Excerpt:

This is The Fourth Seal [1963-0321 -Ed.] page 14 and 15, let me read it quickly so you would understand what I am saying. Now what we are catching here is the spiritual part of it but we are just showing it is going to have a natural part of it too. But I am trying to show that whenever they leave the Word, God's judgment is always to feed them to the fowls of the air and the beasts of the fields. It is always God's judgment. And those people that have rejected the Word in this Hour they are also being fed upon right now. And that is why churches are becoming in that desolate condition and there is famine hitting them, hunger hitting them, starvation, death; all kinds of wild spirits are coming upon them. They are being given over to demon power because they rejected the Blood of Jesus Christ. **(Page 47)**

The Two Suppers Of The Great God

FOREWORD

This is a sermon preached by Pastor Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrison Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

[Song #55, Songs That Live -Ed.]

*Greater is He that is in me,
Greater is He that is in me,
Greater is He that is in me,
Than he that is in the world.*

Oh, one more time, "*Greater is He that is in me!*"
Believe it tonight.

*Greater is He that is in me,
Greater is He that is in me,
Than he that is in the world.*

Hallelujah! How we thank Him for that. Greater is He that is in us. What a revelation to know it is Christ in us! Let us bow our heads and close our eyes. Sis. Cynthia St. Cyr will like prayer for her daughter Alicia, for swollen tonsils. Bro. Ken Hutchinson requests prayer for his wife Roslyn and two friends, Elton and Cassim for the salvation of their souls. Bro. Learie requests prayer for the true baptism of the Holy Ghost.

Almighty God, Author of Life and Giver of every good and perfect gift, as we stand in Your Divine Presence tonight, we know Father, that You came and You shed Your Blood. You've paid a price to redeem back every redemptive blessing that was rightfully ours back in the beginning. You've sent the Holy Spirit Lord, to bring it to pass, to confirm it in our lives and to make the promise sure. You've sent Your Word, Lord in this Hour to enlighten us, oh God, of how we should come; how we should approach You. What belongs to us Father, we can have it now.

And Lord God, here are these requests, representing these needy ones. They have come tonight Father, knowing You are here with us and Lord, they are looking

unto You, that You would grant them these desires of their hearts. Father, we have no reason to doubt for it is said Lord, "Through confession and faith we are subject to all the powers that are in Heaven." And Almighty God, as we stand here in the Name of Jesus Christ, I lay my hands upon these requests representing these needy ones Father and with their faith and the faith of the saints of God being united together Father, Lord, we look unto You through Your unfailing Word of promise and we ask that You grant them the desires of their hearts, in the Name of Jesus Christ Who made the promise. Let it be done Father, knowing that Thy Word is true and it would not return unto You void.

Father, we pray tonight as we gather in this service Lord, as we sit around Your supper table, God you will break the Bread and we will know You in the breaking of the Bread and that there will be stimulation of revelation, Father. Lord God, there will be such an awakening in the hearts and lives of Your people, oh God, that we will see the Church that will be lifted in the power of God. We will see people be made ready Father, moving out into that sphere where the baptism of the Holy Ghost and Fire could fill every heart and the Church could write another Book of Acts as it is spoken, it shall be done in this Hour. Grant it Father! We ask it tonight in the precious and worthy Name of our Lord Jesus Christ with thanksgivings, amen.

Let's turn our Bibles to St. Luke chapter 14 and Revelation chapter 3. I want to stay right with Revelation 19. We are really in the Book of Revelation but we're just going through the Scriptures and we see the whole Bible just tying together and it's making plain the Word unto us. I'm reading from verse 15. Amen. St. Luke chapter 14, verse 15.

¹⁵ And when one of them sat at meat with him heard these things, he said unto him, Blessed is he that shall eat bread in the kingdom of God.

16 Then said he unto him, A certain man made a great supper, and bade many:

17 And he sent his servant at supper time...

Notice that it is *servant*, singular. And it's *supper time*, not lunch time or breakfast time but *supper time* which was in the evening time.

...to say to them that were bidden, Come; for all things are now ready.

18 And they all with one consent began to make excuse. The first said unto him, I have bought a piece of ground, and I must needs go and see it: I pray thee have me excused.

19 And another said, I have bought five yoke of oxen, and I go to prove them: I pray thee have me excused.

20 And another said, I have married a wife, and therefore I cannot come.

21 So that servant came, and shewed his lord these things. Then the master of the house being angry said to his servant, Go out quickly into the streets and lanes of the city, and bring in hither the poor, and the maimed and the halt [lame] and the blind.

22 And the servant said, Lord, it is done as thou hast commanded, and yet there is room.

23 And the lord said unto the servant, Go out, (this is the third time now) into the highways and the hedges, and compel them to come in, that my house may be filled.

24 For I say unto you, That none of those men which were bidden shall taste of my supper.

Revelation chapter 3, verse 14!

14 And unto the angel of the church of the Laodiceans write; These things saith the

Amen, the faithful and true witness, the beginning of the creation of God;

¹⁵ I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot.

¹⁶ So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.

¹⁷ Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

¹⁸ I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see.

¹⁹ As many as I love, I rebuke and chasten: be zealous therefore, and repent.

²⁰ Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.

²¹ To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.

²² He that hath an ear, let him hear what the Spirit saith unto the churches.

This is just relative to St. Luke 14 – those who rejected His supper but He is speaking to individuals. “He that heareth my voice I will come in and sup with them.” Revelation 19, verse 17 again. This is the third night we are just taking this.

¹⁷ And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven,

*Come and gather yourselves together unto
the supper of the great God;*

The supper is evening time again.

*¹⁸ That ye may eat the flesh of kings, and
the flesh of captains, and the flesh of mighty
men, and the flesh of horses, and of them
that sit on them, and the flesh of all men,
both free and bond, both small and great.*

*¹⁹ And I saw the beast, and the kings of
the earth, and their armies, gathered
together to make war against him that sat
on the horse, and against his army.*

*²⁰ And the beast was taken, and with him
the false prophet that wrought miracles
before him, with which he deceived them
that had received the mark of the beast, and
them that worshipped his image. These
both were cast alive into a lake of fire
burning with brimstone.*

*²¹ And the remnant were slain with the
sword of him that sat upon the horse, which
sword proceeded out of his mouth: and all
the fowls were filled with their flesh.*

Let's bow our heads and close our eyes.

Heavenly Father, Lord, we ask of You tonight that You will speak to our hearts. That is why we have come. We recognize the Hour is late and time is far spent. Sometimes Lord, we even ponder in our hearts whether the doors have been closed. But oh God, until You show us something to confirm that, something that is definite Lord, Lord we want to keep believing that there could be one more to come in Lord.

While we stand here in Your Presence tonight, Lord, how we ask of You to speak to our hearts that Lord, it would give us understanding that we will see the time that we are living in and we will make ready Lord and we'll esteem the reproach of Christ greater riches than all the treasures of Egypt. Lord, we take the way with

the Lord's despised few. We will follow that great Leader of Eternal Life – our Lord Jesus Christ.

Lord, we realize this is an Hour when we are confronted with the Leadership of Eternal Life; when we are confronted with the life moving on. To reject it Lord is death but to accept it is Life Eternal. Grant us ears to hear tonight! May the Spirit speak so expressly! May the Word become real! May it influence us, for our life to be transformed to be more like Jesus Christ! Have Your way amongst us in this service as we commit each and everyone in Your hands. May You be the principal Theme, the center of attraction, for we ask it in Jesus' precious Name, amen.

You may have your seats. I want to welcome everyone in the house of God tonight. I truly appreciate your fine attendance and the sacrifice that you make. For many of you, it is difficult, the financial part of it, for the families to be travelling back and forth night after night from San Fernando and different places where you are coming from, but may God bless you. You are laboring for meat that perisheth not. You are trying to lay a hold on things that are eternal and I believe that Jehovah-Jireh will provide for you. Amen. I believe you have faith and it's the very expression of your faith by coming out here and looking unto God to really give you your hearts' desire in these services, that you who are lovers of the Word, who hunger and thirst after righteousness shall be filled.

Last night we were speaking there again on *The Coming Judgment Of Ahab And Jezebel* [2 of 2, 1984-0919 -Ed.] which is just a little subject on our little inspiration that the Holy Spirit seems to be giving unto us at this time in the outpouring of the Seven last Vials in the Book of Revelation, that I was trying to preach and taking this inspiration from the Message that God hath sent through the Prophet.

Now, many people in the Message no doubt will be acquainted with *The Seven Church Ages* because there

is a *Seven Church Ages* book and acquainted with *The Seven Seals* because there is a *Seven Seals* book. And then they don't have a *Seven Thunders* book and they don't have a *Seven Trumpets* book and they don't have a *Seven Vials* book, so they think that are grounds that people would presume to go upon. But the opening of the Seven Seals was the revealing of the entire Book. Amen!

And then the Prophet later on – as I always referred to one of these quotes here in *The God Of This Evil Age* [1965-0801m -Ed.] somewhere on page four, he said, “I am trying to stay under the anointing of the Holy Spirit to see which one to open up to you, which message to bring out the Message of the Hour to you.” And he brought out messages such as, *God's Power To Transform* [1965-0911 -Ed.] and about the two Edens: *Satan's Eden* and *God's Eden* [1965-0829 -Ed.] And he's bringing out *The God Of This Evil Age* and *And Knoweth It Not*, [1965-0815 -Ed.] the people in the last days, all these things were accumulating together to draw a picture. He preached about the Cloud and the Supreme Judge and the Cloud being turned and the signs of us being in the Lord's Day, which is between His Priesthood and His Kingship.

He preached about *The Third Exodus* [1963-0630m -Ed.] and about The Pillar of Fire coming back in the Evening time. He preached about *God's Only Provided Place Of Worship*, [1965-1128m -Ed.] where God is meeting the true believer in this Hour. He preached about *The Token*, the only Place the wrath of God would not strike. He preached about *Spiritual Food In Due Season*; [1965-0718e -Ed.] the secret place that Elijah had to enter in before the judgment. All these were things preached by inspiration of the Holy Spirit. He was looking into the Word and opening it up to the believers for us to understand spiritually what the Hour is.

And then there were more personalized things to the Church: *There Is A Man Here That Can Turn On The*

Light. [1963-1229M -Ed.] *Who Do You Say This Is?* [1964-1227 -Ed.] *The Unveiling Of The Mighty God, The Masterpiece*, [1964-0705 -Ed.] *Christ Is The Mystery Of God Revealed* [1963-0728 -Ed.] and all these things, showing us in the Church, in the spiritual realm how far advanced the Church have been. *Christ Is Revealed In His Own Word*, [1965-0822m -Ed.] where he showed us He was the *eyes*. And the next thing was the Intelligence to come into the Body there and how we have moved from the *mouth* Age, the Pentecostals speaking in tongues, into the *eye* Age, where the Light has come in the evening time to shine upon the Word, that light never shone upon.

Now, to many people they don't appreciate the Message that way. But that is the way that we believe by the grace of God, God was giving it out through the Prophet. When the Book had opened, he was looking into the Book by the Leadership of the Holy Spirit because he was sent to reveal the Bible, "*In the days of the voice of the Seventh Angel, when he shall begin to sound, the mystery of God would be finished.*" [Revelation 10:7 -Ed.] And he was sent to reveal the entire Bible, the whole secret of God and those Seven Thunders to get the Bride ready and show her how to enter into rapturing faith, that there will be a super Church in the last days who would come into oneness – a union with Jesus Christ. And that is what is to be produced. Because we see those things, we labor and strive to see that amongst us as a local body, as a local church. And knowing that is the promise, God has His people around the world. He has local churches around the world because it is the whole Age. But the responsibility we have here, since God has shown us the light to walk in the revealed Word, then to miss that mark is sin because God is coming for a perfect Church – an Ephesians at the end of the journey.

I don't know if the sister is here. I hope she may not feel bad as I say this because I am not saying it directly

to her personally but it's just to make a point. I had the privilege to speak to a sister last night, a visitor and we were there talking and you know, she was finding in the Message, it should not be in the Message that people would be thinking that this one is right or that one is wrong or this one is right. So I told her, "Don't be naive in your thinking. Now is not the time to be spiritually naive and trying to be 'goody, goody' and everything. Look back in the Bible and see what God's thoughts are because if you look back in the Bible..."

And I was trying to show her, look back in the days when Elijah came as John the Baptist and he introduced the Son of Man which is the full Word. And then after the Son of Man there were Message churches. You had a Corinthian church in the Message. That wasn't in Judaism which was denominationalism but those were people who were called out of Judaism, a type of denominationalism, to walk in the revealed Word. They didn't have Scribes and Pharisees and Sadducees preaching to them, which were people after the Levitical priesthood. They had people after the order of Melchisedec ministering to them the hidden treasure of wisdom. Amen! See!

Because it was a new Age when God had a true fivefold ministry. That meant a gift of predestination was in them and the Holy Spirit came to place them in the Body of Christ to bring that mystery to them while there were people in the Levitical Law holding on to what Moses had in the past dispensation because they didn't realize God had turned a corner. And in the Corinthian church the Message wasn't given in its fullness to the people because of them being carnal. It was not that God didn't want to give it to them but their appetite for more just wasn't there. They were satisfied just to hold on to somebody's personality; just to gather around an individual and they ended up in fornication and all kinds of foolishness. See! And Paul said, "Look, you're carnal and I want to give you meat but you can't

take it because you have division and strive and envy and jealousy among you. You also have all kinds of filth among you and you can't even put it away and you want to play you're so spiritual." You see! But he said, "You're so carnal and you're still babies and all I can do, is give you milk." That was a church in the Message.

Then they had the Galatians who started off. And the Galatians started off there and you find the Galatians church that Paul said, "Look, I marvel." He said, "I really marvel that after teaching you all, after all this vindication, after the Authority of the Holy Spirit was manifested so powerfully in your midst and that Jesus Christ had been evidently set forth among you – you who left the Law, the old husband and you came over into grace, I marvel that you should turn aside unto another gospel, which is not another but there are those who are perverting that original Gospel."

He said, "*Who hath bewitched you, oh foolish Galatians.* [Galatians 3:1 -Ed.] You started off in the Spirit, you came out of denomination, you have stopped cutting your hair and the women sit down in the congregation being subjected and you have dropped your dress below your knees; and you men began to straighten up and walk right but you ended up right back in the flesh." Because the influence was by men who are not spirit-led but who are full of all kinds of trash in their minds, trying to bring out their own private understanding after the messenger had set it forth right before them. See! Then he said, "Now don't you be entangled again in the yoke of bondage after Christ had made you free." Because the Son of Man came and set you free and if after the Son of Man set you free and you want to go back in bondage, then your ears will be bored. [Pierced -Ed.]

And may God help us tonight to see that people in the Message could take the mark of the Beast too. People feel that the mark of Beast belongs to denominationalism. The mark of the Beast is to reject

the Holy Spirit! And to reject the Holy Spirit is to cross the line and to cross the line is to make a way for the devil to come inside of you. And when the devil is controlling you and possessing you and he takes you over and you have no help from the Holy Spirit to get deliverance because you had already rejected Him, He will take you straight to the mark of the Beast when the time comes. You will love a morsel of meat and the Beast will be able to give it to you – meat for the belly and belly for the meat. With all the knowledge you have, it can't make you live right nor above sin, so how could it make you face the World Council of Churches? Amen! Don't be deceived! Don't deceive yourself! See!

Now watch! Then there were the Hebrews. Oh, they thought they were so spiritual. They thought they had the revelation like a lot of churches in the Message. They despised the Jews and they back there. Even when the Romans wanted to think they were in something, Paul said, "Look, you better be careful you don't get puffed-up because remember that it is through the blinding of Israel, you all came in." It was a dry olive branch that God had grafted in. And he said, "If the blindness of Israel brought deliverance and salvation to you, what more will the restoration of the Jews bring to you?" See! And he began to speak to those Romans too.

Even the Hebrews who were all those years in the Message, nineteen years after the Seven Seals had been opened and revealed in its fullness, Paul said, "After so long a time, you should be teachers now but you are still drinking milk. *He that useth milk is unskilful in the Word.*" [Hebrews 5:12-13 –Ed.] He said, "I want to tell you about Melchizedek. I want to tell you about the sanctuary. I want to tell you about the things in Heaven. I want to carry you into the golden pot and the hidden manna and the seven candle sticks." He said, "I want to teach you these things but I can't do it right now because you are holding on to baptism and this

and that and you are trying to say, ‘Well, stay with the simple Message and don’t go into those deep things’ and you’ve got a spirit of shallowness upon you. But shake yourself and let us go on to perfection.” He said, “Because when I look for you positionally, where I found you in the Bible was back when they were in the exodus and they came right up to the promise and they failed to cross over.” He said, “You better labor to enter into that rest, if you know what is good for you.” He said, “Remember when God brought them out how He turned around and destroyed them in His wrath.” He said, “Let us fear, lest...”

After Malachi 4 had waved a Third Pull ministry, five manifestations of the Spoken Word and God displayed what the Masterpiece is like unto us, God showed us what preeminences are; God showed us what omnipotence is; God showed us what the life of this Age will be identified as and look like when it is fully manifested, amen, and you want to run after it and stop short of that and hold on to your little morality, hold on to your little knowledge you have and think you are in something? He said, “Let us fear, lest that you come short and you don’t even enter in.”

And I tried I tell her and I tried to show her, “Get God’s thoughts and see what the Bible says for now.” You will realize that there were even men like Diotrefes, who wanted to have the preeminence among the brothers. He thought he was the ‘big man’ in the Message after the prophet. See! And when John came up there, Diotrefes said, “Don’t even invite him, don’t even meet with him, don’t even shake his hands and don’t even let him preach in your pulpit” because he was controlling all those doors. And those who saw Diotrefes as somebody, listened to him and they blocked the Holy Spirit out. He said, “Look at Hymenaeus and Philetus – their words eat like a gangrene.” They have caused many to fall and make them shipwrecked. When they were supposed to have the Absolute and sailing by the

North Star, while we're going through treacherous waters" he said, "look what happened to them – they're shipwrecked!" You see! Because they didn't know what was happening and one of the only real consolation he had (and he had many others) but one of the real consolations Paul had was to the Ephesians. Hallelujah! They had crossed over. Hallelujah! They had crossed over.

And in Ephesians, the way they dealt with sin is in Joshua 7 – the Ephesians of the Old Testament. Amen! They stopped the camp, searched it out, found it, killed it, buried it and made sure it never rose any more! They didn't sweep it under the carpet or put it in a back room or do as if they didn't see it or try to look away from it. No sir! That may be some Corinthians but not the Ephesians, brother! And because a lot of people have a Corinthian filter, they let a little immorality pass through and with a lot of knowledge about the resurrection, they could sit down there. Amen! There are a lot of people that have some of their old denominational spirit and they want to get a chance to put out all their works and these things, as if they can be justified by their old natural works which is contrary to the revealed Word. See! They have a filter inside of them with a taste for that. That's a denominational hangover.

Now what are we talking about, as I told you last night, all that demonology for years in the framework of the Message, we see it is now being uncovered. And we see what *And Knoweth It Not*, is and how far it expands its borders. *And Knoweth It Not*, didn't confine its borders to the Pentecostal church, you know. *And Knoweth It Not*, expanded its borders to every place that the devil had defeated. Every place that those locusts had come and eaten down and put into darkness, that is where *And Knoweth It Not* is. That is for the whole Age. Amen. That is not confined to organizations but

that is for individuals – whether you're religious or you are not religious. Amen.

So we were speaking there and I was trying to show her, "Look, get the mind of Christ. That is what we want now." This is the Age of insanity and we must not be free-thinkers. We must not just go by impression on things that comes to us. We must base our thoughts on the Scriptures. And when we look back in the Bible and we see the Hour we are living in, we will understand why things are the way they are. Then the true believer will be able to strive lawfully in the midst of all the conglomeration and powers of darkness that are trying to pull them contrary to the Word. They will be able to have their eyes on the promise. They will be able to hold their Absolute and sail through to see a real manifestation of Jesus Christ without any flaw.

And God has people with a real taste, a holy man's taste, to see His promise confirmed and to see Christ manifested without any flaw. They don't want anything less than what they saw waved in the Prophet. Amen! See! Because God doesn't send people to preach it and then they can't live it. God's program is not mixed up. The devil sends people out to preach it but they can't live it because there are gifts in the Body and there are gifts outside of the Body. Balaam was a prophet in the Book of Life. See! Judas was an apostle in the Book of Life but Peter was an apostle in the Lamb's Book of Life. Bro. Branham was a Prophet in the Lamb's Book of Life.

In Matthew 24:24, that's the church spirit upon the church people. In Hebrews 13:8, it's the Bride's Spirit on the Bride people. Amen! And in Hebrew 13:8, it will make Jesus Christ the same, today. They walk the same, live the same and act the same because it is His literal Life. And when His Life comes into another person, it is just another channel. It doesn't change the nature of the Life. Amen? But that is the type of Hour that we are living in, when we must have a clear understanding because the deception is coming

through the Word and this Bride has to prove she is not like Eve, to be seduced. See, because Eve was seduced and the Ephesians were seduced but this last day Bride has to prove she is not like them. And God had carefully brought this Bride into existence. See! And where she has come to her fullness now in these last days after Seven Church Ages, that mystery of the Bride unfolded slowly, slowly, slowly down through the Ages.

As we were dropping off one or two things the last time, as many of you in the Assembly know about – it's how God had to take the feminist spirit out of Adam and put it in another body. Eve in flesh represented Christ in the mystical body and Adam in flesh represented Christ in the corporal body. And the mystery of Christ in the mystical body didn't come forth until after Calvary because it is after God put Adam to sleep, showing Calvary, then God began to take the feminist spirit out. Amen! And when God was in the corporal body, in Christ – the second Adam, to prove He was that One, He had to be identified with every part of the Word that held the mystery of what Adam was. Because Adam was a prophet, Adam was a priest and Adam was a king. Adam was eagle, lamb and lion back in the Garden of Eden. Adam was the whole mystery of God standing there.

When God passed the animals before Adam in the evening time when the sun was setting in the great altar call and as they were coming through the prayer line there, Adam watched this one and said, "Your name is elephant. Your name is lion. Your name is fox. Your name is zebra. That's THUS SAITH THE LORD." Amen. He was naming every one of them. He was a prophet because the Word came to him. When Eve was made and God presented her, he watched her with those eagle eyes and said, "You are woman. You are bone of my bone and you are flesh of my flesh. God didn't make you out of the earth." Amen! He knew it right away. See! Adam was a king. He had a kingdom. From sea

to sea and from shore to shore, he had dominion over the whole earth. Amen!

That is why God had to put out all those prophet types to reveal the mystery of the Great Prophet because it couldn't be revealed under one person. He had to put it in all those king types because he was going to show how He was going to bring back Adam's Kingdom. He had to put out all those priest types like Aaron and all of them who interceded for the people, to show the Great Priest Who was going to intercede when He comes. And when Jesus came, He came in three Son's names because each Son's name was to bring back a part of what was lost in the Garden of Eden. Because Adam in flesh was Son of Man, Eve in flesh was Son of God and they had dominion over the earth, which was Son of David, the Millennium – the Eden which is the Kingdom restored. You see!

So in all these things here, in the last days when that Bride comes, there wouldn't be any confusion. That is why I say, a lot of people accept all kinds of foolishness and are being influenced by all kinds of contrary spirits and with people who mix-up the Word and are influenced by all kinds of lies. And they gobble down that because they are spiritual prostitutes with that kind of spirit because they only want sensation and they don't want to bring forth children in His image. A prostitute does not think about responsibility and sacred responsibility. She is only thinking about the sensation of the act – the enjoyment and the pleasure she could get out of the act. You see!

I was showing you these things here and that is something else by itself. I was just trying to show you that this Bride will prove that she is not like the first two brides because God carefully made His Bride. And that is why when Jesus came, He never identified Himself with all those females in the Bible though they were put in there. Rahab and Esther and Ruth and Rebekah and Sarah and all of them are in there because

each one of them were holding a part of the mystery. The change of the body was in Sarah. The calling was in Rebekah at evening time. Ruth came in at harvest time and she received redemption in Boaz's field and Esther received the authority in the time of the prosecution. Each one of them held a part of the mystery that ought to be gathered up in the Bride in the Bride Age. Then when that Bride comes, she has to be the perfect matching piece. Her character must match that prophecy to prove she is the Bride. Nothing else will work! Everything else is out of the picture! Because when Jesus came, the Word, He came at the end of the Old Testament and He preached, "A Greater than Solomon is here and a Greater than Jonah is here." When she comes, she will preach, "A Greater than Esther is here; a Greater than Ruth is here." She will prove that she is the principal Theme of the New Testament. He is the principal Theme of the Old Testament – both male and female. That Bible is the revelation, the abstract Title Deed to this earth. The Eden is restored to bring It back and reign as kings and priests upon the earth. Amen.

So there are a people! There is a real Bride and she cannot be deceived. And she will try all those who say they are apostles because she knows these are the days that they will only call themselves apostles because they want to lie down with her but she isn't a harlot. She doesn't have itching ears. She doesn't want pleasure. Her only pleasure is with her Lord. Hallelujah! She doesn't want any sensation because she understands the Age. Amen! When they come around, she flashes the wedding band in their faces and say, "Stay away you buzzards!" Amen! She points them to the Marriage Certificate, hallelujah, and God will manifest and glorify that Name in the Seven Thunders. Hallelujah! The Token will be on display and Jesus Christ will be seen again. Amen!

See! So you've got a lot of people who want all kinds of different things and it's a serious Hour. It is a treacherous time. People are slipping into darkness and they are being overtaken, they are being put into chains and they are being reserved unto judgment and they can't even realize it because they are so dead. They are very deep in sleep. It's like a deep sleep has fallen upon them that they don't know what is going on. Their only consolation is that, "I'm in the Message. I believe the Prophet and I love Jesus." Bro. Branham said, "Cain loved God." And he said, "If you love God, that is not a sign that you are in It anyhow. That is not the real evidence. No sir! He said, "You could love God and still be wrong." That is a quote! Amen. It's on page 7: *Christ Revealed In His Own Word* [1965-0822m, para. 30 -Ed.] Because love is a sense of the spirit and you could be anointed in your spirit but that soul will say, "Amen!" It will have a holy man's taste. That Eagle has a seed in there that will only want fresh food. It isn't a vulture! It will only feed upon the Lamb, the fresh kill – the Lamb that was slain with seven horns and seven eyes. It won't feed upon anything else. Amen!

So just to give you a little quotation. My little subject tonight... So many things are happening. This morning I went there. I was so tired after last night and I could hardly get up. My little boy there, David from the time it was 6 o'clock, he got up and ran in the room and started to shake me and hit me in the head and tried to wake me up and I had to fight him off for a couple of hours trying to really rest. And when I did get up my time was almost gone and I wondered what was going to happen there tonight. There are so many things before me. God just flashed them. I saw them. I have them juttet down but then I had to spend a little time to study it out and go through the Scriptures and these things and I went down there this morning and it was just the grace of God that came down. And the Word that is being preached is not what I knew and studied

before. It is coming out now, fresh. The place I was going when I went to study, I realized that I was going somewhere else. And I'm reading things in the Bible I never read before and things are taking a meaning that it never had before. And it's strange! I just want to stay yielded in His Presence so that He could speak it out and it could be a blessing to you. And my little subject tonight is, **“THE TWO SUPPERS OF THE GREAT GOD.”**

St. Luke 14 was a supper. It was, “Come to the supper.” Now this Message in the Evening time; His servant and then there is a supper of the great God in Revelation 19, and those were the people that rejected this first invitation. They will turn around to be the supper for the fowls of the air and the beasts of the fields because they rejected His supper. They didn't come to feed on His table so He will put them on a table to be fed upon! Amen.

So I just wanted to give you a little quote here so that maybe it could help somebody. It's not really what I am going to spend my time on but on Page 23 of *The Seed Is Not Heir With The Shuck – Jeffersonville*, [1965-0218, para. 128 -Ed.] He said, *God promised rabbits in the days of Luther. He promised other things in the days of others. But now He promised us a full square Meal, the full seven course Menu, for all the Seven Seals are opened and everything is ready for the Word of God, for those who can receive it!*

Now here was the servant at Supper time, he said that God has spread a table. *Jesus has a table spread where the saints of God are fed. He invites His chosen people, “Come and dine.” Amen! With His manna, a seven course Menu, “He doth feed.” He said, “God has a full square Meal in the days of Luther, He promised rabbits; other things in the days of others; but now He promised us a full square Meal, a full seven course Menu for all the Seven Seals are opened.*

Page 52 on *The Invisible Union Of The Bride Of Christ* [1965-1125, para. 359-361 –Ed.] He said, *But you are one of the members of His Body! Why not? Oh, little eagle, come* The Holy Spirit was calling them out, *come! Why not come to the Lord? Lord, I am thankful. I am very thankful. Thanksgiving to You, Lord.* Because you know *The Invisible Union Of The Bride Of Christ* was preached on Thanksgiving Day in the United States of America and while he is preaching he said, “Lord, this is my thanksgiving.” To see what he was seeing. See! So he said, *...not for natural food, yet that, but, Lord, the end time is here. I am thankful for this spiritual Food, Lord, the spiritual Food of the Seven Seals was promised to be opened. You say, “That’ll be something different.” No, no, you can’t add one word to it. It’s already in There, just hid; it’s sealed. How many understands that?*

As I was saying, many people they may think you’re presuming to speak on some of these things but I just believe in being led by the Holy Spirit. And I think that the Prophet, as he was telling us, as he gave the messages out after the Seven Seals were opened, he was opening up different ones and then in the *Church Ages* book he said now, “What I am doing—anybody that is receiving a revelation is not getting any private revelation or collective revelation but is only receiving what the messenger has already said by revelation.”

So these are not new things because the inspiration for these things are coming back out of the Message. It is the Message and the things the Holy Spirit were saying through the Prophet. But then you get to realize when the Prophet was speaking, you read it the first time and you thought you got it. You read it the second time and you thought you got it. You read it the third time and you thought you got it and as you kept on reading and studying and the Holy Spirit began to open to you what he was seeing and what he was saying, then you begin to realize how far he was seeing because he

saw the whole Book. That was the *eyes* that came in this day.

So here when the Holy Spirit came and after the Seven Trumpets came and God began to shine light upon it – we never even got to finish it and we were not really taking Trumpet by Trumpet but I was trying to show you that there are things in between the Trumpets that pertains to the Bride. And we found the great River Euphrates inside of there. And what was the River Euphrates doing in the Trumpets? Because that was supposed to be a River back in Babylon that flowed into the Persian Gulf. It was Euphrates and Tigris and from that was Gihon and Pison, when the Bible says, these four Rivers passed through Eden.

And that is why we can find the location of the Garden of Eden today because those Rivers are still there. And the great, big war, the hottest battle on the earth right now is going on right there between Iran and Iraq. Because Iran is really Persia and they're fighting there for control of the Gulf because about forty percent of the non-communist world oil passes through there. That is one of the richest oil belt in the world. Oil is the Holy Spirit. That is where Eden was and that is where the battle is being fought – just on the border of the promise in the natural realm. And we find out, that out of the Euphrates were loosed two hundred million devils, supernatural devils to come against the Bride. But that Euphrates that was back there – that Euphrates that passes through, it flows through Babylon; Babylon fell. Babylon was the head of gold but Rome which is the legs of iron is called Mystery Babylon.

So in the legs of iron there was something compatible to the head of gold. There was something in the head of gold that never fully went out of existence, though the natural city became desolate and it became non-existent. But yet the very mysteries of Babylon where satanic religion had its origin, was in Babylon. See! And then when Babylon was fallen, Attalus the priest-

king, fled to Pergamos and set up his kingdom there outside of the Roman Empire. You find that out in the *Church Ages*. [Pergamean Church Age -Ed.] And then after it began to flourish and by the time Attalus the third came, then he in the sovereign purpose of God, willed the kingdom over to Rome and the mysteries of Babylon was now in Rome. So then Rome became Mystery Babylon and that is why Rome in the Bible is Revelation 17 and 18. The Catholic system is just the antitype [a shadow or symbol -Ed.] to Babylon, the city back there that polluted the nations of the world with a satanic religion in the Old Testament. And that is why you find Jeremiah there, chapters 50 and 51, speaks of all the judgments to come upon the great harlot in the last days because it was shown in antitypes back there in the time of Jeremiah. Alright!

So we are studying a little bit here now. Now watch! Then we find the Euphrates River comes out there and we find out the Euphrates River was now a spiritual River in mystery Babylon – it was Papal Rome. Because Pagan Rome became bound by the ecclesiastical powers, when they had professed to be Christians, when they had the Nicene council and Pagan Rome became Papal Rome. Outwardly they changed their form but the same old pagan nature was the same inwardly because the seeds had just become spiritual kings which are popes. And that Antichrist spirit that started off in the first Age which had known the Truth and was close to the Truth like the serpent back in the Garden of Eden that deceived Eve, that same spirit became incarnated in a man and became that pope. And from there we had that right down, which we have it today. And I think right now it is being worshipped there in Canada and then around the world too. But right now that is where the false prophet is among the people there.

Now watch! But thank God He is here amongst us, amen – the real King! So notice then we find inside

there, there is, “Woe, woe, woe, to the inhabitants of the earth.” And we pick up those woe, woe, woe and we found under those woes the earth was going through its birth pains to be renovated. Because under the Old Testament prophets the church went through its birth pains to produce the second Adam. Under the Seven Church Age messengers, the Church went through birth pains to produce the second Eve and under the three woes the Church went through birth pains and produced the Millennium – the new earth for the Millennium; the renovated earth. You see!

So then we find, how God all through there had things that pertained to the Church, though the Trumpets of itself, the Feast of the Trumpets is speaking to Israel. But God put those things in there because when the Feast of the Trumpets was sounding the Church was still here. The Church will not be here when the Feast of the Atonement is taking place but when the Feast of Trumpets was sounding the Church is here! Because Joseph’s wife was there when Joseph brothers were leaving to come back to meet him, you see. But Joseph’s wife was in the palace when Joseph was making himself known. So there was a gathering back time but there was a time when he was making himself known, when his wife has to be dismissed.

And that is why the Evening Message went out to gather the Bride to take her off the earth. And before she went out, the Holy Spirit through the Prophet who was sent to reveal this Bible, began to identify all the spirits when this Book of Revelation was opened because it was a Prophet that came to reveal this Book of Revelation; because it was a Prophet that showed the Book of Revelation to John and what those things meant that he was seeing. John was seeing visions but he didn’t know what it meant. He was seeing it in symbol form but the Prophet was revealing what the symbol meant.

John saw the white horse but the Prophet told us what it is. John saw the red horse but he did not know what it was; but the Prophet told us what it is. John saw the great harlot and he wondered, but the Prophet told him what it was. John saw the Lamb's wife, but the Prophet told him what it was. John saw the City but the Prophet measured the City. Amen! And whenever he talked about that Prophet, that Angel, he said, "That's one of the Seven Angels who had the Seven Vials." He didn't say, "One of the Seven Church Age angels." He said, "One of the Seven Angels who had the Seven Vials was showing me these things and I bowed down to worship that Angel."

So what I'm saying is here we began to find those things, all those things of how that Angel came down there to open the Seventh Seal Book. Michael came to deliver the names that is found written inside of It before It goes over to the Jews to deliver the Jewish names in the Book. But he is delivering the Gentile names now.

And that is why people, you preach the Word to show them what God is doing now; what is going on in God's economy; what is happening in the spiritual realm. Then they should have discernment to recognize, if we are a part of God's economy, then what the Holy Spirit's influence will be projecting to achieve through the ministry and through the Bride around the world, would be exactly what is written in the Bible. Because God can't show it in the Bible and do something else unless that is some other people who is a satellite for something else. But if they were sent to reveal and to manifest a part of the Bible for this time, then what they are doing would be identified back in the Scriptures. Because they're raised up to fulfill a part of the Word; they cannot do anything else! Amen!

So after the Holy Spirit began to reveal those things in there, in those Seven Trumpets; preaching all those woes. The locust - what was it? The same Roman

spirit; the same locust that ate down the tree in Joel, the fig tree which is the Bride Tree back there in type. The fig tree is also Israel and also the Bride in type. And the Prophet preached *The Restoration Of The Bride Tree* [1962-0422 -Ed.] and he showed the locust, the cankerworm, palmerworm and the caterpillar was one insect but in four stages and that was a Roman spirit. And those same locusts were now coming out now and killing the Jews, which was Rome's influence and activity in the political realm. Because the Seals is the Church, which is religious disturbance but Trumpets is politics which is political disturbance. See!

So it's the same devil and God all the time. Because the white horse rider was the Antichrist spirit; that was the devil coming there to deceive. Then when it drops over in the realm of the Trumpets now, the same fallen star; the king of that army was Lucifer, the devil again. Because you see Satan's Eden is being built up through three realms: religion, demons and politics. He is achieving his Eden. He is bringing his Eden to pass – his five 'I wills' that he had in his heart when he was up in Heaven. Satan had five things in his heart he wanted to achieve and here the Serpent's seed, his children, are producing those things – children of darkness. God had a threefold secret in the back-part of His mind and His children, His seed, His genes are bringing to pass His threefold secret upon the face of the earth also. Children of Light and children of darkness. You see? Children of the Kingdom and children of the world here and there are just two spirits all the way coming down.

So when you see Trumpets and Vials it's just the scenes changing. It's just different realms, different positions he is looking at. You see? When we are looking at the Church, we are speaking about the Seals and the Ages. When we are looking at the political realm, we are speaking about the Trumpets and these things. When we are speaking about the judgments and the calling of the Jews back there, we are looking at the

last half of Daniel's Seventieth Week. When we are speaking about the destruction of the harlot, the armies, the Beast, the kings of the earth and these things, we are speaking about the battle of Armageddon and the Vials and these things.

Now it is simple, once you get away from your mind and you break into God's mind. You see, everything it's like it is coded. God says, "Feast of Pentecost." Now you know that, that is the Church. So when God speaks of the 'Feast of Pentecost' and 'Church Ages', it doesn't get you confused because you know it's a space of time He is talking about from Calvary to this time before the Jews recognize Christ. When He talks about Nebuchadnezzar, the head of gold with the toes of iron and clay, it speaks about the time of the Gentiles; that doesn't confuse you. It is all those Gentile kingdoms that has ruler-ship over Israel. You see!

So the same way here when we come to revelation, it is just written that way because it is prophetic and it's only for a certain class of people. It is God revealing these things to His Bride. So when the Prophet came and began to reveal those things, it began to become plain and it is then that we began to understand what was really happening.

Then from there, before we could even finish out on those Trumpets there, we picked up the Vials because it had to be picked up there. Because you see many of the things that started in the Trumpets, is where the church and the State are coming together. Because after World War II but before World War III comes, the church and State would be united because the people wanted peace. That is why when the Bible says, "When they shall say 'Peace, peace,' then there will be sudden destruction," because after they saw two World Wars they didn't want any more war again.

So everything began to go out, "Love and give peace a chance and all the world wants peace" and it was a whole kind of love gospel and love revolution and peace

and disarmament was being preached and everything. And right in there Satan slipped in and began to bring a love gospel too saying, "We should all be one as Jesus prayed we should be one." And they say, "Well let us stand against communism; these ungodly people who do not believe in God, they want to come and destroy the earth. Let us unite to stand against it."

And that is where the Protestants are being deceived by the Catholics because you see, they don't think they are being deceived. They think they are giving support for a just cause to stamp out communism. That is what they think they are doing. That is why they are not becoming Catholics. They're only giving their support. That is why they keep their doctrines, (you see) but they only agree on certain things. But where they are going to get trapped is when America declares bankruptcy. It is when the money system changes that they are going to realize what is happening. Because economically the whole thing is being tied up; because Rome has the wealth of the world and the only other people that has money now are the Jews and she is getting their money tied up too. It is already in process but the Church will not see it because the Church leaves before that.

So if we see footsteps of it coming with rapidity, then how we should shake ourselves! Then there must be a Power moving among the Church; there must be a revelation coming forth to get a people ready. You must see sacredness and sincerity coming among the people. You must be a people with reverence and action and with humility – prepared servants for this Hour, who have met the seraphim; who have been in the temple and praying that God shakes them off of man's flesh and they break into the realm and see the seraphim and are prepared for this Hour.

Outside of that, what is it are you coming to church for if you never saw the seraphim? You cannot get prepared! You don't know how to behave yourself in the Presence of God. You do not know that there is a part

of the Message that says, “Who will go for us?” There has to be a people who will step forth and say, “Here we are Lord, send us.” Because Revelation 10: 8-11 says, “Thou must prophesy again among many kindred, people, tongues and nations” – a quick short Message that will shake the nation. The Third Pull will go out to the lost. It will do great things for you in your midst. This is an Hour when people should begin to realize the Presence and the Power of God is here to bring deliverance. Do not sit down there and wonder if you could be delivered. Seek it, press through; bulldoze your way through and you shall receive it! God is here! That is why He is saying it, amen – to bring it to pass. Amen!

That is why last night there breaking into the Vials, before we could really strike where it really is there chronologically in the Book—you see chronologically in the Book it’s right there in Revelation 15 and 16. But I am not stepping into it yet because when we get there I want you to have an understanding and get a picture of the scene. So last night and the night before, we have been breaking into the type there from under the Fourth Seal. Under the Fourth Seal God showed something in symbol form and in Revelation chapter 19, God showed something there also. And what God showed under the Fourth Seal, He was showing where all those powers gathered up together and was symbolizing a pale horse which is religion, politics and demon powers. See! And then He showed that the name was death and death was separation from the Presence of God.

And we find out while that one is coming on that horse, there is another one coming on another horse Whose Name is called the Word of God and that is Life. So Life and death was coming to its final struggle. Heaven and hell was coming to the final struggle. You see? Lucifer and Michael were meeting on the battlegrounds again – those two kingdoms. And as we pick up there under the Trumpets, Jesus is telling the

parable, "When one king goes to war with another king, he better count the cost first because if one king goes to war with ten thousand and the other king comes with twenty thousand" He said, "then what is going to happen?" And those are two kings.

In the Greek he is called Apollyon and in the Hebrew he is called Abaddon because he is a king over two hundred million devils; that is Lucifer. He pulled one-third part of the stars down from Heaven. Alright! Now ten and twenty, that is thirty. One king has ten thousand the other king has twenty thousand; that is thirty thousand. And ten thousand is one-third and twenty thousand is two-thirds. And there are two kings – Michael and Lucifer coming to battle again. See! This is where it is coming to a great showdown.

Jesus tells a parable of that battle back there. And here it is all being made manifest because of all the charismatic and Pentecostal revival, glossolalia [speaking in tongues -Ed.] and all these things that you see move out there; speaking in tongues and blood on their hands and oil in the platform and all these religious men going over into politics.

We were picking that up—I did not strike the Scripture because I did not want to touch it yet because there is a whole thing inside there that I was trying to leave back. But I have been mentioning it night after night which is when those lying spirits came out of the mouths of Ahab's prophets. Here were the prophets – the religious people; here were the kings – the head of the States and here was the priest. It was religion, politics and demon power. You see! Zedekiah and the four hundred prophets – religion. The lying spirits – demon powers. And then the two kings, the head of States – politics. And it's through that deception they went out to the battle and in the battle they got slaughtered and the fowls of the earth fed upon them.

And that is why over in the Book of Revelation it's saying, here look how they are working miracles—

because Zedekiah makes these two big horns and began to kind of maybe really dance and all kinds of different things and jump around and say, "We will push them out this way and push them out so and push them out and we are pushing here and we are pushing there and we are pushing everywhere. You see!

And Micaiah stood up and watched him and then was waiting for a chance to say something. Amen! So when he saw that kind of thing there he said, "They're deceiving the people there and then all the politicians now are out of the will of God already." And then they're not looking at Elijah's prophecy but there were people in the land watching Elijah's prophecy because no doubt Micaiah must be one of those seven thousand (Hallelujah!) under that Seal. So when he rose up now he said, "I will only say what God shows me" and he spoke what Elijah said! He got his jaw slapped in for it but he did not mind; he spoke the Truth anyway. Hallelujah! He wasn't ashamed of his testimony. He wasn't ashamed of his revelation! If he had to stand alone he was going to say it. Amen!

And then afterwards the military realm of it now, which were the armies. You see those things just flash there in the Scriptures in a shadow. When it is picked up in the Book of Revelation in a symbol, it appears mysterious and you do not know where to place it. You say, "Well, I wonder when those kings are going to deceive the people and go into Armageddon?" That is why the Prophet standing here could say, "It's going on now" because here they were prophesying lies. Here those three unclean spirits, out of their mouths – the trinity doctrine is coming against the Truth – religion, demon and politics because in the last Age he was the Beast. The Eagle was flying now to face the challenge against that pale horse that was standing there. You see!

So he was watching there and prophesying. Then here we were; we were under that Seal. When he

thought he was alone and that all men forsook him, God said, “No, no, no! I have a few of them remaining back there; I will show you them. They will come from around the world, marching *Onward Christian Soldiers*. Hallelujah! They would not dance to any Rock and Roll. They will not be naked. They would be coming dressed in their national dress from around the world, marching *Onward Christian Soldiers!*” Hallelujah! They will be singing, “I am going up in the First Resurrection!” Hallelujah!

They will be God’s eagles. Hallelujah! Where the carcass is, there will God’s eagles be gathered together! He will get them out of the barnyard in time. No rooster will carry them down to the market to be slain and become eagle’s meat. No sir! The screech will come across – they will hear it and fly to the barnyard post. Then He will come back around the second time, with a revelation of the unveiling of the Masterpiece, to show the Bride is here! The final call, the final ride! Amen! Something is happening! Amen.

So notice when he came out there now, after he came out there and God began to reveal those things... Then last night and the night before I was going back there because we do not want to hit the chronological part of it. Because I think it is the grace of God giving those two messages there because when you get there, just to take the Scriptures like that, then we will end up reading for the whole night. And I have a lot of Scriptures here to read tonight too, just to show because it is the revealing of something. You see God is just giving it.

Now watch! So last night there we were proving from the Scriptures back in the types and in those things back there, in the days of Elijah when Ahab – which represented the State and Jezebel – the church, was in a union. See! And then she was the one who was really behind the whole thing. He was only a figurehead. And we found out their union was for political reasons and

we found out in that time Elijah had a prophecy because God saw what Jezebel was up to. And God knew she was drunk and filled with the blood of His prophets and saints and He wasn't going to tolerate it anymore. And we picked up that Scripture there in 2nd Kings 9, where He said, "I will avenge My prophets and them for the blood that she shed." And we found that is a symbol of the Catholic Church filled with the blood of the saints and martyrs of Jesus Christ.

So over there now when we were picking up that, then we were separating now, that Jezebel was the one who died last. Ahab's judgment came but not while Elijah was there because Ahab kind of humbled himself a little bit. After Elijah came and spoke to him he kind of humbled himself. He knew that was the Word of the Lord and he was in the wrong; but not for long. And just like many of those churches in America, oh they had it from coast to coast. It was all over the country for a little while and it seemed like God could have done something but then the whole thing swung into Babylon. You see! So watch something.

So here it was, when the time came after Elijah went off the scene, then we find that God was going to bring to pass the prophecy of Elijah upon Ahab a type of America also. Because we just picked up the symbol to make it present tense to see how that happened. And then we find out there what happened was that Ahab went out there and got deceived by the false prophets to go into the battle. And it's out of America; the Pentecostal revival, is when the shuck spirit in Matthew 24:24, comes up with all those false prophets in the last days, to deceive all those whose names are not in the Lamb's Book of Life. Because those whose names are in the Lamb's Book of Life will hear the true Prophet. Amen! But those whose names are not in the Lamb's Book of Life, they will hear the false prophets and get deceived.

That is where it is a really big test here. Because while people are being seduced left and right; all around they are being seduced, then you now as a part of the Bride of Jesus Christ, you have to walk so circumspectly, worthy of the vocation unto which you are called. You have to walk so sincerely. You have to be watching everything so alert; so watchful, so vigilant because you know the devils are loosed to come against you. See! And then as the Prophet said, "If in infancy back in the Garden of Eden in seed form Satan's power of deception was so powerful, what about in the days of maturity after six thousand years?" So then, you have to face the fullness of it and it's going to come through preaching, through false anointed ones; false teachers of the true Message.

It is not playing around time. I wonder how people could sit down there and get confused and tied up. It just shows that they do not read, pray and study and they love sin. See! Anything that exalts itself above the Word of God and is being worshiped, it's the devil. And man's knowledge – read *The God Of This Evil Age* [1965-0801m -Ed.] – it's being exalted above the Word of God and the Word of God came to a Prophet, "THUS SAITH THE LORD." And we are not supposed to be getting any private and collective revelations because every true revelation will fit back into the revelation and bring this revelation to light. Amen!

So watch! So here, we see then last night. I hope you got how we were separating and proving to you that the destruction of the Catholic Church was after the ministry of Moses and Elijah. And we went to Romans 11 and we were showing that Romans 11 where Paul is teaching in the last days the hundred and forty-four thousand were shown in a type in the time of Elijah back there in the Book of Kings. Although that speaks of the Gentiles in the spiritual form, it is also speaking about the hundred and forty-four thousand.

And we took that in Romans 11 last night and I was using that Scripture there, in case you did not get it, you will get it now. I was using that Scripture there to show you during that time in the type, Elijah shut up the heavens for three and a half years. He burnt up some of their military troops. He slayed their false prophets. He called for a showdown. He was vindicated with signs and wonders. You see? And then Ahab said, "Are you the one who is troubling the land?" Because there were plagues all over: famine and mourning and death. God was raining upon the place in the days of his prophecy. And Jezebel all during that time was doing what? Trying to kill him!

And we find after Elijah went off the scene, Jezebel was still alive so I was showing you that the Catholic Church doesn't get destroyed in the last half of Daniel's seventieth week. No sir! See? And we were picking up the type back and forth and showing you how Bro. Branham also went to the same type and I told you it was two prophets – one was Paul and one was Bro. Branham, the first and the last who had the full Word there, were teaching those things and we went to *The Sixth Seal* [1963-0323 –Ed.] page 42, with the Prophet showing that it was also a type of the Elijah to come to the Jews. See!

1st Kings, when those seven thousand did not bow down their knees, that was the type of the hundred and forty-four thousand, who will not be caught up in that system when the Jews and Rome comes together in that union. It will be another marriage again with Jezebel because they will make a covenant, the Bible said. Rome and the Jews will make a covenant for money; political reasons. So here will be the Gentile again – a pagan coming in but not through the spiritual channels that God ordained for Gentile admission into Israel. But they will be coming for political reasons for the security of Israel because Israel has some people in the government who will not be influenced by the Bible! So

they will think according to modern thinking and Satan's superman will deceive them.

And we find out that Moses and Elijah are going to plague the land in bringing the hundred and forty-four thousand out because all the plagues will only succeed in bringing one hundred and forty-four thousand out. Because during that time the Beast kills the hundred and forty-four thousand, he kills the foolish virgins and he kills Moses and Elijah too. So they beat their chests and say, "Who can make war with me?" Because he calls down fire from Heaven too. Is that correct? Then the Bible said, "Who can make war with the Beast?" Michael Himself, comes to judge and make war with the army riding out of Heaven. *He* can make war with the Beast. The Beast will get more war than he can take. Hallelujah! Amen!

But who is He coming back with? His Bride! Seven Angels—Michael, the Bright and Morning Star with the seven stars in His right hand. All right? It is stars' wars all over because Lucifer was son of the morning and he pulled down one-third of the stars but Michael had two-thirds of the stars and there was a big war in Heaven. It was stars' wars. That is where they got it from; they just perverted it. You see!

But here when he comes in that ride now, what is actually happening? To find what is happening there and where it fits in, to correctly divide it, we went back to the type where they are being fed to the fowls of the air and we found the prophecy that Jezebel was fed to the dogs and the beasts of the field and the fowls of the air. It was the same way with Ahab. And God said, "I will do the same thing that I did with Jeroboam and the same thing that I did to Baasha. And I don't know in reading your Bible (as I told you to read it,) you checked back there and you looked up your reference and found Baasha and the next one. Amen!

Let's turn in our Bibles and get some Scriptures now. I'm just feeling good tonight. I feel like God is on the

scene. 1st Kings 21! We'll begin to study quickly now. Okay quickly so some who didn't get it last night and who were not here, they could pick it back up quickly as we run through this here now. So here it is 1st Kings 21, verse 17.

17 And the word of the LORD came to Elijah the Tishbite, saying,

18 Arise, go down to meet Ahab king of Israel, which is in Samaria:

Now the United States of America is a type of Israel also. Is that correct? Ahab was – just like how they drove out the natives off the land and they had a George Washington and an Abraham Lincoln and all these people there and then they had an Ahab on the throne, which is John F. Kennedy back there. Then the Catholic Church began to rise and Jezebel came in – a type to Israel. That is the spiritual form. Then it is going to happen also in the last three and a half years in Israel again. So he said,

18 Arise, go down to meet Ahab king of Israel, which is in Samaria: behold he is in the vineyard of Naboth, whither he is gone down to possess it.

And we know what happened there; how he wanted it and he coveted it and then Jezebel made a plot to get it for him and then God knew all about what that harlot was thinking in her heart; all what she was up to and He was going to send judgment in a prophecy.

19 And thou shalt speak unto him, saying, Thus saith the LORD, Hast thou killed, and also taken possession? And thou shalt speak unto him, saying, Thus saith the LORD, In the place where dogs licked the blood of Naboth shall dogs lick thy blood, even thine.

That is judgment on Ahab.

20 And Ahab said to Elijah, Hast thou found me, O mine enemy? And he

answered, I have found thee: because thou hast sold thyself to work evil in the sight of the LORD.

²¹ Behold, I will bring evil upon thee, and will take away thy posterity, and will cut off from Ahab [every male] and him that is shut up and left in Israel,

²² And will make thine house like the house of Jeroboam the son of Nebat, and like the house of Baasha the son of Ahijah, for the provocation wherewith thou hast provoked me to anger, and made Israel to sin.

²³ And of Jezebel also spake the LORD, saying, The dogs shall eat Jezebel by the wall of Jezreel.

²⁴ Him that dieth of Ahab in the city the dogs shall eat; and him that dieth in the field shall the fowls of the air eat.

That is the supper of the great God – when that system is being fed on God’s supper table. Alright? Now let us turn to 1st Kings 14. While Elijah was prophesying to him, Elijah was referring back to judgment upon two people. May God help me! Let’s read from verse 1 and see if we can get it quickly.

¹ At that time Abijah the son of Jeroboam fell sick.

² And Jeroboam said to his wife, Arise, I pray thee, and disguise thyself, that thou be not known to be the wife of Jeroboam; and get thee to Shiloh: behold, there is Ahijah the prophet, which told me that I should be king over this people.

That is how Jeroboam became king. There was a prophet in the land who told him.

³ And take with thee ten loaves, and [cakes] and a cruse of honey, and go to him:

he shall tell thee what shall become of the child.

⁴ And Jeroboam's wife did so, and arose, and went to Shiloh, and came to the house of Ahijah. But Ahijah could not see; for his eyes were [dim] by reason of his age.

⁵ And the LORD said to Ahijah, Behold, the wife of Jeroboam cometh to ask a thing of thee for her son; for he is sick: thus and thus shalt thou say unto her: for it shall be, when she cometh in, that she shall [pretend] to be another woman.

Do you see how God could show you things beforehand? When people think they're coming to create an impression and to deceive you and trying to pretend something, God has already shown you they're coming and He has already shown what they are up to. Though she's disguised and everything It says,

⁶ And it was so, when Ahijah heard the sound of her feet, as she came in at the door, that he said, Come in, thou wife of Jeroboam; why [pretendest] thou to be another? for I am sent to thee with heavy tidings.

⁷ Go, tell Jeroboam, Thus saith the LORD God of Israel, Forasmuch as I exalted thee from among the people, and made thee prince over my people Israel,

⁸ And [tore] the kingdom away from the house of David, and gave it thee: and yet thou hast not been as my servant David, who kept my commandments, and who followed me with all his heart, to do that only which was right in mine eyes;

May you have that kind of heart!

⁹ But hast done evil above all that were before thee: for thou hast gone and made thee other gods, and molten images,

Do you see why judgment was coming now?

...to provoke me to anger, and hast cast me behind thy back:

¹⁰ Therefore, behold, I will bring evil upon the house of Jeroboam, and will cut off from Jeroboam [every male] and him that is shut up and left in Israel, and will take away the remnant of the house of Jeroboam, as a man taketh away [refuse,] till it be all gone.

¹¹ Him that dieth of Jeroboam in the city shall the dogs eat; and him that dieth in the field shall the fowls of the air eat: for the LORD hath spoken it.

Now hear what we're getting at. You noticed for the past couple of nights we've been dealing with the subject of the demon spirits that invaded and devoured those who rejected the Blood of Jesus Christ. I told you that there is a spiritual form going on and what we are trying to do in these messages is to catch the spiritual part of the happenings in the spiritual realm, before we move on further in the opening of the Vials itself. Because the real pouring out is way down the road; not way down the road but just down the road. But here the thing is going on in the spiritual form already because there are plagues here already; darkness and spiritual death, all these things are here already, once you're not under the Token. Insanity is here already.

Now watch! What we are speaking of are those demon spirits that comes upon the thing that is dead when the life leaves it. When the life leaves, fallen angels get into it. The day they took men for their leader, that is the day they died. The day they failed to move on with God when God is moving on, that day they died. The day they worshipped anything that's exalted above the Word of God, that day they died. Now what are we doing? We're uncovering from the realm of the Message, the Prophet had identified these things in the Book of Revelation way back there and we're showing you the

results of many things and it's because they have been overtaken.

Many people, they say, "Well maybe a person is going through a trial." As I told you, people always have this kind of denominational fiction in their minds where everything for them is 'a Job' and no thunder is rolling, no lightning is flashing; there is no inspiration to get off their ash heap and prophesy but everything they're going through is 'Job'. There is no restoration seven times afterwards. So how could you take Job and apply it? But it's denominational theology that once you are going through a trial it is 'Job'. But that was speaking of a certain season in Job's life. All those things were types for showing certain things in the life of Christ.

Now watch something here. So we find out then that today people think well they don't have the right diagnosis and they wonder, "Why is the supernatural not working?" The Bible said, "If a man and his wife are not going good, their prayers will be hindered." Alright? Then why are many people's prayers being hindered? I am not talking about husband and wife in the natural but I am talking about the Church and Christ now because that is only a great mystery concerning Christ and the Church. Why is there no supernatural? Why isn't there seven truckloads of wheelchairs as they had back there? I mean we do not want seven truckloads today but why we cannot even get one wheelchair although you are praying fifty times lengthier than the prayer that was prayed there. Because the harmony that existed between the Prophet and God were like the Father and the Son and God had preeminence. And that same harmony is to exist between the Bride and the Groom.

So the people wonder, so they called for prayer meetings, they called for this but the people are not walking with the Word. People are flirting around. People are listening to enticing spirits. People are being seduced for pleasure. They love pleasure more than

God, Who is the Word! People are rebellious towards the Word. They do not want to be in subjection to their Head Who has rule over them. But yet they talk about invisible union, yet they have the wedding band; yet they have the Marriage Certificate; yet they see their name in the Bible. Amen! Peter said, "Their prayers are being hindered."

Where was I? Amen. Okay, 1st Kings 16 quickly. So you see what happened? Jeroboam and they began to go away from the Word and the same prophet who had him there, brought judgment. 1st Kings 16, look what happened to Baasha now. That was Jeroboam the son of Nebat, now it's Baasha. God in Elijah told Ahab what happened to Baasha and this one and what will happen there. Now when did Ahab die? At evening time! When will America be destroyed? At Evening time! Alright! The fowls of the air – spiritual death has already hit that land. It has passed redemption. Did he say it? In 1965 he said it has gone beyond redemption. The next thing is the bomb to bring the physical destruction but spiritually it is gone. It will never rise anymore because the greatest Light that ever shone came to a Prophet. The greatest vindication was right in that land. The Message was hooked up from Canada to Mexico, from New York to California; right around the entire nation and yet they rejected it – Ahab. Jezebel's own came later on.

¹ Then the word of the LORD came to Jehu the son of Hanani against Baasha, saying,

² Forasmuch as I exalted thee out of the dust, and made thee prince over my people Israel; and thou hast walked in the way of Jeroboam, and hast made my people Israel to sin, to provoke me to anger with their sins;

³ Behold, I take away the posterity of Baasha, and the posterity of his house; and will make thy house like the house of Jeroboam the son of Nebat.

⁴ Him that dieth of Baasha in the city shall the dogs eat; and him that dieth of his in his fields shall the fowls of the air eat.

Now what I am trying to show you is, (we will pick it up at the end of the message) in Deuteronomy that was a Law of God in the beginning. If you go against God's Word, He will feed you to the fowls of the air and the beasts of the field. And in Revelation when it ends up, God still remembers His Word. God stoned them back there for adultery in the beginning. God ended up raining hailstones on them and killed them also. Do you see what is happening?

Brother, you see but let me show you something! In the spiritual form of it when it is happening, those demon powers – and we will find just now too, how Abraham's seed in the evening time when the sun is going down and the darkness comes and it goes into the deep sleep showing death and then hell followed death, just as in the Fourth Seal. And a smoking furnace which was the judgment that was coming, amen; how he is waiting for the confirmation of the covenant. He was waiting for the Light to come and pass through the pieces. And while he was waiting for the confirmation of it, he was busy fighting those devils off. Shooing them off, [chase away –Ed.] shooing them off, shooing them off, when the sun was going down.

But I want to pick it up here through the Scriptures and show you something. Those fowls that are eating them there at the end of the Bible is not just a scene that happened there like that. This is God's judgment all throughout the Bible for leaving the Word, for rejecting the Blood and that makes a way for the devil to come in and then demon spirits, fallen angels, to take them over. Then you can diagnose the symptoms correctly now. Then find out, is it a trial somebody is going through or has death struck? Ministers are fumbling for a message in the pulpit and all kinds of...

I had a dream recently. You know I don't look for dreams. Dreams is like what happened in Barbados there – you see, there isn't any prophet in the land; God showed it that way so it is interpreted the same way. "Rise, take the child, go into Egypt, flee" and these types of things – when God speaks directly. Okay! Now, this one is not so much but hear what I am saying because I am not saying this as fulfillment of anything but I am just telling you something here, a little experience that happened.

This dream I had a couple of nights ago. I was telling the brothers before we went to Antigua and that is when it dawned upon me. I wasn't even thinking about it at all. I said, I wasn't going to tell anybody about it because I didn't know what it meant and I myself forgot it and it seemed like confusion in my mind so I say maybe it's because of the multitude of thoughts, you see.

There was this great big kind of alien spacecraft and all of a sudden, it turned into a ball of fire. It was like an invasion and I was running trying to pick up my little boys David and Timothy. I remembered them in the dream and was trying to pick them up and run to safety because there was this great invasion. And all of a sudden the whole place was conquered and you know like when people have a coup, the next thing you hear over the radio, "This nation is now under a new government. So and so has been deposed from their authority and so and so is in command now and the air force has been taken and the navy is in command." And you hear this kind of thing and now the people are alarmed.

So something like that was going on and I happened to be able to slip out of it. I was trying to make my way out and when I was going there, I didn't know a counter-attack was already on the move. I was here among some strange people. I didn't know who they were and they didn't know who I was and they thought I was one of

the enemies, so right there I realized they were thinking that. So I said, "I am not with these fellows here you know."

So it came to a place where there was this big counter. I am telling you that for a purpose, you see. There was like a big counter there and then at the counter there were all the officials who were in charge of this takeover. And while we're standing there by the counter talking, these men who were like spies, these new people in the counter-attack, they just stood up there looking so calm and then all of a sudden one had a knife or something by the throat of one of the men there. And before you know what happened, you see behind those men came in these other men. Behind the position where they were in authority, came in those positions and so smoothly the thing was taken over.

Well I forgot that. I said it must have been some old something I saw in the cinema in the subconscious mind, like those war pictures and Satan must have been trying to find it and bring it back out to torment me in my mind. So we were just talking you know, just like that normal, a couple of the brothers and myself by the airport and we were talking about this last Hour and what is happening. And I just happened to tell them like this, I said, "Have you noticed in recent times how the ministers in the Message, it's like it is just an invasion of demon power. And you know it is just like this one got struck, 'bam' and that threw that church in darkness. Bam! This one got taken over, this one got taken over – who did not get wild and radical; who just backslide; who's church went into confusion; who went off into politics; who went off here." And I say, "What is happening?" I was looking at the last couple of years and the amount of people that got caught up in all kinds of confusion, following all kinds of different spirits – just taken over and like the people are under delusion and do not even know what is going on. Like it is an invasion

against ministers in the Message and Satan has taken control of their pulpits, you know. You see?

And when I was saying that, I stopped in the middle of what I was saying. And I began to think, I say, "I wonder if that is what was happening there?" Well it was something like a natural battle and invasion but it was like a spiritual thing that was happening because I was not thinking about it. I was just speaking, you know and this what I am trying to show in the Word here. "Fallen angels gets into it," the Prophet says. And they begin to be seduced from where? From the pulpit and they are being held in food-less pastures and they become a powerless bunch of people whose only weapon is argument. Do you see what we are talking about?

So did I read about Baasha already? Oh yes! Okay! Notice that. That was God's way of judgment and when they rejected the Word, fowls of the air and the beasts of the field was to move in and take over. And we found out in the Book of Revelation it is the very thing that was happening in every Church Age. Until it comes down to a physical destruction in the battle of Armageddon where their flesh and all will be destroyed; their bodies and all will be destroyed too. But the church body spiritual: the spiritual form, the church body, the body of people spiritually that rejects the Message, made a way for Satan to become incarnated in them. Amen!

Let pick up 2nd Kings quickly, just to pick up Jezebel's part, for some of them who were not here. We have a little time still. 2nd Kings 9 and in 2nd Kings 9, you noticed last night we read out the whole Scripture, so I will just take the verses where the judgment was. We read what was happening there. Elisha – these were the days after Elijah's ministry had finished, Elisha now told one of the prophets there, "Go and take a flask of oil and go and anoint Jehu that he may avenge." Verse 7!

7 And thou shalt smite the house of Ahab thy master, that I may avenge the blood of my servants the prophets, and the blood of all the servants of the LORD, at the hand of Jezebel.

And that was the shadow there of the Catholic Church system there, that is drunk with the blood the martyrs and the saints of Jesus and the prophets and all that are slain on the earth, which we will pick up later on. And I'll show you how she got double judgment and then you will understand the Vials and the plagues back there – double judgment; double rewards. And verse 10 says,

10 And the dogs shall eat Jezebel in the portion of Jezreel, and there shall be none to bury her.

And we find out also the portion of Jezreel that very place there, (last night I was picking it up there for you) that Megiddo where the battle is being fought, the battle of Armageddon is located on the north side of the plains of Jezreel. And it was in Jezreel that Elijah's prophecy of the destruction of Jezebel being eaten by the beasts of the field and the fowls of the air was actually fulfilled. So look how God is so direct and we were picking it up there last night that in the shadow how her destruction will come, how she will come to the end, how the dogs will eat her and then the time it will happen. It will be after the days of Elijah's prophecy, not during the Tribulation period. After that time she got destroyed because the battle of Armageddon is after the Tribulation; because we found out that Rome killed the hundred and forty-four thousand, killed the foolish virgins and then killed Moses and Elijah. And then they sent gifts around making merry that they were victorious over them. You see? And then we find out also the place which is the portion of Jezreel.

So all those things right there, God was showing right back in the shadow so over in Revelation when He is

giving the symbol of the prophecy, here was the spiritual Jezebel now, the system itself. Here was in the days after the prophecy of Elijah went forth, who Elijah directed the prophecy to America – Ahab, Jezebel. See! And when spiritually the next Elijah came, he is directed to Israel and Jezebel too. When Moses and Elijah comes they will go right back to the Bible. That is the very Old Testament that shows you two ‘olive trees’ in Zechariah that stands there, are the same two witnesses that are the two ‘olive trees’ in Revelation 11. So it is in the Old Testament and the New Testament, you see! Verse 36, and this is where it came to pass; Jehu, after he had told them, “Go, see now and bury this cursed woman.” And verse 36!

³⁶ Wherefore they came again, and told him. And he said, This is the word of the LORD, which he spake by his servant Elijah the Tishbite, saying, In the portion of Jezreel shall dogs eat the flesh of Jezebel:

³⁷ And the carcase of Jezebel shall be as [refuse] dung upon the face of the field in the portion of Jezreel; so that they shall not say, This is Jezebel.

Amen. Okay, one moment here. I want to make sure that I hit the right places because right now, like what is actually happening, we are taking the second supper first before we get the first supper. Amen! Where is my book? [Bro. Vin is searching –Ed.] I thought I had that book with me. My, the devil wants to hide the book right in the Bible.

This is *The Fourth Seal* [1963-0321 –Ed.] page 14 and 15, let me read it quickly so you would understand what I am saying. Now what we are catching here is the spiritual part of it but we are just showing it is going to have a natural part of it too. But I am trying to show that whenever they leave the Word, God’s judgment is always to feed them to the fowls of the air and the beasts of the fields. It is always God’s judgment. And those

people that have rejected the Word in this Hour they are also being fed upon right now. And that is why churches are becoming in that desolate condition and there is famine hitting them, hunger hitting them, starvation, death; all kinds of wild spirits are coming upon them. They are being given over to demon power because they rejected the Blood of Jesus Christ.

Now remember the last plague before the Exodus is spiritual death. And that is what? Separation from the Presence of Almighty God! That is why the revelations can't come to them. That is why there cannot be any revival to them. That is why it is just confusion to them. That is why they have to be controlled by political spirits that has bound them and organized them and manhandled them and put fear in them to control them; police them because they are out of the Presence of God. But how is it being done? We will find out just now. It is being done by people handling the Word of God deceitfully. Roman 1:18 said, *"And the wrath of God is being revealed from Heaven."* To whom? *"Those who hold the Truth in unrighteousness."* The wrath of God; the supreme Judge, the Cloud being turned, showing that judgment is about to be poured out on the earth from Heaven. Eyes like a flame of Fire, a sharp Sword came out of His mouth! Do you see what is happening?

I wonder if this is ushering in the preaching to the lost and all these things! I wonder if all these things being revealed here, is to usher in these things! After the mark is unveiled, it comes to usher in these things to show it is finished. Hear what I'm saying, *"Ushering in."* As I told you, this church is going through an experience here. It is not nicely, nicely to walk in, sit down and walk back out, stroll in and stroll back out. It is later than you think. When you see the Holy Spirit could come like this where we can sit in meetings like this and the same books we read and the same Bible we read and the Holy Spirit can just come and shine light and open it up and make it so plain for us to see and to

walk in, it should be a scary time, especially the things that God is opening up. Do you see which part He opened up first? The part to pull you out and save you; shows you who you are in the Word; shows you what is happening after the Prophet among the Bride; shows you the Leadership of Eternal Life. Do you see the part that is coming on now? You work it out and see what answer you get in your mind. You've sat down here for years long enough.

Page 44, *The Fourth Seal.*" Now quickly here! I want to chop off some of these things because – not 44 I want – it is 48. Because I cannot take all that time! You read it when you go home on *The Fourth Seal*. [The Revelation Of The Seven Seals - The Fourth Seal, para. 325-328 –Ed.]

He said, *Now, here in closing, to those who don't believe the last messenger to the [last] church age is Elijah.*

Here is the Prophet bringing it out in the Seals. He is trying to show them that when those three horses gather together, religion, politics and demon powers in the pale horse, Elijah will be in the land. When Jezebel is controlling church and State again, Elijah will be in the land. When Ahab and Jezebel comes in a union for political reasons, Elijah will be in the land. Whether it is Jews or Gentiles, Elijah will be in the land. Amen. Whether it is Jews or Gentiles, Elijah will be in the land! So watch!

After death of this last church age... (Death hits them first you know, spiritual death.) Now, you notice what happens. After death, their dead bodies are destroyed by wild beasts. You know that. That's true. Like theirs had the type of Jezebel.

Are you receiving these things? The more we go into these things the more I am seeing. We look at things and people swing a Bible, (it is easy to do it,) walk in a building and walk back out thinking that is being in the Message. They sit down there being influenced by demon powers. The devil came in subtly and ate off

their leaves, ate off their fruits, ate off their bark and throw them back out in the world. The devil brought in all kinds of entertainment spirits behind the pulpit to entertain the people with jokes and gave them sensations and different things and make it a concert-type atmosphere; make it a big play. See! All kinds of political spirits infiltrated the Message. Demons from the Euphrates River got upon people. And people never knew about infiltration but the Prophet said, "Satan will bring them in." *Christ Is The Mystery Of God Revealed*, [1963-0728 -Ed.] have them to sit down and fellowship in the quietness of the spirit and then shoot them after with poison acids and sweep it through the church. Did he say it?

And that is what happened in the Message. A lot of people were around the Prophet like Gehazi; like all the people back there. They sat around the Prophet, that great anointing and Bro. Branham had the Spirit of Elijah, Moses and Christ upon him. Like Moses he came there and called an exodus. Like Christ the Son of Man being revealed to the Bride. Like Elijah rebuking Jezebel, restoring the Word, you will find that in *The Revelation Of Jesus Christ* [1960-1204m -Ed.] where he said the woman prophesied the Spirit of Elijah, Moses and Christ, those three anointing will be upon him all wrapped in that ministry in the last days.

And here he was and to all those men who were around there, no doubt Gehazi became trusted to the prophet. And the prophet there—Gehazi saw maybe when he threw the handful of meal that day among all those ministers when they were all confused and he threw the handful of meal and healed the pot when it had death in it. And when Naaman the big general came down, he showed him to go and dip seven times in the Jordan. And when the Shunammite's son was raised from the dead, Gehazi saw it because he even had the staff while he was going down the first time. Amen!

And while Elijah will sit down there under the oak tree when the sun was setting and the cool wind was blowing and began to testify and reveal to him all the secret revelations that were coming to him in visions and the will of God and what was going to happen in Syria and what is going to happen there and all these different things, no doubt with that anointing, Gehazi probably used to walk around like if he is in something. Maybe when he goes out there and maybe when he began to testify to people and talk about the prophet and he was near to the prophet and he was next to the prophet and he was right there when the prophet raised the dead Shunammite boy and he himself was going down with the staff and if he only got a chance and no doubt. See? Notice, all those people back there were around the prophets.

Then that same Gehazi, that soul never got in the Presence. He always had a lust for money and popularity and all kinds of things down inside of that soul. A lot of men went out there with that anointing from around the Prophet and tried to make themselves teachers; tried to be somebody; tried to talk all the experiences that they saw and all that they know and these things and then you watch some of their lives – they are so rotten! You watch some of them, they are so far off the Word. You watch some of them, they are so stagnated and dead. You see! Not everybody but many are like that. See! Then the people who are so gullible, who thought that those kinds of testimonies was the testimony of Jesus; who thought that was the real eyewitnesses of what is taking place in this Hour. See! Recognize what has happened and what is happening. So watch!

After death of this last church age... Now, you notice what happens. After death, their dead bodies are destroyed by wild beasts. You know that. Like theirs had the type of Jezebel. Now, turn to Revelations 2:18 and 20.

And he is telling them – not you here. We took that last night. That's Jezebel's children. He will kill them with death.

I believe we had this just a few minutes ago. I believe that. Yes, the time of moral decay. Now, Jezebel is the churches, this modern church, not Bride now. (This modern church. Here is the Prophet revealing it.) Jezebel in the Old Testament is a type of the church today, according to the Word of God of Revelations 2:18-20. (Because He) says, Thou sufferest that woman, Jezebel [to teach.]

In the New Testament God picked up the Jezebel of the Old Testament and identified it with the Catholic Church; Thyatira Age. The Age before that was Pergamos where church and State got married like Ahab and Jezebel again, when religion and politics came together. Is that correct?

Okay! I don't want to spend much time so I'm just throwing that out for you. See? So now notice, in the time of Ahab and Jezebel, Elijah was in the land. So when all these powers; red horse, black horse, white horse came together, watch Elijah in the land again. He is going to prophesy. Seven thousand will be called out. He will challenge the prophets. He will put a curse on Ahab and he will put one on Jezebel. He will go off the scene. Amen!

But in the days after—take it back in the Jewish form now in Romans 11, paralleling the same thing in 1st Kings, for the last half of the seventieth week when Elijah comes, here is Ahab and Jezebel again – Israel and Rome in a covenant again. He shut the heavens for three and a half years; burnt up their troops. He called down fire upon them. Fire proceeds out of their mouths. He killed those who tried to come against them. Moses turned their water to blood, plagued them but it only succeeded in bringing one hundred and forty-four thousand out. Then the Beast turned around and kills Moses and Elijah, kills the foolish virgins; kills

them and keeps moving on, going down to Armageddon. "Who is able to make war with me?" But here comes One out of Heaven. He's talking about on the earth but One came out of Heaven ready for war; to judge and to make war.

And that will be the physical part but the spiritual part is the feeding of the fowls of the air because the life has already left. How do you know? They are already been taken over and they never came to the revelation of the Bride and the Bride Age to reveal Revelation 10:8-11 and show what happened from 1965 to 1984. They never came in there, to show they went on with Eternal Life but stayed serving a historical God up to 1965. And the fowls of the air, those spirits moved on and they had no strength to shoo them away. They were saying, "Shoo" but they were whistling in the dark because they were fighting one another. Because a spirit of insanity fell among them and they pulled their swords on one another. They were building walls to fence in the people after God set them free in the Jubilee after the fiftieth day; Revelation 10, out of Heaven. After Seven Sabbaths of Church Ages, Seven Thunders sounded the Jubilee to bring them out to go back to their inheritance.

They want to come back and be controlled by man. They want to come back and sit down under Nicolaitanes. They want to come back and be seduced in the Message. They do not want to move on with the Leadership of Eternal Life because they have been sprayed with Satan's poisons; an intellectual spray and become rotten seeds that rotted in the path of duty; in the line to the promise. But the real Bride is being sprayed up with the repellent of predestination, hallelujah; to shake the bugs off; (hallelujah!) to shake the locust off, to shake the palmerworm, the cankerworm and the caterpillar off. Hallelujah!

So, *Jezebel is the type of the modern churches today 'cause Catholic and Protestants are joined together now.*

It's the Fourth Seal we are on here. The Prophet is revealing the Fourth Seal now. This Age is going to go right down in the lake of fire.

Now notice killed by a command of God Jezebel was killed because God had Jehu to go down there and have her throwed out of the window and kill Jezebel, and the dogs eat her flesh. (Is that right?) literal Jezebel. Ahab, (he is telling you now, the literal Jezebel.) [...her head, the king:] dogs licked his blood as the first Elijah predicted. (In type. First Elijah, first Jezebel, first Ahab back there.) See where we're going, don't you? (The Prophet said and) See where we're going? (He was taking the types and showing where we are going.)

Why? The first Elijah was a rejected man by the churches.

Is that correct? He was under the juniper tree and he said, "Oh God, I am the only one remaining."

God said, "No there are seven thousands believing what you're saying." Hallelujah!

And Jezebel and Ahab was the head of them churches: church and state, all together. And Elijah revealed Ahab's sins to him and commanded the whole church to turn back to the true Word. If that isn't exactly what the second Elijah is supposed to do when he comes to this church in this day: restore back the original faith. I don't see how you're going to squeeze away from it. Turn back to the true Word. That's right.

He is taking Revelation but to reveal Revelation, he is taking them back there. He is taking Revelation 19, where the dogs and the beasts and the fowls eat their flesh because they rejected what Elijah said. That is why they got deceived when the lying spirits came out of hell in the false prophet's mouth to deceive them and carry them in the battle. All those people that goes into battle and all those nations that goes into battle, are these same nations the Prophet preached to, you know. It's these same nations the Message went around the

world to seven times, you know. It's this same generation, you know. Do you see where we are? Amen!

Now, if you want to see their bodies, (hear it now,) let's turn over to Revelation 19 (we had that) after the Word slays them. Now, the Word's going to kill them. You know that. All right now, you just watch and see what happens when Christ coming in Revelation 19, beginning with the 17th verse. I saw [another] angel in the sun;... Now that right. Look above here. "And his vesture was dipped with blood, he's called King of kings and Lord of lords."

Do you see Who that Angel is? He said, "Look above you. Look up in the 11th verse first; take the 17th verse and carry it back to the 11th verse, it is Christ. Amen.

("In the 13th verse He's called the Word.") In the 11th verse, He is called 'King'. In the 13th verse He is the Word. Down here He is the Angel with the sun. It's Christ always.

...out of his mouth goeth a sharp sword, that with it he should smite the nations:... (Out of his mouth that is out of God's mouth to Moses' mouth.)

It drops down to spoken Word. Amen!

...and he shall rule them with a rod of iron: and he tread the winepress of the fierceness of the wrath of Almighty God.

And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.

And I saw an angel (Now watch, He comes forth smiting. Who's he smiting? Jezebel and Ahab, false prophet.)

Revelation 19, who is he smiting? Jezebel and them back there. When? At the battle of Armageddon. So it shows the Catholic Church in the type there and in the symbol here, typing the Old Testament in the Book of Kings and in symbol of prophecy in the Book of Revelation, all shows the destruction of the Catholic Church afterwards; not during the time of Moses and

Elijah. And that is why we are showing in those Seven Vials, it does not pertain to them back there; it is over here. That is what we were bringing out here for you. But last night we were setting that out and dividing that out from the types and proving to you that, that is so. I hope you're getting that, otherwise take the tape and go back home and study it slowly. Sometimes I go too fast for you to hear, you see. But I have to go fast because it's so much and if I don't take it... Look I have not even started with the first Supper yet.

So watch! He feeds them to the beasts and the birds. Now watch over here in the other chapter of the Book of Revelation and this is why I never caught it until just recently. Bro. Branham was preaching and he could not remember the verse but he is preaching about Revelation 6. You see? And he couldn't remember the verse, so while he was in Revelation 19, he was showing how the beasts and the fowls were eating it. This is page 49 and he said,

Now, watch over here in the other chapter here of the Book of Revelations. (Just a minute.)

And like he paused there to catch the verse and he couldn't catch it. And he just quoted it now or either he turned to it but he didn't call the verse. He said,

Kill with the sword and death and beasts of the earth.

And I always read it over but never turned back to the verse. But when I turned back to the verse which is Revelation 6, he was taking Revelation 6 where God was killing them with death: the sword, famine and the beasts of the earth and he was tying it there because those three powers are what got destroyed in the battle of Armageddon. That is the Catholic Church, organized; everything there – religion, politics and demon powers are all gathered together going down to Armageddon. And they are already being gathered now; the thing is about sewed up. The Squeeze is already being ushered in because the World Council had their greatest meeting

last July. Now the pope had gone there where the body was identified; which is the head to the body.

And when we were speaking on the Trumpets, I kept on referring to that and even before, showing you that the Bride is moving parallel. Now I am showing you here again, look where we are at now. Look what we are into now, which is so plain and so real and so clear in the Scriptures, that a person will have to be not sincere or don't know the Word to say that these things are not the truth. See! So watch here!

Kill with the sword and death and the beasts of the earth.

Under the Fourth Seal it happened there, spiritually and in Revelation 19, it happens literally. Are you getting that? Under the Fourth Seal in the sixth to the eighth there, is where spiritual death struck when the Prophet went out with the Message. When they rejected the Message, spiritual death hit the churches; all the organization – Laodicea was dead.

Blackout came when God threw the rock up in the air. America was passed redemption; all nations were passed redemption. God began to deal with individuals just like a thief in the night, “The one shall be taken, the other shall remain; the one shall be taken, the other shall remain.” Taken up in the mystery of the Seventh Seal; the Rapture is a revelation only to the Bride – the Father's spiritual genes.

This is the part that is happening now while the wrath of God is being revealed from Heaven but that literal part would take place down there. So then you wonder if people are not reverencing devils and worshipping Satan ignorantly. And to worship Satan is not to get some image or some idol. Some people who are more blind than some, do it that way. But the real worshipper is similar to like what Eve did when she went out and believed the error. She cast aside God's Word and she took Lucifer's lie, and she was actually worshipping the devil there.

That is why those Satan worshippers had that serpent in it all the time coming all the way down. In *God Of This Evil Age and Satan's Eden*, Bro. Branham said, "Man's person are being established in their heart." In *Sirs' Is It This Time?* [*Is This The Sign Of The End Sir*, 62-1230e -Ed.] He said, "After those seven angels had gone, then that Mighty One comes down because there is no earthly angel anymore; there is no man anymore. God is on the scene." Amen! God removed man off the scene because the Bright and Morning Star is here!

And where is man who has the audacity to want to step in there and try to project their person, after the Person of the Holy Ghost has already been revealed unto us and we are worshipping the Living Christ moving in and out amongst us? None other than the Serpent and the Nicolaitanes are coming between Adam and his Bride again because false anointed ones are going to come between the Son of Man and the Omega Bride. He will try to come in but brother, she would try him; she has a holy woman's taste. Amen!

So, *The Jezebel church, her actual body, is to be eaten by the fowls and the beasts of the earth. Just like Ahab and Jezebel was in the natural, so are they to be in the spiritual form a church. Do you see what I mean? Elijah was the prophet in the days of Ahab and Jezebel, natural. And He's promised to be the same thing according to THUS SAITH THE LORD, in the Word to the Jezebel, spiritual; His Spirit form of ministry. Watch. Elijah, though in his day properly and profoundly vindicated, could not turn them back to the Word. Is that right? Though Elijah tried everything; he did; He showed them signs and wonders...*

God photographed the Pillar of Fire, photographed the Pillar of Cloud and it could not turn them back. God came and did it. He took it out on film and it could not turn them back. God did it around the world and it couldn't turn them back. They loved pleasure. They did not want to bring forth sons in His Own image but

they want pleasure. They did not want the responsibility – *Invisible Union*, of bringing up children – Acts 2:38, screaming babies. They had no sacred motherhood.

The other night I was speaking about spiritual incest; it only produced idiots. There is a bunch of idiots in the Message too. It is the product of spiritual incest – people trying to pervert the Spirit of God by coming out of their calling and trying to bring the spirit into another office after he showed us that you must have ‘five musts’ to do God a true service; after he showed us in influence of another, that God is no respecter of any person. God will bless but from the time you leave the Word, God will judge you. Amen! See. That is why we have all those idiots today.

So all that he tried he could not bring it. He said, *Same thing they’ll do with this spiritual. He could not turn them back to the Word. Out of the millions... Listen, Church close now he said, “now you that is going to be confused on this. Out of the millions in the world in the days of Elijah, when Jezebel and Ahab was reigning in type of the antetype today (in type of the antetype today)-out of the whole world, there was only seven thousand saved out of Elijah’s preaching. Isn’t that right?*

And then he went on to show how God pulled the Seal back. I wouldn’t have time to read it all. I want to get to some other things. He pulled the Seal back and he showed Elijah under the Seal there where seven thousand were going in the Rapture. He was talking out in a parable, showing that little group represented the Bride also on this side just as representing the Elect, the hundred and forty-four thousand on the other side. Amen!

But what I want to show you is that the same way it fed upon Jezebel and Ahab naturally, it will feed upon them in the spiritual form here today. Demon powers are coming to take over the church. So tonight, we are more emphasizing that part of it – the spiritual demons

that are moving upon people that rejected the Word and have not moved on with Eternal Life. And death has struck them and people are wondering what is going on in the churches. They are wondering why things are happening but darkness and death and demon powers have taken over. There has been an invasion of false and wicked spirits and many people are under the influence of misguided spirit, leading many astray. Find it in *The Church Ages* book.

Now quickly now; we are finishing out here. I am sorry but I have a few more Scriptures I want to get quickly and we'll close. So I trust you bear with me for the next five or ten minutes. Jeremiah 34! We may have to come right back here tomorrow because I don't want to be in a hurry with these things because I feel God is speaking to us at this time and making something plain. I don't want to hurry it over like a message, 'we have to go.' That is why we have all these consecutive services so we could focus our attention and get under the inspiration of it.

This was very astounding when the Holy Spirit just began to reveal these things today, out from Scripture to Scripture in the Bible there and make it so plain. It was then I really began to understand how that was God's judgment all through the Bible for people when they left the Word. And notice the fowls ate them: Baasha, Jeroboam, the son of Nebat, Ahab and Jezebel in the evening time, at supper; come to the Supper of the great God. In the evening time this is going on; not morning time or midday but in the evening time. So it is in this day all these things are happening. Remember Jesus tells the parable that the fowls of the air will come and pick the seed out of your heart too. You take up your Bible and run through your concordance and see what you're going to find there. Jeremiah 34, verse 8!

⁸ This is the word that came unto Jeremiah from the LORD, after that the king Zedekiah had made a covenant with all the

people which were at Jerusalem, to proclaim liberty unto them;

There they crucified him – Jerusalem. There is an earthly Jerusalem and there is a Heavenly Jerusalem. Is that correct? Galatians 4 tells us that – children of the free woman and children of the bondwoman. Hagar and Sarah – the right channel and the wrong channel – same Abraham’s seed. Now you see how we’ve zeroed in? We’ve zeroed into the Church now. We’ve zeroed in here in the framework of the Message now to fully nail down the spiritual part of the fowls of the air and the beasts of the field eating these people.

Now remember the Fourth Seal and Revelation 19— Revelation 6, 7 and 8 and Revelation 19 is sword, famine, hunger and the beasts of the field devouring them. Is that correct? What happened back in the days of Ahab and them? The same thing, all through the Bible. How will Jesus Christ kill them? With the Sword of His mouth; kill them with the beasts of the field, the fowls of the air; kill them with spiritual death! Do you see what he is saying? Alright.

So that is always God’s judgment for leaving the Word but it all accumulates in its fullness at the end of the Bible. Where the fullness of the wrath of God will be poured out, when hell itself is here. And that is the time we are living in. So brothers and sisters don’t you see how sincere we ought to be and walk in Truth and do the Truth. Okay! Jeremiah 34:8 as we study a little bit again.

⁸ This is the word that came unto Jeremiah from the LORD, after that the king Zedekiah had made a covenant with all the people which were at Jerusalem, to proclaim liberty unto them;

Two Jerusalems – earthly and Heavenly, keep that in mind.

⁹ That every man (because this is a type here) should let his manservant, and every

man his maidservant, being an Hebrew or an Hebrewess, go free; that none should [enslaved] them, to wit, of a Jew his brother.

See. They came out of Egypt and God made a covenant with them. He said, "Now your brothers and your sisters, don't you enslaved them any more." Because they were used in Pharaoh's kingdom in Egypt. Egypt is organization; Sodom is the world. Is that correct? And Elijah and Moses will lie dead in the street of that place called spiritual Sodom and Egypt. Okay, now watch. Now hear!

So here then we see in the Scripture that they came out from Egypt. God brought them out. They had the people in bondage like organization. Many people came out of organization and they too held people in bondage by being a servant of the denomination they were in. So when they came out in the Message now they said, "Alright, we've come out of the old Egypt, old slave master and over here we are not under the leadership of man any more. The Holy Ghost, the Pillar of Fire called us out." Alright! "You're free now, led by God. God is your Leader. Don't look to me, God is your Leader. The Dove leading the Eagles, that is the Message." And they turned around and enslaved them again afterwards; find out. And for enslaving them, fowls and beasts and sword came upon them in the same place. Now you tell me if these things have happened or not as we study here. Verse 10!

¹⁰ Now when all the princes, and all the people, (all the ministers, congregation) which had entered into the covenant, heard that every one should let his manservant, and every one his maidservant, go free, that none should [enslave] themselves of them any more, then they obeyed, and let them go.

¹¹ But afterward...

Afterwards – a few years after, right after the prophet died,

...they turned, and caused the servants and the handmaids, whom they had let go free, to return,

They caused it, okay. That is what it said.

¹¹ But afterwards they turned and caused...

Cause has motive and objective; cause has intelligence behind it; cause has deceitful working, handling the Word deceitfully; holding It in unrighteousness saying, “The Pastor is the full authority in the church!” And they used that wrongfully with a wrong spirit. Although that is correct but they use it as a motive to bind the people to themselves and fear them. They say, “Church Order!” And they police them because the denominational devils were still upon them. Although they came out of Egypt, Egypt didn’t come out of them. And they still had that big ‘ruler’ self; still had the big ‘lordship’ self over God’s heritage. And those people that came out of Egypt with that kind of spirit, like Johnny Crow when they were set free, their spirits were still tied up so they still have to stay that kind of way.

And when the eagles were flying south they said, “Johnny Crow, winter is coming, you are free. The Son of Man, the Supreme Judge has set you free.”

He said, “The Prophet said stay with your Pastor; he is ordained to take you through.”

Yes, the Prophet said that but he said, “If he is a feeder of chickens, run for your life!” Hallelujah! This is the Bible. This is the Bible being revealed. This is not man’s ideas.

¹¹ ...[they] caused the servants and the handmaids, whom they had let go free, to return, and brought them into subjection for servants and for handmaids.

They still wanted them to serve them.

12 Therefore the word of the LORD came to Jeremiah from the LORD, saying,

13 Thus saith the LORD, the God of Israel; I made a covenant with your fathers in the day that I brought them forth out of the land of Egypt, [and] out of the house of [bondage,] saying,

14 At the end of seven years let ye go of every man his brother an Hebrew, which hath been sold unto thee; and when he hath served thee six years, thou shalt let him go free from thee: but your fathers hearkened not unto me, neither inclined their ear.

15 And ye were now turned, and had done right in my sight, in proclaiming liberty...

Oh my! Would you give me a few minutes? [Congregation agrees -Ed.] I want to pick up some Scriptures here and show you in the spiritual realm today what that 'proclaiming liberty' is. Peter said, "They proclaim liberty but they themselves are in bondage." He said, "How could they preach liberty if they are in bondage?" I will pick it up just now. He said, "They are servants of corruption, eyes full of adultery and preaching deliverance." [2nd Peter 2 -Ed.] They need to be delivered first. Shut your mouth and sit down until you are sanctified; until you meet the Pillar of Fire, the Seraphim. Then when God says, "Who will go for us?" You will go with reverence, humility and action – a prepared servant. Amen!

15 And ye were now turned, and had done right in my sight, in proclaiming liberty every man to his neighbour; and ye had made a covenant before me in the house which is called by my name:

Do you see what that is? That is not in denomination; that is blasphemous names. In the house, which is called by My Name—in Egypt, they were in blasphemous names. But in the house which is called

by My Name, it is there they were proclaiming liberty – in the house which is called by My Name. In Egypt they were in blasphemous names. He called them out of Egypt, out of bondage and they came proclaiming liberty now. But while they were in the house that is called by His Name, they turned around and they made them servants and slaves back again.

17 Therefore thus saith the LORD; Ye have not hearken unto me, in proclaiming liberty, every one to his brother, and every man to his neighbour: behold, I proclaim a liberty for you, saith the LORD, to the sword, to the pestilence, and to the famine; and I will make you to be removed into all the kingdoms of the earth.

Do you see the Fourth Seal came back there again? “To the sword, to the famine, to the pestilence!”

18 And I will give the men [who] have transgressed my covenant, [who] have not performed the words of the covenant [that] they have made before me, when they cut the calf in [two,]

That is back in Genesis 15. We will pick it up back just now. That is how they made the covenant in those days. They divided the animal in two and the Pillar of Fire, God Himself would come and walk through it and then they would walk through it. So if there was a breach of that covenant, it meant “Let them be dead as that calf is dead,” if they were guilty of breaking the covenant. That is how they made it back there. And they did that saying they will set the people free. And many people stood up and cried with tears and said, “Saints, you know back in the organization we preached so and so and so and God brought us to the Light and we are so thankful,” and all kind of different things and turned right back and conned the people. See!

19 ...and all the people of the land, [who] passed between the parts of the calf;

20 I will even give them into the hand of their enemies, and into the hand of them that seek their life: and their dead bodies...

That is death also. Death: the sword, pestilence and famine. That death is spiritual death. And their bodies, the church bodies today, all those that are spiritually dead because Jezebel represents the church body spiritually today,

...shall be for [food] unto the fowls of the heaven, and to the beasts of the [field.]

Is that correct? Jeremiah 15! I am trying to finish out today quickly but I want to nail this down and show you that was always God's judgment. And it is going on right now because we see it end up in the physical part when the whole thing is destroyed in Revelation 19, which we are just on the verge of. So then how dead are they spiritually dead here? *Twice dead; plucked up by the roots; clouds without by waters; waves foaming out their own shame.* [Jude 1:12-13 -Ed.] Jeremiah 15!

1 Then said the LORD unto me, Though Moses and Samuel stood before me, yet my mind could not be toward this people: cast them out of my sight, and let them go forth.

Who was Moses? Did Moses call the exodus? Go back to *Standing In The Gap*. [1963-0623m -Ed.] Moses threw himself before the people. That is what God is talking about there. And Moses said, "Lord, take me." And the Prophet was standing in the gap. He was a prophet like unto Moses; he was standing in the gap for the people between the living and the dead. And Samuel is what? *Rejected King*, [1960 -Ed.] when God said, "It is not you they rejected Samuel, it is Me they rejected, their Leader." They want organization. They want to be like the other nations. And those same two anointing were here. Moses and Samuel were here because both messages were preached, *Standing In The Gap* and *Rejected King* when they rejected the Holy Spirit in the Prophet, just like Samuel.

This is not somebody trying to force something now but this is what the Holy Spirit is revealing. I sat there under the influence of the Holy Spirit for five hours until I read things in the Bible that I never saw for myself but I know it is God doing it and proving His Word is right.

¹ ...stood before me, yet my mind could not be toward this people: cast them out of my sight, and let them go forth.

² And it shall come to pass, if they say unto thee, [Where] shall we go forth? then thou shalt tell them, Thus saith the LORD; Such as are for death, to death;

That is where they are going to go. “Such as are for death.” Who crossed the line, who rejects Life and they are for death, cast them to death.

...such as are for the sword, to the sword;

If they live by the sword, they will die by the sword!

...and such as for famine, to the famine;

And we are in that time right now!

...such as for captivity, to the captivity.

³ And I will appoint over them four kinds, saith the LORD: the sword to slay, and the dogs to tear, and the fowls of the heaven, and the beasts of the earth, to devour and destroy.

Is that the Scriptures? Is that Revelation 6? Is that Revelation 19? Is that the type back in Ahab and Jezebel for rejecting Elijah’s Message? Is that going to happen here today again? Is it happening in the spiritual form now? Jeremiah 16:1-9. Let’s read a little bit again.

¹ The word of the LORD came also unto me, saying,

² Thou shalt not take thee a wife, neither shalt thou have sons or daughters in this place.

³ For thus saith the LORD concerning the sons and concerning the daughters that are born in this place, and concerning their mothers that bare them, and concerning their fathers that begat them in this land;

⁴ They shall die...

Now what about these people in the Message, who after they got the same thing, they rejected the Word again like in the days of Samuel and they rejected the Word that was standing in the gap today again? Here is what the judgment is and hear what God is saying now. God told Jeremiah this now. He said,

² Thou shalt not take thee a wife, neither shalt thou have sons or daughters in this place.

³ For thus saith the LORD concerning the sons and the daughters that are born in this place, and concerning their mothers that bare them, and concerning their fathers that begat them in this land;

⁴ They shall die of grievous deaths;

Here it is again – death!

...they shall not be lamented; neither shall they be buried; but they shall be as [refuse] upon the face of the earth: and they shall be consumed by (What?) the sword, and by (What?) famine; and their carcasses shall be meat (for food) for the fowls of heaven, and for the beasts of the earth.

Amen!

⁵ For thus saith the LORD, Enter not into the house of mourning, neither go to lament nor bemoan them: for I have taken away my peace from this people, saith the LORD, even loving-kindness and mercies.

His peace was amongst them. “When they seek Me I will think thoughts of peace towards them. [Jeremiah 29 -Ed.] I brought them out of Babylon back to the land

but what is going to happen now. I will take away that peace from them. I will put confusion among them.” And confusion is what? Babylon! Disunity as at Babel – scattered them out into all nations in the earth as he said. The world will swallow them up.

⁶ Both the great and small shall die in this land: (rich and poor, bond and free) they shall not be buried, neither shall men lament for them, nor cut themselves, nor make themselves bald for them:

⁷ Neither shall men tear themselves for them in mourning,

As Bro. Branham said, “Father, I’ve stopped praying for America.” Did he say it? He said, “I don’t pray for America anymore.” When he went to the meetings in 1965 in December when he saw what was going on; it was all finished, he said, “Lord I pray for them that are savable because the others, the sickness is unto death. They have already crossed the line.” John said, “I tell you don’t pray for them. They rejected the Word, sinned; willfully disobedient. God said, ‘Do like your brother’ and you won’t do it because of pride. You want your own private way.” No way!

⁸ Thou shalt not also go into the house of feasting, to sit with them to eat and to drink.

[Bro. Vin repeats verse 8 –Ed.]

⁸ Thou shalt not also go into the house of feasting, to sit with them to eat and to drink.

He has His table spread. He has bid them to His Supper. They don’t want to come to His Supper so He turns around and makes them a supper for the fowls of the air. “Come to the supper of the great God because when I came in Laodicea, I went out there in the healing revival calling the halt, the lame, the maimed and the blind – the First and Second Pull. The third time I went out, it was judgment.” So He called only those because there was still room and when the Pentecostal and they refused it, He went in the highways and byways and

found us to take up that place. Now watch something again quickly. I don't have time so I'll just throw it out here for you.

Back when the Son of Man came, Jesus, in His earthly ministry and He was preaching there and He gave the invitation to the Jews first, "Is your life worthy of the Gospel to come to the Supper, the Marriage Supper" and they turned it down, those demons that came out of Legion and went in the hogs; came out of the hogs that was in the wallow and where did it go when they drowned? The hogs died but their spirits lived on. Where did they go? The Prophet said, "Upon the priests that crucified Jesus afterwards. And the fowls of the air and the beasts of the field got them and then finally natural fowls and beasts ate them when Titus came because they rejected the invitation to the Supper and they crossed the line.

But He said, "I will knock on your door and if you open it I will come in and sup with you." You have to open your door. "I will come in and sup with you." Amen! What? A seven course menu; spiritual Food in due season; a table spread millions of miles around the world and the Lamb is walking, drying away your tears right now. Hallelujah! You don't have to sorrow anymore. He is giving you a consolation to let you know, you have the evidence that you are going in the Rapture right now! You will not go through the Tribulation! Dry your tears! Hallelujah! You will not hunger any more; you will not thirst any more because your River is flowing and the Bread of Life is here! Hallelujah! Amen. Verse 8, Jeremiah16

⁸ Thou shalt not also go into the house of feasting, to sit with them to eat and to drink [with them.]

⁹ For thus saith the LORD of hosts, the God of Israel; Behold, I will cause to cease out of this place in your eyes, and in your days, the voice of mirth, and the voice of gladness,

There is no revival so they can't laugh with revelation any more.

...the voice of the bridegroom, and the voice of the bride.

Is that the Scriptures? Sword, famine, death, pestilence; they rejected the Word. They turned back and brought God's people back in bondage because a spirit of Nicolaitanes is upon them. After they proclaimed liberty to begin with; after the Son of Man opened this Book and told them they are the sinless, spotless virtuous Bride and set them free, man comes to put them back in bondage and the fowls of the air and the beasts of the field comes upon them, to feed upon them. Four things he said: dogs to tear, fowls to devour, sword to slay and beasts of the earth to devour and destroy. Amen, quickly!

Jeremiah 19! You see, Jeremiah's prophecy points a lot towards Jerusalem. And Jerusalem in the last days, there – the most holy place; there the most holy people crucified Him, most shameful death – Him, the revealed Word. Do you understand what we are saying? Laodicea, there in Laodicea, they, the Pentecostal people crucified Him, the revealed Word by blaspheming the Holy Ghost. That is the crucifixion. Jeremiah 19! Okay, verse 1 quickly. My! Thank you for your patience tonight.

¹ Thus saith the LORD, Go and get a potter's earthen [vessel,] (earthen flask) and take [it to] the ancients of the people, and [to] the ancients of the priests;

² And go forth unto the valley of the son of Hinnom, which is by the entry of the east gate, and proclaim there the words that I shall tell thee,

³ And say, Hear ye the word of the LORD, O kings of Judah, and inhabitants of Jerusalem; Thus saith the LORD of hosts, the God of Israel; Behold, I will bring evil upon

this place, the which whosoever heareth, his ears shall tingle.

⁴ Because they have forsaken me, and have [desecrated] this place, and have burned incense in it unto other gods,

God brought them out in the exodus and brought them into a place where He placed His Name. And instead of that threefold revelation of His Name which the righteous run into, the Name of the Lord, Who is, Who was and Who is to come, is a Mighty Tower that the righteous run into and are saved, in the hiding place when the plague is getting ready to be poured out and men want to do what? Burn incense unto other gods; lift up other personalities; bring a spirit of idolatry among God's people. This is the Bible!

⁴ Because they have forsaken me, and have [desecrated] this place, and have burned incense in it unto other gods, whom neither they nor their fathers have known, nor the kings of Judah, and have filled this place with the blood of innocents;

Do you know how many people they loosed from under the Blood? Do you know how many they slaughtered when they were drunken with all kinds of perverted intoxicated wine and was drunk with pleasure and loosed them from under the Blood and slaughtered them? The blood of all those innocent people are upon their hands.

⁵ They have built also the high places of Baal, to burn their sons with fire...

That is exactly what they did. They sacrificed a lot of people to get what they wanted. Yes! Spiritually! Now don't think earthly, think Heavenly Jerusalem when we are talking. Amen! See!

...unto Baal, which I commanded not, nor spake it, neither came it into my mind:

God said, "Don't even think that." And they carry on as if that is the Word. They are doing that with an

assurance as if they read that in the Spoken Word in the Bible.

⁶ Therefore, behold, the days come, saith the LORD, that this place shall no more be called Tophet, nor The valley of the son of Hinnom, but The valley of slaughter.

⁷ And I will make void the counsel of Judah and Jerusalem in this place; and I will cause them to fall by the sword before their enemies, and by the hands of them [that] seek their lives: and their carcasses will I give to be meat for the fowls of the heaven, and for the beasts of the [field.]

⁸ And I will make this city desolate, and an hissing; every one that passeth thereby shall be [appalled] and hiss because of (what?) all the plagues thereof.

⁹ And I will cause them to eat the flesh of their sons and the flesh of their daughters, and they shall eat every one the flesh of his friend in the siege and [distress,] wherewith their enemies, and they that seek their lives, shall [distress] them.

When those demon powers are upon them, you watch all kinds of perversion taking place in the church. Back in Titus' time in the natural realm when Ezekiel 9 was repeating itself; was going on—look, let me show you how plain this is. You might say in the natural mind, “Brother, that was Ezekiel 9 he is talking about when Titus slaughtered Jerusalem.” Ezekiel 9 repeats itself in the last days. Who was Titus? A type of the communists! To do what? Destroy the church! That did what? Rejected the Son of Man's Message. But before that came, not one of those Christians were caught in there. Why? The Sealing Angel dropped down, Michael Himself, to deliver those who were found in the Book.

Page 30, in *The Feast Of The Trumpets*, [1964-0719m, para. 208-209 -Ed.] “The Sealing Angel, Ezekiel 9, will be repeated in the last days.” Page 47 in *Leadership* 1965, [1965-1207, para. 320 -Ed.] he said, “The Sealing Angel goes around to the churches marking those who sigh and cry for the abomination.” When the father is eating his daughter and the brother is eating his sister’s flesh! In the church, in Jerusalem? They were lifting up all kinds of men’s person and the spirit of idolatry got there.

Where did those devils come from? Is it not the Euphrates where every abomination came from? Are you seeing what this Bride is up against? I pray that God unveils to you through the messages what the Bride is up against in the spiritual realm. I said we are catching tonight the spiritual realm from the Word and showing what is happening before the physical destruction part comes, you know. And it is showing, it is a plague always under that Fourth Seal. It was all through the Bible; every place where you are reading here, to show you four things there that happens when they rejected that Word; when they rejected Elijah, that Message there, when it came to them. I’m picking up the types in the Old Testament, picking up the prophecy in the New Testament, picking up the symbols in the Book of Revelation and the Message and making it clear, to show it to you. Oh, where were we? In Jeremiah 19, I didn’t finish it. I have a couple more verses to get. Verse 9,

⁹ And I will cause them to eat the flesh of their sons and the flesh of their daughters, and they shall eat every one the flesh of his friend in the siege and [distress,] wherewith their enemies, and they that seek their lives, shall [distress] them.

¹⁰ Then shalt...

When that is going on, after they see all of that,

¹⁰ Then break the [flask]...

He said, "Take a flask, a bottle, go out there, speak these things to them and when you reach this part, break the flask and tell them."

¹¹ Then [thou] shalt say unto them, Thus saith the LORD of hosts; Even so will I break this people and this city, as one breaketh a potter's vessel, that cannot be made whole again: and they shall bury them in Tophet, till there be no place to bury.

¹² Thus will I do unto this place, saith the LORD, and to the inhabitants thereof, and even make this city as Tophet:

¹³ And the houses of Jerusalem, and the houses of the kings of Judah, shall be defiled as the place of Tophet, because of all the houses upon whose roofs they have burned incense unto all the host of heaven, and have poured out drink offerings unto other gods.

And don't think the other gods are not heathen worship he is talking about. In this Age it is men's persons being established in the hearts of people. That is the spirit of idolatry. I am of Paul, I am of Cephas, I am of Apollos; that kind of spirit got among people in their carnality. That is what the Bible calls carnality. They turned to another Jesus and all these things.

¹⁴ Then came Jeremiah from Tophet, [where] the LORD had sent him to prophesy; and he stood in the court of the LORD'S house; and said to all the people,

¹⁵ Thus saith the LORD of hosts, the God of Israel; Behold, I bring upon this city and upon all her towns all the evils that I have pronounced against it, because they have hardened their necks, that they might not hear my words.

Amen! Jeremiah 7! We're closing now. I just can't do it because it is too much. I will refer the Scriptures;

read them when you go home. I will take a couple more and you read the rest when you go home.

Now Tophet, what we are reading about there, was the name of certain high places built in the valley of the son of Hinnom which was just south of Jerusalem. And on these high places they offered human sacrifices. That is why God said, "They pass them through the fire" and these things. It is what they did; they sacrificed their children. And today you find those very spirits in the Message. People are giving up their children and their families are being torn apart and all these different kinds of things for false teaching. Because even though man preached and showed the Truth in the Word that they could believe for them and their household and apply the Token with confidence regardless of how wayward they are, people are actually trying to sow discord and tear families apart and sacrifice sons and sacrifice daughters and this one for false teaching which are other gods, right in the Message. Because those devils came out of the Euphrates River. They came out of Babylon upon these men to bring people back into bondage because people picked up spirits and don't even know they picked them up because they do not have a thinking man's filter. Their thinking is not filtered. See!

And in this place Josiah in 2nd Kings 23 and in Jeremiah, I am reading out of the Scofield notes here part of the history of the place – *Predicted that the valley will be known as the Valley of Slaughter, what we just read, from the horror of the fires of the adulterous rites and its pollution by Josiah, the valley became the scene of a great burning in connection with sin.*

Which is a type of hell and God said, "I bring them down to that place where there will be a great burning. I will destroy them there." And He called the place the Valley of Slaughter, the same place where they used to slay their children; where they offered their children "I am going to destroy and burn them down there and kill

them and put them to the sword” and all these things. Which spiritually he talked about where the pale horse rider will bring them down to hell to be destroyed in the lake of fire. Death is separation from God’s Presence. So Jeremiah 7:29.

29 Cut off thine hair, O Jerusalem, and cast it away, and take up a lamentation on high places; for the LORD hath rejected and forsaken the generation of his wrath.

30 For the children of Judah have done evil in my sight, saith the LORD: they have set their abominations in the house which is called by my name, to pollute it.

31 And they have built the high places of Tophet, which is in the valley of the son of Hinnom, to burn their sons and their daughters in the fire; which I commanded them not, neither came it into my heart.

They did things that God never told them to do. God didn’t ask for that. They had an atonement according to the Word to come once a year. That is a lot of the religious works that is contrary to the revealed Word. All your sacrifices; if you give your goods to feed the poor, he said it profits you nothing if you’re not in the Word. If it is with some motive that you are going to get blessed, it profits you nothing. If you give your body to be burned, it profits you nothing. Is that what the Bible said? But look it is right here. Don’t be restless; we have a few more minutes. Let’s finished it off.

31 And they have built the high places...

Okay! Right. Verse 32!

32 Therefore, behold, the days come, saith the LORD, that it shall no more be called Tophet, nor the valley of the son of Hinnom but the valley of slaughter: for they shall bury in Tophet, till there be no place.

33 And the carcasses of this people shall be [what?] meat for the fowls of the heaven,

and for the beasts of the earth; and none shall [frighten] them away.

Then, in other words, they were put there to be a supper and the fowls of the air and the beasts of the fields were invited to that supper, "Come and feed upon them." Nobody was going to frighten them away and shoo them away when they are eating on that because that is God's judgment upon them.

³⁴ Then will I cause to cease from the cities of Judah, and from the streets of Jerusalem, the voice of mirth, and the voice of gladness, the voice of the bridegroom, and the voice of the bride: for the land shall be desolate.

And the voice of the Bride is giving the final call right now. The Spirit, the Voice of the Bridegroom and the Bride, the final Voice to the final Age is saying, "Come! Soon you will be taken away." It's a quick, short Message going forth. The Thunders, the Vials, the Plagues; all these things to finish the Book of Revelation.

One more on the positive side for you now. Genesis 15, we will close with that. Study it when you go home. Be a student of the Word. Know this Bible; know what is going on. Read your Bible and pray everyday and you will grow but know what to read. Amen! I kept you long enough tonight. But I trust you enjoyed it. Did you enjoy it? [Congregation says, "Amen." -Ed.] Amen! You encourage me when I hear you say that. I know God has given it to us and I'm glad to see you could receive it and are receiving it. And thank God we are not seeing all these funny faces. We're only seeing faces concentrating, listening, receiving, examining and applying. That is very wonderful. I trust it is helping you to be more fervent, to be more circumspect; to recognize the evil in this evil Age as we would get it a little later in the week.

I don't know if I could ever finish the volume of things that are there and I have to go in there and preach.

When I come each night and see how the Holy Spirit is leading and passing, I just trust that God provides and make a way for us so that we can come—because I think it is better for us to give it out while we are getting it rather than wait. Because the brothers already rang there and are sending for me from Honduras and they have some other plans also, which I don't want to disclose yet. The end of this year moving on could be very uncertain so I just want to give you from my heart what God has given me to give you at this time so we can just be looking in on these things and be ready. Amen. Genesis 15 verse 7!

7 And he said unto him, I am the LORD that brought thee out of Ur of the Chaldees, to give thee this land to inherit it.

Is that nice? That is what God did for us in this day.

8 And he said, Lord GOD, whereby shall I know that I shall inherit it?

9 And he said unto him, Take me an heifer...

Do you see the calf they were talking about in Jeremiah, when they made the covenant; how they walked through it when God called them out and said they will not hold the people in bondage anymore? This is it right here – the covenant, the blood representing the Atonement.

...of three years old, and a she goat of three years old, and a ram of three years old,

Notice the heifer and the she goat are both females and that was the churches and then the ram was a male and that was the Word coming after typing this Age. We had churches but then the Word came. The Prophet said that. I just quote that to you but it is he who said it. And It said,

...and a turtledove, and a young pigeon.

10 And he took unto him all these, and divided them in the midst, and laid each

piece one against another: and the birds divided he not.

¹¹ And when the fowls came down upon the carcasses, Abram drove them away.

Amen. Because that was not for judgment, that was an atonement God was making to confirm a covenant. Those demon powers brother, is taking over everything. But here is a son of Abraham. Abraham and his seed! What God did for Abraham, He does for his seed after him. Is that correct?

¹² And when the sun was going down,

When was it? At evening time! A deep sleep and that represented death to all human beings; death in the human race. Death fell upon Abraham.

...and, lo, an horror...

That represents death that came upon the earth.

...and an horror of great darkness...

That is the two last plagues right there that is coming.

¹³ And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years;

¹⁴ And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance.

¹⁵ And thou shalt go to thy fathers in peace; thou shalt be buried in a good old age.

¹⁶ But in the fourth generation they shall come [here] again:

Back in the Ephesians. 'Here again' because that is the land where he was in. He has been called out Ur of the Chaldees like how they were called out of Judaism into the Message; the Son of Man in the first Age. Then they went and sojourned in a strange land for four hundred years. Then in the fourth generation, four church Ages, they came back. Luther, Wesley,

Pentecost and in the Bride Age, they are back in the Ephesians. Alright. And in that time the iniquity of the Amorites is full now. It wasn't full when the Son of Man came the first time. When the Son of Man is being revealed in the last days now, it is then the cup is full because Sodom and Gomorrah is here. It's time for the last sign before judgment when all these things are moving in. Gross darkness is coming upon the people; spiritual death; the last plague strikes. Everything is taking place at that time. When? In the Evening time.

17 And it came to pass, that, when the sun went down,

The Age of the Son of Man in Bride form is being revealed in the Bride Age when mercy was ended; when the sun went down. Because the Son of Man in evening time was in Bride form, in the Bride Age. And when that Bride Age is finished; just space for half an hour, time is no more. It runs out.

...it was dark, [and] behold a smoking furnace,

And he said, "And that is hell, where death was taking them." All who dies of death, deep sleep, darkness comes upon them; a smoking furnace when the sun went down.

...and a burning lamp that (came during that time and) passed between those pieces.

That was the Pillar of Fire. He said, "Abraham made a covenant and was waiting there for God to confirm the covenant." The Pillar of Fire came as the confirmation. He did his part. He made a covenant how God said it and laid out the Word. And the Word is laid out and he had to keep the Messiah-ship straight, "Keep the sacrifice clean. Keep the church in step." And the sun was going down; slowly going down then it became dark all over. Death was there; a deep sleep and a smoking furnace, hell. But before that time when those demon powers were moving on, here was Abraham shoeing

them off, shooing them off to keep the sacrifice clean. Amen!

So in this Hour those fowls of the air are coming again. I want to take the whole chapter because it is so rich inside there; you will see spiritually where all those blessings and curses are and how they all gathered up right now. Now in Deuteronomy 28, I am going to read two verses and leave you to read the chapter when you go home but read the whole thing – the blessings and the curses. Deuteronomy 28:15!

¹⁵ But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, (which came to the prophet) to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee:

¹⁶ Cursed shalt thou be in the city, cursed shalt thou be in the field.

¹⁷ Cursed shall be thy [bread] basket...

That's famine! Cursed would be in thy kneading trough – famine: death, hunger, starvation!

¹⁸ Cursed shall be the fruit of thy body,

All kinds of adultery and fornication comes out of the body. Not meekness and longsuffering and gentleness and peace. Spiritual body now.

Cursed be thy land, the increase of thy [cow] and the flocks of thy sheep.

Okay. But the verse I want to get—okay, let me read down to that verse.

¹⁹ Cursed shalt thou be when thou comest in, and cursed shalt thou be when thou goest out.

²⁰ The LORD shall send upon thee cursing, vexation, and rebuke, in all that thou settest thine hand to do,

Do you see why some people cannot prosper? Disobedience to the Word! A spirit of vexation upon

some people. "How do I have this temper? How do I have this self? It cannot leave me." You are not obeying the Word. You are supposed to have a meek and quiet spirit, which is of a great price in the sight of God. You have a spirit of vexation. Watch, disobedience to the Word. You must harken to do all that He said.

...until thou be destroyed, and until thou perish quickly; (swift destruction) because of the wickedness of thy doings, whereby thou hast forsaken me.

Forsake the Word again!

²¹ The LORD shall make the pestilence cleave unto thee, until he have consumed thee from off the land, whither thou goest to possess it.

²² The LORD shall smite thee with (what?) a consumption, and with a fever, and with an inflammation, and with an extreme burning, and with the sword, and with [blight,] and with mildew; and they shall pursue thee until thou perish.

²³ And thy heaven that is over thy head...

Alright! Now the Heaven over our head is spiritual blessings in heavenly places in Christ Jesus. And that is what is pouring out of Heaven, that spiritual Rain watering us here. Alright? Are we planted by the rivers? Because the mountain, the high places there catch the rain first and bring it down to the lower ones, the valley, like the prophet brings the Word down to the people. Then the rivers take it throughout the land and they irrigate the land. And the trees that are planted there are being nourished and brings forth fruits; the leaves shall not wither. Like a man; a man is like a tree, bringing forth its fruit in due season.

[But your] *heaven shall be brass,*

No rain; dry, dead services; brassy skies; famine – dry, parched ground.

...and the earth that is under thee shall be iron.

All the seed that you sow doesn't produce anything. You labor in vain.

24 And the LORD shall make the rain of thy land powder and dust: from heaven shall it come down upon thee, until thou be destroyed.

25 The LORD shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the earth.

That's what we picked up in Jeremiah there.

26 And thy carcass shall be [food] unto all fowls of the air, and unto the beasts of the earth, and no man shall [drive] them away.

That was God's curse from the beginning for disobedience to the Word. Look in Revelation where it ends up in the last days at the end of this world's system. Before the Kingdom of God comes back in, look where it ends up to. The very same judgment here ends back there, for rejection of the Word. Amen.

Let's stand to our feet. I hope you were able to pick up the first Supper a little bit with the Prophet's ministry going out there with a healing revival to attract the people's attention. And then the third time, in giving them their healing was the Word compelling them to come in because all things were now ready.

"Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the house of the Lord forever." Let's just get quiet before Him a little bit. Look what happened to the Jews when they rejected the Son of Man's ministry after Elijah introduced the Son of Man, Who gave them the invitation to come to the Supper. Demon powers got a hold of them. Then Titus, the army came in and destroyed them. They fell at the edge of the sword. The fowls and the beasts fed upon

them. When they rejected the invitation, they crossed the line of mercy and they entered into judgment and they became the supper for the fowls of the air and the beasts of the field.

And at the Evening time, suppertime, the great God has two suppers. An invitation first, "All things are ready, the Seven Seals are opened – seven course menu. Come to this feast," a spiritual feast at Pentecost, the baptism of the Holy Ghost and fire, getting the same penny to give you a rapturing faith to grow that seed into the Word Image. And again many who were bidden to come to the feast have made excuses. The lust of the flesh and the pride of life, those are excuses because they got entangled in the affairs of this life. They got caught in the snares of this world. That is what they were warned by Jesus about. They labored for meat that perisheth. They stored up their treasures where moth and rust doth corrupt and where thieves break through and steal.

And again they have crossed the line – alive in their body but dead in their soul. All they have is a form of godliness an outward motion from all the religious learning they have but it has never brought them to the knowledge of the Truth because they are reprobates concerning the faith – one faith, one Lord, one baptism that Malachi 4 restored.

And here again God gathers His elected seed around His Supper table, feasting on the table that Thou has spread. All of His redemptive blessings, all of His promises in this day, all these things being revealed. And people chose to be in bondage; to be servants of corruption; to be influence by those who are influenced from those demons from the Euphrates River, Lucifer's angels. But what is going to happen? They who rejected His Supper will become the supper for the beasts of the field and the fowls of the air.

This is the condemnation that Light is come. Judgment is because of the rejection of the Word; failing

to move on with Eternal Life. That rich young ruler followed the Word right up to the Jewish Age. Here was the Word for the season being identified with the Scriptures. "Search the Scriptures; in them you think you have Eternal Life, they testify of Me. If I do not the works of Messiah then don't believe Me but if I do the works, then believe I am He."

He came and said, "Master, what must I do to have Eternal Life?"

The Eternal Life identified Himself to him from the Word and said, "Follow Me, the Leader of Eternal Life. Move on with Eternal Life. Go on with the Life. Do not stay back in the shuck that the Life moved out off. Do not stay back in the carrier. Do not stay back in a historical part of the Message. Move on with the Life."

You are confronted with it. If these things are the Truth, you are confronted with it. If this is Life you are confronted with it. You cannot walk away and say, "It is a nice message." If these things were to be made known; if these things were to be revealed; if He had promised, He was going to come back around when you have reason to see it and make these things plain; show us how to enter into rapturing faith; give us power to overcome – overcoming power to keep the devils away. Like Abraham, he had overcoming power shooing them off. But many choose to sit around tables filled with vomit; all kinds of filthy tables. But the Hour is here where we are confronted with Eternal Life. You do not have to come here but I'm talking about moving on with the Life, the Word, the Truth.

Let's bow our heads and close our eyes. Let sing prayerfully "*Surely goodness and mercy.*" You make your decision in your heart because you know what you believe.

[Song #33, Songs That Live -Ed.]
*Surely goodness and mercy
Shall follow me all the days
all the days of my life,*

*Surely goodness and mercy,
Shall follow me all the days
all the days of my life
And I shall dwell in the House
of the Lord forever,*

That is the Pyramid, the Tower that the righteous run into and are safe tonight; the Secret Place; the Hidden Food.

...spread for you...

Oh, wouldn't you come to the real Supper tonight? Hear His voice and live. He stands and knocks at your door tonight. He wants to come in and sup with you – communion, real fellowship, like He had with Adam in the cool of the evening back in the Garden of Eden; Divine fellowship. Oh, one more time. Every one singing, every head bowed, every eye closed prayerfully, meaningfully. You mean it from your heart tonight. Make that decision, "I open the door into my heart, Lord."

*...all the days, all the days of my life
Surely goodness and mercy,
Hallelujah!
Shall follow me, all the days...
You have Eternal Life tonight!
all the days of my life,
Oh, and I will dwell in the House
of the Lord forever.*

Lift your hands if that is your desire. That's your testimony. His House is His Bride; His Body.

I shall feast...

Do not be a supper for the birds and the fowls. Feed upon spiritual vitamins!

...is spread for you...

A seven course menu. Oh, then goodness and mercy will follow you all the days of your life – a love that passeth all knowledge; a peace that passeth all understanding.

“Oh, into my heart, into my heart; come into my heart,”
let’s sing that.

[Song #288, Songs That Live –Ed.]

Into my heart,

Do you want that tonight, the Person of the Holy Ghost; those who want the baptism of the Holy Ghost?

Into my heart,

Open your door.

Come into my heart,

Sing to the Holy Spirit; bid Him welcome; call Him in!

Come in today;

Even now, Lord. Let Him get into the control tower where He can control your life. He does not want your mind, He wants down in your soul, in the control tower.

Come into my heart, Lord Jesus.

Oh, one more time every one with one voice, one heart, one spirit! Every hand lifted up in worship, in praise, with sincerity. Let the Seal of God come. Do not reject the Holy Spirit. Do not reject His Word, otherwise the fowls of the air will come.

Come in today, come in to stay,

Come into my heart, Lord Jesus.

Hallelujah! Thank You, Jesus. Heavenly Father, what can we do, what can we say Lord, when we come face to face with Your Word; when reality faces us; when it comes with such a striking impact. Oh God, we thank You tonight, even though Lord we see places in our lives that need strengthening and straightening up Lord. We thank You Father, for we know it is Your love and Your grace coming down unto us that we could catch that spiritual understanding of the happenings in the spiritual realm. We can look and have the right diagnosis oh God, of the symptoms that identify the spiritual conditions, oh God, that so many have gone into. And then Lord, to see the lateness of the Hour to see it is about finished.

God, we buckle the armor tighter tonight with a pledge in our heart to serve You and be more sincere

Father. Lord, I lift my hand in pledge to You tonight Lord, oh God to be more sincere tonight. Lord, after we see, Lord, God, the grace of God coming unto us, we know we will not be caught up in the destruction of this world and the insanity of the people and the demon powers and the darkness that has moved in, oh God; where we could be in our right minds; where we could be led by the Holy Spirit, the Dove leading the Eagles; where we could follow You sanely, intelligently and right in the Word; where we could walk in the Bloody footprints, knowing the Dove is here. He has come to lead the Eagles. What a consolation that is to us Lord! What a peace that gives us! What an anchor that is to our soul! Oh God, Lord that should make us more determined tonight, more fervent in spirit Lord, more sincere in our motives and our objectives, more dedicated in Your service, more consecrated to Your will.

Heavenly Father, You deal with us Lord. May Your Spirit—You know us Lord. Even before our members were formed and written and put in a book, you knew us Lord. Lord, I pray that as You search us, as we feel that this is a time of taking inventory while You are speaking to us; while You are making these things plain and while we could feel the holy hush of the Holy Spirit, like Jacob said, “This a dreadful place. This is the house of God. Surely the Presence of the Lord is in this place.”

Father, I pray tonight, all these Father that You have gathered here, You know every one Lord. Lord God, those that are hungering and thirsting after righteousness You said they shall be filled. Those oh God, who are wandering stars, bring them in their course Father. Lord, God those that lack understanding give it to them. Those who are weary and faint in their minds, have fallen by the wayside, with feeble hands hanging down, their feet has become lame and turned out of the path, oh God, pour in Oil

and Wine, that the Balm, their healing comes from within oh God and their feeble hands go back up and their feet is turned back on the path again.

Oh God, those Eagles that the storm had brought down and they got among a bunch of pine squirrels, oh God, I pray Father, Quickening Power will come upon them to set those wings and fly back up into the heavenlies. God shake us, Lord. Shake us into place tonight, Lord. Make it real in our hearts. Let us not get away from it, Lord. When we lie down in our beds for the night watch, bring it back, oh God. When we kneel before You to pray, when we meditate, when we fellowship, bring it back fresh and real and teach us further on it, oh God. Hallelujah!

We so want to see Your perfect will done in our lives Father. We so want to see Your will, Lord, flowing through us and being revealed and manifested flawlessly. We so want the mind of Christ. Oh God, have preeminence in us that all the fiber of our being will be controlled by the will of the Holy Spirit. Let this be so real that as we look into the face of It, the things of the world will grow strangely dim, in It's Light and It's glory and grace. Oh God, may You grant it!

Bless Your people! How they have assembled night after night tired, weary, coming from work; sacrificing to come out early! Lord, we believe that is why You are blessing them like this Lord because many of them have been faithful and made sacrifices and are waiting Lord for the consolation of the Bride. Oh God, what a peace it is to them Lord to see it and to have the assurance to know that they are a part of You, a part of Your Word for this day. Bless them Lord. Strengthen them. Take them to their home safely. Watch over them and protect them Lord. Bring us back tomorrow night as we'll come back.

Help me and strengthen my body; refreshed by Your Holy Spirit and as You have been leading me and giving me oh God, Lord not by my own wisdom or my own

ability to study or anything. Thou knowest Father but it's by Your amazing grace. It's Your grace unto us because You love us Lord. You want us to understand this Hour. Give us more Lord and make it plain unto us Father. May we not be hearers of this but doers of the Word Lord, to apply It; not just talk about It Lord, that It might have effect in our lives.

Go with us now we pray. We commit every one into Your hands. Thank You for Your blessings that we have received tonight and we're looking forward to meeting with You tomorrow night as we gather like this. We ask it for Your honor and for Your glory in the precious Name of our Lord Jesus Christ, amen and amen.

You may have your seats. Let's sing, "*Turn your eyes upon Jesus. Look full in His wonderful face and the things of this world (Satan's Eden) so bright and shiny will grow strangely dim in the light, the illumination of His glory and His grace, His Word unto you.*"

[Song #188, Songs That Live -Ed.]

*Look full in His wonderful face
And the things of this earth,*

Try and come out early tomorrow. Come prayed up again.
