*...my shield,  
To You alone does my spirit yield  
You alone are my heart's desire,  
And I long to worship thee.*

(One more time; You alone are my strength, my shield)  
*...alone are my strength, my shield,  
To You alone doth my spirit yield,  
You alone are my heart's desire,  
And I long to worship You.*

Oh just worship Him tonight. Offer the fruits of your lips giving praise and thanks unto Him as a Royal Priesthood called to offer spiritual sacrifices. Let the fruits of our lips come up to Him as the evening sacrifice. Oh blessed be His wonderful Name, this evening.

Father, we bow with thanksgiving. We shout our praise unto You, dear God. We consider it such a blessed privilege to be able to draw near to You, knowing that this is the privilege of a Priest to have access into the great presence of the living God; to come beyond the veil, Father, oh God, in this day of the atonement; Lord God, between the Feast of Trumpets and the Feast of Tabernacles in this hour, Father, when we could enter into that secret place of the Most High. Oh blessed be Your wonderful Name. Blessed is the man whom You chooseth and causeth to approach unto Thee. Oh God, praise waiteth for Thee in Zion, this evening! Blessed be Your wonderful Name, Lord.

Oh we thank You and we praise You, Lord Jesus that we could come and assemble in Your great mighty presence. Lord God, knowing that You are a God Who keeps all Your appointments. You said, 'Not forsaking the assembling of ourselves much more as we see the day approaching' Father. And to see Your great mighty presence coming down, oh God, according to Your divine

promise. And leading us, dear God, into every divine blessing that You have spoken for this hour. We believe that, Father, as we see the Holy Spirit, the Great Spirit of Truth, leading us into secret passages of the Word, in the bloody footprints, bringing us into a faith that we have never known.

How we thank You, Father. We praise You, this evening. We give You glory and honour. We come bowing down before You. We come magnifying Your Name. We know there is power, wonder working power in the blood of Jesus Christ, tonight, that very blood that gives us access, that very blood that speaketh better things for us, this evening. Oh God, receive our worship, receive all glory and honour from grateful hearts, this evening. Knowing that You alone are worthy, Father. There is none worthy as You. Blessed be Your wonderful Name. We thank You for deliverance. We thank You for the evening Light. We thank You for the blessed fellowship. We thank You for what You are doing in our midst. We thank You for the victories that You have given unto us. Praise be unto Your mighty Name, this evening. Oh we thank You, Lord.

And we do come in anticipation once again, that the Holy Spirit will speak expressly to our hearts. Oh God, You know what we have need of, Father, our desire is to walk in every Word. Our desire is to please You in every command, oh God. Lord God, may You have Your blessed way, this evening. Get honour and glory in our midst, Lord. Lead and direct us. Speak to our hearts, Lord.

Take into consideration even the strangers and the visitors. Remember our brothers and sisters, Lord God, all Your children that You have called in this hour to walk in this great Light, scattered throughout the region, remember them tonight. Even across the face of the earth, dear God, where the Bride is pressing into the promises of God. Have Your way. We commit all things into Your hands now. In the Name of Jesus Christ, we give You praise and thanks and honour and glory, amen and amen.

Amen, hallelujah, hallelujah, hallelujah, hallelujah, oh thank You, Lord. Thank You, Jesus. All glory and praise be unto Your mighty Name, dear God. We thank You, this evening. Thou truly are worthy Lamb of God. We thank You, Father. We thank You for Your great grace. Thank You, Jesus. Amen, praise His mighty

Name. It is so good to have a Saviour Who loves us, amen. Wonderful Lord, my wonderful Lord, blessed be His wonderful Name. What a great day. What a great time.

And God bless all of you who are gathered this evening. We certainly appreciate you coming out on Wednesdays. And the way that you have been coming and may we ever keep that, friends. It is a time we certainly want to press in. We know it is not just going to come. It is not going to be something casual we are just going to walk into. It is something we are going to fight to possess. The promise is 'to him that overcometh'. Always remember I told you, in every age 'to him that overcometh'. There is a challenge in every age, amen.

And God is proving a people worthy of the promise, amen. He knows how to test us. We can't choose what test we want, amen. He is not afraid to test us. Because He knows it is not you going to overcome; it is not me going to overcome. It is His Word in us. It is His life in us that is going to overcome the thing. And that you will know greater is He that is inside of you, than he that is in the world. The life you live now in the flesh, you live by the faith of the Son of God. So God is not afraid to test Himself, (Amen, glory be to God, amen) to prove that He is the same yesterday and today and forever. It wasn't David. It was God in David. It wasn't Samson. It was God in Samson. It wasn't Moses. It was God in Moses. Amen, glory be to God! The identified Christ of all ages now being identified in this Bride Age, friends. What a great thing. We are so glad for these things, to know He chose you to make you a vessel of honour fit for the Master's use.

Praise His Name. Let's just open our Bibles. I would like to invite your attention to the book of Revelation, chapter 9. And continuing to speak on the service on Sunday and our little subject there was on, **The Realm of Demon Power and Visions, Dreams, Dimensions and Prophecy**. And we find out that one of those dimensions is demon power. Amen, and that's a great thing because every believer in this hour is told, you must put on the whole armour of God to stand against it, amen. That's why God has given you specific revelation to dress you so you could stand.

And the people who are being infiltrated and are being overcome are the people without the armour. Do you understand? The man who is consumed by the fiery darts is the man who has no

shield, amen. The man who the devil is not afraid of and could just swarm upon him anytime he wants is the man who doesn't know how to take a hold of the sword of the Spirit and fight with the Word. He fights as one that beats the air because he is ignorant of the devices of the enemy. But when you are conscious of the devices of the enemy, you don't fight like one that beats the air. You fight like a trained soldier. Amen, you know how to engage in warfare.

One of the most marvelous things to watch is a trained warrior. Amen, when you saw the Prophet, you saw a trained warrior. You didn't see a man like, 'in Jesus' Name, in Jesus' Name', no, no. You saw a trained warrior. A man who knows if the atmosphere is not right, he could sense it and create the right atmosphere, amen. A man who could wait upon God, flat footed, standing there knowing that God is faithful. He promised that He would be with him and God cannot fail. Amen. You saw a man who understood his position and relied upon what the Word said he was. He wasn't like Oral Roberts and Billy Graham and they, no. He didn't run from that infidel in India. He didn't run out of Australia like Oral Roberts when he was challenged in these places. He was the man who gave the challenge. He was the man who gave the challenge. Hallelujah! That is why it is so beautiful to watch, amen. When you see a real soldier who could walk in, brother sometimes things were so tough. Ministers were flying off the platform and everything else. And he stood there flat footed and said, "Because you have challenged the servant of God, amen, you will bow before my feet." Oh my, what assurance!

And God showed us where He called us to walk with Him, not just to attend a religious service where He called us to walk with Him. But it is good to have a religious service because in here you could understand how to walk with Him. Amen, and that's why when you go out, you want to go out different than when you came in. Amen, so may He help us to go out differently by helping us, tonight, amen.

Revelation chapter 9, I would like to begin reading. What a great time it is for us. What a great time. Revelation chapter 9, praise His mighty Name; verse 1. I was speaking Sunday; remember what I was speaking on Sunday? Amen, when that unclean spirit walks in dry places; when it leaves the house that it

was in, when it is seeking a body, seeking rest and can't find rest, how it invites other demons along with him to come back to that house.

Revelation 9: 1

*And the fifth angel sounded, and I saw a star fall from heaven (a fallen star) unto the earth: and to him...*

And this star is a 'him'. How many know stars are men? He had seven stars in his right hand; they were men. Amen, one was Paul, and Iraneus and Martin and Columba and Luther and Wesley and Malachi 4, Brother Branham, amen. And how many know those stars didn't fall. They kept their estate in every age. They came and they blasted the trumpet. They caused a religious disturbance but they delivered a people. Is that right? How many know Jesus is the Bright and Morning Star? But how many know one third of the stars had fallen from Heaven when Lucifer pulled them down with his tail. Well here we are seeing; you know Revelation is the book of what? - Symbols.

*...and to him was given the key of the bottomless pit.*

He has a key. How many know we have keys too? How many know stars have keys? Glory! Paul had keys of the Kingdom. Jesus! What a great thing! My!

*And he opened the bottomless pit;*

That's a spiritual realm. That's not a physical key neither is that a geographic place on this earth. That's in another dimension. But the same way keys work in this realm, there are keys that work in that realm. Because how many know the natural things were given to understand the spiritual things? The unseen things are understood by the things which are natural. That's right. I'm sure you started your car, those who came up and you turned your ignition and you know which key starts your car. Is that right? You know which key opens your house when you go back home tonight. You are not going back home and probe with your car keys to open the door to your house. Is that right? Because you know which key gives you access to your bedroom and which key could give you access to your transportation. Well he had a key here and he knew what the key was for and what the key could do. So he used the key and in using the key he opened up the pit. Is that what the Bible is saying; he had a key and he opened the pit?

*...and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.*

*And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.*

*And it was commanded them that they should not hurt the grass of the earth,*

That is what natural locusts do but these locusts are not natural locusts because they are not coming from a place where natural locusts come from. Amen.

*...but only those men which have not the seal of God in their foreheads.*

In other words they are given access to unsealed men. Do you see that? They are given access to unsealed men. In other words, they are loosed, they are coming out of one dimension, coming here but in coming here they are told, 'Do not touch any who have the Seal of God'. Isn't it strange that we have Seventh Day Adventists who don't know what the Seal of God is and these demons know what the Seal of God is? Hallelujah! Those demons know you can't touch a Holy Ghost filled man. Yet the Seventh Day Adventists say keeping the Sabbath Day on a Saturday is the Seal of God. Oh my! But how many know in the Bible, demons had more revelation than the priests. It's the same every time, friends. Look in the Word. It's the same every time. My!

Verse 11:

*And they had a king over them,*

Natural locusts have no king, friends. Proverbs tells you that but these have a king over them.

*...which is the angel of the bottomless pit, whose name...*

And he is being named now. Just like he was named under the fourth seal, now he is being named here under the fifth trumpet.

*...in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.*

It means the destroyer. Verse 11: I jumped to verse 11. I didn't tell you that. And I jumped to verse 16 too.

*And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.*

May the Lord bless the reading of His Word. You may have your seats. This is prophecy in symbol form. This is vision and this is dimension. We are speaking about **Dreams and Visions, and Dimensions and Prophecy**. In Revelation the book of symbols, John saw what? - Vision. It is visions of what? Prophecy; it is prophecy sealed up in symbol form. It is prophecy about what? - Supernatural devils. Doing what? Leaving these dimensions and coming in this dimension. That's a great thing. And we are finding that they are commanded, in other words they are given privilege but they are given limitations. How many know when the devil was loosed upon Job, he was given limitation. 'Touch his property but don't touch him.' Then God said, 'Okay, touch his body now but don't take his life.' Is that right?

Only the untutored falls apart under temptation and trials. Only the immature, insecure, untaught ones get confused when testing time comes. Because if you know that scripture in Job, you know Satan can't touch you unless God permits it. And you know that before he could touch you, he is told what to touch and what not to touch. How many know in Daniel chapter 4, he saw in Nebuchadnezzar's dream, they said, 'Cut the tree down, but leave the root until seven times.' Is that right? So don't kill it completely, just cut the tree down and leave the root and in seven years let it come back to its place.

God rules in the affairs of man. God rules over everything. When you know that, then you know, '*the devil is just some stuff at the side of the road that God used to bring his children crying, 'Abba, Father.'*' That's a quote. I'm just quoting. That's why I said it like that. And then he goes on to say, '*and he is not even in the race to begin with.*' Real believers who know that they are ordained to eternal life are not afraid and scared of losing salvation. Because real believers know they were chosen in Christ and predestinated unto the adoption of children by Jesus Christ. And under no circumstances could their names be blotted out of the Lamb's Book of Life because they have eternal life in them. And there's only one form of eternal life, that's God's own Life.

But you don't really know that in a real way to have rest until the Holy Spirit comes in. Without the new birth, you are believing unto receiving but you have no assurance, no evidence that you have received yet. Do you understand that?

When Joshua and Caleb were called out of Egypt and they came out with the two and a half million and they were seeing people dying left and right, good, good people. People with maybe better lives than they in the natural realm, who baptized them under the Red Sea, who got sanctified with them in the wilderness, and they came in and never made it to the promise, they were praying, 'Oh God, help me Jesus. Don't let me fail you in this hour, Lord. Let me go all the way across into the land.' And that's what happens to a person under sanctification. You are coming and you are seeing good people who are in the message before you sometimes, falling apart, bursting under the pressure, and you say, 'Oh God, help me.' This time you are elected but you see you don't know yet because you don't have the anchor yet. But when you cross over, when you get the circumcision, when you are in the new land, then you know. Then you know.

That is why when Peter and they denied the Lord, they failed, they couldn't even face him anymore, 'I go back fishing.' But He said, 'No you don't go back fishing, I come back for you. I come back for you. After you're converted, strengthen your brethren.' Amen, 'Go on and get the Holy Ghost. Don't stop short under sanctification, Peter.'

Amen, so it's a great thing when you as a believer do not stop short of coming into rest because instead of you coming into rest that devil will come back to rest. Do you understand? That's where he capitalizes on people. He traps you into cooling off and becoming part of a local church, sharing knowledge in the mysteries like Judas. He could say everything Peter and they could say, could explain it just like Peter could explain it at that stage, with a gift in his life because he was no less an apostle than they. Amen! Devils were subject unto him when he went out. His name was written in Heaven. That's right. Oh my! So then, friends, then you say, 'Well what was the difference then?' See, he never got to Pentecost. He was justified and sanctified but then he fell that he might go to his place. And they believed that they might go

to their place. You better believe to go to your place if you have not yet been placed. Amen.

So friends, do not miss the Holy Spirit just by being satisfied with the knowledge of the mysteries. You can know all mysteries and have not the Seal, the Capstone, amen! You could learn the written mysteries and hear the unwritten mysteries explained too but your life lacks power. You don't just want knowledge and lack power; when the Word becomes Spirit and Life in you, that's prevailing power, amen. Do not get deceived there.

That's where most church members; that's why the foolish virgins are virgins, just like the ones who are going in the rapture are virgins. That's why all of them are virgins but some are foolish and the others were wise. And the difference was that one had the oil and the other found security in being a virgin without oil. They looked at their lives, 'I don't drink and I don't smoke.' Do not get trapped there. That's where you find yourself coming back and living under compromise. That's why you find yourself just going to church and trying to get involved in church activity. And there is no continuous unfolding of the revelation in your life because nothing is adding cell upon cell, Word upon Word.

While you are explaining about the stature of a perfect man, you are not growing up to be formed in the image. While you are explaining the doctrine of it, you are not experiencing the transforming power that the revelation is quickening you, and out of your faith comes virtue, and strengthen those around you. You have discernment to see, 'that's the devil trying to get my brother there' and love makes you dash out into the forefront. That is where you stand up and criticize other people who you think you are better than. Because when that love is in you, you don't stand up and look at them drowning. You dive in the water because the Love in you is the Saviour, the Redeemer, the Intercessor. The same God that came for you is the same God in you now going for them. He left back part for you, so that by and through you He will finish the work, 'Because I live, you shall live also. You will be Life of My Life, Spirit of My Spirit, Word of My Word, Faith of My Faith, Virtue of My Virtue.' What is the Holy Ghost given for? - To continue the work by and through the members of the body. You don't lose sight of those things.

What a great thing here. Disembodied spirits are being commanded, are given permission. They are given permission, that they could have access to men. They could hurt anything they want to hurt, except sealed men. What does that take us back to? Ezekiel 9, Exodus 12, at midnight the death angel is coming. He could have access to anything except those under blood. Ezekiel 9, those slaughtering angels could kill anything except those who are sealed in their foreheads. Do you understand?

So that means when this pit is opened, there should be sealed men on earth and sealed women on earth. But at what time is this being opened? At the time of the Feast of Trumpets under that fifth trumpet. The Trumpets is political disturbance, 'woe, woe, woe, by reason of the last three Trumpets'. Three woes, World War One, World War Two, World War Three – Fifth, Sixth and Seventh Trumpets.

You better have sealed men and women on earth in those times. Otherwise when those demons come, they will find out whether you are sealed or not sealed. There will be a pressure to prove whether you are converted right or not. Are we getting somewhere here? That the last state of the Weatherby magnum will be worse than the first state. It will find out whether it's a Robert's or a Weatherby magnum, whether it was converted right. Those eight demons coming back - the man had to deal with one, at one time. But because he didn't go on to get the house filled up, now he has to deal with eight; and where one held him in a certain condition, now eight takes him, amen.

Now on Sunday I was showing you just like using the same principle when I started to open, **The Dreams and Visions and Dimensions** for you, I said, look at the first time when God gives truth on a particular subject, that's the root of that truth. And every time God gives a further understanding or a further scripture on that particular truth, He gives you more information, more revelation of the same truth. What is God doing? He is unfolding that particular truth to you. So when God gives you - you come across the scripture on demon power in the Bible, God is starting to unfold - if He gives you the same scripture over and over and over, the He will be repeating Himself and you will know only what He showed you the first time.

But as God begins to unfold the revelation of demon power, every time He shows it He shows you the nature of demons. He shows you the personality of demons. He shows you when demons attack a man in the physical realm, the kind of effect they could have on a man's body. He gives you an account of a dumb spirit, a blind spirit, a deaf spirit. A suicidal spirit whereby the demon makes the man throw himself in the fire, and throw himself in the water, to burn himself or to drown himself.

Then he shows you how demons are intelligent, how they know their power to deceive, he said, 'Let me go, I'll deceive that whole bunch.' And God is saying, 'what is the matter with you dotish (foolish) demon? Do you think you could deceive Zedekiah? Zedekiah knows the scripture backwards and forward. He is the chief prophet down there in the school. There is not a man with degrees on the wall like he.' No, God didn't say that. God says, 'All those four hundred men who are around Zedekiah are trained scholars from the school of the prophets. Do you think you could deceive all of them? The demon says, 'I will go and prevail.' God says, 'Yes, you will really prevail.' Is that right? Is that the Bible?

And we find out one time that Jesus said, 'This kind doesn't go out except by prayer and fasting.' And a next time He says, 'But when this kind of demon leaves it goes in dry places.' So every time He gives the scripture, He unfolds more of the revelation, unfolding to you what the angels who didn't keep their first estate had become, how they operated, the sphere that they live in. Now we are seeing them in prison and then being let out of prison. So we realize now, just like when Jesus met them, they said, 'Wait, wait, wait; don't cast us into the deep.' They said, 'don't torment us before time.' They had knowledge of future events concerning themselves and their destiny. They knew there was a time of torment coming for them. Does the Bible teach about a time of torment? Does the Bible say hell was prepared for the devil and his angels? Does the Bible say he would be cast into the lake of fire? They already knew all of that.

Then we see them in prison serving a sentence and being released. So it tells us, the same way God has justice and law and administration here in this world, He has it there in that next world too. Because we hear about the White Throne and we hear about

God opening all the books and judging out of the books. And we hear about the Ancient of Days. Is that right?

So God in the Bible – Now why does God give all this scripture, unfold all this revelation? And then in the book of Revelation in the last days with prophecy now, He brings it in a time and season, in an age and under certain events. Maybe you don't understand what I'm saying. Maybe it is a little too profound for you. I'll see if I could break it down for you.

When Jesus was teaching about demons there in the Bible in the New Testament, when the Son of Man was on the earth, while He was teaching these things, He Himself had gone forth in a healing revival. Was the first part of Jesus' ministry a healing revival? Was the healing revival about contacting the flesh? Was it healing of the blind, deaf, dumb taking place? And God told John, the blind, the deaf, the dumb, the poor had the gospel preached to them and these things. Didn't He say, 'the Spirit of the Lord is anointing Me to do these things, bind the broken heart, set the captives free, open the prison doors?'

Then when the Son of Man came back in this day, did He start off with a healing revival? Did he go forth delivering? What is that? Did he call that demonology in the physical realm, as cancers and tumors and cataracts and so on?

And when he went into the Second Pull did he go into the spirit of man now, beyond the flesh, into a next realm of the man? And said, "You whitened sepulchers full of dead men's bones. You like the uttermost seats in the synagogue. And you want honour from men. And you make the Word of none effect." Now He is not telling them about their blindness or cancer or their leprosy. Now He is telling them about the condition of the spirit they had, 'you snake in the grass', about their low ways. 'Some of you devour widows' houses.' And he began to get down on them now, why? Discerning their spirits, now.

When you got baptized and the Word comes and starts to change your dressing, and change your hairstyle and you wash the paint off your face, and all the different things. And then after what does the Word do? Say you are a Christian, God bless you? No, God gets to the human spirit after and goes to your pride and you envy and your jealousy and your anger and your fornication

and your adultery and these things. Is that right? Get to the next part of the person and go into a second pull.

Then when they come along there, He was dealing with the age and He was dealing with His Own church. And He said, 'Father, sanctify them by Thy Word, Thy Word is Truth.' And His Church under Him was sanctified. He said, 'I have chosen twelve and one still is a devil.' And he knew there were devils in his church too, professing to be believers. And the ministry is going on, is that the Bible? Why? Because what He was yesterday, He is today. The same Son of Man Who came to Jews and to Samaritans has come to Gentiles. When he preached, he didn't say, 'bodies in prison'. He didn't say 'spirits in prison'. He said, 'souls that are in prison now!' Why?

When it comes to the Third Pull and the opening of the Word now, and he begins to reveal who is elect, the soul that sinneth or disbelieves his message, the vindicated message, the Pillar of Fire coming down shall surely die. But the soul that believes like Moses will leave Egypt and follow the Pillar of Fire. But the ones like the rich young ruler will sit down there and play a believer and will not go on further in that Word and will end up in hell. Though they are pure in their bodies, they are defiled in their hearts.

And God moves a church out of Egypt, the body realm, and then through the wilderness, the spirit realm and brings you over into Jordan, into the realm of the soul. He brings you into the outer court and then the inner court, and then in the most holy place. God constantly deals with people like that. That's how a people are being prepared. That's how a church is coming into rapturing condition. That is how people are experiencing partial deliverance, another partial deliverance, and then the last partial deliverance. And then when they get those three parts they have total deliverance. Hallelujah!

Because how many know this body will be delivered? How many know some people are delivered in their souls already? Is that right? The spirit is subject to that soul but this body is subject to sickness and death. But at the last trump, the dead in Christ shall be raised incorruptible. And we who are alive shall be changed in a moment in the twinkling of an eye. This mortal will put on immortality. Is that right? But the same way God delivered that soul and saved that soul, is the same way God has to deliver

that body and save that body completely. And healing is an earnest of that full deliverance. Is that right?

If you come in sick and Satan wants to take you to a premature grave but that soul in you catches, 'I'm a son (or daughter) of God. Healing is mine and the devil is trying to break down my house.' And you go to the cross and you say, 'Father, You died there and you paid the price for me. And this devil in my flesh, I rebuke it and resist it, in the Name of Jesus Christ. And they take their bodies back from sickness. They say, 'you devil let go of me.' And they shake that viper in the fire and they keep marching on.

But when that devil comes in that flesh and then the doctor's word gets in the reasoning of that spirit and says, 'We can't do anything for you, the operation is \$50,000. And there is no known person who ever got out of that condition.' If that soul doesn't have the Holy Ghost in it, it is going to go by way of the grave. But if that soul has the Holy Ghost, that soul will say, 'The fight is not over until God says so.' Hallelujah! They say, 'God is not telling me that yet.' Glory be to God! And like Jonah in the belly of the fish, they don't know how they are coming out but they turn and they look to the temple. They look to the finished work and they begin to confess. And the power of true confession will bring that body subject to that confession.

It is good to battle demons outside of yourself. You know people want to play devil cast outer, out of everybody. But Abraham was shooin' buzzards off of his sacrifice, his own sacrifice. It has to work for you first, glory! It has to work for you first because if you want to give it to somebody and tell them it is good, you taste it first. You know it is good. You know what you're giving to them works. Wouldn't that be the right way? Otherwise you would be a quack druggist trying to give people what you have not tried out; making somebody else your guinea pig. Oh my; my, my, my, isn't faith wonderful, to live in faith, to walk in faith?

And that's why here, God moves that truth from Jesus explaining what the devil does and says, 'And even so shall it be to this evil and adulterous generation.' We found that in Matthew 12 verse 43 to 45, 'even so shall it be in this wicked, evil and adulterous generation.' And so we find out then, the same way the demon operates in one man and comes back and repossesses the

house, he will do a church that. He will do a nation that. He will do the world that. He will do a family that because it is by one principle.

And that demon who wanted to do that, before he could go in those men didn't he have to get permission? But he couldn't touch the seven thousand who were sealed under Elijah's message. He couldn't touch them. But he could go into those men who had rejected Elijah's message. Before Jehu the slaughtering angel – was Jehu the slaughtering angel? Did he destroy all those who failed to come out of that Jezebel system? Was he raised up to destroy that Jezebel system? Was Titus raised up to destroy those who rejected Jesus? Was he the slaughtering angel? Was the king of Babylon the slaughtering angel, in the time of Ezekiel and them? In the time of Daniel and they, when they destroyed Jerusalem, they who refused to be sealed under Jeremiah's message?

Is the same thing to happen in these last days? And according to Revelation 9 here, under that fifth trumpet does God give the permission? Could God have said, 'Touch sealed men?' He would be defeating His own purpose because Ezekiel 9 said, seal them first. He said, touch not one of them who is sealed and he held the slaughtering angel. Is that Revelation 7; four angels holding the four winds; why? To seal the servants of our God in their foreheads; then the winds could be let loose. Oh my!

So we are seeing people - when Noah came with his message, was there a time when God had to seal in the elect before the rain could come? After He sealed in the elect, did the rain come? Those who disobeyed the message of the prophet and were not sealed in the Ark; did the crow come and feed upon them? Did the crow have access to them? And while the crow was doing that were the sealed ones being ministered to by the Dove? Did they escape the judgment? That's right. Oh my! Are all these pictures for the last days? 'As it was in the days of Noah' is that right?

In the beginning of the Gentile dispensation when the king of Babylon took Jerusalem under his power, is that when the Gentile dispensation started? The beginning and the ending of the Gentile dispensation, the seed comes back to seed. Is this the hour for the end time Daniels to rise? Is there going to have an image that the

whole world will be forced to worship? Has Babylon become the cage and the habitation of devils? Oh my, my, my!

We had one little scripture there, just to see the Holy Spirit, the Light of the Spirit of God, to show to us, we are talking about this realm of demon power. This is God talking to demon power. Did God talk to demon power in the Old Testament? Did He talk to demon power in the New Testament? Did Jesus talk to those devils? Did God talk to that devil in the time of Micaiah and them? Is God talking to those devils here that came out of the pit, saying what to touch and what not to touch? That's the continuity of the Bible. That's making Him the same yesterday, today and forever. That makes these things true.

Is the first coming when the Son of Man came, a type of the second coming when the Son of Man comes again? In the time of Elijah, in the days after Elijah when the kings of the earth were being deceived and taken to the battle, when Ahab was to be destroyed to fulfilled Elijah's prophecy, is that history in the book of Kings repeating itself again? Then we come right back to all these scriptures here, proving to you how correct and how exact.

Then that means that's a revelation being revealed. That means that's a truth being opened and being placed scripturally, correctly, in the season and in the time, in relation to the ones like Daniel and they, to the ones like Micaiah and they, to the ones like Peter and they, to the ones who were going to be living in that time. Is that right?

Because what does Revelation 6, 7, and 8 tells us? When that cherub say, 'come and see', he saw a pale horse and the name of the one that sat on him was death and hell followed with him. Well who do you think is this coming out here? They had a king. He was a fallen star. He was the same white horse rider. He was the same red horse rider. He was the same black horse rider. He was the same pale horse rider. He was death himself. His name is called Appolyon and Abbadon, in Hebrew and Greek. Hebrew is Old Testament. Greek is New Testament.

Then watch. This king is coming out with an army. It said, there was an army of the horsemen, two hundred thousand, thousand, an army. They were riding and hell was following death. We see them here under the trumpets in the disembodied form. But when they came out, where were they being loosed? In

this realm but under the fourth seal in the time of the eagle. When is that? At the end of the Pentecostal Age: Paul, Iraneus and Martin; **lion** going forth against the white horse rider. Columba; **ox** going forth against the red horse rider. Luther, Wesley and Pentecost; **man** going forth against the black horse rider. And the **eagle**, Malachi 4:5, Malachi 4:6; going forth against the pale horse rider.

Every time the enemy comes like a flood, God raises a standard. And when the standard was raised, that was the over-comers. And the Seals are showing you, it's warfare down through Seven Church Ages. And every time an angel stood there, a star in the right hand that wasn't pulled down catches a mystery. He brings it down among the people. He begins to proclaim a truth. Yes sir! And what does the Word do to people? Faith comes by hearing. What is the victory that overcomes the world? – Faith. Oh my!

It was bringing them out of historical truth into present tense truth because that angel was bringing Light to the age, Light that they did not have before He came because He is the Angel of Light. He is reflecting from the throne what God wants that age to walk in. That's why, *'we'll walk in the Light, 'Famba Esibonakaleni'; we'll walk in the light.'* Children of Light, walk in Light, and the blood cleanses us from all sin, and they have fellowship, oh my! They've come into communion. Glory!

God is showing here now, when they came over, out of that realm, the prison house, out of the pit, when the key was given to them by the permission of God, permissive will. God could have kept motor cars locked up. Nobody could bring out one.

Alexander Graham Bell caught the mystery of the I-phone in part, not fully revealed. Did you hear what I said? But look at what they have brought the I-phone to today. Do you understand? When Alexander Graham Bell was catching the mystery, he couldn't see you downloading music, sending pictures, email and all of that on a phone. All he knows you could talk to somebody else in a next area and the phone was big like that. (Shows the size of the phone with his hands) Do you get what I'm saying? He couldn't even see it wireless. He didn't have so much revelation as yet because he was in the reformer realm. But in the eagle realm, look what they are bringing it down to.

In other words, look at what Luther and they used to sing and look at what we are singing. Look at what Luther and they believed and look at what we believe. Do you understand? Oh my brother, I tell you, what a mighty God we serve! What a place to walk in, friends. What great realities God called the Bride to walk in, in this hour.

But in Revelation 6, and 7 and 8 under that fourth seal, which is the eagle age, this age, when the eagle said, 'come and see', he called them Catholics and Protestants. Hell following death, he said, 'Catholics and Protestants.' He said, 'He is gathering his earth born delegates.' He said, 'Jesus came with His Heaven born subjects.' Do you understand? He said, 'They have political power, religious power and demon power.' He said, 'These here, their horses are white; pure, unadulterated, white horses, chargers, the Holy Ghost in the Church, no chemistry, no creed or dogma into it. The pure Word and the pure Spirit come back to bring Jesus Christ in flesh.

While they are coming in through the anti- Christ spirit, their deeds and sayings, planting the seed of error in the Church, amen. Coming through the false prophet, and then becoming the beast, Satan incarnate in human flesh. God is coming down through justification and sanctification and the baptism of the Holy Spirit to bring God back in human flesh, 'I will be Your God and you shall be My people. I will dwell in you and walk in you and you will be a super race a Super Church in the last days, in the eagle age.' Why? Because God's coming down and Satan's coming down, incarnated. He's taking the tares that he planted. God is taking the wheat that He sowed.

He is coming as the head of Babylon. He is the headstone to cap off Babylon. He is the beast that carried the woman, the power that she lives by. On this side, Heavenly Jerusalem, the Headstone is coming to cap the City, hallelujah! Because He is the Holy Ghost, He is the power that she lives by and Her Light was seen round about everywhere. The Bible brings it to two cities in the last days, Babylon and Jerusalem. Lucifer is the god of one who blinds them. And Michael is the God, Christ in the other one. The Lamb is the Light of the City. In Him is Life and His Life is the Light of men.

When I look I don't see a congregation in Abel Country. I see delegates of the City foursquare. Hallelujah! I see stones that are cut and fit and built up into the Headstone. When I'm preaching these things I know where this Light is coming from; this rainbow coloured Light, this seven-fold secret, the hidden secrets of redemption, amen, under that Seventh Seal where Seven Thunders uttered their Voices! Because I know that Light I know whom I'm preaching to.

I know I'm not sent to feed chickens. I'm sent to get eagles airborne. I'm sent to let eagles know they are eagles from the egg. I'm sent to let eagles know they are built to possess a law to fly. I'm sent to let you know your tabernacle is not for demons. Your tabernacle is for Deity. You tabernacle Deity, the Holy Ghost, faith and virtue, and knowledge and temperance and patience; not fear and wondering and scheming and doubting, not that! Oh thank You, Jesus! Oh my! Yes sir! Yes sir!

Be real believers. When you see the Holy Ghost troubles the waters like this, when you see the Spirit of God coming down, you just get submerged into it. You just get filled up with it, tonight, amen. Hallelujah, because that's His amazing grace.

He sees those devils. He hears their schemes. The same way He told Peter, 'They want to sift you like wheat'. He knows they want to do us the same thing because we are wheat just like Peter was wheat. Do you understand? And we know we are in the threshing time. And we know they are coming to thresh but they will only get the shuck off of you. That is all they will get off of you. Why? The fiery trials only purify the gold. It is more precious than gold that perishes. So think it not strange concerning Him trying to sift you like wheat, amen! But you have already been prayed through, 'Father, I pray for these and for them who will believe through their Word.'

We are restored back to the faith of the fathers, to inherit the blessings of our fathers. God taught us that in the book of Ruth. He traced our genealogy. We are building up the house that the first son Marlon didn't build up. But Boaz married his brother's wife to build up the house, so that his name doesn't go out of existence. Oh my, my! Thank You, Lord. My!

When God presented the age, somehow these disembodied spirits coming out of the pit leaving that dimension not with

bodies. If they leave that dimension with physical bodies, it means that God brought a resurrection of sinners before the Voice of the Archangel could come. So they are coming out without bodies. But when he saw them under the Fourth Seal, hell was following death. Somehow they got bodies here. They got bodies in the age.

Under the fifth trumpet, is at the end of the Pentecostal Age. Under the fifth trumpet, you have between your sixth and seventh trumpets. After World War II, what do you have? You have the eagle Prophet, Elijah, at the end of the reformer age coming out. Do you understand? And he is revealing hell following death. Among those Pentecostals he saw one man living in adultery and interpreting prophecy that another man was giving. He said, 'I saw men under the control of devils.' And God blew the pages of the scriptures to Hebrews 6. Is that right? God showed him the rain falls on the just and the unjust. Is that right?

Then he preached **Seed of Discrepancy – 1965**, God showing He sent an Angel to separate Bride from Pentecostal. The seed will not be heir with the shuck. And this message calls for a total separation from all unbelief. Is that right? I wonder if you are seeing the Holy Spirit piling in those scriptures and placing that. And showing you when they're leaving there, when they are coming here, how they are coming into this realm, how it is prophesied and foretold, how that is true to the teaching, demons hunt a body. And they are given bodies by permission and He cannot give them sealed men and women because that's His tabernacle. That's where His Name is. That's where the Father's Name is in the foreheads. He put the seal in the forehead. They come from the thigh. They come from the thigh. They were designed to be God's temples. They are His dwelling places on the earth in that age. And He will not share His glory. He will not share His house with a devil, amen!

I'm so glad that I can say, *'I'm one of them, one of them, one of them. Oh I'm so glad that I can say I'm one of them.'* Oh my! What a joy to know these truths. What a consolation to know that that God lives inside of you. What a consolation to know you are not scared and wondering where your destiny is. What a joy tonight to have the revelation, that out of your innermost being shall flow rivers of living waters; to show he believeth on me as the scripture sayeth. Amen, you know that is not broken cistern

water. That is where the heart who is hunted down by the wild dogs like to come to that kind of brook. Amen, to drink from the living streams. They leave refreshed. They go back out there; those devils will never be able to catch them. Hallelujah! *'Drinking from the springs of living water, oh happy now am I; my soul is satisfied where the healing waters flow'*, friends. Is there a river in the City? Was there a river in Eden that the streams make the children glad? There is a river! It's the Spirit and the Bride saying, 'He that is athirst let him come and drink.' Because in that City there is a river from the throne that is clear as crystal. No muddled up interpretation, clear as crystal. Yes sir! My, my, my, my!

Then if they had to get people who weren't sealed, it means they got people who weren't in the Lamb's section because the ones in the Lamb's section are the only ones who could be converted by their baptism. The others will go into eternal life at the white throne judgment. But only the Bride has eternal life right now on the earth. And then, if she is genes then she is the Word predestinated to the Word written for the hour. Then she is an attribute of God expressed in human flesh in their designated season. Then that means they have an ear to hear what the Spirit is saying to that age, because He said, *'My sheep will hear My Voice.'*

And those are the predestinated, the ones that He hunted out first. Is that right? In every age you have to get the predestinated ones first. Seal them away then a plague could fall. Seal them away first, then the plague could fall. He can't drop a plague, not one bomb will hit this earth before the Bride leaves. Hallelujah! Oh my, brother, think of it. Here we are in this hour. What a place! What a time, where we are walking in this great realization, this great reality, friends; when you think that God was showing this in Revelation chapter 9.

Let's drop over to Revelation 20. Let me take Revelation 16 first, Revelation 16 first. Let me get that. I'll get to Revelation 20 after. I need to bring this in here. Watch those spirits now coming out of the pit, watch where they are going in these last days. We are tracing them, the same way we traced the Holy Spirit from justification to sanctification; from sanctification to the new birth; from the new birth to a man formed in the image of the Word to

the new body, to the translation. It is the same way we could trace the antichrist, to the false prophet to the beast, to be worshipped as God, **God of this evil age - And knoweth it not**' by the ones who were sealed out, amen.

Watch, Revelation 16, verse 13 to 16, a little mystery here between that sixth and seventh vial. Revelation 16:12, that sixth vial. Revelation 16: 17 to 21, that seventh vial but this is a little portion here. It is in parenthesis.

*And I saw three unclean spirits like frogs...*

When the unclean spirit leaves a man, it walks in dry places. And if it can't find another habitation, another tabernacle, another resting place, it goes and gets seven worse and it comes back into that house. Well here we are seeing unclean spirits here. We know it is not Holy Spirit. What is it called? Unclean spirits and it tells us, like frogs. Not squirrels, like frogs. Do you know what the nature of the frog is? It looks back. It looks back to where it comes from. Frog spirits go back to what God took it out of. Do you understand?

*And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.*

Here are offices of that antichrist. Just like we have Father, Son and Holy Ghost, offices of the Holy Spirit, amen; we have dragon, false prophet, beast, offices of the antichrist spirit. And watch. It is coming out of the mouth because that is where teaching comes from. That is where light or darkness comes from. *Thy Word is Truth. Thy Word is a Lamp unto my feet and a Light unto my pathway. The entrance of Thy Word giveth Light.* Is that right? The Word is Light. Jesus said, "My Words are Spirit and they are Life. Then Satan's word is spirit and death. If Jesus Word is Light, Satan's word is darkness. If Jesus Word is Spirit, the Holy Spirit because the Holy Spirit and His Word is the same, 'In the beginning was the Word and the Word was with God and the Word was God.' And God is a Spirit, so God is Word and God is Spirit. Is that right?

Then Satan's word will also be spirit, (Is that right?) unclean spirit. If God; 'Thy Word is truth', if Jesus is the Author of the Truth, He is the Truth, He is the Way, He is the Life. Then Satan

is the author of the lie. He is the father of the lie. His word is a lie. It's darkness. The tale he told pulled them down from their place. Is that right? Then the word coming out of that mouth is unclean spirit. It is not the truth coming out. It's the lie. If Christ is revealed in His Own Word, Satan is revealed in his lie, (Is that right?) lying spirit here.

*For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.*

So here we see unclean spirits, lying spirits in that mouth gathering the kings of the earth and the whole world, gathering them to the battle. Now watch here. If in this age two woes are already gone. The second woe is past. And behold the third woe cometh quickly. And before the third woe comes quickly, between the second woe and the third woe, Michael drops down with the open book. It is a time of trouble. They have the atomic bomb. They have the mother-of-all bombs. They have shock and awe bombings. They have weapons of mass destruction, biological weapons, chemical weapons, nuclear weapons that could kill every human being; over six billion people on the planet, millions of times over with the amount of weapons they have stockpiled.

The pit is opened and demon spirits have come out and gross darkness is on the earth and upon the people. And right here in a little island seventy miles by forty miles, just last week we had a little boy before the court with a gun in his bag, in a secondary school. A couple months ago, we had young girls in a pornographic ring in the school. And all the acts photographed and found on their cell phones. Seventy miles by forty miles, little old Trinidad, the dot on the planet and they are getting that. That is the filth washed off from the ocean of filth. And end up in a little trickle down here. Do you understand? So you see the darkness of the age? You see what we are talking about here.

And watch something here. These lying spirits are gathering the whole world. How is the whole world agreeing with the lie? Don't just be nutty in your head. Get your minds loose. How do the whole world and the kings get gathered by lying spirits? They are being deceived. They are being deceived. They're thinking the lie is the truth because they don't know the truth. And because

they didn't have the love for the Truth when the Truth corrects them and tells them they are in the lie; and because they didn't have a love for the truth and they couldn't receive correction, they get sealed out.

How many know, the first man born of a woman in the Bible was sealed out because he didn't have a love for the truth; because he couldn't receive correction? He wanted the lie more than the truth. And he got the strong delusion to believe the lie and be damned by it. Did God mark Cain? Was Cain separated? Was Cain corrected? Was Cain unable to receive correction? See? Was he born by the lie through the womb of a deceived church? Was his mother seduced because she left the original Word to take a perversion of the Word? Was Eve deceived? The Bible said so. Paul said, *'The woman was deceived being in the transgression; as the serpent beguiled Eve'*. Was Cain the first man born of that woman? Is a woman a type of the Church? Did God type that with the New Testament Church? *As the serpent beguiled Eve so do these come preaching another gospel and another Jesus.*

Then the ones we have in the earth today when the earth is to be destroyed by fire, as the earth was destroyed by water, the ones that came through spiritual Eve are to be destroyed by fire. The ones who came through natural Eve were destroyed by water. And do all these denominational children believe the lie today? Did they reject the truth when God said, 'be zealous and repent'? When God sent Elijah to correct them and bring them back to the Word, like when He called Israel out of Jezebel religion to bring them back to the faith of the fathers, only seven thousand believed him, is that right? All of Israel stayed in that thing and then what did God have to do? Slaughter them under Jehu. Is that day of Elijah repeating again? Oh my! Did that Jezebel bewitch the whole land? Was she drunken with the blood of the prophets? Has this Jezebel bewitched the whole world and the nations with her sorceries; they drink out of her cup? Does she mingle her wine? Are her gates are the gates of hell? That's right. Is there a Jehu anointed? Is communism raised up to destroy that Jezebel system? Watch the perfection of the Bible, friends!

Do you see why I say that this is that Spirit? I said that to my brothers who were with me last night. You know what I was talking about. When you see that Spirit like that, in that Word like

that, Word, after Word, after Word, after Word without even thinking, that tells you what this is. And do you know what this is? This is not about man. This is His grace. This is His grace. This is marvelous grace of our loving Lord. Do you know how it gets so marvelous? When you know you didn't sit in Jeffersonville but you sit in Heavenly places in Christ.

You see, that's where the revelation becomes sovereign. It's not apostolic succession. It's not handed down through family lineages and these things, no sir. That's right. So when you have that kind of conviction, you believe it like that, when God deals with you like that, something keeps holding you. You can't go the way of popular men. And you can't go the way of men's ambition and men's desires because you are a prisoner to the Word. You are bound in the fetters and the chains because a bride is getting ready to be raptured and all denominations are already deceived. And the deception now is not denomination anymore. It is message people, foolish virgins who are going through the tribulation. Because Satan is making them think they are Spirit filled and they are not Spirit filled. They don't realize they believe a past Word just like denomination. But their past is more present than denominations' past. Do you understand? Oh my!

They are being deceived. The power of deception's coming out of that mouth. You better know where that mouth is because all the kings of the earth are getting deceived under that mouth. The whole world is getting deceived under that mouth. Where can you find something like that in the Old Testament to understand the New Testament, so you don't presume in the scripture? Where can you go back in the Bible and find something like that? In the days after Elijah when Ahab and Jehoshaphat the kings of the earth are being deceived to be taken to the battle.

And if you think I'm making that up, go to **Anointed Ones in the End Time**, thus saith the messenger of the Age. That's where he placed it, between the sixth and seventh vial. He takes it up right there. He said, 'Here we have something.' Do you know why? Because what comes out of that mouth deceives the world but what comes out of the mouth of Revelation 10:7 turns the hearts of the children back to the faith of the fathers to take us all the way back to Eden. Seven Thunders give us faith to be changed. And only the seven thousand comes out of that lie that

deceives the whole Jezebel system. You can't find that type anywhere else in the Bible. You have to go back to Kings. Do you understand?

And who was the Fourth Seal? The Eagle – Who was that eagle? Elijah. What did he come to do? Call us out of the Jezebel system, '*Come out of her my people, come out of Babylon.*' Is that right? Where do the ones get sealed under this message; Baptists, Methodists, Jehovah Witness, Seventh Day Adventists? Under Elijah, under Elijah; seven thousand that are going in the rapture. Is that right? Nobody was getting sealed. You have to get sealed by the revealed Word for your age. This message brings the Seal because the Seal is the Name. And they have blasphemous names. And there is only one place that God placed His Name. And every man who has that Name –

And God bless Sister Jacintha. I got your – she wrote a little poem, so beautiful; The Tried Stone. The Stone that God put in your heart that He gives to every person who overcomes, that White Stone with that New Name. He gives it to them. He seals them in their foreheads. That Name is revealed. Your forehead is your revelation, amen. And you recognize you are part of His Name because He called their name Adam. And the family in Heaven and earth is named after the same Name. And His Name was written in His thigh, amen. And His thigh is His loins where His seed is.

Every man's family was in his loins. And every member of that man's family was born into the family. And every man has the same DNA of the progenitor, the father. And if the father is not a Baptist, you cannot be a Baptist. If your father is not a Jehovah Witness, you cannot be a Jehovah Witness. If your Father is God, you will have God's Own Life, Zoe. Is that right? And Zoe is faith and virtue and knowledge and temperance and patience and godliness and brotherly kindness and charity. And that's the Token. That's the sign that your price has been paid. Is that right? So they are being deceived.

And in verse 15, right there he says, when this is happening,

*Behold, I come as a thief.*

Now watch where these demons spirits are starting from to come into the human race. They have to find a man to get in first. Before Cain could be born, before Lamech could come, before

Zillah and Jabal and Tubalcaïn could come, Satan had to open a door into the human race. He was a disembodied spirit. Is that right? And he had to open a door to get into the human race because he can't create. He doesn't have creative power like God. God created Adam and stepped into His Masterpiece but Satan couldn't do that. Are we getting somewhere?

So Satan had to get a key to come into this dimension. And he had to know a mystery to come up from animal life into human life. He had a plan to open a door and inject himself into the stream of human beings. Did he succeed? The beast in the beginning of the Bible, the beast in the middle of the Bible and the beast at the end of the Bible; Satan in the serpent, Satan in Judas and Satan in the man of sin in the last days, through the trail of the serpent. What is he doing? He is working in his way to become the god of this evil age, to bring his whole host of demon spirits into human flesh.

But Michael is coming on too. And through Seven Church Ages, God is pouring Himself into flesh, in the over-comers in every age. He is finding the seed in every age. Is that right? Friends, let me tell you. Listen, listen to me. Hear a Word. Satan impersonates what God does. God doesn't reverse what Satan does, you know. No, God comes first with the truth. Satan comes behind and tries to do something like God but he has nothing to take. So he takes what God does and perverts it because he has nothing original. Do you understand that?

So the thing about living in flesh, that is really God's thing. So if you're seeing that Satan has a plan, a disembodied spirit. According to the Bible, how many know the Bible says, 'And the man of sin will sit in the temple as god and be worshipped as god.' Right away we see in the very Bible, unclean spirits come out of that mouth, so powerful, they are deceiving the kings of the earth and the whole world. In other words, they got the principalities. Who are the principalities? The kings, the leaders; and the rest, is the body who follows the head, the leaders. So if he gets the heads, he gets the nations because they carry them into the policy inspired by the devil.

God had a plan to come into a man in the age, a Prophet. And through that man when God comes into human flesh, God now, starts to come into other human flesh. Because through that man,

the mystery and the way start to open up of how God is going to come into every other life. Because the seed of the Word to bring God into another one starts to come through that man's mouth.

Well it's the same way a next one is getting demon possessed every time that lying spirit goes forth. It took Zedekiah and the four hundred prophets. And all were saying the same thing when it was done. Do you understand? Coming into human flesh is what he did in the Garden of Eden. He didn't get into the frog and start to talk to Eve through the frog. He had a plan. He had a plan to get his seed into the bedding ground. And if he can't create through the animal law of reproduction, he manipulates the genes and brings out a body through birth, sex birth. And when Cain came he was higher than the serpent because he was part human. He mixed the serpent seed with Eve's egg and he brought a higher specie. And then God cursed Eve's egg but Cain went and prospered. Cain continued to mix, and mix. Do you understand?

And it was the three fold mystery of the Ark, the Rain and the Dove that separated God's seed from serpent's seed. A threefold mystery of how to take a people out of the Old World and bring them into the New World is what separates true from false. And the Seventh Seal, a three fold mystery, everybody who believes six seals could explain. But it's the Seventh Seal that's going to take you out, and is going to separate. One will come into a power to rise above the judgment, ministered to by the Dove and come into an unseen world. That sounds like the truth to me. Hallelujah! It sounds like the Bible to me. Oh my! Whew, my! I didn't know He was going to say all of these things.

I'm right where He said, 'Behold I come as a thief.' That means, it's not everybody is going to see Him. Because when the thief comes, he comes in secret because He is coming like Romeo to steal Juliet, not Collin, Romeo. (Jokes about Brother Collin and Sister Juliet Wellington) Oh my! What a thing friends! He is going to kill Jezebel's children with death because the thief comes to steal, kill and destroy. And He will destroy they who destroy the earth. Something is happening.

Now let's drop over quickly to Revelation 20. My, the time is nine o' clock. Okay, praise His Name. My, my, my, I just love the Word. The Word just seems to be so quickened tonight. See, do you know what does that, friends? Your faith. You see you were

blessed Sunday. You came out with faith tonight. You came out early and with expectation tonight. If you keep doing that you will only go higher and you'll see more deliverance. But do you know what happens? You don't keep up with it. You kind of fall back after a while and then you start to go back and become Sunday Christians. Look at the blessing He could bless you with, Wednesday night, amen. Just draw from it, tonight. The Rock is flowing with Living Water.

Revelation 20: we'll get something deep here and close with this. You know the book of Revelation is for a special class of people, you know that? It is not for chickens. It's for a prophetic class. It is written only for them. That is why it is sealed with symbols because *'Father, I thank You, You hid it from the wise and the prudent.'* That's why He put it in symbol because it is not intended for everybody. It's prophecy to become history in the last days. Then watch. And here now we see verse 1:

*And I saw (vision again) an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.*

Now the bottomless pit doesn't have two keys. It is one bottomless pit. That is why Revelation 9 says it was given. Revelation 20 says he has. Do you understand that? The one who has it here is an angel who came down from Heaven. Revelation 9:1 is a star which fell from Heaven. This One came down. Revelation 10, a mighty Angel came down from Heaven with an open book in His hand. Revelation 1: And One like the Ancient of Days with eyes like a flame of fire, feet like fine brass and He had seven stars in His right hand. Revelation 14: He has a sickle in His hand. Revelation 20: He has a chain and a key in His hand. Every time you see Him with something in His hand – What is His hand? Power and authority; right hand, power and authority; when He had those stars, the men went in the power and authority of His Name. When that book came, those were the very mysteries of where a man's power and authority is derived from. These divinely revealed mystery truths. That is what looses the Holy Spirit in every age. When He had the sickle in His hand that was the very Word by which He would bring judgment and reap the earth. That's right.

When he had a key in his hand and a chain - that's why it is given. You see God has a permissive will. He gives it to them. He permits them. And it is given to them to kill one fourth part of the earth too. It is given to them. And Job was given to Lucifer to lose his children and lose his house and lose all of these things and his health. It was given. God has a permissive will and a perfect will. God had Israel to be given into the hands of Nebuchadnezzar for seventy years. He had them to be given to Pharaoh for four hundred years. It was given, 'Nebuchadnezzar, my servant'. Do you understand what I'm saying? Not the little Catholic God you have in your mind here. God, Who has the plan for the human race. God of the Bible, the sovereign God Who made all things for His Own good pleasure.

*And I saw an angel come down from heaven,  
having the key of the bottomless pit and a great  
chain in his hand.*

How many have a key and chain? Everybody has a key and chain. What do you do with your key and chain? You see God gives you things that you are familiar with and you use. So you don't have to be a Greek scholar to figure out these things. Look what he is going to do with the key and the chain.

*And he laid hold on the dragon that old serpent,*

This one from whose mouth three unclean spirits like frogs came out of just now.

*...which is the Devil, and Satan, and bound him  
a thousand years.*

*And cast him into the bottomless pit, and shut him  
up,*

In Revelation 9, we see him coming with a whole army. In Revelation 20, we see him being shut up. In Revelation 9 we see him with the key bringing out an army. In Revelation 20 we see he and his army going back in and gets shut up. We see when Jesus came walking towards the demons, they said, 'Don't torment us before the time. Don't cast us into the deep (the prison house). We are enjoying freedom.'

How many know when you get a jailbreak sometimes and some old bandits come out. Let's say, you get two rapists coming out, two bank robbers come out. You know and four gamblers come out. From the time the police see who come out they know where

to start to look for these men. Do you understand what I'm saying? Because their nature and their personality – Jail doesn't change their nature. It only changes their dwelling place. Do you understand now? You see that is why you need to know it by revelation. You see some people only know intellectual business, you know. They know it one way but when it really opens to you now, you know it every way. What is prison house there? A dimension.

The Golden Grove Prison and Remand Yard in Port-of-Spain is a dimension; and Carrera Prison is part of the same dimension. Do you understand? And then too, they know which prisoner to put with which prisoner. How many know you do that in families too. When Jacob divided the inheritance, he said, 'Separate Simeon and Levi. That is gas and fire. We already had an experience with them already. They almost destroyed a whole city and killed a lot of people. When those two fellows got together, they had instruments of cruelty in their tent.' Did Jacob say that? Genesis 49. Well when you know that these two fellows here will plot and do things, 'Separate them. Put this one in solitary confinement. He is a ringleader. He is trouble. He will mobilize a whole strike inside this prison and the next thing, he takes over the prison. The next thing, he has all those prison officers under his control sometimes too. See? So you know things.

How many know a minister in a church has to know powers too? How many know Joshua caged up five kings and sealed them up when he went to fight the battle and kept them there for a season? How many know a Word has to bind spirits? How many know the Church is given power to bind and loose? You see some people only know how to quote a scripture but they don't understand how to use the key. Quoting scripture and using the key are two different things. Here we are seeing something. A spiritual law opened here, watch.

*...and bound him a thousand years.*

Now when is that thousand years? The millennium, the millennium is the seventh thousand year. Is that right?

*And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more,*

Was he deceiving the nations when he was on the earth? We read that just now. Did Matthew 24:24 say the whole world will be deceived? Does Revelation 12:9 say Satan will deceive the whole world? Is that this age? Is the whole world walking in this Light? Is denomination walking in this Light? Is this the Light of the hour? Well then the whole world is deceived. They rejected this Light. Is Christ on the outside of the Church? They chose the lie over the truth. So watch. He was deceiving the nations. He deceived the kings of the earth like the lying spirit did Zedekiah and then all the armies that were going into the battle.

*...he should deceive the nations no more, till the thousand years should be fulfilled: and after that...*

At the end of that seventh day;

*...he must be loosed a little season.*

When is he being loosed? At the end of the seventh day. How many know the seven thousand years is a type of the Pentecostal Age? Do you see where I got you again? The eighth day is a new Heaven and a new earth. That is under this message to bring a new body. Luther is justification, the water age. Wesley is sanctification, the blood age. The Pentecostal Age is the Holy Spirit, is that right? The same way the Church is baptized with water and then comes through sanctification by blood and comes through a new birth and then becomes a new Church, puts on immortality; does the earth come through the same way? Was the baptism in the days of Noah? Was the Church sanctified in the days of Jesus when the blood fell on the earth? Is the Church to be burned under the Sixth Seal? And then is there to come, a new Heaven and a new earth after the Millennium? Correct.

You see that is why I said, the book of Revelation is a book of prophecy for a prophetic class. Seventh Day to you here will only mean millennium. But you see God put the mystery there because I'm showing you, he is going to do the same thing when he's loosed out of the pit. He is coming out of the pit to go and deceive the nations at the end of the Seventh Age. When does that trumpet come? When is the pit in Revelation 9 opened? After what age is that pit opened? Tell me in what age did the fifth trumpet in World War 1 come after? Was the Pentecostal Age in 1906? Three years after, they became a denomination in 1909. And then a one man scripture, the constellation came from Heaven because the gift

came back on earth. And the Pillar of Fire hung over the crib. And in World War I, He said, 'Don't drink or smoke because I have a work for you to do when you get older.' Is that right? Watch.

*...cast him into the bottomless pit, and shut him up,  
and set a seal upon him, that he should...*

Not do what? What is all this binding for? So he would not deceive the nations. Right now, is he deceiving the nations? Is he deceiving the denominations too? Are they coming to the battle? Is there a third woe coming? Is that where hell following death and the battle that started in Heaven is going to end up in Armageddon? Is that why he is uniting his powers in this uniting time? Are God and man being united too while all that uniting is going on? There's another uniting, invisible union! All that union is visible. You could see it on CNN, BBC, Fox News, read it in the Time Magazine, read it in News Week. But in all of them you can't see the Invisible Union. But under the Seventh Seal, God and man are being united, the Headstone came to the City. Behold the Bridegroom cometh! **Sirs, Is this the Sign of the End?** - The Head coming to the Body? Watch.

*...till the thousand years...*

Or the Seventh Day. Did God make Heaven and earth in six days, built up His Eden in six days? Did He give Satan six days for his Eden too? Is the millennium the seventh thousand year, the seventh day? That's right.

*...and after that he must be loosed a little season.*

Because why? That is not his full judgment there, because he served a sentence. He served a sentence and then he is let out on bail. He is put there for crimes but he is not executed as yet. But he is walking free again. But at the white throne judgment, after the millennium, before the new heaven and the new earth, between the ending of the seventh day and the new day, the eighth day, the eternal church age - Is there to be a deceiving of the earth at the end of the seventh day, the Pentecostal Age? And before the Bride goes into eternity with a new body, is there to be the great deceiving time when the whole world is being deceived?

You see, for this too, you have to see history repeats itself. You know the history of the days of Noah repeated. You know the history of the days of Elijah repeated. You know the history of the

days of Daniel repeated. Well Satan going to prison and coming back out, that repeats too. The unclean spirit walks in dry places and comes back and finds the same body. And the man's state is repeated again, where he goes back into bondage again. Do you understand? And watch when they are loosed from prison now.

*And shall go out...*

...to do what? What shall he go out to do at the end of the seventh day? (Congregation says 'deceive.')

Do what? Deceive who? Well between the sixth and seventh vial is the deceiving of the nations. Right now he is deceiving the nations. And it proves at the end of the seventh day, seven thousand years he will be deceiving the nations again too after the millennium.

Verse 7:

*And when the thousand years are expired, Satan shall be loosed out of his prison.*

*And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog,*

...To do what? (Congregation says 'gather them') Gather them to do what? (Congregation says, 'do battle') But that is what he is doing too between the second woe and the third woe. That is what he is doing right now, gathering them to the battle of Armageddon. Here he is gathering them for the battle of Gog and Magog. He is coming out of the prison house with all the demons, coming into the flesh and gathering the world to go into Armageddon. He goes back now; all that human flesh is gone from him. He goes back to disembodiment again. When the unclean spirit leaves a man isn't he disembodied again? But while he was in the man he was embodied. And then he comes back and is re-embodied. Amen! I trust He is opening your eyes.

*...the number of whom is as the sand of the sea.*

So watch. At the end of the seventh day, the seven thousand years which is a type of the seventh age in type before you go into the eighth day, what comes after the millennium? The new Heaven and the new earth, right? What comes after the Pentecostal Age, the rapture, the new body? **Greatest Battle Ever Fought**, is that going on now? Is the Bride in a battle? Is that spiritual Armageddon; all denomination coming against the Bride, like all nations are going to come against Jerusalem; under their

Seventh Trumpet and under our Seventh Seal? Wake up Church, wake up, wake up!

*...shall go out to deceive the nations which are in the four quarters of the earth, to gather them to the battle...*

Of that great day over there and then over here is the battle of Gog and Magog.

*...the number of whom is as the sand of the sea.*

So watch, he is loosed from this dimensional prison. He deceives the nations. Gather them together to make war against, whom? Christ and the Bride; to make war against Christ and the Bride. What does the Bible tell you, happens in Revelation 20? What does verse 9 say?

*And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city:*

Is the beloved City the Lamb's wife, the Bride that all hell is coming against, when they come out of the pit at the end of the seventh day? And fire is going to come down from Heaven, not fire that you see in Petrotrin (An oil company). The fire to annihilate the devil, that's holy fire, friends. That's not normal fire. That is not strange fire. That is strange to them but that 'God is a Consuming Fire', because if you touch that Bride you are in trouble, the Lamb's wife.

So those demons coming out of the pit are coming after whom? You see you quote it in one way but when it comes here and faces you in the truth here, in the full truth here, see, you realize they're coming against the bride.

*And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever.*

And that had a beginning so it must have an end. Is that right? Watch something here. So it shows us here, this battle is before the eighth day. This battle when he comes and deceives the nations and he brings them in war against the beloved City is before the eighth day, at the end of the seventh age, and before the new Heaven and the new earth. Is the Bride to have a battle? Is the squeeze all denominations coming against the Bride before the

Bride gets the new body? Or will that be after the new body? I'm typing it for you.

What are the key and the chain? That is power to loose and bind. A key opens up something. The chain binds it. It is power to bind and loose. There are keys to the kingdom. There are keys to hell and death. And there is a key and chain. The Church has key and chain. How many know he said, 'I bind you Satan, that mamba.' Did he bind the mamba? Then did he loose it again and bind it again? Jesus said, *'If two shall agree as upon touching anything, what you bind on earth is bound in Heaven. What you loose on earth is loosed in Heaven.'* You hear him say, 'Satan, I bind you in the Name of Jesus Christ.' That's right. He is breaking his power.

When they catch a criminal does he walks with the police like that? (Demonstrates walking freely) They put the cuffs on him. Is that right? They bind him and then they take him now and they put him in the Black Maria. And they take him to the dimension and the angels cast him into the inner prison, so that the people, who were tormented by him, now could breathe freely a little bit. Is that right? What is a demon? A tormenter; he is a tormenter.

If you have a sickness in your body tormenting you, you want somebody with a chain and a key. When you go in to remove the devil from people he is tormenting and deceiving, you have to have a key and chain. How many know keys are truths? The keys to the kingdom, He told Peter, 'I give you the keys to the kingdom.' Was it a physical kingdom or a spiritual kingdom? - Spiritual kingdom. Was that being in the kingdom, receiving the Holy Ghost? Is there a revelation to bring somebody who doesn't have the Holy Ghost into the Holy Ghost? Are there stages a man has to come through to come into the Holy Ghost? Did Peter have a formula to say, 'repent and be baptized and you shall be filled with the Holy Ghost?' Is that right? Was he using the keys there? Did he use the keys in Cornelius's house? When Phillip went down to Samaria did he send for the man with the key? Did Peter come down with the key in Samaria?

For brothers who have ministries and who preach, understand. It is not getting up and talk. Preaching is not getting up and talk. It is anointed and commissioned. It is the truth revealed to you and quickened by the Spirit and becomes a sharp Word in your mouth.

Watch. The key and the chain is power to loose and to bind. This Lucifer, Revelation 9:1, the fallen star from Heaven, he was given the key to the bottomless pit. He opened up that dimensional prison. He loosed 200 million supernatural devils that were chained up in that prison. And now, where are they? They are moving in this dimension. The nightmare from there has come here.

How many know it has become a nightmare now? People are locking up themselves behind bars. People are putting cameras by their doors. People are putting up burglar proof. People are putting all kinds of things, why? - Fear. People are taking out life insurance policies. People are afraid to go out in the night. People are buying take away now; going through drive through and carrying the food home.

And even if you are in West Moorings (built up area in Trinidad) and you are in a closed community like Mr. Stollmeyer, Geoffery Stollmeyer (prominent member of society); they are getting inside of there too. Whether you are in Cascade or you are in St. Anns, you are in Maraval and you are in one of those places where there is nobody around, you are not safe. You better have the protection and the policy of *'He who keepeth Israel never slumber nor sleep. As the mountains are around Jerusalem, so the Lord is around His people.'* He told Abraham, *'I am Your shield and Your exceeding great reward. Fear not, though a host shall encamp round about you, in this you shall be confident because the Lord is the strength of your life. He is your refuge and your Present Help in the time of trouble.'*

And if you are in this message He gives you a key and chain. If you believe Seven Thunders, He gives you a key and chain. They are looking for terrestrial bodies. They are looking for terrestrial bodies. And they know where they have to look, among the unsealed. They know the difference between the sealed and the unsealed. You can't bluff them.

Let the musicians come for me. Let me close with this. I don't want to hold you too long. I just want to drop something in here out of the Church Ages Book, this key that is given to the fallen star to open a door into the human race. Now the first key he got brought him from one dimension to the next dimension but he is still disembodied. He has to get a key now to go into the human

race. Well he did that before. He did that to the human race and he did that to the church. Because as the serpent beguiled Eve, so now under the First Seal, white horse rider, deception, men came in there without the Holy Ghost and got in the pulpits. And the error began to come out of their mouths. Men who didn't meet the Pillar of Fire, men who had a tongue and could give you sensation. That is what the serpent had. He gave Eve more sensation than Adam, more beautiful.

Brother Branham speaking about Genesis 3:15. This is the Seven Church Ages, I'm reading from. 'I'll put enmity between thee and the woman'. Just kind of settle in here a little bit. This was a very rugged ride there just now. Maybe your minds are still shaken up a little bit. Let me just get you now, kind of come down a little bit, bring you down slowly lest you explode. Give you a soft landing.

*"I'll put enmity between thee and the woman..."*

I'm showing the place, when he was cast out of Heaven, that dimension. And he is now in this dimension, still disembodied. But it is no use to be here in this dimension and don't have a body. To be naked in this dimension, you are powerless. Do you understand? In that other dimension, they are just in a waiting place, a holding bay before they appear in court, before they appear at the white throne. Their time is up and they cannot come back to earth. And they can't go in the presence of God because they are not covered by blood. Do you understand?

So where they are trapped there now – Now I trust with all of this, now that you see and know when they came out; and I proved that to you first under the fifth trumpet. And I proved that to you over in kings. And I proved that to you in the first coming of Jesus. Then I further proved it to you in Revelation 20 just now, at the end of the seventh day, the millennium. I showed you where they are leaving there and they're coming here for bodies.

And when they came out from hell and went in Zedekiah and they, what did they do? Deceive the kings of the earth and the nations. When they come out of the bottomless pit under the fifth trumpet, what are they doing? Deceiving the kings of the earth, Babylon; she has drunken the kings of the earth with that cup. Who is the beast carrying the woman? Where is the woman getting all that inspiration and wisdom from? Who is working

through the woman? The red dragon, she was on a scarlet colored beast with seven heads and ten horns; which was the great red dragon that was cast out of Heaven, which was Lucifer himself. And I'm showing you, that's what it does.

It's coming back into people who never went on the get sealed. But many of them were justified. And many of them were sanctified. When Satan went into Judas, was Judas justified together with Peter and them? Do you see where the Spirit is nailing that down? Was Judas sanctified? Did Judas get part in a Holy Ghost ministry? Was he foreknown of God? Did he share knowledge in the mysteries of God? Was he in the present tense truth, the framework of the message of the hour? That is the beast in the middle of the Bible, you know. He came out of the womb of Judah. He was from Judah, the tribe of Judah with Jesus.

So when you notice this, you are seeing now, that is the time you are living in. This is the day you are living in when this is happening. And the same way, saints in Heavenly Places bumps into angels and feel to scream and shout; people bump into demons and feel to commit adultery and fornication. Their passions are aroused and they want to lie and deceive and they want to expose themselves and play themselves. Because the same way the angels who didn't fall are bringing an influence, theophany, perfection calling you where they are in a higher place; these demons are fallen and they are in a lower place. So they are pulling you down here. You bump into them the same way. Both are angels.

Let me show you it so simply. Right now, you are having interaction with an Angel who is not fallen. And what is this Angel in the pulpit trying to do? Pull you up a little higher. When you go to school tomorrow and you go out on the job and you go into town and you are riding the maxis, you will meet other angels. And if they are not trying to pull you where I'm pulling you, watch and see where they'll try to pull you when they say, 'Hey cutie pie, I was waiting for you on the bus here.' When you see they're coming back on your work place and they want to buy something. And they are buying something just to get closer to talk to you. And you can't detect, 'it is something here, they are buzzing around after' because your thinking is not filtered yet. You are in Church but you have not come into the Word as yet. And you

don't realize you could be in the building and among believers and not in the Word and not in the Spirit.

So you go out and you are saying, 'But I'm not getting anything when I go to church.' That is right. Get in the Word and you will get something. Get in the Spirit and you will get something. Because when you come in church and you sit down here you are in the humanistic realm. There is nothing to get there. You will only get tired and sleepy if the service goes on long. When you get in the Spirit, you don't care if he preaches all night because your soul is drawing from another resource. I think you are coming down just great.

Just this last part here to show you, he did it before. He came into this realm but he was still disembodied. They want your body my brother. They want your body my sister. Know that you are sealed in and he is sealed out. Know that you are not living under the old birth. Because they will test, the storms will beat against your house. And when they find a crack in your foundation, and your faith is not exactly all the Word, and you like to believe things that is not the Word, and you are desiring things that is not the Word and you are not washing your inwards with water; and you are carrying excess baggage too long though you are hearing the Word saying take the knife and circumcise that off of you. You kind of figure, 'when God is ready He will move it.' No, God told Abraham, 'you circumcise yourself and circumcise your son, and circumcise everybody in your house.' And God told Joshua, 'circumcise all of these people.'

You will be tested to the final point to prove whether it is the Word inside of there. Because what does God do? Prove His Word by believers. And He tests His Word that is how He proves the Word. He tests the Word in you. And if you have that faith, you will hold that Word and you will watch that promise come to life. Some of you have a promise of healing. You are holding it like that. The devil is shaking you and testing you and he is saying, 'You are not better. You are not improving. You are going down.' And after a while you turn loose the promise. You give up because you couldn't stand the full test of the Word. But Abraham staggered not through unbelief and didn't consider his body now dead. And when he went to offer Isaac, he believed that though God killed him, God would have to raise him back up

because ‘*in Isaac shall thy seed be called.*’ He held to the promise because it was His promise. It was revealed to him. It wasn’t a general promise. It was spoken to him.

And that is why you have to know when God is dealing with you, when God called you, when God brings you to the Word; it is you He is directing the Word to. You sit there and you hear Him speaking directly to you. And you say, “Lord, it’s me You are talking to.’ Do you know why? Because He brings that Word right where your life is; He brings that Word right where you were praying this morning. He brings that Word right where you were reading yesterday. He brings that Word on what you are meditating on right now. He brings that Word on where somebody is trying to move you away from this. He brings that Word right there!

It can’t be man because if we are under the Seventh Seal, there is no man under the Seventh Seal. Jesus does all three things. Under the Seventh Seal are prisoners bound in the chains and the fetters of the Word. It’s preeminence, oversight and leading under the Seventh Seal. That is why a man doesn’t go in there because the Seventh Seal is the baptism of the Holy Spirit. That is exactly what I’m talking about.

And when the Holy Ghost comes in then He gets in the control tower of your life. Then you know to say what He says and nothing else. You know to be obedient to the Word. That’s right. Because you know it’s not by your might or your power, you know it is what you are yielding to. I walked in this pulpit tonight and am just yielding and yielding and I’m hearing all of these things all night. Watch.

*“I will put enmity between thee and the woman, and between thy seed and her Seed, It shall bruise thy head, and thou shall bruise his heel.”*

Brother Branham said:

*This portion of scripture is the revelation of how the literal seed of the serpent was sown in the earth, even as we have the account of Luke 1: 26 to 35.*

You know what Luke 1:26 to 35 is, right? That is when the Angel Gabriel came to Mary and said that she would bring forth a child without knowing a man. And that child would be the Redeemer. Eve also received a child which was of Satan, the same

way Mary received one from God. God brought His own without sex. Satan, who couldn't create, couldn't create a body like God put in Mary so he used the serpent's seed and brought it into Eve's womb.

Watch. Now when you understand what I'm saying, hear the point I'm bringing on this. When they come here it has to be now, by false teaching he will come in people. He will inject his own life and his own spirit into people through false teaching. It started like that in Eden. That's how the devil became incarnate. It ends like that in the last days.

No man sits down under a Holy Ghost filled minister and gets the devil, unless he rejects what the Spirit is saying to him. Because the reason you get under a Holy Ghost filled minister is because the seed comes through the body. Peter had the sperm and the Angel led him. Paul had the sperm and the Angel led him. Phillip had the sperm and the Angel led him. And God multiplied and replenished his life by that seed.

How did Lucifer get the first set of angels in Heaven? By his teaching, by the tale he told. How did he break the unity between Adam and Eve and God? By his false teaching, 'yea had God said'. How does every move of God fall into organization, which is death? By injecting their thoughts into the Word and adding to the Word. What is the plague at the end of the Bible? 'If you add one Word, all the plagues shall be added. If you take away one Word your name shall be taken out.' All life comes in seed form, botany life, bird life, marine life, animal life, human life, comes in seed form. And God's own Life, God's Word is His seed that the sower sowed. Is that right?

*(Genesis 3:15 shows) how the literal seed of the serpent was sown in the earth, even as we have the account in Luke 1: 26-35, wherein is set forth the exact truth of how the Seed of the woman come into physical manifestation apart from the instrumentality of the human male.*

Revelation 10, Seven Thunders come out of a mouth between the sixth and seventh Trumpets. Revelation 16:13-16, three unclean spirits come out of what? A mouth. What is the difference between the false anointed ones and true anointed ones? The teaching, what comes out of the mouth; what comes out of the mouth; Spirit and Life or spirit and death. Where did the death

come in Heaven? Death is separation, where did it come from in Heaven? -Out of the serpent's mouth, Satan's mouth. Where did it come in the Garden of Eden? -Out of the serpent's mouth. Where did it come from in the last days in Revelation 16: 13 to 16? -Out of a mouth. Where did life come from in the beginning of the Bible when the Spirit of God moved and God said, 'Let there be'? -Out of God's mouth. Is that right? When Jesus came in the middle of the Bible and God was speaking through Him, He said, 'My Word is what? -Spirit and life. 'While Peter yet spake these words', what happened? The Holy Ghost fell on them.

I want to preach on that for you. The Holy Ghost fell on them that heard it. Not on everybody who was in the room, you know. Everybody was hearing the preaching. Every body was hearing the Rhema, but those who heard the Logos, those who understood what He was saying, 'He that heareth My Word.' He says 'everybody hears but he that understandeth and knoweth his place in this hour'.

Everybody's hearing the message out of the Prophet's mouth when he puts on the Prophet's tape, but how do they go into false interpretation? How do they see that he has to come back and put up a tent? How can't they see there is a second fold, and can't see their part of the Word? Everybody is not understanding what is being said. Everybody is reading the Bible but how do we have a thousand denominations? Not everybody that hears the Rhema; everybody hears the Rhema, but those who hear the Logos. Logos is the idea, the thought, the concept; behind a Word is a thought and you have to get the thought. Don't take me for what I'm saying; take me for what I mean. Do you understand?

*As the seed of the woman was literally God reproducing Himself in human flesh, so the seed of the serpent is the literal way that Satan found he was able to open the door to himself into the human race.*

What was Satan able to do? Open the door to himself into the human race. He needed a key to open the door. He got a revelation. He saw that the serpent was the link between the animal kingdom and the human race. He saw that this was a special beast with a tongue. He was the only one that could talk. The rest couldn't talk. He was more subtle, which means he had knowledge of the principles of life. He was the wisest of all the beasts in the field. There are a lot of beasts in the field, you know.

Look at all those religious programs on the television. Do you know how many beasts that is in the field? Do you know how many denominational beasts there are in the field? But the one closest to the man in the image, who had discernment, who could name every animal, who is a reflector of God, my, my, my, my, my, um!

*It was impossible for Satan (for he is only a CREATED spirit-being) to reproduce himself in the manner which God reproduced Himself, so the Genesis account tells how he produced his seed and introduced or injected himself into the human race.*

What does the Genesis account tell you? It tells you how Satan reproduced himself, how he injected himself into the human race; how he opened a door to come into the stream of human beings, when he was outside the realm of human beings. He even knew the season Eve was going to be fertile. He had a one in a million chance and he hit it right because he had the knowledge of the principles of life. Because even in the natural, you know a woman has a barren period but he knew the time of conception. He knew the stars. He knew the clock. You know, a woman's season is told by the moon, you know that. That is why you get month from moon. She has monthly and you watch the moon, 'according to the time of life, this time'. That means when she gets fertile then she could get conception, strength to conceive seed but there is time and season for planting.

And the serpent knew, the only way into the human race was through the church, through the woman, through Adam's wife. So he knew he had to break down her defenses and get past her human understanding. And like the king of Babylon came around Jerusalem, broke down her gates and entered into the City and defiled the temple. And then the man of sin was in the temple. Do you understand?

I speak a parable for you because that is what he does to the church spiritually. That is why before every denomination could become a harlot they were virgins. When Luther came they were virgins for the Word for that Age. When Wesley came they were virgins for the Word for that Age. But after the messengers left, they fell into organization. Fallen angels took the thing down.

That is why after the Prophet went you see how militant I am. And sometimes when you are just religious you don't understand

my militancy. But I'm an angel to guard this truth. That is why sometimes I go into way far places because I know where these things come from. And He wants this Light to shine fully there to let people see, 'This is what the Messenger said. This is where he was getting that from in the Bible.' That is why you have to do that.

*It was impossible for Satan (for he was only a CREATED spirit-being) to reproduce himself in the manner in which God reproduced himself, so the Genesis account tells how he produced his seed and introduced or injected himself into the human race. Also recall that Satan is called the "serpent." It is his seed or injection into the human race we are speaking of.*

*Now why did this have to be so? Why was it that the seed of the serpent must come this way? Man was created for God. Man was to be the temple of God. The place of God's rest (the Holy Spirit) was man, the temple.*

And then he quotes, "*the Most High doesn't dwell in tabernacles made with hands. You are the temple of the living God.*"

*Satan has known this all along. (Satan has known this all along) He also wants to indwell man even as God so does. But God has reserved to Himself that right. Satan cannot do that.*

Are you going to let him come in your life? Are you going to let him come and use your lips? Are you going to come and let him use your eyes to see all kinds of filth? And your ears to open up to all kinds of filth and evil spirits, and you understand that is how he injects himself into the human race? Because it is a spiritual injection now to both man and woman; because the mind is a womb, a spirit womb; it is the gate to your soul, the bedding ground where pregation takes place. Just like you are the pregated Bride of Christ and Christ is being formed in you; so many are the pregated bride of Satan and the devil's life is being formed inside of there. That's right.

That's why in this age you must have identification. You must show the life is just not religious or just moral or just quoting scripture. You have to show that that is the fruit of the Spirit. That is the virtue of the Spirit. That's the revelation of the Spirit. That's the identification that your soul is part of the Word. It's eternal life. You have to have the testimony of Jesus, the Spirit of

prophecy showing the Word coming to pass in you. You must have that.

*The only way for Satan to accomplish what he wanted to do was to enter the serpent in Eden.*

And the only way he could accomplish it in the Church was to enter into those men, those Nicolatians who conquered the laity. There was no way to get in. He couldn't get into the apostles to bring that error because all of them were secure channels. They were sealed with the Holy Spirit. Peter and all of them had that Word. Paul had that Word. They were angels who caught the mystery because they themselves were the mystery. They themselves were the mystery! They were part of Christ. And they knew the part of Christ that they were for their age. And they were in the feet part. We are in the head part. We know the part we are, Alpha and Omega.

*...Satan, to accomplish what he wanted to do was to enter the serpent in Eden even as he entered by evil spirits into the swine at Gadara.*

God does not enter animals. God can't dwell in serpent seeds. God can't dwell in tares. They don't have the potentials. They are not built to possess the law. They don't have the hidden resources. They only have one nature. God could only dwell in people who have two natures in one body. They must have a bedding ground for faith to fall into.

*He could not have a child directly by Eve as did God by Mary, so he entered into the serpent and then beguiled Eve.*

And where do we find him first? -In the head of the chief of the false prophets. And what does that influence do? Take all the kings of the earth, take all the denominations. Is everything going back to Rome? Is it coming back subject to the Roman power? Are all mothers going back home? Are politics, religion and demon power being united again? It is all going back to its origin, to the planter who planted them, the evil sower who sowed the evil seed. And all the true grains are going back to the garner, to the store house, to the Good Sower Who planted them in the earth in their age, in their time and season.

Let's stand to our feet.

*He seduced her and by her did Satan have a child vicariously. Cain bore the full spiritual characteristics of Satan and the*

*animalistic (sensual, fleshly) characteristic of the serpent. No wonder the Holy Spirit said that Cain was of that wicked one.*

That is why the Word says, “*Know them that labour among you*”. And they that labour in doctrine and in truth is counted worthy of double honour. Because they bring the good news and the good news is ‘He is risen’. They are not preaching about a dead, historical Jesus but they have the key and the chain that could remove that evil influence away from you. Shut it up, cast it away from you and take you into the eighth day by the baptism of the Holy Spirit; pass you into another condition of existence, from keeping ritual and order, all these things from the time element, into the eternal. To bring you out of the humanistic realm into the realm of the soul, the realm of the eternal that comes from the seventh dimension, when El-Ella- Elohim was there before there even was a dimension. Before He constructed the seven dimension universe when He was by Himself, you were there.

Let’s just raise our hands to Him. In your heart thank Him. It is a time of consecration to enter in a little deeper with Him. It is a time you want to be filled. It is a time when sons and daughters of God must not be trodden down. It’s a time when God calls you to a deeper life, friends, a closer walk, a more spirit-filled life. They were commanded, ‘*touch not them who have the Seal of God*’. It gave them access to the unsealed but they couldn’t come near the unsealed ones. You are having a hard time, you are fighting for your life, how did they get sealed? They walked so close, friends. God gives the Holy Ghost to them that obey Him. They were so identified with the Lamb. The very life came back upon them.

How did Ruth come into it? She marked the spot where He lay. She went and lay down by the feet. He took the Holy Spirit, the garment, the raiment and covered her. And then he poured out six measures. And then he, the seventh one came into union when the day broke, came into a new day. Then came back and took her into his house. Come into it in reality. Let it be yours tonight by the grace of God.

If you desire, friends, in your own life like this sister here, she feels that the Spirit has convicted her, ‘you are too comfortable.’ That God would stir the soul even into a deeper desperation. God does that. Like I preached that message for you on Christmas Eve last year, **Being Great with Child**. A few more days to be

accomplished that she should be delivered; to press and press and press until you give birth to that Word, friends. That man-child that Christ, that Token Life, that Living Word that moves within your being; that which has preganated and has grown up inside of you, walking in your feet, speaking through your lips, thinking through your mind.

And some of you who Satan found places that weren't really sealed up, friends, where you were infiltrated, where he broke down your gates. He's pressing himself into flesh. By God's grace in this hour, think tonight. God could put us under the Word, of a shower like this, rain it down tonight in our midst in such a way, such a gusher from the Holy Spirit, if you know you received it tonight, you just say, "Lord, I received every Word. Let it take a deep root into my heart. Let it be watered. Oh God, let it so fill me and possess me, so that I would be pitched within and without, every crack sealed up and the world sealed out. Where the Dove, the Holy Spirit could just minister to me from the inside of the inside; where this Holy Spirit in the control tower of my life, Lord, could lead me in this hour to a fully surrendered life, to see Your Word operate through me."

You desire that as a believer, as a redeemed article of God, a redeemed son and daughter of God that He purchased you, that He might indwell you by His Holy Spirit, "*I will come and make My abode in you. I will be with you and in you even to the end.*" You want confirmation. You want witness. You want evidence. You want to experience and see and know that the Holy Spirit is working this work inside of you and through you. And every place that is not yet surrendered to Him and every place that the enemy is trying to press through, even those places in willing obedience tonight, you want to say, 'Lord Jesus, empty me of all myself and pride. Let me never pretend. Lord, but so fill me up, tonight. Let Your Holy Spirit just brood as You brooded on the earth, as You brooded over that valley of dry bones.'

Let Him brood in His church, friends. And under this brooding we could see such a mighty marching army raised up. Soldiers, Gentile warriors, mighty warriors of the faith that would bring this drink in this hour; people so anointed with the King's desire, that His wish is their command. No retaliation, no resistance, no reservation in your life, cooperation, availability to the Holy Spirit.

Let's just that little song, **Empty Me**. Let's just sing it in prayer, as our prayer to Him before we leave the building tonight. And let's sing it meaningfully from our hearts. The altar is opened. If you want to come and pray, you want to seek prayer, whatever you desire, it is up to you. You could get it right in your seats. This is the hour for Gentile faith. You could get it in your seats. It is not whether you are here or there. It is whether you are sincere in your heart and you mean business.

Sunday you came up here but right in your heart, where you are there tonight, believe, ask Him, ask Him. He will not disappoint you. He cannot come down and move in our midst like He has moved tonight, to bless us and then, not want to follow up by coming and giving to us what we desire tonight. If we have heard the Word and we feel convicted by that Word, tonight; He will give it to us. Empty Me.

*Empty me, dear Lord.*

(God wants empty vessels. That is what Elijah told the woman. He was teaching her how to work with the oil in her house. That's the trouble many times, secret sins.)

*oh my loving Lord,*

*until I'm just like a little child.*

(So your will Jesus, not my will, Your will could be done in my life. Oh Lord, I've heard Your Word. You have heard it tonight, friends.)

*Oh Lord, I've heard Your Word*

*that has called me.*

(And now I can't turn away. Do you feel like that, tonight? Do you feel so compelled?)

*...away...*

(Oh my friends believe it. I'm compelled tonight by the truth.)

*I'm compelled by the truth,*

*That I hear.*

(Oh just to walk with You My Lord...Tell it to Him in faith tonight. Just to walk with You, Jesus. This is my prayer, tonight. I mean business, Father. I'm in desperation here. I'm convinced. I'm convicted. And now, I know that in myself.)

*I know that in myself,*

(I'm not worthy, Lord. Oh God, I want to feel You to break those chains and deliver me. ...of the place that You prepared, oh, for me. Do you love him tonight? Sing it. Oh, but I love you. And I really, really Lord, want to serve you, tonight. So each day of my life, I pledge that tonight, Father. I will live for you.

Oh and everyone all around the building all in the rooms singing, empty me. That's what God told Gideon. Get empty vessels and put a lamp in those vessels. He was getting ready for a ministry of the sword of the Lord. Oh Jesus, empty me tonight, Father, even in the deepest places of my life. Oh God, empty me.)

*Oh my loving Lord, until I'm  
Just like a little child*

(So Your will...)

*So your will...*

(Oh, could be done in my life, tonight. I'm offering it up as a living sacrifice to You tonight, Father. And sometimes, from within...)

*Sometimes from within...*

(Lord, how I groan. I groan and I cry. How I hunger and thirst. Do you feel like that, tonight? Ask Him to take you to that place. Oh, but I would not be satisfied until I be filled with you. Empty me, Jesus. Break every fetter. Break every chain. Root up, Lord, everything that is not of You in my life.)

*...filled with you.*

(Oh lift your hands and sing it, as a sign of surrender, yielded, consecrated, tonight. Making yourself available to Him, coming in dead sincerity. Lord, your Word is too real to us now. We see the hour, we see the time. We understand the battle. We see the move and the objective of the enemy.)

*Empty me, oh my loving Lord,  
Until I'm just like a little child,*

(so Your will...)

*...could be done.*

(Oh my, every head bowed, every eye closed, let's sing, empty me dear Lord of unbelief inside.)

*Empty me dear Lord.*

(We ask Brother Melville to come. ...of unbelief inside. Lord, let me never pretend. We don't want that kind of spirit, friends.)

*...pretend,*

(Remove fears and doubts within, Father.

Empty me, oh my loving God,  
until I'm just like a little child.)

*...like a little child,*

(So Your will, Jesus...)

*...in my life.*

Brother Melville prays.

Hallelujah! Oh thank You, Lord. Let's give Him a handclap, this great mighty Conqueror, our Lord Jesus Christ, amen. Hallelujah! Receive your deliverance, friends. You confess it. If you believe with your heart, you confess it. When God troubles the water, you step right in and watch the results that follow angelic visitation. Hallelujah! It's the angel of God in the camp. It's His virtue being poured out in our midst, tonight. Hallelujah, to heal, to deliver, to save, to break the powers of darkness. Oh we thank You, Lord, hallelujah! Thank You, Jesus. Thank You, Lord. We love You, Father. We receive it. We receive it, Lord. We receive it, dear God. We thank You for releasing it, Lord. Lord, we thank You, for releasing it. Hallelujah! Oh my!

And with real godly love and respects turn around and greet your brother and sister. Tell them God bless them. May the Love of God ever abide in our hearts. May God remove every veil that tries to hide us from seeing God's children our brothers and our sisters, that we could have a real spirit of unity. Hallelujah! Hallelujah! Oh my, when the great mighty Angel of God would spread His wings over us. Hallelujah! We will abide under the shadow of the Almighty. Thank You, Jesus.

You can have your seats. God bless you. God thanks you for your faith, for your response, for the receptiveness in your hearts. And may He ever fill you. And every blessing and everything that you desire from Him, you will find that He is so faithful to give it to you, in the measure that you have need of it now, amen, that your life could bring honour and glory to Him. Praise His mighty Name.

You know we announced on Sunday that we are going to have services; Friday that is Good Friday and Easter Sunday, Sunrise service. We normally have it at 5:30 am. We come for the service and then we have a little breakfast after together, the family, church family and all the visitors that will be here also. And then the service on Sunday morning, normal Sunday morning service on Easter Sunday, following at 10:30 am. And you bring up your lunch. After that you could sit and fellowship.

And we try to have brothers go out into all the different works; in Tobago and Grenada (but we have Brother Elijah in St. Vincent already) and Dominica and St. Kitts and St. Lucia and Guyana. And you know, in each of the places there would be brothers there to minister the Word. They could have a live service and it could be a real time.

I just remind Brother Patrick early, to inform the people in all the places to be prepared for the special meetings over the Easter weekend. So that the people could put things in place and take time off and be under expectation for a great wonderful time by God's grace. And may God pour out in every place, friends, a rich blessing. He knows just what we have need of and He knows how to give these things. And if we can believe and expect to receive, He will not disappoint us.

Also I want to, on behalf of the trustees, if we are going to have that breakfast that we normally have, our procedure to have it is normally we pick up an offering to go towards the expenses of the breakfast. And the saints who help provide it they do that willingly and voluntarily. And then you know, the trustees take care of tents and so on, so we could have that. So what you can give towards the breakfast, you know, you and your family members, just make an average of the cost and try to give something so you could have a good breakfast. Have a good breakfast this Easter, amen. You come out there after a good service and God pours out a rich blessing, amen. And you know, it will be little special meetings here by God's grace. And may there be a real unity and love, and cooperation.

And how God has blessed us, you know, in these past Easters. I myself personally, as you know I already announced I'll be in Tucson Arizona. It is just I can't cancel out to stay here and enjoy this blessing. So I'll try to get in on the blessings there, as the

brothers themselves will get in the different islands. But we know, we don't gather just around man; we gather around the Holy Spirit, the Angel of God. He is the One. It is not by me or by some brother. It is by Him. It is a many-member body. It is not a one man scripture, we know that. And you are growing up in the faith and you are understanding that. And that's why he can bless us when we can come.

This wasn't my great preaching so much, tonight. I didn't really make any big preparation. I came in with faith expecting, believing, knowing that God is faithful to His Word. I said, 'Father, you know these days, I'm so tired. I'm coming up in Your House, tonight. And you know I have services coming up. I have to make this journey.' I said, "But Lord, You understand."

I came in just when they sang the last song to get me in the pulpit, and you know; I know the faith was among you. I just stepped in the desk and I felt your faith. And it is a great thing when you can believe and you can learn to take your place and you understand how things operate in the spirit realm. And once you move like that, you watch and see, friends. God will bless you every time. He will never miss. He will bless you every time. God bless you for your patience and staying back.

So this offering for the breakfast will be taken up on Sunday, not on Friday here. On Friday we will give you another reminder in case there are some people who come in on Friday and are not here tonight. And it will be taken up on Sunday. So when you hear they announce for an offering for the breakfast on Easter Sunday morning after the sunrise service, you will know that it has been announced here to you by God's grace.

Let us try to be out on Friday for the prayer service so that we could have a time of prayer. We would not have too much of exhortation. We will try to put more prayer this weekend here, this Friday, direct, and straight. Come in quickly and get into the prayer because we want to make sure the incense go up for every place, all God's services.

So it's a great sacrifice these days, with this world cup and everything in the high season. It is a real great cost to put the brothers in every one of the islands. But we do that because of your faithful contribution and commitment. We don't ask for this but you carry this responsibility. We admire that. We appreciate

that. And you just look and see how much it costs to put brothers in every place.

And then we have such gallant and noble brothers also that we need some, one or two volunteers to accompany some of the brothers that are going. And when we ask for that volunteer, it is brothers who desire to be involved in the service, accompanying the brothers as support on the field. They have a testimony. They have a little exhortation in their hearts or something which is out of the pulpit ministries. But they have a little place that they could operate among the believers. You know, iron sharpening iron and edify each other in nice times of fellowship. When they get out there then they get to see the work. They get to feel the work and become more involved and understand better what is happening, so that, it is not at a distance. It is not like tele-evangelism. You know 'tele' means at a distance. It is real close to them in their hearts because they have been there. They have been touched by the effort and the sacrifice many of those saints are making out there, you know, to stand at their posts of duty. Now this Easter weekend they will have brothers coming to them. And it will be a great blessing for them, I'm sure. And may you continue to remember that and see what it requires to keep that part of it active as well.

And may God ever bless you in your faithful service, and support and involvement and participation by God's grace. So God bless you, tonight, as Brother Ricardo comes. Amen, I certainly appreciate being here, amen. I believe it was a wonderful service tonight, amen, His great grace to us, amen. Praise be to His Name.
