life,
Remember Lot's wife
Who for vanity lost her soul;
Stand like Rahab with your
token on display,
For the destroying Angels are
already on their way.
But stand like Daniel with your
garments undefiled;

Stand like Micaiah, stay with
the seventh seal vision;
Stand like Rahab with your
token on display;
For the destroying Angels are
already on their way.

710

MARANATHA **F**

Men's heart are failing for fear,
Divers earthquakes everywhere,
It's a sign my friend, we are
living in the end time.
The generation that sees the
budding of the fig tree
Shall be the last one in the
end time.

CHORUS

Maranatha, even now, come
Lord Jesus
And take your waiting bride
away, for we living in the end
time;
Take your waiting bride away for
we are living in the end time.

The scientists call the signs
UFOs,
But they simply do not know
They are investigation angels
coming down in the end time;
Modern events that you and I
see
Are made clear by vindicated
prophecy,
It's a sign, my friend, that we
are living in the end time.

A true prophet this generation
has denied,
But His message was
received by God's little bride,
Hear His voice my friend,
We are living in the end time;
One like unto to the Son of
Man in a cloud showed His
final sign,
Hear His voice, my friend, we
are living in the end time.

The Spirit and the bride say
come,
For the day of mercy is almost
done,
Hear His voice, my friend, we
are living in the end time;
He that is filthy will be filthy
still, So, my friend, be
surrendered unto God's will,
Hear His voice, my friend,
We are living in the end time.

LOOK AWAY TO JESUS G

Born to be a supersign in this
great and final age,
When the whole world is
falling apart again,
The prudent minds search for
solutions,
Which we know they cannot find,
We know the answers lie
Beyond this dimension of time.

CHORUS

I'm looking away to Jesus,
He's the only way, sweet Jesus,
I'm looking away,
I'm looking away to Him.

Born to live in a super sense,
Far beyond what man can
perceive.
The Word of God is what our
hearts would only believe;
Looking to the unseen,
We see a brighter and better world,
So on the promises of God,
Is what we'd anchor our souls.

Born to overcome this wicked world
That Satan has deceived,
The promises of God is what
we'd only believe;
His Word has power to transform
By the renewing of your mind;
To see the judgements of God,
We're at the end of time.

Born to be a super race,
Abraham's royal seed.
Upon the bread of life is what
we'd always feed;
Looking for a city whose
maker and builder is God,
We know that soon we'll reign
With Jesus Christ our Lord.

WHAT A BLESSING C

Oh, what a blessing to be saved,
Oh, what a blessing that the
Lord has gave,
When I'm weak He makes me
strong;
Let me know that I'm not alone;
Oh, what a blessing to be saved.

CAN'T YOU HEAR C

A new day has dawned
And I know not what it brings,
But somehow I feel I'm almost
home;
Not turning back to yesterday
But pressing towards my
calling in Christ,
I can hear, yes I can hear my
theophany calling me.

CHORUS

And can't you hear your
theophany calling you?
It's a sign, it's almost home time,
And I'm just waiting for my
promised body change,
For soon I know, we'll be with
Him on high.

The whole earth is groaning
and travailing in pain,
But we as the bride have been
glorified in Him;
And saints, even though we
may suffer,
Stand and gird your loins,
For your perfection it draweth
near.

CHORUS**BRIDGE**

My God knows overtime is
drawing near,
And very soon the dead in
Christ shall rise again;
There'll be no more sickness,
No more crying over there,
But for now, Christian Soldier,
Just keep on pressing.

I'M NEARER HOME F

I'm nearer home than I was
yesterday,
I'll walk with my Lord all along
the way,
Each step I take, each prayer I
pray,
I'm nearer home than I was
yesterday.

CHANGING ROBES G

Have faith don't worry now,
Everything is gonna be all right,
This mortal shall put on
immortality;
We'll no longer be earth-bound,
But we'll be heaven-bound,
We'll slip from time into eternity.
That's why....

CHORUS

I'm laying aside the old man, }
Putting on the new man, }
I'm changing robes }
For another dimension. }2x

I'm making all my wrongs right,
Got to have my lamp trimmed
And my fire burning bright;
You see I don't want no trouble
Down by the river,
I want to be ready to cross on
over.

I've heard the Bridegroom call,
And I've received my invitation;
This robe is so snowy white,
It fits me just right
Because it was furnished by
the Bridegroom;
Now there's set before me
An open door to the wedding
supper.

BRIDGE

The Shout was heard,
We're in the Voice now;
And very soon
The Trumpet shall sound!

Now I'm ascending into a
higher order,
Far above all principalities and
powers;
Far above corruption into
incorruption,
Far above mortal into immortality.

JESUS IS ALIVE Ab

Jesus is alive, Jesus is alive,
Sin and death must go,
They are conquered foe,
For Jesus is alive.

ALL HAIL JESUS' NAME F

All hail the power of Jesus'
name!
Let angels prostrate fall;
Bring forth the royal diadem,
And crown Him Lord of all;
Bring forth the royal diadem,
And crown Him Lord of all.

Ye chosen seed of Israel's race,
Ye ransomed from the fall;
Hail Him who saves you by His
grace,
And crown Him Lord of all;
Hail Him who saves you by His
grace,
And crown Him Lord of all.

Sinners, whose love can ne'er
forget
The wormwood and the gall,
Go, spread your trophies at His
feet,
And crown Him Lord of all;
Go, spread your trophies at His
feet,
And crown Him Lord of all.

Let every kindred, every tribe,
On this terrestrial ball,
To Him all majesty ascribe,
And crown Him Lord of all.
To Him all majesty ascribe,
And crown Him Lord of all.

O that with yonder sacred throng
We at His feet may fall;
We'll join the everlasting song,
And crown Him Lord of all;
We'll join the everlasting song,
And crown Him Lord of all.

ALL HAIL KING JESUS C

All hail King Jesus; all hail
Immanuel!
King of Kings, Lord of Lords,
Bright Morning Star,
And throughout eternity,
I'm going to praise Him,
And forevermore, I will reign with
Him.

PRAISE HIM **D**

If any man be in Christ
Then he has become a new
creation,
Old things are passed away,
Behold everything has
become new in Him;
God no longer knows the things
that brought you to this place
before you came here,
He only sees you holy now,
faultless and blameless as
you're standing there.

CHORUS

Praise Him, lift your hands
and praise Him,
Praise Him,
Praise the Name of Jesus,
Praise Him.

Through the blood of Jesus,
His righteousness is like a
robe upon you,
His clothing, His covering,
His garment of praise will
now adorn you;
We'll live and reign forever
As Kings and Priest and sons
He'll call His own;
His blood is flowing in you now,
Royalty has finally found a
home in you.

I'M GOING UP **G**

I'm going up, I'm going up,
I'm going up in the first
resurrection;
I'm going up, I'm going up,
I'm going up to meet my Lord.

They'll be coming from the
east, Coming from the west,
coming from the north,
coming from the south
I'm going up, I'm going up,
I'm going up to meet my
Lord.

HE DIDN'T HAVE TO DO IT **F**

He didn't have to do it but He
did
He didn't have to do it but He
did, yeah.
He woke me up this morning
and started me on my way,
He didn't have to do it but He
did.

He didn't have to save me,
thank God He did,
He didn't have to save me
but He did, yeah.
He woke me up this morning
and started me on my way,
He didn't have to save me
but He did.

He didn't have to wake me,
but He did,
He didn't have to wake me
I'm glad He did
Don't you know He shook
me until He woke and started
me on my way,
He didn't have to do it but He
did.

The Lord has been so good to
me,
I can say the Lord has been
so good to me, yeah.
Don't you know He woke me
up this morning and started
me on my way,
He didn't have to do it, but He
did.

HE'S THE LILY OF THE VALLEY **F**

He's the lily of the valley,
He's the bright and morning
star;
He's the fairest of ten
thousand,
Everybody ought to know.

Everybody ought to know,
(Some people don't know)
Everybody ought to know,
(Some people don't know)
Everybody ought to know,
(Some people don't know)
Who Jesus is.

IT WAS A GREAT THING **G**

The Lord has brought me
Through all my trials, and
when I failed Him
He didn't cast me away;
He stood right by me
throughout my troubles,
And when I was lost He
didn't let me go astray.

He took my sins, He saved
my soul;
He filled me up and made
me whole;
Jesus died on Calvary so the
whole wide world could see
It was a great thing that He
did for me.

CHORUS

It was a great thing that He
did for me,
It was a great thing when He
set me free;
Jesus died on Calvary so the
whole wide world could see,
It was a great thing that He
did for me.

He's been my doctor,
He's been my lawyer,
He's never left me, He's
been my friend;
He's been my comforter
when I was lonely,
And when I was lost Jesus
took me in.

He took my sins, He saved my
soul;
He filled me up and made
me whole;
Jesus died on Calvary so the
whole wide world could see,
It was a great thing that He
did for me.

I BELIEVE GOD **G**

I believe God, I believe God!
It shall be done even as He said;
Trust and obey, look up and
say,
I believe, I believe God.

JUSTIFIED **D**

I was sitting alone and wondering
About what I'm supposed to do,
I can't deny the times I've
made mistakes,
I can't hide from Him, He knew;
But I knew that deep within
my soul
I felt sorry, honest I do,
So I just cried and said,
"Forgive me Lord,
Forgive me again, will you."

So often I'm discouraged
When I count the times I fall,
'Cause he promised I'd be
victorious
When I know I'm not at all;
Then I heard an eagle scream,
Its voice quickened my soul,
He said, "you've not done it in
the first place, you're justified."

CHORUS

Justified, Justified,
You have not done it in the
first place, you're justified;
Justified, justified,
You have not done it in the
first place, you're justified.

He looked at your perfect
picture without blame, spot
or wrinkle,
He didn't look at you from
where you are now,
He looked from eternity,
He said you're just trapped in
that body,
You bypassed your theophany;
You have not done it in the
first place, you're justified.

JESUS IS A ROCK **C**

Jesus is a Rock in a weary
land,
A weary land, a weary land;
Oh, Jesus is a Rock in a
weary land,
A shelter in the time of storm.

MY LINES HAVE FALLEN C

The world's in darkness, they're
lovers of pleasures and not of
God,
Their worship shall be slain with
pestilence and the sword;
I see the binding of the tares
And gathering of the wheat
in the garner
And the Lord's lifted us up to
see oncoming judgement.

CHORUS

So my lines have fallen upon
me in pleasant places,
I've seen the goodness and
severity of my God;
I have a burden on my heart,
I'm crying "Abba Father,"
And the power of His
influence will lift us up;
And the power of His
influence will lift us up.

Lord You opened our eyes to
see today's wondering stars,
Alienated from the light that
shines in our day,
I see religion, politics and
demon powers tangle them up,
And if it was possible it
would deceive the very elect.

I see a lying spirit in the World
Council of Churches' mouth,
The Lord has put a word in
our hearts to lift us higher,
The smiting stone He let us
see from a distance, to burn
the earth like stubble on the
summer threshing floor.

I thank Thee Lord for
delivering us from the pit,
Oh blessed are our eyes that
we see these things!
We know the eyes of the
Lord run to and fro in the earth
For the recipients of mustard
seed faith.

HOW MANY TIMES F

How many times have I
wounded His heart,
How many times have I
disobeyed;
How many times have I fallen,
How many times have I fallen,
have I failed.

How many times has Jesus
lifted me up,
How many times has He my
burden borne,
How many times has He
forgiven all my sins and when I
reach those pearly gates,
When I reach those pearly gates,
When I reach those pearly gates,
When I reach those pearly gates,
When I reach those pearly gates
He'll let me in.

729**HALLELUJAH F**

I took Your love as a
desperate measure,
Seeking shelter from a lost
and lonely world;
You gave Your love
Beyond great measure,
That I may know Lord,
The way, the truth, the life.

CHORUS

Hallelujah! Praise the Saviour,
Christ has come to show us
the way;
Hallelujah! Praise the Saviour,
Christ has come to show us
the way.

I give You praise, I give You
glory,
I lift You up Lord, for all the
world to see.
I am not alone
Now that You've found me,
Because of You Lord, my life
is now complete.

WHO WILL STAND F

Great is the calling of our day
For reapers to work for the Lord,
The harvest is ripe but the
labourers are few,
And the Lord is calling on you;
Let's trim our lamps, be on
fire for our Lord
For there's much work to be done,
The kingdom of God is at hand
And I will glorify my Lord.

CHORUS

Who will stand for the Lord?}2x
My lamp needs trimming my
bowl has need of oil;
Who will stand for the Lord?

Your servant Lord, Nehemiah,
He laboured to rebuild the wall,
Sanbalat and Tobiah are
trying to hinder Your cause,
Hear the prays of the saints,
oh God,
To see the Lord's true
worship restored;
The hornets have gone before
us,
And the gospel must be preached.

Surely the land we've
trodden under-foot
Will be our inheritance,
Be not afraid of giants no, no,
no,
When we serve the Living God;
So who's this uncircumcised
philistine from whom should
such a man as I flee?
Just as my strength was then,
So now is my strength for war.

731**HEAVEN CAME DOWN D**

Heaven came down and
glory filled my soul
When on the cross Jesus
made me whole;
My sins were washed away
and my night turned today,
Heaven came down and
glory filled my soul.

FEELING AT HOME C

Feeling at home in the
presence of Jesus,
Hearing Him call me His own,
I'm feeling at home.}2x
Putting my feet right under
His table,
Knowing I'm never alone,
I'm feeling at home,
I'm feeling at home.

CHORUS

You could not have told me,
That I'll find what I've found,
Contentment and peace from
above;
Feeling at home in the
presence of Jesus,
Laying way back in His love.

Warming myself by the fire of
His Spirit,
Camping right close to His
throne,
I'm feeling at home.}2x
Feeling accepted and loved
and forgiven,
I'm part of this warm family,
I'm feeling at home,
I'm feeling at home.

733**LORD I LIFT YOUR NAME C**

Lord I lift Your name on high,
Lord I love to sing Your praises;
I'm so glad You're in my life,
I'm so glad You came to save
me.

CHORUS

You came from heaven to
earth to show the way;
From the earth to the cross,
His debt to pay,
From the cross to the grave,
From the grave to the sky;
Lord I lift Your name on high.

WASTED OPPORTUNITIES F

To think that men lived in a day
 When the word of God was made
 flesh and dwelt on the earth;
 But when the promise of the
 Holy Ghost was given,
 Only a few were prepared to
 receive it in their souls;
 There were others, a great
 multitude,
 But the precious seed that was
 sown, from their hearts Satan
 stole.

CHORUS

There are so many wasted
 opportunities,
 Life has a way to get you
 relaxed and set you on your
 ease;
 There are so many wasted
 opportunities,
 People going after temporary
 needs which are only lying
 vanities.

History always repeats itself,
 this we all know,
 For as it was, so shall it be,
 The Bible tells us so.
 The greatest event started
 with a shout,
 But the veil was upon the
 hearts of many so they could
 not rejoice;
 For the form of flesh God
 took to reveal Deity many could
 not receive,
 So they stumbled at simplicity.

There was promised a
 second ride to catch away
 God's bride,
 We were told to learn our A,B,C's,
 And live humble and right in
 God's sight;
 But as was promised the
 Lord did come as a thief in
 the night,
 But only who have ears to
 hear and eyes to see saw
 Him en morphé.

OUR GOD IS AWESOME Em

Our God is an awesome God,
 He reigns from heaven above
 With wisdom, power and love,
 Our God is an awesome God.

EL SHADDAI C

In the Bible long ago there's a
 story that we all should know,
 Of Abraham, Sarah, Ishmael
 and Hagar,
 And the promise God gave
 by word to Abraham which
 he had heard;
 But tried to bring it forth in
 his own way.

BRIDGE

But, oh Breasted, One we
 nurse from you,
 You are the One to see us
 through;
 No more would we walk in
 our own way,
 So we lift our hands and give
 you praise.

CHORUS

El Shaddai, El Shaddai, }
 All that's left for me now is }
 just to nurse from You. }2x

By taking heed to what his
 wife did say,
 What a mistake he did make,
 the path of reasoning he did
 take;
 Produced a wild man till this
 day,
 Contrary to God's great plan
 of redemption He has made
 towards man.

MONOLOGUE

*For then one day the Lord
 did come and changed his
 name from Abram to
 Abraham.
 He revealed the breast to
 him,
 To give him strength to
 walk again,
 When He said " I am the
 Almighty; walk before Me
 and be thou perfect, and
 I'll give you strength,
 (which is His Dunamis)
 To overcome the tempest."*

BE THOU STRONG D

The battle is almost over,
 The victory is almost won;
 The Captain of hosts is here to
 lead the way, and these are the
 words we hear Him say.

CHORUS

Be thou strong and be thou
 courageous,
 Be not afraid of the enemy
 around,
 For I'm the One that will fight
 for you;
 Be thou strong and be thou
 courageous,
 For the victory is yours to be won.

Be strong in the Lord and the
 power of His might,
 Believe His word and don't doubt;
 For by His word you shall
 conquer your enemy,
 And by His word you have
 victory.

There is no enemy that could
 stand before you,
 As long as I am with you;
 Be not afraid nor be dismayed,
 For I will not fail nor forsake you.

BRIDGE

For every place that the sole
 of your feet shall tread upon,
 That have I given in your
 hand, in your hand.

JESUS ON THE INSIDE C

Jesus on the inside, working
 on the outside,
 Oh, what a change in my life!
 Jesus on the inside, working
 on the outside,
 Oh, what a change in my life!
 Jesus on the inside, working
 on the outside,
 Oh, what a change in my life!
 Oh, what a change in my life!

IN TIMES LIKE THESE F

In times like these you need
 a saviour,
 In times like these you need
 an anchor,
 Be very sure, be very sure,
 Your anchor holds and grips
 the solid rock.

CHORUS

This rock is Jesus, yes, He's
 the One,
 This rock is Jesus, the only One;
 Be very sure, be very sure,
 Your anchor holds and grips
 the solid rock.

In times like these you need
 the Bible,
 In times like these, O, be not idle;
 Be very sure, be very sure,
 Your anchor holds and grips
 the solid rock.

In times like these I have a
 Saviour,
 In times like these I have an
 anchor;
 I'm very sure, I'm very sure,
 My anchor holds and grips
 the solid rock.

I CAN BE GLAD F

I can be glad for my hope is
 in the Lord,
 For He gives me confidence
 that the world does not
 know;
 He's the Lord of all creation
 and whatever the situation
 I'm glad, for my hope's in the
 Lord.

I'M GOING THROUGH F

I'm going through, yes, I'm
 going through,
 I'll pay the price whatever
 others do,
 I'll take the way of the Lord's
 despised few,
 I'm going through, Jesus, I'm
 going through.

742

BIRTH PAINS **F**

Oh God, You're my God,
early will I seek Thee,
My soul thirsteth for Thee;
My flesh longeth for Thee in
a dry and thirsty land
Where no water is, but I
know I'll find Thee;
For all of my life
There's been this deep and
inward hunger
To see my Saviour,
And if I don't see You, Lord,
I just don't know what I will do,
For You're the only one to
see me through.

CHORUS

Oh, I'm travailing in birth
And pain to be delivered,
Travailing in birth and pain to
be delivered;
Oh, I'm travailing in birth
And pain to be delivered,
To manifest the living Christ,
Oh, I'm travailing in birth
And pain to be delivered.

To see Thy power and Thy glory,
So as I have seen Thee in
the sanctuary;
Thy loving-kindness is better
than life,
My lips shall praise Thee all
of my life;
You've put this deep within me
So that I will thirst for Thee,
You've placed this desire
within my soul;
My soul followeth hard after Thee,
Thy right hand upholdeth me.

There appeared a great
wonder in Heaven,
A woman clothed with the sun
Standing on the moon,
And upon her head a crown
of twelve stars,
And before her stood a dragon;
But when the enemy
comes in like a flood
My God will always lift a standard,

For no weapon formed against me
shall ever prosper,
And every tongue that rises
I will condemn forever.

743

IT'S ME, IT'S ME **C**

I am waiting for that moment,
I am waiting for that day,
I am waiting for the fullness
To burst this flesh away,

CHORUS

Before me lay
The mirror of the word,
One time it showed a dark
reflection,
It drew me closer from face to
face,
It's me, It's me, that's the
revelation

Lord You made to me a promise
That You'll live Your life in me;
Tho the vision seems to tarry,
Lord I'll wait till it manifests in
me.

It's for me, the great outpouring
Before the rapture of the bride;
It's been worked in a small
measure,
It will take me to the sky.

744

FAITH IS THE VICTORY **C**

Faith is the victory,
Faith is the victory,
Oh glorious victory
That overcomes the world.

745

SMILE AWHILE **F**

Smile awhile and give your
face a rest,
Raise your hand to the one
you love the best,
Then turn around to the one
next to you and greet them with
a smile.

746

HOLD ON **F**

CHORUS

Hold on, saints, hold on,
Keep on walking in the
footsteps of the Lord;
Hold on, saints, be strong,
Walk in confidence and faith,
God will take us to that city
where we belong.

Though the world is against us
we could never be deceived,
If we are walking in the
footsteps of the Lord;
And like Joshua and Caleb keep
on claiming your mountain,
And never compromise the
word of God;
And although your bodies
might get weaker every day,
Never let your testimonies
ever be taken away.
Just hold on.....

We know just what the devil's
gonna do before he realizes,
God uncovers his every
scheme to show us his ways;
How he tries to enter our minds
to deceive us with lust and lies
But we are justified and we
are sanctified,
And there'll be no compromise;
God is saying to His bride,
"Speak the word!"
So keep on your armour, you're
heading towards the third pull.
Just hold on.....

The world will try to crucify
the word that is growing in
us,
Those who are walking in the
footsteps of the Lord;
But those who place values
on the word could never be
shaken,

And would never compromise
the word of God;
We have seen so many fall
from the word,
So let's keep our eyes on the
prize and turn away from the
world.
Just hold on.....

747

COMFORT OF MY SOUL **C**

When I remembered the time
I was so low in sin,
Dear Jesus You came and
showed me your grace;
Now no one can ever take
me from your hand,
And now I could never be the
same
For now I live only for you by
your grace.

CHORUS

For Jesus is all I have to live
for, Jesus is my truest friend
that I could ever lean on,
He can be trusted and his
word can never fail,
He is the comfort of my soul.}2x

Sometimes I get weary and
can't go on,
Dear Jesus you are there to
make me strong,
And though I be tempted,
you are my shield;
Oh Lord, you have showed
me such love,
All I have I surrender to you.

748

CHILDREN OF GOD **C**

Children of God, sing about
God, Hallelujah;
Children of God, sing about
God, Hallelujah;
Hallelujah, hallelujah,
hallelujah, Hallelujah,
hallelujah, hallelujah,
Hallelujah.

LOOK WHAT HE'S MADE A

A lonely manger, a humble God,
The King of heaven came
down to fallen earth;
Despised, rejected, disdained
by men,
Oh, this child was born
To save men from their sins.

An undefiled and a spotless
Lamb,
He gave himself up as the
final sacrifice,
But on the third day rose
from the grave
Fulfilling that which all the
scriptures have said;

And now He lives to give us
of His life,
And now He reigns to lift us
up on high.

CHORUS

Look what He's made out of
nothing,
Look what He's formed out of
clay,
Look what He gave to a
world that was dying,
Look what He's done
through His grace!
Think back to the night when
He found you,
Consider the love that He gave,
Remember the love and the
peace that He's shown you,
Look what He's done
through His grace!
Oh, look what He's done
through His grace!

A broken vessel, a wayward heart,
Not a likely place for His
kingdom to start,
The great Redeemer, Saviour of
men
Oh, my Father came down
and brought me home again.

And now I live to thank him
for His faith,
And here I stand singing of His
grace.
You don't have to look very far
To find evidence of amazing
grace,
You don't have to search very far
To see what God can do,
For He's remained so faithful,
For He's remained so true.

BE STRONG C

Are you weary in your mind,
have you fainted from the
battles you have fought to
come through?
Does your cross seem too
heavy that you can't bear it,
And you think God has
closed his eyes on you?
But don't give up, for our
Jesus truly sees,
And can give you the
strength to go on.

CHORUS

So be strong and of good
courage,
Don't you give up the fight,
Keep your eyes upon the
high calling in Christ;
For there's a cross we must
endure,
There's a race to be won,
and in the end to him who hath
endureth,
In the end he shall receive a
crown of life from Him,
To him that overcometh shall
reign with Him.

Take courage when the
storms of life are raging,
Let your soul be anchored to
Jesus alone;
For the trying of your faith
shall make you perfect
And you shall stand
complete in Him
So keep your eyes on Him
and labour to enter in
To that perfect rest He has
for you.

Are you faced with many
divers temptations?
Is the enemy of your soul
upon your heel?
But take refuge for your soul
in Jesus only,
For he has won every
conflict of sin;
So keep looking to Him who
can deliver
And can give you the power
over sin.

IT WAS YEARS AGO C

It was years ago since I first
heard it told
How He's coming back to
take His children home,
No it won't be long, we'll be
going home,
I want to go.

There'll be mansions there
far beyond compare,
They talk of streets of gold
Where we'll never grow old,
No it won't be long,
We'll be going home,
I want to go.

CHORUS

I want to go where the
storms clouds never rise,
I want to go where the
flowers never die;
Don't you want to go where
we'll never say goodbye
There'll be no loneliness,
No more tears to dim the eye.

The crystal river flows,
From the great white throne;
Saints would laugh and sing,
Joyful praises ring,
No it won't be long, we'll be
going home,
I want to go.

CHORUS

I want to be there when the
final roll is called,
I want to see the saints of old
who've join the ransomed
throng,
Don't you want to go where
we'll never say goodbye,
There'll be no loneliness, no
more tears to dim the eyes.

There'll be mansions there
far beyond compare,
They talk of streets of gold
Where we'll never grow old;
We'll see him on His throne,
He'll say welcome home,
I want to go.

IN YOUR PRESENCE C

I want to go where the rivers
cannot overflow me,
Where my feet are on the rock;
I want to hide where the
blazing fire cannot burn me,
In your presence, oh God.

CHORUS

In your presence, that's
where I am strong,
In your presence, oh Lord, my
God;
In your presence, that's
where I belong,
Seeking your face,
Touching your grace,
In the cleft of the rock,
In your presence, oh God.

I want to hide where the flood of
evil cannot reach me,
Where I'm covered by the blood;
I want to be where the schemes
of darkness cannot touch me,
In your presence, oh God.

753**YES LORD, YES LORD F**

I'll say yes, Lord, yes;
To your will and to your word,
I'll say yes, Lord, yes,
I will trust you and obey,
When your spirit speaks to me,
With my whole heart I'll agree
And my answer will be,
Yes, Lord, yes.

Yes Lord, yes Lord,
From the bottom of my heart
to depths of my soul;
Yes Lord, completely yes,
My soul say yes.

SUPERNOVA **C**

I was stumbling around in
 amnesia,
 Not knowing the purpose for
 which I was born,
 By destiny, I heard the words
 of Elijah,
 I knew my Saviour's voice
 and I was born;
 Born again, my heart has
 been turned back,
 Faith of my Father is now in
 my soul.

CHORUS

And now I know...
 I was born to be a supernova,
 A shining star in this hour;
 I was born to be a Supernova
 I was born to be a supernova,
 Reflecting God's light and
 His power.

As a child Satan sought me
 to devour,
 But my life was always
 protected by an unseen power;
 Greater was He that's in me
 than the white horse rider,
 As my eagle wings of faith
 grew stronger and stronger;
 Now I'm risen far above the
 powers of deception,
 I have mounted the heavenly
 currents by revelation.

From darkness I've been
 lifted to heavenly places,
 Amazing grace has taken me
 from unrighteousness;
 Born a star, I do delight in His
 glory,
 But what of my people who
 yet stumble in iniquity;
 Now in position, set in my
 course,
 I'll reflect a light beam in their
 way,
 Oh, let the risen Son turn
 their darkness into day.

Queen Esther, your light is
 becoming brighter,
 Not many days now, you'll
 display the King's power;
 Rise and shine, oh let your
 light shine in this hour,
 Let this wicked world be
 shaken by a supernova.

BRIDGE

Oh twinkle, twinkle little star, }
 How you just glow in humility; }
 Now your light will explode in full }
 power and authority. }2x

755

A PURE HEART **E**

A pure heart,
 That's what I long for,
 A heart that follows hard after
 thee,
 A pure heart,
 That's what I long for;
 A heart that follows hard after
 thee,
 A heart that hides Your word
 So that sin would not come in;
 A heart that's undivided,
 One You rule and reign;
 A heart that beats compassion
 And that pleases You my Lord;
 A sweet aroma of worship,
 That rises to Your throne.

756

I'M DETERMINED TO LIVE Bm

I'm determine to live for
 Jesus, Yes I am;
 I'm determine to live for
 Jesus, Yes I am;
 Through hard trials,
 tribulations, persecutions, I'm
 determined;
 I'm determined to live for
 Jesus,
 Yes I am.

GOING BACK TO THE FAITH E

This is the age Malachi 4:5 is
 fulfilled,
 God sent a prophet in this
 time, for this age;
 Despised and rejected by
 denomination,
 Yet God had a people on the
 earth to hear his voice;
 Out there I was in Egypt
 land, God called me out by his
 command,
 The way he did with Abraham.

CHORUS

We're going back to the faith,
 The faith of our forefathers,
 We're going back to the faith
 where we'll die for eternal life;
 We're going back to the faith,
 into the garden of Eden,
 Where we know we were
 predestinated before the
 foundation of the world to
 walk by faith.

This is the age of Laodicea,
 where men and women fight
 for their rights, for their rights
 False doctrine and creeds
 feel welcome in this world,
 For this is the age Satan sits
 on his throne, on his throne;
 This is the age where Jezebel
 and her harlots celebrate,
 Where many are drunken
 from her wine;
 And this is the age where the
 mysteries go back to the East,
 Saints this is the end of the
 Gentiles' time, make sure
 you don't get left behind.

BRIDGE

We're going back to the faith,
 The faith of our forefathers,
 We're going back to the faith,
 Where we'll die for eternal
 life;
 We're going back to the faith,
 Into the garden of Eden,

We're going back to the faith,
 We're going back, we're going
 back,

We're going back to the faith
 of Abraham and Sarah,
 We're going back to the faith,
 Yes we are climbing Jacob's
 ladder,
 We're going back to the faith,
 Oh, we are going to stop the
 sun like Joshua,
 We're going back to the faith,
 And like Jesus walk on
 water,
 We're going back to the faith,
 We're going to translate like
 Elijah
 We're going back to the faith,
 We're going back, we're going
 back;
 We're going back to the faith,
 I want to see my Redeemer's
 face,
 We're going back to the faith,
 I want to thank Him for His grace;
 We're going back to the faith,
 I'm gonna shake the prophet's
 hand
 We're going back to the faith,
 When I get to the promised land
 We're going back to the faith,
 Back to the faith.

758

I'M ON MY WAY TO CANAAN C

I'm on my way to Canaan land,
 I'm on my way to Canaan land,
 I'm on my way to Canaan land,
 I'm on my way praise the Lord,
 I'm on my way.
 (Don't you know it's possession
 time.)
 (I'm on my way to possess the
 land.)

759

IT'S THE BLOOD **A**

It's Your blood that cleanses me,
 It's Your blood that gives me life,
 It's Your blood that took my place,
 The redeeming sacrifice;
 Washes me whiter than the snow,
 than the snow,
 My Jesus, God's precious
 sacrifice.

WE WILL STAND G**CHORUS**

Who will stand, when the
battles get harder?

Who will stand, when the
valleys go lower?
Who will endure?

He that is born of the Lord, }2x
(For we are born of the Lord.)
He who'll overcome,

(For we are born of the Lord.)
He who'll watch and pray
(For we are born of the Lord.)

Mix the word with faith,
(For we are born of the Lord.)

Millions of unclean spirits are
roaming the earth

With issues in their mouths,
Searching for a place,

An inhabitant to dwell,
To spit those issues out;

But like Joseph who knew
that famine will come,

Prepared, so the people won't
die,

God sent Elisha with the
hidden manna,

Food He had stored for a bride,
A bride who will stand.....

For the covenanted people
God sent regulations,

What we should and should
not eat;

No Devil can beguile us,
No serpent can defile us,

We'll remain healthy and clean
And every storm brings us closer,

It anchors our soul to that rock;
God will never leave us,

But He must chastise us
To prove we are born of the

word.
And we'll stand.....

LORD GIVE ME THE GRACE C

I believe I was born to fly
Like an eagle in the sky,
To soar the heavenly,
And that's what I believe.

And I believe God has given me
The access to claim every
promise
That he has made for me;
And I will always believe.

Lord, make my faith what it
should be,
Apply Your holy word in me
So I can soar the heavenly
And meet with my theophany.

CHORUS

Lord, give me the grace
And strengthen my faith to
take me away;
Lord, give me the grace and
strengthen me with faith
That will rapture me away.

Without faith it's impossible
To please You, holy Father,
Breakdown my walls of unbelief
And make my spirit stronger.

And Lord when
circumstances come my way
I'll overcome them day by day;
Let my spirit build on solid ground
So I will not be shaken.

Humble my spirit, holy Father,
Make me obedient to thy word;
Apply your holy word in my life
So I can live righteously.

BRIDGE

Lord I see the time is quickly
passing by
And there're so many things
we've left to change inside;
Take complete control of my
life, dear holy Father,
Teach me to walk by Your faith,
Father, teach me to walk by
Your faith.

THE PLEDGE C

We stand as youths, we
stand for Christ,
We give our all, we dedicate
our lives;
We fight the fight, we keep the
faith,
We are the salt of the earth,
We run the race.

We dedicate our lives to Jesus,
We pledge that we will stand,
We promise to live our lives
By all that He commands;
We fulfill the works of the prophet,
Our hearts are being returned
To Jesus Christ.

In this dark age
We shine as lights on that
seventh peak,
Eagles high in flight,
Soaring towards the heavens
above,
We'll lay down our lives
As Jesus did in love.

MAKE US ONE C

Bind us together
With the bond of unity
So the world can see we're
brothers;
Make us one Lord
Even as You and the Father are
one.
So the world can see You're
inside of us.

CHORUS

Make us one heart
Make us one mind
Make us one Lord,
Let Your will be done,
Make us one claim to proclaim
Your Name,
Make us one Lord, make us one.

Let us stand united,
Seeing each other through
His own eyes;
Lord let us forgive our brothers
No longer be broken, no longer
sad,
No broken hearts,
Lord may Your word be
fulfilled in us.

THE ANSWER IS ON THE WAY D**CHORUS**

Oh yes the answer is on the
way, this I know,
Jesus said it, I believe it and
it is so;
Our heavenly Father knows
the need before we pray,
And we can rest assured the
answer is on the way.

How many times I bow
beneath a heavy load,
On bended knees to God a
prayer I pray
As I knelt there on the floor,
He reminds me just once more
That the answer is already
on the way.

If there's a special need
within your life my friend,
And you seeking for an
answer everyday;
If by faith you'll start believing
Mighty soon you'll be receiving,
For the answer is already on
the way.

BE IT UNTO ME D

Be it unto me according to
Thy word,
According to Your promises
I can stand secure.
Now upon my heart
The truth that sets me free,
According to Your promises
Be it unto me.

A VESSEL OF HONOUR C

A vessel of honour I am to God,
A vessel of honour I am to God
Sanctified, holy, so I must be
A vessel of honour I am to God.

UNITED WE STAND D

Going back to ourselves
In the likeness of the Lord
God's great family
In union once again
Oh yes united with Elohim.

CHORUS

It's uniting time
And here we stand
In unity, forming a stronger bond
Uniting time is here
The signs are everywhere
Oh yes united, we stand

The word gathered God's bride
Redemption draweth nigh
We the church coming
In union with Christ
The Marriage Supper of the
Lamb
God preparing for his bride
The going home of the saints

Believers of the faith
Sweeping this message
to the coming of the Lord
Seeing we have this ministry
Let's not faint but earnestly
Take our positions in the
Kingdom of God.

BRIDGE

Lord bind us with cords
That cannot be broken
Unite we stand forevermore.

JESUS, JESUS, JESUS C

Jesus, Jesus, Jesus, I've got
Him on my mind,
Jesus, Jesus, Jesus, I've got
Him on my mind,
Jesus, Jesus, Jesus, I've got
Him on my mind,
I've got Jesus on my mind.

(when you hear me praying....)
(when you hear me singing....)

WE STAND AS ONE D**CHORUS**

We stand as one, one body,
one mind, one faith,
We stand as one, with our
hearts in one accord,
Just like the father, the son
and that spirit are one,
Brothers and sisters we
stand as one.

Here we are gathered, like
the saints in the upper room,
The ground was tilled, the
seed was sown,
And it was ripened by the Son
Now it's harvest time, let's
work together for what must
be done
Standing in unity, standing in
love.

Just like Moses, when he led
the children to the Promised
Land,
The cloud led by day, the
pillar of fire by night
As they marched as one
from Egypt's land
And when this bride is
perfected, we will all meet in
the new Jerusalem,
We'll be standing in unity,
we'll be standing as one.

BRIDGE

Father make us one, Father
make us one,
That the world may know,
God sent his Son
Father make us one.
Standing in unity, standing in
love,
Standing in unity, standing in
love.

I'LL SAY YES, YES, YES D

I'll say yes, Lord, yes,
I'll say yes, Lord, yes,
I'll say yes Lord,
I'll say yes Lord,
I'll say yes, Lord, yes.

LET'S HAVE A REVIVAL G**CHORUS**

Let's have a revival from the
pulpit to the pew,
Let's have a revival that
starts with me and you,
Then reaches out to the lost and
hungry world to bring them in,
This is our joy (this is our hope,
this is our life)
It's our survival,
Let's pray for a Holy Ghost arrival
Let's have a revival.

Sometimes we just gone thru
the motion,
Left the Spirit out,
No power in our program,
No victory in our shout;
But God will give us back the joy
Let's open up the Bible, lay
aside formality,
Let's have a revival.

Well I ask a old time preacher
How revival came back there,
He said we always started
down on our knees in prayer
Just open up those two books,
The songbook and the Bible,
If you sing and preach God's
word you'll have a revival.

JESUS IS HERE A

Jesus is here right now,
Jesus is here right now,
He is here to meet your needs,
He's going to set the captive free,
Jesus is here right now.

LORD YOU'RE BEAUTIFUL D

Lord you are beautiful,
Your face is all I see,
And when your eyes are on
this child,
Your grace abound to me.

COME HOLY SPIRIT C

The Holy Spirit came at Pentecost
He came in mighty fullness then
His witness through
believers won the lost
As multitudes were born again
The early Christians
scattered o'er the world
They preached the gospel fearlessly
Though some were martyred
and to lions hurled
They marched along in victory.

CHORUS

Come Holy Spirit dark is the hour
We need your filling your
love and your mighty power
Move now among us, stir us we
pray
Come Holy spirit revive your
church today

Then in an age when
darkness grip the earth
The just shall live by faith
was learnt
The Holy Spirit gave the
church new birth as reformation
fires burn
In later years the great revival
came
When saints would seek the
Lord and pray
Oh, once again we need that
Holy flame
To meet the challenge here today.

I, M GOING TO BLESS THAT... D

I'm going to bless that
wonderful name of Jesus,
I'm going to bless that
wonderful name of Jesus,
I'm going to bless that
wonderful name of Jesus,
No other name I know.

(There's healing in the name
of Jesus.)
(I'm going to Praise that
wonderful name of Jesus.)

SEND THE FIRE F

Thou Christ of burning,
cleansing flame,
Send the fire, send the fire,
send the fire!
Thy blood bought gift today we
claim
Send the fire, send the fire,
send the fire!
Look down and see the
waiting host,
Give us the promised Holy
Ghost, We want another
Pentecost,
Send the fire, send the fire,
send the fire!

God of Elijah, hear our cry,
Send the fire, send the fire,
send the fire!

He'll make us fit to live or die,
Send the fire, send the fire,
send the fire!

To burn up every trace of sin,
To bring the light and glory in,
The revolution now begin,
Send the fire, send the fire,
send the fire!

'Tis fire we want, for fire we plead,
Send the fire, send the fire,
send the fire!

The fire will meet our every need,
Send the fire, send the fire,
send the fire!

For strength to ever do the right,
For grace to conquer in the fight,
For power to walk the world in white,
Send the fire, send the fire,
send the fire!

GOD IS GOD D

God is God, and He always
will be God,
God is God, and He always
will be God,
He's the God of the fiery furnace,
He's the God of the lions den,
He's the God of the whole
creation,
And He's the God in the
hearts of men.

LORD, I'M COMING HOME Eb

I've wandered far away from God,
Now I'm coming home;
The paths of sin too long I've
trod, Lord, I'm coming home.

CHORUS

Coming home, Coming home,
Never more to roam,
Open wide Thine arms of
love, Lord, I'm coming home.

I've wasted many precious
years, Now I'm coming home:
I now repent with bitter tears,
Lord, I'm coming home.

I've tired of sin and straying ,
Lord,
Now I'm coming home;
I'll trust Thy love, believe Thy
word.

Lord, I'm coming home.

My soul is sick, my heart is
sore,
Now I'm coming home;
My strength renew, my hope
restore,
Lord, I'm coming home.

779

HOSANNA, HOSANNA G

Hosanna, Hosanna
Hosanna in the highest
Hosanna in the highest
Lord we lift up Your Name
With our hearts filled with praise
We exalt You, Oh Lord our God
Hosanna in the highest
Hosanna, Hosanna
Hosanna in the highest
Lord we lift up Your Name
With our hearts filled with praise
We exalt You, Oh Lord our God
Hosanna in the highest

WILL YOUR ANCHOR HOLD D

Will your anchor hold in the
storm of life
When the clouds unfold their
wings of strife
When the strong tides lift and
the cables strain
Will your anchor drift, or firm
remain

CHORUS

We have an anchor that
keeps the soul
Steadfast and sure while the
billows roll
Fastened to the rock which
cannot move
Grounded firm and deep in
the Saviour's love

Will your anchor hold in the
straits of fear
When the breakers roar and
the reef is near
While the surges rave and
the wild winds blow
Shall the angry waves then
your bank overflow

Will your anchor hold in the
floods of death
When the waters cold chill
your latest breath
On the rising tide you can
never fail
While your anchor holds,
within the veil

Will your eyes behold
through the morning light
The City of Gold and the
harbour bright
Will you anchor safe by the
heavenly shore
Will life's storms are past
forever more

WE WILL PRAISE THE LORD D

Hallelujah, Jesus
We will Praise the Lord }2x

A revival of the Just shall
come forth
The young crop shall take
their place, with revelation we
shall run through the land,
Spreading the word of
salvation and grace }2x
Rejoice and shout oh Jerusalem
Thy King cometh unto thee
The power will come back
into the church
And the third pull now you
shall see }2x

CHORUS

So praise the Lord
Are you willing to give your life
Are you willing to sacrifice
Could you walk like Jesus walked
Can you talk like Jesus talked

The enemy is making laws now
To silence the bride on the earth
All this must be done to fulfill
the word
Spoken by the our prophet of
God }2x
The battle is raging strong now
The time has come we shall die
Caiphas has set plans into action
Now you shall see your God
glorify

CHORUS

We are willing to give our lives
We are willing to die for Christ
We will stand like the Prophet
stood
We are bride so we know we
would

Are you willing to give your life
Are you willing to sacrifice
Will you die like Samson died
He died with the Philistines

IT IS GOD D

It was at the place of the
Holy cross
Were God took his servant
and turned him around
He came back home to
friends and family
To share with them this
message of jubilee
Well, one by one they came
till a church was born
It surely was the breaking of
a new dawn

CHORUS

It has been God who passed
our way
And it is God who is with us
here today
And it is God still with us
here today

We gathered on a street
name Fran
With planks on bricks for
benches and a pulpit made of
pan
Till we move up to the house
at Simpson Brown,
To give witness at the place
where God took us from
Then amidst the voice of
those who lived near
A building was erected and
we worship God there

Well, the work was truly
growing And the time came
we move up to the place of
the burning flame
To unite with saints who
were to be a part of this
great work that God did start
Well, mighty revelations
thundered from that place
And around the world it went
with shouting of grace

Our God is a Father he cares
for old and young
And He has given this place
for our little ones

As prisoners we stand right
on this spot
We know its a transformation
from what it was
Though tillers of the soil are
all around
There still an Abel in our
midst with a bloody Lamb

It seem we were set and just
ready to go
But more of God's great plan
began to unfold
The saints from deep in south
Has come to take their place
amongst now
And as we wait, we wait right
here
We are just waiting to be caught
up, caught up in the air.

783

TAKE THE NAME OF JESUS Eb

Take the name of Jesus with you,
Child of sorrow and of woe;
It will joy and comfort give you,
Take it, then, where'er you go.

CHORUS

Precious name, Oh how
sweet! Hope of earth and joy of
heaven;
Precious name, Oh how sweet!
Hope of earth and joy of heaven.

Take the name of Jesus,
As a shield from every snare;
If temptations round you gather,
Breathe that holy name in prayer.

O that precious name of Jesus!
How it thrills our souls with joy,
With His loving arms receive us,
And His songs our tongues
employ!

At the name of Jesus
bowing, Falling prostrate at
His feet,
King of kings in heaven we'll
crown Him,
When our journey is complete.

SATAN YOU'RE CONQUERED C

Satan you have no place in
our lives,
We're true sons of God we've
got to stand for our rights;
There isn't no enemy that
can stand before us,
If God be for us tell me who
could be against us.

CHORUS

Hate you're conquered,
Malice you're conquered,
Envy you're conquered,
Conquered by the word of God,
Lust you're conquered,
Rebellion you're conquered,
Disobedience you're conquered,
Conquered by the word of God.

Every day there's an enemy to
face,
Whether it be home or even
at your work place;
Please remain conscious
and don't lose your focus,
Keep your confidence in Him
and don't lose your trust.

CHORUS

Fear you're conquered,
Doubt you're conquered,
Confusion you're conquered,
Conquered by the word of God,
Women you're conquered,
Money you're conquered,
Popularity you're conquered,
Conquered by the word of God.

Oh saints of like precious
faith take your positions for
the hour is late,
And though the enemy has
posted many threats,
We been made more than
conquerors,
Let's stand and take our place.

Sometimes in our lives
things for years that we fight,
There seems to be no way to
end all this strife;
Resist the enemy and He'll
flee from you,
He's only and bluff and that
is all He can do.

Now it's time for the Mount
Zion showdown,
David fought for Israel, slew
Goliath to the ground;
Michael and Lucifer at war
now to end,
We've got the victory
We'll crown Christ King of
Kings (4x)

785

KING OF KINGS C**CHORUS**

King of Kings we give you thanks,
We give you praise and
thanksgiving;
At all times in everything we
give you thanks,
We give you thanks.

In the lowest of the Valley
In the highest of the Mountain
Lord you are always there
I will praise you through the
sunshine
I will praise you through the
storm
For you said you will walk with
me every step of the way

I will thank Him for His mercy
I will thank Him for His grace
For He is all that matters in
this race
So rejoice oh children of
Judah for He's faithful with
promise
So keep pressing upwards
for He is your strength is your
strength

CHORUS (2X)

786

PSALM 86 C

Teach me thy way oh Lord
I will walk in thy truth
Unite my heart to fear thy name,
Teach me thy way oh Lord
I will walk in thy truth
Unite my heart to fear thy name.

Oh yes I will praise thee oh
Lord
My God with all my heart
Oh yes I will glorify thy name
Forevermore, Forevermore.

BRIDGE

For great is thy mercy, thy
mercy oh God,
Thou has delivered my soul
from the lowest hell,
Thou has shown me a token,
a token for good,
Great is thy love thy mercy
endureth forever.

787

CLOSER DRAWN TO THEE F

I want to be closer drawn to
thee
Closer drawn to thee
Lord the challenge is getting
stronger
And the days are shorter
Lord I need to see more of
you in me

Closer drawn to Thee
Is where I want to be
A longing for a deeper
fellowship with You and me;
Closer drawn to thee
Is where I want to be,
A longing for a deeper
fellowship with You and me.

788

HEAR MY PRAYER OH GOD A

Hear my prayer oh Lord,
From the ends of the earth I
cry,
Your peace will lead me to
The rock that is higher than I

For you has been my
strength in time of trouble,
A tower above my enemies,
And Lord I will abide with
you,
Forever in the shelter of your
wings.

789

HE'S ALREADY PROVIDED D

He's already provided,
He's already provided,
Everything you need He's
already provided;
Every promise you can
claim,
Just ask it in his name
Everything you need He's
already provided.

790

GOD WILL MAKE A WAY G

God will make a way,
When there seems to be no way,
He works in ways we cannot see;
He will make a way for me,
He will be my guide;
Hold me closely to His side;
With love and strength for
each new day,
He will make a way,
He will make a way.

By a roadway in the
wilderness He leads me,
Rivers in the desert will I see,
Heaven and earth will fail,
But His word will still remain;
And He will do something
new today.

791

THE SPIRIT AND THE BRIDE C

CHORUS

The Spirit and the Bride say come
Let Him that hear say come
Let Him that thirst come and drink
And say come
And whosoever will
Let Him take from the water
of life freely. **(CHORUS 2x)**

God has open up a fountain
of life in our day
He has quench the thirst inside
us
And cleansed our soul from sin
And now His healing waters
flow through us His Bride
To the dying people
throughout the world.

CHORUS

With His mighty revelation
Let's run as fast as we can
Setting free every captive
Proclaim His coming at hand
For soon He is returning
To take us all on high
So let's be His witness
Giving our all in His service.

CHORUS

BRIDGE

Whosoever is faint and dying
Come and be made whole
Whosoever soul needs cleansing
Come and be made whole
Whosoever life need healing
Come and be made whole
Whosoever lack his power
Come and be made whole

The Spirit and the Bride say
come
Come to the fountain of living
water Come and be made whole

792

HEAR THE BATTLE CRY D

The weapons of our warfare are
not made with human hands
And the enemy we face is not
the flesh and blood of man
But we serve a mighty captain
with the one who's battle plan
He's already won the victory
yet He calls us now to stand

Hear the battle cry
Put your amour on
We must occupy the land
until the kingdom come
Hear the battle cry
Put your amour on
We must occupy the land
until the kingdom come

Take the sword of spirit bind
the truth around your waist
Keep the breastplate of
righteousness firmly in its place
Wear the helmet of salvation
by the power of His grace
Fit your feet with the gospel,
raise the mighty shield of faith

Free the captives of the night
Evading evil strong holds
with the light

793

LET GOD ARISE F

Let God arise
Let the enemies be scattered
Let the righteous be glad
Let them rejoice before God
Let them rejoice (2x)

Make a joyful noise unto our God
All ye lands sing forth His
honour
Of His name make His
praises glorious
Let us rejoice, Let us rejoice,
Let us rejoice.

WHEN THE MISTS HAVE...Bb

When the mists have rolled in
splendor from the beauty of the
hills,
And the sunlight falls in
gladness on the river and the
rills,
We re-call our Father's promise
in the rainbow of the spray:
We shall know each other
better when the mists have
rolled away.

CHORUS

We shall know as we are
known,
Nevermore to walk alone,
In the dawning of the morning of
that bright and happy day.
We shall know each other
better, When the mists have
rolled away.

Of we tread the path before us
with a weary, burdened heart;
Of we toil amid the shadows,
And our fields are far apart:
But the saviour's "Come, ye
blessed,"
All our labour will re-pay,
When we gather in the
morning where the mists have
rolled away.

We shall come with joy and
gladness,
We shall gather round the throne;
Face to face with those that love
us,
We shall know as we are known:
And the song of our redemption
shall re-sound thro' endless day,
When the shadows have
departed,
And the mists have rolled away.

DRAW HUMBLY C

Let us with grace and mercy
and feeling in our hearts,
Draw humbly to the throne of
grace,
And may the Lord be
merciful as we seek his face,
And draw humbly to the
throne of grace.

WE HAVE A MESSAGE C

Moses told the children of Israel
The Lord shall raise up a prophet
Like unto me and Him shall
ye hear
Truly Jesus came fulfilling all
that Moses said
Then died and rose
And gave us Salvation to declare

CHORUS

We have a Message to the world
We have a Message to save
lost souls
We have a Message to the
sick and dying
We've got to tell you Jesus saves
We've got to tell you Jesus heals
We have a Message that
makes you life worth living

Surely the Lord God will do
nothing
But He reveal His Secrets to
the prophets
Like the one He has sent in our
day
He fulfilled Revelation 10 and 7
Malachi 4:5 and 6
We now have this Seven
Seal Message to declare

CHORUS

We have a Message to declare
We have a Message the end is
near
We have a Message to those
souls that are thirsting
What for ages has been sealed
In our day has been revealed
This is what has made our
lives worth living

PRAISE HIM IN THE MORNING C

Praise Him in the morning,
Praise Him in the noontime,
Praise Him when the sun
refuse to shine,
Praise Him on the mountain,
Praise Him in the valley,
Everybody praise my Jesus
all the time.

STONE BY STONE A**MONOLOGUE**

Babylon, we know types the flesh
*Our worst enemy, who
always tries to get in the way
When God wants to do
something for us*
*Jerusalem we know types the soul
It is the soul that God contacts
It is the city that God chose to
dwell and identify Himself in
And though she's been
mocked and scarred,
laughed at, trodden down
and buried deep under
heaps of rubbish
God chose her and He loved her
And we know that
Jerusalem, oh Jerusalem
Stone by stone, by stone,
She shall rise and never fall
again.*

Babylon has fallen,
Jerusalem shall rise
God has promised she shall
be built in perilous times
This is the age God thought
to place us in
To fight the fight and to build
the house
For our Jerusalem shall rise

Some through the fire but
those walls are rebuilding
With brotherly love those
breaches are mending
We shall not cease until we
hear that last trump sound
Until the capstone comes and
crown the work of the Lord
Jerusalem shall rise

CHORUS

Stone by stone, }
Jerusalem shall rise } (3x)
From her filthy clothing, to
her glorious white robe
From the dust to the stars

Jerusalem shall rise
[Stone by stone, by stone, by
stone]
We're putting down our Faith
stone
[Stone by stone.....]
Our virtue and Knowledge
stone
[Stone by stone.....]
Temperance and Patience
stone [Stone by stone.....]
Godliness and Brotherly
kindness stone [Stone by
stone.....]
Our Chief stone and our Love
stone
[Stone by stone.....]
Building a dwelling place for our
God [Stone by stone.....]
We're building our Jerusalem
[Stone by stone.....]

HOSANNA F

Jerusalem, Jerusalem
Lift up your gates and sing
Hosanna in the highest
Hosanna forevermore

Jerusalem, Jerusalem
Hear how the saints (angels)
sing
Hosanna to the highest
Hosanna to the King

Jerusalem, Jerusalem
Lift up your gates and sing
Hosanna in the highest
Hosanna to the King

BEHOLD THY KING Em**CHORUS**

Arise, O Jerusalem thy King
cometh unto thee
Behold thy king cometh unto thee
O ye daughter of Zion
Thy king cometh unto thee

O rejoice greatly ye daughter
of Zion
For behold thy King cometh
unto thee
Shout aloud O daughter of
Jerusalem
For behold thy King dwelleth
in the City
For he has broke the chains
of bondage
Bringing us out of Babylon
We are redeemed and called
by his name
His royal seal is upon us
His light now shining us
And his name we shall
declare

Behold I have made you the
desire of all nations
A city of truth O Jerusalem
As I have declared to my
servants the prophets
I shall restore you back in
the fullness
Your gates shall all stand
strong again
I am the Lord your God thy
strength
And though a host
encamped around you
It shall not come nigh unto you
For I will destroy them all

BRIDGE

So arise O Jerusalem
Break forth in praises to your
King Who has restored you
And is now dwelling in you
He has turned away the captivity
And destroy thine enemy

O Jerusalem thy King
cometh unto thee
O Jerusalem thy King
cometh unto thee
Behold thy king cometh

MUST JESUS BEAR ALONE? G

Must Jesus bear the cross alone,
And all the world go free?
No, there's a cross for every one,
And there's a cross for me.

The consecrated cross I'll bear,
Till death shall set me free,
And then go home my crown
to wear,
For there's a crown for me.

Upon the crystal pavement down
At Jesus' pierced feet,
With joy I'll cast my golden crown!
And His dear name repeat.

O precious cross! O glorious
crown!
O resurrection day!
Ye angels from the stars
come down,
And bear my soul away.

SHALOM JERUSALEM Am**CHORUS**

Shalom, shalom Jerusalem
Peace be to you
When messiah comes to
take us home
May his praise be found in you

Pray for peace Jerusalem
City of our god
There salvation was poured
out for you
The atoning of the lord
Once your streets filled with joy
Branches raised up high
Shouting blessed be the holy
one
Yeshua t'adonai

THE PEARLY WHITE CITY D

There's a holy and beautiful
city,
Whose builder and ruler is God.
John saw it descending from
heaven,
When Patmos in exile, he trod;
Its high, massive wall is of jasper,
The city itself is pure gold;
And when my frail tent here
is folded,
Mine eyes shall its glory behold.

CHORUS

In that bright city, pearly
white city,
I have a mansion, a harp and
a crown;
Now I am watching, waiting
and longing,
For the white city John saw
coming down.

No sin is allowed in that city,
And nothing defiling nor
mean;
No pain and no sickness can
enter,
No crape on the doorknob is
seen;
Earth's sorrows and cares
are forgotten,
No tempter is there to annoy;
No parting words ever are
spoken,
There's nothing to hurt and
destroy.

No heartaches are known in
that city,
No tears ever moisten the eye,
There's no disappointment in
heaven,
No envy and strife in the sky;
The saints are all sanctified
wholly,
They live in sweet harmony there;
My heart is now set on that city,
And some day its blessings
I'll share.

My loved ones are gathering
yonder

My friends, too, are passing away;
And soon I shall join their
bright number,
And dwell in eternity's day;
They're safe now in glory with
Jesus,
Their trials and battles are past;
They overcome sin and the
tempter,
They've reached that fair city at
last.

GOING UP TO JERUSALEM F

The road is long and dusty,
The stones, they bruise my
feet,
The road is parched and burnt,
And are weary from the heat
But I won't lay my burden down
Until my journey is complete,
and pass beneath gates
Unto the city of your praise

CHORUS

Jerusalem, Jerusalem,
Going up to Jerusalem
Jerusalem, Jerusalem
Going up to Jerusalem

Perfection of Beauty, the joy
of all the earth
Is my Jerusalem
Her gates are filled with elders
and her courts with praise
She is my city of truth and
holiness.

By the river of Babylon,
There we sat down and wept
when we remembered Zion,
And how can I forget thee
my Jerusalem,
My city of truth and peace.

THE UNITY OF ONE GOD D

The unity of the one God in
the one Church
United by one language,
united under one Head-ship
Together we are building the
New Jerusalem
Together we shall see this
City come to its completion

LET'S BUILD JERUSALEM D

Your walls have been broken
down, Oh Jerusalem
Your gates have been trodden
down
And your temple in ruins
But how can I, how can I
forget you, My Jerusalem
When you are, My Holy City,
My City of Truth
So that is why I sent My
Servant, (Nehemiah)
To strengthen your hands to
rebuild
So with one tool in hand, the
other with the sword
Let's build back Jerusalem

CHORUS

So arise, let's build back
Jerusalem
Just be strong and take courage
Lo I'm your God who's with you
This work you're ordained to
fulfill
So let us arise and let's build
for Jerusalem
Jerusalem, [She must] she
must be restored again O
Jerusalem

The opposition getting
stronger everyday
To discourage us from
building the House of God
But God has already promised us
We'll have the victory
So let's not slacken our hands
But be determined to complete
For thy mountains shall
become a plain [Zerubabel]
So be not discourage, just look to
Him
Jerusalem shall stand complete

CHORUS**BRIDGE**

For behold The City, New
Jerusalem
Coming down from heaven
Filled with the Glory of God
For behold the New Jerusalem

IT'LL TAKE THE RAPTURE D

The streams are all polluted
And the fishes all gonna die
from the acid rain
Factories they poison the air
Pretty soon there won't be
air to breathe that's clean
They say that radiation
destroy civilization
How can we escape without
the rapture
What's gonna come and set us
free
And save us from this terrible
disaster

CHORUS

It'll take the rapture
It'll take the rapture
What's gonna take us to that land
Where we can lay down in
green pastures
It'll take the rapture
It'll take the rapture
Take my family to live in peace
Where we can be happy
ever after
It'll take the rapture

Men's hearts are failing for fear
As they see the things
happening across the land
So much pressure on the
sons of God
How much more of Satan's
Eden can they stand
Teenage suicides on the rampage
This dreaded disease called AIDS
And no future has taken
away their laughter
If they will hear will you tell
them how
They can escape this terrible
disaster

GOD IN HIS PEOPLE D**CHORUS**

God in his people the super sign
The word manifested in you and I
God in his people the super sign
The word manifested in the
end time

We saw God manifested in
the prophet
He was the supersign for the age
God came and sup with him
till he became in his image
God brought to the place
where he spoke and did
create
Give sister Hattie Wright her boys
And the dead fish raised

Our Priest and King is
rebuilding his Jerusalem
And he's here supping with us
the Royal seed of Abraham
He wants to us to the place
where we'll speak and create
The sick made whole by the
word and our bodies change

All God was he poured in Christ
All Christ was he poured in
the church
He wants to pour himself in
young and old
But we must be purged
Let's go on to perfection
Let's labour to enter in
Let's work along with our
Nehemiah
So the House of God could
live again

BRIDGE

Let's go on to perfection
Let's labour to enter in
Let's work along with our
Nehemiah
So the House of God could
live again

STRENGTHEN MY HANDS... D**CHORUS**

Strengthen my hands for war
I want to be an overcomer
Strengthen my hands for war
I want to fulfill this word with
power

For though two hundred million
is gathered against me
In this I'll be confident
If God before me tell me who
could be against me
For they are more with us
than they with them

For there remaineth much
land yet to be possess
Many promises to be fulfill
Can't let circumstances or
conditions get us down
For we must fulfill his will

CHORUS

For the mark of this age is
perfection
And to miss that mark saints is sin
For Alpha must become Omega
The word made flesh again

For we know that walls will
be built in troublous times
In a time of scoffers and mockers
But we are determined that the
House of God will live again
Heavenly Jerusalem

UP TO JERUSALEM Am

I was glad when he said to me
Come to the house of the lord
Standing here in your gates
again
Up to Jerusalem
Up to Jerusalem
Up to Jerusalem

812**THE NEW JERUSALEM G**

John saw a holy city that is
soon so soon to come
He called that holy city the
new Jerusalem
There will be no war in that city
No sorrow, no death, no pain,
for Christ will rule that city,
The new Jerusalem

CHORUS

The new Jerusalem
Behold she's coming soon
And God will dwell with man
again in the New Jerusalem

And now we can see that great
city
How she shines like the
golden sun
Behold she's coming closer
The New Jerusalem
And oh how I long for that city
She's there till eternity with
welcomed arms
Oh let's draw near to the
New Jerusalem

JEHOVAH NISSI D**CHORUS**

He shall go before us
Set fire to the camps of our
enemies
Jehovah Nissi, God our banner
Will cleanse this world from
iniquity
The Lord shall roar from Zion
That heavenly Jerusalem
And though the heavens and
earth will shake
The Lord will be his people's
hope and strength

Men have built their empires
on scientific exploits
Towers of organizations will
reap the fruits of their vain toils.
But men of war let's draw near,
united under one headship,
We've seen the vision and
we're committed
Let's possess the gates of
the enemy without fear.

False anointed one in the
end time, appear to be all
clothed in white
Try to paint a picture of
perfection to deceive the true
vine,
But we as the army of the
living God,
We see through eyes of the
eagles, we'll fight the good
fight and keep the faith
If God be for us then tell me
who can be against us.

BRIDGE

God has chosen a people to
wage war on our enemies
All dominion and authority are
ours
And with him we'll reign for
eternity

DAYS OF ELISHA. G

These are the days of Elisha
Declaring the word of the lord
This is the day of his promise
Righteousness being restored
And though these are days
of great trials
Of famine and darkness and
sword
Still we are the voice in the
last day crying
Prepare ye the way of the lord

CHORUS

Behold he comes riding on
the clouds
Shining like the sun at the
trumpet call
Lift your voice it's the year of
jubilee
Out of Zion's hill salvation comes

And these are the days of Ezekiel
The dry bones becoming as flesh
And these are the days of
your servant David
Rebuilding a temple of praise
And these are the days of
the harvest
The fields are white in the world
And we are your labourers in
your vineyard
Declaring the word of the lord

THE LANGUAGE G#m

 What do you think about
 Melchizedek's bread and
 wine?
 Serving to Abraham's Royal

Enoch's Pyramid testifying in
 Egypt's land
 Oh what reality it is to you

 God coming down with feet
 on land and sea
 Enoch seven steps to the
 King's chamber
 Oh what a language it is to
 us in this hour

Arise my people and see this
 reality
 Under one headship, one
 language
 In this evening time.
 Buy of him eye salve that
 you may see
 That super sign spoken of is
 you and me
 The eagles following the
 dove from faith to perfect
 love
 What a language it is from
 the dust to the stars above
 One more time man will see
 God's super race

EVERYDAY WITH JESUS C

Everyday with Jesus is
 sweeter than the day before,
 Everyday with Jesus I love
 Him more and more,
 Jesus saves and keeps me,
 And He's the one waiting for
 Everyday with Jesus is
 sweeter than the day before.

ROCK AND HARD PLACE D

Spiritual Israel of God lift up
 your heads now
 Look up to the source of all
 your strength
 And though you stand in the
 place where you stand now
 Trust in Him who always
 proved to be your help

And though you stand between
 a Rock and a hard place
 Stand there with faith,
 believe in His grace
 God has determined that
 these trials you must face
 Standing by grace between a
 Rock and a heard place

Chosen children of God look
 back and see
 The many times before when
 you were in great need
 Yet your Father in His love
 has never failed
 To stand between you and
 the enemy
 (To deliver you from all your
 enemies)

And though you stand between
 a Rock and a hard place
 Stand there with faith,
 believe in His grace
 God has determined that
 these trials you must face
 Standing in faith yea
 standing strong
 Standing by grace though
 your trial seem long
 Standing by grace between a
 Rock and a hard place

Spiritual Israel of God lift up
 your heads now
 Look up to the source of all
 your strength
 And though you stand in the
 place where you stand now
 Just stand there by grace
 between a Rock and a heard
 place
 Standing by grace between a
 Rock and a hard place

WE TOO HAVE A THEOPHANY D

CHORUS

We too have a theophany }
A body waiting in the heavens }
for me }2x
We cannot wait to see what }
eternity will be }

Daddy is the token applied for me
Does the Spirit abide in me
I want to know for sure
Mummy how are we so sure
Is it because we believe the
prophet Malachi 4
The token is on the door
We are safe forever more

Now we know we have a
part to play
To obey all that the prophet say
The token is a promise to
them that obey
Friends it don't matter if
you're big or small
Little stones are part of the
building wall
Believe in God today and
you will find your way

824

HALLELUJAH ANYHOW C

Hallelujah anyhow
Don't let the devil get you down
When life troubles come your way
Hold your head up high and say
Hallelujah anyhow

825

I ENTER TO HONOUR I AM C

CHORUS

Lord I worship you, I worship you
Lord I worship you, I worship you
For you name is holy lord

826

A LIVING REALITY D

God gave a promise
To His bride in this last days
Priests and Kings He's made us
And forever we shall reign
We're following an eternal
order way beyond the
humanistic realm
God lifting us to a higher
place only by His grace

CHORUS

We're a living reality
We are His Holy Word
The Substance of the shadow
The fulfillment of His Word
We're a living reality
We're the mystery revealed
Christ manifested in us
He in us and we in Him

Our natural birth brought five
senses
To relate to natural things
But by our new birth
We received the sixth sense faith
Faith the Holy Spirit
Came in us to dwell again
A circumcised people
Greater works we'll do again

Faith relates to Melchizedec
And we are the faith
Faith is the substance
God in flesh again
We are not on Mt. Sinai
But now raised up to Mt. Zion
Like our father Abraham
From the dust to the stars
We were made

827

YOU ARE THE ROCK Dm

You are the rock of my salvation
You are the strength of my life
You are my hope and my
inspiration
Lord unto you will I cry

I believe in you, I believe in you
For your faithful love to me
You have been my help in
time of need
Lord unto you will I plead

828

JUST ONCE MORE LORD G

Spiritual stripped morally broken
With his eyes plucked out
Here stands the man with all
of his stature
But with no power in his life
Raised up by God and given
power
To put to flight the armies of
the enemy
But gave away all of his secrets
Was now bound and in captivity
In the book of his remembrance
Were all the great victories
he had won
Realizing his present
condition From deep down
inside this cry began

CHORUS

Just once more Lord
Just once more Lord
So we can see your power
moving once again
Just once more Lord

Repenting of all mistakes
and failures
Praying in his heart Lord let me
die
Not considering what it
would cost him
Should God hear and would
answer his sincere cry
For he could feel his locks
had grown out
Thinking is there a possibility of
the power of God coming back
Began to cry more earnestly

CHORUS

Just once more Lord
Just once more Lord
So we can feel your Spirit
moving once again
Just once more Lord

Inaugurated at Pentecost

Signs and wonders,
manifestation of His name
But there at the council of Nicea
The early church had its
locks shaved
With a promise of restoration
We have seen God's church
rise in power through each
stage
Until God sent to us a prophet
And we have seen the fullness
of God's life on display
But its been so long since
the eyes have gone out
And there is a new crop that
is coming forth
For greater works and dynamic
power to be displayed
May we as Samsons of God
cry just once more

829

IN THE GARDEN Ab

I come to the garden alone
While the dew is still on the roses
And the voice I hear falling
on my ear
The son of God discloses

CHORUS

And He walks with me and
He talks with me
And He tells me I am His own
And the joy we share as we
tarry there
None other has ever known

He speaks and the sound of
His voice
Is so sweet the birds hush
their singing
And the melody that He gave
to me
Within in my heart is ringing

I'd stay in the garden with Him
Tho' the night around me be
falling
But He bids me go thro' the
voice of woe
His voice to me is calling

POWER IN PRAYER Bb

Oh Daniel turned his head
and he prayed
But no answer came for
twenty-one days
And it seemed that God had
not heard his servant prayer
But the prince of darkness
stood in his way
The angel overthrow him
I can hear Daniel say there's
power in prayer

CHORUS

There is power in prayer if
you believe
He is standing right there for
you to receive
For the problems you face
He is all that you need
There is power in prayer

BRIDGE

He is a God that won't fail
when friends let you down
So cast all your cares on him
cause I've found
He can take your heartaches
and turn it around
There is power in prayer

I prayed a prayer but no
answer came
My days turned to weeks
My grief turned to pain
And I cried oh Lord, seems
like you have not heard my
prayer
But God said I heard the first
time you called
Satan tried to block your
answer to stall
Reinforcements been made
Satan had to withdraw
There is power in prayer

CHORUS**BRIDGE**

RUN FOR THE PRIZE D

As a runner that's been
trained to run the greatest race
of all time
Want to lay aside each
weight of sin so I wouldn't be
left behind
I want to run with a motive
with a desire in my soul
And I wouldn't look back for
nothing
I'll keep my eyes set fast on
my goal

CHORUS

I will run for the prize which
no man could ever give
I'll contend for eternal life sublime
I will run with my eyes set
fast on the promises of
God's word
I'll stay true to all the rules I
have heard

Any man who strives for the
mastery
Great hardness he must endure
We must press with all that is in us
We must cry out Lord just
once more
For the race is not for the swiftest
We were chosen to endure
To receive the crown of
righteousness god's promise
to you will be sure

The author and the finisher is
Jesus Christ our Lord
To despise the shame endure,
the cross and sat down on the
right hand of God
I'll consider him who has
endure such opposition
against himself
Lest I be wear faint in my mind

**** 1st chr. 29**WITH A WILLING HEART** F

With a willing heart I bring to
you Lord
Knowing that all riches and
honor comes from you
And in Thy hand it is to make
great and bring strength unto all
So with a perfect heart I offer
unto you

CHANGE A**CHORUS**

One of these days in the
twinkling of an eye, I'll be
changed
And caught up in the sky
Cause I've heard the message
Seven thundering voices unveiling
The fountain of life
One of these days when time
shall be no more
I'll soar with wings of an eagle

While men's hearts are
failing them with fear
As the wrath of God descend
Cause they have rejected
the Son of man
Whom the Son of Man had sent
And chose instead a ruthless
beast
Who's is destined to the pit
But I've pledge allegiance to
the Lamb
Who shed His blood for me
And He promised I'll be
taken from time to eternity

Step by step out of mortality
Into eternal realms I'll rise
Where death will be swallowed
up by life
I'll live and never die
Timeless life of love and peace
Beholding my saviour's
hallowed face
Cause I pledge allegiance to
the Lamb
Who paid my debts for me
And He promised I'll be
changed to immortality

One of these days in the
twinkling of an eye, I'll be
changed
And caught up in the sky
Where time will cease and
death will die

The sleeping saints I'll greet
in the skies
One of these days when time
shall be no more
I'll soar with the wings of an eagle

Beholding the glory of a
perfect man in likeness of
the most high God
Walking the stairway he
bypassed before and the
door he never came through
Into a city built with lively
stones, the streets built
transparent gold
Cause I pledge allegiance to
the Lamb
Who chose me as His own
And He promised I'll sit with him
on His established throne

One of these days, one of }
these days, I'll be changed}3x

THERE IS NONE LIKE YOU F

There is none like you
No one else can touch my
heart like you do
I could search for eternity long
And find there is none like you

MOVE IN THIS PLACE C

Move in this place today
This is my one desire
That you would have Your way
Touch me Lord
And I won't be the same
Move in this place today

Where the Spirit of the Lord is
There is liberty
Where the Spirit of the Lord is
Captives are set free
So as we offer up
Our sacrifice of praise
May Your Holy Spirit
Breathe on us we pray

I'M DYING TO BE RE-UNITED D**CHORUS**

I'm dying to be reunited and in}
 my soul I'm excited }2x
 I'm dying to be reunited with the }
 one who've always known me }

Always inside of me there
 was a deep that was calling
 But there never was a deep

My heart began searching
 I didn't know what for until
 the day He came
 Until He called my name
 I can never, ever be the same
 I'm dying

Indeed He came to me
 But that wasn't all
 The words He spoke to me
 controlled my heart
 Daily I die a death unseen to
 human eyes
 Until they see in me God
 manifest in flesh
 I can never, never be the same
 I'm dying

AT THE CROSS D

Alas! and did my Saviour
 bleed,
 And did my Sovereign die?
 Would He devote that sacred
 head
 For such a worm as I?

CHORUS

At the cross at the cross
 where I first saw the light,
 And the burden of my heart
 rolled away,
 It was there by faith I received
 my sight,
 And now I am happy all the
 day!

Was it for crimes that I have
 done,
 He groaned upon the tree?
 Amazing pity, grace unknown,
 And love beyond degree

Well might the sun in darkness
 hide,
 And shut his glories in,
 When Christ, the mighty
 Maker died
 For man, the creature's sin

But drops of grief can ne'er
 repay
 The debt of love I owe;
 Here, Lord, I give myself away,
 'Tis all that I can do!

FULLY COMMITTED D

All that I am
 And all that I hope to be
 All of my desires
 And all of my ability
 I'm fully committed
 To your will and to your way
 I'll make the sacrifice to do
 what you ask of me
 I'm yours forever
 Jesus you're all that I need
 And I could never repay what
 you did just for me
 But the least I can do

CHORUS

I give my life
 I'm fully committed to you
 Its just the least I can do
 I give my life
 I'm fully committed to you

Every passing minute
 And every hour of the day
 Every situation, every bit of
 attention I pay
 I'm fully committed to your
 will and to your way
 I'll make the sacrifice to do
 what you ask of me
 Oh I'm yours forever
 Jesus you're all that I need
 And I could never repay what
 you did just for me
 But the least I can do

CHORUS

I give my life
 I'm fully committed to you
 Its just the least I can do
 I give my life
 I'm fully committed to you
 My heart, my soul
 I'm fully committed to you
 Every where that I go
 I'm fully committed to you
 Not a mite I will withhold
 I'm fully committed to you
 Every minute of the day
 I'm fully committed to you
 I give it all, I give it all unto you
 Lord
 I'm fully committed to you
 Every passing minute Lord
 I'm fully committed to you

I GIVE YOU JESUS C

If the ship of your life
 Is tossed and on the sea of
 strife
 You need someone
 If you feel so all alone
 That your house is not a home
 You need someone
 If you feel life isn't fair
 And there's no one left to share
 All your lonely days and night
 When things won't turn out right
 And you want someone to share
 And someone to just be there
 You need someone

CHORUS

I give you Jesus
 He's the peace that passeth
 all understanding
 I give you Jesus He's the
 perfect love that casteth out all
 fear
 I give you Jesus He's the
 water that you'll drink
 You'll never thirst again
 I give you Jesus my friend
 I give you Jesus

If the pressures all around
 Keeps your spirits to the ground
 You need someone
 If your body is in pain
 And your health you can't regain
 You need someone
 If there are times when you
 have tried
 With all the strength you have
 inside
 And it seems that you have
 failed
 Remember on the cross He
 nailed
 All your bitterness and grief
 To bring you peace and
 sweet relief
 For He's someone

I KNOW C

Job was on his ash heap
 His afflictions and trials strong
 His health, his wealth, his family
 Everything he had was gone
 But as he looked out unto
 the mountains
 And the lilies out in the fields
 The Prophet said Job caught
 a vision of the Seventh Seal

CHORUS

Job said I know that my
 Redeemer lives
 He'll stand in the later day
 Though the worms may eat
 this body
 I'll rise again some day
 For as a grain of wheat falls
 to the ground
 It withers and it dies
 At Easter time it springs again
 Bringing forth new life

Noah built the ark and did
 Exactly as God had said
 But it seemed like time would
 prove him wrong
 He preached a hundred and
 twenty years
 But as the sky grew dark and
 the winds blew strong
 And the rain came falling down
 I can hear old Noah rejoice
 and sing
 That happy Easter song

CHORUS

He said I know that my
 Redeemer lives
 The ark will rest some day
 Though around me wave
 and billows roll
 And all life will pass away
 As a grain of wheat falls to
 the ground
 It withers and it dies

At Easter time it springs again
 Bringing forth new life

Jesus walked the lonely road
 That led to Calvary
 He looked so very defeated
 As He hung there on the tree
 But He said no man can take
 my life
 I freely lay it down
 Yes there had to be a Calvary
 For an Easter time to come

CHORUS

Yes, I know that my Redeemer
 lives
 He'll take me home some day
 Through the storms of life
 The toils and strife
 I will praise Him anyway
 For as a grain of wheat falls
 to the ground
 It withers and it dies
 At Easter time He rose again
 To give us back His life

841

IT MAKES ME SHOUT G

When I think about the Lord
 How He saved me
 How He raised me
 How He filled me with the
 Holy Ghost
 How He healed me to the
 uttermost
 When I think about the Lord
 How He picked me up and
 turned me around
 How He placed my feet on
 solid ground

CHORUS

It makes me want to shout
 Hallelujah
 Thank you Jesus
 Lord you are worthy of all the
 glory
 All the honour all the praise

SHALOM, SHALOM C

The voice of the false
 anointed is speaking
 'Peace' but destruction will come
 Yet we hear the voice of
 God's prophet
 To the Bride is saying 'Shalom'

CHORUS

Shalom, Shalom, I can hear
 The Spirit say
 Shalom, Shalom, it's the
 dawning of a new day
 Shalom, Shalom, hear
 assurance in His word
 The Seventh Dove has come
 saying Shalom

While all around us is dying
 Their ears heeded to lies
 We've received God's true
 teaching
 And now our safety's in Christ

To us who are shut up in safety
 Who've always looked up above
 This message of grace has
 come to us
 On the wings of That Seventh
 Dove

843

INTO YOUR PRESENCE D

Lord I lay my heart before
 Your throne
 Lord I bow my knees to you alone
 And though I know I'm guilty
 You forgive my sins
 Cleanse me with Your blood
 So I may enter in

To your presence is where I
 long to be
 In Your presence for all eternity
 And though I know I'm guilty
 You forgive my sins
 Cleanse me with your blood
 So I may enter into Your presence

I'M RUNNING G

Satan is mad but I'm so glad
 Cause he lost a soul that he
 thought he had
 One thing I'm sure of that
 I've done wrong
 Is that I stayed with Satan
 much too long

CHORUS

I'm running, I'm running
 My running days will soon be over
 I'm running, I've got to get in
 a hurry
 I know I'm gonna make it to
 the other side

One of these days it won't be
 long now
 You're going to look for me,
 but I'll be gone
 When I get to heaven shall I
 look for you
 If you want to get there you
 better run too

One of these days down
 here in Babylon
 We're going to see the saints
 that sleepeth, the redeemed
 ones
 One of these mornings in the
 twinkling of an eye
 I'm going to leave to be with
 my Jesus for that supper in
 the sky

CELEBRATE JESUS F

Celebrate Jesus, Celebrate)4x
 He is risen, He is risen
 And He lives forever more
 He is risen, He is risen
 Come on and celebrate
 The resurrection of our Lord

RISE AND SHINE **C**

We lived our past in pleasure
Realizing never hidden
treasures in our soul
That gene of God that is
placed within
And at the time appointed we
were anointed
To believe this present Word
The only evidence that His
life is within
Now justified we are free from sin

CHORUS

We were born to rise and shine
For the Lord has come
We'll rise and shine
We were made to overcome
We'll rise and shine
Like the stars above

By holding the vision before
every decision that's how we
overcome
The Lord is having then the
preeminence
We'll trust Him ever and
doubt Him never
All the promises He has made
Realizing there is no need to
be afraid
For His word can never fail

We'll suffer affliction by this
confession the scripture has
foretold
We consider our trials more
precious than gold
Leaving these worldly
pleasures far behind for
greater riches we must now
claim
Never mind the reproaches
you bear for His name for
God's children won't be ashamed

Amidst this world's frustration
we have restoration
The earnest of the Promise
Land only be thou
courageous and strong

We have the hidden manna
six barley measures
We're awaiting that final one
Our Lord won't rest till his
work is done
We'll have the fullness of the sun

We're made super human over
every condition by the power
of His word
Holding our confession unto
the end
And by His election we'll
change dimensions to a
world that's so sublime
No more to be mortal
creatures of time
There forever we shall shine

COME TO THE WATERS **C****CHORUS**

He said come to the waters
And stand by my side
And drink from the fountain
You won't be denied
I have seen every teardrop
That fell from your eyes
And I rose to tell you for your
sins I've died

He's calling for the sinners
and the backsliders too
If you need deliverance He'll
do it for you
He died on the cross but now
He's alive
And He rose to tell you for
your sins He died

He's calling for the sick and
He's calling for the lame
If you don't be healed then
He's not to blame
For He died on the cross but
now He's alive
And He rose to tell you for
your pain He died

He's calling for the motherless
and the fatherless too
No sister or brother to care for you
For He died on the cross but
now He's alive
And He rose to tell you for
your joy He died

LIVE IN YOUR INHERITANCE **G**

Going home, going home,
We're going home
Going back to God

From a life of sin and bondage
Taskmasters held me bound
I've been living underprivileged
Constructing Satan's Eden
Then an angel from God
came to me with the word
The mystery of who I really am
Saying you came from God
You go back to God
Come and live in your inheritance

CHORUS

Every place that your feet
tread upon
That I give to thee
If you say to that mountain
be moved
Thus thine eyes shall see
Because you came from
God, you go back to God
Come and live in your inheritance

Divine Natured Attributes
(DNA) of God
Who journeyed into
Canaan's land
Placed positionally in Christ
the Lord
Victory is in our hands
And with all things under our feet
Every enemy we meet will know
That we're the heirs of God

The lines have fallen on our
boundaries
Yes we know what we can claim
And everything that falls
within our lot
We access it in Christ's name
We don't just heir what He has
We also heir Who He is
And He's our portion our
inheritance

BRIDGE

Every enemy you meet
Put them under your feet
Put lust under your feet
Fear get under my feet
Put doubt under my feet
Sickness under my feet
Put death under my feet
Because you came from God
You go back to God
Come and live in your inheritance

CHOSEN SONS **D****CHORUS**

We are chosen sons
Predestinated to stand
We are heirs of His Kingdom
Royal seeds of Abraham
Church of the first born
His attributes revealed
We are living by faith
Standing in victory

After Adam fell
Men came from thought to
flesh
But God wanted real sons
Not born like those of
Ishmael
So He sent a Third Pull
message
To bring us back to God
We are Spirit-filled sons
Growing from faith to perfect
love

Count it not strange
When troubles seem to follow
you
Like Job we've got to be
proven worthy and true
So we shall glory in all our
tribulations
We shall be sealed with the
Holy Ghost
It's our inheritance

Don't you see your name
In the Lamb's book of Life
Manifested Sons
Through the blood of Jesus
Christ
Satan is under your feet
He shall no longer rule
We shall reign as kings
Having power and dominion

BRIDGE

In trials, living by faith
We shall overcome
Gentle warriors living by
faith
And Spirit-filled sons living by
faith
We are living by faith
Standing in victory

850

RAINDOWN F**CHORUS**

Holy Spirit rain down, rain down
Oh comforter and friend

How we need your touch again
Holy Spirit rain down, rain down
Let your power fall
Let your voice be heard
Come and change our hearts
As we stand on your word
Holy spirit rain down

Our eyes have seen
Our ears have heard
Yes we have known
What God has in store
So open up heaven
Open it wide
Over our church and over
our lives

Lord it was you sending the
rain, lifting me up
Above the judgements again
Sending the dove with an olive
leaf
Giving me rest and perfect
peace

851

I STAND IN AWE OF YOU F

You are beautiful beyond
description
Too marvelous for words
Too wonderful for
comprehension
Like nothing ever seen or heard
Who can grasp your infinite wisdom
Who can fathom the depths of
Your love
You are beautiful beyond
description
Majesty enthroned on high

CHORUS

I stand, I stand in awe of you
(2x)
Holy God to whom all praise
is due
I stand in awe of you.

852

GRACE ALONE G

Grace alone which God supplied
Strength and more He will provide
Christ in us our corner stone
We will go forth in grace alone

853

SPRINGS OF LIVING WATER F

I thirsted in the barren land
of sin and shame
And nothing satisfying there I
found
But to the blessed cross of
Christ one day I came
Where springs of living water
did abound

CHORUS

Drinking at the springs of living
water
Happy now am I
My soul they satisfy
Drinking at the springs of living
water
O wonderful and bountiful supply

How sweet the living water
from the hills of God
It makes me glad and happy all
the way
Now glory, grace and blessing
mark the path I've trod
I'm shouting Hallelujah every
day

O sinner won't you come
today to Calvary
A fountain there is flowing
deep and wide
The Savior now invites you
to the water free
Where thirsting spirits can be
satisfied

854

THERE'S A RIVER OF LIFE F

There's a river of life flowing
out from me
Makes the lame to walk
And the blind to see
Opens prison doors sets the
captives free
There's a river of life flowing
out from me

855

BY HIS WORD G

It is written that man shall not
live by bread alone
But by every word that comes
from the mouth of God
And by his word he gave His
son for us on Calvary
To pay the price of sin for
you and for me

CHORUS

By His word
He raised the sick man from
the bed
By His word
He gave life unto the dead
By His word
He brings hope to the hopeless
soul
By His word
You can have the victory
By His word
He will set the captive free
By His word
He brings life to you and me

Just one word was broken in
Eden
And that's what caused the
fall
So it will take all of the word
To bring us back to God
And through this last day
message
All His word has been made
known
And through His power we
shall overcome

CHORUS

By His word
He spoke and squirrels did
appear
By His word
Storm go back from where you
came
By His word
Little fishie Jesus gives you
back your life
By His word
He spoke the tumor out of
existence
By His word
He gave two boys salvation
By His word
He gave life to you and me

856

WE'LL DO IT ALL FOR CHRIST D

Lord you're so wonderful
How great is your love for me
For you freely paid the price
That day on Calvary

CHORUS

And in return I give my heart,
my soul, my life
Knowing that nothing could
repay
That supreme sacrifice
So all on the altar I lay
Whatever the cost to pay
I'll do it all for Christ
I'll do it all for Christ
I'll do it all for Christ

BRIDGE

We'll give you our all
(Our thoughts and our time)
We'll give you our all today
We'll give you our hearts
(Our souls and our minds)
We'll give you our all today
For you gave yourself for us

And in return we give
Our hearts, our souls, our
lives
Knowing that nothing could
repay
Your supreme sacrifice
So all on the altar now we
lay
No price too great to pay
We'll do it all for Christ
We'll give all
We'll do it all for Christ
We'll do it all for Christ

857

NONE LIKE YOU D

There is none like You O Lord
Your glory fills the heavens
There is none like you O Lord
Your love endures
Your virtues flow
All that I need is in Your hand
There is none like You
There is none like You

NOTHING GOING WRONG C

Though trials dark on every hand
 Yet in the midst Lord I can
 stand And testify of Your
 goodness
 For I have found my strength in
 you
 To overcome every test
 Your word is all I hold to
 My life was made to reflect You
 My footsteps are ordained by
 You
 And though I may suffer for a
 while
 Yet in the end Your name is
 glorified

CHORUS

For there's nothing going
 wrong in my life
 When trials seem to come my
 way
 For your word has promised
 me victory
 As long as I'm abiding in You
 For the sufferings of this
 present time is not worthy to be
 compared
 With the glory of God that
 shall be seen in me
 So Father glorify Your name

So I will count it all joy
 When I am tested and tried
 For God has a purpose
 It's just His way to us He proves
 Of His love and care for us
 So in the midst we ought to
 thank Him
 For He has promised us
 perfection
 He has given us the victory
 For we are made more than
 conquerors
 His chosen that shall reign
 with Him

BRIDGE

For what shall separate us
 from the love of Christ Jesus
 Shall trials, persecution,
 there is nothing at all, no
 nothing present or anything
 to come shall separate us
 from His love

YOU SHALL BE FILLED F

The word of the Lord
 Came unto John in the wilderness
 And he preached the
 baptism of repentance until
 Jesus Christ came
 To the people He preached
 saying to them
 With water I indeed baptize
 But one greater is coming
 He will baptize you
 With the Holy Ghost and fire

CHORUS

Blessed are you who hunger
 and thirst after righteousness
 Blessed are you who hunger
 now For you shall be filled
 Blessed are you who hunger
 and thirst after righteousness
 Believe in His promise and with
 His Spirit you shall be filled

We know from the Bible
 there's two kinds of people
 In the womb of the church
 One is just seeking temporal
 things But the other wants
 that new birth
 Let's search ourselves
 deeply inside And see what's
 our desire
 For God has promised to fill us
 today
 With the Holy Ghost and fire

I WILL BE YOURS G

Heavenly Father I come
 before you with all my cares
 I lift my hands to you in surrender
 Who can compare
 Change my heart O God
 For I long to be like you
 To be like You

You are light You are holy
 Forever I will be yours
 You are love You show mercy
 Forever I will be yours

UNTIL G

When we heard you were coming
 We knew it would be such a
 blessing
 To meet with friends and family
 Another part of His mystical body
 But now the time, the time
 has come
 That you would be going home
 We're not going to say goodbye
 We're just going to say "until"

CHORUS

Until we hear that last trump sound
 In a moment we'll all be gone
 Across the continental divide
 We'll meet you over on the
 other side
 Until that morning breaks
 eternal bright and fair
 We'll all be there
 We're not going to say goodbye
 We're just going to say "until"

Your coming here has made
 us stronger
 Wish you could stay a little longer
 For there is so much more
 from your ministry that we
 could draw
 Seeing that you have to leave
 Come again we're asking please
 So we're not going to say
 goodbye
 We're just going to say "until"

THERE IS A RIVER FLOWING G

There is a river that is flowing
 Proceeding out of the throne
 of God
 With water to drink
 And plenty water to swim
 There is a river that is flowing

When you're planted by the river
 Then your leaves shall not wither
 For your greatest delight
 Is in the word day and night
 There is a river that is flowing

If you thirst or you hunger
 Then come to this river for
 there is an endless supply of
 the waters of life
 There is a river that is flowing

FLOW LIVING WATERS C

Flow living waters }2x
 (Flow through me) (Fill my
 cup)
 Flow living waters }2x
 Flow through me Lord (Fill
 My cup)
 Till I thirst no more

Thou art that pure river of
 living water
 Proceeding from the throne
 of God and the Lamb
 Come into my garden
 Flood my thirsty soul
 And Lord have delight in me
 (flow through me)

Walk with my feet
 Speak through my lips
 Work with my hands
 Let your will be my will
 Make known your desires
 My pleasure to fulfill
 Consume my inner being
 (flow through me)

Fill me with your faith
 Fill me with your love
 Fill me with yourself
 Be one with me oh Lord
 And when you look at me
 You behold your own glory
 Another one just like you
 (flow through me)

I LOVE THE LORD A

I love the Lord for He heard
 my voice
 He heard my cry for mercy
 I love the Lord because he
 turned His ear to me
 I will call on Him as long as I
 live

The Lord is gracious and
 righteous
 Our God is full of
 compassion
 The Lord protects the simple
 hearted
 He has become my salvation

ANOTHER JUBILEE... Em

It was after Seven Church
Ages had run out
It was after the Lord had
descended with a shout
It was after the Seventh Seal
was opened
And we know the sacrifice
has been accepted
We hear the Trumpet
sounding jubilee

Now I see the priest with the
Trumpet in his hand
And He's sounding forth his
message throughout the lands
It's to take us back to where
we fell from

We could stand in our true position
We hear the Trumpet
sounding jubilee

CHORUS

Don't you hear the Trumpet sound
This Message is clear and strong
I've thrown away my hoe and
hammer
No longer serving no slave master
I hear the Trumpet sounding
jubilee

It was after the Second
Cycle had returned
And the second-fold mystery
of the Seventh Seal had
made been known
It was after we had seen our
names in the scripture
Shows Almighty God is our Father
We hear the Trumpet's
sounding jubilee

Now we can stand in that liberty
By which Jesus Christ has
made us free
No longer would we stay in
bondage

We are going back to our heritage
Because the Trumpet's
sounding jubilee

CHORUS

Don't you hear the Trumpet sound
This message is clear and strong
Don't you be like Johnny crow
The Lord has set you free, then go
Because the Trumpet's
sounding jubilee

In that we've been released
we can return
For all that Adam lost has
been restored
Fellowship, full dominion,
power over all creation
Because the Trumpet's
sounding jubilee

Everything that's promised
we can claim
Those Seven Thundering
voices restored the Name
Until even when we hear that
last Trumpet sound
We are going to change
dimension
Because the Trumpet's
sounding jubilee

WHERE EAGLES DARE A

We have been born in an eagle age
By an eagle prophet's message
To manifest the living word for
our day we have been given
wings to fly way up in the sky
Where no other bird can fly
To live in a heavenly atmosphere
To fly where only eagles dare

CHORUS

Let's fly so high
Where the world of God is a
living reality
To soar so high, true eagles
in the sky
Set your wings let's fly
Where eagles dare

We have been gathered by the
shout
A message that called us out
From this world of fear and doubt
And have been given eyes to see
All the mysteries are being
revealed
Our lives are fulfilling prophecy
To see our position in God's word
To fly where only eagles could

We are not called to be
earthbound
Amidst the chipmunks on the
ground
Neither to be living up and down
But quickened, changed, lifted
up upon the mountain top
Setting in the cleft of the rock
Gathered where the carcass is
In God's provided place we live

ASK OF THE LORD RAIN C**CHORUS**

Ask of the Lord rain, in the
time of the latter rain
Ask of the Lord rain, He'll
send His showers again and
again

The farmer planted seeds in
the field
(he knows he needs the rain)
He's looking now for them to
yield
The Lord has promised rain
in due season
(Lord we need the rain)
So ask for rain, we have
good reason

We've seen the cloud arise
from the west
(We heard the sound of rain)
It proved the sacrifice was
accepted
So like Elijah we can pray
(We've seen the sign of rain)
We've seen the evidence this
day

Times of refreshing now are
here
(He is sending down the
rain)
The promise is to us and our
children
Visitations we've been
receiving
(Is the outpouring of the rain)
For the fulfillment of God's
promise

Be glad ye children of Zion,
rejoice
(He's giving former and latter
rain)
He's pouring His blessings
from above
Our floors shall be full, our
vats overflow
(He's come to us as the rain)
The years we've lost He
shall restore

WE ADORE YOU F

You are the river
You are the dove
You are the latter rain
Falling from above

CHORUS

We adore You, Holy Spirit
You are welcome in this place
We adore You, Holy Spirit
You are welcome in this place

You are the anointing
You are the wind
You are God's glory
Fill us again

You are the power
You are the fire
You are our comforter
All that we desire

SATURATE MY SOUL F

Father of life draw me closer
Lord my heart is set on you
Let me run the race of time
As your life unfolds in mine
And let the peace of God let
it reign

CHORUS

O Lord I hunger for more of you
Rise up within me
Let me know your truth
O Holy Spirit saturate my soul
And let the life of God fill me now
Let your healing power
revive and make me whole
And let the peace of God let it
reign

O Holy Spirit you're my
comfort Strengthen me hold my
hand up high
As I stand upon your truth
Singing glory unto you
And let the peace of God let
it reign

WE NEED THE RAIN D

Lord you said if I humble myself
Pray, seek your face, turn
from my wicked ways
You'll hear from heaven and
forgive my sins
And in love and mercy, you'll
send the rain
To heal the Land, send the
Holy Ghost
Heal the land, send the Holy
Ghost

Lord you planted, your word in me
In the form of messages
You sowed the seed
Now I'm asking for the Holy Ghost
To come, live in me
And bring forth fruit unto thee
Send the rain, send the Holy Spirit
Water your garden, send the
Holy Ghost

You removed the enmity
Between my soul and you at
Calvary
Giving me access to your throne
That in my time of need
I'll make my desire known
For the rain, send the Holy Ghost
For the rain, send the Holy Ghost

I want to see Jesus in me
Overcoming daily and constantly
Putting my enemies beneath
my feet
And giving me dominion and
full authority
Send the rain, send the Holy Ghost
In this hour of battle, send
the Holy Ghost
Pour out your spirit, send the
Holy Ghost

BRIDGE

I need thee, Oh I need thee
Every hour I need thee
Bless me now (Bless me
now)
Oh my Savior
I come to thee

Send the rain, send the Holy
Ghost
I need the rain, send the
Holy Ghost
In the time of battle
Send the Holy Ghost
Send down your showers
Send the Holy Ghost
And take us higher
Send the Holy Ghost
We need the rain

I WILL RESTORE D

Bride, do you remember
Way back to your former rain
When you once stood in position
Having dominion and all
things under your feet
But you fell, you fell from that
fellowship
And you wondered where
you went wrong
So you cry out, you thirst for
that latter rain
And you'll fight for that power
again.

You see the palmerworm,
came in your life and ate
Then the cankerworm came
in your life and ate
Then the caterpillar and
locust ate
But God promised, yes he
promised

CHORUS

That I will restore saith the Lord (2x)
Jehovah promised a Holy
Ghost promise
I will restore thus saith the Lord (2x)

Power shall come from on high
After the Holy Ghost comes
upon you
You shall be witness unto
me throughout the world
My glory all men shall behold
For I shall come unto you as
the former rain
As the latter rain to you shall I
come
And all men shall know.
That you have the evidence
That Jesus rose from the dead
And in your own atmosphere
God will visit you there
For you were meant to be
mighty men of valour and He
promised

IF YOU CAN USE ANYTHING C

If you can use anything Lord }
You can use me }2x
Take my hands and my feet
Touch my heart Lord speak
through me
If you can use anything Lord
You can use me

STILL TIED TO MY ABSOLUTE C

A mighty man of valour
You faced your enemy
And with the sword you've
slaughtered
You had sweet victory
But it gets bitter
When you're tried in the fire
And it get hard sometimes
But pleasing to the soul
Yet if you choose to leave your
place
Who will stand instead
For this cause were you chosen
To see that devil dead
So keep on fighting
Fighting with all the faith
Keep looking towards the vision
For the hour now is late

CHORUS

So I'll put on the armour of God
I'll put on the shield of faith
Trusting in the sword of the spirit
Pray with sincerity and truth
For we wrestle not against
flesh and blood
But principalities and powers
And rulers of darkness
And here I stand in truth
Still tied to my absolute.

I've read it in the Bible
Joshua 5:14
God came down as Lord of Hosts
Israel was defended and
positioned
And David slew the lion
Looked back to his experiences
And then he smote Goliath
And I am of that pedigree
Why should I run and fear
I'll speak the word with revelation
I will not surrender till I walk upon
The ashes of that wicked one
Till I stand face to face
With the one who kept me by
his grace.

IT'S A HONOUR C

It's an honour to serve to join
in the fight
I will lift up my voice
I will lay down my life
Giving glory to God, seeking
none in return
It's an honour, an honour to serve

We are called by the Name
Of The Third Exodus
We will not be ashamed
For our God is with us
We obey our calling,
Stand in rank and in file
It's an honour, an honour to serve

Of One Body, One Spirit
One Lord and One Faith
Of hearts joined in praise
And One love, unfeigned
Working together for this
great cause
It's an honour, an honour to serve

There's a Pastor, and Ministers
And helpers true
Deacons and Trustees
And Song Leaders too
Fitted into the Body
Making it increase
It's an honour, our calling to serve

Our Chefs, their Assistants
And our servers too
Ushers, and Teachers of our
Sunday school
Librarians, Custodians, our
Maintenance Crew
It's an honour, an honour to serve

The Singers, songwriters,
sound engineers, anointed
musicians our hearts they
have blessed,
Decorators so talented in all
that they do
It's an honour, an honour to serve.

875

LORD I GIVE YOU MY HEART F

CHORUS

Lord I give you my heart
I give you my soul
I live for you alone
Every breath that I take
Every moment I'm awake
Lord have your way in me.
(Repeat chorus)

This is my desire
To honour you
Lord with all my heart I
worship you
All I have within me
I give you the praise
All that I adore is in you.

876

WE ENTER IN Cm

We enter into the temple
We give thanks to the
Ancient of Days
We honour him for his
mercies unto us
We give thanks to the
Ancient of Days

Praise the Lord
Shout all ye people
How excellent is thy name
Praise his name for his
goodness unto us
Give thanks to the Ancient of
Days (2x)

877

GIVE UNTO GOD THE GLORY G
**** Psalm 96: 7-9

Give unto God all the glory
Give unto God all the glory
due to his name
Bring an offering and come
before him
Worship the Lord in the
beauty of holiness
And as we come into his
presence give him all the
praise
Give unto God all the glory
due to his name

878

SOMETHING IS BREAKING D

CHORUS

Something is breaking
Between mortal and immortal
The Son's coming up
Removing the darkness of night
The key's being given
Opening dimensions
Life and immortality
Is coming to light

A seal breaks open
A man caught a vision
Heard the voice of a prophet
saying "sail on, sail on"
And just like Abraham
He's in search of another land
The unseen is now being
made visible
As dove leads eagle

When crisis arises
The world gets in birth pains
They see the need to move
forward
Then the anointing
Falls upon the vessel
Who has been ordained
To lift us up on a higher plane

Through each unfolding
The way is opening
Spiritual scientists working
by laws to achieve this rapturing
faith
Thru secret passages
Seven steps up the pyramid
Where we'll run through death
Leap over into supernatural
realms

Something is breaking
Between mortal and immortal
The Son's coming up
Removing the darkness of night
After this mountain eternity
sets in
That's the real world
We're gonna live in

879

DO YOU KNOW YOUR GOD... C

You doubt when you should
speak the Word
When you should overcome
You eat of all the other foods
I've warned you not to eat from
And when you see your
nakedness
You turn and walk away
When you should be on
bended knees
That I could hear you when
you pray

CHORUS

Do you know your God in you
Then why do you doubt my
words
When you know I can do
Do you know your God in you
To overcome this evil world
You have to know the God in
you

When you look back to Calvary
What do you see
When you underestimate my
words and my simplicity
And when the trials come your
way
Why do you doubt my words
When greater is the God in you
than he who is in the world

I predestinated you to
manifest my word
Revealed my secrets unto
you
But still you doubt my word
Raise above your unbelief
Put on your royal armour
Pray for revelation
You have to know your God

CHORUS

Do you know your God in you
Why do you doubt my word
When you see what I can do
Do you know your God in you
To overcome this evil world
Do you know the God you serve

880

APPLY THE FAITH Am

What you've got locked up
deep inside
God's gene placed there for
this final ride
You have the faith for your victory
You can move mountains if
you'll only believe
If you are living in captivity
And there seems to be no way out
my friend,
God's word has set you free

CHORUS

Apply the faith that God has
given you
You don't have to be defeated
God's word will see you through
Stand and proclaim in Jesus
Name
Your promised inheritance
So if the enemy still comes in
like a flood
Tell him your sins they are all
under the blood

Now we're no longer under the
law
No longer in the enemy's claw
For the faith came so we
could be justified
For all of our sins Christ was
crucified
For we have the key to all
the enemy's schemes
Seven seals have been revealed
Now stand and proclaim your
liberty

881

HE ALONE IS WORTHY F

He alone is worthy
To worship and adore
The lamb of God victorious
My risen Lord
He purchased my redemption
My righteousness is he
Exalt the name of Jesus
He is worthy

GREAT IS THE LORD A

Great is the Lord
 Who ordained my every trial
 That I stand faithful in the
 midst of circumstances
 Great is the Lord who has
 proven by His dying
 He has redeemed and He
 has restored all things
 When I am weak, my God is
 strong
 He causes me to walk into a
 faith I've never known
 And lifts me higher
 He unlocked the door of faith
 And anoints my soul for a
 rapturing condition
 Great is the Lord who has
 restored
 My atonement at Calvary
 brought me perfect faith (2x)

He lifts me higher unlocked
 the door of faith
 He anoints my soul for
 rapturing condition
 Great is the Lord who has
 restored
 The Cloud on Sunset
 Mountain brought me perfect
 faith (2x)

BRIDGE

He anoints my soul for
 rapturing condition (We get
 lifted higher)
 Far above the judgement of
 the earth (We get lifted
 higher)
 And now we know him
 through divine revelation
 Above justification (higher)
 Above sanctification (higher)
 Into realm of perfect faith
 We get lifted higher (he
 unlocked the door of faith
 and anointed my soul for
 rapturing condition)
 Great is the Lord
 Who has restored the cloud
 on Sunset mountain brought
 me perfect faith(2x)

IT TAKES A SACRIFICE Cm

Our prophet said God's
 church will write another
 book of Acts
 As fast as the Word is being
 preached
 Those scriptures come to pass
 So God anoints a people
 With a burden in their soul
 To see this message go far and
 wide
 And spread throughout the world
 But the devil's always fighting God
 So there has to be a praying
 church
 To fight with the two edge sword

CHORUS

It takes a sacrifice
 To see God's word
 A sacrifice
 Spread throughout the world
 A sacrifice
 To see this Message reach
 to the hearts of men

In the days of the Ephesian
 church
 In Paul's ministry, when the
 church knelt down to pray for Paul
 Those demons had to flee
 Therefore in this age the
 Bride Age
 So we ought to be
 There has to be a church of
 God fulfilling her ministry
 And though demons stand
 against us causing accidents
 and pains
 How far are you willing to
 stoop for God to see his
 word fulfilled

Many saints of the past church
 ages Sacrificed their lives
 And although the
 messengers were killed
 The Message stayed alive
 So God give us this full Word
 And responsibility to eat the book
 And prophesy and set the
 captive free
 So the battle must keep raging
 It gets bloody as can be
 But as soldiers in God's army
 We already have the victory

PRESENT YOUR BODY AS... C**CHORUS**

Present your body as a living
 sacrifice
 It's your reasonable service
 For you've been bought with
 a price

The precious blood of Jesus
 Of the sinless spotless Lamb
 Shed for you and I fallen man
 How He loved us with a love
 Even before this world began
 Considered you and I
 In his redemption plan
 How we should love him
 And be prisoners of his word
 Bound by the chains
 Of love divine

The whole creation groaneth
 And travaileth until now
 For the manifestation of the
 sons of God
 He's rent the veil of vain tradition
 Brought his image in plain view
 Now veils his glory
 In oddballs like me and you
 Now we despise Satan's Eden
 Die to ourselves day by day
 Perfect faith is the victory
 We must attain

Monologue Romans 8:35-39

A servant at suppertime
 Came with the secrets
 In God's mind
 Proclaimed our liberty
 Bringing many sons to glory
 How we tore our filthy rags
 In exchange for robes so
 clean and white
 To sit in God's presence
 Taking our place in His plan
 How we should be thankful
 He has chosen you and me
 We are the reason of His
 death We are his victory

IT'S NOT IN TRYING BUT... F

Sometimes life seems like
 words and music
 That can't become a song
 And we cry and sigh and we
 try again and wonder
 What could be wrong
 And when we turn to the Lord
 At the end of ourselves like
 we've done at times or before
 We'll find hid truth is the
 same as it always been
 We never will need more

CHORUS

It's not in trying but in trusting
 It's not in running but in resting
 It's not in wondering but in praying
 That we find the strength of
 the Lord

He's all we need for our
 every need
 He'll never leave thee alone
 But the last move that we choose
 To do to live a life on our own
 But the only good that could
 ever be said
 Is the pain we find ourselves in
 Yet there are places to gain
 the wisdom
 To say I'll never leave him again

WE GIVE THANKS C

We thank you Lord
 For the love You gave so free
 The sacrifice of Calvary
 We thank you Lord
 And our lips will praise You
 always
 With all our hearts we bring to
 You
 Our sacrifice of praise
 And may our lives reflect
 Your light
 And be Your temple all our days
 We thank You Lord
 And we live to serve You
 always.

EXCEPT THE LORD GOD... C**CHORUS**

Except the Lord God build
this house
Then our labours are in vain
Except the Lord God
keepeth this city
Then the watchman waketh
up in vain
For what house will you build
the Lord
Since he dwelleth not in temple
made of human hands
But by his grace
He made you his habitation
The Lord has built this house.

God has promised in this day
There'll be a people like him
They are chosen forth to
bring Messiah
God manifest in flesh again
A people whom he has
redeemed by his blood
By his prophet's voice, we've
been called out
To be his tabernacle
That he himself will dwell in

He is our foundation
The chief and corner stone
The great, wise Master builder
Building His masterpiece to
be like Him
And we are the lively stones
of this house
His workmanship unto good
works
Glorifying our Father
God and us are now one.

Our hands are your hands
Our feet are your feet
Filled with your Holy Spirit
Now we are co workers with you
And with your word you lead
us throughout the earth
To hunt out the missing stones
that will build up this house
Lord now your house is complete.

BRIDGE

We will walk like him

We will talk like him for (for the
Lord God is in this house)
The sick shall be healed the
dead shall be raise because (for
the Lord God is in this house)
Great works shall you do for
His spirit dwells within you (for
the Lord God is in this house)
A third pull ministry we'll have
for God's word within us (for the
Lord God is in this house)
Edenic beauty we put again,
his glory fills us
The Lord is in this house
From faith to perfect love
we'll stand in His Image.

888**THE POWER OF YOUR LOVE G**

Lord I come to you
Let my heart be changed,
renewed
Flowing from the grace that
I've found in you
Lord I've come to know
The weaknesses I see in me
Will be swept away by the
power of your love

CHORUS

Hold me close let your love
surround me
Bring me near draw me to your
side
And as I wait I rise up as the
eagle
And I will soar with you as
your Spirit leads me on
In the power of your love

Lord unveil my eyes
Let me see you face to face
The knowledge of your love
as you live in me
Lord renew my mind as your
will unfold in my life
Living everyday by the power
of your love.

FAITH TO BELIEVE D

Cast out all fears and doubts
He surely bring you out
Of your condition, whatever it
may be
Stay I his provided way
For the price he did pay
Only in that place you'll come into
Rapturing grace

He has given me the faith to
believe
For whatever you ask you
shall receive
For he's given me the key
For my victory
Believing on him who's been
sent to me
I need not worry
My soul is now at peace

For he has given me the faith
to believe
For whatever I ask I shall receive
He told me come boldly
before his throne
For I am his own
Believing what he said
concerning me
Brings my heart a settled peace
So I need not worry
My soul is now at peace.

890**TO WHERE I BELONG F**

Take me out of the shallow waters
I can't stand on my own
Bear me over the deepest
fountain
By trusting you alone
If holding you is a weakness Lord
Don't let me be so strong
Take me out of the shallow
waters Lord
To where I belong

TIRED LABOURING IN THE..Dm

From the moment I believed,
I've been labouring in the
flesh and I will keep believing
till his promise I receive, I will
never satisfy till in his
likeness I awake. And I will
never cease to cry until
Christ and I unite just like
Ruth who ceased to labour then
came into her perfect rest.

CHORUS

I'm tired of labouring in the flesh
I'm coming into His rest,
That's where I'll cease from
all unbelief
Christ living in me will be my
peace. I'm tired of labouring in
the flesh
I'm coming into his rest
that's where I'll cease from all
unbelief
Christ living in me will be my peace.

I have learnt in this body
there is a law of sin and that
evil is present with me even
when I will to do good. But
God promised in this hour
He said there will be a change
there'll be a total annihilation, an
irreversible change.
Just like Paul who had learnt
there's no condemnation to
those who are Christ.

MONOLOGUE

I'm so tired of trying to live
his life and how could I live
his life if I'm still living mine.
And though I know from the
bottom of my heart that I'm
not from this world
Yet there is nothing I can do
in myself to return to that
place of perfect peace.
He said he will come and he
will not tarry so I will not
draw back and I will not be
loose about my life anymore
The only labour I must labour
is to enter into his rest.

892

PILGRIM ON THE EARTH Am

As I walk through this land
As an elect that's been
chosen by grace
And I see the evil of man
I know I'm from another place

CHORUS

On the earth I'll be a pilgrim
On my way to glory there's
so much pain I must endure
I'll fight the good fight, I'll
keep the faith
I'm forward to glory and my
eternity is assured
Oh I am a pilgrim
Oh a child of God

As I strive daily oh Lord
Lead me by your grace
For my one and only prize
Is to see you face to face

Daily as I walk with Christ
The revelation comes clearer to
me
That on this dying earth
I'll have no continuing city.

What will I present to Christ
At the end of my journey ?
I overcome him by the blood
And the word of my testimony.

893

TAKE ME INTO THE HOLY C

Take me into the Holy of Holies
Take me in by the blood of
the Lamb
Take me into the Holy of holies
Take the coal cleanse my lips
here I am
Take the coal cleanse my lips
here I am

894

GET IN THE SPIRIT G

Get in the Spirit (3x)

The time has come for this
Church to go higher in the Spirit
God sent us messages on faith
to take us higher in the Spirit
He said if you want to see
supernatural things get in the
Spirit

CHORUS

We'll see the sick healed, the
blind see, the lame walk
The dumb talk, the deaf hear
Get in the Spirit.

We'll see the power of true
confession when we get in
the Spirit
Our body spirit and soul will
come in subjection to our
confession

When we get in the Spirit
We'll see our circumstances
under our feet when we get
in the Spirit.

Love one another as God
has commanded and get in
the Spirit
Be kind, tenderhearted and
forgiving towards one another
And get in the Spirit
He said if we want to see the
book of Acts again get in the
Spirit.

CHORUS

We'll see the greater works
that Super Church
Souls saved, dead raised,
gifts restored
Get in the Spirit
(Get in the Spirit)

895

IT IS GOOD THING TO GIVE... D

CHORUS:

It is a good thing to give
thanks unto the Lord
And to sing praises unto your
name O most High
You show forth your loving
kindness in the morning and
thy faithfulness every night
It is a good thing to give thanks
O Lord you are great, your
name shall we praise
O lord Most High

From the rising of the sun
Unto the going down of the
same
With hearts of thanksgiving
Lord
We praise your Holy name
And there is no other
That deserves all glory
And there is no other
That we could rely on
And place our trust

CHORUS

You've been our guiding light
On our journey
You're the pillar of Fire
Leading us to eternity
And when the storms are raging
You are our shelter
A strong and mighty tower
That the righteous can run into
In you we are safe.

896

PRAISE HIM G

Praise him in the morning
When the sun refuses to shine
On your mountain tops and
in your valleys
Praise Him all the time

Praise Him
Lift your hands and sing to him
He deserves all our praises
Praise His Holy name.

897

I CAN DO ALL THINGS... C

When I look at myself in the
mirror of the word
I see so much to be fulfilled
And I know I'll bring to pass
that glorious mystery
If only I walk in his will
And I know the way to
certain victory
Is to die the death to all
that's inside me
So it's not I that live but
Christ who lives in me.

CHORUS

I can do all things through
Christ who strengthens me
I can be all that God wants
me to be
I'll fulfill the greater works
I will bring his word to pass
I'll become that living reality
I can do all things through
Christ that strengthens me.

There's a challenge of this
age
But the promise to the bride
Is the stature of a perfect
man
And I know the way to reach
that seventh step
Is only through self sacrifice
With the word of God deep
inside me
And the Holy Ghost to lead
and guide me
With my eyes fixed on the
cross
I count all things as naught
It's not my will but Thine
And in His perfect strength
I'll find.

GREAT IS OUR LORD C

Great is our God
 Holy and Mighty
 Who has brought
 Redemption for me
 The worthy lamb who was slain
 Broke the chains of sin and
 death from me

CHORUS

For He is my God
 He cannot change
 He is the Mighty God unveiled
 Conqueror, Almighty one
 The Lion of Judah who
 prevailed
 And He's God, He is God
 He never fails

Great is our God
 Who's ever faithful
 The Mighty Angel who
 descended
 In him I have overcome
 He has made my eyes to see
 Now I know I belong to him.
 Great is our God
 He is our Healer
 He healeth all our diseases
 Our Provider
 Great Deliver is he
 There's no other God beside
 him.

BRIDGE

Wonderful Saviour
 The Mighty Prince of Peace
 The Righteous one
 King Theophany
 My Eternal Father
 The Great El Shaddai
 The Bright and Morning Star
 is He
 Lily of the Valley
 He is my Lord, my coming King

HALLELUJAH F

Hallelujah (3x)

CHORUS

Halle, halle, halle, hallelujah
 (2x)

For you are God and You
 forever shall be
 You not only opened our
 mighty Red sea
 But You're leading with the
 Pillar of Fire
 Look. Oh children we are
 ascending higher

There was a stage of the
 wilderness
 But You always declared
 Your righteousness
 For when sickness fell in the
 camp that day
 The brazen serpent was lifted
 And You showed us back the
 way

Years have rolled on and
 we've entered the land
 With a Joshua commission
 and the Holy Ghost on hand
 Fear not children for the faith
 is here
 It will manifest the third pull
 and rapture us away.

OPEN MY EYES/EARS LORD D

Open my eyes Lord
 I want to see Jesus
 To reach out and touch him
 To say that I love you

Open my ears Lord
 And teach me to listen
 Open my eyes Lord
 I want to see Jesus

I'LL WALK CLOSER F

Dear Lord I hear You calling
 me into a deeper life
 Away from all my doubts and fears
 Away from all my strife
 And through the noises around me
 I can hear Your still small voice
 Calling me to walk a little closer (2x)

Teach me how I must spend
 my time as the days roll on
 I need to know I'm growing
 With the breaking of each dawn
 Give me more of Your Spirit
 That I can live more conscious Lord
 So I can walk a little closer (2x)

I've seen You broke the barriers
 down that separated us
 Now in you I have more confidence
 In you I've learned to trust
 I'm growing in my understanding
 of Your holy love
 Now I will walk a little closer (2x)

SAIL ON – SAIL ON A**CHORUS**

Land Ahoy! Land Ahoy!
 We are seeing the evidence
 upon the water
 Sail on! sail on!
 We are going to the Promise land
 We are going to the Promise land

We've been travelling in a
 ship on the sea of time
 Our destination is an eternal
 shore
 With our captain led by the angel
 Who has come to take us over
 For he knows we've never
 passed this way before
 Night and day the captain has
 been plotting out our course
 Studying those maps and charts
 so we won't come up lost

The thing about this captain
 is how he reiterates
 What the prophet to the age
 did say
 This is what our captain says today

CHORUS

Sail on, sail on
 We are going to a land God
 has promised
 Sail on, sail on
 We are going to the Promised land
 We are going to the Promised land

This ship has been
 journeying for so long
 Through tempestuous winds
 and many raging storms
 But our captain keeps her
 steady on her course
 Unto the land God has
 promised us
 Many ships and sailors stopped
 at ports along the way
 Others became shipwrecked
 because their captain did not
 stay
 With the instructions that were
 given by the angel in this day
 To say exactly what the
 angel says
 This is what the captain says
 today
 The promised land is the
 fullness of the Holy Ghost
 A power that is to come back
 to the church
 In that hour missing limbs
 will be restored
 The dead raised, the sick
 healed by the word

I LOVE YOU MY LORD F

I love you)
 I love you)
 I love you my Lord)2x

I praise you.....
 We thank you.....
 You are worthy....

904

OH LAMB OF GOD C

Your only Son, no sin to hide
But you have sent him from your side
To walk upon this guilty sod
And to become the lamb of God

Your gift of love they crucified
They laughed and scorned him as he died
The humble king they named a fraud
And sacrificed the lamb of God

CHORUS

Oh lamb of God, sweet lamb of God
I love the holy lamb of God
Oh wash me in his precious blood
My Jesus Christ the lamb of God

I was so lost I should have died
But you have drawn me to your side
To be led by your staff and rod
And to become a lamb of God

CHORUS

Oh lamb of God, sweet lamb of God
I love the holy lamb of God
Oh wash me in his precious blood
Till I am a child of God

905

THE LORD THY GOD C

The Lord thy God)
Is in the midst of thee)
He's mighty, so mighty }2x

And as he reigns)
High and lifted up)
With power and grace }
And authority }2x

And he shall reign
In the midst of thee
Forever and ever, amen.

906

I'M DESPERATE FOR YOU G

This is the air I breathe
This is the air I breathe
Your Holy Presence
Living in me

This is my daily bread
This is my daily bread

Your very word
Spoken to me
And I, I'm desperate for you
And I, I'm lost without you

907

AND I WILL RUN D

This yearning deep within
me reaches out to you
Your oil of joy for mourning
My soul delights in you

And I will run to your secret place
Bow my knees to Your
glorious throne
Have your way in my heart oh
Lord
Have your way

I need you Holy Spirit
You're fire to my soul
Consume my total being
Jesus take control

908

LORD I THIRST FOR YOU D

Lord I thirst for you
And I long to be in your
presence
My soul will wait for you
Father draw me nearer
Draw me nearer
To the beauty of your cross

909

UNTO THEE WE GIVE THANKS D

Unto Thee, Lord we lift our hands
Unto Thee, we give all the thanks
Unto Thee, we give all the praise
And the glory to Your name
For You are worthy
There is no other God but Thee
You are worthy
Yours is the power and majesty
You are worthy
You are worthy
Yes You're worthy
Of all the glory and all the
praise

910

EVENING SACRIFICE C

An evening sacrifice we offer,
At the end of this age
The prayers we lay upon the altar
Ascend with thanks and praise
May they be a sweet aroma
That brings You joy always
As we offer up our incense
together
Behind the inner veil

CHORUS

Lord we bring to You, an
evening sacrifice
Lord we bring to You our
free-will offering
The temple of our lives
And we come to You,
With true hearts we draw near
Let Your fire fall upon this
altar here
Of sacrifice and prayer.

CHORUS

The coming of that seventh angel
Was to restore all things
The fulfillment of a divine promise
That God would dwell within
The super sign, invisible union
The restoration of all things
A people who would reign
with Him forever
To a race of priests and kings

CHORUS

The door will close
Intercession's ending, under
that Seventh Seal
The hidden plan of true
redemption.
To the Bride is being revealed
The way into the Holy of Holies
To us is being unveiled
Access restored, dominion is
given
To a people marked and sealed

911

THIS IS THE HOUR C

Bride of Christ, for so long
we've been waiting
For our promised king has come
We await his appearing
We're being tested, we're
being tried
We've cried and we've sighed
Since 1963 we've heard
these things will be
But first the squeeze will come
A quick short ride and then
it's done
This is the hour

CHORUS

This is the hour that we've all
been waiting for
This is the hour; the
bridegroom is at the door
This is the hour, of His appearing
The trumpet shall sound and
we'll go home
This is the hour

End time Daniels you arise
This is the time of the evening
The king of Babylon has come
He's plundering and devouring
He's causing men to bow
Passing laws even now
But prayer's the only way out
Daniels trust and don't you doubt
That Michael your prince will
stand
And in the fire you'll meet the
Son of man
This is the hour

End time Esthers you awake
The Seven Thunders are
sounding of the genocide
that's coming
It's time to intercede
For your people you must plead
In the spirit of sacrifice
Be willing to give your life
And your desire is his command
In this hour

Soon he'll be coming for (3x)
Coming to take me home

I AM ADDICTED **Gm**

I have always known
conviction lies in the vision
And for one to be committed
he must be interested
To know what's in the mind
of creator
And to be like Hannah when we
see the need to be a house of
prayer for all the nations about
For we are the ones who've
been given the mind of God

I am addicted
To the word of the Lord
A desire to feel the heart of
God
And to know his mind now
dwelleth in me
To see his house complete
I am addicted (2x)

Now I understand there must
be a travailing
A groaning in the inside
When we see the hideous
happenings
That has swept upon the
face of the whole earth
Men has lost the sanity of
their minds
But we are a house of prayer
A river that's flowing out
For we are the ones who
would get God's elect out

I am addicted
To prayer to travail
To cry out
To God to be worthy to escape
The wrath of the Lord that is
now upon this world
I am addicted

I've heard of the seven
thunders
And the seals that were broke
open
But I've never understood
the depts. About redemption
But now I know the mediator
between heaven and earth

Who took the book and
broke those seven seals and
reveal my name
Showing me how to be born again
Now filled with the Holy Ghost
He'll finish the work in me

I am addicted to the word
that gives me life
That will rapture my soul and
take me away into another place
From the judgement of this world
I am addicted to Hannah's
painful desire, Jonah's prayer
meeting, A house of prayer for
all the nations, the sealing of the
elect
I am addicted to the sweet
savour, the holy royal
priesthood, the throne of
mercy and judgement and
the immune church of Christ

913**CRUCIFIED** **Bb**

Above all powers
Above all kings
Above all nature
And all created things
Above all wisdom
And all the ways of man
You were there before the
world began

Above all kingdoms
Above all thrones
Above all wonders the world
has ever known
Above all wealth and
treasures of the earth
There's no way to measure
what You're worth

CHORUS

Crucified, laid behind a stone
You live to die rejected and
alone
Like a rose trampled on the
ground
You took the fall and thought of
me
Above all.

SOMETHING IS HAPPENING D

God knew we didn't have a
revelation
Of how to approach him so
he made a sacrifice
By offering up himself, he
became our sacrifice
That we can have access,
we can approach his throne
But now he bids us at
Mizpah here to pray
To sacrifice our lives and
build him an altar here
And as we pray our prayers
go up as incense
And the fire of the Holy
Ghost comes down and fills
our lives

CHORUS

I can feel Him drawing nearer
(The presence of the Lord is here)
Accepting our sacrifice
(The presence of the Lord is here)
Something has got to happen
here)2x
So we'll wait here at Mizpah
Something is going to happen here

God is pushing his church
into a higher place
A church without sin where
his gifts can manifest
So how we settle for a weak
and empty life
When the Spirit is calling us
to higher heights

CHORUS

Saying stay here at Mizpah
Something is going to happen here
There are ministries of angels
Something is going to happen here
Cast not away your confidence
Something is going to happen here
It's God strength versus human
strength
Something is going to happen here

So as we pray we lift you up Father
For we see what you have
done for us and we glorify
your Name
We remember what was
done in the bible at Mizpah
when our father prayed
When they offered up their
sacrifices
The presence of the Lord
came down and you
answered their prayer
Now we are your children in
the evening time
Declaring our pedigree,
expecting you to come
You said blessed is a man
who thou choseth
Whom thou causeth to
approach you Lord
And as we pray our prayer
becomes more of you Lord,
more of you Lord, more of
you Lord, more of you Lord,
Something is, something is,
something is going to
happen here....

915**I DON'T DESERVE A MANSION F**

I was lost but Jesus saved me
He gave his life on Calvary's tree
Though I've failed him, he
still loves me
Through his grace I've been
set free

CHORUS

No I don't deserve a mansion I
was born a sinful man
No I don't deserve a mansion
But Jesus built a home for
me in glory land

It was our sins that he died for
A home on high, he paid the price
Who are we that he should love us
Enough to give his life

TILL JESUS CAME **F**

A lost and dying world
 Shut up from the way to God
 Not knowing how to find its way
 Sinful and fallen man, in
 need of redemption
 Who would atone, who could pay
 Though the blood of bulls
 and goats were shed
 It could not atone, the price
 to fully pay
 It would take the blood of a
 holy one
 But none was found worthy
 who could pay

CHORUS

Till Jesus came
 The sinless, spotless Lamb of
 God
 The holy one, the living word
 came down that day
 Yes Jesus came
 Conquering death, defeating sin
 Opening the way back to
 enter in to God that day
 When he came
 When Jesus came.

Burdened and steeped in sin
 No peace, no joy within
 Condemned by guilt, filled
 with shame
 Dwelling in the outer court
 Wondering who could pay the
 cost
 To free me from this
 bondage and chains
 Though I searched and
 cried, there was no one
 Who could redeem me and
 for my sin atone
 Till a priest did point to
 Calvary's cross
 And the price God did to
 ransom back His own

When Jesus came
 Conquering death, defeating sin
 Renting the veil so, we could
 enter in to God again
 Yes Jesus came

Paying the price on Calvary
 Fully atoning to set man free
 From guilt and shame
 When He came
 When Jesus came.

When Jesus came
 What a wondrous work he
 wrought for us that day
 Removing the guilt and
 taking all our sin away
 When He came --- Praise
 His name
 When He came ---
 Triumphant over sin
 When He came--- Opening
 the way so we could enter in
 When He came, When He
 came
 When Jesus came!!

917**HE'S GOD** **G**

When I come into his
 presence I humble myself
 I lift up both my hands and I
 begin to worship
 When I come into his
 presence I humble myself
 For what he's done for me,
 redeemed and set me free
 And because, just because
 he's God

When I come into his
 presence I humble myself
 I lift up both my hands and I
 begin to worship
 When I come into his
 presence I humble myself
 Remembering what he's
 done, the victory he's won
 So I'll praise him, I'll praise him
 For what he's done for me,
 redeemed and set me free
 And because, just because
 he's God

For what he's done for me,
 redeemed and set me free
 And because, just because
 he's God
 For what he's done for me,
 redeemed and set me free
 And because, just because
 he's God

SUPERNATURAL ATMOSPHERE **D**

You have seen what I did to
 the Egyptians
 How I have destroyed them
 How I bare you on eagle wings
 And brought you to myself
 For you are a part of me
 My peculiar treasure
 Unto you I'll keep my holy
 covenant

CHORUS

Into a Supernatural atmosphere
 God has raised His Bride
 She's now a Bright shining star
 A true reflection of Him
 We'll manifest the authority
 of His Name
 Fulfill all His word
 That all the world may know that
 We are Supernatural Beings

You showed us our position
 The way to come in your
 presence
 You've clothed us in your word
 Now we have access to thy throne
 Lord we want only your desire
 For with you we've found favour
 That whatsoever we ask of You
 You'll grant it to us

Lord you showed us
 Haman's evil schemes
 But you made a way of escape
 You've kept Mordecai's
 words alive to us
 Through your faithful servant
 Hatach
 For such a time as this
 We came into your kingdom
 Now we are the ones
 through whom you'll deliver
 your people in bondage.

Monologue

You were born to be a
 supernova
 You were born a bright
 shining star (A bright shining
 star)
 You shall explode in all my glory

That this world will know that
 You are from eternity
 Fear not my Queen Esther
 For it is I that has brought
 you to this place
 Through you I shall
 accomplish my word that
 was spoken.

919

YOU ARE EVERYTHING **D**

He is the one that saved our souls
 He's the one that gives us faith
 He is the one that gives us
 strength
 To face the challenge that
 comes our way

He is the one who healeth thee
 He's the one who comforts me
 He's our guide, our shepherd
 That will lead us into the
 promise land

CHORUS

O Lord you are our everything
 Without you I can do nothing
 Without you I can't stand
 O Lord you are our everything
 It is you I want to live for
 It is you that I only want to please

He is the one who delivers thee
 From all thine enemies
 The mighty conqueror
 Who's victorious over
 Death, hell and the grave
 Our provider is He
 Who provided all our needs
 In Him I stand victorious
 In Him I have overcome the world

Bridge:

There's so many things that
 we can thank you for
 All of the love that you have
 shown
 And there's no one greater
 That deserves all praise but you.

UNWORTHY F

I was a sinner, a lost soul
I longed to be free
I didn't know that God had already
Done a work for me
Then He found me, cleansed
and filled me
I am so amazed, that He just
simply loved me

CHORUS

Unworthy, I'm so unworthy
Of such love and mercy
The price You paid on Calvary
Who am I that He should die for
me
This wretched man, that I am
He sacrificed Himself to set me
free

I didn't see His nail scarred hands
As He was stripped and in pain
But on the Cross, not once did
He think about His shame
As His Blood flowed from that
Tree
All He thought about was
you and me
Isn't that love, tell me, isn't that
love

BRIDGE

Praise the Lamb that was slain
He went up, but soon, He'll
come again
Back for you and me
This was Calvary's mystery
Praise the Lamb that was slain
He went up but soon He'll
come again
Back for you and me
To take the trip to our theophanies

Unworthy, unworthy
Of such love and mercy
The price He paid on Calvary
You showed me who I am
That You should die for me
I thank You Lord
I thank You Lord
(I thank You Lord for Calvary)

NOW'S THE TIME C

From a world of unbelief
You separated me
To walk in a world of perfect faith
I'm washed in your blood
Now clothed in your
righteousness
Standing as your witness in
this day
And though all hell is against me
You promise they'll be under
my feet
And wherever I may go
I must let the whole world know
You're not dead
But alive in me

CHORUS

For now's the time to rise up
Now is the time to stand and
declare
His name to a dying world
And now's time to shine forth
In the glory of the Lord
revealed in you.

You will shine forth like stars
in this end time
You'll fulfill all that my prophet
said
But your self will must die
That in you I'll be glorify
That all men will know
Its not you
But its Christ

BRIDGE

Can't you hear the cry of
souls in bondage
My harvest is ripe, but my
labourers few
It's you I want to work through
It 's you that I that I have
given my word
To set the captives free.

RISE AND GO FORTH A

At times we struggle
With demons unseen
And it seems like our faith is
weak within
But Lord you promised we'll
have the victory

CHORUS

Oh Daniels rise and go forth
In the name of the Lord
If thou will only believe
Oh Esthers rise and go forth
In the name of the Lord
If thou will only believe

I say to the demon of fear to flee
I say to the demon of doubt to flee
I say to the demon of unbelief to
flee
In the name of the Lord

If you believe you're called to
walk inn his word
In this end time awakening of
the bride
Though your enemy comes
against you
Stand and He'll not fail you
If thou can only believe

I say to the demon of
sickness to flee
I say to the demon of lust to flee
I say to the demon of strife to flee
In the name of the Lord

**OPEN THE EYES OF MY
HEART**

Open the eyes of my heart
Lord
Open the eyes of my heart
I want to see you
I want to see you

To see you high and lifted up
Shining in the light of your glory
Pour out your power and love
As we sing holy, holy, holy

Holy, holy, holy (3x)
I want to see you

HALLELUJAH HE IS RISEN D

It's the dawning of a new day
The Daystar has risen in our
hearts
Now the cold stiff dead body
Has quickening transforming
power
From death unto life we have
passed
Into this bright eternal day
Now the Resurrected Christ
in us lives

CHORUS

Hallelujah He is risen
He is alive in me to tell
From the realm of this old earthly
I now live in the heavenly
realm
And soon I'll change dimensions
For this earth won't be able
to hold me anymore. (2x)

Now the glory of His gospel
Shines through us wherever
we may go
Changing ugly caterpillars
Into beautiful heavenly creatures
O death you've been
conquered by Him
Our victory and promise is sure
Now the gates of hell cannot
prevail
For we are the bride of the
living God

This the season of the immortals
The spring sun has returned
The Restoration of the Bride is on
All that's lost, He has
brought back
And unto the resurrection
We are heading now
To awake the saints that
sleepeth
And forever we will be with
you Lord.

GREATER IS HE **C**

Greater is he that's within me
 Greater than he that's in the world
 God is master of all
 circumstances
 God has all things under his
 control
 God is greater than any trial
 Greater than any trouble you
 might have
 Yes God is great, God is great (x2)

At times your soul feels so
 troubled
 At times you might be
 burdened with care
 At times you might feel
 discouraged
 Or you might be in deep despair
 Well God has promised
 never to leave you
 He promised he'd answer
 your prayer
 Just call him on the scene
 He's that Holy Ghost within
 And he's greater than any
 trouble you may face
 Yes God is great, God is great (x2)

Ofentimes on this pilgrim
 journey
 You'll have to walk the
 rugged road alone
 There'll be no friends and all
 men might forsake you
 Like Jesus stood before
 Pilate's throne
 You'll have to stand in faith
 believing
 You'll have to know that you
 are his own
 And when you call him on
 the scene
 He's that Holy Spirit within
 And he's greater than any
 enemy you may face
 Yes God is great, God is great (x2)

He's our Savior, our
 deliverer, our Healer and our
 Comforter

(Greater than he who's in the
 world)

The prince of peace, the
 mighty God, King of kings, the
 risen Lord
 (Greater than he who's in the
 world)
 Yes God is greater than any trial
 God is greater than all your fears
 God is greater than the
 enemy around you
 God is greater, yes, yes

Yes God is greater, greater in you

926**MANSION ON THE HILLTOP** **C**

I'm satisfied with just a
 cottage below
 A little silver and a little gold
 But in that city, where the
 ransomed will shine
 I want a gold one that's silver
 line

CHORUS

I've got a mansion just over
 the hilltop
 In that bright land where we'll
 never grow old
 And some day yonder we will
 never more wander
 But walk on streets that are
 purest gold

Tho often tempted,
 tormented and tested
 And like the prophet, my
 pillow a stone
 And tho I find here, no
 permanent dwelling,
 I know He'll give me a
 mansion my own

Don't think me poorer,
 deserted or lonely
 I'm not discouraged, I'm
 heaven bound
 I'm just a pilgrim in search of
 that city
 I want a mansion, a harp and
 a crown.

FROM THE EARTHLY TO **A**

If our earthly house of this
 tabernacle be dissolved
 We have another one waiting
 Eternal in the heavens
 He said I go to prepare a
 place for you
 That where I am there you
 may be also

CHORUS

From the earthly to the
 heavenly
 From this body to our
 theophany
 From this old pest house to
 our Father's house
 That's a mansion He's built
 for you and me (2X)

In this body we groan
 desiring to be clothed upon
 With our new body celestial
 in the heavens
 So when this corruption shall
 have put on incorruption
 Then mortality shall be
 swallowed up of life

Soon we'll lay aside this old
 ragged robe of flesh
 In exchange for a glorious
 one prepared in the heavens
 And at the resurrection at the
 sounding of the trump
 Our bodies will be glorified
 just like Jesus

928**THERE IS NO BETTER PLACE** **G**

There is no better place
 Than to be where we can
 Look upon your face
 In Your church we're all
 alone
 No better place than to be
 before your throne
 God of comfort God of mercy
 Love that knows no bound
 I adore you
 Worship and bow down (2X)

GOING HOME **C**

I'm so tired of living in this
 sinful world below,
 So much pain and suffering
 everywhere you go,
 People dying all around,
 sickness and poverty,
 But I know it won't be long
 before we go to eternity.

There'll be mansions there,
 Joy and cheer,
 Love for eternity,
 There'll be streets of gold,
 Riches untold,
 Rest eternally.

CHORUS

Going home, going home,
 Going home to my
 theophany
 Going home, going home,
 I'll cast off this sinful body,
 Going home, going home,
 Where we'll live eternally
 Where the flowers never, ever die
 Where no tears will ever dim
 our eyes
 We'll sit on His throne
 And worship Him
 When we go home
 When we go home

We see many signs of the end
 time
 All around today
 And we know it won't be long
 Before we are changed and
 taken away
 Oh how I long to see His face
 How I long to hear Him say
 "Receive thy crown my faithful
 servant, you have overcome."

CHORUS**BRIDGE**

And at the midnight cry
 He's coming back
 And the dead in Christ shall
 rise
 And we'll go home, we'll go home.
 Where the flowers.....

THE TIME IS NEAR F

Jesus said there is a mansion
That he has prepared for me
And I'm tired of this old pest house,
I'm longing for my new body,
And deep within I can hear
His voice
Beckoning me to that place
I see end time signs all around
And I know soon I'll see His
sweet face.

CHORUS

The time is near can't you hear
Your Savior calling you to a land
Where we'll never grow old
So don't you bow, don't give in
Cause in a little while we'll
be going home.

Now through the Word I am
seeing
That before the world began
I was chosen to be His bride
I was always a part of His plan
And even though this world is dying
I will never be afraid
Cause in the twinkling of an eye,
I'll take my flight through the sky,
To live eternally with my King.

CHORUS

In a little while we'll be with the
Father
Can't you see Him smile?
In a little while we'll be home forever
In a while
Saints you must keep pressing on
And we'll be home in just a
little while.

CHORUS

Cause in a little while
We'll be going home
(In a little while we'll be with
the Father)
We'll be going home
(In a little while we'll be with
the Father)
We'll be going home where
there's no more crying, no
more dying
(We'll be going home.)
Where there's no more killing,
No more fighting
(We'll be going home)
Where there's no more sickness,
No more sorrow, no more pain,
No more tomorrow
(We'll be going home)

Don't you bow, don't give in
Cause in a while we'll be
with our King
Don't you want to go to that place
Where we'll never grow old?
(We'll be going home) (2X)

SNARED IN AN EVIL NET G

A mighty hunter is on the loose
He's capturing everyone he could
He found a way to connect the world
He's got them now under his control

Could you see how the trap is set
The whole world is caught in the net
Many think it's just a brand new
wave
But it's the return of the Global
Village
The mighty hunter has found the
way
To catch his prey in this evil day

CHORUS

But thank God we're free
He's given us eyes to see
So we could escape this evil
captivity

See the thoughts of a foolish man
He thinks he has such a very
good plan
But he's built on sand so his
house will shift
Cause his foundation's a silicone
chip

See how the world has gone
off to sleep
Through that window they took
a peep
The web has bound them
they can't escape
They're being taken through
Hell's gate

CHORUS

See how this hunter lures his prey
Enticing the world with the
words he says
Through Jezebel (he) evokes
laws, speaks lies
With painted faces it's all
disguised

But little bride this word you hear
Is to deliver you from his snare
Watch ye therefore and pray always
That you counted worthy to escape

RACE TO THE RAPTURE A

I'm in a race to the rapture
I've crossed Jordan's river
Now I'm running through
Canaan land
In the stature of a perfect man
On the mountain waiting for
translation
(Repeat Verse)

CHORUS

I'm running, I'm running
I'm running the race of my life
Got to meet that chariot on high
To take my flight into the skies
And I'm running, running for my life

Doubt and unbelief
They were heavy burdens
holding down my feet
But I laid each weight aside
By faith I got to catch this flight
And I'm running, running for my life

Faith, hope and charity
They were blazing down that
trail ahead of me
But I caught them on the
seventh peak
I put all things under my feet
And I'm running, running for my life

In that chamber of the pyramid
In that secret place with
Jesus is where I'm hid
You see He gave me a
sneak preview
Showed me I'm one of the
chosen few
And I'm running, running for my life

Pretty soon the chariot will
swing low
And when I hear that trumpet sound
Saints I got to go
Got to hurry I can't be late
My stop's at the pearly gates
And I'm running, running for my life

I've got to sing! I've got to shout!
You see those seven
thunders sounding, they
brought me out
My destiny's been revealed
I saw my name and I know
I'm sealed
And I'm running, running for my life

I got to sing! I got to shout!

You see those seven seals,
that mystery's what it's all about
Satan's scheme has been
unveiled
And the Bride she will prevail
So I'm running, running for my life

I've got to sing! I've got to shout!
The seven virtues, that's
what it's all about,
In perfection on that seventh peak
Is when this masterpiece will
speak
And I'm running, running for my life

Swing low, sweet chariot,
swing low
Soon that trump will sound
and saints I've got to go
Got to hurry I can't be late
My stop is at the pearly gates
So I'm running, running for my life

THE BATTLE IS ON Em

Blessed are you oh Lord our God
Eternity's only King
In the beginning when God
thought of man
He was perfect before Him
But He knew that man will fall
So a way was made for Him

CHORUS

Then the battle was on
The battle is on
The Lord has descended
He's come
The battle is on
The battle is on
For the day of our Lord has come

Now we can see God's plan
For His thoughts was to
redeem man
The book of Daniel is now
made plain
Two kings, two kingdoms,
but one will reign
For the beast is taking his throne
But with Michael we will stand again

My peace I give to you
For you are my chosen few
Though the battles seem
hard and long
By my word you will overcome
For great is our Lord
Who has fought to redeem us.

GETTING READY C

I hear the sound of the buckboard
Coming in the distance
For He has made to me a promise
That I am His Bride
I am getting my things ready
to go on home

CHORUS

For I am hearing the chariot
swinging low
Swing low, swing low
I am getting my things ready
to go on home

I'm leaving this sinful world behind
Where moth and rust corrupt
I am getting my things ready
to go on home
I am leaving this sinful world
behind
With vain dreams and aspirations
For I'm going to a better land

For I am getting faith, virtue,
knowledge, temperance
I am getting these things
ready to go on home
I am getting patience,
godliness, brotherly kindness
I am getting these things
ready to go on home

I hear the sound of the buckboard
Coming in the distance
For He has made to me a promise
That I am His Bride
I am getting my things ready
to go on home

I'm leaving this sinful world behind
Where moth and rust corrupt
I am getting my things ready
to go on home
I am leaving this sinful world
behind
With vain dreams and aspirations
For I'm going to a better land

BRIDGE

And most of all His love
The Capstone Revelation
I'm dressed in the beautiful
gown of His Word
For I know for sure that
He will keep His promise
So I'm getting my things
ready to go on home

WE ARE UNITED F**CHORUS**

We are united in Jesus Christ
We are the soldiers of the light
We don't wrestle flesh and
blood
But principalities of the dark
We too are marching to one
beat
Crushing the enemy under
our feet
We are mighty in our stand
With God's word in our hand.

In our hearts, we have a vision
And we've made our decision
To show the father's love
With great power from above

Let us reach this generation
Every tribe and every nation
For we've overcome the world
By the blood of Christ the Lamb

CHORUS**BRIDGE**

The Lord our God is our
sword and shield
To fight our battles on our
knees (repeat 3x)

CHORUS

LORD WE COME TO YOU D

I come into your presence
Asking for your grace
Praying that you will give me
strength
To live for You each day
On bended knees I cry out
Lord come and have your way
Cause by myself I'm nothing
Lord, I need you more each day

CHORUS

Lord we come to You
Giving our lives away today
We are pouring it unto the ground
So we could never take it
back again
And we're asking You to come in
And fill our hearts
With Your Holy Ghost
Right now, right now

We are end time Esthers
Exploding supernovae
Willing to lay down our lives
As a living sacrifice
And we are time Daniels
Praying without ceasing
Eyes focused on the vision
Through every condition

Lord we come to you
Giving our lives away today
We are pouring it unto the
ground
So we could never take it
back again
And we're asking you to come in
And fill our hearts
With your Holy Ghost
Right now, right now

We are the shining lights
For the souls today
Who are stumbling around
In spiritual darkness
And need to see Your way
But by ourselves we cannot shine
So we need You in our lives
And like the moon reflecting
The sun's light
We'll reflect Your Light

We'll shine out bright

Lord we come to you
Giving our lives away today
We are pouring it unto the ground
So we could never take it
back again
And we're asking you to come in
And fill our hearts
With your Holy Ghost
Right now, right now

BRIDGE

He healed my body
He healed my soul
He has cleansed and made me
He has made me whole
And I know He's with us
He is so close
Something is happening
Right now,
Don't you feel Him moving
He is in this place
Right now, right now

And we're asking You to
Come in and fill our hearts
With Your Holy Ghost
Right now right now (x2)

YOU ARE HIGH AND UP... A**CHORUS**

You are high and lifted up
You are high and lifted up
You are high and lifted up in
this place
Because of all your love and
mercy, because of your
amazing grace
You are high and lifted up in
this place

We are gathered at your
throne to give you praise
Behind the veil into this holy place
Because your blood has
washed away our sins
It's a joy to walk right in
To see your glory everyday
To bless your holy name

TIL I GET TO THAT PLACE G

Sometimes you may feel like
you're going under
And there seems to be no way out
People may say that your
God has left you
Why do you still keep holding on
But there's a course that is
set before me
I'm not giving up, I'm looking
ahead
And I know I must keep on
fighting
I've come too far to turn back now

CHORUS

I'll keep on pressing till I get
to that place
To the mark of the high calling
In Christ Jesus we'll stand still
The road is narrow but I will
still run for my Prize
Just to sit one day at His side
When I get to that place

He never said that it would be
easy
But He gave me something to
stand
His Word still keeps holding me
While living in this evil land
And though the whole world
is crumbling around me
My eyes are fixed on the Prize
So Lord take me and
completely fill me
Get me ready to take that flight

COME INTO HIS PRESENCE C

Come into his presence with
thanksgiving in your heart
and give him praise
Come into his presence with
thanksgiving in your heart
our voices raise, voices raise

Give glory and honour and
power unto him
Jesus the name above all names

VICTORY IS SURE A

Keep your eyes on the prize
Keep looking towards God's
vision
For perfection is the mark
that we must attain
Refuse to be compromised
By the enemy
For God has made you His
standard
There will be no defeat

CHORUS

For victory's sure
Yes victory's sure
My God has already given us
the power
To overcome the world and its evil
Now we are on that
homestretch run
Behold the finish line is in view
So keeping pressing towards
the mark of the high calling
in Jesus Christ.

As this world, this cosmos
gets darker
Men's heart become more evil
May the Light of His glorious
gospel illuminate our lives
For a sacred responsibility
Has been entrusted to us
To get home the King's message
To those who are part of Him

BRIDGE

We look forward to a new day
Breaking around us
We see it now breaking
between heaven and earth
From an earthbound sickness
And troubled world
Unto a bright shining day
Of an immortal life
And immortal body
An immortal earth that can
never pass away
So lets finish our course with joy.

SING UNTO THE LORD Em

Lord it was you who rescued me
You saved our souls,
provided our every need
Lord we were lost but by
grace we were found
That's why today we can
stand on holy ground
And though the world may
never ever understand
Why we sing, why we lift our
hands,
And there are still many,
many who fail to see
That's it's not us but Jesus in
you and me.

CHORUS

Sing unto the Lord shout His
praises
He's our conqueror, our
deliverer, our strength,
Sing unto the Lord, your
redeemer
From the ends of the earth,
we lift up our voices in
praise.

Lord it is you who comforts
me
In pain and suffering tender
mercies we see
We'll not complain, all we
can do is praise
With our hands and our lips,
our voices to you we raise,
We know that demons flee at
the mention of your holy
name
So shout to the Lord, let us
his name proclaim
Now with one voice we will
march, we will sing
Those Jericho walls will fall
never to rise again.

HE DIED FOR ME G

Broken, mocked and scorned
Is a man hanging from a cross
With a crown of thorns
Who is He this man who died for
me
The given son who was born to
die
So we could be redeemed

CHORUS

He died for you, He died for me
He took my place and He
bore my shame
That day on Calvary
The bleeding one, the Holy Son
What kind of man is this would
walk this road alone Jesus

It was supposed to me
Hanging from that tree
I was the one who crucified Him
I don't deserve mercy
But when we come to drink from
the cup And when we come
to eat the bread
We remember You, we
remember love
We remember your amazing
grace

BRIDGE

I didn't see but I believe
Yes I believe

YOU ARE GREAT C

You deserve the glory and the }
honour }
Lord we lift our hands in worship }
as we praise your holy name }2x

CHORUS

For you are great }
You do miracles so great }
There is no one else like you }
There is no one else like you }2x

944

I FEEL THE PULL F#m

I see a world that's judged
 I see a dying world
 I see the need for the word
 to be manifest
 A way is open unto us
 An entrance into another world
 An evolution from the dust to
 the stars above
 Giving quickening power
 By the hearing of the word

CHORUS

I feel the pull inside of my
 celestial home
 The deep in me is drawing me }
 To that eternal place }2x

There is a cry for revelation
 A need to know as we were
 always known
 For it won't be long again
 You can see we are at the end
 Slack not your riding
 Continue to sigh and cry
 You must have that token
 To take that heavenly flight

Though we've grieved by
 various trials
 That the genuineness of our
 faith may be tried
 For at the end of our faith
 We'll receive salvation for
 our soul
 A glorious body a son in the
 image of the word
 United with theophany
 We'll be one with the living God

BRIDGE

I see a world that's judged }
 No where to run no were to hide }2x
 Our only escape is the faith inside }

945

THE DECISION IS YOURS TO... G

I have heard about some people
 They're written of in the Bible
 How God promised them a
 land beyond the Jordan
 But some had their own ideas
 They were thinking of their
 own affairs
 At the borderline they settled
 down

CHORUS

But where do you choose to live
 What benefits does it have to
 give
 Is it an investment in eternal life
 Or keeps you at the border line
 The decision is yours to make

We can have lots of fancy things
 We can live close to earthly kings
 Like Lot you can be famous
 in Sodom
 Just remember there'll come
 a time
 When those things won't be
 worth a dime
 When the fire falls it will all
 be burnt up

Friends if we want a deeper life
 We got to make a greater
 sacrifice
 We have to be more sincere
 This would mean a lot of
 shaking down
 But we really have to move on
 By grace alone we'll make it
 there

946

COVER ME, COVER ME C

Cover me, Cover me,
 Extend the borders of thy
 garment over me
 For thou art my nearest kinsman
 Cover me, Cover me, Cover me,

947

I WILL KEEP YOU G

Temptations great but the
 Lord has given us faith
 To overcome, the battle's won
 Depends on how you see
 yourself from day to day
 Full of guilt, condemnations
 and shame
 But God don't see you that way
 You just have to confess to him
 He'll never leave you He'll
 stay with you all the way

CHORUS

I will keep you in your times of
 trouble
 I will keep you in your times of need
 I will keep you for I'm your refuge
 I will keep you for you are part of me

Keep your eyes on the prize
 Refuse to compromise
 You Esthers and Daniels
 For this final ride
 Rise up and complete the
 work that he's bestowed on you
 And just forget what you're
 going through
 You just do his work and he'll do
 yours
 We're fighting a battle, fighting a
 cause
 To get all the souls that we have
 to find
 God's determined not one
 hoof will be left behind
 God's determined not one
 hoof will be left behind

Lord at these junctions how
 we need more of your unction
 To function the way you want us to
 As prophesied, the bride of
 Christ will know what God wants
 done
 To fulfill this word, this eternal truth
 For we are the mystery being
 revealed
 The Seven Seals of our lives
 are no longer sealed
 We are the word made plain
 manifested in flesh again
 We are the word made plain
 manifested in flesh again

CHORUS

I will keep you in your times of
 trouble
 I will keep you in your times of need

These are the promises
 given by the Holy Spirit
 I will keep you for you are part of me

948

FULL REDEMPTION F

Lord with one foot on land
 One foot on sea
 You brought redemption for me
 I was lost and undone
 But thank God your grace
 Has indeed really found me
 And you gave to me
 Eye salve that I may see
 How great you are
 And what you've made me to be

CHORUS

Full redemption
 I found grace in a time of
 judgment
 The stone that the builders rejected
 Has become the chief stone
 of my life
 For he has gone to prepare a
 place
 That where he is I'll be there
 For all eternity.

I see a world held in darkness
 O there is so much evil around me
 But Lord with you I am standing
 For I know that soon your
 kingdom
 Will be ushered in
 Continue to break
 Every kingdom in my heart
 Till I only be your living word
 manifested

BRIDGE

I'm waiting with great expectation
 For my Lord Who I shall see
 Soon I will slip from time
 Into eternity

Full redemption
 Lord I thank you for your
 grace that found me
 Full restoration you promised
 Lord I hold thy word close to
 my heart
 Soon I will be in that perfect place
 Where there's no more time
 No sorrow
 No more sickness and pain
 No more sin and temptation
 Only peace, joy and love
 For all eternity
 For all eternity

RETURN OF THE SPRING SON D

The bible opens with the
Seventh Seal
Though it took such a long
time to be revealed
In the earth there were seeds
God called for light and when
He said 'Let there be..'
The seeds were quickened
and they sprang forth
Out of a darkened earth they
were called
To manifest the life that lay
within
Their Creator was glorified in
them

At the rising of the S-U-N (3x)
Life springs forth

When Jesus died they laid
His body away
But He was destined to rise
again and on third day
A Mighty Angel descended
from heaven
To give witness He was the
new creation
Twas the first dawn and the
first sunrise (A dual sunrise)
Quickening power brought
His body to life
In victory He marched
through death's door
The saints of old arose and
walked on earth once more

At the rising of the S-O-N (3x)
(A dual sunrise)
Life springs forth

I sat with Job as he lay on the
ash pile God said
Let nature talk to you for a while
We saw hope for a tree when
the stock die in the ground
At the scent of water it will
bud (and bring forth)

The greatest vision broke to
us right there
We saw the resurrected
Christ appear
Death's wrath was just like
winter, it must go
We came forth with a
testimony of 'I know'

At the return of the Spring Son (3x)
(And the immortal season)
I'll come forth

We saw the risen Christ
when the Cloud appeared
On sunset mountain He met
with us there
Said I'll return according to
the time of life

In this second cycle we see
life signs in the bride
Then He appeared again in 1976
Opened our understanding
to the holy script
He made Himself known in
the breaking of the bread
Quickened our minds to our
promise and our lives to our age

It's the return of the Spring Son (3x)
And we've come forth

As in the beginning so is it in the
end
We are now walking in Revelation
10
We heard the shout, we're
now in the voice
Evening time resurrection surely
is on

He's now unveiled and to us
He appears
Manifestations show His
personal presence is here
We're waiting for the
sounding of the last trump
The sleeping saints will rise
and we'll be raptured up

It's the return of the Spring Son (3x)
And we've come forth

THIS IS YOUR HOUSE F

We dedicate this temple to
you Lord
Let your glory fill this sanctuary
Be enthroned on the praises
of your people
Lord we agree in unity

This is your house, Father
come and dwell
This is your house, a holy
house of prayer
Where the lost and the lonely
Take their burdens and their cares
This is your house, this is
your house
Come and dwell.

Holy spirit overflow this place
Dedicate our halls with grace
and mercy
Let healing and redemption
find searching souls
Lord have your way we
humbly pray

BECAUSE OF WHO YOU ARE G

Because of who you are I
give you glory
Because of who you are I
give you praise
Because of who you are I will
lift my voice and sing
Lord I worship you because
of who you are
Lord I worship you because
of who you are

Jehovah Jireh, my provider
Jehovah Nissi, Lord you
reign in victory
Jehovah Shalom, my prince
of peace
Lord I worship you because
of who you are
Lord I worship you because
of who you are

YOU'RE ALL THAT I WANT F

Have you really thought
How wonderful is our Lord
Jesus Christ
He redeemed us by his
precious blood
We are his purchase price
For I know what I was
And you know where he took
you from
We were sinners bound in
chains
Lord we didn't know we had
Your name
We thank You Lord Jesus
We thank You Lord

CHORUS

You're all I want heavenly
Father
You're all that I need
Lord we worship You in the
beauty of holiness
For what Your Word has
done for us
We hide it in our hearts
We will not let the enemy
steal it away
You're all I want Heavenly
Father(2x)

And now the Word speaks of
Boaz
And the redemption of Ruth
We're the reality of that mystery
That is revealed in you and me
Now we know who we are
And what we were raised up for
Oh Lord, you cover me
Lord Jesus you cover me

You are the great Kinsman
Redeemer
The Mighty One of wealth
In whose sight we have
found grace
We know You will not rest
Until You finish the work that
You began in us
We are Your bride, Jesus

MY FAITH IS ZEROED D**CHORUS**

My faith is zeroed to the change
I'm not just talking about
being born again
But I'm looking to the unseen
That's where I have seen my
Lord's appearing,
The sleeping saints they are
just waiting,
They are waiting on us to
catch the Lord's thoughts to
draw them out of the earth

God, He made Abraham a promise
Out of thee I'll make a great nation
He had no seed to bring the
promise
But by faith he did believe
And by covenant God sealed
that promise
Abraham knew the time will
come When his body will be
changed
He'll be young again
So he waited at the tent door.

The apostles they just waited
They waited for that blessed
hope They seen the grace
that's been given
Unto us in this age
For in their time they seen
His appearing
And He gave them the Holy
Ghost Now at His second coming
His power He's giving to
raise them out of the earth.

And to His bride He's now
unveiled Now she sees Him
face to face,
He has descended in the clouds
Just as He said He would
return And now you see Him
He's in the pulpit
He is revealing all the secret
things He's giving rapturing
grace to quicken your faith
So your theophany would
pick you up.

LORD I AM COMING INTO.....**Am**

Oh Aba Father
There's a request I'd like to make
The crooked parts of my life
Can you come down and
make them straight
Oh how I desire to be your
temple
Consecrated and pure, set
aside, for your use
And nothing more
How I desire to see your stature
Every time I glance at the mirror
Oh your perfect Image
shines forth
Out of my life, out of my life
So I can boldly say

CHORUS

Lord I am coming into you
In the stature of a perfect man
I'm coming into you
In your image and your likeness

Oh! Oh! Father here I am
I lay before your altar
My all I surrender
Oh perfection, how long
I await translation
The seven steps of the pyramid
The stature of a perfect man
Faith my foundation, Virtue
my strength
Knowledge my
understanding, Temperance
my peace
Patience my rest, Godliness
you in I manifest
Brotherly kindness, Love and
forgiveness
Then you inside my temple
Forever make your domain
So I can boldly say

ARE YOU LOOKING FOR HIM D

There was a man in
Jerusalem Simeon by name
Awaiting the consolation of Israel
And it was revealed to him
by the Holy Ghost
That he would not see death
Till he see the Lord's Christ
the Anointed Word
Led by the Spirit he came
into the temple one day
And Jesus was brought in as
was the custom of the law
Simeon took him up in his arms
And he blessed, yes he blessed
the God of heaven
Cause what he has been
looking for
He now held in his possession

CHORUS

Are you looking for Him }
He hath appeared and yet will }2x
appear }
To us who look for him }
He'll appear another time }

After dark denominational
ages Seven to be precise
We saw a vision of Angels and it
testified of a risen Christ
It's been about two thousand
years
Since He give us that word
That as He ascended, in like
manner he will return
Twas February 28th 1963
A cloud appeared 27 miles
high,
30 miles across
This truly fulfilled Hebrews 9
and 28
He appeared again having
obtained full redemption for you
and me

MONOLOGUE**Our prophet suffered 42
long years**

*For deliverance he prayed, he
cried he was so distressed
The doctors told him he'll
never be well
But that was as far as
medical science could tell
He once saw a vision of what
went wrong
But he also heard a voice
saying 'it's only six inches
long'
Mama's dream showed six
doves But that was
incomplete
For it was the 7th dove he
really, really longed to see
And it was early one
morning when he awoke
And he saw his deliverance in
a vision that broke
He went up the Catalina in
obedience to that voice
Where he saw his dead
enemy and that 7th dove
And this is what he said*

As a son of Abraham I consider
not what the doctor said
We know surely God give
him his full deliverance

CHORUS

Brethren think of that
situation you are faced with
even now
Call to remembrance the word
God spoke through His servant
Your enemy is dead, he's still
dead, Redemption message of
Grace
Has come to us on the wings
of that 7th dove
Now exercise thy faith for
there's power in true
confession
Break through all hindrances
into the supernatural
And experience the results
that follow angelic visitation
For surely He's here to meet
your great expectations!

SOMETHING SO BEAUTIFUL G

The sycamore tree by the wayside
 Was made to give man shade
 And the lily of the valley
 Was meant to bring you praise
 The precious rose of Sharon
 speaks of Calvary
 And I wondered could there
 be anything
 That You could make or use in me
 But then the Son came out
 one day in all His glory
 And I felt in me a change
 And I knew right there and then
 The way I was dying
 That I was being born again

CHORUS

Something so beautiful,
 Something so wonderful
 You've made me so much more
 Than I ever thought I could be
 By the rising of the Son
 New life in me has begun
 Something so beautiful
 You have made of me

Now I'm rooted in Your garden
 Your grace all men can see
 I bear the fruits of the Spirit
 I have faith, hope and charity
 My leaves are green with
 fellowship
 And my bough goes over the wall
 And like a tree planted by the
 rivers of water
 My life will testify to all
 And I'm nurtured by Your tender
 hand, fulfilling your purpose
 I'm part of Your great plan
 For that rising Son has
 brought resurrection
 And redemption unto man

BRIDGE

Something so great, something
 so new!

A life that gives all praise to You
 A work of grace, made by
 Your hands
 Molded and crafted for Your plan
 And I've been redeemed
 I've been sanctified
 And now Your spirit lives inside
 For you've made me so
 much more
 Than I ever thought I could be
 By the rising of the Son.....
 New life in me has begun
 Something so beautiful
 You have made of me

957

JUST BECAUSE HE'S GOD F

When I come into his
 presence
 I humble myself
 I lift up both my hands
 And I begin to worship him
 I worship him

When I come into his
 presence
 I humble myself
 I lift up both my hands
 And I begin to worship him
 I worship him
 For what he's done for me
 Redeemed and set me free
 And because, just because
 he's God

When I come into his
 presence
 I humble myself
 Remembering what he's
 done
 The victories he has won
 I praise him (2x)
 For what he's done for me
 Redeemed and set me free
 And because, just because
 he's God

THOUGH WE ARE TESTED F

We walk by faith and not by sight
 Our eyes look to the unseen
 The Lord Jesus Christ
 For He has promised
 That we will reign with him
 But the pathway to glory is
 through suffering
 So count it all joy when you
 fall in divers temptations
 For it's only to bring you to
 that perfect place

CHORUS

Though we are tested and
 we are tried
 Yet in the midst of it all
 We can have peace of mind
 For the trying of our faith
 worketh patience
 For in my lowest valley He
 restoreth my soul
 He gives me strength to
 keep pressing on

Sometimes we pray oh Lord
 please take our lives
 We just can't go on we don't
 know what to do
 But in that hour we found a
 juniper tree
 Where the Angel comes to
 strengthen for the journey ahead
 For in our weakness His
 strength is made perfect
 And His Grace is sufficient for us

959**YOU ARE THE LOVE OF MY... D**

You are the love of my life
 You are the hope that I cling to
 You mean more than this
 world to me
 I wouldn't trade you for silver or
 gold
 I wouldn't trade you for riches
 untold
 You are, you are my everything

MY PRAYER A

History is repeating
 But it's much greater now
 For a greater than Ruth is uniting
 With her Kinsman Redeemer
 This is the harvest time
 We've seen the Lord of the
 harvest appear
 But to come into full union with
 Him
 This is my prayer

CHORUS

This is my prayer
 This is my cry
 I want more of You
 No matter the price
 Total separation, Lord
 Not my will but Thine
 Take me up those seven steps
 Till in Your image I stand
 Take me up those seven steps
 Till in Your image I stand

Thresh the chaff around my life
 So I'll be a pure grain
 With no hidden sin deep within
 To hinder You from coming in
 All I want is You my Lord
 So please empty me I pray
 Because I know the more I
 empty out
 Is the more that You can fill

CHORUS**BRIDGE**

Wash me, anoint me
 Lord take full control
 Separate my soul
 So I can be
 A true eagle Nazarite in this
 hour
 The new crop that has grown
 out
 With Your power

LORD COME C

In the days when the Roman
empire is revived
And the beast is given power
In the time of economic wars
and strife
I set my face towards heaven
T'was at that time that I heard
for the angel in the pulpit
Saying arise Oh Daniels
Seven Church Ages are all gone
The gentile days are over
Arise and do your work

So I press towards the mark
Of the high calling in Christ
With my eyes fixed on the prize
I can't afford to compromise

CHORUS

So I cry Lord (Lord come)
Nations now are breaking
(Lord come)
Signs of judgments falling
(Lord come)
How do I make it through the night
(Lord come)
And I cry Lord (Lord come)
The enemy's approaching
(Lord come)
I need Your Holy Spirit (Lord
come)
I want to see the vision right
(Lord come)
I need a manifested life

Yea do I walk through the
valley of death
I shall fear no evil
For I know when the enemy
comes like a flood
I'm raise as a standard
And though I see many fall to
my left and my right

I'm focused on the vision
I will not be defiled with the
meat of the king
My God sustained me
And he will deliver me

And I press toward the mark
of the high calling in Christ
With my eyes fixed on the prize
Can't afford to compromise

CHORUS

And I cry Lord (Lord come)
Nations now are breaking
(Lord come)
Israel is awakening (Lord
come)
The pale horse riders rules
the land (Lord come)
And I cry Lord (Lord come)
I need your Holy Spirit (Lord
come)
I need to know your will in
me (Lord come)
I want to see the vision right
(Lord come)
Give me a manifested life

And I cry Lord (Lord come)
I see genocide and warfare (Lord
come)
Men's hearts are failing for fear
(Lord come)
Let our lamps be filled and clear
(Lord come)
And I cry Lord (Lord come)
Soon I'll leave this body
(Lord come)
That's constantly against me
(Lord come)
And very soon I'll take my
flight (Lord come)
Till then I'm running for my
life

THANK YOU LORD D

I saw the S-u-n go down yesterday
And in it's place darkness appeared
I saw the grains of wheat
awaiting the Sun's return
Without the promise of the Sun light
They know they'll surely die
And after time and time had passed
I saw a little sunlight at last
A little more, then a little more
Then a little more sunlight than
before
But at the breaking of a brand
new dawn
I saw the fullness the risen Son
I remember what God had done
for me
When He took my sins to Calvary
Thank you for a faithful resurrection
Oh what a blessed consolation
When I found nothing of worth in me
You broke the seals of Calvary

CHORUS

Amazing Grace how sweet the song
I was lost but now am found
And there is nothing going wrong
Thank you Lord
For the rising of the Son

I saw the S-o-n go down at
Nicea Rome
Before Paul left at Ephesus
He said there'll appear grievous
wolves
The serpent found a way to
break the Son's influence
He preached his doctrines of lies
So down and down the gospel went
He showed a little light in Smyrna
And many saw Him at Pergamos
But less light in Thyatira age
And Luther saw him in Sardis age
It was 1750 a man by the
name John Wesley
He saw a little Son-light in
Philadelphia
And many saw it at Laodicea
But at the breaking of a
brand new dawn
The Son came clothed in a Cloud
With one foot on sea and one
on land

The fullness of the Son was
in the Son of man
Thanks for Revelation 10-7
That man called William Branham
He took the mystery of the risen Son
To every kindred and nation

CHORUS

Amazing Grace how sweet
the song
They that were lost then they
were found
He gave the blind the eyes to see
And they were thankful
For the rising of the Son

The Son rose in Trinidad one day
June the 3rd at Cocoyea
To God's servant at evening time
The fullness of the Son light
began to shine
Saying it's no longer a one-man
ministry
The Son is risen in you and me
Revelation 10: 8-11 to you
the Son light was given
And at the breaking of a brand
new dawn
We were called out by the risen Son
We have the Son in reality
We have our own testimony
We saw the Son rose in Guyana,
Tobago, St. Vincent, Grenada,
St. Kitts, Dominica, St. Lucia
And someday it will rise in Antigua

CHORUS

Amazing Grace how sweet the Song
We were lost now but now we're
found
He broke the bondage upon our
lives
And present us as the Lamb's wife

CHORUS

Amazing grace how sweet the song
We were lost but now we're found
He broke the seals upon our lives
And present us as the Lamb's wife

CHORUS

Amazing grace how sweet the song
We were lost but now we're found
He's given us the eyes to see
That we're the Son's beneficiaries

EVEN SO COME LORD JESUS...A

Modern event have become
 clear by vindicated prophecies
 History is repeating itself on
 the earth
 God and man are being united
 Ahab and Jezebel they are
 married
 Church and politics mixed
 together
 As written in the Fourth seal
 The world has rejected the voice
 Of its messenger for the last days
 They have sat and drank and
 eaten the food
 Served from Jezebel Rome
 But in the days when the towers
 fall
 When God judges Ahab for his
 sins
 Who is able to make war
 against Jezebel's false religion
 There must be a people like
 Micaiah
 Who'll look back to Elijah's word
 And though the system
 comes to steal their lives
 They can't deny God's word
 And they will say

CHORUS

Even so come Lord Jesus
 Even so come Lord
 Even so come Lord Jesus
 Even so come Lord Jesus

The world again is falling apart
 And the signs are everywhere
 Signs of famine, wars and
 pestilence
 As men's heart fail for fear
 Disobedience brought their
 judgment
 And rejection brought their
 curse
 Yet once again man crucify
 the seed of God on earth

And there shall be another
 performance
 Of all diabolical cunningness
 and cruelty
 As the vesture drips with blood
 Yet the word must be fulfilled
 And in the days when the
 towers fall
 And the white horse rider rides
 And the beast is given power
 To steal kill and destroy
 Yet there is a mighty people
 Walking with the faith of God
 Faith for healing faith for power
 And translation in this hour

I'LL PAY THE PRICE D

Talk about heaven, we sing
 about theophanies
 We want to change dimension
 Lord how we long for our
 new bodies
 And there's a price I must pay
 The cost is neither riches
 nor gold
 All I have is my life that I
 want you to mold

CHORUS

I give my life, I'll pay the price
 Just to be close to you, Lord
 let me die
 Full surrender, laying it all on
 the altar
 Just to be more like you
 I'll pay that price

Sweet Holy Spirit come now
 and fill me
 And take away anything
 That you know would hinder me
 Though many times I'm
 weak in my body
 And I suffer so much pain
 All I want is to be completely
 sold out to Him

BRIDGE

We know that in death is victory
 Yes it will be worth it all
 When I stand in glory
 So take all of me

WE ARE LIKE JOSEPH D

Joseph was a little boy
 A little boy was he
 When his brothers hating him
 Sold him into slavery
 And though everything
 seemed to go wrong
 He knew God had a plan
 So on the unfailing Word of
 God he did stand

CHORUS

We are like Joseph, a fruitful
 tree
 Christ is living in you and me
 And though we are tested
 and we're tried
 We won't be turned aside, Oh no
 And though the enemy
 Comes in like a flood
 We see our end before us
 So we will not compromise
 We'll keep our eyes
 On the prize

We serve a mighty God
 And He gives us faith to stand
 And in a world that's cold and
 dark
 He's holding to our hands
 And though sometimes
 Every thing seems wrong
 We know God has a plan
 So on the unfailing Word of God
 Here we stand

CHORUS**BRIDGE**

Our branches run over the wall
 Into every nation
 And though the archers hate us
 And shoot at us
 We know the battle is won

BORN FREE B

I stood in the barnyard
 looking around
 At the chickens picking on
 the ground
 And something inside kept
 telling me
 I was not earthbound
 Then one day I heard my
 mama scream
 What's the matter with you
 Why do you live in a dream
 You are an eagle
 You were born to fly

CHORUS

Now I'm flying where no
 other bird can fly
 In a supernatural
 atmosphere high in the sky
 Seeing things that I've never
 seen
 He is taking me places I've
 never been
 And the higher I go is the
 more I see
 I'm now living in the reality
 I'm an eagle
 I was born free

Higher and higher I rise each
 day
 I'm rising to a perfect faith
 Rising on a mighty rushing
 wind
 Rising above the rhythm of
 the music
 Rising above the clapping of
 hands
 Rising above the joy of the
 saints

BRIDGE

The devil tried his best to
 cage and deceive me
 But then God sent His Word to me
 He delivered me
 And he's given me a law
 inside to fly
 And soon I'll soar through
 heaven's door

THE ACCESS **D**

What is it with the secret of
the access which Abel found
When man was lost and fell
away from God
This shepherd brought a
sacrifice of blood
The tree of life by then was
sealed But as he
approached he held the key
That opened up the way to God
He could have fellowship
With the father once more

What is it with this secret
Enoch caught the revelation of
That he built the pyramid
Encrypting things for ages to come
This way through blood
revealed to him
Seven steps to the chamber of
the king
He walked with God and was
not found
He transcended dimensions

It was the same access
shown in Jacob's dream
The gate to heaven to him was
revealed
Angels passing to and from with
messages for the redeemed
Oh what great value is
the access given you and me
The secret of the access (3x)

What is it with the secret of
the access Paul unveiled
He showed that lamb was Jesus
Christ
How He became our perfect
sacrifice
And the work done on the cross
Completely redeemed
Adam's race that was lost
Access by faith into this grace
We now have peace
With the father once more

What is it with the secret of the
access our prophet had
That formed him in the image again
The stature of a perfect man
The spoken word made
manifest Was displayed as
evidence
Seven seals opened up the
way Bringing man across the
chasm again

We gained this access when
the cycle returned
By Him decrypting to us the
language unknown
Entrance ministered abundantly
The pathway to glory is clearly
seen
Angelic ministry initiated us
into this mystery

BRIDGE

The secret of the access
which Abel found
He brought a lamb
The secret Enoch caught a
revelation of
Transcending dimensions
Job's channel of communication
he got by inspiration
I have heard but now I see
The access Abraham received
Was bread and wine from
King Theophany
The secret of the access in
Jacob's dream highway to heaven
Moses used this access and
the Red Sea was opened
The secret of the access Joshua
found

He spoke and stopped the sun
The secret of the access
through sacrifice
Elijah brought the rain
In God's library Daniel's saw
the king's dream
Prayer and faith was the
access key
The secret of the access Paul
unveiled
The perfect sacrifice
The secret of the access
Brother Branham had
Spoken word created squirrels
The secret of the access
Hattie Wright received
She struck the channel God
responded
The secret of the access
Revelation 10:7 had
The secret of the access
Revelation 10: 8-11 has
The Bride's open channel of
communication by inspiration
You Queen Esther has
The secret of the access that we
have
The secret of the access

Oh what great value is the
access given you and me
The secret of the access

OVERCOMERS **A**

Seasons change, new life
springs forth
Showing signs of resurrection
The germ of faith lay
dormant in your soul
It's now growing to perfection
The challenges you face
Are not worthy to be
compared with the glory He
sees in you
Because you've kept the faith
A stranger did not follow
You believe in who was sent

CHORUS

Over-comers, over-comers
You've wrestled with the angel
Till He changed your name
Over-comers over-comers
Your life depict the scriptures
See God is still the same
As He was yesterday

Living epistles read of all men
Prisoners for Jesus
You hold this mystery so
dear to your heart
It's now becoming tangible
No longer words on a page
But a living reality God
expressed in you
Because you know who you are
You'll triumph over darkness
You'll triumph over fear

BRIDGE

And as you're walking your
life depict the scripture
We know the mystery of God
is Christ in you
And when you're speaking
you speak with revelation
Revelation 10: 8 to 11 that's who
you are

CHORUS

Overcomers, over-comers
Refuse to let the devil rise
And shake you from your place
Overcomers, over-comers
Your life depicts the scriptures
See God is still the same as
he was yesterday

WE WILL MAKE IT THROUGH C

Thank God I understand
when I wake up every morning
And the devil comes to me
and he tells me I'm not bride
Tells me I won't make it
I don't have what it takes
Look at what you have done
Look at your mistakes
But praise be to God for the
precious blood He shed
On Calvary for a sinner like you
and me
So when your enemy comes
to take away your faith
Point him back to Calvary
where the price was paid

CHORUS

If we weren't meant to be bride
We wouldn't hear these secret
things
We won't be still standing here
Serving God with our everything
Didn't He promise us a new
body change
Can you feel it now
It is your theophany
There's a voice inside of me
saying we'll be leaving soon
So press on by the grace of God
And we will make it through

There is a place prepared for
you and me
It's called our future home
Where we'll live eternally
And though the battle here is
raging
With eyes of faith I see
The bride of Christ, New
Jerusalem Oh what a glorious
city
Nothing is going wrong saints
Just stand still and see
The mighty hand of Jehovah God
In the lives of you and me

970

AS WE ENTER IN YOUR... Bb

I desire to seek You oh Lord
And to dwell in Your house
To behold the beauty of You Lord
To manifest the living God

CHORUS

As we enter
In Your presence oh God
And praise Your name
Oh Lord most High
As we lift You up
May You fill us oh Lord
As we give to You
Our worship and praise

Isn't He Almighty God?
And the Great I am
Who deliver us
From the enemy's hands
So we come to You
To give You thanks

BRIDGE

So fill us now
With Your Presence oh Lord
As we lift Your name on high (2X)

971

WE MUST RISE UP D

We must rise up
And complete the job
Keep our eyes fixed
Upon the prize
Refuse to be compromised
By the enemy
We must rise
We must rise
We must rise

We must rise up
Over the horizontal realm
We must rise up
To our theophany
To meet our Saviour
Way up high
We must rise
We must rise
We must rise

To the churches wide
We say shalom
Shalom, shalom, shalom

972

HOLY IS THE LAMB C

We come before Your face
Knowing by Your saving
grace
The Lamb was slain
A sacrifice was made
Now the veil is rent in twain
And we can come again
Into Your presence
To glorify Your name

CHORUS

With our voices we sing
A new song to our King
Singing holy
Holy is the Lamb
With our hands lifted up
We will praise and shout
For he alone
Is worthy to be praised
He is worthy
Worthy to be praised

As we come into Your house
We'll sing and we'll rejoice
Oh Thou most high
Your name we glorify
We will praise You night and day
We will praise You come
what may
And though we're small
To You we give our all

BRIDGE

We will praise Him in the
lowest valley
We'll praise Him on the
mountaintop
Cause we know that when
we praise the Lord
We get lifted up
Hosanna in the highest
Blessed be His name
Glory to the King of kings
For He has done great things

973

HE'S MY LORD F#m

I realized that I'm one of the few
Chosen to run in this race
And I found out that it's not
what I do
But it was only by grace

CHORUS

He's my Lord, He's my treasure
He's one of a kind
By His own He was rejected
Now Jesus is mine
And I won't trade Him for
diamonds
Neither silver nor gold
Because Jesus is the
treasure in my soul
Jesus is the treasure in my soul

He brought me out from a
dark world of sin
I was so lost and so blind
He told me that I am now
part of Him
Sharing in His love divine

CHORUS

I am so thankful for His
precious grace
My heart will always rejoice
His tender mercy I now can
embrace
I'm glad He made me His choice

CHORUS

BRIDGE

Not for all the precious diamonds
Not for silver or gold
Not for all the pretty jewels
Neither rubies nor pearls
Not for fame and not for fortune
Nor the riches of this world
Because Jesus is the
treasure in my soul
Jesus is the treasure in my soul

WE SEE THE RISEN CHRIST Am

We've seen the rising of the Son
And we have risen with the
risen One
God's seeds have come to life
By the message of Malachi 4:5
And we are standing here
To testify
Our God's not dead
He's alive
We've seen the risen Christ
He lives in you and I

We've seen the rising.....

Jesus is here
He's riding this trail again
Jesus is here
We've seen Him raise the dead
Jesus is here
He's breaking the bread
We see Him working through
His bride
Day by day He's our guide
This is why we testify
We see the risen Christ

We've seen the rising.....

Jesus is alive
We've seen Him on Sunset
Mountain
Jesus is alive
Seven angels have descended
Jesus is alive
Seven seals have been
revealed
Jesus is alive
By His stripes we were healed
Jesus is alive
He has sent a prophet to us

Oh death tell me where's thy
sting
Oh grave where's thy victory
And hell you've been conquered
We see the risen Christ

We've seen the rising.....

WE'RE SHINING **D**

My Light has come to show
me my way
My light has found me and is
holding me close
I'm praying and trusting
Transforming each day
I've found my Saviour
He paid the price

CHORUS

We're shining
Yes we're shining
We're on our way
Heading upwards we're
almost there
Climbing the pyramid day by
day
We're going
We're on our way

So look up brothers
Sisters too
Look up for God's Word is true
He's getting you ready for
your house
Day by day you're no longer
yours

BRIDGE

The hour is late
And soon darkness will overtake
But God's little light
Shall arise and meet Him in
the sky

We're shining
Bright like the Son
We're shining
For our day has come
We're shining
Guided by the Son
We're shining
Joining together as one
We're shining
We are the children of light
We're shining
Shining oh so bright

LORD YOU'RE WONDERFUL **G**

I am trying to find the words to say
How much I really love You Lord
And I'm trying to find the
words to say
How much I really care
But it seems like words are
not enough
To express this love I feel
You're wonderful
So wonderful

CHORUS

Lord You're wonderful
In every single way
More beautiful
Than words could ever say
Lord I love You
And all I want is more of You
You're wonderful,
You're beautiful
And I'm so in love with You

You are there for me when
no one's there
To comfort and protect me
And you give me strength to
keep pressing on
When all my strength is gone
You died for me upon the cross
You drive away my fears and
doubts
What would I do without You

When I see Your grace and
mercy
And the love that you outpour
I just can't help but love You
Lord
More and more
My desire is to please You
In everything I do
Take all of me
Lord please make me just like
You

CHORUS

You're my everything
I am nothing without You
You are my King
And I just want to say
Lord I love You
And all I want is more of You
You're wonderful
You're beautiful
And I'm so in love with You

LET'S GIVE HIM PRAISE **F**

So many things
Jesus has done for us
So many blessings
He's still pouring out today
Even though these lips
May not be sufficient
We'll still sing out and glorify
His name

When storm clouds arise
When there are stormy skies
Down in the valley
Or on the mountain top
Despite all the conditions
Under any situation
Let the name of our Lord be
lifted up

CHORUS

Let's give Him praise
*Hallelujah all praise to our
Saviour*
Let's give Him honour and
glory and praise
Glory and praise
Lift your voices and sing
Hallelujah
Shout your praises to His name
Give Him honour and glory
and praise
*For He alone is worthy to be
praised*

He is our King
And we are His people
And we all know
That He inhabits praise
So from the rising of the sun
To the going down of the same
We will honour and worship
His name

There is a land
Not very far from here
Where our brothers and
sisters have gone
We're just waiting for that
morning
When we'll all get together
Just to magnify and praise
our Lord

REMEMBER CALVARY **G**

There is a peace in Jesus
When things look so dark
He is so faithful
In everything that He do
When your burden seems so
heavy
And you can't go on
Remember Calvary

CHORUS

It is there my Lord was
crucified
It is there he suffered and
died
And by His stripes believe
you are healed
So when your burden seems
so heavy
Like you can't go on
Remember Calvary

When they nailed Him on the
cross
I was on his mind.
Who am I?
That a king should bleed and
die
When I think about Jesus
And all that He has done
I remember Calvary

For the mountains shall
depart
And the hill be removed
But my kindness shall not
depart from you
Don't let the things of this
world
Disturb your peace
Remember Calvary

The love of Jesus is so pure
That's the reason why we
must love Him so
So I will lay down my life as
a living sacrifice
Because of Calvary

979

I BELIEVE **F**

Genesis chapter 18, verse 14:
Is anything too hard for the Lord?
At the time appointed I will return unto thee
According to the time of life
And Sarah shall have a son.

Sarah doubted God
How could she bring forth a son?
When she looked at her state
She was barren
She thought it could never be done
But with God all things are possible
And all His promises He will fulfill
And it was after she judged Him faithful
He proved that His word could never fail

CHORUS

I believe His promise to me
A body change I will receive
I'm casting out fear
I'm casting out doubt
With God in control
There's nothing to worry about
I believe, yes I believe
His promise to me

Satan you're a liar
And you can't condemn me
You see I understand
It's not what I could do
But it's what Jesus did for me
And with my God all things are possible
And He cannot tell a lie
So I'm casting down my reasoning
I'm the sinless, spotless bride of Christ

Genesis chapter 21, verse 1
And the Lord visited Sarah as He had said

And the Lord did unto Sarah as He had spoken

From faith unto faith
I rise each day
And very soon
I know I'll be raptured away
I believe
Yes I believe
His promise to me

980

LET US FLY **D**

Shadrach Meshach and
Abed-nego
Didn't bow to the image that day
And the fire couldn't harm them
You appeared and made a way back then
Oh and Daniel in the lion's den
Kept looking unto You in prayer
And the lions couldn't harm him
Because You were there

CHORUS

Let us fly free in the faith of God
Let us soar past our unbelief inside
Let us fly past the barriers of sin
And teach us Lord to wait on You
Because all we want to do
Is please You Lord

Fly free in the faith of God
Fly up past your doubt and fears
Don't look at your condition
Know that your battles are already won
And there's no need to be afraid
Because Jesus could never fail
Just trust in Him and His Word obey
And He'll make a way

981

I'M NOT GOING TO REMAIN... Bb

The devil fought me with thoughts
That I wasn't of the Bride
But then God whispered in my ear
Fear not you are My child
And in this world I see it's evil
Hell is poured out on the earth
And I know with God's assurance
That this world is not my home

CHORUS

I'm not going to remain here
Very soon I'll be home
Heavens doors will open for me
For this world is not my home

So I die within me daily
Till I see this change in me
And I'm longing for the day
That my Jesus I will see
So I'll trim my lamp
Lord fill with oil
My soul is desperate for Thee
I am waiting, I am homesick
Lord do this quick short work in me

CHORUS

I'm not going to remain here
Very soon I'll be home
I am waiting, I am homesick
And I'm longing to go home

So take me up those seven steps
Till Your image I behold
In my soul I want to please You
Lord I ask You purge my soul
I don't need to speak in tongues
I just want Your perfect love
So separate me from all evil
That will keep me far from home

CHORUS

I'm not going to remain here
Very soon I'll be home
Lord separate me from all evil
That will keep me far from home

982

CALVARY **Gm**

What kind of love is this?
As he walked up Golgotha hill
There all eyes was on Him
The bleeding Lamb, the full Word
And they mocked Him
And scorn Him as He walked
In pain and love He carried the cross

CHORUS

Calvary, Calvary
He walked that dusty road for me
Calvary, Calvary
He's no longer dead
He lives in me

The Word made flesh again
The Son of Man is reveal in our day
Same sign and wonders he did show
And still again they crucify the Word
But we believe Him
And hold fast to His Word
To us His mercy He did show

We know the price has been paid
The Lord is calling us by our name
Calvary means so much to me
Every devil in here must flee
So rejoice with me New Jerusalem
Soon we'll see the One we love

983

AS THE DEER **D**

As the deer panteth for the waters
So my soul longeth after Thee
You alone are my heart's desire
And I long to worship You

CHORUS

You alone are my strength,
my shield
To You alone doth my spirit yield
You alone are my heart's desire
And I long to worship you

You're my friend
And You are my brother
Even though You are a King
I love You more than any other
So much more than anything

TO THE HOUSE OF MY A

Once like a stranger
I was to you Lord
Didn't know you paid the
price of redemption for me
But it was my hap one day
I came into your field
And through your grace and love
Your word I humbly received
For you are my kinsman
redeemer
In you my heart has come to
love and trust
I who was unworthy
Has found favor in your eyes
To be your chosen bride

CHORUS

Now I'm going to the house
of my redeemer
And there I'll be with him forever
He's changed me from a
sinner to a gleaner
Now His bride who shall
reign with Him
The threshing days will soon be
over
His life in me is now glorified
I'm waiting
To be taken to his garner
Where I'll stand
Perfect forevermore.

Well my desire is unto you my
Lord
I've learn to walk and live by
your holy word
And Lord I've been grateful for
Your extra handfuls of grace
That has caused me to walk
this far by faith
Perfection is my one desire
Your life alone in me I want to see
My all on your altar
I'm willing to sacrifice
For in you I stand complete.

CHORUS**BRIDGE**

Lord, not once you have ever
failed me

Each day I prove more that
your word is true
I know soon that some day
this mortal life of mine
Will be change in a twinkle of eye
I'll be raptured up to meet
you in the sky.

I'll stand perfect forevermore
(3x)

I STAND IN AWE D

I stand in awe to see the
greatness of our God
I stand in awe to see what he
has made out of nothing
I stand in awe and marvel at his
grace
For I know that it's a work
That only God could have
done for me

CHORUS

Except the Lord build this
house
Then our labour is in vain
Lord if you don't watch over us
Then the watchman
He watches in vain
He watches in vain
A house for his name

We stand in awe to see the
builder's thoughts of his house
We stand in awe to see what
he has done for fallen man
We stand in awe
A work well done by the
master's hand
This house which God has
built for his name

We stand in awe to know that
royalty lies in us
We stand in awe to see what
he has done for fallen man
We stand in awe
A work well done by the
master's hand
This house which God has
built for his name

MORE THAN A MAN Dm

Who made the ocean to
come thus far?
Who thought the birds to
sing so sweetly?
Who made the heavens the
trees and the earth?
It has to be someone more
than a man.

Who created man in His
image?
Who breathe the breath of
life in him?
Who give us victory over all
our enemies?
It has to be someone more
than a man.

Who revealed the mystery in
this last day?
Who said you're My people,
I'll make you My Bride?
Who will put your enemies
under your feet?
It has to be someone more
than a man.

Who took the seals of the
book of Esther?
Who revealed the plot of the
wicked one?
Who said I'll destroy them
before your very eyes?
It has to be someone more
than a man.

The One I sing of is Almighty
God
He is ever present even here
right now
He is Alpha and Omega
The beginning and the end
Truly He is Almighty God

To have the victory takes
more than a man
To overcome takes more
than a man
To get to glory takes more
than a man

I'M BEING CHANGED A

I came trapped in this body
By-passed my theophany
But I'm longing to get out of
this house
To that body prepared for me
Where sickness, pain and death
Will all be history
A supernatural Word
That's what is changing me

CHORUS

From glory unto glory I'm
being changed
Soon we'll lay aside this flesh
To enter eternal rest
I'm being changed (3x)
Putting on my theophany

I'm so tired of these dimensions
They're holding me earth
and in time
I want to go to Mt. Zion
Where peace will all be mine
I can see the saints running
over those hills
Just to greet me
We'll sing amazing grace
With the prophet under the
evergreen tree

CHORUS

Make sure everything is intact
For soon he'll be coming back
I'm being changed putting on
my theophany
Get your tickets in your hand
To join that big great
heavenly clan
I'm being changed putting on
my theophany
We'll sing in one accord
As he says welcome all
aboard
I'm being changed putting on
my theophany
Don't be late
Don't hesitate
For He'll be waiting at the
eastern gate
I'm being changed putting on
my theophany

RESURRECTION OF THE... F

I've heard of Moses crossing
The mighty red sea
And I've heard of Joshua leading
Israel to victory
But in this day I'm looking for
Present tense reality
I'm looking for the literal life of Christ
To form in me

CHORUS

In the resurrection of the Bride
We can hear the thunders
sounding
The pull is deep inside
And I am hearing Him call my
name
So I'm looking for the
quickening power
For the rapture and the
change

We've heard of Jephthah and
Gideon
Of David's mighty men
And we've heard of the
power of Samson
When that spirit came on to him
So today we are looking for
The third pull on display
When the mind of Christ is in
the Bride she'll say

We know Bro. Willie and Wilson
Bro. Leon too
And Bro. John and Frankie
Jacobs
Saints who stood tested tried
and true
Sleeping saints and over comers
Victorious in this age
And in the better resurrection
They'll be raised

This pull brought us out from Moab
And from gleaning in the field
Where we met with the Lord of
harvest
Whom His chief reaper has revealed
And now is the time of purging
We're on that threshing floor
We're being cleansed and
sealed to sin no more
The token is what we're longing for
The end time Words come
back to seed
The little Gentile Bride, she
must conceive

For a blast of thunders and a
prophet's shout
Its full redemption will bring us out
From the field of gleaning
Into God's house

BRIDGE

Third pull power and authority
I want my body change
And theophany
Oh yes, the sleeping saints
will rise
And the Bride will take her flight
When the resurrection power
is formed in me

HELP ME STAND F

It's so easy, Lord, to stumble
In this old world we're living in
While old Satan goes to and fro
There's so many that are falling
Yes, they are falling everyday
So help me stand Lord
The way You stood long ago

CHORUS

Help me stand by Your grace
And look the whole world in the
face
And sing Your Word wherever I
go
When the tempter comes around
Lord give me strength to turn
him down
So help me stand Lord
The way You stood long ago

I know believers who lived in
the ages gone by
They faced temptations, yet
they stood true
But I'm living in the most evil
of all ages that ever was
So precious Jesus now help
me stand and honour You

When on the earth you were
confronted
By the tempter you did not bow
You overcame all
temptations, yes, every one
You defied him, Your
precious Blood flowed
To cleanse and give me
strength to stand
So now I pray Lord, by that
same Blood I'll overcome

MY KINSMAN REDEEMER C

You brought me out from a
barren country
Exalted me in Your field
With a tender hand with such
grace You called me
Provided all my needs
And I don't deserve one
single bit of mercy
Yet in love You purchased me
And so I lay at Your feet
And I bow before Thee
Lord of Harvest, spread Your
skirt and cover me.

CHORUS

And entreat me not to leave Thee
I've forsaken all to follow You
For Your word abides forever
I've found You faithful I've
found You true
And I'll never know another
For my soul Your love has
claimed
You're my Lord and King forever
Lord of harvest in my life You
must reign

Your gave me rest Your
golden grain sustains me
You took away my shame
Into Your house as Bride
You brought me
You've given me Your name
Yes You paid the price for
my full redemption
From my labours I now can be
still
And You've set such love
and peace upon me
Kinsman and Redeemer, I've
come to know Your perfect will

CHORUS

So entreat me not to leave Thee
I've forsaken all to follow You
Your word abides forever
For I've found You faithful and
true
And I'll never know another
For my soul Your love has
claimed
You're my Lord and King forever
Kinsman, Redeemer, in my
life You must reign

BRIDGE

*So spread Your skirt and cover
me
I've forsaken all to follow Thee
You paid the price to redeem
me
You've given such victory
And I'll never know another
For my soul Your love has
claimed
Kinsman and Redeemer, in
my life You must reign*

COMING TO PERFECTION C

Into your presence Lord
Time after time I've come
And through thy word I hear
You've changed and
transformed me
And Lord my desire has
turned heavenly
I am longing to be like you
Your very own image
Your own likeness
Lord I want to stand

CHORUS

From perfect faith to perfect
love
Lord my soul is coming up
For this is the day and the
hour
Of my translation
You said 'Fear not' to me
All I require, that you will do
unto me
O Lord I believe
I'm coming to perfection

Who am I, dear Lord
That thou take knowledge of me
This Moabish damsel
Has truly found favor with
thee
For Lord you look ed beyond
my faults
And you saw I was in need
The price of redemption you
willingly paid to redeem me
O cover me dear Lord
With thy great love
For thou art my kinsman
redeemer
The great and mighty one
Now I am a virtuous woman
Your bride at your side
I've come into union with you
I've found full redemption.

MY LIFE IS A STORY OF... D

Once I sat in darkness
 But then the glorious light of
 my God shone upon me
 It's the Lord of the harvest
 Coming down from heaven above
 To his chief servant he came
 Revealing his plan of
 redemption for me
 Unworthy I am, yet he calls
 me his own bride
 The book of my life, he has
 opened up
 The seals upon it, he has taken
 off
 My sin's reproach has rolled away
 My true destiny's now revealed

CHORUS

My life's a story of grace and love
 I have a kinsman who
 cometh from above
 He's come to claim me
 I am his own
 He's taking me to my future home
 His mercy has rewrote my life
 Through his blood, the
 perfect sacrifice
 Now in union I stand with him
 United forever and ever
 And ever.

For this great work of love,
 you have done
 Lord my heart is forever
 grateful to you
 Quickened by your Holy Spirit
 I am raised in newness of life
 Now I understand who I am
 I am your attribute manifest
 in this day
 To bear witness of you
 To your purpose, for this cause
 I came into this world
 Seven thunders, seven seals
 Seven steps to bring me to
 perfect rest
 Faith of your faith
 Life of your life
 I am the mystery of you revealed

NO CONDEMNATION G

Born in sin, shaped in iniquity
 I came forth in this world
 speaking lies
 Separated from the God I
 longed to serve
 His Word, this perverted
 nature, has denied
 Oh and I long, oh yes I long
 To be rid of this old man, to
 become a new creation
 The law of sin in this inward man
 Must be brought into subjection
 My greatest enemy I've realized
 It is me, it is me

CHORUS

And now I see, now I understand
 The great work that's been
 wrought for fallen man
 He delivered me from indwelling
 sin
 Now there's no condemnation
 To those who are in Christ

Elohim, He is determined
 He's not going to remain alone
 We were created for His pleasure
 His workmanship that's what we
 are
 And for fellowship and sweet
 communion
 To be a co-worker with the
 living God
 To live unto His expectation
 It's just what He desires for me
 It's not what I long to be
 For when He died on Calvary
 He purchased me, He
 purchased me

CHORUS

And now it is impossible
 I could never, ever be lost
 I breathe the very life of God
 I came His provided way
 By the Blood of Christ, I am
 washed
 For sin no longer reigns in
 this mortal body
 I am a living sacrifice
 My inwards burn constantly
 Refusing to be satisfied till
 this glory is revealed in me

THE KINSMAN REDEEMER C

I left a barren land searching for
 rest Stumbling around in
 amnesia bitterness and distress
 But then I met the Kinsman
 redeemer Who's called the
 Mighty One
 He took this old Moabite
 from the field and brought
 me to his house

CHORUS

He said Fear not my child for
 you are part of me
 And I'll not rest till you are at my
 side
 I will do all that you ask of me
 You're a jewel in my eye
 Virtuous woman you are my bride

I've responded to your call
 and you have covered me
 With eyes of faith I see all
 the mysteries being revealed
 Now I see who I am I make
 claim to all that's mine
 I am the Lamb's wife I was
 bought with a price

When I look back and see
 How much grace and love
 you showed me
 Lord it brings me to my
 knees that you can even think
 about me
 When I am in need you are
 still Jehovah Jireh
 Jehovah Rapha you are still
 the great healer
 With faith I'll stand on your word
 Because you are more than able

BRIDGE

Lord I am casting all my cares
 on you
 I know you love me
 Redemption by blood
 That's the greatest love story
 Full restoration, full redemption,
 That's what seven angels in
 a cloud testified
 My redeemer 's longer dead,
 he is risen
 And he's coming back for you and
 me

BLESSED ASSURANCE C

You have considered me
 when the world despised me
 You have purchased me when I
 thought I couldn't be loved
 Lord I just want to say how
 much I love You
 I lift my hands to praise and
 thank You
 For I know all of Your
 promises You will fulfill

CHORUS

Blessed assurance, all is well
 Things may seem impossible
 but I know God cannot fail
 Just look back and see how
 many times you were at your
 end
 And God delivered you with
 His mighty hand
 Blessed assurance, all is well

You may be believing for
 your unsaved loved ones
 For total healing when the
 doctor says nothing else can be
 done
 But my Redeemer's the
 Physician
 His report says it's a finished
 work
 So claim every inch of
 ground the devil stole from
 you all, in God's Name

This is my story, this is my
 song
 Praising my Saviour all the
 day long
 This is my story, this is my
 song
 Praising my Saviour all the
 day long

Blessed assurance all the day
 long
 Praising my Saviour all the day
 long
 Blessed assurance, all is
 well

A DAY IN SEPTEMBER C

It was a day in September
 One lonely night something
 fluttered into my heart
 I looked around to see
 What could it be
 No one else but the sweet
 Holy Spirit

CHORUS

A snow-white dove
 Flew into my heart
 Saying don't worry my child
 All is well (2x)

My skies were misty, my
 clouds were dark
 Until that daystar dawned in
 my heart
 With a message of grace
 Comfort and peace
 Bringing an end to all my troubles

All around us is war
 And rumours of war
 And violence fills the whole world
 But before one bomb will fall
 He'll take us away
 To live eternally

SPEAKING BETTER THINGS D

How can I not live for him
 I've heard the voice of his blood
 Speaking better things for me
 Speaking pardon and liberty
 Showing me what was done
 on Calvary

It has told me my sins are gone
 It has told me I am his son
 It has told me he has
 prepared a place for me

I've seen his vesture dipped in
 blood
 I've come back to renew my
 vows to him
 That is why I am here again
 I've come back to see the
 Lamb that was slain

We heard the emancipation
 proclamation
 We have seen the risen Son
 Out from the slave fields of
 sin we came
 In search of another land

We keep coming back to this
 place
 Cause it holds for us such
 great treasure
 Each time we see this
 bloodstained vesture
 The price of our freedom we
 remember

And forever we will praise
 This lamb who for our sins was
 slain
 Together with him we will be
 in eternity

And I thank God for the old
 rugged cross
 It's shame and reproach I
 gladly bear
 I will cling to the old rugged cross
 And I'll exchange it some
 day for a crown

JESUS IN YOU G

I could climb the highest
 mountain
 I could cross the deepest sea
 I could walk through the
 widest desert
 But what would it profit me?
 Nothing

CHORUS

'Cause Jesus in You
 Well that's where I'm truly free
 Only in You is where I long
 to be
 Everything, all I need is in You
 Jesus in You that's where I
 find peace
 Only in You is where I have
 sweet release
 Everything, all I need is in You

I could rise in man's corporations
 Spend my life seeking
 wealth, fame and fortunes
 I could desire to rule the nations
 But what would it profit me?
 Nothing

CHORUS

Jesus, all I need
 You are my everything
 It's all in You

BOAZ AND RUTH C

Boaz has left His palace
 Came down in the field
 At harvest time for a visitation
 As He arrived at the field
 To His great amazement
 A different kind of tree
 A beautiful flower
 like the lily of the fields
 Ruth the Moabite

CHORUS

A story of love started in the
 fields
 At harvest time between
 Ruth and Boaz
 A story of hearts that are
 bound forever
 At adoption time
 Boaz and Ruth the Moabite

Instructions were given to
 the harvest chief
 For her to be looked after
 This Gentile daughter
 For right there in the field at
 harvest time
 For so much love in His heart
 He felt for her

At any cost to redeem her
 This beautiful lady
 That's what He thought
 about
 since love at first sight
 Right there in the fields at
 adoption time
 Forevermore she would be
 His bride
 Eternally she would bear a
 New Name

A great story of love
 Between me and my Saviour
 A story of hearts
 Bound for eternity

COVER ME G**CHORUS**

I'm down here at the
 threshing floor (Cover me)
 I'm asking You to cover me
 (Cover me) 2x
 I need to hear the secret
 things You're saying
 I'm asking You to cover me

I come to You dear Father
 Without any special feeling
 At times I'm so discouraged
 As if my life has no true
 meaning
 Satan has taken away my
 strength
 And has robbed me of my
 wealth
 Thou art my mighty Kinsman
 Redeemer
 In You I put my confidence
 So I'm placing my claim

Draw me closer and closer
 Till You and I become one
 Spread Your skirt over me
 It's You I want to become
 When You answer my
 petition
 I'll always walk in victory
 I'll walk into the enemy's
 camp
 And take back what he stole
 from me

BRIDGE

I'm laying my sins and
 weight aside
 I'm following wherever You
 lead
 I'll take the fight to my enemy
 And take back what he took
 from me

1001

I'LL KEEP PRESSING ON C

Like my forefathers did and
 their fathers before them
 They kept the Word of God
 within their hearts
 Through tears and toils they
 fought with conviction in their
 souls
 Now their children have an
 inheritance
 The faith of the Lord

CHORUS

For whatever it takes I'll keep
 pressing on
 Whatever trials come my
 way I'll be pressing further
 For what shall separate me
 from the love of Christ Jesus
 my Lord
 I've counted the cost, I'll pick
 up my cross
 And keep pressing on
 I'll finish my course with joy (2x)

Like my sister Ruth it is
 within my make-up
 To fulfill the task Adam did
 not fulfill
 For such a time as this I must
 bring forth this Christ child
 And be perseverant in spite
 of all obstacles

And whatever it takes I'll
 keep pressing on
 Whatever trials Satan throws
 my way I'll keep pressing on
 What shall separate me from
 the love of Christ Jesus my Lord
 I've counted the cost, I'll pick
 up my cross
 And keep pressing and finish
 my course with joy

1002

THE DOVE FLEW INTO MY E

I may be sick but I'll keep on
 believing
 I know that I'll be healed in
 Jesus name
 The devil tried to rob me
 from my inheritance
 And the blessing the Lord
 has promised
 I looked at my lying vanities
 and said
 I'm going to walk into my victory

CHORUS

The dove flew into my heart
 I know that He did
 He has led me through the
 storms
 I firmly believe
 The Lord has raised me up
 so high
 To believe what He has done
 for me
 I'm an eagle to soar above
 the troubled waters
 He has fluttered His wings in
 my heart
 The dove flew into my heart I
 firmly believe
 The dove flew into my heart I
 know that He did

I may be troubled, confused
 and shattered
 I may be scarred but I'll
 never give up
 He has promised deliverance
 from all my bondage
 He wouldn't deny what He
 has promised
 Jesus has provided all my
 needs
 Whenever I call on His name

1003

THE WOUNDED DOVE A

From the outer regions of the lost
 God has brought us back
 Her gates are the gates of hell
 And many enter therein
 Then at last we heard a great
 blast
 The Thunders uttering
 This time they spoke clearly
 The mystery of the Seventh Seal
 And here we are in the second-
 fold of a three-fold mystery
 Part being spoken by the
 Son of man
 But the other in you and me

CHORUS

The message of a wounded
 dove went home
 Now it's come back again
 In the power of the Word
 Speaking resurrection
 Speaking rapturing faith
 Full redemption
 From a fallen state

With the power that will
 judge the earth
 We are lifted higher
 Higher and higher until we all
 come into that Seventh peak
 And from there we'll change
 dimensions
 Cross into that other land
 Where we'll meet friends and
 loved ones
 And those who've already gone

A window now is opened
 And the light is shining through
 Celestial light from a celestial
 world
 Shining into our souls
 The dove and the raven are
 loosed
 Two powers in the earth
 One feeding on the flesh of
 disobedient men
 But the dove in you and me
 And for this purpose He's
 descended
 A full cycle of time's about ended
 And here we are in this reality
 While Noah was a coded mystery

1004

A BETTER WORLD D

Take a picture put it in a darkroom
 There's a process for it to go
 through
 Take it out when the process
 is completed
 See the beauty before you
 That's how it is with this life
 here on earth
 The shot was taken from
 another world
 Earth is the darkroom where
 our lives develop
 Soon our true beauty will unfold

CHORUS

In a better world, a better
 place, a better life
 In a better way, with better things
 In eternity, that's where we'd be
 With the one who died for
 you and me

Here we see trees struggling
 to live
 But there's a place where they
 don't
 Here we see sickness and dying
 There's a place where we won't
 We've got no future on this
 sinful earth
 Our eyes are fixed on another
 world
 We've got no treasures here
 below
 There is a place where they
 are stored

In this world we're pilgrims
 and strangers
 But there's a place where we
 belong
 Soon we'll leave Satan's Eden
 Take courage pilgrim it won't
 be long
 Down here we have no
 continuing city
 But we seek the one to come
 We desire that heavenly country
 God hath prepared our future
 home

1005

FLUTTERING IN **C**

In the beginning God created
 heaven and earth
 And the earth fell into a
 chaotic condition
 But the Spirit of God moved
 (Spirit of God moved)
 He fluttered like a dove
 (Fluttered like a dove)
 Bringing healing to this
 attribute of God
 Yes the Spirit of God moved
 (Spirit of God moved)
 He fluttered like a dove
 (Fluttered like a dove)
 Transforming the earth into a
 beautiful Eden

CHORUS 1

Fluttering in (Fluttering in)
 On the wings of love (On the
 wings of Love) 2x
 The Lord coming down on
 the wings of a dove

This same God came in human
 skin
 As the sacrificial Lamb to
 take away our sin
 Subjected Himself to be
 washed by His Prophet
 He said it becometh us to
 fulfill all righteousness
 The prophet looking up saw
 the heavens open
 And he saw that Dove
 coming down like a fire

The prophet bore a sickness
 most of his life
 For his own healing he
 begged and he cried
 He looked for the time the
 Dove would appear
 To take away his suffering
 his pain and his fear
 That day he was led up the
 mountain high
 He saw that seventh Dove
 he looked for all his life

CHORUS 2

Fluttering in (Fluttering in)
 On the wings of love (On the
 wings of Love)
 The Lord coming down in the
 form of a dove
 Moving through the lattices
 (Moving through the lattices)
 Can you see Him now (Can
 you see Him now)
 The Lord coming down on
 the wings of a dove

The Bride too has suffered
 Down through these years
 But this faithful Dove once
 again has appeared
 In this second ride He
 speaks to you and me
 Have faith in His Word, He'll
 set you free
 Nothing is impossible for Him
 to do (For you and me)
 He says 'I am the Lord that
 healeth thee'.

CHORUS 1...

He was seen in a rainbow on
 a farm in Siparia
 As a pillar of fire over in
 Guyana
 In Central America the Cloud
 came down
 Down in Argentina He came
 as a dove

The appearing of this Dove
 identified
 We're on that trail in this
 second ride

CHORUS 2...

Come into my heart Lord
 Coo in I believe (I believe, I
 believe)
 Your healing Lord
 Even now I receive
 Fluttering in
 Let Him save you now
 The Lord coming down in the
 form of a dove...

1006

THE BLOOD STILL... **F**

MONOLOGUE

*I didn't see Him walk up
 that lonely hill.
 Neither His bloody footprints,
 that marked the path to His
 suffering.
 As the nails pierced His
 hands and feet,
 The veil was rent in two.
 He saw the vision,
 This blood-bought church
 He saw me, he saw you.
 Now we are loosed from all
 our bondage.
 Our shackles are gone.
 Death, you still have no sting.
 I can still hear His blood cry,
 Freedom! Freedom!
 Freedom! Freedom!*

CHORUS

The blood still cries freedom
 From bondage and sin
 You don't have to worry at
 the foot of the cross
 He wrote our names
 Sealed with the blood of the
 spotless Lamb
 Hold on to God's unchanging
 hand
 The blood still cries freedom
 Look and live

I have heard but now I see
 What the blood can do for
 you and me
 It has quickened our souls,
 Made us whole
 We have sweet victory
 The Seven Seals are opened
 (The Son is risen)
 That's good news from the tomb
 A Seven Thunders
 message, for rapturing faith
 By blood we'll make it through

Some have fallen in battle
 Some led astray
 But there are some wounded
 soldiers

That need healing today
 Nothing is impossible
 These dry bones can live
 The blood will restore
 That's thus saith the Lord
 Oh glory to God.

BRIDGE

Hallelujah, let freedom reign,
 Emancipation is here
 Shout the sword of the Lord
 The battle is won
 Let freedom reign

1007

ONLY BY FAITH **D**

Child you've got to be ready,
 though trials are hard
 You have to have faith in
 God's Word
 Child you've got to be robed
 with the Word of the Lord
 You've got to have faith in
 God's Word

CHORUS

You've got to prepare for the
 battle
 Enquiring of the Lord day and
 night
 To possess the keys to your
 great victory
 Only you, only believe.
 Victory

See yourself as the bride
 who wouldn't fall
 But is raised up to stand in
 this day
 Though all hell is against you
 Only have faith and believe

See yourself in the vision of
 God knowing that God never
 fails
 Although your faith is as
 small as a mustard seed

Identify the demons you fight
 Understand your position in
 Christ For in these times,
 these troublous times
 God gives the faith to prevail

MOVING UP THE LADDER C

The greatest contest now is on
 We're in a battle
 There's a war in the heavens
 for the souls of men
 Fallen angels to the earth
 have descended
 And demons from the Pit
 ascend into the hearts of men
 But the end time Prophet
 Caught a vision of a little Bride
 One counted worthy to escape
 She shall reign with Him in white
 For she's tested and she's tried
 And soon she'll see the
 Master face to face

CHORUS

We're moving up
 To the top of that ladder
 Form the seventh step
 Into the chamber of the King
 And we're holding to the
 promise of the rapture
 Marching stately, walking holy
 to meet the King

By false doctrine and unbelief
 men are dying
 Through the power of
 deception Satan's fighting
 But Ahab and Jezebel shall
 fall at Jezreel
 Their false prophets shall be
 cast into the pit of hell
 For an end time Elijah
 spoke the Word
 And one like Miciah reiterates
 Though he's scorned and spurned
 The seven thousand who will
 not bow
 Determined to serve God anyhow
 God's fire will fall to wipe
 Satan's kingdom out

BRIDGE

Onward Christian soldiers
 Marching as to war
 With the cross of Jesus
 Going on before
 Christ the royal banner
 Leads against the foe
 Forward into battle
 See His banner go!

SPRINKLE ME SPECKLED D

I've considered the leper in
 the day of his cleansing
 All his hope was in two turtle
 doves
 The thing that held him
 captive
 For most of his life
 Will finally be utterly
 destroyed
 And while she's fluttering her
 wings in the evening time
 Crying Holy, Holy unto the
 Lord

It will surely bring full
 deliverance
 And set him free

CHORUS

Sprinkle me speckled dove
 Flying Holy, Holy, Holy
 Sprinkle me speckled dove
 With your precious holy
 blood
 And while you're flying on
 the eighth day
 With the blood of your mate
 It's the only hope for a leper
 For his cleansing in that day

Jesus Christ when he came
 to earth
 Was led to Calvary
 He was crucified and his
 blood put on the Bride
 He was the perfect sacrifice
 that was slain for our sins
 So we could be free from the
 power of in-dwelling sin
 And when he hung in the
 midst of heaven and earth
 Spoiling principalities and
 powers
 He conquered worlds both
 seen and unseen
 When he cried "It is finished."

RENEWED LIKE THE EAGLE Em

We were not made to be
 trapped in three dimensions
 We were not made to be
 affected by the underworld
 But God had it in his mind
 He had a space of time
 Where all his attributes
 They will be expressed
 And as the time draws closer
 and closer
 And time elapses into eternity
 In my heart there grows a faith
 To quicken this mortal state
 And make me what I ought
 to be

CHORUS

I can't wait to leave
 To be translated
 To take my flight like the
 eagles in the sky
 My face is set towards the sun
 And the day is almost done
 Like the eagle we will be renewed

We were not made to live
 under pressure
 We were not made to live up
 and down each day
 But God had it in his mind
 He had a space of time
 Where he'll be gloried in our
 fallen flesh
 And as the end draws closer
 and closer
 We feel the pull from the
 celestial world
 And the things of earth just fade
 And our burdens roll away
 When we think of the things
 that are to be

Where there's a deep,
 there's a deep to respond
 Where there's a negative,
 there is positive somewhere
 And we heard so many times
 of this place beyond sublime
 And this is where, where I long to
 be
 And the line grows thinner and
 thinner
 And we get conscious of the
 unseen world
 The sleeping saints want to return
 And we long to be fully robed
 Never to be earthbound again

WE ARE WAITING ON YOU...Em

Lord we come into your presence
 We know what you can do
 You said wheresoever two or
 three are gathered
 There I am in the midst of you
 So we come with faith
 believing for the Holy Ghost
 from you
 Mommy and daddy cannot
 give it
 And we want to be filled with
 your spirit too

CHORUS

We are waiting; we are
 waiting on you Lord
 Our provider, our deliverer,
 our friend
 We are waiting, we are
 waiting on you Lord
 Here at the altar, with our
 sacrifice
 Till you answer by fire
 Oh Lord, till you answer by fire

Lord I've been crying deep
 down in my soul
 Your Word I keep believing
 I'm hoping against hope
 When I look at my condition
 I cannot help myself
 So I'm yielding to your Spirit
 Won't you come and have
 the preeminence in my life

BRIDGE

We had a prophet came in
 this day
 He restored all that was lost
 We built back the altar
 God promised he would
 send the fire
 We built back the altar
 God promised he would
 send the rain
 That's why we are waiting,
 we are waiting, we are
 waiting

1012

KEEP ME LORD **C**

I'm tired of living defeated
Tired trampling between right
and wrong
Tired of partial victory
Sometimes up and sometimes
down
Lord how my soul longs for
perfection

There's a desperate cry for You
I need to know that I've
pleased You Lord
Life is worthless without You

CHORUS

So keep me Lord
On my knees in prayer
When the trials and testing come
I need to know You're near
When all life's work is done
I need to know I've overcome
To hear You say "Well done."
Keep me Lord

Soon this age will be finished
Sirs this is the end of time
Soon the squeeze will be upon us
We know that just a few will stand
I'm holding to the promise
this Bride will make it
Like Daniel I'm praying through
I need to know my faith is
perfected Lord
But I can't make it without You

BRIDGE

I'm tired of failing Lord-----
You're my victory
I'm tired of tramping Lord-----
When You are leading me
I'm tired of doubting Lord-----
When You redeemed me
I'm tired of murmuring Lord--
-----When You provide for me
I'm tired of complaining Lord-
----When You delivered me
I'm tired of sickness Lord-----

When You've healed me Lord
I'm tired of crying Lord-----
When You comfort me

I'm tired or failing and tramping
Doubting and complaining
Sickness and crying
I'm tired of being tired Lord---
----When You're my victory
I'm tired being defeated
Lord, when You're my victory
Help us Father, Forgive us Father
Lead us Father, Heal us Father

And Father take us one step
higher up the ladder
So we can see Jesus and
Your program
May sin and unbelief die out
in our hearts
Father give us that new birth
And may the power of Your
Holy Spirit
Have preeminence in our
lives
Raise up mighty men and
warriors Lord
Cap off the pyramid of our
lives

1013

LET US ARISE **F**

It's not by might, not by power
It's not by anything we've done
But what God can do
This is our house; this is our
Father's house
Its walls are broken down
The temple of God

CHORUS

So let us arise today
Arise today
Let us arise today
And rebuild Jerusalem

Build back those gates
Restore those places
Till our Father's holy house
is spotless again
Pick up those stones
Mend those breaches
(Prepare those vessels)
Let's fortify the house
Of our Father again

1014

WE HAVE THE DEED **Em**

We have the deed but he
playing the boss
'He think he go get away
with his bluffs'
But we see him in revelation 6:1
'While he think he's hiding
God has a plan'
There he stand posing with
all his demons
But he has to wait for God's
permission
Feeling glad he now lives in flesh
God knew that was always
his weakness

CHORUS

As the bride gets to know
who she really is
A super race, a super church
The sons of God now on the earth
The rightful heirs, the overcomers
Sons born from the loins of God
They will rule the earth

We were in amnesia since were
born
We never knew we had such
a great commission
We never knew we had such
a claim
He pulled back the seals and
he showed us our names
Them demons see one man
operating in his place
What will they do when they
see a whole race?
When satan thought he killed
the seed on the cross
He got a surprise, he got to
know who's the boss

The time has come for the final
phase
The final chapter in the human
days
Through perfect love the
sleeping saints going to raise
We'll quicken the alpha
church from the grave
This great army of the living God
Will her final battle, her final war
Two hundred million demons
from the pit
This great ride will be their
final defeat

1015

TEACH ME HOW TO... **C**

Just to think that I was
elected and called-out
In this glorious age
Saints and sages longed to
see, they stood so gallantly
Having things in shadow but
seeing a greater reality
They died in faith believing
that this city they'll surely see

Abraham looked for this city
whose maker and builder is God
Joseph said carry out my bones,
a resurrection he knew there'd
be
God told Daniel to seal the
vision, it was not appointed him
Malachi: 4 cried to see the
day when these things will
become a reality

CHORUS

Lord, teach me how to
number my days
And apply my heart to wisdom
The age that great men
longed to see
Has been reserved for you and
me
And what shall we do with
this sacred responsibility
We'll possess our vessels in
sanctification, to tabernacle
deity

Just to think we've received
the seed that was promised
In Genesis three
The Seven Thunders
mystery brought by Seven
Angels from eternity
The Word made flesh in the
virgin, the promise of the
kinsman being fulfilled
Bringing Adam's fallen race
back to the oneness that was in
Eden

Abraham looked for this city
whose maker and builder is God
Joseph said carry out my bones,
a resurrection he knew there'd be
God told Daniel to seal the
vision, it was not appointed him
Malachi: 4 cried to see the
day when these things will
become a reality

1016

WE ARE REBORN A

We are living in the fulfillment of the scripture
The seventh dove came to the prophet in the water
How we ought to have faith
How we ought to believe
For that seventh dove we must now receive

Not many days from hence you shall receive the power of the Holy Ghost
(The Holy Ghost)
The promise is to you and I
The prophet spoke and God cannot lie
It is thus saith the Lord,
(Thus saith the Lord)
Jesus said if I don't go the Comforter cannot come
But he said he'll ride this trail again in you and I
The Spirit in the Bride

CHORUS

Oh Hallelujah, All praises to the King
Hallelujah, our praise to you we sing
We are transformed, we're in his image again
We are reborned, we're in his image again

Open up your heart, anoint the Word with faith
That which is spoken of thee, spoken of thee
Full obedience to the Word and a living sacrifice
It's an aroma to God, an aroma to God
Then he'll say this is my son in whom I'm pleased to dwell
For when we came, we came from thought to flesh
Now we're reborn by the spoken word

There'll be a very short quick work
Before we are taken off the earth
In the twinkling of an eye, the twinkling of eye
We'll be capped with perfect love
We'll have the nature of the dove

That descend from above,
descend from above
The winnowing fan is in God's hand
The day of vengeance is near
But little Bride you'll be taken to his side
That's why the Dove descend to lead us home again

1017

A TEMPLE ONLY FOR MY... F

I have tried to go my own way
I have tried to do my own thing
My desires and my plans,
My dreams were in command of me
But in God's mind he had his plan
Way before the world began
His eternal purpose will not be hindered by me
He demands my all

CHORUS

And now behold here I am
I am a living sacrifice
I am carrying the blood of the Lamb
I am entering the Holy of Holies
The wings of the cherubim cover me
My soul is fully robed
My life is not my own
I am a temple only for my king

Lord you have set me in my place
You have weighed and measured me
And here I am your temple
A vessel you ordained to bear your name
You have sanctified and anointed me
Thy holy fire regenerating me
I'm being purified for you
must abide in me forever
And alas oh Lord I can see your divine Love
You've gone to prepare a place
Pre-ordinances you gave to remember thee
You have returned just as you said
And in my heart I'm overwhelmed
Jerusalem indeed was not forgotten by thee
She is eternal

1018

CAN YOU HEAR THE SOUND G

High above the human realm
The Bride of Christ is rising
In a realm of revelation
And vision she is standing
The director is in the spirit
Of the Great Composer
And we're working as one together
To achieve God's great purpose

CHORUS

Can you hear the sound
Of a mighty symphony
The Lord and His Bride
In perfect harmony
He's lifting us higher
To a perfect restoration
There's super anointing
As the Word of God is unfolding
I can hear the symphony rising
Soon we'll be
With Jesus in eternity

Through an open channel that's secure
We communicate with God
And as revelation flows to us
We see why we are called
Jesus and His program
We can clearly see
And consciously we're marching on
To certain victory

BRIDGE

Can you hear the sound
Of a mighty symphony
Jesus and His Bride in perfect harmony
Marching onward in the perfect rhythm of the Word
Can you hear the sound?

1019

I'LL BE CHANGED C

When this body of flesh no longer can contain
Scriptures I'm to manifest
then I'll be changed
Through that door in space I will leave this world
I'm going to another place,
parallel universe

CHORUS

I'll be changed in a moment
In the twinkling of an eye
To a body immortal I could never die
Changed in a moment to live in a higher realm
I'll be changed, I'll be changed

They see mystic lights but don't really know
What these intelligent Beings are
So they call them UFOs
But my prophet told me and I'm tied to what he said
They're Investigation Angels
And they'll pick me up one of these days

BRIDGE

I came from eternity,
dropped in this space called time
And though other mortals look like me
They're not of my kind
Cause I belong to an eternal order
And to a world unseen
Associated with the supernatural
And heavenly beings

1020

HOW CAN WE FORGET... C

We thank you Lord for all the things
That you've done for us
And all the hard places,
Your love has took us from
I've asked you Lord
What have I done to deserve
such love?

And Your answer always to me
Is "My child you're a part of Me."
Now enter in the joy of the Lord

CHORUS

How can we forget You Lord,
All the storms You brought
us through?
All the hard places when we
didn't know what to do?
We're forever grateful Lord
For the mysteries being
revealed
It surely was amazing grace
To reveal the Seventh Seal
We thank You Lord for Your)
amazing grace)2x

And Lord we thank You for a
Word that can give us light
To shine in all the dark
places in our lives
And then You took us in
Your Word
'Is this the sign of the end Sir?'
Surely You've been with us
As You promised in Your Word
Your doing, Lord, is
marvelous in our eyes

And Lord we thank You for
Your Voice
That is not the voice of man
But veiled in Your servant's
flesh
To be our guide
And now you speak to us
On 'Dreams Visions and
Prophecies'
This is the vision, Lord of the
Seventh Seal
We are living Lord only by
Your Word

1021

HE'S COMING DOWN D

Many Dreams, Prophecies
and Visions,
We have followed by God's grace.
Just to reach that place of
perfect faith
Many times we've lost great battles
Many times we loose our way
Yet God in grace reminds us
we are His.

So like the lily in the gutter,
Let us lift our head up high
Knowing well we have a
covenant with our God
And God remembers His covenant
The gift of God the Lord did send
Even now we feel His
presence coming down.

CHORUS

He's coming down now,
coming down [like a dove]
The Holy Ghost Power is
coming down
Bypassing unbelief and fear
We will change dimensions here
Feel Him in the atmosphere,
coming down.

So lift your voice, O Zion, all
ye children of the Lord
For you are highly favoured
by our God
Hearing Him calling out your name
Separating you from sin
Won't you open up your
heart, let Him come in.

For though every mountain shall
depart and the hills be removed
Yet the kindness of our Lord
Shall not depart
Neither shall His covenant of
His peace be removed
Thus saith the Lord that keepeth
thee

BRIDGE

Sirs is this the time, our
prophet gave his life for
When young messiahettes
walk the earth once more
Oh God! We lay aside our
weight of sin
We ask you Lord to enter in
For we know you made us to
set our wings and fly and fly.

1022

JERUSALEM'S CRY Bb

A broken vessel, not fit for
the master's use
Was down there in the rubble,
buried in all my trouble
But I cried out, Is there not a
prophet in the land
Who will go before us to fight
for Jerusalem?
Then with one foot on land
and the other one on the sea
You came with shoutings of
grace and revealed my true
destiny.

CHORUS

So here I am Lord on my knees
Asking for strength just one
touch from thee
I cannot sing your songs
down there in Babylon
So I'm gonna fight with
sword in hand
The Lord God of hosts is in
command
I'll not let you go Father, I'll fight)
till all my breeches are mended)2x

Bride of Christ, I know sometimes
you lose your battle cry
But now in this cycle, watch
all your mountains crumble
Mix the anointed word with faith,
apply the blood it's the only way
Our gates must be fortified as we
feast on bread and wine
No more room for sin, resisting
power flows from within
And we'll go marching with
shoutings of victory as we
head to glory.

MONOLOGUE

*Lord, so many times we see
Jerusalem's weak, broken,
dismayed and distressed
But we stand here today
laying our all on the altar,
burying our unbelief,
burying our fears, burying
our dreams.
Restore unto us the joy of
our salvation that when
you return to Zion you
shall find a bride risen out
of the ashes, spotless,
victorious, marching
onward Christian soldiers.
A risen Jerusalem,
claiming our healing,
claiming our deliverance,
claiming your peace, no
more captivity, no more
mind battles, no more
shackles.
This is your revival, this is
our revival.
A risen Jerusalem*

Let's lift up the hands of the
weak
Satan's still plotting his evil
schemes
But be thou strong and work
for I am with you
I'm still with you St. Vincent
and St. Lucia
Tobago, St. Kitts, Grenada,
Dominica
Not forgetting Trinidad and
Guyana, we're all part of
Mount Zion
We've seen the risen son,
With blessed assurance this
race we'll run
God is determined to take us
higher
Kick that mamba down in the
fire.

THE GLORY IS COMING G#

Do you know the value of
 Jerusalem?
 Do you know what it takes to
 build up this city?
 Do you cry for her? Do Long
 for her?
 Have you got a mind to work
 and build this house?
 Do you love her? is she
 above your chief joy?
 Would die in the line of duty
 to see that she lives?
 Love your brother, defend
 your sister?
 Come let us build the walls
 of Jerusalem
 Come let us build this house
 it's time for God to dwell

CHORUS

The Glory is coming, let us
 get ready
 To be filled with the Spirit
 Don't let him pass you by
 Open your heart, this glory
 will be greater
 Come let us build the walls
 of Jerusalem
 Come let us build, lets give
 our lives
 For Jerusalem

God has been developing
 the negative
 Down through the lives of the
 shadow
 Jerusalem is not just a city
 back in Israel
 For God does not dwell in
 temples made with human
 hands
 Christ gave his life for her,
 he bore her shame
 The saints through the dark
 ages fell and they died
 Though she was burnt to the
 ground
 There's a promise she'll return
 From the ashes we'll rise
 with Holy fire in our lives

There'll be a great uniting,
 An invisible union
 We'll meet the sleeping saints
 with our Lord in the skies

It's not a dream, we're the
 reality
 The Holy City, The New
 Jerusalem
 God will dwell in the midst of us
 The Lamb will be our light
 There'll be no sorrow, no
 crying, no more pain
 The former thing will pass
 away, we'll live in a brand
 new day
 Come let us build the walls
 of the New Jerusalem
 Only He that overcome will
 inherit all things

BRIDGE

We were like those that dream
 Of the Glory in the temple
 Now our hearts is filled with
 laughter
 Our souls break forth with
 singing
 Out of the ashes Jerusalem
 She rise, She rise!

1024

SWEET JERUSALEM F#

This is our cry, Oh
 Jerusalem
 We lift our hand and give
 praise to our father
 Oh the one who's mending
 all the breaches in
 Jerusalem
 A house for his name

Our walls were broken down
 and we were captive
 Our altar of incense
 Lord was taken away
 But we remembered Sweet
 Jerusalem
 Yes we remember our
 Jerusalem

We are the house
 Oh sweet Jerusalem
 A house for your name
 Father come and dwell
 Our gates are restored
 The breaches are mended
 Lord come and dwell, come
 and dwell

1025

THE KING'S LOVE FOR... F

When the Lord God thought
 of Jerusalem in His mind He
 saw you and me
 Oh what a people He said
 they will be
 For He thought of you and me
 He thought of you and me

I called you my Jerusalem
 For I have set my eyes upon
 you
 Oh sweet Jerusalem
 My people I shall dwell with you
 A new Jerusalem
 My people I shall dwell with you
 A new Jerusalem

CHORUS

Jerusalem peace be to you
 For I have come down in the
 midst of thee
 To build the broken wall again
 That you may be one with
 me that you may be one with
 me

MONOLOGUE

ISAIAH 62

*For Zion sake will I not
 hold my peace, and for
 Jerusalem's sake I will not
 rest, until righteousness
 go forth as brightness, and
 your salvation as a lamp
 that burneth. And the
 nations shall see thy
 righteousness and all
 kings thy glory. And thou
 has been call by a new
 name, which the mouth of
 the Lord has name thou art
 a crown of glory in the
 hand of the Lord. And a
 royal diadem in the hand
 of the Lord thou shall no
 more be termed forsaken
 neither thy land be termed
 desolate but I call thee
 Hephzibah and thy land*

**Beulah for the Lord
 delighteth in thee and thy
 land shall be married.**

Awake Oh my Jerusalem for
 I the Lord have long awaited
 you in shadow and type
 I've spoken of thee and now
 It's so plain to see we are the
 reality
 It's so plain to see we are the
 reality

HALLELUJAH C

We are the children of God
 Chosen vessels unto him
 Our angels behold the
 father's face
 We are special unto him
 We should never be
 ashamed to testify
 Of our love for him
 For we are privileged to be
 children of the King of Kings.

CHORUS

Hallelujah)
 Glory and praise to the saviour)
 Hallelujah)2x
 Lets worship our king together)

We must stand in unity
 So we show our love for him
 Having a blameless testimony a
 life that is free from sin
 We should be an example to the
 lost who know not the way
 For we're not children of the
 night But of the day so lets
 show them the way

With the joy of the Lord and
 strength of our youth
 Let's be zealous to do God's
 will Fleeing youthful lust and
 pressing to be
 Empty vessels that God can fill
 We must never lean to our
 own understanding
 Casting all reasoning down
 We'll be better able to love
 and serve him

1027

WE ARE THE TEMPLE OF... D

Out of the rubble of this world
Out of the ashes of a city once built
But God promise of restoration
Is now being fulfilled
With his mighty hand of grace
Out of the nations, he brought
us out
To build His house that he'll
come and dwell in.

CHORUS

Know ye not
You are the temple of the living God
Know ye not, you are a
precious stone
To reflect the seven virtues of God
A pyramid city on a hill
The desire of all nations within
His glory comes to fill this place
Lord in this house, you shall reign.

I see Nehemiah

With the sword and tool in his hand
With the burden of Jerusalem
Let's rise and complete this house
The Lord will not fail us
His promise to us He'll keep
All weapons against us, He
will destroy.

I see Zerubbabel

With the plummet and line in
his hand
Measuring this city that's building
From perfect faith to love we
are coming
The broken walls are rebuilt
No breaches, they all are mended
The gates restored, to
welcome home our King.

BRIDGE

The capstone of grace has
come to us
To cap off the pyramids of our lives
And the glory of this latter house
Shall be greater than the former
house.

You are now my holy temple
I will dwell in

You are now
The new Jerusalem
The city of truth that shall stand
Perfection, His Praise we are
We worship our Lord and King
Now we live by the power of His life
Soon we'll have our edenic
beauty
No more to be shaken and broken
Never to be destroyed

Hallelujah
To the King of Kings
Hallelujah
To the Lord of Lords

1028

JERUSALEM'S ARMY Bbm

Let's fight and take back
What Babylon stole from us
Rise and build back our city
Let us sing and rejoice
And shout Hallelujah
For we have conquered the enemy

CHORUS

Rise and let's build back Jerusalem
Rise and let's build back Jerusalem
Let us rise again
And rebuild the wall
That Babylon has broken down
Rise and let's build back Jerusalem
Rise and build

With the sword in one hand
And the breastplate of
righteousness
We are armed to take down the
enemy
Those demons from Babylon
Attacks God's children
But we are trained in
Jerusalem's army

The enemy is rising
He is trying to run a rampage
In Jerusalem's Army
He tried to trap some of our
brothers and sisters
But God is the Chief in this army
And I know very soon they'll be
marching through those doors
We already have the victory.

1029

I CANNOT FORGET JERUS... D

Our walls are broken down
Our gates are burnt with fire
And the harp that we once
played Now hang upon the willow
And can we sing the songs
of Zion in a strange land (2x)

CHORUS

I cannot forget Jerusalem
I cannot forget Jerusalem
I remember the city of God
I remember Zion

In Isaiah sixty two
For Zion sake I will not hold
my peace and for the sake of
Jerusalem I will not rest
Until the righteousness go
forth as brightness
And the salvation thereof
As a lamp that burneth

When God delivered Zion
From the captivity of Babylon
Then was our mouth filled
with laughter
And our tongue with singing
The Lord is doing great
things for his people
That's why we are glad
That's why we rejoice

1030

LORD, I WANT MUCH ... Bb

Lord, I want much more of you
And daily dwell, in Your presence
To decrease, that You may
increase
And everyday dear Lord
Be much more like You

CHORUS

I give You my heart today
I give You my Spirit
I surrender my will, dear
Lord, To You
Everything I have O Lord
All that I possess, Lord God
is Yours
I want to decrease
That You may increase

1031

I'VE GOT LEAVING ON..... A-Bb

CHORUS

Lately I've got leaving,
leaving on my mind
Lately I've got leaving, just to
leave this world behind
Leaving, leaving, I've got
leaving on my mind
Leaving, Leaving, just
leaving this world behind

I've seen a man clothed in white
linen
With a writer's ink horn in his hand
Moving to and fro the earth
sealing God's children
I've seen the son of man
clothed in a cloud
Coming down from on high
And I can't help the way I feel
My redemption draweth nigh
For I've got leaving, leaving
on my mind
Leaving, leaving, just to
leave this world behind

I see earthquakes in diverse places
Famine on the earth
As God's scripture fulfills rapidly
God's children giving birth
I hear the lion roaring loud in Zion
Just before the quake
And just a little while from now
The sleeping saints will awake
I've got leaving, leaving on my mind

Lord take me to that place I
need to be
For my soul just cannot take
the things I see
I want to mount up like the
eagle in the sky
For lately, I've got leaving,
leaving on my mind

Tried like the gold in fire
Purified by fiery trials
My bags are packed for home at last
And I'm not looking back
I've got leaving, leaving,
leaving on my mind

So much pressure on the sons of
God
To stand for Him in this day
And soon all their privileges
will be taken away
I hear the lion roaring loud in Zion
All that can be shaken will be
shaken
And very soon the earth will shake
Then the sleeping will awake
For I've got leaving on my mind

I AM THAT I AM Dm

I called thee from the Ur of
the Chaldees
To bring you into the promised
land
You don't have to worry
about your journey
Your steps is surely in my hand
When you hungry I will feed you
When you thirsty I gave you drink.
When you tired you came rest on
me
Am the same yesterday,
today and forever and will
always be
I Am, I Am that I Am

CHORUS

I Am, I Am will keep you in
the time of trouble
I am, I am will surely fight your
battle
When the enemy comes in like a
flood
I will raise a standard I am, that I
am

I have heard the cry of my
people down in bondage
I am come down to set them free
Not by might nor by power
But by my spirit and the sign
of a Prophecy and the Voice
that's me
They were hungry I fed them
with manna
They were thirsty they drank
from the smitten rock
When they get bitten by the viper,
A brass serpent on a pole was
lifted up.
I Am that I Am

Seal up these things John
But in the days of the voice
when the seventh angel
begin to sound, I am come
down one foot on sea,
And a open book in my hand,
Between the fifth and six
seals I am there
Between the feast of trumpet
And atonement I am there
In the days of super nova
greater than Ruth and Esther
A Pyramid city having the glory
to God
The sweet influence of the
Pleiades and Orion, and Arcturus
and his sons
I Jesus in your midst that's who I am

LAST GENTILE SIGN Bm

There stands a man at the
end of the church age
He was in the form of the
one who visited Abraham
Then we saw the Sign,
Messianic Signs on the earth
Could it be that they did not
understand
That sign God, God in man

For now we know
Christ is the Mystery of God
revealed
Though He changes form
His character remains the same
Now could it be that same
mystery in you and me
The Seventh Seal, it was
silence everywhere
The Spoken Word is now in
the Bride

We've seen the last Gentile sign
Before the fire fall
The winds are being let
loose upon the earth
For the world has denied the
Prophesied Christ
The Rock has been thrown up
Now judgement fills the earth
We've seen the last Gentile Sign

We've seen her displayed
By the Supernova in the sky
The one that meant the most
Was the Red Square Nebula
But in 87 the first sign did appear
There we saw the wedding
band of grace
An invisible union has taken place

Now stands the Bride in
image that will speak
She is Him revealed, the
promised word for our day
It's Him doing all three things
The Shout, the Voice and
then the Trump
He in Her is the Third Pull
manifest
The Voice of Christ speaking
in the Bride

INSIDE LIFE G

I want to be influenced by the
influence that influenced
Malachi 4
For he was the wave sheaf
waved before me
It's what my soul's been longing
for
For I know that Satan is real
And all hell is against me
So as I hear your Word oh Lord
My weight of sins, I lay down
Just to see your life inside of me

CHORUS

For it's an inside life, I am
longing for
Where the sons of God are free
Where a Child of God lives
as child of God
Victorious and Holy
When I wave at you in the mirror
And You wave back to me

I want to walk in perfect faith
in full obedience to your Word
To be set apart and Lord
with all my heart
To do your will sincerely with
truth
Just to walk with you oh Lord
Just to hear you say 'well done',
And though my walls are broken
down
My weight and sins I lay
down, I'm looking for your life
inside of me

BRIDGE

How else would I know my time
season, but by an inside life
How else would I know but
by revelation, an inside life
Who would I trust to take me
over, an inside life
How would I know that I
would rapture, an inside life
When I wave at Him in the
mirror He wave back to me

BE STRONG & WORK... C

Is it time for you to build up
yourselves
And this My house lie waste
Hear the Word I speak today
Take inventory, consider your
ways
Go on up mount pyramid
There you'll find all you need
Build my house by the pattern
I gave
I'll fill it with My Glory

CHORUS

Be strong and work for I am with
you
Be strong and work
I'll complete the work through you

Many of you are going along
Frustrated, troubled,
tormented in mind
Faint and weary, feeble
hands hang down
You have started to fall behind
But Arise! My plans for you
are great
My will must be achieved
Through you, My elect in this age
My house must be filled with
My Glory

I have shown in shadow and type
My perfect plan for this time
The Alpha church was
promised to return
Seven church ages has already
gone
And though it seems weak in
your eyes
Don't you despise the day of
small things
A little handful spread
throughout the Isle
You are the house My Glory will
fill

BRIDGE

The world was shaken
through the Prophet's
ministry
You saw my coming in the
Cloud in 1963
I also promised that I will fill
The glory of this latter house will
be greater than the former

LORD LIFT ME UP **F**

So many times I've trampled
on your grace
So many times I've brought
your name to shame
Seeking after my own selfish
desires
Living unconsciously, it's not
what you require
But here I stand asking for only
you
I'm laying aside self will
that's all I want to do
Let my life display the blood of
the lamb
Lift me up Lord into that
supernatural realm

CHORUS

Lord lift me up, never let me go
Hide me in your Word, take
me out of this world
Your Word is so real, I can
feel it in my soul
Lifting me higher where only
eagles go
Lord lift me up

Bread of life, you still sustain me
On the potter's wheel mold
your masterpiece
I don't want to be weighed
and found wanting
Holy Spirit rain down, hear
my desperate cry
In these closing days of time I'm
holding on to the horns of the altar
Shake what needs to be shaken
so you and I could be one
And though my flesh may quake
all of You is what I'll gain
Lift me up Lord, I want my
two wings to fly

CHORUS

Lord lift me up (out of fantasy
into reality)
Lord lift me up (out of fear
into serenity)
Lord lift me up (out of pretense
into deeper sincerity)
Lord lift me up, higher and higher
Lord lift me up (to a place where I
can have devils on the run)
Lord lift me up (I'm standing
here knowing I can't do it
without you Lord)

Lord lift me up (I'm taking
back, I'm taking back, I'm
taking back what's mine)
Lord lift me up into rapturing faith

LED BY THE SPIRIT **D****CHORUS**

Led by the Spirit following
God
Still following My Guide, that
7th dove
He is leading me in bloody
footprints he left
It's leading to glory up those
seven steps

We have history from which
we cannot stray
Though it's spoken over and
over it has been the way
This Spirit of truth that we
have received
Brings these things to our
remembrance
We know the certainty of the
things we believe

This Spirit of Truth, The
Dove led the Lamb
From the Jordan to the
wilderness, Then to Nazareth
into the synagogue
Took the book, closed the book
Said this day is this scripture
fulfilled in your ears

Led By the Spirit, God's
prophet for this age
Was handed the book by the
priest as he came to preach
birth pains
Jesus preached the acceptable
year
But the prophet declared the
day of vengeance is here

At every junction we see
sovereign grace
God lead his servant in the
word to just the right place
Where modern events are
made plain by vindicated
prophecy
It's the leadership of the
Great Jehovah in this
ministry

FEAR NOT **A**

From a bastard to a King,
that's the story of our lives
We were brought here, by a
perverted birth,
Bypassed the Word of God
Our nature was of Moab,
things God despised
But we met with our Kinsman
Redeemer
Who redeemed us by His
grace

CHORUS

And He said "Fear Not, Only
Believe!"
"All you need, you shall receive",
"I took you from a life of sin and
brought you to my house"
He said "Fear Not, Only
Believe!"

I am Ruth I need redemption,
only you can perform
I'm on my knees in full
surrender, Lord, I'm ready to die
The hour has come for you
and I to become one
So I'm down at the threshing
floor, asking you
To cover me

I come into your presence, in
sweet communion with you
I am under your cover hearing
you, whisper secret things
My heart is overflowing when
I see the grace you've shown
Now I'm on my way rejoicing for
I know, it's a finished work...

Bridge

For all the promises I've seen
You fulfilled in my life
I thank God for my trials,
they only come,
To make me strong...

CHORUS

And He said "Fear Not, Only
Believe!"
All you need, you have received
I've healed and I've delivered you

For you're a part of me
He said "Fear Not, Only Believe!"

Only believe, only believe, all
things they are possible
He said "Fear Not, Only
Believe!"

HOLY SPIRIT TAKE CONTROL **D**

I see the famine, it has begun
I hear them saying let's all be
one
I'm seeing Jezebel, she's in
control
Stealing the hearts of men
Stealing their souls
But Lord in this hour
Of destruction and horror
I know I cannot make it through
if I don't have You
So Lord this is my desire

CHORUS

Holy Spirit take control
Let Your sweet influence be
upon me
In my heart, my life, my soul
My one desire is for more of
You
It's the only way I'll make it
through
It's the only way I'll make it
through

I see Melchizedec with bread
and wine
He's come to feed our souls
He's pardoned us
For an immortal world
He's preparing us
Rapturing faith to change
dimensions
I can feel the strange call in
my soul
It is my theophany that is calling
me
To my future home

BRIDGE

Fill me now....

PERSEVERANCE **G**

For so long in my life
I've been looking for the change
There're many things I've put
away
And there's much I've rearranged
But when I check in the
mirror of the Word
My state still seems the same
For no matter how hard I tried
Still too much of me remains

Yet when I look back over my
life
And the trials I've come through
It was nothing but amazing
grace
Lord it was no one else but you
So I'm pressing on to that
seventh step
Till your image I behold
So how could I ever let go
When Your mercies so freely
flow

REFRAIN

I can't let go no, no, no, no
I can't let go Lord
Till You bless me

CHORUS

I'm holding on, I'll persevere
The Angel of the Lord will
meet me here
For just one touch from you oh
Lord
Will bring the change I'm looking
for
So I'm holding on to You Lord
Holding on to You
Holding on to You Lord
Till You bless me

Like Jacob I long for that
blessing Lord
I thirst for that birthright
I've been wrestling with the
Angel of the Lord
And I won't give up the fight
So I'm pressing on to
Canaan's land

I've past two thirds of the way
And I won't rest till the morning
light
For my victory is so near in sight
But in my life there's an
enemy Father
There's that old law of sin
But like Joshua I must
overcome
With my feet on the neck of
those kings
So I'm praying and pressing on
Till on the mountain top I stand
Back in Your very image oh God
Till I'm filled and one with
your Word

BRIDGE

Bless me
I'm not asking for silver or gold
But that You'd fill me and
make me whole
From perfect faith to charity
Father
Till Your very life is seen in me
I'll put away the works of the
flesh
Every sin Lord I now confess
Father I'll forsake this sinful
world
And give You my heart and soul
On my knees I'll persevere
and pray
Lord, Lord, oh Father.....
Bless me.

1041

HE KNOWS MY NAME **F**

I have a Maker
He formed my heart
And before even time began
My life was in His Hands

CHORUS

He knows my name
He know my every thought
He sees each tear that falls
And He hears me when I call

I have a Father
He calls me His Own
And He'll never leave me
No matter where I go

1042

ONLY BELIEVE **D**

Sometimes we pray, "Father
let this cup pass from me"
But we want to cry out, "Just
once more, Lord" on bended
knees
We see just one touch of the
hem of Your garment
It brought change and full
deliverance
So I'm casting down fear
There's power in prayer
Only believe

CHORUS

Only believe
Let nothing stand in your way
Issues of blood, troubles and
confusion
Will have to go back through
hell's gates
Put your feet on the necks of
these kings
Look to the bleeding Lamb
that was slain
Only believe, just confess it
and you'll receive

The prophet longed, he longed
to see that seventh dove
And Lord how we long for
you to come and fill us now
Sweet Holy Spirit, sweet
heavenly Dove brood over us
Find your resting place in our
hearts

The Lord, my Rock, my Light
and Salvation, in You I believe
And by Your blood we
rebuke all lying vanities
Though an host encamp against
me
To release fear and insecurity
I stand confident
Lord You will keep and deliver
me

CHORUS

Lord I believe
Nothing shall stand in my way
Issues of blood, troubles and
confusion
Will have to go back through
hell's gates
I put my feet on the necks of
these kings

I look to the bleeding Lamb
that was slain
Only believe, Lord, I confess
it and I'll receive

BRIDGE

The Dove is saying,
"Shalom, shalom.
Peace be unto you
Shalom, shalom"
On the wings of that Seventh
Dove

I hear Him saying, "Shalom,
...Your troubles are over
...It's only six inches
...It's the dawning of a new
day
...We're going to that new
world
...We're heading home
...It won't be long

MY FAITH IN HIM **F**

Many times, oh yes
God has spoken here
In many ways and seasons
But in this last age
He gave his promise
To take a people to eternity

I have lived, oh yes,
Waiting for that moment
And all of me is resting on
His Word today.

CHORUS

My faith in Him
Will take me out from here.
I've never heard
A promise like this.
One day from eternity
Chariots will break forth
And into His presence
Angels will carry me

There were many of those
who aimed to be
Part of this end time bride
But he has chosen a special
people
That would love his word
until the end
And it doesn't matter how
long his coming takes
They will keep holding his
word in their hearts.

BRIDE TIME **Dm**

One time, seeking the Lord,
To find out what's the hour,
Feeding my soul, oh, the
seven thunders,
His word was preparing my
heart,
For this final hour,
When the spirit said to me:

CHORUS

This is Bride time, this is war
time
Put on the armour, The Holy
Ghost and fire
Rise and shine, oh become
that super sign (x2)

Two hundred million
demonic power
But the spirit shall quench
their torture
You see the world is filled
with violence
Because the word is being
denied
But we stand faithful
Faithful as God's little bride.

Michael has come with the
sword
To put devils under your control
Seven thunders have sounded
The original word is restored
Saints no more to be afraid
We are truly born again
Now the king's sword is in
your hand
Be strong and possess your
land

The greater works are calling
The bride she has to go
The rocks has been thrown
up in '64
The sign, the plagues to follow
The pale horse rider unites them
To the great and final woe

But the bride she's secured
The token is on the door.

BRIDGE

Jezebel and Ahab united
Resurrection faith increasing
(Rise and Shine oh) (x2)
Though the squeeze is starting
We feel the third pull super
anointing
(Rise and shine oh oh
become that super sign x2)
Mordecai already had spoken
Hatach reiterating

No scary feelings
The I in you shall be speaking
Rise and shine oh oh
become that super sign(x2)

You better awake from your
slumber
Haman has planned a great
slaughter
Rise and shine oh oh
become that super sign (x2)

So now you're awaken Esther
You are the star the young
supernova
Rise and shine oh oh
become that super sign (x2)

Ruth mark the spot
Confession brings the name
Rise and shine oh oh
become that super sign (x2)

Jehu soon anointed
In an hour the whore shall be
burning
Rise and shine oh oh
become that super sign (x2)

Now the doors are closing
Our flight we shall be taking
Rise and shine oh oh
become that super sign (x2)

DOWN AT THE ALTAR C

Guide my feet, hold my hands
Grant it Jesus, that I may stand
Won't be satisfied, if you're
not on the inside
Till You and I are one Lord
Till we two become one Lord

Remember me oh Lord
As I'm laying my all on the
altar of sacrifice
Naomi said You'd meet with
me here
Remember me oh Lord
You said ask and all I ask you
will do
So here I stand
Only asking for more of You

And all of my desires
I lay them at the altar of
sacrifice
And everything I am Lord
I lay here at your feet
(Humbly at Your feet)
I won't be satisfied
Till You and I are One

Remember me oh Lord
As I mark the spot where you
lay
Down at the cross
Where your precious blood
was spilt
Remember me oh Lord
You said ask and all I ask you
will do
So here I stand only asking
for more of you
So I'm asking Father

CHORUS

Lead me I pray, every day
I want to know you better Father
Tell me more about you Lord
To be concerned about your
desires

Lead me to that place, where
I know, that I know, that I know
I'm yours Jesus
I won't be satisfied till You
and I are One
Remember me oh Lord,
I can't move from this place
unless you come
And all I know is that you're
willing to lift and restore
Remember me oh Lord
Lord I believe every word
you say is true
So here I stand, my only
request is Lord more of you
So I'm asking Father

Lead me I pray, every day
I want to know you better Father
Tell me more about you Lord
To be concerned about your
desires
Lead me to that place, where
I know, that I know, that I know
I'm yours Jesus
I won't be satisfied till You
and I are One

...Signs of the time and a world
filled with judgment Father
...More and more and more
of you is my desire Father
...just can't be satisfied, Lord
...Signs of the time and a world
filled with drunkenness Father

Guide my feet... (Repeat)

JESUS ALWAYS LOOKING...D

Jesus always looking out for
me
He's always opening doors
That I can never see
I don't have to worry
He'll take good care of me
He's always looking out for
me

1047

I'M LOOKING AHEAD Bb/C/D

CHORUS

I'm looking ahead to that
glorious city
Where I'll shake the hands of
those who've gone before me
I can still feel the same tender
hand that's carrying me
Will lead me home so Lord
I'm looking ahead

Living in a world of insanity
We're surrounded by the
dead they are all asleep
But under the Easter seal
thank God we're quickened
and awakened
Now the master is here the
son has risen
He's no longer the hidden
Messiah but he has appeared
Now to the promise of a second
coming I'm looking ahead

So many among us are
hurting
They're wounded in the
battle Lord they are dying
Brothers take each others
hand Sisters do the same
thing too
Lift each other in prayer we
will make it through
And though skin worms may
destroy this body
I've got another one waiting
for me
So Lord fill my soul with your
Holy Ghost
Cleanse me and make me
whole.

BRIDGE

I am looking to my perfect

sacrifice
To my redeemer the Lord
Jesus Christ
No more sickness no more
trials for me
To that provided place that
Jesus built for me
My faith is settled, my
theophany
To that provided place that's
prepared for me

CHORUS

BRIDGE

Swing low, swing low, swing
low ,sweet chariot
In just a little while we'll
shake our prophet's hand
In just a little while we'll walk
the streets of gold
Hallelujah we'll meet the
saints of all the
ages.....

SEND THE RAIN C

Lord send the (us) rain
Send down Your Spirit
Heal every wound
Send down your life
Consume me Dear Lord

Lord send us rain
Send down Your Spirit
Heal every wound
Send down Your fire
Possess me Dear Lord

Lord send the rain Lord
As Token of Your love
Visit my life
Possess me dear Lord

Lord send the rain
As showers of Your love
Visit my temple
And possess me dear Lord

ORIGIN DESTINY A

A mighty angel descended
with the open book
Seven thunders uttered their
voices and my earth shook
The chains that bound my
mind began to fall off
Through the angel in the
pulpit reiterating the prophets
thoughts
I now see my pre-existence,
in God's mind,
I understand my earthly
journey down through these
corridors of time
I look to my eternal
destination, I'm saved and
cannot be lost
The tale didn't pull me down
I'm a star set in my course

CHORUS

Origin, destiny pre-existence
and my earthly journey
I long to break free from
these walls of flesh
And go to my theophany
To stand in that, in that day
in a glorified body
To stand in that, in that day
in a glorified body

This rugged old robe of flesh
we've carried along
These 16 sinful elements
that make our earthly home
But we see a new day
dawning on the inside
Shalom to my bride
And soon she'll be changed
to meet him in the sky
Yes soon she'll be changed
in the twinkling of an eye

CHORUS

With great desire I desire to
sup with thee
Melchizedek communion,
bread and wine it's his Body
Eternal attributes from in the
mind of God

Now expressed in flesh
writing to go to our Lord
The Marriage supper of the
Lamb
It is drawing near
But it takes three robes for
you to be there.
The Holy Ghost, a theophany,
and a Glorifies body
That's the complete garment
for the supper in eternity

CHORUS

Kinos, God poured in another
mask
Enmorphé behind flesh,
getting ready to perform this
final act
Well the drama is about closed
This is the final page
Christ in the pre-theophany
stage

1050

I WILL WALK THIS PATH G

Because you have chosen the
narrow path the hardest way
A great portion of heaven is
waiting for you
Because of what you have
decided
That was the prophecy that the
Angel told to the great messenger
That is what will produce the
great victory in the love divine

CHORUS

// I will walk this path
In the footsteps of Elohim
I want to get to the end of time
That divine love may live in me //

This path has many trials and
many battles against the enemies
But His Holy Spirit will lead
us to perfect love
There is not much time
remaining to walk this path
We can already hear the
chariots of our beloved one
Coming to the meet us

1051

HIS TRUE TABERNACLE D

For I was born to be his dwelling place
A home for the Presence of the Lord
So let my life now be separated unto Thee
That I might be what I was born to be

Man born of a woman is few days and full of trouble
That is why it's said 'ye must be born again'
For by one word being broken creation went
In a tumble nothing was ever the same
Man was put out of the Presence of God
Created man became a fallen man
The First tabernacle God made Himself to dwell

CHORUS

The Throne in my heart belongs to God
I am His True Tabernacle
In the Holies of my heart I meet Him in there
In there I offer sweet incense
Come oh Lord, come and dwell

Since then the whole creation Groan and travaileth in pain together until now
How much more they who the first fruits
Of the Spirit groan awaiting adoption
Jesus said I go to prepare a place for you
He has returned we've seen the Cloud
The sign of our redemption

The saints and sages all long for this moment
These are things angel desire to look into

The grace that I have seen by the revelation
That's been given my place in Christ
I have come to know I have the Spirit of a heavenly country
That's why nothing on earth can satisfy me
I'm looking for a future home with my King
From a heavenly kingdom

BRIDGE

Lord forgive me for the many times I turned you away
I was born to be a dwelling place for Thee
Come in Lord, come and sup with me

The Throne in your heart belongs to God
You are His True Tabernacle
Worship the One who created heaven and earth
For this is the hour of great Temptation
Hold fast which thou has let no man take thy crown

1052

YOU ARE EVERYTHING TO ME

You are everything to me
You're worth more than all my eyes have seen
Your peace, Your Perfect Love
Your power from above
You are everything to me
You are that sweet Dove

1053

I JUST WANT TO PLEASE...

I just want to please the Lord
Be in His will in every way
Just to be lost in His presence
Found in His likeness
I want to hear Him say well done, someday

1054

EPHESIANS AT THE END.... G

This is the Ephesians,
At the end of the age;
God has made known to us,
The mystery of His will.
We were chosen and predestinated,
For such a Time as this;
We are coming out of,
And going in

CHORUS

To the other side,
I will be there
Once a stranger without fellowship,
Now in Christ I have citizenship.
To the other side,
Will you be there?
Who was dead in sins and trespasses,
There's a body prepared (waiting) for you,
On the other side

We are living in the promise
For this day
Back to our origin
God has made a way
The bride is the final voice,
And she has turned at the west,
Our victory is sure
We have an open door

When thou passeth through rough waters.
I will be with thee.
And thou walkest through the fire,
It will not hurt thee.
For I am the Lord thy God,
And thou art precious in my sight
You shall have no other God but me,
Because I have no other wife but thee

BRIDGE

This is the Stars' Wars
We stand with Plaides and Orion
Look to the unseen
For our battle is not carnal
Mt. Zion, mix the Word with Faith
The Lion roars, and nations shake
The Bride is dwelling under the Palm Tree.

In this Ephesians all things are under her feet
Seeds of Abraham under preparation,
For the rapture between six and nine.

1055

WE ARE THE LAST Dm

We are the last to see this world as it is
The last group of gentiles with the father's genes
we've seen the last gentile sign on the earth
This World is getting ready to give birth

CHORUS

To a faith civilization with no science invention
This spiritual evolution has come to its completion
And it's just a matter of time before we cross
The Continental divide

We are the ones, we've seen the fig tree been budded
To us the seventh seal were revealed
We are living between, the sixth and seventh trumpet
We're awaiting the final one and we'll be gone

We see the cup of iniquity full
We see the ecumenical move
We see the cloud arising in the west
And this moreh rain will surely give a body change

BRIDGE

Soon we'll cross the life line that was broken
The feasts are being ended soon we'll be in the millennium
Then we'll cross the time line that was broken
We are living in the continuity
Soon there'll be no more time

And the last song will be sung
the last message will be preached
and the last son will be born
and we'll have our last look up on a world that is judge
and we'll be gone (3x)

THE SWEET INFLUENCES Bb**CHORUS**

Cans't thou bind the sweet
influence of Pleiades or loose
the bands of Orion?
Canst thou bind the sweet
influence of Pleiades or loose
the bands of Orion?

After six thousand years
After seven Church Ages
had gone
God himself came down with
healing in his wings to mark the
end of man's suffering
So there shall be deliverance in
Zion

And there shall be an
outpouring of the Holy Ghost
We're influenced by seven stars
We saw signs like the Nebula
Saying rejoice O Zion your
deliverance has come

Flesh and blood hath not
revealed these things to us
But the spirit of revelation
The spring sun has returned
and is loosed upon the earth
Bringing full redemption to his
church

With one foot on the sea and
one on the land
He holdeth the seven stars in
his right hand
He played the role of the great
enforcer
He'll fight for his people in
this dreadful hour
He holds the key of death
and hell in his hands

So there must be
deliverance in Zion (in Zion)
And there shall be an
outpouring of the Holy Ghost
So don't you think it strange
concerning your fiery trials

For the seven stars has
uttered great things
concerning you

(Saying your deliverance has
come)
Your El shaddai has come
(Your comforter has come)
Greater than Job has come
(Jehovah – Jireh has come)
On the wings of a snow-
white dove
(Jehovah-Rapha has come)
Your great comforter has
come
(Your El Shaddai has come)
The great Potentate has
come
(The great Melchizedec has
come)
Your great Arcturus has
come
(Your Arcturus has come)
On the wings of the seventh
dove
(Your redeemer has come)
Your great healer has come
(The Supreme Judge has
come)
Our great deliverer has come
(Your deliverer has come)

He's the mighty God
unveiled and his words can
never fail
You can find His qualification
nailed upon the cross

CHORUS**I'M FREE****G**

When I think of Jesus
This man who died for me;
took my sins away
What made Him give his life?
What was the meaning of
Amazing Grace?
I just couldn't see
This Bloody Lamb that was
slain, for me
I could not believe
The suffering He bore; took
my place, on that tree

CHORUS

(I'm) Free
From the bondage of sin
Christ now dwells within
I'm Free
He was the perfect sacrifice
The Lamb gave me His life

Despised and rejected
It pleased the father to, give
His son, for my life
Smitten and afflicted
I am now a prisoner of Christ
I've never known such love
To save me from the wrath,
He covered me,
With His blood
Amazing Grace I see
Justified I stand;

CHORUS

(I'm) Free
From the bondage of sin
Christ now dwells within
I'm Free
He was the perfect sacrifice
The Lamb gave me His life

BRIDGE

The cross **(2x)**
Now I'm living my life in the
bloody
Footprints of the cross
La Cruz **(2x)**
Estoy viviendo en las huellas
ensangrentadas de la cruz
Lord please keep me in the
bloody footprints of the cross
The cross

ON MY KNEES**D**

The time has come, divine
revelation in God's word
His grace I see, when I see
how He has chosen me
And it happens every day,
when I begin to pray
It burns within my heart, the
things He always says
He revealeth onto me, what I
was born to be in this day

CHORUS

So am staying (On my knees)
Patiently waiting (On my knees)
For your outpouring (On my
knees)
Oh Lord I need You (On my
knees)

Now I believe, that I was
born a predestinated seed
Amazing grace, has chosen
me to run this race
So I will give my life to Him,
perfected without sin
I can't do this on my own,
Lord put flesh on these dry
bones
If it takes my life to give, for
You I will live I need You Lord

So am staying (On my knees)
Patiently waiting (On my
knees)
For your outpouring (On my
knees)
Oh Lord I need You (On my
knees)

BRIDGE

I've read the scriptures in the
bible, about the Mighty
Gentle Warrior
The painful desire of
Hannah, and the fearless
move of Esther
Lord I believe that they were
true, and the token they
received, but what about me?
I know my battles are all won,
that's why I sing my song
I know blessings are all
mine, but it will just take time
So like Elijah here I stay,
with faith in such a way to
know you'll come

SWEET INFLUENCES D

There is an influence upon
me that I know is real
A connection from a realm
somewhere in the unseen
It's an influence that's heavenly
it comes from above
It's Jesus, the great fountain
of agape love

CHORUS

The sweet influence of Jesus
Christ
Sweet influences of the
Seven Stars
Held firmly by Orion's bands,
secured in his love
Sweet influences flows from
above

It gives me real conviction
when I tend to stray
It keeps me walking in the
straight and narrow way
When friends around me try
to shake me from my stand
I'm influenced by Jesus and
held firm in His hand

I see a world of people all
going downstream
It's evident their influence
comes from beneath
But something keeps me going
upstream against that flow
It's the influence of Jesus
that's upon me I know
A great cloud of witnesses
stands in glory today
They overcame by the word
God opened up in their day
I'm identified with these who
took that great stand
All influenced by Pleiades
the stars in His right hand

THE HOUR HAS..... F-G

We've seen God in creation
As the lion, the lion of Judah
We saw the dove, his holy spirit
We've seen him in the
rainbow and the cloud
Then came Revelation 10-7
Who spoke squirrels into
existence
So what about Revelation
10- 8 to 11
We are the redeemed, we
are his victory

CHORUS

The hour has come, that the
bride be glorified
She now has the testimony
of her Lord Jesus Christ
Though the tempest may rage
We will not be trodden down
The hour has come {It has
come} 2x
Hold fast Don't let any man
take your crown

The lot's been cast, the bride
knows her portion
Saints this has to be the end of
all your strife and confusion
We know what must be done
with the word
Daughter of Zion speak, just
speak and go forth
The rock's been thrown up
judgement fills the earth
And soon cometh the third woe
So Lord strike your
masterpiece, purify me
I'll not live in defeat

BRIDGE

Lord I believe {that you will
restore all things}
I receive {The outpouring of
the latter rain}
In this day {Which day? The
Lord's day}
Be glorified in me
Think it not strange
All the fiery trials{ they will
make you stronger}
The hour has come {3x}
{Your deliverance is here}
{Put your feet on the neck of
the kings}
That we would wear a crown

MY PRAYER Bb**Monologue**

*If my people who are called
by my name
Would humble themselves
and pray and seek my face
and turn from their wicked
ways, then will I hear from
heaven and I will heal their
land.*

In prayer and supplication I
pour my heart out to you
Sometimes the tears they fall
both day and night
Our hands are worn from
service, our dusty feet climb
rocky pathways
And all we long for is a touch
from the master's hand
But I see the finish line, it's
just a few steps away
So I'll bear my cross with
thanksgiving and praise
For I'm feeling that strange
call from God, saying come
home my child
Heal your people, heal the
land

CHORUS

Heal your people, heal the
land
There's still balm here in
Jerusalem
My soul is longing for sweet
rest
Heal your people, heal the
land.

Our Father, our Saviour, our
good Shepherd {Bishop of
my soul}
You've brought me this far
how could I be lost
Your glory fills the heavens,
it testifies of my redemption

Our sins and shame you
nailed them to the cross
But I see the wounded
soldiers and many who've
fallen away
Lord we won't let them die
but for deliverance we'll pray
For your arms are open wide
you're saying come home
my child
Heal your people, heal the
land

Monologue

*So like Hannah Lord we cry
to you, open the barren
wombs
Everything we have need of I
know you are more than able
and willing to do
Like Sampson Lord we cry
just once more, just once
more Lord
I must see life signs in this
body
Healing is here, deliverance
is here, I know the Holy
Ghost is here
To restore all that was eaten
House of hell give way,
Jerusalem will rise in all her
glory
And her vats shall overflow
with corn, oil and wine.*

1062

LET NOT YOUR HEART...C

CHORUS

Let not your heart be troubled
Neither let it be afraid
For the same God who
brought me through my trial
Is the same one who will
lead us to heaven's gate.

Battled scared soldiers,
veterans of war
Still towing the battle line
You've come through all
these years waiting for sweet
release
Nobody else but Jesus has
come on the scene
But I've learnt to trust him in
spite of my despair
I am waiting for that meeting
in the air {swing lo sweet
chariot}
Though this world may
despise me, that's alright
I've got a man called Jesus
who wants me at his side

Here we are walking in the
bloody footprints
Oh what a guide we still have
The mysteries are decoded
and encrypted in our hearts
Yes we are writing another
book of Acts
Now Naomi's getting ready,
to receive Ruth's baby
No longer will she be blinded
by flatteries
Saints lift your hands and
praise him
Down to the resurrection
we're going
Mount Zion rejoice, we're
being restored

BRIDGE

Jerusalem, Mount Zion,
we're going home
In the morning, in the
morning

I'm headed home, home
sweet home
Angels are coming, to pick
me up
One day, you won't see me
The rapture will come, to
take me home
His face I'll see, for all eternity
Will you be there, will you be
there

1063

LORD I HEAR YOUR A

Lord you took us from, the
mark of the earth
You have cleanse and made
us over to do a special work
Now we are walking right in
step
In the rhythm of the word,
caught up in the mystery of
the second fold

CHORUS

Lord I hear your voice
speaking to my soul
Saying don't you ever give
up, keep holding to my word
Lord I feel your love pouring
down on me, it's the Holy
Spirit
He wants to dwell in me
That's my desire for more of
you today

Lord we believe, you and
your word are one
Moulding us, preparing a
bride, we know we are the
one (we are the ones)
You took us from the chains
of death from our lives
One standing in our midst, to
bring this word to life

We know the locust came to
deform our lives
To make us doubt the word
of God by telling us lies
But to this the hidden
mystery, has been revealed
Shall I your God hide from
you what am about to do

1064

LORD SEND THE RAIN...E

CHORUS

Send the Rain of Revival
The Rain of revival
Fill us with your Holy Spirit,
we pray
Quickening power for
translation in this hour
O Lord send us your rain

This world lay in darkness
For rejection of the Son of
man
They have crucified Jesus
Christ a second time
But God's amazing grace
Has brought us to this place
By his blood we are
cleansed from sin
The title deed has come
Revealing our inheritance
We rejoice to see that we are
His Bride
But there's a cry in our souls
For his life to be manifested
O Lord send us the rain

Elijah truly has come
All things he hath restore
That the former and the latter
rain could come to us
Our eyes have seen the
cloud
Bringing full redemption
Seven seals have lose the
Holy Ghost to fill our souls
We have heard seven
thunders
It awaken us to this hour
Where we know our position
in God's word
O Lord we are crying
For rapturing faith we're
expecting
O Lord send us the rain

The bride tree is restored
Her revival now is on
She's become the final voice
to this final age
A third pull ministry
Will create at Let there be
It will bring the sleeping ones
from the grave

But before we go, the
dynamics must be in the
church
For a quick short powerful
work, we will do
O Lord in desperation
We want that revival
Where Divine love take
supreme control

BRIDGE

Your vats shall overflow with
corn, oil and wine
Total healing, full deliverance
Lord (you will not deny)
Angels visitations (visions
and dreams)
Prophecies (Lord you will not
fail)

Thank you Lord for your
revival
The rain of revival
Your Holy Spirit, Lord we
have received
Your quickening power to
change us in this hour
Lord, Thanks for your rain

SOUND THE ALARM INA

The tempest is raging
We're in the midst of the storm
Dark clouds are gathered
As the old ship of Zion nears the shores of home.
We can feel the cold winds blowing
That 'northerner' is coming
The prince with power of the air
Enemy ships from Rome draw near
Sound the alarm in Zion!

CHORUS

Gabriel blow, sound the alarm in Zion
Gabriel blow, send the alarm across the waves
All around nations are shaking
We hear the Lion roaring
The day of the Lord is nigh
Watchman shout and cry
Sound the alarm in Zion!

We see barrenness in the Earth
The locusts have ascended
Iniquity all around
Judgment has come down
For rejection of God's word.
We see Lucifer and his kingdom
Come to kill and take possession
With Jezebel at his side
To persecute this little Bride
Sound the alarm in Zion!

This message has been preached
Gone out to the elected
And very soon he that is filthy
Will be filthy still
Gentile days soon to be ended
The 7th messenger has ascended
To Israel God will turn
The tares bundled to be burnt
Sound the alarm in Zion!

BRIDGE

We've got to turn to the Lord now (sound the alarm)
Call a solemn assembly (sound the alarm)
Gather the people!
Sanctify the congregation!
Fast, weep and mourn!
Esther plead for your people
It's time of great trouble
Amateur tribulation is nigh
Watchman shout and cry
Sound the alarm in Zion!

1066

SPIRIT OF GOD MOVE D-D#-E

CHORUS

Spirit of God move, write your word in my heart
Fill my whole being, consume my life
Spirit of God move, an empty vessel I want to be
So that you can come, Lord and fill me.

Abba Father is what I cry
Come by here Lord, your spirit you can't deny
When I see your wrath fixing to be poured on this earth
For this message that was scorned, my desperate cry is...

I lift my hands in surrender, laying all on the altar
I don't want to pretend, but be sealed by your hand
I will take your word and hide it in my heart
Till every fibre of my being has that desperate cry....

I've recognized your voice, I've understood the call
Help me not to faint but stand and overcome
I just want to please you, it's all I can do
So from my soul now I cry to you...

1067

THE FINAL FRONTIER E-F

I can feel the pressure rising upon the land
As the plague of locusts swiftly devour its inheritance
And while the earth is groaning for deliverance
The Lord is uttering secrets to his children
I will restore (of how he'll restore)
Children of Zion lets lay aside our weight of sin
That we will not be caught in the judgment that is rising
On the dreadful (terrible day of the Lord)

CHORUS

Keep your eyes on
Upon your promise
There's a trumpet sounding in Zion sounding freedom
May hearts be filled with gladness
Sanctified and holy, signed, sealed and filled
On the terrible day of the Lord.

When I see all nations
Gather against Israel
To steal their inheritance of Jerusalem
The trumpet sound reminds me it won't be long again
When the Lord would take his in the rapture
He'll hide her away
Children of Zion lets live for one another
Let's make sure no one get left behind
To face the wrath
Of the terrible day of the Lord

May your floors be filled with wheat
Oh Zion

May your vats overflow with oil and wine
May your old men see visions
May your sons and your daughters prophesy
May you never be ashamed
For the Lord knows your name as Mrs. Christ
And when all nations gather against you
Oh Zion
You are a mighty army
I am your general
Mighty is the Lord
For his people he will fight

1068

LORD I WILL PRAISE YOU

Lord I will praise you
All the days of my life
And I will sing a song to you
For you are the essences of my life
Lord I love you

I adore you
I glorify you, oh Lord
I life your name
I give you praise
Oh Lord, the essences of my life

Thank you father for your grace
Thank you father for your mercy, oh Lord
And I will lift my hands in praise
For I know you are, my portion, oh Lord (x2)

For he is holy
Mortal lips aren't enough
To sing his praises

BLOW THE TRUMPET...

Blow the trumpet in Zion
And sound the alarm in my
holy mountain
Let all the inhabitants of the
land tremble
For the day of the Lord
cometh, for it is nigh at hand

We have heard the trumpet
sound
Saying come out of Babylon
We have responded and
came out
For Babylon is fallen
For we are the city four
square
Mt. Zion, Heavenly
Jerusalem
Our garments are made
clean and white
By the blood of the Lamb
We are the Lamb's wife

CHORUS

Blow the trumpet in Zion
Sound the alarm
Blow the trumpet in Zion
Sound the alarm
For the day of the Lord is
here
He's the Lion of Judah that
hath prevail
He roars and the earth
quakes
But unto my people
I am your hope and strength.

The fig tree has put forth his
bud (Israel)
Declared a nation
Jerusalem, they seek to
restore
To await the Messiah
King of Babylon, he has
come
To seek, to kill and destroy

But behold the third woe
cometh quickly
In the valley of Jehoshaphat
I will kill him and his army

The gentile nations are
shaking
As the Lion is roaring
Their economy it has failed
And their kingdoms are
falling
But we receive another
kingdom
We live by God's spoken
word
In this famine
Watch it provide and create
We'll see the third pull
manifest in full display

We have cross from the
moon to the sun
Given a crown of twelve
stars
We're awaiting the last
trumpet sound
It will bring up the sleeping
ones
Our bodies shall be change
And on the wings of a great
eagle
We will take our flight to the
skies
United with him forever, we
shall reign

Behold the Lord is in Zion
He has come as rain
To redeem and restore
Behold the Lord is in Zion
Your enemies, you shall see
them no more
Behold the Lord is in Zion
Deliverance has come
Healing has come
Behold the Lord is in Zion
You have received corn oil
and wine
For the Lord is here in Zion

HOLD THE WINDS D**MONOLOGUE (Daniel 12:1)**

*And at that time shall
Michael stand up,
The great prince which
standeth for the children of
thy people:
And there shall be a time of
trouble,
Such as never was since
there was a nation even to
that same time:
And at that time thy people
shall be delivered,
Everyone that shall be found
written in the book*

CHORUS

Hold the winds, till we have
sealed the servants,
Of our God in their
foreheads,
All that the Father has given
will come,
The seal of God standeth
sure; the Lord knoweth them
that are His,
Touch not my anointed; they
are the Father's elected
genes
Until we all stand with the
Lamb in Mt. Zion
The Name written on His
thigh, has been written in our
foreheads
And we know who our Father
is; we came from the loins of
Elohim

In the time Jeremiah, when
the book of lost truths was
found
Israel knew that judgement
was at hand,
There was great famine, as
the head of gold besieged
the land
For the rejection of the Son
of Man
But the man with the writer's
inkhorn

Went to and fro in the land
Setting a mark in the
foreheads of those who
sighed and cried
And Ezekiel the prophetic
priest and the elected of that
day;
Was seal away before the
wrath of God could hit that
place

Oh Jerusalem, how oft had I
gathered you
As a hen would gather her
brood,
Oh if only, you had known
the day of your visitation
The things that belongeth to
your peace,
When you see Jerusalem
compassed about with
armies
Let not your flight be in the
winter, neither on the
Sabbath day
But the elect were so united
with God in His Word
None of the Christians, not
one of the Christians was
caught in there

In the days of the seventh
angel, when he shall begin to
sound
All the written and hidden
mysteries would be made
known
He said the squeeze is
coming; there'll be a dual
famine in the land
As Mystery Babylon takes
the world under her control
When the seventh seal was
unveiled, and God's program
was made known
Some Easter flowers were
hid away under the second
fold
We see famine, war and
depression
Can't you see where we are
heading again?
But I've prepared a place for
you my Elected Bride

1071

I LOVE YOU LORD D

CHORUS

So I just want to, tell you
That I love you Lord
Though you already know
I just want to tell you that I love
you Lord
You know the desires of the
(my) heart
You can tell the secrets of the
heart

The two rains are falling,
I hear footsteps of my redeemer
Returning for fellowship
You hide yourself (face) Lord
And I've suffered for my
transgression
How I longed to see you again
(for deliverance)
But you've made a way
That I could come repenting
Lord
And you have forgiven and
given me a heart
That I could love (serve) you
Lord
Really love (serve) you.

Satan schemed against me, to
take me from my place
Tried to destroy me, in my
weakest moment
He said I would surely die
That I could never be bride
And I believed him for a while
But you made a way
That I could tell you

I'm sorry Lord (2x group)
You raised me up so high to see
The secrets of you heart
And I can only say

I'll say it anyway

1072

I WANT MORE A

I'm coming out of my shell,
my visions getting clearer
I take a look outside this nest
I see him drawing nearer
Your focus is only me,
but I struggle to lift my hands
You descend your mighty
wings, don't you worry my
child, you said, Oh Lord

CHORUS

The more I know, the more I
want to know everything
about you Jesus
The more I see, the more I
want to see you in my life
The more I hear, the more I
want to hear, the words of
your promises of love
Words of your love
I want more of your holy
spirit
I want more, more, more

You nurtured me so
precisely
Never to much or to little
You know exactly what I
need
You would never give me
more than I could handle
I see your source so fiery on
the clouds
Lord I want to do the same
So I set my wings in your
promise Lord
Making my victories in your
name

1073

GOD SHALL STAND FOR YOU D

Fight on with fervor and faith
No looking back
Even though Satan will try
To make you go slack
All trials in life will surely all
pass
Oh, just trust in God
He will stand for you

CHORUS

He will stand for you
He will stand for you
Then fear not God's bride
You shall overcome
He will stand for you

Have there been so many
trials, in your life's journey
Open up your heart to God
Complete surrender
For all in your life can surely
be changed
Simply trust in Him
He will stand for you

1074

BEHOLD I COME QUICKLY E

Behold I come quickly and
my reward is with me
To give unto every man as
his work shall be
I am Alpha and Omega, the
Beginning and the ending
The Lord who is, was and is
to come, the Almighty

CHORUS

I, Jesus have sent mine angel
To testify unto you these
things in the churches

Behold I come quickly and
my reward is with me
To give unto every man as
his work shall be
He that's unjust let him be
unjust still
He that is filthy, be filthy still
He that is righteous and he
that is holy let him be

Behold I come quickly, hold
that fast which thou hast
That no man take thy crown,
my promise is for you that
overcome
You've kept your garments
undefiled, you shall walk with
me in white
I'll confess your name, it
shall not be taken from the
book of life

Surely I come quickly and
my reward is with me
To give unto every man
according as his work shall be
I am Alpha and Omega, the
First and the Last
The Root and the Offspring
of David, the Bright and
Morning Star
